Memorandum

Date: December 12, 2023

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

From: Daniella Levine Cava 
Mayor

Subject: Vacation of Right-of-Way Petition P-964
Section: 36-52-41
NW 104 Street from 181.85 Feet East of the Centerline of NW 7 Avenue East for 100 Feet
Commission District: 2

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to grant a petition filed by USA Real Estate and Investment, LLC to vacate the subject portion of County right-of-way. If this petition is granted, the underlying lands will become incorporated into the plat of UP TO YOU. The \$13,460.00 fee for this vacation of right-of-way petition has been paid.

Recommendation

It is recommended that the Board grant vacation of right-of-way petition P-964, attached to this Memorandum as Exhibit 2, following a public hearing, and contingent on the recording of the plat of UP TO YOU, Tentative Plat T-24437. In the event the plat is not recorded within four years of the granting of the subject vacation of right-of-way petition, this resolution becomes null and void. The Miami-Dade County (County) Departments of Regulatory and Economic Resources, Transportation and Public Works (DTPW), Water and Sewer (WASD), and Fire Rescue have no objection to this portion of right-of-way being vacated. This request conforms with County regulations governing the procedures for the vacation of County right-of-way as set forth in Resolution No. 7606. The subject right-of-way is covered with pavement. Location maps are attached as Exhibit 1.

Scope

The subject vacation of right-of-way petition is located within District 2, which is represented by Commissioner Marleine Bastien.

Fiscal Impact/Funding Source

The Property Appraiser's Office has assessed the properties adjacent to the subject portion of right-of-way at an average rate of \$23.00 per square foot. Therefore, the estimated value of the subject land is approximately \$115,000. If the subject portion of right-of-way is closed and vacated, the land will be placed on the tax roll, generating an estimated \$1,960 per year in additional property taxes. The fee for this vacation of right-of-way petition is \$13,460.00.

Track Record/Monitor

DTPW is the entity overseeing this project and the person responsible for monitoring is Maria D. Molina, P.E., Chief, Right-of-Way Division.

Delegated Authority

Background

The owner of the properties abutting on the subject portion of right-of-way, USA Real Estate and Investment, LLC, wishes to close NW 104 Street from 181.85 feet east of the centerline of NW 7 Avenue east for 100 feet to incorporate the land into the proposed plat of UP TO YOU, Tentative Plat T-24437. The subject portion of right-of-way is paved and used as an entrance and parking area for the business that operates on the abutting properties. This portion of right-of-way has never been improved nor maintained by the County for roadway purposes. WASD owns water and sewer infrastructure that lies within the subject right-of-way. For this reason, the County will retain a non-exclusive utility easement, attached as Exhibit 3, over, along, and under a portion of the subject land if the Board approves the granting of this petition. Public access to this land is obstructed by a metal fence and gate.

This land was dedicated to the County for roadway purposes in 1945 by the plat of SUNCREST, recorded in Plat Book 43, at Page 70, of the Public Records of Miami-Dade County, Florida. The properties abutting on the subject portion of right-of-way are zoned NCUAD (North Central Urban Area District).
