Subject: Request for Approval of a Non-competitive Designated Purchase for Additional Time
and Expenditure Authority for Section 8 Housing Voucher Services

Summary

This item requests approval for an extension of time and additional expenditure authority for the purchase of Section 8 Housing Voucher Services for the Department of Housing and Community Development (HCD), or successor department. The extension of one year and the additional expenditure authority will enable the department to continue administering and managing the Section 8 Housing Voucher Program. This vital federal program provides subsidies to families, veterans, the elderly, and disabled individuals, helping them secure affordable, safe, and sanitary housing in the private market.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve this request for a non-competitive designated purchase and Supplemental Agreement No. 10 under *Contract No. RFP-01132, Section 8 Housing Voucher Services*, by a two-thirds vote of the Board members present, pursuant to Section 2-8.1(b)(3) of the Miami-Dade County Code to extend the contract term by one year and authorize an increase in expenditure authority in the amount of \$37,650,877.00. This extension will provide sufficient time for HCD to finalize the replacement contract and present it to the Board.

Background

This competitively established contract was awarded to Nan McKay & Associates, Inc. (NMA) on November 19, 2019, by the Board via Resolution No. R-1221-19 in the amount of \$45,764,410.00 for an initial two-year term, with three one-year options to renew. The Board authorized the options to renew via Resolution No. R-1157-21, bringing the cumulative allocation to \$51,614,410.00. The contract was also modified under Resolution No. R-104-21 to accommodate the COVID-19 Emergency Rental Assistance Program (ERAP). The contract is currently in its final term.

HCD utilizes this contract to purchase services that are essential for administering and managing the Section 8 Housing Choice Voucher Program. Additional time and expenditure authority are needed to support the department's ongoing responsibilities.

The services provided under this contract include intake, case management, family self-sufficiency services, and inspections. NMA manages and operates the voucher program's waiting list, provides intake and new admissions services, and conducts ongoing tenant services, such as annual and interim re-examinations to maintain tenant participation in the program.

The United States Department of Housing and Urban Development (HUD) grants funding to Miami-Dade County through HCD for housing assistance under various programs. These include the Housing Choice Voucher, Mainstream, and Emergency Housing Voucher programs. The County offers income-based subsidies for affordable, safe, and sanitary housing to eligible families, veterans, the elderly, and disabled individuals. Funding amounts and adjustments are determined annually by HUD based on appropriations and the number of units leased by the County.

NMA receives 72.34 percent of the administrative fee allocation HCD receives from HUD for these program services. HCD worked closely with the Strategic Procurement Department (SPD) to prepare and issue a replacement solicitation in March 2025. However, additional time was necessary to prepare this solicitation due to the significant resources involved in managing and administering the ERAP, as well as the decision to transition to a more complex, performance-based contract. This new contract structure will enhance performance outcomes and improve monitoring and compliance across the program. The transition is critical for the long-term success of the program, ensuring better service delivery to vulnerable populations while maintaining transparency and accountability. Accordingly, it is in the County's best interest to approve this designated purchase pursuant to Section 2-8.1(b)(3) of the Code to allow for advertisement of the solicitation and award of a replacement contract.

Scope

The impact of this item is countywide in nature.

Delegated Authority

The County Mayor or the County Mayor's designee will have the authority to execute Supplemental Agreement No. 10 and exercise all provisions of the contract, pursuant to Section 2-8.1 of the County Code and Implementing Order 3-38.

Fiscal Impact/Funding Source

The contract expires on June 30, 2025 and has a current cumulative allocation of \$97,530,990.00. If this request is approved, the contract will have a modified cumulative allocation of \$135,181,867.00 and will expire on June 30, 2026. The requested amount is based on an analysis of the anticipated number of units to be leased during the extension period and the projected funding to be received by HUD, which is adjusted annually.

Department	Existing Cumulative Allocation	Additional Allocation Requested	Modified Cumulative Allocation	Funding Source	Contract Manager
PHCD, or successor department	\$97,530,990.00	\$37,650,877.00	\$135,181,867.00	Federal Funds	Crystal Coleman
Total	\$97,530,990.00	\$37,650,877.00	\$135,181,867.00
