

Memorandum

Date: June 4, 2024

To: Honorable Chairman Oliver G. Gilbert, III
and Members, Board of County Commissioners

Agenda Item No. 8(O)(6)

From: Daniella Levine Cava
Mayor

Resolution No. R-498-24

Subject: Resolution Approving Amendment Number One to Five Non-Exclusive Professional Services Agreements to Extend Each Agreement for Two Additional Years

Executive Summary

This item seeks approval from the Board of County Commissioners (the “Board”) to amend five (5) separate Non-Exclusive Professional Service Agreements (the “Agreements”) between Miami-Dade County (the “County”) and the following firms: 1) CES Consultants, Inc., Agreement No. 17CESCI003; 2) C Solution, Inc., Agreement No. 17CSI001; 3) Miller, Legg & Associates, Inc., Agreement No. 17MLAI001; 4) Premiere Design Solutions, Inc, Agreement No. 17PDSI001; and 5) SRS Engineering, Inc., Agreement No. 17SRSE002. The five Amendments will extend each Contract term for an additional two (2) years with no increase in compensation.

The Agreements with the above listed firms were underutilized due to project delays stemming from labor shortages and supply chain disruptions. Consequently, there remains an unspent balance from the initial contract amount for each Agreement shown in the table below. Extending the Agreements will enable the Miami-Dade Water and Sewer Department (“WASD”) to optimize the remaining allocated funds in order to address critical infrastructure needs, which will enhance reliability and capacity requirements within the wastewater systems. The extensions will afford WASD sufficient time to thoroughly evaluate and strategically assign tasks to each of the firms.

	FIRM	AGREEMENT NO.	CURRENT EXPIRATION DATE	TWO-YEAR EXTENSION DATE	REMAINING BALANCE
1	CES Consultants, Inc.	17CESCI003	8/10/2024	8/10/2026	\$ 982,253.11
2	C Solutions, Inc.	17CSI001	6/30/2024	6/30/2026	\$ 1,676,484.95
3	Miller, Legg & Associates, Inc.	17MLAI001	8/4/2024	8/4/2026	\$ 245,653.62
4	Premiere Design Solutions, Inc.	17PDSI001	6/30/2024	6/30/2026	\$ 170,122.560
5	SRS Engineering, Inc.	17SRSE002	8/4/2024	8/4/2026	\$ 1,073,585.00

Recommendation

It is recommended that the Board approve the five (5) Amendments, which would extend each Agreement by two (2) years. No additional compensation is being added.

Copies of the Amendments are attached hereto as Exhibits 1-5.

Scope

The engineering services that will be provided are for improvements, upgrades and expansion of local wastewater pump stations located throughout the County.

Delegation Of Authority

Upon approval of this item, the County Mayor or County Mayor's designee shall have the authority to execute the Amendments to each Agreement and to exercise all provisions contained therein.

Fiscal Impact/Funding Source

The Amendments have no fiscal impact on the County because no additional compensation is being added to the Agreements.

Track Record/Monitor

WASD Deputy Director of Planning Regulatory Compliance & Capital Infrastructure Marisela Aranguiz-Cueto, P.E., will oversee the implementation of the Amendments.

Background

On December 19, 2017, the Board, via Resolution No. R-1244-17, ratified the actions of the County Mayor's designee, as authorized under Section 2-8.2.12 of the Miami-Dade County Code, approving five (5) Non-Exclusive Professional Services Agreements, each with a total compensation amount of \$2,200,000, including a ten percent (10%) contingency allowance, for a seven (7) year term with no Options to Renew. Due to project delays resulting from labor shortages and supply chain issues, the services under the Agreements were underutilized, and each Agreement has a remaining balance as shown on the chart under the Executive Summary. Approval of the Amendments is the most cost-effective approach to address the reliability and capacity requirements of WASD's wastewater infrastructure.

Due Diligence/Safety Information

Pursuant to Resolution No. R-187-12, and in accordance with the Strategic Procurement Department's guidelines, WASD conducted due diligence to determine the responsibility of the firms. There were no adverse findings related to the responsibility of any of the firms.

Small Business Enterprise Measures

The Amendments for Project No. E15-WASD-02 were submitted to the Office of Small Business Development for a review of compliance with the Small Business Enterprise (SBE) measures. The Agreements were awarded with a 100% Set Aside Architectural and Engineering Services (SBE-AE) goal, which will remain the same for the Amendments.

Given that these Amendments entail extending the timeframe by two (2) years without any additional monies added, in accordance with Resolution No. R-525-17, it is not mandatory for the Consultants to have fulfilled the 85 percent (85%) Small Business Enterprise (SBE) goal prerequisite prior to the approval of these Amendments. A copy of the SBD review memo dated March 14, 2024, is attached hereto as Exhibit 6.

Copies of the original Agreements are available upon request from WASD's Intergovernmental Affairs Division.

Subject: Agreement No. 17CESCI003, Project No. E15-WASD-02: Non-Exclusive Professional Services Agreement for Engineering Design and Related Services for the Improvement, Upgrades and Expansion of Local Wastewater Pump Stations and Related Facilities Necessary for Capital Improvement Projects.

Amendment Number Two to Agreement No. C-17CESI003, Project No. E15-WASD-02 was submitted to the Office of Small Business Development to review for application of Small Business Enterprise (SBE) measures. The contract was awarded with a SBE-Architectural & Engineering (SBE-AE) Set-Aside measure which will remain the same.

Resolution No. R-1001-15 requires County contracts with small business measures meet at least 85 percent of the small business goals applicable to the portion(s) of the contract work performed to date before a change order or contract amendment is considered for Board approval. Resolution R-525-17 exempted change orders or amendments for non-compensatory time extensions from this requirement. Amendment Number Two is for a time extension only, as such R-1001-15 does not apply.

Memorandum

Date: March 14, 2024

To: Roy Coley, Director
Miami-Dade Water and Sewer Department

From: Gary T. Hartfield, Director
Office of Small Business Development

Subject: Agreement No. 17SRSE002, Project No. E15-WASD-02: Non-Exclusive Professional Services Agreement for Engineering Design and Related Services for the Improvement, Upgrades and Expansion of Local Wastewater Pump Stations and Related Facilities Necessary for Capital Improvement Projects.

Amendment Number One to Agreement No. 17SRSE002, Project No. E15-WASD-02 was submitted to the Office of Small Business Development to review for application of Small Business Enterprise (SBE) measures. The contract was awarded with a SBE-Architectural & Engineering (SBE-AE) Set-Aside measure which will remain the same.

Resolution No. R-1001-15 requires County contracts with small business measures meet at least 85 percent of the small business goals applicable to the portion(s) of the contract work performed to date before a change order or contract amendment is considered for Board approval. Resolution R-525-17 exempted change orders or amendments for non-compensatory time extensions from this requirement. Amendment Number One is for a time extension only, as such R-1001-15 does not apply.

The prime is in compliance with the SBE-A/E Set-Aside measure. Please contact Alice Hidalgo-Gato, SBD Section Chief, at (305) 375-3153 if additional information is needed.
