RESOLUTION NO. _____ R-781-23

RESOLUTION ESTABLISHING A PILOT COMMUNITY LAND TRUST PROGRAM TO BE MANAGED BY A COMMUNITY LAND TRUST ORGANIZATION WITH THE GOAL OF PRODUCING AT LEAST 50 UNITS OF AFFORDABLE HOUSING WITHIN A TIME PERIOD DETERMINED BY THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO BE FEASIBLE; AUTHORIZING AND DIRECTING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO SELECT, OR RECOMMEND THE CREATION OF, AN ORGANIZATION TO BE THE COMMUNITY LAND TRUST FOR MIAMI-DADE COUNTY, TO CREATE PROGRAM GUIDELINES FOR THE PILOT PROGRAM, AND TO IDENTIFY FUNDS AND/OR REAL PROPERTY FOR INCLUSION IN THE PILOT PROGRAM; AND DIRECTING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO PRESENT WRITTEN PROGRESS REPORTS

WHEREAS, the County suffers from a shortage of affordable housing, which means housing that costs no more than 30 percent of household income, particularly for residents whose household incomes are not greater than 30 percent of the area median income ("Extremely Low-Income"); and

WHEREAS, this shortage of housing also impacts households whose incomes are not greater than 80 percent of area median income ("Low Income") and households whose incomes are not greater than 140 percent of area median income ("Moderate-Income"); and

WHEREAS, this Board desires to provide opportunities for residents whose incomes are not greater than 140 percent of area median income ("Extremely Low- to Moderate-Income Households") to secure housing that is decent and affordable; and

WHEREAS, high land costs in Miami-Dade County drive up the cost of housing, often making decent housing too expensive for Extremely Low- to Moderate-Income Households; and

WHEREAS, a community land trust (“Community Land Trust”) is a mechanism that may be used to combat the inflation of housing prices due to high land costs; and

WHEREAS, a Community Land Trust is a non-profit organization whose primary purpose is to hold legal and equitable title to and/or lease land or units, including but not limited to condominium units, for the purpose of preserving the long-term affordability of housing created for Extremely Low- to Moderate-Income Households; and

WHEREAS, when a Community Land Trust does not own the underlying land in a setting such as a condominium unit, it shall maintain the affordability of resale restricted condominiums or other forms of affordable housing by means of an affordability covenant incorporated within or otherwise made a part of the deed to one or more dwelling units within the regime; and

WHEREAS, among the Community Land Trust’s purposes may be the ability to undertake neighborhood development of a nonresidential nature that is ancillary to and complements and supports affordable housing; and

WHEREAS, a Community Land Trust may also include among its purposes the acquisition of property for future development, as permitted by applicable law; and

WHEREAS, a Community Land Trust separates ownership of the land from ownership of the housing units in order to bring housing costs down and permanently preserve land for use as affordable housing; and

WHEREAS, a Community Land Trust sells or rents housing units to income-eligible households at an affordable price, while retaining ownership of the land; in homeownership, the land is then made available to the homeowner/renter through a long-term lease, such as a 99-year lease; and

WHEREAS, a Community Land Trust reduces the price of the homes, making them more affordable for Extremely Low- to Moderate-Income Households and ensures that the homes remain affordable in perpetuity; and

WHEREAS, other housing assistance from the County, municipalities, or other agencies and lenders may be used to further increase the affordability of the homes; and

WHEREAS, a homeowner who purchases a home from the Community Land Trust retains a long-term leasehold interest in the land and ownership of the improvements, which enables the homeowner to build equity in the home and to pass the home to heirs; and

WHEREAS, a renter who rents a home from the Community Land Trust will have access to quality, stable, affordable rental housing, which limits displacement due to rising housing costs and expands social and economic opportunity for the renters; and

WHEREAS, the structure used by the Community Land Trust is beneficial to the community because it ensures permanent affordability of rental and homeownership units, encourages investment into homes and the community, encourages maintenance by the homeowner of the property, and promotes economic opportunities for Extremely Low- to Moderate-Income Households, all of which have the effect of combating the deterioration and decline of neighborhoods; and

WHEREAS, on June 5, 2007, then-County Manager George Burgess submitted a report to the Board in response to Resolution No. R-1434-06 reviewing and making recommendations as to the implementation of a Community Land Trust (the “2007 Report”); and

WHEREAS, this Board desires to create or partner with a Community Land Trust organization in Miami-Dade County in order to create a Community Land Trust pilot program (“Community Land Trust Pilot Program”) which provides property and other support to the Community Land Trust organization; and

WHEREAS, this Board desires to direct the County Mayor or County Mayor's designee to develop the program described in this resolution and to report back to this Board with program guidelines and resources available,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

Section 1. The foregoing recitals are incorporated in this resolution and are approved.

Section 2. This Board adopts the policy that a Community Land Trust is necessary in Miami-Dade County in order to further the development of affordable housing. The Community Land Trust supported by the County must maintain affordability of its properties for the benefit of the community; develop, in accordance with law, land use plans for the properties owned by the Community Land Trust to determine their best long-term uses; and identify and incorporate mixed-income and mixed-use opportunities where possible to help the Community Land Trust serve the lowest income households -- those which are Extremely Low-to Low Income -- while still making the project feasible. Any real property conveyed by the County to the Community Land Trust shall be conveyed by a deed with restrictions and a reverter providing for the reversion, upon written notice by the County and at no cost to the County, of the property in the event it is not utilized as affordable housing.

Section 6. The County Mayor or County Mayor's designee is directed to review the 2007 Report in developing the Community Land Trust Pilot Program and to consult with and/or partner with existing local Community Land Trust organizations, extremely low- to moderate-income residents and the community organizations that represent them, non-profit organizations, philanthropic foundations and local universities which specialize in housing policy including but not limited to South Florida Community Land Trust, Inc., Miami Homes for All, the South Florida Community Development Coalition, >>Struggle for Miami's Affordable and Sustainable Housing, Inc.
