Subject: Resolution Authorizing the Acquisition of a 323,591 Square Foot Property Located East of Miami International Airport

Executive Summary

MIA continues to be the fastest-growing mega airport countrywide since the world-wide COVID pandemic. To keep pace with this tremendous growth, the Miami-Dade Aviation Department (MDAD or Aviation Department) has embarked on a \$9 billion modernization and capital improvement program that will expand and renovate terminals, concourses, ramps, runways, hotels, parking structures, moving conveyances and restrooms at Miami International Airport (MIA) and the General Aviation Airports (GAA). Just as important, MDAD is proactively purchasing land to facilitate the implementation of its capital improvement portfolio. The land will be used for any compatible use that meets MIA's demand for air travel and air cargo or for operational purposes.

This item is recommending that the County enter into a Contract for Sale and Purchase with TCG PL33, LLC (Seller) for the purchase of Folio Number 30-3128-023-0010 and adjacent land that was conveyed through road closing Resolution No. R-546-99, which is more fully described in Exhibit A as attached to the Contract for Sale and Purchase. The property is located east of Miami International Airport (MIA) at 2301 NW 33rd Ave, Miami FL 33142 and totals approximately 323,591 square feet (SF) or 7.4 acres of property with improvements, the largest building of which is 26,372 SF. This property is being acquired for the negotiated price of \$54,000,000.00 plus closing costs not to exceed \$130,000.00.

The effectiveness of this Contract for Sale and Purchase is contingent upon approval from the Board of County Commissioners (Board), the Federal Aviation Administration, and the Majority In Interest (MII) of Airlines approval as per Article 6(C) of the Airline Use Agreement delineated in Resolution No. R-769-18, which states that if the Majority In Interest carriers at MIA disapprove of the use of capital funds for the purchase of this property, this Contract for Sale and Purchase shall be voidable in the sole discretion of the County.

Recommendation

It is recommended that the Board approve the attached resolution authorizing the approval and execution of the attached Contract for Sale and Purchase between the County and the Seller. Board endorsement of this Resolution allows the County to acquire approximately 323,591 SF of land with existing improvements located east of MIA. More specifically, the Resolution does the following:

- Authorizes the acquisition of the property (Folio Number 30-3128-023-0010) including approximately 323,591 SF of land (or 7.4 acres) with existing improvements located east of MIA, and;
- Authorizes the County Mayor or County Mayor's designee to execute a willing buyer/willing seller Contract for Sale and Purchase (Attachment No. 1 to the Resolution) between the County and the Seller in the amount of \$54,000,000.00 with closing costs not to exceed \$130,000.00, and;

- Authorizes the only existing lease (month-to-month) to Sistemas R&P, LLC (which expired on January 31, 2024) as a hold over tenant to be assigned to MDAD and executed upon closing, as depicted in Exhibit D to the Contract for Sale and Purchase.

Scope

The property being purchased by the County, which is approximately +/-7.4 acres or 323,591 SF is in District 6. However, the impact of this item is countywide as this property will become a part of MIA's footprint, which is a regional asset.

Delegation of Authority

The County Mayor or County Mayor's designee is authorized to execute the attached Contract for Sale and Purchase with the Seller and to exercise all rights conferred therein.

Fiscal Impact/Funding Source

There is a fiscal impact on the County. Through the Aviation Department, the County shall pay the Seller \$54,000,000.00, with closing costs not to exceed \$130,000.00 to purchase real property consisting of approximately 323,591 square feet (+/- 7.429 acres) located east of MIA. Two state-certified appraisers hired by the County appraised the property. The property was valued at \$63,000,000.00 by The Cornerstone Group of South Florida on March 18, 2025, followed by a second appraisal dated March 24, 2025, by CBRE for \$54,000,000.00. Both parties negotiated a final purchase price of \$54,000,000.00, which is less than the average of the two appraisals - \$58,000,000.00.

The funding source for this purchase is future Aviation Revenue Bonds, Project No. 2000001655 - Land Acquisition Subprogram, as programmed in the Fiscal Year (FY) 2024-2025 Adopted Budget and Multi-Year Capital Plan, page 189.

Track Record/Monitor

MDAD's Division Director of Real Estate Management and Development, Michèle Raymond, will monitor the implementation of the Contract for Sale and Purchase with the Sellers.

Background

Upon execution of the attached Contract for Sale and Purchase between the County and the Seller in the amount of \$54,000,000.00, the Seller will execute a Warranty Deed for the property and the County will acquire this property.

The Seller will assign the only existing lease (month-to-month) on the premises to Sistemas R & P, LLC to MDAD upon closing, which would be the earlier of 30 days after the effective date of this Contract for Sale and Purchase as approved by the Board, or June 30, 2025, unless otherwise extended in writing by both the County and Seller in their sole discretion. The Seller is required to issue a proper notice of termination to Sistemas R & P, LLC at least one day prior to closing and shall provide a termination date that is effective 60 days from the closing. Rent for the month in which the closing occurs shall be prorated as of the day prior to the closing (to the extent paid) and the security deposit paid under such lease shall be credited to the County at the closing, as appropriate.

The purchase price of \$54,000,000.00 includes all existing demolition and development plans within the

Seller's possession or control. The Contract for Sale and Purchase provides for the property to be sold in as-is condition without the Seller having any obligation to clean-up, remediate, repair or remedy any conditions discovered by MDAD and allows for a sixty (60) day inspection period after the Seller's execution of the agreement. Except for mortgages executed by the Seller, the Seller has no obligation to cure title defects prior to closing and MDAD can elect not to close or accept the title defects and proceed to closing. Furthermore, all risk of loss to the property shall be borne by Seller until the transfer of title. In the event of any loss or damage to the property, the County has the option, on or before closing, to terminate this Contract for Sale and Purchase to the extent the Seller has not restored the property, or the County may elect to proceed without any reduction in the purchase price or assignment of any of the Seller's insurance proceeds.

However, in no event shall a mechanic's lien as a result of Buyer's action or inaction be cause for Seller's cancellation or termination of this Contract. Subject to the limitations and requirements of 768.28 Fla. Stat, Buyer hereby agrees to indemnify, protect and hold harmless Seller from and against any and all claims, demands, losses, costs and damage to the Property caused by or through any inspections performed by or through Buyer. 28. ADDITIONAL MATTERS. Notwithstanding anything in this Contract to the contrary:

(a) Tenancies.

- (i) Rent paid under the lease described on **Exhibit D** for the month in which closing occurs hereunder, shall be prorated as of the day prior to the closing (to the extent paid) and the security deposit paid under such lease that has not been applied by Seller pursuant to the terms thereof shall be credited to Buyer at the closing.
- (ii) Prior to and as a condition of Closing, Seller will deliver to Buyer copies of notices of termination to all existing Lessees or Sublessees on the Premises, such notices to have been sent to Lessees or Sublessees at least one day prior to closing, and which shall provide that termination is effective 60 days from the closing. At the closing, Seller and Buyer shall execute and deliver an assignment and assumption of the lease described in **Exhibit D** in form and substance reasonably acceptable to both parties and Buyer shall accept possession of the Property, subject to such tenancy, at the Closing.

(b) Title. Except for mortgages executed by Seller that encumber the Property, which Seller shall be obligated to discharge on or before Closing, in no event shall Seller be deemed to have any obligation to cure any title objections given under Section 6 of this Contract or otherwise. In furtherance of the foregoing, to the extent that there are title defects as to which Buyer has timely objected under Section 6 and Buyer nevertheless elects to close subject to such defects pursuant to the terms of Section 6, then it shall do so without reduction in the Purchase Price and shall accept title in its "as is" condition with respect thereto. Buyer shall have no right to extend the closing to the extent that any title objections remain uncured on the date of the closing.

(c) Inspections.

- (i) In no event shall Seller be deemed to have any obligation to clean-up or otherwise remediate any Hazardous Materials that Buyer discovers during its inspections of the Property under Section 7(a) above.
- (ii) In no event shall Seller be deemed to have any obligation to (x) repair or

remedy any conditions that Buyer discovers during its inspections of the Property under Section 7(b) above, or (y) obtain a 40-year certification for the Property, including, without limitation, the structures thereon.

- (d) Seller's and Buyer's remedies set forth in Section 17 of the Contract with respect to a default by other party hereto, shall be such other party's sole and exclusive remedies (with all other remedies being waived thereby).
- (e) **AS IS" PURCHASE.** Notwithstanding anything in this Contract, it is expressly understood and agreed that Buyer is acquiring the Property "AS IS", "WHERE IS" and "WITH ALL FAULTS", that Buyer is relying upon its inspections and all other evaluations of the Property or information pertaining thereto performed or made during the inspection period or otherwise, and that Seller has not made and does not and will not make any representations or warranties, express or implied, including any with respect to the quality, physical condition, expenses, legal status, title, zoning, value, utility or potential of the Property, the presence of Hazardous Materials on the Property or any other matter or thing affecting or relating to the Property or this Contract (including, without limitation, warranties of merchantability and or fitness for a particular purpose) which might be pertinent in considering whether to purchase the Property or to make and enter into this Contract, and Buyer hereby acknowledges that Seller has not made, and Buyer has not relied upon, any such representations. Seller is not liable or bound in any manner by any warranties, either expressed or implied, guaranties, or any promises, statements, representations or information pertaining to the Property or the value thereof made or furnished by any broker or any real estate agent employee, servant or other person representing or purporting to represent Seller. In addition, Seller is not obligated to cure any matters or defects that Buyer discovers with respect to the Property or to otherwise reduce the purchase price with respect to any such matters. All references in this Section to "Seller" shall be deemed to include Seller's affiliates, parents, members, representatives, contractors, agents and employees.
- (f) **RADON GAS.** Radon is a naturally occurring radioactive gas that, when it has accumulated in the building in sufficient quantities, may present health risks to persons who are exposed to it over time. Levels of radon that exceed Federal and State guidelines have been found in buildings in Florida. Additional information regarding radon and radon testing may be obtained from your County Public Health Unit.
