Subject: Setting of Proposed FY 2023-24 Library District Operating Millage Rate

Agenda item No. 8(G)(6)

Resolution No. R-692-23

Executive Summary

This item recommends a Library District Operating millage rate for the Board’s approval. As the Proposed Budget was developed this year, we prioritized sustaining our current level of services for the Library District and completing required capital projects mandated by 40-year certification and other requirements to be completed within the five-year forecast. Our libraries provide critical services so that families across our community can access opportunity no matter their zip code or income level – and the proposed millage rate will ensure the Library District can continue to provide the level of service required to help all our residents to thrive.

Recommendation

It is recommended that the Board approve the Library District operating millage rate of 0.2812 mills, as proposed in the FY 2023-24 Proposed Budget, for use in preparing the “Notice of Proposed Property Taxes” to be mailed to all property owners in August.

Scope

State law requires that all property owners be advised of proposed property taxes along with notification of public budget hearings. The Property Appraiser will mail required notices to all property owners in August using proposed tax rates adopted by all taxing authorities in Miami-Dade County.

Delegated Authority

This item contains no delegations of authority to the County Mayor or Mayor’s designee.

Fiscal Impact/Funding Source

The millage rate recommended will generate \$101.831 million in ad valorem revenue for the Library District.

Track Record/Monitor

Not applicable.

Background

The recommended Library District operating millage rate of 0.2812 mills provides revenue to support Library District operations as provided for in the FY 2023-24 Proposed Budget.
