Resolution No. R-181-25

Subject: Resolution Approving the Issuance of Single Family Mortgage Revenue Bonds for the purpose of Section 147(f) of the Internal Revenue Code of 1986

Recommendation

As outlined in the attached memorandum from the Housing Finance Authority of Miami-Dade County (the "HFA"), the attached resolution approves the issuance by the HFA of its Single Family Mortgage Revenue Bonds ("Bonds") in an aggregate principal amount not to exceed \$650,000,000 as part of the Authority's single family mortgage loan program which is used to finance the purchase of single family residences to be occupied primarily by first time home buyers of low, moderate and middle income within Miami-Dade County.

Scope

The Housing Finance Authority of Miami-Dade County ("HFA") administers the Single-Family Homeownership Program through the issuance of mortgage revenue bonds. The program is governed by IRS Code and Chapter 159 of the Florida Statutes. The HFA is allocated bonding capacity each calendar year by the Florida Housing Finance Corporation which is used for single family and multifamily bonds.

The Single-Family Homeownership Program funds first mortgages at below market rates to low, moderate or middle-income households up to 115% of the area median income (AMI). In order to originate mortgages, the HFA partners with U.S. Bank approved lenders. The issuance of the Bonds will serve a need for such housing in Miami-Dade County.

Delegated Authority

There is no delegated authority for this HFA item.

Financial Impact/Funding Source

Neither the County nor the HFA has any liability with respect to the repayment of the Bonds. All costs associated with the issuance of the Single Family Mortgage Revenue Bonds from time to time, will be paid solely from bond proceeds and/or from HFA funds. The County has no obligation financial or otherwise with respect to such bonds.

Track Record/Monitoring

The Authority, through a contract with a loan servicer and a trustee, will monitor the loans.

Background

The HFA on December 30, 2024, held a public hearing to initiate an official action to consider the proposed issuance of its Home Ownership Mortgage Revenue Bonds (the "Bonds") as required under the Tax Equity and Fiscal Responsibility Act of 1982 ("TEFRA") and the Code. Since no one from the public objected, the Authority approved the issuance of the Bonds subject to their approval by the Board of County Commissioners as required by TEFRA and the Code. County Commission action accepting the findings of the public hearing is necessary in order for the Authority to provide affordable mortgages for low-, moderate, and middle-income families.
