From: Daniella Levine Cava
Mayor 

Subject: Second Amendment to the Joint Participation Agreement between Miami-Dade County and the City of Florida City to Provide the City with Additional Funding in an Amount up to \$1,136,303 for the Construction of Roadway Improvements along SW 344 Street from US-1 to SW 172 Avenue

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to approve a Second Amendment (Amendment) to the Joint Participation Agreement (JPA) with the City of Florida City (City) for Miami-Dade County (County) to provide the City up to an additional \$1,136,303 in Road Impact Fees (RIF) funds for the already-completed construction of roadway improvements along SW 344 Street from US-1 to SW 172 Avenue.

On November 16, 2021, the Board approved Resolution No. R-1111-21 directing the County Mayor or County Mayor's designee to negotiate a second amendment to the JPA and identify legally available funds from within the County Mayor's Fiscal Year 2021-2022 County Budget to fund additional Project construction costs in an amount not to exceed \$1,136,303. The City Commission approved this Second Amendment on February 28, 2023. The construction of the Project is complete.

The need for capacity was a result of increased use and development and was the driver for the project, consistent with RIF requirements. The improvements consisted of the construction of a culvert to the existing canal to add additional traffic lanes and provide better access to the area.

Recommendation

It is recommended that the Board approve the attached resolution authorizing the execution of the Amendment to the JPA with the County and the City to reimburse the City up to an additional \$1,136,303 for the completed construction of a roadway improvement project along SW 344 Street from US-1 to SW 172 Avenue (Project).

Scope

The Project is in District 9, which is represented by Commissioner Kionne L. McGhee.

Delegated Authority

The authority of the County Mayor or County Mayor's designee to execute and implement this Amendment is consistent with those authorities granted under the Code of Miami-Dade

County. No additional delegation of authority is being requested within the body of this Amendment.

Fiscal Impact/Funding Source

Under the original JPA, the County was obligated to fund \$3,100,000 of the original Project cost, which was estimated at \$5,073,744.26. Pursuant to the First Amendment to the JPA, the County's funding obligation increased by \$279,823 to a total of \$3,379,823. Pursuant to this Second Amendment to the JPA, the County will increase its funding by an amount not to exceed \$1,136,303, which will raise the County's total funding obligation to \$4,516,126 of the final Project cost, which was \$6,759,646. Road Impact Fee District 6 funds will be utilized for the County's funding for the Project. The Capital Program Number is 2000000538 (Project 3000744). The balance of the Project's construction costs was provided by the City.

Track Record/Monitor

The County utilized the resources of the City to contract and construct the Project on a reimbursable basis. Quarterly disbursement of County funds to the City has been based upon City submissions with certified copies of paid contractor invoices.

The Project was assigned to Rene Idarraga, P.E., Chief, Construction Division, Department of Transportation and Public Works (DTPW), who has overseen construction inspections conducted by DTPW staff before the release of construction funds. The work covered under this Amendment has been reviewed by the County's Internal Services Department, Small Business Development Division. The Project had a race neutral aspirational 23.90% SBE-Construction goal.

Background

On September 7, 2016, the Board approved Resolution No. R-795-16, authorizing the subject JPA, pursuant to which the County was to provide up to \$3,100,000 for the construction of a roadway improvement along SW 344 Street from US-1 to SW 172 Avenue. The original construction cost for the Project was \$5,073,744.26.

On November 2, 2021, the Board approved Resolution No. R-1044-21 authorizing the First Amendment to the JPA, which increased the County's contribution by \$279,823. The increase in cost to the County was for costs incurred by the City for the lighting post spread footers and aeration system. As a result of further necessary changes to the Project, actual construction costs were \$6,759,646 at the end of the Project.

On November 16, 2021, the Board approved Resolution No. R-1111-21 directing the County Mayor or County Mayor's designee to negotiate a second amendment to the JPA and identify legally available funds from within the County Mayor's Fiscal Year 2021-2022 County Budget to fund additional Project construction costs in an amount not to exceed \$1,136,303.
