RESOLUTION NO. R-296-25

RESOLUTION URGING THE FLORIDA LEGISLATURE TO AMEND SECTION 337.403, FLORIDA STATUTES, TO PROVIDE LOCAL GOVERNMENTS SUCH AS MIAMI-DADE COUNTY WITH ADDITIONAL ENFORCEMENT OPTIONS TO OBTAIN COMPLIANCE WITH UTILITY REMOVAL NOTICES, OR TO ENACT SIMILAR LEGISLATION CONSISTENT WITH THE ABOVE

WHEREAS, section 337.403(1), Florida Statutes, provides that a utility that is placed upon, under, over, or within the right-of-way limits of any public road or publicly owned rail corridor found by an authority such as Miami-Dade County (the “County”) to be unreasonably interfering in any way with the convenient, safe, or continuous use, or the maintenance, improvement, extension, or expansion of such public road or publicly owned rail corridor, the utility owner shall, with certain limited exceptions, “upon 30 days’ written notice to the utility or its agent by the authority, initiate the work necessary to alleviate the interference at its own expense”; and

WHEREAS, section 337.403(1) further provides that “the work must be completed within such reasonable time as stated in the notice or such time as agreed to by the authority and the utility owner”; and

WHEREAS, at present, utility companies either do not respond entirely to notices issued by the County pursuant to section 337.403(1), or are delaying their responses and attributing such delays to such utility companies’ workload; and

WHEREAS, while section 337.403(3) provides that where the utility owner fails to perform the work at its own expense within the time stated in the notice or other such time as agreed by the authority and the utility owner, the authority, such as the County, “shall proceed to cause the utility work to be performed . . . and such expense shall, except as provided in subsection (1), be charged against the owner . . . ,” challenges emerge, where for instance, the interfering utility is complex telecommunication facility, and as such, the County may either, (a) not possess the expertise to cause such work to be performed, or (b) being mindful of disruptions that could be caused to customers of a utility company, who are unknown to the County, believe it to be imprudent to cause such work to be performed without the cooperation of the same utility company that has ignored the County’s notices; and

WHEREAS, as such, as a practical matter, the County is frequently left with no real mechanism to require utility companies’ compliance, thereby sometimes introducing significant and unnecessary delay to critical County projects; and

WHEREAS, at the same time, such utility companies continue to apply to, and receive permits from, the County for non-County projects; and

WHEREAS, increasing the ability of authorities such as the County to enforce compliance with utility removal notices pursuant to section 337.403(1) would enable the County to implement projects more efficiently and expeditiously, which ultimately redounds to the benefit of the County’s many residents and visitors; and

WHEREAS, this Board wishes to urge the Florida Legislature to amend section 337.403, Florida Statutes to provide local governments such as the County with additional enforcement options to obtain compliance with utility removal notices issued pursuant to section 337.403(1) by, including but not necessarily limited to, authorizing the County to: (a) levy fines for a utility

company's non-compliance with notices to such utility company under section 337.403(1); (b) refrain from issuing additional permits to a utility company until such utility company is in full compliance with outstanding utility relocation notices to such company; and (c) remove or deactivate the interfering utilities, if after the expiration of an additional 90-days' written notice after the issuance of the initial 30-days' written notice now required by section 337.403(1), the owning utility company fails to comply,

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board:

Section 1. Urges the Florida Legislature to amend section 337.403, Florida Statutes to provide local governments such as the County with additional enforcement options to obtain compliance with utility removal notices issued pursuant to section 337.403(1) by, including but not necessarily limited to, authorizing the County to: (a) levy fines for a utility company's non-compliance with notices to such utility company under section 337.403(1); (b) refrain from issuing additional permits to such utility company until the utility company is in full compliance with outstanding utility relocation notices to such company; and (c) remove or deactivate the interfering utilities if, after the expiration of an additional 90-days' written notice after the issuance of the initial 30-days' written notice now required by section 337.403(1), the owning utility company fails to comply; or to enact similar legislation consistent with the above.

Section 2. Directs the Clerk of the Board to transmit certified copies of this resolution to the Governor, Senate President, House Speaker, and the Chair and remaining Members of the Miami-Dade State Legislative Delegation.

Section 3. Directs the County's state lobbyists to advocate for the actions described in section 1 above, and authorizes and directs the Office of Intergovernmental Affairs to amend the 2025 State Legislative Package to include this item.

The Prime Sponsor of the foregoing resolution is Commissioner Eileen Higgins. It was offered by Commissioner **Roberto J. Gonzalez** , who moved its adoption. The motion was seconded by Commissioner **Kionne L. McGhee** and upon being put to a vote, the vote was as follows:
