WHEREAS, on May 7, 2019, this Board adopted Resolution No. R-440-19, which authorized the conveyance to Building Better Communities of South Florida, Inc., a Florida not-for-profit corporation (“Building Better Communities”), a total of five County-owned properties, located in County Commission District 9—specifically, properties bearing Folio Nos. 10-7813-050-0380, 30-5032-000-0370, 30-5032-000-0380, 10-7813-024-1022, and 10-7813-028-0280 (collectively, the “Properties”) —for the purpose of constructing single family homes to be sold to qualified households in accordance with the Miami-Dade Infill Housing Initiative Program (“Infill Housing Program”); and

WHEREAS, on February 1, 2022, this Board adopted Resolution No. R-132-22, which (1) granted Building Better Communities a two-year extension to construct the homes and obtain final certificates of occupancy, and (2) allowed Building Better Communities to increase the sales price from \$205,000.00 to the maximum sales price authorized by Ordinance No. 21-80 for the homes to be constructed on the Properties conveyed pursuant to Resolution No. R-440-19; and

WHEREAS, on August 22, 2023, Building Better Communities submitted a request to the County Commissioner of District 9, attached hereto as Attachment “A”, requesting that the County: (1) allow construction of multi-family rental units to be rented to qualified renters on certain of the properties—specifically, properties bearing Folio Nos. 10-7813-050-0380, 30-5032-000-0370, and 30-5032-000-0380— rather than the construction of single-family homes to be sold through the Infill Housing Program and (2) extend the time by which construction must be completed on the Properties for two years from the recording of amended and restated County deeds; and

WHEREAS, as justification for the requested change of use from single-family homeownership to multi-family rental, Building Better Communities has cited the City of Homestead’s requirement that the proposed project be a mixed use development and the desire to maximize the land use; and

WHEREAS, in light of the County’s awareness of construction delays that have persisted nationwide and the extreme need for affordable rental housing within the County, this Board desires to: (1) allow construction of multi-family rental units to be rented to qualified renters on

certain of the properties—specifically, properties bearing Folio Nos. 10-7813-050-0380, 30-5032-000-0370, and 30-5032-000-0380— rather than the construction of single-family homes to be sold through the Infill Housing Program and (2) grant Building Better Communities a single two-year extension to construct the units and obtain final certificates of occupancy for the multi-family rental units and single-family units that are to be rented or sold to very low-, low-, or moderate-income households,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:

County Mayor or County Mayor's designee should exercise the County's reversionary interest, then the County Mayor or County Mayor's designee shall execute and record an instrument approved by the County Attorney's Office in the Public Records of Miami-Dade County and provide a copy of such instrument to the Property Appraiser's Office. Alternatively, this Board authorizes the County Mayor or County Mayor's designee to receive on behalf of the County from Building Better Communities, after conducting all due diligence, title searches and environmental reviews, a deed which conveys any or all of the Properties back to the County in the event Building Better Communities is unable or fails to comply with the deed restrictions set forth in the amended deeds. Upon the receipt of the deed from Building Better Communities, the County Mayor or County Mayor's designee shall record such deed in the Public Records of Miami-Dade County.

Section 4. This Board authorizes the County Mayor or County Mayor's designee to grant Building Better Communities a single two-year extension from the recording of the amended deeds to obtain the final certificate of occupancy for each of the multi-family and single-family units to be rented or sold to qualified households. The grant of such extension shall be in the manner set forth in the amended deeds.

Section 5. This Board authorizes County Mayor or County Mayor's designee to take all actions necessary to effectuate the amended deeds, and to exercise all rights conferred therein.

Section 6. This Board directs the County Mayor or County Mayor's designee to provide copies of the recorded amended deeds to the Property Appraiser.

The Honorable Commissioner Kionne McGhee
Miami-Dade County Commissioner, District 9
Attention: Claudious Thompson, Chief of Staff
10710 SW 211th Street, Suite 206
Miami, FL 33189

Dear Commissioner McGhee,

Due to the extensive delays as a result of widespread vendor and service provider closures caused by the Covid 19 crisis, as well as procedural and zoning issues out of our control, we are requesting a 24-month extension to develop our allocated lots. We have completed one single-family house and completed the first phase of construction on a second.

The property located at 98 SW 5 ST Homestead, despite being zoned multi-family, the City of Homestead is requiring that the proposed project be a mixed use development. The city is unwavering despite mixed use developments not being permitted within the Miami-Dade County Infill Program. Furthermore, the property located at 10245 SW 178 ST Miami, is comprised of two separate folios that we are attempting to unify for the project. We met with Miami-Dade County Development Services, and they provided guidance on the proposed development and stated that we could build up to 9 units, however this is not allowed under the Miami-Dade County Infill Program. The program only allows 4 units per acre.

With that, we are requesting that these two properties be removed from the Miami-Dade County Infill Program and reclassified in order for us to maximize the land use. The extensions and status updates for the lots are as follows:

10-7813-050-0380 98 SW 5 ST Homestead, FL (requesting removal from Infill Program)
30-5032-000-0370 10245 SW 178 ST Miami, FL (requesting removal from Infill Program)
30-5032-000-0380 (connected to and only accessible through the above property)
10-7813-024-1022 221 NW 8 AVE Homestead, FL (completed construction)
10-7813-028-0280 804 SW 5 St Homestead FL (first phase of construction complete)

Thank you once again for all of your assistance with this process and I look forward to working closely with your office in addressing the affordable housing crisis in South Dade.

Sincerely,

Farrel Owens, MPA
President

This Amended and Restated County Deed shall supersede and replace the County Deed recorded in Official Record Book 31531 Pages 3674-3680 of the Public Records of Miami-Dade County on July 19, 2019 and the Amended and Restated County Deed recorded in Official Record Book 33101 Pages 4866-4872 of the Public Records of Miami-Dade County on April 1, 2022.

AMENDED AND RESTATED COUNTY DEED

THIS AMENDED AND RESTATED COUNTY DEED, made this ____ day of _____, 202__ by **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, (hereinafter "County"), whose address is: Stephen P. Clark Center, 111 N.W. 1 Street, Miami, Florida 33128-1963, and **BUILDING BETTER COMMUNITIES OF SOUTH FLORIDA, INC.**, a Florida not-for-profit corporation (the "THE DEVELOPER"), whose address is 12750 SW 218 Terrace, Miami, Florida 33170, its successors and assigns.

WITNESSETH, that the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by THE DEVELOPER, receipt whereof is hereby acknowledged, has granted, bargained, and sold to THE DEVELOPER, their successors and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Property"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions (collectively the "deed restrictions"):

1. That if the Property is developed with single-family or multi-family affordable homes for sale, THE DEVELOPER shall be required to comply with the requirements of the Infill Housing Initiative Program established in section 125.379, Florida Statutes, sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines. Further, THE DEVELOPER shall sell such homes to very-low, low, or moderate income (as these terms are defined in section 420.0004, Florida Statutes) qualified homebuyers whose income range is

established up to 120% of the most recent median family income for the County as reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County, in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.

2. That if the Property is developed as affordable and workforce rental housing as set forth in section 125.379, Florida Statutes, such housing shall be rented to very-low, low and moderate income households (as these terms are defined in section 420.0004, Florida Statutes), each of whose incomes do not exceed 120% of area median income. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.
3. That at financial closing if THE DEVELOPER shall cause the Property to be developed with affordable or workforce rental housing, then THE DEVELOPER shall execute and record in the Public Records of Miami-Dade County a rental regulatory agreement, in a form approved by the County in its sole discretion, governing the rental of such housing which shall be a restrictive covenant as to the Property.
4. That the Property shall be developed within two years of the recording of this Amended and Restated County Deed, as evidenced by the issuance of a final Certificate of Occupancy. Developer shall provide quarterly notarized status reports to the County Mayor or the County Mayor's designee with a copy to the District Commissioner in which the property lies at appropriate intervals regarding compliance with each milestone in this deed. Notwithstanding the foregoing restriction contained in this Paragraph 4, the County may, in its sole discretion, waive this requirement upon the Miami-Dade County Board of County Commissioners finding it necessary to extend the timeframe in which THE DEVELOPER must complete the housing required herein. In order for such waiver by the County to be effective, it shall:
 - a. Be given by the County Mayor or the County Mayor's designee prior to the event of the reverter; and
 - b. Be evidenced by the preparation and recordation in the public records of Miami-Dade County, of a letter executed by the County Mayor or the County Mayor's designee granting such waiver and specifying the new time frame in which THE DEVELOPER must complete the housing. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within twenty-four (24) months from the recording date of this Deed, any party may rely upon the fact that the reverter has

occurred and that title has reverted to the County.

5. That if the Property is developed with single-family or multi-family homes for sale as set forth in paragraph 1 of this Deed, the homes developed on the Property shall be sold to qualified homebuyers, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the homes exceed the relevant County Maximum Sales Price as set by Miami-Dade County and existing at the time of sale. In the event THE DEVELOPER fails to sell the homes to qualified homebuyers or sells the homes above County Maximum Sales Price and THE DEVELOPER, upon written notification from the County, fails to cure such default, then title to the Property shall revert to the County, at the option of the County, as set forth this County Deed, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
6. That for any of the Property located within the HOPE VI Target Area (hereinafter "Target Area"), THE DEVELOPER shall comply with the requirements set forth in Resolution No. R-1416-08, including, but not limited to, providing former Scott/Carver residents the right of first refusal on all units to be sold or rented within the Target Area. The County will provide a list of former Scott/Carver residents in order for THE DEVELOPER to notify these residents of the availability of homeownership opportunities.
7. That THE DEVELOPER shall not assign or transfer its interest in the Property or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to the qualified homebuyers.
8. That THE DEVELOPER shall require that the qualified homebuyers purchasing the homes to be sold in accordance with paragraph 1 of this Deed to execute and record simultaneously with the deed of conveyance from THE DEVELOPER to the qualified homebuyer the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the Developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

9. That Developer shall pay real estate taxes and assessments on the Property or any part thereof when due and shall each year, immediately upon payment of

such taxes, provide the County proof of payment. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, and in the event that any such lien does attach, such lien shall remain the responsibility of the Developer in the event of a reversion of the Property, provided, however, that Developer may encumber the Property with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 10 and 11 herein:

- a. Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 10 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

10. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 9 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Property prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Property. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Deed at the time of recordation of such mortgage.
11. That prior to placing any mortgage on the Property, the Developer shall provide the County Mayor or County Mayor's designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.

12. That in the event that any mortgage(s) on the Property in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 15 below.
13. In the event that Developer mortgages the Property without compliance with sections 9 through 12 herein, then such mortgage shall be of no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.
14. The County retains a reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, the Property ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Property shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter, regardless of whether the Developer provides a deed back to the County for such Property.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.

15. Upon receiving proof of compliance with all of the Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.
16. If in the sole discretion of the County, (a) THE DEVELOPER ceases to exist prior

to sale or rental of the housing contemplated herein; (b) THE DEVELOPER fails to rent or sell the homes within the sale or rental limits described herein; (c) THE DEVELOPER fails to construct the housing project contemplated herein within two (2) years of the recording of this Amended and Restated County Deed; or (e) any other term of this Deed or deed restriction is not complied with, THE DEVELOPER shall correct or cure the default/violation within sixty (60) days of notification of the default by the County as determined in the sole discretion of the County. If THE DEVELOPER fails to remedy such default within sixty (60) days, title to the subject Property shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, THE DEVELOPER shall immediately deed the Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of such reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by THE DEVELOPER. The County retains such reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami Dade County. Should the Property revert back to the County in accordance with this paragraph all leasehold interests, mortgages, and other encumbrances shall remain.

17. All conditions and deed restrictions set forth herein shall run with the land for a period of thirty years from the date of recordation of this Deed, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.
18. Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish THE DEVELOPER with an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.

This Amended and Restated County Deed shall supersede and replace the County Deed recorded in Official Record Book 31531 Pages 3666-3673 of the Public Records of Miami-Dade County on July 19, 2019 and the Amended and Restated County Deed recorded in Official Record Book 33101 Pages 4873-4879 of the Public Records of Miami-Dade County on April 1, 2022.

AMENDED AND RESTATED COUNTY DEED

THIS AMENDED AND RESTATED COUNTY DEED, made this ____ day of _____, 202__ by **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, (hereinafter "County"), whose address is: Stephen P. Clark Center, 111 N.W. 1 Street, Miami, Florida 33128-1963, and **BUILDING BETTER COMMUNITIES OF SOUTH FLORIDA, INC.**, a Florida not-for-profit corporation (the "THE DEVELOPER"), whose address is 12750 SW 218 Terrace, Miami, Florida 33170, its successors and assigns.

WITNESSETH, that the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by THE DEVELOPER, receipt whereof is hereby acknowledged, has granted, bargained, and sold to THE DEVELOPER, their successors and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Property"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions (collectively the "deed restrictions"):

1. That if the Property is developed with single-family or multi-family affordable homes for sale, THE DEVELOPER shall be required to comply with the requirements of the Infill Housing Initiative Program established in section 125.379, Florida Statutes, sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines, and the federal **Community Development Block Grant ("CDBG") program**, which program requirements are set forth in 24 Code of Federal Regulations, Part 570. Further, THE DEVELOPER shall sell such homes

qualified homebuyers whose income range is established up to 80% of the most recent median family income for the County as reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County, in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.

2. That if the Property is developed as affordable and workforce rental housing as set forth in section 125.379, Florida Statutes, such housing shall be rented to very-low, low and moderate income households (as these terms are defined in section 420.0004, Florida Statutes), each of whose incomes do not exceed 80% of area median income. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.
3. That at financial closing if THE DEVELOPER shall cause the Property to be developed with affordable or workforce rental housing, then THE DEVELOPER shall execute and record in the Public Records of Miami-Dade County a rental regulatory agreement, in a form approved by the County in its sole discretion, governing the rental of such housing which shall be a restrictive covenant as to the Property.
4. That the Property shall be developed within two years of the recording of this Amended and Restated County Deed, as evidenced by the issuance of a final Certificate of Occupancy. Developer shall provide quarterly notarized status reports to the County Mayor or the County Mayor's designee with a copy to the District Commissioner in which the property lies at appropriate intervals regarding compliance with each milestone in this deed. Notwithstanding the foregoing restriction contained in this Paragraph 4, the County may, in its sole discretion, waive this requirement upon the Miami-Dade County Board of County Commissioners finding it necessary to extend the timeframe in which THE DEVELOPER must complete the housing required herein. In order for such waiver by the County to be effective, it shall:
 - a. Be given by the County Mayor or the County Mayor's designee prior to the event of the reverter; and
 - b. Be evidenced by the preparation and recordation in the public records of Miami-Dade County, of a letter executed by the County Mayor or the County Mayor's designee granting such waiver and specifying the new time frame in which THE DEVELOPER must complete the housing. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within twenty-four (24) months from the recording

date of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.

5. That if the Property is developed with single-family or multi-family homes for sale as set forth in paragraph 1 of this Deed, the homes developed on the Property shall be sold to qualified homebuyers, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the homes exceed the relevant County Maximum Sales Price as set by Miami-Dade County and existing at the time of sale. In the event THE DEVELOPER fails to sell the homes to qualified homebuyers or sells the homes above County Maximum Sales Price and THE DEVELOPER, upon written notification from the County, fails to cure such default, then title to the Property shall revert to the County, at the option of the County, as set forth in this County Deed, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
6. That for any of the Property located within the HOPE VI Target Area (hereinafter "Target Area"), THE DEVELOPER shall comply with the requirements set forth in Resolution No. R-1416-08, including, but not limited to, providing former Scott/Carver residents the right of first refusal on all units to be sold or rented within the Target Area. The County will provide a list of former Scott/Carver residents in order for THE DEVELOPER to notify these residents of the availability of homeownership opportunities.
7. That THE DEVELOPER shall not assign or transfer its interest in the Property or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to the qualified homebuyers.
8. That THE DEVELOPER shall require that the qualified homebuyers purchasing the homes to be sold in accordance with paragraph 1 of this Deed to execute and record simultaneously with the deed of conveyance from THE DEVELOPER to the qualified homebuyer the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the Developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

9. That Developer shall pay real estate taxes and assessments on the Property or

any part thereof when due and shall each year, immediately upon payment of such taxes, provide the County proof of payment. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, and in the event that any such lien does attach, such lien shall remain the responsibility of the Developer in the event of a reversion of the Property, provided, however, that Developer may encumber the Property with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 10 and 11 herein:

- a. Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 10 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

10. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 9 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Property prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Property. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Deed at the time of recordation of such mortgage.
11. That prior to placing any mortgage on the Property, the Developer shall provide the County Mayor or County Mayor's designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.

12. That in the event that any mortgage(s) on the Property in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 15 below.
13. In the event that Developer mortgages the Property without compliance with sections 9 through 12 herein, then such mortgage shall be of no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.
14. The County retains a reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, the Property ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Property shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter,, regardless of whether the Developer provides a deed back to the County for such Property.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.

15. Upon receiving proof of compliance with all of the Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

16. If in the sole discretion of the County, (a) THE DEVELOPER ceases to exist prior to sale or rental of the housing contemplated herein; (b) THE DEVELOPER fails to rent or sell the homes within the sale or rental limits described herein; (c) THE DEVELOPER fails to construct the housing project contemplated herein within two (2) years of the recording of this Amended and Restated County Deed; or (e) any other term of this Deed or deed restriction is not complied with, THE DEVELOPER shall correct or cure the default/violation within sixty (60) days of notification of the default by the County as determined in the sole discretion of the County. If THE DEVELOPER fails to remedy such default within sixty (60) days, title to the subject Property shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, THE DEVELOPER shall immediately deed the Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of such reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by THE DEVELOPER. The County retains such reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami Dade County. Should the Property revert back to the County in accordance with this paragraph all leasehold interests, mortgages, and other encumbrances shall remain.
17. All conditions and deed restrictions set forth herein shall run with the land for a period of thirty years from the date of recordation of this Deed, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.
18. Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish THE DEVELOPER with an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.

AMENDED AND RESTATED COUNTY DEED

THIS AMENDED AND RESTATED COUNTY DEED, made this 29th day of JULY, 2024 by **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, (hereinafter "County"), whose address is: Stephen P. Clark Center, 111 N.W. 1 Street, Miami, Florida 33128-1963, and **BUILDING BETTER COMMUNITIES OF SOUTH FLORIDA, INC.**, a Florida not-for-profit corporation (the "THE DEVELOPER"), whose address is 12750 SW 218 Terrace, Miami, Florida 33170, its successors and assigns.

WITNESSETH, that the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by THE DEVELOPER, receipt whereof is hereby acknowledged, has granted, bargained, and sold to THE DEVELOPER, their successors and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Property"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions (collectively the "deed restrictions"):

1. That if the Property is developed with single-family or multi-family affordable homes for sale, THE DEVELOPER shall be required to comply with the requirements of the Infill Housing Initiative Program established in section 125.379, Florida Statutes, sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines.. Prior to such conveyance, a restrictive covenant, in a form approved by the County, in its sole discretion, shall be executed by each

qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.

2. That if the Property is developed as affordable and workforce rental housing as set forth in section 125.379, Florida Statutes, such housing shall be rented to very-low, low and moderate income households (as these terms are defined in section 420.0004, Florida Statutes), each of whose incomes do not exceed 80% of area median income. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.
3. That at financial closing if THE DEVELOPER shall cause the Property to be developed with affordable or workforce rental housing, then THE DEVELOPER shall execute and record in the Public Records of Miami-Dade County a rental regulatory agreement, in a form approved by the County in its sole discretion, governing the rental of such housing which shall be a restrictive covenant as to the Property.
4. That the Property shall be developed within two years of the recording of this Amended and Restated County Deed, as evidenced by the issuance of a final Certificate of Occupancy. Developer shall provide quarterly notarized status reports to the County Mayor or the County Mayor's designee with a copy to the District Commissioner in which the property lies at appropriate intervals regarding compliance with each milestone in this deed. Notwithstanding the foregoing restriction contained in this Paragraph 4, the County may, in its sole discretion, waive this requirement upon the Miami-Dade County Board of County Commissioners finding it necessary to extend the timeframe in which THE DEVELOPER must complete the housing required herein. In order for such waiver by the County to be effective, it shall:
 - a. Be given by the County Mayor or the County Mayor's designee prior to the event of the reverter; and
 - b. Be evidenced by the preparation and recordation in the public records of Miami-Dade County, of a letter executed by the County Mayor or the County Mayor's designee granting such waiver and specifying the new time frame in which THE DEVELOPER must complete the housing. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within twenty-four (24) months from the recording date of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.
5. That if the Property is developed with single-family or multi-family homes for sale

as set forth in paragraph 1 of this Deed, the homes developed on the Property shall be sold to qualified homebuyers, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the homes exceed the relevant County Maximum Sales Price as set by Miami-Dade County and existing at the time of sale. In the event THE DEVELOPER fails to sell the homes to qualified homebuyers or sells the homes above County Maximum Sales Price and THE DEVELOPER, upon written notification from the County, fails to cure such default, then title to the Property shall revert to the County, at the option of the County, as set forth this County Deed, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

6. That for any of the Property located within the HOPE VI Target Area (hereinafter "Target Area"), THE DEVELOPER shall comply with the requirements set forth in Resolution No. R-1416-08, including, but not limited to, providing former Scott/Carver residents the right of first refusal on all units to be sold or rented within the Target Area. The County will provide a list of former Scott/Carver residents in order for THE DEVELOPER to notify these residents of the availability of homeownership opportunities.
7. That THE DEVELOPER shall not assign or transfer its interest in the Property or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to the qualified homebuyers.
8. That THE DEVELOPER shall require that the qualified homebuyers purchasing the homes to be sold in accordance with paragraph 1 of this Deed to execute and record simultaneously with the deed of conveyance from THE DEVELOPER to the qualified homebuyer the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the Developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

9. That Developer shall pay real estate taxes and assessments on the Property or any part thereof when due and shall each year, immediately upon payment of such taxes, provide the County proof of payment. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, and in the event that any such lien

does attach, such lien shall remain the responsibility of the Developer in the event of a reversion of the Property, provided, however, that Developer may encumber the Property with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 10 and 11 herein:

- a. Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 10 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.
-

For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

10. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 9 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Property prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Property. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Deed at the time of recordation of such mortgage.
11. That prior to placing any mortgage on the Property, the Developer shall provide the County Mayor or County Mayor's designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
12. That in the event that any mortgage(s) on the Property in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions

and provisions set forth in this Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 15 below.

13. In the event that Developer mortgages the Property without compliance with sections 9 through 12 herein, then such mortgage shall be of no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.

-
14. The County retains a reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, the Property ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Property shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter, regardless of whether the Developer provides a deed back to the County for such Property.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.

15. Upon receiving proof of compliance with all of the Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

16. If in the sole discretion of the County, (a) THE DEVELOPER ceases to exist prior to sale or rental of the housing contemplated herein; (b) THE DEVELOPER fails to rent or sell the homes within the sale or rental limits described herein; (c) THE DEVELOPER fails to construct the housing project

contemplated herein within two (2) years of the recording of this Amended and Restated County Deed; or (e) any other term of this Deed or deed restriction is not complied with, THE DEVELOPER shall correct or cure the default/violation within sixty (60) days of notification of the default by the County as determined in the sole discretion of the County. If THE DEVELOPER fails to remedy such default within sixty (60) days, title to the subject Property shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, THE DEVELOPER shall immediately deed the Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of such reverter shall take place ~~immediately upon notice being provided by the County, regardless of the deed back to the County by THE DEVELOPER.~~ The County retains such reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami Dade County. Should the Property revert back to the County in accordance with this paragraph all leasehold interests, mortgages, and other encumbrances shall remain.

17. All conditions and deed restrictions set forth herein shall run with the land for a period of thirty years from the date of recordation of this Deed, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.
18. Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish THE DEVELOPER with an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.

AMENDED AND RESTATED COUNTY DEED

THIS AMENDED AND RESTATED COUNTY DEED, made this 29th day of JULY, 2024 by **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, (hereinafter "County"), whose address is: Stephen P. Clark Center, 111 N.W. 1 Street, Miami, Florida 33128-1963, and **BUILDING BETTER COMMUNITIES OF SOUTH FLORIDA, INC.**, a Florida not-for-profit corporation (the "THE DEVELOPER"), whose address is 12750 SW 218 Terrace, Miami, Florida 33170, its successors and assigns.

WITNESSETH, that the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by THE DEVELOPER, receipt whereof is hereby acknowledged, has granted, bargained, and sold to THE DEVELOPER, their successors and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Property"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Property; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions (collectively the "deed restrictions"):

1. That if the Property is developed with single-family or multi-family affordable homes for sale, THE DEVELOPER shall be required to comply with the requirements of the Infill Housing Initiative Program established in section 125.379, Florida Statutes, sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines. Further, THE DEVELOPER shall sell such homes to very-low, low, or moderate income (as these terms are defined in section 420.0004, Florida Statutes) qualified homebuyers whose income range is established up to 120% of the most recent median family income for the County as

reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County, in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.

2. That if the Property is developed as affordable and workforce rental housing as set forth in section 125.379, Florida Statutes, such housing shall be rented to very-low, low and moderate income households (as these terms are defined in section 420.0004, Florida Statutes), each of whose incomes do not exceed 120% of area median income. Developer shall connect the Dwelling Units to a sewer line and shall construct any infrastructure necessary for such connection to sewer. Septic tanks shall not be a permissible use with respect to any use or development on the Property.
3. That at financial closing if THE DEVELOPER shall cause the Property to be developed with affordable or workforce rental housing, then THE DEVELOPER shall execute and record in the Public Records of Miami-Dade County a rental regulatory agreement, in a form approved by the County in its sole discretion, governing the rental of such housing which shall be a restrictive covenant as to the Property.
4. That the Property shall be developed within two years of the recording of this Amended and Restated County Deed, as evidenced by the issuance of a final Certificate of Occupancy. Developer shall provide quarterly notarized status reports to the County Mayor or the County Mayor's designee with a copy to the District Commissioner in which the property lies at appropriate intervals regarding compliance with each milestone in this deed. Notwithstanding the foregoing restriction contained in this Paragraph 4, the County may, in its sole discretion, waive this requirement upon the Miami-Dade County Board of County Commissioners finding it necessary to extend the timeframe in which THE DEVELOPER must complete the housing required herein. In order for such waiver by the County to be effective, it shall:
 - a. Be given by the County Mayor or the County Mayor's designee prior to the event of the reverter; and
 - b. Be evidenced by the preparation and recordation in the public records of Miami-Dade County, of a letter executed by the County Mayor or the County Mayor's designee granting such waiver and specifying the new time frame in which THE DEVELOPER must complete the housing. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within twenty-four (24) months from the recording date of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.

5. That if the Property is developed with single-family or multi-family homes for sale as set forth in paragraph 1 of this Deed, the homes developed on the Property shall be sold to qualified homebuyers, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the homes exceed the relevant County Maximum Sales Price as set by Miami-Dade County and existing at the time of sale. In the event THE DEVELOPER fails to sell the homes to qualified homebuyers or sells the homes above County Maximum Sales Price and THE DEVELOPER, upon written notification from the County, fails to cure such default, then title to the Property shall revert to the County, at the option of the County, as set forth this County Deed, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.
6. That for any of the Property located within the HOPE VI Target Area (hereinafter "Target Area"), THE DEVELOPER shall comply with the requirements set forth in Resolution No. R-1416-08, including, but not limited to, providing former Scott/Carver residents the right of first refusal on all units to be sold or rented within the Target Area. The County will provide a list of former Scott/Carver residents in order for THE DEVELOPER to notify these residents of the availability of homeownership opportunities.
7. That THE DEVELOPER shall not assign or transfer its interest in the Property or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to the qualified homebuyers.
8. That THE DEVELOPER shall require that the qualified homebuyers purchasing the homes to be sold in accordance with paragraph 1 of this Deed to execute and record simultaneously with the deed of conveyance from THE DEVELOPER to the qualified homebuyer the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the Developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

9. That Developer shall pay real estate taxes and assessments on the Property or any part thereof when due and shall each year, immediately upon payment of such taxes, provide the County proof of payment. Developer shall not suffer

any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, and in the event that any such lien does attach, such lien shall remain the responsibility of the Developer in the event of a reversion of the Property, provided, however, that Developer may encumber the Property with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 10 and 11 herein:

- a. Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 10 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an "institutional lender" shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term "Institutional lender" shall be deemed to include Miami-Dade County and its respective successors and assigns.

10. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 9 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Property prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Property. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Deed at the time of recordation of such mortgage.
11. That prior to placing any mortgage on the Property, the Developer shall provide the County Mayor or County Mayor's designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
12. That in the event that any mortgage(s) on the Property in favor of any institutional

lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 15 below.

13. In the event that Developer mortgages the Property without compliance with sections 9 through 12 herein, then such mortgage shall be of no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.

14. The County retains a reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, the Property ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Property shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Property back to the County, and the County shall have the right to immediate possession of such Property, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter,, regardless of whether the Developer provides a deed back to the County for such Property.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.

15. Upon receiving proof of compliance with all of the Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

16. If in the sole discretion of the County, (a) THE DEVELOPER ceases to exist prior to sale or rental of the housing contemplated herein; (b) THE

DEVELOPER fails to rent or sell the homes within the sale or rental limits described herein; (c) THE DEVELOPER fails to construct the housing project contemplated herein within two (2) years of the recording of this Amended and Restated County Deed; or (e) any other term of this Deed or deed restriction is not complied with, THE DEVELOPER shall correct or cure the default/violation within sixty (60) days of notification of the default by the County as determined in the sole discretion of the County. If THE DEVELOPER fails to remedy such default within sixty (60) days, title to the subject Property shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, THE DEVELOPER shall immediately deed the Property back to the County, and the County shall have the right to ~~immediate possession of such Property, with any and all improvements thereon,~~ at no cost to the County. The effectiveness of such reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by THE DEVELOPER. The County retains such reversionary interest in the Property, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami Dade County. Should the Property revert back to the County in accordance with this paragraph all leasehold interests, mortgages, and other encumbrances shall remain.

17. All conditions and deed restrictions set forth herein shall run with the land for a period of thirty years from the date of recordation of this Deed, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Property.
18. Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish THE DEVELOPER with an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Property herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.
