Memorandum

Date: May 20, 2025

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Transfer of Certificate of Public Convenience and Necessity No. M-17 from Nicklaus Children's Hospital to Rocky Mountain Holdings, LLC

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to approve the transfer of Certificate of Public Convenience and Necessity (COPCN) No. M-17 currently held by Nicklaus Children's Hospital to Rocky Mountain Holdings, LLC. The certificate currently authorizes the operation of one active air ambulance unit and one reserve air ambulance unit.

Recommendation

It is recommended that the Board approve the transfer of COPCN No. M-17 from Nicklaus Children's Hospital to Rocky Mountain Holdings, LLC.

Scope

The COPCN applies countywide, allowing the certificate holder to operate in unincorporated and incorporated areas of Miami-Dade County.

Delegation of Authority

There is no delegation of authority under this item.

Fiscal Impact/Funding Source

Licensing, operating, permit, and inspection fees are collected by the Miami-Dade County Department of Transportation and Public Works (DTPW) to support regulatory activities. There is a minimal impact to the County since the application involves the transfer of an existing certificate. The transfer application fee collected, as established by Implementing Order No. 4-136, was \$1,500.

Track Record/Monitor

This applicant will be a new certificate holder and comply with all requirements of the Code of Miami-Dade County. DTPW will be responsible for monitoring this company.

Background

Chapter 4, Article I of the Miami-Dade County Code (Code), which governs ambulances and medical transportation vehicles, requires Certificates of Public Convenience and Necessity to be approved by the Board. Section 4-4(g) provides that any change in the ownership structure of a Certificate Holder that results in a change or the possibility of change in control must also be approved by the Board. The transfer of a certificate requires that a public hearing be held. In reaching its determination, the Board shall consider the application, the County Mayor's report and recommendation, all matters presented at the public hearing and the following criteria:

- The financial ability of the applicant to provide the proposed services;
- The adequacy of the management plan;
- Any recommendations from municipalities;
- The benefits that will accrue to the public interest; and
- The community's need for the proposed service.

Nicklaus Children's Hospital has been providing air ambulance service in Miami-Dade County since 2001. The hospital is currently authorized to operate one active unit and one spare unit. In February 2025, Nicklaus Children's Hospital informed the County that it had entered into an agreement with Rocky Mountain Holdings, LLC for the operation of its air ambulance program. Under this agreement, COPCN No. M-17 is being transferred to Rocky Mountain Holdings, LLC. The medical crew will continue being staffed by Nicklaus Children's Hospital.

Rocky Mountain Holdings, LLC, headquartered at 5500 South Quebec Street, Greenwood Village, CO 80111, is a new Miami-Dade County certificate holder. Rocky Mountain Holdings, LLC is a wholly owned subsidiary of Air Methods, LLC which is the largest provider of air medical transport services in the United States, serving 48 states with 275 bases of operation. The company has the necessary financial strength to sustain its operations. In accordance with the Code, staff will monitor quarterly and annual fiscal and other statistical data on an ongoing basis.

The management plan submitted by the applicant details the business functions that will be conducted and managed, including employee/crew training, a mechanism to handle complaints, accidents, maintenance, communications and dispatch, maintenance of business records and a quality assurance program. The proposed service standards meet all the requirements of the Code and adequately meet transportation and comfort needs.

The public will benefit from the continued availability of a highly specialized, equipped and staffed air ambulance service operating in compliance with federal, state and County regulations.
