Memorandum

Date: May 6, 2025

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor 

Subject: Resolution Approving the Miami-Dade County's Department of Housing and Community Development's Significant Amendment to the Annual Public Housing Agency Plan for Fiscal Year 2024-2025, Annual Public Housing Agency Plan for Fiscal Year 2025-2026, Admission and Continued Occupancy Policy, and Section 8 Administrative Policy

Executive Summary

Section 511 of the Quality Housing and Work Responsibility Act (QHWRA) of 1998 established the requirement that each public housing agency must have and submit to the United States Department of Housing and Urban Development (HUD) its annual plan and any amendment thereto. The plan is a comprehensive guide to the policies, programs, operations, and strategies for meeting local housing needs and goals. It covers the following federal programs: Public Housing, Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation programs, project-based vouchers and other Special Vouchers administered by the County's Department of Housing and Community Development (Department). The significant amendment to the Public Housing Agency Annual Plan for Fiscal Year 2024-2025 (amended plan) includes a revision on the Department's intent to participate in HUD's Restore-Rebuild initiative, formerly known as Faircloth-to-Rental Assistance Demonstration (RAD), to acquire and/or construct new public housing units, receive new federal Capital and Operating funds for those units, and subsequently convert the units and funding to the RAD Section 8 platform in a streamlined process known as Restore-Rebuild RAD conversion. While some units developed under Restore-Rebuild may be located on County-owned land, others will be in developments for which the County has no other involvement other than providing rental subsidy. Accordingly, the amended plan is being amended to authorize the County Mayor or County Mayor's designee to provide subsidy to these Restore-Rebuild projects.

Additionally, the Public Housing Agency Annual Plan (plan) for Fiscal Year 2025-2026 includes revisions to comply with HUD PIH Notice 2024-40, which streamlines the processing of RAD/Section 18-Blend transactions. The plan also includes the addition of an admission preference for homeless individuals, and the implementation of available streamlined waivers to expedite admissions for persons experiencing homelessness upon receipt of approval from HUD.

The Department's Section 8 Administrative Plan (administrative plan) and the Admission and Continued Occupancy Policy (ACOP) establish written strategies and policies to manage federally subsidized programs in accordance with HUD's regulations and other matters not specifically covered under the United States Housing Act of 1937 and HUD regulations. The HUD regulations that govern these programs are documented in Title 24 of the Code of Federal Regulations (CFR). The approval of the administrative plan and ACOP is required to implement new policies and procedures for programs such as Housing Opportunity Through Modernization Act of 2016

(HOTMA): Implementing Sections 102 (income), 103 (over income), 104 (assets) as detailed in HUD PIH Notice 2024-38 with an implementation deadline of July 1, 2025.

Recommendation

It is recommended that the Board of County Commissioners (Board):

1. Approve, after a public hearing, the amended plan, plan, administrative plan and ACOP;
2. Authorize the County Mayor or County Mayor's designee to submit the amended plan and plan to HUD for final approval no later than June 6, 2025;
3. Authorize the County Mayor or County Mayor's designee to make any necessary revisions to the amended plan and plan subject to the limitations of the plan's "Significant Amendment and Substantial Deviation" definition, or as may be required by regulatory, statutory, court order or safety and security issues without further approval of the Board;
4. Authorize the County Mayor or County Mayor's designee to submit mixed-finance development proposals and RAD documents to HUD for approval in connection with the Restore-Rebuild developments;
5. Authorize the County Mayor or County Mayor's designee to execute public housing and RAD documents in connection with the Restore-Rebuild developments and to provide subsidy for these developments; and
6. Authorize the County Mayor or County Mayor's designee to exercise and enforce the provisions set forth in the administrative plan and ACOP.

Scope

The amended plan and plan apply only to the Public Housing and Section 8 programs; the administrative plan applies only to Section 8 programs; and the ACOP applies only to the Public Housing program. These programs are administered by the Department and do not cover programs administered by other housing authorities in the County such as those in the cities of Hialeah, Miami Beach, and Homestead. However, the impact of the amended plan, plan, administrative plan and ACOP are countywide.

Delegation of Authority

Upon approval of the resolution the County Mayor or County Mayor's designee will be authorized to: (1) submit the amended plan and plan to HUD; (2) make any necessary revisions to the amended plan and plan subject to the limitations of the annual plan's "Significant Amendment and Substantial Deviation" definition, or as may be required by regulations, statutes, court orders or safety and security issues without further approval of the Board; (3) submit mixed-finance development proposals and RAD documents to HUD for approval in connection with the Restore-Rebuild developments; (4) execute public housing and RAD documents in connection with the Restore-Rebuild developments and to provide subsidy to these developments; and (5) exercise and enforce the provisions set forth in the administrative plan and ACOP.

Fiscal Impact/Funding Source

The amended plan and plan include a listing of the Department's financial resources and planned uses for the support of federal Public Housing and Section 8 programs for Fiscal Years 2024-2025 and 2025-2026. However, the approval of this item will not result in a fiscal impact to the County.

Track Record/Monitor

Alex R. Ballina, Department Director, is responsible for administering the federally subsidized housing programs Public Housing and the Section 8 programs.

COMMENTS ON MDHCD DRAFT DOCUMENTS

Legal Services of Greater Miami Inc., (Legal Services) is pleased to submit comments to Miami Dade Housing and Community Development (HCD) on the documents open for review.

COMMENTS ON THE ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Legal Services notes that with respect to the referenced page numbers of the draft ACOP it is using the 131 page redline draft version provided by HCD.

1. HCD must take affirmative steps to ensure that private managers operating RAD or public housing properties are fully trained on and complying with the rules governing the applicable programs.

Section IH of the ACOP, on pages 15 and 16, addresses mixed finance development. Legal Services has encountered tenants who have become frustrated by private entities which now manage their tenancies. This frustration is shared by current public housing residents as well as former public housing residents who now live in a RAD property. The frustration stems from the fact that private managers governing these properties are unfamiliar with and untrained on the rules governing RAD or public housing.

One specific example in the public housing context is managers who are unfamiliar with the grievance process and do not advise tenants of the right to a grievance hearing when they send the tenant a notice to pay rent or vacate in clear violation of public housing law.

In the RAD context, examples include managers who lack a basic understanding of how Project-Based Vouchers (PBV) work. Also, some managers have been unable to explain the RAD process. For instance, some public housing residents who have had to be relocated due to renovations have been told they will have to reapply to live in the newly converted RAD building.

To address this, HCD must require the developers to improve training for the private managers of these properties and must ensure compliance and accountability when the rules are not followed. Additionally, more oversight by HCD will ensure the management companies comply with the law. In a recent meeting Legal Services had with HCD, HCD was unable to clarify whether training related to public and subsidized housing was required for private staff administering these programs. This should be a requirement.

Additionally, we have seen systemic non-compliance with RAD rules. For example, eviction complaints being filed include leases and notices that do not mention the right to a grievance hearing. This is a clear violation of RAD rules. HCD must be doing more to ensure compliance by private management.

Finally, tenants report high turnover of management staff at these properties. HCD should require developers to have a plan to maintain a stable and fully trained workforce at these properties. None of the issues identified above will be resolved if the management office is a revolving door of new staff members.

2. Applicants on the waiting list should be able to reject an offer if there is good cause.

Section II(C)(5)(f), on page 21 of the ACOP, states that if the applicant refuses an offer they will be removed from the waiting list. This should be clarified to ensure that if there is good cause to refuse an offer, such as when the unit does not meet the applicant's disability needs, then the applicant will be offered a different unit and will not be removed from the waiting list.

3. Informal reviews should be based on the evidence presented at the review.

Pages 21 and 22 discuss informal reviews for denied applicants. The ACOP should state that written decisions to uphold a denial should be based on the evidence presented at the review and state the specific reasons for the denial. Further, HCD should not conduct reviews over the phone since they do not give the applicant a meaningful opportunity to examine documents or present documentation to support their position.

4. HCD should clarify the policy for removal of family members from the family composition.

Page 30 addresses removing family members from the family composition. It states that to remove a family member there must be a notarized statement from the family member agreeing to the removal along with two pieces of supporting documentation.

Legal Services frequently encounters instances where family members move out and are no longer on speaking terms with the remaining family. The remaining family is therefore unable to provide the requested documentation. This can lead to eviction because, if a family cannot remove the family member, it will cause problems during recertification.

The ACOP does state that if the family cannot provide this paperwork, the family can provide a written statement explaining why the statement cannot be provided. The ACOP should clarify that if this statement gives a valid reason as to why the documentation cannot be provided and HCD has no reason to dispute the facts asserted in the statement then the absent family member will be removed from the household composition and the family will not face adverse actions resulting from the absence of the family member.

5. HCD should allow public housing tenants in need of transfer to transfer to a PBV unit.

Due to RAD, public housing units are becoming less available in Miami Dade County. HCD's website states that it manages more than 9,000 public housing units. When Legal Services met with HCD in July of 2024 they stated that 2,400 of those units are no longer public housing and converted through either RAD or Section 18 conversion. That number has almost certainly increased since then. This means that public housing tenants who need to transfer due to

conditions or family size are confronting a dwindling number of available units. This problem will only get worse as more properties convert to RAD. This raises serious fair housing concerns if a public housing resident needs a reasonable accommodation to transfer due to their disability but cannot obtain a workable unit. HCD already allows vacant PBV units converted through RAD to be filled through “owner referrals”. Further, HCD acknowledges that tenants being transferred due to a reasonable accommodation can be transferred between its different federally administered programs. (See pages 25 and 26 of the ACOP) HCD should allow public housing tenants to transfer to PBV units if public housing units are not available.

6. HCD should use its discretion when deciding to deny a live in aide and weigh the alleged misconduct of the potential aide against the needs of the disabled tenant.

Section 2(n) of the ACOP, on pages 32 and 33, lists the reasons why a potential live-in-aide can be denied. Often, elderly disabled tenants who need someone to live with them as a live in aide have no one available to serve as a live in aide. Tenants are fortunate if there is even one family member willing and able to be a live in aide. If one family member is denied due to a past mistake it could cause the disabled tenant to be unable to live in their subsidized unit. HCD should clarify that it will use its discretion and weigh the alleged past acts of the potential aide against the harm done to the disabled tenant if they are unable to have anyone live with them due to the denial. There should also be a look back period of only 5 years for acts which disqualify someone from being a live-in-aide.

7. HCD must comply with the federal regulations with respect to when a tenancy can be terminated for criminal activity.

The regulations governing public housing address when a tenancy can be terminated for criminal activity. Specifically, 24 CFR 966.4(f)(12) and 960.203 outline what criminal activity can serve as a basis for a tenancy termination or application denial. These specific types of criminal activity are drug related criminal activity and criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by residents. Section 4(h) on page 51, as well as pages 107 and 108, of the ACOP deviate from these regulations by including violent criminal activity alone as a basis for denial and termination. This does not comply with the regulations. HCD must correct its ACOP to ensure it is in line with the regulations governing public housing.

8. HCD should enter into payment plans that conform with HCD’s Standards of Repayment Agreements whenever possible to preserve a family’s housing.

On page 62 of the draft ACOP, it states:

If it is in the best interest of HCD, HCD has the discretion to enter into repayment agreements with residents for amounts owed to HCD. If the resident intentionally incurred debt (i.e., rent back charge due to unreported income), the repayment agreement may be considered only under special circumstances upon approval of division director or designee. All repayment agreements must comply with the

following requirements:

Then, on page 62 and 63 of the draft ACOP, the Standards for Repayment Agreements are listed with predetermined terms of repayment plans based on the amount of debt the tenant has incurred.

Language should be added to make clear that both publicly managed and privately managed public housing properties should endeavor to enter into repayment plans before filing an eviction action against the tenant based on nonpayment of rent. Further, the repayment plans should generally conform with HCD's Standards of Repayment Agreements and not include attorney's fees and costs. However, the landlord should have the discretion to allow payment plans with more time to pay if it will help a family stay in their home with HCD receiving the funds owing.

Legal Services has tracked public housing evictions filed for non-payment of rent. Our data on the repayment plans offered in nonpayment evictions from privately managed public housing properties indicate that no payment plans were entered into before nonpayment evictions were filed. In privately managed units, payment plans were entered in only about 26% of nonpayment eviction lawsuits. In the few cases where payment plans were offered after the eviction was filed, even fewer conformed with HCD's Standards of Repayment Agreements. Many repayment agreements required the tenant to pay attorney's fees and costs. Most debts were for totals less than \$2,500. At least 3 evictions were filed based on debts totaling less than \$100. For example, one eviction was filed for a debt of just \$27.

HCD should seek to displace low-income families only as a last resort. Payment plans that keep families in their housing should not be limited to "special circumstances". Indeed, Section 16 of PIH Notice 2018-18, entitled *Administrative Guidance for Effective and Mandated Use of the Enterprise Income Verification (EIV) System* addresses PHA's entering into repayment agreements and makes no mention of limiting these agreements to "special circumstances".

Filing and litigating a nonpayment eviction incurs expenses to the County and property management and delays resolution of the case. Additionally, it increases the risk that a family which is able and willing to pay the funds due, if given enough time, will be evicted because they do not know how to proceed in court. These costs and risks are avoidable and especially unnecessary where unpaid debts can be resolved before filing an eviction lawsuit by entering into a repayment agreement.

The ACOP should reinforce the objective of keeping families in their home by stating that, "It is in the best interest of HCD to enter into repayment agreements with residents for the amounts owed to HCD. Property management at both publicly managed and privately managed public housing properties must always endeavor to enter into a repayment agreement rather than evict and displace the family."

9. HCD should advise tenants of their right to request a hardship exemption from the flat rent.

Page 106 of the ACOP states that families can switch from a flat rent to an income-based rent if there is a hardship. Under federal law, tenants can request a hardship exemption. However, many

residents may not be aware of their ability to make this request. HCD should make clear that it will affirmatively advise residents of their right to request a change of rent based on hardship. This will prevent residents with little or no income from being evicted for extremely small amounts of rent.

PHA's have been sued for the failure to adequately advise public housing residents of their right to seek a hardship exemption. For instance, the Chicago Housing Authority (CHA) settled a case after low-income housing residents successfully sued CHA for failure to properly advise the residents of the hardship exemption. The case is *Oliver et al. v. Chicago Housing Authority* in the US District Court for the Northern District of Illinois.¹

Advising residents of the ability to request change in rent based on hardship is in the best interest of the PHA and residents and HCD policies should require this.

10. HCD must change its ACOP to make it consistent with Federal Law which states that notices must now be 30 days.

Page 110 of the ACOP states that "HCD shall give a 7-day notice of termination for serious violations of the Lease."

The federal Coronavirus Aid, Relief, and Economic Security Act (CARES Act), took effect on March 27, 2020, and imposed a partial residential eviction moratorium that restricted lessors of "covered properties" from filing new eviction lawsuits for non-payment of rent or other charges. The CARES Act also prohibited "fees, penalties, or other charges to the tenant related to such nonpayment of rent," and states that the lessor of a covered property could not require a tenant to vacate except on 30 days' notice—which notice could not be given until the original moratorium period expired.

The initial 120-day moratorium period was never extended and expired on July 24, 2020. (*See* 15 U.S.C. § 9058(b)). However, the 30-day CARES Act notice requirement did not expire and remains in effect. (*See* 15 U.S.C. § 9058(c)). Some courts that have ruled on this issue have found that the notice requirement of the CARES Act is still in effect. *Arvada Village Grdens LP, v. Garate* 529 P.3d 105 (Colo. 2023). While some argue this rule only applies to non-payment cases, the plain language of the statute demonstrates that this requirement applies to all tenancy terminations.

Under the CARES Act, a "covered property" includes any property that is covered by the Violence Against Women Act. *See* 15 U.S.C. § 9058(a)(2). As such, there is no question that public housing as well as properties which convert through the RAD process are covered under the CARES Act.

¹ Further information about the case can be found here:

<https://nlihc.org/resource/national-housing-law-project-announces-settlement-regarding-chicago-phas-minimum-rent>

Accordingly, HCD is still required to serve 30-day notices to pay rent or vacate under the CARES Act.

Not only is a 30-day notice required by law, but it also serves the interests of both the landlord and the tenant and may lead to fewer eviction filings. Based on the foregoing, HCD should make clear in all of its policies that a 30-day notice is required to terminate a tenancy for public housing tenancies.

11. HCD must ensure it is complying consistently with its own grievance rules.

In 2024, HCD changed its grievance procedure to allow for 10 working days to request a grievance. (*See* page 114 of the ACOP). However, section GI on page 116 still refers to a five-day requirement. This must be corrected in order to be consistent with the rest of the ACOP. Additionally, HCD should ensure it is complying with this 10-day requirement in its procedures and notices.

12. HCD should clarify that Grievance Hearing Decisions should be based on the preponderance of evidence.

Page 118 discusses grievance hearings decisions. This section should clarify that the decision should explain what evidence was presented at the hearing and the decision can only be based on what was presented at the hearing. Further, HCD should clarify that in the case of tenancy terminations, HCD has the burden to prove that the tenancy should be terminated based on the preponderance of the evidence.

COMMENTS ON THE HOTMA PROVISIONS: APPENDIX VI OF THE ADMISSIONS AND CONTINUED OCCUPANCY POLICY

Legal Services notes that with respect to the referenced page numbers of the draft HOTMA ACOP provisions it is using the 21 page redline draft version provided by HCD.

13. HCD should not require a unit to be located outside of Florida in order to be considered unsuitable for occupancy.

Page 4 of the new HOTMA provision addresses limits on assets and states that a home will not be included in the assets if it is unsuitable for occupancy which has been defined as “geographically located so as to be a hardship for the family (e.g., the distance in commuting time between the property and the family’s place of work or school...”. HCD now proposes to add a requirement that it must be “outside of the state of Florida” for it to be excluded. Given the size of Florida, Legal Services opposes this change since homes could still be unsuitable for public housing residents living in Miami if a home is located in central or northern Florida.

14. HCD should conduct an interim reexamination if the rent decreases prior to an annual reexamination.

Legal Services opposes a ten percent threshold for the processing of the interim rent changes if the income decreases as described on pages 18 and 19. Legal Services is concerned that this will cause financial hardship for families that lose their income. For example, if a family

member were to have their hours reduced and saw the income go from \$3,500 to \$3,200 the rent would go down by approximately \$100 per month -- a significant amount of money for a low-income family with minor children. However, if the rent is only adjusted in the interim when there is a change of ten percent or more, then the rent would not be adjusted at all until the annual reexamination. This could create financial hardship for some families and lead to increased evictions.

COMMENTS ON THE ANNUAL PLAN

15. Legal Services encourages HCD to voluntarily complete the Assessment of Fair Housing (AFH).

HCD should provide a statement of the strategies and actions it plans to take to achieve fair housing goals outlined in an accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5). While this rule was subsequently rescinded, Legal Services urges HCD to voluntarily follow this process.

Legal Services has received complaints from numerous clients who allege some form of housing discrimination. To ensure accountability in its efforts to affirmatively further fair housing, HCD should fill in the chart found in the proposed Plan. This chart is presently left blank. (See page 5 of 9 of the Annual Plan). In completing this process HCD should include specific plans to address local fair housing issues. To do so, it should solicit public comment about fair housing problems in Miami Dade County and consult with fair housing groups and other entities.

. COMMENTS ON THE ADMINISTRATIVE PLAN

Legal Services notes that with respect to the referenced page numbers of the draft Administrative Plan it is using the 209 page redline draft version provided by HCD.

16. Legal Services encourages HCD to be flexible in granting Voucher Extensions for Section 8 participants who have had difficulty leasing up. Further, HCD should provide for a hearing to contest the denial of a voucher extension.

Legal Services has previously commented on the difficulty of tenants being able to locate units that both fit within the Section 8 payment standard and are able to pass inspections. Legal Services is pleased that recent changes in the Administrative Plan, including an expansion of the time tenants have to locate a unit, will address some of these concerns.

In addition to the very challenging rental market, many section 8 participants are elderly, have limited access to transportation, and have other challenges unique to low-income residents of Miami-Dade County. Because of these barriers, it often takes them longer to locate potential housing.

We have seen instances where section 8 participants lost their voucher to expiration even after finding landlords who agreed to rent a unit. In those instances, landlords submitted the RFTA (Request for Tenancy Approval) forms and set up an inspection over the course of several weeks, only to back out of the HAP contract at the last minute. When this happens, participants are

sometimes left with no time to find and submit a unit with a new landlord through no fault of their own. Because of this recurring situation, Legal Services encourages HCD to eliminate the requirement that all requests for extension be made at least one week prior to expiration. (See section 4.4 on page 48 of the draft Administrative Plan).

Additionally, as mentioned above, families who have been part of the section 8 program for years and lose their subsidy due to expiration are not entitled to an administrative hearing to contest the loss of this benefit. It is a paradox that tenants accused of committing serious violations of program rules are entitled to termination hearings, while tenants who have not committed a violation have no right to contest the loss of their subsidy through voucher expiration. Families should have the opportunity to contest the expiration or denial of an extension if they feel it has been improperly denied. Even though not required by law, HCD should grant participants who lose their vouchers under these circumstances an administrative hearing so they can present arguments as to why their vouchers should be reinstated.

17. Verification of Request for Reasonable Accommodation Requests do not require a doctor.

On page 51 of the draft Administrative Plan, it states that a “medical doctor” must document the need for a larger bedroom unit. HCD should clarify that a medical doctor is not always required for accommodation requests. Rather, HCD should track the language from page 14 of the May 17, 2004 Joint Statement by HUD and DOJ² which states that accommodation requests can be supported by a:

medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may also provide verification of a disability.

Legal Services has previously submitted similar comments in relation to the ACOP and HCD corrected the language in the ACOP. HCD should make similar corrections to the Administrative Plan.

18. HCD should revise its language related to unauthorized occupants.

Page 54 addresses what tenants must do when they are alleged to have unauthorized occupants. It states tenants must have “two pieces of supporting documentation from different sources” showing the address of the occupant. Language must be added for when a head of household cannot obtain these documents. For instance, if a guest or occupant has vacated at the demand of the head of household they may be unwilling to cooperate with the head of household. Additionally, if someone is falsely alleged to have a boarder they could clearly not obtain documentation in that circumstance. This section should allow tenants to present a signed

² A link to the Joint Statement can be found here:
<https://www.hud.gov/sites/documents/huddojstatement.pdf>

statement explaining why the information cannot be provided and if the tenant statement cannot be refuted with evidence, then the statement will be accepted as proper documentation.

19. HCD should clarify the time period that a unit can remain in abatement status.

Legal Services has seen many instances where a unit fails inspection due to landlord violations and, instead of correcting the violations, the landlord simply demands the total contract rent and evicts the family when the family cannot pay. When this happens, the family must begin searching for a new unit and incur the expense of locating to a new unit. This can be a very difficult process forced on the tenant unexpectedly.

Legal Services welcomes the new language found on page 91 which states that during the abatement period, "The owner must not seek payment from the family for abated amounts and may not use the abatement as a cause for eviction." This section states that the unit can be in abatement status for a maximum of 180 days. This section should also state that the unit will be in abatement status for a minimum of 120 days so that tenants will have adequate time to find a new unit, lease up, and move.

20. HCD should diligently review leases to ensure landlords are not demanding additional rent from tenants.

HCD has a new section on lease requirements on page 98 that addresses things such as rent. As HCD is aware, the Section 8 program will approve the tenants' rent and landlords are strictly prohibited from demanding extra payments not approved by the section 8 program. Specifically, the amount of the household's portion of the rent is determined by the tenants' income pursuant to 24 C.F.R. §982.501 et. seq. and the Housing Assistance Payment ("HAP"). The federal regulations further state, "The owner may not demand or accept any rent payment from the tenant in excess of [the rent amount established by the Section 8 program] and must immediately return any excess rent payment to the tenant." 24 C.F.R. §982.451(b)(4)(ii). Courts have consistently held that where a Section 8 landlord accepts payments from a tenant above the amounts permitted by the program, this constitutes fraud. *United States ex rel. v. DBS Investments, LLC*, 2012 WL 3759015 (S.D. Fla. 2012), *United States ex rel. Sutton v. Reynolds*, 564 F. Supp. 2d 1183 (D. Ore. 2007).

Landlords often try to pass on additional fees to the tenants in the form of things like cable fees, garbage fees, and fees for washers and dryers. The Section 8 program must review these leases closely to ensure the landlords are not demanding extra rent disguised as something else. Legal Services has been advised that HCD does not review leases entered after the first year of a tenancy. Legal Services strongly urges HCD to require the review of all Section 8 leases.

Additionally, as noted, rent is based on a tenant's income and family composition. Leases approved by Section 8 should not be permitted to define anything and everything as rent. Section 8 should not approve leases which define late fees, security deposits, attorney fees, or additional fees other than the established section 8 total contract rent as rent.

Lastly, many one-year lease tenancies turn into month-to-month tenancies after the first year. Month-to-month tenants do not have the same rights as tenants with a contract and their tenancy

can be terminated at any time with 30-days' notice. This often leaves tenants in a very difficult position because they then need to get a COD, find a unit, and move with very short notice. HCD should consider requiring signed leases even after the first year for section 8 tenants.

21. HCD should advise tenants of their right to request a hardship exemption from the minimum rent.

Page 108 outlines that tenants can request a hardship exemption from having to pay the minimum rent. Legal Services renews its previous recommendation in these comments that HCD must inform tenants of the ability to request a hardship exemption. (*See Comment 9*).

22. HCD should ensure tenants are informed timely of and consent to any rent increases.

Page 108 addresses the raising of the total contract rent by the landlord. Legal Services opposes the elimination of the requirement that when a landlord increases the rent "the tenant must also consent in writing to the rent increase." Unless provided for in the contract, the landlord does not have the unilateral right to change the terms of a contract by increasing the rent. The tenant must be in agreement with a rent increase, otherwise the landlord can choose to terminate the tenancy at the end of the lease term. If this language is not reinstated, the Administrative Plan should at least ensure that tenants are immediately advised in writing of a landlord's request for a rent increase. This would give the tenant 60 days' notice of a rent increase. This is important to ensure the tenant family has enough time to request a COD if the rent increase is not affordable to the family.

23. HCD should make clear that tenants are not responsible for any missed payments due to the change in ownership of the property.

Legal Services has seen instances where a new owner takes ownership of the property, but because neither the old nor the new owner provided the correct documentation to section 8, payments continue to the old owner. The new owner sometimes then demands the full rent from the tenant. In the chapter on Transfer of Ownership starting on page 117, language should be added to make clear that a tenant cannot be held responsible for payments made to the wrong owner.

24. HCD should clarify that owners must follow the Protecting Tenants in Foreclosure Act.

The section on owner foreclosure found on page 119 should clarify that the Protecting Tenants in Foreclosure Act (PTFA) applies to Section 8 tenants. PTFA requires the party taking ownership pursuant to foreclosure to take the property subject to the lease. If there is no lease, then the new owner must give at least 90 days' notice to the tenant. The current language is confusing since it does not say what happens if there is no written lease. Stating that the PTFA applies will help clarify the issue.

25. HCD should clarify that it will not allow a tenant to lose their voucher due to wrongful acts of a perspective landlord.

Legal Services has previously commented on the difficulty tenants have in locating a unit with their voucher in a very difficult Miami market. Legal Services renews its assertion that tenants should receive a hearing to contest the loss of their voucher due to expiration.

On page 120, HCD adds language which states that HCD can disapprove of a landlord if “an owner has a history of taking so long to respond during the Request for Tenancy Approval process that they caused a family to lose the voucher.” While Legal Services agrees that landlords can be disapproved when they do not engage properly with the RFTA process, Legal Services does not believe that a tenant should lose their valuable subsidy for this reason. Language should be added to the Plan to state that a family will not lose their voucher when the failure to lease up in time is the cause of the perspective landlord. This is the type of issue that the tenant should be able to raise in a hearing if HCD allowed for such hearings.

26. HCD should clarify how the waiting list works for RAD/PBV units.

The Plan is unclear how PBV units are filled when PBV units become vacant and from which waiting list the tenant is selected.

First, Legal Services renews its request that public housing residents in need of transfers receive preference to enter PBV units. (*See comment 5*).

It is our understanding that applicants for PBV units are pulled from the HCV waiting list. The Administrative Plan states however that it may create site-based waiting lists. (*See page 131*) HCD should clarify when and under what circumstances it would do this and how a site-based waiting list would operate. Legal Services’ concern with site-based waiting lists is that some units at certain properties could free up much more quickly, leaving some unlucky applicants to wait much longer than others.

Further, HCD has stated that it may rely on “owner referrals” to fill units. This raises concerns related to nepotism and fair housing. HCD should eliminate owner referrals as an established way to fill RAD PBV units. Alternatively, owner referrals should be used only in very rare circumstances and HCD should establish clear written criteria for this process to ensure the process is not abused by private landlords managing subsidized properties, many of which were formerly public housing.

27. HCD should only terminate assistance for willfully false statements.

The Administrative Plan states that “[d]iscovery of materially false statements can be cause for termination of assistance.” Legal Services recommends that for an incorrect statement to serve as a basis for termination the statement should be knowingly false. Statements that are simply mistakes should not serve as a basis for termination.

28. HCD should consider all mitigating factors when making a determination about terminating assistance.

HCD’s definition of mitigating circumstances is too restrictive and does not track the federal regulations. Specifically, page 145 states that mitigating factors are “facts relating to negative

rental history or behavior, that, when verified, indicates that the reason for the unsuitable rental history or behavior is no longer in effect or is under control...”

HCD’s definition of mitigating circumstances should track 24 cfr 982.552(c)(2) which states that:

The PHA may consider all relevant circumstances such as the seriousness of the case, the extent of participation or culpability of individual family members, mitigating circumstances related to the disability of a family member, and the effects of denial or termination of assistance on other family members who were not involved in the action or failure.

29. Informal Reviews must comport with due process.

HCD should clarify the language on page 149 of the Plan to make clear that applicants have the right to present evidence at an informal review and that the decision must be based on the evidence presented at the review. Further, the Plan should clarify that the written decision should outline the evidence relied on and the reason for the decision.

30. HCD should strengthen the due process for informal hearings.

If a tenant is terminated from the Section 8 Program this could cause the family to lose stable housing and become homeless. HCD should therefore ensure there are as many safeguards as possible in the hearing process.

Page 150 states that:

The party that fails to appear for a hearing will relinquish all further hearings or appeals of the adverse action.

HCD should change the language to state that a party that “fails to appear for a hearing without good cause may” relinquish their right to a hearing.

Further, the Plan allows for telephonic hearings in certain circumstances. The Plan should clarify that hearings will be held in person or on zoom whenever possible. Telephonic hearings should be used only as a last resort since you cannot review documents or observe the demeanor of the witness over the phone.

Lastly, HCD should state clearly that the Section 8 program has the burden of proof and must show by the preponderance of the evidence that the termination should be upheld.

31. Landlord’s administering PBV RAD properties must provide 30-day notices in non-payment of rent cases.

Pages 175 and 182 state that RAD PBV tenants must receive a 14-day notice in the case of a notice to pay rent or vacate. This must be corrected as the notice requirement is now 30 days based on the HUD rule “30-Day Notification Requirement Prior to Termination of Lease for Nonpayment of Rent” which became effective on January 13, 2025. (89 Fed. Reg. 101,270 (Dec.

13, 2024)). This rule, which applies to public housing, also applies to RAD PBV tenants. This is so because tenants living in PBV units that converted through RAD must maintain, at a minimum, the rights that public housing tenants have under federal law related to grievance hearings and leases. *Consolidated and Further Continuing Appropriations Act*, PUB. L. NO. 112-55, 125 STAT. 552, 673-74 (2012).

This means that Section 6 of the RAD statute mandates that these PBV tenants must have the same rights as public housing tenants with respect to 42 USC 1437d (k)-(l), which affects grievance hearings and lease provisions. As the lease provisions for public housing are now required to include a 30-day notice for non-payment, this must be applied for RAD PBV units as well.

In fact, HCD's own draft *Significant Amendment to the FY 2024-2025 Annual Plan* acknowledges 30 days are required in the case of non-payment. (See page 34 of the Significant Amendment) This must be corrected in the Plan.

32. PBV landlords should have the same security deposit requirements as HCV landlords.

When Housing Choice Voucher tenants find a unit on the private market, the landlord is restricted in the type of security deposit they can require. Specifically:

the security deposit must be consistent with common practice in the Miami-Dade Private Rental Market and not in excess of security deposits collected for owner's unassisted tenants and not to exceed one month's rent.
(See page 95 of the Administrative Plan.) (Emphasis added)

Legal Services supports this rule for HCV voucher tenants and believes it should be added as a requirement for PBV voucher tenants as well. Presently, the security deposit requirements for PBV landlords have some restrictions but don't presently have this requirement. (See page 176). This is perplexing considering HCV units are found on the private market and most PBV properties are fully subsidized buildings which were formerly public housing units.

33. HCD should develop a written plan on how it will implement choice mobility.

Page 179 outlines how PBV tenants can obtain choice mobility vouchers. As noted in previous comments, advocates around the country have found that RAD tenants do not use this feature because they do not know about it. Legal Services urges HCD to develop a written plan laying out how it will implement Choice Mobility. This plan should address issues such as:

1. How HCD will educate tenants about this option and how it will help them navigate the process to obtain a mobility voucher.
2. How HCD will handle tenants' transition from a PBV voucher to a mobility voucher.
3. How HCD will issue vouchers in a way that achieves balance between RAD Choice-Mobility and their regular HCV program.

Developing a written plan for choice mobility now and disseminating it widely to the community will help increase efficiency and transparency.

34. HCD should ensure due process in grievance procedures.

Legal Services has concerns about the due process rights of public housing tenants whose properties convert to RAD.

HCD's ACOP states that "All residents of public housing are afforded ample opportunity for a fair and impartial hearing on matters involving the Public Housing Lease..." (See page 98 of the ACOP). Further, pursuant to 24 CFR 966.53, public housing residents are entitled to a grievance on "any dispute which a tenant may have with respect to PHA action or failure to act in accordance with the individual tenant's lease or PHA regulations which adversely affect the individuals rights, duties, welfare or status."

Under the Plan under review, the project owner (which will likely be a private entity) will be responsible for conducting most grievance hearings rather than a HCD employee. (See Page 182). Specifically, the Contract Administrator (HCD) will only conduct hearings for five specific types of grievances outlined in 24 CFR § 982.555(a)(1)(i)-(vi), and the federal regulations which restrict who can serve as a hearing officer will only apply to those five types of grievances. All other grievances will be conducted by the project owner.

This new practice raises due process concerns. In most circumstances, the project owner/landlord is not impartial since it is recommending the adverse action against the tenant. Legal Services urges HCD, as the contract administrator, to conduct all grievance hearings as it has done in the past. This is the best way to ensure a fair and impartial process to any grievance which may arise between a tenant and a project owner.

Alternatively, HCD must make sure that mechanisms are in place to ensure that grievance hearings conducted by a project owner comply with due process. These mechanisms include, but are not limited to:

1. The right to have a decision made by a trained hearing officer who is not the person who made or approved the decision under a review, or a subordinate of this person.
2. A requirement that project owners have written procedures in place outlining the process for a grievance hearing.
3. The right to a written hearing decision which explains the reasons for the decision and the evidence relied on when reaching the decision, and
4. The right to an appeal where the written grievance decision can be reviewed by the PHA.

Legal Services welcomes the provision which says that an HCD Grievance Coordinator will review, and may reverse, a hearing decision conducted by the project owner. However, Legal Services encourages HCD to make clear that the above elements which ensure due process are present in hearing decisions.

35. HCD must provide a grievance hearing before terminating any tenancy.

Page 183 of the Plan states that HCD is not required to provide a grievance hearing in certain tenancy terminations.

HCD or the contract administrator is required to provide a grievance hearing on all tenancy terminations pursuant to the due process determination outlined by HUD in 2016 which states that Florida law does not comport with HUD's due process requirements. This determination makes clear that Florida Public Housing Authorities are required to provide grievances in all tenancy terminations. This requirement would extend to RAD PBV tenants since those tenants have the same grievance process rights as public housing tenants.

36. HCD must ensure that notices of termination advise RAD PBV tenants of their grievance rights.

HCD must make clear in the Plan that notices terminating a RAD PBV tenancy must provide the opportunity for a grievance hearing. This is so because tenants living in PBV units that converted through RAD must maintain, at a minimum, the rights that public housing tenants have under federal law related to grievance hearings and leases. *Consolidated and Further Continuing Appropriations Act*, PUB. L. NO. 112-55, 125 STAT. 552, 673-74 (2012).

This means that Section 6 of the RAD statute mandates that these PBV tenants must have the same rights of public housing tenants with respect to 42 USC 1437d (k)-(l), which affects grievance hearings and lease provisions.

HCD must therefore look to the federal regulations governing public housing. Specifically, 24 CFR 966.4(l)(3)(ii) states that:

The notice of lease termination to the tenant shall state specific grounds for termination, and shall inform the tenant of the tenant's right to make such reply as the tenant may wish... When the PHA is required to afford the tenant the opportunity for a grievance hearing, the notice shall also inform the tenant of the tenant's right to request a hearing in accordance with the PHA's grievance procedure.

The tenancy cannot terminate until the tenant has been provided with the grievance hearing. (See 24 CFR 966.4(l)(3)(vi)).

As such, both the Administrative Plan and the Significant Amendment should be corrected to ensure that notices terminating the tenancy must advise the tenant of the right to request a grievance hearing and failure to do so renders the notice defective. This is particularly important as Legal Services has seen several RAD PBV evictions where neither the lease nor the notice say anything about the right to a grievance hearing. Many cases can be resolved at the grievance hearing stage and tenants must be informed of this important right.

37. HCD should seek to ensure that RAD PBV tenants are, as much as possible, governed by the same procedures that governed when they were in public housing.

Legal Services has always taken the position that during any RAD conversion, HCD should have the rules of the new PBV properties comport with the ACOP as much as possible. This is important because the ACOP is the document which has governed public housing residents for many years and tenants are used to the process. HCD should make efforts to ensure in future contracts with private administrators that they will follow the public housing rules and practices. For example, there has been confusion around whether the late fee will remain \$20, and some landlords have demanded higher amounts. In future RAD developments, HCD should require developers to comply with the ACOP and public housing practices so that public housing tenants do not lose any rights when the properties convert.

COMMENTS ON ATTACHEMENT E FOR THE SECTION 8 ADMINISTRATIVE PLAN

Legal Services notes that with respect to the referenced page numbers of the draft Attachment it is using the 20 page redline draft version provided by HCD.

38. HCD should conduct an interim rent adjustment in all instances where there is a decrease in income.

Page 19 of the Attachment states that HCD must conduct an interim reexamination when the income decreases by 10 percent or more. As with Public Housing (*See comment 14*), Legal Services recommends that HCD should conduct an interim reexamination whenever the income decreases since failure to do so could cause hardship for families who have just experienced a decrease in income.

COMMENTS ON SIGNIFICANT AMENDMENT TO THE FY 2024-2025 ANNUAL PLAN

Legal Services notes that with respect to the referenced page numbers of the draft Significant Amendment it is using the 79 page redline draft version provided by HCD.

39. HCD must ensure that notices of termination advise RAD PBV tenants of their grievance rights.

Page 34 of the Significant Amendment correctly acknowledges that RAD PBV tenants have the right to a grievance hearing. As outlined above, HCD must also clarify that notices terminating a tenancy must inform tenants of their grievance hearing rights. (*See comment 36*).

COMMENTS ON ATTACHEMENT B.1 TO THE SIGNIFICANT AMENDMENT TO THE FY 2024-2025 ANNUAL PLAN

Legal Services notes that with respect to the referenced page numbers of the draft Attachment it is using the 17 page redline draft version provided by HCD.

40. HCD should not limit pet ownership to only one pet in all circumstances.

Pages 8 and 9 address pet ownership in public housing. HUD policies contemplate flexibility in relation to the number of pets allowed as their policy states that “PHAs may place limitations on

the number of pets in a unit based on unit size.” (See Section 3.3.2 of the Public Housing Occupancy Guidebook on Pet Ownership in Public Housing).³

The number of “four legged, warm blooded pets” should not be limited to only one pet in all instances. There may be some circumstances where having two cats or two dogs may be appropriate. For instance, if there is a unit which houses a large family with five bedrooms, having two small cats or two small dogs would not be unreasonable.

Legal Services is pleased to submit the foregoing comments and encourages HCD to work with Legal Services on implementing these comments.

Respectfully submitted,

The current Administrative plan at Section 25.7B allows for a particular PBV project to have a preference for elderly households as part of a site-based waiting list. In order to ensure consistency pre and post conversion, the ACOP should adopt a preference for projects that are undergoing a “Restore-Rebuild” (formerly known as Faircloth to RAD”) conversion to allow such Restore-Rebuild project to elect a preference for single persons who are age 62 or older, displaced, homeless, or persons with disabilities over other single persons in accordance with 24 CFR 960.206(b)(5).

Thank you.

Hi,

I suggest that the project description below be added to Appendix D and Attachment B.2. of both the Significant Amendment to the 2024-2025 PHA Annual Plan and the 2025-2026 PHA Annual Plan, both of which are currently open for public comment.

Gallery Riverwalk is a proposed approximately 236-unit new construction development and will include approximately 36 RAD (all studios that may be converted to 1-bedrooms) transfer of assistance units from FL005000840 (Harry Cain). The units are currently designated as general occupancy under public housing, but an elderly preference may be implemented post-conversion. A portfolio-wide waiting list will be utilized.

A variety of funding sources will be pursued, including but not limited to, RAD/Section 18 blend and Low-Income Housing Tax Credits (LIHTC) to assist with construction costs, transaction costs, and overall project funding. Project will be subject to LIHTC restrictions. A portion of the assisted units may have tenant selection preferences which will be administered in accordance with RAD program requirements.

B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through its housing department Housing and Community Development Department (HCD) within its current resources by:

- (1) Reducing turnover time for vacated public housing units through implementation of a vacancy reduction initiative to achieve an overall occupancy rate of 94 percent.
- (2) Seeking replacement of public housing units lost to the inventory through mixed finance development, RAD and other financing or funding strategies including reclaiming units available under the Faircloth cap.
- (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
- (4) Participating in a Homeless Pilot Program to address homelessness by collaborating with the Homeless Trust for referrals of homeless persons transitioning out of a shelter, transitional housing program, rapid re-housing program, or permanent supportive housing.
- (5) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.
- (6) Participating in Miami-Dade County's General Obligation Bond (GOB) program to expand the amount of public housing available in Miami-Dade County.
- (7) Utilizing County-owned Public Housing land for the purpose of developing affordable workforce housing for low-income families and homeownership opportunities.

b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:

- (1) Leveraging private or other public funds or generate revenue to create affordable housing resources opportunities such as the utilization of the RAD program including Section 18/RAD blending option, Section 18 direct replacement with Tenant Protection Vouchers, and Low-Income Housing Tax Credits (LIHTC) and any other available funding sources in the community through the creation of mixed-finance housing.
- (2) Pursuing housing resources other than public housing assistance.
- (3) Continuing to apply for funding or grant opportunities that may become available to create additional housing opportunities.

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income.
Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities

II. **Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.**

A. Deconcentration may include, but is not limited to the following:

1. Targeting modernization and capital improvements to developments with an average income below the Established Income Range (EIR), to encourage applicant families whose income is above the EIR to accept units in those developments.

2. Providing incentives which encourage families with incomes below the EIR to accept units in developments with incomes above the EIR, or vice versa. Such incentives may include affirmative marketing plans or added amenities.
 3. Providing any other strategies allowed by statutes and determined in consultation with residents and the community via HCD's planning process. Current strategies include modernization of Public Housing developments through the Low-Income Housing Tax Credit (LIHTC) program and/or other available funding sources.
 4. Developing strategies for mixed-income and mixed-use of public housing developments.
- B. Other Policies that Govern Eligibility, Selection, and Admissions
1. Eligibility
HCD is responsible for ensuring that every individual and family admitted to the Public Housing program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. Eligibility is established as delineated in the Admission and Continued Occupancy Policy (ACOP).
 2. Selection and Admission
 - a) Waiting List Organization
 - (1) HCD selects applicants for the Public Housing Program from a community-wide waiting list.

B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

- a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through HCD within its current resources by:
 - (1) Applying for additional vouchers if made available by HUD.
 - (2) Seeking replacement of moderate rehabilitation units lost to the inventory through Section 8 Tenant Protection Vouchers.
 - (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
 - (4) Housing homeless persons through the Project-Based Voucher program, per PIH Notice 2013-15, subject to need and funding availability.
 - (5) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.
- b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:
 - (1) Pursuing housing resources other than Section 8 tenant-based assistance.
 - (2) Continuing the implementation of the Section 8 Homeownership and Project-based Voucher Programs, contingent on the availability of vouchers

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income.
Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities

Strategy: Target available assistance to applicants and residents with disabilities.

4. Need: Specific Family Types: Races or ethnicities with housing needs

Strategy: Increase awareness by complying with all HUD fair housing requirements.

5. Need: Reduce impediment to Fair Housing choice through education efforts

Strategy: Continue providing Fair Housing training to employees. Training is provided to staff on equal opportunities to applicants and participants regardless of their status as a victim of domestic violence, dating violence or stalking, actual or perceived sexual orientation, gender identity, gender expression, race, national origin, ethnic origin, color sex, religion, age, disability, familial status, marital status, ancestry, pregnancy, or source of income.

II. Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

A. Deconcentration may include, but is not limited to, the following:

Not Applicable to HCV

B. Other Policies that Govern Eligibility, Selection, and Admissions

1. Eligibility

- a) Eligibility is established as delineated in the Section 8 Administrative Plan.

2. Selection and Admission

a) Waiting List Organization

- (1) HCD selects applicants for the Housing Choice Voucher and Moderate Rehabilitation Programs from separate waiting lists.
- (2) HCD, subject to the Board of County Commissioners' approval, may elect to dissolve the waiting list as needed. Once the waiting list is dissolved, applicants who are on the waiting list at the time the waiting list dissolved shall keep their ranking and shall not be required to submit new applications during the open registration period. Notwithstanding the dissolution of the waiting list, applicants who are being processed prior to dissolution of the waiting list will continue to be processed by HCD.

- (3) HCD, subject to the Board of County Commissioners' approval, may elect to open the waiting list if there are insufficient applicants for a particular bedroom size, type (e.g., general occupancy, elderly designated buildings, accessible or non-accessible, or for one or more of the local preferences.
- (4) The opening and closing of registration periods will be advertised on social media platforms, newspaper publications and the radio for the purpose of reaching all segments of the community and providing advanced notice.
- (5) HCD may choose from various options regarding when and how to open, administer, and populate the waiting, subject to approval by the Board.
- (6) Some of these options may include an exclusive electronic open waiting list, where ranking is based on the date and time of application or any applicable factors that the agency may adopt, subject to approval by the Board.
- (7) Placement on the Waiting List
HCD will determine the number of applications to be selected for placement on the waiting list based on historical and empirical data. The waiting list number represents the number of applications that need to be reviewed in order to result in the issuing of enough vouchers to absorb all underlying funding within a 12 to 18-month period. After that, subject to the Board of County Commissioners' approval, the list will be reopened.

HCD will select applicants to be placed on the waiting list via an electronic drawing and random selection process. The applicants will be placed on the waiting list in order of the assigned numbers and according to HCD admission preference(s) described in this chapter.

Those families not selected from the pool for placement on the waiting list will be sent a notice that they were not selected, informing that they may apply the next time HCD's waiting list is open.

- (8) Subject to approval by the Board, HCD proposes to establish site-based waiting lists for its Section 8 Project-Based Voucher Program and pursuant to the following policies:
 - Interested families will apply with HCD.
 - Adopted admission preferences will be available for applicants to request during open registration.

Note that under the site-based waiting list approach, families apply for the properties that best meets their needs, such as access to employment, family support, school, public transportation, hospital, medical facility, etc. Implementing a site-based waiting list will expedite leasing process as families are only referred to properties, they expressed interest in residing.

b) Initial Process

On December 12, 2023, the Miami Dade County Board of County Commissioners adopted Resolution R-1078-23 that authorized the dissolution of the Section 8 Housing choice voucher tenant-based waiting list from October 31, 2023, to December 31, 2023, and the opening of the

c) Search Time

- The initial term of the Section 8 voucher and subsequent extensions will not exceed 180 days from the date of voucher issuance.
- The voucher term may be extended beyond 180-day as a reasonable accommodation.

d) Admission Preference

(1) Admission preferences include:

SECTION B.2 - PUBLIC HOUSING

B.2.A –New Activities for Public Housing

Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

Public Housing Program		
Y	N	Elements
X		I. Hope VI or Choice Neighborhoods.
X		II. Mixed Finance Modernization or Development.
X		III. Demolition and/or Disposition.-
X		IV. Designated Housing for Elderly and/or Disabled Families.
	X	V. Conversion of Public Housing to Tenant-Based Assistance.
X		VI. Conversion of Public Housing to Project-Based Assistance under RAD. – AMENDED
X		VII. Occupancy by Over-Income Families.
X		VIII. Occupancy by Police Officers.
X		IX. Non-Smoking Policies.
	X	X. Project-Based Vouchers.
X		XI. Units with Approved Vacancies for Modernization.
X		XII. Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

I. HOPE VI or Choice Neighborhoods.

1. Review and apply for opportunities under the Choice Neighborhoods Initiative for any eligible sites.

II. Mixed-Finance Modernization or Development.

1. HCD may apply for new mixed-finance, mixed-income and/or other grants and funding sources in the coming fiscal year as it may deem appropriate for providing additional housing and/or upgrading of existing housing and ancillary facilities which may include all Public Housing sites.
2. Using the RAD program, HCD may convert existing Public Housing developments to Site Based Vouchers (PBV) under RAD, to upgrade its existing developments. Once a public housing development has been selected for the RAD program, the public housing units in the selected development must be replaced one-for-one.
3. HCD may request extension of grant obligation and expenditure deadlines, upon approval from the Board, including but not limited to Replacement Housing Factor (RHF) funding. HCD may submit appropriate demolition and/or disposition applications and also execute all other documentation as required by HUD and others having jurisdiction for rehabilitation, development, acquisition and implementation of projects and corresponding funding, as indicated herein and/or any Public Housing sites.
4. HCD intends to use all present and future RAD tools for rehabilitation and development, including blending HUD Section 18 disposition approval with RAD conversion at qualified development projects. Section RAD Blends allow for Section 18 disposition of a percentage of converting units and subsequent assignment of Tenant Protection Vouchers, which may be project-based under HCD's PBV program with rent limits at HCD's payment standard. The percentage of eligible units is based on the level of Housing Construction Costs (HCCs) proposed for rehabilitation and new construction.

5. HCD reserves the right to review on an on-going basis its mixed-finance modernization, rehabilitation and development planned under the RAD program or any other programs and make changes as HCD may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
6. HCD may convert Mixed Finance or other affordable developments to RAD if beneficial to the development or HCD.
 1. HCD also reserves the right to demolish and/or dispose, or convert through RAD (after approval by the Board of County Commissioners and HUD), transfer of assistance, or any other tool or program available for developments under the following reasons:
 - a) Building is identified with defects or conditions that are hazardous to the life, health, and safety of residents.
 - b) Heavy gun violence or criminal activity that poses a substantial threat to the life, health, and safety of the resident.

III. Demolition and/or Disposition.

1. HCD plans to conduct the following demolition or disposition activities (pursuant to section 18 of the U.S. Housing Act of 1937 (42 U.S.C. §1437p)) in the plan Fiscal Year.
 1. HCD may identify RAD developments eligible for Section 18/RAD Blends, pursuant to Notices PIH-2021-07 and PIH-2019-23, RAD Final Implementation, REV-4, as amended by Notice PIH-2023-19, RAD Supplemental Notice 4B. See Section II-D above.
 2. HCD reserves the right to review on an on-going basis its planned RAD portfolio and make changes as it may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
 3. The activity description for the following developments may be proposed for demolition and/or disposition and Section 18 /RAD blending option:

- HCD reserves the right to submit additional demolition and/or disposition applications for any development subject to the Board and HUD's approval, including but not limited to emergency projects, such as demolition of unsafe structures, minor scope projects or other redevelopments projects, as may become necessary and/or for which there are funding opportunities.
- Some of the demolition actions indicated above may be further evaluated to determine if a demolition or rehabilitation would be more advantageous.

V. Conversion of Public Housing to Tenant-Based Assistance.

1. Voluntary Conversion Initial Assessments
1. The Required Initial Assessment indicated that the Voluntary Conversion of public housing to tenant-based assistance is inappropriate for the following reasons:
 - a) Conversion would be more expensive than continuing to operate the developments as public housing;
 - b) Removal of developments would not principally benefit the residents of the public housing developments included; and
 - c) It would adversely affect the availability of affordable housing in the community.

VI. Conversion of Public Housing to Project-Based Assistance under RAD.

1. Using the RAD program, mixed finance options, and Capital funds, among others, HCD will embark on the conversion of public housing developments to Site Based Vouchers (PBV) or Project-Based Rental Assistance (PBRA) under RAD, to upgrade its existing developments, many of which are at or near the end of their life cycle, and other important upgrades inherently required with an aging housing stock. The RAD program offers an opportunity to HCD to transition from its current public housing funding platform to a more stable funding source, the PBV under the guidelines of PIH Notice 2019- 23, RAD Final Implementation, REV-4, and any successor Notices.
2. Upon conversion to PBV under RAD, HCD will adopt the resident rights, participation, waiting list and grievance procedures in accordance with Section 1.6 of PIH Notice 2019-23, RAD Final Implementation, REV-4, as amended by PIH Notice 2023-19, and any successor Notices.
3. HCD will use all existing and new RAD opportunities available to the HUD RAD program for rehabilitation and development including the supplementing of RAD units with Section 18 TPVs based on the level of Housing Construction Costs (HCCs) proposed for rehabilitation and new construction.
4. HCD reserves the right to review on an on-going basis its planned RAD portfolio and make changes as it may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
5. Pursuant to PIH Notice 2019-23, RAD Final Implementation, REV 4, as amended by PIH Notice 2023-19, and any successor Notices, HUD requires that all the tenant protections provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents. The required tenant protections are described in Paragraph F and G of this section, see below.
 1. HCD may reprioritize public housing developments proposed for RAD conversions for the following reasons:
 - a) Building identified with defects or conditions that are hazardous to the life, health, and safety of the resident.
 - b) Heavy gun violence or criminal activity that poses a substantial threat to the life, health, and safety of the resident.

F. RAD PBV Resident Rights and Participation.

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

1. **No Rescreening of Tenants upon Conversion.** Pursuant to the Consolidated and Further Continuing Appropriations Act of 2012 (Pub. L. No. 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act, 2014 (Pub. L. No. 113-76, approved January 17, 2014), the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. No. 113-235, approved December 6, 2014), and Division L, Title II, Section 237 of the Consolidated Appropriations Act (Pub. L. No. 114-113, enacted December 18, 2015) (collectively, the “RAD Statute.”), pursuant to the conversion, current households cannot be excluded from occupancy at the Covered Project ³⁷ based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project ³⁸ will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.³⁹ Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to RAD PBV requirements regarding continued occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting of tenants for initial occupancy, will not apply for current households. Once the grandfathered household moves out, the unit must be leased to an eligible family. Moving to Work (MTW) agencies may not alter this requirement. Further, so as to facilitate the right to return to the assisted property, HUD waives Section 8(o)(4) and 24 CFR § 982.201 to the extent necessary for this provision to apply to current public housing residents of the Converting Project that will reside in non-RAD PBV units or non-RAD PBRA units placed in a project that contain RAD PBV units or RAD PBRA units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR § 983 for non-RAD PBV units and the PBRA requirements governing the applicable contract for non-RAD PBRA units.
2. **Right to Return.** See section 1.4.A.5 (ii) and the RAD Fair Housing, Civil Rights, and Relocation Notice regarding a resident’s right to return. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.
3. **HCD Policy on Tenant Rent Increases.**

HCD will not increase the tenant monthly rents as a result of conversion to PBV under RAD. Likewise, the flat rent payment will not change as a result of conversion to PBV under RAD. Tenants will not see an increase on their monthly rent payment unless their income changes.

The Public Housing and RAD PBV Programs apply the same regulations for inclusion, exclusion (24 CFR, §5.609), and mandatory deductions (24 CFR, §5.611) in calculating the household’s adjusted income. Tenants generally pay 30 percent of the household’s monthly income as their monthly rent, or a flat rent based on the rent charged for similar units.
3. **Family Self Sufficiency (FSS) and Residents Opportunities and Self Sufficiency Coordinator (ROSS-SC) programs.** Not applicable.

³⁷ For purposes of this Appendix A, the term “Covered Project” shall mean the post-conversion property with assistance converted from one form of rental assistance to another under the RAD program.

³⁸ For purposes of this Appendix A, the term “Converting Project” shall mean the pre-conversion property whose assistance is converting from one form of rental assistance to another under the Demonstration.

³⁹ These protections (as well as all protections in this Notice for current households) also apply when a household is relocated to facilitate new construction or repairs following conversion and subsequently returns to the Covered Project.

4. **Resident Participation and Funding.** Residents of Covered Projects, any non-RAD PBV units located in the same Covered Projects will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.
5. **Resident Procedural Rights.** The following items must be incorporated into both the Section 8 Administrative Plan and the Project Owner's lease, which includes the required tenancy addendum (HUD Form 52530-c), as appropriate. Evidence of such incorporation may be requested by HUD for purposes of monitoring the program.
 - a. **Termination Notification.** HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects that convert assistance under RAD and to non-RAD PBV units located at the Covered Project. In addition to the regulations at 24 CFR § 983.257 related to Project Owner termination of tenancy and eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall be:
 - i. A reasonable period of time, but not to exceed 30 days:
 1. If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 2. In the event of any drug-related or violent criminal activity or any felony conviction;
 - ii. Not less than 30 days in the case of nonpayment of rent; and
 - iii. Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.
 - b. **Grievance Process.** Pursuant to requirements in the RAD Statute, HUD is establishing additional resident procedural rights to comply with section 6 of the Act.

For the termination of assistance and several other PHA determinations, PBV program rules require the PHA to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, to require that:

- i. In addition to reasons that require an opportunity for an informal hearing given in 24CFR § 982.555(a)(1)(i)-(vi),⁴⁰ an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.
 1. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(vi), the contract administrator will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
 2. For any additional hearings required under RAD, the Project Owner will perform the hearing.
- ii. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or contract administrator.
- iii. The Project Owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- iv. The Project Owner provides opportunity for an informal hearing before an eviction.

⁴⁰§ 982.555(a)(1)(iv) is not relevant to RAD as the tenant-based certificate program has been repealed.

Current PBV program rules require that hearing procedures must be outlined in HCD's Section 8 Administrative Plan.

To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

6. **Earned Income Disregard (EID).** Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited only to persons with disabilities (24 CFR § 5.617(b)). In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the RAD PBV project, the provision in 24 CFR § 5.617(b) limiting EID to disabled persons is waived. The waiver, and resulting alternative requirement, apply only to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants that move into the property following conversion or tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion due to loss of employment) is covered by this waiver. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

7. **Job Plus.** Not applicable.

Note: Paragraph 9 below of the RAD PBV Resident Rights and Participation (according to Section 1.6.C.9 of PIH Notice 2019-23) is deleted in its entirety and replaced with the following in accordance with PIH Notice 2023-19.

8. **When Total Tenant Payment (TTP) Exceeds Gross Rent.** Under normal PBV rules, HCD may select an occupied unit to be included under the PBV HAP Contract only if the unit's occupants are eligible for housing assistance payments (24 CFR § 983.53(c)). Also, a PHA must remove a unit from the HAP Contract when no assistance has been paid for 180 days because the family's TTP has risen to a level that is equal to or greater than the Gross Rent. (24 CFR § 983.258 and § 983.211).

Pre-Conversion Residents. Since the rent limitation under this Section of the Notice may result in current residents having TTPs that exceed the Gross Rent, 24 CFR §983.53(c) does not apply in order to provide RAD PBV assistance to residents who were living in the Converting Project prior to conversion. As necessary to further implement the alternative requirements described below, HUD is waiving 24 CFR §983.258 and §983.211, as well as the provisions of Section 8(o)(13)(H) of the Act and the implementing regulations at 24 CFR § 983.301 as modified by Section 1.6.B.5 of this Notice.

HUD is establishing an alternative requirement that the unit for a family with a TTP that equals or exceeds Gross Rent must be placed on the PBV HAP Contract and the family shall be admitted to the PBV program. In such cases the resident is considered a participant under the PBV program and all the family obligations and protections under RAD and PBV apply to the resident.

During any period when the family's TTP is equal to or above the Gross Rent, the zero-HAP family will pay an alternate rent to owner that is the lower of:

- a. the family's TTP less the Utility Allowance, subject to any required phase-in pursuant to Section 1.6.C.3 of this Notice; or
- b. the Zero-HAP Rent Cap, which is the lower of either:

- i. 110% of the applicable FMR less the Utility Allowance; or
- ii. In the event the units are subject to more restrictive rent setting requirements under the LIHTC or HOME programs, or other programs approved by HUD on a project-specific basis, the rent to owner set to comply with such requirements.

During any period that the family's TTP falls below the Gross Rent, the normal PBV requirements apply, and the family would pay 30% of adjusted income, less utility allowance.

After a family has paid the Zero-HAP Rent Cap as set by this Section for a period of 180 days, HCD shall remove the unit from the HAP Contract and the family's participation in the PBV program ends.⁴¹ If the Covered Project is fully assisted and the family subsequently leaves the property, HCD must reinstate the unit back onto the HAP Contract and admit an eligible family. If the Covered Project is partially assisted and the family subsequently leaves the property, the unit must be reinstated back onto the HAP Contract unless HCD previously substituted a different unit on the HAP Contract in accordance with 24 CFR § 983.207 or, where "floating units" have been permitted, Section 1.6.B.10 of the Notice.

Additionally, if the family continues to reside in the project after the family's unit was removed from the HAP Contract, the family may request to return to the PBV program if the family's income subsequently decreases to the extent that the family's TTP is less than the Zero-HAP Rent Cap set by this section and the family is otherwise eligible for PBV assistance. The HCD shall, at the earliest opportunity⁴², reinstate the family's unit back onto the HAP Contract to provide rental assistance to the family. All PBV requirements with respect to the unit, such as compliance with HQS, apply while the unit is under the HAP Contract or added back to the HAP Contract.

New Admission Families. Unless a PHA requests and receives the waiver described below, any new admission to the Covered Project must meet the eligibility requirements at 24 CFR § 982.201 and require a subsidy payment at admission to the PBV program, which means the family's TTP may not equal or exceed the Gross Rent for the unit at that time. Furthermore, a PHA must remove a new admission family's unit from the PBV HAP Contract when no assistance has been paid for 180 days because a new admission family's TTP subsequently increased to equal or exceed the Gross Rent. However, HUD is imposing an alternative requirement in such cases. If the project is fully assisted and the family subsequently leaves the property, HCD must reinstate the unit on the HAP Contract and admit an eligible family. If the project is partially assisted, HCD may substitute a different unit for the unit on the HAP Contract in accordance with 24 CFR § 983.207 or, where "floating units" have been permitted, Section 1.6.B.10 of the Notice.

⁴¹ For example, a public housing family residing in a property converting under RAD has a TTP of \$600. The property has an initial Contract Rent of \$500, with a \$50 Utility Allowance (Gross Rent = \$550). The FMR for the unit size in the area in which the project is located is \$800. Following conversion, the family is responsible for paying \$550 in tenant rent. If the resident's income rises or is subject to a rent increase phase-in and all other conditions remain the same, the family would pay TTP until the tenant rent reached the Zero-HAP Rent Cap of \$830 (\$880, which is 110% of the \$800 FMR, minus the \$50 utility allowance), at which point the family would continue paying \$830, and unless the family's income and TTP subsequently decreases, the unit would be removed from the contract after 180 days. Families paying less than TTP because of the phased in Tenant Rent Increase alternative requirement are not paying the Zero-HAP Rent Cap and are not subject to this 180-day requirement. However, if the family's Calculated PBV TTP under section 1.6.C.3 is more than the Gross Rent, the family is a zero-HAP family and the applicability of the phased in Tenant Rent increase would end when the amount the family would pay under that alternative requirement meets or exceeds the Zero-HAP Rent Cap. At that point in time the family would pay the Zero-HAP Rent Cap and would be subject to all zero-HAP family requirements of this section, including the 180-day requirement.

⁴² If the project was partially assisted and HCD previously substituted a different unit on the HAP Contract, HCD shall substitute the family's unit for a vacant unit on the HAP Contract if there is a vacant unit at the time of the request, or by doing so as soon as a unit on the HAP Contract becomes vacant if there are no vacant units on the HAP Contract at the time of the family request.

In circumstances where low RAD PBV rents may prohibit a significant number of otherwise eligible families on the waiting list from being admitted to the project because they do not require subsidy, and which could consequently create an undue concentration of poverty at the project compared to non-RAD PBV projects, a PHA may request a waiver of 24 CFR §§983.53(c), 983.259, 983.211, and 983.301 from HUD for the Covered Project. The waiver will apply the alternative requirements applicable to the pre-conversion residents in this Section to new admission families.

HCD may request the waiver during the RAD conversion process or may subsequently request the waiver any time after the effective date of the HAP Contract. In order for the waiver to be approved, HCD must demonstrate that based on the RAD rent calculated in accordance with Attachment 1C, the monthly two-bedroom RAD Gross Rent is less than: 30% of the monthly income of a family of four at the midpoint between the Very Low Income (VLI) HUD Income Limit and Extremely Low Income (ELI) HUD Income Limit for the area in which the Covered Project is located.

For waivers submitted during the conversion process, the Office of Recapitalization may grant the waiver after review of the Financing Plan and confirmation that the RAD rents meet the waiver rent threshold described above.⁴³ The Office of Recapitalization shall document the waiver by adding an additional provision to the RCC before closing. For waivers submitted after the effective date of the HAP Contract, the waiver is submitted through the normal waiver process outlined in Notice PIH 2018-16 (or any successor notice). In both cases, the approved waiver will be for the initial term of the PBV HAP Contract.

If the waiver is approved, the new admission families covered under the waiver are participants under the PBV program, all the family obligations and protections under RAD and PBV apply to the family, the RAD PBV families shall be subject to the same alternative requirements applicable to the pre-conversion residents under this Section, and the unit is subject to all PBV program requirements, as modified by this Notice.

Further, Covered Projects that receive the waiver shall be subject to an alternative income targeting requirement that at least 75% of new admissions to the PBV units (both RAD and non-RAD PBV units) in the Covered Project in any PHA fiscal year are ELI families.⁴⁴ If there are less than four new admissions to the Covered Project in a PHA fiscal year, the income targeting is determined by combining the new admissions for that fiscal year with the new admissions for the subsequent fiscal year (or years) until the combined total of new admissions equals or exceeds four for those consecutive fiscal years.⁴⁵

9. **Under-Occupied Unit.** If a family is in an under-occupied unit under 24 CFR § 983.260 at the time of conversion, the family may remain in this unit until an appropriate-sized unit becomes available in the Covered Project. When an appropriate sized unit becomes available in the Covered Project, the family living in the under-occupied unit must move to the appropriate-sized unit within a reasonable period of time, as determined by the administering Voucher Agency. In order to allow the family to remain in the under-occupied unit until an appropriate-sized unit becomes available in the Covered Project, 24 CFR § 983.260 is waived. MTW agencies may not modify this requirement.

⁴³ An example of the waiver rent threshold calculation is as follows. Assume the applicable VLI limit is \$46,850 and the ELI limit is \$28,100. The midpoint income is \$37,475 ($\$46,850 + \$28,100 = \$74,950$; $\$74,950/2 = \$37,475$). To calculate the affordable monthly rent, the midpoint income is divided by 12 and multiplied by 0.30 ($\$37,475/12 = \$3,123$; $\$3,123 \times 0.30 = \$937$). If the RAD Rent is less than \$937, the Covered Project is eligible for the waiver.

⁴⁴ This alternative requirement for the Covered Project is in addition to HCD's HCV/PBV program income targeting requirements at 24 CFR 982.201(b)(2). Admissions to the Covered Project continue to be taken into account when determining income targeting in accordance with 24 CFR 982.201(b)(2).

⁴⁵ For example, assume in fiscal year in which the waiver was granted the Covered Project had one new admission and in following fiscal year had three new admissions. Compliance with the Covered Project income targeting requirement would be determined based on the combined total of the 4 new admissions over the two fiscal years (3 of the 4 new admissions to PBV units the Covered Project must have been ELI families).

G. RAD PBV: Other Miscellaneous Provisions

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

1. **Access to Records, Including Requests for Information Related to Evaluation of Demonstration.** PHAs and the Project Owner must cooperate with any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility utilization, and rehabilitation work. Please see Appendix IV for reporting units in Form HUD-50058.
2. **Ongoing PHA Board Review of Operating Budget.** The Owner must submit to the administering PHA's Board the operating budget for the Covered Project annually. The Board must confirm that the Project Owner is making deposits into the Reserve for Replacement account in accordance with the RCC as well as assess the financial health of the Covered Project.⁴⁶
3. **Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3).** This section has been moved to 1.4.A.13 and 1.4.A.14.
4. **Establishment of Waiting List.** 24 CFR § 983.251 sets out PBV program requirements related to establishing and maintaining a waiting list from which residents for the Covered Project will be admitted⁴⁷
5. **Mandatory Insurance Coverage.** The Covered Project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed project property.
6. **Future Refinancing.** Project Owners must receive HUD approval for any refinancing or restructuring of secured debt during the HAP Contract term to ensure the financing is consistent with long-term preservation of the Covered Project. With respect to any financing contemplated at the time of conversion (including any permanent financing which is a conversion or take-out of construction financing), such consent may be evidenced through the RAD Conversion Commitment (RCC)⁴⁸ but HUD review of liens must be performed prior to execution.
7. **Administrative Fees for Public Housing Conversions During the Year of Conversion.** For the remainder of the Calendar Year in which the HAP Contract becomes effective (i.e., the "year of conversion"), RAD PBV projects will be funded with public housing funds. For example, if the project's assistance converts effective July 1, 2015, the public housing ACC between HCD and HUD will be amended to reflect the number of units under HAP Contract, but will be for zero dollars, and the RAD PBV HAP Contract will be funded with public housing money for July through December 2015. Since TBRA is not the source of funds, PHAs should not report leasing and expenses into VMS during this period, and PHAs will not receive section 8 administrative fee funding for converted units during this time.

PHAs operating HCV program typically receive administrative fees for units under a HAP Contract, consistent with recent appropriation act references to "section 8(q) of the [United States Housing

⁴⁶For RAD PBV conversions that are not FHA-insured, a future HUD notice will describe project financial data that may be required to be submitted by a RAD PBV owner for purposes of monitoring and evaluation, given that PBV projects do not submit annual financial statements to HUD/REAC.

⁴⁷ The remainder of this subsection has been omitted since it is not applicable.

⁴⁸For purposes of this Appendix A the term "RAD Conversion Component" or "RCC" shall mean the contract executed by HUD, the PHA and, as applicable, the post-conversion Project Owner. The RCC follows HUD approval of the Financing Plan and describes the terms and conditions of the conversion.

Act of 1937] and related appropriations act provisions in effect immediately before the Quality Housing and Work Responsibility Act of 1998" and 24 CFR § 982.152(b). During the year of conversion mentioned in the preceding paragraph, these provisions are waived. PHAs will not receive Section 8 administrative fees for PBV RAD units during the year of conversion.

After the year of conversion, the Section 8 ACC will be amended to include Section 8 funding that corresponds to the units covered by the Section 8 ACC. At that time, the regular Section 8 administrative fee funding provisions will apply.

8. **Choice-Mobility.** One of the key features of the PBV program is the mobility component, which provides that if the family has elected to terminate the assisted lease at any time after the first year of occupancy in accordance with program requirements, HCD must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

If as a result of participation in RAD a significant percentage of HCD's HCV program becomes PBV assistance, it is possible for most or all of a PHA's turnover vouchers to be used to assist those RAD PBV families who wish to exercise mobility. While HUD is committed to ensuring mobility remains a cornerstone of RAD policy, HUD recognizes that it remains important for HCD to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community. Therefore, HUD is establishing an alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP Contract administered by HCD exceeds 20 percent of HCD's authorized units under its HCV ACC with HUD.

The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of Covered Projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in an eligible PHA's administrative plan.

To effectuate this provision, HUD is providing an alternative requirement to Section 8(o)(13)(E) of the Act and 24 CFR § 983.261(c). Please note that this alternative requirement does not apply to PBVs entered into outside of the context of RAD. MTW agencies may not alter this requirement.

9. **Reserve for Replacement.** The Project Owner shall establish and maintain a replacement reserve in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items in accordance with applicable regulations. The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. For Federal Housing Administration (FHA) transactions, Replacement Reserves shall be maintained in accordance with the FHA Regulatory Agreement. For all other transactions, Replacement Reserves shall be maintained in a bank account or similar instrument, as approved by HUD, where funds will be held by the Project Owner or mortgagee and may be drawn from the reserve account and used subject to HUD guidelines.
10. **Initial Certifications and Tenant Rent Calculations.** The Contract Administrator uses the family's public housing tenant rent (reflected on line 10f of the family's most recent HUD Form 50058) at the date of the conversion to calculate the PBV HAP and tenant rent until the effective date of the earlier of the family's first regular or interim recertification following the date of conversion. At the earlier of the family's first regular or interim recertification, the Contract Administrator will use the family's TTP based on the recertification and the HCV utility allowance (or the PBV site-specific utility allowance, if applicable) to determine the PBV HAP and tenant rent. This means that the family pays the same tenant rent as the family was paying under the public housing program until the earlier of first regular or interim reexamination following conversion, at which point the normally applicable PBV calculation for the tenant rent becomes effective. (Under the PBV program, the monthly HAP is the rent to owner minus the tenant rent, and the tenant rent is the family TTP minus the utility allowance.) To facilitate the uniform treatment

of residents and units at a Covered Project, any non-RAD PBV units located in the same property as the Covered Project shall be subject to the terms of this provision. To effectuate this provision, HUD is waiving 24 CFR 5.601 and 983.3(c)(6)(iii).

- H. HCD complies with and will continue to comply with the RAD Fair Housing, Civil Rights, and Relocation Notice (Joint Housing/PIH Notice H-2016-17/PIH-2016-17). Additionally, HCD will comply with all requirements set forth in Miami-Dade Board of County Commissioners' Resolution Nos. R-1329-19 and R-1181-19, which require (i) that prior to the closure of a public housing site due to health and safety reasons, the RAD Program or for any other reason, the Board of County Commissioners must approve such closure, and (ii) the County to execute Tenant Relocation Agreements with each of the tenants impacted by the closure of a public housing site or relocated because of the RAD Program, respectively.

Note that the Joint Housing/PIH Notice was issued on November 10, 2016 and includes requirements on Affirmatively Furthering Fair Housing (AFFH). However, this notice has been amended through the Notice titled AFFH: Responsibility to Conduct Analysis of Impediments published on May 23, 2018, in the Federal Register.

- I. HCD certifies that the RAD conversions will comply with all applicable site selection and neighborhood reviews and follow all appropriate procedures as required in the RAD Fair Housing, Civil Rights, and Relocation Notice (Notice H 2016-17/PIH 2016-17 (HA)).

Note: 1) Projects above are subject to funding availability and priorities, project costs, HUD requirements, environmental and other factors. 2) RAD was designed by HUD to assist in addressing the capital needs of public housing by providing HCD with access to private sources of capital to redevelop its affordable housing assets. Upon conversion, HCD's Capital Fund Budget will be reduced by the pro rata share of Public Housing Units converted as part of the RAD.

The following narrative potential Faircloth to RAD conversions constitutes a Significant Amendment:

K. Development Information: Potential Faircloth-to-RAD Conversions

In July 2023, HUD issued Supplemental Notice 4B to its RAD Notice (H-2023-08 PIH-2023-19) which, among other things, provided guidance on utilization of a PHA's capacity under its "Faircloth Limit" ¹ to acquire and/or construct new public housing units, receive new federal Capital and Operating funds for those units, and subsequently convert the units and funding to the RAD Section 8 platform in a streamlined process known as "Faircloth-to-RAD" conversion.

HCD may pursue Faircloth-to-RAD conversions at the developments listed below. HCD would submit Mixed-Finance Development Proposals to HUD for approval of new construction or acquisition (with or without rehabilitation) of new federal public housing units. With HUD approval, the newly constructed or acquired units would convert to RAD Site-Based Voucher units immediately or shortly after acceptance as federal public housing.

HCD is currently in the planning stage for all Faircloth-to-RAD developments described in this section. Decisions to proceed with conversions will be informed by HUD guidance, due diligence and feasibility studies, and continued engagement with residents of developments for which conversion is proposed.

As of December 31, 2023, HCD may add to its public housing portfolio as many as 2,310 units (its "Faircloth capacity") before HCD's Faircloth Limit is reached. HCD has substantial room under its Faircloth Limit to add new public housing units described in this section.

¹ The Faircloth Limit refers to an amendment to Section 9(g)(3) of the Housing Act of 1937 ("Faircloth Amendment") which limits the construction of new public housing units. The Faircloth Amendment stipulates that HUD cannot fund the construction or operation of new public housing units with Capital or Operating Funds if the construction of those units would result in a new increase in the number of units the public housing agency owned, assisted or operated as of October 1, 1999.

Appendix D

RAD/Section 18 Blend Option and Site Configuration

I. RAD/Section 18 Blend Option

On January 19, 2021 HUD issued Notice PIH-2021-07, RAD Final Implementation, Revision 4. The notice discusses the tool available to the PHA for combining Section 18 of the Housing Act of 1937 and RAD in order to perform comprehensive rehabilitation or new construction of its housing. On July 27, 2023, HUD issued Notice PIH-2023-19, RAD Supplemental Notice 4B, which amends PIH-2021-07 by revising the definition of high-cost areas used for the purposes of defining the percentage of units that may be disposed of through Section 18 pursuant to a RAD/Section 18 Blend.

The notice, as amended, states the following:

“e. Blending Section 18 Disposition Approvals with Rental Assistance Demonstration (RAD) Conversion. *The PHA is converting a portion of the public housing units within a Converting Project and is replacing the units proposed for disposition with project-based Section 8 assistance within the Covered Project, as the terms “Converting Project” and “Covered Project” are defined in the RAD Final Implementation Notice Revision 4 (H-2019-09 PIH-2019-23 (HA)), as amended from time to time (the “RAD Notice”). The aggregate number of replacement units (RAD and project-based Section 8) must meet the RAD “substantial conversion of assistance” requirements.*

(1) RAD/Section 18 Construction Blend. *The percentage of units eligible for disposition within the Converting Project is based on the hard construction costs, including general requirements, overhead and profit, and payment and performance bonds, proposed for the new construction or rehabilitation of the Covered Project. To be eligible, the proposed transaction may not use 9% Low Income Housing Tax Credits. The following sets forth the percentage of units eligible for disposition within the Converting Project based on the level of construction activity:*

(a) If the hard construction costs are equal to or exceed ninety percent (90%) of the Housing Construction Costs (HCC) as published by HUD for the given market area, at the PHA’s discretion up to sixty percent (60%) of the units in the Converting Project may be disposed of under Section 18. For high-cost areas, defined as those where HCC exceeds one hundred and twenty percent (120%) of the national average HCC or where the amount of construction necessary to convert the units from their current condition to the condition proposed as a result of the Work would cost in excess of two hundred percent (200%) of the national average HCC at the PHA’s discretion up to eighty percent (80%) of the units in the Converting Project may be disposed of under Section 18.

(b) If the hard construction costs are equal to or exceed sixty percent (60%) but are less than ninety percent (90%) of the Housing Construction Costs as published by HUD for the given market area, at the PHA’s discretion up to forty percent (40%) of the units in the Converting Project may be disposed of under Section 18.

(c) If the hard construction costs are equal to or exceed thirty percent (30%) but are less than sixty percent (60%) of the Housing Construction Costs as published by HUD for the given market area, at the PHA’s discretion up to twenty percent (20%) of the units in the Converting Project may be disposed of Section 18.”

B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through its housing department Housing and Community Development Department (HCD) within its current resources by:

- (1) Reducing turnover time for vacated public housing units through implementation of a vacancy reduction initiative to achieve an overall occupancy rate of 94 percent.
- (2) Seeking replacement of public housing units lost to the inventory through mixed finance development, RAD and other financing or funding strategies including reclaiming units available under the Faircloth cap.
- (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
- (4) Participating in a Homeless Pilot Program to address homelessness by collaborating with the Homeless Trust for referrals of homeless persons transitioning out of a shelter, transitional housing program, rapid re-housing program, or permanent supportive housing.
- (5) HCD has applied for available streamlined waivers to expedite admissions for persons experiencing homelessness for the Public Housing program (i.e., PIH Notice 2024-17). When granted, these waivers will remain in effect for a period of 12 months following approval and will provide alternative requirements that HCD must follow during the period the waiver is in effect.
- (6) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.
- (7) Participating in Miami-Dade County's General Obligation Bond (GOB) program to expand the amount of public housing available in Miami-Dade County.
- (8) Utilizing County-owned Public Housing land for the purpose of developing affordable workforce housing for low-income families and homeownership opportunities.

b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:

- (1) Leveraging private or other public funds or generate revenue to create affordable housing resources opportunities such as the utilization of the RAD program including Section 18/RAD blending option, Section 18 direct replacement with Tenant Protection Vouchers, and Low- Income Housing Tax Credits (LIHTC) and any other available funding sources in the community through the creation of mixed-finance housing.
- (2) Pursuing housing resources other than public housing assistance.
- (3) Continuing to apply for funding or grant opportunities that may become available to create additional housing opportunities.

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income. Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities

Strategy: Target available assistance to applicants and residents with disabilities.

4. Need: Specific Family Types: Races or ethnicities with housing needs

Strategy: Increase awareness by complying with all HUD fair housing requirements.

5. Need: Reduce impediment to Fair Housing choice through education efforts

Strategy: Continue providing fair housing training to employees. Training is provided to staff on equal opportunities to applicants and participants regardless of their status as a victim of domestic violence, dating violence or stalking, actual or perceived sexual orientation, gender identity, gender expression, race, national origin, ethnic origin, color sex, religion, age, disability, familial status, marital status, ancestry, pregnancy or source of income.

II. Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

- A. Deconcentration may include, but is not limited to the following:
1. Targeting modernization and capital improvements to developments with an average income below the Established Income Range (EIR), to encourage applicant families whose income is above the EIR to accept units in those developments.
 2. Providing incentives which encourage families with incomes below the EIR to accept units in developments with incomes above the EIR, or vice versa. Such incentives may include affirmative marketing plans or added amenities.
 3. Providing any other strategies allowed by statutes and determined in consultation with residents and the community via HCD's planning process. Current strategies include modernization of Public Housing developments through the Low-Income Housing Tax Credit (LIHTC) program and/or other available funding sources.
 4. Developing strategies for mixed-income and mixed-use of public housing developments.
- B. Other Policies that Govern Eligibility, Selection, and Admissions
1. Eligibility
HCD is responsible for ensuring that every individual and family admitted to the Public Housing program meets all program eligibility requirements. This includes any individual approved to join the family after the family has been admitted to the program. Eligibility is established as delineated in the Admission and Continued Occupancy Policy (ACOP).
 2. Selection and Admission
 - Waiting List Organization
 - (1) HCD selects applicants for the Public Housing Program from a community-wide waiting list.
 - (2) HCD may choose from various options regarding when and how to open, administer, and populate the waiting list, subject to approval by the Miami-Dade County Board of County Commissioners (the Board).
 - (3) Some of these options may include an exclusive electronic open waiting list, where ranking is based on the date and time of application or any applicable factors that the agency may adopt, subject to approval by the Board.
 - Initial Process
 - (1) On September 17, 2024, the Miami Dade County Board of County Commissioners adopted Resolution R-812-24 that authorized the dissolution of the public housing waiting as of October 1, 2024, and the opening of a new public housing waiting list from October 15, 2024, to November 11, 2024.
 - Admission Preferences
 - (1) Admission preferences include:
 - Persons Eligible for Assisted Living Facility Housing and Services
 - Veterans
 - Extremely Low-Income or Special Needs Households to its Low-Income Housing Tax Credits (LIHTC) developments referred by the Miami-Dade County Homeless Trust pursuant to the executed memorandum of understanding.
 - Homeless families who have been referred by the Miami-Dade County Homeless Trust pursuant to the executed memorandum of understanding.
 - Homeless preference as verified by the Miami-Dade County Homeless Trust in accordance with PIH Notice 2023-13.
 - A participant under HCD's Housing Choice Voucher Program or Project Based Voucher that lost their assisted housing because the private owner failed the HQS inspection, and the family has been unable to lease a new unit within the period provided by HCD.
 - May establish residency preferences for persons that reside anywhere in Miami-Dade County, including families who work or have been hired to work in Miami-Dade County.

- (2) Change of Program Special Admission Preference: HCD may, at its sole discretion, for humanitarian reasons, including but not limited to, reasonable accommodation for a family member with disabilities in another HCD administered federally assisted housing program, provide another site-based housing opportunity, such as the Public Housing program. This family may be placed on HCD's waiting list even if the waiting list is otherwise closed or may already be on HCD's waiting list. HCD will confirm that the tenant is in compliance with all assisted housing tenant and lease obligations. Approval of HCD's Director or designee is required.
 - (2) HCD may establish further admission preferences to assist vulnerable populations, subject to resource availability and at its discretion. Examples of such population include families under the witness protection program, ex-offenders and felons that are part of a reentry program, and pregnant women or women with children where one or more members of the household have been diagnosed with the acquired immunodeficiency syndrome (AIDS).
 - (3) Special Housing Initiatives
HCD, subject to resource availability and at its discretion, may develop special housing initiatives that may receive an admission preference. These special housing initiatives may target specifically named families and may be based on HCD and community priorities or HUD's request.
- Factors Affecting Waiting List
 - (1) Applicants with mobility, vision and/or hearing impairment(s) will be offered Uniform Federal Accessibility Standards (UFAS) units or units with accessible features based on availability. Priority is provided to transferees.
 - (2) Families displaced for development renovation.
 - (3) Families displaced for development renovation and wishing to return to the development after renovation is completed.

III. Financial Resources.

* RAD was designed by HUD to assist in addressing the capital needs of public housing by providing HCD with access to private sources of capital to redevelop its affordable housing assets. Upon conversion, HCD's Capital Fund Budget will be reduced by the pro rata share of Public Housing Units converted as part of the RAD.

** Miscellaneous Revenue includes Assisted Living Facility fees, late fees, maintenance charges, etc. The County may potentially receive additional funding if HCD applies for Capital Fund Financing Program (CFFP).

IV. Rent Determination.

Rent determination policies for the Public Housing Program are found in the Admissions and Continued Occupancy Policy (ACOP) to include the following:

- A. HCD has set its minimum rent at \$50.00. As required by the federal regulations, financial hardship provisions are made available to residents and participants of the program who qualify.
- B. HCD annually revises the Flat Rent Schedule for the Public Housing Program in accordance with PIH Notice 2017-23.

- E. The HOTMA revision related to the Earned Income Disallowance (EID) is in effect. EID was no longer applied after December 31, 2023. However, the remaining families will complete their 24-month exclusion period. This means that no family will still be receiving EID after December 31, 2025.

 - (4) Change of Program Special Admission Preference: HCD may, at its sole discretion, for humanitarian reasons, including but not limited to, reasonable accommodation for a family member with disabilities in another HCD administered federally assisted housing program, provide another site-based housing opportunity, such as the Public Housing program. This family may be placed on HCD's waiting list even if the waiting list is otherwise closed or may already be on HCD's waiting list. HCD will confirm that the tenant is in compliance with all assisted housing tenant and lease obligations. Approval of HCD's Director or designee is required.
 - (5) Pursuant to PIH Notice 2024-17, HCD has been granted two regulatory waivers applicable to persons experiencing homelessness to expedite admission.
 - (a) HCD may self-certify their date of birth and disability status
 - (b) HCD may accept a self-certification of income
 - b) On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA including but not limited to income exclusions and definitions. These provisions are to take effect no later than July 1, 2025.

c) Propose HOTMA Discretionary Policies

1. HCD may accept a statement why an applicant or addition to household cannot obtain their social security card (SSN), and what their SSN is together with a document stating the person's name (such as bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual). Upon admission, SSN verification must be completed within 90 days.
2. Financial Hardship: HCD may extend child-care expenses, health and medical care expenses and reasonable attendant care and auxiliary apparatus expenses to qualifying families for one additional 90-day period.

commercial purposes.” This definition does not include any reptiles (other than certain turtles) or other protected animals or reptiles that are prohibited by the Florida Fish and Wildlife Conservation Commission or similar state, federal or local agency from private ownership. This does not pertain to assistance animals.

B. Strategy for Addressing Housing Needs

1. Need: Shortage of affordable housing for all eligible populations

- a) Strategy 1. Maximize the number of affordable units available to Miami-Dade County by and through HCD within its current resources by:
- (1) Applying for additional vouchers if made available by HUD.
 - (2) Seeking replacement of moderate rehabilitation units lost to the inventory through Section 8 Tenant Protection Vouchers.
 - (3) Undertaking measures to ensure access to affordable housing among assisted families, regardless of unit size required.
 - (4) Housing homeless persons through the Project-Based Voucher program, per PIH Notice 2013-15, subject to need and funding availability. HCD has applied for available streamlined waivers to expedite admissions for persons experiencing homelessness for HCV and PBV programs (i.e., Notice PIH 2024-17). When granted, these waivers will remain in effect for a period of 12 months following approval and will provide alternative requirements that HCD must follow during the period the waiver is in effect.
 - (5) Participating in the Consolidated Plan development process to ensure coordination with broader community strategies.
- b) Strategy 2: Increase the number of affordable housing units that reflect HUD and local requirements by:
- (1) Pursuing housing resources other than Section 8 tenant-based assistance.
 - (2) Continuing the implementation of the Section 8 Homeownership and Project-based Voucher Programs, contingent on the availability of vouchers

2. Need: Specific Family Types: Families at or below extremely low income (ELI) or very low income. Strategy: Target available assistance to ELI families.

3. Need: Specific Family Types: Families with Disabilities

Strategy: Target available assistance to applicants and residents with disabilities.

4. Need: Specific Family Types: Races or ethnicities with housing needs

Strategy: Increase awareness by complying with all HUD fair housing requirements.

5. Need: Reduce impediment to Fair Housing choice through education efforts

Strategy: Continue providing Fair Housing training to employees. Training is provided to staff on equal opportunities to applicants and participants regardless of their status as a victim of domestic violence, dating violence or stalking, actual or perceived sexual orientation, gender identity, gender expression, race, national origin, ethnic origin, color sex, religion, age, disability, familial status, marital status, ancestry, pregnancy, or source of income.

II. Deconcentration and Other Policies that Govern Eligibility, Selection, and Admissions.

A. Deconcentration may include, but is not limited to, the following: Not Applicable to HCV

B. Other Policies that Govern Eligibility, Selection, and Admissions

1. Eligibility

- a) Eligibility is established as delineated in the Section 8 Administrative Plan.

2. Selection and Admission

a) Waiting List Organization

- (1) HCD selects applicants for the Housing Choice Voucher, Project-Based Voucher, and Moderate Rehabilitation Programs from separate waiting lists.

- (2) HCD, subject to the Board of County Commissioners' approval, may elect to dissolve the waiting list as needed. Once the waiting list is dissolved, applicants who are on the waiting list at the time the waiting list dissolved shall keep their ranking and shall not be required to submit new applications during the open registration period. Notwithstanding the dissolution of the waiting list, applicants who are being processed prior to dissolution of the waiting list will continue to be processed by HCD.

- (3) HCD, subject to the Board of County Commissioners' approval, may elect to open the waiting list if there are insufficient applicants for a particular bedroom size, type (e.g., general occupancy, elderly designated buildings, accessible or non-accessible, or for one or more of the local preferences.
- (4) The opening and closing of registration periods will be advertised on social media platforms, newspaper publications and the radio for the purpose of reaching all segments of the community and providing advanced notice.
- (5) HCD may choose from various options regarding when and how to open, administer, and populate the waiting, subject to approval by the Board.
- (6) Some of these options may include an exclusive electronic open waiting list, where ranking is based on the date and time of application or any applicable factors that the agency may adopt, subject to approval by the Board.

(7) Placement on the Waiting List

HCD will determine the number of applications to be selected for placement on the waiting list based on historical and empirical data. The waiting list number represents the number of applications that need to be reviewed in order to result in the issuing of enough vouchers to absorb all underlying funding within a 12 to 18-month period. After that, subject to the Board of County Commissioners' approval, the list will be reopened.

HCD will select applicants to be placed on the waiting list via an electronic drawing and random selection process. The applicants will be placed on the waiting list in order of the assigned numbers and according to HCD admission preference(s) described in this chapter.

Those families not selected from the pool for placement on the waiting list will be sent a notice that they were not selected, informing that they may apply the next time HCD's waiting list is open.

- (8) HCD may establish site-based waiting lists for its Section 8 Project-Based Voucher Program beginning in 2025 and pursuant to the following policies:
 - Interested families will apply with HCD.
 - Adopted admission preferences will be available for applicants to request during open registration.
 - The site-based waiting list may remain perpetually open.

Note that under the site-based waiting list approach, families apply for the properties that best meets their needs, such as access to employment, family support, school, public transportation, hospital, medical facility, etc. Implementing a site-based waiting list will expedite leasing process as families are only referred to properties, they expressed interest in residing.

b) Search Time

- The initial term of the Section 8 voucher and subsequent extensions will not exceed 180 days from the date of voucher issuance.
- The voucher term may be extended beyond 180-day as a reasonable accommodation.

c) Admission Preference

- (1) Admission preferences include:

- Veterans
 - Homeless as verified by the Miami-Dade County Homeless Trust in accordance with PIH Notice 2023-13.
 - Homeless referred by the Miami-Dade County Homeless Trust pursuant to the executed memorandum of understanding.
-
- Non-elderly persons with disabilities who are transitioning out of institutional and other segregated settings, at serious risk of institutionalization, homeless, or at risk of becoming homeless for the Mainstream HCV Program, upon allocation of funding by HUD.
 - Miami-Dade County Public Housing residents imminently affected by an activity carried on by any governmental body or in connection with code enforcement or a public improvement or development program including but not limited to the RAD program.
 - Preference may be provided for elderly residents of specific public housing developments that are planned for redevelopment for Section 8 Project Based Voucher (PBV) Program. HCD must determine which PBV units will be designated for public housing elderly units that will be provided this preference.
 - Families terminated due to insufficient funding by HCD.
 - Residency preferences for persons that reside anywhere in Miami-Dade County, including families who work or have been hired to work in Miami-Dade County.
- (2) Change of Program Special Admission Preference: HCD may, at its sole discretion, for humanitarian reasons, including but not limited to, reasonable accommodation for a family member with disabilities in another HCD administered federally assisted housing program, issue a voucher under another tenant-based HCD program or provide another site-based housing opportunity, such as the Public Housing program. This family may be placed on HCD's waiting list even if the waiting list is otherwise closed or may already be on HCD's waiting list. HCD will confirm that the tenant is in compliance with all assisted housing tenant and lease obligations. Approval of HCD's Director or designee is required.
- (3) Unless specifically prohibited by a property's elderly/disabled designation or funding source(s), all preferences for the tenant-based waiting list also apply to all PBV site-based waiting list.
- (4) HCD may announce preferences for PBV site-based waiting lists on a development-by development basis via the self-service portal and/or the developer's advertisement, or via other appropriate method.
- (5) An admission preference for applicants with a demonstrated need for specialized services offered by the particular project will be available for PBV site-based waiting lists. Any individual who is qualified for the services must be able to receive the preference, including qualified individuals with disabilities.
- Examples include, but are not limited to, preferences that may be only for persons who qualify for employment assistance, or for transportation services, or a preference that may be for persons who qualify for either housekeeping assistance, case management, outpatient health services, personal assistance, education services, services designed to help the recipient live in the community as independently as possible, disability-specific services such as mental health services, and the provision of medication, which are provided to support a person with a disability.

The following preferences also offered by the particular project will be available for PBV site-based waiting list:

- A preference for public housing residents affected by redevelopment and/or any government action.

- Elderly households 62 years old and older.
- As required by regulation (e.g., eligible in-place families, family's right to return, elderly families or units with supportive services, or mobility impaired persons for accessible units).
- A preference to assist vulnerable populations; HCD may establish further admission preferences to assist vulnerable populations, subject to resource availability and at its discretion. Examples of such population include families under the witness protection program, ex-offenders and felons that are part of a reentry program, and pregnant women or women with children where one or more members of the household have been diagnosed with the acquired immunodeficiency syndrome (AIDS).
- A preference for Special Needs Households, as defined at Section 67-48.002(108) of the Florida Administrative Code (FAC), which may be amended, that may be referred by a Special Needs Household Referral Agency, as defined at in Section 67-48.002(109) of the FAC.

Examples of such populations include public housing residents on a case-by-case basis due to redevelopment and emergencies, families under witness protection program, ex-offenders and felons that are part of a reentry program, and pregnant women or women with children where one or more members of the household have been diagnosed with the acquired immunodeficiency syndrome (AIDS).

(6) HCD reserves the right to add an admission preference for humanitarian and extraordinary reasons.

d) Income Targeting

At least 75 percent of the families admitted to the PHA's program during a PHA fiscal year must be extremely low-income families, while 25 percent may include low-income families over 30 and not to exceed 80 percent of the median income for an area.

3. Special Housing Initiatives

HCD, subject to resource availability and at its discretion, may develop special housing initiatives that may receive an admission preference. These special housing initiatives may target specifically named families and may be based on HCD and community priorities or HUD's request.

4. Special Admissions (Assistance Targeted by HUD)

HCD may admit a family that is not on the waiting list or without considering the family's waiting list position if HUD awards targeted assistance for:

- a) Displaced persons.
- b) Public Housing residents on a case-by-case basis due to redevelopment.
- c) Mandate settlements, or directives by a court of the United States or HUD in relation to the issuing of vouchers to persons not on the waiting list.

- f) Mainstream Voucher (MS5).
- g) Non-elderly Disabled (NED).
- h) Foster Youth Independence (FYI)
- i) Preservation housing in accordance with the Section 8 Administrative Plan.

- A. The following will be considered a Substantial Deviation from the Five-Year Plan:
- A substantial change in the direction pertaining to its goals and objectives.
 - The undertaking of new programs that do not further the stated mission or goals as set forth in the current Five-Year Plan.
- B. An exception to this definition will be made for program activities required or adopted to reflect changes in HUD regulations or as a result of a declared national or local emergency. In such cases, the administrative/programmatic changes will not be considered a Substantial Deviation from the Five-Year Plan.
- C. As part of the RAD, HCD is redefining the definition of a substantial deviation from the PHA Plan to exclude the following RAD-specific items:
- The decision to convert to either Project Based Rental Assistance (PBRA) or Site Based Voucher Assistance (PBV) under RAD;
 - Changes to the Capital Fund Budget produced as a result of each approved RAD Conversion, regardless of whether the proposed conversion will include use of additional Capital Funds;
 - Changes to the construction and rehabilitation plan for each approved RAD conversion; and
 - Changes to the financing structure for each approved RAD conversion.
 - Changes to the unit distribution, total unit counts, or both in an approved RAD or RAD Blended conversion or other RAD linked programs. Note that HCD remains fully committed to complying with the RAD requirement to provide one-for-one replacement of all public housing units in all RAD conversion projects. The changes referenced in this statement pertain to unit distribution between buildings and sites and total unit counts as those may change based on the amount of residential units included in addition to the RAD units.

- Changes to development programs as indicated between RAD, RAD Blended projects, HUD Mixed Finance, and LIHTC only projects and all within the definition of affordable housing.

XIII. Significant Amendment/Modification.

- A. The following actions will be considered a Significant Amendment or Modification to the Five-Year Plan and Annual Plan:

 - Significant addition of non-emergency work items not included in the Capital Fund Program Annual Statement(s).
 - An exception to this definition will be made for any new activities that are adopted to reflect changes in HUD regulatory requirements or as a result of a declared emergency (such changes will not be considered significant amendments or modifications by HCD).

SECTION B.2 - PUBLIC HOUSING

B.2.A –New Activities for Public Housing

Does the PHA intend to undertake any new activities related to the following in the PHA's current Fiscal Year?

Public Housing Program		
Y	N	Elements
	x	I. Hope VI or Choice Neighborhoods.
x		II. Mixed Finance Modernization or Development.
x		III. Demolition and/or Disposition.-
x		IV. Designated Housing for Elderly and/or Disabled Families.
	x	V. Conversion of Public Housing to Tenant-Based Assistance.
x		VI. Conversion of Public Housing to Project-Based Assistance under RAD. -
x		VII. Occupancy by Over-Income Families.
	x	VIII. Occupancy by Police Officers.
	x	IX. Non-Smoking Policies.
x		X. Project-Based Vouchers.
	x	XI. Units with Approved Vacancies for Modernization.
	x	XII. Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

If any of these activities are planned for the current Fiscal Year, describe the activities. For new demolition activities, describe any public housing development or portion thereof, owned by the PHA for which the PHA has applied or will apply for demolition and/or disposition approval under section 18 of the 1937 Act under the separate demolition/disposition approval process. If using Project-Based Vouchers (PBVs), provide the projected number of project-based units and general locations, and describe how project basing would be consistent with the PHA Plan.

I. HOPE VI or Choice Neighborhoods.

- A. Review and apply for opportunities under the Choice Neighborhoods Initiative for any eligible sites.

II. Mixed-Finance Modernization or Development.

- A. HCD may apply for new mixed-finance, mixed-income and/or other grants and funding sources in the coming fiscal year as it may deem appropriate for providing additional housing and/or upgrading of existing housing and ancillary facilities which may include all Public Housing sites.
- B. Using the RAD program, HCD may convert existing Public Housing developments to Site Based Vouchers (PBV) under RAD, to upgrade its existing developments. Once a public housing development has been selected for the RAD program, the public housing units in the selected development must be replaced one-for-one.
- C. HCD may request extension of grant obligation and expenditure deadlines, upon approval from the Board, including but not limited to Replacement Housing Factor (RHF) funding. HCD may submit appropriate demolition and/or disposition applications and also execute all other documentation as required by HUD and others having jurisdiction for rehabilitation, development, acquisition and implementation of projects and corresponding funding, as indicated herein and/or any Public Housing sites.
- D. HCD intends to use all present and future RAD tools for rehabilitation and development, including blending HUD Section 18 disposition approval with RAD conversion at qualified development projects. Section 18/RAD Blends allow for Section 18 disposition of a percentage of converting units and subsequent assignment of Tenant Protection Vouchers, which may be project-based under HCD's PBV program with rent limits at HCD's payment standard. The percentage of eligible units is based on the level of Housing Construction Costs (HCCs) proposed for rehabilitation and new construction.

- E. HCD reserves the right to review on an on-going basis its mixed-finance modernization, rehabilitation and development planned under the RAD program or any other programs and make changes as HCD may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
- F. HCD may convert Mixed Finance or other affordable developments to RAD if beneficial to the development or HCD. This may include the development of new public housing units under the Mixed Finance program and their subsequent conversion to RAD under HUD's Faircloth/Restore-Rebuild-to-RAD program.
- G. HCD also reserves the right to demolish and/or dispose, or convert through RAD (after approval by the Board of County Commissioners and HUD), transfer of assistance, or any other tool or program available for developments under the following reasons:
 - 1. Building is identified with defects or conditions that are hazardous to the life, health, and safety of residents.
 - 2. Heavy gun violence or criminal activity that poses a substantial threat to the life, health, and safety of the resident.

III. Demolition and/or Disposition.

- A. HCD plans to conduct the following demolition or disposition activities (pursuant to section 18 of the U.S. Housing Act of 1937 (42 U.S.C. §1437p)) in the plan Fiscal Year.
 - 1. HCD may identify RAD developments eligible for Section 18/RAD Blends, pursuant to Notices PIH-2021-07 and PIH-2019-23, RAD Final Implementation, REV-4, as amended by Notice PIH-2023-19, RAD Supplemental Notice 4B. See Section II-D above.
 - 2. HCD reserves the right to review on an on-going basis its planned RAD portfolio and make changes as it may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
 - 3. The activity description for the following developments may be proposed for demolition and/or disposition and Section 18 /RAD blending option:

- Some of the demolition actions indicated above may be further evaluated to determine if a demolition or rehabilitation would be more advantageous.

V. Conversion of Public Housing to Tenant-Based Assistance.

A. Voluntary Conversion Initial Assessments

- a) The Required Initial Assessment indicated that the Voluntary Conversion of public housing to tenant-based assistance is inappropriate for the following reasons:
 - (1) Conversion would be more expensive than continuing to operate the developments as public housing;
 - (2) Removal of developments would not principally benefit the residents of the public housing developments included; and
 - (3) It would adversely affect the availability of affordable housing in the community.

VI. Conversion of Public Housing to Project-Based Assistance under RAD.

- A. Using the RAD program, mixed finance options, and Capital funds, among others, HCD will embark on the conversion of public housing developments to Site Based Vouchers (PBV) or Project-Based Rental Assistance (PBRA) under RAD, to upgrade its existing developments, many of which are at or near the end of their life cycle, and other important upgrades inherently required with an aging housing stock. The RAD program offers an opportunity to HCD to transition from its current public housing funding platform to a more stable funding source, the PBV under the guidelines of PIH Notice 2019-23, RAD Final Implementation, REV-4, and any successor Notices.
- B. Upon conversion to PBV under RAD, HCD will adopt the resident rights, participation, waiting list and grievance procedures in accordance with Section 1.6 of PIH Notice 2019-23, RAD Final Implementation, REV-4, as amended by PIH Notice 2023-19, and any successor Notices.
- C. HCD will use all existing and new RAD opportunities available to the HUD RAD program for rehabilitation and development including the supplementing of RAD units with Section 18 TPVs based on the level of Housing Construction Costs (HCCs) proposed for rehabilitation and new construction.
- D. HCD reserves the right to review on an on-going basis its planned RAD portfolio and make changes as it may determine to be beneficial due to changes in RAD and HUD Regulations, financial and operational considerations, facility conditions and life/safety concerns, municipal and neighborhood considerations, funding availability, zoning and building code requirements, etc. Changes may also be made if transfer of assistance is an option.
- E. Pursuant to PIH Notice 2019-23, RAD Final Implementation, REV 4, as amended by PIH Notice 2023-19, and any successor Notices, HUD requires that all the tenant protections provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents. The required tenant protections are described in Paragraph F and G of this section, see below.
 - A. HCD may reprioritize public housing developments proposed for RAD conversions for the following reasons:
 - a) Building identified with defects or conditions that are hazardous to the life, health, and safety of the resident.
 - b) Heavy gun violence or criminal activity that poses a substantial threat to the life, health, and safety of the resident.
- F. RAD PBV Resident Rights and Participation.

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.
- G. PBV Resident Rights and Participation.
 - 1. **No Rescreening of Tenants upon Conversion.** Pursuant to the Consolidated and Further Continuing Appropriations Act of 2012 (Pub. L. No. 112-55, approved November 18, 2011), as amended by the Consolidated Appropriations Act, 2014 (Pub. L. No. 113-76, approved January 17, 2014), the Consolidated and Further Continuing Appropriations Act, 2015 (Pub. L. No. 113- 235, approved December 6, 2014), and Division L, Title II, Section 237 of the Consolidated Appropriations Act (Pub. L. No. 114-113, enacted December 18, 2015) (collectively, the “RAD Statute.”), pursuant to the conversion, current households cannot be excluded from occupancy at the Covered Project ³⁷ based on any rescreening, income eligibility, or income targeting. With respect to occupancy in the Covered Project, current households in the Converting Project ³⁸ will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion.³⁹ Post-conversion, the tenure of all residents of the Covered Project is protected pursuant to RAD PBV requirements regarding continued

occupancy unless explicitly modified in this Notice (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting of tenants for initial occupancy, will not apply for current households. Once the grandfathered household moves out, the unit must be leased to an eligible family. Moving to Work (MTW) agencies may not alter this requirement. Further, so as to facilitate the right to return to the assisted property, HUD waives Section 8(o)(4) and 24 CFR § 982.201 to the extent necessary for this provision to apply to current public housing residents of the Converting Project that will reside in non-RAD PBV units or non-RAD PBRA units placed in a project that contain RAD PBV units or RAD PBRA units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR § 983 for non-RAD PBV units and the PBRA requirements governing the applicable contract for non-RAD PBRA units.

2. **Right to Return.** See section 1.4.A.5.b and the RAD Fair Housing, Civil Rights, and Relocation Notice regarding a resident's right to return. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.
3. **HCD Policy on Tenant Rent Increases.**
HCD will not increase the tenant monthly rents as a result of conversion to PBV under RAD. Likewise, the flat rent payment will not change as a result of conversion to PBV under RAD. Tenants will not see an increase on their monthly rent payment unless their income changes.
4. **Family Self Sufficiency (FSS) and Residents Opportunities and Self Sufficiency Coordinator (ROSS-SC) programs.** Not applicable.
5. **Resident Participation and Funding.** Residents of Covered Projects, any non-RAD PBV units located in the same Covered Projects will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.
6. **Resident Procedural Rights.** The following items must be incorporated into both the Section 8 Administrative Plan and the Project Owner's lease, which includes the required tenancy addendum (HUD Form 52530-c), as appropriate. Evidence of such incorporation may be requested by HUD for purposes of monitoring the program.
 - a. **Termination Notification.** HUD is incorporating additional termination notification requirements to comply with section 6 of the Act for public housing projects that convert assistance under RAD and to non-RAD PBV units located at the Covered Project. In addition to the regulations at 24 CFR § 983.257 related to Project Owner termination of tenancy and eviction (which MTW agencies may not alter) the termination procedure for RAD conversions to PBV will require that PHAs provide adequate written notice of termination of the lease which shall be:

³⁷ For purposes of this Appendix A, the term "Covered Project" shall mean the post-conversion property with assistance converted from one form of rental assistance to another under the RAD program.

³⁸ For purposes of this Appendix A, the term "Converting Project" shall mean the pre-conversion property whose assistance is converting from one form of rental assistance to another under the Demonstration.

³⁹ These protections (as well as all protections in this Notice for current households) also apply when a household is relocated to facilitate new construction or repairs following conversion and subsequently returns to the Covered Project.

Note: Section 1.6.C.6.a.ii is deleted and replaced below in accordance with PIH Notice 2025-03, RAD – Supplemental Notice 4C.

- i. A reasonable period of time, but not to exceed 30 days:
 - 1. If the health or safety of other tenants, Project Owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 - 2. In the event of any drug-related or violent criminal activity or any felony conviction;
 - ii. Not less than 30 days in the case of nonpayment of rent and in conformance with the terms of the Tenancy Addendum (HUD Form 52530c or replacement form); and
 - iii. Not less than 30 days in any other case, except that if a State or local law provides for a shorter period of time, such shorter period shall apply.
- b. **Grievance Process.** Pursuant to requirements in the RAD Statute, HUD is establishing additional resident procedural rights to comply with section 6 of the Act.

For the termination of assistance and several other PHA determinations, PBV program rules require the PHA to provide an opportunity for an informal hearing, as outlined in 24 CFR § 982.555. RAD will specify alternative requirements for 24 CFR § 982.555(b) in part, which outlines when informal hearings are not required, to require that:

- i. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(v),⁴⁰ an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the resident's rights, obligations, welfare, or status.
 - 1. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(v), the contract administrator will perform the hearing, as is the current standard in the program. The hearing officer must be selected in accordance with 24 CFR § 982.555(e)(4)(i).
 - 2. For any additional hearings required under RAD, the Project Owner will perform the hearing.
- ii. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or Contract Administrator.
- iii. The Project Owner gives residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(vi).
- iv. The Project Owner provides opportunity for an informal hearing before an eviction.
- v. Current PBV program rules require that hearing procedures must be outlined in HCD's Section 8 Administrative Plan.
- vi. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

⁴⁰§ 982.555(a)(1)(iv) is not relevant to RAD as the tenant-based certificate program has been repealed.

7. **Earned Income Disregard (EID).** Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID after conversion, in accordance with regulations at 24 CFR § 5.617. Upon the expiration of the EID for such families, the rent adjustment shall not be subject to rent phase-in, as described in Section 1.6.C.4; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time.

Under the Housing Choice Voucher program, the EID exclusion is limited only to persons with disabilities (24 CFR § 5.617(b)). In order to allow all tenants (including non-disabled persons) who are employed and currently receiving the EID at the time of conversion to continue to benefit from this exclusion in the RAD PBV project, the provision in 24 CFR § 5.617(b) limiting EID to disabled persons is waived. The waiver, and resulting alternative requirement, apply only to tenants receiving the EID at the time of conversion. No other tenant (e.g., tenants that move into the property following conversion or tenants who at one time received the EID but are not receiving the EID exclusion at the time of conversion due to loss of employment) is covered by this waiver. To facilitate the uniform treatment of residents and units at a Covered Project, any non-RAD PBV units located in the same Covered Project shall be subject to the terms of this provision.

8. **Job Plus.** Not applicable.

Note: Paragraph 9 below of the RAD PBV Resident Rights and Participation (according to Section 1.6.C.9 of PIH Notice 2019-23) is deleted in its entirety and replaced with the following in accordance with PIH Notice 2023-19.

9. **When Total Tenant Payment (TTP) Exceeds Gross Rent.** Under normal PBV rules, HCD may select an occupied unit to be included under the PBV HAP Contract only if the unit's occupants are eligible for housing assistance payments (24 CFR § 983.53(c)). Also, a PHA must remove a unit from the HAP Contract when no assistance has been paid for 180 days because the family's TTP has risen to a level that is equal to or greater than the Gross Rent. (24 CFR § 983.258 and § 983.211).

Pre-Conversion Residents. Since the rent limitation under this Section of the Notice may result in current residents having TTPs that exceed the Gross Rent, 24 CFR §983.53(c) does not apply in order to provide RAD PBV assistance to residents who were living in the Converting Project prior to conversion. As necessary to further implement the alternative requirements described below, HUD is waiving 24 CFR §983.258 and §983.211, as well as the provisions of Section 8(o)(13)(H) of the Act and the implementing regulations at 24 CFR § 983.301 as modified by Section 1.6.B.5 of this Notice.

HUD is establishing an alternative requirement that the unit for a family with a TTP that equals or exceeds Gross Rent must be placed on the PBV HAP Contract and the family shall be admitted to the PBV program. In such cases the resident is considered a participant under the PBV program and all the family obligations and protections under RAD and PBV apply to the resident.

During any period when the family's TTP is equal to or above the Gross Rent, the zero-HAP family will pay an alternate rent to owner that is the lower of:

- a) the family's TTP less the Utility Allowance, subject to any required phase-in pursuant to Section 1.6.C.3 of this Notice; or
- b) the Zero-HAP Rent Cap, which is the lower of either:
 - i. 110% of the applicable FMR less the Utility Allowance; or
 - ii. In the event the units are subject to more restrictive rent setting requirements under the LIHTC or HOME programs, or other programs approved by HUD on a project-specific basis, the rent to owner set to comply with such requirements.

During any period that the family's TTP falls below the Gross Rent, the normal PBV requirements apply, and the family would pay 30% of adjusted income, less utility allowance.

After a family has paid the Zero-HAP Rent Cap as set by this Section for a period of 180 days, HCD shall remove the unit from the HAP Contract and the family's participation in the PBV program ends⁴¹ If the Covered Project is fully assisted and the family subsequently leaves the property, HCD must reinstate the unit back onto the HAP Contract and admit an eligible family. If the Covered Project is partially assisted and the family subsequently leaves the property, the unit must be reinstated back onto the HAP Contract unless HCD previously substituted a different unit on the HAP Contract in accordance with 24 CFR § 983.207 or, where "floating units" have been permitted, Section 1.6.B.10 of the Notice.

Additionally, if the family continues to reside in the project after the family's unit was removed from the HAP Contract, the family may request to return to the PBV program if the family's income subsequently decreases to the extent that the family's TTP is less than the Zero-HAP Rent Cap set by this section and the family is otherwise eligible for PBV assistance. The HCD shall, at the earliest opportunity⁴², reinstate the family's unit back onto the HAP Contract to provide rental assistance to the family. All PBV requirements with respect to the unit, such as compliance with HQS, apply while the unit is under the HAP Contract or added back to the HAP Contract.

New Admission Families. Unless a PHA requests and receives the waiver described below, any new admission to the Covered Project must meet the eligibility requirements at 24 CFR § 982.201 and require a subsidy payment at admission to the PBV program, which means the family's TTP may not equal or exceed the Gross Rent for the unit at that time. Furthermore, a PHA must remove a new admission family's unit from the PBV HAP Contract when no assistance has been paid for 180 days because a new admission family's TTP subsequently increased to equal or exceed the Gross Rent. However, HUD is imposing an alternative requirement in such cases. If the project is fully assisted and the family subsequently leaves the property, HCD must reinstate the unit on the HAP Contract and admit an eligible family. If the project is partially assisted, HCD may substitute a different unit for the unit on the HAP Contract in accordance with 24 CFR § 983.207 or, where "floating units" have been permitted, Section 1.6.B.10 of the Notice.

⁴¹ For example, a public housing family residing in a property converting under RAD has a TTP of \$600. The property has an initial Contract Rent of \$500, with a \$50 Utility Allowance (Gross Rent = \$550). The FMR for the unit size in the area in which the project is located is \$800. Following conversion, the family is responsible for paying \$550 in tenant rent. If the resident's income rises or is subject to a rent increase phase-in and all other conditions remain the same, the family would pay TTP until the tenant rent reached the Zero-HAP Rent Cap of \$830 (\$880, which is 110% of the \$800 FMR, minus the \$50 utility allowance), at which point the family would continue paying \$830, and unless the family's income and TTP subsequently decreases, the unit would be removed from the contract after 180 days. Families paying less than TTP because of the phased in Tenant Rent Increase alternative requirement are not paying the Zero-HAP Rent Cap and are not subject to this 180-day requirement. However, if the family's Calculated PBV TTP under section 1.6.C.3 is more than the Gross Rent, the family is a zero-HAP family and the applicability of the phased in Tenant Rent increase would end when the amount the family would pay under that alternative requirement meets or exceeds the Zero-HAP Rent Cap. At that point in time the family would pay the Zero-HAP Rent Cap and would be subject to all zero-HAP family requirements of this section, including the 180-day requirement.

⁴² If the project was partially assisted and HCD previously substituted a different unit on the HAP Contract, HCD shall substitute the family's unit for a vacant unit on the HAP Contract if there is a vacant unit at the time of the request, or by doing so as soon as a unit on the HAP Contract becomes vacant if there are no vacant units on the HAP Contract at the time of the family request.

In circumstances where low RAD PBV rents may prohibit a significant number of otherwise eligible families on the waiting list from being admitted to the project because they do not require subsidy, and which could consequently create an undue concentration of poverty at the project compared to non-RAD PBV projects, a PHA may request a waiver of 24 CFR §§983.53(c), 983.259, 983.211, and 983.301 from HUD for the Covered Project. The waiver will apply the alternative requirements applicable to the pre-conversion residents in this Section to new admission families.

HCD may request the waiver during the RAD conversion process or may subsequently request the waiver any time after the effective date of the HAP Contract. In order for the waiver to be approved, HCD must demonstrate that based on the RAD rent calculated in accordance with Attachment 1C, the monthly two-bedroom RAD Gross Rent is less than: 30% of the monthly income of a family of four at the midpoint between the Very Low Income (VLI) HUD Income Limit and Extremely Low Income (ELI) HUD Income Limit for the area in which the Covered Project is located.

For waivers submitted during the conversion process, the Office of Recapitalization may grant the waiver after review of the Financing Plan and confirmation that the RAD rents meet the waiver rent threshold described above.⁴³ The Office of Recapitalization shall document the waiver by adding an additional provision to the RCC before closing. For waivers submitted after the effective date of the HAP Contract, the waiver is submitted through the normal waiver process outlined in Notice PIH 2018-16 (or any successor notice). In both cases, the approved waiver will be for the initial term of the PBV HAP Contract.

If the waiver is approved, the new admission families covered under the waiver are participants under the PBV program, all the family obligations and protections under RAD and PBV apply to the family, the RAD PBV families shall be subject to the same alternative requirements applicable to the pre-conversion residents under this Section, and the unit is subject to all PBV program requirements, as modified by this Notice.

Further, Covered Projects that receive the waiver shall be subject to an alternative income targeting requirement that at least 75% of new admissions to the PBV units (both RAD and non- RAD PBV units) in the Covered Project in any PHA fiscal year are ELI families.⁴⁴ If there are less than four new admissions to the Covered Project in a PHA fiscal year, the income targeting is determined by combining the new admissions for that fiscal year with the new admissions for the subsequent fiscal year (or years) until the combined total of new admissions equals or exceeds four for those consecutive fiscal years.⁴⁵

10. **Under-Occupied Unit.** If a family is in an under-occupied unit under 24 CFR § 983.260 at the time of conversion, the family may remain in this unit until an appropriate-sized unit becomes available in the Covered Project. When an appropriate sized unit becomes available in the Covered Project, the family living in the under-occupied unit must move to the appropriate-sized unit within a reasonable period of time, as determined by the administering Voucher Agency. In order to allow the family to remain in the under-occupied unit until an appropriate-sized unit becomes available in the Covered Project, 24 CFR § 983.260 is waived. MTW agencies may not modify this requirement.

⁴³ An example of the waiver rent threshold calculation is as follows. Assume the applicable VLI limit is \$46,850 and the ELI limit is \$28,100. The midpoint income is \$37,475 ($\$46,850 + \$28,100 = \$74,950$; $\$74,950/2 = \$37,475$). To calculate the affordable monthly rent, the midpoint income is divided by 12 and multiplied by 0.30 ($\$37,475/12 = \$3,123$; $\$3,123 \times 0.30 = \$937$). If the RAD Rent is less than \$937, the Covered Project is eligible for the waiver.

⁴⁴ This alternative requirement for the Covered Project is in addition to HCD's HCV/PBV program income targeting requirements at 24 CFR 982.201(b)(2). Admissions to the Covered Project continue to be taken into account when determining income targeting in accordance with 24 CFR 982.201(b)(2).

⁴⁵ For example, assume in fiscal year in which the waiver was granted the Covered Project had one new admission and in following fiscal year had three new admissions. Compliance with the Covered Project income targeting requirement would be determined based on the combined total of the 4 new admissions over the two fiscal years (3 of the 4 new admissions to PBV units the Covered Project must have been ELI families).

H. RAD PBV: Other Miscellaneous Provisions

Note that all the resident rights and participation (tenant protections) provided to RAD PBV units will also be provided to non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

1. **Access to Records, Including Requests for Information Related to Evaluation of Demonstration.** PHAs and the Project Owner must cooperate with any reasonable HUD request for data to support program evaluation, including but not limited to project financial statements, operating data, Choice-Mobility utilization, and rehabilitation work. Please see Appendix IV for reporting units in Form HUD-50058.
2. **Ongoing PHA Board Review of Operating Budget.** The Owner must submit to the administering PHA's Board the operating budget for the Covered Project annually. The Board must confirm that the Project Owner is making deposits into the Reserve for Replacement account in accordance with the RCC as well as assess the financial health of the Covered Project.⁴⁶
3. **Davis-Bacon Act and Section 3 of the Housing and Urban Development Act of 1968 (Section 3).** This section has been moved to 1.4.A.13 and 1.4.A.14.
4. **Establishment of Waiting List.** 24 CFR § 983.251 sets out PBV program requirements related to establishing and maintaining a waiting list from which residents for the Covered Project will be admitted⁴⁷
5. **Mandatory Insurance Coverage.** The Covered Project shall maintain at all times commercially available property and liability insurance to protect the project from financial loss and, to the extent insurance proceeds permit, promptly restore, reconstruct, and/or repair any damaged or destroyed project property.
6. **Future Refinancing.** Project Owners must receive HUD approval for any refinancing or restructuring of secured debt during the HAP Contract term to ensure the financing is consistent with long-term preservation of the Covered Project. With respect to any financing contemplated at the time of conversion (including any permanent financing which is a conversion or take-out of construction financing), such consent may be evidenced through the RAD Conversion Commitment (RCC)⁴⁸ but HUD review of liens must be performed prior to execution.
7. **Administrative Fees for Public Housing Conversions During the Year of Conversion.** For the remainder of the Calendar Year in which the HAP Contract becomes effective (i.e., the "year of conversion"), RAD PBV projects will be funded with public housing funds. For example, if the project's assistance converts effective July 1, 2015, the public housing ACC between HCD and HUD will be amended to reflect the number of units under HAP Contract, but will be for zero dollars, and the RAD PBV HAP Contract will be funded with public housing money for July through December 2015. Since TBRA is not the source of funds, PHAs should not report leasing and expenses into VMS during this period, and PHAs will not receive section 8 administrative fee funding for converted units during this time.

PHAs operating HCV program typically receive administrative fees for units under a HAP Contract, consistent with recent appropriation act references to "section 8(q) of the [United States Housing Act of

⁴⁶For RAD PBV conversions that are not FHA-insured, a future HUD notice will describe project financial data that may be required to be submitted by a RAD PBV owner for purposes of monitoring and evaluation, given that PBV projects do not submit annual financial statements to HUD/REAC.

⁴⁷ The remainder of this subsection has been omitted since it is not applicable.

⁴⁸For purposes of this Appendix A the term "RAD Conversion Component" or "RCC" shall mean the contract executed by HUD, the PHA and, as applicable, the post-conversion Project Owner. The RCC follows HUD approval of the Financing Plan and describes the terms and conditions of the conversion.

1937] and related appropriations act provisions in effect immediately before the Quality Housing and Work Responsibility Act of 1998” and 24 CFR § 982.152(b). During the year of conversion mentioned in the preceding paragraph, these provisions are waived. PHAs will not receive Section 8 administrative fees for PBV RAD units during the year of conversion.

After the year of conversion, the Section 8 ACC will be amended to include Section 8 funding that corresponds to the units covered by the Section 8 ACC. At that time, the regular Section 8 administrative fee funding provisions will apply.

8. **Choice-Mobility.** One of the key features of the PBV program is the mobility component, which provides that if the family has elected to terminate the assisted lease at any time after the first year of occupancy in accordance with program requirements, HCD must offer the family the opportunity for continued tenant-based rental assistance, in the form of either assistance under the voucher program or other comparable tenant-based rental assistance.

If as a result of participation in RAD a significant percentage of HCD's HCV program becomes PBV assistance, it is possible for most or all of a PHA's turnover vouchers to be used to assist those RAD PBV families who wish to exercise mobility. While HUD is committed to ensuring mobility remains a cornerstone of RAD policy, HUD recognizes that it remains important for HCD to still be able to use tenant-based vouchers to address the specific housing needs and priorities of the community. Therefore, HUD is establishing an alternative requirement for PHAs where, as a result of RAD, the total number of PBV units (including RAD PBV units) under HAP Contract administered by HCD exceeds 20 percent of HCD's authorized units under its HCV ACC with HUD.

The alternative mobility policy provides that an eligible voucher agency would not be required to provide more than three-quarters of its turnover vouchers in any single year to the residents of Covered Projects. While a voucher agency is not required to establish a voucher inventory turnover cap, if such a cap is implemented, the voucher agency must create and maintain a waiting list in the order in which the requests from eligible households were received. In order to adopt this provision, this alternative mobility policy must be included in an eligible PHA's administrative plan.

To effectuate this provision, HUD is providing an alternative requirement to Section 8(o)(13)(E) of the Act and 24 CFR § 983.261(c). Please note that this alternative requirement does not apply to PBVs entered into outside of the context of RAD. MTW agencies may not alter this requirement.

9. **Reserve for Replacement.** The Project Owner shall establish and maintain a replacement reserve in an interest-bearing account to aid in funding extraordinary maintenance and repair and replacement of capital items in accordance with applicable regulations. The reserve must be built up to and maintained at a level determined by HUD to be sufficient to meet projected requirements. For Federal Housing Administration (FHA) transactions, Replacement Reserves shall be maintained in accordance with the FHA Regulatory Agreement. For all other transactions, Replacement Reserves shall be maintained in a bank account or similar instrument, as approved by HUD, where funds will be held by the Project Owner or mortgagee and may be drawn from the reserve account and used subject to HUD guidelines.
10. **Initial Certifications and Tenant Rent Calculations.** The Contract Administrator uses the family's public housing tenant rent (reflected on line 10f of the family's most recent HUD Form 50058) at the date of the conversion to calculate the PBV HAP and tenant rent until the effective date of the earlier of the family's first regular or interim recertification following the date of conversion. At the earlier of the family's first regular or interim recertification, the Contract Administrator will use the family's TTP based on the recertification and the HCV utility allowance (or the PBV site- specific utility allowance, if applicable) to determine the PBV HAP and tenant rent. This means that the family pays the same tenant rent as the family was paying under the public housing program until the earlier of first regular or interim reexamination following conversion, at which point the normally applicable PBV calculation for the tenant rent becomes effective. (Under the PBV program, the monthly HAP is the rent to owner minus the tenant rent, and the tenant rent is the family TTP minus the utility allowance.) To facilitate the uniform treatment

of residents and units at a Covered Project, any non-RAD PBV units located in the same property as the Covered Project shall be subject to the terms of this provision. To effectuate this provision, HUD is waiving 24 CFR 5.601 and 983.3(c)(6)(iii).

- I. HCD complies with and will continue to comply with the RAD Fair Housing, Civil Rights, and Relocation Notice (Joint Housing/PIH Notice H-2016-17/PIH-2016-17). Additionally, HCD will comply with all requirements set forth in Miami-Dade Board of County Commissioners' Resolution Nos. R-1329-19 and R-1181-19, which require (i) that prior to the closure of a public housing site due to health and safety reasons, the RAD Program or for any other reason, the Board of County Commissioners must approve such closure, and (ii) the County to execute Tenant Relocation Agreements with each of the tenants impacted by the closure of a public housing site or relocated because of the RAD Program, respectively.

Note that the Joint Housing/PIH Notice was issued on November 10, 2016 and includes requirements on Affirmatively Furthering Fair Housing (AFFH). However, this notice has been amended through the Notice titled AFFH: Responsibility to Conduct Analysis of Impediments published on May 23, 2018, in the Federal Register.

- J. HCD certifies that the RAD conversions will comply with all applicable site selection and neighborhood reviews and follow all appropriate procedures as required in the RAD Fair Housing, Civil Rights, and Relocation Notice (Notice H 2016-17/PIH 2016-17 (HA)).

Note: 1) Projects above are subject to funding availability and priorities, project costs, HUD requirements, environmental and other factors. 2) RAD was designed by HUD to assist in addressing the capital needs of public housing by providing HCD with access to private sources of capital to redevelop its affordable housing assets. Upon conversion, HCD's Capital Fund Budget will be reduced by the pro rata share of Public Housing Units converted as part of the RAD.

L. Development Information: Potential Faircloth/Restore-Rebuild-to-RAD Conversions

In July 2023, HUD issued Supplemental Notice 4B to its RAD Notice (H-2023-08 PIH-2023-19) which, among other things, provided guidance on utilization of a PHA's capacity under its "Faircloth Limit" ¹ to acquire and/or construct new public housing units, receive new federal Capital and Operating funds for those units, and subsequently convert the units and funding to the RAD Section 8 platform in a streamlined process known as "Faircloth/Restore-Rebuild-to-RAD" conversion.

HCD may pursue Faircloth-to-RAD conversions at the developments listed below. HCD would submit Mixed-Finance Development Proposals to HUD for approval of new construction or acquisition (with or without rehabilitation) of new federal public housing units. With HUD approval, the newly constructed or acquired units would convert to RAD Site-Based Voucher units immediately or shortly after acceptance as federal public housing.

HCD is currently in the planning stage for all Faircloth/Restore-Rebuild-to-RAD developments described in this section. Decisions to proceed with conversions will be informed by HUD guidance, due diligence and feasibility studies, and continued engagement with residents of developments for which conversion is proposed.

As of December 31, 2023, HCD may add to its public housing portfolio as many as 2,310 units (its "Faircloth capacity") before HCD's Faircloth Limit is reached. HCD has substantial room under its Faircloth Limit to add new public housing units described in this section.

¹ The Faircloth Limit refers to an amendment to Section 9(g)(3) of the Housing Act of 1937 ("Faircloth Amendment") which limits the construction of new public housing units. The Faircloth Amendment stipulates that HUD cannot fund the construction or operation of new public housing units with Capital or Operating Funds if the construction of those units would result in a new increase in the number of units the public housing agency owned, assisted or operated as of October 1, 1999.

VIII. Occupancy by Police Officers.

HCD may request HUD's approval for units to be occupied by police officers to increase security for public housing residents.

IX. Non-Smoking Policies.

HCD has implemented a smoke-free policy pursuant to HUD regulations 24 CFR Parts 965 and 966 and Miami-Dade County Commissioners Resolution Nos. R-1003-15 and R-582-16.

- C. HCD may request approval for additional units to be placed under modernization.

XII. Other Capital Grant Programs (i.e., Capital Fund Community Facilities Grants or Emergency Safety and Security Grants).

- A. HCD may apply for the Capital Fund Financing Program (CFFP).

II. Mixed-Finance Modernization or Development.

HCD may engage in Rental Assistance Demonstration (RAD).

III. Demolition and/or Disposition.

HCD may convert existing Public Housing developments to Site Based Voucher (PBV) under RAD including through HUD's Faircloth/Restore-Rebuild-to-RAD program in which HCD may convert all or a portion of units in mixed-finance developments to Site-Based Voucher (PBV) under RAD.

IV. Designated Housing for Elderly and/or Disabled Families.

Not Applicable to HCV

V. Conversion of Public Housing to Tenant-Based Assistance.

Not applicable to HCV.

VI. Conversion of Public Housing to Project-Based Assistance under RAD.

Using the RAD program, mixed finance options, and Capital funds, among others, HCD will embark on the conversion of public housing developments to Site Based Vouchers (PBV) under RAD, to upgrade its existing developments, many of which are at or near the end of their life cycle, and other important upgrades inherently required with an aging housing stock.

Upon conversion to PBV under RAD, HCD will adopt the resident rights, participation, waiting list and grievance procedures in accordance with Section 1.6 of PIH Notice 2019-23, RAD Final Implementation, REV- 4, and future supplemental instructions or amendments.

HCD complies with and will continue to comply with the RAD Fair Housing, Civil Rights, and Relocation Notice (Joint Housing/PIH Notice H-2016-17/PIH-2016-17). Additionally, HCD will comply with all requirements set forth in Miami-Dade Board of County Commissioners' Resolution Nos. R-1329-19 and R-1181-19, which require (i) that prior to the closure of a public housing site due to health and safety reasons, the RAD Program or for any other reason, the Board of County Commissioners must approve such closure, and (ii) the County to execute Tenant Relocation Agreements with each of the tenants impacted by the closure of a public housing site or relocated because of the RAD Program, respectively.

Note that the Joint Housing/PIH Notice was issued on November 10, 2016, and includes requirements on Affirmatively Furthering Fair Housing (AFFH). However, this notice has been amended through the Notice titled AFFH: Responsibility to Conduct Analysis of Impediments published on May 23, 2018, in the Federal Register.

Appendix D

RAD/Section 18 Blend Option and Site Configuration

I. RAD/Section 18 Blend Option

On December 26, 2024, HUD issued Notice PIH 2024-40(HA). The notice discusses the tool available to the PHA for combining Section 18 of the Housing Act of 1937 and RAD in order to perform comprehensive rehabilitation or new construction of its housing. Notice PIH 2024-40(HA) supersedes and replaces Notice PIH 2021-07 in defining the percentage of units that may be disposed of through Section 18 pursuant to a RAD/Section 18 Blend.

The notice states the following:

Provided that a project meets the criteria outlined below, a PHA that is converting a portion of the public housing units within a Converting Project and is replacing the units proposed for disposition with project-based Section 8 assistance within the Covered Project may be subject to the provisions governing RAD/Section 18 Blends, as the terms “Converting Project” and “Covered Project,” and “RAD/Section 18 Blends” are defined in the Rental Assistance Demonstration (RAD) Final Implementation Notice Revision 4 (H-2019-09 PIH-2019-23 (HA)), as amended from time to time (the “RAD Notice”). The aggregate number of replacement units under project-based Section 8 must meet the RAD “substantial conversion of assistance” requirements as established in the RAD Notice.

RAD/Section 18 Construction Blend. *The percentage of units eligible for disposition under Section 18 within the Converting Project is based on the following: 1) whether that project will be demolished and redeveloped; 2) whether the assistance will be transferred to a new site under RAD; or 3) the hard construction costs, including general requirements, overhead and profit, and payment and performance bonds, proposed for a rehabilitation of the Covered Project as compared to the Housing Construction Costs (HCC) as published by HUD for the given market area. The following table sets forth the eligibility criteria for a RAD/Section 18 Construction Blend and, for each criteria, the maximum percentage of units eligible for Section 18 and the minimum number of units that will convert under RAD within the Converting Project:*

Eligibility	Unit Mix Percentage (Section 18/RAD)
- Proposed rehab where hard construction costs exceed 90% of the HCC for the given market area OR - Demolition and Redevelopment of the project OR - Transfer of Assistance	up to 90% Section 18 at least 10% RAD
Proposed rehab where hard construction costs exceed 60% of the HCC for the given market area	up to 60% Section 18 at least 40% RAD
Proposed rehab where hard construction costs exceed 30% of the HCC for the given market area	up to 30% Section 18 at least 70% RAD

P. Development Information: Potential Faircloth/Restore-Rebuild-to-RAD Conversions

In July 2023, HUD issued Supplemental Notice 4B to its RAD Notice (H-2023-08 PIH-2023-19) which, among other things, provided guidance on utilization of a PHA's capacity under its "Faircloth Limit"¹ to acquire and/or construct new public housing units, receive new federal Capital and Operating funds for those units, and subsequently convert the units and funding to the RAD Section 8 platform in a streamlined process known as "Faircloth/Restore-Rebuild-to-RAD" conversion.

PHCD may pursue Faircloth-to-RAD conversions at the developments listed herein. PHCD would submit Mixed-Finance Development Proposals to HUD for approval of new construction or acquisition (with or without rehabilitation) of new federal public housing units. With HUD approval, the newly constructed or acquired units would convert to RAD Site-Based Voucher units immediately or shortly after acceptance as federal public housing.

PHCD is currently in the planning stage for all Faircloth/Restore-Rebuild-to-RAD developments described in this section. Decisions to proceed with conversions will be informed by HUD guidance, due diligence and feasibility studies, and continued engagement with residents of developments for which conversion is proposed.

As of December 31, 2023, PHCD may add to its public housing portfolio as many as 2,310 units (its "Faircloth capacity") before PHCD's Faircloth Limit is reached. PHCD has substantial room under its Faircloth Limit to add new public housing units described in this section.

¹ The Faircloth Limit refers to an amendment to Section 9(g)(3) of the Housing Act of 1937 ("Faircloth Amendment") which limits the construction of new public housing units. The Faircloth Amendment stipulates that HUD cannot fund the construction or operation of new public housing units with Capital or Operating Funds if the construction of those units would result in a new increase in the number of units the public housing agency owned, assisted or operated as of October 1, 1999.

ADMINISTRATIVE PLAN HOUSING CHOICE VOUCHER PROGRAMS

Chapter 1. Program Administration

1.1.Purpose of the Plan

This Administrative Plan is a supporting document to Housing and Community Development's (HCD) Public Housing Agency (PHA) Plan. It shall be available for public review during regular office hours Monday through Friday at its main administrative offices located at 701 NW 1st Court, 16th Floor, Miami, Florida 33136-3914.

The purpose of this Administrative Plan is to establish written policies in accordance with United States Department of Housing and Urban Development (HUD) regulations and other matters not specifically covered under the United States Housing Act of 1937 and HUD regulations, but left to HCD's local discretion, for the Housing Choice Voucher and the Moderate Rehabilitation Programs (unless specifically stated as being solely a Moderate Rehabilitation Program requirement, a Project Based Voucher (PBV) and/or Rental Assistance Demonstration (RAD) PBV requirement, all references to these programs are referred to as the "Housing Choice Voucher" Program). The regulations that govern the programs are documented in 24 Code of Federal Regulations (CFR) parts 5, 982, 983, and other applicable regulations promulgated by the HUD.

The goal of this Administrative Plan for the Housing Choice Voucher, Project Based Voucher (PBV), and Moderate Rehabilitation Programs is to achieve three (3) major objectives:

- A. To provide improved living conditions for low-income families while maintaining their rent payments at an affordable level;
- B. To provide decent, safe, and sanitary housing for eligible program participants; and
- C. To provide an incentive to private property owners to rent to lower income families by offering timely assistance payments.

In addition, this Plan advocates the following:

- A. Protection of the rights of owners and participants in all neighborhoods;
- B. Protection of low-income working families assisted through these programs from inflated rents;
- C. Provision to any resident of Miami-Dade County who wants access to a copy of this Plan and to explain how to file complaints;
- D. Ensure Housing Choice Voucher Program owners meet all financial obligations to local governments; and
- E. Requires owners and tenants to meet requirements of federal housing regulations and this Administrative Plan.

1.2 Housing and Community Development (HCD)

Miami-Dade County (County), a political subdivision of the State of Florida, is the local government entity responsible for affordable housing programs, administers the Housing Choice Voucher Programs through its housing department, the Housing and Community Development, or its successor agency or department, collectively referred to as the “Agency” or “HCD.” Any policy revisions to this Administrative Plan after its adoption s approval from the Miami-Dade Board of County Commissioners or other authorized HCD officials.

Administration of the Housing Choice Voucher programs shall comply with all applicable Federal, State and local law, the Housing Choice Voucher regulations, handbooks, and policies promulgated by HUD, and other federal laws including but not limited to the Fair Housing Act, as amended, The Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, and Section 3 of the Housing and Urban Development Act of 1968, as amended.

For more information visit HCD’s website at www.miamidade.gov/housing.

1.3 Jurisdiction of the Agency

HCD has jurisdiction throughout all of incorporated and unincorporated Miami-Dade County for the Housing Choice Voucher Program. Although several housing agencies have been established within the various municipalities of Miami-Dade County, federal regulations allow the Voucher holder (also known as Housing Choice Voucher participant) to use the assistance anywhere there is a housing agency or authority implementing the Housing Choice Voucher program (see Chapter 18 on “Portability”).

1.4 Location of Office

The main office for the Housing Choice Voucher Program (HCV) is located at 20 SE 3rd Ave 3rd floor, Miami, FL 33131, where HCV applicants and program participants are served. If the office serving HCV clients changes, HCD will so notify the affected tenants. HCD offices shall be accessible to persons with disabilities.

1.5 Administrative Fee Reserve

Federal regulations require the Miami-Dade Board of County Commissioners (Board) to establish the maximum amount of Annual Contributions Contract (ACC) funds that may be charged against the administrative fee reserve *without specific* Board approval. However, HCD will request Board approval to access the administrative fee reserve in the ACC for awards and contracts exceeding \$100,000.

1.6 Ann Marie Adker Consent Decree, et al v Miami-Dade County and HUD (Adker Decree)

Although the Adker Decree expired August 1, 2009, HCD will ensure that the eligibility process is completed for mobility pool members that commenced the process prior to the expiration of the Adker Decree. Notwithstanding the expiration of the Adker Decree, HCD shall comply with Miami-Dade Board of County Commissioners’ Resolution No. R-1075-09

adopted on September 1, 2009. Pursuant to that resolution, HCD and all County departments that administer affordable housing programs shall:

- Ensure that the mandates of the Adker Decree of providing desegregative opportunities to all residents, participants and applicants of public housing, Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation and other federally subsidized project-based and tenant-based housing programs administered by the County are continued;
- Maintain the current Adker-related provisions in the HCD's Admissions and Continued Occupancy Policy (ACOP) and Section 8 Administrative Plan;
- Designate a person(s) or division within the Agency to be responsible for ensuring compliance with the terms of Board's resolution; and
- Provide any reports required by the Board, the Mayor or the Mayor's designee.

1.7 Housing Opportunity Through Modernization (HOTMA) Act of 2016

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA contains 14 different sections that impact the public housing and Section 8 programs.

- A. Sections 102 & 104: The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023.
 1. On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule; this was reissued on February 2, 2024, to provide revisions and further guidance.
 2. On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.
- B. Section 103: The provisions under Section 103 are discussed in HCD's Admissions and Continued Occupancy Policy (ACOP), as they relate to public housing residents.
- C. Sections 101, 105, 106, and 112: On May 7, 2024, HUD published a Final Rule in the Federal Register implementing further changes under HOTMA, specific to Sections 101, 105, 106, and 112 of HOTMA and in reference to the October 8, 2020, proposed rule.

1.8 Assistance for Limited English Proficiency (LEP) Persons

Assistance to Limited English Proficient Persons

In accordance with HUD's Final Guidance to Federal Assistant Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons (Final Guidance), HCD is committed to ensure direct access to its program and activities to all applicants and program participants, regardless of the primary language they speak.

A Limited English Proficient (LEP) person does not speak English as the primary language and has limited ability to read, write, or understand English at a level that permits the person to communicate effectively in the course of applying or receiving services or benefits from recipients of federal funds.

A. Four (4) Factor Analysis

The Final Guidance defines a self-assessment method to assist agencies receiving HUD funds in determining the extent of their obligations to LEP persons. HCD has conducted the following four (4) factor self-assessment and concluded that Spanish and Creole are the non-English languages most commonly spoken by the LEP population it serves.

1. The number or proportion of LEP persons eligible to be served or likely to be encountered by the program or grantee (persons speaking a language other than English exceeds 5% or 1,000 persons, whichever is less);
2. The frequency with which LEP persons come in contact with the program;
3. The nature and importance of the program, activity, or service provided by the program to people's lives; and
4. The resources available to HCD and its costs.

B. Language Assistance Plan (LAP) and Safe Harbor

HCD posts Spanish and Creole signs at its administrative and site management offices (public places) and on its website to inform LEP persons that free oral interpretation services and translation of vital HCD's documents are available upon request. Additionally, applicants and program participants are informed of their ability to request an interpreter in all written HCD's advertisements and notifications related to hearings, interviews, scheduled appointments, and adverse action notices.

1. Staff Training

HCD employees are provided with training on the LEP policy requirements, their role in assisting LEP persons, and with information on the resources available for LEP persons and how to access these resources.

2. Oral Language Interpretation

HCD utilizes bilingual staff members fluent in Spanish or Creole who provide oral language interpretation to LEP persons at face-to-face or telephone contacts, as needed. Also, oral language interpretation services may be provided for scheduled

appointments, meetings, informal reviews, hearings and interviews, upon request five (5) business days in advance, from the Section 504/ADA Coordinator. The Section 504/ADA Coordinator secures oral translation services from approved vendors, according to the County's procurement procedures.

Language interpretation services are offered to LEP persons for activities including but not limited to the following:

- Eligibility Interview
- Voucher Briefing
- Rental Interview and Lease Signing
- Initial, Annual, and Interim Reexaminations
- Transfer and Resident Tenancy Application
- Reasonable Accommodation Requests
- Conferences, Informal Reviews and Hearings

HCD staff is prohibited from requiring or asking LEP persons to bring their own interpreter. If a LEP person requests that an adult family member or friend (18 years of age or older) provide interpretation, this practice is acceptable only if it is his/her choice. The LEP person will be advised by HCD staff about the availability of free language services.

3. Written Language Translation of Vital Documents

HUD's Final Guidance defines vital documents as "those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically." HCD uses the County's translation services provided by the Community Information and Outreach (CIO) Department to translate its vital documents and advertisements into Spanish and Creole.

HCD has translated into Spanish and Creole the following vital documents. They are available in the shared drive, at H:\Compliance Reference Library\Forms - Agency Master Folders and must be provided to LEP persons upon request.

- Consent and complaint forms
- Intake forms with the potential for important consequences
- Written notices of rights, denial, loss, or decreases in benefits or services, and other hearings
- Notices of termination of assistance and eviction
- Notices and forms related to the Violence Against Women Act (VAWA)
- Notices of advising LEP persons of free language assistance
- Notices of public hearings, especially those that meet Community Planning and Development's citizen participation requirements
- Public Housing Lease and tenant rules, and/or
- Applications to participate in a recipient's program or activity or to receive recipient benefits or services.

C. Monitoring and Updating

HCD will periodically review and assess its LEP policy, based on Miami-Dade County's demographics and changes in HUD regulations.

Chapter 2. Applications, Waiting Lists and Tenant Selection

2.0 Introduction

Families must submit a housing application in order to receive assistance under the HCV program. The HCV program is a federally funded program under HUD. HCD is required to follow federal guidelines to obtain the information needed from applicants to determine the family's eligibility. HUD requires HCD to place all families that apply for assistance on a waiting list.

In order to give all families an equal opportunity to apply for and receive housing assistance, HCD places families that apply for assistance on a waiting list via an electronic drawing and random selection process. When HCV assistance becomes available, HCD selects families from the waiting list in accordance with HUD requirements and HCD policies.

This Chapter describes HUD and HCD policies for receiving applications, managing the waiting lists and selecting families for housing assistance. The policies outlined in this Chapter are organized into three (3) parts and various subsections, as follows:

Part 2.1: The Application Process: This part provides an overview of the application process and discusses how applicants can obtain and submit applications. It also specifies how HCD will handle the applications it receives.

Part 2.2: Managing the Waiting List: This part presents the policies that govern how HCD's waiting list is structured, when it is opened and closed, and how the public is notified of the opportunity to apply for assistance. It also discusses the process HCD will use to keep the waiting list current.

Part 2.3: Selection for HCV Assistance: This part describes the policies that guide HCD in selecting families for HCV assistance as such assistance becomes available. It also specifies how in-person interviews will be used to ensure that HCD has the information needed to make a final eligibility determination.

Part 2.4: Admission Information: This part presents the admission information required for applications and provides details on other admission-based criteria and provisions.

2.1 The Application Process

2.1.A. Overview

This part describes HCD's policies for making applications available, accepting applications making preliminary determinations of eligibility, and the placement of applicants on the waiting list. This part also describes HCD's obligation to ensure the accessibility of the application process to elderly persons, people with disabilities, and people with limited English proficiency (LEP).

2.1.B. Applying for Assistance

Any family that wishes to receive HCV assistance must apply for admission to the program. Applications will be accepted in accordance with this chapter, including online applications via advertised web portals and physical copies that may be received and delivered at advertised regional locations in Miami Dade County.

HUD permits HCD to determine the format and content of HCV applications, as well as how such applications will be made available to interested families and how applications will be accepted by HCD. HCD must include Form HUD-92006, Supplement to Application for Federally Assisted Housing, as part of HCD's application.

HCD's Policy

Families interested in applying for assistance must do so during the open registration period. The waiting list open registration period shall remain open for at least ten (10) business days.

HCD initially will require families to provide only the information needed to determine the family's placement on the waiting list. The family will be required to provide all of the information necessary to establish family eligibility and level of assistance when the family is selected from the waiting list.

Online applications will be available on advertised web portals during the open registration period. Subsequently, physical applications will be available at advertised regional locations in Miami Dade County. Completed physical applications shall be delivered at advertised locations. In the event that HCD decides to accept applications in person at designated locations, HCD will make reasonable accommodations for applicants with disabilities. The method for accepting applications may change depending on the technology and resources available to HCD at the time the waiting list is expected to be open.

The digital application process and corresponding web portal registration shall be administered by a software development company that provides enterprise software application solutions to Public Housing Authorities in the United States.

2.1.C. Accessibility of the Application Process

Elderly and Disabled Populations

HCD must take steps to ensure that the application process is accessible to those people who might have difficulty complying with the normal, standard HCD application process. This could include people with disabilities, certain elderly individuals, as well as persons with limited

English proficiency (LEP). HCD must provide reasonable accommodation to the needs of individuals with disabilities. The application-taking facility and the application process must be fully accessible, or HCD must provide an alternate approach that provides full access to the application process.

Limited English Proficiency

HCD is required to take reasonable steps to ensure equal access to their programs and activities by persons with limited English proficiency [24 CFR part 1].

2.1.D. Notice and Family Outreach

The opening and closing of application and registration periods will be advertised on social media platforms, newspaper publications and the radio for the purpose of reaching all segments of the community and providing advance notice. HCD will announce the opening of the waiting list at least 10 business days prior to the date applications will first be accepted. If the list is only being reopened for certain categories of families, this information will be contained in the notice.

HCD will give public notice in suitable media outlets including, but not limited to:

1. **The Miami Herald**, the largest paper of daily general circulation
2. **The Miami Times**, largest circulation among African Americans
3. **Diario Las Americas**, a Spanish language publication
4. The Haiti en March or Kiskeya Herald, Haitian publications
5. Social media platforms and digital marketing (i.e., Facebook)
6. Radio broadcasts and other relevant media

The public notice will include, but will not be limited to, the following information:

1. The application process
2. Opening date
3. Closing date to receive applications, if any
4. Method for placement on the waiting list
5. Available preferences

HCD must conduct outreach as necessary to ensure that HCD has a sufficient number of applicants on the waiting list to use the HCV resources it has been allotted. Because HUD requires HCD to admit a specified percentage of extremely low-income families to the program, HCD may need to conduct special outreach to ensure that an adequate number of such families apply for assistance [HCV Guidebook (GB), p. 4-20 to 4-21].

HCD outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

HCD's outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low- income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

HCD Policy

HCD will monitor the characteristics of the population being served and the characteristics of the population as a whole in HCD's jurisdiction. Targeted outreach efforts will be undertaken if a comparison suggests that certain populations are being underserved.

HCD will ensure inclusion on its waiting list of all people without regard to race, national or ethnic origin, color, sex, religion, age, disability, familial status, marital status, ancestry, status as a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, actual or perceived sexual orientation, gender identity or gender expression, pregnancy or source of income.

Efforts will be taken to ensure outreach to Miami-Dade County's eligible population providing information of all opportunities to apply for program assistance upon opening of the general waiting list. In order to reach the widest eligible population, the agency may use special outreach in any of the following methods:

1. Notice to churches, synagogues, and other places of worship;
2. Notice to government offices including but not limited to Miami-Dade County regional libraries, Miami-Dade County Community Action and Human Services Department, Social Security Administration, State of Florida Department of Children and Families, Legal Services of Greater Miami, Inc., or other agencies designed to assist the low income community;
3. Notice to agencies that assist the elderly or disabled;
4. Announcement at public meetings; and
5. Any other methods deemed appropriate to increase the scope of outreach for eligible applicants.

Marketing Material

1. HCD will use clear and easy to understand terms and distribute the notice in accordance with LEP requirements.
2. HCD will contact agencies that serve potentially qualified applicants least likely to apply (e.g. the disabled) to ensure that accessible/504/ADA-adaptable units are offered to applicants who need these features.
3. HCD will include a statement regarding its responsibility to provide a reasonable accommodation to persons with a disability.

2.2 Managing the Waiting List

2.2.A. Overview

HCD must have policies regarding various aspects of organizing and managing the waiting list of applicant families. This includes opening the list to new applicants, closing the list to new applicants, notifying the public of waiting list openings and closings, updating waiting list information, purging the list of families that are no longer interested in or eligible for assistance, as well as conducting outreach to ensure a sufficient number of applicants.

In addition, HUD imposes requirements on how HCD may structure its waiting list and how families must be treated if such families apply for assistance from HCD that administers more than one assisted housing program. Except for HUD special admissions, targeted funding, and certain preference categories, HCD will only accept applications when the waiting list is open.

2.2.B. Organization of the Waiting List

HCD's HCV waiting list must be organized in such a manner to allow HCD to accurately identify and select families for assistance in the proper order, according to the admissions policies described in this plan.

The waiting list must contain the following information for each applicant listed:

- Applicant name;
- Family unit size;
- Date and time of application;
- Family selection for any admission preference. Qualification for any admission process is conducted during the applicant's interview; (see 24 CFR 982.204(b)(4));
- Racial or ethnic designation of the head of household (optional).

HUD requires HCD to maintain a single waiting list for the tenant-based program unless it serves more than one county or municipality.

A family's decision to apply for, receive, or refuse other housing assistance must not affect the family's placement on the HCV waiting list, or any preferences for which the family may qualify.

HCD Policy

HCD will not merge the HCV waiting list with the waiting list for any other program HCD operates.

2.2.C. Opening and Closing the Waiting List

i. Timing

1. HCD, subject to the Board of County Commissioners' approval, may elect to open and dissolve the waiting list as needed.
2. Once the waiting list is dissolved, applicants who are on the waiting list at the time the waiting list dissolved shall keep their position and shall not be required to submit new applications during the open registration period. Notwithstanding the dissolution of the waiting list, applicants who are being processed prior to dissolution of the waiting list will continue to be processed by HCD.

3. HCD, subject to the Board of County Commissioners' approval, may elect to open the waiting list if there are insufficient applicants for a particular bedroom size, type (e.g., general occupancy, elderly designated buildings, and accessible or non-accessible, or for one or more of the admission preferences).
4. The opening and closing of registration periods will be advertised in the media, as described in this chapter, for the purpose of reaching all segments of the community and providing advance notice.

HCD Policy

HCD must seek the approval of the Board of County Commissioners prior to opening the waiting list for the Housing Choice Voucher and Moderate Rehabilitation Programs.

Upon approval of opening the waiting list and revising the Administrative Plan, dissolution of the waiting list may occur consequently once the waiting list is exhausted. The waiting list is deemed exhausted once all of the names of the qualified families have been selected or the underlying funding has been absorbed for the given period. Once the waiting list has been exhausted and the qualified families have received a voucher, the waiting list will be considered dissolved.

PBV Waiting List

Pursuant to 24 CFR § 983.251(c), and the PBV waiting list process in HCD's PHA Plan as approved by HUD and the Board, HCD may establish site-based waiting lists for its Section 8 Project Based Voucher Program. During the open registration, adopted admission preferences will be available for applicants to request. The site-based waiting list may remain perpetually open (Chapter 25).

2.2.D. Placement on the Waiting List

i. Process for Placement on the Waiting List

HCD will determine the number of applications to be selected on the waiting list based on historical and empirical data. The waiting list number represents the number of applications that need to be reviewed in order to result in the issuing of enough vouchers to absorb all underlying funding within a 12 to 18-month period. After that, subject to the Board of County Commissioners' approval, the list will be reopened.

HCD will select applicants to be placed on the waiting list via an electronic drawing and random selection process. The applicants will be placed on the waiting list in order of the assigned numbers and according to HCD admission preference(s) described in this chapter.

Those families not selected from the pool of applications for placement on the waiting list will be notified that they were not selected, informing that they may apply the next time HCD's waiting list is open.

Placement on the waiting list does not indicate that the family is, in fact, eligible for assistance. A final determination of eligibility, in accordance with this chapter, will be made when the family is selected from the waiting list.

The electronic drawing and random selection process shall be implemented by a recognized software development company that has designed an application software solution for the random selection of applicants to the waiting list. The selected applicants will be assigned a

randomly selected number. The applicants will be placed on the waiting list in order of the assigned numbers and according to HCD preference(s) described in this chapter.

HCD must accept applications from families for whom the list is open unless there is good cause for not accepting the application (such as denial of assistance) for the grounds stated in federal regulations [24 CFR § 982.206(b)(2)]. Where the family is determined to be ineligible, HCD must notify the family in writing [24 CFR § 982.201(f)].

No applicant has a right or entitlement to be listed on the waiting list, or to any particular position on the waiting list [24 CFR § 982.202(c)].

2.2.E. Reporting Changes in Family Circumstances

HCD Policy

1. While the family is on the waiting list, the family must inform HCD of changes in family composition, income, contact information, including current residence, mailing address, e-mail, and phone number within 10 days of the change.
2. While on the waiting list, the family may request changes to their preference selections.
3. Applications are nontransferable, except under the following circumstances:
 - a) In case of dissolution of marriage or family disputes, HCD will abide the court's determination on whom shall assume the head of household on the application.
 - b) If the head of household is deceased prior to or during the application process, one of the remaining adult family members on the application can become the head of household, provided such person meets all eligibility requirements. In circumstances where there is more than one (1) surviving adult family member, the family shall determine which surviving family member should be head of household as long as they are part of the original application. HCD shall not make the determination nor create more than one (1) application.
 - c) If the head of household is deceased and the remaining family members are minors, the person granted legal custody of such children will become the head of household and is entitled to the original application and ranking number, provided such person meets all eligibility requirements.
 - d) By mutual agreement between existing members of the household. Specifically, a HOH who wishes to relinquish their rights to the application may remove themselves and assign a new HOH. However, the new HOH must demonstrate that they were part of the existing family for at least 12 months prior to being selected. This may be verified by providing documents issued by a separate government agency that provides reasonable proof that the new HOH has been part of the family composition for at least 12 months. Documents include but are not limited to a driver's license, tax and school records, benefit award letters. HCD, at its sole discretion and upon

receiving a request to change the HOH, may perform an unannounced visit to the applicant's existing residents to confirm that the new HOH is part of the existing family.

- e) Prior to making a change, HCD will consider the interest of disabled or elderly family members, minors, and any instance of actual threatened physical violence or domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

4. The changes must be submitted in writing or in the form required by HCD.

2.2.F. Updating the Waiting List

HUD requires HCD to establish policies to use when removing applicant names from the tenant-based waiting list. HCD requires families to keep information up to date every year.

i. Updating the Waiting List

Upon establishment of the waiting list, it is necessary to have current and updated applicant information. HCD periodically reviews the waiting list to determine if an update is necessary. If an update is needed, HCD will ask families for current information and confirmation of continued interest. Families that do not respond may be withdrawn from the Waiting List.

The decision to withdraw an applicant family that includes a person with disabilities from the waiting list is subject to reasonable accommodation. If the applicant did not respond to HCD's request for information or updates, and HCD determines that the family did not respond because of the family member's disability, HCD must reinstate the applicant family to their former position on the waiting list [24 CFR § 982.204(c)(2)].

HCD Policy

The waiting list and its associated preferences will be updated as necessary to ensure that applicant information is current.

If a new preference is adopted, families on the waiting list will be given the opportunity to select and update their application with such preference.

To update the waiting list, HCD will send notification to the families on the waiting list through postal mail or electronic mail to determine whether the family continues to be interested in the program. The request may be sent to all families on the list or those who may be reasonably expected to be selected within the next 12 months. The update request will provide the method in which the family must respond in, a deadline by which the family must respond, and will state that failure to respond may result in the application being removed from the waiting list.

Families will be provided at least 10 calendar days to respond to HCD in accordance with the requirements outlined in the notice. If the family fails to respond within the deadline provided, the family will be removed from the waiting list and will be provided a final notice of withdraw.

HCD will not perform a new random selection process during a waiting list update process.

ii. Removal from the Waiting List

If after placement on the waiting list, HCD identifies that the family has submitted more than one (1) application, HCD will verify the family's information and retain the application with the correct information. All other applications will be withdrawn.

If a waiting list update notice is returned by the post office or email host domain, reasonable efforts should be made to reach the applicant by other means such as phone or text. HCD will, where possible, attempt to reach an applicant by phone, text message, and email.

Families withdrawn due to returned mail may request an informal review at any time up to five years after being withdrawn or the closing of the waiting list whichever occurs first for the purpose of reviewing and verifying the accuracy of the mail or email address to where HCD sent the notice as compared to existing program records on family reported information.

If a family is removed from the waiting list for failure to respond, HCD may reinstate the family if it is determined that (1) the lack of response was due to HCD's error, or (2) for documented circumstances beyond the family's control.

If an applicant is selected from the waiting list and does not respond to notices of scheduled appointments or to HCD correspondence, the family will be removed from the waiting list and will be provided with a final notice of withdrawal.

If a family is removed from the waiting list because HCD has determined the family is not eligible for assistance, a notice will be sent to the family's address of record. The notice will state the reasons the family was removed from the waiting list and will inform the family how to request an informal review regarding HCD's decision [24 CFR § 982.201(f)].

2.3 Selection for HCV Assistance

2.3.A. Overview

As funding becomes available from HUD, families on the waiting list must be selected for assistance in accordance with the policies described in this part. The final selection of families for HCV assistance will be taken from the families listed on the waiting list that was created by the electronic drawing and random selection process. Families will be selected from the waiting list based on the targeted funding or selection preference(s) based on historical projections and the availability of funding from HUD. A final determination of eligibility, in accordance with HUD and HCD policies, will be made when the family is selected from the waiting list and interviewed.

2.3.B. Selection and HCV Funding Sources

i. Special Admissions [24 CFR § 982.203]

HUD may award funding for specifically named families living in specified types of units (e.g., a family that is displaced by demolition of public housing). In these cases, HCD may admit such families whether or not they are on the waiting list, and, if they are on the waiting list, without considering the family's position on the waiting list. These families are considered non-waiting list selections. HCD must maintain records showing that such families were admitted with special program funding.

ii. Targeted Funding [24 CFR § 982.204(e)]

HUD may award a HCD funding for a specified category of families on the waiting list. HCD must use this funding only to assist the families within the specified category. In order to assist families within a targeted funding category, HCD may skip families that do not qualify within the targeted funding category. Within this category of families, the order in which such families are assisted is determined according to the policies provided in Section 4-III.C.

HCD Policy

HCD may administer, but is not limited to, the following types of targeted funding:

- Family Unification Program (FUP)
- Veterans Affairs and Supportive Housing (VASH)
- Mainstream (MS5)
- Near Elderly Disabled (NED)
- Emergency Housing Vouchers (EHV)
- Foster Youth to Independence Initiative (FYI)

iii. Regular HCV Funding

Regular HCV funding may be used to assist any eligible family on the waiting list. Families are selected from the waiting list according to the policies provided in Section 2.3 (C).

2.3.C. Selection Method

HCD must describe the method for selecting applicant families from the waiting list, including the system of admission preferences that HCD will use [24 CFR § 982.202(d)].

i. Admission Preferences [24 CFR § 982.207; HCV p. 4-16]

HCD is permitted to establish admission preferences, and to give priority to serving families that meet those criteria. HUD specifically authorizes and places restrictions on certain types of local preferences. HUD also permits HCD to establish other admission preferences, at its discretion. Any local preferences established must be consistent with HCD's plan and the consolidated plan, and must be based on local housing needs and priorities that can be documented by generally accepted data sources.

HCD Policy

Families will be selected based on the category of preferences outlined in this subsection. These preferences are not weighted and are not listed in any specific priority order. A family may have one or more preferences but having multiple preferences does not create a higher priority preference for the family. HCD reserves the right to select or suspend selection from any preference category at any time based on funding availability or to meet local housing needs.

HCD reserves the right to add an admission preference for humanitarian and extraordinary reasons.

Terminated due to Insufficient Funding by HCD. HCD will offer a preference to any family that has been terminated from its HCV program due to insufficient program funding.

Displacement due to Natural Disaster. Families who are Public Housing residents or Housing Choice Voucher holders from another jurisdiction and who are displaced by federally declared disasters will be housed over other waiting list placeholders, subject to HUD's approval. HCD may use existing available Public Housing units to assist either displaced Public Housing or voucher participants affected by the disaster. If the family arrives without any documentation, HCD will obtain the name and social security number of the Head of Household and verify current eligibility by calling the Real Estate Assessment Center (REAC) at 888-245-4860.

Displacement Due to Government Action. Families living in Miami-Dade County displaced or at risk of being displaced due to a governmental action, including Public Housing Development Plans, must be referred and verified. The referral for Housing Choice Voucher assistance must be made within six (6) months of the displacement in order for such families to qualify for Housing Choice Voucher assistance. Written referrals may also be accepted from HUD, appropriate federal, state and local law enforcement agencies, the State Attorney's Office, or by the courts, including requests for assistance for eligible clients under witness protection.

Homeless referred by the Miami-Dade County Homeless Trust – In an effort to address the risk of homelessness, HCD may collaborate with the Homeless Trust on referrals of persons transitioning out of a shelter, transitional housing program, rapid re-housing program or permanent supportive housing.

Veterans – HCD, at its sole discretion, may provide an admission preference over new admissions to applicants who's head or co-head are eligible veterans. A veteran is a person who:

1. had at least 180 days of regular active duties and was honorably discharged or released; or
2. had at least 90 days of active duty service, of which at least one (1) day of service was in a war conflict and was honorably discharged or released; or
3. served in a war conflict and was awarded a Purple Heart or became disabled, regardless of completion of days of active duty.

The veteran status extends to spouses, widows, widowers and parents of the military killed during a time of war. Applicants claiming a veteran's preference must provide a copy military service record, proof of service, or the discharge documents (Form DD214) of the veteran for whom the preference is claimed.

Mainstream Preference – This preference is specific for non-elderly persons with disabilities who are homeless per 24 CFR § 576.2 or transitioning out of institutional and other segregated settings or are at serious risk of institutionalization.

Miami-Dade County Residency Preference – HCD will administer a residency preference for applicants that reside anywhere in Miami-Dade County, including families who work or have been hired to work in Miami-Dade County.

Change of Program Special Admission Preference: HCD may, at its sole discretion, for humanitarian reasons, including but not limited to, reasonable accommodation for a family member with disabilities in another HCD administered federally assisted housing program, issue a voucher under another tenant-based HCD program or HCD provide another site-based housing opportunity, such as the Public Housing program. This family may be placed on HCD's waiting list even if the waiting list is otherwise closed or may already be on HCD's waiting list. HCD will confirm that the tenant is in compliance with all assisted housing tenant and lease obligations. Approval of HCD's Director or designee is required.

ii. Income Targeting

Requirement Income Limits

HUD establishes income limits for all areas of the country and publishes them annually in the *Federal Register*. They are based upon estimates of median family income with adjustments for family size. The income limits are used to determine eligibility for the program and for income targeting purposes as discussed in this section.

Definitions of the Income Limits [24 CFR § 5.603(b)]

Low-income family. A family whose annual income does not exceed 80 percent of the median income for the area, adjusted for family size.

Very low-income family. A family whose annual income does not exceed 50 percent of the median income for the area, adjusted for family size.

Extremely low-income family. A family whose annual income does not exceed the federal poverty level or 30 percent of the median income for the area, whichever number is higher.

Area median income is determined by HUD, with adjustments for smaller and larger families. HUD may establish income ceilings higher or lower than 30, 50, or 80 percent of the median income for an area if HUD finds that such variations are necessary because of unusually high or low family incomes.

Using Income Limits for Eligibility [24 CFR § 982.201]

Income limits are used for eligibility only at admission. Income eligibility is determined by comparing the annual income of an applicant to the applicable income limit for their family size. In order to be income eligible, an applicant family must be one of the following:

- A very low-income family
- A *low-income* family that has been "continuously assisted" under the 1937 Housing Act. A family is considered to be continuously assisted if the family is already receiving assistance under any 1937 Housing Act program at the time the family is admitted to the HCV program [24 CFR § 982.4]
- A low-income family that qualifies for voucher assistance as a non-purchasing household living in HOPE 1 (public housing homeownership), HOPE 2 (multifamily housing homeownership) developments, or other HUD-assisted multifamily homeownership programs covered by 24 CFR § 248.173
- A low-income or moderate-income family that is displaced because of the prepayment of a mortgage or voluntary termination of a mortgage insurance contract on eligible low-income housing as defined in 24 CFR § 248.101

- HUD permits HCD to establish additional categories of low-income families that may be determined eligible. The additional categories must be consistent with HCD's plan and the consolidated plans for local governments within HCD's jurisdiction.

Using Income Limits for Targeting [24 CFR § 982.201]

At least 75 percent of the families admitted to HCD's program during HCD's fiscal year must be extremely low-income families while 25 percent may include low-income families over 30 and not to exceed 80 percent of the median income for an area. HUD may approve exceptions to this requirement if HCD demonstrates that it has made all required efforts but has been unable to attract an adequate number of qualified extremely low-income families.

Families continuously assisted under the 1937 Housing Act and families living in eligible low-income housing that are displaced as a result of prepayment of a mortgage or voluntary termination of a mortgage insurance contract are not counted for income targeting purposes.

HCD Policy

HCD will monitor progress in meeting the income targeting requirement throughout the fiscal year. Extremely low-income families will be selected ahead of other eligible families on an as-needed basis to ensure the income targeting requirement is met.

HCD will consider a family to be continuously assisted if the family was leasing a unit under any 1937 Housing Act program at the time, they were selected from HCD's waiting list. Pursuant to 24 CFR § 982.201(b)(2)(iv), these families are not subject to income targeting.

2.3.D. Notification of Selection

When a family has been selected from the waiting list, HCD must notify the family [24 CFR § 982.554(a)].

HCD Policy

HCD will notify the family by first class mail or other method as designated by the family when it is selected from the waiting list. HCD may conduct the interview remotely through mail, online portals, or in person. The notice will inform the family of the following:

1. Instructions on how to complete the interview.
2. All documents that must be provided at the interview, including information about what constitutes acceptable documentation.

If a notification letter is returned to HCD with no forwarding address, the family will be removed from the waiting list.

2.3.E. The Application Interview

HUD recommends that HCD obtain the information and documentation needed to make an eligibility determination through an interview with a HCD representative. Being invited to attend an interview does not constitute admission to the program.

Assistance cannot be provided to the family until all SSN documentation requirements are met. However, if HCD determines that an applicant family is otherwise eligible to participate in the program, the family may retain its place on the waiting list for a period of time determined by HCD [Notice PIH 2012-10].

Reasonable accommodation must be made for persons with disabilities who are unable to attend an interview due to their disability.

HCD Policy

Families selected from the waiting list are required to participate in an eligibility interview.

The head of household, the spouse/cohead, and any other adult family members will be requested to attend the interview together. However, either the head of household or the spouse/cohead must attend the interview on behalf of the family. Verification of information pertaining to adult members of the household who is not present at the interview will not begin until signed release forms are returned to HCD.

The head of household, spouse/cohead, and any other adult family members must provide acceptable documentation of legal identity. If the family representative does not provide the required documentation at the time of the interview, they will be required to provide it within 10 calendar days of the date of the notice.

Pending disclosure and documentation of social security numbers, HCD will allow the family to retain its place on the waiting list for 90 days. If not, all household members have disclosed their SSNs at the next time HCD is issuing vouchers, HCD will issue a voucher to the next eligible applicant family on the waiting list.

The family must provide the information necessary to establish the family's eligibility and determine the appropriate level of assistance, as well as completing required forms, providing required signatures, and submitting required documentation. If any materials are missing, HCD will provide the family with a written list of items that must be submitted.

HCD will compare current information received with past information stated on the waiting list application and query the applicant regarding any discrepancies that may affect eligibility and/or require additional documentation. HCD will estimate annual income for the upcoming 12-month period [24 CFR §5.609 (c)(1)].

Any required documents or information that the family is unable to provide at the interview must be provided within 10 calendar days of the notice. If the family is unable to obtain the information or materials within the required time frame, the family may request an extension. If the required documents and information are not provided within the required time frame (plus any extensions), the family will be sent a notice of denial.

An advocate, interpreter, or other assistant may assist the family with the application and the interview process.

Interviews will be conducted in English. For limited English proficient (LEP) applicants, HCD will provide translation services in accordance with HCD's LEP plan.

Any costs incurred to complete the application process and screening will be the responsibility of HCD.

If the family is unable to attend a scheduled interview, the family should contact HCD in advance of the interview to schedule a new appointment. In all circumstances, if a family does not attend a scheduled interview, HCD may send another notification letter with a new interview appointment time. Applicants who fail to attend two scheduled interviews without HCD's approval will be denied assistance based on the family's failure to supply information needed to determine eligibility.

2.3.F. Completing the Application Process

HCD must verify all information provided by the family in accordance with HUD's verification hierarchy and subject to applicable waivers. HCD must make a final determination of eligibility and must confirm that the family qualified for any special admission, targeted funding admission, or selection preference that affected the order in which the family was selected from the waiting list.

HCD Policy

The following items will be verified to determine qualification for admission to HCD:

- Identity of each adult or emancipated minor household member
- Family composition and type of family;
- Annual income;
- Assets and asset income
- Deductions from income;
- Admission preferences;
- Social security numbers of all family members;
- Applicant screening information; and
- Citizenship or eligible immigration status.
- Debts owed to a public housing authority
- Previous involuntary termination from any federal housing assistance program
- Current federal housing assistance

2.3.G. HUD Approved Waivers Applicable to Persons Experiencing Homelessness

(Notice PIH 2024-17)

HCD has been granted two regulatory waivers related to verification requirements at admission to the HCV, PBV, or Public Housing programs to expedite admissions of persons experiencing homelessness (refer to homeless preference). Except for Emergency Housing Vouchers (EHV) and Stability Vouchers (SV), any waiver of HCV regulations granted will apply to special purpose vouchers. These waivers will remain in effect for a period of 12 months following approval and will provide alternative requirements described below that HCD must follow during the period the waiver is in effect.

1. HUD waived 24 CFR 982.201(e) and 960.259(a) and (c)(1), for persons experiencing homelessness, as it relates to verifying a family member's date of birth and/or disability status at the time of admission for purposes of determining the family's eligible expenses and deductions.

Alternative Requirement

For any applicant family experiencing homelessness, HCD may accept a self-certification from the applicable family member, if the family is unable to provide third-party verification of date of birth and/or disability status for any of its members, because of loss or lack of documents. HCD must verify the disability status and/or date of birth within 90 days after admission.

Self-certification of date of birth and disability status **cannot** be utilized when it is related to the eligibility for a particular special purpose voucher (e.g., Mainstream) or for Public Housing which has been officially designated, with HUD approval, in whole or in part, for families whose head of household, co-head, or spouse is a person with disabilities or age 62 or older.

Note:

- If unable to verify date of birth within 90 days, remove any income deductions related to age (elderly or dependent) and recalculate participant portion of rent.
 - If unable to verify disability status within 90 days, remove disability deduction and any disability expense from income calculation and recalculate the participant portion of rent.
2. HCD is required to verify a family's income eligibility within 60 days prior to voucher issuance for the tenant-based voucher program and prior to admission for the PBV and Public Housing programs. Notice PIH 2023-27 provides the verification hierarchy under which HCD is responsible for obtaining third-party verification of reported family annual income, and HCD must demonstrate efforts to obtain third-party verification prior to accepting self-certification except in instances when self-certification is explicitly allowed. HUD waived these requirements if an applicant family lacks necessary income documentation because the family is experiencing homelessness.

Alternative Requirement:

a) For any applicant family experiencing homelessness, HCD must first request third-party documentation from the family.

b) If the family is unable to provide third-party documentation at the time of the request, HCD may immediately allow self-certification. HCD is not required to first attempt to obtain the documentation from the third-party source of income before proceeding immediately to the family self-certification, notwithstanding the requirement under Notice PIH 2023-27 that HCD must demonstrate efforts to obtain third-party verification prior to accepting self-certification.

c) Applicants must submit a self-certification declaration of income, assets, expenses, and other factors that would otherwise affect an income eligibility determination within 60 days prior to voucher issuance for the tenant-based HCV program, and prior to admission for the Public Housing and PBV programs.

d) If the family is unable to provide third-party verification, for the tenant-based HCV program, HCD must receive information verifying that the family is eligible within 90 days after HCD enters into a Housing Assistance Payment (HAP) contract on behalf of the family. For the Public Housing and PBV programs HCD must receive information verifying that the family is eligible 90 days following admission.

e) The adoption of this waiver does not authorize any ineligible family to receive assistance under these programs or relieve HCD of its responsibilities to correct any overpayments or

underpayments. HCD must take steps to identify and resolve any income discrepancies, including updating the family's income retroactive to the New Admission (action code 1) HUD-50058 and correcting any overpayments or underpayments. If HCD later determines that an ineligible family received assistance, HCD must take steps to terminate that family from the program in accordance with the relevant program requirements.

Note:

- Family submits third-party verification that matches self-certification. No further action is needed.
- Family submits third-party verification that is lower than the self-certification, but the family is within the income limits. HCD recalculates the family's income and may enter into a repayment agreement with the family.

These regulatory waivers specifically relate to the crisis of households experiencing homelessness and providing tools to house families (which may be a single person or group of persons) experiencing homelessness more quickly. When granted, these waivers will remain in effect for a period of 12 months following approval and will provide alternative requirements that the HCD must follow during the period the waiver is in effect.

Enterprise Income Verification (EIV) At Time of Admission

If the EIV information shows that a family or household member was a former HCD tenant, moved from another housing authority or program leaving a debt, or was terminated for adverse reason(s), the family will be responsible for clearing the debt or at least entering into a repayment agreement, or termination information, within up to 45 calendar days. Assistance will be denied if the family cannot or does not provide proof of debt cancellation or signed repayment agreement, or reversal of the termination prior to the expiration of the 45 calendar days.

HCD may verify in EIV whether the applicant is receiving or has the potential of receiving double subsidy, has a debt owed to another housing authority or program, or whether a prior termination has been cleared. The family has the right to dispute information obtained from EIV.

Zero Income

Applicants reporting zero (0) income will be asked to complete the Monthly Family Expense and Income Contribution forms to document how much they spend on: food, transportation, healthcare, childcare, debts, household items, etc. and what the source of income is for these expenses.

Other Eligibly Factors

After all other eligibility factors have been evaluated and the family is determined to be preliminarily eligible, HCD will complete the criminal background screening criteria to determine final eligibility. HCD will perform criminal background (excluding juvenile records) and sex offender registration checks for applicants and additions to households 18 years of age and older at local and national levels. HCD may conduct such checks on household members who are younger than 18 years if they are being tried as adults for certain criminal offenses.

In order to determine family's eligibility for full assistance or prorated assistance, HCD is required to verify the citizenship and/or immigration status of each individual family member, unless they do not contend that they have eligible immigration status.

If HCD determines that the family is ineligible, HCD will send written notification of the ineligibility determination. The notice will specify the reasons for ineligibility, and will inform the family of its right to request an informal review (Chapter 16).

If a family fails to qualify for any criteria that affected the order in which it was selected from the waiting list (e.g. targeted funding, extremely low-income), the family will be returned to its original position on the waiting list. HCD will notify the family in writing that it has been returned to the waiting list, and HCD will specify the reasons for it.

If HCD determines that the family is eligible to receive assistance, HCD will invite the family to attend a briefing in accordance with the policies in this Administrative Plan.

2.4 Admission Information

2.4.A. Determination and Verification of Annual Income

Refer to Chapter 7

2.4.B. Social Security Numbers

[24 CFR §§ 5.216 and 5.218, Notice PIH 2012-10]

A. Mandatory Social Security Numbers

Effective January 31, 2010, all members of the household and each member of the applicant's household, including the live-in aide and children under the age of six (6), except those that do not contend eligible immigration status, must provide appropriate documentation of their Social Security Number (SSN).

1. Disclosure requirement for applicants

- a) At the time applicant's eligibility is determined, each applicant must submit:
 - (1) The complete and accurate SSN card of the applicant and each member of the applicant's household, including the live-in aide and children under the age of six (6), unless the member of the household does not contend that they have eligible immigration status, and
 - (2) The required documentation issued by a federal or state government agency that contains the name and SSN of the individual, along with other identifying information of the individual (i.e. address, date of birth, etc.); or
 - (3) A declaration from the applicant stating why they cannot obtain their SSN card, and what their SSN is together with a document stating the person's name (such as bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual).
- 2. If HCD has accepted any declarations as evidence of a SSN, HCD will review the Failed SSA Identity Report monthly within 90 days to quickly identify any participants whose identity is not verified.

B. Disclosure requirement for program participants

Initial Disclosure: Each participant whose initial determination of eligibility began before January 31, 2010, except for those age 62 or older as of January 31, 2010, must submit a complete and accurate SSN and documentation to verify the SSN at the next interim or regularly scheduled reexamination if the participant has:

- Not previously disclosed an SSN to HCD; or
- Previously disclosed an SSN that HUD or Social Security Administration (SSA) determined was invalid; or
- Been issued a new SSN.

Subsequent Disclosure: When an additional household member is added to the household, including a newborn or live-in aide, a complete and accurate SSN for each new member must be provided and verification provided at the time of the request or at the time of processing the interim reexamination or recertification of family composition that includes the new member, unless the member of the household does not contend that they have eligible immigration status. If the additional household member is under the age of six (6) and they have no SSN, an SSN must be applied for and documentation submitted at the time of the request to add the child to the household.

C. Verification of SSNs

Applicants and participants must submit one of the following documents to confirm their SSN:

- A valid SSN issued by SSA, or
- An original document from a federal or state government agency that contains the individual's name and SSN, along with identifying information of the individual (i.e. address, date of birth, etc.)
- A declaration from the applicant stating why they cannot obtain their SSN card, and what their SSN is together with a document stating the person's name (such as bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual).

1. If HCD has accepted any declarations as evidence of a SSN, HCD will review the Failed SSA Identity Report monthly within 90 days to quickly identify any participants whose identity is not verified.

Referral sources for applicants and participants who need to request SSN or obtain information are available at www.socialsecurity.gov or 800- 772-1213.

D. Time Frame

Applicants: If at the time of eligibility, the documents to verify the SSN for each family member cannot be submitted and the applicant is otherwise eligible, the applicant may retain their place on the waiting list for the program but cannot become a program participant until the required documents to confirm the SSN is provided. Applicants may be given up to 90 days, or 120 days for applicants 62 years or older, to submit documents confirming each household member's SSN.

Program Participants: Next annual or interim reexamination or within 90 days of request date, or 120 days for participants 62 years or older.

HCD may grant additional time up to 90 days, only if there are unforeseen circumstances beyond the family's control that prevent the family from complying with the SSN requirements.

E. Penalties

Applicants: HCD must deny the eligibility of an applicant if the applicant does not meet the applicable SSN disclosure, documentation and verification requirements by the time eligibility is determined or within the period of time established by HCD to provide documentation in item (4).

Program participants: HCD must terminate the assistance or the tenancy, or both, of a participant if the participant does not meet the applicable SSN disclosure, documentation and verification requirements.

2.4.C. Identity Verification

i. Ineligible Immigration Status

An adult or emancipated minor applicant that do not contend eligible immigration status will be required to confirm their identity providing any of the following documents:

- Foreign passport
- Foreign driver's license
- Foreign birth Certificate
- Identification card issued in US
- Foreign military identification card
- Other documents as may be required by HUD

ii. Citizens or Eligible Noncitizen Immigration Status

Required documentation validating identity of each adult or emancipated minor having citizenship or eligible immigration status:

- State issued driver's license (current and unexpired), or
- State issued identification card (issued within the last ten years)
- U.S. passport (current and unexpired)
- US issued immigration verification documents that contain a picture of individual (issued within the last ten (10) years)
- Military identification card
- Other documents as may be required by HUD

2.4.D. Legal Capacity

The head of household of the family must be 18 years of age or older at the time of application or have been emancipated by a court of competent jurisdiction, otherwise, the family will be removed from the waiting list. The head of household must have the capacity under state and local law to enter into a legally binding lease agreement, where the tenant is bound by the terms of the lease.

2.4.E. Denial of Assistance

i. Overview

HCD acknowledges that a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking can have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant

denial under HCD's policies. Therefore, if an applicant is denied assistance, HCD will provide them with its notice of denial of Notice of Occupancy Rights under the Violence Against Women Act form (HUD form 5380) and the Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation form (HUD form 5382). See Section 2.4.F— Violence Against Women Act of this Administrative Plan for additional details.

HCD will use local and national databases to perform criminal background checks (not including juvenile records) and sex offender registration checks for applicants and additions to households who are 18 years of age and older. HCD will conduct such checks on household members who are younger than 18 years only if they are being tried as adults for certain criminal offenses.

- A nationwide criminal background check and sex offender registration check will be performed. The nationwide sex offender registration check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).
- Prior to conducting any criminal and sex offender registration background checks, household members 18 years of age and older (including the live-in aide) must sign the consent form named Authorization to Obtain Criminal Background Records. The custodial parent may sign the required form on behalf of a minor. HCD will conduct criminal and sex offender checks on household members who are younger than 18 years only if they are being tried as adults for certain criminal offenses.

ii. Grounds for Denial:

Eviction or Termination from Federally Assisted Housing:

HCD shall deny assistance if any household member has been evicted from subsidized housing or experienced involuntary termination from residential assistance programs (taking into account date and circumstances) for a period of five (5) years from end of participation.

iii. Failure to Meet Financial Obligations

Assistance may be denied for a period of five (5) years for failing financial obligations in subsidized housing (e.g., monies owed, paying rent and utilities) or in the following circumstances unless the family can provide proof of debt cancellation or reversal of the adverse termination within up to 45 calendar days of notice.

If an applicant or any member of the applicant family currently owes rent or other amounts to HCD or any other housing agency in connection with Section 8 or public housing assistance under the United States Housing Act and applicable federal regulations, or if any applicant who previously lived in public housing or an assisted unit vacated leaving an unpaid balance, then the applicant will not be offered assistance until the outstanding balance is paid in full.

If the applicant or any member of the applicant family has not reimbursed any housing authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the Lease.

If the applicant or any member of the applicant family breaches an agreement with any housing agency to pay amounts owed to the housing agency, or amounts paid to an owner by the housing agency.

iv. Abusive Behavior

If within five (5) years of eligibility determination an applicant or any member of the applicant family has engaged in physical or verbal abuse or threatened abusive or violent behavior that

may include the use, attempted use, or threatened use of physical force, toward HCD personnel or any County personnel or official, then the application may be denied. Applicants denied housing due to abusive behavior must be reviewed and approved by HCD Director or designee.

v. Criminal Activity

HCD's goal is to assist ex-offenders in gaining access to one of the most fundamental building blocks of a stable life, a place to live. However, criminal background checks are performed at admission and annual re-examinations. HCD is committed to seek a balance between allowing ex-offenders to reunite with their families that live in public housing, and at the same time, ensuring the safety of all residents of its programs.

HCD may deny admission or terminate assistance when the screening process shows a conviction for engaging in criminal activity and history of inability to comply with the terms of previous leases, as verified by previous landlords or other entities. However, HCD may consider mitigating circumstances.

In its decision to deny or terminate assistance, and prior to sending the denial notice, HCD shall conduct an individualized assessment considering the following:

- the seriousness of the case, especially as it affects the health and safety of other residents;
- the effect of denial or termination of assistance on other family members who were not involved in the action or failure to act;
- the level of violence, if any, of the criminal activity for which the applicant or resident was convicted;
- the length of time since the conviction;
- the number of convictions that appears on the applicant or resident's criminal history;
- the possibility of the applicant or resident being rendered homeless; and
- the rehabilitation efforts taken by applicant or resident after conviction or released from prison.

HCD, if it admits such a family to the program, may impose as a condition of assistance, the requirement that family members (other than the head of household) who participated in or were culpable for the action or failure to act will not be part of the applicant family or reside in the assisted unit, upon approval of HCD or hearing officer.

Pursuant to PIH Notice 2015-19, an arrest is not evidence of criminal activity that can support an adverse admission, termination or eviction decision. As such, an arrest where the disposition of the criminal charges is voided, invalidated, rendered inoperative, dropped, nolle prossed, dismissed pursuant to successfully completion of a diversion or a deferral of judgment program, no action, or other resolution that does not involve an admission of guilt or where the applicant is found not guilty or acquitted, may not result in denied or terminated assistance.

However, HCD may deny or terminate assistance based on the conduct underlying arrests, only if the conduct indicates the individual is not suitable for tenancy, in which case HCD may gather sufficient evidence to support an adverse admission, termination, or eviction decision.

Such evidence may consist of the police report associated with the arrest and consider the reported circumstances of the arrest. HCD may also consider any statements made by

witnesses, not included in the police report and any other evidence relevant to determining whether or not the applicant or tenant engaged in disqualifying activity.

vi. Permanently Deny or Terminate Assistance

HCD may permanently deny or terminate assistance for convictions related to the following:

1. Methamphetamine manufacturers on premises of federally assisted housing.
2. Sex offenders subject to a lifetime registration under a state sex offender registration program. In searching for sex offenders, HCD will perform background checks nationwide. The nationwide sex offender registration check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).
3. Felonious violent criminal activities, including but not limited to murder, arson, aggravated felony battery and sex-related crimes not subject to lifetime registration under a state sex offender registration program.

Except for methamphetamine manufacturing, sex-related crimes, felonious violent criminal activities (e.g., murder, arson, aggravated felony battery) and those convictions for criminal activities described in Miami-Dade County Ordinance 15-47, HCD shall consider:

- Criminal felony convictions that have occurred within the last five (5) years from the date of conviction; and
- Criminal misdemeanor convictions that have occurred within the last three (3) years from the date of conviction.

vii. Lookback Period

The lookback period starts upon commencement of the formal eligibility screening.

viii. Misdemeanors

HCD may not deny or terminate housing due to misdemeanors considered civil violations according to County Ordinance 15-47, listed below:

- Litter
- Illegal Use of Dairy Cases, Egg Baskets, Poultry Boxes, or Bakery Containers
- Trespass on Property Other than Structure or Conveyance Retail Theft by Removal of a Shopping Cart
- Loitering or Prowling
- Possession of Cannabis in an amount of 20 grams or less
- Possession of Drug Paraphernalia

ix. Individualized Assessment

After conducting an individualized assessment, HCD may deny or terminate assistance, if the applicant or resident has been convicted within 5 years for the following criminal activities:

1. Drug-related activities, including, but not limited to, eviction or termination from federally assisted housing due to drug activity. Drug-related activities mean illegal manufacture, sale, distribution or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.
2. Violent criminal activities which shall include any criminal activity that has as one (1) of its elements the use, attempted use, or threatened use of physical force substantial

enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage.

3. Non-violent criminal activities that may threaten the health, safety or right to peaceful enjoyment of the premises by other residents. Examples are crimes that involve disturbing the peace, crimes against property such as burglary, larceny and robbery, and crimes that impose a financial cost such as vandalism, bribery and fraud, including fraud in connection with federally assisted housing.
4. Alcohol abuse or pattern of abuse, if HCD has reasonable cause to believe that the person's abuse or pattern of abuse of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.

In determining denial or termination of assistance related to drug or alcohol abuse, HCD must take into consideration: Evidence of drug or alcohol rehabilitation, as indicated under Mitigating Circumstances below, and if the drug or alcohol abuse is related to a disability, as determined by HCD's ADA Coordinator.

HCD shall not consider any additional restrictions for eligibility of housing assistance due to criminal activities not required by federal law, regulations, and this policy.

x. Other Non-Criminal Activities

Assistance will be denied or terminated for a period of five (5) years for inability to comply with the lease terms (e.g., record of disturbance of neighbors, destruction of property, living and housekeeping habits) that may adversely affect the health, safety or welfare of other tenants or cause damage to the unit or development.

xi. Notification of Proposed Rejection

HCD must notify the household of the proposed rejection, the reason for the denial of admission or termination, and provide an opportunity to dispute the accuracy and relevance of the record. If the denial is because of criminal background, HCD must provide the household member with copy of the criminal records.

Criminal records (not including juvenile records) for minors convicted as adults available to HCD by operation of law will be released to the head of household, parent or legal guardian of the minor, upon request. Refer to Chapter IX of this ACOP.

The HUD form 5380, Notice of Occupancy Rights under the Violence Against Women Act form, and the HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation form, will be provided at the time the household is denied assistance.

xii. Mitigating Circumstances for Applicants and Residents

Mitigating circumstances are facts relating to negative rental history or behavior, that, when verified, indicate that the reason for the unsuitable rental history or behavior is no longer in effect or is under control, justifying admission or continued occupancy. Mitigating circumstances would overcome or outweigh information gathered in the screening process.

The factors below will be taken into consideration when reviewing the conviction(s) for engaging in criminal activities. These factors are not the only allowable mitigating circumstances. HCD may consider other mitigating circumstances as appropriate. Providing documentation of mitigating circumstances as described below is the responsibility of the

family. It is incumbent upon the family to provide documentation, evidence and any and all other third-party proof at any time, including but not limited, to the investigation interviews, appointments with HCD staff, at the time of the informal review or within the time limit set by the hearing officer to provide substantiating information challenging the recommendation to deny assistance.

1. Removal of Family Member

The applicant or resident may request removal of the offending family member from the family composition and the family member may not remain on the application nor reside in the Public Housing unit in order for the family to be assisted in the program.

If the offending family member(s) is not removed, then the entire family shall be recommended for denial of assistance from the Program. In circumstances where the offending family member is the head of household, the entire family shall be recommended for denial of assistance from the Program.

Depending on the seriousness of the offense, HCD may consider reinstating the removed offender family member, if they are able to establish that they have been rehabilitated (i.e., drug or alcohol rehabilitation program).

2. Violation of Peaceful Enjoyment

HCD may consider all circumstances relevant to a particular case, such as the seriousness of the offending action, the extent of participation by the head of household or household member(s) in the offending activity and the extent to which the head of household or household member(s) has shown personal responsibility to prevent or mitigate the offending action. Upon determination by the hearing officer or HCD may require a family to exclude a household member in order to receive housing assistance, where that household member has participated in or been culpable for the action or failure to act that warrants denial or termination of assistance.

3. Substance Abuse Rehabilitation

Upon determination by HCD, hearing officer, hearing panel whether to recommend denial or termination of assistance for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, may consider whether such household member was remanded by the court and is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, HCD shall require the applicant or resident to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

4. Domestic Violence

Upon request, other documents may be submitted in lieu of the HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation form. See Chapter XIV– Violence Against Women Act and Appendix I - Definitions of this ACOP for additional details.

xiii. Examples of mitigating circumstances may include:

1. Evidence of successful rehabilitation. The household member who engaged in criminal activity successfully completed a diversion or deferral of judgment

- program; or has successfully completed a supervised drug or alcohol rehabilitation program verified by HCD;
2. Circumstances leading to the eviction or criminal activity no longer exist (for example, the criminal household member has died or is imprisoned);
3. Evidence of the family's participation in social service or other appropriate counseling service; or
4. Evidence of successful and sustained modification of previous disqualifying behavior.
5. Consideration of mitigating circumstances does not guarantee that the family will qualify for admission or continued occupancy. HCD will consider such circumstances in light of:
 - a) the ability to provide documentation/evidence to verify the mitigating circumstances and prospects for improved future behavior;
 - b) the overall performance with respect to all the screening requirements; and
 - c) the nature and seriousness of the criminal activity, especially drug related and criminal activity that appears in the applicant's or resident's record.
6. If negative information is received about an applicant or resident, HCD shall consider the time, nature, and extent of the conduct and factors that may indicate a reasonable probability of favorable future conduct. To be considered, mitigating circumstances must be verifiable.
7. If the applicant or resident asserts that mitigating circumstances relate to a change in disability, medical condition or treatment, HCD shall evaluate the evidence and verify the mitigating circumstance. HCD shall also have the right to request further information to verify the mitigating circumstance. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation (see HCD's Reasonable Accommodation Policy and Procedures document under Appendix IV of this ACOP), which will be used by HCD as the source document to process reasonable accommodation requests for people with disabilities.

2.4.F. Violence Against Women Act

A. Overview

Under the Violence Against Women Act (VAWA) and Miami-Dade County Resolution No. R-644- 12, HCD is required to implement internal policies to include provisions for protection of victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, and stalking (hereinafter known as "domestic violence"). For definitions of terms under this section, refer to Attachment A of this Administrative Plan.

HCD provides applicants and residents with the HUD form 5380, Notice of Occupancy Rights under the Violence Against Women Act form, that explains the VAWA protections, including the right to confidentiality, and any limitations on those protections.

HCD also provides applicants and residents with HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault, Stalking or Alternate Documentation form to be completed by the victim to document that the applicant or resident is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

HCD provides the Notification of Your Rights and Obligations under the Violence Against Women Act form to owners and management agents of assisted housing detailing the following:

- VAWA protections and any limitations on those protections
- Documentation required
- Remedies available to tenants
- Definitions
- Confidentiality requirements

The lease, lease addendum, or tenancy addendum, as applicable, shall include a description of specific protections afforded to the victims of domestic violence, economic abuse, technological abuse, dating violence, or stalking.

HCD's Emergency Transfer Plan for victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking (Emergency Transfer Plan) is attached hereto as Attachment D and is incorporated herein by reference. When in conflict with any policy under this Administrative Plan, the Emergency Transfer Plan for victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking shall prevail.

B. Admission and Continued Occupancy Criteria

An applicant cannot be denied admission or assistance on the basis or as a direct result of the fact that the applicant is or has been a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking, if the applicant or tenant otherwise qualifies for admission, assistance, participation, or occupancy.

Residents or tenants who are victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking must be handled as an exception to the federal One Strike Rule under documented incident of actual or threatened domestic violence.

If the tenant or affiliated individual is a victim of criminal activity directly related to domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking engaged in by a household member or guest or other person under the tenant's control, such criminal activity shall not be cause for eviction or termination.

Being a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking does not qualify as a serious or repeated violation of the lease for terminating assistance, tenancy, or the occupancy rights of the victim. HCD may allow for the perpetrator of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking to be removed from the lease, while the remaining family members stay in the assisted unit, upon approval of the division director. Victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking will be considered for emergency transfers. See Attachment D of this Administrative Plan. Subject to funding availability, the issuance of a Section 8 voucher may be offered to the victimized family member(s).

C. Evidence Required as Proof of Domestic Violence, Sexual Assault, Dating Violence or Stalking

When confronted with cases of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking HCD must provide the alleged victim with HUD form 5382, Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation, and request that it be returned within 14 business days. HCD may, but is not required, to extend the time period to submit the documentation with the approval of

the division director or designee. In response to this request, the resident may complete HUD form 5382 or provide one of the following types of third-party documentation:

1. Court records (e.g., restraining and civil protection orders) or statements from a judge or other court officials;
2. Medical records or statements from mental health professionals or medical professionals from whom the victim sought assistance in addressing domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking;
3. Police reports or statements (e.g., records of police visits to the victim's address or telephone calls, which may include telephone calls to the police registering a complaint, a log of police runs made to the residence, and copies of all tapes and reports written by officers responding to a call);
4. Reports or statements signed by workers (collectively, "professionals") from a domestic violence shelter or domestic violence program attesting to the time the victim spent in the shelter and the correlation to the incidents of abuse;
5. Statements signed by a clergy or social worker, other employee, agent, or volunteer of an administrative agency, social service agency, victim service provider, domestic violence program, clergy, counselor, or attorney (collectively, "professional") from whom the victim sought assistance in addressing domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.
6. Other credible evidence as corroborated by law enforcement or domestic providers.
7. Statements signed by above-mentioned professionals must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence occurred and meet the definition of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking. Same statements must also be signed by the victim.

D. Conflicting Evidence

If HCD receives conflicting evidence that an incident of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HCD may request third-party documentation from victims in order to resolve the conflict. The victim must provide the third-party documentation within 30 days. If the victim fails or refuses to provide third-party documentation where there is conflicting evidence, HCD does not have to provide the victim with the protections contained in this policy.

E. Considerations for Victims of Domestic Violence, Dating Violence, Sexual Assault, or Stalking

HCD must consider:

1. The nature and severity of each case while exercising discretion on whether or not family members or their guests pose an actual and imminent threat to the health, safety, or right to peaceful enjoyment of the premises by others. Any eviction or termination of assistance taken on this basis should only be used when there are no other actions that can be taken to reduce or eliminate the threat, including but not limited to:
 - Transferring the victim

- Removing or barring the perpetrator from the property
- Contacting law enforcement
- 2. The effects of denial or termination of assistance on other family members who were not involved in the offense.
- 3. The conditions barring the culpable household member from residing in or visiting the unit.
- 4. The circumstances relevant to an eviction or termination of tenancy based on the extent to which the person has shown personal responsibility to prevent the offending action, and the time that has elapsed since their arraignment for that crime.
- 5. The range of evidence as proof of domestic violence, economic abuse, technological abuse, which may include, but is not limited to victim's statement, testimony or affidavit outlining the facts of the violence or cruelty in each incident, utilizing form HUD-5382.

F. Protection of Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

HCD shall refer victims of domestic violence, economic abuse, technological abuse, sexual assault or stalking to the State of Florida Office of the Attorney General, State Attorney's Office or the Department of Law Enforcement to apply for participation in the Address Confidentiality Program for Victims of Domestic Violence.

HCD may collaborate with appropriate counseling and law enforcement entities to assist victims of domestic violence, economic abuse, technological abuse, including but not limited to the following services and programs for domestic violence victims:

- 1) Certified Domestic Violence Centers:
 - a) Safespace Shelter: 305-758-2804
 - b) The Lodge: 305-693-1170
- 2) Domestic Violence One Stop Center:
 - a) Coordinated Victims Assistance Center (CVAC): 305-285-5900

In determining if termination, removal or in some cases eviction is appropriate, HCD must consider the safety and well-being of victims, as well as the health, safety and peaceful enjoyment of other residents who may be affected by incidents or domestic violence. Per VAWA 2013, if the evicted individual is the sole tenant eligible to receive assistance under a covered housing program, the public housing agency, owner, or manager of housing assisted under the covered housing program shall provide any remaining tenant an opportunity to establish eligibility for the covered housing program. If a tenant described in the preceding sentence cannot establish eligibility, the public housing, owner, or manager of housing assisted under the covered housing program shall provide the tenant a reasonable time, as determined by the appropriate agency, to find new housing or to establish eligibility for housing under another covered housing program.

HCD must develop linkages and referrals to appropriate counseling and law enforcement entities.

G. Confidentiality

The information under the Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation form will remain confidential and will be used by HCD only to provide the victims with the exceptions and protections under VAWA.

HCD must ensure that private information of victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking is protected in accordance with Records Management provisions.

H. Non-discrimination

Pursuant to VAWA, no applicant or participant shall, on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity funded in whole or in part with funds made available under VAWA. Additionally, HCD does not discriminate against applicants or participants based on ethnic origin, familial status, marital status, ancestry, age, pregnancy, or source of income.

2.4 G Addition to Family Composition

Prior to the admission program, changes to the family composition shall be considered and documented at the time the changes below occur. Requests for additions to the family composition are to be made in writing by the head of household and include but not limited to:

- Spouses, co-heads, or domestic partners (see definition of Family in Attachment A of this Administrative Plan), children born to, adopted, or otherwise granted custody by operation of law, including foster children and foster adults.

HCD will require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism to establish that a head of household has authorization to include a minor in the family composition. Addition of minors may also be permitted for families in which one (1) or more children live with the designee of the parent or legal custodian, with the parent or custodian's written consent. Documentation can include but is not limited to court documents, pre-need guardian, school records, other state and federal public assistance documentation, or power of attorney.

2.4.H Foster Children and Foster Adults

The applicant family must obtain approval for the addition of a foster child and foster adult to the family before the new member occupies the unit. Effective July 1, 2025, foster children and foster adults will be considered part of the household (and therefore will be considered when determining appropriate unit size count and utility allowance). If applicable, HCD will process a change in the voucher size to avoid an overcrowded situation.

Chapter 3. Non-Waiting List Issuance and Special Programs

When HUD awards program funding to the Agency that is targeted for families that live in specified units or for a special or targeted Housing Choice Voucher program. HCD shall maintain records showing that the family was admitted with HUD-targeted assistance. HCD may issue vouchers to persons not on the waiting list in the following instances:

3.1 Relocation

Provision of Housing Choice Voucher assistance may be provided to a family being relocated if allowed under the Uniform Relocation Assistance and Real Property Acquisition Regulations for federal and federally assisted programs and subject to HCD receiving a Tenant-Protection Voucher.

3.2 Settlement of Lawsuits

HCD shall comply with any mandated settlements, or directives by a court of the United States or HUD in relation to the issuing of vouchers to persons not on the waiting list.

3.3 Preservation Housing

Families that reside in a property covered by project-based voucher assistance in which the owner opts out or pre-pays the HUD insured mortgage or is at or near the end of the housing assistance payment contract may be eligible for Preservation Voucher assistance. HCD shall certify families eligible for Preservation Voucher housing pursuant to executed Annual Contribution Contracts (ACC's) by HUD for mandated or targeted projects.

3.4 Veterans Assisted Supportive Housing (VASH)

To be eligible for the Veterans' Assisted Supportive Housing program (VASH), applicants must be referred by the Veterans Affairs Medical Center (VAMC) and fulfill all the following criteria:

- A. Be an income-eligible United States Veteran
- B. Be homeless as determined by the VAMC, and

Must not be subject to a lifetime registration requirement under a state sex offender registration program (including family members). The nationwide sex offender registration check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).

The U.S. Department of Veterans Affairs (VA) conducts all interviews, initial applications, and monitoring of the VASH program. The VA notifies HCD in writing of eligible applicants. These eligible applicants are scheduled for an appointment for possible certification under the Housing Choice Voucher Program. All Housing Choice Voucher Program regulations apply to these eligible applicants. It is the responsibility of the VA office to notify all ineligible applicants. The number of VASH Program participants shall be restricted to the number of VASH vouchers under contract to the Agency by HUD.

Additions to households must meet regular eligibility criteria prior to being added as household members.

3.5 Family Unification Program (FUP)

The Family Unification Program (FUP) offers tenant-based housing assistance in coordination with the State of Florida Department of Children and Family Services or another authorized child protective agency. Referrals will be families for whom the lack of adequate housing is a primary factor that would result in:

- A. The imminent placement of the family's child(ren) in out-of-home care; or,
- B. The delay of the child(ren)'s return to the family from out-of-home care.

"Lack of adequate housing" is defined by the federal regulation as:

- Substandard or dilapidated housing;
- Homelessness;
- Displacement by domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking or
- Living in an overcrowded unit.

The program will allow families to avoid foster care placement and be unified in stable housing. Applicants for the Family Unification Program shall be referred and certified in coordination with the State of Florida Department of Children and Family Services.

HCD's responsibilities under the FUP include the acceptance of families whose eligibility is certified in writing by the State of Florida Department of Children and Families. HCD, upon receipt of the original caseload list, not copies or faxes, of families from the Department of Children and Families accompanied by original FUP applications, shall compare the names with those of families already on HCD's Housing Choice Voucher waiting list. Any families on HCD's Housing Choice Voucher waiting list that are also included in the Department of Children and Families' list shall be assisted in order of their position on the waiting list in accordance with HCD admission policies. Any family certified by the Department of Children and Families as eligible, but not on the Housing Choice Voucher waiting list shall be placed on HCD waiting list. If HCD has a closed waiting list, the waiting list shall be opened to accept FUP applicants. If the referred family is already housed in Public Housing, the Residents in Transition Policy must be followed to deter duplicate housing.

HCD shall initially advertise the opening of the waiting list for the sole purpose of accepting FUP eligible families only. The advertisement will not be repeated when additional funding is received.

Pursuant to the National Affordable Housing Act, children in temporary foster care shall be counted as part of a family unit for the purposes of determining a family's eligibility for housing assistance. The temporary placement period for children shall be defined as at least six (6) months; however, this time frame shall be determined and changed at HCD's discretion based on local needs and conditions.

Once a family is housed using a Housing Choice Voucher under the Family Unification Program, HCD shall not cancel the voucher if the family splits so long as the family is otherwise in compliance with Housing Choice Voucher Program rules and regulations.

3.6 Non-Elderly Disabled (NED) Vouchers

HCD will comply with HUD's requirement in PIH Notice 2013-19, to make assistance available for non-elderly disabled applicants when a designated NED or Mainstream voucher becomes available due to turnover. Eligible non-elderly disabled applicants will be selected in chronological order from the Tenant-based waiting list. HCD must maintain a NED voucher leasing rate of 95 to 100 percent of the NED and Mainstream allocation. A NED eligible family will not be skipped over if HCD has reached its required NED or Mainstream allocation.

HCD will affirmatively market to a diverse population of NED-eligible families to attract protected classes least likely to apply.

3.7 Special Purpose Vouchers and Other Specialized Allocations

Special purpose vouchers are specifically funded by Congress in separate appropriations from the regular HCV program funding in order to target specific populations. On May 5, 2021, HUD issued Notice PIH 2021-15 establishing the allocation of Emergency Housing Vouchers (EHVs). HCD will administer EHVs with its Continuum of Care (CoC) partner, the Miami-Dade County Homeless Trust, as the Special Vouchers are made available by HUD under Notice PIH 2021-15. On September 3, 2021, HUD issued Notice PIH 2021-26 establishing the process by which HCD may apply for new incremental vouchers made available by the Consolidated Appropriations Act, 2021 for the Foster Youth Independence Initiative (FYI). The FYI initiative allows HCD, if it partners with a Public Child Welfare Agency (PCWA), to request targeted HCVs to serve eligible youth with a history of child welfare involvement that are homeless or at risk of being homeless. HCD partners with the Florida Department of Children and Families and their designated contractor, Citrus Family Care Network, to identify FYI-eligible youth and develop a system of prioritization based on the level of need of the youth and the appropriateness of intervention. Funding is available either competitively through an FYI NOFA or noncompetitively on a rolling basis in accordance with the application requirements outlined in Notice PIH 2021-26.

Other tenant-based voucher allocations that are for special programs in addition to FUP, Veterans Affairs Supportive Housing (VASH), Mainstream Vouchers for Non-Elderly Persons with Disabilities (NED) and Project-Based Voucher Program shall be administered in accordance to criteria stipulated in the Notification for Funding Availability (NOFA) and voucher application.

Chapter 4. Issuing Housing Vouchers

4.1 Issuing and Briefing

Upon selection to participate in the Housing Choice Voucher Program, the family will be scheduled for an appointment with HCD. No applicant from the waiting list shall be certified without a file containing a hard (paper) copy of the original application. At the appointment, the family must verify the information on their application, receive a briefing (verbal and written) about the program, their rights, and obligations, and provide documentation as required by federal regulation. Should the family comply with the above-referenced steps, they shall be issued a voucher. The briefing shall include the following topics:

- A. How the program works;
- B. Family and Owner responsibilities;
- C. Where the family may lease a unit, including outside the Agency's jurisdiction;
- D. Portability procedures, if applicable; and
- E. Advantages of moving to a neighborhood that does not have a high concentration of low- income participants.
- F. The family will receive a packet of information at their briefing or initial certification appointment that will include at least the following:
 - 1. The term of the voucher and the policy on extensions or suspensions of the term;
 - 2. How the Housing Assistance Payment (HAP) is determined including the payment standard for a unit and total tenant payment;
 - 3. How the Agency determines the maximum rent for an assisted unit; and
 - 4. The maximum amount the family may pay when moving to a new unit (40% rule of adjusted monthly income, if applicable).
- G. What the family should consider in leasing a unit including the condition of the unit, the reasonableness of the rent, the cost of tenant paid utilities, whether the unit is energy efficient, and the location of the unit;
- H. Where a family may lease a unit, including portability to another jurisdiction, HUD-required lease addendum;
- I. The *Request for Tenancy Approval* form (HUD-52517) and an explanation of how to request the Agency's approval to lease a unit;
- J. A statement of HCD's policy on providing information about a family to prospective owners;
- K. HCD subsidy standards, including when exceptions may be granted;
- L. HUD brochure on how to select a unit;

- M. Information on federal, state and local equal opportunity laws, and a copy of the *housing discrimination complaint* form;
- N. A list of landlords or others known to HCD, who may be willing to lease a unit to the family or assist the family in locating a unit;
- O. If the family includes a person with disabilities, or if the family informs HCD that one of its members is a person with disabilities, HCD will provide a current listing of available accessible units known to HCD, and if necessary, otherwise assist the family in locating an available accessible dwelling unit.
- P. Family obligations under the program, including the requirement that family members be U.S. citizens or eligible non-citizens;
- Q. The grounds on which HCD may terminate assistance because of family action or failure to act; and
- R. HCD's informal hearing procedures, including when HCD is required to give the opportunity for a hearing and how to request a hearing.
- S. HCD may include other items as determined necessary and will use available forms or HUD forms.

4.2 Type of Assistance

HCD shall determine whether the family shall be issued a Housing Choice Voucher based on availability of the tenant-based assistance.

4.3 Term of Voucher

The Housing Choice Voucher is valid for a period of 120 days from the date of issuance. Prior to the expiration date, the family may contact HCD to request assistance in locating suitable housing. The family must submit a completed Request For Tenancy Approval (RFTA) package within the 120-day period unless an extension (as described below in Section 4.4) has been granted by HCD.

4.4 Extensions of Term

A family may request a 60-day extension to the initial 120-day term of an issued voucher for a total voucher term of 180 days. All requests for extensions should be received at least one week prior to the expiration date of the voucher and must be made to the Intake Unit. Requests may be made in person or by telephone. If an extension is granted by telephone, a copy of the voucher will be mailed to the voucher holder indicating the extended expiration date.

The term of a voucher may be extended over 180 days as a reasonable accommodation for applicants or participants having difficulties locating suitable housing to meet their needs. In accordance with HCD's Reasonable Accommodation Policy and Procedures, if reasonable accommodation is denied (including a voucher extension), the applicant or participant may appeal the denial of the reasonable accommodation by requesting an ADA Grievance.

For New Admissions and Renewals only:

HCD will provide voucher extensions beyond 120 days, at the request of the applicant after the applicant has demonstrated or certified reasonable search efforts to locate a new unit, the extension will be issued in 60-day increments. HCD will provide voucher extension beyond 120 days based on market conditions for the unit size that the family qualifies for. In all circumstances the request for a voucher extension must be submitted prior to the expiration date of the voucher including any extensions provided.

Written notice of extensions will be given to the family. Hearings or informal reviews are not required and shall not be given for denial of extensions.

4.5 Suspensions

Suspensions of the term of the voucher can only be granted when family submits a RFTA. HCD can only stop the clock on the term of the voucher from the time family submits a RFTA for approval of tenancy until the time when HCD approves or denies the request. Additional extension beyond suspension time can only be given by the Director or his/her designee, and will only be considered under the following conditions:

- A. If the delay is due to HCD's administrative reasons and not due to the applicant's delay;
- B. The applicant has shown due diligence in locating an appropriate unit during the voucher term; and
- C. Denial of the suspension of term would constitute an undue hardship on the family.

Chapter 5. Occupancy Policies

5.1 Subsidy Standards

Determination of Voucher Size

The subsidy standard, (refer to Chapter 8 for more details regarding the “payment standard”), which is used to determine the voucher bedroom size assigned to a family, is based on the following criteria:

Minimum and Maximum-Number-of-Persons-Per Unit Standard

Voucher BR Size	Number of Persons in Household		
	Minimum	Maximum	HQS
0 BR	1	1	1
1 BR	1	2	4
2 BR	2	4	6
3 BR	3	6	8
4 BR	6	8	10
5 BR	8	10	12
6 BR	10	12	14

Subsidy standards are applied at the initial certification, annual recertification or during authorization for change of dwelling. For subsidy standards, an adult is a person 18 years or older.

- A. Two (2) persons per bedroom will be the standard for the smallest unit a family may consider.
- B. A single person family shall be allocated a zero (0) or one (1) bedroom unit, and spousal/domestic partners a one (1) bedroom sized unit.
- C. The subsidy standard must be applied consistently for all families of like size and composition.
- D. The following principles govern the size of the unit for which a family will qualify. Generally, two (2) people are expected to share one (1) bedroom, except that the subsidy standards will be applied so that:
 1. Exceptions to the largest subsidy standards may be made in case of reasonable accommodations for a person with disabilities;
 2. In determining family unit size for a particular family, HCD may grant an exception to its established subsidy standards if HCD determines that the exception is justified by the age, sex, health, handicap, or relationship of family members or other personal circumstances;
 3. The dwelling unit must have at least one (1) bedroom or living/sleeping room for each two (2) persons. Children of opposite sex, over the age of six (6), may not be required to occupy the same bedroom or living/sleeping room;
 4. Persons of the same sex but different generational relationship will not be required to share the same bedroom.
 5. A family that consists solely of a pregnant woman (with no other members) shall be allocated a maximum of one (1) bedroom voucher;
 6. HCD will count a child in the subsidy standard if the parent has primary custody of the child.

7. A one (1) person household member with joint custody of a child/children but does not have primary custody will be granted a one (1) bedroom subsidy;
8. HCD will count a child in the subsidy standard who is temporarily away from the home because the child has been placed in foster care, kinship care, or is away at school.
9. A single head of household parent shall not be required to share a bedroom with his/her child, although they may do so at the request of the family;
7. A live-in aide may be assigned up to one (1) bedroom if approved as a reasonable accommodation. The live-in aide may have HCD-approved family member(s) live with them in the unit, as long as Housing Quality Standards (HQS) are not violated and there are no more than two people per bedroom or living/sleeping space (PIH Notice 2010-51). If additional family members result in violation of HQS, or do not meet eligibility requirements set forth for live-in aides, this specific live-in aide may not be approved. No additional bedrooms will be provided to accommodate the live-in aide's family members;
10. Due to current market conditions, HCD will issue a zero or (1) one-bedroom voucher to a single person;
11. As a reasonable accommodation, an applicant or program participant family may be allowed a larger bedroom unit to accommodate a family member who requires a hospital bed or other large medical equipment. The equipment must be substantial in size and must be verifiable by a medical professional as medically necessary in order to justify approval of a larger unit. In addition, the applicant or participant will be required to submit evidence of equipment specifications including but not limited to detailed description of equipment to include dimensions, photographs of equipment, etc. See Section 5.5 – Medical Equipment.
12. Effective July 1, 2025, HCD will count foster children and foster adults in the subsidy standard.

E. Actual Unit Size Selected

The family may select their choice in unit size other than that listed on the assigned voucher so long as the family is not under-housed. Four (4) factors to consider are:

1. HCD shall apply the payment standard for the smaller of:
 - a) the bedroom size shown on the voucher, or
 - b) the size of the actual unit selected by the family;
2. The utility allowance used to calculate the gross rent shall be based on the actual size unit selected by the family regardless of the size authorized on the voucher; and
3. Under Housing Quality Standards (HQS) two (2) persons per living/sleeping room are allowed thus the above levels may be exceeded if a room is used as a living/sleeping area as indicated under the HQS column on the above chart.
4. Selection of a unit larger than for which the family is certified may result in an affordability issue

5.2 Changes in Family Composition

The voucher size issued to a family is determined by comparing the family composition to HCD subsidy standard before the briefing with the family. The family may request a change in the

voucher size due to the addition to family composition by birth, adoption, or otherwise granted custody to the family by operation of law, which may include foster children. Except for natural births to, or adoptions by, family members, or court awarded custody or other operation of law, any family seeking to add a new member must request approval in writing and receive approval in writing before the new member is added to the family composition as described below. For purposes of this Section, the use of the term “by operation of law” shall include but not be limited to pre-need guardianships and durable powers of attorney.

All other additions to applicant families after an application is submitted shall be considered only on a case-by case basis by the director or designee overseeing the eligibility process for the tenant-based waiting list or his/her designee and must be documented at the times such changes occur. Additions may be made for humanitarian reasons, including reasonable accommodation for family member.

A. Addition of Adult Family Member

After admission to the program and upon approval of HCD, a participant family may add an additional adult family member to the family composition, other than by operation of law, under all the following circumstances:

1. The adult can be an immediate family member (sons, daughters, brothers, sisters, parents, grandparents, and grandchildren) of an existing household member;
2. Such member must be eligible for participation in the Housing Choice Voucher program;
3. Such member's income must be considered in calculation towards rent; and
4. Addition of the family member shall be in consideration of a reasonable accommodation or for humanitarian reasons; or
5. Unrelated/unmarried partners who show proof of intention to live as a family.

Participant families must inform HCD in writing of the requested additional adult family member prior to the adult family member being added to the family composition. Requested additions to the family requiring advance approval in writing also include spouses or a request to add a live-in aide.

Participant families must inform HCD within 30 days of additions to the family due to birth, adoption, or otherwise granted custody to the family by operation of law or if a family member moves out. Only those persons listed on the most recent certification form and lease shall be permitted to be included in the family composition.

All other additions to participant families shall be considered only on a case-by-case basis and must be documented at the times such changes occur. Additions may be made for a reasonable accommodation or for humanitarian reasons. The addition of a family member shall not change the size of the voucher, unless approved by HCD under extenuating circumstances. Addition of family members shall be the sole discretion of HCD or HCD Contractor.

B. Screening of New Family Members

When an applicant or tenant requests approval to add a new family member, HCD will conduct a pre-certification screening of any proposed new adult member 18 years of age and older (excluding juvenile records) to determine whether HCD will allow the family member to be added to the family composition prior to HCD's approval of the new family member. HCD will conduct such checks on household members who are younger than 18 years if they are being tried as adults for certain criminal offenses.

Minor children for whom juvenile justice records are not available or added through a formal custody award or kinship care arrangement are exempt from the pre-certification screening process, although the tenant needs prior approval from HCD to add children other than those born to, adopted by, or awarded by the court to the family.

HCD will consider the request for approval and require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism for establishing that a head of household has authorization to include a minor. Changes to the family composition may also be allowed for families in which one or more children less than 18 years of age live with the designee of the parent or legal custodian, with parent or custodian's written consent. Documentation can include, but is not limited to, court documents, pre-need guardian, school records, other state and federal public assistance documentation, power of attorney, etc.

All persons listed on the most recent certification form and residential lease must use the dwelling unit as their sole residence. Examples of situations where the addition of a family or household member is subject to screening are:

1. Participant plans to be married and requests to add the new spouse to the lease;
2. Participant desires to add a new member to the lease, employ a live-in aide or take in foster child(ren) over the age for which juvenile justice records are available;
3. One of the family members under age 18 who is not an emancipated minor, or an adult, not part of the original household, requests permission to take over as the head of the household.

Applicants or tenants who fail to notify HCD of additions to the household or who permit persons to be added to the family composition without undergoing screening are in violation of program requirements. Persons added without HCD approval will be considered unauthorized occupants, and the entire household will be recommended for termination from the Housing Choice Voucher or Moderate Rehabilitation Programs.

C. Removals from the Family Composition

1. Residents (continuous assistance):
 - a) Any adult family member, including the head of household, requesting to be removed from the family composition must provide a notarized statement agreeing to the removal, signed by the adult family member and the head of household.
 - b) The notarized statement must be accompanied by two (2) pieces of supporting documentation from different sources showing that the family member is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include, but is not limited to, a copy of the dwelling lease agreement, utility bills, or official mail (from a Federal, State, County or City government

agency) properly dated (no more than two (2) months old), showing the new address. HCD may request additional documentation to verify the permanent relocation of the family member requesting removal.

- c) If the adult family member is unable to provide the notarized statement agreeing to removal from the family composition, the head of household must provide a written statement explaining the reason why the family member is unable to provide the statement and supporting documentation, (e.g., death certificate, jail order).

For removal of minors, the head of household must provide a signed notarized statement accompanied by supporting documentation showing that the minor is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include, but is not limited to, school records, custody records, etc. properly dated (no more than two (2) months old), showing the new address.

2. Unauthorized persons:

If HCD obtains sufficient evidence of unauthorized occupants or unauthorized users of the subsidized unit's address (e.g., in their driver's license, identification card or as mailing address), and the finding is denied by the head of household, the head of household will be required to provide a written statement accompanied by two (2) pieces of supporting documentation from different sources showing the residential address of the unauthorized occupant or user. Supporting documentation to prove another residency may include, but is not limited to, a copy of the dwelling lease agreement, utility bills, or official mail (from a Federal, State, County or City government agency) properly dated (no more than two (2) months old), showing another address. The unauthorized person's driver's license or identification card may not be used as valid proof of residential address.

5.3 Foster Children and Foster Adults

The participant family must obtain approval for the addition of a foster child and foster adult to the family before the new member occupies the unit. Effective July 1, 2025, foster children and foster adults will be considered part of the household (and therefore will be considered when determining appropriate unit size count and utility allowance). If applicable, process a change in voucher size to avoid an overcrowded situation.

5.4 Temporary Placement of Family Member

A child who normally resides with the family but is temporarily away from the home because of placement in foster care, rehabilitation, treatment, or incarceration for a non-felonious crime, is considered a member of the family.

5.5 Live-In Aide

A live-in aide is a person 18 years of age or older who resides with one or more elderly (at least 62 years of age), near-elderly (at least 50 years of age but below 62 years of age), or disabled person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide but must meet all the criteria listed herein.

HCD will consider approval of a written request for a live-in aide (see definition in Attachment A) as a reasonable accommodation, upon written verification that the elderly, near elderly or disabled family member requires the services of a live-in aide. For the live-in aide request and verification forms, refer to Attachment C, Reasonable Accommodation Policies and Procedures.

The live-in aide is a household member not a family member. The income of the live-in aide is not considered towards the calculation of the family's annual income.

The live-in aide may live in the unit solely to care for the disabled family member and qualifies for occupancy as long as the individual requires the supportive services. HCD shall deny occupancy of the unit to the live-in aide after the disabled family member, for whatever reason, no longer resides in the unit.

A relative may be considered as a live-in aide but must meet all the above criteria and be qualified to provide the care for the disabled family member. The head of household and the live-in aide shall acknowledge that the live-in aide does not have any right to the voucher. The live-in aide does not qualify for continued occupancy as a remaining family member and shall be required to sign a *Live-In Aide Agreement* which shall become an addendum to the resident's lease (for the *Live-In Agreement* form, refer to Attachment C, Reasonable Accommodation Policies and Procedures).

Under extraordinary circumstances, upon approval of HCD, relatives satisfying the definition of a live-in aide wanting to have remaining family status may be added to the family composition as a family member and not as a live-in aide. In such case, the relative's income will be considered in the family's annual income.

An eligible live-in aide may, on case-by-case basis, be granted up to one (1) additional bedroom if approved as a reasonable accommodation. The live-in aide may have HCD-approved family member(s) live with them in the unit, as long as the Housing Quality Standards (HQS) are not violated and there are no more than (2) two persons per bedroom or living/sleeping space (PIH Notice 2010-51). If additional family members result in violation of HQS, or do not meet the eligibility requirements set forth below, this specific live-in aide may not be approved. No additional bedrooms will be provided to accommodate the live-in aide's family members.

5.5.A. Requirements

The live-in aide (and family, if any) must provide the following documents as part of the admission criteria described in this chapter:

- Proof of identity
- Verification of birth date
- Social security number
- Other documents as may be required by HUD

The live-in aide (and family, if any) will be asked to sign forms which include but is not limited to the following:

- Live-in Aide Agreement
- Authorization to Check Information
- Authorization to Obtain Criminal Background

- Debts Owed to Public Housing Agencies and Terminations (Form HUD-5267)

Upon request, the live-in aide shall be granted an appropriate translator available to explain the form(s) in English, Spanish and/or Creole.

During the annual recertification, HCD may request the participant to sign additional forms to verify the following:

- The participant still requires the need for a live-in aide.
- The participant understands that the approved live-in aide does not have additional rights to the unit if the participant is no longer eligible for the voucher or evicted.
- The participant understands and has informed the live-in aide that if the participant is deceased, the live-in aide will not have rights to the voucher and will have 14 days to vacate the unit.
- The participant understands that the addition of a family member may result in the new family member's income count towards the family's annual income.

5.5.B. Verification

HCD will verify information of the live-in aide (and any family members) through EIV for debt owed to another housing authority or program, or whether a prior termination has been cleared.

The live-in aide individual (and any family members) may be denied for the following reasons:

- Commits/committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
- Unauthorized household members.
- The screening process shows a pattern of arrests within the last 10 years of engaging in drug or violent criminal activities excluding murder, arson, aggravated felony battery and sex-related crimes not subject to lifetime registration under a state sex offender registration program.
- Violent criminal activities shall include any criminal activity that has as one (1) of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage.
- A sex offender according to State Laws. HCD will perform nationwide background checks. The nationwide background check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).
- Owes rent or other amounts to HCD or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act.

5.6 Medical Equipment

As a reasonable accommodation, an applicant or program participant family may be allowed a larger voucher size to accommodate a family member who requires a hospital bed or other large medical equipment. The equipment must be substantial in size and must be verifiable by a medical doctor as medically necessary in order to justify approval of a larger voucher size. In addition, the applicant or participant will be required to submit evidence of equipment specifications including but not limited to detailed description of equipment to include dimensions, photographs of equipment, etc.

5.7 Family Absences from Unit

A family may not be absent from the unit for more than 60 consecutive days without prior written approval by HCD as described below. It shall also be the responsibility of the family to advise the owner of any absence from the unit. Absence means that no member of the family as listed on the lease is residing in the unit. During all absences, the family must meet all program and lease obligations including the payment of rent, utilities, and complying with inspection and recertification obligations.

Absences from the unit for a period of 61 to 120 consecutive days must receive prior written approval from a supervisor or higher authority. Absences for more than 120 consecutive days will not be approved. Assistance to a family will be terminated if the family is absent from its unit for more than 60 days without prior written approval. If assistance to a family is terminated for such reason, the family may request a hearing within 30 days of the termination notice. If the family is reinstated as a result of the hearing, the prior lease and contract will not be resumed but a new voucher will be issued and a new lease and contract executed.

The owner or management agent is obligated to reimburse HCD for any housing assistance payment made for the period after the effective date of termination of assistance to the family. Such reimbursement shall be billed by HCD Accounting office and remittance must be made by check or money order and submitted to HCD Accounting Office. Absence from a unit may be verified by any of the following methods: Housing Quality Standards inspection, proof of utility payments, service verifications, through owner/management company verifications, through an investigation or other documentation or means.

5.8 Family Break-up

If an assisted family separates due to a divorce, separation, or by any other operation of law, HCD will determine who continues to be assisted under the program. No additional housing voucher will be issued.

HCD will take into consideration the following criteria in making its decision as to which family member continues to receive assistance in the program:

- A. The desires of the family;
- B. The interest of minor children, or of ill, disabled or elderly family members;
- C. Whether any family members are going to remain in the assisted unit;
- D. Whether there has been any instance(s) of actual or threatened physical violence against a family member by another member of the household;
- E. Which family members was part of the original application for assistance;
- F. If a court determines property disposition between the family members, HCD will adhere to the court's determination as to who shall hold the Housing Choice Voucher assistance; and
- G. Whether there is drug-related or violent criminal activity. HCD, in its sole discretion, may recommend terminating the entire family.

5.9 Remaining Family Member

- A. To be considered the remaining member of the family, the person(s) must meet all eligibility requirements.
- B. Remaining family members who are age 18 years or older will be held responsible for arrearages incurred by the former head, co-head, or spouse. HCD will not hold remaining family members (other than the head, co-head, or spouse) responsible for any portion of the arrearage incurred before the remaining member attained age 18.
- C. Remaining family members under age 18 shall not be held responsible for the rent arrearages incurred by the former head of household.
- D. A live-in aide or foster child/adult, by definition, is not a member of the family and will not be qualified for continued occupancy as a remaining family member.

In order for a minor child(ren) to continue to receive assistance as a remaining member(s), one of the following must occur:

- The court has awarded emancipated minor status to the minor;
- HCD has verified that social services and/or the juvenile court has arranged for another adult to be brought into the assisted unit to care for the child(ren); or
- HCD may allow for another adult to be a temporary head of household until such time as legal guardianship is granted or a minor, at least 17 years of age, is emancipated or reaches age 18.
- A certification will be conducted and appropriate changes to the voucher size may be made at that time.

Chapter 6. Citizen and Immigration Status

6.1 Submission of Documents and Verification

Refer to Section 2.6 for documents to be submitted and related immigration topics.

6.2 Provision of Notice

- i. In circumstances where Immigration and Naturalization Service (INS) has not verified eligibility, the family will be provided with a written notice that shall include:
 - A. That the family has a right to request an appeal to INS of the results of the verification of immigration status;
 - B. That the family has the right to request an informal hearing with HCD upon completion of the INS appeal. Such hearing shall be in accordance with hearing procedures in Chapter 29 of this plan;
 - C. That Housing Choice Voucher assistance may not be denied or terminated until the conclusion of the INS or HCD appeal process; and
 - D. Notification of the type of assistance for which the family may be eligible (continued assistance, temporary deferral of assistance or pro-ration of assistance).

Chapter 7. Determination and Verification of Annual Income

7.1 Overview

The determination of eligibility and Total Tenant Payment (TTP) for the Housing Choice Voucher Program requires that the applicant's or participant's family adjusted annual income be calculated at the time of admission into the Program and on an annual basis. HUD regulations specify: the types and amounts of income from all family members that must be included in this calculation; the allowable deductions to be subtracted from the gross annual income to determine the adjusted income and the amount of utilities the tenant is responsible for paying.

A. De Minimis Errors in Income Determinations

1. Effective July 1, 2025, HCD will not be considered out of compliance with the requirements in this paragraph solely due to de minimis errors in calculating family income. A de minimis error is an error where HCD determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.
2. Families will not be required to repay HCD in instances where HCD miscalculated income resulting in a family being undercharged for their rent, regardless of amount. Once HCD becomes aware of the error, the family will be provided with a 30-day notice of the increase to their rent portion.
3. HCD will take any corrective action necessary to credit or repay a family if the family was overcharged tenant rent, including a de minimis error, in the income calculation retroactive to the effective date of the action when the error was made, regardless of amount.
4. HCD will send a letter to the family and the landlord prior to the change in payments notifying them of the change and the duration of the change. If the participant has vacated the unit, the credit will be mailed (address of record) to the family.

7.2 Annual Income Inclusions

- A. Annual income means all amounts, monetary or not, or anticipated to be received, from a source outside of the household, by the family head, co-head, or spouse (even if temporarily absent) or any other family member during the 12-month period following the effective date of admission or annual re-examination not specifically excluded in section 7.3. It includes, but is not limited to:
 1. The full amount of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services, before any payroll deductions.
 2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in

Internal Revenue Service (IRS) regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in IRS regulations. Any withdrawal of cash or assets from an investment is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate.
 4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.
 5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. However, lump sum additions such as insurance payments from worker's compensation are excluded.
- C. Temporary Assistance for Needy Families (TANF). If the TANF includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:
1. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
 2. The maximum amount that the welfare assistance agency could allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
 3. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
 4. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted.

Periodic and determinable allowances, such as alimony and child support payments (see note), and regular contributions or gifts received from organizations or from persons not residing in the dwelling. (Note: uncollected child support will not be counted so long as the family provides

documents demonstrating that the debt is uncollectible or has not been paid or received for more than three (3) months).

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.2 above will be updated with the same policy from Attachment E to this Administrative Plan.

7.3 Exclusions from Annual Income

Pursuant to Notice PIH 2024-38, HCD will begin to implement all the income exclusions in 24 CFR 5.609(b), on all income examinations including at new admissions, annual, or interim reexaminations with an effective July 1, 2025.

(b) Annual income does not include the following:

(1) Any imputed return on an asset when net family assets total \$50,000 or less (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and no actual income from the net family assets can be determined.

(2) The following types of trust distributions:

(i) For an irrevocable trust or a revocable trust outside the control of the family or household excluded from the definition of net family assets under 24 CFR § 5.603(b):

(A) Distributions of the principal or corpus of the trust; and

(B) Distributions of income from the trust when the distributions are used to pay the costs of health and medical care expenses for a minor.

(ii) For a revocable trust under the control of the family or household, any distributions from the trust; except that any actual income earned by the trust, regardless of whether it is distributed, shall be considered income to the family at the time it is received by the trust.

(3) Earned income from the employment of children (including foster children) under the age of 18 years.

(4) Payments received for the care of foster children or foster adults, or State or Tribal kinship or guardianship care payments.

(5) Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation.

(6) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member.

(7) Any amounts recovered in any civil action or settlement based on a claim of malpractice, negligence, or other breach of duty owed to a family member arising out of law, that resulted in a member of the family becoming disabled.

(8) Income of a live-in aide, foster child, or foster adult as defined in 24 CFR §§ 5.403 and 5.603, respectively.

(9)

i. Any assistance that section 479B of the Higher Education Act of 1965, as amended, requires to be excluded from a family's income including Bureau of Indian Affairs/ Education student assistance programs;

ii. Student financial assistance for tuition, books, and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and other fees required and charged to a student by an institution of higher education (as defined under Section 102 of the Higher Education Act of 1965 (20 U.S.C. 1002)) and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

(A) Student financial assistance, for purposes of this paragraph (9)(ii), means a grant or scholarship received from

- (1) The federal government;
- (2) A state, tribal, or local government;
- (3) A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);
- (4) A business entity (such as corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- (5) An institution of higher education.

(B) Student financial assistance, for purposes of this paragraph (9)(ii), does not include—

- (1) Any assistance that is excluded pursuant to paragraph (b)(9)(i) of this section;
- (2) Financial support provided to the student in the form of a fee for services performed (e.g., a work study or teaching fellowship that is not excluded pursuant to paragraph (b)(9)(i) of this section);
- (3) Gifts, including gifts from family or friends; or
- (4) Any amount of the scholarship or grant that, either by itself or in combination with assistance excluded under this paragraph or paragraph (b)(9)(i), exceeds the actual covered costs of the student. The actual covered costs of the student are the actual costs of tuition, books and supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, or other fees required and charged to a student by the education institution, and, for a student who is not the head of household or spouse, the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit. This calculation is described further in paragraph (b)(9)(ii)(E) of this section.

(C) Student financial assistance for purposes of this paragraph (b)(9)(ii) must be:

- (3) Expressly to assist a student who is not the head of household or spouse with the reasonable and actual costs of housing while attending the education institution and not residing in an assisted unit.

(D) Student financial assistance, for purposes of this paragraph (b)(9)(ii), may be paid directly to the student or to the educational institution on the student's behalf. Student financial assistance paid to the student must be verified by the responsible entity as student financial assistance consistent with this paragraph (b)(9)(ii).

(E) When the student is also receiving assistance excluded under paragraph (b)(9)(i) of this section, the amount of student financial assistance under this paragraph (b)(9)(ii) is determined as follows:

- A. If the amount of assistance excluded under paragraph (b)(9)(i) of this section is equal to or exceeds the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, none of the assistance described in this paragraph (b)(9)(ii) of this section is considered student financial assistance excluded from income under this paragraph (b)(9)(ii)(E).

(2) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is less than the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, the amount of assistance described in paragraph (b)(9)(ii) of this section that is considered student financial assistance excluded under this paragraph is the lower of:

- (i) the total amount of student financial assistance received under this paragraph (b)(9)(ii) of this section, or
- (ii) the amount by which the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section exceeds the assistance excluded under paragraph (b)(9)(i) of this section.

(10) Income and distributions from any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under section 529 of such Code; and income earned by government contributions to, and distributions from, baby bond accounts created, authorized, or funded by Federal, State, or local government.

(11) The special pay to a family member serving in the Armed Forces who is exposed to hostile fire;

(iv) Incremental earnings and benefits resulting to any family member from participation in training programs funded by HUD or in qualifying Federal, State, Tribal, or local employment training programs (including training programs not affiliated with a local government) and training of a family member as resident management staff. Amounts excluded by this provision must be received under employment training programs with clearly defined goals and objectives and are excluded only for the period during which the family member participates in the employment training program unless those amounts are excluded under paragraph (b)(9)(i) of this section.

(13) Reparation payments paid by foreign governments pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era.

(14) Earned income of dependent fulltime students in excess of the amount of the deduction for a dependent in 24 CFR § 5.611.

(20) Loan proceeds (the net amount disbursed by a lender to or on behalf of a borrower, under the terms of a loan agreement) received by the family or a third party (e.g., proceeds received

by the family from a private loan to enable attendance at an educational institution or to finance the purchase of a car).

(21) Payments received by Tribal members as a result of claims relating to the mismanagement of assets held in trust by the United States, to the extent such payments are also excluded from gross income under the Internal Revenue Code or other Federal law.

(22) Amounts that HUD is required by Federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in paragraph (b) of this section apply. HUD will publish a notice in the Federal Register to identify the benefits that qualify for this exclusion. Updates will be published when necessary.

(23) Replacement housing “gap” payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing “gap” payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing “gap” payments.

(24) Nonrecurring income, which is income that will not be repeated in the coming year based on information provided by the family. Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income under this paragraph, even if the source, date, or amount of the income varies. Nonrecurring income includes:

- i. Payments from the U.S. Census Bureau for employment (relating to decennial census or the American Community Survey) lasting no longer than 180 days and not culminating in permanent employment.
- ii. Direct Federal or State payments intended for economic stimulus or recovery.
- iii. Amounts directly received by the family as a result of State refundable tax credits or State tax refunds at the time they are received.
- iv. Amounts directly received by the family as a result of Federal refundable tax credits and Federal tax refunds at the time they are received.
- v. Gifts for holidays, birthdays, or other significant life events or milestones (e.g., wedding gifts, baby showers, anniversaries).
- vi. Non-monetary, in-kind donations, such as food, clothing, or toiletries, received from a food bank or similar organization.

(25) Civil rights settlements or judgments, including settlements or judgments for back pay.

(26) Income received from any account under a retirement plan recognized as such by the Internal Revenue Service, including individual retirement arrangements (IRAs), employer

retirement plans, and retirement plans for self-employed individuals; except that any distribution of periodic payments from such accounts shall be income at the time they are received by the family.

(27) Income earned on amounts placed in a family's Family Self Sufficiency Account.

(28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:

i. Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and

ii. Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

7.4 Calculating Annual Income

A. Annual Reexamination

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.4(A) above will be updated with the same policy from Attachment E to this Administrative Plan.

B. Determination of Income Using Other Means Tested Public Assistance, i.e., "Safe Harbor"

1. HCD may determine the family's income during annual reexamination based on income calculation information from certain means-tested federal public assistance programs or agencies such as the Low-Income Housing Tax Credit (LIHTC) made within the previous 12-month period.
2. HCD will use third-party verification, which must include the family size and composition and state the family's annual income. The verification must be dated within the time frame specified for the type of verification, including within the previous 12-month period for purposes of the specified means-tested forms of federal public assistance. The family members listed in the third-party verification must match the family composition in the assisted unit. The annual income need not be broken down by family members nor income type.
3. Given that annual income includes income earned from assets, when using Safe Harbor to verify a family's income, HCD will not inquire as to a family's net family assets, nor the income earned from those assets except with respect to whether the family owns assets which exceed the asset limitation in 24 CFR § 5.618.
4. HCD will still require third-party verification of all deductions such as the health and medical care expense or childcare expense deductions. Further, if the family is eligible for and claims the disability assistance expense or childcare expense deductions, where applicable, the HCD will obtain third-party verification of the amount of employment income of the individual(s) enabled to work in order to cap the respective expenses as required.

5. If HCD cannot obtain the required third-party verification, or if the family disputes the determination, HCD will calculate the family's annual income using the methods established for the applicable reexamination (24 CFR §5.609(c)(1) and (2)).

C. Streamlined Income Determination

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.4(C) above will be updated with the same policy from Attachment E to this Administrative Plan.

7.5 Adjusted Annual Income

Adjusted income is the annual income of family members residing in or intending to reside in the rental unit, less allowable deductions of:

- A. \$480 for each dependent
- B. \$400 for any elderly family or disabled family

C. Childcare

Any reasonable child-care expenses necessary to enable a member of the family to be employed, further their education, or look for work are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed, further their education or look for work;
- The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
- The child-care expenses must be paid from the family's annual income; and
- The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

D. Health and Medical Care Expenses Defined
(must exceed 3% of gross annual family income)

Health and medical care expense deductions are permitted only for families in which the head, spouse, or co-head is elderly or disabled. If a family is eligible for a health and medical care expense deduction, the medical expenses of all family members are counted. To be considered by HCD for the purpose of determining a deduction from income, the expenses claimed must be verifiable.

Although HUD revised the definition of health and medical care expenses to reflect the Internal Revenue Service (IRS) general definition of medical expenses, HUD is not permitting PHAs to specifically align their policies with IRS Publication 502C2 for determining which expenses are included in HUD's mandatory deduction for health and medical care expenses. IRS Publication 502, in some instances, may instruct that certain expenses are not to be considered medical expenses that would otherwise be allowed under HUD's definition of health and medical care expenses. Effective July 1, 2025, HCD must review each expense to determine whether it is eligible in accordance with HUD's definition of health and medical care expenses.

- a) Medical expenses include unreimbursed expenses for:
 - Any costs incurred in the diagnosis, cure, mitigation, treatment or prevention of disease; Payment for treatments affecting any structure of function of the body; and
 - Medical insurance and long-term care premiums that are paid or are anticipated to be paid for the applicable period.
- b) Medical Expense Deduction - A deduction of unreimbursed medical expenses, including insurance premiums, anticipated for the period for which annual income is computed. Medical expenses include but are not limited to:
 - Services of physicians and other health care professionals
 - Services of health care facilities
 - Health insurance premiums (including the cost of Medicare)
 - Prescription and non-prescription medicines
 - Transportation to and from treatment
 - Dental expenses
 - Eyeglasses
 - Hearing aids and batteries
 - Attendant care (unrelated to employment of family members)
 - Payments on accumulated medical bills
 - Effective June 1, 2004, and while in effect, for residents who have the Medicare Prescription Drug Discount Card, consider the market (pre-discount) price of eligible drugs, not the discounted price
 - Enrollment fee (up to \$30) of the Medicare Prescription Drug Discount Card program, if not paid by Medicare. (Notice PIH 2004-11)

- E. Disability assistance (must exceed 3% of gross annual family income)
A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) able to work.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.5 (A-E), above will be updated with the same policy from Attachment E to this Administrative Plan.

- F. Student Aid and Financial Assistance
Pursuant to Notice PIH 2024-38, HCD will begin to implement the student aid and financial assistance provisions on all income examinations including at new admissions, annual, or interim reexaminations with an effective July 1, 2025.

The treatment of the two categories of student aid and financial assistance (financial assistance) depends on the student/household characteristics, and the type of financial assistance received by the students. The two types of financial assistance rules apply to both full and part-time students.

- 1. Category 1: Section 479B of the Higher Education Act of 1965 (HEA), as amended. This category requires to be excluded from a family's income. The types of financial assistance listed below are considered 479B student financial assistance programs; however, this list is not exhaustive and subject to change.

- Federal Pell Grants;
- Teach Grants;
- Federal Work-Study Programs;
- Federal Perkins Loans;
- Student financial assistance received under the Bureau of Indian Education;
- Income earned in employment and training programs under section 134 of the Workforce Innovation and Opportunity Act (WIOA). This includes workforce investment activities for adults and workers dislocated as a result of permanent closure or mass layoff at a plant, facility, or enterprise, or a natural or other disaster that results in mass job dislocation, in order to assist such adults or workers in obtaining reemployment as soon as possible.

2. Category 2: Other Student Financial Assistance

This category of excluded student financial assistance recognizes that student aid can take a variety of forms and come from a variety of sources. It seeks to cover student financial assistance, for both full and part-time students, that is not included under HEA.

- The Federal government;
- A state (including U.S. territories), Tribe, or local government;
- A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);
- A business entity (such as a corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
- An institution of higher education.

3. Other student financial assistance does not include:

- Financial support provided to the student in the form of a fee for services performed (e.g., a work study or teaching fellowship that is not excluded under HEA); or
- Gifts, including gifts from family or friends.

Note: Other student financial assistance may be paid directly to the student or to the educational institution on the student's behalf. HCD must verify that the other student financial assistance is for the student's actual covered costs. Amounts in excess of covered costs are considered income.

4. Covered Costs

Actual covered costs include tuition, books, supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and fees required and charged to a student by an institution of higher education. For a student who is not the head of household, cohead, or spouse, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

5. Students/Household Characteristics

- a) Under the HEA, the financial assistance provided for covered costs paid to student living with their parents may be excluded from income calculations. Other student financial assistance received by the student that, either by itself or in combination with HEA assistance, exceeds the actual covered costs is considered income.
- b) Based on Section 210(b) of the Consolidated Appropriations Act, 2023 the following applies to Section 8 Students (refer to Chart 1):
- (1) Exclude financial assistance provided for covered costs to students who are the head of household, spouse, or co-head and are over the age of 23 with dependent children may be excluded from income calculations. Other student financial assistance received by the student that, either by itself or in combination with HEA assistance, exceeds the actual covered costs is considered income.
 - (2) Based on HUD's appropriation acts, Section 8 students who are head of household, spouse, or cohead and aged 23 and under or without dependent children and receive an amount in excess of covered costs shall be considered income.

Note: HUD will notify public housing authorities if this requirement is removed from the appropriations act. However, for over 10 years HUD's appropriation act has included this provision.

Chart 1

Is the head of household, co-heads, or spouses?

Other student financial assistance received by the student that, either by itself or in combination with HEA assistance, exceeds the actual covered costs is considered income.	

Note: Chart 1 is based on the appropriations act for purposes of determining eligibility of person under Section 8 to receive financial assistance under HEA.

7.6 Enterprise Income Verification (EIV), Third Party Verification, and Factors Affecting Eligibility and Family Rent

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

HCD will follow the verification hierarchy described in PIH Notice 2018-18. Additionally, include partial implementation of the HOTMA updates per PIH Notice 2023-27, Section J5, specifically, the new option under Level 4 documentation (Written, Third-Party Verification) of the verification hierarchy to include acceptance of the following:

- HCD may accept an original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD to verify income.
- HCD may also accept a statement dated within the appropriate benefit year for fixed income sources

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , EIV system is available to all PHAs as a UIV technique	Highest (Mandatory) – (not available for applicants)
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, etc.)	Highest (Optional)
4	Written, third-party verification	High (Mandatory to supplement EIV reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute.) • May accept an original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD. • HCD may accept a statement dated within the appropriate benefit year for fixed income sources.

Level	Verification Technique	Ranking
3	Written Third-Party Verification Form	Medium-Low (Mandatory if written third-party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation)
2	Oral Third-Party Verification	Low (Mandatory if written-third party verification is not available) Low (Mandatory if written third- party verification is not available)
1	Self-Certification (not third-party verification)	Low (Use as a last resort when unable to obtain any type of third-party verification)

Level 6: (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD's EIV System which is mandatory for residents but not available for applicants.

Level 5: Upfront (Optional) Income Verification (UIV) using non-HUD system such as the Work Number.

Level 4: Written Third-Party Verification (High) (Mandatory to supplement EIV reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute. Written third-party verification documents shall be original and authentic and may be supplied by the family or received from a third-party source. Third-party documents provided by the family shall be dated within 120 calendar days of HCD request date and may accept a statement dated within the appropriate benefit year for fixed income sources.

If HCD determines that third-party documents provided by the family are not acceptable, HCD will explain the reason to the family and request additional documentation. Examples of acceptable tenant-provided documents include, but are not limited to pay stubs, payroll summary reports, employer notice or letters of hire and termination, SSA benefit verification letters, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

Level 3: Written Third-Party Verification Form: (Medium–Low) Mandatory if written third-party verification documents are not available or rejected by HCD; and when the applicant or participant is unable to provide acceptable documentation.

When upfront verification is not available, rejected by HCD, or the family is unable to provide written third-party documents, or HCD shall request a written third-party verification form. HCD will send third-party verification forms directly to the third-party by regular mail, email, fax, or e- mail third-party written verification form requests to third-party sources. At least two (2) documented attempts must be made for written third-party verification before obtaining oral (telephone or in person) third-party verifications. The file must document the attempts made to obtain third-party verification.

Level 2: Oral Third-Party Verification: (Low) Mandatory if written third-party verification is not available. Level 2 oral verifications will be used when written verification is not obtained within

ten (10) business days from the date that the written verification was mailed, faxed or e-mailed directly to the independent source. Documentation shall be placed in the applicant or resident file and on HCD's computer system notes and shall indicate the name(s) of the person(s) who provided the information and date of the communication, as well as the name of the staff person who obtained the information.

Level 1: (Low) Use as a last resort when unable to obtain any type of third-party verification. Level 1 tenant certifications will only be used as a last resort when all other verifications are not possible. When HCD relies on applicant/tenant certification (notarized statement or affidavit), the file must be documented as to the reason the oral third-party verification was not available.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.5. above will be updated with the same policy from Attachment E to this Administrative Plan.

A. EIV: Substantial Different from Tenant Provided Information

If income information in EIV is not available or if it is substantially different from tenant-provided information, then written verification from third parties is the next most desirable form of verification. Currently, a substantial difference requiring third party verification in cases where EIV income data differs from tenant-provided and/or other verified income information is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD. If EIV income data is not substantially different than current tenant-provided income documentation, the following guidelines for projecting annual income will be used:

- If EIV income data is less than current tenant-provided documentation, HCD will use tenant-provided documents to calculate anticipated income.
- If EIV income data is more than current tenant-provided documentation, HCD will use EIV income data to calculate anticipated annual income unless the tenant provides HCD with documentation of a change in circumstances (i.e., change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, HCD will use tenant-provided documents to calculate anticipated annual income.

In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:

- Request written third party verification from the discrepant income source. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
- Review historical income data for patterns of employment, paid benefits, or receipt of other income, when HCD cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
- Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

In verified differences of greater than \$200 per month (\$2,400 per year), HCD may require the family to enter into a repayment agreement for monies owed or require payment in full. Should the family refuse to enter in a repayment agreement or not fulfill its obligations under its repayment agreement, HCD shall recommend termination and may refer the case to the HUD

Office of the Inspector General. HCD, in its sole discretion, may recommend terminating assistance for tenant fraud on a case-by-case basis, e.g., forgery or has demonstrated a pattern of unreported or under-reported income in between or at prior reexaminations. In such cases, HCD will make the determination whether to recommend terminating assistance and forwarding the case to the HUD Office of Inspector General via HCD.

In instances where fraud (as defined in Attachment A of this policy), as opposed to tenant error (as defined in Attachment A of this policy), has occurred by the tenant and the difference is verified as being \$10,000, HCD may recommend terminating housing assistance and shall forward cases to the HUD Office of Inspector General for fraud prosecution, where authorized by HCD.

Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the disclosure requirements of the Florida Public Records Act and HUD requires HCD to keep said information private under penalty of Federal law. Any EIV-derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. HCD shall provide the participant with information obtained through EIV upon the participant's request.

Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 or five (5) years imprisonment, as well as civil penalties, pursuant to the Privacy Act of 1974 as amended, 5 U.S.C. § 552(a).

7.7 HUD Form 9886 (Consent Form to Access EIV)

The EIV information cannot be accessed unless a current (unexpired) Authorization to Release Information (HUD Form 9886) is on file. HUD Form 9886 also authorizes disclosure of information for routine uses such as to Federal, State, and local agencies for law enforcement purposes, employment suitability, and for the purpose of determining housing assistance. The current HUD Form-9886 only needs to be signed once by each adult family member. Thereafter, the HUD Form-9886, will need to be signed and submitted when:

- Anyone 18 years or older becomes a member of the family,
- When a member of the family turns 18 years old, or
- As required by HUD or by HCD administrative instructions.

Families have the right to revoke the HUD Form 9886 (consent form) to HCD; however, revoking this consent form and refusing to sign a new consent form (HUD form 9886) can result in termination or denial of assistance in accordance with Chapter 27(A)(2) of this Section 8 Administrative Plan.

7.8 Income Validation Tool (IVT)

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.8 will be updated with the same policy from Attachment E to this Administrative Plan.

7.9 Documents

In support of the applicant/tenant's declaration of income, HCD may review original documents, authenticated copies, and/or electronic documents (unaltered) provided by the applicant or resident. All income related documents must be dated less than 60 days preceding the

determination date (eligibility interview) and continues to be valid an additional 60 days following the request date. If income related documents expire, the applicant or resident will have to provide new documents. A photocopy will be placed in the file.

Acceptable applicant or resident provided documents include:

- Consecutive and unaltered pay stubs;
- Social Security Administration award letter;
- Assets and Asset Income:
- Pension benefit statements;
- TANF award letter;
- other official and authentic documents from a Federal, State or local agency.

7.10 Assets

- A. Value of Assets: Each asset must be analyzed to obtain its net value (market/face value less redemption cost). When verifying the value of assets, for example, a bank account, use the current balance for savings account. For checking accounts, use at least one current bank statement indicating the average balance or two consecutive bank statements in order to calculate the average balance. HCD will accept unaltered documents (bank statement) to verify assets from checking and savings accounts in lieu of obtaining written or verbal third-party verifications, if the balance does not exceed \$4,999 and HCD is able to verify the asset through review of unaltered documents (bank statement) provided by the applicant or resident.
- B. Income from Assets: Based on the total net value of family assets. When the total value of assets is \$5,000 or less, HCD will use the actual amount of income from assets. If the only asset is an interest-bearing bank account, the actual income from the asset is the amount of interest earned shown in the last bank statement. When the total value of assets is over \$5,000, use the greater of:
- The actual amount of income from assets, or
 - The imputed income from assets based on the Savings National Rate in effect at the time, (PIH Notice 2012-29). The USHUD form 50058 automatically calculates the passbook rate percentage value of the assets, compares it to the actual income, and picks the greater amount.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.10 above will be updated with the same policy from Attachment E to this Administrative Plan.

7.11 Verification Documents

A. Federal Income Tax Return

If third-party income verification is not otherwise available, a copy of the most recent federal income tax return shall be submitted, including any W-2 information, or at least two (2) consecutive pay stubs or earnings statements. As stated above, notarized statements or affidavits are the least desirable forms of verifications and shall be accepted only when all other types of verification attempted have failed.

B. Landlord Verification

HCD may obtain verifications from previous landlords to verify the applicant's ability to pay rent and to comply with the lease terms and will perform criminal background (not including juvenile records) and sex offender registration checks on applicants and family members 18 years of age and over. HCD will conduct such checks on household members who are younger than 18 years if they are being tried as adults for certain criminal offenses. If HCD discovers the family has a history of failure to comply with lease terms under previous landlords or fails the background check, such shall result in removal from the waiting list, withdrawal of an offer, or termination of assistance.

C. Misrepresentation of Information

A family's intentional misrepresentation of information related to eligibility, preference for admission, housing history, allowances, family composition, income or rent would result in rejection. Unintentional mistakes that do not confer any advantage to the applicant will not be considered misrepresentations.

Child Support

Uncollected child support will not be counted as income so long as the family provides documents proving the debt uncollectible for at least three (3) months. Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 7.11(D) above will be updated with the same policy from Attachment E to this Administrative Plan.

D. Self-Employment Income

1. Self-employment includes independent contractors and day laborers.

- a) An independent contractor is an individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code Federal income tax requirements and whose earnings are consequently subject to Self-Employment Tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done.
 - Examples of independent contract work include but are not limited to:
 - 3rd party delivery and transportation service providers
 - Rideshare drivers e.g., Uber, Lyft
 - House cleaners, babysitting, childcare providers
 - b) A day laborer is defined as an individual hired and paid one day at a time without an agreement that the individual will be hired or work again in the future. The income earned as a day laborer must be included, unless the income will not be repeated beyond the coming year (i.e., the 12 months following the effective date of the re-examination), based on information provided by the family.
- (1) Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in IRS regulations; and

- (2) Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

E. Seasonal Employment

A seasonal worker is an individual who is hired into a short-term position and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for a specific employer or industry.

Income from seasonal employment (i.e., school board employees, teachers, etc.) may be calculated using one of the following methods:

1. Annualize income by projecting the current monthly income for 12 months even if the current income is not expected to last the entire 12 months. Under this method, the family has the right to come in for an interim re-examination once the income decreases.
2. Calculate average income based on anticipated changes for the upcoming year using verified historical evidence of past income fluctuations. This second method would not require an interim re-examination at the time income decreases since such decreases would already be averaged into the anticipated annual amount.

Income from seasonal employment (i.e. school board employees, teachers, etc.) may be calculated using one of the following methods:

- a) Annualize income by projecting the current monthly income for 12 months even if the current income is not expected to last the entire 12 months. Under this method, the family has the right to come in for an interim re-examination once the income decreases.
- b) Calculate average income based on anticipated changes for the upcoming year using verified historical evidence of past income fluctuations. This second method would not require an interim re-examination at the time income decreases since such decreases would already be averaged into the anticipated annual amount.

- F. Income received as an independent contractor, day laborer, or seasonal worker is not excluded from income under § 5.609(b)(24), even if the source, date, or amount of the income varies.

Chapter 8. Payment Standard and Housing Assistance Payments

8.1 Payment Standard

HCD has been designated by HUD as a Small Area Fair Market Rent (SAFMR) public housing agency (PHA). In accordance with 24 CFR 982.503, HCD has established the SAFMR-based payment standards effective January 1, 2025. SAFMRs are Fair Market Rents (FMRs) calculated at the ZIP code level rather than for the entire metropolitan area. SAFMRs are intended to provide families with access to low-poverty, high-opportunity areas by providing rental assistance at a level that makes the higher rents in such areas affordable for those families. SAFMRs will apply to the Housing Choice Voucher program and are not applicable to the Project Based Voucher program.

Under the Housing Choice Voucher program, a payment standard is used to calculate the monthly housing assistance payment for families of different sizes and compositions. The payment standard is based on the area Small Area Fair Market Rent (SAFMR) published by the HUD and is established by bedroom size. The payment standard is the maximum monthly subsidy payment HCD will make for a family based on the unit size that HCD determines as appropriate for the family. HCD reserves the right to implement PIH Notice 2013-03 as needed to relieve administrative burden.

The payment standard per bedroom size may not be less than 90%, or more than 110% of FMR. HCD shall review its payment standard annually after the SAFMR is published. The review shall include:

- A. Capacity for families to be mobile (i.e., ability of families to locate housing outside of high poverty areas);
- B. Fair housing choice (i.e., the ability of families to locate housing outside areas of minority concentration), and
- C. When families have difficulty locating housing for lease within the term of the voucher.

The Agency shall also review the payment standard for adequacy when 30% or more of the families have high rent burdens.

In order to maximize the number of families to be served based on available funds, HCD may adjust, upon a waiver from HUD, the payment standards when HUD publishes the SAFMR. HCD may adjust the payment standard amounts within these limits in order to assure continued affordability of units within the Miami-Dade County jurisdiction.

8.2.Exception Payment Standard

HCD may request an exception payment standard amount from HUD for all units or all units with a given number of bedrooms in a designated “exception rent area” if it is determined that an exception rent is needed to help families find housing in low-poverty areas based on market conditions, or if voucher holders are experiencing difficulty in finding housing for lease under the program terms.

HCD shall apply to HUD for approval of payment standard amounts whenever deemed necessary by the analysis of need for a geographic area or neighborhood consistent with the Miami-Dade County Consolidated Plan.

8.3 Calculating Housing Assistance Payments

HCD shall use the applicable payment standard schedule for the SAFMR area or the HUD-approved exception rent area to calculate the housing assistance payment for a family. The payment standard for a family is the lower of the payment standard for the family unit size determined by HCD as appropriate for the family composition or the payment standard for the unit actually rented by the family.

For existing HAP contracts, when HCD's payment standard increases, HCD must use the increased payment standard amount to calculate the monthly housing assistance payment for each program participant beginning no later than the earliest of:

- **Change in Gross Rent/Family Share:** The effective date of an increase in the gross rent that would result in an increase in the family share;
- **Interim or annual reexamination:** The family's first regular or interim reexamination; 64 or
- **One year after effective date:** One year following the effective date of the increase in the payment standard amount.

The payment standard for a family shall not drop below the payment standard in effect at the time of move-in unless there is a change in family voucher size.

8.4 Reasonable Accommodation

As a reasonable accommodation for a family that includes a person with a disability, HCD may establish a higher payment standard for that family up to 110% of the published FMR. With approval of the HUD Field Office, the payment standard can be up to 120% of the published fair market rent. The applicant, participant, or representative must request this exception (Refer to Attachment C for HCD's Reasonable Accommodation Policies and Procedures).

Applicants with Accessibility or Special Needs:

Applicants whose family includes a disabled person may request a current list of accessible units known to the Agency. The Agency shall not be held responsible for certifying the unit as accessible. Such verification is the responsibility of the family. Verification of the handicap or disability of the family member may be necessary to determine the need for an accessible unit as well as for any disability assistance expenses that the applicant may be able to make a claim.

If the need for an accessible unit is clearly evident, verification of need is not required. HCD will conduct outreach efforts to encourage owners with accessible units to participate in the Housing Choice Voucher program (See Attachment C for HCD's Reasonable Accommodation Policies and Procedures).

Chapter 9. Rent Comparability and Reasonableness

9.1 Comparability

Rent charged for a unit under the Housing Choice Voucher Program must be reasonable. HCD must assure that the rent for the unit assisted is not more than rents charged for comparable units in the private housing market and that the rents approved by the Housing Choice Voucher Program for any units placed under lease do not have the effect of inflating rents in the area or neighborhood. In order to determine comparability HCD performs surveys of comparable rents by field visits and through published rental data analyses. HCD reserves the right to contract with a private entity to perform surveys of comparable rent.

At the time of initial move-in or change of dwelling, where the rent reasonableness study establishes a contract rent for a unit which is less than the amount requested by the owner and also less than the payment standard, the tenant does not have the option to pay the owner more than HCD's approved contract rent nor the determined tenant portion of the rent.

If the rent reasonableness study for an initial move-in or change of dwelling establishes a contract rent that is greater than the payment standard, i.e., (the unit's value is greater than the payment standard) the family may agree to pay the difference in the rent given the family's ability to pay. HCD will not approve a rent amount that is beyond the family's ability to pay and under no circumstances approve a tenant portion more than 40% of the family's adjusted monthly income if the gross rent is above the payment standard at time of initial move-in or change of dwelling. Under no circumstances may an owner charge an amount to a tenant that is more than is approved by HCD nor demand side payments in addition to the approved rent.

9.2 Initial Determination of Rent

A comparable unit shall be defined as a unit which is similar to the subject unit using the following criteria for comparison:

- Square footage
- Number of bedrooms/bathrooms
- Type (i.e., single-family, townhouse, duplex, multi-family, etc.)
- Location
- Condition or maintenance
- Amenities
- Year Built (Age)
- Quality
- Housing Services

On occasion, assessing the rent influence of a non-conforming design or condition may require unsupported but reasoned appraisal judgment. In many cases, however, the effect on the rent can be determined from market data.

In general, a minimum of two (2) to three (3) comparable private market (unassisted) units will be used. At the request of the family, HCD will assist the family in negotiating the rent, if the rent reasonableness study shows that the unit is valued less than the amount requested by the owner. As part of the rent reasonableness documentation, HCD may require the owner to provide a rent roll of unassisted comparable units in buildings of two or more units that shall

consist of, at minimum, the apartment or unit number, bedroom size, contract or full rent charged, and the utilities included in the rent, unless there are comparable, assisted units in the complex or building.

HCD may require such documentation at lease-up and every time the owner requests an annual or special adjustment (increase) or if there is a change in the utility distribution. HCD may request the owner to provide information on units in the general area for comparability.

9.3 Documentation and Record Keeping

HCD will maintain in a database listing (by zip code or census tract) the reasonable rents approved for units under a Housing Choice Voucher HAP contract for a minimum of three (3) years. Such documentation shall include the bedroom size of unit, address, last rent charged and date of last rent adjustment.

Copies of approved rental survey forms shall be maintained for three (3) years by HCD and indexed to ensure easy reference. A copy of the approved survey shall also be maintained in the tenant file. HCD shall also retain and maintain completed and approved rent increase requests and RFTAs.

Chapter 10. Housing Quality Standards and Inspections

HCD will inspect all units to ensure that the units are in a decent, safe and sanitary condition in accordance with the Housing Quality Standards (HQS) as described in 24 CFR § 982.401, interpretative guidance of acceptability criteria in Form HUD 52580-A Inspection Checklist the HUD Housing Inspection Manual.

Emergency HQS Violations

The following items are considered emergency fails:

- A. No electricity
- B. No running water
- C. No gas if heat, hot water or range are powered by gas
- D. Natural gas leak or fumes from fuel burning appliances/equipment
- E. Major plumbing leaks or flooding, (such as sewer back up or water line breakage)
- F. No operational sanitary facilities
- G. Any electrical fixture or equipment that smokes, sparks, or short circuits creating a fire hazard
- H. Uninhabitable units due to fire, tornado, flood, or destroyed/vandalized units that prevent a tenant from using the bathroom or kitchen.

10.1 Initial Inspections

No unit will be placed under an initial contract until the unit is inspected and any and all violations are corrected, and the unit is approved by HCD.

If the unit fails inspection, the family and owner will be advised of the repairs needed to pass inspection and given up-to ten (10) business days to correct the failed items. The re-inspection will be automatically scheduled and completed ten (10) business days following the initial fail unless the owner or tenant decides to cancel the RFTA for the unit before the expiration of the ten days. If the unit does not pass re-inspection, the Request for Tenancy Approval will be voided and the family must find another suitable unit, if the family has time remaining on the Housing Choice Voucher. Owners will not be assessed a reinspection fee.

Approval for the tenant to move in will not be given until the unit passes inspection, reasonable rent has been established, and the executed lease has been submitted.

10.2 Biennial Inspections

Each unit under contract will be inspected at least biennially or any other time and as often as deemed necessary by HCD to determine compliance with HCD or inspection standards. Written notice of the biennial inspection date will be mailed to the tenant, with a copy to the owner. It is the tenant's responsibility to ensure HCD access to the unit and premises. Failure to gain access to the unit and premises to conduct annual inspections and any subsequent re-inspections is a violation of the family's obligations and may result in termination from the program. The family is responsible for HQS violations caused by:

- The family's failure to pay for tenant supplied utilities;
- The family's failure to provide and maintain tenant supplied appliances;
- Damage caused by the family or guest to the assisted unit or premises.

All other HQS violations must be corrected by the owner.

HCD will provide written notice to owners and tenants of specific HQS requirements that fail the Inspection. The notice will note whether violations are the tenant's or the owner's responsibility.

The participant must allow inspections to be made by HCD. Additionally, the participant must allow the owner to make repairs upon reasonable notice and at reasonable hours. Failure of the participant to give access to the unit to allow inspections and/or repairs in compliance with the lease and housing program rules and regulations shall result in the family's termination from the program.

Owners and tenants will be given 24 hours to correct any HQS violation that is considered an emergency as described above. Owners and tenants must correct all other HQS violations within 30 calendar days of the annual inspection. The date of re-inspection will be automatically set by HCD and appear on the notice to owner and tenant describing the failed items. Failure to gain entry to the unit and premises for the purposes of conducting a re-inspection will result in sanctions to the owner and/or tenant.

A. Non-Compliance Due to Violations that are Owner Responsibility

If an owner fails to correct HQS deficiencies by the time specified by HCD, HUD requires HCD to abate housing assistance payments no later than the first of the month following the specified correction period (including any approved extension) [24 CFR § 985.3(f)]. No retroactive payments will be made to the owner for the period of time the rent was abated.

HCD will make all HAP abatements effective the first of the month following the expiration of HCD's specified correction period (including any extension). HCD will inspect abated units within five (5) business days of the owner's notification that the work has been completed. Payment will resume effective on the day the unit passes inspection. During any abatement period the family continues to be responsible for its share of the rent. The owner must not seek payment from the family for abated amounts and may not use the abatement as cause for eviction.

The unit may remain in abatement status for a maximum of 180 days upon which time the HAP contract will automatically terminate. If the unit has not passed HQS inspection within ten (10) business days from notification of the abatement of HAP, the tenant will be issued a voucher to move to another unit provided the tenant is in compliance with all program regulations including HQS. It is the owner's responsibility to request a compliance inspection if violations are corrected after the compliance date and prior to the HAP contract termination date. If the violations are corrected and verified by inspection before the HAP contract is terminated, the payments will be reactivated as of the date the unit passes inspection, as long as there is a current lease in place and the tenant still resides in the unit. If the violations are corrected after the termination, the owner and the tenant must execute a new lease and HAP contract. Another inspection must be conducted to verify there are no HQS deficiencies.

HCD will notify the tenant in writing to request a change of dwelling due to violations that are the owner's responsibility and not corrected within HCD-required time frame. The tenant will be contacted to begin the Change of Dwelling (COD) process. If a tenant of HCD's Housing Choice Voucher Program or Project Based Voucher that has lost their assisted housing because the private owner failed the Housing Quality Standards (HQS) inspection and the

family has been unable to lease a new unit within the period provided by HCD, the tenant will be provided a selection preference for an appropriate public housing unit that first becomes available for occupancy after the family exhausts the search time period without executing a lease and HAP Contract and the voucher has expired. No abated HAP will be applied towards relocation costs.

If there are both tenant and owner responsible violations, HAP will be abated, and the tenant assistance may be recommended for termination according to HUD regulations.

B. Noncompliance due to Violations that are Tenant Responsibility

For violations that are deemed the tenant's responsibility and are not corrected within the above time frames, the tenant will be recommended for termination from the program. Both the owner and tenant shall be notified in writing by HCD. If the tenant requests a compliance inspection within ten (10) business days from the date of notice of intent to terminate program assistance, and the unit passes, HCD will cancel the termination process. Should a tenant's participation be recommended for termination for HQS violations in the unit, they will be entitled to a hearing in accordance with this Administrative Plan. While the hearing proceedings and decision are pending, HAP will continue to the owner provided the owner is in compliance with all other provisions of the HAP Contract, but not for longer than a period of 90 days from the date of the failed inspection or the end of the tenancy, whichever is shorter. Should the owner evict the tenant for tenant-responsible HQS violations, the owner may be paid through the date of eviction. For the payment to be approved, the owner must provide evidence that the eviction has been completed.

In the event that the family's participation is terminated as a result of a hearing decision, and the family remains in the unit, the family is responsible for the full rent to the owner. HCD shall notify the owner and tenant by mail of the determination of a unit failing compliance inspection, abatement or termination of assistance. If there are both tenant and landlord responsible violations, HAP will be abated, and tenant's assistance may be recommended for termination according to HUD regulations.

10.3 Complaint Inspections

Complaints regarding legitimate HQS issues will be investigated by HCD. Complaint inspections will be scheduled by mail or telephone. HQS failures as a result of complaint inspections will be enforced by HCD in the same manner as annual inspections.

10.4 Quality Control Inspections

Quality Control inspections will be conducted to ensure that inspections are in conformance with HQS, to verify the accuracy and efficiency of inspection personnel, and to monitor and document program performance. It is the intent that these inspections and the keeping of records will assist in the identification and prevention of repeated violations. Quality Control inspections will be conducted by a staff member of HCD, trained and experienced in conducting unit inspections. The quality control inspection is a re-inspection of units recently inspected. Selection of the units for quality control inspections is done randomly by the Quality Control Inspector or Supervisor from a computer listing of all recently inspected units and should be a cross-section of neighborhoods and a cross-section of the work of inspectors to include the work of each inspector. HQS failures resulting from quality control inspections will be enforced in the same manner as annual inspections.

10.5 Ongoing Maintenance required for Compliance with 24 CFR part 35, Lead-based Paint

The owner and HCD are required to conduct a visual assessment for deteriorated paint and failure of any hazard reduction at time prior to move-in and at least annually. In addition, the owner is required to make corrections of deteriorated paint and any failed lead hazards reduction measures.

10.6 Extensions of Time to Cure Inspection Violations

Reasonable extensions to the time limitations for compliance established in this section may be granted by HCD in extenuating circumstances. Requests for such extensions must be submitted in writing prior to the MDHCV re-inspection compliance date and supported by documentation. Examples of extenuating circumstances may include but are not limited to the following:

- Inclement weather
- Verification of unavailability of necessary parts or
- Emergency situations such as a natural disaster

In the event that the violation(s) is/are caused by a natural disaster, extensions to the compliance inspection date may be granted. In order to approve such an extension, HCD may request evidence of insurance claims, estimates for repair or other related documents.

Chapter 11. Utilities

11.1 Utility Allowance Schedule

HCD maintains utility allowance schedules for all commonly used utilities. Utility allowances are not meant to provide a dollar-for-dollar recapture of utility payments but are an estimate of the monthly cost of a reasonable consumption of utilities by energy-conservative households that occupy housing of similar size and type in the same locality. The utility allowance schedules are reviewed and revised annually. If there is a 10% increase or decrease in utility rate in any utility category since the last revision, the utility allowance schedules shall be revised.

The utility allowance schedules are by unit size and typical unit types in the Miami-Dade County area. HCD may establish a county-wide schedule or may establish schedules specific to cities or unincorporated areas that have different utility providers. However, some utility companies provide service in zip codes or cities that have multiple utility providers. As such, it is HCD's policy that schedules will be based on the operating utility provider in that specific City.

HCD maintains utility allowance schedules that apply to the Housing Choice Voucher, Shelter Plus Care, Moderate Rehabilitation and Moderate Rehabilitation Single Room Occupancy units.

Effective July 1, 2025, , foster children and foster adults are household members and will be considered when determining utility allowance.

11.2 Utility Reimbursements

Where the utility allowance exceeds the total tenant payment of the family, HCD will provide a utility reimbursement payment through a Utility Reimbursement Card. Deposits to the Utility Reimbursement Card will be made monthly. If the family owes any sums to HCD or any other housing authority, HCD may use any utility reimbursement amount owed to the family as payment.

HCD, at its discretion and as deemed operationally feasible may make utility reimbursement payments directly to the utility company. Such direct payment shall not require the family's consent; however, HCD shall inform the family immediately upon its decision to make payments directly.

11.3 Tenant-Responsible Utilities

Utilities for which the tenant has agreed to be responsible, as stated in the Request for Tenancy Approval (RFTA), are a family responsibility as specified at 24 CFR § 982.404. The denial of service, disconnection or shutting off utilities that the resident is responsible for paying or the discovery that a resident is tampering with utilities to illegally obtain service, may result in a recommendation for termination.

Chapter 12. Security Deposits and Late Fees

12.1 Security Deposits

For all housing assistance payments contracts, an owner may collect a security deposit from the tenant. It shall be the owner's responsibility to collect the security deposits from the family. The amount of the security deposit must be consistent with common practice in the Miami-Dade Private Rental Market and not in excess of security deposits collected for owner's unassisted tenants and not to exceed one month's rent.

12.2 Late Fees

Late fees by HCD shall not be assessed on Housing Assistance Payments except when each of the following conditions is met:

- A. Such penalties are in accordance with generally accepted practices and law, as applicable in the local housing market, governing penalties for late payment of rent by a tenant;
- B. It is the owner's practice to charge such penalties for assisted and unassisted tenants; and
- C. The owner also charges such penalties against the tenant for late payment of family rent to owner.

Late fees may be assessed at the written request of the owner if the initial payment of the HAP has been delayed in excess of 60 days from the effective date of the HAP contract or if timely payment was not received from the County thereafter when it was due pursuant to the lease agreement between the Section 8 tenant and the landlord. In instances beyond HCD's control, which affect payments to other owners, late fees shall not be assessed. This may include, but not be limited to, reactivation of payment delays because of system cutoff dates following abatements due to HQS violations.

Late fee(s) are paid to the landlord based on the same monthly late charge fee the landlord charges his/her tenants stipulated in the dwelling lease. However, no late payment penalty shall exceed \$50 per occurrence.

Owners shall submit a claim on a HCD-approved form which can be either mailed to the Owner or (via U.S. mail or electronic mail) can be found on HCD website. Late fee(s) are paid to the landlord based on the same monthly late charge fee the landlord charges his/her tenants stipulated in the dwelling lease. However, no late payment penalty shall exceed \$50 per occurrence.

For new leases or change of dwellings, HCD is obligated to make housing assistance payments within 60 days from the HAP effective date. Except for new leases or changes of dwellings, generally HAP's are due to the owner on the first of each month. HAPs shall be considered made when the check is issued or electronically submitted to the owner. After the first two calendar months of the HAP contract term, owners can submit late payment claims to HCD and HCD may be required to pay late fees for any months the payment is past due. Owners

must submit any late payment claims on a HCD-approved Claim Form within 30 days after receipt of the late housing assistance payment from HCD. The *Claim Form* will be made available for downloading from the County's website located at www.miamidade.gov/housing and will also be provided to new owners during the orientation described in Section 13.1 of this Administrative Plan. Failure of the owner to make a claim within 30 days waives his/her right to make a claim for late payment penalties. If there is any dispute over the amount of the late fee or a denial of the late fee, HCD will endeavor to attempt to resolve the dispute.

Chapter 13. Tenancy Approval

13.1 Documents to be Submitted

When the voucher holder has located a unit during the term of the housing voucher, they must submit a completed Request for Tenancy Approval package to HCD containing the following:

- A. *Request for Tenancy Approval Form HUD-52517*, signed by either the tenant or the owner.
- B. Proof of Ownership: if currently on the computerized Miami-Dade County property rolls, the tax bill or other document indicating the folio number may be submitted; if not current on the tax rolls, then a valid deed may be submitted;
- C. A Tenancy Addendum or other document or information source containing the same information as a Tenancy Addendum.
- D. Tax Identification Number or Social Security Number, as applicable, for the owner; and
- E. Other affidavits, as required by Miami-Dade County.

In circumstances where clarification of ownership is required, HCD may request appropriate documentation and may verify such ownership with other Miami-Dade County Agencies and the County Attorney's Office.

Prior to the approval of the assisted tenancy, HCD will request the following from the owner: *IRS Form W-9*, completed and executed, unless previously provided by the owner.

New owners will be provided with an orientation to advise them of their rights and responsibilities under the HAP. HCD, may provide the option to attend this orientation or view an orientation video at a designated site including, but not limited to HCD's website. Ownerships by trusts and corporations shall conform to Internal Revenue Service and the State of Florida requirements. A W-9 shall be completed for every ownership entity with a different tax identification number.

13.2 Approval of Assisted Tenancy and Approval to Move In

HCD must review and approve all submitted documents, the rent must be reasonable; the unit must pass HQS initial inspection and receive an executed lease prior to granting authorization for the family to move into the unit. The tenant shall be responsible for the full contract rent to owner if the family moves into the unit prior to being given authorization to move in. To the greatest extent possible, HCD will approve tenancy within 15 days of RFTA acceptance given all documents are submitted, completed and executed, the rent is determined as reasonable or negotiated and the unit passes HQS inspection.

HCD shall not approve a family for initial tenancy of a unit under Housing Choice Voucher if the family's portion of the rent exceeds 40% of the family's monthly adjusted income. This requirement is subject to change in conformance with HUD federal regulations.

13.3 Lease Requirements

- A. Form of lease
If the owner uses a standard lease form for rental to unassisted tenants in the locality or the premises, the lease must be in such standard form (plus the HUD-prescribed tenancy addendum).
- B. The names of the owner and the tenant
At minimum, the name of the head of household must be the leaseholder/lessee.
- C. The unit rented
The full address of the unit is required to be in the lease.
- D. The term of the lease
Lease end date: The lease should not end sooner than the last day of the preceding month in the following year. HCD may approve shorter initial lease term if it determines that the shorter term would improve housing opportunities for the tenant.

Renewal Provisions: HCD shall require that the lease contain a renewal provision.
- E. The amount of monthly rent to owner
The contract rent amount approved by HCD must be reflected in the lease.
- F. Utilities and appliances
The HAP contract and tenancy addendum will prevail if the lease is silent regarding which appliances to be supplied by the family.
- G. Lease execution
The lease must be executed by the tenant and the owner or agent for the owner. HCD reserves the right to request and review documentation that an agent for owner has property authorization from an owner to execute a lease agreement on their behalf.
- H. Review for compliance with state laws
HCD reserves the right to the lease to determine if the lease complies with state and local law. HCD may decline to approve the tenancy if the PHA determines that the lease does not comply with state or local law.

13.4 Use of Unit for Business

A tenant may conduct small-scale legal business in the unit if all of the following conditions are met. An example of a business includes, but is not limited to, cottage industries such as sewing and alteration service. Conditions for use of unit for business are:

- A. Must be included in the lease or as an addendum to the lease,
- B. Must be approved by owner,
- C. Income derived from the business must be included and calculated as part of the family's income,
- D. Business is in compliance with local zoning codes and other ordinances; and

- E. Business does not conflict with federal housing quality standards regarding space and occupancy standards.

13.5 Use of Unit Address

Tenants must use their unit address as their mailing address for all official HCD correspondence. This correspondence includes but is not limited to reexamination appointments, rent change notifications, inspection appointments, inspection results, termination proceedings, etc. Exceptions may be made to this rule on a case-by-case basis, i.e., domestic violence victims or if a tenant is able to demonstrate that their mailbox has been tampered with and is unsecure by submitting official documentation from the US postal service and/or police records.

Chapter 14. Housing Assistance Payments

Payments under valid Housing Assistance Payments (HAP) contracts will be made on or about the first of the month for which the payment is due. HAP shall be considered made when the check is issued or electronically transmitted to the owner. Initial payments, due to processing steps, may be delayed. However, all amounts due to date will be paid when processing is complete.

14.1 HAP Contract and Lease Termination

HAP payments will continue so long as the unit passes inspection, the family completes recertification annually and is qualified and eligible for continuation in the Housing Choice Voucher program or until the HAP contract or lease is terminated by the owner, the tenant, or HCD in accordance with federal regulations. If the HAP contract or lease is terminated, including any renewal period, the assistance payment will terminate as follows:

- A. If the tenant moves, the HAP will be paid through the last month the tenant occupies the unit as determined by HCD.
- B. If the owner terminates the lease, the HAP payment will terminate when the tenant vacates the unit. HCD must be given a copy of owner-initiated notice of termination of lease.
- C. If the owner plans to evict the tenant for violating the terms of the lease, such notice must be given to tenant with a copy to HCD prior to commencement of any eviction action. Such notice may not be simultaneous to eviction process.
- D. If HCD terminates the contract, payment will stop on the date indicated in the Notice.
- E. See Chapters 22 for Transfer of Ownership and/or Chapter 23 for Owner's Foreclosure.

14.2 Right to Recoup Amounts Paid

- A. Recapture by HCD

If a contract is terminated after payment has been made or a stop payment is not possible, HCD reserves the right to recoup amounts paid erroneously to owners by withholding any payment owed to that owner, even if the payment owed is for another Housing Choice Voucher tenant or for another program. If the owner has no other valid Housing Choice Voucher contracts, they will be responsible for making repayment to HCD promptly upon request. As an accommodation to those owners who have only one active unit, or who are no longer participate, in the MDHCV program and are experiencing economic hardship repaying the entire amount to be recouped as a result of over payments, HCD, may enter into a repayment agreement over a reasonable period of time, not to exceed one year, to recover such payments. The payment terms and duration of these repayment agreements shall be determined at the sole discretion of HCD, in accordance with fair credit practices, local laws and ordinances.

HCD reserves the right to place a lien on the property for any amounts owed after efforts to recoup funds are unsuccessful. HCD may deny any new Requests for Tenancy approvals until the payment is made by the owner.

B. County Obligations

HCD reserves the right to withhold payments if an owner owes funds to another Miami-Dade County department. Such withholding is pursuant to County ordinance and administrative order and will only be made upon request by the affected department and with written notice to the owner.

14.3 Reduction or Termination of HAP Contract for Insufficient Funding

HCD may reduce or terminate the HAP contract if it is determined, in accordance with HUD requirements, that the funding under the consolidated ACC is insufficient to support the continued assistance for families in the program. In the event that termination of HAP contracts becomes necessary, HCD shall exempt the following:

- Elderly persons, 62 years and older;
- Disabled families;
- Housing Choice Voucher Homeownership Program participants;
- Families receiving voucher assistance as a result of relocation due to HOPE VI development; or
- Families receiving voucher assistance through special allocations in VASH, Access 2000 and Mainstream programs.

HCD reserves the right to determine the methodology of termination of HAP contracts. Such methodology shall be based on income. Families currently paying 75% or more of contract rent will have the HAP contracts terminated. If after terminating families paying 75% or more of contract rent there continues to be insufficient funding, then families paying 50% to 74% of contract rent will be terminated. If there continues to be insufficient funding, then families paying 25% to 49% of contract rent will be terminated. The order of families being terminated in these payment groups shall be conducted on a first in first out basis (i.e., those families who have participated the longest in the program by lease-up date will be the first HAP contracts terminated). Notice of the HAP contract termination will be provided to the tenant and owner. Families terminated due to lack of sufficient HAP funding leaving in good standing shall be afforded, where available, other housing opportunities, including homeownership opportunities and affordable rental housing. Families removed from the program shall be placed on a list until funding is available for re-housing.

Chapter 15. Annual and Interim Re-certification

15.1 Annual Re-certification

A. Scheduling of Appointments

Each family participating in the Housing Choice Voucher, Project-Based Voucher and Moderate Rehabilitation Programs is required by federal regulation to be recertified every 12 months. Re-certification requires the program participant to provide information regarding family income and composition to HCD so that tenant rent for the coming year may be established.

HCD will notify the family approximately 90 to 120 days of re-certification time and will notify the family of documentation the family will be required to provide. Re-certification can be conducted either electronically, in person, by mail or home visit depending upon circumstances, at the discretion of HCD. HCD may access criminal records of any household members with the purpose of determining continued assistance under the program, at re-certification, change of dwelling, when adding a member to the household or a live-in aide, to substantiate allegations of criminal activities, and at any time HCD deems necessary.

B. Number of Appointments and Missed Appointments

A family shall be allowed to miss no more than two appointments to complete the re-certification. If the family fails to keep the first appointment, a second notice shall be mailed stating that failure to complete the re-certification at the second appointment will be grounds for termination from participation in the Housing Choice Voucher program.

Exceptions may be granted by HCD on a case-by-case basis with consideration of the reason or circumstances for not meeting the re-certification requirements. HCD may require documentation from the family to prove any extenuating circumstances. The same number of appointments and procedure stipulated above shall apply to all programs, including the Family Unification program, Veterans Assisted Supportive Housing (VASH), and other targeted Housing Choice Voucher programs. The Florida Department of Children and Families shall be copied on the second appointment notification to Family Unification Program participants in an effort to provide any necessary intervention.

C. Failure to Comply in Timely Manner or Non-Compliance

A family's failure to comply with an interim or annual recertification requirements by providing all required documentation and signatures on forms is grounds for termination of assistance.

When the family causes an unreasonable delay in the recertification processing i.e., does not provide information within 30 days of the effective date of the recertification, HCD will:

- Implement any decrease in family share of the rent on the first of the month following the completion of the recertification processing.
- Implement any increase in family share of the rent retroactive to the family's recertification effective date without a 30-day notice since the delay on the family's part results in a waiver of the 30-day notice.
- Families and owners will be notified, in writing, of the results of the recertification and the effective date of the change.

D. Timely Compliance

HCD must conduct any annual interim reexamination within a reasonable time after the family request or when the HCD becomes aware of a change. Reasonable processing time may vary based on the amount of time it takes to verify information, but generally no more than 30 days after the family reports changes in income to the HCD.

E. Family Composition Changes

The family must inform and provide verification to HCD of family composition changes due to birth, adoption or custody granted to the family by operation of law, or upon a family member moving out of the unit. An increase or decrease in family size may result in a change in the family's rent. Any other additions to the family must be requested in writing and approved by HCD prior to the family member being added to the family composition as further described under Section 5.2 - Changes in Family Composition.

F. Acceptable Verification of Income

HCD will utilize the same procedures as used at admission for obtaining and verifying income. HCD will utilize the verification guidelines under PIH Notice 2018-18, PIH Notice 2018-24 Verification of Social Security and Supplemental Security Income Benefits, and subsequent guidelines or regulations that may be issued by HUD.

Enterprise-Income Verification (EIV), when available, and third party written verification of information (which may be provided by the family), are the most desirable types of documentation. If EIV information conforms to the family's declared income as described under Section 7.5, third party verification may not be required.

G. Zero Income

Applicants reporting zero (0) income will be asked to complete the Monthly Family Expense and Income Contribution forms to document how much they spend on: food, transportation, healthcare, childcare, debts, household items, etc., and what the source of income is for these expenses.

- Zero income families are required to report any increase in any type of income, including cash and non-cash contributions, between regular recertifications.
- HCD will conduct an interim recertification and increase rent for zero income families when income is received. When the family is no longer a zero-income family, interim reporting of increases in income is not required.
- HCD will run an EIV income report every 90 days for families reporting zero income and will take appropriate action for unreported income.

H. Student Eligibility

A full or part-time household student must meet federal regulation eligibility requirements (Chapter VII).

15.2 Interim Re-certifications

A. Interim Re-certifications

Rent is re-determined between annual recertifications when a participant undergoes a change in family composition or income. The participant must report such changes in writing to HCD within ten (10) days of occurrence.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 15.2(A) will be updated with the same policy from Attachment E to this Administrative Plan.

B. Interim Rent Increases

Families are required to report to HCD all the increases in income that occurred between regularly scheduled annual re-examinations within ten (10) days of occurrence. An appointment for an interim review may be scheduled.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 15.2(B) will be updated with the same policy from Attachment E to this Administrative Plan.

C. Interim Rent Decreases

If the family experiences a decrease in income of any amount that will be for a period longer than 30 calendar days, an appointment for an interim review may be scheduled as needed.

Child Support non-payment will be considered for an interim re-certification if family shows court document or proof of non-payment for a period of at least three (3) months. As long as information is provided in a timely manner by the participant, decreases in rent will be made effective on the first day of the month following the month in which the change is reported. Proper verification is needed.

Reductions in income from seasonal employment (i.e. summer months for school board employees, teachers, etc.) may be eligible for an interim re-examination if the family's income was originally calculated without taking into consideration anticipated reductions in income. An interim re-examination may not be required if anticipated decreases were already included in the annual income.

Rent will not be adjusted as a result of a family's income decreasing because of a reduction in Temporary Assistance to Needy Families (TANF) due to sanctioning by the welfare agency, State of Florida Department of Children and Families. The family is entitled to a hearing, should it wish to appeal such decision by the HCD not to reduce the tenant portion of the rent.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 15.2(C) will be updated with the same policy from Attachment E to this Administrative Plan.

D. Non-Interim Reexaminations

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section 15.2(D) will be updated with the same policy from Attachment E to this Administrative Plan.

Chapter 16. Family Moves

16.1 Tenant Notice

With proper notice, a participant family may move to another unit either within or beyond HCD's jurisdiction at the expiration of the lease term. Moves after the initial year of the lease term are limited to not more than one move in any 12-month period. A second move within the same calendar year may be allowed only under hardship conditions upon the approval of HCD and for victims of domestic violence, economic abuse, technological abuse, sexual assault, dating violence, and stalking, as described under Section 2.14 of this Administrative Plan. The notice to move must be in accordance with the lease and addressed to the owner with a copy to HCD or its authorized contractor.

A family may move under the Housing Choice Voucher program with a change of dwelling approved by HCD, as long as, the family has not been terminated from the program. HCD will not pay HAP to a former landlord if a new HAP contract has been executed with another landlord, unless any payments are owed to the former landlord.

16.2 Mutual Lease Termination

A participant may move from an assisted unit, prior to the end of the first year of lease, by obtaining a mutual lease termination executed by the participant and the owner. The Housing Assistance Payments contract with the owner will be terminated by HCD as of the date the lease is mutually terminated. A mutual lease termination in the initial lease term only applies under the conditions stated above in Section 16.1.

16.3 Owner Responsibility on Tenant Move-out

The owner is required to provide HCD with a copy of any notice to the tenant upon move out.

Chapter 17. Tenant Rents and Housing Assistance Payment (HAP) Increases

17.1 Tenant Rents

The minimum rent imposed on tenants is in accordance with federal regulations. HCD has adopted a minimum tenant rent of \$50.00 per month. If the family can demonstrate a long-term hardship (over 90 days) in paying the minimum rent that would result in the family being evicted from the unit for its inability to pay the minimum rent, HCD shall temporarily exempt the family from payment and will review the tenant's circumstances at the next scheduled recertification.

17.2 Contract Rent Increases

An owner cannot increase the contract rent during the initial term of the HAP contract. After the initial term, an owner may request an adjustment to the contract rent with at least 60 days' notice to the tenant and submitting evidence of proper notice to HCD. Requests by the owner shall be in writing to HCD. Rent increases are subject to market rent comparability surveys that prohibit paying more for a Housing Choice Voucher unit than a comparable unit on the unassisted market.

The rent to owner will be increased the first of the month following 60 days after the request is received. Additionally, HCD will also send a courtesy notice to tenants upon approval of an increase in rent or change. The requested rent must still be reasonable as relates to comparable rents in the market and shall be determined by a rent survey.

17.3 Change in responsibility for Utilities

Owners may not change utility responsibilities during the term of the HAP contract or unless submitting a Request for Tenancy Approval during the lease renewal period and with the written notice of a contract rent increase

Chapter 18. Portability

18.1 Moving out of HCD's Jurisdiction

A newly certified family may move to a unit outside of HCD's jurisdiction after being certified for the Housing Choice Voucher Program so long as they are a resident of Miami-Dade County at the time of certification or for humanitarian reasons if they are not a resident at the time of certification. HCD operates within all of the jurisdictions located within Miami-Dade County.

If the participant family is not a resident of Miami-Dade County at time of certification, the following applies to the family during the first 12 months after admission to the program:

- A. The family may lease a unit within HCD's jurisdiction
- B. The family does not have any right to portability
- C. HCD may choose to allow the family to port outside HCD's jurisdiction
- D. Both HCD and the receiving housing authority must agree to allow the family to lease a unit outside of HCD's jurisdiction

HCD may allow a family to port out to other housing agencies within the jurisdiction, as a reasonable accommodation.

18.2 Absorption of Incoming Portables

- A. Absorption is the point at which a receiving housing authority starts making assistance payments with funding under its consolidated ACC. HCD may absorb a voucher based on the following criteria:
 - 1. Availability of assistance and funding.
 - 2. Number of incoming Portables from a specific jurisdiction.
 - 3. Possibility of swapping vouchers within a given jurisdiction.
 - 4. Dependent upon whether sufficient funding allows for absorption.
- B. Eligibility Screening Criteria:
 - 1. HCD may make the determination to deny or terminate assistance to a portable family in accordance with Section 2.4(E), Denial of Assistance, and Chapter 27, Termination of Assistance.
 - 2. HCD shall attempt to obtain criminal history checks, including sex offender, nationwide. The nationwide sex offender registration check will be conducted online using a database available at www.nsowp.gov (PIH Notice 2012-28).

Chapter 19. Family Self-Sufficiency Program

19.1 Overview

The purpose of the Family Self-Sufficiency (FSS) program is to promote the development of local strategies to coordinate the use of public housing assistance and housing assistance under the Section 8 voucher programs with public and private resources, to enable families eligible to receive assistance under these programs to achieve economic independence and self-sufficiency. HCD's FSS is an employment and savings incentive program for low-income families receiving assistance under the Housing Choice Voucher Program. It was designed to encourage program participants' economic self-sufficiency and possibly homeownership via gainful employment, thereby decreasing and ultimately eliminating their dependency on welfare assistance. FSS consists of case management services, which are partnered with social service agencies, schools, businesses, and other organizations, to help families pursue job search training, employment, educational opportunities and supportive services; escrow accounts into which HCD deposits the increased rental charges that a family pays as its earnings rise.

19.2 Selection and Screening

Family participation is voluntary and encouraged. Interested families can request information and an application. Housing Choice Voucher program staff reaches out to participants of the Family Unification, and Homeownership programs, as well as others. Applicants must be in compliance with HCV program requirements and family obligations in order to enroll in FSS. Applicants may be screened for interest and motivation to attend FSS orientation sessions or pre-selection interviews and may be assigned certain tasks that indicate their willingness to meet the obligations imposed by the *FSS Contract of Participation (COP)*. Any tasks assigned must be readily achievable by the family, based on its educational level and disabilities, if any. However, they cannot be screened for education, job history or performance, credit rating, marital status, or number of children, and any other factors that could result in discriminatory practices toward individuals with disabilities or those from minority or non-minority groups. Applications to the FSS Program are time dated and considered on a first come/first serve basis, as slots become available.

19.3 Contract of Participation: Term and Conditions

If the last annual or interim reexamination is older than 120 days, an annual or interim reexamination must be conducted before the Contract of Participation (COP) is executed. Family members must fulfill all requirements to obtain full benefits. The FSS contract requires that the family comply with lease stipulations, that all family members become independent of welfare assistance, and that the head of the family seek and maintain suitable employment that pays a living wage.

The family and case manager will work together to establish goals. The COP must be executed no more than 120 days after the household's most recent annual or interim re-examination. It lists the family's current annual income, the amount of earned income included, and the family's Total Tenant Payment (TTP).

During the term of the COP, increases in earned income and TTP are compared to the amounts listed in calculating escrow credits. The initial term of the COP is five (5) years;

however, HCD may grant an extension of up to two (2) years in response to a written request from the family describing “good cause.” Good cause includes circumstances beyond the family’s control (e.g., serious illness or involuntary loss of employment) that thwarted the family’s ability to remain off of welfare assistance for 12 consecutive months. The COP is considered complete and the family’s FSS participation concluded when:

- A. The family has fulfilled all of its obligations under the COP on or before the contract expiration date; or
- B. 30% of the monthly adjusted income equals or exceeds the published FMR for the family unit size under HCD’s subsidy standards. To claim its escrow, no family member can be receiving welfare as defined by the FSS regulations, but the 12 consecutive months requirement does not apply. Although successful completion of the contract requires that no family member be receiving welfare assistance, the family may still receive rental assistance at the time of and after their successful completion of the FSS program.

19.4 Individual Training and Services Plan

The Individual Training and Services Plan (ITSP) identifies appropriate service needs for the head of household and each participant adult family member. Before the COP can be executed, HCD must determine if employment goals proposed in the ITSP are appropriate, considering the participant’s skills, interests, education, and jobs available in the local market. Based on these employment and personal goals, FSS Program staff refers participants to the appropriate resources and services that are needed for them to achieve their self-sufficiency goals. The ITSP establishes interim and final goals to be achieved within specific deadlines so the family’s progress toward self-sufficiency can be measured.

19.5 Services Provided under FSS

Case management services may include, but not be limited to:

- A. Childcare
- B. Transportation
- C. Education
- D. Job readiness, training, and employment counseling
- E. Substance/alcohol abuse treatment or counseling
- F. Household skills training
- G. Life skills training
- H. Homeownership counseling

19.6 The Escrow Account

A single, interest-bearing FSS escrow account is established for each participating family. An escrow credit, based on increases in the family’s earned income, is credited to the account by HCD during the term of the COP. A portion of this escrow amount can be made available to the family to complete an interim goal (e.g., education). If the family completes the terms of the COP and no member is receiving welfare assistance, the amount of the escrow account is paid to the head of the family. If the FSS contract is terminated, or if the family fails to complete it before the expiration date, the escrow funds are forfeited.

Chapter 20. Expanding Housing Opportunities

20.1 Overview

HCD actively recruits landlords of suitable rental units for their participation in the Housing Choice Voucher Program. Likewise, HCD provides voucher holders with a list of landlords who are participants in the program, information concerning the availability and benefits of mobility opportunities, as well as encouragement, support, and guidance on leasing rental units. Moreover, voucher holders are briefed on the effective implementation of portability and other cooperative mobility strategies within and outside of Miami-Dade's jurisdiction. The overall objective is to encourage the availability of affordable housing and maximum geographic diversity, and the movement of voucher families into a broader range of neighborhoods.

20.2 Outreach to Owners and Owner Referral Lists

HCD employs a variety of strategies to recruit owners of units inside, and especially outside areas of high poverty and minority concentration. For the latter group, landlords will be contacted through groups including the Miami-Dade County Realtors Association and Builders Association of South Florida. Additional strategies may include:

- A. Newsletters and semi-annual seminars that provide up-to-date information, including program changes, to current and prospective owners;
- B. Surveys of owners are conducted to identify issues and based on the results, to improve program operation;

Periodically, HCD engages in direct advertising in *The Miami Herald*, *The Miami Times*, *Diario Las Americas* periodicals, the *Haiti en March*, and *The Voice*. It also makes public service radio and television announcements;

- A. Informational letters and flyers are posted at community organizations, neighborhood centers, churches and other places of worship; word-of-mouth leads and referrals are encouraged;
- B. This Administrative Plan and other information on the Housing Choice Voucher program are provided on the internet at HCD's website so interested landlords or property owners can readily access information;
- C. Success stories involving the program and its participating families are disseminated via various media;
- D. Membership in associations of owners/managers of rental properties;
- E. Direct personal contact with owners

HCD will maintain a listing by bedroom size of available rental units, including accessible units for persons with disabilities. Upon request, this list shall be made available to Housing Choice Voucher participants and shall be placed in public reception areas of the Housing Choice Voucher Program office.

20.3 Information Assistance for Voucher Families

HCD will provide all new Housing Choice Voucher holders an information packet, typically distributed at the initial briefing, home visit or via mail. Maps will be provided showing areas of housing opportunities outside areas of poverty or minority concentration within its and neighboring jurisdictions and assemble information on the characteristics of these areas (e.g., population demographics, types of housing offered, rent levels, schools, transportation, shopping, and employment options). The information is intended to introduce the family to a full range of neighborhoods where they may lease units and the advantages each offers. The maps and related information are used to brief voucher holders of the full range of areas where they may lease units. The packet requirements are as follows:

- A. A list of owner-landlords who are willing to lease units within and outside of poverty or minority concentrated areas, or organizations that are willing to help families find units within and outside of poverty or minority concentration areas.
- B. A written description of how portability works and a list of contact persons for neighboring housing agencies outside Miami-Dade County (including name, address, and phone numbers) for families who move under portability.
- C. Information about the existence and availability of units that can accommodate a family member with disabilities.
- D. The participants' fair housing rights and what to do if discrimination is encountered will be discussed. In cases where discrimination is suspected, HCD will advise the family to file a discrimination complaint with the Department of Housing and Urban Development, the Florida Commission on Human Relations, the Miami-Dade Commission of Human Rights or any other enforcement agency.

HCD periodically analyzes whether rental voucher holders have experienced difficulties in finding housing outside areas of poverty or minority concentration; if so, it also analyzes whether it is appropriate to seek approval of exception payment standard amounts within its jurisdiction and seeks HUD approval when necessary.

Chapter 21. Providing Information and Complaints

21.1 Florida Public Records Act

Pursuant to the State of Florida's Public Records Act, Chapter 119 of Florida Statutes, all records generated by public entities during the normal course of business are considered public records and are open to review upon reasonable notice, unless exempted by State of Florida law or as stipulated below. A copy of this Administrative Plan shall be made available to the public at the Housing Choice Voucher Program office and posted on HCD's website.

Requests to view a file must be made in writing or by submitting a Public Information Request to HCD during normal business hours. Upon requesting a file, the person making the request shall be notified of the location at which the file may be accessed. Files may not be available at the time requested. If a file is not available, HCD shall provide the requestor with the date or date/time the file will be available for viewing. HCD shall obtain the requestor's name and telephone number to contact the requestor of any change in date or time the file is available for reviewing.

Copies of file documents may be requested. There will be a charge for copies in accordance with the Public Records law and Miami-Dade County Administrative Order No.4-48. Requests that require extensive staff time, or information checking resources, may access a charge that reflects the lowest salary (plus fringes) among all clerical workers, and if applicable, among all supervisory/management personnel who might perform such work, or the actual salary and fringes of the specific person or persons performing the work. Files may not be removed from the Housing Choice Voucher office.

Notwithstanding the requirement to comply with Chapter 119 of the Florida Statutes, HCD reserves the right to claim any applicable exemption from the general requirements of the statute. In instances of families in witness protection, victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking, families with restraining orders or other documented circumstances where the file identifies information that places the family at liability, requests for reviewing such files, which include addresses and other identifying information, shall be considered based on a review of the appropriateness of the requestor and individual circumstances.

21.2 Information to Owner

A potential owner will be provided the following information about the program participant on the Owner/Agent Certification form upon request:

- A. The participant's current and prior address as shown in HCD records;
- B. The address of the participant's current and prior landlord; and
- C. A statement to the effect that the Agency has not screened the family's background or suitability for tenancy with the exception of a criminal and sex offender background check in accordance with HCD's policies.

The landlord is responsible for any other screening to be completed in a non-discriminatory manner. Landlords are responsible for determining whether to conduct their own criminal background checks to decide if the family is suitable for tenancy. If the current or potential

owner requests criminal background information on an applicant/tenant, HCD may not release details of the criminal background check but may notify the owner verbally over the telephone or in writing whether the family is eligible for assistance.

21.3 Complaints

HCD shall promptly notify the owner of any complaints by or about the family concerning its tenancy or housing as it relates to their tenancy or the Housing Choice Voucher program. Such notification shall be in conformance with Miami-Dade County Resolution No. R-1543-97. HCD has the right to request action by the owner or a response as to the resolution or outcome of the issue. In responding to a complaint, HCD may require the family to come to the Housing Choice Voucher Office for an interview to address its concerns regarding participation in the Housing Choice Voucher program. Members of the public may file complaints against owners, tenants, and employees of HCD by submitting a letter describing the specific problems to:

Director, 701 NW 1st Court, 16th Floor
Miami, Florida 33136-3914

HCD investigates allegations of fraud or illegal activity committed by housing program applicants and tenants. Incidents of fraud or illegal activity may be reported by calling HCD fraud hotline number. All calls are confidential, and callers remain anonymous at all times.

Additional information on HCD's Fraud Program can be found on HCD's website. Except as described in Chapter 30, Fair Housing and Equal Opportunity and Grievance Procedures, all non- fair housing and ADA complaints shall be reviewed by an appropriate staff member and answered in no more than 30 calendar days. Persons filing complaints shall be informed on a regular basis as to the progress of their complaint and any decisions made by HCD. Persons wishing to report welfare fraud may do so by calling or writing:

Chapter 22. Transfer of Ownership

Section 14 of the existing HAP contract requires the owner to obtain the prior written consent of HCD before any assignment of the HAP contract. In the event prior written consent was not requested nor granted, the HAP contract may be terminated. See Chapter 23 for change of ownerships resulting from foreclosures.

The new owner must submit all necessary paperwork and documents to Housing Choice Voucher Program staff and be qualified as an owner as indicated in Chapter 24. At the time of notification, HCD, shall stop payment to the former owner. If there is an overlap between the transfer of ownership date and the date the payments are stopped, HCD shall not be responsible for funds already disbursed to the former owner and Housing Assistance Payment disbursements shall be settled between the new and the previous owners.

Change of ownership

Change of ownership requests that are missing required documents cannot be processed. Owners will be notified when required documents are missing. Change of ownership requests will be cancelled and the existing HAP contract terminated if missing documents are not submitted within 30 days. If the HAP contract is terminated, the family will be issued a voucher. A new Request for Tenancy Approval may be required if the family wants to remain in the unit with the new owner.

Change of payee

Change of payee requests that are missing required documents cannot be processed. Owners requesting a change of payee will be notified when required documents are missing. Change of payee requests will be cancelled if missing documents are not submitted within 30 days. If cancelled, HCD will make payments to the owner of the property.

Direct Deposit:

To request payment via direct deposit a complete direct deposit package must be submitted that meets all requirements in order to be set up for Direct deposit. Incomplete packages cannot be processed. After 60 days incomplete, Direct deposit requests will be cancelled and shredded with payments resuming to the owner with paper checks.

If a direct deposit payment is returned, payees will be notified and must submit a complete direct deposit package with new banking information within 30 days of notification. If the owner fails to submit a complete direct deposit request within 30 days, then HCD will resume issuing payments via paper checks.

Change of address:

Change of address requests by owners must be submitted to modify the address of record. Payments by check and all 1099 documents will be sent to the address of record. Change of address forms may be submitted online. Owners requesting a change of address will be notified when the change is processed. If an owner provides a different address on another form that is not an official change of address, the address of record will not be updated. Payments by check and 1099s will continue to be sent to the address of record until a change of address request is submitted.

Chapter 23. Owner's Foreclosure

Any notification of foreclosure of a unit received by the housing agency shall be placed in the tenant file. A change of dwelling shall be given to the family at the discretion of HCD. Preliminary notice of foreclosure action does not necessitate that the family move. HCD may contact the owner or the foreclosing party (mortgage holder) for information. Failure of HCD or its authorized contractor to make housing assistance payments when payment is owed and due shall not be the responsibility of the family. In such cases, the Agency shall expedite payment, including remittance of emergency check to assure continued tenancy for the Housing Choice Voucher family. HCD will comply with PIH Notice 2010-49. If a property is foreclosed during the term of the lease, the new owner cannot require the tenant to vacate the property prior to the effective date of transfer of ownership. However, the tenancy can be terminated as of the effective date of transfer if the owner:

- A. Will occupy the unit as a primary resident; and
- B. Has provided the tenant a 90-day notice to vacate.

Otherwise, the new owner shall assume the same lease and HAP contract that was effective between the prior owner, tenant, and HCD.

Chapter 24. Disapproval of Owners and County Employee Participation in Tenant-Based Programs

24.1 Disapproval of Owners: Conditions

HCD shall limit, deny or terminate participation of owners in any of the following circumstances:

- A. When the owner is debarred, suspended, or subject to a limited denial of participation by HUD;
- B. When directed by HUD as a result of an administrative or judicial action in violation of the Fair Housing Act;
- C. When an owner has a history of uncorrected HQS;
- D. When an owner has a history of fair housing violations or complaints;
- E. When an owner has been convicted of fraud, bribery or any corrupt or criminal act in connection with any federal housing program;
- F. When an owner has violated a HAP contract pursuant to the federal regulation at 24 CFR part 982;
- G. When an owner has engaged in any drug-related or violent criminal activity;
- H. When an owner has not paid local property real estate taxes, fines or assessments;
- I. When an owner has claimed homestead exemption on the assisted unit;
- J. When the owner is any member of the participant family, unless HCD determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities;
- K. When the owner or a member of the owner's family is a County employee and has not obtained a waiver from the Miami-Dade Ethics Commission;
- L. When the owner has not paid in full all utility bills related to the tenancy of a Housing Choice Voucher family that are owner responsibility;
- M. When an owner has a history of failing to terminate the tenancy of Housing Choice Voucher tenants for activity engaged by the tenant, any member of the household, guest or other person that threatens the health, safety or right to peaceful enjoyment of the premises by other tenants, for drug- related criminal activity; or violent criminal activity;
- N. When an owner has a history of being abusive towards HCD staff or program participants.
- O. When an owner has a history of taking so long to respond during the Request for Tenancy Approval process that they caused a family to lose the voucher.

Nothing in this Administrative Plan is intended to give or confer any rights upon any owner any right to participate in HCD's Housing Choice Voucher Program. There are no appeal rights for the Agency's decision to disapprove owner participation.

24.2 County Employees and Immediate Family – Participation in Tenant-Based Programs

- A. HCD complies with 24 CFR § 982.161 which states that any employee of HCD, contractor, subcontractor or agent shall not enter into a contract or other arrangement in connection with tenant-based programs.
- B. Any HCD employee or member of the employee's family wanting to participate in a tenant-based program must obtain a waiver from the Miami-Dade Ethics Commission.

Chapter 25. Project-based Voucher Program

25.1 Overview

A. Overall Approach

HCD may designate a maximum of 20% of its non-targeted housing choice voucher allocation for project-based vouchers in order to administer project-based Voucher assistance. HCD will project-base the vouchers for newly constructed, rehabilitated or existing housing units. HCD will enter into a Housing Assistance Payments (HAP) contract with qualified owners to provide project-based voucher assistance in compliance with HCD's HCD plan and consistent with the goals of deconcentrating poverty and expanding housing and economic opportunities.

B. Program Objectives

The project-based voucher program is intended to provide housing assistance to individuals and families, so that specific objectives can be accomplished in accordance with HUD's regulations as follows:

1. To encourage developers or property owners, including non-profit housing development corporations, to construct standard, or to upgrade substandard, rental stock throughout the Miami-Dade County;
2. To make existing, newly constructed or rehabilitated dwelling units available to very low- and low-income persons at rents within HCD's applicable payment standard.

Preference will be given to proposals that intend to attach project-based assistance to larger units, i.e., units with three (3) bedrooms or more.

C. Program Requirements

1. At its discretion, HCD will solicit proposals from developers, property owners and nonprofit housing corporations to participate in the project-based voucher program. Project based assistance may be attached to existing units, units to be rehabilitated and newly constructed units. In addition, a maximum of 25% of the units in anyone building may receive project-based voucher assistance. However, single-family properties and properties designated for elderly families, disabled families, or families receiving supportive services are exempt from the 25% limit.

D. Owner Proposal Selection Procedure

1. HCD must select PBV proposals by either of the following two methods.
 - a) HCD request for PBV Proposals. HCD may not limit proposals to a single site or impose restrictions that explicitly or practically preclude owner submission of proposals for PBV housing on different sites.

Selection based on previous competition. HCD may select, without competition, a proposal for housing assisted under a federal, State, or local government housing assistance, community development, or supportive services program that required competitive selection of proposals (e.g., HOME, and units for which competitively awarded low-income housing tax credits (LIHTCs) have

been provided), where the proposal has been selected in accordance with such program's competitive selection requirements within 3 years of the PBV proposal selection date, and the earlier competitively selected housing assistance proposal did not involve any consideration that the project would receive PBV assistance.

For the purposes of the project-based voucher program, existing units require a maximum expenditure of less than \$1,000 per assisted unit, including a prorated share of work on common areas or systems to comply with federal Housing Quality Standards (HQS) at the time HCD notifies the applicant of selection. Rehabilitated units, for the purpose of the project-based voucher program, are units that require a minimum expenditure of \$1,000 per assisted unit, including a prorated share of work on common areas or systems to comply with HQS.

All units in the building receiving project-based assistance shall be inspected for HQS, as stipulated in Chapter 10 of this Administrative Plan. HCD shall inspect each unit on an annual basis. Only units that comply with HQS shall be included in the HAP contract.

For units undergoing rehabilitation or new construction concerning site and neighborhood standards apply. The site shall be accessible to social, recreational, educational, commercial, health facilities, and other appropriate municipal facilities and services.

Properties to be assisted under the project-based voucher program will be subject to the Uniform Relocation Assistance and Real Property Acquisitions Policies Act (URA) and the requirements of 49 CFR, part 24, subpart B.

E. Location of Project-based Vouchers

HCD may administer the program on a county-wide basis. In compliance with the federal regulations and HCD's Equal Housing Opportunity Plan, suitable dwelling units must be made available under the project-based voucher program in structures that are in areas outside of low-income and minority concentrations, unless a waiver is requested from and granted by HUD.

HCD may request exceptions of the requirement that project-based assistance be located in census tracts with a poverty rate of less than 20%, based upon the review of the proposals submitted to HCD.

F. Administrative Approach

HCD shall perform traditional Housing Choice Voucher program administrative responsibilities associated with the implementation of the project-based voucher program. These functions include, but are not limited to, outreach, review and selection of proposals, inspections, tenant selection from the waiting list, determination of tenant eligibility, and annual recertifications, in accordance with this Administrative Plan, for applications that involve new construction or rehabilitation of units. HCD staff will also perform work write-ups, cost estimates, and feasibility analyses.

HCD reserves the right to solicit proposals from private concerns to perform selected administrative responsibilities in the implementation of the project-based voucher program or may contract with the property owner or developer of the project-based property for any administrative functions that are the responsibility of the housing agency.

25.2 Administration of Project-based Program

A. Solicitation of Owner Proposals

HCD will solicit owner participation by advertising in three newspapers of general circulation, such as *The Miami Herald*, *Diario Las Americas* and *The Miami Times*, stating proposals to attach rental assistance for specific properties will be accepted.

The advertisement may be published at least three times over a period of not less than 30 days and will include a statement that applications will not be accepted beyond the specified 30-day deadline. The advertisement will also specify the number of dwelling units HCD estimates that it will be able to assist under the funding that HCD is making available for this purpose and that only applications submitted in response to the advertisement will be considered. The advertisement will also state HCD's selection policies.

For proposals requiring new construction or rehabilitation of assisted units, HCD will establish competitive procedures for the submission of proposals, which will be submitted to HUD for approval.

An application packet will be prepared for distribution to interested parties and will also be made available at HCD administrative offices. The packet will contain a description of the project-based voucher program, an outline of the rules and regulations governing the project-based voucher program, the required contents of owner proposals, and the criteria that HCD will use in the selection of eligible proposals.

At HCD's discretion, additional information may be provided at pre-proposal conferences or workshops.

B. Requirements for the Submission of Proposals

The owner's submission of the application to HCD must contain:

1. Description of housing to be assisted, including the number of units by size (square footage); bedroom count; bathroom count; sketches of proposed new construction or rehabilitation, if applicable; unit plans; listing of amenities and services and estimated date of completion for units to be rehabilitated or constructed. For rehabilitation, the description must describe the property "as-is" and must also describe the proposed rehabilitation.
2. Evidence of site control, and for new construction, identification and description of the proposed site, site plan and neighborhood.
3. Evidence that the proposed new construction or rehabilitation is permitted by current zoning ordinances or regulations or evidence to indicate that the needed rezoning is likely and will not delay the project.
4. The proposed contract rent per unit, including an indication of which utilities, services and equipment are included in the rent and which are not included.
5. Information concerning the occupancy status of the units to be assisted under the project-based voucher program, including applicability of permanent and temporary relocation of site occupants.
6. A certification from the owner that there will be no displacement of residential tenants from units to be assisted under the project-based voucher program.

7. The identity of the owner, developer, builder, architect, management agent (and other participants) and the names of officers and principal members, shareholders, investors, and other parties have a financial interest; a disclosure of any possible conflict of interest by any of these parties; and information on the qualifications and experience of the principal participants, including previous participation in any HUD programs.
8. The owner's marketing plan.
9. The owner's plan for managing and maintaining the units.
10. Evidence of financing or lender interest and the proposed terms of financing.
11. The proposed term of the HAP Contract.

C. Initial Inspection

Prior to the ranking and rating of proposals, an initial inspection will be performed by HCD staff for properties included in proposals accepted for consideration of rating and ranking. HCD will not inspect properties included in the proposals that do not meet threshold requirements for further consideration.

1. The inspection will determine if the property is eligible as defined at 24 CFR § 983.101, meets federal HQS, and the occupancy status of the units to be assisted.
2. For proposals which will involve rehabilitation, the inspection will also determine if the property can be rehabilitated without causing displacement of residential tenants from units to be assisted, will identify the rehabilitation work meets the minimum \$1,000 per unit requirement, and if the specific work items will bring the units in compliance with HQS.
3. For proposals in which there will be new construction, the inspection will determine that construction work has not begun.
4. Should HCD discover because of the initial inspection that the proposal does not meet program requirements, the owner will be informed in writing of the reasons for the rejection.

D. Rating and Ranking of Proposals

The rating and ranking of proposals will be performed by HCD staff. With regard to the initial screening of proposals, the criteria that will be utilized to determine whether a proposal should be rejected without further review or accepted for further consideration of rating and ranking will include:

1. Receipt of the proposal by the date and time as specified in the advertisement
2. Receipt of the proposal in the proper format, including submission of all specified forms with all of the entries completed as required
3. Proposals that indicate gross rents will exceed 110% of HCD payment standards, or which clearly indicate that the proposed project is infeasible, will be rejected
4. Proposals involving ineligible properties or housing types identified in 24 CFR §983.53 will be rejected.

Proposals will be evaluated based on the factors determined by HCD to rate and rank proposals. Among the factors to be considered in the ranking and rating of proposals include suitability of the site to accommodate the number and type of units proposed for assistance, including environmental and health and safety concerns; design elements, with preference to proposals that offer larger units to be assisted; experience of the owner and other participants in providing

affordable housing; plan for the relocation of current tenants, if applicable; and financial feasibility of the project.

For proposals that involve new construction or rehabilitation of units, additional factors will be considered: the estimated cost per unit of construction or rehabilitation, and the experience of the owner and other participants in construction or rehabilitation of rental properties in accordance with HUD regulations.

E. Notification to Owners

Proposals that have been received in response to HCD's advertisement which comply with all of the prescribed selection criteria and procedures and are deemed feasible will be rated and ranked in accordance with HCD's written policies. The Owners who submitted the highest ranked feasible proposals will be sent a written Notice of Acceptance stating the tentative number of units to be assisted.

25.3 Agreement to Enter into Housing Assistance Payments Contract

A. Pre-Agreement Process

For proposals in which there will be rehabilitation or new construction, owners shall have 60 days in which to complete required actions before an Agreement to Enter into a Housing Assistance Payments (AHAP) Contract can be signed.

Prior to the AHAP execution for rehabilitation projects, the actions required are preparation of detailed work write-ups, cost estimated, specifications and plans, as appropriate, depending upon the nature of the identified rehabilitation. Davis-Bacon wage rates are applicable for those buildings containing nine (9) or more units. The work write-ups must address the specific work items identified to meet the \$1000 per assisted unit rehabilitation requirement as well as the work items that are needed to bring each unit to be assisted up to the HUD Housing Quality Standards.

Prior to the AHAP execution for new construction units, the HUD shall review owner proposals, which are submitted by HCD, for compliance with site and neighborhood requirements set forth in at 24 CFR § 983.154. Davis-Bacon wage rates are applicable for those buildings containing nine (9) or more units. In addition, the Owner must submit the design architect's certification that the proposed new construction reflected in the working drawings and specifications comply with HQS, local codes and ordinances, and zoning requirements.

B. Selection of Contractor

Owners are responsible for the selection of a competent contractor to undertake the new construction or rehabilitation work under the AHAP contract. The owner, contractor and his/her subcontractors are subject to Section 3 of the Housing and Urban Development Act, as amended in 1968, and the regulations at 24 CFR part 135, which requires that training, employment and contracting opportunities be provided, where feasible, to low-income Section 3 residents. HCD's Administration Division shall provide oversight and assistance regarding the owner's responsibility under Section 3.

C. Uniform Federal Accessibility Standards: Section 504 and Fair Housing Act

The owner and his/her contractors and subcontractors are subject to compliance with the Fair Housing Acts, Americans with Disabilities Act and Section 504 of the Rehabilitation Act and are required to comply with Uniform Federal Accessibility Standards requirements for persons with disabilities and the Fair Housing Amendments Act. HCD's construction unit will coordinate Section 504/ADA requirements through HCD's ADA Coordinator's office.

D. Execution of the Agreement

When all required pre-Agreement procedures have been satisfactorily completed, the AHAP contract shall be executed. The AHAP must be executed before the start of any new construction or rehabilitation to be performed under the AHAP. Under the AHAP, the owner agrees to construct the units in accordance with HCD approved working drawings and specifications or to rehabilitate the units in accordance with HCD approved work write-ups.

25.4 New Construction or Rehabilitation Phase

A. Timely Performance of Work

Immediately following the execution of the AHAP contract, the owner shall promptly proceed with the construction or rehabilitation work as provided in the agreement. In the event the work is not so commenced, diligently continued, or completed, HCD may terminate the Agreement or take other appropriate action.

B. Inspections

HCD shall conduct periodic inspections during the new construction or rehabilitation phase to ensure that work is proceeding on schedule and is being accomplished in accordance with the terms of the AHAP. Inspections shall be performed at such intervals so as to ensure that the work meets the levels of materials specified in the work write-ups or working drawings and specifications and meets typical levels of workmanship in the area.

C. Changes to Work

Owners must obtain prior approval from HCD for any changes from the work specified in the AHAP contract that would alter the design or quality of the required new construction or rehabilitation. If the owner makes any changes without the prior approval of HCD, HCD may request HUD to lower the initial contract rents in the amount determined by HUD, and may require the Owner to remedy any deficiencies, prior to, and as a condition for, acceptance of the units. HCD shall have the right to disapprove any changes requested by the owner.

D. Completion of New Construction or Rehabilitation

The owner must notify HCD in writing when the work is completed and submit evidence of completion. Among the documents the owner must submit is a Certificate of Occupancy, or other official approvals required by the locality, and a certification that the work has been completed in accordance with the requirements of the AHAP.

HCD will conduct a final inspection to verify the completion of all the work items required by the AHAP and a determination regarding compliance with Section 504/ADA/ Fair Housing Act, and other applicable laws, regulations and executive orders, HQS and the South Florida Building Code. If HCD determines from the review and inspection that the unit(s) has been completed in accordance with the AHAP contract, HCD shall accept the units(s).

If there are any items of delayed completion that are minor items or that are incomplete because of weather conditions, and in any case that do not preclude or affect occupancy, and all other requirements of the AHAP contract have been met, HCD shall accept the unit(s); however, HCD shall require the owner to deposit in escrow with HCD's funds in an amount HCD determines to be sufficient to ensure completion of the delayed items. In addition, the owner and HCD shall execute a written agreement, specifying the schedule for completion of these items. If the items are not completed within the agreed time period, HCD may terminate the AHAP contract or exercise other rights under the AHAP contract.

25.5 Housing Assistance Payments (HAP) Contract

A. Time of Execution

HCD and the owner shall execute the Housing Assistance Payments (HAP) contract if HCD determines from review and inspection that the unit(s) has been completed in accordance with the AHAP contract and the owner has submitted the required evidence of completion as set forth herein. The effective date of the contract may not be earlier than the date of HCD's inspection and acceptance of the unit(s).

B. Term of Contract

The HAP contract shall have a term no greater than ten (10) years, subject to available funding. At the discretion of HCD and for a term determined by HCD, extension to the contract may be granted beyond the original term, contingent upon continued funding to achieve long-term availability of affordable housing for eligible households or to expand housing opportunities.

C. Initial Contract Rents

The HAP contract shall establish contract rents that will not exceed 110% of the Fair Market Rent (FMR) and will be the lowest of the reasonable rent or the rent requested by the owner. The initial contract rent must be reasonable in relation to rents currently being charged for units in the private unassisted market, considering the location, size, structure type, quality, amenities, facilities, and management and maintenance service of the unit.

If the property has been allocated low-income tax credits, but it is not located in a "qualified census tract," the rent to owner must not exceed the lowest of the tax credit rent minus any utility allowance, the reasonable rent or the rent requested by the owner.

D. Contract Rent Adjustments

The HAP contract allows for adjustments in contract rent during the contract term and such adjusted rents shall be reasonable.

E. Vacancy Payments

Vacancy Payments will be made only if HCD has elected to include the vacancy payments in the HAP contract. If a unit becomes vacant as a result of a tenant moving out, HCD shall continue to provide assistance for the unit for up to a maximum of 60 days. Such payment will be made only if the vacancy is not a result of the owner's failure to take reasonable action to minimize such vacancies.

F. Reduction of Contract Units after Vacancy

If no eligible family rents a vacant unit with 120 days of the vacancy, HCD may terminate its commitment to make additional assistance payments for the unit for the balance of the HAP contract.

25.6 Management Phase

A. Family Selection and Participation

The selection of tenants for the project-based voucher program will be consistent with the procedures detailed in Chapter 2 of this Administrative Plan. An applicant who rejects an offer of a project-based unit or who is rejected by the owner of the housing unit will remain in the same position on the tenant-based assistance list, as if the offer had not been made. If a dwelling unit to which assistance is to be attached under the project-based voucher program is occupied, HCD must determine whether the unit's occupants are eligible for assistance. If a unit is occupied by an eligible family and the unit is selected by HCD, the family must be placed in an appropriately size project-based assisted unit in the project without requiring the family to be placed on HCD's waiting list.

In the event that there are an insufficient number of eligible persons on the waiting list, HCD shall place applicants referred by the owner on the waiting list. Eligibility for selection in the Project-based voucher program shall be consistent with HCD's tenant-based and project-based assistance programs.

Should a family elect to move from a unit assisted under the project-based voucher program after the initial year, HCD must provide the family with a Housing Choice Voucher. If no vouchers are available to the family, HCD must give the family priority to receive the next available tenant- based voucher.

B. Briefing of Families

When a family is selected to occupy a unit under the program, HCD shall provide the family with written information concerning the tenant rent and any applicable utility allowance. The information conveyed at the briefing will include, but not be limited to:

1. Family and owner responsibilities,
2. That the subsidy is tied to the unit and the family must occupy an approved unit under the program,
3. The likelihood of the family receiving a Housing Choice Voucher after the HAP contract expires,
4. The family's options under the project-based voucher, program, if the family is required to move because of a change in family size or composition, and
5. Hearing procedures, including a description of the circumstances in which HCD is required to provide the opportunity for an informal hearing and of the procedures for requesting a hearing.

C. Lease Requirements and Termination of Tenancy

The lease between the family and the owner shall be for one (1) year, or the remaining term of the HAP contract, if the contract will expire within one (1) year. The lease may contain a provision permitting the family to terminate the lease on not more than 60 days advance written notice to the owner. In the case of a lease term for more than one (1) year, the lease must contain a provision permitting the family to terminate the lease on not more than 60 days advance written notice to the owner after the first year of the term.

D. Informal Hearing and Review

The regulations at 24 CFR §§ 982.554 and 982.555 regarding informal reviews for applicants and informal hearings for participants, apply to this program. See Chapter 29 for HCD's Informal Hearing and Review Procedures.

E. Overcrowded and Under Occupied and Accessible Units

If HCD determines that a family is occupying an overcrowded or under-crowded unit, or a unit with accessibility features that the family does not require, and the unit is needed by a family that requires the accessibility features, HCD must notify the family and the owner of this determination and of HCD's offer of continued assistance. The continued assistance offer may be:

1. Project-based voucher assistance in an appropriate size-unit (in the same building or another building);
2. Other project-based housing assistance;
3. Tenant-based rental assistance under the voucher program;
4. Other comparable public or private tenant-based assistance (e.g. under the HOME program.)

The determination of the offer of continued assistance will be at the discretion of HCD. However, if HCD offers the family the opportunity to receive tenant-based rental assistance under the voucher program, HCD must terminate assistance payments for the project-based unit at the expiration of the term of the voucher.

If HCD offers the family the opportunity for another form of continued housing assistance, except for tenant-based voucher assistance, and the family does not accept the offer, does not move out of the Project-based Voucher unit within a reasonable time, or both, HCD must terminate the housing assistance payments for the project-based unit.

25.7 PBV Preferences

HCD may announce preferences for PBV site-based waiting lists on a development-by-development basis via the self-service portal and/or the developer's advertisement, or via other appropriate method. These preferences may include preferences from the tenant-based voucher program (Chapter 2) and/or the following:

- An admission preference for applicants with a demonstrated need for specialized services offered by the particular project will be available for PBV site-based waiting lists. Any individual who is qualified for the services must be able to receive the preference, including qualified individuals with disabilities.

Examples include, but are not limited to, preferences that may be only for persons who qualify for employment assistance, or for transportation services, or a preference that may be for persons who qualify for either housekeeping assistance, case management, outpatient health services, personal assistance, education services, services designed to help the recipient live in the community as independently as possible, disability-specific services such as mental health services, and the provision of medication, which are provided to support a person with a disability.

The following preferences also offered by the particular project will be available for PBV site-based waiting list:

- A preference for public housing residents affected by redevelopment and/or any government action.
- A preference for elderly households 62 years old and older.
- A preference when required by regulation (e.g., eligible in-place families, family's right to return, elderly families or units with supportive services, or mobility impaired persons for accessible units).
- A preference to assist vulnerable populations; HCD may establish further admission preferences to assist vulnerable populations, subject to resource availability and at its discretion. Examples of such population include families under the witness protection program, ex-offenders and felons that are part of a reentry program, and pregnant women or women with children where one or more members of the household have been diagnosed with the acquired immunodeficiency syndrome (AIDS).

Applicants with the same preference will be selected according to their position on the waiting list. These preferences are not weighted and are not listed in any specific priority order. A family may have one or more preferences but having multiple preferences does not create a higher priority preference for the family.

HCD may also adopt a limited preference for Special Needs Households, as defined at Section 67-48.002(108) of the Florida Administrative Code (FAC), which may be amended, that may be referred by a Special Needs Household Referral Agency, as defined at in Section 67-48.002(109) of the FAC.

25.8 PBV Site-Based Waiting Lists

HCD may create and utilize separate site-based waiting lists for admission to projects selected to receive PBV assistance. Once a project is selected for PBV assistance, applicants listed on HCD's community-wide waiting list for tenant-based assistance will be offered the opportunity to apply for placement on HCD's site-based PBV waiting list. Placement on a site-based PBV waiting list has no effect on the applicant's standing on the tenant-based waiting list.

HCD will also accept referrals from the owner to populate site-based waiting lists and fill units with applicants meeting agreed upon preferences at initial rental. Applicants on HCD's community wide tenant-based waiting list will be placed on the PBV site-based waiting list according to the date and time of their Section 8 application to the tenant-based waiting list. Referrals from the owner will be placed on the site-based waiting list according to the date and time HCD receives the Section 8 application from the owner.

A. Placement and Organization of Site-Based Waiting list

HCD may choose to place families using a random selection process, based on date and time of the application, or a combination of these methods. HCD will place applications on site-based waiting list consistent with the public notice that opened the waiting list.

25.9 PBV Payment Standards

HCD will not apply Small Area Fair Market Rents to its PBV program.

25.10 Offer of PBV Assistance

A. Refusal of Offer

HCD shall not take any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:

1. Refuse to list the applicant on the waiting list for tenant-based voucher assistance;
2. Deny any admission preference for which the applicant qualifies;
3. Change the applicant's place on the tenant-based voucher waiting list based on preference, date, and time of application, or other factors affecting selection under the HCD's selection policy;
4. Remove the applicant from the tenant-based voucher waiting list.

If an applicant on a PBV site-based waiting list refuses without good cause, HCD will remove the applicant from that PBV site-based waiting list; however, the applicant will retain their position on all other waiting lists. The applicant may reapply if the applicable PBV waiting list is open; however, the applicant will receive a new date and time of application.

B. Good Cause Refusal of PBV Units

Applicants may refuse to accept a unit offer for good cause. If a good cause for refusal is verified by HCD, applicants may retain their position on the PBV site-based waiting list.

1. Situations in which an applicant is willing to move but is unable to do so at the time of the unit offer (e.g., the applicant is in the hospital or is serving on a sequestered jury);

Examples of good cause for refusal of a unit offer include, but are not limited to, the following:

1. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (as listed on the final application) or live-in aide necessary to the care of the principal household member.
2. The unit is inappropriate for the applicant's disabilities and the property has units that meet the applicant's needs, whether occupied or vacant.
3. The family does not need the accessible features in the unit offered and does not want to be subject to a transfer and the property has units without accessible features, whether occupied or vacant.

HCD will require documentation of good cause for unit refusals and will verify all claims of good cause. Good cause refusal policies may also be applied to unit offers related to applicable transfers.

25.11 Disapproval by Landlord

If a PBV owner rejects a family for admission to the owner's units, such rejection shall not affect the family's position on the tenant-based voucher waiting list; however, the family shall be removed from the site-based waiting list for which the family was rejected by the owner. Owners must retain documentation used to screen and determine suitability and must promptly notify, in writing, any rejected applicant of the grounds for any rejection. If requested by HCD owners must supply HCD with information regarding the rejection of the applicant, in order for HCD to determine compliance with the owner's Tenant Selection Plan (TSP) and fair housing requirements.

Chapter 26. Homeownership under Housing Choice Voucher

26.1 Overview

HCD shall administer and offer a homeownership program as allowed under 24 CFR §§ 982.625 through 982.641 to permit eligible Housing Choice Voucher recipients to purchase a home using the voucher subsidy. With the competitive rental market and increasing need for affordable housing in Miami-Dade County, the establishment of a Housing Choice Voucher Homeownership program will create a larger selection of housing choice which eligible Housing Choice Voucher families can use.

HCD shall oversee the Housing Choice Voucher Homeownership program, hereafter referred to as the Homeownership program. HCD shall determine eligibility of families and enforce the federal regulations regarding homeownership and its Administrative Plan rules.

The goal of the program is to provide homeownership opportunities, along with counseling, self-sufficiency, training and support, thereby facilitating economic opportunity within communities while providing parameters to ensure the success of the homebuyer. This program is designed to minimize default of the homeowner, which would have a negative impact on the family and the neighborhood where the unit is located and would enhance economic opportunity for families eligible for such a program.

HCD implements a wide range of housing programs designed to enhance housing opportunities for low and moderate-income families, including homeownership for first time homebuyers. HCD's experience in homebuyer opportunity programs dates back to 1984. A maximum of 10% of the voucher allocation inventory may be targeted for homeownership. The percentage may be amended based on the success of the program and need of Housing Choice Voucher families. Upon authorization by HUD, HCD may opt to administer other types of homeownership programs using the housing subsidy, including but not limited to an alternative down payment assistance program.

26.2 Eligibility of Family

Family eligibility shall be:

- A. A family assisted under the homeownership option may be a newly admitted or existing participant in the program;
- B. The family must be currently in good standing with the housing agency, including no outstanding debt to HCD for previous housing quality standard damages or unpaid rent;
- C. The family must be in compliance with the current lease;
- D. The family shall not have tenant responsible housing quality standards violations existing in the unit which have not been corrected within the time provided by the Inspections Department;
- E. The family shall not have a history of late rent payments;
- F. The family must be a first time homebuyer and not have any member of the immediate family owning a home for a minimum of three (3) years prior to receiving the homeownership assistance. A displaced homemaker or single parent who owned a home with a former spouse is exempt from this requirement;
- G. The family must not have any financial interest in any other home while receiving Housing Choice Voucher assistance;

- H. The family must not have any outstanding debts which would deem them unqualified for home financing;
- I. Any family member must not have been previously assisted under HCD's Homeownership program while an adult and defaulted on a mortgage obtained through a HCD Homeownership program;
- J. The family must be income eligible and have at least one adult family member who is employed full time year round for a minimum of one year. Families with an adult family member who is disabled or elderly shall be exempt from the employment requirement; and
- K. The family must not be within the initial one-year (1-year) term of the HAP contract in order to be considered eligible.

Families currently enrolled in the Family Self-Sufficiency Program shall be encouraged to participate in the Homeownership program.

26.3 Income Requirements

Homeownership opportunities will be offered to Housing Choice Voucher households having acceptable credit to the private lenders participating in the Homeownership Program. Those families without acceptable credit shall be allowed ample time to clear credit while completing other requirements as defined herein, in order to participate.

Exceptions may be made on a case-by-case basis by HCD regarding time limits or other policies to help facilitate usage of the Voucher for homeownership as a realistic goal. Eligible families must demonstrate that the monthly income for the head of household or spouse/partner is sufficient to meet homeownership guidelines and other family expenses for initial qualification for the program. At least one (1) adult member of the household must be currently employed on a full-time basis, or not less than 30 hours per week, and must have been continuously employed full-time for the year before receiving homeownership assistance, with the exception of elderly or disabled families.

Except for disabled families, a family must have a minimum annual income of not less than the federal minimum hourly wage multiplied by 2,000 hours. The current amount may change when the minimum wage changes as defined by 24 CFR § 982.627 (c)(1)(i).

Except in the case of an elderly or disabled family, HCD shall not count any welfare assistance received by the family in determining the annual income (24 CFR § 982.627 (c)). For an elderly or disabled family, welfare assistance for the adult family members who will own the home will be included for determining if the family meets the minimum income requirement. For disabled families, the minimum annual income is the monthly Federal Supplemental Security Income (SSI) benefit for an individual living alone (or paying their share of food and housing costs) multiplied by 12. Full time employment records must be submitted and reviewed as part of the qualification process. Families interested in the program will have their income eligibility determined by Housing Choice Voucher staff once determined initially eligible, the family shall be referred to HCD's Homeownership program administrator for an initial briefing regarding the program.

26.4 Income and Credit Verification

The Homeownership program shall use the Housing Choice Voucher definition for income, which is based on annual income. Annual income is the gross amount of income anticipated to be received by all adults in a family (excluding full-time students and authorized live-in aides)

during the 12 months following the effective date of the determination. HCD's non-federal funding may be utilized for second mortgage financing which allows for income averaging for the prior two (2) years for candidates that are self-employed, earn commission, tips or overtime.

When the homeownership case is sent to HCD's HCD, designated Homeownership staff will conduct an Enterprise Income Verification (EIV) as described under Section 7.5. Applicants' income will be verified using the following one or more documents:

- A. Last two (2) pay stubs from employer and past two (2) years tax returns;
- B. If self-employed, past two years tax returns will be required and a profit and loss statement as of the date of application;
- C. Verification of employment;
- D. Any other source of income that can be readily verified, i.e., Social Security, SSI (SSI income may be subject to federal restrictions, which may limit their use), pension retirement, and child support (Note: uncollected child support will not be counted so long as the family provides documents demonstrating that the debt is uncollectible or has not been paid or received for more than three (3) months); and
- E. Any other form of verification as required by funding.

In addition to federal income tax returns, the number of household occupants shall be verified using any one or more of the following items:

- A. Birth certificates on which the parent/applicant's name is listed
- B. School records which give the parent's name and address
- C. Court-ordered letters of guardianship/adoption
- D. Copy of recorded divorce decree and property settlement

A credit report will be generated and at the option of HCD, staff will complete a home visit.

26.5 Homebuyer Education and Counseling

As a requirement of the program, the family must attend and complete homeownership education and counseling. Once HCD determines eligibility, the Housing Choice Voucher participant is required to participate in the counseling regarding purchasing and financing a home. HCD contracts with several homebuyer counseling agencies to provide homeownership training to all low income population groups in Miami-Dade County in English, Spanish, and Creole. The normal homebuyer training curriculum requires a minimum of an eight (8) hours course and an original certificate of completion or certified copy must be part of the loan application.

The counseling shall include such issues as types of financing, how to find appropriate financing, fair housing practices, credit counseling, budget and money management, how to locate a home, selecting a neighborhood including consideration of schools, employment and transportation, how to negotiate a purchase price, and home maintenance. Through counseling, the family will also be encouraged to consider the advantage of purchasing a home in deconcentrated areas.

Post purchase counseling shall be ongoing and will be afforded to assure the success of the family once they assume homeownership.

26.6 Eligible Housing

Eligible voucher families, as defined in Section 26.2, participating in the Homeownership program may purchase a home using federal housing assistance. Section 8 assistance may be used to purchase an existing home or a new home under construction, defined as a home where the foundation has been completed with footings in place. The following housing is eligible:

- A. A newly constructed single-family or town home (never lived in),
- B. An existing single-family home or town home,
- C. A single-family home or town home under construction,
- D. A condominium,
- E. A cooperative,
- F. Twin home (one-side only),
- G. Manufactured home meeting the Florida Building Code minimum requirements for construction must have a permanent foundation and a 40-year lease.

Eligible properties to be acquired may be owner-occupied or vacant. Under no conditions will the property be sold to an applicant if the acquisition triggers the relocation requirement. The maximum purchase price of eligible properties shall be reviewed annually. Various funding sources may have requirements regarding maximum purchase price.

26.7 Loan Qualification and Application Process

Homeownership loans to applicants allow for the following ratios:

- A. Funding Source First mortgage lender
- B. Monthly housing expense-to-income 33%
- C. Monthly total obligations-to-income 45%

Exceptions to the total obligations-to-income ratio may only be made by HCD on a case-by-case basis, when compensating factors exist. Participating lenders should bring the ratios as close to the maximum as possible.

Housing Choice Voucher families interested in purchasing a house may do so by purchasing a newly constructed house from a developer in the County's affordable loan program, or purchase an existing house, as defined in Section 26.6 in the open market utilizing a participating lender.

HCD provides each Housing Choice Voucher family with a pre-qualification letter and HCD provides the family with an affordability study indicating the maximum dollar value of the home to be purchased using the voucher. Once a home is selected, all homebuyers must be approved by a qualified lender. Once the lender takes an application and provides a loan commitment, the lender will forward a copy of the loan file to HCD on behalf of the Housing Choice Voucher family to reserve the required secondary mortgage financing, if needed.

Upon completion and processing of the loan by the lender and HCD, the loan is scheduled for closing by the lender. HCD may provide first mortgage financing in limited instances upon the recommendation of the HCD staff.

26.8 Housing Search

After pre-qualification, the family will be advised they have a period of 120 days to locate a home for purchase. Upon initial selection of a unit, the family will be allowed an additional 120 days to secure financing and close on the chosen property. During this time, the family shall be allowed to continue to use their Housing Choice Voucher for rental assistance. At the option of HCD, due to reasonable documented circumstances, time limitations may be extended or revised on a case-by-case basis.

Should the family be unable or unwilling to complete the purchase of a home through the Homeownership program, the family may continue to use their voucher for rental assistance, so long as they continue to be eligible and comply with HCD policies, as contained in this Administrative Plan, and federal housing regulations.

26.9 Down Payment Requirement

The required down payment is 3% of the purchase price. One percent (1%) must come from the applicant's own funding. The family may be eligible and seek additional funding for down payment and closing costs as assistance to low-income families.

26.10 Program Requirements

Once a family purchases the unit, the family must use the property as their primary residence which will be reflected in the mortgage documents. The family must comply with all mortgage requirements. At the option of the housing agency, the homebuyer may be requested to attend and complete additional homeownership counseling and training.

Ownership must be in fee simple title, a 99-year leasehold interest, or ownership or membership in a cooperative. In cases of a 99-year leasehold interest, the remaining lease term must equal the term of the loan.

Annual recertification by the family is required for as long as homeownership assistance is being provided. Limitation of homeownership assistance will be a maximum of 15 years for a home purchased with 20 or more years financing from the date of the first homeownership housing assistance payment and a maximum of ten (10) years in all other cases. If the family qualifies as elderly or disabled upon commencement of the homeownership assistance, there is no time limit by which the family may receive such assistance.

HCD may provide second mortgage financing to Homeownership Program participants. HCD requires that applicants obtain 30-year first mortgage financing from a first mortgage lender in order to obtain the secondary financing. For families who sell the original house and seek to purchase another house under the Homeownership program with continued homeownership assistance, the maximum term commences upon the date of purchase of the first house.

HCD shall encourage participants to establish and maintain a savings, credit union, or other type of investment account at the time of the loan closing. The purpose of this account will be to generate a reserve fund for necessary maintenance, replacement or repair needs. Funds would then be withdrawn as needed for the home. HCD reserves the right to establish such accounts on behalf of the homebuyer.

26.11 Housing Assistance Payments

The family's monthly Housing Assistance Payment will be the lesser of the Housing Choice Voucher payment standard minus the Total Tenant Payment (TTP) or the monthly homeowner expenses minus the TTP. HCD will annually re-examine the family's income and family composition and make appropriate adjustments to the amount of the monthly Housing Assistance Payment.

Homeownership expenses include, but may not be limited to principal, interest, applicable taxes and insurance on mortgage debt, refinancing charges of mortgage debt, and HCD determined utility and maintenance allowances. Other housing expenses that may be incurred by the family include but are not limited to condominium maintenance fees.

Families who have lost their employment will be considered for adjustments, as will families with changes in their family composition. If a family's income increases to a point that they are not eligible to receive a Housing Assistance Payment, eligibility for such payments will continue for 180 calendar days. At the end of a continuous period of 180 days, eligibility for Housing Choice Voucher assistance will automatically terminate.

To assure the timely mortgage payment, HCD's loan servicing unit will issue the monthly mortgage payment to the first lender. The family shall be responsible for remitting the TTP of the payment to the loan servicing unit by the first of each month along with the payment due on the second mortgage loan, if applicable. If the Housing Assistance Payment is greater than the mortgage payment and taxes and insurance escrow payments, the difference will be paid to the family.

26.12 Financing and Payments

First mortgage financing must meet current lending standards, including Federal National Mortgage Corporation "Fannie Mae" and Federal Home Loan Mortgage Corporation "Freddie Mac." First mortgages shall be offered by a participating lender at prevailing market rates.

HCD shall reserve the right to determine whether the Housing Choice Voucher family can afford the proposed financing. In order to protect the family and to meet the parameters of the financial arrangement by the family, the Homeownership program will prohibit any financing which includes balloon payments, variable interest rates, or private seller financing.

For those homebuyers who are FSS participants, HCD shall encourage these families to utilize their escrow balance to assist with the down payment and closing costs of the home purchase as well as the capitalization of the escrow reserve. Escrow withdrawals will be permitted for the purchase of required home appliances and for necessary home improvements and repairs only if the family has fulfilled established interim goals and requires a portion of the FSS escrow for purposes consistent with the contract of participation. Such releases from the FSS escrow reserves will be at the discretion of the Agency.

The amount of the monthly homeownership assistance payment shall include all principal, interest, taxes and insurance and, if applicable, homeownership association fees and maintenance allowance, the allowance for cost of major repairs and replacements and the applicable utility allowance. This payment will be the lower of the payment standard, less the total tenant payment or the family's monthly homeownership expenses, minus the total tenant payment. The total tenant payment will not exceed 30% of the family's gross monthly income,

taking into consideration allowances and deductions permitted by regulation.

Second mortgage loan payments may be interest deferred, principal only. Deferred loans may be given to Housing Choice Voucher families on an as-needed basis.

26.13 Inspections Requirements

In accordance with the federal housing regulations and HCD loan policies, inspections of the property will be conducted prior to the approval for purchase of the home. An inspection by the Housing Choice Voucher Inspections Department will be conducted for compliance with federal housing quality standards.

A second inspection must be an independent professional home inspection conducted by an independent inspector. The cost of this inspection must be borne by the Housing Choice Voucher family. If the homebuyer is a participant in the FSS program, this inspection may be paid from funds in their FSS escrow account. The inspector shall be certified by the American Society of Home Inspections. Such inspection shall require the inspector to develop a written list of items that are likely to need replacement or repair within the next one to three years. Such an inspection shall include, but not be limited to, cover the major building systems and components, including the foundation and structure, the house's exterior and interior, roofing, plumbing, electrical and air conditioning/heating systems. These inspections shall be performed before closing of all units with the Homeownership program. HCD retains the right to disqualify the unit for inclusion in the Homeownership program, based on the inspections.

In addition, on newly constructed properties funded through Miami-Dade County, the County will provide random inspections during the construction of the home and detailed final inspections prior to the placement of the first or second mortgage. Environmental clearances will be required when using federal funds.

26.14 Insurance Requirements

Title insurance will be required. In the case of the Housing Choice Voucher family, the costs for title insurance shall be included in the closing costs. The family shall obtain and maintain hazard, flood and windstorm (if required) insurance, at minimum, in the amount of all financing (first, and if necessary second and subsequent mortgages). The family should be responsible for obtaining such insurance. The cost for the insurance may be included in the loan amount. If HCD has financed any portion of the loan, HCD must be listed as a loss payee. The lender has the responsibility to determine and document whether the unit is in a flood hazard zone. It is the responsibility of the family to insure units in flood zones for flood damage.

26.15 Sales Contract

Housing Choice Voucher families purchasing a home through the Homeownership program must complete a contract of sale with the owner of the property to be purchased. The unit must be substantially built before the contract is executed. The contract must include the price of the unit, terms of sale, the purchaser's inspection requirements, and notice that the sale is condition on the purchaser's acceptance of the inspection reports and include an agreement that the purchaser is not obligated to pay for necessary repairs.

The contract must also provide a certification from the seller stating the seller has not been debarred, suspended or subject to a limited denial of participation by HUD.

26.16 Family Obligations

Before closing, the family must execute a statement of homeowner obligation in a form prescribed by the housing agency. To receive homeownership assistance, a family must comply with the following obligations:

- A. The family must comply with the terms of the mortgage securing debt incurred to purchase the home;
- B. For as long as the family is receiving homeownership assistance, the family may not sell, convey, encumber or transfer any interest in the home to any entity or person other than a member of the assisted family residing in the home, without HCD's knowledge and approval;
- C. The family must supply required information regarding income and family composition in order to correctly calculate total tenant payment and homeownership assistance;
- D. The family must provide information on any mortgage or other debt incurred to purchase the home and any refinancing of such debt and any sale or other transfer of any interest in the home;
- E. The family must notify HCD if the family defaults on a mortgage securing any debt incurred to purchase the home;
- F. The family must notify HCD before the family moves out of the home;
- G. The family must, at annual recertification, document that they are current on all housing related payment include mortgage, insurance and utility payments; and
- H. The family cannot refinance without the authorization of HCD.

26.17 Portability

Families that are determined eligible for homeownership assistance may exercise the homeownership option outside of HCD's jurisdiction if the receiving housing agency is administering a Homeownership program and is accepting new families into the receiving housing agency's homeownership program.

26.18 Default and Termination of Assistance

If the family fails to comply with its family obligations as set forth in federal regulations or in this Administrative Plan, the family may be terminated from homeownership assistance. Federal regulations further require the housing agency to terminate homeownership assistance for any family that is dispossessed from the home pursuant to judgment or foreclosure. If the family defaults on the mortgage, the family will have their housing voucher withdrawn and no new voucher will be issued for either homeownership or rental assistance. Exceptions to this policy shall be reviewed on a case-by-case basis, particularly as it relates to income loss of the family. Termination from the homeownership program will be in compliance with Chapter 27.

26.19 Continuation of Assistance

A homeownership family may purchase another home with assistance provided there is no mortgage loan default, and the family is in compliance with the statement of homeowner obligations.

26.20 Down Payment Assistance and Other Program Issues

HCD shall consider and implement other homeownership program rules as promulgated by HUD, including but not limited to use of housing assistance payment funding for down payment assistance.

Chapter 27. Termination of Assistance

27.1 Grounds for Termination of Assistance

- A. Housing Choice Voucher housing is a scarce resource and HCD holds the position that Housing Choice Voucher families must be held accountable for their actions as it relates to their tenancy under the Housing Choice Voucher program.

HCD shall terminate assistance for a participant family, including Moderate Rehabilitation tenants (where applicable), on any of the following grounds:

1. If the family violates any family obligation stipulated in federal housing regulation under the program or the Statement of Understanding;
2. If the family fails to sign and submit consent forms or other documentation required to determine continued eligibility in the program;
3. Failure by the participant to report to any recertification interview or provide verification of any information required by HCD. Participants who fail to comply are provided an Intent to Terminate letter and an opportunity to cure. See Section 15.1.
4. Discovery of material false statements in connection with information provided at application or recertification, or fraud committed by the participant in connection with any federally assisted housing program.
5. If there is any drug-related criminal activity, violent criminal activity, or non-violent criminal activity, felonious criminal activity, whether on or off the premises, committed by the participant, any member of his/her household, a guest or a person under the control of the participant, that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents. Any such criminal activity shall be cause for termination (See Section 2.4(E) – Denial of Assistance for additional details):
 - a) Felonious violent criminal activities, including but not limited to murder, arson, aggravated felony battery and sex-related crimes not subject to lifetime registration under a state sex offender registration program.
 - b) Drug-related criminal activity includes, but is not limited to illegal possession, illegal manufacture, sale, distribution, use and/or possession with intent to manufacture, sell, distribute or use a controlled substance.
 - c) Violent criminal activity includes, but is not limited to: any criminal activity that has as one (1) of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage.
 - d) Non-violent criminal activity includes, but is not limited to any activity that threatens the health, safety, or right to peaceful enjoyment by other residents, employees of HCD or any other Miami-Dade County personnel or official.
The conduct underlying arrests, only if the conduct indicates the individual is not suitable for tenancy or threatens the health, safety, or right to peaceful enjoyment by other residents, employees of HCD or any other Miami-Dade County personnel or official.
 - e) An arrest where the criminal charges are dropped, dismissed no action, nolle prossed or other resolution that does not involve an admission of guilt, or where the participant is found not guilty or acquitted, may not result in denied assistance except for the cases specified in Paragraph 7 below that may

- threaten health, safety, or right to peaceful enjoyment by other residents, employees of HCD or any other Miami-Dade County personnel or official.
 - f) A fugitive felon or parole violator after conviction of a crime or attempt to commit a crime is considered a person that threatens the health, safety and right to peaceful enjoyment of the premises by other participants or employees of HCD.
 - g) As concerns juvenile household members under the age of 18, HCD will consider criminal related activity only if they are being tried as adults for certain criminal offenses or if the acts occur on HCD property.
6. If any activity does not threaten the health, safety or right to peaceful enjoyment of the participants, after a warning has been issued, any subsequent warning regarding the same individual shall be considered a violation of the Statement of Understanding.
 7. If the family currently owes rent or other amounts to HCD or to another housing authority in connection with Housing Choice Voucher or public housing assistance under the 1937 Act;
 8. If the family has not reimbursed any housing authority for amounts paid to an owner under a HAP contract for rent, damages to the unit or other amounts owed by the family under the lease;
 9. If the family breaches an agreement with HCD to pay amounts owed to HCD or amounts paid to an owner by HCD;
 10. If the family has engaged in or threatened abusive or violent behavior toward HCD personnel;
 11. If the family has made threatening behaviors to others or has failed to maintain the property or caused severe damage to the unit;
 12. The denial of service, disconnection or shutting off of utilities that the participant is responsible for paying will result in termination; HCD will not terminate assistance if the participant restores utility service legally within 30 days of the issuance of the Intent to Terminate notice.
 13. Discovery that a participant is tampering with utilities to illegally obtain service;
 14. If the participant, any member of his/her household, a guest or a person under the participant's control threatens, obstructs or interferes with a HCD employee conducting official business.
 15. If the family repeatedly breaks obligations under the lease or for serious violations of the lease, including, but not limited to:
 - a) failure of HQS inspection due to tenant caused violations, serious or repeated damage to dwelling unit,
 - b) repeated activities which interfere with the peaceful enjoyment of the premises by other residents documented by police reports, neighborhood complaints or other third-party information.
 - c) If the owner terminates tenancy through court action for serious or repeated violation(s) of the lease, including but not limited nonpayment and damage to the unit
 - d) Non-payment of rent does not include any portion of HAP payment being withheld by HCD for owner's failure to comply with the HAP contract;
 16. If HCD determines that a household member's abuse or pattern of abuse of alcohol may threaten the health, safety, or right to peaceful enjoyment of the premises by other tenants.
 17. Full-time or part-time students who do not meet student eligibility requirements.

18. Tenants who execute a Lease for an assisted unit but are not in the unit at the time a Voucher expires, will be considered as having moved out without authorization.
19. Any other grounds for termination permitted by HUD.
20. However, HCD shall not terminate assistance for a participant family on the basis or as a direct result of the fact that the person is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking.

B. Mitigating Circumstances

Mitigating circumstances are facts relating to negative rental history or behavior, that, when verified, indicate that the reason for the unsuitable rental history or behavior is no longer in effect or is under control, justifying admission or continued occupancy. Mitigating circumstances would overcome or outweigh information gathered in the screening process. See Chapter 2, Section 2.4(E) – Claiming Mitigating Circumstances for Applicants and Residents, for additional details.

27.2 Notice

If HCD recommends termination of a family's participation in the program, the family will be notified in writing stating the grounds for proposed termination of assistance and the effective date of termination. The notice will also state whether the participant has a right to a hearing in accordance with the regulations, the procedure for requesting a hearing, and that the participant may be represented at the hearing at their own expense. The owner will receive notice of the recommendation of termination of a family's participation. The same provision stipulated above shall apply to the Family Unification Program. However, HCD shall notify the Department of Children and Families if a family is at-risk of termination in order to allow timely intervention.

Chapter 28. Policies Concerning Repayment of Amounts Owed to HCD

Except as otherwise required under Section 7.5, EIV and ITV , Third Party Verification, and Factors Affecting Eligibility and Family Rent, HCD has the discretion to enter into repayment agreements with program participants for amounts owed to HCD, if it is in the best interest of the County, the debt has not been expunged by operation of law, and the participant has not intentionally committed any act that led to the amount owed. Currently, the debt will be considered expunged by operation of law if the time period has exceeded five (5) years and HCD has not attempted to collect the debt within the five-year period.

28.1 Standards for Repayment

If a repayment agreement is offered to a participant in lieu of full payment, it will be in writing and may be within the following guidelines:

- A. Down payment of at least 20% to be paid at time of signing the repayment agreement by money order or cashier's check.
- B. The balance is to be paid a maximum of 12 consecutive monthly payments starting 30 days from the date of down payment.

28.2 Exceptions

Any terms allowing more time for repayment or for a lower down payment must be approved by Housing Choice Voucher Program director or his/her designee. A hearing officer shall also have the discretion to set the amounts and length of time for repayment, if a repayment agreement is a stipulation of participation determined at an informal hearing. Strict adherence to the terms of the repayment agreement by the participant is necessary otherwise, benefits may be terminated in accordance with this plan, as indicated in Chapter 27.

Chapter 29. Informal Hearing and Review Procedures

29.1 Overview

When HCD makes a decision that has a negative impact on a family, the family is often entitled to appeal the decision. For Applicants, the appeal takes the form of an informal review. The process for tenants (or for applicants denied admission because of citizenship issues), the appeal takes the form of an informal hearing.

HCD's informal reviews and hearings are provided to Housing Choice Voucher applicants and participants respectively in accordance with the Code of Federal Regulations 24 CFR § 982.555 and as included in this chapter. However, the RAD-PBV program follow the informal hearing and review procedures described in Chapter 32 of this Administrative Plan. (The process described in HCD's Reasonable Accommodation Policies and Procedures document included under Attachment C will be followed for applicants and participants denied reasonable accommodation requests.)

29.2 Informal Review

Applicants denied program participation or removed from the waiting list shall be entitled to an informal review conducted by HCD in accordance with 24 CFR § 982.554. Applicants will be notified of such determination in writing, generally at the time of their initial certification appointment. Applicants who are not placed on the waiting list will not be offered an informal review.

The process described in HCD's Reasonable Accommodation Policies and Procedures included under Attachment C will be followed for applicants denied reasonable accommodation requests. Further, this document describes the process that must be followed by the hearing officer if they become aware during the informal review that an applicant's ineligibility determination occurred because of the applicant's disability.

A. Determinations Subject to Informal Review

An applicant may request an informal review if the applicant:

1. Is denied a voucher
2. Is denied participation in the program
3. Has assistance delayed because of the immigration status of a family member

B. Determinations Not Subject to Informal Review

An applicant is not entitled to informal review for any of the following determinations by HCD:

1. A determination that the unit selected by the applicant is not in compliance with HQS because of family size or composition.
2. A determination not to approve an extension or suspension of a voucher term.
3. A determination not to approve a unit for lease under the Housing Choice Voucher.
4. Discretionary administrative determinations by HCD.
5. General policy issues or class grievances.
6. Establishment of HCD's utility allowance schedule.

C. Processing Removals

1. An applicant who is determined ineligible for program benefits shall be notified in writing that their name will be removed from the waiting list unless they request an informal review by contacting HCD within 30 days of the notice. The applicant whose mailed notification of informal review appointment is returned by the post office will be automatically withdrawn from the waiting list.
2. Applicants who have been removed from the waiting list for failing to respond to notices calling them for processing may, within 30 days of being removed from the waiting list, request an informal review seeking reinstatement to his/her original place on the waiting list.
3. Applicant families withdrawn due to returned mail may request an informal review at any time up to five years or the closing of the waiting list whichever occurs first for the purpose of reviewing and verifying the accuracy of the mail or email address to where HCD sent the notice as compared to existing program records on family reported information.
4. If HCD proposes to deny admission on the basis of a criminal record, HCD will advise the head of household in the recommendation of denial letter with the (1) name of the affected family member and description of the charge; that (2) the family member with the criminal record and the head of household may request a copy of the criminal record either before or at the informal review and (3) they will be provided an opportunity to dispute the accuracy and relevance of that record.

D. Requesting an Informal Review

1. Applicants may request a review in writing to the address or fax number indicated on the adverse action letter. The request shall be made within 30 days from the date of the notice.
2. An informal review is not a hearing. It is a review of the material in the applicant's file to ensure that a correct decision about the applicant's status (based upon the material submitted by the applicant) has been made. The applicant will be provided an opportunity to present written or oral objections to HCD's decision.

E. Informal Review Procedures

1. The informal review will be conducted by a designated HCD hearing officer who is a person other than the one who made or approved the decision under review, or a subordinate of this person. HCD, at its discretion, may schedule an informal review at the applicant's request, beyond thirty (30) days, on a case-by-case basis. HCD will schedule the review for the next available hearing date and forward written notification to the applicant.

E. Informal Review Decision

The HCD hearing officer will decide based on evidence provided by the applicant whether the decision denying assistance to the applicant was justified and made according to the federal regulations and rules of HCD.

- If the decision to deny is overturned as a result of the informal review, processing for admission will resume.
 - If the family fails to appear for their informal review, the denial of admission will stand, and the family will be so notified.
4. When feasible, the reviewer's decision will be made in writing within 30 calendar days of the review. The hearing officer must verify any document provided by the applicant, such as evidence of completion of the rehabilitation program or any other proof or testimony provided, before submitting the decision letter to uphold or overturn the denial of assistance. The decision of the reviewer shall be final. The reviewer's decision, however, shall not abridge any other rights the applicants have under law.

29.3 Informal Hearing

If HCD proposes to terminate assistance on the basis of a criminal record, HCD will advise the head of household in the recommendation of denial letter with the (1) name of the affected family member and description of the charge; that (2) the family member with the criminal record and the head of household may request a copy of the criminal record either before or at the informal review and (3) they will be provided an opportunity to dispute the accuracy and relevance of that record by requesting an informal hearing.

Hearings are not afforded to families appealing decisions on:

- A. HQS violations; except when the family is terminated due to breach of HQS as caused by the family
- B. Determination that the unit is not in accordance with HQS because of family size;
- C. HCD determination not to approve an extension or suspension of a voucher term;
- D. HCD determination not to approve a unit for lease under Housing Choice Voucher;
- E. Discretionary administrative determinations by HCD;
- F. General policy issues or class grievances;
- G. Establishment of HCD's utility allowance schedule.
- H. HCD's determination to exercise or not to exercise any right or remedy against an owner under a HAP Contract.

1. Requesting a hearing and pre-hearing procedures

A hearing may be requested by written request to the Hearing Office at the address indicated on the adverse action notice. The hearing must be requested within 15 business days of the notice date. Failure of the participant to respond within the required time waives the right to a hearing.

When feasible, HCD will schedule the hearing within 30 calendar days of the participant's request. The hearing will be scheduled at the first available hearing date. The participant and any other interested parties will be notified of the date and time for the hearing by mail from HCD.

A program participant shall not be adversely affected by the scheduling of a hearing beyond the 30 calendar days. Payment shall continue to the owner so long as the family remains in the unit and a hearing has been scheduled.

Before the hearing, the tenant has the right to review any HCD documents, including but not limited to the tenant's file, that are directly related to the informal hearing. If the tenant requests to review or make copies of documents, they must do so no later than three (3) days prior to the informal hearing. In the event HCD fails to make the documents available for examination upon request of the tenant or the tenant's representative, HCD is prohibited from relying on the document(s) at the hearing. Participants may be charged for copying costs.

2. Hearing Procedures

Pursuant to 24 CFR § 982.555(4), a hearing officer may be anyone designated by HCD other than a person who made or approved the decision under review or a subordinate of this person.

The hearing officer's decision will be based solely on the testimony of witnesses, written documentation in the tenant's file, and any other evidence presented at the hearing. The hearing officer must verify any document provided by the participant, such as evidence of completion of rehabilitation program or any other proof or testimony provided, before submitting the decision letter to uphold or overturn the denial of assistance.

The tenant must attend the hearing at the time scheduled as notified by the Hearing Office. The owner may attend. The tenant may be represented by legal counsel or another person chosen as a representative.

The party that fails to appear for a hearing will relinquish all further hearings or appeals of the adverse action.

A hearing may be held via telephone conference call in situations where a health condition or portability to another housing agency's jurisdiction prevents either party (tenant or owner) from attending the hearing in person. Hearings held by telephone conferences are not allowed simply for the convenience of the tenant or owner. Any other reasons shall be at the discretion of the hearing office supervisor.

The decision of the hearing officer shall be forwarded in writing to the participant and other interested parties within 30 calendar days of the hearing. The decision of the hearing officer shall be final, except on the occasion when HCD Director or his/her designee may review, overturn or modify the decision of a hearing officer upon showing of the following:

- a) The hearing decision concerns a matter for which HCD is not required to provide an opportunity for an informal hearing under 24 CFR § 982 or that otherwise exceeds the authority of the person conducting the hearing under HCD's hearing procedures.
- b) The hearing decision is contrary to HUD regulations or requirements, or otherwise contrary to federal, state of the Code of Miami-Dade County or other local laws.

If HCD determines that it is not bound by a hearing decision, HCD shall promptly notify the family of the determination, and of the reasons for the determination. The hearing officer's decision shall not abridge any other rights the participants have under law.

29.4 End of Participation Reviews

Participants who have been terminated, within the past 90 days, from the program may request a final review of their case, if they failed to request a hearing within the time period allowed by this plan. HCD will review the case and determine whether reinstatement is appropriate due

to agency error or mitigating circumstances as delineated in Section 27.1. To be reinstated, the participant must be in compliance with the program. If the participant is reinstated, HAP will be paid to the landlord retroactive to the date of the effective End of Participation so long as the participant continues to reside in the previously assisted unit.

Chapter 30. Fair Housing and Equal Opportunity and Grievance Procedures

30.1 Non-discrimination Policy

- A. HCD complies with all federal, state and local antidiscrimination laws including, but not limited to, the Fair Housing Act, Section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act, Title VI of the Civil Rights Act of 1964, and all other applicable laws and regulations.
- B. HCD will ensure that persons with disabilities have full access to HCD's Housing Choice Voucher (HCV) program and services. This responsibility begins with the first inquiry of an interested family and continues through every programmatic area of the HCV program.
- C. No person shall be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under programs operated and/or funded by HCD on the basis of race, color, sex, religion, national or ethnic origin, familial status, marital status, sexual orientation, gender identity, ancestry, age, pregnancy, disability, or source of income.
- D. HCD prohibits inquiries regarding sexual orientation or gender identity, which includes but is not limited to whether a person is transgendered.
- E. HCD will provide applicants and participants with federal/state/local information regarding discrimination and any recourse available to them if they believe they may be victims of discrimination.
- F. HCD will display the Fair Housing poster at their program offices. Upon eligibility determination, applicants will be provided with the Housing Discrimination Complaint form and information pertaining to procedures to be followed if the applicant believes they have experienced illegal discrimination.
- G. HCD will ask all applicants and participants if they require any type of accommodation, in writing, on the intake application and reexamination documents.
- H. HCD will inform disabled applicants who believe that they have been subject to unlawful discrimination on how to file a fair housing complaint. HCD will provide a copy of a discrimination complaint form to the complainant and provide them with information on how to complete and submit the form to HUD's Office of Fair Housing and Equal Opportunity (FHEO). These applicants will also be provided with the Fair Housing complaint Hotline number: 1-800-669-9777. Persons with hearing or speech impairments may access this number via TTY by calling the Federal Information Relay Service at 1-800-887-8339.

30.2 Processing Discrimination Complaints and Reasonable Accommodation Requests

All applicable Fair Housing Information and Discrimination Complaint forms will be made available at HCD's 504/ADA Coordinator's office and/or by the 504/ADA Coordinator mailing copies of information to person requesting same. In addition, all appropriate written information and advertisements will contain the appropriate written information, and advertisements will contain the appropriate Equal Opportunity language and logo.

- A. HCD's 504/ADA Coordinator will assist any family that believes they have been discriminated against by providing copies of the federal and local housing discrimination forms and the addresses of the applicable offices. In addition, HCD's

504/ADA Coordinator will facilitate conciliation of discrimination complaints upon the request of complainants, to the greatest extent feasible.

- B. HCD will cooperate with HUD in conducting monitoring and compliance reviews and complaint investigations, pursuant to all applicable civil rights statutes and regulations, Executive Orders, and all civil rights related program requirements.
- C. Reasonable accommodation requests are processed through the 504/ADA Coordinator's office (refer to Attachment C, Reasonable Accommodation Policies and Procedures).

HCD's Reasonable Accommodation Policies and Procedures are included under Attachment C.

Chapter 31. Special Rules for Moderate Rehabilitation

The foregoing policies and procedures apply in general to the Moderate Rehabilitation Program except as provided below:

31.1 Transfer and Waiting List Referrals

A. Vacancy Notices

Every unit vacancy, which occurs in the Moderate Rehabilitation Program administered by HCD, must be reported to HCD. Owners or managers must immediately forward the vacancy notice either by hand delivery, facsimile, or mail to the following address:

Housing and Community Development
Attention: Moderate Rehabilitation Program Unit
701 NW 1st Court, 14th Floor
Miami, Florida 33136-3914
Fax: (786) 469-4222

B. HCD Transfer Referrals

HCD approved transferees will be offered available units before applicants from HCD's waiting list. Section 31.5 details HCD's transfer policy for the Moderate Rehabilitation Program.

If there are families on the transfer list, HCD's first mail-out will consist of HCD's transfer referrals for a period of eight (8) days to applicants for whom the unit is suited. If applicable, HCD will conduct a second mail-out for a period of eight (8) days if: (a) none of HCD's referrals accept the offer; (b) the referrals are rejected by the owner based on a valid, non-discriminatory reason within the ten (10) day period; or (c) there is no response from the applicant. For each unit, HCD will offer up to 20 interested applicants for whom the unit is suited.

C. HCD Waiting List Referrals

If there are no families on the transfer list, HCD will refer interested applicants to the owner/manager from HCD's waiting list.

In order to deter discrimination by a Moderate Rehabilitation owner/manager (hereafter referred to as owner), HCD shall utilize the following procedure for the screening and selection process. After proper receipt of the vacancy notice from the owner/manager, HCD's offer letters (often referred to as "mail-outs") will be mailed no later than five (5) working days from the date the unit passes Housing Quality Standard (HQS) Inspection. Applicants will have a minimum of eight (8) calendar days to respond to HCD and the owner/manager of the offered unit concerning their interest.

Owner/managers must make themselves available to accept the referred applicants' and to show the unit. The unit must have passed HQS inspection prior to showing. HCD shall also forward to the owner a log of all applicants referred to the available unit. The owner shall provide to HCD his/her written policy on selection procedures to include the policy regarding the collection of application fees, if applicable.

Owners may only reject applicants for valid, nondiscriminatory reasons and must report the reason for any rejected applicants in writing to HCD.

In the event that the owner/manager request a release of the available unit, HCD shall assign a staff person to contact each applicant within the mail out(s), three days after the close of the final mail out to assure that all applicants referred the unit are being treated fairly under the law. The assigned staff shall also confirm that the owner's selection process was expeditious and unbiased. Assigned staff will maintain a log to document all communications with the applicants and owners. The unit will not be released if there are sufficient applicants to refer off the waiting list or if the owner/manager fails to comply with submittal of their written policy on selection procedures and/or written notification of the rejection of applicants.

After the owner selects a prospective tenant for the unit, the owner shall submit to HCD a selection package. This package will include a log of all HCD referred applicants, a written letter stating the results of the owner's screening, and justification with supporting documentation for the applicant selected or rejected for tenancy. HCD will review the owner package to confirm that the selection process was without bias.

D. Assignment of Accessible Units

Accessible units will be offered in the following order:

1. Current tenant in the development who requires the accessibility features of the vacant unit;
2. Current tenant(s) in other developments who require the accessibility features of the vacant, accessible unit;
3. Interested applicant(s) on the waiting list for the tenant-based program who requires the accessibility feature(s) of the vacant, accessible unit;
4. Interested applicant(s) on the waiting list for the tenant-based program who do not require the accessibility features of the vacant, accessible unit.
5. Interested applicants referred by the owner who require the accessibility features of the vacant, accessible unit; then
6. Interested applicants referred by the owner who do not require the accessibility features of the vacant, accessible unit.

Transfer requests related to reasonable accommodation for a person with disabilities will be processed in accordance with HCD's Reasonable Accommodation Policies and Procedures included under Attachment C. Transfer requests related to reasonable accommodation must be approved by HCD's ADA coordinator.

Further, transfers of tenants with disabilities and placement of applicants with disabilities in units with accessible features will be centrally coordinated through the division responsible for the management of the Moderate Rehabilitation Program. . The owner will be encouraged to incorporate language in their lease that requires the tenant to transfer to a non-accessible unit when one becomes available, in situations where an applicant is housed in an accessible unit but does not require the accessibility features.

31.2 Condition of Units

Owners must make units ready for occupancy and HQS inspection by the time applicants are referred to the unit. HCD reserves the right to not make referrals for units that are not ready for occupancy.

Units with a history of repeated or habitual violations will be inspected every six (6) months. Inspections shall be performed at the discretion of HCD and shall not require prior notification to the owner as to when an inspection will occur.

31.3 Valid Rejections of Offered Units

An applicant will be made three offers of a housing unit under the Moderate Rehabilitation program. However, the offer is not considered a suitable offer under the following circumstances:

The applicant rejects the offer for “good cause,” that is, the applicant can demonstrate through objective evidence that a move into the offered unit located more than five (5) square miles in distance would result in a hardship related to the ability of the applicant or a member of the applicant’s family to retain their employment, job training, or retain particular day care, or educational programs for children with disabilities or medical services uniquely suited to the affected individual’s needs.

- A. The offered unit is not suitable or accessible due to a disability of the applicant or a member of the applicant's family.
- B. If the applicant accepts a unit but is rejected by the owner/manager.
- C. If the unit is not ready for occupancy and has not passed an initial HQS Inspection.
- D. The family demonstrates that accepting the offer will place a family member's life, health or safety in jeopardy. The family must provide specific and compelling documentation, such as restraining orders, other court orders or risk assessments from a law enforcement agency. Reasons offered must be specific to the family. Refusals due to location alone do not qualify for this good cause exemption.
- E. A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member.
- F. The unit is refused because a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking reasonably believes the proposed transfer would not safe (refer to Attachment D of this Administrative Plan).

When an offer is not counted against the applicant, the applicant's name will remain in active status on the waiting list to receive another offer. HCD will maintain a record of units offered, including location, date and circumstances of each offer, and each acceptance or refusal, including the reason for the refusal.

31.4 Changes to Family Composition

Family members will be added to the family composition if they are born to the family during tenancy under the Moderate Rehabilitation program, if the family is awarded custody, guardianship, by any other operation of law, or as otherwise provided under Section 5.2 of this plan.

HCD will consider the request for approval and require documentation that the head of household has authorization to include a minor as part of the household. Court approved custody or guardianship is not the only mechanism for establishing that the head of household has authorization to include a minor. Changes to the family composition may also be allowed for families in which one or more children less than 18 years of age live with the designee of the parent or legal custodian, with the parent's or legal custodian's consent.

Documentation can include, but is not limited to, court documents, pre-need guardian, school records, other state and federal public assistance documentation, power of attorney, etc.

The owner of the family's unit must consent to the addition of any additional family members.

31.5 Transfer Policy

Transfer requested for victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking must be processed in accordance with Attachment D of this Administrative Plan.

All other transfers in the Moderate Rehabilitation Program will be granted if there are available units in the circumstances described below. In all instances, families on the transfer waiting list will be given one (1) offer. If the offer is refused, except for good cause, including reasonable accommodation for a family member with disabilities, the family's name will be removed from the transfer waiting list.

A. Overcrowded or Under-Occupied Units

If a family has a change in family composition that causes the number of occupants of the unit to be more than the occupancy standards allowed for the bedroom size, or less than the minimum occupancy for the bedroom size, then the family will be required to move. The family shall move into the appropriate size unit or be terminated from participation in the program. If there is an available appropriate vacancy in the same development, the family will be offered such vacancy in the same development. This offer may not be refused, except for good cause, including reasonable accommodation for a family member with disabilities.

B. Medical Necessity

Transfers based on medical or disability need shall be documented and shall relate to either proximity (define as at least five (5) squares miles in distance) to medical facilities that a family member must attend on a frequent basis (at least once per week) or other verifiable reason, as determined by HCD's ADA Coordinator, or be related to a condition/s of the unit or complex that must be changed or avoided due to physical health concerns. If a transfer is necessary due to a condition in the unit, the owner of the project has the option to make an accommodation in lieu of the transfer.

Transfers based on medical necessity shall be given the next available suitable unit based on the date of the requested transfer.

C. Special Circumstances

Special circumstances that may be considered for transfer include, but are not limited to, the following:

1. Hate crimes or overt discrimination against a family member;

2. Habitual violence or victimization against a family member; or
3. Cooperation for a witness protection program.

Transfers for special circumstances shall be documented (i.e., police reports, support letters from law enforcement, restraining orders, etc.) and shall be required for the immediate safety and welfare of the family. A special circumstance transfer shall be given the next available vacancy that is not in the same project.

31.6 HQS

HQS inspections shall be performed in conformance with the Moderate Rehabilitation standards.

31.7 Occupancy Standards

The general occupancy policies described in Chapter 5 will apply to Moderate Rehabilitation applicants and tenants.

31.8 Single Room Occupancy (SRO) and Shelter Plus Care Programs

All Moderate Rehabilitation Single Room Occupancy Administrative Plans for homeless individuals are developed and submitted to HUD on a project basis for approval.

All Single Room Occupancy Moderate Rehabilitation Administrative and Shelter Plus Care Plans have been approved.

SRO and Shelter Plus Care Moderate Rehabilitation developments are subject to Section 3 of the Housing and Urban Development Act of 1968, as amended, and Section 504 Uniform Federal Accessibility Standards pertaining to accessible units for persons with disabilities.

Chapter 32. PBVs Under the Rental Assistance Demonstration (RAD) Program

32.1 General Requirements and Standards

32.1.A. Overview and History of the RAD Program

- A. The Rental Assistance Demonstration (RAD) program was authorized in 2012 in order to assess the effectiveness of converting public housing, moderate rehabilitation properties, and units under the rent supplement and rental assistance payments programs to long-term, project-based Section 8 rental assistance. The program's four primary objectives are to:
 1. Preserve and improve public and other assisted housing.
 2. Standardize the administration of the plethora of federally subsidized housing programs and rules. The conversions are intended to promote operating efficiency by using a Section 8 project-based assistance model that has proven successful and effective for over 30 years. In other words, RAD aligns eligible properties more closely with other affordable housing programs.
 3. Attract private market capital for property renovations. Through the use of this model, properties may be able to leverage private debt and equity to make capital repairs.
 4. Increase tenant mobility opportunities.
- B. This chapter will focus on public housing conversions to the PBV program under RAD. In order to distinguish between requirements for public housing conversion under RAD and PBV units under the standard PBV program, we will refer to the standard PBV program and the RAD PBV program.
- C. HCD has and may engage in RAD conversions that includes the construction of new housing and rehabilitation of existing former public housing projects. RAD properties may be leased to private developers through a long-term ground lease and other applicable agreements and documents. The properties would then be managed by these private developers, their affiliates, or third parties. HCD acknowledges that such RAD properties may be subject to federal Tax Credit Requirements.

32.1.B. Applicable Regulations

- A. On the whole, the regulations for both the standard and RAD PBV programs generally follow the regulations for the tenant-based HCV program found at 24 CFR part 982. However, important parts of the tenant-based regulations do not apply to the project-based program. 24 CFR part 983 outlines the sections of 24 CFR part 982 that are not applicable to the project-based program.
- B. For the RAD PBV program, Congress authorized HUD to waive certain statutory and regulatory provisions or establish alternative requirements from the standard PBV program. These provisions are identified in Notice PIH 2019-23 (issued September 5, 2019). Any non- RAD PBV units located in the covered project are subject to the same waivers and alternative requirements as set forth in Notice PIH 2019-23 and in this policy.
- C. Otherwise, all regulatory and statutory requirements for the standard PBV program in 24 CFR part 983 and Section 8(o)(13) of the Housing Act of 1937, and all applicable standing and subsequent Office of Public and Indian Housing (PIH) notices and guidance, including related handbooks, apply to RAD PBV. This includes environmental review, Davis-Bacon, and fair housing requirements.

- D. In other words, the standard PBV program follows many of the same regulations as the tenant- based HCV program, but not all of them, and the RAD PBV program follows many of the same regulations as the standard PBV program, but not all of them.
- E. Requirements specific to the RAD program may be found in the following:
 - 1. Generally, public housing projects converting assistance under RAD are bound by the terms of the notice in effect at the time of closing.
 - 2. Notice PIH 2019-23 was immediately applicable at the time of closing to all projects converting assistance (notwithstanding execution of a commitment for conversion). Notice PIH 2019-23 was published on September 5, 2019.
 - a) Except with respect to changes in the project eligibility and selection criteria, not included in this policy, which are effective after a 30-day comment period.
 - 3. Notice PIH 2016-17, Rental Assistance Demonstration (RAD) Notice Regarding Fair Housing and Civil Rights Requirements and Relocation Requirements Applicable to RAD First Component – Public Housing Conversions.
 - a) This Notice applies to all projects that have applied for RAD conversion but have not yet converted as of November 10, 2016.
- F. HCD has and may blend Section 18 of the Housing Act of 1937 and RAD to perform comprehensive rehabilitation of its housing in accordance with Notice PIH-2019-23. This Section 18 Disposition/RAD blending option allows for 25 percent of the units to be proposed for disposition (refer to as non-RAD PBV units) and for the remainder 75 percent to convert to PBV under RAD (refer to as RAD-PBV units).
- G. PIH Notice 2019-23 requires that all the tenant protections be provided to both RAD PBV and non-RAD PBV units in a RAD converted development to facilitate the uniform treatment of residents.

32.1.C. Tenant-Based VS. Project-Based Voucher Assistance [24 CFR § 983.2]

- A. Much of the tenant-based voucher program regulations also apply to the PBV program. Consequently, many of HCD's policies related to tenant-based assistance also apply to RAD PBV assistance. The provisions of the tenant-based voucher regulations that do not apply to the PBV program are listed at 24 CFR § 983.2. Except as otherwise noted in this chapter, or unless specifically prohibited by PBV program regulations, HCD's policies for the tenant-based voucher program contained in this administrative plan also apply to the RAD PBV and non-RAD PBV units in a RAD converted development and its participants. This chapter is intended to address requirements specific to the RAD PBV and non-RAD PBV program only.

32.1.D. Relocation Requirements

- A. For projects that apply for conversion of assistance under the First Component of RAD and will convert November 10, 2016, or later, the following applies [Notice PIH 2016-17]:

In some developments, in-place residents may need to be relocated because of properties undergoing repairs, being demolished and rebuilt, or when assistance is transferred from one site to another. RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed. Any non-RAD PBV units located in the same project are also subject to the right to return.

1. Relocation assistance provided to residents will vary depending on the length of time relocation is required. Residents must be properly notified in advance of relocation requirements in accordance with RAD program rules and Uniform Relocation Act (URA) requirements, and other requirements which may be applicable such as Section 104(d) of the Housing and Community Development Act of 1974, as amended.
2. In addition, HCD must undertake a planning process that complies with the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended (URA), although not all relocations under RAD will trigger requirements under URA. URA statute and implementing regulations may be found at 49 CFR part 24. The obligation due to relocating residents under RAD are broader than URA relocation assistance and payments.
3. Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to either: a) a unit at the development once rehabilitation or construction is completed, provided the resident's household is not under-housed; or b) a unit in the development which provides the same major features as the resident's unit in the development prior to the implementation of the RAD conversion.
4. Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete.
5. If HCD's proposed plans for conversion would preclude a resident from returning to the development, the resident must be given an opportunity to comment and/or object to such plans. HCD must alter the project plans to accommodate the resident's right to return to the development if the resident would be precluded from returning to the development.
6. Examples of project plans that may preclude a resident from returning to the development include, but are not limited to:
 - a) Changes in the development's bedroom distribution that decrease the size of the units, resulting in the resident being under-housed;
 - b) The resident cannot be accommodated in the remaining assisted units due to a reduction in the number of assisted units at the development;
 - c) Income limit eligibility requirements associated with the LIHTC program or another program; and
 - d) Failure to provide a reasonable accommodation, in violation of applicable law, where reasonable accommodation may include installation of accessibility features that are needed by the resident.

Residents of a development undergoing conversion that would be precluded from returning to the development may voluntarily accept a HCD's offer to permanently relocate to alternative housing, and thereby waive their right to return to the development after rehabilitation or construction is completed. In this event, HCD must secure the resident's written consent to a voluntary permanent relocation in lieu of returning to the development. HCD is prohibited from employing any tactics to pressure residents into relinquishing their right to return or accepting other housing options. Additionally, HCD may not terminate a resident's lease if HCD fails to obtain the resident's consent, and the resident seeks to exercise the right to return.

7. In the case of multi-phase RAD transactions, the resident has a right to return to the development or to other converted phases of the development that are available for occupancy at the time the resident is eligible to exercise their right of return. Generally, the resident's right to return must be accommodated within the development associated with the resident's original unit, however, HCD may treat multiple converted developments on the same site as one for purposes of right to return. Should HCD seek to have the resident exercise the right to return at a future phase, HCD must secure the resident's consent in writing.
8. Alternative housing options may involve a variety of housing options, including but not limited to:
 - a) Transfers to public housing
 - b) Admission to other affordable housing properties subject to the applicable program rules
 - c) Housing Choice Voucher (HCV) assistance
 - d) Other options identified by HCD
9. In some developments, in-place residents may need to be relocated because of properties undergoing repairs, being demolished and rebuilt, or when assistance is transferred from one site to another. RAD program rules prohibit the permanent, involuntary relocation of residents as a result of conversion. Residents that are temporarily relocated retain the right to return to the project once it has been completed.
10. Relocation assistance provided to residents will vary depending on the length of time relocation is required. Residents must be properly notified in advance of relocation requirements in accordance with RAD program rules and Uniform Relocation Act (URA) requirements. Any residents that may need to be temporarily relocated to facilitate rehabilitation or construction will have a right to return to an assisted unit at the development once rehabilitation or construction is completed.
11. Where the transfer of assistance to a new site is warranted and approved, residents of the converting development will have the right to reside in an assisted unit at the new site once rehabilitation or construction is complete. Residents of a development undergoing conversion of assistance may voluntarily accept a HCD's or owner's offer to permanently relocate to another assisted unit, and thereby waive their right to return to the development after rehabilitation or construction is completed.
12. In accordance with Resolution No. R-1181-19, which was adopted by the Miami-Dade County Board of County Commissioners ("Board"), HCD will execute a Board- approved Tenant Relocation Agreement with each public housing tenant who is impacted by the redevelopment of a public housing development owned by Miami- Dade County and which is proposed to be converted through the RAD program.

32.1.E. Equal Opportunity Requirements [24 CFR § 983.8; 24 CFR § 5.105; Notice PIH 2016-17]

- A. RAD conversions are governed by the same civil rights authorities that govern HUD-assisted activities in general. These authorities prohibit discrimination and impose affirmative obligations on HUD program participants. HCD must comply with all applicable fair housing and civil rights laws, including but not limited to the Fair Housing Act, Title VI of the Civil Rights Act of 1964, and Section 504 of the Rehabilitation Act of 1973, when conducting relocation planning and providing relocation assistance. For

example, persons with disabilities returning to the RAD project may not be turned away or placed on a waiting list due to a lack of accessible units. Their need for an accessible unit must be accommodated. See the RAD Fair Housing, Civil Rights, and Relocation Notice [Notice PIH 2016-17] for more information.

32.2 PBV Project Selection

32.2.A. Overview

- A. Unlike in the standard PBV program where HCD typically selects the property through an owner proposal selection process, projects selected for assistance under RAD PBV are selected in accordance with the provisions in Notice PIH 2019-23 and any successor Notices. Therefore, 24 CFR § 983.51 does not apply since HUD selects RAD properties through a competitive selection process.

32.2.B. Ownership and Control [Notice PIH 2019-23]

- A. HCD will follow all selections and project requirements set forth in HUD regulations and Notice PIH 2019-23 and any successor Notices.
- B. Except where permitted to facilitate the use of tax credits, during both the initial term and all renewal terms of the HAP Contract, HUD will require ownership or control of the Covered Project by a public or non-profit entity. HUD may also allow ownership of the project to be transferred to a tax credit entity controlled by a for-profit entity to facilitate the use of tax credits for the Covered Project, but only if HUD determines that HCD or a non-profit entity preserves an interest in the property.
- C. Public or non-profit ownership or control, or preservation of an interest by HCD or a non-profit in a property owned by a tax-credit entity controlled by a for-profit entity, may be satisfied if HCD, a public entity or non-profit entity (or entities), directly or through a wholly owned affiliate:
 1. Holds a fee simple interest in the real property of the Covered Project;
 2. Is the lessor under a ground lease with the Project Owner;
 3. Owns 51 percent or more of the general partner interests in a limited partnership or 51 percent or more of the managing member interests in a limited liability company with all powers of a general partner or managing member, as applicable;
 4. Owns a lesser percentage of the general partner or managing member interests and holds certain control rights as approved by HUD;
 5. Owns 51 percent or more of all ownership interests in a limited partnership or limited liability company and holds certain control rights as approved by HUD; or
 6. Demonstrates other ownership and control arrangements approved by HUD.

Notwithstanding the forgoing, it is understood, that HCD cannot have an ownership interest in a for profit or non for profit entity as such interest would be in violation of the Florida Constitution.

32.2.C. HCD Owned Units

- A. A unit is considered to be owned by HCD if the unit is in a project that is owned by the Miami- Dade County (which such ownership excludes HCD from having a “controlling interest” in the entity that owns the unit) or owned by an entity wholly controlled by the Miami-Dade County.

32.2.D. PBV Percentage Limitation and Unit Cap [Notice PIH 2019-23]

A. PBV Percentage Limitation

1. Covered projects do not count against the maximum amount of assistance a HCD may utilize for the PBV program, which under the standard PBV program is set at 20 percent of the authorized units allocated to a HCD under the HCV program. To implement this provision, HUD is waiving section 8(o)(13)(B) of the 1937 Act as well as 24 CFR § 983.6.

B. Unit Cap Limitation

1. When HUD published REV-3 of Notice PIH 2012-32, the cap on the number of assisted units in each project was eliminated. Under the standard PBV program the cap is set at the greater of 25 units or 25 percent of the units in the project. HUD is waiving this requirement, and projects governed by Notice PIH 2019-23 and Notice PIH 2012-32, REV- 3 have no cap on the number of units that may receive PBV assistance in a project.

32.2.E. Site Selection Standards [Notice PIH 2019-23; Notice PIH 2016-17]

- A. Site selection requirements set forth in 24 CFR § 983.57 apply to RAD PBV, with the exception of 24 CFR § 983.57(b)(1) and (c)(2). HUD waives the provisions regarding deconcentration of poverty and expanding housing and economic opportunity for existing housing sites.
- B. To facilitate the uniform treatment of residents and units, any non-RAD PBV units located in the same project are subject to the terms of this provision. HUD will conduct a front-end civil rights review of HCD's proposed site in certain circumstances. For RAD PBV conversions that involve new construction located in an area of minority concentration (whether on the existing public housing site or on a new site) HUD will determine whether it meets one of the exceptions that would allow for new construction in an area of minority concentration. HCD must ensure that its RAD PBV conversion, including any associated new construction, is consistent with its certification to affirmatively further fair housing and complies with civil rights laws.

32.3 Dwelling Units

32.3.A. Overview

- A. This part identifies the special housing quality standards that apply to the RAD PBV program, housing accessibility for persons with disabilities, and special procedures for conducting housing quality standards inspections.

32.3.B. Housing Quality Standards [24 CFR § 983.101]

- A. The housing quality standards (HQS) for the tenant-based program generally apply to the PBV program. HQS requirements for shared housing, manufactured home space rental, and the homeownership option do not apply because these housing types are not assisted under the PBV program.
- B. The physical condition standards at 24 CFR § 5.703 do not apply to the PBV program.

32.3.C. Lead-based Paint [24 CFR § 983.101(c); Notice PIH 2019-23]

- A. The lead-based paint requirements for the tenant-based voucher program do not apply to the PBV program. Instead, The Lead-based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821- 4846), the Residential Lead-based Paint Hazard Reduction Act of 1992 (42 U.S.C. §§ 4851- 4856), and implementing regulations at 24 CFR part 35, subparts A, B, H, and R, apply to the PBV program.

32.3.D. Housing Accessibility for Persons with Disabilities [Notice PIH 2016-17]

- A. Federal accessibility requirements apply to all conversions, whether they entail new construction, alternations, or existing facilities. The housing must comply with program accessibility requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794) and implementing regulations at 24 CFR part 8. HCD must ensure that the percentage of accessible dwelling units complies with the requirements of section 504 of the Rehabilitation Act of 1973 (29 U.S.C. § 794), as implemented by HUD's regulations at 24 CFR part 8, subpart C.
- B. Housing first occupied after March 13, 1991, must comply with design and construction requirements of the Fair Housing Amendments Act of 1988 and implementing regulations at 24 CFR § 100.205, as applicable. (24 CFR § 983.102)

32.3.E. Inspecting Units

- A. Initial Inspection [RAD Quick Reference Guide; Notice PIH 2019-23]
 - 1. Under standard PBV regulations at 24 CFR § 983.103(b), a HCD may not enter into a HAP contract until HCD has determined all units comply with HQS. In order to accommodate projects in which repairs are conducted, however, HUD has waived this requirement when units are undergoing rehabilitation. In this case, units must meet HQS by the date indicated in the RAD Conversion Commitment (RCC).
- B. Turnover Inspections [24 CFR § 983.103(c), FR Notice 1/18/17, and Notice PIH 2017-20]
 - 1. Before providing assistance to a new family in a contract unit, HCD must inspect the unit. HCD may not provide assistance on behalf of the family until the unit fully complies with HQS.
- C. Biennial Inspections [24 CFR § 983.103(d); FR Notice 6/25/14]
 - 1. HCD will conduct biennial inspections for a random sample consisting of at least 20 percent of the contract units in each building to determine if the contract units and the premises are maintained in accordance with HQS. HCD may also conduct inspections as often as deemed necessary to determine compliance with HCD's designated inspection standards.
- D. If more than 20 percent of the sample of inspected contract units in a building fail the initial inspection, HCD must reinspect 100 percent of the contract units in the building.
- E. Other Inspections [24 CFR § 983.103(e)]
 - 1. HCD must inspect contract units whenever needed to determine that the contract units comply with HQS and that the owner is providing maintenance, utilities, and other services in accordance with the HAP contract. HCD must consider complaints and any other information coming to its attention in scheduling inspections.
 - 2. HCD must conduct follow-up inspections needed to determine if the owner (or, if applicable, the family) has corrected an HQS violation, and must conduct inspections to determine the basis for exercise of contractual and other remedies for owner or family violation of HQS.
 - 3. In conducting a supervisory quality control HQS inspections, HCD should include a representative sample of both tenant-based and project-based units.
- F. Inspecting HCD-Owned Units [24 CFR § 983.103(f); Notice PIH 2017-21]
 - 1. In the case of HCD-owned units, all required inspections must be performed by an independent entity designated by HCD and approved by HUD. The independent entity must furnish a copy of each inspection report to HCD and to the HUD field office where the project is located. HCD must take all necessary actions in response to inspection reports from the independent agency, including exercise of contractual remedies for violation of the HAP contract by HCD-owner.

32.4 Housing Assistance Payments (HAP) Contract

32.4.A. Overview [PBV Quick Reference Guide 10/14]

- A. Public housing projects converting under RAD do not employ the PBV Agreement to Enter into a Housing Assistance Payments (AHAP) contract. Instead, following the execution of all requirements contained in the Commitment to Enter into a HAP (CHAP) contract and the RAD Conversion Commitment (RCC), a project is converted immediately to the RAD PBV HAP contract following the closing of any construction financing. Owners of public housing projects converted to PBV assistance via RAD enter into a HAP contract with HCD that will administer the PBV assistance. Units assisted under a RAD PBV HAP contract must be subject to long- term, renewable use and affordability restrictions.

32.4.B. HAP Contract Requirements

- A. Contract Information [*PBV Quick Reference Guide 10/14*; Notice PIH 2019-23]
 1. The RAD PBV program uses the PBV HAP contract for new construction or rehabilitated housing (Form HUD-52530A), as modified by the RAD rider (Form HUD-52621). For closings on or after January 1, 2018, HUD incorporated the RAD rider directly into the standard PBV HAP contract. For closing that occurred prior to January 1, 2018, the RAD rider must be attached to the PBV HAP contract.
 2. The distinction between “existing housing” and “rehabilitated and newly constructed housing” is overridden by RAD requirements. The project must also have an initial RAD use agreement. All public housing RAD conversion properties financed with LIHTC are also required to include an LIHTC rider.
- B. Execution and Effective date of the HAP Contract [*RADblast! 7/11/16*]
 1. RAD PBV projects do not employ an Agreement to Enter into a Housing Assistance Payments (AHAP) contract like in the standard PBV program. Rather, when the conditions of the CHAP and the RCC are met and the conversion has closed, HCD executes the HAP contract. Project owners may select the effective date of the HAP contract as the first day of either of the two months following the completed closing.
- C. Term of HAP Contract [Notice PIH 2019-23]
 1. The initial term of the HAP contract may not be for less than 15 years and may be for a term of up to 20 years upon request of the owner and with approval of the administering voucher agency. Upon expiration of the initial term of the contract, and upon each renewal term of the contract, the owner must accept each offer to renew the contract, for the prescribed number and mix of units, either on the site of the project subject to the expiring contract or, upon request of the project owner and subject to HCD and HUD approval, at another site through a future transfer of assistance. Contracts are subject to the terms and conditions applicable at the time of each offer and further subject to the availability of appropriations for each year of each such renewal. To implement this provision, HUD is waiving section 8(o)(13)(F) of The United States Housing Act of 1937, which permits a minimum term of one year, as well as 24 CFR § 983.205(a), which governs the contract term.
- D. Agreement to Enter into a HAP (AHAP) Contract [Notice PIH 2019-23]
 1. For public housing conversions to PBV, there will be no agreement to enter into a Housing Assistance Payments (AHAP) contract. Therefore, all regulatory references to the Agreement (AHAP), including regulations under 24 CFR part 983 subpart D, are waived. The definitions for proposal selection date, new construction, rehabilitation, and existing housing are not applicable.

E. Mandatory Contract Renewal [Notice PIH 2019-23]

1. By statute, upon contract expiration, the agency administering the vouchers will offer, and HCD will accept, renewal of the contract for the prescribed number and mix of units, either on the site of the project subject to the expiring contract or, upon request of the project owner and subject to HCD and HUD approval, at another site through a future transfer of assistance. The contract is subject to the terms and conditions applicable at the time of renewal and the availability of appropriations each year for such renewal. Consequently 24 CFR § 983.205(b), governing HCD's discretion to renew the contract, will not apply.
2. In the event that the HAP contract is removed due to breach, non-compliance or insufficiency of appropriations, for all units previously covered under the HAP contract, new tenants must have incomes at or below 80 percent of the area median income at the time of admission and rents may not exceed 30 percent of 80 percent of median income for an appropriate size unit for the remainder of the term of the RAD use agreement.

F. Remedies for HQS Violations [24 CFR § 983.208(b)]

1. HCD may not make any HAP payment to the owner for a contract unit during any period in which the unit does not comply with HQS. If HCD determines that a contract unit does not comply with NSPIRE, HCD may exercise any of its remedies under the HAP contract, for any or all of the contract units. Available remedies include termination of housing assistance payments, abatement or reduction of housing assistance payments, reduction of contract units, and termination of the HAP contract.
2. HCD will abate and terminate PBV HAP contracts for noncompliance with NSPIRE in accordance with the policies used in the tenant-based voucher program.

32.4.C. Amendments to the HAP Contract

A. Floating Units [Notice PIH 2019-23]

1. Upon request of the owner to the voucher agency that will administer the project, HUD will permit assistance to float among units within the project that are the same bedroom size. The unit to which assistance is floated must be comparable to the unit being replaced in quality and amenities.
2. If HCD chooses to float units, units are not specifically identified on the HAP contract, rather the HAP contract must specify the number and type of units in the property that are RAD PBV units. The property must maintain the same number and type of RAD units from the time of the initial HAP contract execution forward.
3. HCD may float assistance among unoccupied units within the project. Tracking of the number and type of units at the property, as well as identification of comparable units when assistance is floated, will be maintained by each property.

B. Reduction in HAP Contract Units [Notice PIH 2019-23]

1. Project owners are required to make available for occupancy by eligible tenants the number of assisted units under the terms of the HAP contract.
2. HCD may not reduce the number of assisted units without written HUD approval. Any HUD approval of HCD's request to reduce the number of assisted units under contract is subject to conditions that HUD may impose.
3. If units are removed from the HAP contract because a new admission's TTP comes to equal or exceed the gross rent for the unit and if the project is fully assisted, HCD must reinstate the unit after the family has vacated the property. If the project is partially assisted, HCD may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR § 983.207, or where the development has "floating" units.

32.4.D. HAP Contract Year and Anniversary Dates [24 CFR § 983.302(e)]

- A. The HAP contract year is the period of 12 calendar months preceding each annual anniversary of the HAP contract during the HAP contract term. The initial contract year is calculated from the first day of the first calendar month of the HAP contract term.
- B. The annual anniversary of the HAP contract is the first day of the first calendar month after the end of the preceding contract year. There is a single annual anniversary date for all units under a particular HAP contract.

32.4.E. Owner Responsibilities under the HAP Contract [24 CFR § 983.210]

- A. When the owner executes the HAP contract, they certify that at such execution and at all times during the term of the HAP contract:
 - 1. All contract units are in good condition and the owner is maintaining the premises and contract units in accordance with HQS;
 - 2. The owner is providing all services, maintenance, equipment, and utilities as agreed to under the HAP contract and the leases;
 - 3. Each contract unit for which the owner is receiving HAP is leased to an eligible family referred by HCD, and the lease is in accordance with the HAP contract and HUD requirements;
 - 4. To the best of the owner's knowledge, the family resides in the contract unit for which the owner is receiving HAP, and the unit is the family's only residence;
 - 5. The owner (including a principal or other interested party) is not the spouse, parent, child, grandparent, grandchild, sister, or brother of any member of a family residing in a contract unit;
 - 6. The amount of the HAP the owner is receiving is correct under the HAP contract;
 - 7. The rent for contract units does not exceed rents charged by the owner for comparable unassisted units;
 - 8. Except for HAP and tenant rent, the owner has not received and will not receive any other payment or consideration for rental of the contract unit;
 - 9. The family does not own or have any interest in the contract unit (this does not apply to the family's membership in a cooperative); and
 - 10. Repair work on the project selected as an existing project that is performed after HAP contract execution within such post-execution period as specified by HUD may constitute development activity, and if determined to be development activity, the repair work undertaken shall be in compliance with Davis-Bacon wage requirements.

32.4.F. Vacancy Payments [24 CFR § 983.352(b)]

- A. At the discretion of HCD, the HAP contract may provide for vacancy payments to the owner for a HCD-determined period of vacancy extending from the beginning of the first calendar month after the move-out month for a period not exceeding two full months following the move-out month. The amount of the vacancy payment will be determined by HCD and cannot exceed the monthly rent to owner under the assisted lease, minus any portion of the rental payment received by the owner, including amounts available from the tenant's security deposit.

32.5 Selection of PBV Program Participants

32.5.A. Overview

- A. Many of the provisions of the tenant-based voucher regulations [24 CFR part 982] also apply to the PBV program (please see chapter 2). This includes requirements related to

determining eligibility and selecting applicants from the waiting list. Even with these similarities, there are requirements that are unique to the PBV program. This part describes the requirements and policies related to eligibility and admission to the PBV program.

**32.5.B. Prohibited Rescreening of Existing Tenants upon Conversion
[Notice PIH 2019-23]**

- A. Current households cannot be excluded from occupancy at the covered project based on any rescreening, income eligibility, or income targeting provisions. Consequently, current households will be grandfathered for application of any eligibility criteria to conditions that occurred prior to conversion but will be subject to any ongoing eligibility requirements for actions that occur after conversion. Post-conversion, the tenure of all residents of the covered project is protected pursuant to PBV requirements regarding continued occupancy unless explicitly modified by Notice PIH 2019-23 (e.g., rent phase-in provisions). For example, a unit with a household that was over-income at time of conversion would continue to be treated as an assisted unit. Thus, 24 CFR § 982.201, concerning eligibility and targeting, will not apply for current households. Once that remaining household moves out, the unit must be leased to an eligible family. Existing residents at the time of conversion may not be rescreened for citizenship status or have their social security numbers reverified.
- B. Further, so as to facilitate the right to return to the assisted property, this provision must apply to current public housing residents of the converting project that will reside in non-RAD PBV units placed in a project that contain RAD PBV units. Such families and such contract units will otherwise be subject to all requirements of the applicable program, specifically 24 CFR § 983 for non-RAD PBV. Any non-RAD PBV units located in the same project are also subject to the right to return.
- C. For the RAD PBV program, *in-place family* means a family who lived in a pre-conversion property at the time assistance was converted from public housing to PBV under RAD.

32.5.C. Eligibility for PBV assistance [24 CFR § 983.251(a) and (b)]

- A. Applicants for PBV assistance must meet the same eligibility requirements as applicants for the tenant-based voucher program. Applicants must qualify as a family as defined by HUD and HCD, have income at or below HUD-specified income limits, and qualify on the basis of citizenship or the eligible immigration status of family members [24 CFR § 982.201(a) and 24 CFR § 983.2(a)]. In addition, an applicant family must provide social security information for family members [24 CFR §§ 5.216 and 5.218] and consent to HCD's collection and use of family information regarding income, expenses, and family composition [24 CFR § 5.230]. HCD may also not approve a tenancy if the owner (including a principal or other interested party) of the unit is the parent, child, grandparent, grandchild, sister, or brother of any member of the family, unless needed as a reasonable accommodation. An applicant family must also meet HUD requirements related to current or past criminal activity.
- B. HCD will determine an applicant family's eligibility for the RAD PBV program in accordance with the policies in Chapter 2 of this administrative plan.

32.5.D. Organization of the Waiting List [24 CFR § 983.251(c); Notice PIH 2019-23]

- A. The standard PBV regulations at 24 CFR § 983.251 set out program requirements related to establishing and maintaining a voucher-wide, PBV program-wide, or site-based waiting list from which residents will be admitted. These provisions will apply unless the project is covered by a remedial order or agreement that specifies the type of waiting list and other waiting list policies. Any non-RAD PBV units located in the same project are also subject to these requirements.

- a) HCD may establish and manage separate site-based waiting lists for individual projects or buildings that are receiving RAD PBV assistance, in accordance with 24 CFR § 983.251(c).
- b) For any applicants on the public housing waiting list that are likely to be ineligible for admission to a covered project converting to PBV because the household's TTP is likely to exceed the RAD gross rent, HCD will consider transferring such household, consistent with program requirements for administration of waiting lists, to HCD's remaining public housing waiting lists or to another voucher waiting list, in addition to transferring such household to the waiting list for the covered project.
- c) HCD will give priority to participants moving under a VAWA emergency transfer from one PBV development to another in accordance with Section 18-VI.E.

32.5.E. Selection from the Waiting List [24 CFR § 983.251(c)]

- A. After conversion to RAD PBV, applicants who will occupy units with RAD PBV assistance must be selected from HCD's designated waiting list. HCD may establish selection criteria or preferences for occupancy of particular PBV units and may place families referred by the PBV owner on its designated site-based waiting lists.

32.5.F. Income Targeting [24 CFR § 983.251(c)(6); Notice PIH 2019-23]

- A. At least 75 percent of the families admitted to HCD's tenant-based and project-based voucher programs during HCD fiscal year from the waiting list must be extremely low income families. The income targeting requirement applies to the total of admissions to both programs.
- B. Families in place (i.e., public housing residents) at the time of the conversion are exempt from income targeting requirements. New admissions follow standard PBV requirements. Any non-RAD PBV units located in the same project are also subject to these requirements.

32.5.G. Units with Accessibility Features [24 CFR § 983.251(c)(7)]

- A. When selecting families to occupy PBV units that have special accessibility features for persons with disabilities, HCD must first refer families who require such features to the owner.

32.5.H. Preferences [24 CFR § 983.251(d); FR Notice 11/24/08; Notice PIH 2019-23]

- A. HCD may use the same selection preferences that are used for the tenant-based voucher program, the PBV program, establish selection criteria or preferences for the PBV program as a whole, or for occupancy of particular PBV developments or units. PBV preferences may remain perpetually open.

32.5.I. Offer of PBV Assistance

- A. Refusal of Offer [24 CFR § 983.251(e)(3)]
 - 1. HCD is prohibited from taking any of the following actions against a family who has applied for, received, or refused an offer of PBV assistance:
 - a) Refusing to list the applicant on the waiting list for tenant-based voucher assistance
 - b) Denying any admission preference for which the applicant qualifies
 - c) Changing the applicant's place on the waiting list based on preference, date, and time of application, or other factors affecting selection under HCD's selection policy
 - d) Removing the applicant from the tenant-based voucher waiting list
- B. Disapproval by Landlord [24 CFR § 983.251(e)(2)]
 - 1. If a PBV owner rejects a family for admission to the owner's units, such rejection may not affect the family's position on the tenant-based voucher waiting list.
- C. Acceptance of Offer [24 CFR § 983.252]

1. Family Briefing
 - a) When a family accepts an offer for PBV assistance, HCD must give the family an oral briefing. The briefing must include information on how the program works and the responsibilities of the family and owner. In addition to the oral briefing, HCD must provide a briefing packet that explains how HCD determines the total tenant payment for a family, the family obligations under the program, and applicable fair housing information.
2. Persons with Disabilities
 - a) If an applicant family's head or spouse is disabled, HCD must assure effective communication, in accordance with 24 CFR § 8.6, in conducting the oral briefing and in providing the written information packet. This may include making alternative formats available. In addition, HCD must have a mechanism for referring a family that includes a member with a mobility impairment to an appropriate accessible PBV unit.

D. Persons with Limited English Proficiency

HCD should take reasonable steps to assure meaningful access by persons with limited English proficiency in accordance with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 (see Chapter 2).

32.5.J. Owner Selection of Tenants

- A. The owner is responsible for developing written tenant selection procedures that are consistent with the purpose of improving housing opportunities for very low-income families and reasonably related to program eligibility and an applicant's ability to fulfill their obligations under the lease. An owner must promptly notify in writing any rejected applicant of the grounds for any rejection.
- B. Leasing [24 CFR § 983.253(a)]
 1. During the term of the HAP contract, the owner must lease contract units to eligible families that are selected and referred by HCD from HCD's waiting list. The contract unit leased to the family must be the appropriate size unit for the size of the family, based on HCD's subsidy standards.
- C. Filling Vacancies [24 CFR § 983.254(a)]
 1. The owner must promptly notify HCD of any vacancy or expected vacancy in a contract unit. After receiving such notice, HCD must make every reasonable effort to promptly refer a sufficient number of families for the owner to fill such vacancies. HCD and the owner must make reasonable efforts to minimize the likelihood and length of any vacancy.

HCD Policy

The owner must notify HCD in writing (mail, fax, or email) within five business days of learning about any vacancy or expected vacancy.

HCD will make every reasonable effort to refer families, upon exhaustion of the site-based waiting list, to the owner within 30 business days of receiving such notice from the owner.

32.5.K. Tenant Screening [24 CFR § 983.255]

- A. HCD Responsibility
 1. HCD is not responsible or liable to the owner or any other person for the family's behavior or suitability for tenancy. However, HCD may opt to screen applicants for family behavior or suitability for tenancy and may deny applicants based on such screening.

HCD Policy

HCD will not conduct tenant screening to determine a PBV applicant family's suitability for tenancy.

HCD must provide the owner with an applicant family's current and prior address (as shown in HCD records) and the name and address (if known by HCD) of the family's current landlord and any prior landlords.

In addition, HCD may offer the owner other information HCD may have about a family, including information about the tenancy history of family members or about drug trafficking and criminal activity by family members. HCD must provide applicant families a description of HCD policy on providing information to owners, and HCD must give the same types of information to all owners.

HCD may not disclose to the owner any confidential information provided in response to a request for documentation of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking, except at the written request or with the written consent of the individual providing the documentation [24 CFR § 5.2007(c)].

HCD will inform owners of their responsibility to screen prospective tenants and will provide owners with the required known name and address information, at the time of the turnover HQS inspection or before. HCD will not provide any additional information to the owner, such as tenancy history, criminal history, etc.

32.6 Occupancy**32.6.A. Overview**

- A. After an applicant has been selected from the waiting list, determined eligible by HCD, referred to an owner, and determined suitable by the owner, the family will sign the lease and occupancy of the unit will begin.

32.6.B. Lease [24 CFR § 983.256]

- A. The tenant must have legal capacity to enter into a lease under state and local law. *Legal capacity* means that the tenant is bound by the terms of the lease and may enforce the terms of the lease against the owner.
- B. The tenant and the owner must enter into a written lease agreement that is signed by both parties. The tenancy addendum must include, word-for-word, all provisions required by HUD.
 - 1. Lease Requirements [24 CFR § 983.256(c); Notice PIH 2019-23]
 - a) The lease for a PBV unit must specify all of the following information:
 - (1) The names of the owner and the tenant;
 - (2) The unit rented (address, apartment number, if any, and any other information needed to identify the leased contract unit);
 - (3) The term of the lease (initial term and any provision for renewal);
 - (4) The amount of the tenant rent to owner, which is subject to change during the term of the lease in accordance with HUD requirements;
 - (5) A specification of the services, maintenance, equipment, and utilities that will be provided by the owner; and
 - (6) The amount of any charges for food, furniture, or supportive services.
 - (7) HCD must include resident procedural rights for termination notification and

grievance procedures in the owner's lease. These requirements are not part of the regular PBV program but are required under RAD.

C. Tenancy Addendum [24 CFR § 983.256(d)]

1. The tenancy addendum in the lease must state:
 - a) The program tenancy requirements
 - b) The composition of the household as approved by HCD (the names of family members and any HCD-approved live-in aide)
 - c) All provisions in the HUD-required tenancy addendum must be included in the lease. The terms of the tenancy addendum prevail over other provisions of the lease.

2. Initial Term and Lease Renewal [24 CFR § 983.256(f); *PBV Quick Reference Guide* 10/14]
 - a) Leases for residents who will remain in place (i.e., who will not be relocated solely as a result of conversion) must have an effective date that coincides with—and must be signed on or before—the effective date of the RAD PBV HAP contract.
 - b) The initial lease term must be for at least one year. The lease must provide for automatic renewal after the initial term of the lease in either successive definitive terms (e.g., month-to-month or year-to-year) or an automatic indefinite extension of the lease term. For automatic indefinite extension of the lease term, the lease terminates if any of the following occur:
 - (1) The owner terminates the lease for good cause
 - (2) The tenant terminates the lease
 - (3) The owner and tenant agree to terminate the lease
 - (4) HCD terminates the HAP contract
 - (5) HCD terminates assistance for the family

3. Changes in the Lease [24 CFR § 983.256(e)]
 - a) If the tenant and owner agree to any change in the lease, the change must be in writing, and the owner must immediately give HCD a copy of all changes.
 - b) The owner must notify HCD in advance of any proposed change in the lease regarding the allocation of tenant and owner responsibilities for utilities. Such changes may only be made if approved by HCD and in accordance with the terms of the lease relating to its amendment. HCD must redetermine reasonable rent, in accordance with program requirements, based on any change in the allocation of the responsibility for utilities between the owner and the tenant. The redetermined reasonable rent will be used in calculation of the rent to owner from the effective date of the change.

4. Owner Termination of Tenancy [24 CFR § 983.257; Notice PIH 2019-23]
 - a) With two exceptions, the owner of a PBV unit may terminate tenancy for the same reasons an owner may in the tenant-based voucher program (see 24 CFR § 982.310). In the PBV program, terminating tenancy for “good cause” does not include doing so for a business or economic reason, or a desire to use the unit for personal or family use or other non-residential purpose.
 - b) Projects converting from public housing to PBV under RAD have additional procedural rights that do not apply to the standard PBV program. These procedural rights must be included in the owner's lease. In addition to the regulations at 24 CFR § 983.257 related to project owner termination of tenancy and eviction, the termination procedure for RAD conversions to PBV will require

that HCDs provide adequate written notice of termination of the lease, which may not be less than:

- (1) A reasonable period of time, but not to exceed 30 days:
 - (a) If the health or safety of other tenants, HCD employees, or persons residing in the immediate vicinity of the premises is threatened; or
 - (b) In the event of any drug-related or violent criminal activity or any felony conviction
- (2) Not less than 14 days in the case of nonpayment of rent
- (3) Not less than 30 days in any other case, except that if a state or local law provides for a shorter period of time, such shorter period will apply
- (4) These provisions apply to non-RAD PBV units located in the project as well.
5. Tenant Absence from the Unit [24 CFR §§ 983.256(g) and 982.312(a)]
 - a) The lease may specify a maximum period of family absence from the unit that may be shorter than the maximum period permitted by HCD policy. According to program requirements, the family's assistance must be terminated if they are absent from the unit for more than 180 consecutive days. HCD termination of assistance actions due to family absence from the unit are subject to 24 CFR § 982.312, except that the unit is not terminated from the HAP contract if the family is absent for longer than the maximum period permitted.
6. Continuation of Housing Assistance Payments [24 CFR § 983.258; Notice PIH 2019-23

- a) Current residents living in the property prior to conversion are placed on and remain under the HAP contract when TTP equals or exceeds gross rent. In this case, until such time as the family's TTP falls below the gross rent, the family will pay the owner the lesser of their TTP minus the utility allowance or any applicable maximum rent under the LIHTC program. The family will continue to pay this amount until/if circumstances change, and HAP is paid on their behalf. In other words, assistance may subsequently be reinstated if the tenant becomes eligible for assistance. In such cases, the resident is still considered a program participant. All of the family obligations and protections under RAD and standard PBV apply to the resident. Likewise, all requirements with respect to the unit, such as compliance with the HQS requirements, apply as long as the unit is under HAP contract. Any non-RAD PBV units located in the same project are also subject to these requirements.

Unless a waiver is requested and approved, following conversion, 24 CFR § 983.53(d) applies, and any new admission referred to the RAD PBV project must be initially eligible for a HAP payment at admission to the program. HCD may request a waiver from HUD in order to admit otherwise eligible families whose TTP exceeds gross rent and to allow the units those families occupy to remain under the HAP contract even if HCD has not paid HAP for the family in 180 days.

- b) Further, for any new families admitted after the conversion, assistance will be terminated 180 days after the last housing assistance payment on their behalf. The cessation of housing assistance payments does not affect the family's other rights under its lease, nor does it preclude the resumption of payments as a result of later changes in income, rents, or other relevant circumstances if such changes occur within the 180-day window. If a family's assistance is terminated as a result of their zero HAP status, HCD

must remove the unit from the HAP contract. If the project is fully assisted, HCD must reinstate the unit after the family has vacated the property. If the project is partially assisted, HCD may substitute a different unit for the unit on the HAP contract in accordance with 24 CFR § 983.207.

- c) HCD will not request a waiver from HUD to allow families whose TTP initially exceeds gross rent to occupy units.
 - d) If a participating family who was admitted after the RAD conversion receive zero assistance and subsequently experiences a change in circumstances that would result in a HAP payment to the owner, the family must notify HCD of the change and request an interim reexamination before the expiration of the 180-day period.
7. Security Deposits [24 CFR § 983.259; *PBV Quick Reference Guide* 10/14]
- a) Owners are permitted to recognize security deposit amounts that have been previously provided by tenants who are in-place at the time of the RAD conversion. Otherwise, the security deposit requirements for standard PBV apply.
 - b) The owner may collect a security deposit from the tenant. HCD may prohibit security deposits in excess of private market practice, or in excess of amounts charged by the owner to unassisted tenants.
 - c) HCD will allow the owner to collect a security deposit amount the owner determines is appropriate.
 - d) When the tenant moves out of a contract unit, the owner, subject to state and local law, may use the security deposit, including any interest on the deposit, in accordance with the lease, as reimbursement for any unpaid tenant rent, damages to the unit, or other amounts owed by the tenant under the lease.
 - e) The owner must give the tenant a written list of all items charged against the security deposit and the amount of each item. After deducting the amount used to reimburse the owner, the owner must promptly refund the full amount of the balance to the tenant.
 - f) If the security deposit does not cover the amount owed by the tenant under the lease, the owner may seek to collect the balance from the tenant. HCD has no liability or responsibility for payment of any amount owed by the family to the owner.

32.6.C. Public Housing FSS and ROSS Participants [Notice PIH 2019-23]

- A. Current FSS participants will continue to participate in HCD's FSS program, and HCD will be allowed to use any PH FSS funds granted previously or pursuant to the current fiscal year (FY) PH FSS notice of funding availability (NOFA) to serve those FSS participants who live in units converted to RAD and who will as a result be moving to the HCV FSS program. HCD must convert the PH FSS program participants at the covered project to their HCV FSS program.
- B. Residents who were converted from the PH FSS program to the HCV FSS program through RAD may not be terminated from the HCV FSS program or have HCV assistance withheld due to the participant's failure to comply with the contract of participation. Consequently, 24 CFR § 984.303(b)(5)(iii) does not apply to FSS participants in converted properties.
- C. At the completion of the FSS grant, HCDs should follow the normal closeout procedures outlined in the grant agreement. If HCD continues to run an FSS program that serves PH and/or HCV participants, HCD will continue to be eligible (subject to NOFA requirements) to apply for FSS funding.

- D. Current Resident Opportunities and Self-Sufficiency–Service Coordinators (ROSS–SC) program grantees will be able to finish out their current ROSS–SC grants once their housing is converted under RAD. However, once the property is converted, it will no longer be eligible to be counted towards the unit count for future public housing ROSS–SC grants.
 - 1. At the completion of the ROSS-SC grant, HCD should follow the normal closeout procedures outlined in the grant agreement. Please note that ROSS-SC grantees may be a nonprofit or local resident association, and this consequence of a RAD conversion may impact those entities.
 - 2. Any non-RAD PBV units located in the same project are also subject to these requirements.

32.6.D. Resident Participation and Funding [Notice PIH 2019-23]

- A. Residents of covered projects converting assistance to PBVs will have the right to establish and operate a resident organization for the purpose of addressing issues related to their living environment and be eligible for resident participation funding.

32.6.E. Moves

- A. Overcrowded, Under-Occupied, and Accessible Units [24 CFR § 983.260; Notice PIH 2019-23]
 - 1. All in-place tenants at the time of conversion are eligible to remain in the project. Over-housed families should be moved into appropriately sized units if such units are available in the new or rehabbed project. If appropriately sized units are not available, the existing tenants may continue to be over-housed until an appropriately sized unit becomes available or until the tenant leaves the project. Once the unit turns over, it must be leased to an appropriately sized family. Any non-RAD PBV units located in the same project are also subject to these requirements.
 - 2. Following conversion, the standard PBV regulations apply. If HCD determines that a family is occupying a wrong-size unit, based on HCD's subsidy standards, or a unit with accessibility features that the family does not require, and the unit is needed by a family that does require the features, HCD must promptly notify the family and the owner of this determination, and HCD must offer the family the opportunity to receive continued housing assistance in another unit.
 - 3. HCD will notify the family and the owner of the family's need to move based on the occupancy of a wrong-size or accessible unit. HCD may offer the family the following types of continued assistance in the following order, based on the availability of assistance:
 - a) PBV assistance in the same building or project
 - b) PBV assistance in another project
 - c) Tenant-based voucher assistance
 - 4. If HCD offers the family a tenant-based voucher, HCD must terminate the housing assistance payments for a wrong-size or accessible unit at the earlier of the expiration of the term of the family's voucher, including any extension granted by HCD, or the date upon which the family vacates the unit. If the family does not move out of the wrong-size unit or accessible unit by the expiration of the term of the family's voucher, HCD must remove the unit from the HAP contract.
 - 5. If HCD offers the family another form of assistance that is not a tenant-based voucher, and the family does not accept the offer, does not move out of the PBV unit within a

reasonable time as determined by HCD, or both, HCD must terminate the housing assistance payments for the unit at the expiration of a reasonable period as determined by HCD and remove the unit from the HAP contract.

6. When HCD offers a family another form of assistance that is not a tenant-based voucher, the family will be given 30 days from the date of the offer to accept the offer and move out of the PBV unit. If the family does not move out within this 30-day time frame, HCD will terminate the housing assistance payments at the expiration of this 30-day period.
 7. HCD may make exceptions to this 30-day period if needed for reasons beyond the family's control such as death, serious illness, or other medical emergency of a family member.
- B. Family Right to Move, Choice Mobility [24 CFR § 983.261]
1. The family may terminate the lease at any time after the first year of occupancy. The family must give advance written notice to the owner in accordance with the lease and provide a copy of such notice to HCD.
 2. Prior to providing notice to the owner to terminate the lease, the family may submit a written request to HCD for a choice mobility voucher at any time after completing the 12-month occupancy requirement.
 3. If the family wishes to move with continued tenant-based assistance, the family must contact HCD to request the rental assistance prior to providing notice to terminate the lease. If the family terminates the lease in accordance with lease requirements, HCD is required to offer the family the opportunity for continued tenant-based assistance, in the form of a voucher or other comparable tenant-based rental assistance.
 4. If a voucher or other comparable tenant-based assistance is not immediately available, HCD must give the family priority to receive the next available opportunity for continued tenant-based assistance.
 5. If the family terminates the assisted lease before the end of the first year, the family relinquishes the opportunity for continued tenant-based assistance.
 6. Choice mobility vouchers: Under the PBV program, a tenant may request Housing Choice Voucher after living in a RAD property for one year:
 - i. The family will remain eligible to request a choice mobility voucher as long as they continue living at the same covered project. If a family moves from one covered project to another covered project prior to completing their 12-month occupancy requirement, their 12-month clock will reset. The family must wait 12 months from the date of move at the new property before they may request another choice mobility voucher. If a family transfers to a different unit within the same covered project, the 12-month clock does not reset.
 - ii. HCD will maintain a combined, agency-wide waiting list for all standard PBV and RAD PBV families wishing to exercise mobility after one year of tenancy.
 - iii. The choice mobility waiting list will be maintained separately from the tenant-based HCV list. Families on the choice mobility waiting list will be given priority over families on the tenant-based waiting list. The choice mobility waiting list will be organized by date and time of the family's written request to exercise choice mobility. The list will also identify whether families live in standard or RAD PBV units.

C. Turnover Cap

1. If the total number of PBV units under HAP contract exceeds 20% of HCD's total authorized vouchers, HCD may limit the number of choice-mobility vouchers it issues to 75% of its annual turnover vouchers.
2. As a result of RAD, the total number of PBV units (including RAD PBV units) administered by HCD may exceed 20 percent of HCD's authorized units under its HCV ACC with HUD. Therefore, HCD will establish a turnover cap. HCD will not provide more than three-quarters of its turnover vouchers in a single year to residents of covered projects.
3. Families who requested a choice mobility voucher and are denied due to the cap may be given priority the following year when choice mobility vouchers are again issued since the choice mobility list will be organized by the date and time of the family's request.

D. Emergency Transfers under VAWA [Notice PIH 2017-08]

1. Except where special consideration is needed for the project-based voucher program, HCD will follow VAWA policies as outlined in this administrative plan.
2. HUD requires that HCD include policies that address when a victim has been living in a unit for less than a year or when a victim seeks to move sooner than a tenant-based voucher is available.
3. When the victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking has lived in the unit for less than one year, HCD will provide several options for continued assistance.

HCD will first try to transfer the participant to another PBV unit in the same development or transfer to a different development where HCD has PBV units. HCD will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible. If assistance is transferred to another development, HCD will give priority to the participant on the other development's waiting list. If no units are available for an internal transfer to a PBV development or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to either tenant-based rental assistance (HCV) or assistance in HCD's public housing program. Such a decision will be made by HCD based on the availability of tenant-based vouchers and/or vacancies in public housing units. Such families must be selected from the waiting list for the applicable program. HCD has adopted a waiting list preference for victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, and stalking in both its HCV and public housing programs in order to expedite this process.

4. If a victim wishes to move after a year of occupancy in the unit, but no tenant-based vouchers are available, HCD will offer the participant an internal transfer to another PBV unit in the same development or a transfer to a different development where HCD has PBV units. HCD will expedite the administrative processes in this case in an effort to conduct the transfer as quickly as possible.
5. If no units are available for an internal transfer, or if there is reasonable cause to believe that such a transfer would put the victim in jeopardy, the participant may receive continued assistance through an external transfer to HCD's public housing program. HCD has adopted a waiting list preference for victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, and stalking as part of the public housing ACOP in order to expedite this process.

32.6.F. Reexaminations [PBV Quick Reference Guide 10/14]

- A. A family living in a unit converted from public housing to RAD PBV may retain its certification date. Unless a family's annual reexamination is due at the same time as the effective date of the RAD PBV HAP contract, HCD does not need to recertify tenants at the point of conversion.

32.6.G. Earned Income Disallowance

- A. Effective January 1, 2024, HUD will be discontinuing the Earned Income Disallowance (EID). As a result, no new individuals may qualify for the EID after December 31, 2023. Any individual who has an EID as of December 31, 2023, may continue to receive the EID—as described in this section—until it expires.
- B. Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID until the maximum 2-year disallowance time frame expires. No new families may be added. Further, within two years from the effective date of the final rule implementation (January 1, 2026), no family will receive the EID benefit.
- C. Upon the expiration of the EID for such families, the rent adjustment will not be subject to rent phase-in; instead, the rent will automatically rise to the appropriate rent level based upon tenant income at that time. Any non-RAD PBV units located in the same project are also subject to these requirements.
- D. Under the HCV program, the EID exclusion is limited to only persons with disabilities [24 CFR § 5.617(e)].

32.6.H. Phase-In of Tenant Rent Increases [Notice PIH 2019-23]

- A. Tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID until the maximum 2-year disallowance time frame expires. No new families may be added. Further, within two years from the effective date of the final rule implementation (January 1, 2026), no family will receive the EID benefit.
- B. For in-place tenants, if the amount the tenant would pay for rent and utilities (TTP) would increase by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over three years. To implement this provision, HUD is waiving section 3(a)(1) of the 1937 Act, as well as 24 CFR § 983.3 (definition of *total tenant payment (TTP)*) only to the extent necessary to allow for phase-in of tenant rent increases. For families who were on EID at the time of conversion to RAD PBV, upon the expiration of the EID, the rent adjustment is not subject to rent phase-in.
- C. HCD must communicate this policy in writing to affected residents.
- D. HCD will use the family's public housing tenant rent (reflected on line 10f of the family's most recent 50058) at the date of conversion to calculate the family's tenant rent in PBV. HCD will implement a three-year phase-in for in-place families whose TTP increases by more than the greater of 10 percent or \$25 purely as a result of the conversion as follows:
 - 1. Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion: 33 percent of the difference between the most recently paid TTP and the calculated PBV TTP. (If the family was paying flat rent immediately prior to conversion, HCD will use the flat rent amount to calculate phase-in for Year 1.)

2. Year 2: Year 2 annual recertification (AR) and any interim recertification (IR): 50 percent of the difference between the most recently paid TTP and the calculated PBV TTP
 3. Year 3: Year 3 AR and all subsequent recertifications: Full calculated TTP
- E. Once the standard TTP is equal to or less than the previous TTP, Phase-in ends and tenants will pay full TTP from that point forward.
 - F. HCD will communicate HCD's phase-in policy in writing to the family at the time HCD first determines that the family qualifies for a rent phase-in. Any non-RAD PBV units located in the same project are also subject to rent phase-in requirements.
 - G. Upon implementation of HOTMA and HUD's applicable regulations and guideline, effective January 1, 2024, only families currently participating in EID may continue to receive benefits up to 2 years from this date.

32.6 .I. Residents' Procedural Rights [Notice PIH 2019-23]

- A. HUD is incorporating additional termination notification requirements for public housing projects that convert assistance under RAD to PBV and to non-RAD PBV units located in the same project beyond those for the standard PBV program. In addition to the regulations at 24 CFR § 983.257 related to owner termination of tenancy and eviction (which MTW agencies may not alter), the termination procedure for RAD conversions to PBV requires that HCD provide adequate written notice of termination of the lease, which is:
- B. A reasonable period of time, but not to exceed 30 days:
 1. If the health or safety of other tenants, project owner employees, or persons residing in the immediate vicinity of the premises is threatened; or
 2. In the event of any drug-related or violent criminal activity or any felony conviction.
 3. Not less than 30 days in the case of nonpayment of rent
 4. Not less than 30 days in any other case, except that if a state or local law provides for a shorter period of time, such shorter period will apply

13.4 32.6.J. Informal Hearings and Grievance Procedures [Notice PIH 2019-23]

- A. Overview of RAD PBV Grievance Procedures
 1. For the termination of assistance and several other HCD determinations, the RAD PBV program rules require Miami-Dade County through its housing department, Housing and Community Development or its designee (collective "HCD") to provide an opportunity for an informal hearing in accordance with 24 CFR § 982.555. The RAD PBV grievances procedures apply solely to HCD's RAD PBV program.
 2. In addition to reasons that require an opportunity for an informal hearing given in 24 CFR § 982.555(a)(1)(i)-(v), an opportunity for an informal hearing must be given to residents for any dispute that a resident may have with respect to a Project Owner action in accordance with the individual's lease or the contract administrator in accordance with RAD PBV requirements that adversely affect the tenant's rights, obligations, welfare, or status.
 3. For any hearing required under 24 CFR § 982.555(a)(1)(i)-(v), HCD, as the contract administrator, will perform the hearing, as is the current standard in the program for:

- a) A determination of the family's annual or adjusted income, and the use of such income to compute the housing assistance payment.
 - b) A determination of the appropriate utility allowance (if any) for tenant-paid utilities from HCD utility allowance schedule.
 - c) A determination of the family unit size under HCD subsidy standards.
 - d) A determination to terminate assistance for a participant family because of the family's action or failure to act (see 24 CFR § 982.552).
 - e) A determination to terminate assistance because the participant family has been absent from the assisted unit for longer than the maximum period permitted under HCD policy and HUD rules.
4. For any additional hearings required under RAD, the Project Owner will perform the hearing unless HCD determines it shall perform a HCD-led informal hearing in accordance with parts 32.6.I (B)-(C) of this section. The Project Owner must give residents notice of their ability to request an informal hearing as outlined in 24 CFR § 982.555(c)(1) for informal hearings that will address circumstances that fall outside of the scope of 24 CFR § 982.555(a)(1)(i)-(v). The project owner may appoint any person as the hearing officer other than a person who made or approved the decision under review or a subordinate of that person.
5. There is no right to an informal hearing for class grievances or to disputes between residents not involving the Project Owner or Contract Administrator. In accordance with applicable regulations, HCD is not required to provide a participant family an opportunity for an informal hearing for any of the following:
- a) Discretionary administrative determinations by HCD.
 - b) General policy issues or class grievances.
 - c) Establishment of HCD's schedule of utility allowances for families in the program.
 - d) A HCD determination not to approve an extension of the voucher term.
 - e) A HCD determination not to approve a unit or tenancy.
 - f) A HCD determination that an assisted unit is not in compliance with HQS. (However, HCD must provide the opportunity for an informal hearing for a decision to terminate assistance for a breach of the HQS caused by the family as described in 24 CFR § 982.551(c).)
 - g) A HCD determination that the unit is not in accordance with HQS because of the family size.
 - h) A determination by HCD to exercise or not to exercise any right or remedy against the owner under a HAP contract.
6. If HUD has issued a due process determination and HCD is terminating the lease through judicial eviction procedures, HCD is not required to provide the opportunity for a hearing under HCD's grievance procedure. Additionally, if HUD has issued a due process determination, HCD may exclude the following three types of terminations or evictions from its grievance procedure:
- a) Any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other residents or employees of HCD;
 - b) Any violent or drug-related criminal activity on or off such premises; and
 - c) Any criminal activity that resulted in felony conviction of a household member.

B. HCD Grievance Coordinator Review Process

1. The Project Owner must provide all final decisions of Project Owner-led hearings to HCD Grievance Coordinator within 5 business days of the Project Owner's decision, and before any actions regarding residents' status can be taken.
2. The final decision must be mailed to:
ATTN: HCD RAD Program - Grievance Coordinator
 701 NW 1 Court, 16th Floor
 Miami, Florida 33136
3. HCD Grievance Coordinator will conduct a review of the Project Owner's decision within 5 business days after receipt of the Project Owner's final decision, or within 5 business days of receiving the review request directly from the RAD PBV tenant.
4. HCD Grievance Coordinator may extend the review period to an additional 5 business days, if needed.
5. During the review process, HCD Grievance Coordinator may reverse the Project Owner's decision and initiate a HCD-led informal hearing, if HCD Grievance Coordinator determines one of the following:
 - a) HCD is required to perform the hearing pursuant to 24 CFR § 982.555(a)(1)(i)-(v)
 - b) The Project Owner's hearing decision may not be in conformity with County, State or federal law and/or HUD guidelines for the administration of the RAD Program
 - c) HCD may perform an informal hearing because the Project Owner's hearing decision may lead to an eviction that may affect the safety and wellbeing of the family
6. If HCD Grievance Coordinator deems it necessary to initiate a HCD-led informal hearing, HCD must perform an informal hearing that follows the procedures described under Subsection C of this chapter (see 32.6.I.(C)).

C. HCD Informal Hearing Procedures for the RAD PBV Program

1. **Hearing Scheduling:** HCD Grievance Coordinator will schedule an informal hearing in a reasonably expeditious manner:
 - a) **Grievances Arising out of HCD Grievance Coordinator Review Process:** Upon determination that a HCD Informal Hearing is necessary, HCD Grievance Coordinator will, when feasible, the hearing within 30 calendar days of the Project Owner's decision.
 - (1) **Grievances Arising out of a Tenant's Request:** If a RAD PBV tenant requests a hearing that must be performed by HCD, then HCD must schedule the hearing within 15 calendar days of the hearing request. To present a grievance, an individual must be a HCD RAD PBV tenant, defined as the adult person(s) (other than a live-in aide) who resides in the unit and executed the lease as the lessee or, where there is no such person, who resides in the unit or resides in the unit and is the remaining head of household.
2. **Hearing Re-scheduling:** If the complainant or HCD fails to appear at the scheduled hearing, the hearing officer may decide to postpone the hearing in a reasonable time not to exceed 5 business days; or that the party has waived its right to a hearing. A

hearing may be held in person or via telephone/video conferencing platforms at the discretion of the Hearing Officer.

3. **Hearing Officer Appointment and Authority:** The hearing may be conducted by any person or persons designated by HCD, other than a person who made or approved the decision under review or a subordinate of this person.
 - a) The hearing will be conducted informally by the Hearing Officer. Oral or documentary evidence pertinent to the facts and issues raised by the complaint may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.
 - b) The Hearing Officer will require HCD, the complainant, counsel and other participants to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer to obtain order may result in exclusion from the proceedings or in a decision adverse to the interests of the disorderly party and granting or denial of the relief sought, as appropriate.
4. **Discovery and procedural rights:** The complainant will be afforded a fair hearing, which will include the opportunity to examine before the hearing any HCD documents, including records and regulations, that are directly relevant to the hearing.
 - a) The complainant will have the right to:
 - (1) be represented by counsel or other person chosen as the Tenant's representative, and to have that person make statements on the Tenant's behalf;
 - (2) present evidence and arguments in support of the tenant's complaint;
 - (3) controvert evidence relied on by HCD; and
 - (4) confront and cross examine all witnesses upon whose testimony or information HCD relies.
 - (5) If needed by the complainant to participate in the hearing, HCD will provide a specific accommodation (such as a qualified sign language interpreter, reader, accessible location, or attendant) if the complainant is a person with disabilities; or an interpreter if the complainant has a limited ability to read, write, speak or understand English.
5. **Hearing Decision:** The Hearing Officer must issue a written decision, stating briefly the reasons for the decision within 10 business days after the hearing. A decision must be based solely and exclusively upon the facts presented at the hearing.
 - a) The Hearing Officer will prepare a written decision, outlining the reasons for deciding the case, and send a copy of the decision to the Project Owner, the complainant and HCD's Grievance Coordinator. The written decision should include:
 - (1) The names of the complainant, hearing officer, other participants, including complainant's counsel or representative, and witnesses;
 - (2) The date, time and location of the hearing;
 - (3) A summary of the grievance;
 - (4) The date on which the informal settlement discussion was held, who was present, and a summary of the results of the informal discussion;
 - (5) A summary of the evidence, argument and testimony presented at the hearing; and
 - (6) The reason(s) for the hearing decision, citing the policy or regulation that supports the decision made.

- b) The decision of the Hearing Officer will be binding on HCD and the Project Owner, which will take all actions, or refrain from any actions, necessary to carry out the decision unless the decision of the Hearing Officer is contrary to applicable Federal, State or local law, HUD regulations, or requirements of the annual contributions contract between HUD and HCD.
- D. **Continuing Rights and Appeal:** A decision by the Hearing Officer in favor of HCD, or which denies the relief requested by the complainant in whole or in part, shall not constitute a waiver of, or affect in any manner whatever, their rights. Nor shall the decision affect in any manner any rights the complainant may have to a trial or other review in any judicial proceeding which may thereafter be brought in a matter. In extenuating circumstances, upon the complainant's written request for review, HCD's Director or designee may review and modify the decision of an informal hearing. However, the decision shall not abridge any other rights the applicants have under law.

32.7 Determining Contract Rent

32.7.A. Initial Contract Rents [Notice PIH 2019-23]

RAD conversions are intended to be cost-neutral, and therefore, should not exceed current public housing funding as adjusted for unit size. Since public housing units do not currently have contract rents, HUD provides an estimate of current contract rents for each HCD's public housing units based on current funding as adjusted by bedroom size. Current funding includes operating subsidy, tenant rents, capital funds, replacement housing factor funds (RHF), and demolition disposition transitional funding (DDTF). The funding may limit the amount of initial rent for a property. A detailed explanation of the determination of current funding may be found in Attachment 1C of Notice PIH 2019-23. Once the current funding amount is calculated, the amount is adjusted by bedroom size to determine the current funding rent. HUD uses the same bedroom adjustment factors as in the metropolitan FMR schedules where the project is located.

- A. HCDs may adjust subsidy (and contract rents) across multiple projects as long as HCD does not exceed the aggregate subsidy for all of the projects HCD has submitted for conversion under RAD.
- B. Notwithstanding HUD's calculation of the initial contract rent based on the project's subsidy under the public housing program and any modifications made to the initial contract rent, the initial rents are set at the lower of:
 - 1. An amount determined by HCD, not to exceed 110 percent of the fair market rent (FMR) or HCD's exception payment standard approved by HUD, or the alternate rent cap in a HCD's MTW agreement minus any utility allowance
 - 2. The reasonable rent
 - 3. The rent requested by the owner

32.7.B. Adjusting Contract Rents [Notice PIH 2019-23; PBV Quick Reference Guide 10/14]

- A. Contract rents will be adjusted annually only by HUD's operating cost adjustment factor (OCAF) at each anniversary of the HAP contract, subject to the availability of appropriations for each year of the contract term. As such, section 8(o)(13)(I) of the 1937 Act, and 24 CFR §§ 983.301 and 983.302, concerning rent determinations, do not apply when adjusting rents. The rent to owner may at no time exceed the reasonable rent charged for comparable unassisted units in the private market, as determined by the contract administrator in accordance with 24 CFR § 983.303.
- B. Contract rents may not exceed the reasonable rent, with the exception that the contract rent for each unit may not be reduced below the initial contract rent under the initial HAP

contract.

1. However, the rent to owner may fall below the initial contract rent in the following situations:
 - a) To correct errors in calculations in accordance with HUD requirements
 - b) If additional housing assistance has been combined with PBV assistance after the execution of the initial HAP contract and a rent decrease is required pursuant to 24 CFR § 983.55 (prohibition of excess public assistance)
 - c) If a decrease in rent to owner is required based on changes in the allocation of responsibility for utilities between the owner and the tenant
2. The contract rent adjustment will be the lesser of:
 - a) The current contract rent increased by the operating cost adjustment factor (OCAF), which is published annually in the *Federal Register*; or
 - b) The reasonable rent
3. The administering HCD (or independent entity, if the project is HCD-owned) is responsible for processing rent adjustments, at each contract anniversary date, in accordance with the prevailing OCAF.
4. At least 120 days before the contract anniversary date, HUD recommends that the owner submit the OCAF rent adjustment worksheet (Form HUD-9625) to HCD administering the PBV assistance (or the independent entity). HCD will validate the data on the form and determine whether the rent exceeds the reasonable rent charged for comparable unassisted units in the private market, in accordance with 24 CFR § 983.303. If rents would be unreasonable following application of the requested OCAF, then the rent can only be increased up to the reasonable rent. The approved rent adjustment will go into effect and the new rents to owner will take effect on the date of the contract anniversary.

C. Rent Decrease

1. Rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.

32.7.C. Utility Allowances [Notice PIH 2019-23; PBV Quick Reference Guide 10/14]

- A. When contract rent amounts are set initially, the amount does not include a utility allowance. In general, the utility allowances that are used on the initial HAP contract at closing are the public housing utility allowances that are in effect prior to conversion. The CHAP must be updated prior to conversion to reflect current public housing utility allowances. At its discretion, a HCD may use the FMRs and utility allowances in effect during the 30-day period immediately before the beginning date of the HAP contract.

32.7.D. Reasonable Rent [24 CFR § 983.303]

- A. At the time the initial rent is established and all times during the term of the HAP contract, the rent to owner for a contract unit may not exceed the reasonable rent for the unit as determined by HCD, except rents must not be reduced below the initial rent except to correct errors, for additional subsidy to the property, or to realign utility responsibilities.
 1. How to Determine Reasonable Rent
 - a) The reasonable rent of a unit receiving PBV assistance must be determined by comparison to rent for other comparable unassisted units. When making this determination, HCD must consider factors that affect market rent. Such factors include the location, quality, size, type and age of the unit, as well as the amenities, housing services maintenance, and utilities to be provided by the owner.

2. Comparability Analysis
 - a) For each unit, the comparability analysis must use at least three comparable units in the private unassisted market. This may include units in the premises or project that is receiving project-based assistance. The analysis must show how the reasonable rent was determined, including major differences between the contract units and comparable unassisted units, and must be retained by HCD. The comparability analysis may be performed by HCD staff or by another qualified person or entity. Those who conduct these analyses or are involved in determining the housing assistance payment based on the analyses may not have any direct or indirect interest in the property.
3. HCD-Owned Units
 - a) For HCD-owned units, the amount of the reasonable rent must be determined by an independent entity approved by HUD in accordance with PBV program requirements. The independent entity must provide a copy of the determination of reasonable rent for HCD-owned units to HCD and to the HUD field office where the project is located.

32.8 Payments to Owner

32.8.A. Housing Assistance Payments

- A. During the term of the HAP contract, HCD must make housing assistance payments to the owner in accordance with the terms of the HAP contract. During the term of the HAP contract, payments must be made for each month that a contract unit complies with HQS and is leased to and occupied by an eligible family. The housing assistance payment must be paid to the owner on or about the first day of the month for which payment is due, unless the owner and HCD agree on a later date.
- B. Except for discretionary vacancy payments, HCD may not make any housing assistance payment to the owner for any month after the month when the family moves out of the unit (even if household goods or property are left in the unit).
- C. The amount of the housing assistance payment by HCD is the rent to owner minus the tenant rent (total tenant payment minus the utility allowance).
- D. In order to receive housing assistance payments, the owner must comply with all provisions of the HAP contract. Unless the owner complies with all provisions of the HAP contract, the owner does not have a right to receive housing assistance payments.

32.8.B. Vacancy Payments [24 CFR § 983.352]

- A. If an assisted family moves out of the unit, the owner may keep the housing assistance payment for the calendar month when the family moves out. However, the owner may not keep the payment if HCD determines that the vacancy is the owner's fault.
- B. If HCD determines that the owner is responsible for a vacancy and as a result is not entitled to keep the housing assistance payment, HCD will notify the landlord of the amount of housing assistance payment that the owner must repay. HCD will require the owner to repay the amount owed.
- C. At the discretion of HCD, the HAP contract may provide for vacancy payments to the owner. HCD may only make vacancy payments if:
 1. The owner gives HCD prompt, written notice certifying that the family has vacated the unit and identifies the date when the family moved out (to the best of the owner's knowledge);
 2. The owner certifies that the vacancy is not the fault of the owner and that the unit was vacant during the period for which payment is claimed;

3. The owner certifies that it has taken every reasonable action to minimize the likelihood and length of vacancy; and
4. The owner provides any additional information required and requested by HCD to verify that the owner is entitled to the vacancy payment.
- D. The owner must submit a request for vacancy payments in the form and manner required by HCD and must provide any information or evidentiary support required by HCD to determine the amount of any vacancy payment.
- E. If an owner's HAP contract calls for vacancy payments to be made, and the owner wishes to receive vacancy payments, the owner must have properly notified HCD of the vacancy in accordance with the policy in Section 18-V.G. regarding filling vacancies.
- F. In order for a vacancy payment request to be considered, it must be made within 10 business days of the end of the period for which the owner is requesting the vacancy payment. The request must include the required owner certifications and HCD may require the owner to provide documentation to support the request. If the owner does not provide the information requested by HCD within 10 business days of HCD's request, no vacancy payments will be made.

32.8.C. Tenant Rent To Owner [24 CFR § 983.353; Notice PIH 2019-23]

- A. The tenant rent is the portion of the rent to owner paid by the family. The amount of tenant rent is determined by HCD in accordance with HUD requirements. Any changes in the amount of tenant rent will be effective on the date stated in HCD notice to the family and owner.
- B. The family is responsible for paying the tenant rent (total tenant payment minus the utility allowance). The amount of the tenant rent determined by HCD is the maximum amount the owner may charge the family for rental of a contract unit. The tenant rent covers all housing services, maintenance, equipment, and utilities to be provided by the owner. The owner may not demand or accept any rent payment from the tenant in excess of the tenant rent as determined by HCD. The owner must immediately return any excess payment to the tenant.
- C. Initial Certifications [Notice PIH 2019-23]
 1. For the initial certification, HCD will use the family's public housing tenant rent (reflected on line 10f of the family's most recent 50058) at the date of conversion to calculate HAP and tenant rent for the PBV program. HCD will use this amount until the effective date of the earlier of the family's first regular or interim recertification following the conversion. At that point, HCD will use the family's TTP based on the recertification and the applicable utility allowance (HCV or RAD PBV site-based, as applicable) to determine PBV HAP and tenant rent. Any non-RAD PBV units located in the same project are subject to the same requirements.
- D. Tenant and HCD Responsibilities
 1. The family is not responsible for the portion of rent to owner that is covered by the housing assistance payment and the owner may not terminate the tenancy of an assisted family for nonpayment by HCD.
 2. Likewise, HCD is responsible only for making the housing assistance payment to the owner in accordance with the HAP contract. HCD is not responsible for paying tenant rent, or any other claim by the owner, including damage to the unit. HCD may not use housing assistance payments or other program funds (including administrative fee reserves) to pay any part of the tenant rent or other claim by the owner.

E. Utility Reimbursements

1. If the amount of the utility allowance exceeds the total tenant payment, HCD must pay the amount of such excess to the tenant as a reimbursement for tenant-paid utilities, and the tenant rent to the owner must be zero.
2. HCD may pay the utility reimbursement directly to the family or to the utility supplier on behalf of the family. If HCD chooses to pay the utility supplier directly, HCD must notify the family of the amount paid to the utility supplier.

32.8.D. Phase-In of Tenant Rent Increases [Notice PIH 2019-23]

1. For in-place tenants, if the amount the tenant would pay for rent and utilities (TTP) would increase by more than the greater of 10 percent or \$25 purely as a result of conversion, the rent increase will be phased in over three years. To implement this provision, HUD is waiving section 3(a)(1) of the 1937 Act, as well as 24 CFR § 983.3 (definition of *total tenant payment (TTP)*) only to the extent necessary to allow for phase-in of tenant rent increases. For families who were on EID at the time of conversion to RAD PBV, upon the expiration of the EID, the rent adjustment is not subject to rent phase-in.
2. HCD must communicate this policy in writing to affected residents.
3. HCD will use the family's public housing tenant rent (reflected on line 10f of the family's most recent 50058) at the date of conversion to calculate the family's tenant rent in PBV. HCD will implement a three-year phase-in for in-place families whose TTP increases by more than the greater of 10 percent or \$25 purely as a result of the conversion as follows:
 - Year 1: Any recertification (interim or annual) performed prior to the second annual recertification after conversion: 33 percent of the difference between the most recently paid TTP and the calculated PBV TTP. (If the family was paying flat rent immediately prior to conversion, HCD will use the flat rent amount to calculate phase-in for Year 1.)
 - Year 2: Year 2 annual recertification (AR) and any interim recertification (IR): 50 percent of the difference between the most recently paid TTP and the calculated PBV TTP
 - Year 3: Year 3 AR and all subsequent recertifications: Full calculated TTP
4. Once the standard TTP is equal to or less than the previous TTP, Phase-in ends and tenants will pay full TTP from that point forward.
5. HCD will communicate HCD's phase-in policy in writing to the family at the time HCD first determines that the family qualifies for a rent phase-in. Any non-RAD PBV units located in the same project are also subject to rent phase-in requirements.
6. Upon implementation of HOTMA and HUD's applicable regulations and guideline, effective January 1, 2024, only families currently participating in EID may continue to receive benefits up to 2 years from this date.

32.8.E. Other Fees and Charges [24 CFR § 983.354]

A. Meals and Supportive Services

1. With the exception of PBV assistance in assisted living developments, the owner may not require the tenant to pay charges for meals or supportive services. Non-payment of such charges is not grounds for termination of tenancy.
2. In assisted living developments receiving PBV assistance, the owner may charge for meals or supportive services. These charges may not be included in the rent to owner, nor may the value of meals and supportive services be included in the calculation of the reasonable rent. However, non-payment of such charges is grounds for termination of the lease by the owner in an assisted living development.

B. Other Charges by Owner

1. The owner may not charge extra amounts for items customarily included in rent in the locality or provided at no additional cost to unsubsidized tenants in the premises.

Chapter 33. Emergency Housing Vouchers

33. Introduction

On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARP) (P.L. 117-2). Section 3202 of the ARP appropriated \$5 billion for the creation, administration, and renewal of new incremental emergency housing vouchers (EHVs) and other eligible expenses related to COVID-19.

On May 5, 2021, HUD issued Notice PIH 2021-15, which described HUD's process for allocating approximately 70,000 EHVs to eligible PHAs and set forth the operating requirements for PHAs who administer them. Based on criteria outlined in the notice, HUD notified eligible PHAs of the number of EHVs allocated to their agency, and PHAs were able to accept or decline the invitation to participate in the program.

PHAs may not project-base EHVs; EHVs are exclusively tenant-based assistance.

All applicable nondiscrimination and equal opportunity requirements apply to the EHV program, including requirements that the PHA grant reasonable accommodations to persons with disabilities, effectively communicate with persons with disabilities, and ensure meaningful access for persons with limited English proficiency (LEP).

This chapter describes HUD regulations and PHA policies for administering EHVs. The policies outlined in this chapter are organized into seven sections, as follows:

Part I: Funding

Part II: Partnering Agencies

Part III: Waiting List Management

Part IV: Family Eligibility

Part V: Housing Search and Leasing

Part VI: Use of Funds, Reporting, and Financial Records

Except as addressed by this chapter and as required under federal statute and HUD requirements, the general requirements of the HCV program apply to EHVs.

Part I: Funding

33.1 TPS-I.A. Funding Overview

The American Rescue Plan Act of 2021 (ARP) provides administrative fees and funding for the costs of administering emergency housing vouchers (EHVs) and other eligible expenses defined in Notice PIH 2021-15. These fees may only be used for EHV administration and other eligible expenses and must not be used for or applied to other PHA programs or vouchers. The PHA must maintain separate financial records from its regular HCV funding for all EHV funding.

33.1. A Housing Assistance Payments (HAP) Funding

ARP funding obligated to the PHA as housing assistance payments (HAP) funding may only be used for eligible EHV HAP expenses (i.e., rental assistance payments). EHV HAP funding may not be used for EHV administrative expenses or for the eligible uses under the EHV services fee.

The initial funding term will expire December 31, 2022. HUD will provide renewal funding to the PHA for the EHVs on a calendar year (CY) basis commencing with CY 2023. The renewal funding allocation will be based on the PHA's actual EHV HAP costs in leasing, similar to the renewal process for the regular HCV program. EHV renewal funding is not part of the annual HCV renewal funding formula; EHVs are renewed separately from the regular HCV program. All renewal funding for the duration of the EHV program has been appropriated as part of the ARP funding.

33.1 B Administrative Fee and Funding

The following four types of fees and funding are allocated as part of the EHV program:

- **Preliminary fees** support immediate start-up costs that the PHA will incur in implementing alternative requirements under EHV, such as outreach and coordination with partnering agencies:
 - \$400 per EHV allocated to the PHA, once the consolidated annual contributions contract (CACC) is amended.
 - This fee may be used for any eligible administrative expenses related to EHVs.
 - The fee may also be used to pay for any eligible activities under EHV service fees (TPS-I.B).
- **Placement fees/expedited issuance reporting fees** will support initial lease-up costs and the added cost and effort required to expedite leasing of EHVs:
 - \$100 for each EHV initially leased, if the PHA reports the voucher issuance date in Public Housing Information Center–Next Generation (PIC–NG) system within 14 days of voucher issuance or the date the system becomes available for reporting.

- Placement fees:
 - o \$500 for each EHV family placed under a HAP contract effective within four months of the effective date of the ACC funding increment; or
 - o \$250 for each EHV family placed under a HAP contract effective after four months but less than six months after the effective date of the ACC funding increment.
 - o HUD will determine placement fees in the event of multiple EHV allocations and funding increment effective dates.
- Placement/expedited issuance fees only apply to the initial leasing of the voucher; they are not paid for family moves or to turnover vouchers.
- **Ongoing administrative fees**, which are calculated in the same way as the standard HCV program:
 - PHAs are allocated administrative fees using the full column A administrative fee amount for each EHV under contract as of the first day of each month.
 - Ongoing EHV administrative fees may be subject to proration in future years, based on available EHV funding.
- **Services fees**, which are a one-time fee to support PHAs' efforts to implement and operate an effective EHV services program in its jurisdiction (TPS-I.B):
 - The fee is allocated once the PHA's CACC is amended to reflect EHV funding.
 - The amount allocated is \$3,500 for each EHV allocated.

33.1 C TPS-I.B. Service Fees

Services fee funding must be initially used for defined eligible uses and not for other administrative expenses of operating the EHV program. Service fees fall into four categories:

- Housing search assistance
- Security deposit/utility deposit/rental application/holding fee uses
- Owner-related uses
- Other eligible uses such as moving expenses or tenant-readiness services

The PHA must establish the eligible uses and the parameters and requirements for service fees in the PHA's administrative plan.

HCD Policy

HCD eligible use of service fees will include:

Housing search assistance, which may include activities such as, but not limited to, helping a family identify and visit potentially available units during their housing search, helping to find a unit that meets the household's disability-related needs, providing transportation and directions, assisting with the completion of rental applications and PHA forms, and helping to expedite the EHV leasing process for the family.

Application fees/non-refundable administrative or processing fees/refundable application deposit assistance. The PHA may choose to assist the family with some or all these expenses.

Holding fees are fees an owner request that are rolled into the security deposit after an application is accepted but before a lease is signed. HCD may cover part or all the holding fee for units where the fee is required by the owner after a tenant's application has been accepted but before the lease signing. The owner will be allowed to keep the holding fee whether the unit passes or does not pass inspection. In general, owners need to accept responsibility for making needed repairs to a unit required by the initial housing quality standards (HQS) inspections and can only keep the holding fee if the client is at fault for not entering into a lease.

Security deposit assistance. The amount of the security deposit assistance may not exceed the lesser of two months' rent to owner, the maximum-security deposit allowed under applicable state and/or local law, or the actual security deposit required by the owner. The HCD will pay the security deposit directly to the owner. HCD will pay up to two month's rent in security deposit, if applicable.

Verification:

- Once a signed lease and HAP is received, the HCD will pay up to two month's rent in security deposit to the owner with the first HAP check pursuant to the amount listed in the lease and required by the owner.

Utility deposit assistance/utility arrears. The PHA may provide utility deposit assistance for some or all of the family's utility deposit expenses. Assistance can be provided for deposits (including connection fees) required for the utilities to be supplied by the tenant under the lease. The PHA may pay the utility deposit assistance directly to the utility company or may pay the assistance to the family. If paid to the family, the PHA will require documentation the family paid the utility deposit. The PHA will require the utility supplier or family to return the utility deposit assistance to the PHA at such time the deposit is returned by the utility supplier (less any amounts retained by the utility supplier). In addition, some families may have large balances with gas, electric, water, sewer, or trash companies that will make it difficult if not impossible to establish services for tenant-supplied utilities. The PHA may also provide the family with assistance to help address these utility arrears to facilitate leasing. Utility deposit assistance returned to the PHA will be used for either services fee eligible uses or other EHV administrative costs, as required by HUD.

Owner recruitment and outreach for EHV's. The PHA may use the service fee funding to conduct owner recruitment and outreach specifically for EHV's. In addition to traditional owner recruitment and outreach, activities may include conducting pre-inspections or otherwise expediting the inspection process, providing enhanced customer service, and offering owner incentive and/or retention payments.

Owner incentive and/or retention payments. The PHA may make incentive or retention payments to owners that agree to initially lease their unit to an EHV family and/or renew the lease of an EHV family.

Payments will be made as a single payment at the beginning of the assisted lease term (or lease renewal if a retention payment). Owner incentive and retentions payments are not

housing assistance payments, are not part of the rent to owner, and are not taken into consideration when determining whether the rent for the unit is reasonable. HCD will pay a one-time \$100 EHV signing bonus to owners who enter into a HAP contract with an EHV participant.

Verification

- Once a signed lease and HAP is received, the HCD will pay a \$100 EHV signing bonus with the first HAP check.

Moving expenses (including move-in fees and deposits). The PHA may provide assistance for some or all of the family's reasonable moving expenses when they initially lease a unit with the EHV. The PHA will not provide moving expenses assistance for subsequent moves unless the family is required to move for reasons other than something the family did or failed to do (e.g., the PHA is terminating the HAP contract because the owner did not fulfill the owner responsibilities under the HAP contract or the owner is refusing to offer the family the opportunity to enter a new lease after the initial lease term, as opposed to the family choosing to terminate the tenancy in order to move to another unit), or a family has to move due to domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

Essential household items may be included in moving expenses paid. The PHA may use services fee funding to assist the family with some or all of the costs of acquiring essential household items such as tableware, cooking equipment, beds or bedding, and essential sanitary products such as soap and toiletries.

The HCD will use the following guidelines to reimburse the family for a fixed amount in moving expenses as follows:

State	Voucher Size and Payment							
	0 BR	1 BR	2 BR	3 BR	4 BR	5 BR	6 BR	7BR
Florida	750	900	1075	1,250	1,400	1,550	1,600	1,850

Verification

- Certification from the CoC that moving expenses are needed

Tenant-readiness services. The PHA may use fees to help create a customized plan to address or mitigate barriers that individual families may face in renting a unit with an EHV, such as negative credit, lack of credit, negative rental or utility history, or to connect the family to other community resources (including COVID-related resources) that can assist with rental arrears.

Renter's insurance if required by the lease. The PHA may choose to assist the family with some or all this cost.

The HCD will pay a maximum of \$3,500 per EHV family in service fees. Any services fee assistance that is returned to the PHA after its initial or subsequent use may only be applied to the eligible services fee uses defined in Notice PIH 2021-15 (or subsequent notice) or other EHV administrative costs. Any amounts not expended for these eligible uses when the PHA's EHV program ends must be remitted to HUD.

Part II: Partnering Agencies

33.2 TPS-II.A. Continuum of Care (CoC)

PHAs that accept an allocation of EHV's are required to enter into a Memorandum of Understanding (MOU) with the Continuum of Care (CoC) to establish a partnership for the administration of EHV's.

HCD Policy

The PHA has entered into an MOU with *The Miami-Dade Homeless Trust (CoC)*. See Exhibit TPS-1 for a copy of the MOU.

33.2 A TPS-II.B. Other Partnering Organizations

The PHA may, but is not required to, partner with other organizations trusted by persons experiencing homelessness, such as victim services providers (VSPs) and other community partners. If the PHA chooses to partner with such agencies, the PHA must either enter into an MOU with the partnering agency or the partnering agency may be added to the MOU between the PHA and CoC.

HCD Policy

The HCD has not added additional partners to the MOU.

33.2 B TPS-II.C. Referrals

CoC and Partnering Agency Referrals

The primary responsibility of the CoC under the MOU with the PHA is to make direct referrals of qualifying individuals and families to the PHA. The PHA must generally refer a family that is seeking EHV assistance directly from the PHA to the CoC or other referring agency for initial intake, assessment, and possible referral for EHV assistance. Partner CoCs are responsible for determining whether the family qualifies under one of the four eligibility categories for EHV's. The CoC or other direct referral partner must provide supporting documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance.

HCD Policy

The CoC or partnering agency must establish and implement a system to identify EHV-eligible individuals and families within the agency's caseload and make referrals to the PHA. The CoC or other partnering agency must certify that the EHV applicants they refer to the PHA meet at least one of the four EHV eligibility criteria. The PHA will maintain a copy of the referral or certification from the CoC or other partnering agency in the participant's file along with other eligibility paperwork. Homeless service providers may, but are not required to, use the certification form found in Exhibit TPS-2 of this chapter. Victim services providers may, but are not required to, use the certification form found in Exhibit TPS-3 of this chapter when identifying eligible families who qualify as victims of human trafficking.

As part of the MOU, the PHA and CoC or other partnering agency will identify staff positions to serve as lead EHV liaisons. These positions will be responsible for transmission and acceptance of referrals. The CoC or partnering agency must commit

sufficient staff and resources to ensure eligible individuals and families are identified and determined eligible in a timely manner.

The PHA liaison responsible for acceptance of referrals will contact the CoC or partnering agency liaison via email indicating the number of vouchers available and requesting an appropriate number of referrals. No more than five business days from the date the CoC or partnering agency receives this notification, the CoC or partnering agency liaison will provide the PHA with a list of eligible referrals including the name, address, and contact phone number for each adult individual who is being referred; a completed release form for each adult family member; and a written certification for each referral indicating they are EHV-eligible.

33.2 C Offers of Assistance with CoC Referral

The PHA may make an EHV available without a referral from the CoC or other partnering organization in order to facilitate an emergency transfer under VAWA in accordance with the PHA's Emergency Transfer Plan (ETP).

The PHA must also take direct referrals from outside the CoC if:

- The CoC does not have a sufficient number of eligible families to refer to the PHA; or
- The CoC does not identify families that may be eligible for EHV assistance because they are fleeing, or attempting to flee, domestic violence, economic abuse, technological abuse, dating violence, sexual assault, stalking or human trafficking.

If at any time the PHA is not receiving enough referrals or is not receiving referrals in a timely manner from the CoC or other partner referral agencies (or the PHA and CoC cannot identify any such alternative referral partner agencies), HUD may permit the PHA on a temporary or permanent basis to take EHV applications directly from applicants and admit eligible families to the EHV program in lieu of or in addition to direct referrals in those circumstances.

Part III: Waiting List Management

33.3 TPS-III. A. HCV Waiting List

The regulation that requires the PHA to admit applicants as waiting list admissions or special admissions in accordance with admission policies in Chapter 2 does not apply to PHAs operating the EHV program. Direct referrals are not added to the PHA's HCV waiting list.

The PHA must inform families on the HCV waiting list of the availability of EHV by, at a minimum, either by posting the information to their website or providing public notice in their respective communities in accordance with the requirements listed in Notice PIH 2021-15.

HCD Policy

The PHA will post information about the EHV program for families on the PHA's HCV waiting list on their website. The notice will:

- Describe the eligible populations to which EHV are limited.
- Clearly state that the availability of these EHV is managed through a direct referral process.
- Advise the family to contact the CoC if the family believes they may be eligible for EHV assistance .

The PHA will ensure effective communication with persons with disabilities, including those with vision, hearing, and other communication-related disabilities in accordance

with Chapter 2. The PHA will also take reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP) in accordance with Chapter 2.

33.3 A TPS-III.B. EHV Waiting List

The HCV regulations requiring the PHA to operate a single waiting list for admission to the HCV program do not apply to PHAs operating the EHV program. Instead, when the number of applicants referred by the CoC or partnering agency exceeds the EHV's available, the PHA must maintain a separate waiting list for EHV referrals, both at initial leasing and for any turnover vouchers that may be issued prior to September 30, 2023.

Further, the EHV waiting list is not subject to PHA policies in Chapter 2 regarding opening and closing the HCV waiting list. The PHA will work directly with its CoC and other referral agency partners to manage the number of referrals and the size of the EHV waiting list.

33.3 B TPS-III.C. Preferences HCV Waiting List Preferences

If local preferences are established by the PHA for HCV, they do not apply to EHV's. However, if the PHA has a homeless preference or a VAWA preference for the HCV waiting list, the PHA must adopt additional policies related to EHV's in accordance with Notice PIH 2021-15.

HCD Policy

HCD maintains its HCV tenant-based admission preference to address the risk of homelessness. HCD may collaborate with the Homeless Trust on referrals of persons transitioning out of a shelter, transitional housing program, rapid re-housing program or permanent supportive housing.

Part IV: Family Eligibility

33.4 TPS-IV.A. Overview

The CoC or referring agency determines whether the individual or family meets any one of the four eligibility criteria described in Notice PIH 2021-15 and then refers the family to the PHA. The PHA determines that the family meets other eligibility criteria for the HCV program, as modified for the EHV program and outlined below.

33.4. A TPS-IV.B. Referring Agency Determination of Eligibility

In order to be eligible for an EHV, an individual or family must meet one of four eligibility criteria:

- Homeless as defined in 24 CFR 578.3;
- At risk of homelessness as defined in 24 CFR 578.3;
- Fleeing, or attempting to flee, domestic violence, economic abuse, technological abuse, dating violence, sexual assault, stalking (as defined in Notice PIH 2021-15), or human trafficking (as defined in the 22 U.S.C. Section 7102); or
- Recently homeless and for whom providing rental assistance will prevent the family's homelessness or having high risk of housing instability as determined by the CoC or its designee in accordance with the definition in Notice PIH 2021-15.

As applicable, the CoC or referring agency must provide documentation to the PHA of the referring agency's verification that the family meets one of the four eligible categories for EHV assistance. The PHA must retain this documentation as part of the family's file.

TPS-IV.C. PHA Screening Overview

HUD waived 24 CFR 982.552 and 982.553 in part for the EHV applicants and established alternative requirement for mandatory and permissive prohibitions of admissions. Except where applicable, PHA policies regarding denials in the HCV Administrative Plan of this policy do not apply to screening individuals and families for eligibility for an EHV. Instead, the EHV alternative requirement listed in this section will apply to all EHV applicants.

The mandatory and permissive prohibitions listed in Notice PIH 2021-15 and in this chapter, however, apply only when screening the individual or family for eligibility for an EHV. When adding a family member after the family has been placed under a HAP contract with EHV assistance, the regulations at 24 CFR 982.551(h)(2) apply. Other than the birth, adoption, or court-awarded custody of a child, the PHA must approve additional family members and may apply its regular HCV screening criteria in the HCV Administrative Plan in doing so.

Mandatory Denials

Under alternative requirements for the EHV program, mandatory denials for EHV applicants include:

- 24 CFR 982.553(a)(1)(ii)(C), which prohibits admission if any household member has ever been convicted of drug-related criminal activity for manufacture or production of methamphetamine on the premises of federally assisted housing.
- 24 CFR 982.553(a)(2)(i), which prohibits admission to the program if any member of the household is subject to a lifetime registration requirement under a state sex offender registration program.

The PHA must deny admission to the program if any member of the family fails to sign and submit consent forms for obtaining information as required by 24 CFR 982.552(b)(3) but should notify the family of the limited EHV grounds for denial of admission first.

HCD Policy

While the PHA will deny admission to the program if any adult member (or head of household or spouse, regardless of age) fails to sign and submit consent forms, the PHA will first notify the family of the limited EHV grounds for denial of admission as part of the notice of denial that will be mailed to the family.

Permissive Denial

Notice PIH 2021-15 lists permissive prohibitions for which the PHA may, but is not required to, deny admission to EHV families. The notice also lists prohibitions that, while allowable under the HCV program, may not be used to deny assistance for EHV families.

If the PHA intends to establish permissive prohibition policies for EHV applicants, the PHA must first consult with its CoC partner to understand the impact that the proposed prohibitions may have on referrals and must take the CoC's recommendations into consideration.

HCD Policy

In consultation with the CoC, the PHA will apply permissive prohibition to the screening of EHV applicants. Determinations using permissive prohibitions will be made based on an individualized assessment of relevant mitigating information in accordance with policies in Section 3-III.E.

The PHA will establish the following permissive prohibitions:

If the PHA determines that any household member is currently engaged in, or has engaged in within the previous 12 months:

- Violent criminal activity

- Other criminal activity that may threaten the health, safety, or right to peaceful enjoyment of the premises by other residents or persons residing in the immediate vicinity

If any member of the family has committed fraud, bribery, or any other corrupt or criminal act in connection with any federal housing program within the previous 12 months.

If the family engaged in or threatened abusive or violent behavior toward PHA personnel within the previous 12 months.

The PHA will also deny assistance to household members already receiving assistance from another program in accordance with Section 9.h. of Notice PIH 2021-15.

Prohibitions based on criminal activity for the eligible EHV populations regarding drug possession will be considered apart from criminal activity against persons (i.e., violent criminal activity).

In compliance with PIH 2021-15, the PHA **will not** deny an EHV applicant admission regardless of whether:

- Any member of the family has been evicted from federally assisted housing in the last five years;

- A PHA has ever terminated assistance under the program for any member of the family;

- The family currently owes rent or other amounts to the PHA or to another PHA in connection with Section 8 or public housing assistance under the 1937 Act;

- The family has not reimbursed any PHA for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the lease;

- The family breached an agreement with the PHA to pay amounts owed to a PHA, or amounts paid to an owner by a PHA;

- The family would otherwise be prohibited admission under alcohol abuse standards established by the PHA in accordance with 24 CFR 982.553(a)(3);

- The PHA determines that any household member is currently engaged in or has engaged in during a reasonable time before the admission, drug-related criminal activity.

TPS-IV.D. Income Verification at Admission Self-Certification at Admission

The requirement to obtain third-party verification of income in accordance with Notice PIH 2018- 18 does not apply to the EHV program applicants at admission, and alternatively, PHAs may consider self-certification the highest form of income verification at admission. As such, PHA policies related to the verification of income in Section 7-I.B. do not apply to EHV families at admission. Instead, applicants must submit an affidavit attesting to their reported income, assets, expenses, and other factors that would affect an income eligibility determination.

Additionally, applicants may provide third-party documentation that represents the applicant's income within the 60-day period prior to admission or voucher issuance but is not dated within 60 days of the PHA's request.

HCD Policy

Any documents used for verification must be the original (not photocopies) and dated within the 60-day period prior to admission. The documents must not be damaged, altered, or in any way illegible.

Printouts from webpages are considered original documents.

Any family self-certifications must be made in a format acceptable to HCD and must be signed by the family member whose information or status is being verified.

HCD will incorporate additional procedures to remind families of the obligation to provide true and complete information in accordance with this Administrative Plan. HCD will address any material discrepancies (i.e., unreported income or a substantial difference in reported income) that may arise later. HCD may, but is not required to, offer the family a repayment agreement in accordance with Chapter 16. If the family fails to repay the excess subsidy, HCD will terminate the family's assistance in accordance with the policies in this Administrative Plan.

Recently Conducted Income Determinations

HCD may accept income calculations and verifications from third-party providers or from an examination that HCD conducted on behalf of the family for another subsidized housing program in lieu of conducting an initial examination of income as long as:

- The income was calculated in accordance with rules outlined at 24 CFR Part 5 and within the last six months; and
- The family certifies there has been no change in income or family composition in the interim.

HCD Policy

HCD will accept income calculations and verifications from third-party providers provided they meet the criteria outlined above.

The family certification must be made in a format acceptable to HCD and must be signed by all adult family members whose information or status is being verified.

At the time of the family's annual reexamination the HCD must conduct the annual reexamination of income as outlined at 24 CFR 982.516 and HCD policies in this Administrative Plan.

EIV Income Validation

Once HUD makes the EIV data available to PHAs under this waiver and alternative requirement, HCD must:

- Review the EIV Income and Income Validation Tool (IVT) reports to confirm and validate family-reported income within 90 days of the PIC submission date;
- Print and maintain copies of the EIV Income and IVT Reports in the tenant file; and
- Resolve any income discrepancy with the family within 60 days of the EIV Income or IVT Report dates.

Prior to admission, PHAs must continue to use HUD's EIV system to search for all household members using the Existing Tenant Search in accordance with PHA policies in the HCV Administrative Plan.

If HCD later determines that an ineligible family received assistance, HCD must take steps to terminate that family from the program in accordance with this Administrative Plan.

TPS-IV.E. Social Security Number and Citizenship Status Verification

For the EHV program, the PHA is not required to obtain and verify SSN documentation and documentation evidencing eligible noncitizen status before admitting the family to the EHV program. Instead, PHAs may adopt policies to admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. As an alternative requirement, such individuals must provide the required documentation within 180 days of admission to be eligible for continued assistance, pending verification, unless the PHA provides an extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

HCD Policy

HCD will admit EHV applicants who are unable to provide the required SSN or citizenship documentation during the initial eligibility determination. These individuals must provide the required documentation in accordance with policies in this Administrative Plan within 180 days of admission. The PHA may provide an additional 60-day extension based on evidence from the family or confirmation from the CoC or other partnering agency that the family has made a good-faith effort to obtain the documentation.

If HCD determines that an ineligible family received assistance, HCD will take steps to terminate that family from the program in accordance with policies in this administrative plan.

TPS-IV.F. Age and Disability Verification

HCD may accept self-certification of date of birth and disability status if a higher level of verification is not immediately available. If self-certification is used, the PHA must obtain a higher level of verification within 90 days of admission or verify the information in EIV.

If a PHA determines that an ineligible family received assistance, the PHA must take steps to terminate that family from the program.

HCD Policy

HCD will accept self-certification of date of birth and disability status if a higher form of verification is not immediately available. The certification must be made in a format acceptable to the PHA and must be signed by the family member whose information or status is being verified. If self-certification is accepted, within 90 days of admission, the PHA will verify the information in EIV or through other third-party verification if the information is not available in EIV. The PHA will note the family's file that self-certification was used as initial verification and include an EIV printout or other third-party verification confirming the applicant's date of birth and/or disability status.

If the PHA determines that an ineligible family received assistance, the PHA will take steps to terminate that family from the program in accordance with policies in this Administrative Plan.

TPS-IV.G. Income Targeting

The PHA must determine income eligibility for EHV families in accordance with 24 CFR 982.201 and Miami-Dade HCD Policy in the HCV Administrative Plan; however, income targeting requirements do not apply for EHV families. The PHA may still choose to include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

HCD Policy

The PHA will not include the admission of extremely low-income EHV families in its income targeting numbers for the fiscal year in which these families are admitted.

Part V: Housing Search and Leasing

TPS-V.A. Initial Voucher Term

EHV vouchers must have an initial search term of at least 120 days. PHA policies on extensions as outlined in Section 5-II.E. will apply.

HCD Policy

All EHV's will have an initial term of 120 calendar days.

The family must submit a Request for Tenancy Approval and proposed lease within the 120-day period unless the PHA grants an extension.

TPS-V.B. Housing Search Assistance

The PHA must ensure housing search assistance is made available to EHV families during their initial housing search. The housing search assistance may be provided directly by the PHA or through the CoC or another partnering agency or entity.

At a minimum, housing search assistance must:

- Help individual families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods;
- Provide transportation assistance and directions to potential units;
- Conduct owner outreach;
- Assist with the completion of rental applications and PHA forms; and
- Help expedite the EHV leasing process for the family

HCD Policy

As identified in the MOU between the PHA and CoC, the following housing search assistance will be provided to each EHV family:

A. HCD will:

- Conduct owner outreach in accordance with policies in this administrative plan.
- Provide directions to potential units as part of the EHV briefing packet.
- Expedite the EHV leasing process for the family to the extent practicable and in accordance with policies in this chapter.
- At least every 30 days, conduct proactive check-ins via email and telephone with families who are searching with an EHV and remind them of their voucher expiration date.

- Assign a dedicated landlord liaison for EHV voucher families.
- B. The CoC will:
- Help families identify potentially available units during their housing search, including physically accessible units with features for family members with disabilities, as well as units in low-poverty neighborhoods.
 - Provide transportation assistance to potential units.
 - Assist the family with the completion of rental applications and HCD forms.
- C. The four main components comprised of specific activities of the EHV services fee as described in Notice PIH 2023-23 and outline below:
1. Housing Search Assistance
 2. Security Deposit/Utility Deposit/Rental Application/Holding Fee Uses /Arrears
 - Application fees/non-refundable administrative or processing fees /refundable application deposit assistance.
 - Holding fees.
 - Security deposit assistance.
 - Utility deposit assistance/utility arrears.
 - Rental arrears to private landlords for admission.
 3. Owner-related uses
 - Owner recruitment and outreach.
 - Owner incentive and/or retention payments.
 4. Other eligible uses
 - Moving expenses.
 - Pre-tenancy services and services that support EHV families in fulfilling their family obligations under the EHV program.
 - Essential household items as outlined in Notice PIH 2020-23.

TPS-V.C. HQS Pre-Inspections

To expedite the leasing process, PHAs may pre-inspect available units that EHV families may be interested in leasing in order to maintain a pool of eligible units.

HCD Policy

To expedite the leasing process, the PHA may pre-inspect available units that EHV families may be interested in leasing to maintain a pool of eligible units. If an EHV family selects a unit that passed a HQS pre-inspection (without intervening occupancy) within 45 days of the date of the Request for Tenancy Approval, the unit may be approved provided that it meets all other conditions under 24 CFR 982.305.

The family will be free to select their unit.

When a pre-inspected unit is not selected, the PHA will make every effort to fast-track the inspection process, including adjusting the normal inspection schedule for any required re-inspections.

TPS-V.D. Initial Lease Term

Unlike in the standard the HCV program, EHV voucher holders may enter into an initial lease that is for less than 12 months, regardless of the HCD Policy in Section 9-I.E., Term of Assisted Tenancy.

TPS-V.E. Portability

The normal HCV portability procedures and requirements outlined in this Administrative Plan generally apply to EHVs. Exceptions are addressed below.

Nonresident Applicants

Under EHV, applicant families may move under portability even if the family did not have legal residency in the jurisdiction of the initial PHA when they applied, regardless of HCD Policy in Section 10-II.B.

Billing and Absorption

A receiving PHA cannot refuse to assist an incoming EHV family, regardless of whether the PHA administers EHVs under its own ACC.

- If the EHV family moves under portability to another PHA that administers EHVs under its own ACC:
 - The receiving PHA may only absorb the incoming EHV family with an EHV (assuming it has an EHV voucher available to do so).
 - If the PHA does not have an EHV available to absorb the family, it must bill the initial PHA. The receiving PHA must allow the family to lease the unit with EHV assistance and may not absorb the family with a regular HCV when the family leases the unit.
 - Regardless of whether the receiving PHA absorbs or bills the initial PHA for the family's EHV assistance, the EHV administration of the voucher is in accordance with the receiving PHA's EHV policies.
- If the EHV family moves under portability to another PHA that does not administer EHV under its own ACC, the receiving PHA may absorb the family into its regular HCV program or may bill the initial PHA.

Family Briefing

In addition to the applicable family briefing requirements at 24 CFR 982.301(a)(2) as to how portability works and how portability may affect the family's assistance, the initial PHA must inform the family how portability may impact the special EHV services and assistance that may be available to the family.

The initial PHA is required to help facilitate the family's portability move to the receiving PHA and inform the family of this requirement in writing, taking reasonable steps to ensure meaningful access for persons with limited English proficiency (LEP).

HCD Policy

In addition to following HCD Policy on briefings in this Administrative Plan, as part of the briefing packet for EHV families, the PHA will include a written notice that the PHA will assist the family with moves under portability.

For limited English proficient (LEP) applicants, the PHA will provide interpretation services in accordance with the PHA's LEP plan (See Chapter 2).

Coordination of Services

If the portability move is in connection with the EHV family's initial lease-up, the receiving PHA and the initial PHA must consult and coordinate on the EHV services and assistance that will be made available to the family.

HCD Policy

For EHV families who are exercising portability, when the PHA contacts the receiving PHA in accordance with Section 10-II.B. Preapproval Contact with Receiving PHA, the PHA will consult and coordinate with the receiving PHA to ensure there is no duplication of EHV services and assistance, and ensure the receiving PHA is aware of the maximum amount of services fee funding that the initial PHA may provide to the receiving PHA on behalf of the family.

Services Fee

Standard portability billing arrangements apply for HAP and ongoing administrative fees for EHV families.

For service fees funding, the amount of the service fee provided by the initial PHA may not exceed the lesser of the actual cost of the services and assistance provided to the family by the receiving PHA or \$1,750, unless the initial PHA and receiving PHA mutually agree to change the \$1,750 cap. Service fees are paid as follows:

- If the receiving PHA, in consultation and coordination with the initial PHA, will provide eligible services or assistance to the incoming EHV family, the receiving PHA may be compensated for those costs by the initial PHA, regardless of whether the receiving PHA bills or absorbs.
- If the receiving PHA administers EHV, the receiving PHA may use its own services fee and may be reimbursed by the initial PHA, or the initial PHA may provide the services funding upfront to the receiving PHA for those fees and assistance.
- If the receiving PHA does not administer EHV, the initial PHA must provide the services funding upfront to the receiving PHA. Any amounts provided to the receiving PHA that are not used for services or assistance on behalf of the EHV family must promptly be returned by the receiving PHA to the initial PHA.

Placement Fee/Issuance Reporting Fee

If the portability lease-up qualifies for the placement fee/issuance reporting fee, the receiving PHA receives the full amount of the placement component of the placement fee/issuance reporting fee. The receiving PHA is eligible for the placement fee regardless of whether the receiving PHA bills the initial PHA or absorbs the family into its own program at initial lease-up. The initial PHA qualifies for the issuance reporting component of the placement fee/issuance reporting fee, as applicable.

TPS-V.F. Payment Standards Payment Standard Schedule

For the EHV program, HUD has waived the regulation requiring a single payment standard for each unit size. Instead, the PHA may, but is not required to, establish separate higher payment standards for EHV. Lower EHV payment standards are not permitted. If the PHA is increasing the regular HCV payment standard, the PHA must also increase the EHV payment standard if it would be otherwise lower than the new regular HCV payment standard. The separate EHV payment standard must comply with all other HCV requirements with the exception of the alternative requirements discussed below.

Further, if the PHA chooses to establish higher payments standards for EHV, HUD has provided other regulatory waivers:

- Defining the “basic range” for payment standards as between 90 and 120 percent of the published Fair Market Rent (FMR) for the unit size (rather than 90 to 110 percent).
- Allowing a PHA that is not in a designated Small Area FMR (SAFMR) area or has not

opted to voluntarily implement SAFMRs to establish exception payment standards for a ZIP code area above the basic range for the metropolitan FMR based on the HUD published SAFMRs. The PHA may establish an exception payment standard up to 120 percent (as opposed to 110 percent) of the HUD published Small Area FMR for that ZIP code area. The exception payment standard must apply to the entire ZIP code area.

- The PHA must notify HUD if it establishes an EHV exception payment standard based on the SAFMR.

HCD Policy

PHD will not establish a higher payment standard amount for EHV. HCD will use the same payment standards for HCV and EHV.

Rent Reasonableness

All rent reasonableness requirements apply to EHV units, regardless of whether the PHA has established an alternative or exception EHV payment standard.

Increases in Payment Standards

The requirement that the PHA apply increased payment standards at the family's first regular recertification on or after the effective date of the increase does not apply to EHV. The PHA may, but is not required to, establish an alternative policy on when to apply the increased payment standard, provided the increased payment standard is used to calculate the HAP no later than the effective date of the family's first regular reexamination following the change.

HCD Policy

HCD will not establish an alternative policy for increases in the payment standard. HCD Policy in Section 11-III.B. governing increases in payment standards will apply to EHV.

TPS-V.G. Termination of Vouchers

After September 30, 2023, a PHA may not reissue EHV when assistance for an EHV-assisted family ends. This means that when an EHV participant (a family that is receiving rental assistance under a HAP contract) leaves the program for any reason, the PHA may not reissue that EHV to another family unless it does so no later than September 30, 2023.

If an applicant family that was issued the EHV is unsuccessful in finding a unit and the EHV expires after September 30, 2023, the EHV may not be reissued to another family.

All EHV under lease on or after October 1, 2023, may not under any circumstances be reissued to another family when the participant leaves the program for any reason.

An EHV that has never been issued to a family may be initially issued and leased after September 30, 2023, since this prohibition only applies to EHV that are being reissued upon turnover after assistance to a family has ended. However, HUD may direct PHAs administering EHV to cease leasing any unleased EHV if such action is determined necessary by HUD to ensure there will be sufficient funding available to continue to cover the HAP needs of currently assisted EHV families.

Part VI: Use of Funds, Reporting, And Financial Records

EHV funds allocated to the PHA for HAP (both funding for the initial allocation and HAP renewal funding) may only be used for eligible EHV HAP purposes. EHV HAP funding obligated to the PHA may not be used for EHV administrative expenses or the other EHV eligible expenses under this notice. Likewise, EHV administrative fees and funding obligated

to the PHA are to be used for those purposes and must not be used for HAP.

The appropriated funds for EHV are separate from the regular HCV program and may not be used for the regular HCV program but may only be expended for EHV eligible purposes. EHV HAP funds may not roll into the regular HCV restricted net position (RNP) and must be tracked and accounted for separately as EHV RNP. EHV administrative fees and funding for other eligible expenses permitted by Notice PIH 2021-15 may only be used in support of the EHV and cannot be used for regular HCVs. EHV funding may not be used for the repayment of debts or any amounts owed to HUD by HUD program participants including, but not limited to, those resulting from Office of Inspector General (OIG), Quality Assurance Division (QAD), or other monitoring review findings.

The PHA must comply with EHV reporting requirements in the Voucher Management System (VMS) and Financial Data Schedule (FDS) as outlined in Notice PIH 2021-15.

The PHA must maintain complete and accurate accounts and other records for the program and provide HUD and the Comptroller General of the United States full and free access to all accounts and records that are pertinent the administration of the EHV in accordance with the HCV program requirements at 24 CFR 982.158.

HCD will give primary consideration to the choice expressed by the individual. "Primary consideration" means that HCD will honor the choice, unless it can show that another equally effective means of communication is available; or, that use of the means chosen would result in a fundamental alteration in the nature of its service, program, or activity or in an undue financial and administrative burden.

The individual will submit their request for auxiliary aids or services to the appropriate HCD staff person designated below. All requests shall be dated and time-stamped upon receipt by the appropriate HCD staff person.

Within forty-eight (48) hours of receipt of the individual's request, the designated HCD staff person will consult with the individual with the disability when the preferred type of auxiliary aid or service is not available or not required, and the staff person is attempting to ascertain whether an alternative means of communication will ensure effective communication.

Within five (5) business days following receipt of the effective communication request(s), the designated HCD staff person will provide the requesting individual with notification of the proposed auxiliary aid or service to be provided.

The ADA Coordinator will maintain copies of all requests for effective communication and, including final disposition, for the duration of this Agreement.

Individual requests for Effective Communication will be directed to the following HCD officials:

Resident Requests:

HCD resident requests for auxiliary aids or services should be made to the AMP administrator at the resident's development.

The grievance may be communicated orally or in writing.

However, all oral grievances must be reduced to writing and maintained in HCD's files. In addition, HCD shall provide assistance to any individual who requests assistance in filing a grievance, including assistance in reducing the individual's grievance to writing. All grievances shall be dated and time-stamped.

Within seventy-two (72) hours of receipt, HCD's Section 504/ADA Coordinator will respond to the individual's grievance.

The Section 504/ADA Coordinator will provide their formal decision, in writing, within ten (10) business days after receipt of the grievance.

INTRODUCTION:

Policy Statement:

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of HCD's programs, services and activities. Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a HCD policy, HCD will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden or would be neither reasonable nor necessary. In such a case, HCD will make another accommodation that will not result in a financial or administrative burden or be either unreasonable or unnecessary.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

HCD will post a copy of these Reasonable Accommodation Policies and Procedures in the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of these Reasonable Accommodation Policies and Procedures, upon request, from Applicant Leasing Center Eligibility Interviewers, Public Housing AMP administrators, Section 8 Leasing and Contract Specialists, and HCD's ADA Coordinator.

For those who do not qualify as a person with a disability as defined by the Fair Housing Amendments Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, but who have a need for an accommodation because of a physical or mental impairment, HCD may still provide an accommodation to meet that need contingent upon reasonableness and availability of resources.

Legal Authority:

HCD is subject to Federal, state and local civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations:

See Section 504 of the Rehabilitation Act of 1973 (Section 504)¹; Title II of the Americans with Disabilities Act of 1990 (ADA)²; the Fair Housing Act of 1968, as amended (Fair Housing Act)³; the Architectural Barriers Act of 1968⁴, and the respective implementing regulations for each Act, State of Florida Statutes Sections 760.20-760.37, and Chapter 11A, *et. seq.* of the Code of Miami-Dade County.

³ 42 U.S.C. §§ 3601-20; 24 C.F.R. Part 100.

General Policy Information:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by HCD through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular program and individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs of the individual as well as the nature of the program or activity in which the individual seeks to participate.

Information and documentation regarding the policy of reasonable accommodations will be given to applicants, residents and program participants during the admission and occupancy cycle, including but not limited to during the recertification process, and upon request (see "Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests", page 10). Forms and other documents used for applicants, residents and program participants will, to the extent feasible, be written in plain, intelligible language. When appropriate, HCD will provide documents in accessible formats, provide

auxiliary aids, or, upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. The request may be made in any manner that is convenient for the person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

HCD will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, HCD will make modifications in order to enable a qualified applicant/resident with disabilities to live in the housing, but is not required to offer housing of a fundamentally different nature. The test is whether, with appropriate modifications, the applicant/resident can live in the housing that HCD offers; not whether the applicant/resident could benefit from some other type of housing that HCD does not offer.

DEFINITIONS:

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS:

To facilitate communication with persons with disabilities, HCD shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and to enjoy, the benefits of programs and activities. However, HCD is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, HCD shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that HCD, when necessary and appropriate, readily supplies to applicants, residents and program participants include but are not limited to:

1. Allowing transfers to another dwelling upon verification by a qualified verification source of a disability-based need for the transfer.
2. Providing additional explanation of program rules and requirements.

8. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), Assisted Listening Device (ALD), a qualified sign language interpreter, or a reader, when necessary for effective communication between HCD and an applicant, resident or program participant.
9. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
10. Allowing the use of assistive animals.
11. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant, resident, or program participant. If the applicant/resident/program participant requests such consideration or if more information is required, HCD will ask the applicant/resident/program participant to verify:
 - a. that the applicant/resident/program participant has a disability;

- b. that the specific situation(s) that led to application rejection or lease/housing assistance termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to application rejection or lease/housing assistance termination;
 - c. that the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
- 12. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applications normally allowed for people without disabilities.
- 13. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of HCD to provide effective communication.
- 14. Allowing a live-in aide to reside in an appropriately-sized dwelling unit.
- 15. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment.
- 16. Permitting an outside agency or family member to assist an applicant, resident or program participant in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

FUNDAMENTAL ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN:

HCD will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a requested accommodation to be a fundamental alteration does not eliminate HCD's compliance responsibilities. If a requested action would result in a fundamental alteration or undue financial and administrative burden, HCD may take another action that would not result in a fundamental alteration but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. HCD's determinations with respect to fundamental alterations will be made on a case- by-case basis.

ESSENTIAL OBLIGATIONS OF TENANCY:

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

1. To pay rent and other charges under the lease in a timely manner;
2. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
3. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises (for Public Housing, Section 8 Moderate Rehabilitation, Section 8 Housing Choice Voucher (Section 8 Voucher), and all applicable related programs);
5. To comply with all applicable US HUD regulations, and HCD rules, and program requirements and documents, (including the HCD Public Housing Conventional Lease and Community Policies and Section 8 HAP Contract) and to comply with health and safety codes; and
6. Actions that would change the essential obligations of tenancy.

TYPES OF ACTIONS CONSIDERED TO BE A FUNDAMENTAL ALTERATION:

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

1. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member);
2. Actions that require HCD to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by HCD;
3. Actions that require HCD to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that HCD offers; or
4. Actions that substantially impair HCD's ability to meet its essential obligations as a landlord, as defined in the HCD Conventional Public Housing Dwelling Lease (HCD Lease). HCD's obligations under the HCD Lease include management, administration, maintenance, or other services required for the operation of the program or upkeep of the property.

REASONABLE ACCOMMODATION PROCEDURES:

Initial Reasonable Accommodation Procedures:

1. HCD's *Reasonable Accommodation Request* form will be provided to all applicants as an attachment to HCD's application when the waiting list is opened.
2. During any point in the application process, applicants may make written requests using the Reasonable Accommodation form or if they are unable to complete the form, make a verbal request for reasonable accommodations to the following address and/or by calling the phone number indicated below:

Attention: Manager, Applicant Leasing Center (ALC)
HOUSING AND COMMUNITY DEVELOPMENT - ALC
1401 NW 7th Street
Miami, FL 33125
(786) 469-4300
Florida Relay TDD/TTY: 305-643-3377

Prior to eligibility interviews, applicants will send completed reasonable accommodation forms, and make all related requests and inquiries to, the ALC Manager. Also during this period, the ALC Manager or designee will send all necessary forms, and process all reasonable accommodation forms, requests and inquiries.

Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests:

HCD's Reasonable Accommodation Policies and Procedures, which includes the Reasonable Accommodation Request and Notice of Nondiscrimination on the Basis of Disability, will be posted in appropriate HCD business offices listed on page 1. The Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information forms will also be provided at eligibility determination, move-in and recertification by the AMP administrator (Public Housing) or HCD Contract and Leasing Specialist (Section 8) or their designees. When the designated employee (see "Making a Reasonable Accommodation Request," page 11) provides these forms, the recipient must sign the Acknowledgement of Receipt of Reasonable Accommodation Documents form, a copy of which must be placed in the recipient's file.

Forms and letters have been developed for an applicant, resident or program participant to request a reasonable accommodation. These forms are listed in the Appendix and are explained in later sections of this policy.

Although the process for requesting a reasonable accommodation is standardized, each request will be treated uniquely. The results will be unique to the individual, the property, and/or circumstances involved. Whenever possible, reasonable accommodation decisions will be made in a timely manner, and both denials and agreements to make accommodations will be documented in writing. If applicable, forms and notifications will be provided to the applicants, residents or program participants in an accessible format (such as Braille, large print, or audio tape) upon request.

Any meetings required by this policy will be held at an accessible location. Auxiliary aids will be provided upon request, where necessary to afford an individual with disabilities an equal

opportunity to participate in, and enjoy the benefits of HCD's programs and/or activities. Auxiliary aids are services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, HCD's programs or activities and include, but not limited to, qualified sign language interpreters, telecommunication devices for deaf persons (TDD's), Braille materials, audio recordings, materials in large print, note takers, or assistive listening devices. If auxiliary aids are requested by any person, including but not limited to an applicant, resident or program participant, such accommodations shall be made available. This requirement is contingent upon the requestor having given prior notification to HCD, e.g., on the application form in the case of an applicant, before any meetings held by HCD, etc. A person requiring an auxiliary aid shall make their request to HCD by providing a minimum of five (5) days advance notice. In most instances, this will allow sufficient time to provide these accommodations.

Appointments letters, notices of meetings, brochures and other HCD communications inform applicants, residents and program participants of their rights to auxiliary aids and how to contact the HCD staff person to whom these requests should be made. All HCD staff persons receiving requests for auxiliary aids will record these requests on the "Auxiliary Aids Request" form.

If HCD is not able to accommodate a disabled person who has requested an auxiliary aid, HCD will take appropriate action, including, but not limited to, rescheduling any meetings.

The Miami-Dade County contract for sign language interpreter services has a 48-hour advance cancellation requirement. In order to ensure compliance with this cancellation policy and prevent charges in full if the requirement is not met, the requestor will be required to notify staff or the County no less than 72 hours in advance if they anticipate not being able to attend the scheduled activity.

HCD will schedule sign language interpreters when a request is received at least five (5) days prior to any scheduled activity.

Making a Reasonable Accommodation Request:

Applicants, residents and program participants may make a reasonable accommodation request at any time. If the applicant/resident/program participant is unable to complete any of the following reasonable accommodation forms (Request Forms): *Reasonable Accommodation Request*, *Live-in Aide Agreement*, or *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Public Housing Only) forms, the request will still be considered. If the applicant/resident/program participant is unable to complete any of the Request Forms, the Eligibility Interviewer, AMP administrator, Contract and Leasing Specialist, or other designated employee must offer assistance and, upon consulting with the applicant, resident or program participant, complete the Request Forms to the best of their ability for record-keeping purposes. The designated employee must review the completed Request Forms, as appropriate, with the applicant, resident, or program participant. The designated employee must ensure that all reasonable accommodation requests are written on the applicable forms, no matter how the requests are communicated. The designated employee shall not give any assurances to the applicant, resident, or program participant that the request for reasonable accommodation will be granted or denied, but shall convey to the applicant, resident, or program participant that the requests will be reviewed and a final determination will be made at a later date described within this policy. If the accommodation is reasonable, HCD will consider the request.

The general procedures for making a reasonable accommodation request (subsequent to application process) are as follows:

1. At the eligibility determination phase, the Eligibility Interviewer, Contract and Leasing Specialist or other designated employee shall provide the *Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request* (which includes an attachment entitled "Examples of Reasonable Accommodations") and *Reasonable Accommodation Information* forms. The designated employee must obtain the signature of the applicant on the *Acknowledgement of Receipt of Reasonable Accommodation Documents* form indicating that they have received these forms. That form must be kept in the applicant's file. The Eligibility Interviewer, Contract and Leasing Specialist or other designee is the person to whom requests should be submitted at this phase. The designated employee shall also read a script entitled *Reasonable Accommodation Script* that clearly and simply indicates what a reasonable accommodation is and the fact that an applicant, resident or program participant has a right to a reasonable accommodation. The designated employee shall ask all applicants if they want to designate a contact person if needed to assist them because of their disability.
2. The AMP administrator, Contract and Leasing Specialist or designated employee will notify all Public Housing residents/Section 8 program participants of their right to request a reasonable accommodation by providing them with the *Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information* forms during move-in and recertification. They will also be notified that they may obtain additional *Reasonable Accommodation* forms from the designated employee at any time.
3. Applicants, residents, and program participants will submit all requests for reasonable accommodation to the designated employee as appropriate (see paragraphs 1 and 2 above) on the Request Forms and will obtain the Request Forms from those employees. Applicants, residents, and program participants will also obtain the Authorization for Release of Information from the designated employees as appropriate (see paragraphs 1 and 2) and return completed copies of these release forms to those same employees. If applicants, residents or program participants cannot use or complete a form because of their disability, the designated employee will still respond to their requests for reasonable accommodation and assist the applicant, resident or program participant in completing and using the form.
4. HCD shall assure that all medical records or any other documents related to the medical condition of the applicant, resident or program participant are protected from disclosure pursuant to all applicable federal and state laws, including but not limited to the Health Insurance Portability and Accountability Act of 1996 and Chapter 119 of the Florida Statutes (Public Records Law). All documents regarding the medical condition of applicants, residents, and program participants must be stored in secure, locked cabinets in the offices of the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager or Section 8 Tenant Selection Supervisor (as applicable). Medical documents must never be stored with applicant or tenant files. Access to medical documents and information is restricted solely to those employees who must have access to that information in order to provide a reasonable accommodation. This may include the ADA Coordinator, Applicant Leasing Center Chief (for applicants), Regional Managers (for Public Housing residents), and Tenant Selection Supervisors (for applicants and Section 8 program participants).

5. Within two (2) business days of receipt of the Request Form, the Eligibility Interviewer (for applicants), AMP administrator (for Public Housing residents), Contract and Leasing Specialist (for Section 8 Moderate Rehabilitation applicants and for Section 8 program participants) or other designated employee will fax a copy of the Request form and the following Verification Forms (as applicable) to the verification source indicated on the Request Form to verify disability and document the need for the reasonable accommodation: *Reasonable Accommodation Verification*, *Letter to Verification Source for a Reasonable Accommodation Request*, and *Live-in Aide Agreement/Live-in Aide Verification*. The fax notifies the verification source that the completed Verification form must be returned to the designated employee within ten (10) business days and that failure to do so may result in the request being denied.
6. Within two (2) business days of receipt of the Request Form, the designated employee will also forward this form to the ADA Coordinator for monitoring purposes.
7. The designated employee places a follow up call to the verification source within one (1) business day of faxing the documents to confirm receipt of the documents. If the forms have not been returned to the designated employee within five (5) days of being sent, the designated employee faxes a reminder to the verification source that the completed Verification form must be returned to the designated employee within five (5) business days and that failure to do so may result in the request being denied. If the Verification form is returned within ten (10) business days of being sent, proceed to step 8 (below). If the verification source does not return the Verification form within ten (10) business days of being sent, the designated employee forwards this information to the Applicant Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager, Section 8 Tenant Selection Supervisor or other designated supervisor who must forward the documents to the ADA Coordinator with their recommendation for denial.
8. Within two (2) business days of receipt of the completed Verification Form and any supporting documentation, the designated employee will forward the applicant's, resident's, or program participant's Request Form, Verification Form, and any supporting documentation to the designated supervisors in a sealed envelope.
9. The following forms may be used by the designated supervisor (see item 6, above) to communicate with applicants, residents or program participants and verification sources regarding Request and Verification Forms: *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation* (if applicable), *Request for More Information or Verification Regarding a Reasonable Accommodation Request*, or *Letter to Verification Source for a Reasonable Accommodation Request* (as applicable).
10. Should the designated supervisor determine that the Verification Form is incomplete or lacking in adequate detail, the designated supervisor will fax the form to the verification source within two (2) business days of receipt. The fax will indicate the necessary changes, and advise the verification source that the necessary changes must be incorporated and the corrected form must be returned within ten (10) business days. The fax also informs the verification source that failure to return the corrected form within the allotted time may result in the request being denied. The designated supervisor will place a follow-up phone call within one (1) business day of sending the fax to confirm receipt. The designated supervisor will send a reminder fax within five (5) business days of sending the fax should the documents fail to be returned within that time, again informing the verification source that failure to return the corrected form within the allotted time (five (5) days) may result in the request being denied. If the verification

source returns the corrected Verification Form within ten (ten) business days, proceed to the decision processes outlined in items 11 and 12 below. Should the verification source fail to return the corrected Verification Form within the allotted ten (10) business days, the designated supervisor will forward all Request and Verification Forms and any other applicable documents to the ADA Coordinator with recommendation that the reasonable accommodation request be denied for lack of proper verification, but that the request will be reconsidered should the requestor wish to resubmit it.

11. All decisions of the designated supervisors to grant reasonable accommodations will be communicated in writing (or in the appropriate, accessible format as previously indicated) to the applicant, resident or program participant and the ADA Coordinator within ten (10) business days of their receipt of correctly completed Request and Verification Forms via the *Approval/Denial of Reasonable Accommodation Request* form. The *Approval/Denial of Reasonable Accommodation Request* (Approval/Denial) form also advises the requestor of a projected date (if that can be estimated at the time of approval) by which HCD intends to provide the accommodation and indicates a phone number for the requestor to call in case of questions. If necessary, the ADA Coordinator is available for consultation on these matters. All requests for reasonable accommodation that are approved by the designated supervisors will be implemented or the process of implementation will begin within fourteen (14) days. If the implementation or the initiation of implementation should be longer, the requestor will be notified in writing within fourteen (14) days with an estimated date of completion.
12. All recommendations by the designated supervisor to deny reasonable accommodation requests must be reviewed by the ADA Coordinator prior to being released to the requestor. The designated supervisor will transmit their recommendations to deny reasonable accommodation requests to the ADA Coordinator within ten (10) business days of their receipt of the Request and Verification Forms. All decisions of the ADA Coordinator to grant or deny reasonable accommodation requests will be communicated in writing via the *Approval/Denial of Reasonable Accommodation Request* form (or in the appropriate, accessible format) to the applicant, resident, or program participant within thirty (30) business days receipt of the designated supervisor's recommendation, the Request and Verification Forms, and all other supporting documentation. Should the requestor wish to contest any adverse action pursuant to the Reasonable Accommodation Grievances and Appeals section, they may do so by requesting a Reasonable Accommodation Grievance or Appeal Hearing (Hearing). The *Approval/Denial of Reasonable Accommodation Request* form provides information regarding HCD's grievance/appeals procedure. If the person who wishes to contest an adverse action is unable to do so by written means because of their disability, HCD will consider alternate means by which the person may communicate the appeal. Should the requestor wish to contest the Reasonable Accommodation Grievance or Appeal Hearing Committee's decision, they may do so by following the *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*.
13. See the "Reasonable Accommodation Grievances and Appeals" section for additional information.

All forms must be date- and time-stamped by the HCD employees who receive them.

Determining Whether to Provide the Accommodation:

1. The first step in determining whether to provide the accommodation is to verify whether the party requiring the accommodation meets the definition of an Individual with Disabilities. The designated supervisors will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make a reasonable accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 2.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) about this request, using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or a meeting or discussion will be requested to obtain additional information using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
2. The second step is to verify that the requested accommodation is related to the disability (for example, if a person (who was the only household member) had a disability but no mobility impairment, and requested a wheelchair-accessible dwelling, the requested accommodation would not be related to the disability). The designated supervisor will determine *this by using the applicable Verification Form(s) received from verification source*.
 - a. If NO, HCD is not obligated to make the accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 3.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) using the *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
3. Is the requested accommodation reasonable? The Guidelines For Determining Reasonableness listed below will be followed by the designated supervisor in determining the reasonableness of the request.
 - a. If YES, HCD will approve the request for reasonable accommodation. A written description of the accommodation will be included in the approval letter.
 - b. If NO, HCD may deny the request or may suggest/offer another alternative accommodation if appropriate. The denial or suggestion/offer will be made in writing (in an accessible format, if requested). All denials must be submitted to the ADA Coordinator for review prior to release to the requestor.

- c. If more information is needed, the designated supervisor must either write for more information and notify the verification source and/or applicant/resident/program participant (as applicable) using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* forms, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.

Guidelines for Determining Reasonableness:

1. The purpose of the Verification Forms is to verify:
 - a. That the requestor is a person with disability;
 - b. That the requested accommodation is related to the applicant's, resident's, or program participant's disability; and
 - c. That the requested accommodation would (or will) provide the applicant/resident/program participant with an equal opportunity to use and enjoy HCD housing programs.
2. HCD retains the right to investigate alternatives to the requested accommodation, and/or alternative methods of providing the requested accommodation.
3. If an alternate accommodation satisfies the needs of the person with disabilities and is equally effective, HCD may select the accommodation that is most convenient and cost-effective. HCD will take the preferences of the applicant/resident/program participant into consideration in making such a determination. An alternative accommodation may include a change in procedure or policy, rather than a structural change, when the policy or procedure change would be equally effective. Under any circumstance, the requestor would still have a right to request an additional accommodation should the alternate accommodation proves unsatisfactory. The requestor retains the right to request an additional accommodation as needed.
4. If the requested accommodation constitutes a fundamental alteration to any HCD program, and there are no other appropriate solutions, the request will be denied, and the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute a fundamental alteration. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.
5. If the requested accommodation creates an undue financial and/or administrative burden, and there are no other appropriate solutions, the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute an undue financial and/or administrative burden. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.

Reasonable Accommodation Grievances and Appeals:

If an applicant, resident or program participant disagrees with a reasonable accommodation decision, they may request a Reasonable Accommodation Grievance and Appeal Hearing by

submitting a request which may be written, oral or by any other means of communication accessible by the requestor. The name, address and phone number of the contact person for scheduling a Reasonable Accommodation Grievance and Appeal Hearing is:

ADA Coordinator
701 NW 1 Court, 16th, Floor
Miami, Florida 33136
(786) 469-2155 (office)
Florida Relay Service: (800) 955-8771 (TDD/TTY)

HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee shall convene the grievance or appeal hearing within thirty (30) business days of the receipt date of the request. The Reasonable Accommodation Grievance and Appeal Hearing Committee is composed of the members of the Section 504/ADA Policy Committee appointed by the HCD Director. The Section 504/ADA Policy Committee members are HCD Division Directors and other applicable staff whose responsibilities include matters related to Section 504/ADA. No HCD employee who was involved in the initial decision(s) regarding a reasonable accommodation request that is the subject of a hearing shall sit on HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee during the hearing related to that request.

The applicant, resident or program participant may bring documents, witnesses and/or representatives to the Reasonable Accommodation Grievance and Appeal Hearing in order to contest the manner in which a reasonable accommodation is proposed to be (or was) implemented, the denial of a reasonable accommodation request, or any other applicable disability-related decision made by the ADA Coordinator.

Should the requestor wish to contest the Reasonable Accommodation Grievance and Appeal Hearing Committee's decision, they may do so by following the Miami-Dade County ADA Grievance Process.

Discontinuation of Reasonable Accommodation:

HCD will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodation, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant, resident or program participant with disabilities and it will include a request for the resident to indicate if the change would not meet their needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

Application and Waiting List:

The application and/or application instruction forms for all Public Housing, Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation programs shall include the following:

1. Notice that if the applicant is unable to complete the application due to disability, or needs the form in an alternate format, they may request such assistance.
2. Notice of the manner in which the applicant should request the required assistance as described in the item above.

3. A question prompting the applicant to indicate whether their or a member of the household has a disability.
4. A question prompting the applicant to indicate any special features a household member requires in a rental unit because of disabilities.

In the Public Housing and Moderate Rehabilitation programs, priority for a vacant unit with accessibility features will be given first to current residents who require those features, and then to applicants requiring the same. If there is no other resident or applicant on the waiting list needing units with accessibility features, HCD may house the next eligible, non-disabled applicant in the unit. HCD will also inform the applicant that pursuant to HCD's policy and HCD's Public Housing Lease, if another resident or eligible applicant requires the accessible features of the accessible unit, and another unit is available, then the non-disabled family/individual residing in the unit with accessible features must transfer to another unit within fifteen (15) days receipt of notice to move.

Notwithstanding HCD's policies, residents who require a transfer as a reasonable accommodation are not prohibited from transferring within the first year of residency.

In addition, HCD may grant an exception to its Occupancy Policies (set forth in the Section 8 Administrative Plan (Admin Plan) and the Public Housing Admissions and Continued Occupancy Policy (ACOP)) by providing a larger unit as a reasonable accommodation to a family member with disabilities.

HCD may allow an applicant or program participant family to have an extra bedroom to accommodate a family member who requires certain medical equipment or for other verifiable reasons. The need for such equipment must be verified by a qualified health care professional as a necessary reasonable accommodation.

HCD may grant reasonable accommodations by reinstating applicants with disabilities, who fail to respond within the required time frame to inquiries regarding updating the waiting list, if the reason they did not respond is reasonably related to their disability. HCD may grant reasonable accommodations by reinstating applicants with disabilities for other reasons on a case-by-case basis.

Mitigating Circumstances:

General failure to comply with lease terms or other program policies may lead to termination or denial of assistance.

The ACOP and Admin Plan indicate that HCD Public Housing residents or family members and Section 8 program participants shall comply with all lease terms including but not limited to:

- Any violent criminal activity,
- Any drug-related criminal activity, or
- Other activities in violation of the lease.

HCD staff may become aware that an applicant's ineligibility determination, or a resident's or program participant's termination of assistance determination, occurred because of their disability. This knowledge may be acquired during an informal review for applicants or during an informal hearing for residents or program participants. This section addresses this issue.

If an applicant, resident or program participant has a history of behavior or displays behavior that may result in a violation of the HCD Lease or in violation of program regulations or policies, the HCD Tenant Selection Supervisor (Supervisor), Regional Manager or other designated employee may make an initial determination that the applicant is ineligible or that the resident or program participant should be terminated.

The notices of ineligibility (for applicants) or termination of assistance (for residents and program participants) inform applicants of their right to request an informal review or residents and program participants of their right to an informal hearing.

During the informal review or hearing, if the applicant, resident or program participant informs the Hearing Officer that a requested reasonable accommodation may enable the applicant to become lease compliant, the Hearing Officer will forward the reasonable accommodation request to the ADA Coordinator and continue the informal review until the ADA Coordinator renders their determination.

Applicants may appeal the ADA Coordinator's determination according to the processes described in the Reasonable Accommodation Grievance and Appeals section.

Disability-Related Activities and Reasonable Accommodations Unique to the Section 8 Program:

HCD will do or allow the following:

1. HCD will encourage participation in the Section 8 Voucher program by owners, including encouragement of participation by owners having accessible units.
2. The HCD Section 8 Contract and Leasing Specialist (Specialist) or designee will furnish a current listing of available accessible units known to HCD to all families that include a person with a disability and, if necessary, otherwise assist the family in locating an available accessible dwelling unit in an accessible environment, to the extent feasible.
3. The Specialist or designee will take into account the special problem of ability to locate an accessible unit in an accessible environment when considering requests by eligible individuals with disabilities for extensions of Section 8 Vouchers.
4. The Specialist or designee will allow Section 8 Voucher holders to request a reasonable accommodation, in the form of an extension of the issued Voucher beyond 120 days, by following the standard reasonable accommodation request procedure. Approvals of voucher term extensions beyond 120 must be consistent with the Admin Plan.
5. HCD may, if necessary as a reasonable accommodation for an individual with a disability, approve a family's request for an exception payment standard amount under the Housing Choice Voucher Program so that the program is readily accessible to and usable by individuals with disabilities. See 24 C.F.R. §§ 8.28 and 982.504(b)(2).
6. Upon request by an applicant, participant, or their representative, HCD will ask the HUD Field Office for an exception payment standard up to 120% of the Fair Market Rent (FMR). However, the applicant, participant or the representative, must provide documentation of the need for the exception payment standard to HCD.

7. In exceptional cases, HCD may ask the Assistant Secretary for Public and Indian Housing of HUD for an exception payment standard amount over 120% of the FMR, provided the applicant, participant or the representative provides the appropriate supporting documentation.
8. Upon request, the Supervisor or designee may allow a higher utility allowance as reasonable accommodation for a person with disabilities, if appropriate.
9. The Supervisor or designee shall deny participation of units when the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the participant family, unless the Supervisor or designee determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. The process by which a participant family may request such accommodation is described on pages 11 through 15. All initial recommendations to deny reasonable accommodation requests must be reviewed by the ADA Coordinator for final determination.
10. Annual recertifications shall be conducted at the offices of the HCD Private Rental Housing Division. If a housing program participant is unable to come to the office for the recertification due to disability, the Supervisor or designee may allow, on a case-by-case basis, and at the request of the program participant, the program participant to be reexamined either by mail or by an at-home visit.
11. The Supervisor or designee will take into consideration the interests of persons who are disabled in making decisions as to which family member shall assume the application if the family divides.
12. Permitting requests for extensions of Section 8 Vouchers may be allowed if there is a difficulty in locating a unit with suitable accessible features or otherwise appropriate for the family.

HCD PUBLIC HOUSING ASSISTIVE ANIMAL POLICY:

Assistive animals are also referred to as service animals, support animals or therapeutic animals. They give assistance to persons with disabilities and are necessary as a reasonable accommodation.

Animals **do not** have to be trained to be assistive animals. An animal not trained to be an assistive animal, yet prescribed to provide emotional support to improve a person's symptoms caused by chronic mental illness, is also an example of an assistive animal. In addition, a seeing-eye dog or a dog trained to assist a hearing impaired person would also be examples of assistive animals.

HCD will not charge a pet deposit for an assistive animal kept in accordance with all HCD policies and housed in a development or building owned by Miami-Dade County and administrated by HCD. All residents are, however, responsible for reimbursing the appropriate parties should their assistive animal cause damage to the unit, the common areas and elements or to any other the property of the residents in a development or building owned by Miami-Dade County and administrated by HCD, including but not limited to the property occupied by other residents of the public housing development or other property owned by Miami-Dade County and administrated by HCD.

HCD will also not apply its animal weight policy or any other policy which will unreasonably deny a disabled applicant, resident or program participant, who requires an assistive animal, the full use and enjoyment of their dwelling or the common areas.

The HCD Regional Manager or designee will use the following steps when considering a request for an assistive animal as a reasonable accommodation:

1. Public housing applicants who have received public housing offers, and public housing residents may use the *Reasonable Accommodation* form to request an assistive animal as a reasonable accommodation.
2. Public housing applicants who have received public housing offers, and public housing residents use the *Reasonable Accommodation Verification* to obtain verification that the person for whom the assistive animal is requested is a person with a disability as defined in Section 504, the ADA and the Fair Housing Act regulations and that the requested animal is needed to assist with the disability.
3. Refer to the information in the section entitled "Making a Reasonable Accommodation Request" on pages 11 through 15 of these policies and procedures for the steps in processing these and other reasonable accommodation requests.
4. Compliance with the assistive animal policies will be required to the extent feasible without violating the individual's rights to have an assistive animal.
5. The assistive animal owner shall be responsible for the animal's care and the animal must be kept according to HCD's Lease and Community Policies.
6. If the animal or its care subsequently poses a public health problem or results in a lease violation, the problem will be addressed, under the terms of the HCD Lease and Community Policies. In such a case, the HCD AMP administrator or designee may send the resident a Notice of Lease Violation.

SECTION 8 ASSISTIVE ANIMAL POLICY:

Section 8 owners are required to comply with all applicable federal, state and local laws that protect the rights of the disabled. Accordingly, where Section 8 tenants require assistive animals as a reasonable accommodation, Section 8 owners may not require the owners of assistive animals to pay pet deposits, neuter their animals, or adhere to limits on the weight, size, and number of assistive animals.

LIVE-IN AIDES:

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities on page 4) person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide, but must meet all the criteria listed herein. Persons with children or spouses may, on a case-by-case basis, be allowed to serve as Live-in Aides.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below replace the Reasonable Accommodation Request and Reasonable Accommodation Verification forms (respectively) for purposes of requesting a live-in aide as a reasonable accommodation.

1. The *Live-in Aide Agreement* is the form on which:
 - a. The head of household shall request the live-in aide. The requestor may make this request for themselves, or for a household member.
 - b. The requestor provides the designated employee with information related to the request and the live-in aide.
 - c. The requestor shall provide the designated employee with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.
2. The *Live-in Aide Verification* is the form on which:
 - a. The verification source verifies that the person for whom the Live-in Aide is being requested qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.

The designated employee faxes the *Live-in Aide Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

The designated employee may approve a written request for a live-in aide upon receipt of verification documentation including, but not limited to, completed *Live-in Aide Agreement* and *Live-in Aide Verification* forms. If the designated employee approves, or the ADA Coordinator denies, the request for a live-in aide, they will inform the requestor by means of the Approval/Denial of Reasonable Accommodation Request form.

The live-in aide may live in the unit solely to care for the family member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. HCD shall deny occupancy of the unit to the live-in aide after the tenant, resident or program participant, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide but must meet all the criteria outlined in this section and must be qualified to provide care for the family member. The tenant and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not

qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

The ADA Coordinator may deny the live-in aide request of a person who does not meet the admission criteria described in the Admin Plan and the ACOP. The process by which applicants, residents and Section 8 program participants may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

TRANSFERS:

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Section 8 Moderate Rehabilitation and Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a *Reasonable Accommodation Request* form must be filled out). The only additional requirement is that, in addition to the aforementioned, the Public Housing requestor must complete and submit a Request for Transfer form.

In Public Housing, HCD shall not require, or recommend as an alternative, that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However, if a public housing resident with a disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized UFAS-compliant unit in that resident's development, an adjacent development, or a development to which the resident has expressed a willingness to move, HCD may offer to transfer the resident to the vacant unit in their development or adjacent development instead of providing structural modifications. However, if that resident rejects the offered transfer, HCD shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a HCD program, service or activity. HCD shall inform applicants, residents and Section 8 program participants whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of the Approval/Denial of Reasonable Accommodation Request form.

If the resident accepts the transfer, HCD will work with the resident to obtain moving expenses from social service agencies or other similar sources. If that effort to obtain moving expenses is unsuccessful within thirty (30) days of the assignment of the dwelling unit, PHA shall pay the reasonable moving expenses, including utilities fees and deposits. HCD will select the moving service vendors and disburse payments to them. Nothing contained in this paragraph is intended to modify the terms of HCD's Tenant and Assignment Plan and any resident's rights hereunder.

FORMER USERS OF ILLEGAL DRUGS:

Under the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, a former user of illegal drugs (recovered or now in recovery) is considered to be a person with disabilities and is protected against discriminatory treatment, but persons engaged in current illegal use of controlled substances are not protected.

The term "person with a disability" includes an individual who:

1. Has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
2. Is participating in a supervised rehabilitation program and is no longer engaging in such use; or
3. Is erroneously regarded as engaging in such use, but is not engaging in such use.

Anti-discrimination laws protect individuals who have a history of illegal use of a controlled substance or addiction and do not engage in the current illegal use of a controlled substance if they can otherwise meet the definition of a person with a disability.

When an individual claims recovery, the designated employee will require the person to present evidence of recovery from a qualified, neutral third party. The designated employee may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in a unit owned and managed by HCD or as a condition to being allowed to participate in other HCD housing programs. If it is determined that the individual "has recovered or is in recovery" and is thus a "person with a disability," the designated employee will consider requests for reasonable accommodations.

The designated employee will require the individual to provide documentation that would convince a reasonable person that the applicant/resident is not a current user of illegal drugs.

Documentation that an applicant/resident/program participant is not a current user of illegal drugs could include:

1. Verification from a reliable drug treatment counselor or program administrator, or other party acceptable to the designated employee, indicating:
 - a. that the applicant/resident/program participant is/has been in treatment;
 - b. that there is a reasonable probability of success in refraining from the use of illegal drugs;
 - c. that the applicant/resident/program participant is complying/has complied with the requirements of the treatment program; that the applicant/resident/program participant is not currently a user of illegal drugs; and
 - d. the period of time the applicant/resident/program participant has not been using drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
2. Verification from a probation or parole officer:

- a. that the applicant/resident/program participant has met or is meeting the terms of probation or parole;
 - b. is not currently a user of illegal drugs;
 - c. and for what period of time the applicant/resident/program participant has not been using illegal drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
3. Verification from a third party/parties, indicating:
 - a. that the applicant/resident/program participant is not currently using illegal drugs and
 - b. for what period of time the applicant/resident/program participant has not been using illegal drugs;
4. Description of the relationship between the third party/parties and the applicant/resident/program participant (verifications will not be accepted from the applicant's/resident's relatives); and
5. Description of how the third party/parties know(s) the status of whether the applicant/resident/program participant is currently using illegal drugs.

When an applicant/resident/program participant has a history of drug rehabilitation/treatment followed by recidivism, or is currently in treatment (as opposed to having completed treatment), more documentation may be necessary to convince a reasonable person that the applicant/resident/program participant is not a current user of illegal drugs.

The applicant/resident/program participant may be required to show in what ways:

1. Their current situation, and
2. Their claim to be a former illegal user of a controlled substance, and
3. Their claim to be able to comply with the essential terms of the HCD Lease or other housing program requirements is different from previously unsuccessful efforts to stop illegally using a controlled substance.

In all situations in which an applicant/resident claims to be a person with a disability due to former illegal drug use, the designated employee will determine the reliability and validity of information/verifications provided with the request for reasonable accommodation. The designated HCD employee will make a determination approving or denying the reasonable accommodation request and a determination of eligibility for housing assistance accordingly.

ALCOHOLISM:

HCD will not discriminate against any person solely because of a disability of alcoholism. The designated employee will, however, deny admission to an applicant, terminate assistance to a participant or terminate the tenancy of a resident, who HCD has reasonable cause to believe will behave in a manner that will interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents, other tenants, or HCD personnel. The term “reasonable cause to believe” shall be determined on a case-by-case analysis. HCD may evaluate whether a person poses – or would pose – a direct threat to the health or safety of others.

HCD will make determinations of direct threat based on the following guidelines described in the following statement from the May 17, 2004 *Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act*:

A determination that an individual poses a direct threat must rely on an individualized assessment that is based on reliable objective evidence (e.g., current conduct, or a recent history of overt acts). The assessment must consider: (1) the nature, duration, and severity of the risk of injury; (2) the probability that injury will actually occur; and (3) whether there are any reasonable accommodations that will eliminate the direct threat. Consequently, in evaluating a recent history of overt acts, a provider must take into account whether the individual has received intervening treatment or medication that has eliminated the direct threat (i.e., a significant risk of substantial harm). In such a situation, the provider may request that the individual document how the circumstances have changed so that he no longer poses a direct threat. A provider may also obtain satisfactory assurances that the individual will not pose a direct threat during the tenancy. The housing provider must have reliable, objective evidence that a person with a disability poses a direct threat before excluding him from housing on that basis.

HCD will apply the same standard of performance and behavior to an individual with alcoholism as it applies to others. If any unsatisfactory performance or behavior is related to the disability of an applicant/resident/program participant, the behavioral manifestations of the condition may be taken into consideration in determining whether the applicant/resident/program participant is qualified. If unable to meet the tenancy requirements, the applicant/resident/program participant may be denied housing on that basis, provided any request for reasonable accommodation has been considered. The process by which applicants, residents and Section 8 program participants may appeal a denial of housing or program participation, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

EMERGENCY EVACUATION:

This section only applies to the HCD Public Housing program.

Public Housing program applicants (who have received public housing offers) and residents with disabilities must ultimately be responsible for their own safety. Thus, they may choose not to live above the ground floor because of possible inability to escape a fire. They must, however, be allowed to decide whether living in an upper-floor dwelling unit outweighs whatever safety concerns may exist.

At move-in orientation and during recertification, the AMP administrator or designee informs Public Housing program residents that with their consent, the AMP administrator will provide information to the fire and police departments that identifies residents who will have special needs in case of an emergency evacuation. The AMP administrator will only share this information with these parties if consent is given.

The AMP administrator or designee will provide each resident with a copy of the *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Release) form at move-in and recertification. The AMP administrator will maintain these forms confidentially in the Site Office files. These forms will also be maintained confidentially at the Regional Offices in case the Site Offices are inaccessible due to an emergency.

In emergency situations, and only insofar as is reasonably feasible, AMP administrators or designees will inform fire and/or police departments as to which residents have special emergency evacuations needs.

Buildings with more than four units or with units above the first floor shall have evacuation plans identifying escape routes and procedures to be followed in case of emergency, including procedures for notifying persons who are deaf or blind and for evacuating persons who cannot climb stairs or may be disoriented. It is recommended that the evacuation plan be worked out with the local fire department.

OTHER PUBLIC HOUSING AND COMMUNITY DEVELOPMENT PROGRAMS AND SERVICES:

HCD administers a number of programs and services (e.g. various programs for home repair/improvement loans, home purchasing loans, construction loans, etc.) in addition to those previously mentioned in this policy. HCD will endeavor to ensure any person with disabilities who requests reasonable accommodation related to any HCD programs and/or services are provided all such accommodations as is their right under federal, state, and local laws and regulations.

MIAMI-DADE COUNTY ADA GRIEVANCE PROCESS:

Should HCD applicants, residents or program participants choose, they may follow the grievance process outlined in Attachment Three of Miami-Dade County Administrative Order Number 10-10 (see Appendix, *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*) instead of the process described in the “Reasonable Accommodation Grievances and Appeals” section of the HCD Reasonable Accommodation Policies and Procedures. The Miami-Dade County grievance process serves “...as the County’s mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA).”

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION REQUEST

EXAMPLES OF REASONABLE ACCOMMODATIONS

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual HOUSING AND COMMUNITY DEVELOPMENT (HCD) applicants, residents, and program participants. These accommodations may not necessarily be “reasonable” for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual’s specific disability-related need(s), HCD may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, HCD will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

According to § 631.42 of the U.S. Postal Service "Postal Operations Manual", the customer submits the "Hardship Clause" request directly to their postal delivery person; the delivery person then submits the request to their manager. The manager evaluates the individual request and takes appropriate action. HOUSING AND COMMUNITY DEVELOPMENT LIVE-IN AIDE AGREEMENT

Client Number: _____

I, _____, residing at _____
(Print Head of Household's (HOH) Name) (Print Address)

request HOUSING AND COMMUNITY DEVELOPMENT's (HCD) approval for live-in- aide
services provided by

_____, Social Security Number _____,
(Print Live-in Aide's Name)

Date of birth: ____ / ____ / ____

The household member requiring Live-In Aide assistance is _____.
(Print Household Member's Name)

The live-in-aide is a person who resides with one or more elderly persons (at least 62 years of age), or near elderly persons (at least 50 years of age but below the age of 62) or persons with disabilities (see definition in Live-In Aide Verification form), and who is: (a) 18 years of age or older, (b) is determined to be essential to the care and well-being of the person; (c) is not obligated for the support of the person; and (d) would not be living in the unit except to provide the necessary supportive services.

As a condition to obtaining HCD's approval, the live-in-aide and the Head of Household hereby acknowledge and agree to the following:

1. Move in of a live-in-aide must not result in overcrowding of the existing unit according to the maximum number of persons per unit standard; although a reasonable accommodation for a resident with a disability may be to move the family to a larger unit. If change in unit size is necessitated by this request, please indicate change in number of bedrooms: from ____ bedrooms, to ____ bedrooms;
2. Live-in aides must meet HCD's screening requirements. The live-in-aide agrees to provide any information that HCD deems necessary to conduct a criminal background screening. Permission to reside in the unit as a live-in-aide may be denied based on the results of this screening;
3. Before a live-in-aide may be moved into a unit, a third party verification must be supplied that establishes the need for such care and the fact that the live-in-aide is qualified to provide such care (Live-in Aide Verification form);
4. A live-in-aide is a single person. This agreement does not confer the right for any additional person, other than an approved live-in-aide, to reside in the household. As a reasonable accommodation for a resident with a disability, HCD may review this provision on case-by-case basis, should this provision conflict with a resident's bona fide right to a live-in-aide;
5. If the household member requiring assistance no longer resides in the unit, the live-in-aide shall not remain on the premises. If the verification source determines that the live-in-aide is no longer essential to the care and well-being of the household member, this agreement will be terminated, and the live-in-aide shall vacate the unit within 14 days after HCD has given reasonable notice to the household member requiring assistance that the verification source has made such determination;

**HOUSING AND COMMUNITY DEVELOPMENT
LIVE-IN AIDE AGREEMENT**

6. If the household member requiring assistance passed away, the live-in aide shall vacate the unit within 14 days of said household member's death. If the household member requiring assistance moves out, the live-in-aide shall vacate the unit no later than said household member's departure date. Upon the termination of the live-in-aide's services for any other reason, the live-in-aide shall vacate the unit within 24 hours;
7. The Live-In Aide must be listed as a household member (not part of the family composition, regardless of the relationship) on the resident's lease and shall not violate any provisions of the lease, the Community Policies, or applicable laws. Should such violation occur, HCD may require the resident to terminate the services of the live-in-aide or face possible termination of the lease;
8. HCD will consider allowing relative live-in-aides under unusual circumstances and upon approval of the Director or designee. Relatives who satisfy the definitions and stipulations above may qualify as live-in-aides, but by signing this agreement, they acknowledge their understanding that they are relinquishing all rights to the unit as the remaining member of a resident family, or under any other circumstance. If a relative wants to have remaining family status, their income will be considered as part of the family's annual income. In such a case, the relative will be considered an addition to the family composition who is allowed to be added as a reasonable accommodation, (not a live-in aide) as the income of a live-in aide must be excluded.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION SCRIPT

This is to advise you, in simple terms, what a disability is, what a reasonable accommodation is, and the fact that people with disabilities have a right to ask for reasonable accommodations.

A disability is a physical or mental impairment that makes it difficult or impossible for you to do things like taking care of yourself, using your hands, walking, seeing, hearing, speaking, breathing or learning.

A reasonable accommodation is something HOUSING AND COMMUNITY DEVELOPMENT (HCD) is required to give you or let you do to make it easier for you to get to and live in our housing, and participate in our programs.

Some things that must happen for you to get a reasonable accommodation, are for you to give HCD enough information, if we need it, about whether you are a person with a disability and to give HCD proof, if we need it, that you really need the reasonable accommodation you ask for.

Even if you don't have proof yet that you are a person with a disability, you have a right to ask for a reasonable accommodation.

Some things that might be a reasonable accommodation include:

- Being allowed to mail your rent to HCD instead of going to the site or management office.
- Having someone from HCD go to your house, instead of you having to go to a HCD office, to get a service.
- Getting a ramp installed leading to your front or back door, having grab bars put in your bathroom, or having some other repair or change done to your home.
- Having a repair or change done to a laundry room, community center, management office or other building owned by HCD so that you can go there and use the programs and services there.
- Having a sign language interpreter available upon request.
- Getting important HCD papers in Braille or large print or on tape.

To get a reasonable accommodation, you must ask for it. If you can't write your request on the papers we have or need help filling them out, you can ask a HCD employee for assistance.

The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complains should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

1. Inform the department of the complaint; transmit a copy of the complaint to the department with general instructions as to the format which the department should follow in their response, and a date by which the department shall return a response to the Office. The Office of ADA Coordination will review the decisions with the department before final preparation of the response.
2. The department shall have thirty (30) days from receipt of complaint from the Office of ADA Coordination to respond to the complainant. Attempts will be made by the department to clarify the facts of the grievance. The actions taken by the department shall be conveyed to the grievant in writing. This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.
4. Where a department can solve a written complaint informally, the department will provide the Office of ADA Coordination a written statement explaining the mutually agreeable solution. It should be signed by the complainant and the department representative.

2. Set a time and place for the hearing that is convenient to the grievant, the affected department and the panel members, within twenty (20) days after the panel is appointed, if possible.
3. Instruct the department, against whom the complaint has been made, to prepare a package with all necessary information pertinent to the complaint for each panel member to review prior to hearing.
4. Monitor and tape the hearing.

At the time of the hearing both the grievant and the affected department shall have the opportunity to present their positions to the panel. The panel members will also have the opportunity to pose questions to both parties. After the affected parties have presented the facts, and after all questions posed by the panel have been answered, the hearing shall be closed and the panel shall meet privately to deliberate.

EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS

ATTACHMENT D OF THE SECTION 8 ADMINISTRATIVE PLAN

Effective:

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

**Emergency Transfer Plan for Victims of Domestic Violence,
Dating Violence, Sexual Assault, or Stalking for Section 8 Programs**

- 1) Housing and Community Development (HCD) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault or stalking. In accordance with the Violence Against Women Act (VAWA), HCD allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit.
- 2) Victims of domestic violence, dating violence, sexual assault, or stalking are eligible for protections regardless of sex, gender identity, gender expression, or actual or perceived sexual orientation. The ability of HCD to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.
- 3) A victim of domestic violence, dating violence, sexual assault, or stalking may move in violation of their lease if the move is required to protect their safety. HCD may not terminate assistance if the family moves out of the unit with or without prior notification as required by 24 CFR §982.354, in violation of the lease in order to protect the health or safety of the victim, as the victim reasonably believed they were imminently threatened by harm from further violence if they remained in the dwelling unit and has otherwise complied with all other obligations under the program.
- 4) This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that HCD is in compliance with VAWA.
- 5) Eligibility for Emergency Transfers
 - a) A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking is eligible for an emergency transfer under the following conditions:
 - i. If the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit that the tenant is occupying; or
 - ii. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.
 - b) A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.
 - c) Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.
- 6) Emergency Transfer Request Documentation
 - a) To request an emergency transfer, the tenants shall notify and submit a written request for a transfer to the corresponding office as listed below:

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

Program: Housing Choice Voucher Program
Office Address: Miami-Dade Housing Choice Voucher
7400 NW 19th Street, Bay H
Miami, FL 33126

Programs: Moderate Rehabilitation Rental Program, Project-Based Vouchers,
and HUD-Veterans Affairs Supporting Housing
Office Address: Section 8 Housing Choice Voucher
701 NW 1st Court
Miami, FL 33136

- b) The tenant's written request for an emergency transfer should include either:
- i. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HCD's program; or
 - ii. If applicable, a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.
 - iii. For required documentation that a tenant is a victim of domestic violence, dating violence, sexual assault, and stalking, please refer to Section 2.14 of this Administrative Plan.

7) Confidentiality

- a) The information under the Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation form will remain confidential and will be used by HCD only to provide the victims with the exceptions and protections under VAWA.
- b) HCD must ensure that private information of victims of domestic violence, dating violence, sexual assault or stalking is protected in accordance with VAWA requirements.
- c) HCD and/or its designee will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HCD written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act form for more information about HCD's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

8) Emergency Transfer Timing and Availability

- a) HCD and/or its designee cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HCD and/or its designee will, however, act as quickly as possible to approve the move for a tenant who is a victim of domestic violence to another unit, subject to availability and safety of a unit. Below are specific details per program.

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

- i. The Housing Choice Voucher (HCV) and HUD-Veterans Affairs Supporting Housing (VASH) Programs (tenant-based vouchers) provide the victim with the option to move to another unit either within or beyond HCD's jurisdiction. HCD and/or its designee will expedite the administrative processes for participants who wish to exercise either option, including when the victim and perpetrator are members of the same household.
- ii. The Project-Based Voucher (PBV) and Moderate Rehabilitation Programs (project-based assistance) are dependent on the availability of dwelling units for a tenant to receive a housing offer. If a unit is not readily available, HCD will collaborate with owners and managers to review the existing inventory of units to determine when the next vacant unit may be available and will expedite the administrative process.

Note: Under the PBV program, if the victim has been living in a unit for at least 12 months, HCD may offer the next available voucher, subject to funding availability.

- b) If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HCD may be unable to approve the transfer of a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.
- c) If HCD has no safe and available units for which a tenant who needs an emergency is eligible, or in the case of Section 8 Housing Choice Voucher, if the tenant cannot find a suitable unit, HCD will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HCD and/or its designee will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence that are provided with HUD form 5380.

9) Safety and Security of Tenants

- a) Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.
- b) Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).
- c) Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.
- d) Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
- e) Tenants who are or have been a victim of domestic violence, dating violence, sexual assault or stalking will be provided with HUD form 5380 that includes a list of local organizations offering assistance to victims of domestic violence.

ATTACHMENT E

OF THE

SECTION 8 ADMINISTRATIVE PLAN

HOTMA PROVISIONS PENDING HUD'S IMPLEMENTATION DATE

Effective Date:

ATTACHMENT E

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937.

The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023.

On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule; this was reissued on February 2, 2024, to provide revisions and further guidance.

On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.

However, in preparation, this Attachment E contains required and discretionary policies that will be incorporated into the Administrative Plan upon HUD's release of compliance date.

Chapter 7. Determination and Verification of Annual Income

7.2 Annual Income Inclusions

(a) Annual income includes, with respect to the family [24 CFR §5.609(a)]:

(1) All amounts, not specifically excluded in section 7.3(b), received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and

(2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

7.4 Calculating Annual Income

A. Annual Reexaminations

HCD must estimate the family income for the upcoming 12-month period, subtract the allowable deductions, from the gross annual income to determine the adjusted income. HCD must:

- Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
- Consider any redetermination from an interim reexamination during that period.

- Adjust reflect current income if there was a change during that period.
- Subtract the allowable deductions, from the gross annual income to determine the adjusted.

C. Streamlined Income Determination

HCD may use the streamlined income determination to adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

1. Types of Fixed Income

- Social Security, Supplemental Security Income, Supplemental Disability Insurance.
- Federal, state, local, or private pension plans.
- Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.
- Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

2. Fixed Income: 90 percent or more of a family's unadjusted income

When 90 percent or more of a family's unadjusted income consists of fixed income, HCD may use streamlined income determination and must apply COLA or COLAS to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, HCD is not required to make adjustments.

3. Fixed Income: Less than 90 percent of a family's unadjusted income

When less than 90 percent of a family's unadjusted income consists of fixed income, HCD may use streamlined income determinations must apply a COLA to each of the family's sources of fixed income. HCD must determine all other income.

4. COLA Rate

If no public verification or tenant-provided documentation is available, then HCD must obtain third-party verification of the income amounts in order to calculate the change in income for the source.

5. Triennial verification

For any income determined pursuant to a streamlined income determination, HCD must obtain third-party verification of all income amounts every 3 years.

7.5 Adjusted Annual Income

Adjusted income is the annual income of family members residing in or intending to reside in the rental unit, less allowable deductions.

A. A deduction is taken for each qualifying dependent.

- The amount of the deduction is currently \$480.
- A dependent is defined as any family member other than the head, spouse, or co-head who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student.
- Foster children, foster adults, and live-in aides are never considered dependents.

B. A deduction for elderly or disable family

- A single deduction is taken for any family where the head of household, co-head or spouse is at least 62 years of age or a person with a disability. Upon implementation of HOTMA and at the first annual or interim reexamination, the amount of the deduction will be increased from \$400 to \$525.

Upon implementation of HOTMA and subject to applicable HUD guidance, these deduction amounts will be adjusted annually by HUD in accordance with Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25.

C. Child Care Expenses

Any reasonable child-care expenses necessary to enable a member of the family to be employed or to further their education are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed or to further his or her education (e.g., work or further their education (academic or vocational));
- The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
- The child-care expenses must be paid from the family's annual income; and
- The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

HCD will seek third-party verification of the work schedule of the person who is permitted to work by child-care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family. HCD generally will limit the allowable child-care expenses to the earned income of the lowest-paid member.

HCD will request third-party documentation to verify that the person permitted to further his or her education by childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family. The child-care expense must be reasonable.

Child Care Hardship Exemption [(24 CFR §5.611(d))].

1. Requirements

- a) A family whose eligibility for the childcare expense deduction is ending may request financial hardship exemption to continue receiving a child-care expense deduction in certain circumstances when the family no longer has a member that is working or seeking to further their education, and the deduction is necessary because the family is unable to pay their rent.
- b) Upon approval of the family's request for a hardship exemption, HCD must recalculate the family's adjusted income and continue the child-care deduction if the family demonstrates to HCD's satisfaction that the family is unable to pay their rent. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

2. Hardship Exemption Eligibility:

- a) HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (1) Provide a written request for a hardship exemption detailing why the childcare expense is still necessary even though the family member is no longer employed or furthering their education. Note that verification may be requested.
 - (2) The rent, utility payment, and applicable expenses (childcare expenses or health and medical expenses and reasonable and auxiliary apparatus) is more than 45 percent of the family's annual adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

3. Notification of Hardship Exemption

- a) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- b) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

4. Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

5. One Additional 90-Day Hardship

One additional 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

D. Health and Medical Care and Reasonable Attendant Care and Auxiliary Apparatus Expense

- 1. A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of deduction exceed the employment income earned by the family member(s) able to work.

2. Equipment and auxiliary apparatus may include but are not limited to:
 - Wheelchairs
 - Lifts
 - Reading devices for the visually impaired
 - Equipment added to cars and vans to permit their use by the disabled family member.
 - Included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.
 - For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income, provided the amount so calculated does not exceed the employment income earned.
 - For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income (provided the amount so calculated does not exceed the employment income earned) plus medical expenses as defined below.
3. Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any reasonable attendant care and auxiliary apparatus expenses, they exceed the HUD-established percentage of annual income threshold.
4. The threshold has been raised from three (3) percent to ten (10) percent of annual income. Families may be eligible for a 24-month phase-in relief period or a general relief 90-day period but not both.
 - a) 24-Month Phased-in Relief
 - (1) Residents whose income calculation was adjusted due to the family's claim of unreimbursed health and medical care and reasonable attendant care and auxiliary apparatus expense exceeding 3% of the family's annual income, prior to the HOTMA implementation, will have an increase in the threshold of this deduction phased-in in the following manner:
 - (a) Following the first income reexamination after the implementation of HOTMA, such families will receive deductions for claims of unreimbursed expenses (described herein) up to 5% percent of the annual income for 12 months.
 - (b) Following the 12-month period at 5% deductions, the family will receive deductions for claims of unreimbursed expenses (described herein) in excess of 7.5% for the following 12 months.
 - (c) At the conclusion of the 24-month phase in period, the family will be eligible for this deduction only if their unreimbursed medical and healthcare expenses exceed 10% of the annual income.
 - (2) An elderly or disabled family or a family that includes a person with disabilities may request general or financial hardship relief (see below) prior to the end of the 24-month transition period if the family can demonstrate that the

family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased or there has been a change in circumstances resulting in a financial hardship.

- (3) The 24-month phased-in relief period must be continued to be received by families upon portability or conversions under RAD.

b) General Relief

- (1) To qualify, a family must demonstrate that the family's unreimbursed health and medical care expenses or unreimbursed reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.
- (2) Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief.
- (3) If a HCD determines that a family is eligible for general relief, the family will receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income. The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier.

c) Financial Hardship

- (1) A financial hardship provides one 90-day period to receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income to qualifying families.
- (2) The family must demonstrate that the rent, utility payment, and applicable expenses (childcare expenses or health and medical care and reasonable attendant care and auxiliary apparatus expenses) is more than 45 percent of the family's adjusted annual income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent. However, this financial hardship would not otherwise trigger an interim reexamination.
- (3) This relief is available regardless of whether the family previously received health and medical deductions or is currently receiving, or previously received, a hardship exemption under the first category. HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (4) Provide a written request for a hardship exemption detailing why the health and medical expenses and reasonable attendant care and auxiliary apparatus expense is still necessary. Note that verification may be requested.

d) Notification of Hardship Exemption

- (1) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- (2) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

e) Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

f) One Additional 90-Day Hardship

A second 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

Phase-In Relief	Initial 12 Months	Initial 24 months	End of 24 months
<u>To qualify</u> family must already be receiving a medical expense deduction of 3% of Gross Income - May request General Relief if does not qualify for phased-in Relief - May request financial hardship prior to the end of the 24 months	5% Of Gross Income	7.5% Of Gross Income	10% Of Gross Income
General Relief	90-Day period		
	5% of Gross income for one 90-day period		
Financial Hardship	90-Day Period	2nd 90-Day Period	
<u>To qualify</u> families must demonstrate a financial hardship	5% of Gross income ends when there is no need for hardship or the 90-day period end	Families may request an additional 90-day period if they can demonstrate a financial hardship for a different set of circumstances, subject to HCD's approval	

7.5 Enterprise Income Verification (EIV), Third Party Verification, and Factors Affecting Eligibility and Family Rent

HCD is required to use HUD's Enterprise Income Verification (EIV) system and the Income Validation Tool (IVT) in its entirety as a third-party source to verify employment and income information for annual reexaminations, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR § 5.233(a)(2)(i)].

EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. HCD

HCD will follow the verification hierarchy described in PIH Notice 2023-27.

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , using HUD's Enterprise Income Verification (EIV) system	Highest (Mandatory) - (not available for applicants) Must pull the EIV Income Report for each family at every Annual Reexamination. EIV may be used as the sole verification of Social Security income. EIV income information may be used to calculate other types of annual income when family agrees. See Level 4 for more information.
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, web-based state benefits systems, etc.)	Highest
4	Written, third-party verification from the source, also known as "tenant-provided verification" OR EIV + Self-Certification HCD can choose either option when both are available to verify income. HCD must use written, third-party verification when the income type is not available in EIV (e.g., self-employment, Go Fund Me accounts, general public assistance, Veterans Administration benefits, etc.)	High • Written, third-party verification is used when tenant disputes EIV-reported employment and income information. • The EIV Income Report may be used to verify and calculate income if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information from EIV.

HOTMA PROVISIONS PENDING HUD's IMPLEMENTATION DATE
Attachment E of the Section 8 Administrative Plan

Level	Verification Technique	Ranking
3	Written Third-Party Verification Form	Medium • Use if Level 5 or Level 4 verification is not available or is rejected by HCD and when the applicant or tenant is unable to provide acceptable documentation. • May substitute Level 2 for written, third-party verification form, only completing one of the two forms of verification before moving to self-certification.
2	Oral Third-Party Verification	Medium
1	Self-Certification (not third-party verification)	Low Use as a last resort when unable to obtain any type of third-party verification or if specifically permitted, such as to determine actual income from assets when the family certifies that net family assets do not exceed \$50,000.

Level 6: (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD's EIV System which is mandatory for residents but not available for applicants;

Level 5: Upfront Income Verification (UIV) using non-HUD system such as The Work Number, web-based state benefits systems, etc.);

4. **Level 4:** Written Third-Party Verification (High) An original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

Such documentation may be in the possession of the tenant (or applicant) and is commonly referred to as tenant-provided documents. HCD may obtain any tenant-provided documents and follow up directly with the third-party source to obtain necessary verification of information, when necessary.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include but are not limited to the following: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

HCD are required to obtain a minimum of two current and consecutive pay stubs for determining annual income from wages when they do not elect to use EIV + Self-Certification or the income type is not reported in EIV. For new income sources or when two pay stubs are not available, the HCD should determine income based on the information from a traditional written, third-party verification form or the best available information.

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.) are an acceptable form of written, third-party verification.

When verification of assets is required, HCD is required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

EIV may be used as Level 4 verification and may be used to calculate income as long as the family agrees with the information in EIV; this practice is known as "EIV + Self-Certification." HCD may use their discretion to determine which method of calculation is reasonable: the last 4 quarters combined or an average of any number of quarters. The EIV Income report must be pulled within 120 days prior to the reexamination effective date.

3. **Level 3:** Written Third-Party Verification Form: This practice is also known as "traditional third-party verification." This type of verification is a form developed by the HCD used uniformly for all families when needed to collect information from a third-party source. The form is completed by the third party by hand (in writing or typeset). HCD send the form directly to the third-party source by mail, fax, or email.

The HCD may skip this level of verification before attempting Level 2, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

2. **Level 2:** Oral Third-Party Verification: Independent verification of information by contacting the individual income/expense source(s), as identified through the UIV technique, or identified by the family, via telephone or in-person visit. HCD staff must document in the tenant file the date and time of the telephone call (or visit to the third party) and the name of the person contacted and their telephone number, along with the confirmed information.

This verification method is commonly used when the independent source does not respond to the HCD's faxed, mailed, or e-mailed request for information in a reasonable time frame (e.g., 10 business days).

The HCD may skip this level of verification if they attempted Level 3, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

1. **Level 1: (Low)** The tenant submits a signed statement of reported income and/or expenses to the HCD. This verification method should be used as a last resort when HCD has not been successful in obtaining information via all other required verification techniques. When HCD relies on self-certification to verify income or expenses, HCD must document in the tenant file why third-party verification was not available. HUD does not require that a self-certification be notarized.

A. EIV: Substantial Different from Tenant Provided Information

If income information in EIV is not available or if it is substantially different from tenant-provided information, then written verification from third parties is the next most desirable form of verification. Currently, a substantial difference requiring third party verification in cases where EIV income data differs from tenant-provided and/or other verified income information is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD. If EIV income data is not substantially different than current tenant-provided income documentation, the following guidelines for projecting annual income will be used:

- If EIV income data is less than current tenant-provided documentation, HCD will use tenant-provided documents to calculate anticipated income.

- If EIV income data is more than current tenant-provided documentation, HCD will use EIV income data to calculate anticipated annual income unless the tenant provides HCD with documentation of a change in circumstances (i.e., change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, HCD will use tenant-provided documents to calculate anticipated annual income.

In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:

- Request written third party verification from the discrepant income source. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
- Review historical income data for patterns of employment, paid benefits, or receipt of other income, when HCD cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
- Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

In verified differences of greater than \$200 per month (\$2,400 per year), HCD may require the family to enter into a repayment agreement for monies owed or require payment in full. Should the family refuse to enter in a repayment agreement or not fulfill its obligations under its repayment agreement, HCD shall recommend termination and may refer the case to the HUD Office of the Inspector General. HCD, in its sole discretion, may recommend terminating assistance for tenant fraud on a case-by-case basis, e.g., forgery or has demonstrated a pattern of unreported or under-reported income in between or at prior reexaminations. In such cases, HCD will make the determination whether to recommend terminating assistance and forwarding the case to the HUD Office of Inspector General via HCD.

In instances where fraud (as defined in Attachment A of this policy), as opposed to tenant error (as defined in Attachment A of this policy), has occurred by the tenant and the difference is verified as being \$10,000, HCD may recommend terminating housing assistance and shall forward cases to the HUD Office of Inspector General for fraud prosecution, where authorized by HCD.

Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the disclosure requirements of the Florida Public Records Act and HUD requires HCD to keep said information private under penalty of Federal law. Any EIV-derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. HCD shall provide the participant with information obtained through EIV upon the participant's request.

Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 or five (5) years imprisonment, as well as civil penalties, pursuant to the Privacy Act of 1974 as amended, 5 U.S.C. § 552(a).

7.6 Income Validation Tool (IVT)

The IVT report facilitates and enhances identification of unreported or under-reported income during regular reexaminations. The IVT also provides income and wage, unemployment compensation and SSA benefit information. Additionally, the IVT report provides income information for heads of household and family members where there may be discrepancies in family reported income and employer reported information.

At each regular reexamination of income and family composition and/or as needed, HCD will:

- Review the EIV Income and IVT reports to confirm/validate tenant-reported income;
- Print and maintain the EIV Income and IVT Reports in the tenant file;
- Obtain current acceptable tenant-provided documentation to supplement EIV information (where applicable); and
- Use current tenant-provided documentation and/or third-party verification to calculate annual income.

Additionally, at each regular reexamination of income and family composition, and/or as needed, using the IVT, HCD will:

- Identify any reported discrepancies in family reported income and employer reported information;
- Request the tenant to provide any documentation to confirm or dispute the income discrepancy;
- If applicable, determine the tenant rent using the correct and updated income;
- Determine the degree of tenant underreporting or misreporting of income information; and
- Take action in accordance with HCD policy to resolve the identified discrepancies.

7.8 Assets

A. Verification of Assets

1. HCD will fully verify the net family assets and anticipated income earned from assets at new admission. During an annual or interim reexamination, HCD may rely solely on a family self-certification that their net family assets are equal to or less than \$50,000 subject to the following two conditions:
 - a) a full verification of family assets (i.e., two bank statements) were provided during the last annual or interim verification; and
 - b) the family has met all other requirements to complete reexamination except submittal of the required asset verifications (two bank statements).

2. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are

convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. This is not an exhaustive list.

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care-related supplies • Musical instruments used by the family • Personal computers, phones, tablets, and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

B. Limitation on Assets (24 CFR § 5.618)

Per requirements in Section 104 of HOTMA, 24 CFR §5.618, admission will be denied to families who own or have interest in the following assets:

1. The family's combined net assets exceed \$100,000, or as determined by HUD and

adjusted annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W);

2. The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under the Housing Choice Voucher Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
3. A property will be considered suitable for occupancy unless the family demonstrates that the property:
 - a) Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation);
 - b) It is not sufficient for the size of the family based on occupancy standards;
 - c) It is geographically located outside of the state of Florida so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the HCD);
 - d) It is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
 - e) It is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.
4. This real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under 24 CFR § 982.620 or under the Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
5. The policy regarding limitation on assets will not apply to participants in the program.

7.9 Verification Documents

A. Child Support

HCD will verify all amounts received from child support by the family using the verification hierarchy. Only amounts received of child support payments will be counted as income.

Chapter 11. Utilities

11.1 Utility Allowance Schedule

Effective January 1, 2024, upon the implementation of Housing Opportunity through Modernization Act of 2016 (HOTMA) and applicable regulations and guidelines promulgated by HUD, foster children and foster adults are household members and will be considered when determining utility allowance.

Chapter 15. Annual and Interim Re-certification

15.2 Interim Re-certifications

A. Interim Reexamination

1. Any approved addition to the family composition will be processed as an interim recertification. HCD will only update the family composition information unless the family meets one of the conditions described under "Interim Rent Increases" or "Interim Rent Decreases" described below.
 - No increases in annual income will result in an interim reexamination unless the family reported zero income or a decrease in income within the same annual or biennial reexamination cycle (Refer to "Interim Rent Increases").
 - EIV is no longer required to verify tenant's employment and income information during an interim recertification.
 - The total family income increases or decreases must last longer than one-month (30 days); the tenant must report such a change in writing to the management office within ten (10) days of occurrence.
 - HCD will not conduct an interim reexamination for an increase in income within the last three months of the family's next annual reexamination period.
 - HCD will conduct requests for interim adjustments when a family member is permanently moving out of the unit.
 - HCD has established a ten (10) percent threshold to determine when to complete an interim reexamination. As a result, HCD will round **up** 9.5 and above to 10%, the standard threshold set by HUD.
 - If the monthly rental payment decreases as a result of the rent adjustment, the adjusted rent will become effective the first day of the month following the date the information is reported to HCD. If the rent should increase based on the family income, the adjustment will become effective the first day of the second month following the month in which the change is reported or 30 days, whichever is greater, after proper verification is completed.

- If it is found that the family failed to timely report any changes in income or family composition within ten (10) days or provided inaccurate or incomplete information, it may be considered fraud, any of the following may occur:
 - a) Any increase in rent which would have occurred had changes been reported in a timely manner will be made retroactive to the effective date of the change in circumstances and the family agrees to reimburse HCD for the difference between the rent they should have paid and the rent they were charged.
 - b) Any decrease in rent that would have occurred had changes been reported in a timely manner will be made effective the first day of the month following the date the change is reported to HCD and will not apply retroactively.

B. Interim Rent Increases

1. Families are required to report to PHCD all increases in adjusted unearned income that occurred between regularly scheduled annual re-examinations. Any increase of the family's unearned income by ten (10) percent or more must be processed.
2. Families are required to report to HCD all increases in earned income. HCD must conduct a full interim reexamination due to an increase in earned income if the family had an interim reexamination to decrease rent during the annual reexamination period. Any increase of the family's earned income by ten (10) percent or more must be processed.

C. Interim Rent Decreases

1. HCD must conduct a full interim reexamination if the family's adjusted unearned income has decreased.

D. Non-Interim Reexaminations

In accordance with HOTMA, HUD now defines the following types of changes to a household's family composition or rent calculations as "Non-Interim Reexamination" - except if there is a change of income that exceeds the thresholds as provided above.

The following transaction types require the processing and submission of a Non-Interim Reexamination, regardless of the reexamination results in a recalculation of the rent the family is to be charged:

1. Adding, updating, or removing a hardship exemption for the childcare expense deduction or the health and medical care expense deduction.
2. Updating or removing the phased-in hardship relief for health and medical care expense deduction.

3. Adding or removing a minimum rent hardship exemption.

HOTMA PROVISIONS PENDING HUD's IMPLEMENTATIONDATE
Attachment E of the Section 8 Administrative Plan

4. Adding or removing a non-family member (live-in aide, foster child, foster adult).
5. Changes or adjustments related to families still benefiting from the Earned Income Disregard (EID).
6. Adding family members and the increase/decrease in adjusted income does not trigger an interim.
7. Removing family members and the increase/decrease in adjusted income does not trigger an interim.
8. Adding/updating social security numbers.
9. Updating a family member's citizenship/immigration status.

Criminal Records

All criminal arrest records for persons 18 years of age or older, including but not limited to, sex offender records and registration records, and any court dispositions, including but not limited to, *nolo contendere*, *nolle prosequi*, withholds of adjudication and adjudications of guilt. The term “criminal records” does not include records unavailable to the HCD by operation of law, including juvenile records, sealed or expunged records, exempt records under Florida’s Public Records Act, or other records unavailable to the HCD under state and federal laws. HCD will conduct such checks on household members who are younger than 18 years if they are being tried as adults for certain criminal offenses.

Dating Violence (24 CFR §5.2003 and the Florida Statutes)

The federal regulations defines “dating violence” as violence committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim; and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- the length of the relationship;
- the type of relationship; and
- the frequency of interaction between persons involved in the relationship.

The Florida statutes define “dating violence” as violence between individuals who have or have had a continuing and significant relationship of a romantic or intimate nature. The existence of such a relationship shall be determined based on the consideration of the following factors:

- A dating relationship must have existed within the past six (6) months;
- The nature of the relationship must have been characterized by the expectation of affection or sexual involvement between the parties; and

Disability Assistance Expenses

Unreimbursed reasonable attendant care and auxiliary apparatus expenses for each member of the family who is a person with disabilities, to the extent necessary to enable any member of the family (including the member who is a person with disabilities) to be employed. This deduction may not exceed the earned income received by family members who are 18 years of age or older and who are able to work because of such attendant care or auxiliary apparatus. These allowances are given when calculating adjusted income for attendant care and auxiliary apparatus in excess of ten (10) percent of annual income.

ATTACHMENT B

SECTION 8 ADMINISTRATIVE PLAN

Effective:

It is the policy of the Housing and Community Development (HCD) to ensure that communications with applicants, residents, program participants, employees, and members of the public with disabilities are as effective as communications with others.

HCD, including its employees, agents, contractors and private management companies/agents, shall furnish appropriate auxiliary aids and services, where necessary, to afford individuals with disabilities, including individuals with hearing, visual or cognitive disabilities, an equal opportunity to participate in, and enjoy the benefits of, the programs, services and activities conducted by HCD.

AUXILIARY AIDS AND SERVICES:

"Auxiliary aids and services" include, but are not limited to: (1) qualified sign language interpreters, note-takers, transcription services, written materials, telephone handset amplifiers, assistive listening devices, assistive listening systems, telephones compatible with hearing aids, closed caption decoders, open and closed captioning, telecommunications devices for deaf persons (TDDs), videotext displays, or other effective methods of making aurally delivered materials available to individuals with hearing impairments; and, (2) qualified readers, taped texts, audio recordings, Brailled materials, large print materials, or other effective methods of making visually delivered materials available to individuals with visual impairments.

REQUEST FOR EFFECTIVE COMMUNICATION:

When an auxiliary aid or service is required to ensure effective communication, HCD will provide an opportunity for an individual with a disability to request the auxiliary aid or service of their choice. HCD will give primary consideration to the choice expressed by the individual. "Primary consideration" means that HCD will honor the choice, unless it can show that another equally effective means of communication is available; or, that use of the means chosen would result in a fundamental alteration in the nature of its service, program, or activity or in an undue financial and administrative burden.

The individual will submit their request for auxiliary aids or services to the appropriate HCD staff person designated below. All requests shall be dated and time-stamped upon receipt by the appropriate HCD staff person.

Within forty-eight (48) hours of receipt of the individual's request, the designated HCD staff person will consult with the individual with the disability when the preferred type of auxiliary aid or service is not available or not required, and the staff person is attempting to ascertain whether an alternative means of communication will ensure effective communication.

Within five (5) business days following receipt of the effective communication request(s), the designated HCD staff person will provide the requesting individual with notification of the proposed auxiliary aid or service to be provided.

The ADA Coordinator will maintain copies of all requests for effective communication and, including final disposition, for the duration of this Agreement.

Individual requests for Effective Communication will be directed to the following HCD officials:

Resident Requests:

HCD resident requests for auxiliary aids or services should be made to the AMP administrator at the resident's development.

Applicant Requests:

Applicants for HCD housing should make requests for auxiliary aids and services to MDHA's Applicant and Leasing Center (786) 469-4300 phone, (305) 638-6014 TDD) or the ADA Coordinator (786) 469-2155 .

Other Requests:

Requests from members of the public who wish to participate in programs, services and/or activities of HCD shall submit their request(s) for auxiliary aids and services as directed in HCD notices, appointment notifications, forms, or brochures. However, individuals with disabilities who request auxiliary aids or services for public events such as public hearings, Board hearings, public meetings, etc., shall make their requests no later than five (5) days prior to the event.

GRIEVANCE PROCEDURES:

If the requesting individual with a disability is not satisfied with the HCD's response to the individual's request(s) for an auxiliary aid or service, the individual may file a formal grievance, including appropriate supporting documentation, if any, with HCD's Section 504/ADA Coordinator. The grievance may be communicated orally or in writing.

However, all oral grievances must be reduced to writing and maintained in HCD's files. In addition, HCD shall provide assistance to any individual who requests assistance in filing a grievance, including assistance in reducing the individual's grievance to writing. All grievances shall be dated and time-stamped.

Within seventy-two (72) hours of receipt, HCD's Section 504/ADA Coordinator will respond to the individual's grievance.

The Section 504/ADA Coordinator will provide their formal decision, in writing, within ten (10) business days after receipt of the grievance.

If the individual is dissatisfied with the HCD Section 504/ADA Coordinator's determination, the individual may pursue remedies under HCD's HUD-approved Grievance Procedures.

INTRODUCTION:

Policy Statement:

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of HCD's programs, services and activities. Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a HCD policy, HCD will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden or would be neither reasonable nor necessary. In such a case, HCD will make another accommodation that will not result in a financial or administrative burden or be either unreasonable or unnecessary.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

HCD will post a copy of these Reasonable Accommodation Policies and Procedures in the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of these Reasonable Accommodation Policies and Procedures, upon request, from Applicant Leasing Center Eligibility Interviewers, Public Housing AMP administrators, Section 8 Leasing and Contract Specialists, and HCD's ADA Coordinator.

For those who do not qualify as a person with a disability as defined by the Fair Housing Amendments Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, but who have a need for an accommodation because of a physical or mental impairment, HCD may still provide an accommodation to meet that need contingent upon reasonableness and availability of resources.

Legal Authority:

HCD is subject to Federal, state and local civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations:

See Section 504 of the Rehabilitation Act of 1973 (Section 504)¹; Title II of the Americans with Disabilities Act of 1990 (ADA)²; the Fair Housing Act of 1968, as amended (Fair Housing Act)³; the Architectural Barriers Act of 1968⁴, and the respective implementing regulations for each Act, State of Florida Statutes Sections 760.20-760.37, and Chapter 11A, *et. seq.* of the Code of Miami-Dade County.

² 42 U.S.C. §§ 12101 *et seq.*

³ 42 U.S.C. §§ 3601-20; 24 C.F.R. Part 100.

⁴ 42 U.S.C. §§ 4151-4157.

Monitoring and Enforcement:

HCD's ADA Coordinator is responsible for monitoring HCD's compliance with the laws stated herein and this policy. Individuals who have questions regarding this policy, its interpretation or implementation should contact the ADA Coordinator in writing, by telephone, or by appointment, as follows:

Individuals may contact the ADA Coordinator regarding any complaints regarding their reasonable accommodation request.

In addition, individuals may exercise their right to appeal HCD's decision through the local offices of the following agencies:

General Policy Information:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by HCD through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular program and individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs of the individual as well as the nature of the program or activity in which the individual seeks to participate.

Information and documentation regarding the policy of reasonable accommodations will be given to applicants, residents and program participants during the admission and occupancy cycle, including but not limited to during the recertification process, and upon request (see "Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests", page 10). Forms and other documents used for applicants, residents and program participants will, to the extent feasible, be written in plain, intelligible language. When appropriate, HCD will provide documents in accessible formats, provide

auxiliary aids, or, upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. The request may be made in any manner that is convenient for the person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

HCD will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, HCD will make modifications in order to enable a qualified applicant/resident with disabilities to live in the housing, but is not required to offer housing of a fundamentally different nature. The test is whether, with appropriate modifications, the applicant/resident can live in the housing that HCD offers; not whether the applicant/resident could benefit from some other type of housing that HCD does not offer.

DEFINITIONS:

Applicant: A person who successfully follows all of the required steps identified by HCD as necessary for becoming a participant in one of HCD's housing programs (for example: the Public Housing, Section 8 Housing Choice Voucher, or Section 8 Moderate Rehabilitation programs).

Assistive Animals: Animals that are used to give assistance to persons with disabilities and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals.

Major Life Activities: These include caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. This is not an exhaustive list; other life activities can also be major.

Mitigating Circumstances: Situations in which a requested reasonable accommodation enables an applicant, resident, or program participant to become lease compliant.

Resident: A person who successfully follows all of the required steps identified by HCD as necessary for residing in a dwelling administered under HCD's Public Housing Program.

Person with Disabilities: A person who 1) has a physical or mental impairment that substantially limits one or more major life activities, 2) has a record of such impairment, or 3) is regarded as having such impairment.

Physical Or Mental Impairment: A variety of conditions, diseases, illnesses, disfigurements and disorders including hearing/orthopedic/visual/speech impairments, alcoholism, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), cerebral palsy, cancer, or HIV infection, if the impairment substantially limits one or more major life activities.

Program Participant: A person who successfully follows all of the required steps identified by HCD as necessary for participating in HCD's Section 8 Housing Choice Voucher or Section 8 Moderate Rehabilitation programs).

Reasonable Accommodation: a change, adaptation or modification to a policy, program, service, or workplace, which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Reasonable accommodations may include, for example those, which are necessary in order for the person with a disability to use and enjoy their dwelling, including public and common use spaces.

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS:

To facilitate communication with persons with disabilities, HCD shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and to enjoy, the benefits of programs and activities. However, HCD is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, HCD shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that HCD, when necessary and appropriate, readily supplies to applicants, residents and program participants include but are not limited to:

1. Allowing transfers to another dwelling upon verification by a qualified verification source of a disability-based need for the transfer.
2. Providing additional explanation of program rules and requirements.
3. Offering documents, in accessible formats (e.g., large type, computer disk or Braille) and in plain language.
4. Permitting rent payments and required communications to be mailed rather than delivered in person.
5. Providing accessible housing to applicants and residents.
6. Providing another housing offer if an applicant, resident or program participant can demonstrate good cause that the rejection of the initial housing offer, for example, was because of the disability of an applicant, resident or program participant's household member.
7. Making a dwelling unit, part of a unit or public and common use elements accessible.
8. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), Assisted Listening Device (ALD), a qualified sign language interpreter, or a reader, when necessary for effective communication between HCD and an applicant, resident or program participant.
9. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
10. Allowing the use of assistive animals.
11. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant, resident, or program participant. If the applicant/resident/program participant requests such consideration or if more information is required, HCD will ask the applicant/resident/program participant to verify:
 - a. that the applicant/resident/program participant has a disability;

- b. that the specific situation(s) that led to application rejection or lease/housing assistance termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to application rejection or lease/housing assistance termination;
 - c. that the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
- 12. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applications normally allowed for people without disabilities.
- 13. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of HCD to provide effective communication.
- 14. Allowing a live-in aide to reside in an appropriately-sized dwelling unit.
- 15. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment.
- 16. Permitting an outside agency or family member to assist an applicant, resident or program participant in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

FUNDAMENTAL ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN:

HCD will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a requested accommodation to be a fundamental alteration does not eliminate HCD's compliance responsibilities. If a requested action would result in a fundamental alteration or undue financial and administrative burden, HCD may take another action that would not result in a fundamental alteration but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. HCD's determinations with respect to fundamental alterations will be made on a case- by-case basis.

ESSENTIAL OBLIGATIONS OF TENANCY:

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

1. To pay rent and other charges under the lease in a timely manner;
2. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
3. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises (for Public Housing, Section 8 Moderate Rehabilitation, Section 8 Housing Choice Voucher (Section 8 Voucher), and all applicable related programs);
5. To comply with all applicable US HUD regulations, and HCD rules, and program requirements and documents, (including the HCD Public Housing Conventional Lease and Community Policies and Section 8 HAP Contract) and to comply with health and safety codes; and
6. Actions that would change the essential obligations of tenancy.

TYPES OF ACTIONS CONSIDERED TO BE A FUNDAMENTAL ALTERATION:

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

1. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member);
2. Actions that require HCD to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by HCD;
3. Actions that require HCD to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that HCD offers; or
4. Actions that substantially impair HCD's ability to meet its essential obligations as a landlord, as defined in the HCD Conventional Public Housing Dwelling Lease (HCD Lease). HCD's obligations under the HCD Lease include management, administration, maintenance, or other services required for the operation of the program or upkeep of the property.

REASONABLE ACCOMMODATION PROCEDURES:

Initial Reasonable Accommodation Procedures:

1. HCD's *Reasonable Accommodation Request* form will be provided to all applicants as an attachment to HCD's application when the waiting list is opened.
2. During any point in the application process, applicants may make written requests using the Reasonable Accommodation form or if they are unable to complete the form, make a verbal request for reasonable accommodations to the following address and/or by calling the phone number indicated below:

Attention: Manager, Applicant Leasing Center (ALC)
HOUSING AND COMMUNITY DEVELOPMENT - ALC
1401 NW 7th Street
Miami, FL 33125
(786) 469-4300
Florida Relay TDD/TTY: 305-643-3377

Prior to eligibility interviews, applicants will send completed reasonable accommodation forms, and make all related requests and inquiries to, the ALC Manager. Also during this period, the ALC Manager or designee will send all necessary forms, and process all reasonable accommodation forms, requests and inquiries.

Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests:

HCD's Reasonable Accommodation Policies and Procedures, which includes the Reasonable Accommodation Request and Notice of Nondiscrimination on the Basis of Disability, will be posted in appropriate HCD business offices listed on page 1. The Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information forms will also be provided at eligibility determination, move-in and recertification by the AMP administrator (Public Housing) or HCD Contract and Leasing Specialist (Section 8) or their designees. When the designated employee (see "Making a Reasonable Accommodation Request," page 11) provides these forms, the recipient must sign the Acknowledgement of Receipt of Reasonable Accommodation Documents form, a copy of which must be placed in the recipient's file.

Forms and letters have been developed for an applicant, resident or program participant to request a reasonable accommodation. These forms are listed in the Appendix and are explained in later sections of this policy.

Although the process for requesting a reasonable accommodation is standardized, each request will be treated uniquely. The results will be unique to the individual, the property, and/or circumstances involved. Whenever possible, reasonable accommodation decisions will be made in a timely manner, and both denials and agreements to make accommodations will be documented in writing. If applicable, forms and notifications will be provided to the applicants, residents or program participants in an accessible format (such as Braille, large print, or audio tape) upon request.

Any meetings required by this policy will be held at an accessible location. Auxiliary aids will be provided upon request, where necessary to afford an individual with disabilities an equal

opportunity to participate in, and enjoy the benefits of HCD's programs and/or activities. Auxiliary aids are services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, HCD's programs or activities and include, but not limited to, qualified sign language interpreters, telecommunication devices for deaf persons (TDD's), Braille materials, audio recordings, materials in large print, note takers, or assistive listening devices. If auxiliary aids are requested by any person, including but not limited to an applicant, resident or program participant, such accommodations shall be made available. This requirement is contingent upon the requestor having given prior notification to HCD, e.g., on the application form in the case of an applicant, before any meetings held by HCD, etc. A person requiring an auxiliary aid shall make their request to HCD by providing a minimum of five (5) days advance notice. In most instances, this will allow sufficient time to provide these accommodations.

Appointments letters, notices of meetings, brochures and other HCD communications inform applicants, residents and program participants of their rights to auxiliary aids and how to contact the HCD staff person to whom these requests should be made. All HCD staff persons receiving requests for auxiliary aids will record these requests on the "Auxiliary Aids Request" form.

If HCD is not able to accommodate a disabled person who has requested an auxiliary aid, HCD will take appropriate action, including, but not limited to, rescheduling any meetings.

The Miami-Dade County contract for sign language interpreter services has a 48-hour advance cancellation requirement. In order to ensure compliance with this cancellation policy and prevent charges in full if the requirement is not met, the requestor will be required to notify staff or the County no less than 72 hours in advance if they anticipate not being able to attend the scheduled activity.

HCD will schedule sign language interpreters when a request is received at least five (5) days prior to any scheduled activity.

Making a Reasonable Accommodation Request:

Applicants, residents and program participants may make a reasonable accommodation request at any time. If the applicant/resident/program participant is unable to complete any of the following reasonable accommodation forms (Request Forms): *Reasonable Accommodation Request*, *Live-in Aide Agreement*, or *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Public Housing Only) forms, the request will still be considered. If the applicant/resident/program participant is unable to complete any of the Request Forms, the Eligibility Interviewer, AMP administrator, Contract and Leasing Specialist, or other designated employee must offer assistance and, upon consulting with the applicant, resident or program participant, complete the Request Forms to the best of their ability for record-keeping purposes. The designated employee must review the completed Request Forms, as appropriate, with the applicant, resident, or program participant. The designated employee must ensure that all reasonable accommodation requests are written on the applicable forms, no matter how the requests are communicated. The designated employee shall not give any assurances to the applicant, resident, or program participant that the request for reasonable accommodation will be granted or denied, but shall convey to the applicant, resident, or program participant that the requests will be reviewed and a final determination will be made at a later date described within this policy. If the accommodation is reasonable, HCD will consider the request.

The general procedures for making a reasonable accommodation request (subsequent to application process) are as follows:

1. At the eligibility determination phase, the Eligibility Interviewer, Contract and Leasing Specialist or other designated employee shall provide the *Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request* (which includes an attachment entitled "Examples of Reasonable Accommodations") and *Reasonable Accommodation Information* forms. The designated employee must obtain the signature of the applicant on the *Acknowledgement of Receipt of Reasonable Accommodation Documents* form indicating that they have received these forms. That form must be kept in the applicant's file. The Eligibility Interviewer, Contract and Leasing Specialist or other designee is the person to whom requests should be submitted at this phase. The designated employee shall also read a script entitled *Reasonable Accommodation Script* that clearly and simply indicates what a reasonable accommodation is and the fact that an applicant, resident or program participant has a right to a reasonable accommodation. The designated employee shall ask all applicants if they want to designate a contact person if needed to assist them because of their disability.
2. The AMP administrator, Contract and Leasing Specialist or designated employee will notify all Public Housing residents/Section 8 program participants of their right to request a reasonable accommodation by providing them with the *Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information* forms during move-in and recertification. They will also be notified that they may obtain additional *Reasonable Accommodation* forms from the designated employee at any time.
3. Applicants, residents, and program participants will submit all requests for reasonable accommodation to the designated employee as appropriate (see paragraphs 1 and 2 above) on the Request Forms and will obtain the Request Forms from those employees. Applicants, residents, and program participants will also obtain the Authorization for Release of Information from the designated employees as appropriate (see paragraphs 1 and 2) and return completed copies of these release forms to those same employees. If applicants, residents or program participants cannot use or complete a form because of their disability, the designated employee will still respond to their requests for reasonable accommodation and assist the applicant, resident or program participant in completing and using the form.
4. HCD shall assure that all medical records or any other documents related to the medical condition of the applicant, resident or program participant are protected from disclosure pursuant to all applicable federal and state laws, including but not limited to the Health Insurance Portability and Accountability Act of 1996 and Chapter 119 of the Florida Statutes (Public Records Law). All documents regarding the medical condition of applicants, residents, and program participants must be stored in secure, locked cabinets in the offices of the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager or Section 8 Tenant Selection Supervisor (as applicable). Medical documents must never be stored with applicant or tenant files. Access to medical documents and information is restricted solely to those employees who must have access to that information in order to provide a reasonable accommodation. This may include the ADA Coordinator, Applicant Leasing Center Chief (for applicants), Regional Managers (for Public Housing residents), and Tenant Selection Supervisors (for applicants and Section 8 program participants).

5. Within two (2) business days of receipt of the Request Form, the Eligibility Interviewer (for applicants), AMP administrator (for Public Housing residents), Contract and Leasing Specialist (for Section 8 Moderate Rehabilitation applicants and for Section 8 program participants) or other designated employee will fax a copy of the Request form and the following Verification Forms (as applicable) to the verification source indicated on the Request Form to verify disability and document the need for the reasonable accommodation: *Reasonable Accommodation Verification*, *Letter to Verification Source for a Reasonable Accommodation Request*, and *Live-in Aide Agreement/Live-in Aide Verification*. The fax notifies the verification source that the completed Verification form must be returned to the designated employee within ten (10) business days and that failure to do so may result in the request being denied.
6. Within two (2) business days of receipt of the Request Form, the designated employee will also forward this form to the ADA Coordinator for monitoring purposes.
7. The designated employee places a follow up call to the verification source within one (1) business day of faxing the documents to confirm receipt of the documents. If the forms have not been returned to the designated employee within five (5) days of being sent, the designated employee faxes a reminder to the verification source that the completed Verification form must be returned to the designated employee within five (5) business days and that failure to do so may result in the request being denied. If the Verification form is returned within ten (10) business days of being sent, proceed to step 8 (below). If the verification source does not return the Verification form within ten (10) business days of being sent, the designated employee forwards this information to the Applicant Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager, Section 8 Tenant Selection Supervisor or other designated supervisor who must forward the documents to the ADA Coordinator with their recommendation for denial.
8. Within two (2) business days of receipt of the completed Verification Form and any supporting documentation, the designated employee will forward the applicant's, resident's, or program participant's Request Form, Verification Form, and any supporting documentation to the designated supervisors in a sealed envelope.
9. The following forms may be used by the designated supervisor (see item 6, above) to communicate with applicants, residents or program participants and verification sources regarding Request and Verification Forms: *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation* (if applicable), *Request for More Information or Verification Regarding a Reasonable Accommodation Request*, or *Letter to Verification Source for a Reasonable Accommodation Request* (as applicable).
10. Should the designated supervisor determine that the Verification Form is incomplete or lacking in adequate detail, the designated supervisor will fax the form to the verification source within two (2) business days of receipt. The fax will indicate the necessary changes, and advise the verification source that the necessary changes must be incorporated and the corrected form must be returned within ten (10) business days. The fax also informs the verification source that failure to return the corrected form within the allotted time may result in the request being denied. The designated supervisor will place a follow-up phone call within one (1) business day of sending the fax to confirm receipt. The designated supervisor will send a reminder fax within five (5) business days of sending the fax should the documents fail to be returned within that time, again informing the verification source that failure to return the corrected form within the allotted time (five (5) days) may result in the request being denied. If the verification

source returns the corrected Verification Form within ten (ten) business days, proceed to the decision processes outlined in items 11 and 12 below. Should the verification source fail to return the corrected Verification Form within the allotted ten (10) business days, the designated supervisor will forward all Request and Verification Forms and any other applicable documents to the ADA Coordinator with recommendation that the reasonable accommodation request be denied for lack of proper verification, but that the request will be reconsidered should the requestor wish to resubmit it.

11. All decisions of the designated supervisors to grant reasonable accommodations will be communicated in writing (or in the appropriate, accessible format as previously indicated) to the applicant, resident or program participant and the ADA Coordinator within ten (10) business days of their receipt of correctly completed Request and Verification Forms via the *Approval/Denial of Reasonable Accommodation Request* form. The *Approval/Denial of Reasonable Accommodation Request* (Approval/Denial) form also advises the requestor of a projected date (if that can be estimated at the time of approval) by which HCD intends to provide the accommodation and indicates a phone number for the requestor to call in case of questions. If necessary, the ADA Coordinator is available for consultation on these matters. All requests for reasonable accommodation that are approved by the designated supervisors will be implemented or the process of implementation will begin within fourteen (14) days. If the implementation or the initiation of implementation should be longer, the requestor will be notified in writing within fourteen (14) days with an estimated date of completion.
12. All recommendations by the designated supervisor to deny reasonable accommodation requests must be reviewed by the ADA Coordinator prior to being released to the requestor. The designated supervisor will transmit their recommendations to deny reasonable accommodation requests to the ADA Coordinator within ten (10) business days of their receipt of the Request and Verification Forms. All decisions of the ADA Coordinator to grant or deny reasonable accommodation requests will be communicated in writing via the *Approval/Denial of Reasonable Accommodation Request* form (or in the appropriate, accessible format) to the applicant, resident, or program participant within thirty (30) business days receipt of the designated supervisor's recommendation, the Request and Verification Forms, and all other supporting documentation. Should the requestor wish to contest any adverse action pursuant to the Reasonable Accommodation Grievances and Appeals section, they may do so by requesting a Reasonable Accommodation Grievance or Appeal Hearing (Hearing). The *Approval/Denial of Reasonable Accommodation Request* form provides information regarding HCD's grievance/appeals procedure. If the person who wishes to contest an adverse action is unable to do so by written means because of their disability, HCD will consider alternate means by which the person may communicate the appeal. Should the requestor wish to contest the Reasonable Accommodation Grievance or Appeal Hearing Committee's decision, they may do so by following the *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*.
13. See the "Reasonable Accommodation Grievances and Appeals" section for additional information.

All forms must be date- and time-stamped by the HCD employees who receive them.

Determining Whether to Provide the Accommodation:

1. The first step in determining whether to provide the accommodation is to verify whether the party requiring the accommodation meets the definition of an Individual with Disabilities. The designated supervisors will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make a reasonable accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 2.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) about this request, using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or a meeting or discussion will be requested to obtain additional information using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
2. The second step is to verify that the requested accommodation is related to the disability (for example, if a person (who was the only household member) had a disability but no mobility impairment, and requested a wheelchair-accessible dwelling, the requested accommodation would not be related to the disability). The designated supervisor will determine *this by using the applicable Verification Form(s) received from verification source*.
 - a. If NO, HCD is not obligated to make the accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 3.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) using the *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
3. Is the requested accommodation reasonable? The Guidelines For Determining Reasonableness listed below will be followed by the designated supervisor in determining the reasonableness of the request.
 - a. If YES, HCD will approve the request for reasonable accommodation. A written description of the accommodation will be included in the approval letter.
 - b. If NO, HCD may deny the request or may suggest/offer another alternative accommodation if appropriate. The denial or suggestion/offer will be made in writing (in an accessible format, if requested). All denials must be submitted to the ADA Coordinator for review prior to release to the requestor.

- c. If more information is needed, the designated supervisor must either write for more information and notify the verification source and/or applicant/resident/program participant (as applicable) using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* forms, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.

Guidelines for Determining Reasonableness:

1. The purpose of the Verification Forms is to verify:
 - a. That the requestor is a person with disability;
 - b. That the requested accommodation is related to the applicant's, resident's, or program participant's disability; and
 - c. That the requested accommodation would (or will) provide the applicant/resident/program participant with an equal opportunity to use and enjoy HCD housing programs.
2. HCD retains the right to investigate alternatives to the requested accommodation, and/or alternative methods of providing the requested accommodation.
3. If an alternate accommodation satisfies the needs of the person with disabilities and is equally effective, HCD may select the accommodation that is most convenient and cost-effective. HCD will take the preferences of the applicant/resident/program participant into consideration in making such a determination. An alternative accommodation may include a change in procedure or policy, rather than a structural change, when the policy or procedure change would be equally effective. Under any circumstance, the requestor would still have a right to request an additional accommodation should the alternate accommodation proves unsatisfactory. The requestor retains the right to request an additional accommodation as needed.
4. If the requested accommodation constitutes a fundamental alteration to any HCD program, and there are no other appropriate solutions, the request will be denied, and the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute a fundamental alteration. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.
5. If the requested accommodation creates an undue financial and/or administrative burden, and there are no other appropriate solutions, the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute an undue financial and/or administrative burden. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.

Reasonable Accommodation Grievances and Appeals:

If an applicant, resident or program participant disagrees with a reasonable accommodation decision, they may request a Reasonable Accommodation Grievance and Appeal Hearing by

submitting a request which may be written, oral or by any other means of communication accessible by the requestor. The name, address and phone number of the contact person for scheduling a Reasonable Accommodation Grievance and Appeal Hearing is:

ADA Coordinator
701 NW 1 Court, 16th, Floor
Miami, Florida 33136
(786) 469-2155 (office)
Florida Relay Service: (800) 955-8771 (TDD/TTY)

HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee shall convene the grievance or appeal hearing within thirty (30) business days of the receipt date of the request. The Reasonable Accommodation Grievance and Appeal Hearing Committee is composed of the members of the Section 504/ADA Policy Committee appointed by the HCD Director. The Section 504/ADA Policy Committee members are HCD Division Directors and other applicable staff whose responsibilities include matters related to Section 504/ADA. No HCD employee who was involved in the initial decision(s) regarding a reasonable accommodation request that is the subject of a hearing shall sit on HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee during the hearing related to that request.

The applicant, resident or program participant may bring documents, witnesses and/or representatives to the Reasonable Accommodation Grievance and Appeal Hearing in order to contest the manner in which a reasonable accommodation is proposed to be (or was) implemented, the denial of a reasonable accommodation request, or any other applicable disability-related decision made by the ADA Coordinator.

Should the requestor wish to contest the Reasonable Accommodation Grievance and Appeal Hearing Committee's decision, they may do so by following the Miami-Dade County ADA Grievance Process.

Discontinuation of Reasonable Accommodation:

HCD will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodation, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant, resident or program participant with disabilities and it will include a request for the resident to indicate if the change would not meet their needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

Application and Waiting List:

The application and/or application instruction forms for all Public Housing, Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation programs shall include the following:

1. Notice that if the applicant is unable to complete the application due to disability, or needs the form in an alternate format, they may request such assistance.
2. Notice of the manner in which the applicant should request the required assistance as described in the item above.

3. A question prompting the applicant to indicate whether their or a member of the household has a disability.
4. A question prompting the applicant to indicate any special features a household member requires in a rental unit because of disabilities.

In the Public Housing and Moderate Rehabilitation programs, priority for a vacant unit with accessibility features will be given first to current residents who require those features, and then to applicants requiring the same. If there is no other resident or applicant on the waiting list needing units with accessibility features, HCD may house the next eligible, non-disabled applicant in the unit. HCD will also inform the applicant that pursuant to HCD's policy and HCD's Public Housing Lease, if another resident or eligible applicant requires the accessible features of the accessible unit, and another unit is available, then the non-disabled family/individual residing in the unit with accessible features must transfer to another unit within fifteen (15) days receipt of notice to move.

Notwithstanding HCD's policies, residents who require a transfer as a reasonable accommodation are not prohibited from transferring within the first year of residency.

In addition, HCD may grant an exception to its Occupancy Policies (set forth in the Section 8 Administrative Plan (Admin Plan) and the Public Housing Admissions and Continued Occupancy Policy (ACOP)) by providing a larger unit as a reasonable accommodation to a family member with disabilities.

HCD may allow an applicant or program participant family to have an extra bedroom to accommodate a family member who requires certain medical equipment or for other verifiable reasons. The need for such equipment must be verified by a qualified health care professional as a necessary reasonable accommodation.

HCD may grant reasonable accommodations by reinstating applicants with disabilities, who fail to respond within the required time frame to inquiries regarding updating the waiting list, if the reason they did not respond is reasonably related to their disability. HCD may grant reasonable accommodations by reinstating applicants with disabilities for other reasons on a case-by-case basis.

Mitigating Circumstances:

General failure to comply with lease terms or other program policies may lead to termination or denial of assistance.

The ACOP and Admin Plan indicate that HCD Public Housing residents or family members and Section 8 program participants shall comply with all lease terms including but not limited to:

- Any violent criminal activity,
- Any drug-related criminal activity, or
- Other activities in violation of the lease.

HCD staff may become aware that an applicant's ineligibility determination, or a resident's or program participant's termination of assistance determination, occurred because of their disability. This knowledge may be acquired during an informal review for applicants or during an informal hearing for residents or program participants. This section addresses this issue.

If an applicant, resident or program participant has a history of behavior or displays behavior that may result in a violation of the HCD Lease or in violation of program regulations or policies, the HCD Tenant Selection Supervisor (Supervisor), Regional Manager or other designated employee may make an initial determination that the applicant is ineligible or that the resident or program participant should be terminated.

The notices of ineligibility (for applicants) or termination of assistance (for residents and program participants) inform applicants of their right to request an informal review or residents and program participants of their right to an informal hearing.

During the informal review or hearing, if the applicant, resident or program participant informs the Hearing Officer that a requested reasonable accommodation may enable the applicant to become lease compliant, the Hearing Officer will forward the reasonable accommodation request to the ADA Coordinator and continue the informal review until the ADA Coordinator renders their determination.

Applicants may appeal the ADA Coordinator's determination according to the processes described in the Reasonable Accommodation Grievance and Appeals section.

Disability-Related Activities and Reasonable Accommodations Unique to the Section 8 Program:

HCD will do or allow the following:

1. HCD will encourage participation in the Section 8 Voucher program by owners, including encouragement of participation by owners having accessible units.
2. The HCD Section 8 Contract and Leasing Specialist (Specialist) or designee will furnish a current listing of available accessible units known to HCD to all families that include a person with a disability and, if necessary, otherwise assist the family in locating an available accessible dwelling unit in an accessible environment, to the extent feasible.
3. The Specialist or designee will take into account the special problem of ability to locate an accessible unit in an accessible environment when considering requests by eligible individuals with disabilities for extensions of Section 8 Vouchers.
4. The Specialist or designee will allow Section 8 Voucher holders to request a reasonable accommodation, in the form of an extension of the issued Voucher beyond 120 days, by following the standard reasonable accommodation request procedure. Approvals of voucher term extensions beyond 120 must be consistent with the Admin Plan.
5. HCD may, if necessary as a reasonable accommodation for an individual with a disability, approve a family's request for an exception payment standard amount under the Housing Choice Voucher Program so that the program is readily accessible to and usable by individuals with disabilities. See 24 C.F.R. §§ 8.28 and 982.504(b)(2).
6. Upon request by an applicant, participant, or their representative, HCD will ask the HUD Field Office for an exception payment standard up to 120% of the Fair Market Rent (FMR). However, the applicant, participant or the representative, must provide documentation of the need for the exception payment standard to HCD.

7. In exceptional cases, HCD may ask the Assistant Secretary for Public and Indian Housing of HUD for an exception payment standard amount over 120% of the FMR, provided the applicant, participant or the representative provides the appropriate supporting documentation.
8. Upon request, the Supervisor or designee may allow a higher utility allowance as reasonable accommodation for a person with disabilities, if appropriate.
9. The Supervisor or designee shall deny participation of units when the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the participant family, unless the Supervisor or designee determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. The process by which a participant family may request such accommodation is described on pages 11 through 15. All initial recommendations to deny reasonable accommodation requests must be reviewed by the ADA Coordinator for final determination.
10. Annual recertifications shall be conducted at the offices of the HCD Private Rental Housing Division. If a housing program participant is unable to come to the office for the recertification due to disability, the Supervisor or designee may allow, on a case-by-case basis, and at the request of the program participant, the program participant to be reexamined either by mail or by an at-home visit.
11. The Supervisor or designee will take into consideration the interests of persons who are disabled in making decisions as to which family member shall assume the application if the family divides.
12. Permitting requests for extensions of Section 8 Vouchers may be allowed if there is a difficulty in locating a unit with suitable accessible features or otherwise appropriate for the family.

HCD PUBLIC HOUSING ASSISTIVE ANIMAL POLICY:

Assistive animals are also referred to as service animals, support animals or therapeutic animals. They give assistance to persons with disabilities and are necessary as a reasonable accommodation.

Animals **do not** have to be trained to be assistive animals. An animal not trained to be an assistive animal, yet prescribed to provide emotional support to improve a person's symptoms caused by chronic mental illness, is also an example of an assistive animal. In addition, a seeing-eye dog or a dog trained to assist a hearing impaired person would also be examples of assistive animals.

HCD will not charge a pet deposit for an assistive animal kept in accordance with all HCD policies and housed in a development or building owned by Miami-Dade County and administrated by HCD. All residents are, however, responsible for reimbursing the appropriate parties should their assistive animal cause damage to the unit, the common areas and elements or to any other the property of the residents in a development or building owned by Miami-Dade County and administrated by HCD, including but not limited to the property occupied by other residents of the public housing development or other property owned by Miami-Dade County and administrated by HCD.

HCD will also not apply its animal weight policy or any other policy which will unreasonably deny a disabled applicant, resident or program participant, who requires an assistive animal, the full use and enjoyment of their dwelling or the common areas.

The HCD Regional Manager or designee will use the following steps when considering a request for an assistive animal as a reasonable accommodation:

1. Public housing applicants who have received public housing offers, and public housing residents may use the *Reasonable Accommodation* form to request an assistive animal as a reasonable accommodation.
2. Public housing applicants who have received public housing offers, and public housing residents use the *Reasonable Accommodation Verification* to obtain verification that the person for whom the assistive animal is requested is a person with a disability as defined in Section 504, the ADA and the Fair Housing Act regulations and that the requested animal is needed to assist with the disability.
3. Refer to the information in the section entitled "Making a Reasonable Accommodation Request" on pages 11 through 15 of these policies and procedures for the steps in processing these and other reasonable accommodation requests.
4. Compliance with the assistive animal policies will be required to the extent feasible without violating the individual's rights to have an assistive animal.
5. The assistive animal owner shall be responsible for the animal's care and the animal must be kept according to HCD's Lease and Community Policies.
6. If the animal or its care subsequently poses a public health problem or results in a lease violation, the problem will be addressed, under the terms of the HCD Lease and Community Policies. In such a case, the HCD AMP administrator or designee may send the resident a Notice of Lease Violation.

SECTION 8 ASSISTIVE ANIMAL POLICY:

Section 8 owners are required to comply with all applicable federal, state and local laws that protect the rights of the disabled. Accordingly, where Section 8 tenants require assistive animals as a reasonable accommodation, Section 8 owners may not require the owners of assistive animals to pay pet deposits, neuter their animals, or adhere to limits on the weight, size, and number of assistive animals.

LIVE-IN AIDES:

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities on page 4) person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide, but must meet all the criteria listed herein. Persons with children or spouses may, on a case-by-case basis, be allowed to serve as Live-in Aides.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below replace the Reasonable Accommodation Request and Reasonable Accommodation Verification forms (respectively) for purposes of requesting a live-in aide as a reasonable accommodation.

1. The *Live-in Aide Agreement* is the form on which:
 - a. The head of household shall request the live-in aide. The requestor may make this request for themselves, or for a household member.
 - b. The requestor provides the designated employee with information related to the request and the live-in aide.
 - c. The requestor shall provide the designated employee with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.
2. The *Live-in Aide Verification* is the form on which:
 - a. The verification source verifies that the person for whom the Live-in Aide is being requested qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.

The designated employee faxes the *Live-in Aide Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

The designated employee may approve a written request for a live-in aide upon receipt of verification documentation including, but not limited to, completed *Live-in Aide Agreement* and *Live-in Aide Verification* forms. If the designated employee approves, or the ADA Coordinator denies, the request for a live-in aide, they will inform the requestor by means of the Approval/Denial of Reasonable Accommodation Request form.

The live-in aide may live in the unit solely to care for the family member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. HCD shall deny occupancy of the unit to the live-in aide after the tenant, resident or program participant, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide but must meet all the criteria outlined in this section and must be qualified to provide care for the family member. The tenant and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not

qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

The ADA Coordinator may deny the live-in aide request of a person who does not meet the admission criteria described in the Admin Plan and the ACOP. The process by which applicants, residents and Section 8 program participants may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

TRANSFERS:

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Section 8 Moderate Rehabilitation and Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a *Reasonable Accommodation Request* form must be filled out). The only additional requirement is that, in addition to the aforementioned, the Public Housing requestor must complete and submit a Request for Transfer form.

In Public Housing, HCD shall not require, or recommend as an alternative, that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However, if a public housing resident with a disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized UFAS-compliant unit in that resident's development, an adjacent development, or a development to which the resident has expressed a willingness to move, HCD may offer to transfer the resident to the vacant unit in their development or adjacent development instead of providing structural modifications. However, if that resident rejects the offered transfer, HCD shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a HCD program, service or activity. HCD shall inform applicants, residents and Section 8 program participants whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of the Approval/Denial of Reasonable Accommodation Request form.

If the resident accepts the transfer, HCD will work with the resident to obtain moving expenses from social service agencies or other similar sources. If that effort to obtain moving expenses is unsuccessful within thirty (30) days of the assignment of the dwelling unit, PHA shall pay the reasonable moving expenses, including utilities fees and deposits. HCD will select the moving service vendors and disburse payments to them. Nothing contained in this paragraph is intended to modify the terms of HCD's Tenant and Assignment Plan and any resident's rights hereunder.

FORMER USERS OF ILLEGAL DRUGS:

Under the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, a former user of illegal drugs (recovered or now in recovery) is considered to be a person with disabilities and is protected against discriminatory treatment, but persons engaged in current illegal use of controlled substances are not protected.

The term "person with a disability" includes an individual who:

1. Has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
2. Is participating in a supervised rehabilitation program and is no longer engaging in such use; or
3. Is erroneously regarded as engaging in such use, but is not engaging in such use.

Anti-discrimination laws protect individuals who have a history of illegal use of a controlled substance or addiction and do not engage in the current illegal use of a controlled substance if they can otherwise meet the definition of a person with a disability.

When an individual claims recovery, the designated employee will require the person to present evidence of recovery from a qualified, neutral third party. The designated employee may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in a unit owned and managed by HCD or as a condition to being allowed to participate in other HCD housing programs. If it is determined that the individual "has recovered or is in recovery" and is thus a "person with a disability," the designated employee will consider requests for reasonable accommodations.

The designated employee will require the individual to provide documentation that would convince a reasonable person that the applicant/resident is not a current user of illegal drugs.

Documentation that an applicant/resident/program participant is not a current user of illegal drugs could include:

1. Verification from a reliable drug treatment counselor or program administrator, or other party acceptable to the designated employee, indicating:
 - a. that the applicant/resident/program participant is/has been in treatment;
 - b. that there is a reasonable probability of success in refraining from the use of illegal drugs;
 - c. that the applicant/resident/program participant is complying/has complied with the requirements of the treatment program; that the applicant/resident/program participant is not currently a user of illegal drugs; and
 - d. the period of time the applicant/resident/program participant has not been using drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
2. Verification from a probation or parole officer:

- a. that the applicant/resident/program participant has met or is meeting the terms of probation or parole;
 - b. is not currently a user of illegal drugs;
 - c. and for what period of time the applicant/resident/program participant has not been using illegal drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
3. Verification from a third party/parties, indicating:
 - a. that the applicant/resident/program participant is not currently using illegal drugs and
 - b. for what period of time the applicant/resident/program participant has not been using illegal drugs;
4. Description of the relationship between the third party/parties and the applicant/resident/program participant (verifications will not be accepted from the applicant's/resident's relatives); and
5. Description of how the third party/parties know(s) the status of whether the applicant/resident/program participant is currently using illegal drugs.

When an applicant/resident/program participant has a history of drug rehabilitation/treatment followed by recidivism, or is currently in treatment (as opposed to having completed treatment), more documentation may be necessary to convince a reasonable person that the applicant/resident/program participant is not a current user of illegal drugs.

The applicant/resident/program participant may be required to show in what ways:

1. Their current situation, and
2. Their claim to be a former illegal user of a controlled substance, and
3. Their claim to be able to comply with the essential terms of the HCD Lease or other housing program requirements is different from previously unsuccessful efforts to stop illegally using a controlled substance.

In all situations in which an applicant/resident claims to be a person with a disability due to former illegal drug use, the designated employee will determine the reliability and validity of information/verifications provided with the request for reasonable accommodation. The designated HCD employee will make a determination approving or denying the reasonable accommodation request and a determination of eligibility for housing assistance accordingly.

ALCOHOLISM:

HCD will not discriminate against any person solely because of a disability of alcoholism. The designated employee will, however, deny admission to an applicant, terminate assistance to a participant or terminate the tenancy of a resident, who HCD has reasonable cause to believe will behave in a manner that will interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents, other tenants, or HCD personnel. The term “reasonable cause to believe” shall be determined on a case-by-case analysis. HCD may evaluate whether a person poses – or would pose – a direct threat to the health or safety of others.

HCD will make determinations of direct threat based on the following guidelines described in the following statement from the May 17, 2004 *Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act*:

A determination that an individual poses a direct threat must rely on an individualized assessment that is based on reliable objective evidence (e.g., current conduct, or a recent history of overt acts). The assessment must consider: (1) the nature, duration, and severity of the risk of injury; (2) the probability that injury will actually occur; and (3) whether there are any reasonable accommodations that will eliminate the direct threat. Consequently, in evaluating a recent history of overt acts, a provider must take into account whether the individual has received intervening treatment or medication that has eliminated the direct threat (i.e., a significant risk of substantial harm). In such a situation, the provider may request that the individual document how the circumstances have changed so that he no longer poses a direct threat. A provider may also obtain satisfactory assurances that the individual will not pose a direct threat during the tenancy. The housing provider must have reliable, objective evidence that a person with a disability poses a direct threat before excluding him from housing on that basis.

HCD will apply the same standard of performance and behavior to an individual with alcoholism as it applies to others. If any unsatisfactory performance or behavior is related to the disability of an applicant/resident/program participant, the behavioral manifestations of the condition may be taken into consideration in determining whether the applicant/resident/program participant is qualified. If unable to meet the tenancy requirements, the applicant/resident/program participant may be denied housing on that basis, provided any request for reasonable accommodation has been considered. The process by which applicants, residents and Section 8 program participants may appeal a denial of housing or program participation, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

EMERGENCY EVACUATION:

This section only applies to the HCD Public Housing program.

Public Housing program applicants (who have received public housing offers) and residents with disabilities must ultimately be responsible for their own safety. Thus, they may choose not to live above the ground floor because of possible inability to escape a fire. They must, however, be allowed to decide whether living in an upper-floor dwelling unit outweighs whatever safety concerns may exist.

At move-in orientation and during recertification, the AMP administrator or designee informs Public Housing program residents that with their consent, the AMP administrator will provide information to the fire and police departments that identifies residents who will have special needs in case of an emergency evacuation. The AMP administrator will only share this information with these parties if consent is given.

The AMP administrator or designee will provide each resident with a copy of the *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Release) form at move-in and recertification. The AMP administrator will maintain these forms confidentially in the Site Office files. These forms will also be maintained confidentially at the Regional Offices in case the Site Offices are inaccessible due to an emergency.

In emergency situations, and only insofar as is reasonably feasible, AMP administrators or designees will inform fire and/or police departments as to which residents have special emergency evacuations needs.

Buildings with more than four units or with units above the first floor shall have evacuation plans identifying escape routes and procedures to be followed in case of emergency, including procedures for notifying persons who are deaf or blind and for evacuating persons who cannot climb stairs or may be disoriented. It is recommended that the evacuation plan be worked out with the local fire department.

OTHER PUBLIC HOUSING AND COMMUNITY DEVELOPMENT PROGRAMS AND SERVICES:

HCD administers a number of programs and services (e.g. various programs for home repair/improvement loans, home purchasing loans, construction loans, etc.) in addition to those previously mentioned in this policy. HCD will endeavor to ensure any person with disabilities who requests reasonable accommodation related to any HCD programs and/or services are provided all such accommodations as is their right under federal, state, and local laws and regulations.

MIAMI-DADE COUNTY ADA GRIEVANCE PROCESS:

Should HCD applicants, residents or program participants choose, they may follow the grievance process outlined in Attachment Three of Miami-Dade County Administrative Order Number 10-10 (see Appendix, *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*) instead of the process described in the “Reasonable Accommodation Grievances and Appeals” section of the HCD Reasonable Accommodation Policies and Procedures. The Miami-Dade County grievance process serves “...as the County’s mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA).”

A disability is defined, in part, as a physical or mental impairment that substantially limits one or more major life activities; a record of having such an impairment; or being regarded as having such an impairment.

A Public Housing resident may request a change in their current unit or a transfer to a unit that has already been changed (in the resident's development or another development). An applicant, resident, or program participant may request assistance with, or change in, a HCD practice, rule, policy, procedure, program or service.

HCD will work with the applicant, resident or program participant to determine how to provide the reasonable accommodation request. HCD may require documentation to support the reasonable accommodation request(s).

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION REQUEST

EXAMPLES OF REASONABLE ACCOMMODATIONS

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual HOUSING AND COMMUNITY DEVELOPMENT (HCD) applicants, residents, and program participants. These accommodations may not necessarily be “reasonable” for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual’s specific disability-related need(s), HCD may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, HCD will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

According to § 631.42 of the U.S. Postal Service “Postal Operations Manual”, the customer submits the “Hardship Clause” request directly to their postal delivery person; the delivery person then submits the request to their manager. The manager evaluates the individual request and takes appropriate action. HOUSING AND COMMUNITY DEVELOPMENT LIVE-IN AIDE AGREEMENT

Client Number: _____

I, _____, residing at _____
(Print Head of Household's (HOH) Name) (Print Address)

request HOUSING AND COMMUNITY DEVELOPMENT's (HCD) approval for live-in- aide
services provided by

_____, Social Security Number _____,
(Print Live-in Aide's Name)

Date of birth: ____ / ____ / ____

The household member requiring Live-In Aide assistance is _____.
(Print Household Member's Name)

The live-in-aide is a person who resides with one or more elderly persons (at least 62 years of age), or near elderly persons (at least 50 years of age but below the age of 62) or persons with disabilities (see definition in Live-In Aide Verification form), and who is: (a) 18 years of age or older, (b) is determined to be essential to the care and well-being of the person; (c) is not obligated for the support of the person; and (d) would not be living in the unit except to provide the necessary supportive services.

As a condition to obtaining HCD's approval, the live-in-aide and the Head of Household hereby acknowledge and agree to the following:

1. Move in of a live-in-aide must not result in overcrowding of the existing unit according to the maximum number of persons per unit standard; although a reasonable accommodation for a resident with a disability may be to move the family to a larger unit. If change in unit size is necessitated by this request, please indicate change in number of bedrooms: from ____ bedrooms, to ____ bedrooms;
2. Live-in aides must meet HCD's screening requirements. The live-in-aide agrees to provide any information that HCD deems necessary to conduct a criminal background screening. Permission to reside in the unit as a live-in-aide may be denied based on the results of this screening;
3. Before a live-in-aide may be moved into a unit, a third party verification must be supplied that establishes the need for such care and the fact that the live-in-aide is qualified to provide such care (Live-in Aide Verification form);
4. A live-in-aide is a single person. This agreement does not confer the right for any additional person, other than an approved live-in-aide, to reside in the household. As a reasonable accommodation for a resident with a disability, HCD may review this provision on case-by-case basis, should this provision conflict with a resident's bona fide right to a live-in-aide;
5. If the household member requiring assistance no longer resides in the unit, the live-in-aide shall not remain on the premises. If the verification source determines that the live-in-aide is no longer essential to the care and well-being of the household member, this agreement will be terminated, and the live-in-aide shall vacate the unit within 14 days after HCD has given reasonable notice to the household member requiring assistance that the verification source has made such determination;

**HOUSING AND COMMUNITY DEVELOPMENT
LIVE-IN AIDE AGREEMENT**

6. If the household member requiring assistance passed away, the live-in aide shall vacate the unit within 14 days of said household member's death. If the household member requiring assistance moves out, the live-in-aide shall vacate the unit no later than said household member's departure date. Upon the termination of the live-in-aide's services for any other reason, the live-in-aide shall vacate the unit within 24 hours;
7. The Live-In Aide must be listed as a household member (not part of the family composition, regardless of the relationship) on the resident's lease and shall not violate any provisions of the lease, the Community Policies, or applicable laws. Should such violation occur, HCD may require the resident to terminate the services of the live-in-aide or face possible termination of the lease;
8. HCD will consider allowing relative live-in-aides under unusual circumstances and upon approval of the Director or designee. Relatives who satisfy the definitions and stipulations above may qualify as live-in-aides, but by signing this agreement, they acknowledge their understanding that they are relinquishing all rights to the unit as the remaining member of a resident family, or under any other circumstance. If a relative wants to have remaining family status, their income will be considered as part of the family's annual income. In such a case, the relative will be considered an addition to the family composition who is allowed to be added as a reasonable accommodation, (not a live-in aide) as the income of a live-in aide must be excluded.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION SCRIPT

This is to advise you, in simple terms, what a disability is, what a reasonable accommodation is, and the fact that people with disabilities have a right to ask for reasonable accommodations.

A disability is a physical or mental impairment that makes it difficult or impossible for you to do things like taking care of yourself, using your hands, walking, seeing, hearing, speaking, breathing or learning.

A reasonable accommodation is something HOUSING AND COMMUNITY DEVELOPMENT (HCD) is required to give you or let you do to make it easier for you to get to and live in our housing, and participate in our programs.

Some things that must happen for you to get a reasonable accommodation, are for you to give HCD enough information, if we need it, about whether you are a person with a disability and to give HCD proof, if we need it, that you really need the reasonable accommodation you ask for.

Even if you don't have proof yet that you are a person with a disability, you have a right to ask for a reasonable accommodation.

Some things that might be a reasonable accommodation include:

- Being allowed to mail your rent to HCD instead of going to the site or management office.
- Having someone from HCD go to your house, instead of you having to go to a HCD office, to get a service.
- Getting a ramp installed leading to your front or back door, having grab bars put in your bathroom, or having some other repair or change done to your home.
- Having a repair or change done to a laundry room, community center, management office or other building owned by HCD so that you can go there and use the programs and services there.
- Having a sign language interpreter available upon request.
- Getting important HCD papers in Braille or large print or on tape.

To get a reasonable accommodation, you must ask for it. If you can't write your request on the papers we have or need help filling them out, you can ask a HCD employee for assistance.

HCD will give you an answer as soon as possible.

HCD will let you know if we need more information, or if there are other ways to meet your needs.

If HCD turns down your request, HCD will explain why, and you can provide more information if you think that will help. HCD will also advise you of your appeal rights if your request is denied.

It is the policy of HCD to protect all of your health information. This means that we cannot release your information without your written consent nor will we share this information with anyone who does not need to know your health information.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION INFORMATION

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to making sure that its applicants, residents and programs participants have information for making reasonable accommodation requests. HCD has posted a copy of its Reasonable Accommodation Policy and Procedures in conspicuous locations at the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of this Reasonable Accommodation Policy and Procedures, upon request, from HCD's ADA Coordinator.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

Some examples of reasonable accommodations include (but are not limited to): grab bars installed in bathrooms, ramps installed at entrance doors of dwellings, using an assistive animal (also called a service, therapeutic, or support animal) such as a seeing-eye dog, visual and audible alarms for individuals who are deaf or hard of hearing, widening doorways, lever-type door hardware, live-in aids, transfers to another dwelling (with proof that this is needed because of disability), and being given HCD documents in an accessible format like Braille or large print.

Use the following forms to request a reasonable accommodation and make sure you complete the forms to the best of your ability. By completing these forms you will help us understand how we can best assist you. If you are unable to do so, then please ask HCD for assistance to complete the forms. Please be advised that in order for HCD to assist you, we also need you to complete the *Authorization for Release of Information* form:

18. *Reasonable Accommodation Request*. This is used to make any request other than a request for a live-in aide.

19. *Live-in Aide Agreement*. This is used if you need a live-in aide. A live-in aide is some who only lives in the unit to assist the resident or program participant who is elderly or is a person with a disability.

If you are a Public Housing or Section 8 Housing Choice Voucher program participant, and have not yet been determined eligible, you may request a *Reasonable Accommodation Request* form by writing to the Applicant Leasing Center Chief or calling the Applicant and Leasing Center:

This grievance procedure shall serve as the County's mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA). This procedure shall not apply to complaints of discrimination in employment. Employment discrimination complaints are handled by the Affirmative Action Office.

Opportunity for Complaint

Any individual who feels that they have been discriminated against in the provision of a program or service operated by Miami-Dade County shall have the ability to file a formal grievance, have the grievance responded to, and have the right to request an appeal if they are dissatisfied with the resolution of their grievance. The procedures to be followed in filing a formal grievance shall be available and accessible to the general public.

Coordination of Procedure

The Miami-Dade County Office of ADA Coordination, 111 N.W. 1st Street, 12th Floor #348, shall be the agency responsible for coordinating the County's grievance procedure and will serve as the conduit between the grievant and the department against whom the complaint is made. The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complains should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

Filing a Complaint

Any individual who feels they have been discriminated against in any program or service provided by Miami-Dade County, under provisions of the ADA, shall submit a complaint, in writing to the Office of ADA Coordination. This written complaint shall contain the following information:

1. Name, address and telephone number (if available) of the grievant.
2. The date of the occurrence.
3. The name and location of the County program and service involved in

4. The name (if known) of the County employee with whom the grievant came in contact, if appropriate.
5. Why the individual thinks that he has been discriminated against on the basis of a disability.

Complaint Resolution

Within five (5) days of receipt of the complaint, the Office of ADA Coordination shall:

1. Inform the department of the complaint; transmit a copy of the complaint to the department with general instructions as to the format which the department should follow in their response, and a date by which the department shall return a response to the Office. The Office of ADA Coordination will review the decisions with the department before final preparation of the response.
2. The department shall have thirty (30) days from receipt of complaint from the Office of ADA Coordination to respond to the complainant. Attempts will be made by the department to clarify the facts of the grievance. The actions taken by the department shall be conveyed to the grievant in writing. This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.
4. Where a department can solve a written complaint informally, the department will provide the Office of ADA Coordination a written statement explaining the mutually agreeable solution. It should be signed by the complainant and the department representative.

All reasonable attempts should be made by the department with the assistance of the Office of ADA Coordination to mediate and resolve the grievance.

Filing an Appeal

Any individual who is dissatisfied with the recommended resolution of their complaint may request an appeal. In requesting an appeal the individual shall,

within fifteen (15) days from the date of the written recommended resolution offered by the County, submit in writing to the Office of ADA Coordination their request to appeal the decision and express their willingness to appear before an impartial panel to present their grievance.

Appeal Process

Upon receipt of a written request for an appeal, the Office of ADA Coordination shall:

1. Notify the County Manager and request that within thirty (30) days he appoint a panel of three (3) senior members of unaffected County departments to hear the complaint. The Manager shall designate one of the three panel members to serve as chairperson.
2. Set a time and place for the hearing that is convenient to the grievant, the affected department and the panel members, within twenty (20) days after the panel is appointed, if possible.
3. Instruct the department, against whom the complaint has been made, to prepare a package with all necessary information pertinent to the complaint for each panel member to review prior to hearing.
4. Monitor and tape the hearing.

At the time of the hearing both the grievant and the affected department shall have the opportunity to present their positions to the panel. The panel members will also have the opportunity to pose questions to both parties. After the affected parties have presented the facts, and after all questions posed by the panel have been answered, the hearing shall be closed and the panel shall meet privately to deliberate.

Within fourteen (14) days from the date of the hearing the panel shall issue its decision. The Chairperson shall prepare the decision of the panel. The Chairperson shall send the written decision to each panel member for review and signature prior to its submission to the affected parties. EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE, DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS

ATTACHMENT D OF THE SECTION 8 ADMINISTRATIVE PLAN

Effective:

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

**Emergency Transfer Plan for Victims of Domestic Violence,
Dating Violence, Sexual Assault, or Stalking for Section 8 Programs**

- 1) Housing and Community Development (HCD) is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, dating violence, sexual assault or stalking. In accordance with the Violence Against Women Act (VAWA), HCD allows tenants who are victims of domestic violence, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit.
- 2) Victims of domestic violence, dating violence, sexual assault, or stalking are eligible for protections regardless of sex, gender identity, gender expression, or actual or perceived sexual orientation. The ability of HCD to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.
- 3) A victim of domestic violence, dating violence, sexual assault, or stalking may move in violation of their lease if the move is required to protect their safety. HCD may not terminate assistance if the family moves out of the unit with or without prior notification as required by 24 CFR §982.354, in violation of the lease in order to protect the health or safety of the victim, as the victim reasonably believed they were imminently threatened by harm from further violence if they remained in the dwelling unit and has otherwise complied with all other obligations under the program.
- 4) This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that HCD is in compliance with VAWA.
- 5) Eligibility for Emergency Transfers
 - a) A tenant who is a victim of domestic violence, dating violence, sexual assault, or stalking is eligible for an emergency transfer under the following conditions:
 - i. If the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit that the tenant is occupying; or
 - ii. If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.
 - b) A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.
 - c) Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.
- 6) Emergency Transfer Request Documentation
 - a) To request an emergency transfer, the tenants shall notify and submit a written request for a transfer to the corresponding office as listed below:

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

Program: Housing Choice Voucher Program
Office Address: Miami-Dade Housing Choice Voucher
7400 NW 19th Street, Bay H
Miami, FL 33126

Programs: Moderate Rehabilitation Rental Program, Project-Based Vouchers,
and HUD-Veterans Affairs Supporting Housing
Office Address: Section 8 Housing Choice Voucher
701 NW 1st Court
Miami, FL 33136

- b) The tenant's written request for an emergency transfer should include either:
- i. A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HCD's program; or
 - ii. If applicable, a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.
 - iii. For required documentation that a tenant is a victim of domestic violence, dating violence, sexual assault, and stalking, please refer to Section 2.14 of this Administrative Plan.

7) Confidentiality

- a) The information under the Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation form will remain confidential and will be used by HCD only to provide the victims with the exceptions and protections under VAWA.
- b) HCD must ensure that private information of victims of domestic violence, dating violence, sexual assault or stalking is protected in accordance with VAWA requirements.
- c) HCD and/or its designee will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer, unless the tenant gives HCD written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, dating violence, sexual assault, or stalking against the tenant. See the Notice of Occupancy Rights under the Violence Against Women Act form for more information about HCD's responsibility to maintain the confidentiality of information related to incidents of domestic violence, dating violence, sexual assault, or stalking.

8) Emergency Transfer Timing and Availability

- a) HCD and/or its designee cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HCD and/or its designee will, however, act as quickly as possible to approve the move for a tenant who is a victim of domestic violence to another unit, subject to availability and safety of a unit. Below are specific details per program.

**EMERGENCY TRANSFER PLAN FOR VICTIMS OF DOMESTIC VIOLENCE,
DATING VIOLENCE, SEXUAL ASSAULT, OR STALKING FOR SECTION 8 PROGRAMS
Attachment D of the Section 8 Administrative Plan**

- i. The Housing Choice Voucher (HCV) and HUD-Veterans Affairs Supporting Housing (VASH) Programs (tenant-based vouchers) provide the victim with the option to move to another unit either within or beyond HCD's jurisdiction. HCD and/or its designee will expedite the administrative processes for participants who wish to exercise either option, including when the victim and perpetrator are members of the same household.
- ii. The Project-Based Voucher (PBV) and Moderate Rehabilitation Programs (project-based assistance) are dependent on the availability of dwelling units for a tenant to receive a housing offer. If a unit is not readily available, HCD will collaborate with owners and managers to review the existing inventory of units to determine when the next vacant unit may be available and will expedite the administrative process.

Note: Under the PBV program, if the victim has been living in a unit for at least 12 months, HCD may offer the next available voucher, subject to funding availability.

- b) If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HCD may be unable to approve the transfer of a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.
- c) If HCD has no safe and available units for which a tenant who needs an emergency is eligible, or in the case of Section 8 Housing Choice Voucher, if the tenant cannot find a suitable unit, HCD will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HCD and/or its designee will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence that are provided with HUD form 5380.

9) Safety and Security of Tenants

- a) Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.
- b) Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).
- c) Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.
- d) Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
- e) Tenants who are or have been a victim of domestic violence, dating violence, sexual assault or stalking will be provided with HUD form 5380 that includes a list of local organizations offering assistance to victims of domestic violence.

ATTACHMENT E

OF THE

SECTION 8 ADMINISTRATIVE PLAN

HOTMA PROVISIONS PENDING HUD'S IMPLEMENTATION DATE

Effective Date:

ATTACHMENT E

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937.

The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA, and for PHAs that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023.

On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule; this was reissued on February 2, 2024, to provide revisions and further guidance.

On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.

However, in preparation, this Attachment E contains required and discretionary policies that will be incorporated into the Administrative Plan upon HUD's release of compliance date.

Chapter 7. Determination and Verification of Annual Income

7.2 Annual Income Inclusions

(a) Annual income includes, with respect to the family [24 CFR §5.609(a)]:

(1) All amounts, not specifically excluded in section 7.3(b), received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and

(2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

7.4 Calculating Annual Income

A. Annual Reexaminations

HCD must estimate the family income for the upcoming 12-month period, subtract the allowable deductions, from the gross annual income to determine the adjusted income. HCD must:

- Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
- Consider any redetermination from an interim reexamination during that period.

- Adjust reflect current income if there was a change during that period.
- Subtract the allowable deductions, from the gross annual income to determine the adjusted.

C. Streamlined Income Determination

HCD may use the streamlined income determination to adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

1. Types of Fixed Income
 - Social Security, Supplemental Security Income, Supplemental Disability Insurance.
 - Federal, state, local, or private pension plans.
 - Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.
 - Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.
2. Fixed Income: 90 percent or more of a family's unadjusted income
When 90 percent or more of a family's unadjusted income consists of fixed income, HCD may use streamlined income determination and must apply COLA or COLAS to the family's fixed-income sources, provided that the family certifies both that 90 percent or more of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, HCD is not required to make adjustments.
3. Fixed Income: Less than 90 percent of a family's unadjusted income
When less than 90 percent of a family's unadjusted income consists of fixed income, HCD may use streamlined income determinations must apply a COLA to each of the family's sources of fixed income. HCD must determine all other income.
4. COLA Rate
If no public verification or tenant-provided documentation is available, then HCD must obtain third-party verification of the income amounts in order to calculate the change in income for the source.
5. Triennial verification
For any income determined pursuant to a streamlined income determination, HCD must obtain third-party verification of all income amounts every 3 years.

7.5 Adjusted Annual Income

Adjusted income is the annual income of family members residing in or intending to reside in the rental unit, less allowable deductions.

- A. A deduction is taken for each qualifying dependent.
 - The amount of the deduction is currently \$480.
 - A dependent is defined as any family member other than the head, spouse, or co-head who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student.
 - Foster children, foster adults, and live-in aides are never considered dependents.

B. A deduction for elderly or disable family

- A single deduction is taken for any family where the head of household, co-head or spouse is at least 62 years of age or a person with a disability. Upon implementation of HOTMA and at the first annual or interim reexamination, the amount of the deduction will be increased from \$400 to \$525.

Upon implementation of HOTMA and subject to applicable HUD guidance, these deduction amounts will be adjusted annually by HUD in accordance with Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25.

C. Child Care Expenses

Any reasonable child-care expenses necessary to enable a member of the family to be employed or to further their education are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed or to further his or her education (e.g., work or further their education (academic or vocational));
- The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
- The child-care expenses must be paid from the family's annual income; and
- The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

HCD will seek third-party verification of the work schedule of the person who is permitted to work by child-care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family. HCD generally will limit the allowable child-care expenses to the earned income of the lowest-paid member.

HCD will request third-party documentation to verify that the person permitted to further his or her education by childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family. The child-care expense must be reasonable.

Child Care Hardship Exemption [(24 CFR §5.611(d)).

1. Requirements

- a) A family whose eligibility for the childcare expense deduction is ending may request financial hardship exemption to continue receiving a child-care expense deduction in certain circumstances when the family no longer has a member that is working or seeking to further their education, and the deduction is necessary because the family is unable to pay their rent.
- b) Upon approval of the family's request for a hardship exemption, HCD must recalculate the family's adjusted income and continue the child-care deduction if the family demonstrates to HCD's satisfaction that the family is unable to pay their rent. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

2. Hardship Exemption Eligibility:

- a) HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (1) Provide a written request for a hardship exemption detailing why the childcare expense is still necessary even though the family member is no longer employed or furthering their education. Note that verification may be requested.
 - (2) The rent, utility payment, and applicable expenses (childcare expenses or health and medical expenses and reasonable and auxiliary apparatus) is more than 45 percent of the family's annual adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

3. Notification of Hardship Exemption

- a) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- b) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

4. Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

5. One Additional 90-Day Hardship

One additional 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

D. Health and Medical Care and Reasonable Attendant Care and Auxiliary Apparatus Expense

- 1. A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of deduction exceed the employment income earned by the family member(s) able to work.

2. Equipment and auxiliary apparatus may include but are not limited to:
 - Wheelchairs
 - Lifts
 - Reading devices for the visually impaired
 - Equipment added to cars and vans to permit their use by the disabled family member.
 - Included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.
 - For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income, provided the amount so calculated does not exceed the employment income earned.
 - For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income (provided the amount so calculated does not exceed the employment income earned) plus medical expenses as defined below.
3. Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any reasonable attendant care and auxiliary apparatus expenses, they exceed the HUD-established percentage of annual income threshold.
4. The threshold has been raised from three (3) percent to ten (10) percent of annual income. Families may be eligible for a 24-month phase-in relief period or a general relief 90-day period but not both.
 - a) 24-Month Phased-in Relief
 - (1) Residents whose income calculation was adjusted due to the family's claim of unreimbursed health and medical care and reasonable attendant care and auxiliary apparatus expense exceeding 3% of the family's annual income, prior to the HOTMA implementation, will have an increase in the threshold of this deduction phased-in in the following manner:
 - (a) Following the first income reexamination after the implementation of HOTMA, such families will receive deductions for claims of unreimbursed expenses (described herein) up to 5% percent of the annual income for 12 months.
 - (b) Following the 12-month period at 5% deductions, the family will receive deductions for claims of unreimbursed expenses (described herein) in excess of 7.5% for the following 12 months.
 - (c) At the conclusion of the 24-month phase in period, the family will be eligible for this deduction only if their unreimbursed medical and healthcare expenses exceed 10% of the annual income.
 - (2) An elderly or disabled family or a family that includes a person with disabilities may request general or financial hardship relief (see below) prior to the end of the 24-month transition period if the family can demonstrate that the

family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased or there has been a change in circumstances resulting in a financial hardship.

- (3) The 24-month phased-in relief period must be continued to be received by families upon portability or conversions under RAD.

b) General Relief

- (1) To qualify, a family must demonstrate that the family's unreimbursed health and medical care expenses or unreimbursed reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.
- (2) Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief.
- (3) If a HCD determines that a family is eligible for general relief, the family will receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income. The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier.

c) Financial Hardship

- (1) A financial hardship provides one 90-day period to receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income to qualifying families.
- (2) The family must demonstrate that the rent, utility payment, and applicable expenses (childcare expenses or health and medical care and reasonable attendant care and auxiliary apparatus expenses) is more than 45 percent of the family's adjusted annual income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent. However, this financial hardship would not otherwise trigger an interim reexamination.
- (3) This relief is available regardless of whether the family previously received health and medical deductions or is currently receiving, or previously received, a hardship exemption under the first category. HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (4) Provide a written request for a hardship exemption detailing why the health and medical expenses and reasonable attendant care and auxiliary apparatus expense is still necessary. Note that verification may be requested.

d) Notification of Hardship Exemption

- (1) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- (2) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

e) Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

f) One Additional 90-Day Hardship

A second 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

Phase-In Relief	Initial 12 Months	Initial 24 months	End of 24 months
<u>To qualify</u> family must already be receiving a medical expense deduction of 3% of Gross Income - May request General Relief if does not qualify for phased-in Relief - May request financial hardship prior to the end of the 24 months	5% Of Gross Income	7.5% Of Gross Income	10% Of Gross Income

Financial Hardship	90-Day Period	2nd 90-Day Period	
<u>To qualify</u> families must demonstrate a financial hardship	5% of Gross income ends when there is no need for hardship or the 90-day period end	Families may request an additional 90-day period if they can demonstrate a financial hardship for a different set of circumstances, subject to HCD's approval	

7.5 Enterprise Income Verification (EIV), Third Party Verification, and Factors Affecting Eligibility and Family Rent

HCD is required to use HUD's Enterprise Income Verification (EIV) system and the Income Validation Tool (IVT) in its entirety as a third-party source to verify employment and income information for annual reexaminations, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR § 5.233(a)(2)(i)].

EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. HCD

HCD will follow the verification hierarchy described in PIH Notice 2023-27.

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , using HUD's Enterprise Income Verification (EIV) system	Highest (Mandatory) - (not available for applicants) Must pull the EIV Income Report for each family at every Annual Reexamination. EIV may be used as the sole verification of Social Security income. EIV income information may be used to calculate other types of annual income when family agrees. See Level 4 for more information.
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, web-based state benefits systems, etc.)	Highest
4	Written, third-party verification from the source, also known as "tenant-provided verification" OR EIV + Self-Certification HCD can choose either option when both are available to verify income. HCD must use written, third-party verification when the income type is not available in EIV (e.g., self-employment, Go Fund Me accounts, general public assistance, Veterans Administration benefits, etc.)	High • Written, third-party verification is used when tenant disputes EIV-reported employment and income information. • The EIV Income Report may be used to verify and calculate income if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information from EIV.

HOTMA PROVISIONS PENDING HUD's IMPLEMENTATION DATE
Attachment E of the Section 8 Administrative Plan

Level	Verification Technique	Ranking
3	Written Third-Party Verification Form	Medium • Use if Level 5 or Level 4 verification is not available or is rejected by HCD and when the applicant or tenant is unable to provide acceptable documentation. • May substitute Level 2 for written, third-party verification form, only completing one of the two forms of verification before moving to self-certification.
2	Oral Third-Party Verification	Medium
1	Self-Certification (not third-party verification)	Low Use as a last resort when unable to obtain any type of third-party verification or if specifically permitted, such as to determine actual income from assets when the family certifies that net family assets do not exceed \$50,000.

Level 6: (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD's EIV System which is mandatory for residents but not available for applicants;

Level 5: Upfront Income Verification (UIV) using non-HUD system such as The Work Number, web-based state benefits systems, etc.);

4. **Level 4:** Written Third-Party Verification (High) An original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

Such documentation may be in the possession of the tenant (or applicant) and is commonly referred to as tenant-provided documents. HCD may obtain any tenant-provided documents and follow up directly with the third-party source to obtain necessary verification of information, when necessary.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include but are not limited to the following: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

HCD are required to obtain a minimum of two current and consecutive pay stubs for determining annual income from wages when they do not elect to use EIV + Self-Certification or the income type is not reported in EIV. For new income sources or when two pay stubs are not available, the HCD should determine income based on the information from a traditional written, third-party verification form or the best available information.

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.) are an acceptable form of written, third-party verification.

When verification of assets is required, HCD is required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

EIV may be used as Level 4 verification and may be used to calculate income as long as the family agrees with the information in EIV; this practice is known as "EIV + Self-Certification." HCD may use their discretion to determine which method of calculation is reasonable: the last 4 quarters combined or an average of any number of quarters. The EIV Income report must be pulled within 120 days prior to the reexamination effective date.

3. **Level 3:** Written Third-Party Verification Form: This practice is also known as "traditional third-party verification." This type of verification is a form developed by the HCD used uniformly for all families when needed to collect information from a third-party source. The form is completed by the third party by hand (in writing or typeset). HCD send the form directly to the third-party source by mail, fax, or email.

The HCD may skip this level of verification before attempting Level 2, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

2. **Level 2:** Oral Third-Party Verification: Independent verification of information by contacting the individual income/expense source(s), as identified through the UIV technique, or identified by the family, via telephone or in-person visit. HCD staff must document in the tenant file the date and time of the telephone call (or visit to the third party) and the name of the person contacted and their telephone number, along with the confirmed information.

This verification method is commonly used when the independent source does not respond to the HCD's faxed, mailed, or e-mailed request for information in a reasonable time frame (e.g., 10 business days).

The HCD may skip this level of verification if they attempted Level 3, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

1. **Level 1: (Low)** The tenant submits a signed statement of reported income and/or expenses to the HCD. This verification method should be used as a last resort when HCD has not been successful in obtaining information via all other required verification techniques. When HCD relies on self-certification to verify income or expenses, HCD must document in the tenant file why third-party verification was not available. HUD does not require that a self-certification be notarized.

A. EIV: Substantial Different from Tenant Provided Information

If income information in EIV is not available or if it is substantially different from tenant-provided information, then written verification from third parties is the next most desirable form of verification. Currently, a substantial difference requiring third party verification in cases where EIV income data differs from tenant-provided and/or other verified income information is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD. If EIV income data is not substantially different than current tenant-provided income documentation, the following guidelines for projecting annual income will be used:

- If EIV income data is less than current tenant-provided documentation, HCD will use tenant-provided documents to calculate anticipated income.

- If EIV income data is more than current tenant-provided documentation, HCD will use EIV income data to calculate anticipated annual income unless the tenant provides HCD with documentation of a change in circumstances (i.e., change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, HCD will use tenant-provided documents to calculate anticipated annual income.

In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:

- Request written third party verification from the discrepant income source. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
- Review historical income data for patterns of employment, paid benefits, or receipt of other income, when HCD cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
- Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

In verified differences of greater than \$200 per month (\$2,400 per year), HCD may require the family to enter into a repayment agreement for monies owed or require payment in full. Should the family refuse to enter in a repayment agreement or not fulfill its obligations under its repayment agreement, HCD shall recommend termination and may refer the case to the HUD Office of the Inspector General. HCD, in its sole discretion, may recommend terminating assistance for tenant fraud on a case-by-case basis, e.g., forgery or has demonstrated a pattern of unreported or under-reported income in between or at prior reexaminations. In such cases, HCD will make the determination whether to recommend terminating assistance and forwarding the case to the HUD Office of Inspector General via HCD.

In instances where fraud (as defined in Attachment A of this policy), as opposed to tenant error (as defined in Attachment A of this policy), has occurred by the tenant and the difference is verified as being \$10,000, HCD may recommend terminating housing assistance and shall forward cases to the HUD Office of Inspector General for fraud prosecution, where authorized by HCD.

Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the disclosure requirements of the Florida Public Records Act and HUD requires HCD to keep said information private under penalty of Federal law. Any EIV-derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. HCD shall provide the participant with information obtained through EIV upon the participant's request.

Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 or five (5) years imprisonment, as well as civil penalties, pursuant to the Privacy Act of 1974 as amended, 5 U.S.C. § 552(a).

7.6 Income Validation Tool (IVT)

The IVT report facilitates and enhances identification of unreported or under-reported income during regular reexaminations. The IVT also provides income and wage, unemployment compensation and SSA benefit information. Additionally, the IVT report provides income information for heads of household and family members where there may be discrepancies in family reported income and employer reported information.

At each regular reexamination of income and family composition and/or as needed, HCD will:

- Review the EIV Income and IVT reports to confirm/validate tenant-reported income;
- Print and maintain the EIV Income and IVT Reports in the tenant file;
- Obtain current acceptable tenant-provided documentation to supplement EIV information (where applicable); and
- Use current tenant-provided documentation and/or third-party verification to calculate annual income.

Additionally, at each regular reexamination of income and family composition, and/or as needed, using the IVT, HCD will:

- Identify any reported discrepancies in family reported income and employer reported information;
- Request the tenant to provide any documentation to confirm or dispute the income discrepancy;
- If applicable, determine the tenant rent using the correct and updated income;
- Determine the degree of tenant underreporting or misreporting of income information; and
- Take action in accordance with HCD policy to resolve the identified discrepancies.

7.8 Assets

A. Verification of Assets

1. HCD will fully verify the net family assets and anticipated income earned from assets at new admission. During an annual or interim reexamination, HCD may rely solely on a family self-certification that their net family assets are equal to or less than \$50,000 subject to the following two conditions:
 - a) a full verification of family assets (i.e., two bank statements) were provided during the last annual or interim verification; and
 - b) the family has met all other requirements to complete reexamination except submittal of the required asset verifications (two bank statements).

2. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are

convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. This is not an exhaustive list.

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care-related supplies • Musical instruments used by the family • Personal computers, phones, tablets, and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

B. Limitation on Assets (24 CFR § 5.618)

Per requirements in Section 104 of HOTMA, 24 CFR §5.618, admission will be denied to families who own or have interest in the following assets:

1. The family's combined net assets exceed \$100,000, or as determined by HUD and

adjusted annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W);

2. The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under the Housing Choice Voucher Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
3. A property will be considered suitable for occupancy unless the family demonstrates that the property:
 - a) Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation);
 - b) It is not sufficient for the size of the family based on occupancy standards;
 - c) It is geographically located outside of the state of Florida so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by the HCD);
 - d) It is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
 - e) It is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.
4. This real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under 24 CFR § 982.620 or under the Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
5. The policy regarding limitation on assets will not apply to participants in the program.

7.9 Verification Documents

A. Child Support

HCD will verify all amounts received from child support by the family using the verification hierarchy. Only amounts received of child support payments will be counted as income.

Chapter 11. Utilities

11.1 Utility Allowance Schedule

Effective January 1, 2024, upon the implementation of Housing Opportunity through Modernization Act of 2016 (HOTMA) and applicable regulations and guidelines promulgated by HUD, foster children and foster adults are household members and will be considered when determining utility allowance.

Chapter 15. Annual and Interim Re-certification

15.2 Interim Re-certifications

A. Interim Reexamination

1. Any approved addition to the family composition will be processed as an interim recertification. HCD will only update the family composition information unless the family meets one of the conditions described under "Interim Rent Increases" or "Interim Rent Decreases" described below.
 - No increases in annual income will result in an interim reexamination unless the family reported zero income or a decrease in income within the same annual or biennial reexamination cycle (Refer to "Interim Rent Increases").
 - EIV is no longer required to verify tenant's employment and income information during an interim recertification.
 - The total family income increases or decreases must last longer than one-month (30 days); the tenant must report such a change in writing to the management office within ten (10) days of occurrence.
 - HCD will not conduct an interim reexamination for an increase in income within the last three months of the family's next annual reexamination period.
 - HCD will conduct requests for interim adjustments when a family member is permanently moving out of the unit.
 - HCD has established a ten (10) percent threshold to determine when to complete an interim reexamination. As a result, HCD will round **up** 9.5 and above to 10%, the standard threshold set by HUD.
 - If the monthly rental payment decreases by ten (10) percent or more as a result of the rent adjustment, the adjusted rent will become effective the first day of the month following the date the information is reported to HCD. If the rent should increase by ten (10) percent or more based on the family income, the adjustment will become effective the first day of the second month following the month in which the change is reported or 30 days, whichever is greater, after proper verification is completed.

- If it is found that the family failed to timely report any changes in income or family composition within ten (10) days or provided inaccurate or incomplete information, it may be considered fraud, any of the following may occur:
 - a) Any increase in rent which would have occurred had changes been reported in a timely manner will be made retroactive to the effective date of the change in circumstances and the family agrees to reimburse HCD for the difference between the rent they should have paid and the rent they were charged.
 - b) Any decrease in rent that would have occurred had changes been reported in a timely manner will be made effective the first day of the month following the date the change is reported to HCD and will not apply retroactively.

B. Interim Rent Increases

1. Families are required to report to PHCD all increases in adjusted unearned income that occurred between regularly scheduled annual re-examinations. Any increase of the family's unearned income by ten (10) percent or more must be processed.
2. Families are required to report to HCD all increases in earned income. HCD must conduct a full interim reexamination due to an increase in earned income if the family had an interim reexamination to decrease rent during the annual reexamination period. Any increase of the family's earned income by ten (10) percent or more must be processed.

C. Interim Rent Decreases

1. HCD must conduct a full interim reexamination if the family's adjusted unearned income is estimated to have decreased by ten (10) percent or more.
2. HCD must conduct a full interim reexamination for all decreases in adjusted income upon the permanent removal of a family member from the assisted unit

D. Non-Interim Reexaminations

In accordance with HOTMA, HUD now defines the following types of changes to a household's family composition or rent calculations as "Non-Interim Reexamination" - except if there is a change of income that exceeds the thresholds as provided above.

The following transaction types require the processing and submission of a Non-Interim Reexamination, regardless of the reexamination results in a recalculation of the rent the family is to be charged:

1. Adding, updating, or removing a hardship exemption for the childcare expense deduction or the health and medical care expense deduction.
2. Updating or removing the phased-in hardship relief for health and medical care expense deduction.

3. Adding or removing a minimum rent hardship exemption.
4. Adding or removing a non-family member (live-in aide, foster child, foster adult).
5. Changes or adjustments related to families still benefiting from the Earned Income Disregard (EID).
6. Adding family members and the increase/decrease in adjusted income does not trigger an interim.
7. Removing family members and the increase/decrease in adjusted income does not trigger an interim.
8. Adding/updating social security numbers.
9. Updating a family member's citizenship/immigration status.

I. Program Administration

A. Purpose of the Admissions and Continued Occupancy Policy (ACOP)

The Admissions and Continued Occupancy Policy (ACOP) establishes written policies used by the Miami-Dade County Housing and Community Development, or its successor department (HCD) for all properties owned by Miami-Dade County. It is written in accordance with United States Department of Housing and Urban Development (HUD) regulations and addresses matters not covered under the HUD regulations that are instead left to local discretion for the Public Housing Program, as established by the United States Housing Act of 1937. The regulations that govern these programs are documented in Title 24 of the Code of Federal Regulations (CFR) Parts 5, 960, 966 and other applicable regulations promulgated by the HUD.

This ACOP is a supportive document to HCD's Public Housing Agency (PHA) Plan. It shall be available for public review during regular office hours Monday through Friday at its main administrative office located at 701 NW 1st Court, 16th Floor, and at the Public Housing Site Offices.

HCD Director, on behalf of HCD, can make any necessary revisions to this ACOP, Public Housing Dwelling Lease (Lease), and Community Policies as may be required by regulatory, statutory, court order or internal policy that occurs before or during approval of the next presentation of the Public Housing Agency (PHA) Plan, which occurs annually.

B. Housing and Community Development (HCD)

Miami-Dade County (County) is a public housing agency as defined in Section 35(f) of the United States Housing Act of 1937, and is the local governmental entity responsible for establishing affordable housing programs in the County, a political subdivision of the State of Florida. These programs include federally assisted housing programs that are administered through HCD's housing department, HCD or its successor agency or department. Although PHCD has responsibility for all day-to-day operations of the Public Housing programs, revisions to this ACOP requires approval from the Miami-Dade Board of County Commissioners (the Board) and/or other authorized HCD officials.

The administration of the Public Housing programs shall comply with all applicable Federal, State and local law, Public Housing regulations, handbooks, and policies promulgated by HUD, and other federal laws including: the United States Housing Act of 1937, as amended, the Fair Housing Act, as amended, the Civil Rights Act of 1964, as amended, Section 504 of the Rehabilitation Act of 1973, as amended, and Section 3 of the Housing and Urban Development Act of 1968, as amended.

C. Ann Marie Adker Consent Decree, et al v Miami-Dade County and HUD (Adker Decree).

Notwithstanding the expiration of the Adker Decree on August 1, 2009, HCD shall comply with the Board's Resolution No. R-1075-09 adopted on September 1, 2009.

Pursuant to that resolution, HCD and all County departments that administer affordable housing programs shall:

- Ensure that the mandates of the Adker Decree of providing desegregative opportunities to all residents, participants and applicants of federally subsidized housing programs administered by HCD are continued;
- Maintain the current Adker-related provisions in HCD's Admissions and Continued Occupancy Policy and Section 8 Administrative Plan;
- The designated division within the Agency is responsible for ensuring compliance with the terms of Board's resolution; and
- Provide any reports required by the Board, the Mayor or the mayor's designee.

D. Voluntary Compliance Agreement

In March 2005, HCD executed a Voluntary Compliance Agreement (VCA) with HUD that requires HCD to construct or convert 478 public housing units and common areas to comply with the Uniform Accessibility Standards (UFAS), the Fair Housing Act and the Architecture Barriers Act. In January 2015, the VCA was amended to require HCD to convert 459 units.

E. Fraud and Crime Control Program

HCD investigates allegations of fraud and illegal activity committed by housing program applicants and residents, including family members on the Lease. Incidents of fraud or illegal activity may be reported to PHCD's fraud hotline telephone number at 786-469-4105 or 786-469-4152 for other violations. All calls are confidential, and callers will remain anonymous.

Miami-Dade County's Office of Inspector General (OIG) works in conjunction with HCD to prevent and eliminate fraud and other criminal activities in HCD housing programs. HCD may refer cases to Miami-Dade County's OIG, or local law enforcement agencies with jurisdiction to investigate housing fraud, criminal and fraud cases for legal prosecution and collection of debt, if applicable. Miami-Dade County's OIG representatives will attend grievance hearings as required, when HCD proposes to deny admission or terminate tenancy regarding cases they have investigated or prosecuted.

In an effort to maintain crime control in HCD's public housing developments, each site AMP administrator or designee shall obtain a "no trespass" listing of people who have been terminated from the program as a result of drug, violent and non-violent criminal activities, including domestic violence. Such list is issued by local law enforcement or state attorney's office and may be updated with additional names as required by court stipulations. The list must be included in HCD's shared drive and be posted in conspicuous places in each development.

F. Housing Opportunity Through Modernization Act (HOTMA) of 2016

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937. Title I of HOTMA that impact the public housing and Section 8 programs.

1. Sections 102 & 104: The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA.

- a) On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule; this was reissued on February 2, 2024, to provide revisions and further guidance.
 - b) On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.
2. Section 103: The Final Rule implements an over-income provision for the public housing program officially published in the Federal Register on February 14, 2023.

HCD has updated its policies throughout this ACOP to incorporate HOTMA requirements according to applicable guidance that is available as of the date of this ACOP.

HCD will update this ACOP and its policies as needed to reflect any subsequent guidance released by HUD pertaining to HOTMA, the Final Rule, and other related regulatory requirements. HCD will comply with the HOTMA Final Rule and all requirements.

G. Assistance to Limited English Proficiency (LEP) Persons

Limited English Proficient (LEP) persons do not speak English as their primary language and have a limited ability to read, write, or understand English at a level that allows the person to communicate effectively when applying or receiving services or benefits from agencies that are recipients of federal funds.

In accordance with HUD's *Final Guidance to Federal Assistant Recipients Regarding Title VI Prohibition Against National Origin Discrimination Affecting Limited English Proficient Persons* (Final Guidance), HCD is committed to ensure direct access to its program and activities to all applicants and program participants, regardless of the primary language they speak.

1. Four (4) Factor Analysis

The LEP Final Guidance defines a self-assessment method to assist agencies receiving HUD funds in determining the extent of their obligations to LEP persons. HCD has conducted the following four-factor self-assessment and concluded that Spanish and Creole are the most commonly spoken languages by the LEP population served by HCD.

- a) The number or proportion of LEP person eligible to be served or likely to be encountered by the program or grantee (persons speaking a language other than English exceeds 5% or 1,000 persons, whichever is less);
- b) The frequency with which LEP persons come in contact with the program;
- c) The nature and importance of the program, activity, or service provided by the program to people's lives; and
- d) The resources available to HCD and its costs.

2. Language Assistance Plan (LAP) and Safe Harbor

HCD posts Spanish and Creole signs at its administrative and site management offices (public places) and on its website to inform LEP persons that free oral interpretation services and translation of vital HCD's documents are available upon request. Additionally, applicants and program participants are informed of their ability to request an interpreter in all written HCD's advertisements and notifications related to hearings, interviews, scheduled appointments, and adverse action notices.

a) Staff Training

HCD employees are provided with training on the LEP policy requirements, their role in assisting LEP persons, and with information on the resources available for LEP persons and how to access these resources.

b) Oral Language Interpretation

HCD utilizes bilingual staff members fluent in Spanish or Creole who provide oral language interpretation to LEP persons at face-to-face or telephone contacts, as needed. Also, oral language interpretation services may be provided for scheduled appointments, meetings, informal reviews, hearings and interviews, upon request five (5) business days in advance, from the Section 504/ADA Coordinator. The Section 504/ADA Coordinator secures oral translation services from approved vendors, according to HCD's procurement procedures.

Language interpretation services are offered to LEP persons for activities including but not limited to the following:

- Eligibility Interview
- Voucher Briefing
- Rental Interview and Lease Signing
- Initial, Annual, and Interim Reexaminations
- Transfer and Resident Tenancy Application
- Reasonable Accommodation Requests
- Conferences, Informal Reviews and Hearings

HCD staff is prohibited from requiring or asking LEP persons to bring their own interpreter. If a LEP person requests that an adult family member or friend (18 years of age or older) provide interpretation, this practice is acceptable only if it is their choice. The LEP person will be advised by HCD staff about the availability of free language services.

c) Written Language Translation of Vital Documents

HUD's Final Guidance defines vital documents as "those that are critical for ensuring meaningful access by beneficiaries or potential beneficiaries generally and LEP persons specifically." HCD may use HCD's translation services provided by the Community Information and Outreach (CIAO) Department, or a County vendor, to translate its vital documents and advertisements into Spanish and Creole.

HCD has translated the following vital documents into Spanish and Creole. They are available in the shared drive, at H:\Compliance Reference Library\Forms - Agency Master Folders and must be provided to LEP persons upon request.

- Consent and complaint forms
- Intake forms with the potential for important consequences
- Written notices of rights, denial, loss, or decreases in benefits or services, and hearings
- Notices of termination of assistance and eviction
- Notices and forms related to the Violence Against Women Act (VAWA)
- Notices of advising LEP persons of free language assistance
- Notices of public hearings, especially those that meet Community Planning and Development's citizen participation requirements
- Public Housing Lease and tenant rules, and/or
- Applications to participate in a recipient's program or activity or to receive recipient benefits or services.

3. Monitoring and Updating

HCD will periodically review and assess its LEP policy, based on Miami-Dade County's demographics and changes in HUD regulations.

H. Mixed Finance Developments

From time to time, HCD has and may continue to engage in mixed-finance development, which includes construction of new public housing and rehabilitation of existing County-owned public housing, as authorized by 24 CFR § 905.604, and other applicable laws and regulations. County-owned public housing properties may be leased to private developers through a long-term ground lease and other applicable mixed-finance agreements and documents.

The properties would then be managed by these private developers, or entities, rather than County. Notwithstanding any contrary provision within this ACOP, HCD may delegate certain admissions and occupancy functions as discussed within the ACOP to entities and/or managers of those mixed-finance developments; provided, however, that such admissions and occupancy functions must be performed in accordance with this ACOP and applicable public housing requirements (including any deviations from the ACOP as permitted hereunder, as set forth in this section). Such delegation does not relieve HCD from ultimate responsibility with respect to the foregoing.

HCD acknowledges that such mixed-finance developments may be subject to federal Tax Credit Requirements. For purposes of this Policy, Tax Credit Requirements shall mean any and all matters required by Section 42 of the Internal Revenue Code of 1986 and regulations thereunder (Section 42), the rules promulgated by Florida Housing Finance Corporation (FHFC) or any agreement with a condition of receipt of tax credits, whether or not such requirement is explicitly stated in Section 42, or FHFC requirements.

Without limiting any other provision in this Subsection G, HCD may also enter into one or more Memoranda of Understanding with the owner entities of such mixed-finance projects and/or third parties in order to comply with FHFC, HUD and HCD requirements, and may adopt a limited preference for Special Needs Households (see Appendix I. – Definitions), as defined at Section 67-48.002(108) of the Florida Administrative Code (FAC), as may be

amended from time to time, that may be referred by a Special Needs Household Referral Agency, as defined at in Section 67-48.002(109) of the FAC, such that 10% (which is subject to change in accordance with updated requirements) of the units of each mixed-finance development are occupied by such Special Needs Households to the extent required by FHFC, HUD and HCD.

In order to facilitate compliance with Tax Credit Requirements, this ACOP shall be deemed amended with respect to any mixed finance development in order to conform to any provision herein to applicable Tax Credit Requirements, unless such policies are otherwise required by applicable public housing requirements. Examples of policies that may be different than what is set forth in the ACOP but that are nevertheless permissible under this section include, but are not limited to:

- the requirement for annual re-examinations (to the extent required by Tax Credit Requirements) and modifications to the tenant lease to conform with Tax Credit Requirements; and
- different income limits, income tiering requirements and rent limits consistent with what is permissible or required in accordance with Tax Credit Requirements.

Under this section, the entity will carry out screening and eligibility determinations with respect to such Tax Credit Requirements, including determinations related to transfers of new admissions from other public housing developments, new admissions and continued eligibility of existing residents. Notwithstanding anything herein to the contrary, any public housing resident who is eligible under applicable public housing requirements, but not eligible under Tax Credit Requirements shall be referred to HCD by the Entity and will be re-housed by HCD in accordance with the transfer provisions set forth in the ACOP.

HCD further acknowledges that certain terms or requirements pertaining to the public housing units may be negotiated between HCD and the entity of each mixed-finance development, such as income tiers and transformation remedies, and effectuated through the execution of the Declaration of Trust and Restrictive Covenants, the Regulatory and Operating Agreement, the Mixed Finance Annual Contributions Contract (ACC) Amendment and applicable management documents. Provided, however, that notwithstanding anything contained in those documents to the contrary, the applicable public housing requirements shall control.

As used herewith, the term “applicable public housing requirements” shall mean the following: the U.S. Housing Act of 1937, HUD regulations thereunder (and to the extent applicable, any HUD-approved waivers of regulatory requirements); any other federal laws, regulations, notices and Executive Orders pertaining to public housing; the ACC between HUD and HCD (as amended by Mixed-Finance Amendments), this ACOP, and applicable tax credit management plans and agreements as those requirements may be waived or amended from time to time.

II. Affirmative Marketing, Waiting List and Tenant Selection

A. Affirmative Marketing

HCD's marketing plan ensures inclusion on its waiting list of all people without regard to race, national or ethnic origin, color, sex, religion, age, disability, familial status, marital status, ancestry, status as a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, actual or perceived sexual orientation, gender identity or gender expression, pregnancy or source of income.

HCD will give public notice in suitable media outlets including, but not limited to:

1. **The Miami Herald**, the largest paper of daily general circulation
2. **The Miami Times**, largest circulation among African-Americans
3. **Diario Las Americas**, a Spanish language publication
4. **The Haiti en March** or **Kiskeya Herald**, Haitian publications
5. Social media platforms and digital marketing (i.e., Facebook)
6. Radio broadcasts and other relevant media

The public notice will include, but will not be limited to, the following information:

1. The application process
2. Opening date
3. Closing date to receive applications, if any
4. Method for placement on the waiting list
5. Available preferences

Outreach to Very-Low Income Families

HCD must conduct outreach as necessary to ensure that HCD has enough applicants on the waiting list.

HCD outreach efforts must comply with fair housing requirements. This includes:

- Analyzing the housing market area and the populations currently being served to identify underserved populations
- Ensuring that outreach efforts are targeted to media outlets that reach eligible populations that are underrepresented in the program
- Avoiding outreach efforts that prefer or exclude people who are members of a protected class

HCD's outreach efforts must be designed to inform qualified families about the availability of assistance under the program. These efforts may include, as needed, any of the following activities:

- Submitting press releases to local newspapers, including minority newspapers
- Developing informational materials and flyers to distribute to other agencies
- Providing application forms to other public and private agencies that serve the low- income population
- Developing partnerships with other organizations that serve similar populations, including agencies that provide services for persons with disabilities

Efforts will be taken to ensure outreach to Miami-Dade County's eligible population providing information of all opportunities to apply for program assistance. In order to reach the widest eligible population, the agency may use special outreach in any of the following methods:

- Notice to churches, synagogues, and other places of worship;
- Notice to government offices including but not limited to Miami-Dade County regional libraries, Miami-Dade County Community Action and Human Services Department, Social Security Administration, State of Florida Department of Children and Families, Legal Services of Greater Miami, Inc., or other agencies designed to assist the low income community;
- Notice to agencies that assist the elderly or disabled;
- Announcement at public meetings; and
- Any other methods deemed appropriate to increase the scope of outreach for eligible applicants.

Marketing Material

1. HCD will use clear and easy to understand terms and distribute the notice in accordance with LEP requirements.
2. HCD will contact agencies that serve potentially qualified applicants least likely to apply (e.g., the disabled) to ensure that accessible/504/ADA-adaptable units are offered to applicants who need these features.
3. HCD will include a statement regarding its responsibility to provide reasonable accommodation to persons with a disability.

B. Waiting List Management

1. Public Housing

- a) HCD maintains one (1) waiting list for its Public Housing Program, which includes Assisted Living Facility, and the Mixed Finance Developments. This waiting list is administered by the Applicant Leasing Center (ALC), which is a unit of the Asset Management Division (AM) responsible for the operations of the Public Housing Program.

2. Other Housing Programs

- a) The Section 8 Housing Choice Voucher Program and the Section 8 Moderate Rehabilitation Program will maintain separate waiting lists for each of the programs. These waiting lists are administered by the Intake Unit of the Section 8 and Housing Choice Voucher Division. The Section 8 Administrative Plan contains the rules and regulations applicable to these programs.
- b) Homeless Pilot Program: In an effort to address the risk of homelessness, HCD will collaborate with the Homeless Trust by implementing a pilot program and waiting list for referrals of persons transitioning out of a shelter, transitional housing program, rapid re-housing program or permanent supportive housing. The program will initially be limited to a maximum availability of 25 Public Housing units that may be expanded if the program is successful.
- c) The Homeless Trust will verify the individual's or family's homelessness before referring them as applicants to this program. Eligibility will be based on the admission criteria in Chapter III of this ACOP.

- d) Mixed Finance Developments (see Chapter I of this ACOP): HCD and the owner have entered into a Memorandum of Understanding (MOU) with Miami-Dade County Homeless Trust to refer individuals to a waiting list for Special Needs Households. Pursuant to the MOU, if the Homeless Trust does not refer any individuals within 14 business days of notification of the availability of units, HCD may select applicants from the Public Housing Waiting List.

C. Opening the Waiting List

1. Timing

- a) HCD, subject to the Board of County Commissioners' approval, may elect to open and dissolve the waiting list as needed.
- b) HCD, subject to the Board of County Commissioners' approval, may elect to open the waiting list if there are insufficient applicants for a particular bedroom size, or unit type (e.g., general occupancy, elderly designated buildings, and accessible or non-accessible, or for one or more of the admission preferences).
- c) Some of these options may include an exclusive electronic open waiting list, where ranking is based on the date and time of application or any applicable factors that the agency may adopt, subject to approval by the Board.
- d) The beginning and ending dates of the waiting list's open registration period will be advertised in the local newspapers through a public notice, as described in Section A of this Chapter, for the purpose of reaching all segments of the community and providing advance notice.
- e) The registration period shall remain open for at least five (5) business days.

2. Submission of Applications

- a) People interested in applying for the programs offered by HCD may do so during open registration periods.
- b) HCD may limit the number of applications to be placed on the waiting list, based on HCD's projection of ready units and other relevant data.
- c) Applications will be available on-line through the internet during the open registration period at www.miamidade.gov/housing. Assistance with the online submission of applications may be available at advertised locations.
- d) At the time of application, the head of household of the family must be 18 years of age or older, or have been emancipated by a court of competent jurisdiction.
- e) HCD's application for admission may request the following information: family composition, income, social security numbers, immigration status, race, ethnicity, date of birth, if a wheelchair accessible unit is required, if family qualifies as a Special Needs Household, and other applicable information.
- f) Only one application is allowed per family, including head of household and family members. An application will be considered as long as it does not replicate the family composition in another application.

g) Applications are nontransferable except under the following circumstances:

- (1) In case of dissolution of marriage or family disputes, HCD will abide the court's determination on whom shall assume the head of household on the application.
- (2) If the head of household is deceased prior to or during the application process, one of the remaining adult family members on the application will automatically become the head of household, provided such person meets all eligibility requirements. In circumstances where there is more than one (1) surviving adult family member, the family shall determine which surviving family member should be head of household as long as they are part of the original application.
- (3) If the head of household is deceased and the remaining family members are minors, the person granted legal custody of such children will become the head of household and is entitled to the original date of application, provided such person meets all eligibility requirements.
- (4) In addition to the desires of the family, HCD will consider the interest of disabled or elderly family members, victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, and any instance of actual threatened physical violence.

3. Position on the Waiting List

- a) Applications accepted will be randomly sorted by an electronic system for assignment of a ranking number. This process is certified by an independent auditor.
- b) Placement on the waiting list does not indicate that the applicant is eligible for admission or that the applicant will receive a housing offer.

4. Movement on the Waiting List

- a) Each applicant moves up the waiting list in ranking number sequence and based on applicable admission preference and type and size of unit required.
- b) When an applicant reaches the top of the waiting list, the applicant's information will be verified, including applicable admission preference, to determine applicant's eligibility. An applicant failing to provide applicable verification of admission preference will not be eligible for that preference and will be restored to the general waiting list.

5. Removal from the waiting list

The head of the household must have the capacity under state and local law to enter into a legally binding lease agreement, where the tenant is bound by the terms of the Lease, otherwise, the family will be removed from the waiting list.

- a) The applicant family requests to be removed from the waiting list.

- b) Reasonable efforts should be made to reach applicant families by phone whose mail is returned by the post office or email host domain.
- c) Applicant families withdrawn for returned mail may request an informal review up to five years after being withdrawn or the closing of the waiting list whichever occurs first for the purpose of reviewing and verifying the accuracy of the mail or email address in accordance with Chapter IX of this ACOP.
- d) If a family is removed from the waiting list for failure to respond, HCD may reinstate the family if it is determined that (1) the lack of response was due to HCD's error, or (2) for documented circumstances beyond the family's control.
- e) If an applicant is selected from the waiting list and does not respond to notices of scheduled appointments or to HCD correspondence, the family will be removed from the waiting list and will be provided with a final notice of withdrawal and an opportunity to request an informal review, if requested, within 30 days of the notice.
- f) Applicant families determined ineligible for housing assistance will be notified in writing, including the reason for the determination. Ineligible applicants shall be provided with an opportunity for an informal review, if requested, within 30 days of the notice.
- g) If the applicant family fails to respond to a housing offer or refuses the housing offer, the applicant family will be removed from the waiting list, notified in writing, and provided an opportunity to request an informal review, if requested, within 30 days of the notice.
- h) If the applicant family accepts a housing offer and signs the *Public Housing Dwelling Lease*, the application will be removed from the waiting list.
- i) If the applicant family accepts the housing offer and does not attend or reschedule the appointment to sign the *Public Housing Dwelling Lease*, the AMP Administrator will notify the Applicant Leasing Center (ALC). As a result, the applicant family will be removed from the waiting list, notified in writing, and provided an opportunity to request an informal review within 30 days of the notice.
- j) Applicant families whose applications are withdrawn or rejected may reapply for housing when the waiting list is opened.
- k) All rejected applicants are entitled to a written explanation of the reason for their rejection and may request an informal review. At the informal review, rejected applicants may present reasons why they should be reinstated to the waiting list (See Chapter IX - Grievance and Appeal Policy, of this ACOP).
- l) All applicants determined ineligible for housing assistance or removed from the waiting list will receive HUD form 5380, *Notice of Occupancy Rights under the Violence against Women Act* form, and HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation* form, at the time the applicant is denied assistance. See Chapter XIV—Violence Against Women Act of this ACOP for additional details.

6. Reinstatement to the Waiting List

a) Reasonable Accommodations

Applicant families who refused the housing offer due to a disability may request a reasonable accommodation in accordance with the Reasonable Accommodation Policies and Procedures (Appendix IV of this ACOP). Upon approval of the reasonable accommodation request, the applicant family shall be returned to the applicant's former waiting list position.

b) Informal Reviews

If the Hearing Officer overturns the HCD decision to remove the applicant family from the waiting list, the applicant family shall be returned to the applicant's former waiting list position.

D. Factors Affecting Selection from the Waiting List

Several factors may affect how applicants are selected. These factors are described below:

1. The need for units complying with the Uniform Federal Accessibility Standards (UFAS) or units with accessible features.

a) Transfers of residents with disabilities and placement of applicants with disabilities requiring units complying with UFAS or units with accessible features (as defined in Appendix I of this ACOP), will be approved in accordance with the Reasonable Accommodation Policies and Procedures (Appendix IV of this ACOP), through HCD.

b) When an accessible unit becomes available, the unit will first be offered to a current resident with disabilities in the same development who requires the accessibility features of the vacant accessible unit and who is otherwise occupying a unit not having those features.

c) If there are no current residents in the same development who require the accessibility features, then the vacant accessible unit will be offered to a resident with disabilities from another development that requires the accessibility features.

d) If there are no current residents who require the accessibility features of the vacant accessible unit, then the vacant accessible unit will be offered to the next eligible qualified applicant with disabilities on the waiting list.

e) If there are no eligible qualified residents or applicants with disabilities on the waiting list who wish to reside in the available accessible unit, then the unit will be offered to an applicant on the waiting list who does not need the accessible features of the unit. The *Public Housing Dwelling Lease* requires residents to relocate to a vacant non-accessible unit within 30 days of date written on the notification from the AMP Administrator, if there is an eligible applicant or existing resident with disabilities who requires the accessibility features of the unit.

2. Resident Transfers (Refer to Chapter V-Transfer Policy)

HCD will also offer units (including Public Housing units in mixed finance developments) to existing qualified residents on the transfer list. Emergencies, reasonable accommodation, extraordinary circumstances, and occupancy standards transfers are processed before new admissions, as detailed in Chapter V of this ACOP.

3. Elderly Designated Housing

Elderly families (see definition in Appendix I) from the Public Housing waiting list receive priority for admission to units or buildings covered by HUD-approved Elderly Designated Housing Plan. When there are insufficient elderly families, HCD may grant near-elderly families (see definition in Appendix I) priority for admission to these units or buildings or reopen the waiting list to receive applications for this type of elderly unit designation.

4. Mixed Population Projects

A mixed population project is a public housing development that was reserved for elderly and disabled families at its inception. Dwelling units with special accessibility features for handicapped people will first be offered to families with persons that require the accessibility features of such units.

5. Deconcentration of Income and Poverty

- a) HCD may perform an income analysis of its general occupancy, family public housing developments to determine which developments covered by 24 CFR § 903.2(b) fall outside the Established Income Range (EIR). The EIR is 85% to 115% of the average family income of HCD's covered developments, or 30% of the Area Median Income, whichever is greater.
- b) HCD's policy includes making capital improvements in developments with an average income below the EIR to encourage applicants with family income above the EIR to accept units in those developments.

6. Admission Preferences

HCD may adopt admission preferences for selection of families admitted to the public housing program based on admission housing needs and priorities as determined by HCD. Admission preferences are subject to the specific admission preference being indicated in the housing application. Applicants requesting an admission preference should be properly coded in the waiting list.

HCD will not hold its units vacant for applicants with an admission preference, nor will it relax eligibility or screening criteria to admit otherwise unqualified applicants with a preference.

a) Assisted Living Facilities (ALF)

HCD provides an admission preference to applicants interested to be housed in an ALF over new admissions from the Public Housing waiting list. The applicant must meet the ALF Admissions Criteria at the time of eligibility screening (see Chapter III of this ACOP).

b) Miami-Dade County Residency Preference – HCD may administer a residency preference for applicants that reside anywhere in Miami-Dade County, including families who work or have been hired to work in Miami-Dade County.

c) Homeless referred by the Miami-Dade County Homeless Trust: In an effort to address the risk of homelessness, HCD may collaborate with the Homeless Trust on referrals of persons transitioning out of a shelter, transitional housing program, rapid re-housing program or permanent supportive housing.

d) Veterans

- (1) HCD, at its sole discretion, will provide an admission preference over new admissions to applicants whose head or co-head are eligible veterans.

A veteran is a person who:

- had at least 180 days of regular active duties and was honorably discharged or released; or
- had at least 90 days of active duty service, of which at least one (1) day of service was in a war conflict and was honorably discharged or released; or
- served in a war conflict and was awarded a Purple Heart or became disabled, regardless of completion of days of active duty.

The veteran status extends to spouses, widows, widowers and parents of the military killed during a time of war.

- (2) Applicants claiming a veteran's preference must provide a copy of military service record, proof of service, or the discharge documents (Form DD214) of the veteran for whom the preference is claimed.

e) A participant under HCD's Housing Choice Voucher or Project Based Voucher program who has lost their assisted housing because the private owner failed the Housing Quality Standards (HQS) and the family has been unable to lease a new unit within the period provided by HCD.

f) An admission preference for extremely low-income or special needs households to its Low-Income Housing Tax Credits (LIHTC) developments referred by the Miami-Dade County Homeless Trust pursuant to the executed memorandum of understanding.

g) An admission preference for homeless families who have been referred by the Miami-Dade County Homeless Trust pursuant to the executed memorandum of understanding.

h) Vulnerable Populations

HCD may establish further admission preferences to assist vulnerable populations, subject to resource availability and at its discretion. Examples of such population include families under the witness protection program, ex-offenders and felons that are part of a reentry program, and pregnant women or women with children where one or more members of the household have been diagnosed with the acquired immunodeficiency syndrome (AIDS).

i) Special Housing Initiatives

HCD, subject to resource availability and at its discretion, may develop special housing initiatives that may receive an admission preference. These special housing initiatives may target specifically named families and may be based on HCD and community priorities or HUD's request.

j) Changes in Admission Preference Status:

- (1) Occasionally, families on the waiting list who did not qualify for an admission preference at the time they applied for rental assistance will experience a change in circumstances that now qualifies them for a preference. In such instances:
 - (a) It is the family's responsibility to notify HCD.
 - (b) The record will be updated for families certifying that they now qualify for an admission preference on the waiting list in accordance with their electronic randomly sorted ranking and their applicable preference(s).
- (2) Applicants failing to provide verification of their admission preference status at initial eligibility screening will not be eligible for the admission preference and will be restored to the general waiting list for selection in accordance with the movement on the waiting list.
- (3) Applicants determined ineligible for the requested admission preference will be notified of their ineligibility and shall be provided an opportunity for an informal review if requested within 30 days of the written notice.

7. Special Admissions

Applicants may be admitted to the Public Housing program even though they are not on the waiting list but meet one of the following conditions:

a) Displacement

At the discretion of the HCD Director, HCD can assist displaced families due to national disasters. The definition for displaced families is included in Appendix I of the ACOP. Displaced families may include families under the witness protection program provided supportive documentation from applicable authorities is provided.

b) Referrals for Humanitarian Reasons

HCD, at its sole discretion, may accept referrals for humanitarian reasons as mandated from HUD and/or from appropriate federal, state, and/or admission agencies.

- c) **Change of Program Special Admission Preference:** HCD may, at its sole discretion, for humanitarian reasons, including but not limited to, reasonable accommodation for a family member with disabilities in another HCD administered federally assisted housing program, provide another site-based housing opportunity, such as the Moderate Rehabilitation or Public Housing programs. This family may be placed on HCD's waiting list even if the waiting list is otherwise closed or may already be on HCD's waiting list. HCD will confirm that the tenant is in compliance with all assisted housing tenant and lease obligations. Approval of HCD's Director or designee is required.

E. Closing the Waiting List

1. HCD may elect to dissolve the waiting list periodically or as needed. Notwithstanding the dissolution of the waiting list, applicants who were selected from the waiting list and are pending a unit offer will continue to be processed by HCD.
2. The applicant family will not be offered a unit under the dissolved waiting list under the following circumstances:
 - a) The applicant family that was selected and scheduled for initial interview, but did not attend.
 - b) The applicant family refused a housing offer without good cause (see Appendix I – Definitions of this ACOP).

III. Eligibility for Admission and Assignment Plan

A. Requirements for Admission

1. An applicant is qualified if they meet all of the following criteria:
 - a) Is a family, as defined in Appendix I of this ACOP;
 - b) Meets HUD requirements on citizenship or immigration status;
 - c) Is within HUD's established income limits;
 - d) Provides documentation of Social Security numbers for all family members, except for those individuals who do not contend that they have eligible immigration status;
 - e) Provides documentation validating identity of each adult or emancipated minor; and
 - f) Meets the Applicant Selection Criteria.
2. HUD Approved Waivers Applicable to Persons Experiencing Homelessness (Notice PIH 2024-17)

HCD has been granted two regulatory waivers related to verification requirements at admission to the HCV, PBV, or Public Housing programs to expedite admissions of persons experiencing homelessness (refer to homeless preference). Except for Emergency Housing Vouchers (EHV) and Stability Vouchers (SV), any waiver of HCV regulations granted will apply to special purpose vouchers. These waivers will remain in effect for a period of 12 months following approval and will provide alternative requirements described below that HCD must follow during the period the waiver is in effect.

- a) HUD waived 24 CFR 982.201(e) and 960.259(a) and (c)(1), for persons experiencing homelessness, as it relates to verifying a family member's date of birth and/or disability status at the time of admission for purposes of determining the family's eligible expenses and deductions.

Alternative Requirement

For any applicant family experiencing homelessness, HCD may accept a self-certification from the applicable family member, if the family is unable to provide third-party verification of date of birth and/or disability status for any of its members, because of loss or lack of documents. HCD must verify the disability status and/or date of birth within 90 days after admission.

Self-certification of date of birth and disability status cannot be utilized when it is related to the eligibility for a particular special purpose voucher (e.g., Mainstream) or for Public Housing which has been officially designated, with HUD approval, in whole or in part, for families whose head of household, co-head, or spouse is a person with disabilities or age 62 or older.

Note:

- If unable to verify date of birth within 90 days, remove any income deductions related to age (elderly or dependent) and recalculate participant portion of rent.
- If unable to verify disability status within 90 days, remove disability deduction and any disability expense from income calculation and recalculate the participant portion of rent.

- b) HCD is required to verify a family's income eligibility within 60 days prior to voucher issuance for the tenant-based voucher program and prior to admission for the PBV and Public Housing programs. Notice PIH 2023-27 provides the verification hierarchy under which HCD is responsible for obtaining third-party verification of reported family annual income, and HCD must demonstrate efforts to obtain third-party verification prior to accepting self-certification except in instances when self-certification is explicitly allowed. HUD waived these requirements if an applicant family lacks necessary income documentation because the family is experiencing homelessness

Alternative Requirement:

- (1) For any applicant family experiencing homelessness, HCD must first request third-party documentation from the family.
 - (2) If the family is unable to provide third-party documentation at the time of the request, HCD may immediately allow self-certification. HCD is not required to first attempt to obtain the documentation from the third-party source of income before proceeding immediately to the family self-certification, notwithstanding the requirement under Notice PIH 2023-27 that HCD must demonstrate efforts to obtain third-party verification prior to accepting self-certification.
 - (3) Applicants must submit a self-certification declaration of income, assets, expenses, and other factors that would otherwise affect an income eligibility determination within 60 days prior to voucher issuance for the tenant-based HCV program, and prior to admission for the Public Housing and PBV programs.
 - (4) If the family is unable to provide third-party verification for the tenant-based HCV program, HCD must receive information verifying that the family is eligible within 90 days after HCD enters into a Housing Assistance Payment (HAP) contract on behalf of the family. For the Public Housing and PBV programs HCD must receive information verifying that the family is eligible 90 days following admission.
 - (5) The adoption of this waiver does not authorize any ineligible family to receive assistance under these programs or relieve HCD of its responsibilities to correct any overpayments or underpayments. HCD must take steps to identify and resolve any income discrepancies, including updating the family's income retroactive to the New Admission (action code 1) HUD-50058 and correcting any overpayments or underpayments. If HCD later determines that an ineligible family received assistance, HCD must take steps to terminate that family from the program in accordance with the relevant program requirements.
3. Criminal History
HCD does not inquire into an applicant's criminal history on an application and does not require applicants to disclose facts or details of conviction history or arrests. However, HCD performs criminal background screening in its admission and continued occupancy processes.
 4. Verification of Identity
 - a) Required documentation validating the identity of each adult or emancipated minor:
 - State issued driver's license (current and unexpired), or
 - State issued identification card (issued within the last ten (10) years);

- U.S. passport (current and unexpired);
- US issued immigration verification documents that contain a picture of individual (issued within the last ten (10) years);
- Military identification card; and
- Other documents as may be required by HUD.

b) Adult or emancipated minor applicants that have an ineligible immigration status will be required to confirm their identity providing any of the following documents:

- Foreign passport
- Foreign driver's license
- Foreign birth certificate
- Identification card issued in US
- Foreign military identification card
- Other documents as may be required by HUD

5. Changes to Family or Household Composition

Changes to the family or household composition shall be considered and documented at the time the changes below occur.

a) Addition to the Family

Requests for additions to the family composition must be made in writing by the head of household and are restricted to:

- (1) Spouses, co-heads, or domestic partners (see definition of Family in Appendix I of this ACOP), children born to, adopted, or otherwise granted custody by operation of law.
 - (a) HCD will require documentation that the head of household has authorization to include a minor as part of the household.
 - (b) Documentation to add a minor can include but is not limited to court documents, pre-need guardian, school records, parent or custodian's written consent, other state and federal public assistance documentation, or power of attorney.
- (2) Immediate relatives (sons, daughters, brothers, sisters, parents, grandparents and grandchildren), may be added for humanitarian and extraordinary reasons, including reasonable accommodation for a family member on a case-by-case basis and approved by the division director or designee.

b) Removals from the Family Composition:

- (1) Any adult family member requesting to be removed from the family composition must provide a notarized statement agreeing to the removal, signed by the adult family member and the head of household.
 - (a) The notarized statement must be accompanied by two (2) pieces of supporting documentation from different sources showing that the family member is no longer residing in the subsidized unit. Supporting documentation to prove

another residency may include, but is not limited to, a copy of the Lease agreement, utility bills, or official mail (from a Federal, State, County or City government agency) properly dated (no more than two (2) months old), showing the new address. HCD may request additional documentation to verify the permanent relocation of the family member requesting removal.

- (b) If the adult family member is unable to provide the notarized statement agreeing to removal from the family composition, the head of household must provide a written statement explaining the reason why the family member is unable to provide the statement and provide supporting documentation, if available (e.g., death certificate, jail order).
- (c) For removal of minors, the head of household must provide a signed notarized statement accompanied by supporting documentation showing that the minor is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include, but is not limited to, school records, custody records, etc. properly dated (no more than two months old), showing the new address.
- (2) As an alternative to the notarized statement, a written statement may be provided, which must be signed by the adult family member being removed upon identification, the head of household, and witnessed by the HCD representative.
- (3) Notwithstanding the foregoing, a notarized statement will not be required of an adult family member who has violated the terms of this ACOP, the Lease, and Community Policies and as a result must be removed from the household in lieu of evicting all members of the household. Examples include a member of the household who has engaged in domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking.

c) Addition to the Household Composition

(1) Foster Children and Foster Adults

- (a) A foster child is a child that is in the legal guardianship or custody of a state, county, or foster care agency, yet is cared for by foster parents in their own homes, under some kind of short-term or long-term foster care arrangement with the custodial agency.
- (b) A foster adult are usually persons with disabilities, unrelated to the tenant family, who is unable to live alone.
- (c) Foster children and foster adults living with an applicant or resident are considered household members but not family members. The income of foster children and foster adults are not counted as part of the family's annual income and dependent deductions may not be claimed.
- (d) HCD will require documentation that the head of household has been granted legal guardianship or custody of a foster child or foster adult.
- (e) Effective July 1, 2025, foster children and foster adults will be considered part of the household (and therefore will be considered when determining appropriate unit size and utility allowance).

(2) Live-in Aides

- (a) HCD must approve a live-in aide (18 years of age or older), if needed as a reasonable accommodation request, to make the program accessible to and usable by the head of household or family member with a disability.
- (b) Although a reasonable accommodation request can be made orally or in writing, it is usually helpful for both the resident and HCD if the request is made in writing. This will prevent misunderstanding regarding what is being requested, or whether the request was made. To facilitate the processing and consideration of the request, residents or applicants may use the Live-in Aide Request and Verification forms, refer to Appendix IV of this ACOP, Reasonable Accommodation Policies and Procedures or equivalent format.
- (c) A live-in aide is a household member, not a family member. The income of the live-in aide is not counted as part of the family's annual income.
- (d) Any individual selected by the family member with disability to be the live-in aide must comply with the following criteria:
 - (i) A medical professional, a peer support group, a non-medical service agency, or a reliable third party who is in a position to know about the individual's disability may also provide verification for a disability and the need for a live-in-aide.
 - (ii) The live-in aide must live in the unit solely to care for the disabled individual.
 - (iii) The live-in aide does not qualify for continued occupancy as a remaining family member and does not have any rights to the unit.
 - (iv) The live-in aide, head of household, and family members must maintain separate finances.
- (e) The live-in aide must provide proof of current residency.
- (f) The live-in aide must provide required documentation.
- (f) The head of household and the live-in aide must sign the *Live-in Aide Certification* initially and annually (as part of the annual reexamination of the family).
- (g) The head of household and live-in aide must sign a *Live-in Aide Agreement* which shall become part of the addendum to the resident's lease (for the *Live-in Aide Agreement* form, refer to Appendix IV of this ACOP, Reasonable Accommodation Policies and Procedures).
- (h) The live-in aide must agree to move-out out of the unit should the disabled resident, no longer resides in the unit or passes away. In such circumstances, the AMP Administrator provides notice for live-in aide to vacate the premises within 14 days. Upon termination of the live-in aide's services for any other reason, the live-in aide shall vacate the unit within 24 hours.

- (i) Under extraordinary circumstances, upon approval of the division director, relatives satisfying the definition of a live-in aide wanting to have remaining family status may be added to the family composition as a family member and not as a live-in aide. In such case, the relative's income will be part of the family's annual income.
- (j) An eligible live-in aide may be granted up to one (1) additional bedroom in accordance with the occupancy guidelines or standards.
- (k) The live-in aide must provide the following documents as part of the admission process:
 - Proof of identity
 - Verification of birth date
 - Social security number
 - Proof of current residency
 - Other documents as may be required by HUD
- (l) The live-in aide will be asked to sign forms which include but is not limited to the following:
 - *Authorization to Check Information*
 - *Authorization to Obtain Criminal Background*
 - *Debts Owed to Public Housing Agencies and Terminations* (Form HUD-5267)
 - *Live-in Aide Certification*
 - *Live-in Aide Agreement* (completed upon approval of the live-in aide)
- (m) HUD maintains a record of current participants and of debts owed and adverse information of former participants, which is available to housing authorities through the Enterprise Income Verification (EIV) system. HCD will verify information of the live-in aide through EIV for double subsidy, debt owed, and any record of a negative reason for their end of participation from another housing authority or program.
- (n) The live-in aide individual may be denied for the following reasons:
 - Failed to provide or sign required documentation to complete the admission process and/or failed to sign the *Live-in Certification* or ***Live-in Aide Agreement*** forms.
 - Committed fraud, bribery or any other corrupt or criminal act in connection with any federal housing program.
 - Has been living in the subsidized unit as an unauthorized occupant/boarder.
 - Has engaged in criminal activity as detailed in Chapter III of this ACOP.
 - Owes rent or other amounts to the public housing agency (PHA) in connection with Section 8 or public housing assistance.

5. Mandatory Social Security Numbers

Effective January 31, 2010, all members of the household, including the live-in aide and children under the age of six (6), **except those that do not contend eligible immigration status**, must provide appropriate documentation of their assigned Social Security Number (SSN) before the household member is admitted into the program.

c) Disclosure requirement for applicants

At the time applicant's eligibility is determined, each applicant must submit:

- the complete and accurate SSN for each member of the applicant's household, including the live-in aide and children under the age of six (6), unless the member of the household does not contend that they have eligible immigration status and
- the required documentation to verify each SSN issued by a federal or state government agency that contains the name and SSN of the individual, along with other identifying information of the individual (i.e. address, date of birth, etc.); or
- a declaration from the applicant stating why they cannot obtain their SSN card, and what their SSN is together with a document stating the person's name (such as bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual).

If HCD has accepted any declarations as evidence of a SSN, HCD will review the Failed SSA Identity Report monthly within 90 days to quickly identify any participants whose identity is not verified.

If at the time of eligibility, the documents to verify the SSN for each family member cannot be submitted and the applicant is otherwise eligible, the applicant may retain their place on the waiting list for the program, but cannot become a program participant until the required document to confirm the SSN is provided, unless the following condition applies:

If a child under the age of six (6) has not been assigned a SSN and is being added to the application within six (6) months of admission date, the applicant family may provide the complete and accurate SSN and required verification within 90 calendar days of the date of admission. HCD must grant an extension of one additional 90-day period if HCD determines that the resident's failure to comply was due to unforeseen circumstances or circumstances outside the control of the applicant.

b) Residents

(1) Initial Disclosure: Each resident whose initial determination of eligibility began before January 31, 2010, except for those age 62 or older as of January 31, 2010, must submit a complete and accurate SSN and documentation to verify the SSN if the participant has:

- (a) not previously disclosed a SSN;
- (b) previously disclosed a SSN that HUD or the Social Security Administration (SSA) determined was invalid; or
- (c) been issued a new SSN.

(2) Subsequent Disclosure:

- (a) The complete and accurate SSN and verification is required for a new adult member regardless of age that has an assigned SSN at the time of request, at the time of processing the addition to household, at the next interim or annual reexamination.

- (b) If a child under the age of six (6) has not been assigned a SSN, the head of household will be required to provide the complete and accurate SSN and verification within 90 calendar days of the child being added to the household.

c) Verification of SSNs

One of the following documents must be submitted to confirm SSN:

- A valid SSN card issued by the SSA, or
- An original document from a federal or state government agency that contains the individual's name and SSN, along with identifying information for the individual (i.e. address, date of birth, etc.)
- A declaration from the applicant stating why they cannot obtain their SSN card, and what their SSN is together with a document stating the person's name (such as bank statement, utility or cell phone bill, benefit letter, etc., that contains the name of the individual).

If HCD has accepted any declarations as evidence of a SSN, HCD will review the Failed SSA Identity Report monthly within 90 days to quickly identify any participants whose identity is not verified.

Referral sources for applicants and participants who need to request a SSN or information: Information regarding SSN cards is available at www.socialsecurity.gov or 1-800-772-1213.

d) Time frame to submit documents to confirm the SSN

- (1) Applicants: Applicants may be given up to 90 days, or 120 days for applicants 62 years or older, to submit documents confirming each household member's SSN.
- (2) Program Participants: Next annual or interim reexamination or within 90 days of request date, or 120 days for participants 62 years or older. HCD may grant additional time up to 90 days, only if there are unforeseen circumstances beyond the family's control that prevent the family from complying with the SSN requirements.

e) Resident's Penalties for failing to disclose and verify SSN

HCD must terminate the assistance or the tenancy, or both, of the family if any member does not meet the applicable SSN disclosure, documentation and verification requirements. HCD, at its sole discretion, may defer termination and provide resident with an additional 90 calendar days to disclose, document, and verify the SSN if the following applies (24 CFR § 5.218(c)(2)):

- (1) Resident did not meet the applicable SSN disclosure, documentation and verification requirements due to circumstances that could not have reasonably been foreseen and were outside the control of the resident; and
- (2) There is a reasonable likelihood that the resident will be able to disclose a SSN by the deadline.

Failure of the resident to disclose a SSN by the end date of the additional 90 calendar days, if provided, will result in termination of the assistance or tenancy, or both, of the participant and the participant's household.

6. Citizenship or Eligible Immigration Status

In order to determine each family's eligibility for full assistance or prorated assistance, HCD is required to verify the citizenship and/or immigration status of each individual family member, unless they state they do not contend that they have eligible immigration status. Details of the requirements are described below.

- a) There are four (4) categories of citizenship/immigration status:
 - (1) Eligible citizen
 - (2) Eligible noncitizen
 - (3) Ineligible noncitizen
 - (4) Pending Verification

- b) The *Declaration of Citizenship or Eligible Immigration Status Certification and Verification Consent, Acknowledgement Receipt of Notice of Section 214 Requirements* form must be signed by all family members (or by parent or guardian if family member is a minor). Documents to verify citizenship or immigration status may be required as indicated below.
 - (1) A citizen/national may submit one of the following documents:
 - U.S. Passport
 - U.S. Birth Certificate
 - Puerto Rican Birth Certificate
 - Certificate of Citizenship
 - Naturalization Certificate
 - Voter's Registration
 - Other documents as may be required by HUD
 - (2) A noncitizen eligible immigrant must have permanent residence, refugee or asylee status to be eligible for full assistance. Acceptable document of eligible immigration status for noncitizens is one of the following documents:
 - (a) Permanent residents: Permanent Resident Card (Form I-551), also known as the "Green Card".
 - (b) Asylees: Asylum Approval Notice, Employment Authorization Document (EAD), or Arrival-Departure Record (Form I-94), along with government-issued ID card with photo.
 - (c) Refugees: Refugee Approval Notice or Employment Authorization Document (EAD).
 - (d) For non-citizens 62 years of age and older receiving assistance under a covered program on September 30, 1996 or applying for assistance after that date, a signed declaration of eligible immigration status and proof of age is required.
 - (3) A victim under the Violence Against Women Act (VAWA) may claim a "satisfactory immigration status" when applying for assistance or continued assistance (PIH Notice 2017-02). Evidence that an individual is a self-petitioner includes one of the following:
 - INS Form I-360 VAWA self-petition
 - INS Form I-130 family-based visa petition
 - INS Form I-360 self-indicating
 - INS Form I-797 Notice of Action indicating (a) receipt of the I-130 or I-360 petition by DHS, (b) a prima facie determination, or (c) approval of the I-360 or I-130 petition by DHS

- (4) Documents must be current and unexpired.
- (5) Declaration of Ineligible Immigration Status: An individual may admit to having an ineligible immigration status. The family must identify in writing which family member does not contend to have eligible immigration status.

c) Mixed Families

HCD has included in this ACOP the required changes published in the Final Rule of the Streamlining Administrative Regulations (Docket No. FR5743-F-03) effective April 7, 2016, regarding calculation of prorated rent for mixed families ((24 CFR § 5.520(d)).

A mixed family is composed of both eligible and ineligible members and must be provided prorated assistance per 24 CFR § 5.520(d) effective April 7, 2016, unless eligible for continued assistance or temporary deferral of termination of assistance (described below).

(1) Continued Assistance

A mixed family may receive full housing assistance if they meet all of the following conditions:

- i. The family was receiving assistance under a Section 214 covered program on June 19, 1995, which is when the Noncitizens rule became effective.
- ii. The head of household, the spouse, or co-head has eligible immigration status (24 CFR § 5.506).
- iii. The family does not include any person without eligible immigration status other than the Head of Household, spouse, co-head, and parents or children of the Head, spouse, or co-head.

A family granted continued assistance before November 29, 1996 is entitled to receive non-prorated assistance. A family granted assistance after November 29, 1996, must receive prorated assistance (24 CFR § 5.520(d)).

(2) Temporary Deferral of Termination of Assistance

If a mixed family qualifies for prorated assistance (and does not qualify for continued assistance), but decides not to accept prorated assistance, or if a family has no members with eligible immigration status, the family may be eligible for temporary deferral of termination of assistance if necessary to permit the family additional time for the orderly transition of those family members with ineligible status, and any other family members involved, to other affordable housing (see 24 CFR § 5.218(b)).

- d) Documentation proving citizenship or eligible immigration status must be provided to HCD within ten (10) business days. HCD may extend the submission period,

which shall not exceed 30 days.

- e) Family members that are ineligible noncitizens are required to submit evidence of changes in immigration status, while receiving prorated assistance under the program.
- f) HCD shall verify with United States Department of Homeland Security (DHS) through primary, and if necessary, secondary verifications of the immigration status for each family member as follows:
 - (1) Primary Verification: The DHS Systematic Alien Verification for Entitlements (SAVE) system provides automated immigration status. This must be done as part of the applicant eligibility process or additions to households.
 - (2) Secondary Verification: If primary verification is unsuccessful and the family member has disclosed eligible immigration status and presents valid immigration documents, a secondary verification must immediately be done. This consists of mailing a DHS form with copies of the immigration documents.
- g) Pending Verification of immigration status: When the primary or secondary verification of immigration status that was timely submitted has not been received. Also, when an appeal by the individual with DHS is pending.
- h) Once the applicant or participant has provided the immigration documents, HCD may not deny, delay or terminate assistance solely on the basis that the primary or secondary verification of the immigration status has not been completed.
- i) In circumstances where DHS has not verified eligibility, the family will be provided with a written notice that shall include:
 - (1) That the family has a right to request an appeal to DHS of the results of the verification of immigration status;
 - (2) That the family has the right to request an informal hearing with HCD upon completion of the DHS appeal. Such a hearing shall be held in accordance with the Grievance and Appeal Policy in Chapter IX of this ACOP;
 - (3) That housing assistance may not be denied or terminated until the conclusion of the DHS or HCD appeal process; and
 - (4) Notification of the type of assistance for which the family may be eligible (continued assistance, temporary deferral of assistance or pro-ration of assistance).

7. Income Limit and Income Targeting Requirements

a) Income Limit Requirements

HCD has included in this ACOP the required changes published in the Final Rule of the Streamlining Administrative Regulations (Docket No. FR5743-F-03) effective April 7, 2016, regarding the definition of extremely low income.

HUD annually publishes income limits, adjusted according to family size, to determine the eligibility of applicant families for admission into the Public Housing program, as summarized below:

- **Extremely Low-Income family** is defined “as a very low income family” whose annual income does not exceed the higher of the poverty guidelines established

by the Department of Health and Human Services (HHS) or thirty (30) percent of the median family income for Miami-Dade County. The poverty guidelines are established by HHS on an annual basis.

- **Very low-income families** are defined as families whose incomes do not exceed 50 percent of the median family income for Miami-Dade County.
- **Low-income families** are defined as families whose incomes do not exceed 80 percent of the median family income for Miami-Dade County.

b) Income Targeting Requirements

(1) HCD is required by HUD to meet income targeting provisions (24 CFR § 960.202) to guarantee a share of available public housing units for extremely low- income applicant families. HUD income targeting requirements for the Public Housing Program as indicated below, or as may be amended by HUD:

- (a) Extremely low income families: This group must constitute at least 40% of all new admissions from the waiting list in any year.
- (b) Families with incomes between 31% and 80% of area median income: The remaining Public Housing new admissions (no more than 60%) can be up to the low-income level (up to 80% of the area median income).
- (c) To attain the annual extremely low-income targeting requirement of 40%, HCD may reach out to applicants on the waiting list who are at that income level.

(2) The following categories are not counted towards the income targeting requirements:

- (a) Resident transfers
- (b) New admissions that includes the following:
 - Families “continuously assisted” in Public, Indian, Section 23 or Section 8 Housing Programs
 - Families physically displaced by rental rehabilitation
 - Non-purchasing tenants of certain homeownership programs
 - Tenants displaced from certain Section 221 and 236 projects
 - Low income families residing in certain HUD-owned projects (these families are eligible for a Certificate only)

B. Assisted Living Facilities

HCD administers a Public Housing facility as an Assisted Living Facility (ALF) of zero (0) and one (1) bedroom units, which provides programs and services for low-income elderly families. ALFs are regulated by Chapter 429, Part I, Florida Statutes, and Florida Administrative Code 58A-5. Admission and continued occupancy of HCD’s ALFs are subject to the following requirements:

1. Applicants

- a) Public Housing Program’s applicants that demonstrate interest in the ALF and qualify in accordance with the ALF Admission Criteria detailed in Section 2 below.
- b) ALF qualified applicants will be selected for zero (0) or one (1) bedroom units, in

the ranking order obtained by an electronic random sorting of such list. The waiting list Management provisions contained in Section C of this Chapter, apply to ALFs' applicants.

- c) The ALF units are included in HCD Elderly Designation Plan. Either the head, spouse, or co-head of the family must be elderly (62 years of age or older). Once the elderly population of the waiting list is exhausted, HCD may select Near Elderly families (50 to 62 years of age) for admission into Elderly designated units.

2. ALF Admission Criteria

The eligible family members must:

- a) be Medicaid and Medicare eligible;
- b) agree to pay the cost of ALF services and rent not to exceed the family's monthly income. If the family members receive Optional State Supplement (OSS) income, the OSS check must be endorsed to the facility and a personal needs allowance (PNA) will be provided on a monthly basis;
- c) be able to perform the activities of daily living with supervision or assistance, if necessary;
- d) be at risk of being prematurely placed in a nursing home;
- e) not require 24-hour nursing supervision or mental healthcare;
- f) not be bedridden;
- g) not have a history of violent behavior that poses a risk to the health and safety of others; and
- h) be free from communicable disease. The term "communicable disease" does not include Acquired Immune Deficiency Syndrome (AIDS), human immunodeficiency virus or any other communicable diseases, which are considered a disability. People with said disabilities are afforded protection from discrimination under State, Federal, and local anti-discrimination Laws.

Notwithstanding the before-mentioned restrictions, HCD will provide reasonable accommodations consistent with the procedures outlined in this ACOP.

3. Referrals to ALF

The ALF admission criteria may often cause limitations in filling ALF units, as there may not be sufficient qualified applicants in the waiting list. As such, referrals may be accepted, should the waiting list be exhausted of ALF qualified applicants.

4. Transfers to ALFs

Requests of transfers to the ALF of existing interested and qualified residents of Public Housing developments are subject to the provisions under Chapter V – Transfer Policy - of this ACOP and the ALF Admission Criteria detailed in subsection (2) above. Residents requesting transfers to an ALF will receive priority over applicants requesting to reside in an ALF.

5. ALF Discharge and Public Housing Assistance Termination

ALF residents may be discharged if they no longer meet the ALF criteria per Florida Statute, Chapter 429 and Florida Administrative Code 58A-5, or because they violate the terms of the ALF contract. Additionally, the resident may be recommended for termination of housing assistance for violation of the *Public Housing Dwelling Lease*.

C. Interviews and Verification Process

1. As applicants approach the top of the waiting list, they will be contacted by mail and scheduled for an eligibility interview to commence their screening. If required, the applicant may be contacted to update information. Applications will be withdrawn if an applicant fails to attend a scheduled interview. HCD will make an exception for those people with a disability requiring a reasonable accommodation as described in HCD's Reasonable Accommodation Policy and Procedures, Appendix IV of this ACOP.
2. The following items will be verified to determine qualification for admission to the Public Housing program prior to obtaining written consent authorizing a criminal background check:
 - Identity of each adult or emancipated minor household member
 - Family composition and type (Elderly/Disabled/near elderly /non-elderly)
 - Annual Income
 - Assets and Asset Income:
 - Deductions from Income
 - Admission preferences
 - Social security numbers of all family members
 - Applicant Screening Information
 - Citizenship or eligible immigration status
 - Current landlord references
 - Debts owed to a public housing authority and termination of assisted housing through HUD's Enterprise Income Verification (EIV) system
 - Housing assistance (avoiding double subsidy) by a public housing authority through HUD's Enterprise Income Verification (EIV) system
 - Public Records (eviction history)
3. The following item will be verified to complete the eligibility verification process after HCD has first determined that the applicant and all other household members are eligible and qualified to rent under all other applicable requirements:
 - Criminal Background check as detailed in Section E of this Chapter.
4. Enterprise Income Verification (EIV) At Time of Admission
HCD will verify information of each household member through EIV for:
 - a) Double Subsidy
If during the eligibility process, EIV shows that a family or any household member is receiving subsidy from another housing authority (i.e., shown as residing in another housing authority or program), the family or household member must show documentation of intent to vacate from the other housing authority or program before approval for admission. HCD may provide up to 30 days for the family or household member to show proof of intent to vacate from the other housing or program.

Assistance will be denied if the applicant or participant does not provide proof that they have moved from another housing authority or program before the expiration of the 30 days. A 30-day extension to show intent to vacate or termination of tenancy documentation may be provided in extenuating circumstances and upon good cause (see Appendix I – Definitions of this ACOP).

b) Debt Owed

If the EIV information shows that a family or household member was a former HCD tenant, left a debt after moving from another housing authority or program, or was terminated for adverse reason(s), the family will be responsible for clearing the debt or termination information within 45 calendar days. Assistance will be denied if the family cannot or does not provide proof of debt cancellation or reversal of the termination prior to the expiration of the 45 calendar days.

HCD will verify through EIV whether the applicant is receiving or will potentially receive a double subsidy, owes a debt to another housing authority or program, or whether a prior termination has not been cleared. The family has the right to dispute information obtained from EIV.

5. Applicants reporting zero (0) income will be asked to complete the *Monthly Family Expense* and *Income Contribution* forms to document how much they spend on: food, transportation, health care, childcare, debts, household items, etc. They will also be asked to provide the source of income for these expenses. The *Income Contribution* form is a certification signed by the person who provides the income contribution and must be notarized or witnessed by the HCD representative upon identification of contributor.

6. Applicant Interview Process

Each eligibility interview appointment letter must include a list of all the documents required by HCD at the interview and the *Personal Declaration* form, or any other approved form for the same purpose.

- a) To the greatest extent possible, eligibility interviews are conducted in privacy. Reasonable accommodations will be provided for people with disabilities who may require special services.
- b) Original documents such as birth certificates, social security numbers, pay stubs, and receipts will be reviewed, photocopied, and included in the applicant's file.
- c) During the applicant's interview, the eligibility interviewer will compare information received with past information stated on the application. If any discrepancy occurs, the applicant will be questioned and may be asked to submit additional documentation.
- d) Applicants failing to submit (1) required documents at the time of the interview or (2) being requested to provide additional documentation will be given a checklist of missing or needed documents to provide them within three (3) business days of the interview. Additional time may be provided if the applicant failed to submit documentation for good cause (see Appendix I – Definitions of this ACOP) or if approved by HCD Director or designee.

- e) The applicant family must complete all applicable information spaces on the *Personal Declaration* form. HCD will compare current information received with past information stated on the waiting list application and query the applicant regarding any discrepancies that may affect eligibility and/or require additional documentation. HCD will estimate annual income for the upcoming 12-month period [24 CFR §5.609 (c)(1)].
- f) Misrepresentation of income, family composition or any other information affecting eligibility and selection criteria will result in the family being declared ineligible. In the event fraud is discovered after admission, the family may be subsequently evicted, even if the family meets current eligibility requirements at the time.
- g) After HCD has reviewed all information with the applicant at the time of eligibility interview, all adult family members (see definition in Appendix I of this ACOP), are required to sign the necessary forms such as the *Authorization to Release Information*, prior to conducting background checks.

7. Personal Declaration Form

The Personal Declaration is a personal statement of information required to evaluate the eligibility for selection of the applicant. Information required on the Personal Declaration form relates to the following:

- Household composition
- Admission preferences (if applicable)
- Emergency contacts
- Previous landlord references
- Background references
- Care of unit
- Family income
- Family assets
- Child-care expenses
- Disability assistance expenses
- Medical expenses

8. Third Party Verifications - Refer to Chapter VI(K)

9. Declaration of Income

In support of the applicant/tenant's declaration of income, HCD may review original documents, authenticated copies, and/or electronic documents (unaltered) provided by the applicant or resident. All income related documents must be dated less than 60 days preceding the determination date (eligibility interview) and continues to be valid an additional 60 days following the request date. If income related documents expire, the applicant or resident will have to provide new documents. A photocopy will be placed in the file. Acceptable applicant or resident provided documents include:

- Consecutive and unaltered pay stubs;
- Social Security Administration award letter;
- Bank statements;
- Pension benefit statements;
- TANF award letter;
- Other official and authentic documents from a Federal, State or local agency.

For new admissions, HCD must estimate the family income for the upcoming 12- month period, subtract the allowable deductions, from the gross annual income to determine the adjusted income.

If third party income verification is not otherwise available, a copy of the most recent federal income tax return shall be submitted, including any W-2 information, or at least two (2) consecutive pay stubs or earnings statements. As stated above, notarized statements, written statements witnessed by a HCD representative or affidavits are the least desirable forms of verifications and shall be accepted only when all other types of verification attempts have failed.

A family's intentional misrepresentation of information related to eligibility, preference for admission, housing history, allowances, family composition, income or rent shall result in withdrawal. Unintentional mistakes that do not confer any advantage to the applicant will not be considered misrepresentations.

Income from seasonal employment (i.e., school board employees, teachers, etc.) may be calculated using one of the following methods:

- a) HCD currently recommends using the following method: Calculate average income based on anticipated changes for the upcoming year using verified historical evidence of past income fluctuations. This second method would not require an interim re- examination at the time income decreases since such decreases would already be averaged into the anticipated annual amount.
- b) As an alternate method, HCD may annualize income by projecting the current monthly income for 12 months even if the current income is not expected to last the entire 12 months. Under this method, the family has the right to come in for an interim re-examination once the income decreases.

D. Verification of Assets for Applicants

Value of Assets: Each asset must be analyzed to obtain its net value (market/face value less redemption cost). When verifying the value of assets, for example, a bank account, use the current balance for savings account and at least one current bank statement indicating the average balance or two (2) consecutive bank statements in order to calculate average balance for checking accounts. HCD will accept unaltered documents (bank statements) to verify assets from checking and savings accounts in lieu of obtaining written or oral third-party verifications, if the balance is less than \$5,000.

Income from Assets: Based on the total net value of family assets. When the total value of assets is \$5,000 or less, HCD will use the actual amount of income from assets. If the only asset is an interest bearing bank account, the actual income from the asset is the amount of interest earned shown in the last bank statement. When the total value of assets is over \$5,000, use the greater of:

- The actual amount of income from assets, or
- The imputed income from assets based on the Savings National Rate in effect at the time, which is calculated by multiplying the total assets by the passbook

savings rate established by HCD (PIH Notice 2012-29). The HUD form 50058 automatically calculates the passbook rate percentage value of the assets, compares it to the actual income, and picks the greater amount.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Chapter III, Section D above and the addition will be updated with the same policy from Appendix VI to this ACOP.

E. Limitation on Assets (24 CFR § 5.618)

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section E above and the addition will be updated with the same policy from Appendix VI to this ACOP.

F. ABLE Accounts

1. An Achieving a Better Life Experience (ABLE) account is a type of tax-advantaged savings account that an eligible individual can use to pay for qualified disability expenses. The eligible individual is the owner and designated beneficiary of the ABLE account. An eligible individual may establish an ABLE account provided that the individual is blind or disabled by a condition that began before the individual's 26th birthday.
2. Section 103 of the ABLE Act mandates that an individual's ABLE account (specifically, its account balance contributions to the account, and distributions from the account) is excluded when determining the designated beneficiary's eligibility and continued occupancy under certain federal means-tested programs. In determining a family's income, HUD will exclude amounts in the individual's ABLE account and the entire value of the individual's ABLE account will be excluded from the household's assets (Notice PIH 2019-09). This means actual or imputed interest on the ABLE account balance will not be counted as income. Distributions from the ABLE account also are not considered income. However, all wage income received, regardless of which account the money is paid to, is included as income.

G. Child Support

Uncollected child support will not be counted as income so long as the family provides document(s) demonstrating that the debt uncollectible for at least three months.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section G (6) above will be updated with the same policy from Appendix VI to this ACOP.

H. Ability to Comply with Financial Obligations and Lease Requirements

1. Each applicant must confirm their ability and willingness to comply with the essential Lease requirements. Applicant screening shall assess the conduct in present or prior housing of the applicant and other family members listed on the application.
2. In verifying the applicant's ability to meet financial obligations, especially rent (for subsidized housing), and to comply with the Lease terms, HCD may perform verifications with at least one prior landlord.
3. At the interview, applicants must provide current and prior addresses, as well as contact information for current and prior landlords.
4. An applicant's history of conduct and behavior must demonstrate that the applicant family can reasonably be expected to:

- a) Not interfere with other residents in such a manner as to diminish their peaceful enjoyment of the premises by adversely affecting their health, safety, or welfare;
 - b) Not adversely affect the physical environment or financial stability of the project; and
 - c) Comply with the terms and conditions of the Lease.
5. HCD may verify applicants' record of disturbance of neighbors, destruction of property or living and housekeeping habits at prior residences that may adversely affect the health, safety or welfare of other tenants or cause damage to the unit or development.
6. Payment of funds owed to HCD or any other housing authority is part of the screening evaluation.
7. HCD's examination of relevant information respecting past and current habits or practices will include, but is not limited to, an assessment of the applicant and each family member with respect to:
- a) Past performance in meeting financial obligations, especially rent and utility bills. If the applicant had difficulty meeting financial obligations, HCD may consider any mitigating circumstances for failing to meet these obligations.
 - b) Record of disturbing neighbors (sufficient to warrant a police call), destruction of property, or living or housekeeping habits that may adversely affect the health, safety, or welfare of other tenants or neighbors.
 - c) History of criminal activity on the part of any applicant family member involving crimes of physical violence to people or property, or other criminal acts including drug-related criminal activity that would adversely affect the health, safety, or welfare of other residents or staff or cause damage to the unit or development.
 - d) A record of eviction of any household member from subsidized housing or involuntary termination from residential assistance programs (taking into account date and circumstances) for a period of five (5) years from end of participation.
 - e) An applicant's ability and willingness to comply with the terms of the *Public Housing Dwelling Lease*, including but not limited to the community service requirement.
 - f) Amounts owed to HCD by current or former residents -HCD's current or former residents admitted to other programs such as the Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation, Section 8 Moderate Rehabilitation Single Room Occupancy, Section 8 New Construction, Section 8 Substantial Rehabilitation, Shelter Plus Care, and Section 8 Project-Based programs managed by HCD or to another housing authority must repay outstanding balances owed. In such cases, repayment agreements are not authorized under these circumstances.

I. Denial of Assistance

HCD acknowledges that a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking may have an unfavorable history (e.g., a poor credit history, a record of previous damage to an apartment, a prior arrest record) that would warrant denial under HCD's policies. Therefore, if an applicant is denied assistance, HCD will provide them with its notice of denial the *Notice of Occupancy Rights under the Violence Against Women Act* form (HUD form 5380) and the *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation* form (HUD form 5382). See Chapter XIV—Violence Against Women Act of this ACOP for additional details.

HCD will use local and national databases to perform criminal background checks (not including juvenile records) and sex offender registration checks for applicants and additions to households who are 18 years of age and older. HCD will conduct such checks on household members who are younger than 18 years only if they are being tried as adults for certain criminal offenses.

- A nationwide criminal background check and sex offender registration check will be performed. The nationwide sex offender registration check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).
- Prior to conducting any criminal and sex offender registration background checks, household members 18 years of age and older (including the live-in aide) must sign the consent form named *Authorization to Obtain Criminal Background Records*. The custodial parent may sign the required form on behalf of a minor. HCD will conduct criminal and sex offender checks on household members who are younger than 18 years only if they are being tried as adults for certain criminal offenses.

HCD may deny assistance on the following grounds:

1. Eviction or Termination from Federally Assisted Housing

HCD shall deny assistance if any household member has been evicted from subsidized housing or experienced involuntary termination from residential assistance programs (taking into account date and circumstances) for a period of five (5) years from end of participation.

2. Failure to Meet Financial Obligations

Assistance may be denied for a period of five (5) years for failing financial obligations in subsidized housing (e.g., monies owed, paying rent and utilities) or in the following circumstances unless the family can provide proof of debt cancellation or reversal of the adverse termination within up to 45 calendar days of notice.

- a) If an applicant or any member of the applicant family currently owes rent or other amounts to HCD or any other housing agency in connection with Section 8 or public housing assistance under the United States Housing Act and applicable federal regulations, or if any applicant who previously lived in public housing or an assisted unit vacated leaving an unpaid balance, then the applicant will not be offered assistance until the outstanding balance is paid in full.

- b) If the applicant or any member of the applicant family has not reimbursed any housing authority for amounts paid to an owner under a HAP contract for rent, damages to the unit, or other amounts owed by the family under the Lease.
- c) If the applicant or any member of the applicant family breaches an agreement with any housing agency to pay amounts owed to the housing agency, or amounts paid to an owner by the housing agency.

3. Abusive Behavior

If within five (5) years of eligibility determination an applicant or any member of the applicant family has engaged in physical or verbal abuse, or threatened abusive or violent behavior that may include the use, attempted use, or threatened use of physical force, toward HCD personnel or any County personnel or official, then the application may be denied. Applicants denied housing due to abusive behavior must be reviewed and approved by HCD Director or designee.

4. Criminal Activity

HCD's goal is to assist ex-offenders in gaining access to one of the most fundamental building blocks of a stable life, a place to live. However, criminal background checks are performed at admission and annual re-examinations.

HCD is committed to seek a balance between allowing ex-offenders to reunite with their families that live in public housing, and at the same time, ensuring the safety of all residents of its programs.

- a) HCD may deny admission or terminate assistance when the screening process shows a conviction (see Appendix I. – Definitions of this ACOP) for engaging in criminal activity and history of inability to comply with the terms of previous leases, as verified by previous landlords or other entities. However, HCD may consider mitigating circumstances.
- b) In its decision to deny or terminate assistance, and prior to sending the denial notice, HCD shall conduct an individualized assessment considering the following:
 - the seriousness of the case, especially as it affects the health and safety of other residents;
 - the effect of denial or termination of assistance on other family members who were not involved in the action or failure to act;
 - the level of violence, if any, of the criminal activity for which the applicant or resident was convicted;
 - the length of time since the conviction;
 - the number of convictions that appears on the applicant or resident's criminal history;
 - the possibility of the applicant or resident being rendered homeless; and
 - the rehabilitation efforts taken by applicant or resident after conviction or released from prison.

HCD, if it admits such a family to the program, may impose as a condition of assistance, the requirement that family members (other than the head of household) who participated in or were culpable for the action or failure to act will not be part of the applicant family or reside in the assisted unit, upon approval of HCD or hearing officer or hearing panel.

- c) Pursuant to PIH Notice 2015-19, an arrest is not evidence of criminal activity that can support an adverse admission, termination or eviction decision. As such, an arrest where the disposition of the criminal charges is voided, invalidated, rendered inoperative, dropped, nolle prossed, dismissed pursuant to successful completion of a diversion or a deferral of judgment program, no action, or other resolution that does not involve an admission of guilt or where the applicant is found not guilty or acquitted, may not result in denied or terminated assistance.
- d) However, HCD may deny or terminate assistance based on the conduct underlying arrests, only if the conduct indicates the individual is not suitable for tenancy, in which case HCD may gather sufficient evidence to support an adverse admission, termination, or eviction decision.
 - (1) Such evidence may consist of the police report associated with the arrest and consider the reported circumstances of the arrest. HCD may also consider any statements made by witnesses, not included in the police report and any other evidence relevant to determining whether or not the applicant or tenant engaged in disqualifying activity.
- e) HCD may permanently deny or terminate assistance for convictions related to the following:
 - (1) Methamphetamine manufacturers on premises of federally assisted housing.
 - (2) Sex offenders subject to a lifetime registration under a state sex offender registration program. In searching for sex offenders, HCD will perform background checks nationwide. The nationwide sex offender registration check will be conducted online using a database available at www.nsopw.gov (PIH Notice 2012-28).
 - (3) Felonious violent criminal activities, including but not limited to murder, arson, aggravated felony battery and sex-related crimes not subject to lifetime registration under a state sex offender registration program.
- f) Except for methamphetamine manufacturing, sex-related crimes, felonious violent criminal activities (e.g., murder, arson, aggravated felony battery) and those convictions for criminal activities described in Miami-Dade County Ordinance 15-47, HCD shall consider:
 - Criminal felony convictions that have occurred within the last five (5) years from the date of conviction; and
 - Criminal misdemeanor convictions that have occurred within the last three (3) years from the date of conviction.

The lookback period starts upon commencement of formal eligibility screening commences.

- g) HCD may not deny or terminate housing due to misdemeanors considered civil violations according to County Ordinance 15-47, listed below:
 - Litter
 - Illegal Use of Dairy Cases, Egg Baskets, Poultry Boxes, or Bakery Containers
 - Trespass on Property Other than Structure or Conveyance Retail Theft by Removal of a Shopping Cart
 - Loitering or Prowling
 - Possession of Cannabis in an amount of 20 grams or less
 - Possession of Drug Paraphernalia
- h) After conducting an individualized assessment, HCD may deny or terminate assistance, if the applicant or resident has been convicted for the following criminal activities:
 - (1) Drug-related activities, including, but not limited to, eviction or termination from federally assisted housing due to drug activity. Drug-related activities mean illegal manufacture, sale, distribution or use of a drug, or the possession of a drug with intent to manufacture, sell, distribute or use the drug.
 - (2) Violent criminal activities which shall include any criminal activity that has as one of its elements the use, attempted use, or threatened use of physical force substantial enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage.
 - (3) Non-violent criminal activities that may threaten the health, safety or right to peaceful enjoyment of the premises by other residents. Examples are crimes that involve disturbing the peace, crimes against property such as burglary, larceny and robbery, and crimes that impose a financial cost such as vandalism, bribery, and fraud, including fraud in connection with federally assisted housing.
 - (4) Alcohol abuse or pattern of abuse, if HCD has reasonable cause to believe that the person's abuse or pattern of abuse of alcohol may interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents.
- i) In determining denial or termination of assistance related to drug or alcohol abuse, HCD must take into consideration: Evidence of drug or alcohol rehabilitation, as indicated under Mitigating Circumstances below, and if the drug or alcohol abuse is related to a disability, as determined by HCD's ADA Coordinator.
- j) HCD shall not consider any additional restrictions for eligibility of housing assistance due to criminal activities not required by federal law, regulations, and this policy.

5. Other Non-Criminal Activities

Assistance will be denied or terminated for a period of five (5) years for inability to comply with the lease terms (e.g., record of disturbance of neighbors, destruction of property, living and housekeeping habits) that may adversely affect the health, safety or welfare of other tenants or cause damage to the unit or development.

6. Notification of Proposed Rejection

HCD must notify the household of the proposed rejection, the reason for the denial of admission or termination, and provide an opportunity to dispute the accuracy and relevance of the record. If the denial is because of criminal background, HCD must provide the household member with copy of the criminal records.

Criminal records (not including juvenile records) for minors convicted as adults available to HCD by operation of law will be released to the head of household, parent or legal guardian of the minor, upon request. Refer to Chapter IX of this ACOP.

The HUD form 5380, *Notice of Occupancy Rights under the Violence Against Women Act* form, and the HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking, and Alternate Documentation* form, will be provided at the time the household is denied assistance.

J. Mitigating Circumstances for Applicants and Residents

1. Mitigating circumstances are facts relating to negative rental history or behavior, that, when verified, indicate that the reason for the unsuitable rental history or behavior is no longer in effect or is under control, justifying admission or continued occupancy. Mitigating circumstances would overcome or outweigh information gathered in the screening process.
2. The factors below will be taken into consideration when reviewing the conviction(s) for engaging in criminal activities. These factors are not the only allowable mitigating circumstances. HCD may consider other mitigating circumstances as appropriate. Providing documentation of mitigating circumstances as described below is the responsibility of the family. It is incumbent upon the family to provide documentation, evidence and any and all other third-party proof at any time, including but not limited, to the investigation interviews, appointments with HCD staff, at the time of the informal review or within the time limit set by the hearing officer to provide substantiating information challenging the recommendation to deny assistance.

a) Removal of Family Member

The applicant or resident may request removal of the offending family member from the family composition and the family member may not remain on the application nor reside in the Public Housing unit in order for the family to be assisted in the program.

If the offending family member(s) is not removed, then the entire family shall be recommended for denial of assistance from the Program. In circumstances where the offending family member is the head of household, the entire family shall be recommended for denial of assistance from the Program.

Depending on the seriousness of the offense, HCD may consider to reinstate the removed offender family member, if they are able to establish that they have been

rehabilitated (i.e., drug or alcohol rehabilitation program).

b) Violation of Peaceful Enjoyment

HCD may consider all circumstances relevant to a particular case, such as the seriousness of the offending action, the extent of participation by the head of household or household member(s) in the offending activity and the extent to which the head of household or household member(s) has shown personal responsibility to prevent or mitigate the offending action. Upon determination by the hearing officer or HCD may require a family to exclude a household member in order to receive housing assistance, where that household member has participated in or been culpable for the action or failure to act that warrants denial or termination of assistance.

c) Substance Abuse Rehabilitation

Upon determination by HCD, hearing officer, hearing panel whether to recommend denial or termination of assistance for illegal drug use or a pattern of illegal drug use by a household member who is no longer engaging in such use, or for abuse or a pattern of abuse of alcohol by a household member who is no longer engaging in such abuse, may consider whether such household member was remanded by the court and is participating in or has successfully completed a supervised drug or alcohol rehabilitation program, or has otherwise been rehabilitated successfully. For this purpose, HCD shall require the applicant or resident to submit evidence of the household member's current participation in, or successful completion of, a supervised drug or alcohol rehabilitation program or evidence of otherwise having been rehabilitated successfully.

d) Domestic Violence

Upon request, other documents may be submitted in lieu of the HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation* form. See Chapter XIV– Violence Against Women Act and Appendix I - Definitions of this ACOP for additional details.

3. Examples of mitigating circumstances may include:

- a) If the unit is not ready for move-in, the applicant or resident may refuse the unit and receive another housing offer based on availability;
- b) Evidence of successful rehabilitation. The household member who engaged in criminal activity successfully completed a diversion or deferral of judgment program; or has successfully completed a supervised drug or alcohol rehabilitation program verified by HCD;
- c) Circumstances leading to the eviction or criminal activity no longer exist (for example, the criminal household member has died or is imprisoned);
- d) Evidence of the family's participation in social service or other appropriate counseling service; or

- e) Evidence of successful and sustained modification of previous disqualifying

behavior.

4. Consideration of mitigating circumstances does not guarantee that the family will qualify for admission or continued occupancy. HCD will consider such circumstances in light of:
 - a) the ability to provide documentation/evidence to verify the mitigating circumstances and prospects for improved future behavior;
 - b) the overall performance with respect to all the screening requirements; and
 - d) the nature and seriousness of the criminal activity, especially drug related and criminal activity that appears in the applicant's or resident's record.
5. If negative information is received about an applicant or resident, HCD shall consider the time, nature, and extent of the conduct and factors that may indicate a reasonable probability of favorable future conduct. To be considered, mitigating circumstances must be verifiable.
6. If the applicant or resident asserts that mitigating circumstances relate to a change in disability, medical condition or treatment, HCD shall evaluate the evidence and verify the mitigating circumstance. HCD shall also have the right to request further information to verify the mitigating circumstance. Such inquiries will be limited to the information necessary to verify the mitigating circumstances or, in the case of a person with disabilities, to verify a reasonable accommodation (see HCD's Reasonable Accommodation Policy and Procedures document under Appendix IV of this ACOP), which will be used by HCD as the source document to process reasonable accommodation requests for people with disabilities.

K. Occupancy Guidelines

Units shall be occupied by families of the appropriate size. This policy maintains the usefulness of the units, while preserving them from excessive wear and tear and under-utilization.

Minimum and Maximum-Number-of-Persons-Per Unit Standard

Number of Bedrooms	Minimum Persons per Unit	Maximum Persons per Unit
0	1	1
1	1	2
2	2	4
3	3	6
4	4	8
5	5	10
6	6	12

1. Occupancy standards are applied at the initial certification, annual reexamination, or during authorization for transfer. For occupancy standards an adult is a person 18 years or older.
2. The unit standard must be applied consistently for all families of like size and composition.

3. The dwelling unit must have at least one (1) bedroom or living/sleeping room for each two (2) persons.
4. A one (1) person family shall be allocated a zero (0) or one (1) bedroom unit, and spousal/domestic partners shall be allocated a one (1) bedroom sized unit.
5. A one (1) person family who has been awarded with joint custody of a minor will be granted a one (1) bedroom unit.
6. HCD will count a minor in the occupancy standard who is temporarily away from home because the minor has been placed in foster care, kinship care, or is away at school.
7. Effective July 1, 2025, HCD will count foster children and foster adults in the occupancy standard. (Foster children and foster adults will be considered part of the household and therefore will be considered when determining appropriate unit size and utility allowance).
8. As shown in the above table, a maximum of two (2) persons per bedroom is the standard for the smallest unit a family may be offered, except in the following cases:
 - a) Children of opposite sex, over the age of six (6), may not be required to occupy the same bedroom or living/sleeping room;
 - b) A family that consists solely of a pregnant woman (with no other members) shall only be allocated a maximum of a one (1) bedroom unit.
 - c) A single head of household parent shall not be required to share a bedroom with a child over the age of six (6), although they may do so at the request of the family;
 - d) As a reasonable accommodation, an applicant or program participant family may be allowed a larger bedroom unit to accommodate a family member who requires certain medical equipment (i.e., hospital bed) or for other verifiable reasons. A live-in aide may be assigned up to one (1) bedroom if approved as a reasonable accommodation. No additional bedrooms will be provided to accommodate the live-in aide's family members.
9. Actual Unit Size Offered
 - a) The largest unit size that a family may be offered would provide no more than one (1) bedroom per family member, taking into account family size and composition.
 - b) If a family opts for a smaller unit size than designated and does not exceed the maximum amount of people per bedroom size (two (2) persons per bedroom) and local codes, the family will be required to sign a statement agreeing to occupy the smaller unit assigned. They may not request a transfer within two (2) years after admission, unless they have a change in family composition or because of a reasonable accommodation.

L. Making Housing Offers to Eligible Applicants

1. HCD makes public housing unit offers throughout HCD. Such an offer does not guarantee the availability of the unit.

2. To ensure equal opportunity and nondiscrimination on grounds of race, national or ethnic origin, color, sex, religion, age, disability, ancestry, status as a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, actual or perceived sexual orientation, gender identity or gender expression, pregnancy or source of income, the following procedures will be used to make unit offers:
 - a) In the selection of a family for a UFAS unit or a unit with accessible features, HCD will give preference to current residents and then to applicant families that include a person with disabilities who can benefit from the unit features.
 - b) Eligible applicants will receive three (3) written housing offers; these housing offers must be accepted or refused within three (3) business days. The acceptance or refusal of the housing offer must be brought in person to the Applicant Leasing Center.
- M. Showing Units to Applicants Prior to Leasing
1. Upon receipt of a housing offer letter, an applicant can contact the AMP administrator or designee to schedule an appointment to view the offered unit.
 2. The applicant must accept or refuse the offered unit after it has being shown and must notify the Applicant Leasing Center (ALC) in person within the timeframe specified in the housing offer letter.
 3. If the applicant accepts the offered unit, ALC will complete the process of eligibility screening and forward documentation to the AMP Administrator or designee. Once the AMP Administrator or designee receives the documentation from ALC, the AMP administrator or designee will execute a lease with the applicant. If the applicant refuses the unit, the applicant must provide a signed statement explaining the reason for the refusal. ALC is then responsible for making the “good cause” determination (see Section J below).

N. Good Cause for Applicant Refusal of Unit Offer

If an applicant or resident does not accept the unit and presents clear evidence that acceptance of the offer of a suitable vacancy will result in undue hardship (see examples below) not related to federal, state, and local anti-discrimination laws regarding fair housing, the applicant will be entitled to another offer.

1. Examples of good cause for refusal of an offer of housing are:
 - a) The unit being offered to the applicant family is not ready for occupancy.
 - b) Hardship in retaining employment or attending specialty education, job training, or educational program for children with disabilities due to a lack of transportation, so that accepting the unit offer would require the adult family member to quit a job, drop out of an educational institution or job training program, or take a child out of an educational program for children with disabilities.

- c) The family demonstrates that accepting the offer will place a family member's life, health or safety in jeopardy. The family must provide specific and compelling documentation such as restraining orders, other court orders, or risk assessments from a law enforcement agency. Reasons offered must be specific to the family.
 - d) A victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking does not believe the unit is safe pursuant to 24 CFR §5.2005(e)(1)(iii). See Chapter XIV—Violence Against Women Act of this ACOP for additional details.
 - e) A health professional verifies temporary hospitalization or recovery from illness of the principal household member, other household members (each as listed on final application) or live-in aide necessary to the care of the principal household member.
 - f) The unit is inappropriate for the applicant's disability, or the family does not need the accessible features in the unit offered and does not want to be subject to the 30-day notice to move.
 - g) An elderly or disabled family makes the decision not to occupy or accept occupancy in designated housing.
2. If good cause is verified, the refusal of the offer shall not require the applicant to be removed from the waiting list or otherwise affect the family's position on the waiting list. The applicant will receive another housing offer upon unit availability.

O. Recordkeeping Requirements for Applicants

In accordance to State of Florida records retention schedule, HCD will maintain records of the eligibility screening results and circumstances of each dwelling unit offered to an applicant, including the location of the unit, the offer date, and whether the offer was rejected or accepted. The resident's application for admission will be kept in the resident's file. HCD may maintain records electronically.

1. Criminal records obtained by HCD must be:
 - a) Maintained confidentially;
 - b) Not misused or improperly disseminated; and
 - c) Destroyed, once the purpose(s) for which the record was requested has been accomplished, including expiration of the period for filing a challenge to the PHA action.
2. Criminal penalty: The improper release of criminal records may result in conviction for a misdemeanor and imposition of a penalty of not more than \$5,000. Criminal penalty may be assessed to:
 - a) Any person, including an officer, employee, or authorized representative of HCD or of any project owner, who knowingly and willfully requests or obtains any information concerning an applicant for, or tenant of, covered housing assistance under the authority of this section under false pretenses; or
 - b) Any person, including an officer, employee, or authorized representative of any

PHA or a project owner, who knowingly and willfully discloses any such information in any manner to any individual not entitled under any law to receive the information.

3. Civil Liability: In addition to criminal penalties, HCD may be held civilly liable to any applicant or tenant affected by either of the following:
 - a) A negligent or knowing disclosure of criminal records information obtained under the authority of this section about such person by an officer, employee, or authorized representative of HCD, if the disclosure is not authorized by HUD's regulations; or
 - b) Any other negligent or knowing action that is inconsistent with HUD's regulations.

IV. Leasing Policies

A. General Leasing Policy

1. All units must be occupied pursuant to the HCD-approved dwelling lease that complies with HUD's regulations.
2. Prior to admission, the Lease shall be signed by the head of household, spouse, domestic partner, co-head, and all other adult members of the household and by the AMP administrator or other authorized representative of HCD.
3. If a resident transfers from one HCD unit to another, a new lease must be executed by the head of household and adult family members for the new dwelling unit.
4. If at any time during the life of the Lease agreement, a change in the resident's status results in the need for changing or amending any provision of the Lease, either:
 - a) A new lease agreement will be executed, or
 - b) A Notice of Rent Adjustment will be executed, or
 - c) An appropriate rider will be prepared and made a part of the existing lease.
5. All copies of such riders or insertions are to be dated and signed by the resident and by the AMP administrator or other authorized representative of HCD.
6. Residents must advise HCD if they will be absent from the unit for more than seven (7) consecutive days. Residents shall notify the AMP administrator or designee in writing, secure the unit, and provide a means for HCD to contact them in an emergency. Failure to comply is grounds for termination of the Lease. See section below for maximum number of days visitors can stay in the unit.

B. Changes in the Household and Visitors

1. Only those people listed on the most recent certification form and lease shall be permitted to occupy a dwelling unit:
 - a) Any family seeking to add a new member to the household composition must notify the AMP Administrator. The family must obtain written approval before the new member moves in, except for natural births to a family member or when a family member adopts or receives custody of children by the courts or other operations of law. (Family members being added to the family composition must meet the criteria under Chapter III and the definition of Family under Appendix I of this ACOP);
 - b) When a resident requests approval to add a new person to the Lease, HCD will conduct pre-admission screening, including criminal background (excluding juvenile records), eligible immigration status, and sex offender registration checks, of any proposed new member 18 years of age and over, to determine whether HCD will grant such approval. HCD will conduct such checks on household members who are younger than 18 years if they are being tried as adults for certain criminal offenses. Minor children for whom juvenile justice records are not made available or added through a formal custody award or kinship care

arrangement are exempt from the pre-admission screening process, although the resident needs prior approval from HCD to add children other than those born to, adopted by, or awarded by the court to the family;

- c) All persons listed on the most recent certification form and the Lease must use the dwelling unit as their sole residence. In cases of joint custody, where the families have 50-50 custody, the child shall live with both families as required by the court; however, the families must decide amongst themselves and notify HCD, as to under which family's Lease the child shall be listed for reporting purposes.
2. Examples of situations where the addition of a family or household member is subject to pre-admission screening are:
- a) Residents requesting to add their spouse, domestic partner, or a new family member to the Lease;
 - b) Residents requesting to add a household member (e.g., live-in aide, foster adult, or take in a foster child(ren)); or

Note that effective January 1, 2024, in accordance with HOTMA, foster children and foster adults will be considered part of the household and therefore will be considered when determining appropriate unit size and utility allowance.

- c) A unit is occupied by a remaining family member(s) under age 18, who is not an emancipated minor, or an adult, not a part of the original household, requests permission to take over as the head of the household.
3. Visitors may be permitted in a dwelling unit so long as they have no previous history of unacceptable or negative behavior on HCD premises that would be a lease violation.
- a) Visits of more than 14 days per year, whether consecutive or not, are not permitted, unless the resident obtains the advance written consent of the Asset Management Director or designee.
 - b) Visitors remaining beyond 14 days shall be considered unauthorized occupants and the head of the household shall be guilty of a breach of the Lease.
 - c) Only the persons listed in Article III of the Lease are authorized to use the unit's address in their driver's license, identification card, or as their mailing address [24 CFR §966.4 (f)(3)].
4. Unauthorized occupants, boarders, roomers and lodgers shall not be permitted to move in with any family [24 CFR §966.4 (f) (2)]. Violation of this provision is ground for termination of the Lease.
5. Residents will not permit a former resident of HCD who has been terminated to occupy the unit for any period of time. Violation of this requirement is grounds for termination of the Lease. If the resident requests that the former resident be allowed to return, HCD may consider this request based on mitigating circumstances.

C. Removals from the Family Composition

1. Residents (continuous assistance):

- a) Any adult family member requesting to be removed from the family composition must provide a notarized statement or a written statement witnessed by a HCD representative agreeing to the removal, signed by the adult family member being removed upon identification and the head of household.
- b) The notarized statement must be accompanied by two (2) pieces of supporting documentation from different sources showing that the family member is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include, but is not limited to, a copy of the dwelling lease agreement, utility bills, or official mail (from a Federal, State, County or City government agency) properly dated (no more than two (2) months old), showing the new address. HCD may request additional documentation to verify the permanent relocation of the family member requesting removal.
- c) If the adult family member is unable to provide the notarized statement agreeing to removal from the family composition, the head of household must provide a written statement explaining the reason why the family member is unable to provide the statement and the supporting documentation (e.g. death certificate, jail order).
- d) For removal of minors, the head of household must provide a signed notarized statement accompanied by supporting documentation showing that the minor is no longer residing in the subsidized unit. Supporting documentation to prove another residency may include, but is not limited to, school records, custody records, etc. properly dated (no more than two (2) months old), showing the new address.
- e) As an alternative to the notarized statement, a written statement may be provided, which must be signed by the adult family member being removed upon identification, the head of household, and witnessed by HCD representative.
- f) Notwithstanding the foregoing, a notarized statement will not be required of an adult family member who has violated the terms of this ACOP, the Lease, and Community Policies and as a result must be removed from the household in lieu of evicting all members of the household. Examples include a member of the household who has engaged in domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking.

D. Unauthorized Occupants/Boarders:

1. Only authorized residents are permitted to use the unit as their private dwelling and shall not use it for any other purpose [24 CFR § 966.4 (f)(2) and (3)].
 - a) In cases where HCD obtains sufficient evidence of unauthorized occupants/boarders (see Appendix I- Definitions) or users of the subsidized unit's address (e.g. in their driver's license, identification card or as a mailing address), if the finding is denied by the head of household, then the head of household will be required to provide a written statement accompanied by two (2) pieces of supporting documentation from different sources showing the residential address of the unauthorized occupant/boarder or user.

- b) Supporting documentation to prove another residency may include a copy of the dwelling lease agreement, utility bills, or official mail (from a Federal, State, County or City government agency) properly dated (no more than two (2) months old), showing another address. The unauthorized person's driver's license or identification card may not be used as valid proof of residential address.
2. Family members over the age 17 or emancipated minors who move from the dwelling unit to establish new households shall be removed from the Lease.
3. The resident shall report the move-out within ten (10) calendar days of its occurrence.
4. Family members over the age of 17 or emancipated minors may not be readmitted to the unit and must apply as new applicant households for placement on the waiting list.
5. Residents who fail to notify HCD of additions to the household, or who permit people to join the household without undergoing screening, are in violation of the Lease. People added without HCD approval will be considered unauthorized occupants and the entire household will be subject to eviction.

E. Requirements for Posting Policies, Rules and Regulations at Housing Developments

The following documents shall be available in the waiting area of every housing development management office, and/or posted on a large bulletin board:

- Admission and Continued Occupancy Policies (ACOP)
- Tenant Selection and Assignment Plan (included in ACOP)

- Resident oriented notices
- Emergency telephone numbers for after hours and weekends
- Reasonable Accommodation Policies and Procedures document

F. Repayment Agreement of Amounts Owed to HCD by Current Residents

If it is in the best interest of HCD, HCD has the discretion to enter into repayment agreements with residents for amounts owed to HCD. If the resident intentionally incurred debt (i.e., rent back charge due to unreported income), the repayment agreement may be considered upon approval of division director or designee. All repayment agreements must comply with the following requirements:

1. Standards for Repayment: If a repayment agreement is offered to a resident in lieu of full payment, it will be in writing and will be within the following guidelines:

- a) **If the total moneys owed is \$2,500 or less**, an initial payment of at least 50% must be paid at the time of signing the repayment agreement by money order or cashier's check. The remaining balance must be paid on a maximum of six (6) consecutive monthly payments starting 30 days from the date the initial payment is made.
- b) **If the total moneys owed is at least \$2,501 and no more than \$5,000**, an initial payment of at least 25% must be paid at the time of signing the repayment agreement by money order or cashier's check. The remaining balance must be paid on a maximum of 12 consecutive monthly payments starting 30 days from the date the initial payment is made.
- c) **If the total moneys owed is at least \$5,001 and no more than \$10,000**, an initial payment of at least 20% must be paid at the time of signing the repayment agreement by money order or cashier's check. The remaining balance must be paid on a maximum of 18 consecutive monthly payments starting 30 days from the date the initial payment is made.
- d) **If the total moneys owe is \$10,001 or more**, an initial payment of at least 15% must be paid at the time of signing the repayment agreement by money order or cashier's check. The remaining balance must be paid on a maximum of 24 consecutive monthly payments starting 30 days from the date the initial payment is made.

2. Exceptions:

- a) Any terms allowing more time for repayment or for a lower initial payment must be approved by division director or designee.
- b) Strict adherence to the terms of the repayment agreement by the participant is necessary; otherwise, benefits may be terminated in accordance with this ACOP.
- c) If the resident has not met the conditions of a repayment agreement within the last two years, the resident shall not be provided with another repayment agreement, unless approved by HCD Director or designee.

HCD's residents admitted to other programs such as the Section 8 Housing Choice Voucher, Section 8 Moderate Rehabilitation, Section 8 Moderate Rehabilitation Single Room Occupancy, Section 8 Substantial Rehabilitation, Shelter Plus Care, and Section 8 Project-Based programs managed by HCD or to another housing authority must repay outstanding balances owed. In such cases, repayment agreements are not authorized.

V. Transfer Policy

A. General Transfer Policy

HCD may encounter situations where it is necessary to transfer a resident to another unit. A transfer between public housing developments is not considered a move-out.

1. Transfers will be made without regard to race, color, national or ethnic origin, sex, religion, age, marital status, familial status, status as a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, ancestry, disability, actual or perceived sexual orientation, gender identity or gender expression, pregnancy or source of income.
2. Under certain circumstances, residents may be transferred to accommodate a disability.
3. Residents will not be transferred to a dwelling unit of equal size, except to alleviate hardship or other undesirable conditions, as determined by the division director or designee.
4. Whenever feasible, transfers will be made within the resident's development or the resident's area.
5. If a family, at admission, chooses to accept a smaller unit size than would normally be assigned under the Occupancy Guideline's largest unit size, the family will be eligible for a transfer two (2) years after admission, unless they have a change in family size or composition.
6. Residents must be in good standing.
7. Residents have the right to request a hearing (refer to HCD Grievance and Appeal Policy, (Chapter IX of this ACOP) if they are refused the right to transfer.
8. Resident's transfer requests will not be granted during the first year of tenancy, unless approved as a reasonable accommodation or emergency transfer or accepts a unit in the Assisted Living Facility.

B. Types of Transfers:

1. Management Initiated Transfers

- a) **Emergency Transfers:** These transfers are required when conditions pose an immediate threat to life, health or safety of a family or one of its members. Such situations may involve, but are not limited to, unit or building defects or law enforcement concerns, including special circumstances such as hate crimes, violence or victimization, and witness protection program, or other circumstances which may warrant a transfer.
 - Emergency transfers shall take priority over new admissions.
 - Transfers for special circumstances shall be documented (i.e. police reports, support letters from law enforcement, restraining orders, etc.) and shall be

required for the immediate safety and welfare of the family. A special circumstance transfer shall be given the next available vacancy. The resident may advise management of the need of an emergency transfer by providing required documentation.

- b) Extraordinary Circumstances Transfers: HCD, at its sole discretion, may offer and/or grant a temporary or permanent transfer to families under the following conditions:
 - (1) A permanent transfer to families experiencing hardship in retaining employment or in attending specialty education due to a lack of transportation.
 - (2) A temporary or permanent transfer due to planned redevelopment, demolition, new construction, rehabilitation and/or repairs to their assigned unit.
- c) Occupancy Standards Transfers: These transfers are necessary to correct under housed or over housed conditions and must be recommended by the AMP administrator or designee upon annual or interim re-examinations, as required by changes in the family composition, in accordance with the Occupancy Guidelines found in Chapter III.

These transfers shall take priority over new admissions and are limited to be made when:

- The under housed (overcrowded) condition is such that the household members over the age of six (6) equal more than two (2) persons per bedroom.
- The over housed condition is such that the family size includes fewer people than the number of bedrooms in the unit.

2. Resident Initiated Transfers

- a) Emergency Transfer: A victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking regardless of sex, gender identity, gender expression, or actual or perceived sexual orientation may be granted a transfer in accordance with the Emergency Transfer Plan detailed in Chapter XIV—Violence Against Women Act of this ACOP.
- b) Reasonable Accommodation Transfers: Under certain circumstances, a resident's transfer request may be granted to accommodate a disability. The Reasonable Accommodation Policies and Procedures, Appendix IV of this ACOP, includes the request and verification forms required for this type of transfer.
 - (1) All Reasonable Accommodation transfers shall take priority over new admissions.
 - (2) Prior to this type of transfer, every effort shall be made to accommodate the needs of disabled residents, including but not limited to, making necessary modifications to the existing unit and providing other alternative forms of reasonable accommodation as detailed in the Reasonable Accommodation Policies.

3. Assisted Living Facility (ALF) Transfers

- a) These are transfers of interested and qualified residents of Public Housing developments to an ALF, either recommended by the AMP administrator or designee or requested by the resident.

- b) Transfers to ALFs shall take priority over new admissions to ALFs.
- c) Residents requesting ALF transfers must qualify according to the ALF Admission Criteria stated in Chapter III, Section F, and are subject to the ranking established in Chapter II of this ACOP.

4. Good Standing Requirement for Transfers

- a) Residents will be considered for transfers if the head of household and any other family members:
 - (1) have not engaged in criminal activity that threatens the health and safety of residents and staff;
 - (2) do not owe back rent or other charges, or evidence a pattern of late payment;
 - (3) meet reasonable housekeeping standards and have no housekeeping lease violations; and
 - (4) able to connect utilities in the name of an adult family member (applicable only to properties with tenant-paid utilities).
- a) Requests for exceptions to these requirements based on disability will be considered by HCD's 504/ADA Coordinator on a case-by-case basis. An exception to these requirements may be granted by HCD Director if the type of transfer is due to an emergency or due to planned redevelopment, demolition, new construction, rehabilitation and/or repairs to their assigned unit.
- b) Victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking that are granted the housing protections under the Violence Against Women Act (VAWA) are exempt from these requirements.
- c) Unless there is a determination of an exception, the following policy applies to transfers:
 - (1) If back rent is owed, the resident will not be transferred until a payment plan is established or, if prior payment plans have failed, the back rent is paid in full.
 - (2) A resident with housekeeping standards violations will not be transferred until they pass a follow-up housekeeping inspection.
 - (3) The resident must be in good standing and in compliance with the Lease and Community Policies.

C. Processing Transfers

- 1. All transfers must be approved by the division director or designee, before the Applicant Leasing Center (ALC) admits them into the transfer waiting list.
- 2. Transfers to provide reasonable accommodation recommended for denial by the division director or designee must be reviewed by the 504/ADA Coordinator in accordance with HCD's Reasonable Accommodation Policies and Procedures document (Appendix IV of this ACOP).

3. Transfers will be made in the following order of priority:
 - 1st. Emergency
 - 2nd. Reasonable Accommodation
 - 3rd. Extraordinary Circumstances
 - 4th. Occupancy Standards
4. Transfers to Uniform Federal Accessibility Standard (UFAS) Units
 - a) Transfers of residents with disabilities and placement of applicants with disabilities requiring UFAS -Accessible Units, or units with accessible features (as defined in Appendix I of this ACOP), will be centrally coordinated through the 504/ADA Coordinator's Office with the assistance of HCD.
 - b) When an accessible unit becomes available, the unit will first be offered to a current resident with disabilities in the same development who requires the accessibility features of the vacant, accessible unit and occupying a unit not having those features.
 - c) If there is no current resident in the same development who requires the accessibility features of the vacant, accessible unit, then the unit will be offered to a resident with disabilities residing in another development that requires the accessibility features of the unit.
 - d) If there is no current resident who requires the accessibility features of the vacant, accessible unit, then the unit will be offered to an eligible, qualified applicant with disabilities on the waiting list who can benefit from the accessible features of the unit.
 - e) If there is not an eligible, qualified resident or applicant with disabilities on the waiting list who wishes to reside in the available, accessible unit, then it will be offered to an applicant on the waiting list who does not need the accessible features of the unit. See 24 CFR § 8.27. HCD's *Public Housing Dwelling Lease* requires residents to relocate to a vacant, non-accessible unit within 30 days of notice by HCD if there is an eligible applicant or existing resident with disabilities who requires the accessibility features of the unit.
5. When a head of a household, originally housed in a bedroom alone, has adopted or has plans to adopt a child, the family will not be approved for a transfer until the child is six (6) years of age. Exceptions: spouse, co-head, or partner returns to the unit, marriage takes place, or family decides to remain in the unit and the unit is large enough (using the smallest-unit standard) to accommodate the number of people now in the household.
6. Split-family transfers are not permitted. Separation of households will be processed as follows:
 - a) Resident-Initiated Separation of Households: Families that decide to separate because of divorce or inability to live under the same roof must identify the family member(s) who are willing to establish a new household. Such person may submit an application to be placed on the waiting list during open registration periods. The household member(s) who will be leaving the unit must do so within 30 days of notification by HCD. The remaining family member(s) may also be required to transfer to a smaller unit if the unit becomes under-occupied after one household moves out and there exist families on the waiting list for that size unit. Whenever a family cannot agree on which family member(s) shall remain in the unit, HCD will rely on other forms

of documentation, i.e. in cases of divorce case HCD will rely on the court decree, if available.

- b) If upon reexamination, HCD finds that a family composition has grown beyond the maximum bedroom size unit available in HCD, whether the family was transferred or not to the maximum sized bedroom unit, the family must identify member(s) who are willing to establish a new household. Such party may submit an application for housing assistance during the open registration period. The household member(s) who are leaving the unit must do so within 30 days of notification by HCD. The remaining family members may also be required to transfer to a smaller unit if the unit becomes under-occupied after one (1) household moves out and there exist families on the waiting list for that size unit.
 - c) HCD may transfer a family to a larger unit in order to accommodate the addition of family members by birth. However, in order to maximize the use of scarce affordable housing and in consideration of applicants on the waiting list, transfers of families to separate units are not allowed.
7. Although a reasonable accommodation request can be made orally or in writing, it is usually helpful for both the family and HCD if the request is made in writing. This will prevent misunderstanding regarding what is being requested, or whether the request was made. To facilitate the processing and consideration of the request, the residents should initiate a Reasonable Accommodation transfer with the *Authorization to Release Information, Reasonable Accommodation Request, and Reasonable Accommodation Verification*, forms in accordance with the Reasonable Accommodation Policies and Procedures (Appendix IV of this ACOP) or equivalent format.
 8. When a resident is allowed to transfer, the resident's name is placed on the transfer waiting list and will be given written notice to this effect.
 9. All exceptions and considerations of mitigating circumstances must be approved by HCD Director or designee.
 10. Residents will bear the cost of transfers to correct occupancy standards. However, where there is a hardship due to health or other factors, the AMP administrator or designee may recommend that families be reimbursed for out-of-pocket expenses for an occupancy standards transfer in an amount not to exceed a reasonable moving allowance established by HCD. Residents who seek reimbursement must provide proof of their out-of-pocket expenses to HCD, i.e. receipts. The division director or designee must approve the expense.
 11. Costs associated with transfers that are mandated by HCD (except occupancy standards) and transfers for reasonable accommodation will be paid in accordance with the Reasonable Accommodation Policies and Procedures (Appendix IV of this ACOP).

D. Administrative Requirements for Transfer Offer

- a) A family who has been approved for a transfer will receive three written housing offers that they must accept or refuse within three (3) business days.
- b) The acceptance or refusal of the housing offer must be hand-delivered to the Applicant Leasing Center (ALC). If the family rejects the offer, a second offer can be made only for good cause (see Chapter III). If the resident fails to respond, they will be removed from the transfer list and notified in writing.

- c) Upon signing the new Lease, the resident is required to move within 15 calendar days, or may face eviction proceedings in accordance to HCD's Lease.

E. Relocation of Residents

1. Temporary Relocation: Residents who are required to temporarily relocate to permit rehabilitation of their units must be provided with:
 - a) A written notice of the dates and duration of the temporary relocation at least 30 days prior to the relocation taking place;
 - b) Information on alternative housing available; and
 - c) Reimbursement for all reasonable out-of-pocket expenses, including the cost of moving to and from the temporary housing and any increase in monthly rent/utilities costs, upon presentation of acceptable receipts.

Refer to the Public Housing Policies and Procedures Manual, *Relocation of Residents Due to Modernization* for detailed procedures.

2. Permanent Relocation: Residents living in public housing units that are dilapidated, unsafe, and/or in substantial disrepair as determined by HCD for which there are no immediate reconstruction plans, may be relocated to comparable vacant public housing units of their choice, and based on availability. The impacted residents will not be considered part of the public housing transfer waiting list and will be provided with:
 - a) Applicable meeting(s) to inform of available or potentially available alternative housing which may include new acquisition(s) of public housing units.
 - b) Written Information on alternative housing which may include new acquisition(s) of public housing units that may be under HUD-approval process.
 - c) Written notice of the date of relocation and other requirements in accordance with the Uniform Relocation Act (URA), if applicable.
 - d) Reimbursement of reasonable out-of-pocket expenses, including moving expenses, upon presentation of acceptable receipts.
 - e) At HCD Director's discretion, residents may return to the area at a new development.
 - f) After all affected residents have been permanently relocated, any remaining vacant units in a new acquisition development may be filled from the transfer list or waiting list.

VI. Eligibility for Continued Occupancy and Annual Reexaminations

A. Eligibility for Continued Occupancy

Residents who meet the following criteria will be eligible for continued occupancy.

1. Qualify as a “Family” as defined in Appendix I of this ACOP.
 - a) Are in full compliance with the resident obligations and responsibilities as described in the dwelling lease.
 - b) Whose family members of all ages, each have Social Security numbers or have certifications on file indicating they have no Social Security number.
 - c) Who meet HUD standards on citizenship or immigration status or are paying a pro-rated rent.
 - d) Who are in compliance with HCD’s eight (8) hour per month community service requirements.
 - e) Family’s annual income does not exceed HUD’s low-income limit for the family size or considered over-income according to parameters established by HCD (see Section K below).

Residents not in compliance with these criteria are subject to lease termination and eviction.

2. Family Composition Changes

- a) The family is required to report all changes in household composition in writing to HCD within 10 days of the change:
 - (1) A family member is added by birth, adoption or court-awarded custody, with or without increased income;
 - (2) The family wants permission to add a member by any method other than birth, adoption or court-awarded custody, i.e., marriage, inter-dependent relationship, foster child, foster adult and/or live-in aide; and/or.
 - (3) The family removes a member.
- b) When a change in household composition is processed as an interim recertification, HCD will update household composition; however, the rent, because of an increase in income, will not be adjusted until the next regular recertification.

B. Remaining Family Members

1. To be considered the remaining member of a family, any person(s) remaining must meet all eligibility requirements.
2. Remaining family members age 18 years or older will be held responsible for any overdue amount incurred by the former head, co-head, or spouse. HCD will not hold remaining family members (other than the head, co-head, or spouse) responsible for any portion of the overdue amount incurred before the remaining member attained age 18.

3. Remaining family members under age 18 shall not be held responsible for the overdue rent incurred by the former head of household.
4. A live-in aide or foster child/adult, by definition, is not a member of the family and will not be qualified for continued occupancy as a remaining family member.
5. In order for (a) minor child(ren) to continue receiving assistance as (a) remaining member(s), one of the following must occur:
 - a) The court has awarded emancipated minor status to the minor;
 - b) HCD has verified that social services and/or the juvenile court has arranged for another adult to be brought into the assisted unit to care for the child(ren); or
 - c) HCD may allow for another adult to be a temporary head of household until such time as legal guardianship is granted or a minor, at least 17 years of age, is emancipated or reaches age 18.

A reexamination will be conducted and appropriate changes to the bedroom size may be made at that time.

C. Annual Reexamination

Due to HCD's large portfolio of public housing units, the reexamination schedule is determined by where the resident lives, rather than by the move-in anniversary date. After the initial move-in certification, some residents may be re-certified within the first year of tenancy due to the reexamination schedule established for the building where they live. In order to have the information available to adjust the rent, the initial request for re-examination will be started at least 120 days before the scheduled effective re-examination date.

HCD shall, at least once a year, re-examine the family composition (including the eligibility of the live-in aide, if applicable) and incomes of all resident families. Families paying Flat Rent shall have their incomes reexamined every three (3) years, but shall still be subject to annual reexamination of the family composition and the community service requirement. Criminal background checks may be included as part of the reexamination.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section C above will be updated with the same policy from Appendix VI to this ACOP.

1. Earned Income means:
 - income or earnings from wages, tips, salaries, other employee compensation, and net income from self-employment.
2. The following are considered unearned income:
 - Any pension or annuity
 - Transfer payments —payments or income received where no goods or services were offered
 - Welfare
 - Social Security
 - Government subsidies for certain benefits
 - Any cash or in-kind benefits

3. Special Reexamination:

When it is not possible to estimate family income accurately, a temporary determination will be made with respect to income and a special reexamination will be scheduled every 90 days until a reasonably accurate estimate of income can be made.

D. Interim reexamination

- Refer to Chapter VIII

E. Self-Employment Income

1. Self-employment includes independent contractors and day laborers.

An independent contractor is an individual who qualifies as an independent contractor instead of an employee in accordance with the Internal Revenue Code Federal income tax requirements and whose earnings are consequently subject to Self-Employment Tax. In general, an individual is an independent contractor if the payer has the right to control or direct only the result of the work and not what will be done and how it will be done.

Examples of independent contract work include but are not limited to:

- 3rd party delivery and transportation service providers
- Rideshare drivers e.g., Uber, Lyft
- House cleaners, babysitting, childcare providers

Gross income received through self-employment or operation of a business; with the exception of the following which shall be considered income:

- Net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness shall not be used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in IRS regulations; and
- Any withdrawal of cash or assets from the operation of a business or profession will be included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.

F. Seasonal Employment

A seasonal worker is an individual who is hired into a short-term position and the employment begins about the same time each year (such as summer or winter). Typically, the individual is hired to address seasonal demands that arise for a specific employer or industry.

Income from seasonal employment (i.e., school board employees, teachers, etc.) may be calculated using one of the following methods:

- (1) Annualize income by projecting the current monthly income for 12 months even if the current income is not expected to last the entire 12 months. Under this method, the family has the right to come in for an interim re-examination once the income decreases.

- (2) Calculate average income based on anticipated changes for the upcoming year using verified historical evidence of past income fluctuations. This second method would not require an interim re-examination at the time income decreases since such decreases would already be averaged into the anticipated annual amount.

G. Temporary Assistance to Needy Families (TANF)

Rent will not be adjusted as a result of a family's income decreasing because of a reduction in Temporary Assistance to Needy Families (TANF) due to sanctioning by the welfare agency, State of Florida Department of Children and Families. The family is entitled to a hearing, should it wish to appeal such decision by HCD not to reduce the tenant portion of the rent.

H. Zero Income Families

- a) Unless the family has income that is excluded for rent computation, families reporting zero income will have their circumstances examined every 90 days until they have a stable income. Monetary or non-monetary contributions from people not residing in the dwelling unit for any purpose other than the payment or reimbursement of medical expenses shall be considered income. Families claiming zero (0) income must complete the Monthly Expense Report listing their monthly expenses and the source of funds to pay for those expenses.
- b) Families claiming income from contribution must provide a notarized *Income from Contribution* form signed by the person providing the contribution or the *Contribution* form may be witnessed by HCD representative, upon identification of contributor.

I. Over-Income Families

The Housing Opportunity Through Modernization Act (HOTMA) of 2016 placed an income limitation on public housing tenancies. The over-income requirement states that after a family's income has exceeded 120% of the area median income (AMI) for two (2) consecutive years, the family will be notified in writing that they have six (6) months to find alternative housing. At the end of the six (6) months, the family will be issued a 30-Day Notice of Lease Termination if they have not vacated the unit.

Once HCD determines through an annual reexamination or an interim reexamination that a family's income exceeds the applicable over-income limit, HCD must notify the family and make a note in the tenant file to calculate the family's income again 12 months later to see if the family remains over-income. HCD is required to begin tracking the 24 consecutive month grace period once a family's income exceeds the applicable over-income limit. After the initial over-income determination is made, the HCD must conduct an income reexamination 12 months later to determine if the family remains over-income even if the family is paying the flat rent (24 CFR §960.253) and/or the date no longer coincides with the family's original annual reexamination date.

a) Income Decrease Option

- If at any time during the 24-month grace period, an over-income family experiences a decrease in income, the family may request an interim redetermination of rent in accordance with HCD's policy. If, as a result, the previously over-income family is now below the over-income limit, the family is no longer subject to over-income provisions as of the effective date of the recertification.

- The PHA will notify the family in writing that over-income policies no longer apply. If the family's income later exceeds the over-income limit again, the family is entitled to a new two-year grace period. HCD will begin tracking over-income families once these policies have been adopted. HCD may terminate tenancy for families whose income exceeds the limit for the program eligibility as described at 24 CFR §960.261.

b) Notification Process for Over-Income Families

- (1) At initial determination of a family being over-income, the family will be advised in writing of the following:

- An initial notification of *Over-Income Family Initial Notification* advising the resident of their rights, including their right to request a grievance hearing.

After 12 months of initial determination, the family will undergo a family and income reexamination. If the family remains in over-income status, they will receive a *12 Month Notification* advising the family that this is their 12-month (second) notice. This letter also advises the resident of their rights to request a grievance hearing.

- (2) At the conclusion of the consecutive 24-month period, the family will receive a *24 Month Notification* (third) notice advising them that they no longer qualify for assistance under the public housing program. The letter will advise the family of their right to request a grievance hearing.

Note that because you are no longer eligible for assistance under the public housing program no changes to the family income after you receive this notice will make you eligible to remain as a participant in the program.

- (3) A written notice is provided to the family to vacate the public housing unit within six months, as specified in notice.
- (4) If the over-income family does not find alternative housing and vacate the unit within the 6-month period, they will be issued a *30-Day Notice of Lease Termination*.

J. Reexamination Procedures

1. At the time of reexamination, all adult members of the household will be required to sign an application for continued occupancy, the community service certification, if applicable, and other forms required by HUD and HCD. If an adult family member is temporarily away from the household and not available to sign the forms at the time of the reexamination, their status must be verified and they must sign and notarize the required documents within 30 days. Additionally, the live-in aide and head of household must sign the Live-in Aide Certification form, if applicable.
2. Income, allowances, Social Security numbers, and such other data as is deemed necessary will be verified, and all verified findings will be filed in the resident's file.
3. Verified information will be analyzed and a determination made with respect to:
 - a) Eligibility of the resident as a family or as the remaining member of a family;
 - b) Eligibility of the live-in aide, if applicable;

- c) Unit size required for the family (per Chapter III);
 - d) Rent the family should pay;
 - e) Compliance with the Community Service Requirements (Public Housing residents only);
4. HCD will access criminal justice records, including sex offender registration checks, (excluding juvenile records) of all adult members with the purpose of determining continued assistance under the program, at regular reexamination and at any other time HCD deems it necessary. HCD will conduct such checks on all members who are younger than 18 years if they are being tried as adults for certain criminal offenses.
 5. Residents with seasonal or part-time employment of a cyclical nature will be asked for third party documentation of their employment including start and ending dates.
 6. Income shall be computed in accordance with the definitions and procedures set forth in federal regulations and this ACOP.
 7. Families failing to respond to the initial annual reexamination appointment will be issued a second and final reexamination appointment. Failure to respond to the final request will result in the family being issued a notice of lease violation.
 8. Reexamination procedures also apply in the event residents are under the eviction or termination process. The reexamination is not an offer of extension of the lease agreement and does not constitute a waiver of such eviction or termination proceeding.
 9. Failure to Comply in Timely Manner or Non-Compliance.
 - a) A family's failure to comply with reexamination requirements in providing all required documentation and signatures on forms is grounds for termination of assistance.
 - b) If it is found that the resident failed to timely report any changes in income or family composition or provided inaccurate, or incomplete information:
 - The rent adjustment will be made retroactive as of date the change occurred; and
 - The resident will reimburse HCD for the difference in rent.

K. Enterprise Income Verification (EIV) and Third-Party Verification

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

HCD will follow the verification hierarchy described in PIH Notice 2018-18. Additionally, include partial implementation of the HOTMA updates per PIH Notice 2023-27, Section J5, specifically, the new option under Level 4 documentation (Written, Third-Party Verification) of the verification hierarchy to include acceptance of the following:

- HCD may accept an original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD to verify income.
- HCD may also accept a statement dated within the appropriate benefit year for fixed income sources

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , EIV system is available to all PHAs as a UIV technique	Highest (Mandatory) – (not available for applicants)
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, etc.)	Highest (Optional)
4	Written, third-party verification	High (Mandatory to supplement EIV reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute.) • May accept an original or authentic document generated by a third-party source dated within 120 days of the date received by HCD. • HCD may accept a statement dated within the appropriate benefit year for fixed income sources.
3	Written Third-Party Verification Form	Medium-Low (Mandatory if written third-party verification documents are not available or rejected by the PHA; and when the applicant or tenant is unable to provide acceptable documentation)
2	Oral Third-Party Verification	Low (Mandatory if written-third party verification is not available) Low (Mandatory if written third- party verification is not available)
1	Self-Certification (not third-party verification)	Low (Use as a last resort when unable to obtain any type of third-party verification)

- **Level 6:** (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD's EIV System which is mandatory for residents but not available for applicants;
- **Level 5:** UIV using non-HUD system: (Optional);
- **Level 4:** Written Third-Party Verification (High) (Mandatory to supplement EIV reported income sources and when EIV has no data; Mandatory for non-EIV reported income sources; Mandatory when tenant disputes EIV-reported employment and income information and is unable to provide acceptable documentation to support dispute.

Written third-party verification documents shall be original and authentic and may be supplied by the family or received from a third-party source. Third-party documents provided by the family shall be dated within 120 calendar days of HCD request date and may accept a statement dated within the appropriate benefit year for fixed income sources.

- **Level 3:** (Medium-Low) Form-generated Third-Party is mandatory if written third party verification documents are not available or rejected by HCD and when the applicant or resident is unable to provide acceptable documentation. When upfront verification is not available, rejected by HCD, or the family is unable to provide written third-party documents, or HCD shall request a written third-party verification form. HCD will send third-party verification forms directly to the third-party by regular mail, email, fax, or e-mail third-party written verification form requests to third-party sources. At least two (2) documented attempts must be made for written third-party verification before obtaining oral (telephone or in person) third-party verifications. The file must document the attempts made to obtain third-party verification.
- **Level 2:** (Low) Oral Third Party Verification is Mandatory if written third party verification is not available. Level 2 oral verifications will be used when written verification is not obtained within ten (10) business days from the date that the written verification was mailed, faxed or e-mailed directly to the independent source. Documentation shall be placed in the applicant or resident file and on HCD's computer system notes and shall indicate the name(s) of the person(s) who provided the information and date of the communication, as well as the name of the staff person who obtained the information.
- **Level 1:** (Lowest Ranking) When unable to obtain any type of third-party verification, a self-certification of income from an applicant or resident will be accepted as a last resort. When HCD relies on applicant/tenant certification (notarized statement or affidavit), the file must be documented as to the reason the oral third-party verification was not available.

Pursuant to the January 27, 2009 Refinement of Income and Rent Determination final rule, HCD must use HUD's Enterprise Income Verification (EIV) as a third party source to verify tenant employment and income information during mandatory reexamination or reexamination of family composition and income.

1. Double Subsidy: If during tenancy, or at any time after admission, the EIV system shows that a family or any household member is receiving assistance from (or is residing in) another housing authority or program, the family or household member must provide proof of termination of tenancy from the other housing agency or program for continuation of assistance. HCD may provide up to 30 days for the family or household member to provide proof of termination. If after the 30 days, the participant does not provide proof of termination, the family or household member must be terminated from HCD tenancy.
2. If the EIV information matches income provided by the resident, or if it is not substantially different, then third-party verification is not necessary. Currently, a substantial difference requiring third party verification is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD.

3. If the EIV system is not available or if the information is substantially different to the resident-provided information, then written verification from third parties is the next most desirable form of verification.
 - Tenants have the right to dispute information obtained through EIV; however, such information will only be provided to the tenant if requested. Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the Florida Sunshine Law and is required by HUD to be kept private under penalty of Federal law. Any EIV derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not to be kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 and/or five (5) years imprisonment, as well as civil penalties. (Privacy Act of 1974 as amended, 5 U.S.C § 552(a)).
4. In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:
 - a) Request written third party verification from the income source in question. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
 - b) Review historical income data for patterns of employment, paid benefits, and/or receipt of other income, when HCD cannot readily anticipate income, such as unstable working hours, and suspected fraud. For calculating income in cases of seasonal employment (i.e. school board employees, teachers, etc.), see Chapter XII, Section A.
 - c) Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
 - d) Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.
5. HCD may recommend terminating assistance for fraud as opposed to tenant error (see definition in Appendix I of this ACOP). Fraud includes but is not limited to forgery and pattern of unreported or under reported income. In verified differences of \$10,000 or more and when fraud has occurred, upon division director or designee's approval, HCD may refer the case to OIG or any other law enforcement organization with jurisdiction to investigate and prosecute fraud in assisted housing, prior to commencement of the eviction process.
6. In verified instances of greater than \$200 per month (\$2,400 per year), HCD will require payment in full or may allow the family to enter into a repayment agreement for the balance owed using the standards listed under Chapter IV or require payment in full. Should the family refuse to enter in a repayment agreement or to fulfill its obligations under its repayment agreement, HCD shall recommend termination of assistance. This will start the eviction process.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section K above will be updated with the same policy from Appendix VI to this ACOP.

L. HUD Form 9886 (Consent Form to Access EIV)

The EIV information cannot be accessed unless a current (unexpired) Authorization to Release Information (HUD Form 9886) is on file. HUD Form 9886 also authorizes disclosure of information for routine uses such as to Federal, State, and local agencies for law enforcement purposes, employment suitability, and for the purpose of determining housing assistance.

The current HUD Form-9886 only needs to be signed once by each adult family member. Thereafter, the HUD Form-9886, will need to be signed and submitted when:

- Anyone 18 years or older becomes a member of the family,
- When a member of the family turns 18 years old, or
- As required by HUD or by HCD administrative instructions.

Families have the right to revoke the HUD Form 9886 (consent form) to HCD; however, revoking this consent form and refusing to sign a new consent form (HUD Form 9886) can result in termination or denial of assistance in accordance with Chapter X(A)(8) of this ACOP.

M. Income Validation Tool (IVT)

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section M above will be updated with the same policy from Appendix VI to this ACOP.

N. Action Following Reexamination

1. If there is any change in rent, a Notice of Rent Adjustment will be sent to the resident notifying the amount and the effective date of the new rent. If there is a change in the family composition, a lease addendum is executed by the head of household and the new family members.
 - a) For annual reexaminations, the family is provided 30 days advanced notice of the new rent taking effect.
 - b) For interim reexaminations, refer to Chapter VIII of this ACOP.
 - c) Applicable to Annual or Interim Reexaminations
 - d) If it is found that the family failed to timely report any changes in income or family composition at the scheduled annual reexamination appointment or within ten (10) days of change occurring, or provided inaccurate or incomplete information at reexamination, it may be considered fraud and any of the following may occur:
 - Any increase in rent which would have occurred had changes been reported in a timely manner will be made retroactive to the effective date of the change in circumstances and the family agrees to reimburse HCD for the difference between the rent they should have paid and the rent they were charged.
 - Any decrease in rent that would have occurred had changes been reported in a timely manner will be made effective the first day of the month following the date the change is reported to HCD and will not apply retroactively.
2. If any change in the unit size is required, the resident will be placed on a transfer list in accordance with the transfer criteria described on Chapter V of this ACOP and moved to an appropriate unit when one becomes available, subject to the requirements stipulated in the transfer policy section and approved by the division director or designee, where required.

O. Risk Assessment

HCD may refer at risk residents for an individualized risk assessment to identify and address resident needs in cases where tenancy would constitute a direct threat to the health or safety of the resident and/or other individuals or result in substantial physical damage to the property. The individualized risk assessment will rely on objective evidence (e.g. current record, or a recent history of facts).

By identifying issues and targeting resident needs and related risks to the resident, community, property, safety or security, HCD will reduce the propensity of criminal activity, violent or destructive behavior, housekeeping and living safety issues, potential fire hazard issues, unsafe living conditions, individual and communal disturbances, self-neglect, damage to living areas, crisis/emergency incidents, medical emergencies and/or public risk concerns. This individualized risk assessment will focus on areas in which a housing property may be able to help residents better manage their needs and maintain their ability to live safely in their unit and community. As such, reasonable accommodations will be discussed with residents as an option, if applicable.

By identifying critical issues through an individualized risk assessment, HCD can accommodate and support residency through a better targeted array of services designed to support residents' self-determination which ultimately:

1. Enhance the ability of residents to uphold their lease obligations, taking proper care of the unit, and insuring quiet enjoyment of the property for all residents and surrounding neighbors.
2. Better work with residents with identified disabilities relating to the health and safety of themselves and within the community.
3. Improve the quality of life within the community.
4. Foster inclusion and tolerance by and for all residents and staff.

VII. Determining Income and Income-Based Rent

A. Annual Income

1. Calculating Annual Income

- a) When calculating annual income for a household at the time of a regular reexamination, HCD will review and calculate the family's income from the preceding 12-month period, taking into consideration any interims or changes that have taken place during that period. If HCD determines that the family's prior-year income does not reflect the family's current income, it may adjust the calculation of annual income as needed.

For annual reexaminations, HCD must:

- Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
- Consider any redetermination from an interim reexamination during that period.
- Adjust current income if there was a change during that period.
- Subtract the allowable deductions, from the gross annual income to determine the adjusted.

HCD may determine the family's income prior to the application of any deductions based on income determinations made within the previous 12-month period from Low-Income Housing Tax Credit (LIHTC), Special Supplemental Nutrition Program for Women, Infants, and Children (WIC), and other means-tested forms of public assistance.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section A(1) above will be updated with the same policy from Appendix VI to this ACOP.

B. De Minimis Errors in Income Determinations

1. Effective July 1, 2025, HCD will not be considered out of compliance with the requirements in this paragraph solely due to de minimis errors in calculating family income. A de minimis error is an error where HCD determination of family income deviates from the correct income determination by no more than \$30 per month in monthly adjusted income (\$360 in annual adjusted income) per family.
2. Families will not be required to repay HCD in instances where HCD miscalculated income resulting in a family being undercharged for their rent, regardless of amount. Once HCD becomes aware of the error, the family will be provided with a 30-day notice of the increase to their rent portion.
3. HCD will take any corrective action necessary to credit or repay a family if the family was overcharged tenant rent, including a de minimis error, in the income calculation retroactive to the effective date of the action when the error was made, regardless of amount.
4. HCD will send a letter to the family and the landlord prior to the change in payments notifying them of the change and the duration of the change. If the participant has vacated the unit, the credit will be mailed (address of record) to the family.

C. Determination of Income Using Other Means Tested Public Assistance, i.e., "Safe Harbor"

1. HCD may determine the family's income during annual reexamination based on income calculation information from certain means-tested federal public assistance programs or agencies such as the Low-Income Housing Tax Credit (LIHTC) made within the previous 12-month period.

2. HCD will use third-party verification, which must include the family size and composition and state the family's annual income. The verification must be dated within the time frame specified for the type of verification, including within the previous 12-month period for purposes of the specified means-tested forms of federal public assistance. The family members listed in the third-party verification must match the family composition in the assisted unit. The annual income need not be broken down by family members nor income type.
3. Given that annual income includes income earned from assets, when using Safe Harbor to verify a family's income, HCD will not inquire as to a family's net family assets, nor the income earned from those assets except with respect to whether the family owns assets which exceed the asset limitation in 24 CFR § 5.618.
4. HCD will still require third-party verification of all deductions such as the health and medical care expense or childcare expense deductions. Further, if the family is eligible for and claims the disability assistance expense or childcare expense deductions, where applicable, the HCD will obtain third-party verification of the amount of employment income of the individual(s) enabled to work in order to cap the respective expenses as required.
5. If HCD cannot obtain the required third-party verification, or if the family disputes the determination, HCD will calculate the family's annual income using the methods established for the applicable reexamination (24 CFR §5.609(c)(1) and (2)).

D. Streamlined Income Determination

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section D above, will be updated with the same policy from Appendix VI to this ACOP.

E. Annual Income Inclusions

Annual income means all amounts, monetary or not, or anticipated to be received, from a source outside of the household, by the family head, co-head, or spouse (even if temporarily absent) or any other family member during the 12-month period following the effective date of admission or annual re-examination not specifically excluded in section G. It includes, but is not limited to:

1. The full amount of wages and salaries, overtime pay, commissions, fees, tips and bonuses, and other compensation for personal services, before any payroll deductions.
2. The net income from the operation of a business or profession. Expenditures for business expansion or amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in Internal Revenue Service (IRS) regulations. Any withdrawal of cash or assets from the operation of a business or profession is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested in the operation by the family.
3. Interest, dividends, and other net income of any kind from real or personal property. Expenditures for amortization of capital indebtedness are not used as deductions in determining net income. An allowance for depreciation of assets used in a business or profession may be deducted, based on straight-line depreciation, as provided in IRS regulations. Any withdrawal of cash or assets from an investment

is included in income, except to the extent the withdrawal is reimbursement of cash or assets invested by the family. Where the family has net family assets in excess of \$5,000, annual income includes the greater of the actual income derived from all net family assets or a percentage of the value of such assets based on the current passbook savings rate.

4. The full amount of periodic amounts received from Social Security, annuities, insurance policies, retirement funds, pensions, disability or death benefits, and other similar types of periodic receipts, including a lump-sum amount or prospective monthly amounts for the delayed start of a periodic amount. However, deferred periodic amounts from supplemental security income and Social Security benefits that are received in a lump sum amount or in prospective monthly amounts are excluded.
5. Payments in lieu of earnings, such as unemployment and disability compensation, worker's compensation and severance pay. However, lump sum additions such as insurance payments from worker's compensation are excluded.

Temporary Assistance for Needy Families (TANF). If the TANF includes an amount specifically designated for shelter and utilities that is subject to adjustment by the welfare assistance agency in accordance with the actual cost of shelter and utilities, the amount of welfare assistance income to be included as income consists of:

1. The amount of the allowance or grant exclusive of the amount specifically designated for shelter or utilities; plus
2. The maximum amount that the welfare assistance agency could allow the family for shelter and utilities. If the family's welfare assistance is ratably reduced from the standard of need by applying a percentage, the amount calculated under this requirement is the amount resulting from one application of the percentage.
3. If the amount of welfare is reduced due to an act of fraud by a family member or because of any family member's failure to comply with requirements to participate in an economic self-sufficiency program or work activity, the amount of rent required to be paid by the family will not be decreased. In such cases, the amount of income attributable to the family will include what the family would have received had they complied with the welfare requirements and/or had not committed an act of fraud.
4. If the amount of welfare assistance is reduced as a result of a lifetime time limit, the reduced amount is the amount that shall be counted.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section E above, will be updated with the same policy from Appendix VI to this ACOP.

F. Child Support

Periodic and determinable allowances, such as alimony and child support payments (see note), and regular contributions or gifts received from organizations or from persons not residing in the dwelling. (Note: uncollected child support will not be counted so long as the family provides documents demonstrating that the debt is uncollectible or has not been paid or received for more than three (3) months).

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section F above will be updated with the same policy from Appendix VI to this ACOP.

G. Annual Income Exclusions

(b) Annual income does not include the following:

(1) Any imputed return on an asset when net family assets total \$50,000 or less (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and no actual income from the net family assets can be determined.

(2) The following types of trust distributions:

(i) For an irrevocable trust or a revocable trust outside the control of the family or household excluded from the definition of net family assets under 24 CFR § 5.603(b):

(A) Distributions of the principal or corpus of the trust; and

(B) Distributions of income from the trust when the distributions are used to pay the costs of health and medical care expenses for a minor.

(ii) For a revocable trust under the control of the family or household, any distributions from the trust; except that any actual income earned by the trust, regardless of whether it is distributed, shall be considered income to the family at the time it is received by the trust.

(3) Earned income from the employment of children (including foster children) under the age of 18 years.

(4) Payments received for the care of foster children or foster adults, or State or Tribal kinship or guardianship care payments.

(5) Insurance payments and settlements for personal or property losses, including but not limited to payments through health insurance, motor vehicle insurance, and workers' compensation.

(6) Amounts received by the family that are specifically for, or in reimbursement of, the cost of medical expenses for any family member.

(8) Income of a live-in aide, foster child, or foster adult as defined in 24 CFR §§ 5.403 and 5.603, respectively.

(9)

- A. If the amount of assistance excluded under paragraph (b)(9)(i) of this section is equal to or exceeds the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, none of the assistance described in this paragraph (b)(9)(ii) of this section is considered

student financial assistance excluded from income under this paragraph (b)(9)(ii)(E).

(2) If the amount of assistance excluded under paragraph (b)(9)(i) of this section is less than the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section, the amount of assistance described in paragraph (b)(9)(ii) of this section that is considered student financial assistance excluded under this paragraph is the lower of:

(i) the total amount of student financial assistance received under this paragraph (b)(9)(ii) of this section, or (ii) the amount by which the actual covered costs under paragraph (b)(9)(ii)(B)(4) of this section exceeds the assistance excluded under paragraph (b)(9)(i) of this section.

(10) Income and distributions from any Coverdell education savings account under section 530 of the Internal Revenue Code of 1986 or any qualified tuition program under section 529 of such Code; and income earned by government contributions to, and distributions from, baby bond accounts created, authorized, or funded by Federal, State, or local government.

(13) Reparation payments paid by foreign governments pursuant to claims filed under the laws of that government by persons who were persecuted during the Nazi era.

(22) Amounts that HUD is required by Federal statute to exclude from consideration as income for purposes of determining eligibility or benefits under a category of assistance programs that includes assistance under any program to which the exclusions set forth in paragraph (b) of this section apply. HUD will publish a notice in the Federal Register to identify the benefits that qualify for this exclusion. Updates will be published when necessary.

(23) Replacement housing "gap" payments made in accordance with 49 CFR part 24 that offset increased out of pocket costs of displaced persons that move from one federally subsidized housing unit to another Federally subsidized housing unit. Such replacement housing "gap" payments are not excluded from annual income if the increased cost of rent and utilities is subsequently reduced or eliminated, and the displaced person retains or continues to receive the replacement housing "gap" payments.

(28) Gross income a family member receives through self-employment or operation of a business; except that the following shall be considered income to a family member:

An allowance for depreciation of assets used in a business or profession may be deducted, based on straight line depreciation, as provided in Internal Revenue Service regulations; and

H. Adjusted Annual Income

1. Annual income does not include the following deductions and exemptions

a) Deductions

- Dependent Deduction – A deduction of \$480 for each member of the family residing in the household, other than the head of household, co-head or spouse, live-in aide, foster adult or foster child, who is under 18 years of age or who is 18 years of age or older and disabled, or a full-time student.
- Elderly or Disable Family Deduction: A single deduction of \$400 for any family where the head of household, co-head or spouse is at least 62 years of age or a person with a disability.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section H(1)(a) above will be updated with the same policy from Appendix VI to this ACOP.

- b) **Child Care Expenses** - Any reasonable child-care expenses necessary to enable a member of the family to be employed, further their education, or look for work are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:
- The care is necessary to enable a family member to be employed, further their education or look for work;
 - The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
 - The child-care expenses must be paid from the family's annual income; and
 - The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section H(1)(b) above will be updated with the same policy from Appendix VI to this ACOP.

- c) **Health and Medical Care Expenses Defined**
(must exceed 3% of gross annual family income)

Health and medical care expense deductions are permitted only for families in which the head, spouse, or co-head is elderly or disabled. If a family is eligible for a health and medical care expense deduction, the medical expenses of all family members are counted. To be considered by HCD for the purpose of determining a deduction from income, the expenses claimed must be verifiable.

Although HUD revised the definition of health and medical care expenses to reflect the Internal Revenue Service (IRS) general definition of medical expenses, HUD is not permitting PHAs to specifically align their policies with IRS Publication 502C2 for determining which expenses are included in HUD's mandatory deduction for health and medical care expenses. IRS Publication 502, in some instances, may instruct that certain expenses are not to be considered medical expenses that would otherwise be allowed under HUD's definition of health and medical care expenses. Effective July 1, 2025, HCD must review each expense to determine whether it is eligible in accordance with HUD's definition of health and medical care expenses.

(1) Medical expenses include unreimbursed expenses for:

- Any costs incurred in the diagnosis, cure, mitigation, treatment or prevention of disease; Payment for treatments affecting any structure or function of the body; and
- Medical insurance and long-term care premiums that are paid or are anticipated to be paid for the applicable period.

(2) **Medical Expense Deduction** - A deduction of unreimbursed medical expenses, including insurance premiums, anticipated for the period for which annual income is computed. Medical expenses include but are not limited to:

- Services of physicians and other health care professionals
- Services of health care facilities
- Health insurance premiums (including the cost of Medicare)
- Prescription and non-prescription medicines
- Transportation to and from treatment
- Dental expenses
- Eyeglasses
- Hearing aids and batteries

- Attendant care (unrelated to employment of family members),
- Payments on accumulated medical bills.
- Effective June 1, 2004 and while in effect, for residents who have the Medicare Prescription Drug Discount Card, consider the market (pre-discount) price of eligible drugs, not the discounted price.
- Enrollment fee (up to \$30) of the Medicare Prescription Drug Discount Card program, if not paid by Medicare. (PIH Notice 2004-11).

(3) Disability assistance (must exceed 3% of gross annual family income)

A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of the deduction exceed the employment income earned by the family member(s) able to work.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section H(1)(c), above will be updated with the same policy from Appendix VI to this ACOP.

I. Student Aid and Financial Assistance

Pursuant to Notice PIH 2024-38, HCD will begin to implement the student aid and financial assistance provisions on all income examinations including at new admissions, annual, or interim reexaminations with an effective July 1, 2025.

The treatment of the two categories of student aid and financial assistance (financial assistance) apply to both full and part-time students.

1. Category 1: Section 479B of the Higher Education Act of 1965 (HEA), as amended.
This category requires to be excluded from a family's income. The types of financial assistance listed below are considered 479B student financial assistance programs; however, this list is not exhaustive and subject to change.

- Federal Pell Grants;
- Teach Grants;
- Federal Work-Study Programs;
- Federal Perkins Loans;
- Student financial assistance received under the Bureau of Indian Education;
- Income earned in employment and training programs under section 134 of the Workforce Innovation and Opportunity Act (WIOA). This includes workforce investment activities for adults and workers dislocated as a result of permanent closure or mass layoff at a plant, facility, or enterprise, or a natural or other disaster that results in mass job dislocation, in order to assist such adults or workers in obtaining reemployment as soon as possible.

2. Category 2: Other Student Financial Assistance

This category of excluded student financial assistance recognizes that student aid can take a variety of forms and come from a variety of sources. It seeks to cover student financial assistance, for both full and part-time students, that is not included under HEA.

- The Federal government;
- A state (including U.S. territories), Tribe, or local government;
- A private foundation registered as a nonprofit under 26 U.S.C. 501(c)(3);

- A business entity (such as a corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, or nonprofit entity); or
 - An institution of higher education.
3. Other student financial assistance does not include:
Financial support provided to the student in the form of a fee for services performed (e.g., a work study or teaching fellowship that is not excluded under HEA); or Gifts, including gifts from family or friends.

Covered Costs

Actual covered costs include tuition, books, supplies (including supplies and equipment to support students with learning disabilities or other disabilities), room and board, and fees required and charged to a student by an institution of higher education. For a student who is not the head of household, cohead, or spouse, actual covered costs also include the reasonable and actual costs of housing while attending the institution of higher education and not residing in an assisted unit.

Other student financial assistance may be paid directly to the student or to the educational institution on the student's behalf. HCD must verify that the other student financial assistance is for the student's actual covered costs. Amounts in excess of covered costs are considered income.

J. Assets

HCD may implement changes published in the Final Rule of the Streamlining Administrative Regulations (Docket No. FR5743-F-03) effective April 7, 2016, regarding the family declaration of assets under \$5,000.

1. Assets Include:

- a) Amounts in savings and checking accounts.
- b) Stocks, bonds, savings certificates, money market funds and other investment accounts.
- c) Equity in real property or other capital investments. Equity is the estimated current market value of the asset less the unpaid balance on all loans secured by the asset and reasonable costs (such as broker fees) that would be incurred in selling the asset.
- d) The cash value of trusts that are available to the household.
- e) IRA, Keogh and similar retirement savings accounts, even though withdrawal would result in a penalty.
- f) Contributions to company retirement/ pension funds that can be withdrawn without retiring or terminating employment.
- g) Assets, which, although owned by more than one person, allow unrestricted access by the applicant.

- h) Lump sum receipts such as inheritances, capital gains, lottery winnings, insurance settlements, and other claims, deferred SSI and Social Security payments paid in a lump sum.
 - i) Personal property held as an investment such as gems, jewelry, coin collections, antique cars, etc.
 - j) Cash value of life insurance policies.
 - k) Assets disposed of for less than fair market value during two years preceding certification or reexamination.
2. Exclusions from Assets:
- a) Necessary personal property.
 - b) Interest in Indian Trust lands.
 - c) Assets that are a part of an active business or farming operation. Rental properties are considered personal assets held as an investment rather than business assets unless real estate is the family's main occupation.
 - d) Assets not accessible to the family and which provide no income for the family.
 - e) Vehicles especially equipped for the handicapped.
 - f) Equity in owner-occupied cooperatives and manufactured homes in which the family lives.

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section J above will be updated with the same policy from Appendix VI to this ACOP.

K. Limitation on Assets

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section K, above will be updated with the same policy from Appendix VI to this ACOP.

L. Computation of Rent

1. The first step in computing rent is to determine each family's Total Tenant Payment (TTP). If the family is occupying a unit that has tenant-paid utilities, the utility allowance is subtracted from the TTP. The result of this computation, if a positive number, is the tenant rent. If the TTP less the utility allowance is a negative number, the result is the utility reimbursement, which is paid to the tenant.
2. TTP is the highest of:
 - a) 30% of adjusted monthly income; or
 - b) 10% of monthly income; but never less than the
 - c) Minimum Rent; and never more than the
 - d) Flat Rent, if chosen by the family (where applicable)
3. Tenant rent is computed by subtracting the utility allowance for tenant supplied utilities (if applicable) from the TTP. In developments where HCD pays all utility bills directly to the utility supplier, tenant rent equals TTP.

4. The minimum rent shall be \$50 per month; however, a hardship exemption shall be granted to residents who can document that they are unable to pay the \$50 because of a hardship. Refer to Chapter VII, Section B of this ACOP.
5. At initial certification and at each subsequent annual reexamination, the resident shall be offered a choice of paying either the income-based rent or the Flat Rent applicable to the unit they will be occupying.

M. Utility Reimbursements

Where the utility allowance exceeds the total tenant payment of the family, HCD will provide a utility reimbursement payment through a Utility Reimbursement Card. Deposits to the Utility Reimbursement Card will be made monthly. If the family owes any sums to HCD or any other housing authority, HCD may use any utility reimbursement amount owed to the family as payment.

HCD, at its discretion and as deemed operationally feasible, may make utility reimbursement payments directly to the utility company. Such direct payment shall not require the family's consent; however, HCD shall inform the family immediately upon its decision to make payments directly.

Effective July 1, 2025, upon the implementation of Housing Opportunity through Modernization Act of 2016 (HOTMA) and applicable regulations and guidelines promulgated by HUD, foster children and foster adults are household members and will be considered when determining utility allowance.

N. Earned Income Disallowance

HOTMA eliminated the Earned Income Disallowance (EID) effective January 1, 2024, however, tenants who are employed and are currently receiving the EID exclusion at the time of conversion will continue to receive the EID until the allowed time frame expires. No new families may be added. Further, within two years from the effective date of January 1, 2024, or January 1, 2026, no family will receive the EID benefit.

The Earned Income Disallowance (EID) is the exclusion from the calculation of the family's income, the increase in income attributable to new employment or increased earnings, over the income received prior to qualifying for the disallowance. The following applies to residents who qualified and are receiving EID benefits prior to January 1, 2024.

1. Lifetime Limit

a) 24-Month Period

The 24-month lifetime limitation applies to residents starting EID on or after May 9, 2016. This lifetime limitation shall be provided for a straight 24-month period (consecutive 12 months at 100% disallowance followed by the second and final consecutive 12 months at 50% disallowance with a fixed start and end date, irrespective of whether a family maintains continual employment).

b) 48-Month Period

The 48-month lifetime limitation applies to residents receiving EID prior to May 9, 2016 [24 CFR, § 960.255(b)(4)]. EID can be stretched out by temporarily stopping the clock when the resident becomes unemployed and restarting the clock upon reemployment within the applicable lifetime limit.

2. The periods of income disallowance are as follows:

- a) 100% disallowance of increased earnings: The initial 12-month cumulative full exclusion period begins on the date the qualifying family member experiences an increase in income attributable to employment or increased earnings. For tracking and administrative purposes, HCD can begin the EID on the first day of the month following the effective date of employment.
- b) 50% disallowance of increased earnings: The second 12-month cumulative exclusion period begins after the initial period ends.
- c) Each family member is entitled to a separate EID benefit. However, each family member is entitled to such benefit only once per lifetime and applicable period limit.

O. Rent Collection

Clients are mailed a monthly rent statement listing any transactions processed that month and indicating the balance due. HCD has initiated the following rent payment options for its residents:

Check, money order, or cashier's check mailed by the resident directly to HCD lockbox together with the payment stub from the rent statement for processing; or

Authorized direct debit from resident's checking or savings account; or Online

payment through major credit card;

Cash will not be accepted. Payments of any kind will not be accepted at the site offices.

VIII. Interim Rent Adjustments: Fixed Rent System

A. Adjusting Rent between Regular Reexamination

Rent may be re-determined between annual reexaminations when a resident undergoes a change in family composition or income. The resident must report changes in writing to the management office within ten (10) calendar days of the event.

1. Interim Reexamination shall be conducted when:
 - a) There is a change in the head of household that requires a remaining family member to take on the responsibilities of a leaseholder;
 - b) There is a change in the family composition that involve the loss or gain of a family member. An increase due to additions to the family by birth; adoption through the courts or by operation of law; or a decrease in family size may result in a change in the Tenant Rent. Such changes in family status must be reported in a timely manner by the family.
 - c) At the family's request, if family income decreases, it may be processed as per requirements listed under Chapter VII;
 - d) The rent is to be adjusted because the family is entering the 50% earned income disallowance period;
 - e) The rent is to be adjusted because the 50% earned income disallowance period ends (refer to Chapter XII, Section G of this ACOP);
 - f) A family has an increase in income as per requirements listed under Chapter VII.

2. Interim Rent Increases

The resident must request an interim adjustment of rent as a result of an increase in income. Increases in rent will be made effective the first day of the second month following the month in which the change is reported and proper verification completed. Failure to report an increase in income will result in a back charge retroactive to the effective date of the change.

3. Interim Rent Decreases

The resident may request an interim adjustment of rent as a result of a decrease or loss of income that will be for a period longer than 30 days. Decreases in rent will be made effective the first day of the month following the month in which the change is reported and proper verification completed.

4. Non-Interim Reexaminations

Note: Upon implementation of the HOTMA Final Rule Sections 102 and 104, Section A will be updated with the same policy from Appendix VI to this ACOP.

B. Earned Income Disallowance (EID) (refer to Chapter XII of this ACOP)

C. Misrepresentation by the resident

1. If the resident misrepresented facts to HCD resulting in rent that is less than the correct amount, the increase in rent shall be retroactive to the first of the month following the effective date of the change in income. In justifiable cases, HCD may take such action as it deems advisable in accordance with federal or Florida law, including but not limited to termination of assistance and eviction.

2. Decreases in income resulting from welfare fraud or from welfare cuts for failure to comply with economic self-sufficiency requirements are not eligible for rent reductions (imputed welfare income).

D. Hardship for Families Paying Minimum Rent

A hardship exemption shall be granted to residents who can document that they are unable to pay the minimum rent of \$50 because of a hardship. Interim reexaminations to temporarily adjust the rent will be made for families under hardship.

Residents qualify for a hardship exemption to the minimum rent if:

1. The family has lost eligibility for, or is applying for, a Federal, State or local assistance program;
2. The family would be evicted as a result of the imposition of the minimum rent requirements;
3. The income of the family has decreased because of changed circumstances, including loss of employment;
4. A death in the family has occurred; or
5. Other circumstances as determined by HCD.

The family should notify their AMP administrator or designee that they wish to request a hardship exemption. When the resident requests the hardship exemption, HCD will suspend the minimum rent requirement beginning the month following the family's request. The suspension will continue until HCD determines if there is a qualifying financial hardship and whether it is temporary or long term. HCD may not evict the family for nonpayment of minimum rent during the 90-day period beginning the month following the hardship exemption request.

If HCD determines that the hardship is temporary, less than 90 days, or if the family does not qualify for the exemption, the minimum rent will be reinstated retroactively to the suspension date. HCD will offer a repayment agreement to the family for the back rent owed.

If HCD determines that the hardship is long term, the family will be exempted from the minimum rent requirements so long as such hardship continues. The exemption shall apply from the beginning of the month following the family's request for the hardship exemption until the end of hardship and will be reviewed at least annually.

HCD, at its discretion, will request documentation from the residents to verify the type and extent of the hardship.

The minimum rent hardship exemption is retroactive to October 21, 1998. If any resident who qualified for the hardship exemption was charged a minimum rent since that time, the resident may be entitled to a retroactive credit.

IX. Choice of Rent: Flat Rents

Public Housing residents may choose between a Flat Rent or Income-based Rent that is based on family income as detailed in Chapter XII. Flat Rents are based on the unit market value and vary by unit size, type and by development location. HCD must offer new admissions to Public Housing developments a choice of paying a flat or income-based rent at the time of admission. At the annual reexamination, all Public Housing residents are offered the choice of paying the Flat Rent or Income-based Rent.

A. Development of Flat Rents

When developing the Flat Rent schedule, HCD will take the following information into consideration:

- Rents of non-assisted rental units in the immediate neighborhood
- Size of HCD's units compared to non-assisted rental units from the neighborhood
- Age, type of unit and condition of HCD's units compared to non-assisted rental units from the neighborhood
- Land use in the surrounding neighborhood
- Amenities (childcare, laundry facilities, playgrounds, community rooms, social services, education/job training programs, etc.) at HCD's properties and in the surrounding neighborhood
- Crime in HCD's developments and the surrounding neighborhood
- Quality of local schools serving each HCD development
- Availability of public transportation at each HCD development and
- Availability of accessible units for people with mobility impairments

B. Annual Update of Flat Rents

The Flat Rent structure shall be reviewed annually and adjusted accordingly using a rent reasonableness study based on the information listed above.

Per PIH Notice 2014-12 and PIH 2015-13, the following provisions were implemented:

1. Flat Rents will be set at no less than 80% of the Fair Market Rent (FMR) and reduced, if necessary, to account for utility costs.
2. If a new Flat Rent amount will increase a family's existing rental payment by more than 35%, then the new amount shall be phased in to ensure the family's rent does not increase by more than 35% annually.
3. The revised Flat Rents will be applied to new admissions upon the revision's effective date; however, when a current Public Housing resident chooses Flat Rent, their rent shall not be adjusted until the next regular annual reexamination.

C. Reexamination of Families on Flat Rents

Public Housing residents paying Flat Rents are required to recertify income every three (3) years, rather than annually. However, such residents are still required to participate in an annual reexamination for any changes in the family composition, to ensure that unit

size is still appropriate, and to check compliance with the community service requirements, if applicable.

D. Hardship of Families Paying Flat Rents

Families who have elected to pay flat rent are eligible to switch to a lower income-based rent, if the family has experienced a verified hardship such as:

1. loss in income because of changes in circumstances, including loss or reduction of employment, death in the family, or reduction in or loss of earnings or other assistance; and/or
2. increased expenses because of changes in circumstances, such as increased medical costs, childcare, transportation, education, or similar items.

X. Lease Termination Procedures

A. General Policy: Lease Termination

The Public Housing Lease (Lease) may be terminated by HCD in compliance with HUD regulations 24 CFR § 966 and in accordance with the provisions contained in Chapter 83, Part II, of the Florida Statutes. At the time the notice of lease termination is sent, all residents will receive HUD form 5380, *Notice of Occupancy Rights under the Violence against Women Act* form, and HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault, or Stalking and Alternate Documentation* form, at the time the applicant is denied assistance. See Chapter XIV—Violence Against Women Act of this ACOP for additional details.

The Lease may be terminated by the resident only after the end of the first year by giving 30 days written notice and upon compliance with all applicable procedures to properly vacate the unit and to depart in good standing.

HCD shall have the right to terminate or refuse to renew the Lease for failure by the resident to fulfill their obligations set forth in the Lease agreement and for serious or repeated violations by the resident of one (1) or more of the material terms of the Lease (including residents under the Homeless Pilot Program). HCD will not terminate the tenancy on the basis or as a direct result of the fact that the person is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking. Termination may happen under the following circumstances:

1. A resident or any member of the household fails to fulfill their obligations under the Articles of the Lease, the Community Policies, or Tenant Rules and Regulations, and any additions or amendments to the Lease, Community Policies or Tenant Rules and Regulations.
2. A serious or repeated violation by the resident or any member of their household of one (1) or more terms of the Lease.
3. Denial or disconnection of utility services that are paid by the Resident. HCD will not terminate assistance if the resident restores utility service legally and timely in compliance with 30-day notice to cure, or by the time the informal hearing takes place.
4. Tampering with utilities to illegally obtain service or changing the account to an adult person that is not listed in the Lease.
5. Any drug-related criminal activity, violent criminal activity, or non-violent criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other residents or employees of HCD. Any such criminal activity that resulted in a conviction shall be cause for termination of tenancy, and for eviction from the dwelling unit (See Chapter III, Section E – Criminal Activity for additional details):
 - a) Drug-related criminal activity whether “on or off” the premises for the Resident, any member of their household, or a guest, and “on” the premises for other person under the Resident’s control. Drug-related criminal activity shall include illegal possession, illegal manufacture, sale, distribution, use and/or possession with intent to manufacture, sell, distribute or use a controlled substance;
 - b) Violent criminal activity includes, but is not limited to: any criminal activity that has as one (1) of its elements the use, attempted use, or threatened use of physical force

- substantial enough to cause, or be reasonably likely to cause, non-trivial bodily injury or property damage;
- c) Non-violent criminal activity includes, but is not limited to: any activity that threatens the health, safety, or right to peaceful enjoyment by the residents, employees of HCD or any other Miami-Dade County personnel or official;
 - d) A fugitive felon or parole violator after conviction of a crime or attempt to commit a crime is considered a person that threatens the health, safety and right to peaceful enjoyment of the premises by other residents or employees of HCD;
 - e) HCD will not consider criminal related activities for juvenile household members under the age of 18 unless they are tried as adults for certain criminal offenses or if the acts occur on HCD property;
 - f) HCD may also terminate assistance based on the conduct underlying arrests, only if the conduct indicates the individual is not suitable for tenancy and HCD has sufficient evidence that the individual engaged in the conduct other than the fact of the arrest.
6. If an activity does not threaten the health, safety or right to peaceful enjoyment of the residents, but a warning has been issued to an individual or family, any subsequent warning regarding the same individual or family shall be considered a violation of the Lease.
 7. A record of alcohol abuse or pattern of abuse that poses a direct threat to the health or safety of others shall be considered a violation of the Lease.
 8. Failure by the resident to report to any reexamination interview or provide verification of any information required by HCD to include failure to sign and submit consent forms or other documentation to determine eligibility in the program. Clients who fail to comply are provided a 30-day notice to correct the issue.
 9. Discovery of material false statements in connection with information provided at application or reexamination, or fraud committed by the resident in connection with any federally assisted housing program.
 10. For Public Housing residents only, failure to comply with Federal, State or local public assistance program requirements related to work activities, community service and self-sufficiency requirements.
 11. If the resident or any member of their household, a guest or a person under the resident's control engages in the illegal use, or threatened use of or display of firearms, fire bombs or other weapons on HCD property.
 12. If the conduct of the resident, any member of their household, a guest or person under the resident's control, is such that there is a likelihood that their presence on the premises may lead to personal injury or property damage.
 13. For Public Housing residents, if school-age children do not attend school regularly and are absent more than 15 unexcused days within any 90-day period of a given school year except in instances of death, serious illness or injury, or the child who attains the age of 16 years files a formal declaration of intent to terminate school enrollment with the School Board.
 14. Serious or repeated damage to the dwelling unit, or the creation of physical hazards in the unit, common areas, grounds, or parking areas.

15. Extremely poor housekeeping, including hoarding and clutter that causes health and safety concerns or property damage.
16. Any fire on the premises caused by carelessness, failure to supervise children or unattended cooking.
17. If the resident, any member of their household, or a guest or person under the resident's control threatens, obstructs or interferes with a HCD employee or any government official conducting official business on or around the premises.
18. The resident refuses to accept HCD's proposed change(s) to the Lease.
19. If the resident repeatedly interferes with or does not follow the Lease or Community Policies, or if the Lease has expired and has not been renewed.
20. If through HUD's EIV system, HCD verifies that one of the household members is also participating in another federally housing program and that they have not relinquished the assistance within 30 days from the date of the move-in. In that case, HCD will require proof of the termination of the subsidized housing assistance prior to lease termination (see Chapter VI (E) (3) – Double Subsidy).
21. Tenants must use their unit address as their mailing address for all official PCHD correspondence. This correspondence includes but is not limited to reexamination appointments, rent change notifications, inspection appointments, inspection results, termination proceedings, etc. Exceptions may be made to this rule on a case-by-case basis, i.e. domestic violence victims or if a tenant is able to demonstrate that their mailbox has been tampered with and is unsecure by submitting official documentation from the US postal service and/or police records.
22. Being over-income in accordance with the parameters in Chapter VI of this ACOP.

B. Mitigating Circumstances

Before HCD makes a decision to send a notice terminating assistance, HCD shall consider all circumstances relevant to a particular case. This may include the seriousness of the offending action, the extent of participation by the leaseholder in the offending action, the effects that the eviction would have on family members not involved in the offending activity and the extent to which the leaseholder has shown personal responsibility and has taken all reasonable steps to prevent or mitigate the offending action (see Chapter III of this ACOP).

C. Notice Requirements

When HCD proposes to terminate a lease, the termination shall follow all applicable Federal and State laws.

The notice of termination to the resident shall state the reasons for termination, inform the resident of their right to make reply, settlement, and/or request a grievance hearing in accordance with the Grievance and Appeal Policy, Chapter IX of this ACOP.

1. HCD shall give a 7-day written notice of termination for serious violations of the Lease;

2. HCD shall give the applicable written notice of termination (30-Day Notice of Termination for Non-payment of Rent) for a resident's failure to pay rent. Such notice shall not be sent until the rent becomes delinquent in accordance with the Lease; and
3. HCD shall give a 30-day written notice of termination in any other case or cause.

D. Recordkeeping Requirements for Residents

In accordance to State of Florida records retention schedule, a written record of every termination and/or eviction shall be maintained by HCD at the developments, and shall contain the following information:

1. Name of resident, race and ethnicity, number and identification of unit occupied;
2. Date of the Notice of Lease Termination and any other state or local notices required, which may be on the same form and run concurrently;
3. Specific reason(s) for the Notice(s), with section of the lease violated, and other facts pertinent to the issuing of the Notice(s) described in detail;
4. Date and method of notifying resident; and
5. Summaries of any conferences held with resident including dates, names of conference participants and conclusions.

Such records may be maintained electronically.

XI. Grievance and Appeal Policy

When HCD's action or failure to act has an adverse effect on a public housing applicant or resident's rights, duties, welfare or status, the applicant will be afforded an informal review and the resident will be afforded a grievance hearing.

The grievance and appeal process described in HCD's Reasonable Accommodation Policy and Procedures (Appendix IV of the ACOP) shall be applied to those cases in which applicants or residents have been denied reasonable accommodation requests.

A. Applicant's Informal Reviews

1. Applicants during open registration who are not placed on the waiting list will not be offered an informal review.
2. Applicants denied program participation or removed from the waiting list shall be notified of such determination in writing and provided with 30 calendar days to request an informal review, generally after the initial interview. It is an applicant's responsibility to notify ALC when there is a change in address. Applicants whose mail is returned by the post office will be automatically withdrawn from the waiting list.
3. If HCD proposes to deny admission on the basis of a family member's criminal record, HCD will provide the family member with a copy of the criminal record either before or at the informal review and provide an opportunity to dispute the accuracy and relevance of that record.
4. Once a waiting list is closed, only applicants that have had an interruption in the eligibility process may request an informal review. Applicants that have not been selected, did not show to initial interview, or refused a unit without good cause (see Appendix I – Definitions of this ACOP) will not be granted an informal review once the waiting list has been dissolved.
5. Requesting an informal review

Applicants may request an informal review in writing to the address or fax number indicated on the adverse action notice. The request must be made within 30 calendar days from the date of the notice. HCD, at its sole discretion, may schedule an informal review at the applicant's request, beyond this timeframe, on a case-by-case basis. HCD will schedule the review for the next available hearing date and forward written notification to the applicant.

6. Informal Review Procedures

- a) The informal review will be conducted by designated HCD staff that shall listen to testimony or other evidence that the applicant may wish to present.
- b) Representatives from mixed finance developments (see Chapter I of this ACOP) may attend applicant's informal reviews to provide guidance on Low Income Housing Tax Credit (LIHTC) regulations and to explain reasons for denial of assistance.

- c) If the applicant fails to appear at a scheduled informal review, except for verifiable good cause (see Appendix I – Definitions of this ACOP), the applicant is in automatic default and the decision rendered by the designated HCD staff in their absence shall be final.
- d) The final decision shall be made in writing within 30 calendar days of the informal review. In extenuating circumstances, HCD Director or designee may review and modify the decision of an informal reviewer. However, the informal reviewer's decision shall not abridge any other rights the applicants have under law.

B. Resident's Grievance and Appeal

This resident grievance and appeal policy is based on the requirements, standards, and criteria set forth by U.S. Department of Housing and Urban Development, in the Code of Federal Regulations, Volume 24, Part 966-Lease and Grievance Procedures, with such modifications required by State and Local law. The policy shall be incorporated into and made a part of all the County Dwelling Leases for public housing governed by Part 966.

All residents of public housing are afforded ample opportunity for a fair and impartial hearing on matters involving the Public Housing Dwelling Lease executed between the resident and the County. This policy encompasses all other County instituted regulations which affect the resident's rights, welfare, or status, including victims of domestic violence under VAWA.

HCD has included in this ACOP the Final Rule of the Streamlining Administrative Regulations (Docket No. FR5743-F-03) effective April 7, 2016, regarding the resident's grievance and appeal process.

C. Applicability (Availability) and Exclusions

The grievance and appeal procedure shall be applicable and available to all individual grievances, except in the following cases, which may not result in a lease termination:

1. Non-Public Housing Lease, Rental or Purchase Agreements

This policy does not apply to the following Lease, rental or purchase agreements:

- The Section 23 and Section 10 Housing Assistance Payments Program
- The Section 8 Housing Assistance Payments Programs
- The Low-Rent Housing Ownership Opportunities Program (Turnkey II)

2. Disputes between residents not involving HCD.

3. Residents filing a grievance on behalf of another resident who is not part of their own dwelling lease.

4. Residents that file a grievance together (otherwise referred to as a class grievance).

5. Negotiating Policy Changes

This policy is not intended as a forum for initiating or negotiating policy changes between a group or groups of residents and HCD. Only interpretations of policy may be grieved, not the policy itself.

6. Enterprise Income Verification (EIV) Discrepancies

Discrepancies in wages shown in data provided by the Enterprise Income Verification (EIV) system must be clarified through third party verifications to employers. For EIV versus Social Security Administration (SSA) benefit discrepancies, HCD should request the resident to obtain a current, original SSA benefit letter within ten (10) business days of the interview day.

D. Definitions

For the purpose of this policy, the following definitions shall apply:

Such action or failure to act must adversely affect the rights, duties, welfare, or status of the resident bringing such dispute.

Grievance Hearing

Shall mean a proceeding at which a grievance is presented to a Hearing Officer or Hearing Panel. Deadlines to request a grievance hearing by the resident are as follows:

E. Hearing Officer or Hearing Panel

1. HCD may have a Hearing Officer or Hearing Panel.

- a) Hearing Officer

The Hearing Officer shall be a HCD employee appointed by HCD Director or designee, but such employee cannot be the public housing AMP Administrator or a member of their staff, from the development at which the resident submitting the grievance (complainant) resides. The Hearing Officer will maintain a log of all decisions made available, upon request, to the complainant or complainant's representative.

b) Hearing Panel

The Hearing Panel shall be three (3) people.

- (1) A Chief Hearing Officer who shall be a HCD employee appointed by HCD Director or designee; however, they cannot be the AMP administrator or a member of their staff at the development at which the resident submitting the grievance (complainant) resides. The Chief Hearing Officer will maintain a log of all decisions made available, upon request, to the complainant or complainant's representative.
 - (2) Two (2) members shall be resident representatives:
 - (a) One (1) representative shall be from the Overall Tenant Advisory Council (OTAC).
 - (b) One (1) representative shall be nominated by the Resident Council representative of the development in which the complainant resides. If the development does not have a recognized Resident Council, then OTAC will appoint a resident or OTAC member from the respective region.
 - (c) If OTAC or the development's Resident Council fail to nominate their respective representative, or in the event that the OTAC representative or the resident representative who lives at the development does not show up to the grievance hearing, the complainant may sign the "*Waiver of Panel Member for Public Housing Hearing Panel*" form in order to conduct the grievance hearing.
2. Representatives from mixed finance developments (see Chapter I of this ACOP) may attend grievance hearings to provide guidance on Low Income Housing Tax Credit (LIHTC) regulations and to explain reasons for adverse action.

F. Informal Settlement of a Grievance

1. As a condition prior to a grievance hearing, all grievances shall be personally presented, either orally or in writing, for informal settlement process to the AMP Administrator so that the grievance may be discussed informally and settled without a grievance hearing. The resident may be requested to complete a grievance hearing request form.
2. The AMP Administrator or designee will hold an informal settlement conference with complainant to address grievance, complete the "*Summary of Discussion-Informal Settlement of a Grievance*" form, and provide a copy of the form to the complainant, which will specify the following:
 - Date of the conference
 - Names of the participants
 - Complaint
 - Disposition of Complaint
 - Procedures to request a grievance hearing, if unresolved

3. If the complainant is not satisfied with the results of the informal settlement process, the complainant may request a grievance hearing within ten (10) working days from the date of receipt of the "*Summary of Discussion-Informal Settlement of a Grievance*" form. If the complainant does not request a grievance, the disposition of the grievance under the informal settlement process will become final.

G. Procedures for Obtaining a Grievance Hearing

1. Requesting a Grievance Hearing

Residents must request a grievance hearing in writing within ten (10) working days of receiving the results of the informal settlement process (see Section F of this Chapter) from their AMP Administrator or designee, subject to Section C of this Chapter. The written request must specify:

- a) The reason(s) for the grievance; and
- b) The action or relief sought.

2. Scheduling a Grievance Hearing

Upon compliance by a resident with provisions of this policy, a grievance hearing shall be scheduled within 30 days from receipt of the request for the next available date. By written notification from the Hearing Officer or Chief Hearing Officer, the date, time, location, and the procedures governing the grievance hearing will be made available to all parties to the complaint.

3. Grievance Hearings by Alternative Format

A grievance hearing may be held via telephone conference or through a virtual platform, if requested no less than three (3) business days prior to the grievance hearing, in situations where a health condition or mobility prevents any of the parties from attending the grievance hearing in person. A grievance hearing via telephone conference for any other reason shall be at the discretion of the Hearing Officer or Chief Hearing Officer. Grievance hearings held by telephone conferences are not allowed simply for the convenience of any of the parties.

H. Procedures for the Conduct of Grievance Hearings

1. Venue

The grievance hearing shall be held before the Hearing Officer or Panel at HCD's main office or the development in which the complainant resides, unless otherwise relocated for good cause.

2. Due Process

- a) The parties may be represented by legal counsel or another person chosen as a representative.
- b) The opportunity will be provided to the resident to examine before the grievance hearing and, at the resident's expense, to copy all documents, records, and regulations of HCD that are relevant to the grievance hearing, unless otherwise prohibited by law and in the event of hardship. In the event HCD does not comply

with a request to provide the resident with a copy of their file prior to the grievance hearing, HCD is prohibited from relying on the contents of the file at the grievance hearing as set forth in the federal regulations. Therefore, any document not so made available after a request by the resident may not be relied on by HCD at the grievance hearing.

- c) The resident or their representative has the right to present evidence and arguments in support of their complaint, to controvert evidence relied on by the County or the AMP administrator, and to confront and cross-examine all witnesses on whose testimony or information the County or the AMP administrator relies.
- d) HCD will provide reasonable accommodations to persons with disabilities for equal opportunity to participate in the grievance hearing (see Appendix IV of this ACOP).
- e) Limited English Proficiency (LEP) persons have the right to be provided with assistance in accordance with the LEP policy (see Chapter I of this ACOP).
- f) The resident has the right to a swift decision, rendered, and based only on the evidence presented at the Grievance Hearing.

3. Failure to appear

- a) If the complainant should fail to appear for a scheduled grievance hearing, except for verifiable good cause, they shall be in automatic default and the decision rendered by the Hearing Officer or Hearing Panel in their absence shall be final.
- b) In the event that the Resident Council Representative or the resident representative who lives at the development fails to appear, the resident may sign the "*Waiver of Panel Member for Public Housing Hearing Panel*" form in order to conduct the grievance hearing.
- c) The complainant and HCD shall be notified of the determination by the Hearing Officer or Panel. A determination that the complainant has waived their rights to a grievance hearing shall not constitute a waiver of any right that the complainant may have to contest the disposition of the complaint in an appropriate judicial proceeding.

4. Showing of Entitlement

At the Grievance Hearing the complainant must first make a showing of an entitlement to the relief sought. Thereafter, HCD has the burden of justifying the action or failure to act, against which the complaint directed.

5. Conduct of Grievance Hearings

The Grievance Hearing shall be conducted by the Hearing Officer or Chief Hearing Officer and oral or documentary evidence pertinent to the facts and issues raised by the complainant may be received without regard to admissibility under the rules of evidence applicable to judicial proceedings.

The Hearing Officer or Chief Hearing Officer shall require HCD, the complainant, OTAC, Resident Council representative, and other participants or spectators to conduct themselves in an orderly fashion. Failure to comply with the directions of the Hearing Officer or Chief Hearing Officer may result in exclusion from the proceedings, decisions adverse to the interest of the disorderly party, or denial of the relief sought, as appropriate.

6. Verification

The Hearing Officer or Panel must verify any document provided by the resident, such as evidence of completion of rehabilitation program or any other proof or testimony provided, before submitting the decision letter to uphold or overturn the denial of assistance

7. Transcript of Hearings

The complainant or HCD may arrange, in advance and at the expense of the party making the arrangement, for a transcript of the grievance hearing. Any interested party may purchase a copy of such transcript.

I. Decision of the Hearing Officer or Hearing Panel

1. Decision

The decision of the Hearing Officer or Panel shall be based solely and exclusively upon the facts and evidence presented at the grievance hearing, mitigating circumstances, and upon applicable HCD and Federal regulations and requirements.

Within 14 calendar days of the grievance hearing, the Hearing Officer or Chief Hearing Officer shall prepare a written decision, which shall contain the reasons supporting such decision. A copy of the decision shall be sent to complainant. The County shall retain a copy of the decision in the resident's lease file or such other folder.

The Hearing Panel must reach a majority decision. However, when members of the Hearing Panel are not in agreement, the Chief Hearing Officer may refer the case to HCD Director or designee for the final decision, who may request additional information and/or interview with the resident, if deemed necessary.

The decision of the Hearing Officer or Panel shall be final. In extenuating circumstances, upon the resident's written request for review, HCD Director may modify the decision of a Hearing Officer or Panel. The Hearing Officer or Panel's decision, however, shall not abridge any other rights the residents have under law.

2. Continuing Rights

A decision by the Hearing Officer or Panel in favor of HCD, or which denies the relief requested by the complainant in whole or in part, shall not constitute a waiver of, or affect in any manner whatever, their rights. Nor shall the decision affect in any manner whatever, any rights the complainant may have to a trial or other review in any judicial proceeding which may thereafter be brought in a matter.

3. Copies of Grievance Hearing Decision Letters

Copies of grievance hearing decision letters in addition to any documents or testimony presented at the grievance hearing are kept on file as per State of Florida retention schedules by the Hearing Officer, Chief Hearing Officer, or on site.

J. Eviction Actions

If a resident has requested a grievance hearing in accordance with Section G of this Chapter, the eviction procedure is suspended until the Hearing Officer or Panel produces its written decision. If the Hearing Officer or Panel upholds the decision of HCD to terminate the tenancy, eviction proceedings may be instituted immediately. If the resident fails to quit the premises within the applicable statutory period, or on the termination date stated in the notice of termination, whichever is later, appropriate action brought against them which may require that they pay court costs and attorney fees.

XII. Utilities and Maintenance Charges

A. Utilities

This section establishes the procedures for utility allowances for utilities purchased by residents of public housing developments. Utilities are defined as electricity, gas, water and sewer. Telephone and cable television are not considered utilities under this policy.

Effective January 1, 2024, upon the implementation of the Housing Opportunity through Modernization Act of 2016 (HOTMA) and applicable regulations and guidelines promulgated by HUD, foster children and foster adults are household members and will be considered when determining utility allowance.

1. Standard for utility consumption allowances

HCD shall establish for each development, a consumption allowance based on bedroom size that will afford a reasonable consumption of utilities by an energy conservative household of modest circumstances consistent with the requirement of a safe, sanitary and healthful living environment. The consumption allowance shall be a uniform monthly amount based on an average monthly utility requirement for a year.

2. Review and revision of allowance

- a) Annual review: HCD shall review the utility allowances annually or in accordance with federal regulatory requirements and shall adjust the amount of utility allowance if necessary to reflect changes in utility rates and/or utility consumptions.
- b) Interim revision due to rate changes: HCD may revise its utility allowances for resident-purchased utilities between annual reviews if there is a rate change (including fuel adjustments). HCD is required to do so if a rate change, by itself or together with prior rate changes not adjusted for, results in a change of 10% or more from the rates on which such allowances were based.
- c) Schedule of Utility Allowances: Schedules of utility allowances for each development are posted on the bulletin board in each development office and will be made available to the resident upon request.
- d) Relief from excess consumption: Residents may request relief from excess utility consumption if the request is based on medical needs of the elderly, ill or disabled resident or for special factors affecting utility usage not within the control of the resident.

B. Utilities Paid by the Resident

- 1. Utility accounts established and maintained by the residents must be in the name of an adult family member listed in the Public Housing Lease. Illegal tampering to obtain utility services or changing the utility accounts to an adult person that is not listed in the Public Housing Lease are grounds for termination of the Lease.
- 2. Some buildings have master meters that are currently paid by HCD. Due to utility modernization, however, building master meters may be replaced by individualized meters causing the utility costs to become the responsibility of the resident.

3. Residents are responsible for monitoring their utility consumption.

C. Maintenance Charges

1. This section establishes the procedures for maintenance charges in Public Housing developments.
 - a) A list of maintenance charges is posted in the development offices and will be made available to residents upon request.
 - b) Residents will be charged for materials and services as shown on the price list in effect at the time of repair for damages that are intentional or caused by negligence of the residents.
 - c) HCD will notify the resident by mail or in person of any maintenance charges for which they will be billed. A resident may then request a grievance hearing under the grievance procedure.
 - d) If a resident requests a grievance hearing to dispute maintenance charges, the charges will not become due until the grievance process has been completed.
2. Move-Out Charges:
 - a) Upon the move out inspection, residents will be held responsible for all damages beyond normal wear and tear to the unit and appliances.
 - b) Damages beyond normal wear and tear that are not repaired will be charged to the resident's security deposit and if necessary the resident's account at the time of move- out. The price list in effect at the move-out will be utilized to price labor and materials.
 - c) Photographs of the damages will be maintained in the tenant file in accordance with the retention schedule.

XIII. Fair Housing and Equal Opportunity

A. Non-discrimination Policy

1. HCD complies with all federal, state, and local antidiscrimination laws including, but not limited to: the Fair Housing Act; Section 504 of the Rehabilitation Act of 1973; and the Americans with Disabilities Act.
2. No person shall, on the basis of race, color, sex, religion, national or ethnic origin, familial status, marital status, status as a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking, actual or perceived sexual orientation, gender identity or gender expression, ancestry, age, pregnancy, disability, or source of income be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under programs operated and/or funded by HCD.
3. HCD prohibits inquiries regarding actual or perceived sexual orientation, gender identity or gender expression, which includes but is not limited to whether a person is transgendered.
4. HCD will provide applicants and participants with federal/state/local information regarding discrimination and any recourse available to them if they believe they may be victims of discrimination.
5. HCD will display the Fair Housing poster at HCD, Public Housing and Section 8 New Construction site offices. Upon eligibility determination, applicants will be provided with the Housing Discrimination Complaint form and information pertaining to procedures to be followed if the applicant believes they have experienced illegal discrimination.

B. Processing Non-Discrimination Complaints and Reasonable Accommodation Requests

1. All applicable Fair Housing Information and Discrimination Complaint forms will be made available at HCD's 504/ADA Coordinator's office and/or by the 504/ADA Coordinator mailing copies of information to person requesting same. In addition, all appropriate written information and advertisements will contain the appropriate written information, and advertisements will contain the appropriate Equal Opportunity language and logo.
2. HCD's 504/ADA Coordinator will assist any family that believes they have been discriminated against by providing copies of the federal and local housing discrimination forms and the addresses of the applicable offices. In addition, HCD's 504/ADA Coordinator will facilitate conciliation of discrimination complaints upon the request of complainants (see Appendix I- Definitions), to the greatest extent feasible.
3. HCD will cooperate with HUD in conducting monitoring and compliance reviews and complaint investigations, pursuant to all applicable civil rights statutes and regulations, Executive Orders, and all civil rights related program requirements.
4. Reasonable accommodation requests are processed through the 504/ADA Coordinator's office (refer to Section E of this Chapter).

C. Effective Communication Policy

HCD has an Effective Communication Policy to ensure effective communication with applicants, residents, program participants, employees, and people with disabilities. Such policy is Appendix II of this ACOP.

D. Emergency Evacuation Assistance Program Procedures

In case of emergency, HCD will take all necessary steps to address specific needs of its residents in consistency with the Miami-Dade County Emergency Evacuation Assistance Program, as described in Appendix III of this ACOP.

Additionally, HCD's Emergency Management Manual will continue to be reviewed to ensure that it contains all necessary provisions required for people with disabilities in emergency conditions.

E. Reasonable Accommodation Policy and Procedures

HCD's Reasonable Accommodation Policy and Procedures, as referenced through this ACOP, is Appendix IV of this ACOP.

XIV. Violence Against Women Act (VAWA)

A. Overview

Under the 2013 reauthorization of the Violence Against Women Act (VAWA) and Miami-Dade County Resolution No. R-644-12, HCD is required to implement internal policies to include provisions for protection of victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, regardless of sex, gender identity, gender expression or actual or perceived sexual orientation. For definitions of terms under this chapter, refer to Appendix I of this ACOP.

B. Notification of Occupancy Rights under VAWA

HCD provides applicants and residents with the HUD form 5380, *Notice of Occupancy Rights under the Violence Against Women Act* form, that explains the VAWA protections, including the right to confidentiality, and any limitations on those protections.

HCD also provides applicants and residents with HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault, Stalking or Alternate Documentation* form to be completed by the victim to document that the applicant or resident is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

The Lease, Lease addendum, or tenancy addendum, as applicable, shall include a description of specific protections afforded to the victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking.

C. Protections Provided Under the VAWA

VAWA provides specific protections for victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking.

1. VAWA provides that HCD may not deny admission or assistance to an applicant on the basis or as a direct result of the fact that the person has been a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking if the applicant otherwise qualifies for admission or assistance.
2. Provides that HCD may not terminate the Lease of a family that moves out of the dwelling unit in violation of the Lease, with or without prior notification to HCD, if the move occurred to protect the health or safety of a family member who is or has been the victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking and who reasonably believed they were imminently threatened by harm from further violence if they remained in the unit.
3. Provides that an incident or incidents of actual or threatened domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking may not be construed either as a serious or repeated lease violation by the victim or as good cause to terminate the Lease of the victim.
4. Provides that criminal activity directly related to domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking may not be construed as cause for terminating the Lease of a resident if a member of the resident's household, a

guest, or another person under the resident's control is the one engaging in the criminal activity and the resident or affiliated individual or other individual is the actual or threatened victim of the domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

5. Provides HCD with the authority to terminate the Lease to any resident or lawful occupant who engages in criminal acts of physical violence against family members or others without terminating assistance to, or otherwise penalizing, the victim of the violence.

D. Limitations of VAWA Protections

1. Nothing in this section limits the authority of HCD, when notified of a court order, to comply with respect to the rights of access or control of property, including civil protection orders issued to protect a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, or the distribution of property among household members.
2. Nothing in this section limits any available authority of HCD to evict or terminate assistance to a resident or tenant for any violation not premised on an act of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking that is in question against the tenant or an affiliated individual of the tenant. However, HCD must not subject the tenant, who is or has been a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking, or is affiliated with an individual who is or has been a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking to a more demanding standard than other tenants in determining whether to evict or terminate assistance.
3. Nothing in this section limits the authority of HCD to issue a termination of lease or evict a tenant if HCD can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to property or site would be present if that tenant or lawful occupant is not evicted or terminated from assistance. In this context, words, gestures, actions, or other indicators will be considered an "actual and imminent threat" if they meet the standards provided in the definition of "actual and imminent threat" in Appendix I of this ACOP.
4. Any termination of lease or eviction, as provided in paragraph D(2) of this section should be utilized only when there are no other actions that could be taken to reduce or eliminate the threat, including, but not limited to, transferring the victim to a different unit, barring the perpetrator from the property or site, contacting law enforcement to increase police presence or develop other plans to keep the property safe, or seeking other legal remedies to prevent the perpetrator from acting on a threat. Restrictions predicated on public safety cannot be based on stereotypes, but must be tailored to particularized concerns about individual residents.

E. Evidence Required as Proof of Domestic Violence, Dating Violence, Sexual Assault or Stalking

When confronted with cases of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or Stalking, HCD must provide the alleged victim with HUD form 5382, *Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation* and request that it be

returned within 14 business days. HCD may, but is not required, to extend the time period to submit the documentation with the approval of the division director or designee. In response to this request, the resident may complete HUD form 5382 or provide one of the following types of third party documentation:

- a) Court records (e.g., restraining and civil protection orders) or statements from a judge or other court officials;
- b) Medical records or statements from mental health professionals or medical professionals from whom the victim sought assistance in addressing domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking;
- c) Police reports or statements (e.g., records of police visits to the victim's address or telephone calls, which may include telephone calls to the police registering a complaint, a log of police runs made to the residence, and copies of all tapes and reports written by officers responding to a call);
- d) Reports or statements signed by workers (collectively, "professionals") from a domestic violence shelter or domestic violence program attesting to the time the victim spent in the shelter and the correlation to the incidents of abuse;
- e) Statements signed by a clergy or social worker, other employee, agent, or volunteer of an administrative agency, social service agency, victim service provider, domestic violence program, clergy, counselor, or attorney (collectively, "professional") from whom the victim sought assistance in addressing domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.
- f) Other credible evidence as corroborated by law enforcement or domestic violence providers.

Statements signed by above-mentioned professionals must specify, under penalty of perjury, that the professional believes the incident or incidents of domestic violence occurred and meet the definition of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking. Same statements must also be signed by the victim.

2. Conflicting Evidence

- a) If HCD receives conflicting evidence that an incident of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking has been committed (such as certification forms from two or more members of a household each claiming to be a victim and naming one or more of the other petitioning household members as the abuser or perpetrator), HCD may request third-party documentation from victims in order to resolve the conflict.
- b) The victim must provide the third party documentation within 30 days. If the victim fails or refuses to provide third-party documentation where there is conflicting evidence, HCD does not have to provide the victim with the protections contained in this policy.

F. Considerations for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

HCD must consider:

1. The nature and severity of each case while exercising discretion on whether or not family members or their guests pose an actual **and** imminent threat to the health, safety, or right to peaceful enjoyment of the premises by others. Any eviction or termination of assistance taken on this basis should only be used when there are no other actions that can be taken to reduce or eliminate the threat, including but not limited to:
 - a) Transferring the victim
 - b) Barring the perpetrator from the property
 - c) Lease bifurcation
 - d) Contacting law enforcement
2. Undertaking whatever actions permissible and feasible under HCD's programs to assist victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking (e.g., bear the cost of the transfer, the possible issuance of a Section 8 voucher, etc.), subject to availability of funding and resources and approval from HCD Director.
3. Removing the perpetrator of domestic violence from the Lease, while the remaining family members stay in the assisted unit, upon approval of the division director or designee.
4. The effects of denial or termination of assistance on other family members who were not involved in the offense.
5. The conditions barring the culpable household member from residing in or visiting the unit.
6. The circumstances relevant to an eviction or termination of tenancy based on the extent to which the person has shown personal responsibility to prevent the offending action, and the time that has elapsed since their arraignment for that crime.
7. The range of evidence as proof of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking, which may include, but is not limited to victim's statement, testimony or affidavit outlining the facts of the violence or cruelty in each incident, utilizing form HUD-5382.

G. Emergency Transfer Plan

1. HCD is concerned about the safety of its tenants, and such concern extends to tenants who are victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking. In accordance with the Violence Against Women Act (VAWA), HCD allows tenants who are victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking to request an emergency transfer from the tenant's current unit to another unit.
2. The ability to request a transfer is available regardless of sex, gender identity, gender expression, or actual or perceived sexual orientation. The ability of HCD to honor such request for tenants currently receiving assistance, however, may depend upon a preliminary determination that the tenant is or has been a victim of domestic violence,

economic abuse, technological abuse, dating violence, sexual assault, or stalking, and on whether HCD has another dwelling unit that is available and is safe to offer the tenant for temporary or more permanent occupancy.

3. This plan identifies tenants who are eligible for an emergency transfer, the documentation needed to request an emergency transfer, confidentiality protections, how an emergency transfer may occur, and guidance to tenants on safety and security. This plan is based on a model emergency transfer plan published by the U.S. Department of Housing and Urban Development (HUD), the Federal agency that oversees that HCD is in compliance with VAWA.

H. Eligibility for Emergency Transfers

1. A tenant who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking is eligible for an emergency transfer under the following conditions:
 - If the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant remains within the same unit that the tenant is occupying; or
 - If the tenant is a victim of sexual assault, the tenant may also be eligible to transfer if the sexual assault occurred on the premises within the 90-calendar-day period preceding a request for an emergency transfer.
2. A tenant requesting an emergency transfer must expressly request the transfer in accordance with the procedures described in this plan.
3. Tenants who are not in good standing may still request an emergency transfer if they meet the eligibility requirements in this section.

I. Emergency Transfer Request Documentation

1. To request an emergency transfer, the tenant shall notify HCD's management office and submit a written request for a transfer. HCD will provide reasonable accommodations to this policy for individuals with disabilities. The tenant's written request for an emergency transfer should include either:
 - A statement expressing that the tenant reasonably believes that there is a threat of imminent harm from further violence if the tenant were to remain in the same dwelling unit assisted under HCD's program; or
 - If applicable, a statement that the tenant was a sexual assault victim and that the sexual assault occurred on the premises during the 90-calendar-day period preceding the tenant's request for an emergency transfer.

J. Confidentiality

The information under the *Certification of Domestic Violence, Dating Violence, Sexual Assault or Stalking and Alternate Documentation* form will remain confidential and will be used by HCD only to provide the victims with the exceptions and protections under VAWA.

1. HCD must ensure that private information of victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking is protected in accordance with VAWA requirements.
2. HCD and/or its designee will keep confidential any information that the tenant submits in requesting an emergency transfer, and information about the emergency transfer,

unless the tenant gives HCD written permission to release the information on a time limited basis, or disclosure of the information is required by law or required for use in an eviction proceeding or hearing regarding termination of assistance from the covered program. This includes keeping confidential the new location of the dwelling unit of the tenant, if one is provided, from the person(s) that committed an act(s) of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking against the tenant. See the *Notice of Occupancy Rights under the Violence Against Women Act* form for more information about HCD's responsibility to maintain the confidentiality of information related to incidents of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking.

K. Emergency Transfer Timing and Availability

1. HCD and/or its designee cannot guarantee that a transfer request will be approved or how long it will take to process a transfer request. HCD and/or its designee will, however, act as quickly as possible to move a tenant who is a victim of domestic violence to another unit, subject to availability and safety of a unit.
2. If a tenant reasonably believes a proposed transfer would not be safe, the tenant may request a transfer to a different unit. If a unit is available, the transferred tenant must agree to abide by the terms and conditions that govern occupancy in the unit to which the tenant has been transferred. HCD may be unable to transfer a tenant to a particular unit if the tenant has not or cannot establish eligibility for that unit.
3. If HCD has no safe and available units for which a tenant who needs an emergency is eligible, HCD will assist the tenant in identifying other housing providers who may have safe and available units to which the tenant could move. At the tenant's request, HCD and/or its designee will also assist tenants in contacting the local organizations offering assistance to victims of domestic violence that are provided with HUD form 5380.

L. Safety and Security of Tenants

1. Pending processing of the transfer and the actual transfer, if it is approved and occurs, the tenant is urged to take all reasonable precautions to be safe.
2. Tenants who are or have been victims of domestic violence are encouraged to contact the National Domestic Violence Hotline at 1-800-799-7233, or a local domestic violence shelter, for assistance in creating a safety plan. For persons with hearing impairments, that hotline can be accessed by calling 1-800-787-3224 (TTY).
3. Tenants who have been victims of sexual assault may call the Rape, Abuse & Incest National Network's National Sexual Assault Hotline at 800-656-HOPE, or visit the online hotline at <https://ohl.rainn.org/online/>.
4. Tenants who are or have been victims of stalking seeking help may visit the National Center for Victims of Crime's Stalking Resource Center at <https://www.victimsofcrime.org/our-programs/stalking-resource-center>.
5. Tenants who are or have been a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking will be provided with HUD form 5380 that includes a list of local organizations offering assistance to victims of domestic violence.

M. Lease Bifurcation

1. HCD may, in accordance with paragraph 2 of this section, bifurcate a lease, or remove a household member from a lease in order to evict, remove, terminate occupancy rights, or terminate assistance to such member who engages in criminal activity directly relating to domestic violence, economic abuse, or technological abuse, against an affiliated individual or other individual:
 - Without regard to whether the household member is a signatory to the lease; and
 - Without evicting, removing, terminating assistance to, or otherwise penalizing a victim of such criminal activity who is also a tenant or lawful occupant.
2. A lease bifurcation, as provided in paragraph 1 of this section, shall be carried out in accordance with any requirements or procedures as may be prescribed by Federal, State, or local law for termination of assistance or leases and in accordance with any HUD requirements.

N. Reasonable Time to Establish Eligibility for Housing Assistance or to Find Alternative Housing

1. If HCD exercises the option to bifurcate a lease and the individual who was evicted was the eligible tenant, HCD will provide to the remaining tenant or tenants that were not already eligible a period of 90 calendar days from the date of bifurcation of the lease to establish:
 - eligibility under the same program, or
 - establish eligibility under another covered housing program (see definition in Appendix I), or
 - find alternative housing.
2. The 90-calendar-day period will not be available to a remaining household member if the statutory requirements for the same program prohibit it.

Note that if the remaining family members have not provided evidence of citizenship or eligible immigrations status, the tenant or tenants will be provided with 30 days to provide such evidence in accordance with 24 CFR, Part 5 Subpart L (refer to Chapter III of this ACOP).

3. The 90-day calendar period also will not apply beyond the expiration of a lease, unless this is permitted by program regulations.
4. HCD may extend the 90-calendar-day period up to an additional 60 calendar days, unless prohibited from doing so by statutory requirements of the covered program or unless the time period would extend beyond expiration of the lease.

O. Assistance for Victims of Domestic Violence, Dating Violence, Sexual Assault or Stalking

1. HCD shall refer victims of domestic violence, economic abuse, technological abuse, dating violence, sexual assault or stalking to the State of Florida Office of the Attorney General, State Attorney's Office or the Department of Law Enforcement to apply for participation in the Address Confidentiality Program for Victims of Domestic Violence.
2. HCD may collaborate with appropriate counseling and law enforcement entities to assist victims of domestic violence, economic abuse, technological abuse, dating

violence, sexual assault or stalking, including but not limited to the following services and programs for domestic violence victims:

- a) Certified Domestic Violence Centers:
 - Safespace Shelter: 305-758-2804
 - The Lodge: 305-693-1170
- b) Domestic Violence One Stop Center:
 - Coordinated Victims Assistance Center (CVAC): 305-285-5900

Effective:

EFFECTIVE COMMUNICATION POLICY
Appendix II of the ACOP

It is the policy of the Housing and Community Development (HCD) to ensure that communications with applicants, residents, program participants, employees, and members of the public with disabilities are as effective as communications with others.

HCD, including its employees, agents, contractors and private management companies/agents, shall furnish appropriate auxiliary aids and services, where necessary, to afford individuals with disabilities, including individuals with hearing, visual or cognitive disabilities, an equal opportunity to participate in, and enjoy the benefits of, the programs, services and activities conducted by HCD.

AUXILIARY AIDS AND SERVICES:

"Auxiliary aids and services" include, but are not limited to: (1) qualified sign language interpreters, note-takers, transcription services, written materials, telephone handset amplifiers, assistive listening devices, assistive listening systems, telephones compatible with hearing aids, closed caption decoders, open and closed captioning, telecommunications devices for deaf persons (TDDs), videotext displays, or other effective methods of making aurally delivered materials available to individuals with hearing impairments; and, (2) qualified readers, taped texts, audio recordings, Brailled materials, large print materials, or other effective methods of making visually delivered materials available to individuals with visual impairments.

REQUEST FOR EFFECTIVE COMMUNICATION:

When an auxiliary aid or service is required to ensure effective communication, HCD will provide an opportunity for an individual with a disability to request the auxiliary aid or service of their choice. HCD will give primary consideration to the choice expressed by the individual. "Primary consideration" means that HCD will honor the choice, unless it can show that another equally effective means of communication is available; or, that use of the means chosen would result in a fundamental alteration in the nature of its service, program, or activity or in an undue financial and administrative burden.

The individual will submit their request for auxiliary aids or services to the appropriate HCD staff person designated below. All requests shall be dated and time-stamped upon receipt by the appropriate HCD staff person.

Within forty-eight (48) hours of receipt of the individual's request, the designated HCD staff person will consult with the individual with the disability when the preferred type of auxiliary aid or service is not available or not required, and the staff person is attempting to ascertain whether an alternative means of communication will ensure effective communication.

Within five (5) business days following receipt of the effective communication request(s), the designated HCD staff person will provide the requesting individual with notification of the proposed auxiliary aid or service to be provided.

The ADA Coordinator will maintain copies of all requests for effective communication and, including final disposition, for the duration of this Agreement.

Individual requests for Effective Communication will be directed to the following HCD officials:

Resident Requests:

HCD resident requests for auxiliary aids or services should be made to the AMP administrator at the resident's development.

Applicant Requests:

Applicants for HCD housing should make requests for auxiliary aids and services to MDHA's Applicant and Leasing Center (786) 469-4300 phone, (305) 638-6014 TDD) or the ADA Coordinator (786) 469-2155 .

Other Requests:

Requests from members of the public who wish to participate in programs, services and/or activities of HCD shall submit their request(s) for auxiliary aids and services as directed in HCD notices, appointment notifications, forms, or brochures. They may also submit requests for auxiliary aids to the HCD 504/ADA Coordinator.

However, individuals with disabilities who request auxiliary aids or services for public events such as public hearings, Board hearings, public meetings, etc., shall make their requests no later than five (5) days prior to the event.

GRIEVANCE PROCEDURES:

If the requesting individual with a disability is not satisfied with the HCD's response to the individual's request(s) for an auxiliary aid or service, the individual may file a formal grievance, including appropriate supporting documentation, if any, with HCD's Section 504/ADA Coordinator. The grievance may be communicated orally or in writing.

However, all oral grievances must be reduced to writing and maintained in HCD's files. In addition, HCD shall provide assistance to any individual who requests assistance in filing a grievance, including assistance in reducing the individual's grievance to writing. All grievances shall be dated and time-stamped.

Within seventy-two (72) hours of receipt, HCD's Section 504/ADA Coordinator will respond to the individual's grievance.

The Section 504/ADA Coordinator will provide their formal decision, in writing, within ten (10) business days after receipt of the grievance.

If the individual is dissatisfied with the HCD Section 504/ADA Coordinator's determination, the individual may pursue remedies under HCD's HUD-approved Grievance Procedures.

Miami-Dade County Emergency and Evacuation Assistance Program

Applicant Instructions and Information

The Emergency and Evacuation Assistance Program (EEAP) is designed for individuals living at home that need assistance with evacuation and sheltering. Additionally, the program may also be utilized post disaster to provide other assistance such as wellness checks. Residents of assisted living facilities (ALF) or nursing homes do not qualify for this program, because these business entities must have their own emergency plans for their clients.

Please note that all Miami-Dade County residents are expected to make their own plans to evacuate their families and pets. It is important that everyone be responsible for their own safety and make a plan that includes where to go, who to contact, what to bring, and how to get there. However, the County realizes that some individuals may need assistance. Individuals meeting one of the following categories are eligible for assistance from the County:

- Those who require specialized transportation and/or have no transportation.
- Those whose medical needs prevent them from evacuating on their own.

Please note that upon processing your application, a representative from the Miami-Dade County Office of Emergency Management (OEM) will contact you if further clarification is necessary.

.....

What You Should Know To Be Evacuation Ready:

- The EEAP registry is used for any emergency requiring evacuation.
- **Do not wait until an evacuation order is given to request being added to the Registry.**
- Resources are limited and pre-registered clients will have priority when an emergency arises.
- Evacuation centers do not offer the same level of care equipment available as health care facilities.
- Only basic medical care and assistance are available.
- Special needs enhanced beds and cots are provided on a limited basis.
- Individuals requiring a higher level of medical care will be placed in participating local hospitals.
- **Due to a limited number of staff, we recommend that a caregiver accompany you and remain with you during your stay at the evacuation center to ensure your needs are met in a timely manners.**
- If you have a special diet, bring those dietary items with you so as you to ensure the highest level of comfort.
- Remember to bring a disaster kit that includes: bedding, medications, and personal supplies (food, water, and medical equipment).
- Ensure that you eat a meal prior to leaving your home.
- All Miami-Dade County evacuation centers accept individuals with service animals.
 - If you have a service animal, please include their food and supplies in your disaster kit.

All sections of this application must be completed. If you require a higher level of medical care, your primary care physician (PCP) should complete and sign this application prior to submitting it to our office. If more than one person in your household requires medical assistance during evacuations, each person must complete a separate application. Special instructions will be mailed to you once your application has been processed.

You will be contacted on an semi-annual basis to re-certify your need for this program. You do not need to complete an application every year. Should you have any questions, please call the EEAP Support Line at (305) 513-7700. Please keep a copy of the complete application for your records and mail the original to:

Condado de Miami-Dade

Programa de asistencia para evacuación en caso de emergencias Instrucciones e información para el solicitante

El Programa de asistencia para evacuación en caso de emergencias (EEAP) está concebido para las personas que vivan en sus hogares y que necesiten asistencia para ser evacuados y acudir a un refugio. Además, el programa también puede ser utilizado para recibir una llamada y así comprobar que todo esté bien después de un desastre. Los residentes de instalaciones de residencia asistida (ALF, sigla en inglés) o residencias para la tercera edad no califican para este programa debido a que estos negocios tienen sus propios planes de emergencia para asistir a sus clientes.

Por favor, tenga en cuenta que se espera que todos los residentes del Condado de Miami-Dade elaboren sus propios planes para evacuar a sus familias y mascotas. Es importante que todas las personas se responsabilicen por su propia seguridad y que elaboren un plan que incluya dónde ir, a quién contactar, que artículos traer y cómo llegar al sitio. Sin embargo, el Condado entiende que algunas personas pueden necesitar asistencia. Las personas que cumplan con una de las siguientes categorías pueden recibir asistencia del Condado:

- Personas que necesiten transporte especial y/o que no tengan medios de transporte.
- Personas cuyas necesidades médicas les impidan evacuarse por sí mismos.

Por favor, tenga en cuenta que al tramitar su solicitud, un representante de La Oficina de Manejo de Emergencias (OEM) del Condado de Miami-Dade se comunicará con usted de ser necesaria una mayor aclaración.

.....
Lo que debe saber para estar listo en caso de una evacuación:

- El registro del Programa de asistencia para evacuación en caso de emergencias (EEAP) se utiliza para cualquier situación de emergencia que requiera evacuación.
- **No espere hasta que se emita una orden de evacuación para pedir que se le incluya en el registro del programa EEAP.**
- Los recursos son limitados; por lo tanto, las personas inscritas tendrán prioridad en caso de emergencia.
- En los centros de evacuación no se ofrece el mismo nivel de atención o tecnología de equipos disponibles que existen en las instalaciones de atención médica.
- Solamente se cuenta con la atención y asistencia médica básicas.
- Las camas y catres mejorados para personas con necesidades especiales se ofrecen de manera limitada.
- A las personas que necesiten un nivel de atención médica superior se les dará refugio en hospitales locales que participen en el programa.
- **Debido al número limitado de personal, le sugerimos que su cuidador le acompañe y permanezca con usted durante su estadía en el centro de evacuación para garantizar que se atiendan sus necesidades de manera oportuna.**
- Si usted sigue una dieta especial, traiga esos alimentos dietéticos para asegurarse de tener el mayor nivel de comodidad posible.
- Recuerde traer un maletín para desastres con los siguientes artículos: ropa de cama, medicamentos y suministros personales (alimentos, agua y equipos médicos).
- Asegúrese de ingerir alimentos antes de salir de su vivienda.
- En todos los centros para evacuación del Condado de Miami-Dade se admiten personas acompañadas con animales de servicio.

Enstriksyon ak Enfòmasyon Aplikan

Pwogram Asistans Evakyasyon pou Ka Dijans (E&EAP) la te kreye pou moun ki gen bezwen espesyal k ap viv nan kay ki bezwen asistans pou evakye. Anplis de sa, yo ka itilize pwogram lan apre yon katastwòf pou ofri lòt asistans. Aplikan ki elijib yo se de moun ki gen yon pwoblèm medikal ki fè ke yo bezwen lojmanabri espesyalize ki pa disponib nan yon sant evakyasyon siklòn. Moun k ap viv nan sant ki bay asistans medikal (ALF) yo oswa mezon retrèt yo pa kalifye pou pwogram sa a paske, biznis sa yo fèt pou gen pwòp plan dijans yo pou kliyan yo.

Pa bliye tout moun ki rete Miami-Dade dwe prepare plan pa yo pou yo deside pou kont yo evakye fanmi yo ak bèt kay yo genyen. Sa enpòtan pou tout moun sonje se yo ki responsab pwoteje tèt yo epi prepare yon plan ki montre kote nou fè lide ale, ki moun pou nou kontakte, sa pou n pote, epi ki jan pou n al kote nou fè lide ale a. Se moun ki gen youn nan kalifikasyon sa yo sèlman k ap kapab jwenn èd nan men reprezantan Konnti a:

Gen kabann ak kad ki ranfòse pou moun ak bezwen espesyal, men kantite yo limite. Moun ki bezwen yon nivo swen medikal ki pi wo, tankou oksijèn kontinyèl, ekipman medikal elektrik pou soutni lavi yo epi yo gen yon kondisyon medikal ki avanse, yap mete moun sa yo lopital ki patisipe nan pwogram lan. **Akòz yon kantite limite nan anplawye yo, nou rekòmande ke yon moun kap bay swen akonpaye w epi yo rete ak w pandan sejou w nan sant evakyasyon an asire w bezwen yo te rankontre nan yon fason apwopriye.**

REASONABLE ACCOMMODATIONS POLICY AND PROCEDURES

Appendix IV of the ACOP

INTRODUCTION:

Policy Statement:

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of HCD's programs, services and activities. Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a HCD policy, HCD will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden or would be neither reasonable nor necessary. In such a case, HCD will make another accommodation that will not result in a financial or administrative burden or be either unreasonable or unnecessary.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

HCD will post a copy of these Reasonable Accommodation Policies and Procedures in the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of these Reasonable Accommodation Policies and Procedures, upon request, from Applicant Leasing Center Eligibility Interviewers, Public Housing AMP administrators, Section 8 Leasing and Contract Specialists, and HCD's ADA Coordinator.

For those who do not qualify as a person with a disability as defined by the Fair Housing Amendments Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, but who have a need for an accommodation because of a physical or mental impairment, HCD may still provide an accommodation to meet that need contingent upon reasonableness and availability of resources.

Legal Authority:

HCD is subject to Federal, state and local civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations:

See Section 504 of the Rehabilitation Act of 1973 (Section 504)¹; Title II of the Americans with Disabilities Act of 1990 (ADA)²; the Fair Housing Act of 1968, as amended (Fair Housing Act)³; the Architectural Barriers Act of 1968⁴, and the respective implementing regulations for each Act, State of Florida Statutes Sections 760.20-760.37, and Chapter 11A, *et. seq.* of the Code of Miami-Dade County.

¹ 29 U.S.C. § 794; 24 C.F.R. Part 8.

² 42 U.S.C. §§ 12101 *et seq.*

³ 42 U.S.C. §§ 3601-20; 24 C.F.R. Part 100.

⁴ 42 U.S.C. §§ 4151-4157.

Monitoring and Enforcement:

HCD's ADA Coordinator is responsible for monitoring HCD's compliance with the laws stated herein and this policy. Individuals who have questions regarding this policy, its interpretation or implementation should contact the ADA Coordinator in writing, by telephone, or by appointment, as follows:

ADA Coordinator
701 NW 1 Court, 16th Floor Miami, Florida 33136
(786) 469-2155 phone
(786) 469-4151 fax
Florida Relay Service: (800) 955-8771 (TDD/TTY)

Individuals may contact the ADA Coordinator regarding any complaints regarding their reasonable accommodation request.

In addition, individuals may exercise their right to appeal HCD's decision through the local offices of the following agencies:

United States Department of Housing and Urban Development
Office of Fair Housing and Equal Opportunity
909 S.E. 1st Avenue
Miami, FL 33131
(305) 536-4479
TDD/TTY: (305) 536-4743

United States Department of Justice

Miami, FL 33132

General Policy Information:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by HCD through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular program and individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs of the individual as well as the nature of the program or activity in which the individual seeks to participate.

Information and documentation regarding the policy of reasonable accommodations will be given to applicants, residents and program participants during the admission and occupancy cycle, including but not limited to during the recertification process, and upon request (see "Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests", page 10). Forms and other documents used for applicants, residents and program participants will, to the extent feasible, be written in plain, intelligible

language. When appropriate, HCD will provide documents in accessible formats, provide auxiliary aids, or, upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. The request may be made in any manner that is convenient for the person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

HCD will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, HCD will make modifications in order to enable a qualified applicant/resident with disabilities to live in the housing, but is not required to offer housing of a fundamentally different nature. The test is whether, with appropriate modifications, the applicant/resident can live in the housing that HCD offers; not whether the applicant/resident could benefit from some other type of housing that HCD does not offer.

DEFINITIONS:

Applicant: A person who successfully follows all of the required steps identified by HCD as necessary for becoming a participant in one of HCD's housing programs (for example: the Public Housing, Section 8 Housing Choice Voucher, or Section 8 Moderate Rehabilitation programs).

Assistive Animals: Animals that are used to give assistance to persons with disabilities and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals.

Mitigating Circumstances: Situations in which a requested reasonable accommodation enables an applicant, resident, or program participant to become lease compliant.

Resident: A person who successfully follows all of the required steps identified by HCD as necessary for residing in a dwelling administered under HCD's Public Housing Program.

Person with Disabilities: A person who 1) has a physical or mental impairment that substantially limits one or more major life activities, 2) has a record of such impairment, or 3) is regarded as having such impairment.

Physical Or Mental Impairment: A variety of conditions, diseases, illnesses, disfigurements and disorders including hearing/orthopedic/visual/speech impairments, alcoholism, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), cerebral palsy, cancer, or HIV infection, if the impairment substantially limits one or more major life activities.

Program Participant: A person who successfully follows all of the required steps identified by HCD as necessary for participating in HCD's Section 8 Housing Choice Voucher or Section 8 Moderate Rehabilitation programs).

Reasonable Accommodation: a change, adaptation or modification to a policy, program, service, or workplace, which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Reasonable accommodations may include, for example those, which are necessary in order for the person with a disability to use and enjoy their dwelling, including public and common use spaces.

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS:

To facilitate communication with persons with disabilities, HCD shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and to enjoy, the benefits of programs and activities. However, HCD is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, HCD shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that HCD, when necessary and appropriate, readily supplies to applicants, residents and program participants include but are not limited to:

1. Allowing transfers to another dwelling upon verification by a qualified verification source of a disability-based need for the transfer.
2. Providing additional explanation of program rules and requirements.
3. Offering documents, in accessible formats (e.g., large type, computer disk or Braille) and in plain language.
4. Permitting rent payments and required communications to be mailed rather than delivered in person.
5. Providing accessible housing to applicants and residents.
6. Providing another housing offer if an applicant, resident or program participant can demonstrate good cause that the rejection of the initial housing offer, for example, was because of the disability of an applicant, resident or program participant's household member.
7. Making a dwelling unit, part of a unit or public and common use elements accessible.
8. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), Assisted Listening Device (ALD), a qualified sign language interpreter, or a reader, when necessary for effective communication between HCD and an applicant, resident or program participant.
9. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
10. Allowing the use of assistive animals.
11. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant, resident, or program participant. If the applicant/resident/program participant requests such consideration or if more information is required, HCD will ask the applicant/resident/program participant to verify:
 - a. that the applicant/resident/program participant has a disability;

- b. that the specific situation(s) that led to application rejection or lease/housing assistance termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to application rejection or lease/housing assistance termination;
 - c. that the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
- 12. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applications normally allowed for people without disabilities.
- 13. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of HCD to provide effective communication.
- 14. Allowing a live-in aide to reside in an appropriately-sized dwelling unit.
- 15. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment.
- 16. Permitting an outside agency or family member to assist an applicant, resident or program participant in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

FUNDAMENTAL ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN:

HCD will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a requested accommodation to be a fundamental alteration does not eliminate HCD's compliance responsibilities. If a requested action would result in a fundamental alteration or undue financial and administrative burden, HCD may take another action that would not result in a fundamental alteration but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. HCD's determinations with respect to fundamental alterations will be made on a case- by-case basis.

ESSENTIAL OBLIGATIONS OF TENANCY:

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

1. To pay rent and other charges under the lease in a timely manner;
2. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
3. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises (for Public Housing, Section 8 Moderate Rehabilitation, Section 8 Housing Choice Voucher (Section 8 Voucher), and all applicable related programs);
5. To comply with all applicable US HUD regulations, and HCD rules, and program requirements and documents, (including the HCD Public Housing Conventional Lease and Community Policies and Section 8 HAP Contract) and to comply with health and safety codes; and
6. Actions that would change the essential obligations of tenancy.

TYPES OF ACTIONS CONSIDERED TO BE A FUNDAMENTAL ALTERATION:

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

1. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member);
2. Actions that require HCD to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by HCD;
3. Actions that require HCD to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that HCD offers; or
4. Actions that substantially impair HCD's ability to meet its essential obligations as a landlord, as defined in the HCD Conventional Public Housing Dwelling Lease (HCD Lease). HCD's obligations under the HCD Lease include management, administration, maintenance, or other services required for the operation of the program or upkeep of the property.

REASONABLE ACCOMMODATION PROCEDURES:

Initial Reasonable Accommodation Procedures:

1. HCD's *Reasonable Accommodation Request* form will be provided to all applicants as an attachment to HCD's application when the waiting list is opened.
2. During any point in the application process, applicants may make written requests using the Reasonable Accommodation form or if they are unable to complete the form, make a verbal request for reasonable accommodations to the following address and/or by calling the phone number indicated below:

Attention: Manager, Applicant Leasing Center (ALC)
HOUSING AND COMMUNITY DEVELOPMENT - ALC
1401 NW 7th Street
Miami, FL 33125
(786) 469-4300
Florida Relay TDD/TTY: 305-643-3377

Prior to eligibility interviews, applicants will send completed reasonable accommodation forms, and make all related requests and inquiries to, the ALC Manager. Also during this period, the ALC Manager or designee will send all necessary forms, and process all reasonable accommodation forms, requests and inquiries.

Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests:

HCD's Reasonable Accommodation Policies and Procedures, which includes the Reasonable Accommodation Request and Notice of Nondiscrimination on the Basis of Disability, will be posted in appropriate HCD business offices listed on page 1. The Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information forms will also be provided at eligibility determination, move-in and recertification by the AMP administrator (Public Housing) or HCD Contract and Leasing Specialist (Section 8) or their designees. When the designated employee (see "Making a Reasonable Accommodation Request," page 11) provides these forms, the recipient must sign the Acknowledgement of Receipt of Reasonable Accommodation Documents form, a copy of which must be placed in the recipient's file.

Forms and letters have been developed for an applicant, resident or program participant to request a reasonable accommodation. These forms are listed in the Appendix and are explained in later sections of this policy.

Although the process for requesting a reasonable accommodation is standardized, each request will be treated uniquely. The results will be unique to the individual, the property, and/or circumstances involved. Whenever possible, reasonable accommodation decisions will be made in a timely manner, and both denials and agreements to make accommodations will be documented in writing. If applicable, forms and notifications will be provided to the applicants, residents or program participants in an accessible format (such as Braille, large print, or audio tape) upon request.

Any meetings required by this policy will be held at an accessible location. Auxiliary aids will be provided upon request, where necessary to afford an individual with disabilities an equal

opportunity to participate in, and enjoy the benefits of HCD's programs and/or activities. Auxiliary aids are services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, HCD's programs or activities and include, but not limited to, qualified sign language interpreters, telecommunication devices for deaf persons (TDD's), Braille materials, audio recordings, materials in large print, note takers, or assistive listening devices. If auxiliary aids are requested by any person, including but not limited to an applicant, resident or program participant, such accommodations shall be made available. This requirement is contingent upon the requestor having given prior notification to HCD, e.g., on the application form in the case of an applicant, before any meetings held by HCD, etc. A person requiring an auxiliary aid shall make their request to HCD by providing a minimum of five (5) days advance notice. In most instances, this will allow sufficient time to provide these accommodations.

Appointments letters, notices of meetings, brochures and other HCD communications inform applicants, residents and program participants of their rights to auxiliary aids and how to contact the HCD staff person to whom these requests should be made. All HCD staff persons receiving requests for auxiliary aids will record these requests on the "Auxiliary Aids Request" form.

If HCD is not able to accommodate a disabled person who has requested an auxiliary aid, HCD will take appropriate action, including, but not limited to, rescheduling any meetings.

The Miami-Dade County contract for sign language interpreter services has a 48-hour advance cancellation requirement. In order to ensure compliance with this cancellation policy and prevent charges in full if the requirement is not met, the requestor will be required to notify staff or the County no less than 72 hours in advance if they anticipate not being able to attend the scheduled activity.

HCD will schedule sign language interpreters when a request is received at least five (5) days prior to any scheduled activity.

Making a Reasonable Accommodation Request:

Applicants, residents and program participants may make a reasonable accommodation request at any time. If the applicant/resident/program participant is unable to complete any of the following reasonable accommodation forms (Request Forms): *Reasonable Accommodation Request*, *Live-in Aide Agreement*, or *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Public Housing Only) forms, the request will still be considered. If the applicant/resident/program participant is unable to complete any of the Request Forms, the Eligibility Interviewer, AMP administrator, Contract and Leasing Specialist, or other designated employee must offer assistance and, upon consulting with the applicant, resident or program participant, complete the Request Forms to the best of their ability for record-keeping purposes. The designated employee must review the completed Request Forms, as appropriate, with the applicant, resident, or program participant. The designated employee must ensure that all reasonable accommodation requests are written on the applicable forms, no matter how the requests are communicated. The designated employee shall not give any assurances to the applicant, resident, or program participant that the request for reasonable accommodation will be granted or denied, but shall convey to the applicant, resident, or program participant that the requests will be reviewed and a final determination will be made at a later date described within this policy. If the accommodation is reasonable, HCD will consider the request.

The general procedures for making a reasonable accommodation request (subsequent to application process) are as follows:

1. At the eligibility determination phase, the Eligibility Interviewer, Contract and Leasing Specialist or other designated employee shall provide the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request* (which includes an attachment entitled "Examples of Reasonable Accommodations") and *Reasonable Accommodation Information* forms. The designated employee must obtain the signature of the applicant on the *Acknowledgement of Receipt of Reasonable Accommodation Documents* form indicating that they have received these forms. That form must be kept in the applicant's file. The Eligibility Interviewer, Contract and Leasing Specialist or other designee is the person to whom requests should be submitted at this phase. The designated employee shall also read a script entitled *Reasonable Accommodation Script* that clearly and simply indicates what a reasonable accommodation is and the fact that an applicant, resident or program participant has a right to a reasonable accommodation. The designated employee shall ask all applicants if they want to designate a contact person if needed to assist them because of their disability.
2. The AMP administrator, Contract and Leasing Specialist or designated employee will notify all Public Housing residents/Section 8 program participants of their right to request a reasonable accommodation by providing them with the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request*, and *Reasonable Accommodation Information* forms during move-in and recertification. They will also be notified that they may obtain additional *Reasonable Accommodation* forms from the designated employee at any time.
3. Applicants, residents, and program participants will submit all requests for reasonable accommodation to the designated employee as appropriate (see paragraphs 1 and 2 above) on the Request Forms and will obtain the Request Forms from those employees. Applicants, residents, and program participants will also obtain the Authorization for Release of Information from the designated employees as appropriate (see paragraphs 1 and 2) and return completed copies of these release forms to those same employees. If applicants, residents or program participants cannot use or complete a form because of their disability, the designated employee will still respond to their requests for reasonable accommodation and assist the applicant, resident or program participant in completing and using the form.
4. HCD shall assure that all medical records or any other documents related to the medical condition of the applicant, resident or program participant are protected from disclosure pursuant to all applicable federal and state laws, including but not limited to the Health Insurance Portability and Accountability Act of 1996 and Chapter 119 of the Florida Statutes (Public Records Law). All documents regarding the medical condition of applicants, residents, and program participants must be stored in secure, locked cabinets in the offices of the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager or Section 8 Tenant Selection Supervisor (as applicable). Medical documents must never be stored with applicant or tenant files. Access to medical documents and information is restricted solely to those employees who must have access to that information in order to provide a reasonable accommodation. This may include the ADA Coordinator, Applicant Leasing Center Chief (for applicants), Regional Managers (for Public Housing residents), and Tenant Selection Supervisors (for applicants and Section 8 program participants).
5. Within two (2) business days of receipt of the Request Form, the Eligibility Interviewer (for applicants), AMP administrator (for Public Housing residents), Contract and Leasing

Specialist (for Section 8 Moderate Rehabilitation applicants and for Section 8 program participants) or other designated employee will fax a copy of the Request form and the following Verification Forms (as applicable) to the verification source indicated on the Request Form to verify disability and document the need for the reasonable accommodation: *Reasonable Accommodation Verification*, *Letter to Verification Source for a Reasonable Accommodation Request*, and *Live-in Aide Agreement/Live-in Aide Verification*. The fax notifies the verification source that the completed Verification form must be returned to the designated employee within ten (10) business days and that failure to do so may result in the request being denied.

6. Within two (2) business days of receipt of the Request Form, the designated employee will also forward this form to the ADA Coordinator for monitoring purposes.
7. The designated employee places a follow up call to the verification source within one (1) business day of faxing the documents to confirm receipt of the documents. If the forms have not been returned to the designated employee within five (5) days of being sent, the designated employee faxes a reminder to the verification source that the completed Verification form must be returned to the designated employee within five (5) business days and that failure to do so may result in the request being denied. If the Verification form is returned within ten (10) business days of being sent, proceed to step 8 (below). If the verification source does not return the Verification form within ten (10) business days of being sent, the designated employee forwards this information to the Applicant Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager, Section 8 Tenant Selection Supervisor or other designated supervisor who must forward the documents to the ADA Coordinator with their recommendation for denial.
8. Within two (2) business days of receipt of the completed Verification Form and any supporting documentation, the designated employee will forward the applicant's, resident's, or program participant's Request Form, Verification Form, and any supporting documentation to the designated supervisors in a sealed envelope.
9. The following forms may be used by the designated supervisor (see item 6, above) to communicate with applicants, residents or program participants and verification sources regarding Request and Verification Forms: *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation* (if applicable), *Request for More Information or Verification Regarding a Reasonable Accommodation Request*, or *Letter to Verification Source for a Reasonable Accommodation Request* (as applicable).
10. Should the designated supervisor determine that the Verification Form is incomplete or lacking in adequate detail, the designated supervisor will fax the form to the verification source within two (2) business days of receipt. The fax will indicate the necessary changes, and advise the verification source that the necessary changes must be incorporated and the corrected form must be returned within ten (10) business days. The fax also informs the verification source that failure to return the corrected form within the allotted time may result in the request being denied. The designated supervisor will place a follow-up phone call within one (1) business day of sending the fax to confirm receipt. The designated supervisor will send a reminder fax within five (5) business days of sending the fax should the documents fail to be returned within that time, again informing the verification source that failure to return the corrected form within the allotted time (five (5) days) may result in the request being denied. If the verification source returns the corrected Verification Form within ten (ten) business days, proceed to the decision processes outlined in items 11 and 12 below. Should the verification source

fail to return the corrected Verification Form within the allotted ten (10) business days, the designated supervisor will forward all Request and Verification Forms and any other applicable documents to the ADA Coordinator with recommendation that the reasonable accommodation request be denied for lack of proper verification, but that the request will be reconsidered should the requestor wish to resubmit it.

11. All decisions of the designated supervisors to grant reasonable accommodations will be communicated in writing (or in the appropriate, accessible format as previously indicated) to the applicant, resident or program participant and the ADA Coordinator within ten (10) business days of their receipt of correctly completed Request and Verification Forms via the *Approval/Denial of Reasonable Accommodation Request* form. The *Approval/Denial of Reasonable Accommodation Request* (Approval/Denial) form also advises the requestor of a projected date (if that can be estimated at the time of approval) by which HCD intends to provide the accommodation and indicates a phone number for the requestor to call in case of questions. If necessary, the ADA Coordinator is available for consultation on these matters. All requests for reasonable accommodation that are approved by the designated supervisors will be implemented or the process of implementation will begin within fourteen (14) days. If the implementation or the initiation of implementation should be longer, the requestor will be notified in writing within fourteen (14) days with an estimated date of completion.
12. All recommendations by the designated supervisor to deny reasonable accommodation requests must be reviewed by the ADA Coordinator prior to being released to the requestor. The designated supervisor will transmit their recommendations to deny reasonable accommodation requests to the ADA Coordinator within ten (10) business days of their receipt of the Request and Verification Forms. All decisions of the ADA Coordinator to grant or deny reasonable accommodation requests will be communicated in writing via the *Approval/Denial of Reasonable Accommodation Request* form (or in the appropriate, accessible format) to the applicant, resident, or program participant within thirty (30) business days receipt of the designated supervisor's recommendation, the Request and Verification Forms, and all other supporting documentation. Should the requestor wish to contest any adverse action pursuant to the Reasonable Accommodation Grievances and Appeals section, they may do so by requesting a Reasonable Accommodation Grievance or Appeal Hearing (Hearing). The *Approval/Denial of Reasonable Accommodation Request* form provides information regarding HCD's grievance/appeals procedure. If the person who wishes to contest an adverse action is unable to do so by written means because of their disability, HCD will consider alternate means by which the person may communicate the appeal. Should the requestor wish to contest the Reasonable Accommodation Grievance or Appeal Hearing Committee's decision, they may do so by following the *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*.
13. See the "Reasonable Accommodation Grievances and Appeals" section for additional information.

All forms must be date- and time-stamped by the HCD employees who receive them.

Determining Whether to Provide the Accommodation:

1. The first step in determining whether to provide the accommodation is to verify whether the party requiring the accommodation meets the definition of an Individual with Disabilities. The designated supervisors will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make a reasonable accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 2.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) about this request, using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or a meeting or discussion will be requested to obtain additional information using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
2. The second step is to verify that the requested accommodation is related to the disability (for example, if a person (who was the only household member) had a disability but no mobility impairment, and requested a wheelchair-accessible dwelling, the requested accommodation would not be related to the disability). The designated supervisor will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make the accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 3.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) using the *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
3. Is the requested accommodation reasonable? The Guidelines For Determining Reasonableness listed below will be followed by the designated supervisor in determining the reasonableness of the request.
 - a. If YES, HCD will approve the request for reasonable accommodation. A written description of the accommodation will be included in the approval letter.
 - b. If NO, HCD may deny the request or may suggest/offer another alternative accommodation if appropriate. The denial or suggestion/offer will be made in writing (in an accessible format, if requested). All denials must be submitted to the ADA Coordinator for review prior to release to the requestor.

- c. If more information is needed, the designated supervisor must either write for more information and notify the verification source and/or applicant/resident/program participant (as applicable) using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* forms, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.

Guidelines for Determining Reasonableness:

1. The purpose of the Verification Forms is to verify:
 - a. That the requestor is a person with disability;
 - b. That the requested accommodation is related to the applicant's, resident's, or program participant's disability; and
 - c. That the requested accommodation would (or will) provide the applicant/resident/program participant with an equal opportunity to use and enjoy HCD housing programs.
2. HCD retains the right to investigate alternatives to the requested accommodation, and/or alternative methods of providing the requested accommodation.
3. If an alternate accommodation satisfies the needs of the person with disabilities and is equally effective, HCD may select the accommodation that is most convenient and cost-effective. HCD will take the preferences of the applicant/resident/program participant into consideration in making such a determination. An alternative accommodation may include a change in procedure or policy, rather than a structural change, when the policy or procedure change would be equally effective. Under any circumstance, the requestor would still have a right to request an additional accommodation should the alternate accommodation proves unsatisfactory. The requestor retains the right to request an additional accommodation as needed.
4. If the requested accommodation constitutes a fundamental alteration to any HCD program, and there are no other appropriate solutions, the request will be denied, and the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute a fundamental alteration. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.
5. If the requested accommodation creates an undue financial and/or administrative burden, and there are no other appropriate solutions, the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute an undue financial and/or administrative burden. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.

Reasonable Accommodation Grievances and Appeals:

If an applicant, resident or program participant disagrees with a reasonable accommodation decision, they may request a Reasonable Accommodation Grievance and Appeal Hearing by

submitting a request which may be written, oral or by any other means of communication accessible by the requestor. The name, address and phone number of the contact person for scheduling a Reasonable Accommodation Grievance and Appeal Hearing is:

ADA Coordinator
701 NW 1 Court, 16th, Floor
Miami, Florida 33136
(786) 469-2155 (office)
Florida Relay Service: (800) 955-8771 (TDD/TTY)

HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee shall convene the grievance or appeal hearing within thirty (30) business days of the receipt date of the request. The Reasonable Accommodation Grievance and Appeal Hearing Committee is composed of the members of the Section 504/ADA Policy Committee appointed by the HCD Director. The Section 504/ADA Policy Committee members are HCD Division Directors and other applicable staff whose responsibilities include matters related to Section 504/ADA. No HCD employee who was involved in the initial decision(s) regarding a reasonable accommodation request that is the subject of a hearing shall sit on HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee during the hearing related to that request.

The applicant, resident or program participant may bring documents, witnesses and/or representatives to the Reasonable Accommodation Grievance and Appeal Hearing in order to contest the manner in which a reasonable accommodation is proposed to be (or was) implemented, the denial of a reasonable accommodation request, or any other applicable disability-related decision made by the ADA Coordinator.

Should the requestor wish to contest the Reasonable Accommodation Grievance and Appeal Hearing Committee's decision, they may do so by following the Miami-Dade County ADA Grievance Process.

Discontinuation of Reasonable Accommodation:

HCD will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodation, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant, resident or program participant with disabilities and it will include a request for the resident to indicate if the change would not meet their needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

Application and Waiting List:

The application and/or application instruction forms for all Public Housing, Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation programs shall include the following:

1. Notice that if the applicant is unable to complete the application due to disability, or needs the form in an alternate format, they may request such assistance.
2. Notice of the manner in which the applicant should request the required assistance as described in the item above.

3. A question prompting the applicant to indicate whether their or a member of the household has a disability.
4. A question prompting the applicant to indicate any special features a household member requires in a rental unit because of disabilities.

In the Public Housing and Moderate Rehabilitation programs, priority for a vacant unit with accessibility features will be given first to current residents who require those features, and then to applicants requiring the same. If there is no other resident or applicant on the waiting list needing units with accessibility features, HCD may house the next eligible, non-disabled applicant in the unit. HCD will also inform the applicant that pursuant to HCD's policy and HCD's Public Housing Lease, if another resident or eligible applicant requires the accessible features of the accessible unit, and another unit is available, then the non-disabled family/individual residing in the unit with accessible features must transfer to another unit within fifteen (15) days receipt of notice to move.

Notwithstanding HCD's policies, residents who require a transfer as a reasonable accommodation are not prohibited from transferring within the first year of residency.

In addition, HCD may grant an exception to its Occupancy Policies (set forth in the Section 8 Administrative Plan (Admin Plan) and the Public Housing Admissions and Continued Occupancy Policy (ACOP)) by providing a larger unit as a reasonable accommodation to a family member with disabilities.

HCD may allow an applicant or program participant family to have an extra bedroom to accommodate a family member who requires certain medical equipment or for other verifiable reasons. The need for such equipment must be verified by a qualified health care professional as a necessary reasonable accommodation.

HCD may grant reasonable accommodations by reinstating applicants with disabilities, who fail to respond within the required time frame to inquiries regarding updating the waiting list, if the reason they did not respond is reasonably related to their disability. HCD may grant reasonable accommodations by reinstating applicants with disabilities for other reasons on a case-by-case basis.

Mitigating Circumstances:

General failure to comply with lease terms or other program policies may lead to termination or denial of assistance.

The ACOP and Admin Plan indicate that HCD Public Housing residents or family members and Section 8 program participants shall comply with all lease terms including but not limited to:

- Any violent criminal activity,
- Any drug-related criminal activity, or
- Other activities in violation of the lease.

HCD staff may become aware that an applicant's ineligibility determination, or a resident's or program participant's termination of assistance determination, occurred because of their disability. This knowledge may be acquired during an informal review for applicants or during an informal hearing for residents or program participants. This section addresses this issue.

If an applicant, resident or program participant has a history of behavior or displays behavior that may result in a violation of the HCD Lease or in violation of program regulations or policies, the HCD Tenant Selection Supervisor (Supervisor), Regional Manager or other designated employee may make an initial determination that the applicant is ineligible or that the resident or program participant should be terminated.

The notices of ineligibility (for applicants) or termination of assistance (for residents and program participants) inform applicants of their right to request an informal review or residents and program participants of their right to an informal hearing.

During the informal review or hearing, if the applicant, resident or program participant informs the Hearing Officer that a requested reasonable accommodation may enable the applicant to become lease compliant, the Hearing Officer will forward the reasonable accommodation request to the ADA Coordinator and continue the informal review until the ADA Coordinator renders their determination.

Applicants may appeal the ADA Coordinator's determination according to the processes described in the Reasonable Accommodation Grievance and Appeals section.

Disability-Related Activities and Reasonable Accommodations Unique to the Section 8 Program:

HCD will do or allow the following:

1. HCD will encourage participation in the Section 8 Voucher program by owners, including encouragement of participation by owners having accessible units.
2. The HCD Section 8 Contract and Leasing Specialist (Specialist) or designee will furnish a current listing of available accessible units known to HCD to all families that include a person with a disability and, if necessary, otherwise assist the family in locating an available accessible dwelling unit in an accessible environment, to the extent feasible.
3. The Specialist or designee will take into account the special problem of ability to locate an accessible unit in an accessible environment when considering requests by eligible individuals with disabilities for extensions of Section 8 Vouchers.
4. The Specialist or designee will allow Section 8 Voucher holders to request a reasonable accommodation, in the form of an extension of the issued Voucher beyond 120 days, by following the standard reasonable accommodation request procedure. Approvals of voucher term extensions beyond 120 must be consistent with the Admin Plan.
5. HCD may, if necessary as a reasonable accommodation for an individual with a disability, approve a family's request for an exception payment standard amount under the Housing Choice Voucher Program so that the program is readily accessible to and usable by individuals with disabilities. See 24 C.F.R. §§ 8.28 and 982.504(b)(2).
6. Upon request by an applicant, participant, or their representative, HCD will ask the HUD Field Office for an exception payment standard up to 120% of the Fair Market Rent (FMR). However, the applicant, participant or the representative, must provide documentation of the need for the exception payment standard to HCD.

7. In exceptional cases, HCD may ask the Assistant Secretary for Public and Indian Housing of HUD for an exception payment standard amount over 120% of the FMR, provided the applicant, participant or the representative provides the appropriate supporting documentation.
8. Upon request, the Supervisor or designee may allow a higher utility allowance as reasonable accommodation for a person with disabilities, if appropriate.
9. The Supervisor or designee shall deny participation of units when the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the participant family, unless the Supervisor or designee determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. The process by which a participant family may request such accommodation is described on pages 11 through 15. All initial recommendations to deny reasonable accommodation requests must be reviewed by the ADA Coordinator for final determination.
10. Annual recertifications shall be conducted at the offices of the HCD Private Rental Housing Division. If a housing program participant is unable to come to the office for the recertification due to disability, the Supervisor or designee may allow, on a case-by-case basis, and at the request of the program participant, the program participant to be reexamined either by mail or by an at-home visit.
11. The Supervisor or designee will take into consideration the interests of persons who are disabled in making decisions as to which family member shall assume the application if the family divides.
12. Permitting requests for extensions of Section 8 Vouchers may be allowed if there is a difficulty in locating a unit with suitable accessible features or otherwise appropriate for the family.

HCD PUBLIC HOUSING ASSISTIVE ANIMAL POLICY:

Assistive animals are also referred to as service animals, support animals or therapeutic animals. They give assistance to persons with disabilities and are necessary as a reasonable accommodation.

Animals **do not** have to be trained to be assistive animals. An animal not trained to be an assistive animal, yet prescribed to provide emotional support to improve a person's symptoms caused by chronic mental illness, is also an example of an assistive animal. In addition, a seeing-eye dog or a dog trained to assist a hearing impaired person would also be examples of assistive animals.

HCD will not charge a pet deposit for an assistive animal kept in accordance with all HCD policies and housed in a development or building owned by Miami-Dade County and administrated by HCD. All residents are, however, responsible for reimbursing the appropriate parties should their assistive animal cause damage to the unit, the common areas and elements or to any other the property of the residents in a development or building owned by Miami-Dade County and administrated by HCD, including but not limited to the property occupied by other residents of the public housing development or other property owned by Miami-Dade County and administrated by HCD.

HCD will also not apply its animal weight policy or any other policy which will unreasonably deny a disabled applicant, resident or program participant, who requires an assistive animal, the full use and enjoyment of their dwelling or the common areas.

The HCD Regional Manager or designee will use the following steps when considering a request for an assistive animal as a reasonable accommodation:

1. Public housing applicants who have received public housing offers, and public housing residents may use the *Reasonable Accommodation* form to request an assistive animal as a reasonable accommodation.
2. Public housing applicants who have received public housing offers, and public housing residents use the *Reasonable Accommodation Verification* to obtain verification that the person for whom the assistive animal is requested is a person with a disability as defined in Section 504, the ADA and the Fair Housing Act regulations and that the requested animal is needed to assist with the disability.
3. Refer to the information in the section entitled "Making a Reasonable Accommodation Request" on pages 11 through 15 of these policies and procedures for the steps in processing these and other reasonable accommodation requests.
4. Compliance with the assistive animal policies will be required to the extent feasible without violating the individual's rights to have an assistive animal.
5. The assistive animal owner shall be responsible for the animal's care and the animal must be kept according to HCD's Lease and Community Policies.
6. If the animal or its care subsequently poses a public health problem or results in a lease violation, the problem will be addressed, under the terms of the HCD Lease and Community Policies. In such a case, the HCD AMP administrator or designee may send the resident a Notice of Lease Violation.

SECTION 8 ASSISTIVE ANIMAL POLICY:

Section 8 owners are required to comply with all applicable federal, state and local laws that protect the rights of the disabled. Accordingly, where Section 8 tenants require assistive animals as a reasonable accommodation, Section 8 owners may not require the owners of assistive animals to pay pet deposits, neuter their animals, or adhere to limits on the weight, size, and number of assistive animals.

LIVE-IN AIDES:

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities on page 4) person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide, but must meet all the criteria listed herein. Persons with children or spouses may, on a case-by-case basis, be allowed to serve as Live-in Aides.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below replace the Reasonable Accommodation Request and Reasonable Accommodation Verification forms (respectively) for purposes of requesting a live-in aide as a reasonable accommodation.

1. The *Live-in Aide Agreement* is the form on which:
 - a. The head of household shall request the live-in aide. The requestor may make this request for themselves, or for a household member.
 - b. The requestor provides the designated employee with information related to the request and the live-in aide.
 - c. The requestor shall provide the designated employee with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.
2. The *Live-in Aide Verification* is the form on which:
 - a. The verification source verifies that the person for whom the Live-in Aide is being requested qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.

The designated employee faxes the *Live-in Aide Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

The designated employee may approve a written request for a live-in aide upon receipt of verification documentation including, but not limited to, completed *Live-in Aide Agreement* and *Live-in Aide Verification* forms. If the designated employee approves, or the ADA Coordinator denies, the request for a live-in aide, they will inform the requestor by means of the Approval/Denial of Reasonable Accommodation Request form.

The live-in aide may live in the unit solely to care for the family member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. HCD shall deny occupancy of the unit to the live-in aide after the tenant, resident or program participant, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide but must meet all the criteria outlined in this section and must be qualified to provide care for the family member. The tenant and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not

qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

The ADA Coordinator may deny the live-in aide request of a person who does not meet the admission criteria described in the Admin Plan and the ACOP. The process by which applicants, residents and Section 8 program participants may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

TRANSFERS:

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Section 8 Moderate Rehabilitation and Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a *Reasonable Accommodation Request* form must be filled out). The only additional requirement is that, in addition to the aforementioned, the Public Housing requestor must complete and submit a Request for Transfer form.

In Public Housing, HCD shall not require, or recommend as an alternative, that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However, if a public housing resident with a disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized UFAS-compliant unit in that resident's development, an adjacent development, or a development to which the resident has expressed a willingness to move, HCD may offer to transfer the resident to the vacant unit in their development or adjacent development instead of providing structural modifications. However, if that resident rejects the offered transfer, HCD shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a HCD program, service or activity. HCD shall inform applicants, residents and Section 8 program participants whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of the Approval/Denial of Reasonable Accommodation Request form.

If the resident accepts the transfer, HCD will work with the resident to obtain moving expenses from social service agencies or other similar sources. If that effort to obtain moving expenses is unsuccessful within thirty (30) days of the assignment of the dwelling unit, PHA shall pay the reasonable moving expenses, including utilities fees and deposits. HCD will select the moving service vendors and disburse payments to them. Nothing contained in this paragraph is intended to modify the terms of HCD's Tenant and Assignment Plan and any resident's rights hereunder.

FORMER USERS OF ILLEGAL DRUGS:

Under the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, a former user of illegal drugs (recovered or now in recovery) is considered to be a person with disabilities and is protected against discriminatory treatment, but persons engaged in current illegal use of controlled substances are not protected.

The term "person with a disability" includes an individual who:

1. Has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
2. Is participating in a supervised rehabilitation program and is no longer engaging in such use; or
3. Is erroneously regarded as engaging in such use, but is not engaging in such use.

Anti-discrimination laws protect individuals who have a history of illegal use of a controlled substance or addiction and do not engage in the current illegal use of a controlled substance if they can otherwise meet the definition of a person with a disability.

When an individual claims recovery, the designated employee will require the person to present evidence of recovery from a qualified, neutral third party. The designated employee may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in a unit owned and managed by HCD or as a condition to being allowed to participate in other HCD housing programs. If it is determined that the individual "has recovered or is in recovery" and is thus a "person with a disability," the designated employee will consider requests for reasonable accommodations.

The designated employee will require the individual to provide documentation that would convince a reasonable person that the applicant/resident is not a current user of illegal drugs.

Documentation that an applicant/resident/program participant is not a current user of illegal drugs could include:

1. Verification from a reliable drug treatment counselor or program administrator, or other party acceptable to the designated employee, indicating:
 - a. that the applicant/resident/program participant is/has been in treatment;
 - b. that there is a reasonable probability of success in refraining from the use of illegal drugs;
 - c. that the applicant/resident/program participant is complying/has complied with the requirements of the treatment program; that the applicant/resident/program participant is not currently a user of illegal drugs; and
 - d. the period of time the applicant/resident/program participant has not been using drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
2. Verification from a probation or parole officer:

- a. that the applicant/resident/program participant has met or is meeting the terms of probation or parole;
 - b. is not currently a user of illegal drugs;
 - c. and for what period of time the applicant/resident/program participant has not been using illegal drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
3. Verification from a third party/parties, indicating:
 - a. that the applicant/resident/program participant is not currently using illegal drugs and
 - b. for what period of time the applicant/resident/program participant has not been using illegal drugs;
4. Description of the relationship between the third party/parties and the applicant/resident/program participant (verifications will not be accepted from the applicant's/resident's relatives); and
5. Description of how the third party/parties know(s) the status of whether the applicant/resident/program participant is currently using illegal drugs.

When an applicant/resident/program participant has a history of drug rehabilitation/treatment followed by recidivism, or is currently in treatment (as opposed to having completed treatment), more documentation may be necessary to convince a reasonable person that the applicant/resident/program participant is not a current user of illegal drugs.

The applicant/resident/program participant may be required to show in what ways:

1. Their current situation, and
2. Their claim to be a former illegal user of a controlled substance, and
3. Their claim to be able to comply with the essential terms of the HCD Lease or other housing program requirements is different from previously unsuccessful efforts to stop illegally using a controlled substance.

In all situations in which an applicant/resident claims to be a person with a disability due to former illegal drug use, the designated employee will determine the reliability and validity of information/verifications provided with the request for reasonable accommodation. The designated HCD employee will make a determination approving or denying the reasonable accommodation request and a determination of eligibility for housing assistance accordingly.

ALCOHOLISM:

HCD will not discriminate against any person solely because of a disability of alcoholism. The designated employee will, however, deny admission to an applicant, terminate assistance to a participant or terminate the tenancy of a resident, who HCD has reasonable cause to believe will behave in a manner that will interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents, other tenants, or HCD personnel. The term “reasonable cause to believe” shall be determined on a case-by-case analysis. HCD may evaluate whether a person poses – or would pose – a direct threat to the health or safety of others.

HCD will make determinations of direct threat based on the following guidelines described in the following statement from the May 17, 2004 *Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act*:

A determination that an individual poses a direct threat must rely on an individualized assessment that is based on reliable objective evidence (e.g., current conduct, or a recent history of overt acts). The assessment must consider: (1) the nature, duration, and severity of the risk of injury; (2) the probability that injury will actually occur; and (3) whether there are any reasonable accommodations that will eliminate the direct threat. Consequently, in evaluating a recent history of overt acts, a provider must take into account whether the individual has received intervening treatment or medication that has eliminated the direct threat (i.e., a significant risk of substantial harm). In such a situation, the provider may request that the individual document how the circumstances have changed so that he no longer poses a direct threat. A provider may also obtain satisfactory assurances that the individual will not pose a direct threat during the tenancy. The housing provider must have reliable, objective evidence that a person with a disability poses a direct threat before excluding him from housing on that basis.

HCD will apply the same standard of performance and behavior to an individual with alcoholism as it applies to others. If any unsatisfactory performance or behavior is related to the disability of an applicant/resident/program participant, the behavioral manifestations of the condition may be taken into consideration in determining whether the applicant/resident/program participant is qualified. If unable to meet the tenancy requirements, the applicant/resident/program participant may be denied housing on that basis, provided any request for reasonable accommodation has been considered. The process by which applicants, residents and Section 8 program participants may appeal a denial of housing or program participation, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

EMERGENCY EVACUATION:

This section only applies to the HCD Public Housing program.

Public Housing program applicants (who have received public housing offers) and residents with disabilities must ultimately be responsible for their own safety. Thus, they may choose not to live above the ground floor because of possible inability to escape a fire. They must, however, be allowed to decide whether living in an upper-floor dwelling unit outweighs whatever safety concerns may exist.

At move-in orientation and during recertification, the AMP administrator or designee informs Public Housing program residents that with their consent, the AMP administrator will provide information to the fire and police departments that identifies residents who will have special needs in case of an emergency evacuation. The AMP administrator will only share this information with these parties if consent is given.

The AMP administrator or designee will provide each resident with a copy of the *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Release) form at move-in and recertification. The AMP administrator will maintain these forms confidentially in the Site Office files. These forms will also be maintained confidentially at the Regional Offices in case the Site Offices are inaccessible due to an emergency.

In emergency situations, and only insofar as is reasonably feasible, AMP administrators or designees will inform fire and/or police departments as to which residents have special emergency evacuations needs.

Buildings with more than four units or with units above the first floor shall have evacuation plans identifying escape routes and procedures to be followed in case of emergency, including procedures for notifying persons who are deaf or blind and for evacuating persons who cannot climb stairs or may be disoriented. It is recommended that the evacuation plan be worked out with the local fire department.

OTHER HOUSING AND COMMUNITY DEVELOPMENT PROGRAMS AND SERVICES:

HCD administers a number of programs and services (e.g. various programs for home repair/improvement loans, home purchasing loans, construction loans, etc.) in addition to those previously mentioned in this policy. HCD will endeavor to ensure any person with disabilities who requests reasonable accommodation related to any HCD programs and/or services are provided all such accommodations as is their right under federal, state, and local laws and regulations.

MIAMI-DADE COUNTY ADA GRIEVANCE PROCESS:

Should HCD applicants, residents or program participants choose, they may follow the grievance process outlined in Attachment Three of Miami-Dade County Administrative Order Number 10-10 (see Appendix, *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*) instead of the process described in the “Reasonable Accommodation Grievances and Appeals” section of the HCD Reasonable Accommodation Policies and Procedures. The Miami-Dade County grievance process serves “...as the County’s mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA).”

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION REQUEST

EXAMPLES OF REASONABLE ACCOMMODATIONS

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual HOUSING AND COMMUNITY DEVELOPMENT (HCD) applicants, residents, and program participants. These accommodations may not necessarily be “reasonable” for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual’s specific disability-related need(s), HCD may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, HCD will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

HOUSING AND COMMUNITY DEVELOPMENT LIVE-IN AIDE AGREEMENT

Client Number: _____

I, _____, residing at _____
(Print Head of Household's (HOH) Name) (Print Address)

request HOUSING AND COMMUNITY DEVELOPMENT's (HCD) approval for live-in-aide services provided by _____,
(Print Live-in Aide's Name) Social Security Number _____,

Date of birth: ____/____/____

The household member requiring Live-In Aide assistance is _____.
(Print Household Member's Name)

The live-in-aide is a person who resides with one or more elderly persons (at least 62 years of age), or near elderly persons (at least 50 years of age but below the age of 62) or persons with disabilities (see definition in Live-In Aide Verification form), and who is: (a) 18 years of age or older, (b) is determined to be essential to the care and well-being of the person; (c) is not obligated for the support of the person; and (d) would not be living in the unit except to provide the necessary supportive services.

As a condition to obtaining HCD's approval, the live-in-aide and the Head of Household hereby acknowledge and agree to the following:

1. Move in of a live-in-aide must not result in overcrowding of the existing unit according to the maximum number of persons per unit standard; although a reasonable accommodation for a resident with a disability may be to move the family to a larger unit. If change in unit size is necessitated by this request, please indicate change in number of bedrooms: from ____ bedrooms, to ____ bedrooms;
2. Live-in aides must meet HCD's screening requirements. The live-in-aide agrees to provide any information that HCD deems necessary to conduct a criminal background screening. Permission to reside in the unit as a live-in-aide may be denied based on the results of this screening;
3. Before a live-in-aide may be moved into a unit, a third party verification must be supplied that establishes the need for such care and the fact that the live-in-aide is qualified to provide such care (Live-in Aide Verification form);
4. A live-in-aide is a single person. This agreement does not confer the right for any additional person, other than an approved live-in-aide, to reside in the household. As a reasonable accommodation for a resident with a disability, HCD may review this provision on case-by-case basis, should this provision conflict with a resident's bona fide right to a live-in-aide;
5. If the household member requiring assistance no longer resides in the unit, the live-in-aide shall not remain on the premises. If the verification source determines that the live-in-aide is no longer essential to the care and well-being of the household member, this agreement will be terminated, and the live-in-aide shall vacate the unit within 14 days after HCD has given reasonable notice to the household member requiring assistance that the verification source has made such determination;

**HOUSING AND COMMUNITY DEVELOPMENT
LIVE-IN AIDE AGREEMENT**

6. If the household member requiring assistance passed away, the live-in aide shall vacate the unit within 14 days of said household member's death. If the household member requiring assistance moves out, the live-in-aide shall vacate the unit no later than said household member's departure date. Upon the termination of the live-in-aide's services for any other reason, the live-in-aide shall vacate the unit within 24 hours;
7. The Live-In Aide must be listed as a household member (not part of the family composition, regardless of the relationship) on the resident's lease and shall not violate any provisions of the lease, the Community Policies, or applicable laws. Should such violation occur, HCD may require the resident to terminate the services of the live-in-aide or face possible termination of the lease;
8. HCD will consider allowing relative live-in-aides under unusual circumstances and upon approval of the Director or designee. Relatives who satisfy the definitions and stipulations above may qualify as live-in-aides, but by signing this agreement, they acknowledge their understanding that they are relinquishing all rights to the unit as the remaining member of a resident family, or under any other circumstance. If a relative wants to have remaining family status, their income will be considered as part of the family's annual income. In such a case, the relative will be considered an addition to the family composition who is allowed to be added as a reasonable accommodation, (not a live-in aide) as the income of a live-in aide must be excluded.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION SCRIPT

This is to advise you, in simple terms, what a disability is, what a reasonable accommodation is, and the fact that people with disabilities have a right to ask for reasonable accommodations.

A disability is a physical or mental impairment that makes it difficult or impossible for you to do things like taking care of yourself, using your hands, walking, seeing, hearing, speaking, breathing or learning.

A reasonable accommodation is something HOUSING AND COMMUNITY DEVELOPMENT (HCD) is required to give you or let you do to make it easier for you to get to and live in our housing, and participate in our programs.

Some things that must happen for you to get a reasonable accommodation, are for you to give HCD enough information, if we need it, about whether you are a person with a disability and to give HCD proof, if we need it, that you really need the reasonable accommodation you ask for.

Even if you don't have proof yet that you are a person with a disability, you have a right to ask for a reasonable accommodation.

Some things that might be a reasonable accommodation include:

- Being allowed to mail your rent to HCD instead of going to the site or management office.
- Having someone from HCD go to your house, instead of you having to go to a HCD office, to get a service.
- Getting a ramp installed leading to your front or back door, having grab bars put in your bathroom, or having some other repair or change done to your home.
- Having a repair or change done to a laundry room, community center, management office or other building owned by HCD so that you can go there and use the programs and services there.
- Having a sign language interpreter available upon request.
- Getting important HCD papers in Braille or large print or on tape.

To get a reasonable accommodation, you must ask for it. If you can't write your request on the papers we have or need help filling them out, you can ask a HCD employee for assistance.

HCD will give you an answer as soon as possible.

HCD will let you know if we need more information, or if there are other ways to meet your needs.

If HCD turns down your request, HCD will explain why, and you can provide more information if you think that will help. HCD will also advise you of your appeal rights if your request is denied.

It is the policy of HCD to protect all of your health information. This means that we cannot release your information without your written consent nor will we share this information with anyone who does not need to know your health information.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION INFORMATION

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to making sure that its applicants, residents and programs participants have information for making reasonable accommodation requests. HCD has posted a copy of its Reasonable Accommodation Policy and Procedures in conspicuous locations at the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of this Reasonable Accommodation Policy and Procedures, upon request, from HCD's ADA Coordinator.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

Some examples of reasonable accommodations include (but are not limited to): grab bars installed in bathrooms, ramps installed at entrance doors of dwellings, using an assistive animal (also called a service, therapeutic, or support animal) such as a seeing-eye dog, visual and audible alarms for individuals who are deaf or hard of hearing, widening doorways, lever-type door hardware, live-in aids, transfers to another dwelling (with proof that this is needed because of disability), and being given HCD documents in an accessible format like Braille or large print.

Use the following forms to request a reasonable accommodation and make sure you complete the forms to the best of your ability. By completing these forms you will help us understand how we can best assist you. If you are unable to do so, then please ask HCD for assistance to complete the forms. Please be advised that in order for HCD to assist you, we also need you to complete the *Authorization for Release of Information* form:

18. *Reasonable Accommodation Request*. This is used to make any request other than a request for a live-in aide.

19. *Live-in Aide Agreement*. This is used if you need a live-in aide. A live-in aide is some who only lives in the unit to assist the resident or program participant who is elderly or is a person with a disability.

If you are a Public Housing or Section 8 Housing Choice Voucher program participant, and have not yet been determined eligible, you may request a *Reasonable Accommodation Request* form by writing to the Applicant Leasing Center Chief or calling the Applicant and Leasing Center:

MIAMI-DADE ADA GRIEVANCE PROCESS

AMERICANS WITH DISABILITIES ACT OF 1990

Creation

This grievance procedure shall serve as the County's mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA). This procedure shall not apply to complaints of discrimination in employment. Employment discrimination complaints are handled by the Affirmative Action Office.

Opportunity for Complaint

Any individual who feels that they have been discriminated against in the provision of a program or service operated by Miami-Dade County shall have the ability to file a formal grievance, have the grievance responded to, and have the right to request an appeal if they are dissatisfied with the resolution of their grievance. The procedures to be followed in filing a formal grievance shall be available and accessible to the general public.

Coordination of Procedure

The Miami-Dade County Office of ADA Coordination, 111 N.W. 1st Street, 12th Floor #348, shall be the agency responsible for coordinating the County's grievance procedure and will serve as the conduit between the grievant and the department against whom the complaint is made. The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complains should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

Filing a Complaint

Any individual who feels they have been discriminated against in any program or service provided by Miami-Dade County, under provisions of the ADA, shall submit a complaint, in writing to the Office of ADA Coordination. This written complaint shall contain the following information:

1. Name, address and telephone number (if available) of the grievant.
2. The date of the occurrence.
3. The name and location of the County program and service involved in the alleged occurrence.

4. The name (if known) of the County employee with whom the grievant came in contact, if appropriate.
5. Why the individual thinks that he has been discriminated against on the basis of a disability.

Complaint Resolution

Within five (5) days of receipt of the complaint, the Office of ADA Coordination shall:

1. Inform the department of the complaint; transmit a copy of the complaint to the department with general instructions as to the format which the department should follow in their response, and a date by which the department shall return a response to the Office. The Office of ADA Coordination will review the decisions with the department before final preparation of the response.
2. The department shall have thirty (30) days from receipt of complaint from the Office of ADA Coordination to respond to the complainant. Attempts will be made by the department to clarify the facts of the grievance. The actions taken by the department shall be conveyed to the grievant in writing. This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.
4. Where a department can solve a written complaint informally, the department will provide the Office of ADA Coordination a written statement explaining the mutually agreeable solution. It should be signed by the complainant and the department representative.

All reasonable attempts should be made by the department with the assistance of the Office of ADA Coordination to mediate and resolve the grievance.

Filing an Appeal

Any individual who is dissatisfied with the recommended resolution of their complaint may request an appeal. In requesting an appeal the individual shall, within fifteen (15) days from the date of the written recommended resolution offered

by the County, submit in writing to the Office of ADA Coordination their request to appeal the decision and express their willingness to appear before an impartial panel to present their grievance.

Appeal Process

Upon receipt of a written request for an appeal, the Office of ADA Coordination shall:

1. Notify the County Manager and request that within thirty (30) days he appoint a panel of three (3) senior members of unaffected County departments to hear the complaint. The Manager shall designate one of the three panel members to serve as chairperson.
2. Set a time and place for the hearing that is convenient to the grievant, the affected department and the panel members, within twenty (20) days after the panel is appointed, if possible.
3. Instruct the department, against whom the complaint has been made, to prepare a package with all necessary information pertinent to the complaint for each panel member to review prior to hearing.
4. Monitor and tape the hearing.

At the time of the hearing both the grievant and the affected department shall have the opportunity to present their positions to the panel. The panel members will also have the opportunity to pose questions to both parties. After the affected parties have presented the facts, and after all questions posed by the panel have been answered, the hearing shall be closed and the panel shall meet privately to deliberate.

Within fourteen (14) days from the date of the hearing the panel shall issue its decision. The Chairperson shall prepare the decision of the panel. The Chairperson shall send the written decision to each panel member for review and signature prior to its submission to the affected parties. The decision of the panel is final and no further appeal shall be available within the administrative branch of County government.

Recordkeeping

The Office of ADA Coordination shall maintain files on complaints received along with all communications, recommendations, and other records pertinent to the complaints for a period of at least three (3) years.

Alternative Remedies

The establishment of this grievance procedure shall not preclude nor waive the grievant's right to seek redress under any alternative remedy available.

SMOKE-FREE POLICY

APPENDIX V

OF THE

ADMISSION AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective:

I. BACKGROUND

In February 2015, the Centers for Disease Control published its *Vital Signs* report on secondhand smoke, which includes but is not limited to the following findings: (1) one in four nonsmokers (58 million people) in the United States are exposed to secondhand smoke; (2) two in five children (including seven in ten black children) are exposed to secondhand smoke; (3) one in three nonsmokers who live in rental housing are exposed to secondhand smoke; (4) secondhand smoke exposure is more common among children ages three to eleven, Blacks, people living below the poverty level, and those who rent housing; (5) about 80 million Americans live in multi-unit housing and can be exposed to unwanted secondhand smoke in their home; and (6) people who live in public housing are especially affected by secondhand smoke, including children, the elderly, and people with disabilities. The United States Surgeon General has stated that there is no risk-free level of exposure to secondhand smoke and the best way to keep children and adults safe from secondhand smoke is to ban all smoking indoors. Further, nationwide there are more than 1.2 million families who reside in public housing of which there are approximately 39 percent of the public housing residents who are between the ages of zero to 17 and approximately 15 percent who are 62 or older. It has been proven that exposure to smoke, whether direct or secondhand, causes adverse health outcomes such as asthma and other respiratory illnesses, cardiovascular disease, and cancer.

The U.S. Department of Housing and Urban Development's (HUD) published the final rule (24 Code of Federal Regulation Parts 965 and 966) on December 5, 2016, that requires each public housing agency administering public housing programs to implement a Smoke-Free Policy. This final rule was followed by the issuance of HUD Notice PIH-2017-03 that provides guidance on instituting and enforcing smoke-free public housing policies. On November 3, 2015 and prior to the issuance of the Notice PIH-2017-03, the Miami-Dade Board of County Commissioners adopted Resolution No. R-1003-15, as amended by Resolution No. R-582-16, directing the County's administration to develop a Smoke-Free Policy in consultation with the residents and resident councils, to incorporate a Smoke-Free Policy within 18 months of the effective date of the final rule being adopted by HUD. According to surveys conducted by the Florida Department of Health in Miami-Dade County of public housing residents, 71% of the residents are in agreement with the implementation of a Smoke-Free Policy.

II. APPLICABILITY

The County's Housing and Community Development Department (Department) is incorporating the Smoke-Free Policy as follows:

Public Housing Program: HUD regulations, 24 CFR Parts 965 and 966, require that public housing agencies implement a policy prohibiting tobacco products in all living units, interior areas, and administrative office buildings. The Smoke-Free Policy prohibits tobacco products, marijuana and electronic cigarettes and must also extend to all outdoor areas up to 25 feet from the housing or administrative office buildings or to the property boundaries in situations where the boundary is less than 25 feet. The Smoke-Free Policy is included in the Admissions and Continued Occupancy Policy (ACOP) as Appendix V and incorporated as part of the Public Housing Dwelling Lease between the "Landlord" (the County) and the "Resident", as a Lease Addendum.

III. PURPOSE OF SMOKE-FREE POLICY

The County and HUD desire to mitigate (i) the irritation and known health effects of secondhand smoke; (i) increased maintenance, cleaning and redecorating costs from smoking; (iii) increased risk of fire from smoking; and (iv) the higher costs of fire insurance for non-smoke-free buildings.

IV. DEFINITIONS

- A. **Smoking:** The term “smoking” means inhaling, exhaling, breathing, or carrying or possessing any lighted cigarette, cigar, pipe, water pipes (also known as hookahs), electronic cigarettes, marijuana or other tobacco product or similar lighted products in any manner or in any form.

- C. **No Smoking Area:** The dwelling unit occupied by Resident(s) and members of Resident’s household, any interior area, including but not limited to community rooms, community bathrooms, daycare facility, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevator, within all living units, and areas outside the building that are within 25 feet from County-owned public housing buildings including the community center, office buildings or interior areas including entryways, porches, balconies and patios.
- D. **Designated Smoking Area:** An area designated by the Landlord that is outside of the required 25 feet perimeter.

- 3. All smoking Resident(s) and guests are required to dispose of their smoking material in the appropriate collection receptacles provided by Landlord prior to entering any zone designated as a No Smoking Area, as defined in Section II. Failure to properly dispose of smoking material may result in infractions as described in Section V. Penalties for Violation of Smoke-Free Policy.
- 4. Resident(s) shall promptly notify Landlord of any incident where smoke from tobacco, electronic cigarette, marijuana or similar products, is migrating into the Resident’s unit.

B. Landlord’s Responsibilities

- 1. Landlord shall take reasonable steps to enforce the non-smoking terms of its leases and maintain the No Smoking Area as smoke-free as reasonably possible. - 2. Landlord shall post non-smoking signs at entrances and exits, in interior areas, and in noticeable places adjoining the grounds of the No Smoking Area.
- 3. Landlord shall provide collection receptacles at least 25 feet from entrances, exits, interior areas and noticeable places adjoining the No Smoking Areas, for disposal of smoking material.
- 4. Landlord may designate specific smoking areas outside of the No Smoking Areas, depending on the type of development and as permitted by availability of space.

 6. Landlord will adopt a progressive enforcement approach for violations of the Smoke-Free policy.
 7. Landlord will consider all relevant circumstances and mitigating factors before terminating a tenancy under the Smoke-Free Policy. Lease termination and eviction will only be pursued as a last resort.
- C. Landlord Is Not a Guarantor of Smoke-Free Environment
1. Landlord's adoption of smoke-free living environment does not make the Landlord or any of Landlord's managing agents the guarantor of Resident's health or of the non-smoking condition of the Resident's unit and the interior areas.
 2. Landlord is not required to take steps in response to smoking unless Landlord is notified.

VI. PENALTIES FOR VIOLATION OF SMOKE-FREE POLICY

- A. Resident(s) will be issued a penalty by the Landlord for each reported or detected smoking incident, to be documented in the Resident's records.
1. **Written Warnings** (up to two (2) written warnings)
1st Written Warning: Resident(s) will be scheduled for a conference to review the Smoke-Free Policy and receive a written warning.

2nd Written Warning: Resident will be issued a written warning and a referral to the State of Florida Department of Health Tobacco Free Florida smoking cessation program. Resident(s) will be notified that a subsequent violation of the Smoke-Free Policy may result in assessment of fines, and ultimately in termination of housing assistance.
 2. **Fines** (after issuance of two (2) written warnings)
Landlord will impose a fine of \$10.00 with subsequent incremental increases of \$10.00 per infraction up to \$50.00 for each smoking incident reported to or detected by Landlord, upon verification. All infractions thereafter will result in a fee of \$50 per infraction.

VII. DISCLAIMER BY LANDLORD

- A. Landlord specifically disclaims any implied or express warranties that the building, interior areas, or Resident's premises will have any higher or improved air quality standards than any other rental property.
- B. Landlord cannot and does not warrant or promise that the rental premises or interior areas will be free from secondhand smoke.
- C. Landlord's adoption of a smoke-free living environment does not in any way change the standard of care that the Landlord or the Landlord's managing agent would have to a resident household to render buildings and premises designated as non-smoking any safer, more habitable, or improved in terms of air quality standards than any other rental premises.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP

APPENDIX VI

OF THE

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date:

APPENDIX VI

Housing Opportunity Through Modernization Act (HOTMA) of 2016

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937.

1. The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA, and for public housing authorities (PHAs) that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023.
 - a) On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule related to income and assets; this was reissued on February 2, 2024, to provide revisions and further guidance.
 - b) On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.

However, in preparation, this Appendix VI contains required and discretionary policies that will be incorporated into the Admissions and Continued Occupancy Policy (ACOP) Plan upon HUD's release of compliance date.

Chapter III. Eligibility for Admission and Assignment Plan

D. Verification of Assets for Applicants

1. Housing and Community Development (HCD) will fully verify the net family assets and anticipated income earned from assets at new admission. A minimum of two (2) consecutive bank statements must be provided.
2. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. **This is not an exhaustive list.**

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care–related supplies • Musical instruments used by the family • Personal computers, phones, tablets, and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment • used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

E. Limitation on Assets (24 CFR § 5.618)

- a) Per requirements in Section 104 of HOTMA, 24 CFR §5.618 admission will be denied to families who own or have interest in the following assets:
 - (1) The family's combined net assets exceed \$100,000, or as determined by HUD and adjusted annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W);
 - (2) The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:
 - (a) Any property for which the family is receiving assistance under the Housing Choice Voucher or under the Homeownership Option in 24 CFR Part 982;
 - (b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - (c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - (d) Any family that is offering such property for sale.
- 3. A property will be considered suitable for occupancy unless the family demonstrates that the property:
 - a) Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation);
 - b) It is not sufficient for the size of the family based on occupancy standards;
 - c) It is geographically located outside of the state of Florida so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by HCD);
 - d) It is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
 - e) It is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.
- 4. This real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under 24 CFR § 982.620 or under the Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;

- c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
5. The policy limitation on assets will not apply to participants in the public housing program.

Chapter VI. Eligibility for Continued Occupancy and Annual Reexaminations

C. Annual Reexaminations

1. HCD must estimate the family income for the upcoming 12-month period, subtract the allowable deductions, from the gross annual income to determine the adjusted income. HCD must:
 - Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
 - Consider any redetermination from an interim reexamination during that period.
 - Adjust reflect current income if there was a change during that period.
 - Subtract the allowable deductions, from the gross annual income to determine the adjusted.

K. Enterprise Income Verification (EIV), Third Party Verification, and Factors Affecting Eligibility and Family Rent

HCD is required to use HUD's Enterprise Income Verification (EIV) system and the Income Validation Tool (IVT) in its entirety as a third-party source to verify employment and income information for annual reexaminations, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR § 5.233(a)(2)(i)].

EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. HCD

HCD will follow the verification hierarchy described in PIH Notice 2023-27.

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , using HUD's Enterprise Income Verification (EIV) system	Highest (Mandatory) - (not available for applicants) Must pull the EIV Income Report for each family at every Annual Reexamination. EIV may be used as the sole verification of Social Security income. EIV income information may be used to calculate other types of annual income when family agrees. See Level 4 for more information.

Appendix VI of the Admissions and Continued Occupancy Policy

Level	Verification Technique	Ranking
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, web-based state benefits systems, etc.)	Highest
4	Written, third-party verification from the source, also known as “tenant-provided verification” OR EIV + Self-Certification HCD can choose either option when both are available to verify income. HCD must use written, third-party verification when the income type is not available in EIV (e.g., self-employment, Go Fund Me accounts, general public assistance, Veterans Administration benefits, etc.)	High • Written, third-party verification is used when tenant disputes EIV-reported employment and income information. • The EIV Income Report may be used to verify and calculate income if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information from EIV.
3	Written Third-Party Verification Form	Medium • Use if Level 5 or Level 4 verification is not available or is rejected by HCD and when the applicant or tenant is unable to provide acceptable documentation. • May substitute Level 2 for written, third-party verification form, only completing one of the two forms of verification before moving to self-certification.
2	Oral Third-Party Verification	Medium
1	Self-Certification (not third-party verification)	Low Use as a last resort when unable to obtain any type of third-party verification or if specifically permitted, such as to determine actual income from assets when the family certifies that net family assets do not exceed \$50,000.

Level 6: (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD’s EIV System which is mandatory for residents but not available for applicants;

Level 5: Upfront Income Verification (UIV) using non-HUD system such as The Work Number, web-based state benefits systems, etc.);

Level 4: Written Third-Party Verification (High) An original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

Such documentation may be in the possession of the tenant (or applicant) and is commonly

referred to as tenant-provided documents. HCD may obtain any tenant-provided documents and follow up directly with the third-party source to obtain necessary verification of information, when necessary.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include but are not limited to the following: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

HCD are required to obtain a minimum of two current and consecutive pay stubs for determining annual income from wages when they do not elect to use EIV + Self-Certification or the income type is not reported in EIV. For new income sources or when two pay stubs are not available, the HCD should determine income based on the information from a traditional written, third-party verification form or the best available information.

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.) are an acceptable form of written, third-party verification.

When verification of assets is required, HCD is required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

EIV may be used as Level 4 verification and may be used to calculate income as long as the family agrees with the information in EIV; this practice is known as "EIV + Self-Certification." HCD may use their discretion to determine which method of calculation is reasonable: the last 4 quarters combined or an average of any number of quarters. The EIV Income report must be pulled within 120 days prior to the reexamination effective date.

Level 3: Written Third-Party Verification Form: This practice is also known as "traditional third-party verification." This type of verification is a form developed by the HCD used uniformly for all families when needed to collect information from a third-party source. The form is completed by the third party by hand (in writing or typeset). HCD send the form directly to the third-party source by mail, fax, or email.

The HCD may skip this level of verification before attempting Level 2, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

Level 2: Oral Third-Party Verification: Independent verification of information by contacting the individual income/expense source(s), as identified through the UIV technique, or identified by the family, via telephone or in-person visit. HCD staff must document in the tenant file the date and time of the telephone call (or visit to the third party) and the name of the person contacted and their telephone number, along with the confirmed information.

This verification method is commonly used when the independent source does not respond to the HCD's faxed, mailed, or e-mailed request for information in a reasonable time frame (e.g., 10 business days).

The HCD may skip this level of verification if they attempted Level 3, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

Level 1: (Low) The tenant submits a signed statement of reported income and/or expenses to the HCD. This verification method should be used as a last resort when HCD has not been successful in obtaining information via all other required verification techniques. When HCD relies on self-certification to verify income or expenses, HCD must document in the tenant file why third-party verification was not available. HUD does not require that a self-certification be notarized.

1. Double Subsidy: If during tenancy, or at any time after admission, the EIV system shows that a family or any household member is receiving assistance from (or is residing in) another housing authority or program, the family or household member must provide proof of termination of tenancy from the other housing agency or program for continuation of assistance. HCD may provide up to 30 days for the family or household member to provide proof of termination. If after the 30 days, the participant does not provide proof of termination, the family or household member must be terminated from HCD tenancy.

2. EIV: Substantial Different from Tenant Provided Information

If income information in EIV is not available or if it is substantially different from tenant-provided information, then written verification from third parties is the next most desirable form of verification. Currently, a substantial difference requiring third party verification in cases where EIV income data differs from tenant-provided and/or other verified income information is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD. If EIV income data is not substantially different than current tenant-provided income documentation, the following guidelines for projecting annual income will be used:

- If EIV income data is less than current tenant-provided documentation, HCD will use tenant-provided documents to calculate anticipated income.
- If EIV income data is more than current tenant-provided documentation, HCD will use EIV income data to calculate anticipated annual income unless the tenant provides HCD with documentation of a change in circumstances (i.e., change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, HCD will use tenant-provided documents to calculate anticipated annual income.

In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:

- Request written third party verification from the discrepant income source. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
- Review historical income data for patterns of employment, paid benefits, or receipt of other income, when HCD cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
- Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

In verified differences of greater than \$200 per month (\$2,400 per year), HCD may require the family to enter into a repayment agreement for monies owed or require payment in full. Should the family refuse to enter in a repayment agreement or not fulfill its obligations under its repayment agreement, HCD shall recommend termination and may refer the case to the HUD Office of the Inspector General.

HCD, in its sole discretion, may recommend terminating assistance for tenant fraud on a case-by-case basis, e.g., forgery or has demonstrated a pattern of unreported or under-reported income in between or at prior reexaminations. In such cases, HCD will make the determination whether to recommend terminating assistance and forwarding the case to the HUD Office of Inspector General via HCD.

In instances where fraud (as defined in Attachment A of this policy), as opposed to tenant error (as defined in Attachment A of this policy), has occurred by the tenant and the difference is verified as being \$10,000, HCD may recommend terminating housing assistance and shall forward cases to the HUD Office of Inspector General for fraud prosecution, where authorized by HCD.

Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the disclosure requirements of the Florida Public Records Act and the federal Privacy Act and HUD requires HCD to keep said information private under penalty of Federal law. Any EIV-derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. HCD shall provide the participant with information obtained through EIV upon the participant's request.

Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 or five (5) years imprisonment, as well as civil penalties, pursuant to the Privacy Act of 1974 as amended, 5 U.S.C. § 552(a).

M. Income Validation Tool (IVT)

The IVT report facilitates and enhances identification of unreported or under-reported income during regular reexaminations. The IVT also provides income and wage, unemployment compensation and SSA benefit information. Additionally, the IVT report provides income information for heads of household and family members where there may be discrepancies in family reported income and employer reported information.

At each regular reexamination of income and family composition and/or as needed, HCD will:

- Review the EIV Income and IVT reports to confirm/validate tenant-reported income;
- Print and maintain the EIV Income and IVT Reports in the tenant file;
- Obtain current acceptable tenant-provided documentation to supplement EIV information (where applicable); and
- Use current tenant-provided documentation and/or third-party verification to calculate annual income.

Additionally, at each regular reexamination of income and family composition, and/or as needed, using the IVT, HCD will:

- Identify any reported discrepancies in family reported income and employer reported information;
- Request the tenant to provide any documentation to confirm or dispute the income discrepancy;
- If applicable, determine the tenant rent using the correct and updated income;
- Determine the degree of tenant underreporting or misreporting of income information; and
- Take action in accordance with HCD policy to resolve the identified discrepancies.

Chapter VII. Determining Income and Income-Based Rent

A. Annual Income

1. Calculating Income

- a) When calculating annual income for a household at the time of a regular reexamination, HCD will review and calculate the family's income from the preceding 12-month period, taking into consideration any interims or changes that have taken place during that period. If HCD determines that the family's prior-year income does not reflect the family's current income, it may adjust the calculation of annual income as needed.

For annual reexaminations, HCD must:

- Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
- Consider any redetermination from an interim reexamination during that period.
- Adjust current income if there was a change during that period.
- Subtract the allowable deductions, from the gross annual income to determine the adjusted.

HCD may determine the family's income prior to the application of any deductions based on income determinations other means-tested forms of public assistance made within the previous 12-month period such as from Low-Income Housing Tax Credit (LIHTC).

D. Streamlined Income Determination

HCD may use the streamlined income determination to adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

1. Types of Fixed Income

- Social Security, Supplemental Security Income, Supplemental Disability Insurance.
- Federal, state, local, or private pension plans.
- Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.
- Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

2. Fixed Income: 90 percent or more of a family's unadjusted income

When 90 percent or more of a family's unadjusted income consists of fixed income, HCD may use streamlined income determination and must apply COLA or COLAS to the family's fixed-income sources, provided that the family certifies both that 90 percent or more

of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, HCD is not required to make adjustments.

3. **Fixed Income: Less than 90 percent of a family's unadjusted income**
When less than 90 percent of a family's unadjusted income consists of fixed income, HCD may use streamlined income determinations must apply a COLA to each of the family's sources of fixed income. HCD must determine all other income.
4. **Cost-of-Kiving Adjustment Rate**
If no public verification or tenant-provided documentation is available, then HCD must obtain third-party verification of the income amounts in order to calculate the change in income for the source.
5. **Triennial verification**
For any income determined pursuant to a streamlined income determination, HCD must obtain third-party verification of all income amounts every 3 years.

E. Annual Income Inclusions

(a) Annual income includes, with respect to the family [24 CFR §5.609(a)]:

- (1) All amounts, not specifically excluded in Sectopm E below, received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and
- (2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

F. Child Support

HCD will verify all amounts received from child support by the family using the verification hierarchy. Only the amounts received of child support payments will be counted as income.

H. Adjusted Annual Income

Adjusted income is the annual income of family members residing in or intending to reside in the rental unit, less allowable deductions.

- A. A deduction is taken for each qualifying dependent.
 - The amount of the deduction is currently \$480.
 - A dependent is defined as any family member other than the head, spouse, or co-head who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student.
 - Foster children, foster adults, and live-in aides are never considered dependents.
- B. A deduction for elderly or disable family
 - A single deduction is taken for any family where the head of household, co-head or spouse is as least 62 years of age or a person with a disability. Upon implementation of HOTMA and at the first annual or interim reexamination, the amount of the

deduction will be increase from \$400 to \$525.

Upon implementation of HOTMA and subject to applicable HUD guidance, these deduction amounts will be adjusted annually by HUD in accordance with Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25.

b) Child Care Expenses

Any reasonable child-care expenses necessary to enable a member of the family to be employed or to further their education are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed or to further his or her education (e.g., work or further their education (academic or vocational));
- The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
- The child-care expenses must be paid from the family's annual income; and
- The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

HCD will seek third-party verification of the work schedule of the person who is permitted to work by child-care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family. HCD generally will limit the allowable child-care expenses to the earned income of the lowest-paid member.

HCD will request third-party documentation to verify that the person permitted to further his or her education by childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family. The child-care expense must be reasonable.

Child Care Hardship Exemption [(24 CFR §5.611(d)).

1. Requirements

- a) A family whose eligibility for the childcare expense deduction is ending may request financial hardship exemption to continue receiving a child-care expense deduction in certain circumstances when the family no longer has a member that is working or seeking to further their education, and the deduction is necessary because the family is unable to pay their rent.
- b) Upon approval of the family's request for a hardship exemption, HCD must recalculate the family's adjusted income and continue the child-care deduction if the family demonstrates to HCD's satisfaction that the family is unable to pay their rent. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

2. Hardship Exemption Eligibility:

- a) HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (1) Provide a written request for a hardship exemption detailing why the childcare expense is still necessary even though the family member is no longer employed or furthering their education. Note that verification may be requested.
 - (2) The rent, utility payment, and applicable expenses (childcare expenses or health and medical expenses and reasonable and auxiliary apparatus) is more than 45 percent of the family's annual adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

3. Notification of Hardship Exemption

- a) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- b) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

4. Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

5. One Additional 90-Day Hardship

One additional 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

c) Health and Medical Care and Reasonable Attendant Care and Auxiliary Apparatus Expense

1. A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of deduction exceed the employment income earned by the family member(s) able to work.
2. Equipment and auxiliary apparatus may include but are not limited to:
 - Wheelchairs
 - Lifts
 - Reading devices for the visually impaired

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

- Equipment added to cars and vans to permit their use by the disabled family member.
 - Included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.
 - For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income, provided the amount so calculated does not exceed the employment income earned.
 - For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income (provided the amount so calculated does not exceed the employment income earned) plus medical expenses as defined below.
3. Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any reasonable attendant care and auxiliary apparatus expenses, they exceed the HUD-established percentage of annual income threshold.
4. The threshold has been raised from three (3) percent to ten (10) percent of annual income. Families may be eligible for a 24-month phase-in relief period or a general relief 90-day period but not both.
- a) 24-Month Phased-in Relief
- (1) Residents whose income calculation was adjusted due to the family's claim of unreimbursed health and medical care and reasonable attendant care and auxiliary apparatus expense exceeding 3% of the family's annual income, prior to the HOTMA implementation, will have an increase in the threshold of this deduction phased-in in the following manner:
- (a) Following the first income reexamination after the implementation of HOTMA, such families will receive deductions for claims of unreimbursed expenses (described herein) up to 5% percent of the annual income for 12 months.
- (b) Following the 12-month period at 5% deductions, the family will receive deductions for claims of unreimbursed expenses (described herein) in excess of 7.5% for the following 12 months.
- (c) At the conclusion of the 24-month phase in period, the family will be eligible for this deduction only if their unreimbursed medical and healthcare expenses exceed 10% of the annual income.
- (2) An elderly or disabled family or a family that includes a person with disabilities may request general or financial hardship relief (see below) prior to the end of the 24-month transition period if the family can demonstrate that the family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased or there has been a change in circumstances resulting in a financial hardship.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

- (3) The 24-month phased-in relief period must be continued to be received by families upon portability or conversions under RAD.

b) General Relief

- (1) To qualify, a family must demonstrate that the family's unreimbursed health and medical care expenses or unreimbursed reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.
- (2) Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief.
- (3) If a HCD determines that a family is eligible for general relief, the family will receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income. The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier.

c) Financial Hardship

- (1) A financial hardship provides one 90-day period to receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income to qualifying families.
- (2) The family must demonstrate that the rent, utility payment, and applicable expenses (childcare expenses or health and medical care and reasonable attendant care and auxiliary apparatus expenses) is more than 45 percent of the family's adjusted annual income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent. However, this financial hardship would not otherwise trigger an interim reexamination.
- (3) This relief is available regardless of whether the family previously received health and medical deductions or is currently receiving, or previously received, a hardship exemption under the first category. HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (4) Provide a written request for a hardship exemption detailing why the health and medical expenses and reasonable attendant care and auxiliary apparatus expense is still necessary. Note that verification may be requested.

d) Notification of Hardship Exemption

- (1) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.

- (2) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

e) Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

f) One Additional 90-Day Hardship

A second 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

Phase-In Relief	Initial 12 Months	Initial 24 months	End of 24 months
To qualify family must already be receiving a medical expense deduction of 3% of Gross Income - May request General Relief if does not qualify for phased-in Relief - May request financial hardship prior to the end of the 24 months	5% Of Gross Income	7.5% Of Gross Income	10% Of Gross Income
General Relief	90-Day period		
	5% of Gross income for one 90-day period		
Financial Hardship	90-Day Period	2nd 90-Day Period	
To qualify families must demonstrate a financial hardship.	5% of Gross income ends when there is no need for hardship or the 90-day period end.	Families may request an additional 90-day period if they can demonstrate a financial hardship for a different set of circumstances, subject to HCD's approval.	

J. Verification of Assets

HCD will fully verify the net family assets and anticipated income earned from assets at new admission. During an annual or interim reexamination, HCD may rely solely on a family self-certification that their net family assets are equal to or less than \$50,000 subject to the following two conditions:

- a) a full verification of family assets (i.e., two bank statements) were provided during the last annual or interim verification; and

- b) the family has met all other requirements to complete reexamination except submittal of the required asset verifications (two bank statements).

3. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. This is not an exhaustive list.

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care–related supplies • Musical instruments used by the family • Personal computers, phones, tablets,	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

Necessary Personal Property	Non-Necessary Personal Property
and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment • used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	

K. The policy regarding limitation on assets will not apply to participants in the public housing program.

Chapter VIII. Interim Rent Adjustments: Fixed Rent System

A. Interim Reexamination

Rent may be re-determined between annual reexaminations when a resident undergoes a change in family composition or income. The resident must report changes in writing to the management office within ten (10) calendar days of the event.

1. Any approved addition to the family composition will be processed as an interim recertification. HCD will only update the family composition information unless the family meets one of the conditions described under “Interim Rent Increases” or “Interim Rent Decreases” described below.
 - No increases in annual income will result in an interim reexamination unless the family reported zero income or a decrease in income within the same annual or biennial reexamination cycle (Refer to “Interim Rent Increases”).
 - EIV is no longer required to verify tenant’s employment and income information during an interim recertification.
 - The total family income increases or decreases must last longer than one-month (30 days); the tenant must report such a change in writing to the management office within ten (10) days of occurrence.
 - HCD will not conduct an interim reexamination for an increase in income within the last three months of the family’s next annual reexamination period.
 - HCD will conduct requests for interim adjustments when a family member is permanently moving out of the unit.
 - HCD has established a ten (10) percent threshold to determine when to complete an interim reexamination. As a result, HCD will round **up** 9.5 and above to 10%, the standard threshold set by HUD.

- If the monthly rental payment decreases as a result of the rent adjustment, the adjusted rent will become effective the first day of the month following the date the information is reported to HCD. If the rent should increase based on the family income, the adjustment will become effective the first day of the second month following the month in which the change is reported or 30 days, whichever is greater, after proper verification is completed.
- If it is found that the family failed to timely report any changes in income or family composition within ten (10) days or provided inaccurate or incomplete information, it may be considered fraud, any of the following may occur:
- Any increase in rent which would have occurred had changes been reported in a timely manner will be made retroactive to the effective date of the change in circumstances and the family agrees to reimburse HCD for the difference between the rent they should have paid and the rent they were charged.
- Any decrease in rent that would have occurred had changes been reported in a timely manner will be made effective the first day of the month following the date the change is reported to HCD and will not apply retroactively.

2. Interim Rent Increases

Families are required to report to HCD all increases in adjusted unearned income that occurred between regularly scheduled annual re-examinations. Any increase of the family's unearned income by ten (10) percent or more must be processed.

Families are required to report to HCD all increases in earned income. HCD must conduct a full interim reexamination due to an increase in earned income if the family had an interim reexamination to decrease rent during the annual reexamination period. Any increase of the family's earned income by ten (10) percent or more must be processed.

3. Interim Rent Decreases

- a) HCD must conduct a full interim reexamination if the family's adjusted unearned income has decreased.

4. Non-Interim Reexaminations

In accordance with HOTMA, HUD now defines the following types of changes to a household's family composition or rent calculations as "Non-Interim Reexamination" - except if there is a change of income that exceeds the thresholds as provided above.

The following transaction types require the processing and submission of a Non-Interim Reexamination, regardless if the reexamination results in a recalculation of the rent the family is to be charged:

- a) Adding, updating, or removing a hardship exemption for the childcare expense deduction or the health and medical care expense deduction.

Miami-Dade County Emergency and Evacuation Assistance Program

Applicant Instructions and Information

The Emergency and Evacuation Assistance Program (EEAP) is designed for individuals living at home that need assistance with evacuation and sheltering. Additionally, the program may also be utilized post disaster to provide other assistance such as wellness checks. Residents of assisted living facilities (ALF) or nursing homes do not qualify for this program, because these business entities must have their own emergency plans for their clients.

Please note that all Miami-Dade County residents are expected to make their own plans to evacuate their families and pets. It is important that everyone be responsible for their own safety and make a plan that includes where to go, who to contact, what to bring, and how to get there. However, the County realizes that some individuals may need assistance. Individuals meeting one of the following categories are eligible for assistance from the County:

- Those who require specialized transportation and/or have no transportation.
- Those whose medical needs prevent them from evacuating on their own.

Please note that upon processing your application, a representative from the Miami-Dade County Office of Emergency Management (OEM) will contact you if further clarification is necessary.

.....

What You Should Know To Be Evacuation Ready:

- The EEAP registry is used for any emergency requiring evacuation.
- **Do not wait until an evacuation order is given to request being added to the Registry.**
- Resources are limited and pre-registered clients will have priority when an emergency arises.
- Evacuation centers do not offer the same level of care equipment available as health care facilities.
- Only basic medical care and assistance are available.
- Special needs enhanced beds and cots are provided on a limited basis.
- Individuals requiring a higher level of medical care will be placed in participating local hospitals.
- **Due to a limited number of staff, we recommend that a caregiver accompany you and remain with you during your stay at the evacuation center to ensure your needs are met in a timely manners.**
- If you have a special diet, bring those dietary items with you so as you to ensure the highest level of comfort.
- Remember to bring a disaster kit that includes: bedding, medications, and personal supplies (food, water, and medical equipment).
- Ensure that you eat a meal prior to leaving your home.
- All Miami-Dade County evacuation centers accept individuals with service animals.
 - If you have a service animal, please include their food and supplies in your disaster kit.

All sections of this application must be completed. If you require a higher level of medical care, your primary care physician (PCP) should complete and sign this application prior to submitting it to our office. If more than one person in your household requires medical assistance during evacuations, each person must complete a separate application. Special instructions will be mailed to you once your application has been processed.

You will be contacted on an semi-annual basis to re-certify your need for this program. You do not need to complete an application every year. Should you have any questions, please call the EEAP Support Line at (305) 513-7700. Please keep a copy of the complete application for your records and mail the original to:

Condado de Miami-Dade

Programa de asistencia para evacuación en caso de emergencias Instrucciones e información para el solicitante

El Programa de asistencia para evacuación en caso de emergencias (EEAP) está concebido para las personas que vivan en sus hogares y que necesiten asistencia para ser evacuados y acudir a un refugio. Además, el programa también puede ser utilizado para recibir una llamada y así comprobar que todo esté bien después de un desastre. Los residentes de instalaciones de residencia asistida (ALF, sigla en inglés) o residencias para la tercera edad no califican para este programa debido a que estos negocios tienen sus propios planes de emergencia para asistir a sus clientes.

Por favor, tenga en cuenta que se espera que todos los residentes del Condado de Miami-Dade elaboren sus propios planes para evacuar a sus familias y mascotas. Es importante que todas las personas se responsabilicen por su propia seguridad y que elaboren un plan que incluya dónde ir, a quién contactar, qué artículos traer y cómo llegar al sitio. Sin embargo, el Condado entiende que algunas personas pueden necesitar asistencia. Las personas que cumplan con una de las siguientes categorías pueden recibir asistencia del Condado:

- Personas que necesiten transporte especial y/o que no tengan medios de transporte.
- Personas cuyas necesidades médicas les impidan evacuarse por sí mismos.

Por favor, tenga en cuenta que al tramitar su solicitud, un representante de La Oficina de Manejo de Emergencias (OEM) del Condado de Miami-Dade se comunicará con usted de ser necesaria una mayor aclaración.

.....

Lo que debe saber para estar listo en caso de una evacuación:

- El registro del Programa de asistencia para evacuación en caso de emergencias (EEAP) se utiliza para cualquier situación de emergencia que requiera evacuación.
- **No espere hasta que se emita una orden de evacuación para pedir que se le incluya en el registro del programa EEAP.**
- Los recursos son limitados; por lo tanto, las personas inscritas tendrán prioridad en caso de emergencia.
- En los centros de evacuación no se ofrece el mismo nivel de atención o tecnología de equipos disponibles que existen en las instalaciones de atención médica.
- Solamente se cuenta con la atención y asistencia médica básicas.
- Las camas y catres mejorados para personas con necesidades especiales se ofrecen de manera limitada.
- A las personas que necesiten un nivel de atención médica superior se les dará refugio en hospitales locales que participen en el programa.
- **Debido al número limitado de personal, le sugerimos que su cuidador le acompañe y permanezca con usted durante su estadía en el centro de evacuación para garantizar que se atiendan sus necesidades de manera oportuna.**
- Si usted sigue una dieta especial, traiga esos alimentos dietéticos para asegurarse de tener el mayor nivel de comodidad posible.
- Recuerde traer un maletín para desastres con los siguientes artículos: ropa de cama, medicamentos y suministros personales (alimentos, agua y equipos médicos).
- Asegúrese de ingerir alimentos antes de salir de su vivienda.
- En todos los centros para evacuación del Condado de Miami-Dade se admiten personas acompañadas con animales de servicio.
 - Si usted tiene un animal de servicio, por favor, incluya sus alimentos y suministros en el maletín para desastres.

Es necesario completar todas las secciones de esta solicitud. Si usted necesita un nivel de atención médica superior, su médico de cabecera (PCP) debe llenar y firmar esta solicitud antes de enviarla a nuestra oficina. Si más de una persona en su hogar necesita asistencia médica durante la evacuación, cada una de esas personas debe llenar una planilla por separado. Se le enviarán por correo las instrucciones especiales una vez tramitada su solicitud.

A usted se le llamará semestralmente para que vuelva a afirmar la necesidad de seguir participando en este programa. No es necesario que llene una solicitud cada año. Si tiene alguna pregunta, llame a la Línea de Ayuda de EEAP al 305-513-7700. Por favor, **guarde una copia de esta solicitud rellena para su uso personal y envíe por correo el original a:**

REASONABLE ACCOMMODATIONS POLICY AND PROCEDURES

Appendix IV of the ACOP

INTRODUCTION:

Policy Statement:

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to ensuring that its policies and procedures do not deny individuals with disabilities the opportunity to participate in, or benefit from, nor otherwise discriminate against individuals with disabilities, on the basis of disability, in connection with the operations of HCD's programs, services and activities. Therefore, if an individual with a disability requires an accommodation such as an accessible feature or modification to a HCD policy, HCD will provide such accommodation unless doing so would result in a fundamental alteration in the nature of the program, or an undue financial and administrative burden or would be neither reasonable nor necessary. In such a case, HCD will make another accommodation that will not result in a financial or administrative burden or be either unreasonable or unnecessary.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

HCD will post a copy of these Reasonable Accommodation Policies and Procedures in the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of these Reasonable Accommodation Policies and Procedures, upon request, from Applicant Leasing Center Eligibility Interviewers, Public Housing AMP administrators, Section 8 Leasing and Contract Specialists, and HCD's ADA Coordinator.

For those who do not qualify as a person with a disability as defined by the Fair Housing Amendments Act, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act, but who have a need for an accommodation because of a physical or mental impairment, HCD may still provide an accommodation to meet that need contingent upon reasonableness and availability of resources.

Legal Authority:

HCD is subject to Federal, state and local civil rights laws and regulations. This Reasonable Accommodation Policy is based on the following statutes or regulations:

See Section 504 of the Rehabilitation Act of 1973 (Section 504)¹; Title II of the Americans with Disabilities Act of 1990 (ADA)²; the Fair Housing Act of 1968, as amended (Fair Housing Act)³; the Architectural Barriers Act of 1968⁴, and the respective implementing regulations for each Act, State of Florida Statutes Sections 760.20-760.37, and Chapter 11A, *et. seq.* of the Code of Miami-Dade County.

¹ 29 U.S.C. § 794; 24 C.F.R. Part 8.

² 42 U.S.C. §§ 12101 *et seq.*

³ 42 U.S.C. §§ 3601-20; 24 C.F.R. Part 100.

⁴ 42 U.S.C. §§ 4151-4157.

Monitoring and Enforcement:

HCD's ADA Coordinator is responsible for monitoring HCD's compliance with the laws stated herein and this policy. Individuals who have questions regarding this policy, its interpretation or implementation should contact the ADA Coordinator in writing, by telephone, or by appointment, as follows:

ADA Coordinator
701 NW 1 Court, 16th Floor Miami, Florida 33136
(786) 469-2155 phone
(786) 469-4151 fax

Individuals may contact the ADA Coordinator regarding any complaints regarding their reasonable accommodation request.

In addition, individuals may exercise their right to appeal HCD's decision through the local offices of the following agencies:

United States Department of Housing and Urban Development
Office of Fair Housing and Equal Opportunity

Miami, FL 33131

General Policy Information:

The requirement to provide reasonable accommodation is intended to provide, for persons with disabilities, equal opportunity to participate in all housing programs administered by HCD through modification of policies, procedures, or structures. This policy is not intended to provide greater program benefits to persons with disabilities than to non-disabled residents, program participants or applicants. It may mean, however, that persons with disabilities will sometimes be treated differently, in order to ensure equal access to programs and services.

Reasonable accommodation methods or actions that may be appropriate for a particular program and individual may be found to be inappropriate for another program or individual. The decision to approve or deny a request for a reasonable accommodation is made on a case-by-case basis and takes into consideration the disability and the needs of the individual as well as the nature of the program or activity in which the individual seeks to participate.

Information and documentation regarding the policy of reasonable accommodations will be given to applicants, residents and program participants during the admission and occupancy cycle, including but not limited to during the recertification process, and upon request (see "Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests", page 10). Forms and other documents used for applicants, residents and program participants will, to the extent feasible, be written in plain, intelligible

language. When appropriate, HCD will provide documents in accessible formats, provide auxiliary aids, or, upon request, communicate with a third party designated by the applicant or resident.

Reasonable accommodations are made in response to individual requests from a qualified person with disabilities. The request may be made in any manner that is convenient for the person with disabilities. Accommodations will be unique to the individual with disabilities; individuals with the same disability may not need, or desire, the same level of accommodation. There is no standard approach. What works for one person may not work for another in the same situation.

HCD will not provide supportive services, e.g., counseling, medical, or social services that fall outside the range of services offered to residents. Further, HCD will make modifications in order to enable a qualified applicant/resident with disabilities to live in the housing, but is not required to offer housing of a fundamentally different nature. The test is whether, with appropriate modifications, the applicant/resident can live in the housing that HCD offers; not whether the applicant/resident could benefit from some other type of housing that HCD does not offer.

DEFINITIONS:

Applicant: A person who successfully follows all of the required steps identified by HCD as necessary for becoming a participant in one of HCD's housing programs (for example: the Public Housing, Section 8 Housing Choice Voucher, or Section 8 Moderate Rehabilitation programs).

Assistive Animals: Animals that are used to give assistance to persons with disabilities and are necessary as a reasonable accommodation. Assistive animals are also referred to as service animals, support animals or therapeutic animals.

Major Life Activities: These include caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning and working. This is not an exhaustive list; other life activities can also be major.

Mitigating Circumstances: Situations in which a requested reasonable accommodation enables an applicant, resident, or program participant to become lease compliant.

Resident: A person who successfully follows all of the required steps identified by HCD as necessary for residing in a dwelling administered under HCD's Public Housing Program.

Person with Disabilities: A person who 1) has a physical or mental impairment that substantially limits one or more major life activities, 2) has a record of such impairment, or 3) is regarded as having such impairment.

Physical Or Mental Impairment: A variety of conditions, diseases, illnesses, disfigurements and disorders including hearing/orthopedic/visual/speech impairments, alcoholism, emotional illness, drug addiction (other than addiction caused by current, illegal use of a controlled substance), cerebral palsy, cancer, or HIV infection, if the impairment substantially limits one or more major life activities.

Program Participant: A person who successfully follows all of the required steps identified by HCD as necessary for participating in HCD's Section 8 Housing Choice Voucher or Section 8 Moderate Rehabilitation programs).

Reasonable Accommodation: a change, adaptation or modification to a policy, program, service, or workplace, which will allow a qualified person with a disability to participate fully in a program, take advantage of a service, or perform a job. Reasonable accommodations may include, for example those, which are necessary in order for the person with a disability to use and enjoy their dwelling, including public and common use spaces.

Verification source: a qualified professional (not necessarily a physician) having knowledge of a person's disability who can verify the person's disability and need for a reasonable accommodation.

AUXILIARY AIDS AND EXAMPLES OF REASONABLE ACCOMMODATIONS:

To facilitate communication with persons with disabilities, HCD shall furnish appropriate auxiliary aids. "Auxiliary aids" means services or devices that enable persons with impaired sensory, manual or oral skills to have an equal opportunity to participate in, and to enjoy, the benefits of programs and activities. However, HCD is not required to provide individually prescribed devices, such as readers for personal use or study, personal hearing aids, walkers, canes, wheelchairs, or other devices of a personal nature. In determining what auxiliary aids are necessary, HCD shall give primary consideration to request(s) of the individual with disabilities.

Types of auxiliary aids and reasonable accommodations that HCD, when necessary and appropriate, readily supplies to applicants, residents and program participants include but are not limited to:

1. Allowing transfers to another dwelling upon verification by a qualified verification source of a disability-based need for the transfer.
2. Providing additional explanation of program rules and requirements.
3. Offering documents, in accessible formats (e.g., large type, computer disk or Braille) and in plain language.
4. Permitting rent payments and required communications to be mailed rather than delivered in person.
5. Providing accessible housing to applicants and residents.
6. Providing another housing offer if an applicant, resident or program participant can demonstrate good cause that the rejection of the initial housing offer, for example, was because of the disability of an applicant, resident or program participant's household member.
7. Making a dwelling unit, part of a unit or public and common use elements accessible.
8. Providing auxiliary aids, such as pencil and paper for those with speech difficulties, Telecommunication Device for the Deaf (TDD), Assisted Listening Device (ALD), a qualified sign language interpreter, or a reader, when necessary for effective communication between HCD and an applicant, resident or program participant.
9. Sending mail or making phone calls to a person designated as a contact person by the person with disabilities.
10. Allowing the use of assistive animals.
11. Considering the impact of "mitigating circumstances" regarding the rejection of an applicant for housing or when terminating the lease or terminating housing assistance to an applicant, resident, or program participant. If the applicant/resident/program participant requests such consideration or if more information is required, HCD will ask the applicant/resident/program participant to verify:
 - a. that the applicant/resident/program participant has a disability;

- b. that the specific situation(s) that led to application rejection or lease/housing assistance termination is/are caused by or occurred because of the disability or that the disability substantially contributes to the specific situation(s) that led to application rejection or lease/housing assistance termination;
 - c. that the proposed accommodation can reasonably be expected to prevent the recurrence of the situation(s) that led to application rejection or lease/housing assistance termination.
- 12. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was reasonably related to their disability. Decisions will be made on a case-by-case basis, considering whether, because of the person's disability, the person was prevented from responding in time and considering reasons for reinstating of applications normally allowed for people without disabilities.
- 13. Reinstating applications of persons with disabilities, if the reason they did not submit their applications or respond to housing offers in the required time was failure on the part of HCD to provide effective communication.
- 14. Allowing a live-in aide to reside in an appropriately-sized dwelling unit.
- 15. Installing strobe type flashing lights and other such equipment for a family member with a hearing impairment.
- 16. Permitting an outside agency or family member to assist an applicant, resident or program participant in meeting screening criteria or meeting essential lease obligations.

Aids, benefits, and services, to be equally effective, are not required to produce identical results for individuals with disabilities and non-disabled persons, but to afford individuals with disabilities equal opportunity to obtain the same result, to gain the same benefit, or to reach the same level of achievement.

FUNDAMENTAL ALTERATIONS TO THE PROGRAM OR UNDUE FINANCIAL AND ADMINISTRATIVE BURDEN:

HCD will deny reasonable accommodation requests which would require a fundamental alteration in the nature of its programs, services or activities, or which would create an undue financial and administrative burden or which are neither reasonable nor necessary. Determining a requested accommodation to be a fundamental alteration does not eliminate HCD's compliance responsibilities. If a requested action would result in a fundamental alteration or undue financial and administrative burden, HCD may take another action that would not result in a fundamental alteration but would nevertheless ensure that the person would have an equal opportunity to receive the program benefits and services. HCD's determinations with respect to fundamental alterations will be made on a case- by-case basis.

ESSENTIAL OBLIGATIONS OF TENANCY:

To help identify fundamental operations in the programs, six essential obligations of tenancy are listed below:

1. To pay rent and other charges under the lease in a timely manner;
2. To care for and avoid damaging the unit and common areas; to use facilities and equipment in a reasonable way; to create no health or safety hazards and to report maintenance needs;
3. Not to interfere with the rights and enjoyment of others and not to damage the property of others;
4. Not to engage in criminal activity that threatens the health, safety or right to peaceful enjoyment of other residents or staff; not to engage in drug-related criminal activity on or off the premises (for Public Housing, Section 8 Moderate Rehabilitation, Section 8 Housing Choice Voucher (Section 8 Voucher), and all applicable related programs);
5. To comply with all applicable US HUD regulations, and HCD rules, and program requirements and documents, (including the HCD Public Housing Conventional Lease and Community Policies and Section 8 HAP Contract) and to comply with health and safety codes; and
6. Actions that would change the essential obligations of tenancy.

TYPES OF ACTIONS CONSIDERED TO BE A FUNDAMENTAL ALTERATION:

Types of activities that would be considered to be a fundamental alteration to the program include but are not limited to:

1. Actions that require substantial modifications to, or elimination of, essential lease provisions, community policy provisions, or program eligibility or screening requirements based on the obligations of tenancy (e.g., admission of an unqualified family or family member);
2. Actions that require HCD to add supportive services; e.g., counseling, medical, or social services, that fall outside the range of existing services offered by HCD;
3. Actions that require HCD to offer housing or benefits of a fundamentally different nature from the type of housing or benefits that HCD offers; or
4. Actions that substantially impair HCD's ability to meet its essential obligations as a landlord, as defined in the HCD Conventional Public Housing Dwelling Lease (HCD Lease). HCD's obligations under the HCD Lease include management, administration, maintenance, or other services required for the operation of the program or upkeep of the property.

REASONABLE ACCOMMODATION PROCEDURES:

Initial Reasonable Accommodation Procedures:

1. HCD's *Reasonable Accommodation Request* form will be provided to all applicants as an attachment to HCD's application when the waiting list is opened.
2. During any point in the application process, applicants may make written requests using the Reasonable Accommodation form or if they are unable to complete the form, make a verbal request for reasonable accommodations to the following address and/or by calling the phone number indicated below:

Attention: Manager, Applicant Leasing Center (ALC)
HOUSING AND COMMUNITY DEVELOPMENT - ALC
1401 NW 7th Street
Miami, FL 33125
(786) 469-4300
Florida Relay TDD/TTY: 305-643-3377

Prior to eligibility interviews, applicants will send completed reasonable accommodation forms, and make all related requests and inquiries to, the ALC Manager. Also during this period, the ALC Manager or designee will send all necessary forms, and process all reasonable accommodation forms, requests and inquiries.

Notification to Applicants, Residents, and Program Participants Regarding Reasonable Accommodation Requests:

HCD's Reasonable Accommodation Policies and Procedures, which includes the Reasonable Accommodation Request and Notice of Nondiscrimination on the Basis of Disability, will be posted in appropriate HCD business offices listed on page 1. The Notice of Right to a Reasonable Accommodation, Reasonable Accommodation Request, and Reasonable Accommodation Information forms will also be provided at eligibility determination, move-in and recertification by the AMP administrator (Public Housing) or HCD Contract and Leasing Specialist (Section 8) or their designees. When the designated employee (see "Making a Reasonable Accommodation Request," page 11) provides these forms, the recipient must sign the Acknowledgement of Receipt of Reasonable Accommodation Documents form, a copy of which must be placed in the recipient's file.

Forms and letters have been developed for an applicant, resident or program participant to request a reasonable accommodation. These forms are listed in the Appendix and are explained in later sections of this policy.

Although the process for requesting a reasonable accommodation is standardized, each request will be treated uniquely. The results will be unique to the individual, the property, and/or circumstances involved. Whenever possible, reasonable accommodation decisions will be made in a timely manner, and both denials and agreements to make accommodations will be documented in writing. If applicable, forms and notifications will be provided to the applicants, residents or program participants in an accessible format (such as Braille, large print, or audio tape) upon request.

Any meetings required by this policy will be held at an accessible location. Auxiliary aids will be provided upon request, where necessary to afford an individual with disabilities an equal

opportunity to participate in, and enjoy the benefits of HCD's programs and/or activities. Auxiliary aids are services or devices that enable persons with impaired sensory, manual, or speaking skills to have an equal opportunity to participate in, and enjoy the benefits of, HCD's programs or activities and include, but not limited to, qualified sign language interpreters, telecommunication devices for deaf persons (TDD's), Braille materials, audio recordings, materials in large print, note takers, or assistive listening devices. If auxiliary aids are requested by any person, including but not limited to an applicant, resident or program participant, such accommodations shall be made available. This requirement is contingent upon the requestor having given prior notification to HCD, e.g., on the application form in the case of an applicant, before any meetings held by HCD, etc. A person requiring an auxiliary aid shall make their request to HCD by providing a minimum of five (5) days advance notice. In most instances, this will allow sufficient time to provide these accommodations.

Appointments letters, notices of meetings, brochures and other HCD communications inform applicants, residents and program participants of their rights to auxiliary aids and how to contact the HCD staff person to whom these requests should be made. All HCD staff persons receiving requests for auxiliary aids will record these requests on the "Auxiliary Aids Request" form.

If HCD is not able to accommodate a disabled person who has requested an auxiliary aid, HCD will take appropriate action, including, but not limited to, rescheduling any meetings.

The Miami-Dade County contract for sign language interpreter services has a 48-hour advance cancellation requirement. In order to ensure compliance with this cancellation policy and prevent charges in full if the requirement is not met, the requestor will be required to notify staff or the County no less than 72 hours in advance if they anticipate not being able to attend the scheduled activity.

HCD will schedule sign language interpreters when a request is received at least five (5) days prior to any scheduled activity.

Making a Reasonable Accommodation Request:

Applicants, residents and program participants may make a reasonable accommodation request at any time. If the applicant/resident/program participant is unable to complete any of the following reasonable accommodation forms (Request Forms): *Reasonable Accommodation Request*, *Live-in Aide Agreement*, or *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Public Housing Only) forms, the request will still be considered. If the applicant/resident/program participant is unable to complete any of the Request Forms, the Eligibility Interviewer, AMP administrator, Contract and Leasing Specialist, or other designated employee must offer assistance and, upon consulting with the applicant, resident or program participant, complete the Request Forms to the best of their ability for record-keeping purposes. The designated employee must review the completed Request Forms, as appropriate, with the applicant, resident, or program participant. The designated employee must ensure that all reasonable accommodation requests are written on the applicable forms, no matter how the requests are communicated. The designated employee shall not give any assurances to the applicant, resident, or program participant that the request for reasonable accommodation will be granted or denied, but shall convey to the applicant, resident, or program participant that the requests will be reviewed and a final determination will be made at a later date described within this policy. If the accommodation is reasonable, HCD will consider the request.

The general procedures for making a reasonable accommodation request (subsequent to application process) are as follows:

1. At the eligibility determination phase, the Eligibility Interviewer, Contract and Leasing Specialist or other designated employee shall provide the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request* (which includes an attachment entitled "Examples of Reasonable Accommodations") and *Reasonable Accommodation Information* forms. The designated employee must obtain the signature of the applicant on the *Acknowledgement of Receipt of Reasonable Accommodation Documents* form indicating that they have received these forms. That form must be kept in the applicant's file. The Eligibility Interviewer, Contract and Leasing Specialist or other designee is the person to whom requests should be submitted at this phase. The designated employee shall also read a script entitled *Reasonable Accommodation Script* that clearly and simply indicates what a reasonable accommodation is and the fact that an applicant, resident or program participant has a right to a reasonable accommodation. The designated employee shall ask all applicants if they want to designate a contact person if needed to assist them because of their disability.
2. The AMP administrator, Contract and Leasing Specialist or designated employee will notify all Public Housing residents/Section 8 program participants of their right to request a reasonable accommodation by providing them with the *Notice of Right to a Reasonable Accommodation*, *Reasonable Accommodation Request*, and *Reasonable Accommodation Information* forms during move-in and recertification. They will also be notified that they may obtain additional *Reasonable Accommodation* forms from the designated employee at any time.
3. Applicants, residents, and program participants will submit all requests for reasonable accommodation to the designated employee as appropriate (see paragraphs 1 and 2 above) on the Request Forms and will obtain the Request Forms from those employees. Applicants, residents, and program participants will also obtain the Authorization for Release of Information from the designated employees as appropriate (see paragraphs 1 and 2) and return completed copies of these release forms to those same employees. If applicants, residents or program participants cannot use or complete a form because of their disability, the designated employee will still respond to their requests for reasonable accommodation and assist the applicant, resident or program participant in completing and using the form.
4. HCD shall assure that all medical records or any other documents related to the medical condition of the applicant, resident or program participant are protected from disclosure pursuant to all applicable federal and state laws, including but not limited to the Health Insurance Portability and Accountability Act of 1996 and Chapter 119 of the Florida Statutes (Public Records Law). All documents regarding the medical condition of applicants, residents, and program participants must be stored in secure, locked cabinets in the offices of the Applicant and Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager or Section 8 Tenant Selection Supervisor (as applicable). Medical documents must never be stored with applicant or tenant files. Access to medical documents and information is restricted solely to those employees who must have access to that information in order to provide a reasonable accommodation. This may include the ADA Coordinator, Applicant Leasing Center Chief (for applicants), Regional Managers (for Public Housing residents), and Tenant Selection Supervisors (for applicants and Section 8 program participants).
5. Within two (2) business days of receipt of the Request Form, the Eligibility Interviewer (for applicants), AMP administrator (for Public Housing residents), Contract and Leasing

Specialist (for Section 8 Moderate Rehabilitation applicants and for Section 8 program participants) or other designated employee will fax a copy of the Request form and the following Verification Forms (as applicable) to the verification source indicated on the Request Form to verify disability and document the need for the reasonable accommodation: *Reasonable Accommodation Verification*, *Letter to Verification Source for a Reasonable Accommodation Request*, and *Live-in Aide Agreement/Live-in Aide Verification*. The fax notifies the verification source that the completed Verification form must be returned to the designated employee within ten (10) business days and that failure to do so may result in the request being denied.

6. Within two (2) business days of receipt of the Request Form, the designated employee will also forward this form to the ADA Coordinator for monitoring purposes.
7. The designated employee places a follow up call to the verification source within one (1) business day of faxing the documents to confirm receipt of the documents. If the forms have not been returned to the designated employee within five (5) days of being sent, the designated employee faxes a reminder to the verification source that the completed Verification form must be returned to the designated employee within five (5) business days and that failure to do so may result in the request being denied. If the Verification form is returned within ten (10) business days of being sent, proceed to step 8 (below). If the verification source does not return the Verification form within ten (10) business days of being sent, the designated employee forwards this information to the Applicant Leasing Center Tenant Selection Supervisor, Public Housing Regional Manager, Section 8 Tenant Selection Supervisor or other designated supervisor who must forward the documents to the ADA Coordinator with their recommendation for denial.
8. Within two (2) business days of receipt of the completed Verification Form and any supporting documentation, the designated employee will forward the applicant's, resident's, or program participant's Request Form, Verification Form, and any supporting documentation to the designated supervisors in a sealed envelope.
9. The following forms may be used by the designated supervisor (see item 6, above) to communicate with applicants, residents or program participants and verification sources regarding Request and Verification Forms: *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation* (if applicable), *Request for More Information or Verification Regarding a Reasonable Accommodation Request*, or *Letter to Verification Source for a Reasonable Accommodation Request* (as applicable).
10. Should the designated supervisor determine that the Verification Form is incomplete or lacking in adequate detail, the designated supervisor will fax the form to the verification source within two (2) business days of receipt. The fax will indicate the necessary changes, and advise the verification source that the necessary changes must be incorporated and the corrected form must be returned within ten (10) business days. The fax also informs the verification source that failure to return the corrected form within the allotted time may result in the request being denied. The designated supervisor will place a follow-up phone call within one (1) business day of sending the fax to confirm receipt. The designated supervisor will send a reminder fax within five (5) business days of sending the fax should the documents fail to be returned within that time, again informing the verification source that failure to return the corrected form within the allotted time (five (5) days) may result in the request being denied. If the verification source returns the corrected Verification Form within ten (ten) business days, proceed to the decision processes outlined in items 11 and 12 below. Should the verification source

fail to return the corrected Verification Form within the allotted ten (10) business days, the designated supervisor will forward all Request and Verification Forms and any other applicable documents to the ADA Coordinator with recommendation that the reasonable accommodation request be denied for lack of proper verification, but that the request will be reconsidered should the requestor wish to resubmit it.

11. All decisions of the designated supervisors to grant reasonable accommodations will be communicated in writing (or in the appropriate, accessible format as previously indicated) to the applicant, resident or program participant and the ADA Coordinator within ten (10) business days of their receipt of correctly completed Request and Verification Forms via the *Approval/Denial of Reasonable Accommodation Request* form. The *Approval/Denial of Reasonable Accommodation Request* (Approval/Denial) form also advises the requestor of a projected date (if that can be estimated at the time of approval) by which HCD intends to provide the accommodation and indicates a phone number for the requestor to call in case of questions. If necessary, the ADA Coordinator is available for consultation on these matters. All requests for reasonable accommodation that are approved by the designated supervisors will be implemented or the process of implementation will begin within fourteen (14) days. If the implementation or the initiation of implementation should be longer, the requestor will be notified in writing within fourteen (14) days with an estimated date of completion.
12. All recommendations by the designated supervisor to deny reasonable accommodation requests must be reviewed by the ADA Coordinator prior to being released to the requestor. The designated supervisor will transmit their recommendations to deny reasonable accommodation requests to the ADA Coordinator within ten (10) business days of their receipt of the Request and Verification Forms. All decisions of the ADA Coordinator to grant or deny reasonable accommodation requests will be communicated in writing via the *Approval/Denial of Reasonable Accommodation Request* form (or in the appropriate, accessible format) to the applicant, resident, or program participant within thirty (30) business days receipt of the designated supervisor's recommendation, the Request and Verification Forms, and all other supporting documentation. Should the requestor wish to contest any adverse action pursuant to the Reasonable Accommodation Grievances and Appeals section, they may do so by requesting a Reasonable Accommodation Grievance or Appeal Hearing (Hearing). The *Approval/Denial of Reasonable Accommodation Request* form provides information regarding HCD's grievance/appeals procedure. If the person who wishes to contest an adverse action is unable to do so by written means because of their disability, HCD will consider alternate means by which the person may communicate the appeal. Should the requestor wish to contest the Reasonable Accommodation Grievance or Appeal Hearing Committee's decision, they may do so by following the *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*.
13. See the "Reasonable Accommodation Grievances and Appeals" section for additional information.

All forms must be date- and time-stamped by the HCD employees who receive them.

Determining Whether to Provide the Accommodation:

1. The first step in determining whether to provide the accommodation is to verify whether the party requiring the accommodation meets the definition of an Individual with Disabilities. The designated supervisors will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make a reasonable accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 2.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) about this request, using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or a meeting or discussion will be requested to obtain additional information using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
2. The second step is to verify that the requested accommodation is related to the disability (for example, if a person (who was the only household member) had a disability but no mobility impairment, and requested a wheelchair-accessible dwelling, the requested accommodation would not be related to the disability). The designated supervisor will determine this by using the applicable Verification Form(s) *received from verification source*.
 - a. If NO, HCD is not obligated to make the accommodation, and may deny the request. All final decisions to deny are made by the ADA Coordinator.
 - b. If YES, go to step 3.
 - c. If more information is needed, the designated supervisor will notify the verification source and/or applicant/resident/program participant (as applicable) using the *Request for More Information or Verification Regarding a Reasonable Accommodation Request* form, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.
3. Is the requested accommodation reasonable? The Guidelines For Determining Reasonableness listed below will be followed by the designated supervisor in determining the reasonableness of the request.
 - a. If YES, HCD will approve the request for reasonable accommodation. A written description of the accommodation will be included in the approval letter.
 - b. If NO, HCD may deny the request or may suggest/offer another alternative accommodation if appropriate. The denial or suggestion/offer will be made in writing (in an accessible format, if requested). All denials must be submitted to the ADA Coordinator for review prior to release to the requestor.

- c. If more information is needed, the designated supervisor must either write for more information and notify the verification source and/or applicant/resident/program participant (as applicable) using the standard *Request for More Information or Verification Regarding a Reasonable Accommodation Request* forms, or request a meeting or discussion using the *Letter to an Applicant, Resident, or Program Participant for a Meeting About Reasonable Accommodation*.

Guidelines for Determining Reasonableness:

1. The purpose of the Verification Forms is to verify:
 - a. That the requestor is a person with disability;
 - b. That the requested accommodation is related to the applicant's, resident's, or program participant's disability; and
 - c. That the requested accommodation would (or will) provide the applicant/resident/program participant with an equal opportunity to use and enjoy HCD housing programs.
2. HCD retains the right to investigate alternatives to the requested accommodation, and/or alternative methods of providing the requested accommodation.
3. If an alternate accommodation satisfies the needs of the person with disabilities and is equally effective, HCD may select the accommodation that is most convenient and cost-effective. HCD will take the preferences of the applicant/resident/program participant into consideration in making such a determination. An alternative accommodation may include a change in procedure or policy, rather than a structural change, when the policy or procedure change would be equally effective. Under any circumstance, the requestor would still have a right to request an additional accommodation should the alternate accommodation proves unsatisfactory. The requestor retains the right to request an additional accommodation as needed.
4. If the requested accommodation constitutes a fundamental alteration to any HCD program, and there are no other appropriate solutions, the request will be denied, and the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute a fundamental alteration. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.
5. If the requested accommodation creates an undue financial and/or administrative burden, and there are no other appropriate solutions, the designated supervisor recommending denial of the request must provide documentation to the ADA Coordinator explaining why the request would constitute an undue financial and/or administrative burden. The ADA Coordinator shall conduct an independent review to determine if approval or denial of the request is appropriate.

Reasonable Accommodation Grievances and Appeals:

If an applicant, resident or program participant disagrees with a reasonable accommodation decision, they may request a Reasonable Accommodation Grievance and Appeal Hearing by

submitting a request which may be written, oral or by any other means of communication accessible by the requestor. The name, address and phone number of the contact person for scheduling a Reasonable Accommodation Grievance and Appeal Hearing is:

ADA Coordinator
701 NW 1 Court, 16th, Floor
Miami, Florida 33136
(786) 469-2155 (office)
Florida Relay Service: (800) 955-8771 (TDD/TTY)

HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee shall convene the grievance or appeal hearing within thirty (30) business days of the receipt date of the request. The Reasonable Accommodation Grievance and Appeal Hearing Committee is composed of the members of the Section 504/ADA Policy Committee appointed by the HCD Director. The Section 504/ADA Policy Committee members are HCD Division Directors and other applicable staff whose responsibilities include matters related to Section 504/ADA. No HCD employee who was involved in the initial decision(s) regarding a reasonable accommodation request that is the subject of a hearing shall sit on HCD's Reasonable Accommodation Grievance and Appeal Hearing Committee during the hearing related to that request.

The applicant, resident or program participant may bring documents, witnesses and/or representatives to the Reasonable Accommodation Grievance and Appeal Hearing in order to contest the manner in which a reasonable accommodation is proposed to be (or was) implemented, the denial of a reasonable accommodation request, or any other applicable disability-related decision made by the ADA Coordinator.

Should the requestor wish to contest the Reasonable Accommodation Grievance and Appeal Hearing Committee's decision, they may do so by following the Miami-Dade County ADA Grievance Process.

Discontinuation of Reasonable Accommodation:

HCD will not change or discontinue a reasonable accommodation, or a particular method of providing such accommodation, without giving notice. Notice of the change or discontinuation of a reasonable accommodation will be given to the applicant, resident or program participant with disabilities and it will include a request for the resident to indicate if the change would not meet their needs, and notification that the resident has the right to appeal the decision to change or discontinue the accommodation.

Application and Waiting List:

The application and/or application instruction forms for all Public Housing, Section 8 Housing Choice Voucher and Section 8 Moderate Rehabilitation programs shall include the following:

1. Notice that if the applicant is unable to complete the application due to disability, or needs the form in an alternate format, they may request such assistance.
2. Notice of the manner in which the applicant should request the required assistance as described in the item above.

3. A question prompting the applicant to indicate whether their or a member of the household has a disability.
4. A question prompting the applicant to indicate any special features a household member requires in a rental unit because of disabilities.

In the Public Housing and Moderate Rehabilitation programs, priority for a vacant unit with accessibility features will be given first to current residents who require those features, and then to applicants requiring the same. If there is no other resident or applicant on the waiting list needing units with accessibility features, HCD may house the next eligible, non-disabled applicant in the unit. HCD will also inform the applicant that pursuant to HCD's policy and HCD's Public Housing Lease, if another resident or eligible applicant requires the accessible features of the accessible unit, and another unit is available, then the non-disabled family/individual residing in the unit with accessible features must transfer to another unit within fifteen (15) days receipt of notice to move.

Notwithstanding HCD's policies, residents who require a transfer as a reasonable accommodation are not prohibited from transferring within the first year of residency.

In addition, HCD may grant an exception to its Occupancy Policies (set forth in the Section 8 Administrative Plan (Admin Plan) and the Public Housing Admissions and Continued Occupancy Policy (ACOP)) by providing a larger unit as a reasonable accommodation to a family member with disabilities.

HCD may allow an applicant or program participant family to have an extra bedroom to accommodate a family member who requires certain medical equipment or for other verifiable reasons. The need for such equipment must be verified by a qualified health care professional as a necessary reasonable accommodation.

HCD may grant reasonable accommodations by reinstating applicants with disabilities, who fail to respond within the required time frame to inquiries regarding updating the waiting list, if the reason they did not respond is reasonably related to their disability. HCD may grant reasonable accommodations by reinstating applicants with disabilities for other reasons on a case-by-case basis.

Mitigating Circumstances:

General failure to comply with lease terms or other program policies may lead to termination or denial of assistance.

The ACOP and Admin Plan indicate that HCD Public Housing residents or family members and Section 8 program participants shall comply with all lease terms including but not limited to:

- Any violent criminal activity,
- Any drug-related criminal activity, or
- Other activities in violation of the lease.

HCD staff may become aware that an applicant's ineligibility determination, or a resident's or program participant's termination of assistance determination, occurred because of their disability. This knowledge may be acquired during an informal review for applicants or during an informal hearing for residents or program participants. This section addresses this issue.

If an applicant, resident or program participant has a history of behavior or displays behavior that may result in a violation of the HCD Lease or in violation of program regulations or policies, the HCD Tenant Selection Supervisor (Supervisor), Regional Manager or other designated employee may make an initial determination that the applicant is ineligible or that the resident or program participant should be terminated.

The notices of ineligibility (for applicants) or termination of assistance (for residents and program participants) inform applicants of their right to request an informal review or residents and program participants of their right to an informal hearing.

During the informal review or hearing, if the applicant, resident or program participant informs the Hearing Officer that a requested reasonable accommodation may enable the applicant to become lease compliant, the Hearing Officer will forward the reasonable accommodation request to the ADA Coordinator and continue the informal review until the ADA Coordinator renders their determination.

Applicants may appeal the ADA Coordinator's determination according to the processes described in the Reasonable Accommodation Grievance and Appeals section.

Disability-Related Activities and Reasonable Accommodations Unique to the Section 8 Program:

HCD will do or allow the following:

1. HCD will encourage participation in the Section 8 Voucher program by owners, including encouragement of participation by owners having accessible units.
2. The HCD Section 8 Contract and Leasing Specialist (Specialist) or designee will furnish a current listing of available accessible units known to HCD to all families that include a person with a disability and, if necessary, otherwise assist the family in locating an available accessible dwelling unit in an accessible environment, to the extent feasible.
3. The Specialist or designee will take into account the special problem of ability to locate an accessible unit in an accessible environment when considering requests by eligible individuals with disabilities for extensions of Section 8 Vouchers.
4. The Specialist or designee will allow Section 8 Voucher holders to request a reasonable accommodation, in the form of an extension of the issued Voucher beyond 120 days, by following the standard reasonable accommodation request procedure. Approvals of voucher term extensions beyond 120 must be consistent with the Admin Plan.
5. HCD may, if necessary as a reasonable accommodation for an individual with a disability, approve a family's request for an exception payment standard amount under the Housing Choice Voucher Program so that the program is readily accessible to and usable by individuals with disabilities. See 24 C.F.R. §§ 8.28 and 982.504(b)(2).
6. Upon request by an applicant, participant, or their representative, HCD will ask the HUD Field Office for an exception payment standard up to 120% of the Fair Market Rent (FMR). However, the applicant, participant or the representative, must provide documentation of the need for the exception payment standard to HCD.

7. In exceptional cases, HCD may ask the Assistant Secretary for Public and Indian Housing of HUD for an exception payment standard amount over 120% of the FMR, provided the applicant, participant or the representative provides the appropriate supporting documentation.
8. Upon request, the Supervisor or designee may allow a higher utility allowance as reasonable accommodation for a person with disabilities, if appropriate.
9. The Supervisor or designee shall deny participation of units when the owner is the parent, child, grandparent, grandchild, sister or brother of any member of the participant family, unless the Supervisor or designee determines that approving the unit would provide reasonable accommodation for a family member who is a person with disabilities. The process by which a participant family may request such accommodation is described on pages 11 through 15. All initial recommendations to deny reasonable accommodation requests must be reviewed by the ADA Coordinator for final determination.
10. Annual recertifications shall be conducted at the offices of the HCD Private Rental Housing Division. If a housing program participant is unable to come to the office for the recertification due to disability, the Supervisor or designee may allow, on a case-by-case basis, and at the request of the program participant, the program participant to be reexamined either by mail or by an at-home visit.
11. The Supervisor or designee will take into consideration the interests of persons who are disabled in making decisions as to which family member shall assume the application if the family divides.
12. Permitting requests for extensions of Section 8 Vouchers may be allowed if there is a difficulty in locating a unit with suitable accessible features or otherwise appropriate for the family.

HCD PUBLIC HOUSING ASSISTIVE ANIMAL POLICY:

Assistive animals are also referred to as service animals, support animals or therapeutic animals. They give assistance to persons with disabilities and are necessary as a reasonable accommodation.

Animals **do not** have to be trained to be assistive animals. An animal not trained to be an assistive animal, yet prescribed to provide emotional support to improve a person's symptoms caused by chronic mental illness, is also an example of an assistive animal. In addition, a seeing-eye dog or a dog trained to assist a hearing impaired person would also be examples of assistive animals.

HCD will not charge a pet deposit for an assistive animal kept in accordance with all HCD policies and housed in a development or building owned by Miami-Dade County and administrated by HCD. All residents are, however, responsible for reimbursing the appropriate parties should their assistive animal cause damage to the unit, the common areas and elements or to any other the property of the residents in a development or building owned by Miami-Dade County and administrated by HCD, including but not limited to the property occupied by other residents of the public housing development or other property owned by Miami-Dade County and administrated by HCD.

HCD will also not apply its animal weight policy or any other policy which will unreasonably deny a disabled applicant, resident or program participant, who requires an assistive animal, the full use and enjoyment of their dwelling or the common areas.

The HCD Regional Manager or designee will use the following steps when considering a request for an assistive animal as a reasonable accommodation:

1. Public housing applicants who have received public housing offers, and public housing residents may use the *Reasonable Accommodation* form to request an assistive animal as a reasonable accommodation.
2. Public housing applicants who have received public housing offers, and public housing residents use the *Reasonable Accommodation Verification* to obtain verification that the person for whom the assistive animal is requested is a person with a disability as defined in Section 504, the ADA and the Fair Housing Act regulations and that the requested animal is needed to assist with the disability.
3. Refer to the information in the section entitled "Making a Reasonable Accommodation Request" on pages 11 through 15 of these policies and procedures for the steps in processing these and other reasonable accommodation requests.
4. Compliance with the assistive animal policies will be required to the extent feasible without violating the individual's rights to have an assistive animal.
5. The assistive animal owner shall be responsible for the animal's care and the animal must be kept according to HCD's Lease and Community Policies.
6. If the animal or its care subsequently poses a public health problem or results in a lease violation, the problem will be addressed, under the terms of the HCD Lease and Community Policies. In such a case, the HCD AMP administrator or designee may send the resident a Notice of Lease Violation.

SECTION 8 ASSISTIVE ANIMAL POLICY:

Section 8 owners are required to comply with all applicable federal, state and local laws that protect the rights of the disabled. Accordingly, where Section 8 tenants require assistive animals as a reasonable accommodation, Section 8 owners may not require the owners of assistive animals to pay pet deposits, neuter their animals, or adhere to limits on the weight, size, and number of assistive animals.

LIVE-IN AIDES:

A live-in aide is a person eighteen (18) years of age or older who resides with one or more elderly (at least sixty-two (62) years of age), near-elderly (at least fifty (50) years of age but below sixty-two (62) years of age), or disabled (see the definition of a person with disabilities on page 4) person(s) and who is determined to be essential to the care and well-being of the person; is not obligated for the support of the person; and would not be living in the unit except to provide the necessary supportive services. A relative may be considered a live-in aide, but must meet all the criteria listed herein. Persons with children or spouses may, on a case-by-case basis, be allowed to serve as Live-in Aides.

Requests for live-in aides are subject to the foregoing policies. The two forms discussed below replace the Reasonable Accommodation Request and Reasonable Accommodation Verification forms (respectively) for purposes of requesting a live-in aide as a reasonable accommodation.

1. The *Live-in Aide Agreement* is the form on which:
 - a. The head of household shall request the live-in aide. The requestor may make this request for themselves, or for a household member.
 - b. The requestor provides the designated employee with information related to the request and the live-in aide.
 - c. The requestor shall provide the designated employee with the name and contact information of the verification source from whom the requestor is obtaining verifications and other information essential for obtaining a live-in aide.
2. The *Live-in Aide Verification* is the form on which:
 - a. The verification source verifies that the person for whom the Live-in Aide is being requested qualifies for, and requires, the live-in aide. The verification source must also verify that the live-in aide is qualified to provide the appropriate services to the household member.

The designated employee faxes the *Live-in Aide Verification* form to the verification source to help ensure the form is filled out by the designated verification source.

The designated employee may approve a written request for a live-in aide upon receipt of verification documentation including, but not limited to, completed *Live-in Aide Agreement* and *Live-in Aide Verification* forms. If the designated employee approves, or the ADA Coordinator denies, the request for a live-in aide, they will inform the requestor by means of the Approval/Denial of Reasonable Accommodation Request form.

The live-in aide may live in the unit solely to care for the family member and qualifies for occupancy only for as long as the individual requires the supportive services and is living in the unit. HCD shall deny occupancy of the unit to the live-in aide after the tenant, resident or program participant, for whatever reason, is no longer living in the unit.

A relative may be considered as a live-in aide but must meet all the criteria outlined in this section and must be qualified to provide care for the family member. The tenant and the live-in aide shall acknowledge that the live-in aide does not have any right to the unit and does not

qualify for continued occupancy as a remaining family member by signing the *Live-in Aide Agreement* (which shall become an addendum to the tenant's/resident's lease).

The ADA Coordinator may deny the live-in aide request of a person who does not meet the admission criteria described in the Admin Plan and the ACOP. The process by which applicants, residents and Section 8 program participants may appeal a denial of a live-in aide request, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

TRANSFERS:

The reasonable accommodation policies mentioned throughout this document apply to transfers based on a request for reasonable accommodation. Transfers based on a request for reasonable accommodation in Section 8 Moderate Rehabilitation and Public Housing programs shall be documented in the same manner (as indicated throughout this policy) as other reasonable accommodation requests are documented (e.g. a *Reasonable Accommodation Request* form must be filled out). The only additional requirement is that, in addition to the aforementioned, the Public Housing requestor must complete and submit a Request for Transfer form.

In Public Housing, HCD shall not require, or recommend as an alternative, that a resident with a disability must accept a transfer instead of providing some other reasonable accommodation. However, if a public housing resident with a disability requests dwelling unit modifications that involve structural changes, including, but not limited to widening entrances, rooms, or hallways, and there is a vacant, comparable, appropriately-sized UFAS-compliant unit in that resident's development, an adjacent development, or a development to which the resident has expressed a willingness to move, HCD may offer to transfer the resident to the vacant unit in their development or adjacent development instead of providing structural modifications. However, if that resident rejects the offered transfer, HCD shall make modifications to the resident's unit unless doing so would be structurally impracticable or would result in an undue financial and administrative burden or would result in a fundamental alteration to a HCD program, service or activity. HCD shall inform applicants, residents and Section 8 program participants whether their transfers, structural modifications, and all other reasonable accommodations are granted by means of the Approval/Denial of Reasonable Accommodation Request form.

If the resident accepts the transfer, HCD will work with the resident to obtain moving expenses from social service agencies or other similar sources. If that effort to obtain moving expenses is unsuccessful within thirty (30) days of the assignment of the dwelling unit, PHA shall pay the reasonable moving expenses, including utilities fees and deposits. HCD will select the moving service vendors and disburse payments to them. Nothing contained in this paragraph is intended to modify the terms of HCD's Tenant and Assignment Plan and any resident's rights hereunder.

FORMER USERS OF ILLEGAL DRUGS:

Under the Fair Housing Act, Section 504 of the Rehabilitation Act, and the Americans with Disabilities Act, a former user of illegal drugs (recovered or now in recovery) is considered to be a person with disabilities and is protected against discriminatory treatment, but persons engaged in current illegal use of controlled substances are not protected.

The term "person with a disability" includes an individual who:

1. Has successfully completed a supervised drug rehabilitation program and is no longer engaging in the illegal use of drugs, or has otherwise been rehabilitated successfully and is no longer engaging in such use;
2. Is participating in a supervised rehabilitation program and is no longer engaging in such use; or
3. Is erroneously regarded as engaging in such use, but is not engaging in such use.

Anti-discrimination laws protect individuals who have a history of illegal use of a controlled substance or addiction and do not engage in the current illegal use of a controlled substance if they can otherwise meet the definition of a person with a disability.

When an individual claims recovery, the designated employee will require the person to present evidence of recovery from a qualified, neutral third party. The designated employee may require a family member who has engaged in the illegal use of drugs to present evidence of successful completion of a treatment program as a condition to being allowed to reside in a unit owned and managed by HCD or as a condition to being allowed to participate in other HCD housing programs. If it is determined that the individual "has recovered or is in recovery" and is thus a "person with a disability," the designated employee will consider requests for reasonable accommodations.

The designated employee will require the individual to provide documentation that would convince a reasonable person that the applicant/resident is not a current user of illegal drugs.

Documentation that an applicant/resident/program participant is not a current user of illegal drugs could include:

1. Verification from a reliable drug treatment counselor or program administrator, or other party acceptable to the designated employee, indicating:
 - a. that the applicant/resident/program participant is/has been in treatment;
 - b. that there is a reasonable probability of success in refraining from the use of illegal drugs;
 - c. that the applicant/resident/program participant is complying/has complied with the requirements of the treatment program; that the applicant/resident/program participant is not currently a user of illegal drugs; and
 - d. the period of time the applicant/resident/program participant has not been using drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
2. Verification from a probation or parole officer:

- a. that the applicant/resident/program participant has met or is meeting the terms of probation or parole;
 - b. is not currently a user of illegal drugs;
 - c. and for what period of time the applicant/resident/program participant has not been using illegal drugs (this verification may include documentation of the results of urinalyses over a period of time); and/or
3. Verification from a third party/parties, indicating:
 - a. that the applicant/resident/program participant is not currently using illegal drugs and
 - b. for what period of time the applicant/resident/program participant has not been using illegal drugs;
4. Description of the relationship between the third party/parties and the applicant/resident/program participant (verifications will not be accepted from the applicant's/resident's relatives); and
5. Description of how the third party/parties know(s) the status of whether the applicant/resident/program participant is currently using illegal drugs.

When an applicant/resident/program participant has a history of drug rehabilitation/treatment followed by recidivism, or is currently in treatment (as opposed to having completed treatment), more documentation may be necessary to convince a reasonable person that the applicant/resident/program participant is not a current user of illegal drugs.

The applicant/resident/program participant may be required to show in what ways:

1. Their current situation, and
2. Their claim to be a former illegal user of a controlled substance, and
3. Their claim to be able to comply with the essential terms of the HCD Lease or other housing program requirements is different from previously unsuccessful efforts to stop illegally using a controlled substance.

In all situations in which an applicant/resident claims to be a person with a disability due to former illegal drug use, the designated employee will determine the reliability and validity of information/verifications provided with the request for reasonable accommodation. The designated HCD employee will make a determination approving or denying the reasonable accommodation request and a determination of eligibility for housing assistance accordingly.

ALCOHOLISM:

HCD will not discriminate against any person solely because of a disability of alcoholism. The designated employee will, however, deny admission to an applicant, terminate assistance to a participant or terminate the tenancy of a resident, who HCD has reasonable cause to believe will behave in a manner that will interfere with the health, safety, or right to peaceful enjoyment of the premises by other residents, other tenants, or HCD personnel. The term “reasonable cause to believe” shall be determined on a case-by-case analysis. HCD may evaluate whether a person poses – or would pose – a direct threat to the health or safety of others.

HCD will make determinations of direct threat based on the following guidelines described in the following statement from the May 17, 2004 *Joint Statement of the Department of Housing and Urban Development and the Department of Justice, Reasonable Accommodations Under the Fair Housing Act*:

A determination that an individual poses a direct threat must rely on an individualized assessment that is based on reliable objective evidence (e.g., current conduct, or a recent history of overt acts). The assessment must consider: (1) the nature, duration, and severity of the risk of injury; (2) the probability that injury will actually occur; and (3) whether there are any reasonable accommodations that will eliminate the direct threat. Consequently, in evaluating a recent history of overt acts, a provider must take into account whether the individual has received intervening treatment or medication that has eliminated the direct threat (i.e., a significant risk of substantial harm). In such a situation, the provider may request that the individual document how the circumstances have changed so that he no longer poses a direct threat. A provider may also obtain satisfactory assurances that the individual will not pose a direct threat during the tenancy. The housing provider must have reliable, objective evidence that a person with a disability poses a direct threat before excluding him from housing on that basis.

HCD will apply the same standard of performance and behavior to an individual with alcoholism as it applies to others. If any unsatisfactory performance or behavior is related to the disability of an applicant/resident/program participant, the behavioral manifestations of the condition may be taken into consideration in determining whether the applicant/resident/program participant is qualified. If unable to meet the tenancy requirements, the applicant/resident/program participant may be denied housing on that basis, provided any request for reasonable accommodation has been considered. The process by which applicants, residents and Section 8 program participants may appeal a denial of housing or program participation, or any other adverse decisions related to disabilities, is described in the Reasonable Accommodation Grievances and Appeals section.

EMERGENCY EVACUATION:

This section only applies to the HCD Public Housing program.

Public Housing program applicants (who have received public housing offers) and residents with disabilities must ultimately be responsible for their own safety. Thus, they may choose not to live above the ground floor because of possible inability to escape a fire. They must, however, be allowed to decide whether living in an upper-floor dwelling unit outweighs whatever safety concerns may exist.

At move-in orientation and during recertification, the AMP administrator or designee informs Public Housing program residents that with their consent, the AMP administrator will provide information to the fire and police departments that identifies residents who will have special needs in case of an emergency evacuation. The AMP administrator will only share this information with these parties if consent is given.

The AMP administrator or designee will provide each resident with a copy of the *Release of Disability-Related Special Needs in Case of Emergency Evacuation* (Release) form at move-in and recertification. The AMP administrator will maintain these forms confidentially in the Site Office files. These forms will also be maintained confidentially at the Regional Offices in case the Site Offices are inaccessible due to an emergency.

In emergency situations, and only insofar as is reasonably feasible, AMP administrators or designees will inform fire and/or police departments as to which residents have special emergency evacuations needs.

Buildings with more than four units or with units above the first floor shall have evacuation plans identifying escape routes and procedures to be followed in case of emergency, including procedures for notifying persons who are deaf or blind and for evacuating persons who cannot climb stairs or may be disoriented. It is recommended that the evacuation plan be worked out with the local fire department.

OTHER HOUSING AND COMMUNITY DEVELOPMENT PROGRAMS AND SERVICES:

HCD administers a number of programs and services (e.g. various programs for home repair/improvement loans, home purchasing loans, construction loans, etc.) in addition to those previously mentioned in this policy. HCD will endeavor to ensure any person with disabilities who requests reasonable accommodation related to any HCD programs and/or services are provided all such accommodations as is their right under federal, state, and local laws and regulations.

MIAMI-DADE COUNTY ADA GRIEVANCE PROCESS:

Should HCD applicants, residents or program participants choose, they may follow the grievance process outlined in Attachment Three of Miami-Dade County Administrative Order Number 10-10 (see Appendix, *Miami-Dade Grievance Process, Americans with Disabilities Act of 1990*) instead of the process described in the “Reasonable Accommodation Grievances and Appeals” section of the HCD Reasonable Accommodation Policies and Procedures. The Miami-Dade County grievance process serves “...as the County’s mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA).”

A Public Housing resident may request a change in their current unit or a transfer to a unit that has already been changed (in the resident's development or another development). An applicant, resident, or program participant may request assistance with, or change in, a HCD practice, rule, policy, procedure, program or service.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION REQUEST

EXAMPLES OF REASONABLE ACCOMMODATIONS

The following list of reasonable accommodation methods are examples that may constitute reasonable accommodations for individual HOUSING AND COMMUNITY DEVELOPMENT (HCD) applicants, residents, and program participants. These accommodations may not necessarily be “reasonable” for all individuals. In addition, each accommodation may not be available to every applicant, resident in every unit and/or in every development, and program participants.

Examples of Modifications Which Constitute A Reasonable Accommodation

Section 504 states that the design, construction or alteration of buildings in conformance with §§ 3-8 of the Uniform Federal Accessibility Standards (UFAS), Appendix A to 24 C.F.R. § 40, shall be deemed to comply with the requirements of 24 C.F.R. §§ 8.21; 8.22; 8.23 and 8.25. However, the UFAS citations noted below are provided as a reference to assist in providing a reasonable accommodation and are not intended to govern every request for a modification. In order to meet the individual’s specific disability-related need(s), HCD may need to deviate from the UFAS. In addition, the reference to a UFAS section does not require all elements in that section to be made accessible. Rather, only the specific reasonable accommodation item requested is required to be accessible per the needs of the individual requesting the reasonable accommodation.

However, some modifications may not be structurally feasible in all units or all developments; in addition, some modifications may represent an undue financial and administrative burden. In such situations, the requirement to provide a reasonable accommodation is not alleviated, but must be provided by some other means such as transferring a family with a disabled member to a unit/development where the reasonable accommodation can be provided. Nevertheless, HCD will work with each qualified resident with a disability who requests a reasonable accommodation in order to identify a reasonable, effective and appropriate accommodation.

According to § 631.42 of the U.S. Postal Service “Postal Operations Manual”, the customer submits the “Hardship Clause” request directly to their postal delivery person; the delivery person then submits the request to their manager. The manager evaluates the individual request and takes appropriate action. HOUSING AND COMMUNITY DEVELOPMENT LIVE-IN AIDE AGREEMENT

Client Number: _____

I, _____, residing at _____
(Print Head of Household's (HOH) Name) (Print Address)

request HOUSING AND COMMUNITY DEVELOPMENT's (HCD) approval for live-in-aide services provided by _____, Social Security Number _____,
(Print Live-in Aide's Name)

Date of birth: ____/____/____

The household member requiring Live-In Aide assistance is _____.
(Print Household Member's Name)

The live-in-aide is a person who resides with one or more elderly persons (at least 62 years of age), or near elderly persons (at least 50 years of age but below the age of 62) or persons with disabilities (see definition in Live-In Aide Verification form), and who is: (a) 18 years of age or older, (b) is determined to be essential to the care and well-being of the person; (c) is not obligated for the support of the person; and (d) would not be living in the unit except to provide the necessary supportive services.

As a condition to obtaining HCD's approval, the live-in-aide and the Head of Household hereby acknowledge and agree to the following:

1. Move in of a live-in-aide must not result in overcrowding of the existing unit according to the maximum number of persons per unit standard; although a reasonable accommodation for a resident with a disability may be to move the family to a larger unit. If change in unit size is necessitated by this request, please indicate change in number of bedrooms: from ____ bedrooms, to ____ bedrooms;
2. Live-in aides must meet HCD's screening requirements. The live-in-aide agrees to provide any information that HCD deems necessary to conduct a criminal background screening. Permission to reside in the unit as a live-in-aide may be denied based on the results of this screening;
3. Before a live-in-aide may be moved into a unit, a third party verification must be supplied that establishes the need for such care and the fact that the live-in-aide is qualified to provide such care (Live-in Aide Verification form);
4. A live-in-aide is a single person. This agreement does not confer the right for any additional person, other than an approved live-in-aide, to reside in the household. As a reasonable accommodation for a resident with a disability, HCD may review this provision on case-by-case basis, should this provision conflict with a resident's bona fide right to a live-in-aide;
5. If the household member requiring assistance no longer resides in the unit, the live-in-aide shall not remain on the premises. If the verification source determines that the live-in-aide is no longer essential to the care and well-being of the household member, this agreement will be terminated, and the live-in-aide shall vacate the unit within 14 days after HCD has given reasonable notice to the household member requiring assistance that the verification source has made such determination;

**HOUSING AND COMMUNITY DEVELOPMENT
LIVE-IN AIDE AGREEMENT**

6. If the household member requiring assistance passed away, the live-in aide shall vacate the unit within 14 days of said household member's death. If the household member requiring assistance moves out, the live-in-aide shall vacate the unit no later than said household member's departure date. Upon the termination of the live-in-aide's services for any other reason, the live-in-aide shall vacate the unit within 24 hours;
7. The Live-In Aide must be listed as a household member (not part of the family composition, regardless of the relationship) on the resident's lease and shall not violate any provisions of the lease, the Community Policies, or applicable laws. Should such violation occur, HCD may require the resident to terminate the services of the live-in-aide or face possible termination of the lease;
8. HCD will consider allowing relative live-in-aides under unusual circumstances and upon approval of the Director or designee. Relatives who satisfy the definitions and stipulations above may qualify as live-in-aides, but by signing this agreement, they acknowledge their understanding that they are relinquishing all rights to the unit as the remaining member of a resident family, or under any other circumstance. If a relative wants to have remaining family status, their income will be considered as part of the family's annual income. In such a case, the relative will be considered an addition to the family composition who is allowed to be added as a reasonable accommodation, (not a live-in aide) as the income of a live-in aide must be excluded.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION SCRIPT

This is to advise you, in simple terms, what a disability is, what a reasonable accommodation is, and the fact that people with disabilities have a right to ask for reasonable accommodations.

A disability is a physical or mental impairment that makes it difficult or impossible for you to do things like taking care of yourself, using your hands, walking, seeing, hearing, speaking, breathing or learning.

A reasonable accommodation is something HOUSING AND COMMUNITY DEVELOPMENT (HCD) is required to give you or let you do to make it easier for you to get to and live in our housing, and participate in our programs.

Some things that must happen for you to get a reasonable accommodation, are for you to give HCD enough information, if we need it, about whether you are a person with a disability and to give HCD proof, if we need it, that you really need the reasonable accommodation you ask for.

Even if you don't have proof yet that you are a person with a disability, you have a right to ask for a reasonable accommodation.

Some things that might be a reasonable accommodation include:

- Being allowed to mail your rent to HCD instead of going to the site or management office.
- Having someone from HCD go to your house, instead of you having to go to a HCD office, to get a service.
- Getting a ramp installed leading to your front or back door, having grab bars put in your bathroom, or having some other repair or change done to your home.
- Having a repair or change done to a laundry room, community center, management office or other building owned by HCD so that you can go there and use the programs and services there.
- Having a sign language interpreter available upon request.
- Getting important HCD papers in Braille or large print or on tape.

To get a reasonable accommodation, you must ask for it. If you can't write your request on the papers we have or need help filling them out, you can ask a HCD employee for assistance.

HCD will give you an answer as soon as possible.

HCD will let you know if we need more information, or if there are other ways to meet your needs.

If HCD turns down your request, HCD will explain why, and you can provide more information if you think that will help. HCD will also advise you of your appeal rights if your request is denied.

It is the policy of HCD to protect all of your health information. This means that we cannot release your information without your written consent nor will we share this information with anyone who does not need to know your health information.

HOUSING AND COMMUNITY DEVELOPMENT REASONABLE ACCOMMODATION INFORMATION

HOUSING AND COMMUNITY DEVELOPMENT (HCD) is committed to making sure that its applicants, residents and programs participants have information for making reasonable accommodation requests. HCD has posted a copy of its Reasonable Accommodation Policy and Procedures in conspicuous locations at the applicant, resident and program participant waiting areas of the HCD Applicant Leasing Center, Section 8 Offices, Regional Offices of the HCD; the offices of HCD's private management companies; and, the management office in each public housing development. In addition, individuals may obtain a copy of this Reasonable Accommodation Policy and Procedures, upon request, from HCD's ADA Coordinator.

A reasonable accommodation is a change, modification, alteration or adaptation in policy, procedure, practice, program, or facility that provides a qualified individual with a disability the opportunity to participate in, or benefit from, a program (housing or non-housing) or activity.

Some examples of reasonable accommodations include (but are not limited to): grab bars installed in bathrooms, ramps installed at entrance doors of dwellings, using an assistive animal (also called a service, therapeutic, or support animal) such as a seeing-eye dog, visual and audible alarms for individuals who are deaf or hard of hearing, widening doorways, lever-type door hardware, live-in aids, transfers to another dwelling (with proof that this is needed because of disability), and being given HCD documents in an accessible format like Braille or large print.

Use the following forms to request a reasonable accommodation and make sure you complete the forms to the best of your ability. By completing these forms you will help us understand how we can best assist you. If you are unable to do so, then please ask HCD for assistance to complete the forms. Please be advised that in order for HCD to assist you, we also need you to complete the *Authorization for Release of Information* form:

18. *Reasonable Accommodation Request*. This is used to make any request other than a request for a live-in aide.

19. *Live-in Aide Agreement*. This is used if you need a live-in aide. A live-in aide is some who only lives in the unit to assist the resident or program participant who is elderly or is a person with a disability.

If you are a Public Housing or Section 8 Housing Choice Voucher program participant, and have not yet been determined eligible, you may request a *Reasonable Accommodation Request* form by writing to the Applicant Leasing Center Chief or calling the Applicant and Leasing Center:

MIAMI-DADE ADA GRIEVANCE PROCESS

AMERICANS WITH DISABILITIES ACT OF 1990

Creation

This grievance procedure shall serve as the County's mechanism to respond to complaints of discrimination on the basis of a disability in County programs and services under the Americans with Disabilities Act of 1990 (ADA). This procedure shall not apply to complaints of discrimination in employment. Employment discrimination complaints are handled by the Affirmative Action Office.

Opportunity for Complaint

Any individual who feels that they have been discriminated against in the provision of a program or service operated by Miami-Dade County shall have the ability to file a formal grievance, have the grievance responded to, and have the right to request an appeal if they are dissatisfied with the resolution of their grievance. The procedures to be followed in filing a formal grievance shall be available and accessible to the general public.

Coordination of Procedure

The Miami-Dade County Office of ADA Coordination, 111 N.W. 1st Street, 12th Floor #348, shall be the agency responsible for coordinating the County's grievance procedure and will serve as the conduit between the grievant and the department against whom the complaint is made. The Office will provide the department with the necessary technical assistance needed in reaching resolution of the complaint. The Office will make all attempts to assist the department in reaching an amicable resolution to the complaint; however, the office of ADA Coordination shall have no authority to direct the department in the manner in which the department ultimately decides to respond to the complaint.

Employment discrimination complaints should be sent to the Office of Fair Employment Practices, 111 N.W. 1st Street, Suite 2720.

Filing a Complaint

Any individual who feels they have been discriminated against in any program or service provided by Miami-Dade County, under provisions of the ADA, shall submit a complaint, in writing to the Office of ADA Coordination. This written complaint shall contain the following information:

1. Name, address and telephone number (if available) of the grievant.
2. The date of the occurrence.
3. The name and location of the County program and service involved in the alleged occurrence.

4. The name (if known) of the County employee with whom the grievant came in contact, if appropriate.
5. Why the individual thinks that he has been discriminated against on the basis of a disability.

Complaint Resolution

Within five (5) days of receipt of the complaint, the Office of ADA Coordination shall:

1. Inform the department of the complaint; transmit a copy of the complaint to the department with general instructions as to the format which the department should follow in their response, and a date by which the department shall return a response to the Office. The Office of ADA Coordination will review the decisions with the department before final preparation of the response.
2. The department shall have thirty (30) days from receipt of complaint from the Office of ADA Coordination to respond to the complainant. Attempts will be made by the department to clarify the facts of the grievance. The actions taken by the department shall be conveyed to the grievant in writing. This letter, addressed to the grievant and signed by the Department, shall be transmitted to the Office of ADA Coordination within the specified time period. The response shall be mailed to the grievant by the Office of ADA Coordination with a cover letter informing the grievant of their ability to appeal the decision enclosed and the procedure which the grievant must follow in requesting an appeal. In no instance shall the Department mail their response directly to the grievant.
3. In the event that a complainant submits a written complaint to the operating department, the department shall send a copy of the complaint to the Office of ADA Coordination within five (5) days. That action will constitute a filing by the complainant with the Office of ADA Coordination as required in Section IV of this document. The Department will have thirty (30) days from receipt of written complaint to respond to complainant.
4. Where a department can solve a written complaint informally, the department will provide the Office of ADA Coordination a written statement explaining the mutually agreeable solution. It should be signed by the complainant and the department representative.

All reasonable attempts should be made by the department with the assistance of the Office of ADA Coordination to mediate and resolve the grievance.

Filing an Appeal

Any individual who is dissatisfied with the recommended resolution of their complaint may request an appeal. In requesting an appeal the individual shall, within fifteen (15) days from the date of the written recommended resolution offered

by the County, submit in writing to the Office of ADA Coordination their request to appeal the decision and express their willingness to appear before an impartial panel to present their grievance.

Appeal Process

Upon receipt of a written request for an appeal, the Office of ADA Coordination shall:

1. Notify the County Manager and request that within thirty (30) days he appoint a panel of three (3) senior members of unaffected County departments to hear the complaint. The Manager shall designate one of the three panel members to serve as chairperson.
2. Set a time and place for the hearing that is convenient to the grievant, the affected department and the panel members, within twenty (20) days after the panel is appointed, if possible.
3. Instruct the department, against whom the complaint has been made, to prepare a package with all necessary information pertinent to the complaint for each panel member to review prior to hearing.
4. Monitor and tape the hearing.

At the time of the hearing both the grievant and the affected department shall have the opportunity to present their positions to the panel. The panel members will also have the opportunity to pose questions to both parties. After the affected parties have presented the facts, and after all questions posed by the panel have been answered, the hearing shall be closed and the panel shall meet privately to deliberate.

Within fourteen (14) days from the date of the hearing the panel shall issue its decision. The Chairperson shall prepare the decision of the panel. The Chairperson shall send the written decision to each panel member for review and signature prior to its submission to the affected parties. The decision of the panel is final and no further appeal shall be available within the administrative branch of County government.

Recordkeeping

The Office of ADA Coordination shall maintain files on complaints received along with all communications, recommendations, and other records pertinent to the complaints for a period of at least three (3) years.

Alternative Remedies

The establishment of this grievance procedure shall not preclude nor waive the grievant's right to seek redress under any alternative remedy available.

SMOKE-FREE POLICY

APPENDIX V

OF THE

ADMISSION AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date:

I. BACKGROUND

In February 2015, the Centers for Disease Control published its *Vital Signs* report on secondhand smoke, which includes but is not limited to the following findings: (1) one in four nonsmokers (58 million people) in the United States are exposed to secondhand smoke; (2) two in five children (including seven in ten black children) are exposed to secondhand smoke; (3) one in three nonsmokers who live in rental housing are exposed to secondhand smoke; (4) secondhand smoke exposure is more common among children ages three to eleven, Blacks, people living below the poverty level, and those who rent housing; (5) about 80 million Americans live in multi-unit housing and can be exposed to unwanted secondhand smoke in their home; and (6) people who live in public housing are especially affected by secondhand smoke, including children, the elderly, and people with disabilities. The United States Surgeon General has stated that there is no risk-free level of exposure to secondhand smoke and the best way to keep children and adults safe from secondhand smoke is to ban all smoking indoors. Further, nationwide there are more than 1.2 million families who reside in public housing of which there are approximately 39 percent of the public housing residents who are between the ages of zero to 17 and approximately 15 percent who are 62 or older. It has been proven that exposure to smoke, whether direct or secondhand, causes adverse health outcomes such as asthma and other respiratory illnesses, cardiovascular disease, and cancer.

The U.S. Department of Housing and Urban Development's (HUD) published the final rule (24 Code of Federal Regulation Parts 965 and 966) on December 5, 2016, that requires each public housing agency administering public housing programs to implement a Smoke-Free Policy. This final rule was followed by the issuance of HUD Notice PIH-2017-03 that provides guidance on instituting and enforcing smoke-free public housing policies. On November 3, 2015 and prior to the issuance of the Notice PIH-2017-03, the Miami-Dade Board of County Commissioners adopted Resolution No. R-1003-15, as amended by Resolution No. R-582-16, directing the County's administration to develop a Smoke-Free Policy in consultation with the residents and resident councils, to incorporate a Smoke-Free Policy within 18 months of the effective date of the final rule being adopted by HUD. According to surveys conducted by the Florida Department of Health in Miami-Dade County of public housing residents, 71% of the residents are in agreement with the implementation of a Smoke-Free Policy.

II. APPLICABILITY

The County's Housing and Community Development Department (Department) is incorporating the Smoke-Free Policy as follows:

Public Housing Program: HUD regulations, 24 CFR Parts 965 and 966, require that public housing agencies implement a policy prohibiting tobacco products in all living units, interior areas, and administrative office buildings. The Smoke-Free Policy prohibits tobacco products, marijuana and electronic cigarettes and must also extend to all outdoor areas up to 25 feet from the housing or administrative office buildings or to the property boundaries in situations where the boundary is less than 25 feet. The Smoke-Free Policy is included in the Admissions and Continued Occupancy Policy (ACOP) as Appendix V and incorporated as part of the Public Housing Dwelling Lease between the "Landlord" (the County) and the "Resident", as a Lease Addendum.

III. PURPOSE OF SMOKE-FREE POLICY

The County and HUD desire to mitigate (i) the irritation and known health effects of secondhand smoke; (i) increased maintenance, cleaning and redecorating costs from smoking; (iii) increased risk of fire from smoking; and (iv) the higher costs of fire insurance for non-smoke-free buildings.

IV. DEFINITIONS

- A. **Smoking:** The term “smoking” means inhaling, exhaling, breathing, or carrying or possessing any lighted cigarette, cigar, pipe, water pipes (also known as hookahs), electronic cigarettes, marijuana or other tobacco product or similar lighted products in any manner or in any form.
- B. **Interior Area:** Areas within the building interior that are open to the public, including but not limited to entryways, community patios or balconies, roof terraces, lobbies, hallways, elevators, management offices, public restrooms, community rooms, community kitchens, laundry rooms, stairwells, playgrounds, parking garages and carports, and any other area of the building that is accessible to Resident(s), guests and employees.
- C. **No Smoking Area:** The dwelling unit occupied by Resident(s) and members of Resident’s household, any interior area, including but not limited to community rooms, community bathrooms, daycare facility, lobbies, reception areas, hallways, laundry rooms, stairways, offices and elevator, within all living units, and areas outside the building that are within 25 feet from County-owned public housing buildings including the community center, office buildings or interior areas including entryways, porches, balconies and patios.
- D. **Designated Smoking Area:** An area designated by the Landlord that is outside of the required 25 feet perimeter.

V. IMPLEMENTATION AND ENFORCEMENT OF SMOKE-FREE POLICY

A. Resident’s Responsibilities

- 1. Resident(s) and members of the Resident’s Household shall not smoke in the No Smoking Area, as defined above in Section III.
- 2. Resident(s) shall inform Resident’s guests of the Smoke-Free Policy and shall not permit any guests or visitors under the control of Resident to smoke in the No Smoking Area, as defined above in Section III.
- 3. All smoking Resident(s) and guests are required to dispose of their smoking material in the appropriate collection receptacles provided by Landlord prior to entering any zone designated as a No Smoking Area, as defined in Section II. Failure to properly dispose of smoking material may result in infractions as described in Section V. Penalties for Violation of Smoke-Free Policy.
- 4. Resident(s) shall promptly notify Landlord of any incident where smoke from tobacco, electronic cigarette, marijuana or similar products, is migrating into the Resident’s unit.

B. Landlord’s Responsibilities

- 1. Landlord shall take reasonable steps to enforce the non-smoking terms of its leases and maintain the No Smoking Area as smoke-free as reasonably possible. Such reasonable steps include but are not limited to providing residents with orientation, progressive warnings, housekeeping inspections, and appropriate notices of lease violations.
- 2. Landlord shall post non-smoking signs at entrances and exits, in interior areas, and in noticeable places adjoining the grounds of the No Smoking Area.
- 3. Landlord shall provide collection receptacles at least 25 feet from entrances, exits, interior areas and noticeable places adjoining the No Smoking Areas, for disposal of smoking material.
- 4. Landlord may designate specific smoking areas outside of the No Smoking Areas, depending on the type of development and as permitted by availability of space.

5. Landlord may refer Resident(s) violating the Smoke-Free Policy to smoke cessation programs and counseling services. For more information, please contact at (305) 278-0442. For cessation counseling services, please contact Area Health Education Center (AHEC) at (305) 243-2847.
6. Landlord will adopt a progressive enforcement approach for violations of the Smoke-Free policy.
7. Landlord will consider all relevant circumstances and mitigating factors before terminating a tenancy under the Smoke-Free Policy. Lease termination and eviction will only be pursued as a last resort.

C. Landlord Is Not a Guarantor of Smoke-Free Environment

1. Landlord's adoption of smoke-free living environment does not make the Landlord or any of Landlord's managing agents the guarantor of Resident's health or of the non-smoking condition of the Resident's unit and the interior areas.
2. Landlord is not required to take steps in response to smoking unless Landlord is notified.

VI. PENALTIES FOR VIOLATION OF SMOKE-FREE POLICY

- A. Resident(s) will be issued a penalty by the Landlord for each reported or detected smoking incident, to be documented in the Resident's records.
1. **Written Warnings** (up to two (2) written warnings)
1st Written Warning: Resident(s) will be scheduled for a conference to review the Smoke-Free Policy and receive a written warning.

2nd Written Warning: Resident will be issued a written warning and a referral to the State of Florida Department of Health Tobacco Free Florida smoking cessation program. Resident(s) will be notified that a subsequent violation of the Smoke-Free Policy may result in assessment of fines, and ultimately in termination of housing assistance.
 2. **Fines** (after issuance of two (2) written warnings)
Landlord will impose a fine of \$10.00 with subsequent incremental increases of \$10.00 per infraction up to \$50.00 for each smoking incident reported to or detected by Landlord, upon verification. All infractions thereafter will result in a fee of \$50 per infraction.

VII. DISCLAIMER BY LANDLORD

- A. Landlord specifically disclaims any implied or express warranties that the building, interior areas, or Resident's premises will have any higher or improved air quality standards than any other rental property.
- B. Landlord cannot and does not warrant or promise that the rental premises or interior areas will be free from secondhand smoke.
- C. Landlord's adoption of a smoke-free living environment does not in any way change the standard of care that the Landlord or the Landlord's managing agent would have to a resident household to render buildings and premises designated as non-smoking any safer, more habitable, or improved in terms of air quality standards than any other rental premises.

HOUSING and COMMUNITY DEVELOPMENT

(Formerly known as Public Housing and Community Development)

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP

APPENDIX VI

OF THE

ADMISSIONS AND CONTINUED OCCUPANCY POLICY (ACOP)

Effective Date:

APPENDIX VI

Housing Opportunity Through Modernization Act (HOTMA) of 2016

On July 29, 2016, the Housing Opportunity Through Modernization Act of 2016 (HOTMA) was signed into law. HOTMA made numerous changes to statutes governing HUD programs, including sections of the United States Housing Act of 1937.

1. The Final Rule implementing broad changes to income and asset in Sections 102 and 104 of HOTMA, and for public housing authorities (PHAs) that administer the public housing program over-income provisions in Section 103, was officially published in the Federal Register on February 14, 2023.
 - a) On September 29, 2023, HUD issued notice PIH 2023-27, which provided guidance to PHAs on the implementation of the program changes described in the Final Rule related to income and assets; this was reissued on February 2, 2024, to provide revisions and further guidance.
 - b) On December 17, 2024, HUD issued notice PIH 2024-38, which provided updated guidance to PHAs on compliance with HOTMA for income exclusions, definitions, and de minimis errors no later than July 1, 2025. HUD will not be enforcing compliance with any other provision by January 1, 2025. HUD will issue further guidance on the compliance deadline for all other provisions, when there is more information about when PHAs will be able to submit HOTMA-compliant HUD-50058 forms in HIP.

However, in preparation, this Appendix VI contains required and discretionary policies that will be incorporated into the Admissions and Continued Occupancy Policy (ACOP) Plan upon HUD's release of compliance date.

Chapter III. Eligibility for Admission and Assignment Plan

D. Verification of Assets for Applicants

1. Housing and Community Development (HCD) will fully verify the net family assets and anticipated income earned from assets at new admission. A minimum of two (2) consecutive bank statements must be provided.
2. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. **This is not an exhaustive list.**

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care–related supplies • Musical instruments used by the family • Personal computers, phones, tablets, and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment • used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

E. Limitation on Assets (24 CFR § 5.618)

- a) Per requirements in Section 104 of HOTMA, 24 CFR §5.618 admission will be denied to families who own or have interest in the following assets:
 - (1) The family's combined net assets exceed \$100,000, or as determined by HUD and adjusted annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W);
 - (2) The family has a present ownership interest in, a legal right to reside in, and the effective legal authority to sell, based on State or local laws of the jurisdiction where the property is located, real property that is suitable for occupancy by the family as a residence, except this real property restriction does not apply to:
 - (a) Any property for which the family is receiving assistance under the Housing Choice Voucher or under the Homeownership Option in 24 CFR Part 982;
 - (b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;
 - (c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - (d) Any family that is offering such property for sale.
- 3. A property will be considered suitable for occupancy unless the family demonstrates that the property:
 - a) Does not meet the disability-related needs for all members of the family (e.g., physical accessibility requirements, disability-related need for additional bedrooms, proximity to accessible transportation);
 - b) It is not sufficient for the size of the family based on occupancy standards;
 - c) It is geographically located outside of the state of Florida so as to be a hardship for the family (e.g., the distance or commuting time between the property and the family's place of work or school would be a hardship to the family, as determined by HCD);
 - d) It is not safe to reside in because of the physical condition of the property (e.g., property's physical condition poses a risk to the family's health and safety and the condition of the property cannot be easily remedied); or
 - e) It is not a property that a family may reside in under the State or local laws of the jurisdiction where the property is located.
- 4. This real property restriction does not apply to:
 - a) Any property for which the family is receiving assistance under 24 CFR § 982.620 or under the Homeownership Option in 24 CFR Part 982;
 - b) Any property that is jointly owned by a member of the family and at least one non-household member who does not live with the family, if the non-household member resides at the jointly owned property;

- c) Any person who is a victim of domestic violence, economic abuse, technological abuse, dating violence, sexual assault, or stalking as defined in 24 CFR part 5, Subpart L; or
 - d) Any family that is offering such property for sale.
5. The policy limitation on assets will not apply to participants in the public housing program.

Chapter VI. Eligibility for Continued Occupancy and Annual Reexaminations

C. Annual Reexaminations

1. HCD must estimate the family income for the upcoming 12-month period, subtract the allowable deductions, from the gross annual income to determine the adjusted income. HCD must:
 - Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
 - Consider any redetermination from an interim reexamination during that period.
 - Adjust reflect current income if there was a change during that period.
 - Subtract the allowable deductions, from the gross annual income to determine the adjusted.

K. Enterprise Income Verification (EIV), Third Party Verification, and Factors Affecting Eligibility and Family Rent

HCD is required to use HUD's Enterprise Income Verification (EIV) system and the Income Validation Tool (IVT) in its entirety as a third-party source to verify employment and income information for annual reexaminations, and to reduce administrative subsidy payment errors in accordance with HUD administrative guidance [24 CFR § 5.233(a)(2)(i)].

EIV is a computer matching program that compares the income provided by the resident against income information supplied by state agencies on wages, unemployment compensation, and Social Security benefits.

Prior to initial certification, applicants shall be informed that HCD will subsequently verify the family's income information they have provided HCD through HUD's Enterprise Income Verification (EIV) system. HCD

HCD will follow the verification hierarchy described in PIH Notice 2023-27.

Level	Verification Technique	Ranking
6	Upfront Income Verification (UIV) , using HUD's Enterprise Income Verification (EIV) system	Highest (Mandatory) - (not available for applicants) Must pull the EIV Income Report for each family at every Annual Reexamination. EIV may be used as the sole verification of Social Security income. EIV income information may be used to calculate other types of annual income when family agrees. See Level 4 for more information.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

Level	Verification Technique	Ranking
5	Upfront Income Verification (UIV) using non-HUD system (e.g., The Work Number, web-based state benefits systems, etc.)	Highest
4	Written, third-party verification from the source, also known as “tenant-provided verification” OR EIV + Self-Certification HCD can choose either option when both are available to verify income. HCD must use written, third-party verification when the income type is not available in EIV (e.g., self-employment, Go Fund Me accounts, general public assistance, Veterans Administration benefits, etc.)	High • Written, third-party verification is used when tenant disputes EIV-reported employment and income information. • The EIV Income Report may be used to verify and calculate income if the family self-certifies that the amount is accurate and representative of current income. The family must be provided with the information from EIV.
3	Written Third-Party Verification Form	Medium • Use if Level 5 or Level 4 verification is not available or is rejected by HCD and when the applicant or tenant is unable to provide acceptable documentation. • May substitute Level 2 for written, third-party verification form, only completing one of the two forms of verification before moving to self-certification.
2	Oral Third-Party Verification	Medium
1	Self-Certification (not third-party verification)	Low Use as a last resort when unable to obtain any type of third-party verification or if specifically permitted, such as to determine actual income from assets when the family certifies that net family assets do not exceed \$50,000.

Level 6: (Highest Ranking) Upfront Income Verification (UIV) and the Income Validation Tool (IVT) using HUD’s EIV System which is mandatory for residents but not available for applicants;

Level 5: Upfront Income Verification (UIV) using non-HUD system such as The Work Number, web-based state benefits systems, etc.);

Level 4: Written Third-Party Verification (High) An original or authentic document generated by a third-party source dated within 120 days of the date received by the HCD. For fixed-income sources, a statement dated within the appropriate benefit year is acceptable documentation.

Such documentation may be in the possession of the tenant (or applicant) and is commonly

referred to as tenant-provided documents. HCD may obtain any tenant-provided documents and follow up directly with the third-party source to obtain necessary verification of information, when necessary.

Examples of acceptable tenant-provided documentation (generated by a third-party source) include but are not limited to the following: pay stubs, payroll summary report, employer notice/letter of hire/termination, SSA benefit verification letter, bank statements, child support payment stubs, welfare benefit letters and/or printouts, and unemployment monetary benefit notices.

HCD are required to obtain a minimum of two current and consecutive pay stubs for determining annual income from wages when they do not elect to use EIV + Self-Certification or the income type is not reported in EIV. For new income sources or when two pay stubs are not available, the HCD should determine income based on the information from a traditional written, third-party verification form or the best available information.

Income tax returns with corresponding official tax forms and schedules attached and including third-party receipt of transmission for income tax return filed (i.e., tax preparer's transmittal receipt, summary of transmittal from online source, etc.) are an acceptable form of written, third-party verification.

When verification of assets is required, HCD is required to obtain a minimum of one statement that reflects the current balance of banking/financial accounts.

EIV may be used as Level 4 verification and may be used to calculate income as long as the family agrees with the information in EIV; this practice is known as "EIV + Self-Certification." HCD may use their discretion to determine which method of calculation is reasonable: the last 4 quarters combined or an average of any number of quarters. The EIV Income report must be pulled within 120 days prior to the reexamination effective date.

Level 3: Written Third-Party Verification Form: This practice is also known as "traditional third-party verification." This type of verification is a form developed by the HCD used uniformly for all families when needed to collect information from a third-party source. The form is completed by the third party by hand (in writing or typeset). HCD send the form directly to the third-party source by mail, fax, or email.

The HCD may skip this level of verification before attempting Level 2, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

Level 2: Oral Third-Party Verification: Independent verification of information by contacting the individual income/expense source(s), as identified through the UIV technique, or identified by the family, via telephone or in-person visit. HCD staff must document in the tenant file the date and time of the telephone call (or visit to the third party) and the name of the person contacted and their telephone number, along with the confirmed information.

This verification method is commonly used when the independent source does not respond to the HCD's faxed, mailed, or e-mailed request for information in a reasonable time frame (e.g., 10 business days).

The HCD may skip this level of verification if they attempted Level 3, which means they will have only completed Level 3 or Level 2 verification before moving to Self-Certification.

Level 1: (Low) The tenant submits a signed statement of reported income and/or expenses to the HCD. This verification method should be used as a last resort when HCD has not been successful in obtaining information via all other required verification techniques. When HCD relies on self-certification to verify income or expenses, HCD must document in the tenant file why third-party verification was not available. HUD does not require that a self-certification be notarized.

1. Double Subsidy: If during tenancy, or at any time after admission, the EIV system shows that a family or any household member is receiving assistance from (or is residing in) another housing authority or program, the family or household member must provide proof of termination of tenancy from the other housing agency or program for continuation of assistance. HCD may provide up to 30 days for the family or household member to provide proof of termination. If after the 30 days, the participant does not provide proof of termination, the family or household member must be terminated from HCD tenancy.

2. EIV: Substantial Different from Tenant Provided Information

If income information in EIV is not available or if it is substantially different from tenant-provided information, then written verification from third parties is the next most desirable form of verification. Currently, a substantial difference requiring third party verification in cases where EIV income data differs from tenant-provided and/or other verified income information is defined as being greater than \$200 per month (\$2,400 per year), unless amended by HCD. If EIV income data is not substantially different than current tenant-provided income documentation, the following guidelines for projecting annual income will be used:

- If EIV income data is less than current tenant-provided documentation, HCD will use tenant-provided documents to calculate anticipated income.
- If EIV income data is more than current tenant-provided documentation, HCD will use EIV income data to calculate anticipated annual income unless the tenant provides HCD with documentation of a change in circumstances (i.e., change in employment, reduction in hours, etc.). Upon receipt of acceptable tenant-provided documentation of a change in circumstances, HCD will use tenant-provided documents to calculate anticipated annual income.

In cases where EIV income data is substantially different than tenant-reported income, HCD will utilize the following guidelines:

- Request written third party verification from the discrepant income source. For EIV Social Security Administration (SSA) benefit discrepancies, HCD shall require the tenant to obtain a current unaltered SSA benefit letter within ten (10) business days of the interview date.
- Review historical income data for patterns of employment, paid benefits, or receipt of other income, when HCD cannot readily anticipate income, such as in cases of seasonal employment, unstable working hours, and suspected fraud.
- Analyze all data (EIV data, third party verification and other documents/information provided by the family) and attempt to resolve the income discrepancy.
- Use the most current verified income data (and historical income data if appropriate) to calculate anticipated annual income.

In verified differences of greater than \$200 per month (\$2,400 per year), HCD may require the family to enter into a repayment agreement for monies owed or require payment in full. Should the family refuse to enter in a repayment agreement or not fulfill its obligations under its repayment agreement, HCD shall recommend termination and may refer the case to the HUD Office of the Inspector General.

HCD, in its sole discretion, may recommend terminating assistance for tenant fraud on a case-by-case basis, e.g., forgery or has demonstrated a pattern of unreported or under-reported income in between or at prior reexaminations. In such cases, HCD will make the determination whether to recommend terminating assistance and forwarding the case to the HUD Office of Inspector General via HCD.

In instances where fraud (as defined in Attachment A of this policy), as opposed to tenant error (as defined in Attachment A of this policy), has occurred by the tenant and the difference is verified as being \$10,000, HCD may recommend terminating housing assistance and shall forward cases to the HUD Office of Inspector General for fraud prosecution, where authorized by HCD.

Tenant income information derived from the EIV system is confidential and cannot be released to outside parties or unauthorized staff. This information is exempt from the disclosure requirements of the Florida Public Records Act and the federal Privacy Act and HUD requires HCD to keep said information private under penalty of Federal law. Any EIV-derived information is required to be kept guarded under lock and key and must be shredded and destroyed when no longer needed. Copies are not kept in tenant files to avoid risking the release of such information to anyone other than the client and authorized HCD staff. HCD shall provide the participant with information obtained through EIV upon the participant's request.

Unauthorized disclosure or inspection of EIV data can result in a felony conviction punishable by a fine up to \$5,000 or five (5) years imprisonment, as well as civil penalties, pursuant to the Privacy Act of 1974 as amended, 5 U.S.C. § 552(a).

M. Income Validation Tool (IVT)

The IVT report facilitates and enhances identification of unreported or under-reported income during regular reexaminations. The IVT also provides income and wage, unemployment compensation and SSA benefit information. Additionally, the IVT report provides income information for heads of household and family members where there may be discrepancies in family reported income and employer reported information.

At each regular reexamination of income and family composition and/or as needed, HCD will:

- Review the EIV Income and IVT reports to confirm/validate tenant-reported income;
- Print and maintain the EIV Income and IVT Reports in the tenant file;
- Obtain current acceptable tenant-provided documentation to supplement EIV information (where applicable); and
- Use current tenant-provided documentation and/or third-party verification to calculate annual income.

Additionally, at each regular reexamination of income and family composition, and/or as needed, using the IVT, HCD will:

- Identify any reported discrepancies in family reported income and employer reported information;
- Request the tenant to provide any documentation to confirm or dispute the income discrepancy;
- If applicable, determine the tenant rent using the correct and updated income;
- Determine the degree of tenant underreporting or misreporting of income information; and
- Take action in accordance with HCD policy to resolve the identified discrepancies.

Chapter VII. Determining Income and Income-Based Rent

A. Annual Income

1. Calculating Income

- a) When calculating annual income for a household at the time of a regular reexamination, HCD will review and calculate the family's income from the preceding 12-month period, taking into consideration any interims or changes that have taken place during that period. If HCD determines that the family's prior-year income does not reflect the family's current income, it may adjust the calculation of annual income as needed.

For annual reexaminations, HCD must:

- Determine the family income for the previous 12-months and any interim processed [24 CFR §5.609 (c)(2)] except when using a streamlined income determination.
- Consider any redetermination from an interim reexamination during that period.
- Adjust current income if there was a change during that period.
- Subtract the allowable deductions, from the gross annual income to determine the adjusted.

HCD may determine the family's income prior to the application of any deductions based on income determinations other means-tested forms of public assistance made within the previous 12-month period such as from Low-Income Housing Tax Credit (LIHTC).

D. Streamlined Income Determination

HCD may use the streamlined income determination to adjust a family's income according to the percentage of a family's unadjusted income that is from fixed income.

1. Types of Fixed Income

- Social Security, Supplemental Security Income, Supplemental Disability Insurance.
- Federal, state, local, or private pension plans.
- Annuities or other retirement benefit programs, insurance policies, disability or death benefits, or other similar types of periodic receipts.
- Any other source of income subject to adjustment by a verifiable COLA or current rate of interest.

2. Fixed Income: 90 percent or more of a family's unadjusted income

When 90 percent or more of a family's unadjusted income consists of fixed income, HCD may use streamlined income determination and must apply COLA or COLAS to the family's fixed-income sources, provided that the family certifies both that 90 percent or more

of their unadjusted income is fixed income and that their sources of fixed income have not changed from the previous year. For non-fixed income, HCD is not required to make adjustments.

3. **Fixed Income: Less than 90 percent of a family's unadjusted income**
When less than 90 percent of a family's unadjusted income consists of fixed income, HCD may use streamlined income determinations must apply a COLA to each of the family's sources of fixed income. HCD must determine all other income.
4. **Cost-of-Kiving Adjustment Rate**
If no public verification or tenant-provided documentation is available, then HCD must obtain third-party verification of the income amounts in order to calculate the change in income for the source.
5. **Triennial verification**
For any income determined pursuant to a streamlined income determination, HCD must obtain third-party verification of all income amounts every 3 years.

E. Annual Income Inclusions

(a) Annual income includes, with respect to the family [24 CFR §5.609(a)]:

- (1) All amounts, not specifically excluded in Sectopm E below, received from all sources by each member of the family who is 18 years of age or older or is the head of household or spouse of the head of household, plus unearned income by or on behalf of each dependent who is under 18 years of age, and
- (2) When the value of net family assets exceeds \$50,000 (which amount HUD will adjust annually in accordance with the Consumer Price Index for Urban Wage Earners and Clerical Workers) and the actual returns from a given asset cannot be calculated, imputed returns on the asset based on the current passbook savings rate, as determined by HUD.

F. Child Support

HCD will verify all amounts received from child support by the family using the verification hierarchy. Only the amounts received of child support payments will be counted as income.

H. Adjusted Annual Income

Adjusted income is the annual income of family members residing in or intending to reside in the rental unit, less allowable deductions.

- A. A deduction is taken for each qualifying dependent.
 - The amount of the deduction is currently \$480.
 - A dependent is defined as any family member other than the head, spouse, or co-head who is under the age of 18 or who is 18 or older and is a person with disabilities or a full-time student.
 - Foster children, foster adults, and live-in aides are never considered dependents.
- B. A deduction for elderly or disable family
 - A single deduction is taken for any family where the head of household, co-head or spouse is as least 62 years of age or a person with a disability. Upon implementation of HOTMA and at the first annual or interim reexamination, the amount of the

deduction will be increase from \$400 to \$525.

Upon implementation of HOTMA and subject to applicable HUD guidance, these deduction amounts will be adjusted annually by HUD in accordance with Consumer Price Index (CPI) for Urban Wage Earners and Clerical Workers, rounded to the next lowest multiple of \$25.

b) Child Care Expenses

Any reasonable child-care expenses necessary to enable a member of the family to be employed or to further their education are deducted from income. Reasonable child-care expenses for the care of children including foster children under 13 years of age, when all the following statements are true:

- The care is necessary to enable a family member to be employed or to further his or her education (e.g., work or further their education (academic or vocational));
- The expense is not reimbursed by an agency, individual outside the household or another source, such as a stipend from the child welfare agency;
- The child-care expenses must be paid from the family's annual income; and
- The expenses incurred to enable a family member to work must not exceed the amount of employment income that is included in annual income for family member claiming expense.

HCD will seek third-party verification of the work schedule of the person who is permitted to work by child-care. In cases in which two or more family members could be permitted to work, the work schedules for all relevant family members may be verified. The documentation may be provided by the family. HCD generally will limit the allowable child-care expenses to the earned income of the lowest-paid member.

HCD will request third-party documentation to verify that the person permitted to further his or her education by childcare is enrolled and provide information about the timing of classes for which the person is registered. The documentation may be provided by the family. The child-care expense must be reasonable.

Child Care Hardship Exemption [(24 CFR §5.611(d)).

1. Requirements

- a) A family whose eligibility for the childcare expense deduction is ending may request financial hardship exemption to continue receiving a child-care expense deduction in certain circumstances when the family no longer has a member that is working or seeking to further their education, and the deduction is necessary because the family is unable to pay their rent.
- b) Upon approval of the family's request for a hardship exemption, HCD must recalculate the family's adjusted income and continue the child-care deduction if the family demonstrates to HCD's satisfaction that the family is unable to pay their rent. The hardship exemption and the resulting alternative adjusted income calculation must remain in place for a period of up to 90 days.

2. Hardship Exemption Eligibility:

- a) HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (1) Provide a written request for a hardship exemption detailing why the childcare expense is still necessary even though the family member is no longer employed or furthering their education. Note that verification may be requested.
 - (2) The rent, utility payment, and applicable expenses (childcare expenses or health and medical expenses and reasonable and auxiliary apparatus) is more than 45 percent of the family's annual adjusted income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent.

3. Notification of Hardship Exemption

- a) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.
- b) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

4. Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

5. One Additional 90-Day Hardship

One additional 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

c) Health and Medical Care and Reasonable Attendant Care and Auxiliary Apparatus Expense

1. A deduction of unreimbursed amounts paid for attendant care or auxiliary apparatus expenses for family members with disabilities where such expenses are necessary to permit a family member(s), including the disabled member, to be employed. In no event may the amount of deduction exceed the employment income earned by the family member(s) able to work.
2. Equipment and auxiliary apparatus may include but are not limited to:
 - Wheelchairs
 - Lifts
 - Reading devices for the visually impaired

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

- Equipment added to cars and vans to permit their use by the disabled family member.
 - Included would be the annualized cost differential between a car and the cost of a van required by the family member with disabilities.
 - For non-elderly families and elderly or disabled families without medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income, provided the amount so calculated does not exceed the employment income earned.
 - For elderly or disabled families with medical expenses: the amount of the deduction equals the cost of all unreimbursed expenses for work-related disability expense less the HUD established percentage (see above) of annual income (provided the amount so calculated does not exceed the employment income earned) plus medical expenses as defined below.
3. Unreimbursed health and medical care expenses may be deducted to the extent that, in combination with any reasonable attendant care and auxiliary apparatus expenses, they exceed the HUD-established percentage of annual income threshold.
4. The threshold has been raised from three (3) percent to ten (10) percent of annual income. Families may be eligible for a 24-month phase-in relief period or a general relief 90-day period but not both.
- a) 24-Month Phased-in Relief
- (1) Residents whose income calculation was adjusted due to the family's claim of unreimbursed health and medical care and reasonable attendant care and auxiliary apparatus expense exceeding 3% of the family's annual income, prior to the HOTMA implementation, will have an increase in the threshold of this deduction phased-in in the following manner:
- (a) Following the first income reexamination after the implementation of HOTMA, such families will receive deductions for claims of unreimbursed expenses (described herein) up to 5% percent of the annual income for 12 months.
 - (b) Following the 12-month period at 5% deductions, the family will receive deductions for claims of unreimbursed expenses (described herein) in excess of 7.5% for the following 12 months.
 - (c) At the conclusion of the 24-month phase in period, the family will be eligible for this deduction only if their unreimbursed medical and healthcare expenses exceed 10% of the annual income.
- (2) An elderly or disabled family or a family that includes a person with disabilities may request general or financial hardship relief (see below) prior to the end of the 24-month transition period if the family can demonstrate that the family's applicable health and medical care expenses or reasonable attendant care and auxiliary apparatus expenses increased or there has been a change in circumstances resulting in a financial hardship.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

- (3) The 24-month phased-in relief period must be continued to be received by families upon portability or conversions under RAD.

b) General Relief

- (1) To qualify, a family must demonstrate that the family's unreimbursed health and medical care expenses or unreimbursed reasonable attendant care and auxiliary apparatus expenses increased, or the family's financial hardship is a result of a change in circumstances that would not otherwise trigger an interim reexamination.
- (2) Relief is available regardless of whether the family previously received an unreimbursed health and medical care expense deduction, unreimbursed reasonable attendant care and auxiliary apparatus expense deduction, are currently receiving phased-in hardship relief.
- (3) If a HCD determines that a family is eligible for general relief, the family will receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income. The family's hardship relief ends when the circumstances that made the family eligible for the relief are no longer applicable or after 90 days, whichever comes earlier.

c) Financial Hardship

- (1) A financial hardship provides one 90-day period to receive a deduction for the sum of the eligible expenses that exceed 5 percent of annual income to qualifying families.
- (2) The family must demonstrate that the rent, utility payment, and applicable expenses (childcare expenses or health and medical care and reasonable attendant care and auxiliary apparatus expenses) is more than 45 percent of the family's adjusted annual income, or verifying whether the family has experienced unanticipated expenses, such as large medical bills, that have affected their ability to pay their rent. However, this financial hardship would not otherwise trigger an interim reexamination.
- (3) This relief is available regardless of whether the family previously received health and medical deductions or is currently receiving, or previously received, a hardship exemption under the first category. HCD will consider the following factors to determine if a family is eligible for a 90-day hardship exemption:
 - (4) Provide a written request for a hardship exemption detailing why the health and medical expenses and reasonable attendant care and auxiliary apparatus expense is still necessary. Note that verification may be requested.

d) Notification of Hardship Exemption

- (1) HCD will promptly notify families in writing of the change in the determination of adjusted income and the family's rent resulting from the application of the hardship exemption. The written notice must also inform the family of the dates that the hardship exemption will begin and expire and the requirement

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

for the family to report to HCD if the circumstances that made the family eligible for relief are no longer applicable.

- (2) The notice must also state that the family's adjusted income and tenant rent will be recalculated upon expiration of the hardship exemption. HCD must provide families with 30 days' notice of any increase in rent.

e) Notification of Hardship Exemption Denial

HCD will promptly notify families in writing if they are denied the hardship exemption; The notification must specifically state the reason for the denial.

f) One Additional 90-Day Hardship

A second 90-day hardship exemption may be provided for families that demonstrate a hardship for a separate circumstance, unrelated to the first approved hardship request.

Phase-In Relief	Initial 12 Months	Initial 24 months	End of 24 months
To qualify family must already be receiving a medical expense deduction of 3% of Gross Income - May request General Relief if does not qualify for phased-in Relief - May request financial hardship prior to the end of the 24 months	5% Of Gross Income	7.5% Of Gross Income	10% Of Gross Income
General Relief	90-Day period		
	5% of Gross income for one 90-day period		
Financial Hardship	90-Day Period	2nd 90-Day Period	
To qualify families must demonstrate a financial hardship.	5% of Gross income ends when there is no need for hardship or the 90-day period end.	Families may request an additional 90-day period if they can demonstrate a financial hardship for a different set of circumstances, subject to HCD's approval.	

J. Verification of Assets

HCD will fully verify the net family assets and anticipated income earned from assets at new admission. During an annual or interim reexamination, HCD may rely solely on a family self-certification that their net family assets are equal to or less than \$50,000 subject to the following two conditions:

- a) a full verification of family assets (i.e., two bank statements) were provided during the last annual or interim verification; and

- b) the family has met all other requirements to complete reexamination except submittal of the required asset verifications (two bank statements).

3. Excluded from Net Family Assets

Necessary personal property is excluded from net family assets. Non-necessary personal property with a combined value greater than \$50,000, as adjusted by inflation, is considered part of net family assets. When the combined value of all non-necessary personal property does not exceed \$50,000, as adjusted by inflation, all non-necessary personal property is excluded from net family assets.

Necessary personal property are items essential to the family for the maintenance, use, and occupancy of the premises as a home; or they are necessary for employment, education, or health and wellness. Necessary personal property includes more than merely items that are indispensable to the bare existence of the family. It may include personal effects (such as items that are ordinarily worn or utilized by the individual), items that are convenient or useful to a reasonable existence, and items that support and facilitate daily life within the family's home. Necessary personal property does not include bank accounts, their financial investments, or luxury items.

Determining what is a necessary item of personal property is a highly fact-specific determination, and therefore HCD must gather enough facts to qualify whether an asset is necessary or non-necessary personal property. Items of personal property that do not qualify as necessary personal property will be classified as non-necessary personal property.

The following table lists examples of necessary and non-necessary personal property. This is not an exhaustive list.

Necessary Personal Property	Non-Necessary Personal Property
• Car(s)/vehicle(s) that a family relies on for personal or business use (e.g., bike, motorcycle, skateboard, scooter) • Furniture, carpets, linens, kitchenware • Common appliances • Common electronics (e.g., radio, television, DVD player, gaming system) • Clothing • Personal effects that are not luxury items (e.g., toys, books) significance • Wedding and engagement rings • Jewelry used in religious/cultural celebrations and ceremonies • Religious and cultural items • Medical equipment and supplies • Health care–related supplies • Musical instruments used by the family • Personal computers, phones, tablets,	• Recreational car/vehicle not needed for day-to-transportation (campers, motorhomes, travel trailers, all-terrain vehicles (ATVs)) • Bank accounts or other financial investments (e.g., checking account, savings account, stocks/bonds) • Recreational boat/watercraft • Expensive jewelry without religious or cultural value, or which does not hold family • Collectables (e.g., coins/stamps) • Equipment/machinery that is not used to generate income for a business • Items such as gems/precious metals, antique cars, artwork, etc.

Necessary Personal Property	Non-Necessary Personal Property
and related equipment Professional tools of trade of the family, for example professional books • Educational materials and equipment • used by the family, including equipment to accommodate persons with disabilities • Equipment used for exercising (e.g., treadmill, stationary bike, kayak, paddleboard, ski equipment)	

K. The policy regarding limitation on assets will not apply to participants in the public housing program.

Chapter VIII. Interim Rent Adjustments: Fixed Rent System

A. Interim Reexamination

Rent may be re-determined between annual reexaminations when a resident undergoes a change in family composition or income. The resident must report changes in writing to the management office within ten (10) calendar days of the event.

1. Any approved addition to the family composition will be processed as an interim recertification. HCD will only update the family composition information unless the family meets one of the conditions described under “Interim Rent Increases” or “Interim Rent Decreases” described below.
 - No increases in annual income will result in an interim reexamination unless the family reported zero income or a decrease in income within the same annual or biennial reexamination cycle (Refer to “Interim Rent Increases”).
 - EIV is no longer required to verify tenant’s employment and income information during an interim recertification.
 - The total family income increases or decreases must last longer than one-month (30 days); the tenant must report such a change in writing to the management office within ten (10) days of occurrence.
 - HCD will not conduct an interim reexamination for an increase in income within the last three months of the family’s next annual reexamination period.
 - HCD will conduct requests for interim adjustments when a family member is permanently moving out of the unit.
 - HCD has established a ten (10) percent threshold to determine when to complete an interim reexamination. As a result, HCD will round **up** 9.5 and above to 10%, the standard threshold set by HUD.

- If the monthly rental payment decreases by ten (10) percent or more as a result of the rent adjustment, the adjusted rent will become effective the first day of the month following the date the information is reported to HCD. If the rent should increase by ten (10) percent or more based on the family income, the adjustment will become effective the first day of the second month following the month in which the change is reported or 30 days, whichever is greater, after proper verification is completed.
- If it is found that the family failed to timely report any changes in income or family composition within ten (10) days or provided inaccurate or incomplete information, it may be considered fraud, any of the following may occur:
- Any increase in rent which would have occurred had changes been reported in a timely manner will be made retroactive to the effective date of the change in circumstances and the family agrees to reimburse HCD for the difference between the rent they should have paid and the rent they were charged.
- Any decrease in rent that would have occurred had changes been reported in a timely manner will be made effective the first day of the month following the date the change is reported to HCD and will not apply retroactively.

2. Interim Rent Increases

Families are required to report to HCD all increases in adjusted unearned income that occurred between regularly scheduled annual re-examinations. Any increase of the family's unearned income by ten (10) percent or more must be processed.

Families are required to report to HCD all increases in earned income. HCD must conduct a full interim reexamination due to an increase in earned income if the family had an interim reexamination to decrease rent during the annual reexamination period. Any increase of the family's earned income by ten (10) percent or more must be processed.

3. Interim Rent Decreases

- a) HCD must conduct a full interim reexamination if the family's adjusted unearned income is estimated to have decreased by ten (10) percent or more.
- b) HCD must conduct a full interim reexamination for all decreases in adjusted income upon the permanent removal of a family member from the assisted unit

4. Non-Interim Reexaminations

In accordance with HOTMA, HUD now defines the following types of changes to a household's family composition or rent calculations as "Non-Interim Reexamination" - except if there is a change of income that exceeds the thresholds as provided above.

The following transaction types require the processing and submission of a Non-Interim Reexamination, regardless if the reexamination results in a recalculation of the rent the family is to be charged:

- a) Adding, updating, or removing a hardship exemption for the childcare expense deduction or the health and medical care expense deduction.
- b) Updating or removing the phased-in hardship relief for health and medical care expense deduction.

HOTMA PROVISIONS PENDING IMPLEMENTATION OF HIP
Appendix VI of the Admissions and Continued Occupancy Policy

- c) Adding or removing a minimum rent hardship exemption.
- d) Adding or removing a non-family member (live-in aide, foster child, foster adult).
- e) Changes or adjustments related to families still benefiting from the Earned Income Disregard (EID).
- f) Adding family members and the increase/decrease in adjusted income does not trigger an interim.
- g) Removing family members and the increase/decrease in adjusted income does not trigger an interim.
- h) Adding/updating social security numbers.
- i) Updating a family member's citizenship/immigration status.
