Agenda Item No. 8(G)(1)

Resolution No. R-118-25

Subject: Resolution Authorizing Execution of Agreement Between Miami-Dade County and the State of Florida Department of Health to Provide Public Health Services to the Miami-Dade County Residents for Fiscal Year 2024-25

Summary

This item approves the agreement between the State of Florida Department of Health (DOH) and Miami-Dade County (County) for health services in the County as required by Chapter 154 of the Florida Statutes. This contract provides for the Miami-Dade County Department of Health to promote public health, including environmental health services, to control and eradicate preventable diseases and to provide care to special populations.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the attached resolution authorizing the execution of the agreement between the County and the DOH for one year, from October 1, 2024 to September 30, 2025. The resolution authorizes the County to provide \$1,133,000 in program support to the DOH for public health services to Miami-Dade County residents.

Scope

This agreement provides for public health services to County residents countywide.

Delegation of Authority

This item requests a delegation of authority to authorize the County Mayor or County Mayor's designee to execute the contract with the DOH in substantially the form attached to the resolution and, subject to approval by the County Attorney's Office, to execute future agreements for, and apply for, receive, and expend additional funds for Fiscal Year (FY) 2024-25 should they become available for the purpose of public health needs in the County.

Fiscal Impact/Funding Source

The FY 2024-25 contract identified a total program cost of \$84,560,051 (Attachment II, Part III of Exhibit A). Funding for the total program cost consists of contributions by the State of Florida totaling \$66,810,981 and \$17,749,070 in local contributions.

The State's contribution consists of state and federal revenues totaling \$64,090,379 and various fees and surcharges totaling \$2,720,602. The local contribution includes DOH health services, Medicaid funding and various clinic and laboratory fees totaling \$17,749,070.

The County's cash contribution totals \$1,133,000 and is provided by Jackson Health System (JHS). The DOH can elect to re-appropriate funding among the different programs with prior contract officer approval, if necessary. The JHS reimbursement methodology and monitoring requirements are detailed under separate agreements between JHS and the DOH.

Pursuant to State law, the Board is responsible for approving the DOH revised fee schedule. However, no changes in service fees are recommended in this document. Furthermore, communicable disease and primary care fees are automatically adjusted to, at least, meet the Medicaid reimbursement rate without

formal amendment to this contract in accordance with Section 154.06 of the Florida Statutes should such reimbursement be increased or decreased. Other State contributions not reflected in the trust fund budget include immunization, funds for the Bureau of Public Health Laboratories, ADAP and Pharmacy Drug Program, the Women, Infant and Children (WIC) Program and the annual rental equivalent value of DOH-used space totaling \$103,087,603 (Attachment II, Part II of Exhibit A).

Although not mandated by State statute, the County has provided building space and insurance coverage for County-owned buildings, furnishings and equipment used by the DOH. These facility leases, when necessary, require Board approval, as appropriate. It is the responsibility of the DOH to obtain insurance coverage for any buildings, furnishings and equipment used by the agency but not owned by the County. The DOH is also responsible for the construction, maintenance, repair and improvements of all buildings, as well as providing utilities, janitorial and custodial services. In addition, the DOH must maintain facilities in compliance with all Federal, State and local regulatory requirements, including the American with Disabilities Act (Attachment VI of Exhibit A).

Track Record/Monitor

The DOH and the County agree to comply with Federal and State laws and regulations, and maintain books, records and documents in accordance with accounting procedures and practices. In addition, the DOH must adhere to State purchasing rules and regulations but may purchase goods and services through the County when feasible.

Background

Chapter 154 of the Florida Statutes requires the DOH enter into a contract with each county. This contract provides for the Miami-Dade County Department of Health to promote public health, including environmental health services, to control and eradicate preventable diseases and to provide care to special populations. This contract format is prescribed by the State and establishes a basic legal framework for shared responsibilities between the DOH and the County. This relationship has evolved over the years from a County-managed Public Health Unit to a large state agency operated entirely by the DOH.

Either party may terminate the agreement without cause upon no less than 180 calendar days' notice in writing to the other party. Either party, upon no less than 30 days' notice, may terminate the agreement if the other party fails to perform an obligation under the contract. If funds to finance this contract become unavailable, either party may terminate the contract upon no less than 24 hours' notice in writing to the other party. Staffing and services may be reduced based on the availability of funds.

C. Miami-Dade County Health Department ("CHD") is one of the created County Health Departments.

D. It is necessary for the parties hereto to enter into this contract to ensure coordination between the State and the County in the operation of the CHD.

NOW, THEREFORE, in consideration of the mutual promises set forth herein, the sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. RECITALS. The parties mutually agree that the foregoing recitals are true and correct and incorporated herein by reference.

2. TERM. The parties mutually agree that this contract shall be effective from October 1, 2024, through September 30, 2025, or until a written contract replacing this contract is entered into between the parties, whichever is later, unless this contract is otherwise terminated according to the termination provisions outlined in paragraph 8. below.

3. SERVICES MAINTAINED BY THE CHD. The parties mutually agree that the CHD shall provide those services as outlined in Part III of Attachment II hereof, to maintain the following three levels of service pursuant to section 154.01(2), Florida Statutes, as defined below:

b. Overall expenditures will not exceed available funding or budget authority, whichever is less, (either the current year or from surplus trust funds) in any service category. Unless requested otherwise, any surplus at the end of the term of this contract in the County Health Department Trust Fund that is attributed to the CHD shall be carried forward to the next contract period.

- c. Either party may establish service fees as allowed by law to fund activities of the CHD. The Board approves the CHO fees as part of the budget, 10 No. 4-137. Where applicable, such fees shall be automatically adjusted to at least the Medicaid fee schedule.

d. Either party may increase or decrease funding of this contract during the term hereof by notifying the other party in writing of the amount and purpose for the change in funding. If the State initiates the increase or decrease, the CHD will revise Attachment II and send a copy of the revised pages to the County and the State's Office of Budget and Revenue Management. If the County initiates the increase or decrease, the County shall notify the CHD in writing. The CHD will then revise Attachment II and send a copy of the revised pages to the State's Office of Budget and Revenue Management.

5. CHD DIRECTOR or ADMINISTRATOR. Both parties agree the director or administrator of the CHD shall be a State employee or under contract with the State and will be under the day-to-day direction of the State's Deputy Secretary for County Health Systems. The director or administrator shall be selected by the State with the concurrence of the County. The director or administrator of the CHD shall ensure that non-categorical sources of funding are used to fulfill public health priorities in the community and the Long-Range Program Plan.

6. ADMINISTRATIVE POLICIES AND PROCEDURES. The parties hereto agree that the following standards should apply in the operation of the CHD:

a. The CHD and its personnel shall follow all State policies and procedures, except to the extent permitted for the use of County purchasing procedures as outlined in subparagraph b., below. All CHD employees shall be State or State-contract personnel subject to State personnel laws, rules, and procedures. Employees will report time in the Health Management System compatible format by program component as specified by the State.

b. The CHD shall comply with all applicable provisions of federal and state laws and regulations relating to its operation with the exception that the use of County purchasing procedures shall be allowed when it will result in a better price or service and no statewide purchasing contract has been implemented for those goods or services. In such cases, the CHD director or administrator must sign a justification, therefore, and all County purchasing procedures must be followed in their entirety, and such compliance shall be documented. Such justification and compliance documentation shall be maintained by the CHD following the terms of this contract. State procedures must be followed for all leases on facilities not enumerated in Attachment IV.

c. The CHD shall maintain books, records, and documents following the Generally Accepted Accounting Principles, as promulgated by the Governmental Accounting Standards Board, and the requirements of federal or state law. These records shall be maintained as

d. All funds for the CHD shall be deposited in the County Health Department Trust Fund maintained by the state treasurer. These funds shall be accounted for separately from funds deposited for other CHDs and shall be used only for public health purposes in Miami-Dade County.

e. That any surplus or deficit funds, including fees or accrued interest, remaining in the County Health Department Trust Fund account at the end of the contract year shall be credited or debited to the State or County, as appropriate, based on the funds contributed by each and the expenditures incurred by each. Expenditures will be charged to the program accounts by State and County based on the ratio of planned expenditures in this contract and funding from all sources is credited to the program accounts by State and County. The equity share of any surplus or deficit funds accruing to the State and County is determined each month and at the contract year-end. Surplus funds may be applied toward the funding requirements of each party in the following year. However, in each such case, all surplus funds, including fees and accrued interest, shall remain in the trust fund until accounted for in a manner that clearly illustrates the amount which has been credited to each party. The planned use of surplus funds shall be reflected in Attachment II, Part I of this contract, with special capital projects explained in Attachment V.

f. There shall be no transfer of funds between the three levels of services without a contract amendment unless the CHD director or administrator determines that an emergency exists wherein a time delay would endanger the public's health and the State's Deputy Secretary for County Health Systems have approved the transfer. The State's Deputy Secretary for County Health Systems shall forward written evidence of this approval to the CHD within 30 days after an emergency transfer.

g. The CHD may execute subcontracts for services necessary to enable the CHD to carry out the programs specified in this contract. Any such subcontract shall include all aforementioned audit and record-keeping requirements.

h. At the request of either party, an audit may be conducted by an independent certified public accountant on the financial records of the CHD, and the results made available to the parties within 180 days after the close of the CHD fiscal year. This audit will follow requirements contained in OMB Circular A-133, as revised, and may be in conjunction with audits performed by the County government. If audit exceptions are found, then the director or administrator of the CHD will prepare a corrective action plan and a copy of that plan and monthly status reports will be furnished to the contract managers for the parties.

i. The CHD shall not use or disclose any information concerning a recipient of services except as allowed by federal or state law or policy.

j. The CHD shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for five years after termination of this contract. If an audit has been initiated and audit findings have not been resolved at the end of five years, the records shall be retained until the resolution of the audit findings.

k. The CHD shall maintain the confidentiality of all data, files, and records that are confidential under the law or are otherwise exempted from disclosure as a public record under Florida law. The CHD shall implement procedures to ensure the protection and confidentiality of all such records and shall comply with sections 384.29, 381.004, 392.65, and 456.057, Florida Statutes, and all other state and federal laws regarding confidentiality. All confidentiality procedures implemented by the CHD shall be consistent with the State's Information Security Policies, Protocols, and Procedures. l. The CHD shall abide by all State policies and procedures, which by this reference are incorporated herein as standards to be followed by the CHD.

m. The CHD shall establish a system through which applicants for services and current clients may present grievances over denial, modification, or termination of services. The CHD will advise applicants of the right to appeal a denial or exclusion from services, of failure to take account of a client's choice of service, and right to a fair hearing to the final governing authority of the CHD. Specific references to existing laws, rules, or program manuals are included in Attachment I of this contract.

- i.* The DE385L1 Contract Management Variance Report and the DE580L1 Analysis of Fund Equities Report; and
- ii.* A written explanation to the County of service variances reflected in the year-end DE385L1 report if the variance exceeds or falls below 25 percent of the planned expenditure amount for the contract year. However, if the amount of the service-specific variance between actual and planned expenditures does not exceed three percent of the total planned expenditures for the level of service in which the type of service is included, a variance explanation is not required. A copy of the written explanation shall be sent to the State's Office of Budget and Revenue Management.

p. The dates for the submission of quarterly reports to the County shall be as follows unless the generation and distribution of reports are delayed due to circumstances beyond the CHD's control:

The County shall ensure insurance coverage for these vehicles is available through either a self-insurance program or insurance purchased by the County. All vehicles will be used solely for CHD operations. Vehicles purchased through the County Health Department Trust Fund shall be sold at fair market value when they are no longer needed by the CHD and the proceeds returned to the County Health Department Trust Fund.

THIS ATTACHMENT VI to CORE by and between MIAMI-DADE COUNTY, a political subdivision of the State of Florida, herein sometimes designated or referred to as the “LANDLORD,” and FLORIDA DEPARTMENT OF HEALTH/MIAMI-DADE COUNTY HEALTH DEPARTMENT of the State of Florida, hereinafter referred to as the “TENANT”.

WITNESSETH:

That LANDLORD, for and in consideration of the restrictions and covenants herein contained, hereby leases to TENANT and TENANT hereby agrees to lease from LANDLORD the premises described as follows:

Various locations enumerated in Exhibit A and made a part hereto, all of which are Miami-Dade County owned buildings located in Miami-Dade County, Florida.

TO HAVE AND TO HOLD unto said TENANT the term of the Core Contract for and at an annual rent of One dollar and No/100 (\$1.00), for each and every location being used by the TENANT, with the exception of the One thousand Six Hundred Sixty Eight (1,668) square feet used at a \$28.92/SQF rate in the PIC Center, for the original term of the Lease, c/o Internal Services Department, 111 N.W. First Street, Suite 2460, Miami, Florida 33128-1907, or as such other place and to such other person as LANDLORD may from time to time designate in writing.

The landlord provides lease management services, which include locating space, negotiating and preparing lease contracts, processing contracts for BCC approval, overseeing design, and construction of lease build-outs and processing the monthly lease payments. Fee for services is five (5) percent of annual lease payments. Where no lease

payments are involved, departments will be charged for staff time spent on processing the lease agreement, plus any out-of-pocket expenses.

IT IS FURTHER MUTUALLY UNDERSTOOD AND AGREED BY THE
RESPECTIVE PARTIES HERETO:

ARTICLE I

USE OF DEMISED PREMISES

The area of the demised premises shall be used by TENANT solely for the provision of health care services.

ARTICLE II

CONDITION OF PREMISES

TENANT hereby accepts the premises in the condition they are in at the beginning of this Lease.

ARTICLE III

UTILITIES

The TENANT, during the term hereof, shall pay all charges for water, waste disposal, electricity and all other utilities used by the TENANT.

ARTICLE IV

MAINTENANCE

TENANT agrees to maintain and keep in good repair, condition, and appearance, during the term of this Lease or any extension or renewal thereof, the leased premises, and the following:

Existing interior furnishings;
Interior and exterior of buildings;

Plumbing and electrical lines and equipment;
Air-conditioning and heating equipment;
Parking areas and drainage;

by applicable fire codes.

TENANT shall be responsible for and shall repair any damage caused to the premises as a result of TENANT's use of the premises. LANDLORD shall notify TENANT after discovering any damage which TENANT is responsible for repairing and TENANT shall make the necessary repairs promptly after said notice.

ARTICLE V **ALTERATIONS BY TENANT**

The TENANT may make alterations, additions or improvements in or to the premises as may be required for the operation of its program as described in Article I without the written consent of the LANDLORD. All additions, fixtures or improvements, except but not limited to store and office furniture and fixtures, exclusive of furnishings provided by the LANDLORD, which are readily removable without injury to the premises, shall have title vested to the LANDLORD without any compensation due the TENANT and remain a part of the premises at the expiration or cancellation of this Lease. However, prior to title so vesting, the LANDLORD and the TENANT may attempt to negotiate another use for the premises acceptable to the LANDLORD and compatible with the area. Subject to the above, any carpeting and removable partitions installed by the TENANT within the demised premises shall remain the TENANT'S property and may be removed by the

TENANT upon the expiration of the Lease Agreement of any renewal or cancellation thereof.

The TENANT understands, recognizes, and warrants to the best of its knowledge that all common areas are, and shall at all times be maintained, in accordance with the requirements for disabled individuals contained in the Americans with Disabilities Act of 1990 (the "ADA") and Section 553.501 et seq. of the Florida Statutes, as presently written and as may be hereafter amended.

The TENANT further warrants that the demised premises and access thereto, including but not limited to rest rooms, hallways, entryways to the street and accessible parking, if parking is provided under the Lease, shall be in compliance with the accessibility standards for government programs contained in the ADA requirements of Section 553.501 et seq. of the Florida Statutes. If either the Leased Premises or the Leased Buildings are partially damaged due to TENANT's negligence, but not rendered unusable

for the purposes of this Lease Agreement, the same shall with due diligence be repaired by TENANT from proceeds of the insurance coverage and/or at its own cost and expense. If the damage shall be so extensive as to render such premises unusable for the purposes intended, but capable of being repaired within thirty (30) days, the damage shall be repaired with due diligence by TENANT from the proceeds of the insurance coverage policy and/or at its own cost and expense. In the event that said premises are completely destroyed due to TENANT's negligence, TENANT shall repair and reconstruct the premises so that they equal the condition of the premises on the date the premises was destroyed. In lieu of reconstructing, TENANT can elect to reimburse LANDLORD all expenses incurred by LANDLORD in restoring the premises to their original condition on the date that the premises was destroyed. This election of remedies shall be at the sole discretion of TENANT.

In the event the Leased Premises or the Leased Buildings are damaged (either partially or completely) by any cause other than TENANT's negligence, the damage shall be repaired with due diligence by LANDLORD, at the LANDLORD's cost and expense.

d. Either party may increase or decrease funding of this contract during the term hereof by notifying the other party in writing of the amount and purpose for the change in funding. If the State initiates the increase or decrease, the CHD will revise Attachment II and send a copy of the revised pages to the County and the State's Office of Budget and Revenue Management. If the County initiates the increase or decrease, the County shall notify the CHD in writing. The CHD will then revise Attachment II and send a copy of the revised pages to the State's Office of Budget and Revenue Management.

The director or administrator shall be selected by the State with the concurrence of the County. The director or administrator of the CHD shall ensure that non-categorical sources of funding are used to fulfill public health priorities in the community and the Long-Range Program Plan.

6. ADMINISTRATIVE POLICIES AND PROCEDURES. The parties hereto agree that the following standards should apply in the operation of the CHD:

a. The CHD and its personnel shall follow all State policies and procedures, except to the extent permitted for the use of County purchasing procedures as outlined in subparagraph b., below. All CHD employees shall be State or State-contract personnel subject to State personnel laws, rules, and procedures. Employees will report time in the Health Management System compatible format by program component as specified by the State.

b. The CHD shall comply with all applicable provisions of federal and state laws and regulations relating to its operation with the exception that the use of County purchasing procedures shall be allowed when it will result in a better price or service and no statewide purchasing contract has been implemented for those goods or services. In such cases, the CHD director or administrator must sign a justification, therefore, and all County purchasing procedures must be followed in their entirety, and such compliance shall be documented. Such justification and compliance documentation shall be maintained by the CHD following the terms of this contract. State procedures must be followed for all leases on facilities not enumerated in Attachment IV.

c. The CHD shall maintain books, records, and documents following the Generally Accepted Accounting Principles, as promulgated by the Governmental Accounting Standards Board, and the requirements of federal or state law. These records shall be maintained as

d. All funds for the CHD shall be deposited in the County Health Department Trust Fund maintained by the state treasurer. These funds shall be accounted for separately from funds deposited for other CHDs and shall be used only for public health purposes in Miami-Dade County.

e. That any surplus or deficit funds, including fees or accrued interest, remaining in the County Health Department Trust Fund account at the end of the contract year shall be credited or debited to the State or County, as appropriate, based on the funds contributed by each and the expenditures incurred by each. Expenditures will be charged to the program accounts by State and County based on the ratio of planned expenditures in this contract and funding from all sources is credited to the program accounts by State and County. The equity share of any surplus or deficit funds accruing to the State and County is determined each month and at the contract year-end. Surplus funds may be applied toward the funding requirements of each party in the following year. However, in each such case, all surplus funds, including fees and accrued interest, shall remain in the trust fund until accounted for in a manner that clearly illustrates the amount which has been credited to each party. The planned use of surplus funds shall be reflected in Attachment II, Part I of this contract, with special capital projects explained in Attachment V.

f. There shall be no transfer of funds between the three levels of services without a contract amendment unless the CHD director or administrator determines that an emergency exists wherein a time delay would endanger the public's health and the State's Deputy Secretary for County Health Systems have approved the transfer. The State's Deputy Secretary for County Health Systems shall forward written evidence of this approval to the CHD within 30 days after an emergency transfer.

g. The CHD may execute subcontracts for services necessary to enable the CHD to carry out the programs specified in this contract. Any such subcontract shall include all aforementioned audit and record-keeping requirements.

h. At the request of either party, an audit may be conducted by an independent certified public accountant on the financial records of the CHD, and the results made available to the parties within 180 days after the close of the CHD fiscal year. This audit will follow requirements contained in OMB Circular A-133, as revised, and may be in conjunction with audits performed by the County government. If audit exceptions are found, then the director or administrator of the CHD will prepare a corrective action plan and a copy of that plan and monthly status reports will be furnished to the contract managers for the parties.

i. The CHD shall not use or disclose any information concerning a recipient of services except as allowed by federal or state law or policy.

j. The CHD shall retain all client records, financial records, supporting documents, statistical records, and any other documents (including electronic storage media) pertinent to this contract for five years after termination of this contract. If an audit has been initiated and audit findings have not been resolved at the end of five years, the records shall be retained until the resolution of the audit findings.

k. The CHD shall maintain the confidentiality of all data, files, and records that are confidential under the law or are otherwise exempted from disclosure as a public record under Florida law. The CHD shall implement procedures to ensure the protection and confidentiality of all such records and shall comply with sections 384.29, 381.004, 392.65, and 456.057, Florida Statutes, and all other state and federal laws regarding confidentiality. l. The CHD shall abide by all State policies and procedures, which by this reference are incorporated herein as standards to be followed by the CHD.

m. The CHD shall establish a system through which applicants for services and current clients may present grievances over denial, modification, or termination of services. The CHD will advise applicants of the right to appeal a denial or exclusion from services, of failure to take account of a client's choice of service, and right to a fair hearing to the final governing authority of the CHD. Specific references to existing laws, rules, or program manuals are included in Attachment I of this contract.

- ii.* A written explanation to the County of service variances reflected in the year-end DE385L1 report if the variance exceeds or falls below 25 percent of the planned expenditure amount for the contract year. However, if the amount of the service-specific variance between actual and planned expenditures does not exceed three percent of the total planned expenditures for the level of service in which the type of service is included, a variance explanation is not required. A copy of the written explanation shall be sent to the State's Office of Budget and Revenue Management.

p. The dates for the submission of quarterly reports to the County shall be as follows unless the generation and distribution of reports are delayed due to circumstances beyond the CHD's control:

The County shall ensure insurance coverage for these vehicles is available through either a self-insurance program or insurance purchased by the County. All vehicles will be used solely for CHD operations. Vehicles purchased through the County Health Department Trust Fund shall be sold at fair market value when they are no longer needed by the CHD and the proceeds returned to the County Health Department Trust Fund.
