Resolution No. R-551-24

Subject: Approval of Reopener 2023-2026 Collective Bargaining Agreement Between Miami-Dade County and the American Federation of State County and Municipal Employees, A.F.L.-C.I.O., Miami-Dade County Aviation Department Employees Local 1542

Executive Summary

This item reflects the outcome of the reopener of the collective bargaining negotiations between Miami-Dade County and the American Federation of State County and Municipal Employees, A.F.L.-C.I.O., Miami-Dade County Aviation Department Employees Local 1542, resulting in the 2023-2026 collective bargaining agreement (Reopener Agreement). The reopened collective bargaining agreement now includes a cost of living adjustment, increased or new pay supplements, and resolution language adopted by the Board of County Commissioners.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve and ratify the attached 2023-2026 Collective Bargaining Agreement (Reopener Agreement) between Miami-Dade County (County) and the American Federation of State County and Municipal Employees, A.F.L.-C.I.O., Miami-Dade County Aviation Department Employees Local 1542 (Union), which was ratified by the bargaining unit on April 5, 2024. Approval and ratification by both parties is necessary to ensure the Reopener Agreement is binding on the parties under state law. Although the contract has been ratified by the bargaining unit, it has not been executed by the parties.

The requirements of Resolution R-130-06, requiring that any contract between the County and third parties be executed and finalized prior to their placement on a County Commission or committee agenda, may be waived by the Board upon a recommendation by the County Mayor that it is in the best interest of the County to do so. It is recommended that these requirements be waived for this Reopener Agreement because the collective bargaining agreement is not effective until it is ratified by the Union and the Board. Accordingly, this Reopener Agreement will be executed by the parties subsequent to its approval and ratification by the Board and the Union.

Scope

The impact of this agenda item is countywide.

Delegation of Authority

The resolution delegates the authority to the Mayor to execute, implement and administer the Reopener 2023-2026 Collective Bargaining Agreement between the County and the Union.

Fiscal Impact/Funding Source

The fiscal impact of the provisions included in this agreement for FY 2023-24 through FY 2025-26, is estimated at \$13.156 million. The funding for these concessions is included in the FY 2023-24 Adopted Budget in the Aviation Department.

which the County and Department deem necessary to carry out their responsibilities and missions shall be limited only by the specific and express terms of this Agreement.

The County, with at least 90 days prior written notice, will provide a separate payroll deduction for the Union's political action committee P.E.O.P.L.E and will reflect such deduction on the employee's pay stub. An employee may, upon 30 days written notice to the County and the Union, revoke his dues deduction authorization, and the County thereupon shall cease to make such deduction. Assistance to any employee in the preparation of either Union membership or withdrawal forms shall constitute a violation of this provision.

ARTICLE 6

GRIEVANCE PROCEDURE

1. In a mutual effort to provide harmonious working relations between the parties of this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties.
2. A "Grievance" shall be defined as any dispute that an employee or the Union may have arising out of the interpretation or application of the terms of this Agreement. A class grievance shall be defined as any dispute which concerns two or more employees within the bargaining unit. Class grievances must name all employees or classifications covered in a grievance. Class grievances, at the option of the Union, may be submitted at step 2 or 3 and no more than three (3) employees plus a Union staff representative may meet with the intermediate supervisor or division head. Each grievance when filed shall state with particularity the alleged violation of the contract claimed, the date upon which the violation occurred, the facts of such violation, the Article of the contract violated and the remedy sought by the Union.
3. Dismissals, demotions, reductions in pay, reprimands, formal counseling, position classifications, classification appeals, performance evaluation appeals, disability determinations, job descriptions,

and similar matters, for which other appellate procedures are provided in the Code of Miami-Dade County, Florida, and/or County Personnel Rules or other provisions of this Agreement are not subject to review as grievances.

4. Grievances shall be processed in accordance with the following procedure:

Step 1. The aggrieved employee, with the Union Steward, if the employee so desires, shall discuss the grievance with the immediate supervisor within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance.

The intermediate supervisor's response shall be submitted in writing, to the Union, within ten (10) calendar days.

Step 3. If the grievance has not been satisfactorily resolved in Step 2, the Union Steward and/or the aggrieved employee and the Union Representative may appeal the grievance to the Head of the Division concerned, within ten (10) calendar days after the intermediate supervisor's response is due. The Head of the Division shall respond, in writing, within ten (10) calendar days.

Step 4. If the grievance has not been satisfactorily resolved in Step 3 hereof, the Union Steward and/or the aggrieved employee and the Union Representative may present the written appeal to the Director of the Department within ten (10) calendar days. The Director of the Department shall respond in writing, within ten (10) calendar days.

5. If a grievance is not processed by the Union within the time limits provided for in Steps 3 and 4, the grievance shall be considered dropped with prejudice. If the County fails to process a grievance within the time limits provided, the grievance shall automatically proceed to the next step. Either party shall be permitted one (1) extension of time at any step as a matter of right, not to exceed the ten (10) calendar days provided above for each step, provided that the other party must be notified of the requested extension prior to the expiration of the original ten (10) day time period.
6. The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
7. All responses required in Steps 2, 3, and 4, above, shall be directed to the Union, with a copy furnished to the aggrieved employee. In class grievances, copies will be directed only to the Union.

9. Prior to petitioning for arbitration for an unresolved grievance, either party may request a special labor management committee meeting to include a representative(s) of the Labor Relations Division and/or the Director of the Labor Relations and Compensation to discuss the pending issues which have not been resolved through Step 4. Upon such request the time limit for seeking arbitration as set forth in Article 7 shall be tabled until the conclusion of such meeting which shall occur within 30 calendar days of the request. This petition shall not give either party the right not to proceed to arbitration after the meeting takes place if no resolution is agreed upon.

ARTICLE 7

ARBITRATION

1. If the grievance has not been satisfactorily resolved within the grievance procedure, the Union may request a review by an impartial arbitrator provided such request is filed in writing with the Director of Labor Relations and Compensation no later than twenty (20) calendar days after the Department Director's response is due in Step 4 of the grievance procedure.
2. Upon receipt of a timely request for arbitration, on an arbitrable matter, the Director of Labor Relations and Compensation and the Union's representative will, within ten (10) calendar days, first attempt to agree on the selection of an Arbitrator. If they cannot mutually agree, then within ten (10) calendar days, the Director of Labor Relations and Compensation will write to the American Arbitration Association to set in motion the scheduling of the arbitration hearing. Matters that are not subject to review as grievances are non-arbitrable and shall not be scheduled for arbitration.
3. The arbitration shall be conducted under the rules set forth in this Agreement and, where not in conflict with this Agreement, under the labor rules of the American Arbitration Association. Subject to the following, the arbitrator shall have jurisdiction and authority to decide a grievance as defined and submitted in this Agreement. The arbitrator shall have no authority to change, amend, add to, subtract from, ignore, modify, nullify, or otherwise alter or supplement this Agreement or any part thereof or any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement, or which is not covered by this Agreement, nor shall this Collective Bargaining Agreement be construed by an arbitrator to supersede any applicable laws.
4. The arbitrator may not issue declaratory or advisory opinions and shall confine himself exclusively to the question which is presented to him, which question must be actual and existing.
5. The County and the Union shall attempt to mutually agree in writing as to the statement of the matter to be arbitrated 30 days after the request for arbitration is submitted. If in the event the parties cannot agree to the statement of issues to be submitted, then a written statement of the issues to be decided shall be presented to the arbitrator by each party and exchanged between the parties fourteen (14) days prior to the Arbitration Hearing.
6. At the request of either party there shall be a certified court reporter at the hearing. The parties shall bear equally the expenses and fees of the court reporter, the arbitrator and all other expenses connected with a hearing. Each party shall bear the expense of its own witnesses, representatives, attorneys and all other individual expenses. Employees required to testify will be made available, however, whenever possible, they shall be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are the grievant or are directly required to assist the principal Union Representative in the conduct of the case. In class grievances, the class shall be represented by the Union President. The intent of the parties is to minimize time lost from work.
7. The award of the arbitrator shall be final and binding when made in accordance with the jurisdiction and authority of this agreement. The arbitrator shall make his award within 30 days of the close of the hearing and shall promptly furnish copies to both parties.
8. Matters excluded from the Grievance Procedure under Article 6, Section 3, and matters covered under Article 8, Classification Appeal, and Article 9, Job Descriptions, shall be excluded from Arbitration.

ARTICLE 8

The Human Resources Director, will explain the basis for the decision in writing in the event the request is denied. The Human Resources Director shall hold such hearing within ninety (90) calendar days of the request. The Human Resources Director's decision shall be final and binding.

In the event the request for reclassification is upheld, the employee shall receive compensation beginning with the pay period that the original request was denied.

5. The County will notify and confer with the Union of the following classification actions that affect the bargaining unit's classifications prior to finalizing the classification action:
 - a) Reclassification of a filled position(s) to a new classification outside of the bargaining unit.
 - b) Reclassification of a bargaining unit classification to a new classification outside of the bargaining unit

1. The County shall retain the right to establish and administer a Performance Evaluation system to conduct annual performance evaluations of employees to appraise their productivity, effectiveness, and compliance with rules and regulations. The purposes of evaluation are to improve performance generally, to identify and recognize superior performance, to facilitate communication between supervisors and employees, and to provide timely and accurate information which may be used in making of personnel decisions related to employee performance. The parties agree that whenever feasible, performance evaluations shall be presented in a timely manner so as not to delay the award of the merit increase, if warranted.
2. Employees who need to improve their performance are to be placed on a Performance Improvement Plan prior to receiving their annual performance evaluation, and evaluated 30 or 60 days from the issuance date of the Performance Improvement Plan. Additionally, the employee is to receive refresher training, if warranted, to help improve their performance.
3. A permanent status employee who has received an overall evaluation of "unsatisfactory" or "needs improvement" may appeal by requesting a review of the Performance Evaluation by the Department Director or their designee(s), within ten (10) calendar days of receipt of the evaluation. The Department Director or designee(s) may recommend changes, alterations, or return the evaluation unchanged to the employee. Questions shall also be addressed to employee witnesses by panel members through the chairperson. The purpose of the panel's review is to (1) determine compliance with evaluation procedures, and (2) recommend whether the evaluation should be upheld and the reasons for this recommendation.

Within thirty (30) calendar days following the hearing, the panel will submit a written report of their findings and decision to the Human Resources Director. A majority of the panel may sustain or revise the evaluation, either because of failure to follow procedure or on the merits of the evaluation itself. The Human Resources Director will forward the panel's findings and decision to the Department Director for implementation.

ARTICLE 11 **LABOR-MANAGEMENT CONFERENCES**

Performance Based Compensation Projects

The Union agrees to work cooperatively with the County to develop and implement performance based compensation projects involving bargaining unit classifications. These performance based compensation projects shall be joint ventures, representing a collaborative effort between the County and the Union, to effect meaningful performance based productivity gains that are designed to enhance the effectiveness and efficiency of the Department. There will be a committee established to review Performance Based Compensation Projects, which shall be comprised of equal amounts of representatives from each of the parties as mutually agreed upon.

Either party shall have the right, at any time during the term of this Agreement, to reopen the Agreement with respect to Performance Based Compensation Projects, classification consolidation studies, or the County Pay Plan Redesign. The County agrees that it cannot unilaterally implement changes which would conflict with the terms of this collective bargaining agreement.

Efficient Delivery of Quality Services

Miami-Dade County and employees shall fully cooperate in the efficient and effective delivery of quality services.

Employees are encouraged to report suggestions of cost savings or methods of increasing efficiency and purchasing new equipment to the Department Labor-Management Committee.

BACK PAY

The County shall be entitled to recover, upon notification to the employee, in a timely manner, all funds determined by the County to have previously been paid in error to an employee. The County shall have the right to effect such recovery of funds through a stipulated bi-weekly paycheck deduction, at a bi-weekly rate equal to the bi-weekly rate of the erroneous pay to the employee, or at the minimum rate of fifty dollars (\$50) per pay period, whichever rate is greater. The specific recovery rate shall be

determined through an agreement between the concerned employee and the Human Resources Department, upon notification to the concerned employee. The concerned employee shall have ten (10) calendar days from date of notification to contact the appropriate payroll representative and stipulate to a specific recovery rate in accordance with this contract provision. Failure by the concerned employee to make the necessary arrangements within the specified ten (10) calendar day period shall result in the necessary paycheck deductions being automatically effected by the County at a rate the County deems appropriate.

The County has the right to recover the full amount of erroneous payments to an employee in the event the employee separates from County service, including the right to make necessary deductions from the employee's terminal leave pay.

ARTICLE 27 **LAYOFFS**

1. Layoff is defined as the separation of an employee for lack of work or funds, or due to reduction in services, or for other legitimate reasons, as determined by the County or Department without fault or delinquency on the employee's part. The County agrees to provide the "Union" with a list of the names of the employees being laid off and such notice shall be sent at the same time that it is issued to the employees so affected.
2. Employees to be laid off shall be notified as soon as possible after the decision for layoff has been made. In no event shall the County give such employees less than twenty-one (21) calendar days' notice.
3. Layoff Lists: In the event of a layoff, the Human Resources Director, in conjunction with the Director of Recruitment, Career Development, and Testing shall determine the county-wide classifications that are equivalent to the affected positions for retention purposes and will determine the bumping series county-wide. The bumping series, as determined solely by the Human Resources Director, shall be defined as a series of positions related in terms of the duties, experience and education requirements. Similar classifications county-wide may be treated as common classifications, as determined solely by the Human Resources Director, for purposes of bumping. For example, an Office Support Specialist 2, Water and Sewer Office Support Specialist 2 and Airport Office Support Specialist 2 may be treated as common classes for layoff and bumping purposes. Employees shall be laid off in accordance with layoff retention scores based upon seniority in the job classification as provided in the Layoff Procedures Manual for Miami-Dade County. The term county-wide is understood between the parties to be defined as all operating departments and organizational entities within Miami-Dade County. When a layoff of a regular employee is necessary, from a position in a class in a series, the County will attempt to place the laid-off employee in another class to which it appears the employee is capable of occupying. Any accrued sick leave that was forfeited at the time of layoff shall be restored at the time of rehire.
 - a. All employees in the classifications contained in Exhibit 1A are common classes for layoff and bumping among all County departments as provided above. Because of the unique requirements of their jobs, the classifications contained in Exhibit 1B, for the purpose of applying County bumping procedures under a layoff, will be treated as unique Aviation Department positions. Only those employees having served and attained permanent status in these classifications will be eligible to exercise bumping rights into these positions. Vacancies in the classifications listed in Exhibit 1B, with the exception of Airport Semi-Skilled Laborer, cannot be filled by bumping employees who have not previously served and attained permanent status in these positions. Only the vacant position of Airport Semi-Skilled Laborer may be utilized for the purpose of placing a bumped employee who has not previously served in this classification.
4. This Article shall not limit the County's right to reduce hours of work in lieu of a layoff. In the event

of a layoff, full time employees to be separated by layoff or bumping shall be given the option of accepting a part-time position if a part-time position in the same classification exists in the employee's department, for which they qualify, as determined by the Department Director's designee and the Human Resources Department. In the event there is more than one such employee in a given layoff action, this option shall be offered to employees in order of retention score (highest to lowest), according to the number of part-time slots available. Whenever this option is exercised, part-time employees shall be removed in reverse order of seniority.

Addendum 1

Group Health Cost Containment Initiatives

This sets forth a list of cost savings initiatives identified during the course of cost containment meetings that, if aggressively and effectively implemented, should achieve the projected cost savings commitments of \$21 million for plan year 2020. Moreover, the Union and the County have agreed that the County and the Union shall jointly continue to seek additional ways to reduce the cost of providing benefits while maintaining the integrity of the benefits received by the Union members.

The Healthcare Cost Containment Workgroup ("Workgroup") shall continue and shall meet regularly to review progress. In addition, if following a January or July meeting the Employer Designees reasonably believe that the Healthcare Fund has not implemented modifications and initiatives sufficient to produce the foregoing approximate savings, or there is a disagreement over adoption of a modification or initiative, the dispute shall be resolved according to an internal appeal process, but shall not be subject to arbitration.

In consideration of flat insurance premiums for the plan year 2020-2021 and the 2020 cost containment initiatives, the County agrees to continue the County's Medical Plan, which is currently administered by AvMed, with no plan design changes other than those indicated in this agreement and those required by State or Federal Law. All other health benefit plans offered by the County will remain the same pursuant to current collective bargaining agreement.

Effective January 1, 2020, or if after January 2020, upon ratification of the 2017-2020 collective bargaining agreement the Miami-Dade County Group Health Plan shall be amended as follows:

Participation and acceptance of the 2020 cost containment plan redesign initiatives that are expected to reduce the plans expenditures will allow premiums to remain flat for the duration of this Collective Bargaining Agreement ("CBA") 2023-2026. The contributions for insurance premiums are listed in Addendum 2.

As it is the intention of the parties to maintain and improve the County's programs, these and other adjustments are needed to preserve the resources of the Healthcare Fund to provide its comprehensive health coverage in the face of rising health care costs. Thus, without limiting the potential cost savings approaches the Mayor and his designees should pursue, they are directed to implement appropriate savings which may include the following programs, policies and plan changes:

1. Pharmacy

- i. **Generic first across all plans:** The member/dependent(s) will be required to use generic medication first. The member/dependent(s) will be offered to use brand-name drugs only after first trying similar generic medications and the generic medication has not been effective in treating the members'/dependent's(s') condition. If brand-name medication is required, the member/dependent will be responsible for the difference in cost of the generic medication versus the brand medication.
- ii. **Mail-Order/90-Day Limited Network Retail Pharmacy Solution for maintenance/preventive drugs:** The member/dependent(s) will be required to use mail order or pick up prescriptions at an in-network retail pharmacy for all maintenance/preventive drugs needed for a long-term health condition. First time prescription will only be filled at retail pharmacy three (3) times and subsequent refills would be filled using mail order pharmacy or an in-network 90 day retail pharmacy. The member/dependent(s) will pay only two (2) copays for a 90 day refill of mail order or a limited network 90 day retail pharmacy for prescriptions.
- iii. **AvMed Standard Formulary:** The current formularies in both HMO and POS plans will be removed and all members'/dependent's(s') plans will use AvMed's Standard Formulary. The members'/dependent's(s') whose medication is not on the AvMed Standard Formulary, with physician's recommendation, will be transitioned to a similar medication that is on the AvMed Standard Formulary. For those members/dependents whose medication does not have a similar medication available, will be allowed to continue with current medication, "grandfathered," until such time the course of treatment is completed and/or no longer needed.

2. Medical

Eliminate Private Healthcare Network (“PHCS”) from High HMO and POS Elite Network: AvMed will continue to assume administration over the County’s Medical Plans, and lease the Elite (PHCS) wrap network for medical services to achieve Provider discounted rates for out-of-area services. All members/dependents in the AvMed service area currently using PHCS providers would be redirected and transitioned to AvMed Network Providers, except those in POS who choose to use their out-of-network benefit, subject to applicable copays. The members/dependents in the HMO plans do not have out-of-network benefits. Therefore, PHCS will no longer be available. The out-of-area plan retirees enrolled in the High Option HMO plan will not be affected by this change.

3. New Hires

Enrollment in Jackson First Choice Advantage HMO/Select Advantage HMO: The Jackson First Choice HMO and the Select Advantage HMO Medical Plans will be the only group health plan choices available for benefit eligible newly hired employees and their dependents effective January 1, 2020 and thereafter. This will not affect existing members and their dependents currently enrolled in a County group health insurance program.

4. Freestanding Imaging

Freestanding imaging only: The members/dependents will be required to have all (non-emergency) Imaging/Radiology services done at an in-network freestanding facility of their choice. All occurrences of emergency room visits and hospital admits are excluded from this requirement.

5. Utilization Driven Co-pays
