Memorandum

Date: May 20, 2025

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Resolution Authorizing the County Mayor or the County Mayor's Designee to Issue New County Stevedore Licenses to Robert Van Leeuwen, Francois Du Boucheron, Gerardus Van Den Heuvel, Fred Castonguay and Michelle Porter

Executive Summary

The purpose of this item is to gain authorization by the Board of County Commissioners (Board) to issue new Miami-Dade County stevedoring licenses to Robert Van Leeuwen, Francois Du Boucheron, Gerardus Van Den Heuvel, Fred Castonguay and Michelle Porter.

PortMiami, among America's busiest ports, is recognized throughout the world as the Cruise Capital of the World and the Cargo Gateway of the Americas. PortMiami contributes more than \$61 billion annually to Miami-Dade County and generates 340,078 direct, indirect, and induced jobs. To service the stevedoring needs of the Port's cruise and cargo line partners, PortMiami issues a limited number of stevedoring permits each year, based on an annual assessment of needs.

Recommendation

It is recommended that the Board of County Commissioners (Board) approve the accompanying resolution authorizing the County Mayor or the County Mayor's designee to issue a new Miami-Dade County stevedoring license to Robert Van Leeuwen, Francois Du Boucheron, Gerardus Van Den Heuvel, Fred Castonguay and Michelle Porter pursuant to Chapter 28A, Section 28A-6 of the Code of Miami-Dade County.

Delegated Authority

In accordance with Section 2-8.3 of the Code of Miami-Dade County requiring disclosure of delegations of Board authority contained in the body of contracts recommended for competitive award, this item contains no such delegations.

Scope

PortMiami is located within District 5, which is represented by Commissioner Eileen Higgins. The impact of this agenda item is countywide as PortMiami (Port) is a regional asset and generates employment for residents throughout Miami-Dade County.

Fiscal Impact/Funding Source

This proposed resolution will have no fiscal impact on PortMiami.

Track Record/Monitor

The Port staff members responsible for monitoring compliance with terms of license are Hydi Webb, Port Director, and Frederick P. Wong Jr., Deputy Port Director.

Background

Chapter 28-A, Section 28A-6, of the Miami-Dade County Code, mandates that applications for new County stevedore licenses be presented to the Board by the Mayor, after examination of the qualifications of the applicants by the Seaport Director, and after completion of a background investigation by the Miami-Dade Sheriff's Office. Staff has reviewed the qualifications of the applicants for issuance of a new County stevedore license and determined that Robert Van Leeuwen, Francois Du Boucheron, Gerardus Van Den Heuvel, Fred Castonguay and Michelle Porter are qualified in accordance with Code licensure requirements of Chapter 28A, Section 28A-6 of the Code. An investigation of the applicants by the Miami-Dade Sheriff Department has revealed no record of criminal activity as outlined in Chapter 28-A of the Code. The applicants have also provided the mandatory bond (attached).

As staff has determined that applicable licensure requirements have been met, it is recommended that the Board approve the issuance of a new County stevedore license to applicants Robert Van Leeuwen, Francois Du Boucheron, Gerardus Van Den Heuvel, Fred Castonguay and Michelle Porter.
