Memorandum

Date: July 16, 2025

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava
Mayor *Daniella Levine Cava*

Subject: Resolution Accepting Conveyances of Two Property Interests for Road Purposes
to Miami-Dade County, Florida

Executive Summary

The purpose of this item is for the Board of County Commissioners (Board) to accept the subject property conveyances. Once these conveyances are accepted by the Board, the instruments will be recorded in the Public Records of Miami-Dade County. The grantors' names, property locations, and reasons for conveyance to the County are listed below. Annual maintenance costs associated with the subject conveyances are estimated to be \$20.

Recommendation

The attached two instruments are being forwarded as one resolution for approval by the Board. The Department of Transportation and Public Works (DTPW) needs the property interests from various entities for road purposes and recommends that the Board accept the conveyances. The proposed conveyances are attached hereto as Exhibit 1 and are further described below.

Scope

The properties being conveyed are located within District 3, which is represented by Commissioner Keon Hardemon.

Fiscal Impact/Funding Source

The total fiscal impact of accepting these conveyances is estimated to be \$20 annually for maintenance costs associated with the subject rights-of-way being included in the DTPW inventory. These costs will be funded through DTPW's General Fund allocation.

Track Record/Monitor

DTPW is the entity overseeing this project and the person responsible for monitoring these acquisitions is Maria D. Molina, P.E., Chief, Right-of-Way Division.

Delegated Authority

The resolution delegates authority for the County Mayor or County Mayor's designee to execute the acceptances of the instruments of conveyance. Furthermore, the County Mayor or County Mayor's designee shall record the instruments of conveyance accepted therein in the Public Records of Miami-Dade County.

Background

These conveyances are being obtained to fulfill various zoning and land development requirements to effectuate improvements needed within the public right-of-way to meet Miami-Dade County roadway standards. The individual sites are listed below outlining the specific requirement for each.
