The governmental entity identified above ("*Governmental Entity*"), in order to obtain and in consideration for the benefits provided to the Governmental Entity pursuant to the Settlement Agreement dated April 4, 2025 ("*Mylan Settlement*"), and acting through the undersigned authorized official, hereby elects to participate in the Mylan Settlement, release all Released Claims against all Released Entities, and agrees as follows.

1. The Governmental Entity is aware of and has reviewed the Mylan Settlement, understands that all terms in this Participation and Release Form have the meanings defined therein, and agrees that by executing this Participation and Release Form, the Governmental Entity elects to participate in the Mylan Settlement and become a Participating Subdivision as provided therein.

2. The Governmental Entity shall promptly, and in any event no later than 14 days after the Reference Date and prior to the filing of the Consent Judgment, dismiss with prejudice any Released Claims that it has filed. With respect to any Released Claims pending in *In re National Prescription Opiate Litigation*, MDL No. 2804, the Governmental Entity authorizes the Plaintiffs' Executive Committee to execute and file on behalf of the Governmental Entity a Stipulation of Dismissal with Prejudice substantially in the form found at https://nationalopioidsettlement.com/additional-settlements/.

3. The Governmental Entity agrees to the terms of the Mylan Settlement pertaining to Participating Subdivisions as defined therein.

4. By agreeing to the terms of the Mylan Settlement and becoming a Releasor, the Governmental Entity is entitled to the benefits provided therein, including, if applicable, monetary payments beginning after the Effective Date.

5. The Governmental Entity agrees to use any monies it receives through the Mylan Settlement solely for the purposes provided therein.

6. The Governmental Entity submits to the jurisdiction of the court in the Governmental Entity's state where the Consent Judgment is filed for purposes limited to that court's role as provided in, and for resolving disputes to the extent provided in, the Mylan Settlement.

The Governmental Entity likewise agrees to arbitrate before the National Arbitration Panel as provided in, and for resolving disputes to the extent otherwise provided in, the Mylan Settlement.

7. The Governmental Entity has the right to enforce the Mylan Settlement as provided therein.

8. The Governmental Entity, as a Participating Subdivision, hereby becomes a Releasor for all purposes in the Mylan Settlement, including without limitation all provisions of Section X (Release), and along with all departments, agencies, divisions, boards, commissions, districts, instrumentalities of any kind and attorneys, and any person in his or her official capacity whether elected or appointed to serve any of the foregoing and any agency, person, or other entity claiming by or through any of the foregoing, and any other entity identified in the definition of Releasor, provides for a release to the fullest extent of its authority. As a Releasor, the Governmental Entity hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in the Mylan Settlement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of the Governmental Entity to release claims. The Mylan Settlement shall be a complete bar to any Released Claim.

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release that, if known by him or her would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Governmental Entity hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Governmental Entities' decision to participate in the Mylan Settlement.

11. Nothing herein is intended to modify in any way the terms of the Mylan Settlement, to which Governmental Entity hereby agrees. To the extent this Participation and Release Form is interpreted differently from the Mylan Settlement in any respect, the Mylan Settlement controls.

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including Alaska.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

Nothing in this provision affects the limitations on Mylan employees set forth in Section III.A. 10. Mylan will be in compliance with Sections III.C.2 and III.C.3 with respect to support of an individual Third Party to the extent that the Settling States determine that such support does not increase the risk of the inappropriate use of Opioids and that Mylan has not acted for the purpose of increasing the use of Opioids.

11. For the avoidance of doubt, nothing in this Section III.C. shall be construed or used to prohibit Mylan from providing financial, In-Kind Support, or providing website links to:

    a. Universities, medical institutions, or hospitals, for the purpose of addressing, or providing education on (I) the treatment of OUD; (II) the

prevention and treatment of opioid abuse, addiction, or overdose, including medication-assisted treatment for opioid addiction; and/or (III) medications for reversing opioid overdose;

5. Mylan shall require all of its officers, employees, and agents engaged in Lobbying to certify in writing or by appropriate electronic means to Mylan that they are aware of and will fully comply with the provisions of this Exhibit with respect to Lobbying on behalf of Mylan.

2. G. Monitoring and Reporting of Direct and Downstream Customers

1. Mylan shall operate an effective monitoring and reporting system in compliance for its Opioid Products with 21 C.F.R. § 1301.71(a), 21 C.F.R. §1301.74(b), 21 U.S.C. §§ 823, 832, including the following items:

a. Incorporate the following into such monitoring and reporting system: (i) utilizing all reasonably available transaction information to identify a Suspicious Order of an Opioid Product by a direct customer; (ii) reasonably available Downstream Customer Data to assist in identifying whether a Downstream Customer poses a material risk of diversion of an Opioid Product; (iii) information Mylan knows or should reasonably know that demonstrates a direct customer's potential for diversion activity, including reports by Mylan's employees, customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media;

and (iv) information Mylan knows or should reasonably know that demonstrates a Downstream Customer's potential for diversion activity, including reports by Mylan's employees, customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media. For the avoidance of doubt, this provision does not require Mylan to collect or purchase any information or data that it does not collect or purchase in the ordinary course of Mylan's business.

b. Upon request (unless otherwise required by law), Mylan must report to any requesting State Attorney General or State controlled substances regulatory agency any direct customer or Downstream Customer identified by Mylan as posing a material risk of diversion or any customer relationship in such State terminated by Mylan relating to diversion or potential for diversion. These reports shall include the following information, to the extent known to Mylan:

Where Mylan has investigated a potentially Suspicious Order and determined that the order is not a Suspicious Order, Mylan must document the bases for its determination, and provide such documentation to any State Attorney General or State controlled substances regulatory agency, upon request.

3. Upon request, Mylan shall provide full cooperation and assistance to any federal, state or local law enforcement investigations of a Third Party relating to potential diversion or suspicious circumstances involving Opioid Products, including criminal law enforcement agencies, drug control agencies, professional licensing boards, and Attorney General's offices.

4. Mylan agrees that it will refrain from providing an Opioid Product directly to a retail pharmacy location or Health Care Provider. Nothing in this provision, however, prevents Mylan from providing an Opioid Product directly to a mail order pharmacy, distribution center of a third-party (*i.e.*, not related to Mylan) wholesale pharmaceutical distributor, distribution center serving a chain pharmacy, or pharmacy provider that exclusively serves long-term care or hospice providers and their patients. This Section III.G.4 does not apply to Subutex® or generic formulations thereof.

6. Notwithstanding the foregoing, the disclosure obligations in III.H.5. shall not apply if the above-referenced subpoenas, Civil Investigative Demands, warning letters, untitled letters, and/or related correspondence are required to be maintained as confidential pursuant to state or federal law.

7. Nothing contained herein shall prohibit Mylan from divesting any Opioid or Opioid Product, in each case, including providing technical development services, transferring know-how and patents, and/or providing such other support services in connection therewith, provided that all provisions of this Exhibit shall apply to any subsequent purchase with respect to the divested Opioid or Opioid Product.

8. This Exhibit is limited to Mylan's Opioid Business within the United States and its territories or involving Health Care Providers.

I. Compliance with All Laws and Regulations Relating to the Sale, Promotion, and Distribution of Any Opioid Product

1. Mylan shall comply with all applicable state laws and regulations that relate to the sale, promotion, distribution, and disposal of any Opioids or Opioid Products, provided that nothing in this paragraph requires Mylan to violate federal law or regulations, including but not limited to:

    a. State controlled substances acts, including all guidance issued by applicable state regulator(s);

    b. State consumer protection laws; and

    c. State laws, regulations, and guidelines related to opioid prescribing, distribution, and disposal.

J. Compliance Deadlines

1. As of the Effective Date, Mylan must be in full compliance with the provisions included in this Exhibit. Specifically, Mylan's compliance with Section III.G.1.a shall be met no later than the 180th day following the Effective Date. Nothing shall prevent the Settling States from agreeing in writing to provide Mylan with additional time beyond the 180 days to come into compliance with Section III.G.1.a.

K. Training

1. Mylan shall provide regular training, at least once per year, to relevant employees on their obligations imposed by this Exhibit.

L. Excluded Drugs

1. Mylan shall not make any written or oral statement about Excluded Drugs that is unfair, false, misleading or deceptive, or unconscionable, nor shall it represent that Excluded Drugs have approvals, characteristics, uses, benefits, or qualities that they do not have or are inconsistent with the products' FDA-approved labeling.

2. With regard to Excluded Drugs, Mylan shall not employ or contract with sales representatives to request Health Care Providers to write prescriptions for specific Excluded Drugs. For the avoidance of doubt:

    a. Section III.L.2 does not prohibit Mylan employees from providing Health Care Providers (directly or indirectly) with informational, educational, and instructional resources regarding such Excluded Drugs, including but not limited to product catalogs, product order forms, sample DEA Form 222s, Controlled Substance Ordering System ("CSOS") instructions, Mylan-specific ordering instructions, authorized signers forms, customer complaint forms, patient guides, and use instructions.

    b. Section III.L.2 does not apply to Excluded Drugs that are for reversing overdose, including but not limited to naloxone.

II. Maximum Exhibit R Attorney Fee and Cost Funds

A. Total attorneys' fees and costs to be paid by Mylan under this Fee Agreement ("Private Attorney Fees" and/or "Maximum Exhibit R Attorneys Fee and Cost Funds") shall be up to, but in no event more than, $35,271,542, as reflected in Exhibit M-1 of the Mylan Agreement, subject to the provisions and any applicable downward adjustments set forth herein. This amount is to be divided between the MDL Direct Cost Fund and the Attorney Fee Fund in accordance with sections III and IV herein.[2] In no event shall Mylan be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund (combined) each Payment Year than the amounts reflected below. Such payment shall be made by Mylan by the Payment Date[3] as set forth in the Mylan Agreement as follows:

Payment Year and Payment Date	Maximum Exhibit R Attorney Fee and Cost Funds
Year 1-July 25, 2025	$4,408,943.00
Year 2-March 1, 2026	$4,408,943.00
Year 3-March 1, 2027	$4,408,943.00
Year 4-March 1, 2028	$4,408,943.00
Year 5-March 1, 2029	$4,408,942.00

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

[2] The MDL Direct Cost Fund amount represents 2.5% of the Private Attorney Fees paid herein and amounts to $881,789 and the Attorney Fee Fund represents the remaining funds amounting to $34,389,753.

[3] "Payment Date" shall have the same meaning for Mylan as set forth in the Mylan Agreement, namely, the date by which Mylan makes the Annual Remediation Payment and Annual Fees Payment. The Payment Date shall be July 25, 2025 for Payment Year 1 and March 1 for each subsequent Payment Year.

Year 6-March 1, 2030	$4,408,942.00
Year 7-March 1, 2031	$4,408,942.00
Year 8-March 1, 2032	$4,408,944.00
Year 9-March 1, 2033	$ -
TOTAL	**$35,271,542.00**

B. The Maximum Exhibit R Attorney Fee and Cost Funds amount shall be offset for Non-Settling States and Non-Participating Subdivisions as follows:

1. If an Eligible State does not join the Agreement by the Reference Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Mylan shall be reduced by twelve point four percent (12.4%) times the portion of the Maximum Remediation Payment that would have been allocated to that Non-Settling State pursuant to its State Allocation Percentage.

2. The total attorneys' fees and costs to be paid under this Fee Agreement by Mylan shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Non-Participating Litigating Subdivisions in any Settling State, as set forth in Section IV.F.4 and IV.H.7 below. Any reduction or credit will be applied to the last payment under this Agreement.

C. Settlement of Non-Participating States and/or Non-Participating Subdivisions.

1. If Mylan settles with any Non-Participating State after April 4, 2025, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Mylan agrees to withhold from such settlement (1) a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State and its Subdivisions if they had participated in the Mylan Settlement and been awarded its full portion of the Remediation Payment (the "Mylan State Settlement CBF Assessment") and (2) a Contingency Fee payment for subdivisions of 4.9% times the portion of the Remediation Payment that would have been due to such State if it had participated in the Mylan Settlement and been awarded its full portion of the Remediation Payment (the "Mylan State Settlement CFF Assessment"). Mylan's withholding of such funds protects the division of subdivision fees to all eligible Participating Subdivisions as set forth in IV.F.2 and shall not alter the pro-rata allocation of fees to these Participating Subdivisions under this Agreement.[4] If Mylan settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after April 4, 2025, then Mylan agrees to withhold from such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such

[4] The withholding shall not impact the calculation of the total fees that may be due to Subdivision outside counsel under any applicable state allocation agreements or allocation statutes. The state allocation agreements or allocation statues shall in no way impact Mylan's payments due under Exhibit R or Exhibit M.

Subdivision under this Agreement (the "Mylan Subdivision CBF Assessment," and, along with the Mylan State Settlement CBF Assessment, each an "Mylan CBF Assessment").

2. If (a) Mylan settles with a Non-Settling State after April 4, 2025, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Mylan later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Mylan agrees to deposit the Mylan State Settlement CBF Assessment in the Common Benefit Fund. Any Mylan CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that Mylan is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the Mylan CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

III. MDL Direct Cost Fund

A. Subject to any adjustments as set forth below, the total MDL Direct Cost Fund to be paid by Mylan shall be $881,789 to cover all necessary MDL costs, including the costs of mediation and the administration of this Fee Agreement. The funds shall be paid by Mylan by the Payment Date in accordance with the amounts set forth on Exhibit M:

Payment Year and Payment Date	MDL Direct Cost Fund Payment
Year 1-July 25, 2025	$110, 224.00
Year 2-March 1, 2026	$110, 224.00
Year 3-March 1, 2027	$110, 224.00
Year 4-March 1, 2028	$110, 224.00
Year 5-March 1, 2029	$110, 223.00
Year 6-March 1, 2030	$110, 223.00
Year 7-March 1, 2031	$110, 223.00
Year 8-March 1, 2032	$110, 224.00
Year 9-March 1, 2033	$ -
TOTAL	**$881,789.00**

1. It is the intention of the Parties that the MDL Direct Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

2. The costs of the Cost and Expense Fund Administrator shall be paid from the MDL Direct Cost Fund, including any interest or return therein, to fairly charge the fund the costs incurred in implementing and supervising the fund.

3. At the conclusion of the Mylan settlement process, any funds not allocated by the Cost and Expense Fund Administrator in the MDL Direct Cost Fund (including any interest or return accrued therein) shall be transferred to the MDL Common Benefit Fund. Any shortfall in the MDL Direct Cost Fund may be transferred to the MDL Direct Cost Fund from the Attorney Fee Fund as the Cost and Expense Fund Administrator deems necessary. For the avoidance of doubt, Mylan shall have no obligation to cover any costs, fees, or other amounts under this Fee Agreement in excess of the Maximum Exhibit R Attorney Fee and Cost Funds listed in Exhibit M.

IV. Attorney Fee Fund

A. The total Attorney Fee Fund to be paid by Mylan shall be $34,389,753, subject to any adjustments as set forth above and below. The funds shall be paid by Mylan by each Payment Date in accordance with the amounts set forth herein:

Payment Year and Payment Date	Attorney Fee Fund Payment
Year 1-July 25, 2025	$4,298,719.00
Year 2-March 1, 2026	$4,298,719.00
Year 3-March 1, 2027	$4,298,719.00
Year 4-March 1, 2028	$4,298,719.00
Year 5-March 1, 2029	$4,298,719.00
Year 6-March 1, 2030	$4,298,719.00
Year 7-March 1, 2031	$4,298,719.00
Year 8-March 1, 2032	$4,298,720.00
Year 9-March 1, 2033	$ -
TOTAL	**$34,389,753.00**

B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

1. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Mylan Agreement if the Mylan Agreement does not proceed past Mylan's determination in subsection VIII of the Mylan Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions, or Non-

Litigating Subdivisions, and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

D. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Mylan be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund than the amount specified in subsection I.DDD of the Mylan Agreement, namely $35,271,542, which amount also is reflected in Exhibit M to the Mylan Agreement. The amounts allocated to the Contingency Fund and the Common Benefit Fund shall be subject to the reductions and refunds set forth above and below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Mylan Agreement, as set forth in Exhibit G to the Mylan Agreement, and shall be made by applying the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement. The collection of the data and calculations for the mathematical model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis was spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the model. The Fee Panel shall oversee the application of the model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection IV.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund)*.

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund in the total amount of $20,633,852, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

    a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

    b. satisfy the eligibility criteria set forth in subsection IV.G.

3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Mylan have also reached a settlement for Released Claims with Mylan. This settlement shall be the subject of a separate agreement with Mylan. Attorneys representing Tribal Nations are eligible for Common Benefit consideration, provided such agreement with Mylan becomes effective under its terms. Such Attorneys must meet the eligibility criteria in subsection IV.G.

4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection IV.G shall be eligible.

5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement, and the May 1, 2018 Order and any other applicable Orders of the MDL Court.

6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Mylan Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Mylan Agreement, including the Mylan Tribal Agreement. The Fee Panel may also consider additional fee recoveries the

Applicant may have obtained or potentially could obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Mylan Agreement or not. It is the intent of this provision to recognize that the goal of the Mylan Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Mylan Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Mylan Settlement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Mylan as set forth in subsection IV.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in Section IV.H, the Fee Panel must consider the factors described in IV.E.6 to determine how and whether to reduce the amounts to be paid by Mylan under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given Mylan in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Mylan shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

8. Mylan's Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Mylan Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions.

9. Pursuant to Ongoing Common Benefit Order of May 9, 2022, Docket 4428, the MDL PEC has established Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction,

represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court. Pursuant to section VII of that Order, as described in Section II.C above, each Defendant named in any case pending in the MDL is required to hold back the 7.5% common benefit percentage from all applicable judgments and settlements entered after the date of that Order and to deposit such amounts into the Court Common Benefit Fund.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund)*.

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund in the total amount of $13,755,901, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Participating Tribal Governments that meet the criteria set forth in subsection IV.G. For the avoidance of doubt, the Contingency Fee Fund shall be available to Attorneys who represent Subdivisions that are Participating Subdivisions who filed a lawsuit against any opioid defendant as of December 31, 2024, in state or federal court, and meet the eligibility criteria of Section IV.G.

3. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive the objection to jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement.

4. The amount owed by Mylan to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph IV.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

5. In the event that Mylan, prior to the Effective Date of the Agreement, settles with any Litigating Subdivision that would have been eligible to participate in this Fee Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Mylan Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Mylan,

except that the amount returned or credited shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement. All credits will be applied to the last Payment Year.

6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Mylan, including by jointly seeking stays or severance of claims against Mylan, where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph IV.G.3, must be subject to the criteria set forth in subsection IV.C, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date, unless the Attorney is recommending participation in the Agreement.

d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Mylan Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Mylan Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling or Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Fee Panel, which may be combined with certifications as to other settling opioid defendants for efficiency and at the Panel's discretion.

6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

7. If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Mylan when it receives notification.

8. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

9. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Mylan Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

10. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

11. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Mylan as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating

Subdivision as is relevant to the Fee Panel's determination in paragraph IV.E.6; and (c) such other information as Mylan may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Mylan) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection IV.G of this Fee Agreement and the criteria set forth in paragraph IV.E.2. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representations. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

   a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

   b. The novelty, time, and complexity of the Qualifying Representations;

   c. The skill requisite to perform legal services properly and undesirability of the case;

   e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

   f. Any "common detriment," as set forth in paragraph IV.E.6.

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

x. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and

y. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Mylan that is (a) under the jurisdiction of the MDL Court in MDL No. 2804, and (b) creates a separate common benefit fund to be administered by the Fee Panel, the Fee Panel may:

   a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered which were not previously subject to a final common benefit award by the MDL Court;

   b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees for such settlements, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

   c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

   e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process

designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection IV.G.

b. Using criteria set forth in subsections IV.E and IV.H, allocate amounts from the Common Benefit Fund to eligible Applicants. In making such allocations, the Panel shall apply the principles set forth in paragraph IV.E.6 and shall apply the principles set forth in paragraph IV.E to the amounts

paid to Applicants with a Common Benefit Fee Entitlement and shall allocate any reduction in the payments specified in paragraph IV.E to the amounts paid to Applicants with a Common Fee Entitlement.

c. Reduce on an annual basis, Mylan's payment obligations as set forth in paragraph IV.E. The Panel shall inform Mylan, and the MDL PEC of all such amounts and adjust payment obligations accordingly.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection IV.G.

b. Apply the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement.

c. Use such allocations to determine refund amounts owed to Mylan from the Attorney Fee Fund, and inform Mylan and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Mylan is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise, a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the above-referenced mathematical model, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which any Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Direct Cost Fund, including any interest accrued therein. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund, and any interest accrued therein, based on allocation by the Fee Panel and shall not be otherwise funded by Mylan.

2. The MDL PEC shall provide to Mylan information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

V. Miscellaneous

A. *Termination*. If the Mylan Agreement does not proceed past the Reference Date, whether because Mylan determines not to proceed or for any other reason, this Fee Agreement shall be null and void, Mylan shall not have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Mylan and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration.* This Fee Agreement shall be attached as Exhibit R to the Mylan Agreement. The MDL Court shall have no authority to increase the payments made by Mylan related to fees and costs beyond the amounts described in this Fee Agreement and consistent with Exhibit M.

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement or otherwise becomes final, this Fee Agreement can only be amended by (1) written agreement of Mylan and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Mylan as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue

to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Mylan, including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Mylan Agreement.

(whether or not such Settling State, Subdivision, or Releasor has brought such action or proceeding). Released Claims also include all Claims against Released Entities asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims related to Covered Conduct and/or Alleged Harms. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. It is the intent of the Parties that Claims by private individuals be treated in accordance with applicable law. A list of Sun's joint ventures, subsidiaries and affiliates and predecessor entities is set forth in Exhibit J. Any person or entity described in subsections (3)-(6) shall be a Released Entity solely in the capacity described in such clause and shall not be a Released Entity with respect to its conduct in any other capacity. Any entity acquired, or joint venture entered into, by Sun after the Initial Participation Date is not a Released Entity. Further and notwithstanding anything else in this paragraph, no entity sued in *In re: National Prescription Opiate Litigation*, No. 1:17-md-2804 (N.D. Ohio) is included as a Released Entity other than the entities listed on Exhibit J.

The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has or has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section XI.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VIII providing for a release to the fullest extent of the Participating Subdivision's authority.

For the avoidance of doubt, no Subdivision not listed on Exhibit G shall receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

AAAA. "*Sun*." Sun Pharmaceutical Industries, Inc.

BBBB. *"Threshold Motion."* A motion to dismiss or equivalent dispositive motion made at the outset of litigation under applicable procedure. II. Participation by Eligible States and Condition to Preliminary Agreement

A. *Notice to Eligible States.* On May 26, 2025, this Agreement shall be distributed to all Eligible States. The Attorneys General of the Eligible States shall then have until June 25, 2025, to decide whether to become Settling States and notify the Enforcement Committee and Sun of that decision. Eligible States that determine to become Settling States shall so notify Sun and shall further commit to obtaining any necessary additional state releases prior to the Reference Date. This notice period may be extended by written agreement of Sun and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A, Sun shall have fourteen (14) calendar days to determine whether, in its sole discretion (based on any criteria or factors deemed relevant to Sun), enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VIII. This period may be extended by written agreement of Sun and the Enforcement Committee. If Sun determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee. The date of such notice shall be the Preliminary Agreement Date. If Sun determines that this condition has not been satisfied, this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by Eligible States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Sun and the Enforcement Committee, provided that the Enforcement Committee may not withhold consent to an Eligible State's later joinder if the Eligible State agrees to join pursuant to the terms of this Agreement and the allocation set forth on Exhibit F. If an Eligible State

becomes a Settling State more than thirty (30) calendar days after the Preliminary Agreement Date, but on or before the Reference Date, the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of the Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after the Reference Date.

D. *Litigation Activity.* Following the Preliminary Agreement Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Sun, including by jointly seeking stays or, where appropriate, severance of claim against Sun, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached in Exhibit P.

IV. Procedure for Segregated Account Deposits and Payments

A. By the Deposit Date, Sun shall deposit into a segregated interest-bearing bank account it establishes the Adjusted Maximum Remediation Payment amount. Sun shall also deposit into two (2) separate segregated interest-bearing bank accounts it establishes: (a) the Private Attorney Fees amount; and (b) the Additional Remediation Amount. Sun shall separately account for the interest earned on each of the three (3) accounts.

B. Sun shall provide proof to the Enforcement Committee of the deposits required by Section IV.D.1 by the Deposit Date. Sun shall not remove any money from the segregated bank accounts, except as provided by Section IV.F and Section IV.H.

C. If an Eligible State joins the agreement pursuant to Section II.C and that joinder is after the Deposit Date, Sun shall deposit that Settling State's maximum Statewide Payment Amount, which is the Maximum Remediation Payment multiplied by the Settling State's State Allocation Percentage. Such deposit shall be within fifteen (15) days of the Settling State's joinder.

D. If the condition set forth in Section IX.B is met, Sun shall:

1. Transfer into the Settlement Fund on the Payment Date (unless the Enforcement Committee specifies a later date) the Remediation Payment amount calculated by the Settlement Fund Administrator pursuant to Section V.C.2 from the segregated account. For the avoidance of doubt, this transfer includes the Maximum Incentive Payment D Amount and includes any amounts that the Settlement Fund Administrator will place into the Settlement Fund Escrow pursuant to Section V.C.4.e.

a. The interest earned from the deposit account holding the Remediation Amount shall be used, first, to pay for the Implementation Administrator, then to pay for the Implementation Administrator in the Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, and Zydus Settlement Agreements, and finally to be transferred to the Settlement Fund to be used to pay for the Settlement Fund Administrator pursuant to Section VI.C.4.

2. Transfer into the relevant funds as directed by the Enforcement Committee, no later than the Payment Date (unless the Enforcement Committee specifies a later date) the amount in the segregated account holding the Private Attorney Fees (including all interest accrued on that account), minus any amounts not payable pursuant to the terms of Exhibit R, and the amount in the segregated account holding the Additional Remediation Amount (including all interest accrued on that account), minus the Additional Remediation Amount that would have been owed to Non-Settling States as calculated by multiplying the Additional Remediation Amount by the sum of allocations on Exhibit N for Non-Settling States.

E. The Remediation Payment transferred by Sun into the Settlement Fund pursuant to Section IV.D.1 shall be disbursed by the Settlement Fund Administrator to each Settling State and to its Participating Subdivisions listed on Exhibit G pursuant to Section V.C.5 through Section V.C.8; provided, however, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that Settling State.

F. Any amounts in the segregated accounts not subject to transfer pursuant to Section IV.D shall immediately revert to Sun after Sun makes the transfers required by Section IV.D.

G. Except for the interest earned on the payment amounts, any unearned Incentive Payment A amount in the Settlement Fund shall immediately revert to Sun after the Incentive Payment A Catch-Up Date. This excess reflects Settling States who sought, but did not achieve, a Bar by the Incentive Payment A Catch-Up Date. Any amount in the Settlement Fund exceeding the payments described in Section V.C.3 shall immediately revert to Sun after the last Incentive Payment D Release Date. This excess is Settling States' unearned Maximum Incentive Payment D amounts.

H. In the event that, in accordance with the terms of Section IX.B, Sun determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the segregated bank accounts shall immediately revert to Sun.

V. Settlement Payment Calculation Process

A. *Settlement Fund.* All payments under this Section V shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.

B. *Remediation Payment*

1. Sun shall make one Remediation Payment comprised of both Base Payments and Incentive Payments as provided in Section IV.D.1.

2. In no instance shall Sun's Remediation Payment obligations exceed the Adjusted Maximum Remediation Amount.

C. *Settlement Fund Payment Process*

1. To determine the Remediation Payment, the Settlement Fund Administrator shall use the data as of the Payment Calculation Date. Prior to the Effective Date, the Parties will include Exhibit L, which sets forth in detail the process for the Settlement Fund Administrator to obtain relevant data and for distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. On the Payment Calculation Date, the Settlement Fund Administrator shall determine the Remediation Payment , consistent with the provisions in Exhibit L, by determining the sum, for all Settling States, of the Base Payment amount, Incentive Payments A or BC amount to which each Settling State is entitled (or could in the future be entitled for states who notify Defendants of an intent to obtain a Bar by the Incentive Payment A Catch-Up Date), and Incentive Payment D each Settling State could in the future be entitled (e.g. the Maximum Incentive Payment D Amount) by applying the criteria under Section V.D and Section V.E;

3. On the Payment Calculation Date, Incentive Payment A Catch-Up Date, and each subsequent Incentive D Look-Back Date, the Settlement Fund Administrator shall determine the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by determining, for each Settling State, the Base Payment amount (only on the Payment Calculation Date) and Incentive Payment amount to which the Settling State is entitled on that date by applying the criteria under Section V.D and Section V.E, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section VI.C.4.

4. No later than fifty (50) days prior to the Payment Date and Incentive Payment D Release Dates, the Settlement Fund Administrator shall give notice to Sun, the Settling States, and the Enforcement Committee of the amount of the Remediation Payment, and/or the Statewide Payment Amount for each Settling State, following the determination described in Section V.C.2 and V.C.3, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Sun, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Remediation Payment and/or the Statewide Payment Amount for a Settling

State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Sun identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Sun identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute. In the case of the Remediation Payment, Sun shall pay the adjusted amount, collectively totaling the Remediation Payment, on the Payment Date.

d. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Sun, the Enforcement Committee, and any affected Settling State of the preliminary amount, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute. In the case of the Remediation Payment, Sun shall pay this preliminary amount, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Maximum Remediation Payment.

e. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Sun into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section V.C.5.

5. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section V.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VI, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section V.C.3, the Settlement Fund

Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

6. Disputes described in this subsection (other than those for which no response is filed under Sections V.C.4.c or V.C.5.d) shall be resolved in accordance with the terms of Section VII.F.

7. The Settlement Fund Administrator may combine the disbursements of the Remediation Payment with the disbursement of funds under other comparable opioid settlements. In determining when disbursements of the Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

8. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Base Payments.*

1. Sun shall make Base Payments into the Settlement Fund in an amount equal to forty percent (40%) of the Adjusted Maximum Remediation Payment. The maximum total for Base Payments is $12,396,835.

2. The Base Payment for any Settling State shall be the maximum total for Base Payments, $12,396,835, times the Settling State's State Allocation Percentage specified in Exhibit F.

E. *Incentive Payments.*

1. Sun shall make potential additional Incentive Payments totaling up to a maximum of sixty percent (60%) of the Adjusted Maximum Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $18,595,252.

2. A Settling State qualifies to receive an Incentive Payment in addition to its Base Payment if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments, $18,595,252, times the Settling State's State Allocation Percentage specified in Exhibit F. Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The Incentive Payments shall be divided among three (3) categories, referred to as Incentive Payments A, BC, and D. Incentive Payments A and BC will be due to Settling States on the Payment Date. Incentive Payment D will be paid to Settling States in two equal installments on the Incentive Payment Release Dates. The total amount of Incentive Payments due to Settling States shall be the sum of the Incentive Payments for which the individual Settling States are eligible under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A, BC, and D shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payment BC and D; if a Settling State receives Incentive Payment A in the Remediation Payment, such Settling State is not eligible for Incentive Payment BC or D.

b. Incentive Payment A shall be equal to sixty percent (60%) of the Adjusted Maximum Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment

A will be due to a Settling State as part of the Remediation Payment, and shall equal a total potential maximum of $18,595,252 if all Eligible States qualify for Incentive Payment A. Each Settling State's share of Incentive Payment A, *provided* that Settling State qualifies, shall equal the total maximum amount available for Incentive Payment A, $18,595,252, times the Settling State's State Allocation Percentage.

c. Qualification for Incentive Payment A is as follows: A Settling State qualifies for Incentive Payment A if, as of the Payment Calculation Date: (i) there is a Bar in that Settling State in full force and effect, (ii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a Settling State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iii) a combination of the actions in clauses (i) and (ii) has achieved the same level of resolution of Subdivision Claims (*e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iii) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Sun and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Initial Participation Date.

d. If a Settling State intends to achieve Incentive A by a Bar in effect after the Payment Calculation date but before the Incentive A Catch-Up Date, the Settling State shall notify Sun no later than 30 days before the Initial Participation Date. A Settling State who so notifies Sun and does not qualify for Incentive Payment A as of the Payment Date but becomes eligible for Incentive Payment A as of the Incentive Payment A Catch-Up Date shall receive the payment that it would have received for Incentive Payment A (the "Incentive Payment A Catch-up Payment") on the Incentive Payment A Catch-Up Date. The Incentive Payment A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentive Payment BC prior to the Settling State's eligibility for Incentive Payment A. A Settling State that does not qualify for Incentive Payment A as of the Incentive Payment A Catch-Up Date shall not be eligible for Incentive Payment A.

e. To the extent a Settling State asserts that existing legislation qualifies as a Bar, the Settling State shall provide notice to Sun no later than 30 days before the Initial Participation Date. Sun shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of fifty-seven percent (57%) of the Settling State's share of the Remediation Payment. Incentive Payment BC will be due to a Settling State as part of the Remediation Payment. Incentive Payment BC shall equal a total potential maximum of $17,665,490 if all Eligible States qualify for Incentive Payment BC (and do not qualify for Incentive Payment A).

c. The maximum Incentive Payment BC for any Settling State shall be the maximum potential Incentive Payment BC, $17,665,490, times the Settling State's State Allocation Percentage specified in Exhibit F, provided such Settling State becomes eligible for Incentive Payment BC by the Payment Calculation Date.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Primary Subdivisions that have not sued Sun as of the Initial Participation Date (collectively "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC provided by Section V.E.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Participation Percentage of Incentive BC Eligible Subdivision Population[5]	**Incentive Payment BC Percentage**
Less than 85%	0%

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. None of the population figures shall include Prior Litigating Subdivisions In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the

f. The percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of the Payment Calculation Date. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by the Payment Calculation Date, the Settling State shall not receive any Incentive Payment BC.

same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section X) of the Subdivision to be excluded.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC, that Settling State will receive its maximum Incentive Payment BC provided by Section V.E.5.c.

6. Incentive Payment D.

a. Incentive Payment D shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment D shall be equal to up to a maximum of ten percent (10%) of the Adjusted Maximum Remediation Payment, with the actual amount depending whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payment D is $3,099,209.[6]

c. Incentive Payment D shall be released in two equal installments—one installment on each Incentive Payment Release Date—and the amount of Incentive Payment D released will depend on (i) the Settling State meeting the qualifications set out in Section V.E.6.d and (ii) the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Settling State as of the Payment Calculation Date.

d. A Settling State qualifies for Incentive Payment D if no Later Litigating Subdivision (for purposes of Incentive Payment D, Later Litigating Subdivisions are limited to (i) a Primary Subdivision; (ii) a school district with a K-12 student enrollment of at least 25,000 or 0.10% of the Settling State's population, whichever is greater; (iii) a health district or hospital district that has at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district; and (iv) Primary Fire Districts) in that Settling State has a lawsuit against a Released Entity survive more than six (6) months after denial in whole or in part of a Threshold Motion.

e. A Settling State's qualification for Incentive Payment D shall be determined on each Incentive Payment D Look-Back Date. If a Later Litigating Subdivision's lawsuit in that Settling State survives more than six (6) months after denial in whole or in part a Threshold Motion after that date, that Settling State shall not be eligible for Incentive Payment D on that or any subsequent Incentive Payment D Release Date.

[6] The Incentive Payment BC table specified in Section V.E.5.e and Incentive Payment D table specified in Section V.E.6.f operate so that the combined amount of Incentive Payment BC and Incentive Payment D cannot exceed sixty percent (60%) of the Adjusted Maximum Remediation Payment over the term of the Agreement. Sun will have no obligation to pay more than $18,595,252 for the combined amounts of Incentive Payment BC and Incentive Payment D minus any offsets for Non-Settling States.

f. The Incentive Payment D for any Settling State qualifying for Incentive Payment D shall be equal to between three percent (3%) and ten percent (10%) of the of the Maximum Remediation Payment times the Settling State's Allocation Percentage specified in Exhibit F. The applicable percentage shall be determined based on the Participation Percentage of Incentive BC Eligible Subdivision Population achieved by the Payment Calculation Date as shown in the table below:

Participation Percentage of Incentive BC Eligible Subdivision Population as of the Payment Calculation Date	**Each Eligible Settling State's Applicable Incentive Payment D Percentage**
Participation of less than 95%	10% of State Allocation
Participation of 95% but less than 96%	9% of State Allocation
Participation of 96% but less than 97%	8% of State Allocation
Participation of 97% but less than 98%	7% of State Allocation
Participation of 98% but less than 99%	6% of State Allocation
Participation of 99% but less than 100%	5% of State Allocation
Participation of 100%	3% of State Allocation

g. Incentive Payment D shall be paid in two equal installments on the Incentive Payment D Release Dates. On each Incentive Payment D Look-Back Date, the Settlement Fund Administrator shall determine a Settling State's qualification for Incentive Payment D. Prior to each Incentive Payment D Look-Back Date, Sun may provide the Settlement Fund Administrator and the Enforcement Committee with notice identifying any Settling State(s) it believes do not qualify for Incentive Payment D and information supporting its belief.

h. Notwithstanding Section V.E.6.d and Section V.E.6.e, a Settling State can become re-eligible for Incentive Payment D if the lawsuit that survived a Threshold Motion is dismissed pursuant to a later motion on grounds included in the Threshold Motion, in which case the Settling State shall be eligible for Incentive Payment D less any litigation fees and costs incurred by Sun in the interim, except that if the dismissal motion occurs after the completion of opening statements in such action, the Settling State shall not be eligible for Incentive Payment D.

F. In no event shall any Settling State receive a Base Payment and Incentive Payment totaling more than one hundred percent (100%) of its respective State Allocation Percentage specified in Exhibit F times the Maximum Remediation Payment.

VI. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Remediation Payment and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and

distributed and used as provided below. Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Sun.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section VI.B.2. In no event may less than ninety-five percent (95%) of Sun's maximum amount of payments pursuant to Section V be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Sun how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section VI.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section VI.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section V.D among the Settling States pursuant to Section V.D.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section VI.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section V.E on a state-specific basis. Incentive Payments for which a Settling State is eligible will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section VI.D.

3. Settlement Fund Administrator. Prior to the Effective Date, Sun and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; provided, however, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, the additional amount shall be paid out of the Settlement Fund. For the avoidance of doubt, nothing in this provision shall require Sun to pay any costs, fees or other amounts in excess of the Global Settlement Amount.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section VI.D.1 and Section VI.D.2, then the default provisions of Section VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section VI.D.1 and Section VI.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section VI.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[7] For a State-Subdivision Agreement to be applied to the relevant portion of the Remediation Payment, notice must be provided to Sun and the Settlement Fund Administrator by the Payment Calculation Date.

[7] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section VI.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section VI of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section VI.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the Settling State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it after the Payment Calculation Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section VI.D.1, Section VI.D.2, and Section VI.D.3 do not apply, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be distributed as follows:

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that Settling State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative

purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the Settling State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that Settling State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VIII.H shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will directly receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section VI.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VIII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VIII.E through Section VIII.G. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section VI.D.1 or by an Allocation Statute or a Statutory Trust described in Section VI.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that Settling State's Remediation Accounts Fund so long as it complies with the requirements of Section VI.D.1 or Section VI.D.2, as applicable, and all direct payments to Subdivisions comply with Section VIII.E through Section VIII.G.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or

Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, the Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that Settling State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or

other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small Settling States.* Notwithstanding the provisions of Section VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region, and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee"*) to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Sun and the Enforcement Committee

F. *Nature of Payment*. Sun, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by Sun constitutes, and is paid for, compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Sun in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law; and

4. For the avoidance of doubt: (a) the entire Compensatory Restitution Amount is properly characterized as described in Section VI.F, (b) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

VII. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Sun; *provided, however,* that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described later in this paragraph and in Section VII.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Sun with respect to either the terms of this Agreement that apply only to or in other Settling States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Sun with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Participating Subdivisions or the Remediation Accounts Fund in such

Settling State pursuant to Section V; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Sun consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VII.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section VI.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Sun Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Sun to make its Remediation Payment.

F. *Other Terms Regarding Dispute Resolution.*

1. The parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless

otherwise agreed in writing, they shall follow the remaining provisions of this subsection to resolve the dispute.

2. Except to the extent provided by Section VII.C or Section VII.F.3, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section VI.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VII.C or Section VII.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's

rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, and/or Sun shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VII.C, and which are exceptions to Section VII.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular state's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims;"

(iv) the failure by Sun to pay the Remediation Payment or the Additional Remediation Amount, but for the avoidance of doubt, disputes between Sun and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vi) disputes involving liability of successor entities;

(vii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A, BC, or D;

(viii) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section XI.B.5.c;

(ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(x) any dispute subject to resolution under Section VII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VII.F.3.

b. The National Arbitration Panel shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Sun, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, or Sun on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Sun, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Sun whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VII. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Sun and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Sun and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute. For the avoidance of doubt, Sun shall not be responsible for the National Arbitration Panel costs in disputes that do not concern Sun.

4. Prior to initiating an action to enforce pursuant to this Section VII.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and Sun of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however,* that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

5. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VII.F.2 or Section VII.F.3, a committee comprising the Enforcement Committee and sufficient representatives of Sun such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *Lien or Encumbrance*. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Sun or its affiliates, unless in the event of a default or breach of the payment provisions by Sun. Nothing in this Section shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Sun.

H. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("*CID*") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Sun reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VIII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means and may be combined with distribution of the Subdivision Settlement Participation Form) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The costs of the Implementation Administrator shall be paid for by the interest earned from the deposit accounts holding the Adjusted Maximum Remediation Payment for Sun, and nothing in this provision shall require Sun to pay any costs, fees or other amounts in excess of the Global Settlement Amount. The Settling States, with the cooperation of Sun, may also provide general notice

reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI; *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions/Later Litigating Subdivisions.* A Later Litigating Subdivision and Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section IX.B have been met, whichever is later. A Settling State may require each Litigating Subdivision in that Settling State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide reports of this information to the parties upon request. A Litigating Subdivision or Later Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VIII.B or Section VIII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Subdivision Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VIII.B or Section VIII.C after the Initial Participation Date but before the Payment Calculation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section VI.D or Section VI.E. Unless waived by Sun, the following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall receive seventy-five percent (75%) of the share of the Base Payment or Incentive Payment that it would have received had it become an Initial Participating Subdivision.

2. A Later Participating Subdivision that had maintained a lawsuit for a Released Claim against a Released Entity and had judgment entered against it on any such Claim before it became a Participating Subdivision (other than consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments and Incentive Payments that it would have received had it become a Participating Subdivision prior to such judgment; provided, however that if the Subdivision appeals the judgment and the judgment is affirmed with finality, the Subdivision shall not receive any share of any Base Payments or Incentive Payments, and shall return to Sun any share of any Base Payments or Incentive Payments such Subdivision had already received.

3. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its state shall receive twenty-five percent (25%) of the share of the Base Payment and Incentive Payment that it would have received if it had become an Initial Participating Subdivision.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Sun.

G. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of the Remediation Payment, including from the State Fund

and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

H. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payment allocated pursuant to Section VI.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VIII, including the amounts that remain unpaid after the reductions required by Section VIII.E., will be allocated to the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

I. *Ineligible Subdivisions.* Subdivisions in Non-Settling States and Prior Litigating Subdivisions are not eligible to be Participating Subdivisions.

IX. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed with Settlement. —Settling States*. Following the Initial Subdivision Participation Date, the Enforcement Committee shall determine whether to proceed with the Agreement on behalf of the Settling States, and the Settling States shall be bound by the determination of the Enforcement Committee. No later than fifteen (15) calendar days prior to the Reference Date, the Enforcement Committee shall provide notice to Sun of its decision. If the Enforcement Committee elects not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Settlement Participation Forms and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms) will be void. Within seven (7) calendar days of informing Sun that there is sufficient participation to proceed, the Enforcement Committee will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Sun.

B. *Determination to Proceed with Settlement—Sun*. If the Settling States elect to proceed, Sun will then determine on or before the Reference Date whether there is sufficient Eligible State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VIII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Sun and may be based on any criteria or factors deemed relevant by Sun.

C. *Notice by Sun.* On or before the Reference Date, Sun shall inform the Settling States of its determination pursuant to Section IX.B. If Sun determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Sun determines not to proceed, this Agreement will have no further effect, any amounts deposited, including funds referenced in Section IV.D. and Exhibit M, shall revert to Sun, and all releases (including those contained in Subdivision Settlement

Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

X. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference.

B. *Additional Remediation Amount*.

1. Subject to the reduction specified in Section X.B.2, Sun shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Sun pursuant to this Section X.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of Sun that receives an Additional Remediation Amount may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section VI.C through Section VI.E.

C. All payments addressed by this Section X will be made no later than the Payment Date pursuant to Section V.

XI. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement*.

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

2. The provisions of Section XI.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

3. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

4. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization, the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Sun in Section XI.B.3, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

5. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section XI.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.3 with respect to that Non-Released Entity and that Releasor and Sun shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to the Releasor or to Non-Released Entities than the amount owed under this Settlement Agreement by Sun:

a. Sun shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Sun and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that Sun is not required to pay more with respect to Covered Conduct than the amounts owed by Sun to the Releasor under this Agreement;

c. The Releasor and Sun shall take steps sufficient and permissible under the law of the state of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Sun under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Sun or Released Entities, and supported by Releasor, in response to any claim filed in litigation or arbitration;

(ii) Reduction of the Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount the Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Sun to the Releasor under this Settlement Agreement to permit satisfaction of a judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Sun by the Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Sun under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as the Releasor and Sun may devise to hold Sun harmless from the Claim-Over.

d. The actions of the Releasor and Sun taken pursuant to paragraph (c) must, in combination, ensure Sun is not required to pay more with respect to Covered Conduct than the amounts owed to the Releasor by Sun under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), the Releasor and Sun may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasor to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Sun shall have a claim for breach of this Agreement by Releasor, with the remedy being payment of sufficient funds to hold Sun harmless from the Claim-Over up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Sun may have.

6. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Sun shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Sun (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Sun.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty*. The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) any of the respective Settling State's past and present executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement

and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commission, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Sun on or after the date the Preliminary Agreement Date. This provision shall not require a Settling State to make any monetary payment or adjustment to allocation or incur other obligation.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State or Subdivision, related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724; *Connecticut et al v. Aurobindo Pharma USA, Inc. et al.*, in the United States District Court for the District of Connecticut, Case No. 3:16-cv-2056-NPS; *Connecticut et al. v. Teva Pharmaceuticals USA, Inc.*, in the United States District Court for the District of Connecticut, Case No. 3:19-cv-710-NPS; *Connecticut et al v. Sandoz, Inc. et al.*, in the United States District Court for the District of Connecticut, Case No. 3:20-cv-802-NPS; and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), and any claims arising under the Agreement for enforcement of the Agreement.

XII. Later Litigating Subdivisions

A. *Released Claims against Released Entities*. If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date, the following shall apply subject to Section XII.B:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Sun shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Sun under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Sun shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

2. If the lawsuit asserting a Released Claim is resolved with finality on terms requiring payment by the Released Entity, Sun shall receive a dollar-for-dollar offset against Incentive Payment D for the amount paid. The offset shall be applied against the relevant portion of Incentive Payment D to be released on the last Incentive Payment D Release Date and working backwards.

3. "*Terms requiring payment*" shall mean (i) a final monetary judgment or (ii) a settlement; provided that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions*

1. Section XII.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A, except as expressly provided therein.

2. Section XII.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* An offset under Section XII.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States*. An offset under Section XII.A applicable to one State shall not affect the allocation or payment of the Remediation Payment to other Settling States.

E. *Litigating Subdivisions in Non-Eligible States.* The Settling States will not encourage, facilitate, or assist in any manner whatsoever claims for Covered Conduct against Sun in any Settling, Non-Settling, or Non-Eligible State, regardless of whether those claims were filed against Sun prior to, on, or after the Effective Date.

XIII. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section V.E.4.b: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.[8] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Sun and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* Sun does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Sun.

E. *Tax Cooperation and Reporting.*

1. Upon request by Sun, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Sun to establish the statements set forth in Section VI.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by 26 C.F.R § 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

[8] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

2. Without limiting the generality of Section XIII.E.1, each Settling State and Participating Subdivision shall cooperate in good faith with Sun with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. Pursuant to 26 C.F.R. § 1.6050X-1(a) and (b), the Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of 26 C.F.R. § 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Sun and (ii) any legally required forms, returns or amended returns with any applicable governmental authority, or any returns requested by Sun, and (b) provides to Sun a copy of (i) the IRS Form 1098-F filed with respect to Sun and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such forms, returns, or statements shall be prepared and filed in a manner fully consistent with Section VI.F. and as set forth in Section XIII.E.4.

4. Any form, return, amended return, or written statement filed or provided pursuant to Section XIII.E.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any form, return, amended return, or written statement contemplated by this Section XIII.E other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Sun a draft of such form, return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Sun on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Sun nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. Settling States may not assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

J. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

K. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

L. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

M. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Sun of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules.

N. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any

statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

O. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.M.

P. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Sun's right to coverage under an insurance contract.

[OTHERS]

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.Q.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

T. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Sun and its respective successors and assigns.

2. Sun shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Sun (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Sun) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Sun's ability to make the payments under this Agreement following the close of a sale or transfer transaction, unless Sun obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Sun's remaining Payment Obligations under this Agreement equal to the percentage of Sun's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Sun's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.T shall be enforceable solely by the Settling States, and any objection under this Section XIII.T not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

U. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Sun concludes prior to the Reference Date that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Sun shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Sun, along with the signature of at least two-thirds of those then serving as Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section VI.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in Settling States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

V. *Termination.*

1. Unless otherwise agreed to by each of Sun and the Settling States, this Agreement and all of its terms (except Section XIII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State and its Subdivisions for whatever reason pursuant to Section XIII.V.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Sun and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Sun and the Settling State and its Participating Subdivisions shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Sun and the Settling State and its Participating Subdivisions shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Sun and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as of May 15, 2027, provided that Sun has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.V.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.V.3.

W. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Sun or against which Sun is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

X. *Bankruptcy.* The following provisions shall apply if Sun enters bankruptcy and (i) the Sun bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Sun pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate State Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate State Allocation Percentages assigned to all Settling States deem (by written notice to Sun) that the financial obligations of this Agreement have been terminated and rendered null and void (except as provided in Section XIII.X.1.a) due to a material breach by Sun, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Sun; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Sun and the Settling States shall have the right to assert any and all claims against Sun in the bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however,* that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Sun itself; and (ii) in the event the Settling State asserts any Released Claim against Sun after the rejection and/or termination of this

Agreement as described in this Section XIII.X.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the Settling State has previously received from Sun under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the Settling State is required to disgorge or repay to Sun's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Sun subject to all defenses and rights of the Sun.

Y. *Waiver*. Sun, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Sun's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Sun's payment obligations incurred hereunder are satisfied in full, Sun's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.

Adoption of a State-Subdivision Agreement

A State-Subdivision Agreement shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions as follows:

1. *Requirements for Approval*. A State-Subdivision Agreement shall be deemed as agreed to when it has been approved by the State and either (a) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than sixty percent (60%), or (b) Subdivisions whose aggregate Population Percentages total more than fifty percent (50%) provided that these Subdivisions also represent fifteen percent (15%) or more of the State's counties or parishes (or, in the case of Settling States whose counties and parishes do not function as local governments, 15% of or more of the Settling State's non-county Subdivisions), by number.

2. *Approval Authority*. Approval by the State shall be by the Attorney General. Approval by a Subdivision shall be by the appropriate official or legislative body pursuant to the required procedures for that Subdivision to agree to a legally binding settlement.

3. *Population Percentage Calculation*. For purposes of this Exhibit O only, Population Percentages shall be determined as follows: For States with functional counties or parishes[1] the Population Percentage of each county or parish shall be deemed to be equal to (a) (1) two hundred percent (200%) of the population of such county or parish, minus (2) the aggregate population of all Primary Incorporated Municipalities located in such county or parish, divided by (b) two hundred percent (200%) of the State's population. A "*Primary Incorporated Municipality*" means a city, town, village or other municipality incorporated under applicable state law with a population of at least 25,000 that is not located within another incorporated municipality. The Population Percentage of each Primary Incorporated Municipality shall be equal to its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population; provided that the Population Percentage of a Primary Incorporated Municipality that is not located within a county shall be equal to two hundred percent (200%) of its population (including the population of any incorporated or unincorporated municipality located therein) divided by two hundred percent (200%) of the State's population. For all States that do not have functional counties or parishes, the Population Percentage of each non-county Subdivision (including any incorporated or unincorporated municipality located therein), shall be equal to its population divided by the State's population.

4. *Preexisting Agreements and Statutory Provisions*. A State may include with the notice to its Subdivisions an existing agreement, a proposed agreement, or statutory provisions regarding the distribution and use of settlement funds and have the acceptance of such an agreement or statutory provision be part of the requirements to be an Initial Participating Subdivision.

[1] Certain states do not have counties or parishes that have functional governments, including Alaska.

5. *Revised Agreements*. A State-Subdivision Agreement that has been revised, supplemented, or refined shall be applied if it meets the requirements of Section V and is approved by the State and by the State's Subdivisions pursuant to the terms above.

5. Nothing in this Exhibit shall be interpreted to limit any State Attorney General's Civil Investigative Demand ("CID") or investigative subpoena authority, to the extent such authority exists under applicable state law.

6. To the extent that Sun engages in conduct permitted by Sections III.A.2 and III.A.4 above, Sun shall do so in a manner that is:

B. No Financial Reward or Discipline Based on Volume of Opioid Sales

1. Sun shall not provide financial incentives to its sales and marketing employees or discipline its sales and marketing employees based upon sales volume or sales quotas for Opioid Products. However, this provision shall not prohibit financial incentives based on overall company performance. Nor shall it prohibit financial incentives based on sales volume or sales quotas of non-Opioid Products.

2. Sun shall not offer or pay any remuneration (including any kickback, bribe, or rebate) directly or indirectly, to or from any person in return for the prescribing or use of an Opioid Product. Nothing in this provision affects the limitations on Sun employees set forth in Section III.A. Notwithstanding anything to the contrary in this Exhibit, this provision does not prohibit the payment of customary rebates or other pricing concessions to third party payors, including state Medicaid programs, as part of an overall pricing agreement, except as prohibited by Section III.F.

10. Sun will be in compliance with Sections III.C.2 and III.C.3 with respect to support of an individual Third Party to the extent that the Settling States determine that such support does not increase the risk of the inappropriate use of Opioids and that Sun has not acted for the purpose of increasing the use of Opioids.

11. For the avoidance of doubt, nothing in this Section III.C. shall be construed or used to prohibit Sun from providing financial, In-Kind Support, or providing website links to:

    a. Universities, medical institutions, or hospitals, for the purpose of addressing, or providing education on (I) the treatment of OUD; (II) the prevention and treatment of opioid abuse, addiction, or overdose,

including medication-assisted treatment for opioid addiction; and/or (III) medications for reversing opioid overdose;

b. The American Medical Association (AMA), the American Cancer Society (ACS) or any other medical society dedicated to cancer treatment; and

D. Lobbying Restrictions

1. Sun shall not Lobby for the enactment of any provision of any federal, state, or local legislation or promulgation of any provision of any rule or regulation that:

    d. The limitation of initial prescriptions of Opioids to treat acute pain;

    e. The prescribing and other means of distribution of naloxone to minimize the risk of overdose, including but not limited to third party reimbursement or payment for naloxone;

f. The use of urine testing before starting Opioid use and annual urine testing when Opioids are prescribed, including but not limited to third party reimbursement or payment for such testing;

g. Evidence-based treatment (such as using medication-assisted treatment with buprenorphine or methadone in combination with behavioral therapies) for OUD, including but not limited to third party reimbursement or payment for such treatment; or

h. The implementation or use of Opioid drug disposal systems.

3. Sun shall not Lobby against the enactment of any provision of any federal, state or local legislation or promulgation of any provision of any rule or regulation creating or expanding the operation or use of Prescription Drug Monitoring Programs (PDMPs), including but not limited to provisions requiring Health Care Providers to review PDMPs when Opioid use is initiated and with every prescription thereafter. For the avoidance of doubt, Sun may Lobby in support of a particular PDMP proposal.

4. Notwithstanding the foregoing restrictions in Sections III.D.1–3, III.A, and III.C, the following conduct is not restricted:

e. Communicating with a federal or state agency in response to a Federal Register or similar notice or an unsolicited federal or state legislative committee request for public comment on proposed legislation;

g. Participate in meetings and other proceedings before the FDA, FDA advisory committee or other FDA committee in connection with the approval, modification of approval, or oversight of its own products.

5. Sun shall require all of its officers, employees, and agents engaged in Lobbying to certify in writing or by appropriate electronic means to Sun that they are aware of and will fully comply with the provisions of this Exhibit with respect to Lobbying on behalf of Sun.

E. Ban on Certain High Dose Opioids

1. Sun shall not manufacture, promote, or distribute any pill that contains more than 40 milligrams of oxycodone.

F. Ban on Prescription Savings Programs

1. Sun shall not directly or indirectly offer any discounts, coupons, rebates, or other methods which have the effect of reducing or eliminating a patient's co-payments or the cost of prescriptions (*e.g.*, free trial prescriptions) for any Opioid Product.

2. Sun shall not directly or indirectly provide financial support to any Third Party that offers coupons, discounts, rebates or other methods which have the effect of reducing or eliminating a patient's co-payments or the cost of prescriptions (*e.g.*, free trial prescriptions) for any Opioid Product.

3. Sun shall not directly or indirectly assist patients, Health Care Providers, or pharmacies regarding the claims and/or prior authorization process required for third-party payers to approve claims involving any Opioid Product.

4. This Section III.F shall not apply if Sun as an Authorized Generic is required to compete with a legitimate discount initiated by a brand company.

G. Monitoring and Reporting of Direct and Downstream Customers

1. Sun shall operate an effective monitoring and reporting system in compliance for its Opioid Products with 21 C.F.R. § 1301.71(a), 21 C.F.R. § 1301.74(b), 21 U.S.C. §§ 823, 832, including the following items:

a. Incorporate the following into such monitoring and reporting system: (i) utilizing all reasonably available transaction information to identify a Suspicious Order of an Opioid Product by a direct customer; (ii) reasonably available Downstream Customer Data to assist in identifying whether a Downstream Customer poses a material risk of diversion of an Opioid Product; (iii) information Sun knows or should reasonably know that demonstrates a direct customer's potential for diversion activity, including reports by Sun's employees, customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media; and (iv) information Sun knows or should reasonably know that demonstrates a

Downstream Customer's potential for diversion activity, including reports by Sun's employees, customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media. For the avoidance of doubt, this provision does not require Sun to collect or purchase any information or data that it does not collect or purchase in the ordinary course of Sun's business.

b. Upon request (unless otherwise required by law), Sun must report to any requesting State Attorney General or State controlled substances regulatory agency any direct customer or Downstream Customer identified by Sun as posing a material risk of diversion or any customer relationship in such State terminated by Sun relating to diversion or potential for diversion. These reports shall include the following information, to the extent known to Sun:

   i. The identity of the Downstream Customer and the direct customer(s) identified by Sun engaged in the controlled substance transaction(s), to include each registrant's name, address, business type, and DEA registration number;

   v. A brief narrative providing a description of the circumstances leading to Sun's conclusion that there is a risk of diversion.

2. Sun shall not provide to any direct customer an Opioid Product to fill an order identified as a potential Suspicious Order unless Sun's DEA Compliance Department investigates and finds that the order is not suspicious. Where Sun has investigated a potentially Suspicious Order and determined that the order is not a Suspicious Order, Sun must document the bases for its determination, and provide such documentation to any State Attorney General or State controlled substances regulatory agency, upon request.

3. Upon request, Sun shall provide full cooperation and assistance to any federal, state or local law enforcement investigations of a Third Party relating to potential diversion or suspicious circumstances involving Opioid Products, including criminal law enforcement agencies, drug control agencies, professional licensing boards, and Attorney General's offices.

4. Sun agrees that it will refrain from providing an Opioid Product directly to a retail pharmacy location or Health Care Provider. Nothing in this provision, however,

prevents Sun from providing an Opioid Product directly to a mail order pharmacy, distribution center of a third-party (*i.e.*, not related to Sun) wholesale pharmaceutical distributor, distribution center serving a chain pharmacy, or pharmacy provider that exclusively serves long-term care or hospice providers and their patients. This Section III.G.4 does not apply to Subutex® or generic formulations thereof.

H. General Terms

1. To the extent that any provision in this Exhibit conflicts with federal or state law or regulation, the requirements of the law or regulation will prevail. To the extent that any provision in the Agreement is in conflict with federal or relevant state law such that Sun cannot comply with both the statute or regulation and a provision of this Exhibit, Sun may comply with such statute or regulation. Sun will provide advance written notice to the affected State Attorney(s) Generals of the statute or regulation that Sun intends to comply with under this paragraph, and the provision of this Exhibit that is in conflict with the statute or regulation. In the event any State Attorney General disagrees with Sun's interpretation of the conflict, such State Attorney General reserves the right to pursue any remedy or sanction that may be available regarding compliance with this Exhibit.

2. Sun shall not make any written or oral statement about Opioids or any Opioid Product that is unfair, false, misleading, deceptive, or unconscionable. For purposes of this paragraph, "Opioid Product" shall also include medications with an FDA-approved label that lists only the treatment of opioid abuse, addiction, and/or overdose as their "indications and usage."

3. Sun shall not represent that Opioids or any Opioid Product(s) have approvals, characteristics, uses, benefits, or qualities that they do not have. For purposes of this paragraph, "Opioid Product" shall also include medications with an FDA-approved label that lists only the treatment of opioid abuse, addiction and/or dependence as their "indications and usage."

4. For the avoidance of doubt, nothing in this Exhibit is intended to or shall be construed to prohibit Sun in any way whatsoever from (a) taking legal or factual positions with regard to its Opioid Product(s) in defense of litigation or other legal proceedings or investigations; (b) communicating its positions and responding to media inquiries concerning litigation, investigations, reports, or other documents or proceedings relating to Sun or its Opioid Products, or (c) maintaining a website explaining its litigation positions and responding to allegations concerning its Opioid Products.

5. Upon the request of any State Attorney General, Sun shall provide the requesting State Attorney General with copies of the following documents, if received by Sun after the Effective Date of this Agreement, within 30 days of the request:

    a. Any litigation or civil or criminal law enforcement subpoenas or Civil Investigative Demands relating to Sun's Opioid Product(s); and

b. Warning or untitled letters issued by the FDA regarding Sun's Opioid Product(s) and all correspondence between Sun and the FDA related to such letters.

6. Notwithstanding the foregoing, the disclosure obligations in III.H.5. shall not apply if the above-referenced subpoenas, Civil Investigative Demands, warning letters, untitled letters, and/or related correspondence are required to be maintained as confidential pursuant to state or federal law.

7. Nothing contained herein shall prohibit Sun from divesting any Opioid or Opioid Product, in each case, including providing technical development services, transferring know-how and patents, and/or providing such other support services in connection therewith, provided that all provisions of this Exhibit shall apply to any subsequent purchase with respect to the divested Opioid or Opioid Product.

8. This Exhibit is limited to Sun's Opioid Business within the United States and its territories or involving Health Care Providers.

I. Compliance with All Laws and Regulations Relating to the Sale, Promotion, and Distribution of Any Opioid Product

1. Sun shall comply with all applicable state laws and regulations that relate to the sale, promotion, distribution, and disposal of any Opioids or Opioid Products, provided that nothing in this paragraph requires Sun to violate federal law or regulations, including but not limited to:

    a. State controlled substances acts, including all guidance issued by applicable state regulator(s);

    b. State consumer protection laws; and

    c. State laws, regulations, and guidelines related to opioid prescribing, distribution, and disposal.

J. Compliance Deadlines

1. As of the Effective Date, Sun must be in full compliance with the provisions included in this Exhibit. Notwithstanding the foregoing, Sun need not have fully incorporated the following into its monitoring and reporting system as of the Effective Date: (i) utilizing all reasonably available transaction information to identify a Suspicious Order of an Opioid Product by a direct customer; (ii) reasonably available Downstream Customer Data to assist in identifying whether a Downstream Customer poses a material risk of diversion of an Opioid Product; (iii) information Sun knows or should reasonably know that demonstrates a direct customer's potential for diversion activity, including reports by Sun's employees, customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media; and (iv) information Sun knows or should reasonably know that demonstrates a Downstream Customer's potential for diversion activity, including reports by Sun's employees,

customers, Health Care Providers, law enforcement, state, tribal, or federal agencies, or the media. Specifically, Sun's compliance with Section III.G.1.a shall be met no later than the 180th day following the Effective Date. Nothing shall prevent the Settling States from agreeing in writing to provide Sun with additional time beyond the 180 days to come into compliance with Section III.G.1.a.

K. Training

1. Sun shall provide regular training, at least once per year, to relevant employees on their obligations imposed by this Exhibit.

L. Excluded Drugs

1. Sun shall not make any written or oral statement about Excluded Drugs that is unfair, false, misleading or deceptive, or unconscionable, nor shall it represent that Excluded Drugs have approvals, characteristics, uses, benefits, or qualities that they do not have or are inconsistent with the products' FDA-approved labeling.

2. With regard to Excluded Drugs, Sun shall not employ or contract with sales representatives to request Health Care Providers to write prescriptions for specific Excluded Drugs. For the avoidance of doubt:

    a. Section III.L.2 does not prohibit Sun employees from providing Health Care Providers (directly or indirectly) with informational, educational, and instructional resources regarding such Excluded Drugs, including but not limited to product catalogs, product order forms, sample DEA Form 222s, Controlled Substance Ordering System ("CSOS") instructions, Sun-specific ordering instructions, authorized signers forms, customer complaint forms, patient guides, and use instructions.

    b. Section III.L.2 does not apply to Excluded Drugs that are for reversing overdose, including but not limited to naloxone.

3. Sun shall comply with Sections III.G.3 and III.I as if Excluded Drugs were defined as Opioid Products.

II. Maximum Exhibit R Attorney Fee and Cost Funds

A. Total attorneys' fees and costs to be paid by Sun under this Fee Agreement shall ("Private Attorney Fees" and/or "Maximum Exhibit R Attorneys Fee and Cost Funds") be up to, but in no event more than, $3,843,018.72, as reflected in Exhibit M-1 of the Sun Agreement, subject to the provisions and any applicable downward adjustments set forth herein. This amount is to be divided between the MDL Direct Cost Fund and the Attorney Fee Fund in accordance with sections III and IV herein.[2] In no event shall Sun be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund (combined) than the amount reflected below. Such single payment shall be made by Sun by the Payment Date[3] as set forth in the Sun Agreement as follows:

Payment Date	Maximum Exhibit R Attorney Fee and Cost Funds
July 25, 2025	$3,843,018.72

[1] Nothing herein shall be understood to indicate approval for additional State Back-Stop Agreements or modifications of existing State Back-Stop Agreements.

[2] The MDL Direct Cost Fund amount represents 2.5% of the Private Attorney Fees paid herein and amounts to $96,075.47 and the Attorney Fee Fund represents the remaining funds amounting to $3,746,943.25.

[3] "Payment Date" shall have the same meaning for Sun as set forth in the Sun Agreement, namely, the date by which Sun makes the Annual Remediation Payment and Annual Fees Payment. The Payment Date shall be December 19, 2025 for Payment Year 1 and March 1 for each subsequent Payment Year.

B. The Maximum Exhibit R Attorney Fee and Cost Funds amount shall be offset for Non-Settling States and Non-Participating Subdivisions as follows:

1. If an Eligible State does not join the Agreement by the Reference Date and is accordingly not a Settling State, the total attorneys' fees and costs to be paid under this Fee Agreement by Sun shall be reduced by twelve point four percent (12.4%) times the portion of the Maximum Remediation Payment that would have been allocated to that Non-Settling State pursuant to its State Allocation Percentage.

2. The total attorneys' fees and costs to be paid under this Fee Agreement by Sun shall also be reduced by the amount of the Contingency Fee Fund for Attorneys representing Non-Participating Litigating Subdivisions in any Settling State, as set forth in Section IV.F.4 and IV.H.7 below. Any reduction or credit will be applied to the last payment under this Agreement.

C. Settlement of Non-Participating States and/or Non-Participating Subdivisions.

1. If Sun settles with any Non-Participating State after April 4, 2025, and such settlement allows for the Subdivision(s) in such Non-Settling State to join the settlement, Sun agrees to withhold from such settlement (1) a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such State and its Subdivisions if they had participated in the Sun Settlement and been awarded its full portion of the Remediation Payment (the "Sun State Settlement CBF Assessment") and (2) a Contingency Fee payment for subdivisions of 4.9% times the portion of the Remediation Payment that would have been due to such State if it had participated in the [Defendant] Settlement and been awarded its full portion of the Remediation Payment (the "Sun State Settlement CFF Assessment"). Sun's withholding of such funds protects the division of subdivision fees to all eligible Participating Subdivisions as set forth in IV.F.2 and shall not alter the pro-rata allocation of fees to these Participating Subdivisions under this Agreement.[4] If Sun settles with any Subdivision(s) in a Non-Settling State other than in connection with a statewide settlement that includes the relevant State after April 4, 2025, then Sun agrees to withhold from such settlement a Common Benefit Fund assessment, to be deposited in the Court Common Benefit Fund, of 7.5% times the portion of the Remediation Payment that would have been due to such Subdivision under this Agreement (the "Sun Subdivision CBF Assessment," and, along with the Sun State Settlement CBF Assessment, each an "Sun CBF Assessment").

[4] The withholding shall not impact the calculation of the total fees that may be due to Subdivision outside counsel under any applicable state allocation agreements or allocation statutes. The state allocation agreements or allocation statues shall in no way impact Sun's payments due under Exhibit R or M.

2. If (a) Sun settles with a Non-Settling State after April 4, 2025, (b) such settlement does not allow for the Subdivision(s) in such Non-Settling State to join the settlement, and (c) Sun later prevails in asserting that Released Claims of Primary Subdivisions in such Non-Settling State were released as a result of such settlement, Sun agrees to deposit the Sun State Settlement CBF Assessment in the Common Benefit Fund. Any Sun CBF Assessment is inclusive of any assessment related to such settlement that would be required by the Common Benefit Order. To the extent that Sun is required to pay any additional and/or separate assessment on such settlement as a result of the Common Benefit Order, the Sun CBF Assessment shall be reduced by the amount required to be paid pursuant to the Common Benefit Order.

III. MDL Direct Cost Fund

A. Subject to any adjustments as set forth below, the total MDL Direct Cost Fund to be paid by Sun shall be $96,075.47 to cover all necessary MDL costs, including the costs of mediation and the administration of this Fee Agreement. The funds shall be paid by Sun by the Payment Date in accordance with the amounts set forth on Exhibit M.

1. It is the intention of the Parties that the MDL Direct Cost Fund shall be administered by the Cost Fund and Expense Fund Administrator (MDL Docket No. 3828), who will be governed by the provisions of this Agreement and shall design the process and procedures for the allocation of costs pursuant to this Agreement and the MDL Court's Order.

2. The costs of the Cost and Expense Fund Administrator shall be paid from the MDL Direct Cost Fund, including any interest or return therein, to fairly charge the fund the costs incurred in implementing and supervising the fund.

3. At the conclusion of the Sun settlement process, any funds not allocated by the Cost and Expense Fund Administrator in the MDL Direct Cost Fund (including any interest or return accrued therein) shall be transferred to the MDL Common Benefit Fund. Any shortfall in the MDL Direct Cost Fund may be transferred to the MDL Direct Cost Fund from the Attorney Fee Fund as the Cost and Expense Fund Administrator deems necessary. For the avoidance of doubt, Sun shall have no obligation to cover any costs, fees, or other amounts under this Fee Agreement in excess of the Maximum Exhibit R Attorney Fee and Cost Funds listed in Exhibit M.

Payment Date	Maximum Exhibit R Cost Funds
July 25, 2025	$96,075.47

IV. Attorney Fee Fund

A. The total Attorney Fee Fund to be paid by Sun shall be $3,746,943.25, subject to any adjustments as set forth above and below. The funds shall be paid by Sun by each Payment Date in accordance with the amounts set forth herein:

Payment Date	Maximum Exhibit R Attorney Fee
July 25, 2025	$3,746,943.25

B. The Attorney Fee Fund shall consist of the Contingency Fee Fund and the Common Benefit Fund.

1. It is the intention of the Parties that the Contingency Fee Fund and the Common Benefit Fund shall be administered by the Fee Panel (MDL Docket No. 3828), which will be governed by the provisions of this Fee Agreement and shall design the process and procedures for the allocation of fees pursuant to this Fee Agreement and the MDL Court's Order.

C. The fees to be paid under this Fee Agreement are available for Attorneys engaged in Qualifying Representations and Qualified Tribal Representations only. Fees to be paid under this Fee Agreement are not available prior to the Effective Date of the Sun Agreement if the Sun Agreement does not proceed past Sun 's determination in subsection VIII of the Sun Agreement. Fees to be paid under this Fee Agreement are not available for representation of States, Non-Participating Subdivisions or Non-Litigating Subdivisions and are not available for representation of private hospitals, third-party payors, NAS claimants, personal injury/wrongful death claimants, or any entity other than Participating Litigating Subdivisions. In addition, fees under this Fee Agreement are not available for representation of any individual or entity in matters other than claims against Released Entities, but may include a reasonable share of representations that involve development of facts for pursuit of opioid-related claims against multiple defendants in the pharmacy, manufacturing, and distribution chain.

D. *Attorney Fee Fund and Sub Funds.*

1. There shall be a split of the Attorney Fee Fund into the Contingency Fee Fund and the Common Benefit Fund. The split shall be 40% to the Contingency Fee Fund and 60% to the Common Benefit Fund.

2. In no event shall Sun be required to pay more into the Attorney Fee Fund and MDL Direct Cost Fund than the amount specified in subsection I.EEE of the Sun Agreement, namely $3,746,943.25, which amount also is reflected in Exhibit M to the Sun Agreement. The amounts allocated to the Contingency Fund and the Common Benefit Fund shall be subject to the reductions and refunds set forth above and below.

3. Awards of fees from the Contingency Fee Fund shall be available to Attorneys with Qualifying Representations of Participating Litigating Subdivisions eligible to receive an allocation under the Sun Agreement, as set forth in Exhibit G to the Sun Agreement, and shall be made applying the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement. The collection of the data and calculations for the mathematical model has been a cooperative effort among private counsel for a large number of Litigating Subdivisions. The analysis was spearheaded by Joseph Tann and Andrew Arnold. The Fee Panel is encouraged to continue working with those counsel in application of the model. The Fee Panel shall oversee the application of the model and resolve any questions or disputes concerning the eligibility of a Counsel to participate as required in subsection IV.G. The Panel is empowered to hear disputes concerning and ensure the accuracy of the mathematical calculation.

4. As to awards from the Contingency Fee Fund, there shall be no right of appeal.

5. Any appeal of an award of the Fee Panel from the Common Benefit Fund will be made to the MDL Court and be reviewed under an abuse of discretion standard.

E. *Common Benefit Fund (60% of the Attorney Fee Fund)*.

1. Funds in the Attorney Fee Fund shall be allocated to the Common Benefit Fund in the amount of $2,248,165.95 subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

2. The Common Benefit Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representation of Tribal Participating Governments who:

    a. have performed work for the Common Benefit of all Participating Subdivisions and/or Tribal Nations consistent with the provisions to the guidelines established by Judge Polster set forth in MDL 2804 and the May 1, 2018 Order, under docket number 358, which is incorporated herein by reference; and

    b. satisfy the eligibility criteria set forth in subsection IV.G.

3. For purposes of Common Benefit Fund distribution, Attorneys representing Tribal Nations litigating against Sun have also reached a settlement for Released Claims with Sun . This settlement shall be the subject of a separate agreement with Sun . Attorneys representing Tribal Nations are eligible for

Common Benefit consideration, provided such agreement with Sun becomes effective under its terms. Such Attorneys must meet the eligibility criteria in subsection IV.G.

4. For purposes of Common Benefit Fund distribution, MDL Participating Counsel not engaged in Qualifying Representations of Participating Litigating Subdivisions but who performed work for the Common Benefit pursuant to authorization from the MDL Co-Leads and meet the eligibility criteria in subsection IV.G shall be eligible.

5. The Common Benefit Fund shall be overseen by the Fee Panel, which shall determine the allocation of funds to eligible Attorneys consistent with this Fee Agreement, and the May 1, 2018 Order and any other applicable Orders of the MDL Court.

6. In assessing the benefits that an Applicant has conferred to Participating Subdivisions (including non-Litigating Subdivisions) and/or Tribes for purposes of any compensation decision, the Fee Panel shall give significant weight to the extent to which (i) the Applicant and his or her clients have contributed to increasing (or reducing) the Initial Participation in the Sun Agreement, and (ii) the Applicant and his or her clients have contributed to increasing (or reducing) the amounts achieved under Incentive Payments A-D through participation in the Sun Agreement, including the Sun Tribal Agreement. The Fee Panel may also consider additional fee recoveries the Applicant may have obtained or potentially could obtain, including, but not limited to, from attorney fee funds under other settlement agreements, State Back-Stop Agreements, representations of States or Tribal Nations, representations of other clients in opioids-related matters, or through the representation of Subdivision clients, whether they participated in the Sun Agreement or not. It is the intent of this provision to recognize that the goal of the Sun Agreement is to provide for maximum participation by the Subdivisions, maximum abatement funding for all Subdivisions nationally, and the maximum peace for Released Entities. Therefore, representing one or more Non-Participating States or Non-Participating Subdivisions does not further the goal of the Sun Agreement, and should not be considered Common Benefit because it does not increase funds available to Participating Subdivisions' abatement programs. Representing one or more Later Litigating States or Later Litigating Subdivisions is antithetical to the Sun Settlement and detracts from Common Benefit. The Fee Panel shall consider this concept of "common detriment" set forth in this paragraph in all of its decision making with respect to the allocation of the Attorney Fee Fund among Applicants, as well as, in its discretion, any offsets provided to Sun as set forth in subsection IV.H. The Fee Panel shall consider the totality of the Applicant's Participating Litigating Subdivisions as compared to the Applicant's Non-Participating Litigating Subdivisions; the Parties recognize that, although the goal is for 100% participation, Applicants with a greater number of clients have a greater

probability of having one or more Non-Participating Litigating Subdivisions. As used in this paragraph, "client" or "representing" a Subdivision shall include any Litigating Subdivision as to which the Applicant has a Fee Entitlement.

7. As set forth in Section IV.H, the Fee Panel must consider the factors described in IV.E.6 to determine how and whether to reduce the amounts to be paid by Sun under this Fee Agreement and to determine how to allocate funds among Applicants. They may also, at their discretion, consider other factors. Any reduction in payment obligation or credit to be given to Sun in this Fee Agreement shall be applied against the last Payment Year and then working backwards. Any reduction to an Applicant not credited to Sun shall be allocated to attorneys whose Litigating Subdivision clients participated in the settlement by the Initial Participation Date.

8. Sun's Common Benefit Fund payments under this Fee Agreement satisfy any assessments or withholdings for the Sun Agreement that are or could be required under the Common Benefit Order for Settling States and their Participating Subdivisions.

9. Pursuant to Ongoing Common Benefit Order of May 9, 2022, Docket 4428, the MDL PEC has established Common Benefit Fee Order requiring an assessment of 7.5% on the gross recovery (by judgment or settlement) of any Non-Participating Subdivision that is subject to the federal court jurisdiction, represented by a MDL PEC firm, represented by any Attorney receiving fees from the Common Benefit Fund, represented by any Attorney that signed a Participation Agreement or had been paid in a case otherwise under the jurisdiction of the MDL Court. Pursuant to section VII of that Order, as described in Section II.C above, each Defendant named in any case pending in the MDL is required to hold back the 7.5% common benefit percentage from all applicable judgments and settlements entered after the date of that Order and to deposit such amounts in into the Court Common Benefit Fund.

F. *Contingency Fee Fund (40% of the Attorney Fee Fund)*.

1. Funds from the Attorney Fee Fund shall be allocated to the Contingency Fee Fund in the amount of $1,498,777.30, subject to any adjustments as set forth above and below, and in no event shall it exceed that amount.

2. The Contingency Fee Fund shall be available to compensate Attorneys engaged in Qualifying Representations of Participating Litigating Subdivisions and Participating Tribal Governments that meet the criteria set forth in subsection IV.G. For the avoidance of doubt, the Contingency Fee Fund shall be available to Attorneys who represent Subdivisions that are Participating Subdivisions who filed a lawsuit against any opioid defendant as of December 31, 2024, in state or federal court, and meet the eligibility criteria of Section IV.G.

3. Participation in the Contingency Fee Fund by counsel that have a case that is not subject to the jurisdiction of the MDL Court shall not create, provide, or waive the objection to jurisdiction of the MDL Court over that Litigating Subdivision, that case or Attorneys, other than to oversee the fairness of the distribution process, and enforcement of this Fee Agreement. The amount owed by Sun to the Contingency Fee Fund shall be reduced to reflect the non-joinder of Litigating Subdivisions in Settling States by subtracting the amounts identified by the Fee Panel, pursuant to paragraph IV.H.7, that would have been owed to counsel for Non-Participating Litigating Subdivisions in Settling States had such Litigating Subdivisions been Participating Subdivisions.

5. In the event that Sun , prior to the Effective Date of the Agreement, settles with any Litigating Subdivision, that would have been eligible to participate in this Fee Agreement, and, under such settlement agreement pays attorneys' fees, the Fee Panel shall treat those Litigating Subdivisions as Participating Litigating Subdivisions and, applying the same criteria applicable to all Attorneys for Participating Litigating Subdivisions, determine what amount they would have been paid from the Contingency Fee Fund if they had become Participating Subdivisions under the Sun Agreement without such prior settlement. That sum, rather than being paid to the Attorney for the previously settling Litigating Subdivision, shall be credited and/or returned to Sun, except that the amount returned or credited shall not be greater than the amount paid to the Attorneys under the Litigating Subdivision's prior settlement agreement. All credits will be applied to the last Payment Year.

6. During the period between the Preliminary Agreement Date and the Effective Date, the MDL PEC, as well as Litigating Subdivisions' Attorneys, shall make best efforts to cease litigation activity against Sun , including by jointly seeking stays or severance of claims against Sun , where feasible, or postponements if a motion to stay or sever is not feasible or is denied, so long as such actions are not otherwise detrimental to the Litigating Subdivision.

G. *Eligibility.*

1. It is the intention of all parties participating in the Fee Panel process that there should be total transparency to the Fee Panel and to all fund participants. In connection with the process to be developed by the Fee Panel, any and all monies in attorney's fees received or awarded, including prior or future Contingency Fees, Common Benefit Fees, referral fees, expenses paid, promises for payment, or any other Fee Entitlement, to any Applicant in any opioid litigation shall be disclosed to the Fee Panel as a condition of participating in the Attorney Fee Fund and prior to an award from the Fee Panel. Any payment, expectation of payment or perceived entitlement to participate in a State Back-Stop Agreement or any other agreement reached with a Settling State or any Subdivision or any other source regarding payment of fees must be

disclosed to the Fee Panel. Similarly, any right to payment from any other fund, for example a fund for payment to lawyers representing Settling States or Tribal Nations or Subdivisions shall be disclosed to the Fee Panel. Because it is anticipated that there will be multiple firms listed on contingent fee agreements with Litigating Subdivisions, the Fee Panel shall establish procedures, with input from Attorneys for Participating Litigating Subdivisions, for who should petition for fees from such groups and to whom the fee shall be paid and thereafter distributed to co-counsel in accordance with applicable agreements. For the avoidance of doubt, all Attorneys that are part of such groups must meet the eligibility criteria in paragraph IV.G.3, must be subject to the criteria set forth in subsection IV.C, and must be disclosed to the Fee Panel.

2. An Applicant may apply for and recover attorneys' fees from the Common Benefit Fund, the Contingency Fee Fund, and any fund created by a past or future State Back-Stop Agreement, provided the Applicant satisfies the requirements relevant to each such fund and requirements for disclosure to the Fee Panel.

3. An Attorney may not receive any payment from the Attorney Fee Fund (which includes both the Contingency Fee Fund and the Common Benefit Fund) unless the following eligibility criteria are met and annually certified by the Attorney:

    a. The Attorney must expressly waive the enforcement against the Litigating Subdivision client of all Fee Entitlements (other than under State Back-Stop Agreements) arising out of or related to any or all Qualifying Representations of any Participating Litigating Subdivision prior to applying for attorneys' fees from the Attorney Fee Fund. All applications for attorneys' fees under this Fee Agreement shall include an affirmation by the Attorney of such waiver and notice to the client(s) of such waiver. Such waiver shall not preclude the Attorney from submitting such Fee Entitlements to the Fee Panel as a factor for consideration in allocating payments from the Attorney Fee Fund or in connection with a State Back-Stop Agreement. For the avoidance of doubt, no Attorney may recover fees under this Fee Agreement unless the Attorney expressly agrees not to enforce Fee Entitlements as to each and every Participating Litigating Subdivision represented by that Attorney, but such Attorneys may participate in and receive funds from a State Back-Stop Agreement.

    b. The Attorney must represent that s/he has no present intent to represent or participate in the representation of any Later Litigating Subdivision or Later Litigating State with respect to Released Claims against Released Entities.

    c. The Attorney must represent that s/he has not and will not engage in any advertising or solicitation related to Released Claims against Released

Entities where such advertising or solicitation relates to a representation of a Subdivision eligible to be a Participating Subdivision after the Reference Date, unless the Attorney is recommending participation in the Agreement.

d. The Attorney must represent s/he will not charge or accept any referral fees for any Released Claims brought against Released Entities by Later Litigating Subdivisions or Later Litigating States. This representation shall not prohibit Attorneys from receiving allocated shares of any future common benefit assessments arising out of settlements or judgments with Later Litigating Subdivisions or Later Litigating States that are the result of the MDL Court's Common Benefit order.

e. The Attorney may not have and must represent that s/he does not have a Fee Entitlement related to a Later Litigating Subdivision or Later Litigating State,, other than a potential Common Benefit Fee.

f. The Attorney must fully disclose the participation, or the anticipation of participation, in any agreement with a Settling State or Participating Subdivision concerning fees arising out of or related to the Sun Agreement, including any fees paid or anticipated to be paid or any State Back-Stop Agreement.

g. The Attorney must identify for the Fee Panel whether s/he utilized state litigation work product or MDL work product, including but not limited to ARCOS data, document repositories, experts developed in the MDL, trial transcripts, or deposition transcripts. The Attorney must identify whether s/he signed the MDL Participation Agreement.

h. Any Attorney who applies for fees from one or both Funds must represent that, having exercised his/her independent judgment, s/he believes the Sun Agreement to be fair and will make or has made best efforts to recommend both Agreements to his or her Subdivision clients in Settling States. For avoidance of doubt, each Attorney is expected to exercise his or her independent judgment in the best interest of each client individually before determining whether to recommend joining the settlement. All applications for attorneys' fees or costs under this subsection shall include an affirmation by the Attorney in compliance with the foregoing subparagraphs.

4. No Attorney receiving fees under this Fee Agreement may apply for or recover from the Attorney Fee Fund fees arising from representing a Non-Settling or Non-Participating Subdivision, provided, however, that this provision is not intended to prohibit Attorneys who do not represent or otherwise have a contractual agreement with such Non-Settling State or Non-Participating Subdivision from receiving allocated shares of any future common benefit assessments that arise out of settlements or judgments involving such Non-Settling State or Non-Participating Subdivision. All applications for attorneys' fees under this subsection shall include an affirmation by the Attorney of compliance with this Section.

5. An Attorney who has filed an application under this subsection and received an award of attorneys' fees shall provide a certification of compliance with the requirements of this Fee Agreement annually during the years upon which they are still entitled to receive attorneys' fee payments under this Agreement. This certification will be done as directed by the Fee Panel, which may be combined with certifications as to other settling opioid defendants for efficiency and at the Panel's discretion.

6. If, at any time, the Attorney is unable to make the representations set forth in this subsection, such representations become untrue, or the Attorney falsely represents compliance with the eligibility criteria, the Attorney shall cease to be eligible to receive funds from the Attorney Fee Fund until further review by the Fee Panel of the Attorney's eligibility under and compliance with this subsection.

   If an Attorney has a Fee Entitlement with a Later Litigating Subdivision or Later Litigating State or otherwise becomes unable to reaffirm compliance with the eligibility criteria set forth above, the Attorney shall notify the Fee Panel. For the avoidance of doubt, any Attorney who undertakes any new representation of, or has a Fee Entitlement with, a Later Litigating Subdivision or Later Litigating State shall be prohibited from receiving any future funds from the Attorney Fee Fund. If an Attorney fails to notify the Fee Panel of such Fee Entitlement with a Later Litigating Subdivision or Later Litigating State, the Attorney shall be required to refund amounts previously paid. The Fee Panel shall notify Sun when it receives notification.

7. In the event that an Attorney is deemed ineligible by the Fee Panel (whether based on its initial application or subsequent recertification), the Fee Panel shall provide notice to the Attorney and give the Attorney 30 days to provide additional information such that the Fee Panel could re-consider the Attorney's eligibility.

8. To the extent that an Attorney has a Fee Entitlement with a Participating Subdivision and is authorized to bring Released Claims against Released Entities, but such authorization is, in scope, less broad than the category of Released Claims set forth in the Sun Agreement, such Attorney may participate fully in both the Contingency Fee Fund and the Common Benefit Fund, without any reduction imposed by the Fee Panel due to the scope of the authorization, so long as the Participating Subdivision fully releases all Released Claims against Released Entities.

9. Attorneys applying to the Attorney Fee Fund knowingly and expressly agree to be bound by the decisions of the Fee Panel, subject to the limited appeal rights set forth in this Fee Agreement, and waive the ability to assert the lack of enforceability of the allocation reached through the procedures outlined herein.

10. Applicants are under an ongoing obligation to inform the Fee Panel in writing of any additional fees earned, expected, or received related to any Opioid litigation throughout the period of the Fee Panel's operation.

H. *Calculation of Amounts Due.*

1. The Fee Panel shall be solely responsible for determining the amount of fees to be paid to each Applicant. None of the Released Entities shall have any responsibility, obligation, or liability of any kind whatsoever with respect to how attorneys' fees are calculated under this subsection, except that the Fee Panel may receive information from Sun as to (a) the identity of Participating, Non-Participating, Litigating, Later Litigating, and Non-Litigating Subdivisions; (b) the impact of non-participation by a Litigating Subdivision as is relevant to the Fee Panel's determination in paragraph IV.E.6; and (c) such other information as Sun may voluntarily elect to provide.

2. The Fee Panel shall establish procedures for making determinations under this Fee Agreement consistent with this Fee Agreement and orders of the MDL Court. Such procedures may include submission of documentary and/or other evidence, interviews with Applicants and/or other counsel (including counsel for Sun) that the Fee Panel deems appropriate, and/or other means of creating a record upon which fee awards will be based.

3. In making determinations under this Fee Agreement, the Fee Panel must apply the eligibility criteria set forth in subsection IV.G of this Fee Agreement and the criteria set forth in paragraph IV.E.2. The Fee Panel shall ensure that payments are only made for Qualifying Representations of Participating Litigating Subdivisions and Qualified Tribal Representations. In addition, the Fee Panel will give consideration in regard to Common Benefit Fund awards to the *Johnson* factors, as well as the following factors (which factors may be applied and given relative weight in the Fee Panel's discretion):

a. The Applicant's contemporaneously recorded time and labor dedicated to Qualifying Representations along with the Applicant's financial commitment to such Qualifying Representations. Claimed "time" will not be automatically accepted by the Fee Panel but will be critically reviewed and given substantially more weight and consideration if such time was subject to the audit process described in any Pretrial Order(s) governing the collection of common benefit time;

b. The novelty, time, and complexity of the Qualifying Representations;

c. The skill requisite to perform legal services properly and undesirability of the case;

d. The preclusion of other employment by the Applicant due to time dedicated to Qualifying Representations;

e. The Common Benefit, if any, alleged to have been conferred by the Applicant and whether such Common Benefit work product by that Applicant was used by others in parallel litigations against Released Entities whether within or outside the MDL, provided that any Applicant claiming that s/he substantially benefited cases other than those in which s/he entered an appearance as counsel must substantiate such claims by proffering factual support, such as proper supporting affidavits or other documents as determined by the Fee Panel with input from Attorneys for Participating Litigating Subdivisions;

f. Any "common detriment," as set forth in paragraph IV.E.6.

g. Any contingent fee agreement or other Fee Entitlement with Participating Subdivisions, enforcement of which, except for State Back-Stop Agreements, are waived in conjunction with the application, the nature and extent of any work for those Participating Subdivisions, whether such Participating Subdivisions actively litigated and, if so, the nature and procedural history of such case(s);

h. The experience, reputation, and ability of the Applicant;

i. Whether the Applicant's clients brought Released Claims against Released Entities;

j. The status of discovery in cases primarily handled by the Applicant;

k. The nature of any work by the Applicant on "bellwether" cases or cases that were similarly active in litigation;

l. Any pressure points successfully asserted by the Applicant in cases against Sun or any risk for Sun created by the Applicant in cases against them;

m. Any risk for defendants created by Applicants in cases against Sun ;

n. Successful and unsuccessful motion practice in cases worked on by the Applicant;

o. The date of filing of any cases filed by the Applicant;

p. Obtaining consolidation of the litigation in the Applicant's jurisdiction;

q. The number and population of entities represented by the Applicant and the fees that would have been awarded under extinguished contingent fee arrangements;

r. Whether the Applicant's clients brought claims against Sun ;

s. Whether the Applicant has had a leadership role in the litigation, whether in state or federal court;

t. Whether the Applicant has had a leadership role in any negotiations aimed at resolving the litigation;

u. Whether the Applicant's cases have survived motions to dismiss;

v. The extent to which the Applicant contributed to the work product used for the common benefit of opioids litigants, including, without limitation, work on ARCOS data, Prescription Data Monitoring Programs, IQVIA data, depositions, document production and analysis experts, motions, briefs and pleadings, trial preparations, and trials;

w. The extent to which litigation was done prior to and contributed to completion of settlement negotiations, as distinct from litigation that was done litigating after the announcement of the Sun Agreement, such latter litigation both being of less value and potentially resulting a common detriment to the settlement process;

x. The extent to which an Applicant demonstrated a continued commitment of time and resources to MDL 2804 since July 1, 2023; and

y. Any other factors that the Fee Panel finds to be appropriate to consider after input from Applicants to the Attorney Fee Fund.

4. In the event that States and Subdivisions enter into an additional global settlement with a party or parties other than Sun that is (a) under the jurisdiction

of the MDL Court in MDL No. 2804, and (b) creates a separate common benefit fund to be administered by the Fee Panel, the Fee Panel may:

a. Consolidate the Common Benefit approval process to include evaluation of all Common Benefit Applications for all settlements entered which were not previously subject to a final common benefit award by the MDL Court;

b. Determine the fair and equitable allocation of the Aggregate Common Benefit Fees for such settlements, including consideration of beneficial or detrimental actions taken with respect to any Settling Defendant contributing to the Common Benefit Attorney Fee Fund;

c. Give consideration to the amount and timing of each settlement, including the amount and timing of Common Benefit Fees;

d. The Fee Panel shall abide by the applicable Attorney Fee Agreement in each of the Settlements in Allocating the Common Benefit Fees provided for in the Settlement; and

e. Be guided in their work by the Orders of the Court related to Fees and Costs.

5. The Fee Panel shall develop procedures for receiving a single application, which may be updated or amended based on new information (such as participation by additional Litigating Subdivisions) from each Applicant seeking compensation from each sub fund of the Attorney Fee Fund pursuant to processes and procedures developed by the Fee Panel, which shall not be inconsistent with this Fee Agreement. Any request for attorneys' fees not included on the single application or through the updating/amendment process designed by the Fee Panel shall be deemed waived. For purposes of transparency and to permit the Fee Panel to conduct its work, the application from each Applicant shall, at a minimum, require each Applicant to:

a. Identify all Litigating Subdivisions for which s/he is seeking payment from the Attorney Fee Fund;

b. Identify all Subdivisions in both Settling and Non-Settling States (and, where applicable, Tribal Nations) with respect to which s/he has a Fee Entitlement with respect to Relevant Claims against Released Entities, and identify all co-counsel in such cases;

c. Identify which of those Subdivisions are Participating Subdivisions and which are not (with similar information for Tribal Nations, where applicable);

d. Specify the specific fund or funds within the Attorney Fee Fund from which the Attorney is seeking compensation;

e. Demonstrate his or her eligibility for compensation from the relevant sub funds within the Attorney Fee Fund pursuant to the criteria set forth for the relevant sub fund;

f. Identify any and all Fee Entitlements from representations of States, Tribal Nations, or other plaintiffs related to Released Claims against Released Entities or in opioids-related matters;

g. Notwithstanding "a-f" above, the Panel may consider a supplemental application if the Applicant shows good cause why circumstances exist that will lead to consideration for additional Common Benefit award. Examples would include, but are not limited to, an Applicant having Non-Participating Litigating Subdivision clients that subsequently become Participating Subdivisions, a Bar Date passes that increases participation or the Participation Tier, or an Allocation Agreement is reached.

6. With respect to the Common Benefit Fund, the Fee Panel shall (subject to any applicable MDL Court Order):

   a. Review the applications of all Applicants seeking compensation from the Common Benefit Fund, including determining eligibility for each Applicant as set forth in subsection IV.G.

   b. Using criteria set forth in subsections IV.E and IV.H, allocate amounts from the Common Benefit Fund to eligible Applicants. In making such allocations, the Panel shall apply the principles set forth in paragraph IV.E.6 and shall apply the principles set forth in paragraph IV.E to the amounts paid to Applicants with a Common Benefit Fee Entitlement and shall allocate any reduction in the payments specified in paragraph IV.E to the amounts paid to Applicants with a Common Fee Entitlement

   c. Reduce, on an annual basis, Sun 's payment obligations as set forth in paragraph IV.E. The Panel shall inform Sun , and the MDL PEC of all such amounts and adjust payment obligations accordingly.

7. With respect to the Contingency Fee Fund, the Fee Panel shall:

   a. Review the applications of all Attorneys seeking compensation from the Litigating Subdivision Fee Fund, including determining eligibility for each Attorney as set forth in subsection IV.G.

   b. Apply the mathematical model implemented in previous global settlements with defendants named in the multidistrict litigation in the Northern District of Ohio, *In re National Prescription Opiate Litigation*, No. 1:17-MD-2804 and consistent with the terms of this Fee Agreement.

c. Use such allocations to determine refund amounts owed to Sun from the Attorney Fee Fund, and inform Sun and the MDL PEC of all such adjustments.

8. To the extent that there is a dispute about the calculations of the Fee Panel related to the amounts that Sun is required to pay (including application of any reductions or offsets under this Fee Agreement), such disputes shall be presented to the Fee Panel and any disputed funds be paid into/held in escrow. The Fee Panel shall resolve such disputes expeditiously, with either Party having the right to seek review from the MDL Court.

9. For purposes of determination of fee or cost awards, allocations, reductions, and possible reversions under this Fee Agreement, unless specified otherwise a Subdivision will be considered a Non-Participating Subdivision if it is not a Participating Subdivision as of the deadline for the application for the fee at issue (or, if the determination does not involve a specific application, the date on which the record for such determination closes).

10. In the event that the Fee Panel, through the use of the above-referenced mathematical model, allocates funds from the Contingency Fee Fund for an Attorney based on a Qualifying Representation of a Participating Litigating Subdivision and that Subdivision is in a Settling State in which any Consent Judgment has not been approved, such funds shall be placed into escrow until the Consent Judgment is approved, after which time they shall be released.

I. *Miscellaneous.*

1. The Fee Panel shall charge an hourly rate approved by the Court. The pre-Effective Date costs associated with the Cost and Expense Fund Administrator shall be paid from funds in the MDL Direct Cost Fund, including any interest accrued therein. Post-Effective Date, the cost of the Fee Panel shall be charged against the applicable Fee Fund, and any interest accrued therein, based on allocation by the Fee Panel and shall not be otherwise funded by Sun .

2. The MDL PEC shall provide to Sun information they have that identifies Attorneys who represent Litigating Subdivisions who are not Participating Subdivisions and who have an obligation to pay a common benefit assessment, either due to the MDL Court's orders or pursuant to a Participation Agreement.

3. Participating Subdivisions agree to instruct their counsel to treat information, work product and expert materials as confidential under Rule 1.6 of the ABA Model Rules of Professional Conduct. Accordingly, an Attorney shall not share information or work product with, or experts or materials to, non-participants (other than the Attorney's own current clients or their lawyers, consultants, experts or other representatives or agents). However, nothing herein shall

prevent MDL Leadership or PEC Counsel from fulfilling their obligations in any MDL and the MDL Court Order.

V. Miscellaneous

A. *Termination*. If the Sun Agreement does not proceed past the Reference Date, whether because Sun determines not to proceed or for any other reason, this Fee Agreement shall be null and void, Sun shall not have any obligation to make any payments under this Fee Agreement other than Fee Panel costs advanced, and Sun and the PEC shall take such steps as are necessary to restore the *status quo ante*.

B. *MDL Court Consideration*. This Fee Agreement shall be attached as Exhibit R to the Sun Agreement. The MDL Court shall have no authority to increase the payments made by Sun related to fees and costs beyond the amounts described in this Fee Agreement and consistent with Exhibit M.

C. *Amendment*. Once the MDL Court has entered an order implementing this Fee Agreement or otherwise becomes final, this Fee Agreement can only be amended by (1) written agreement of Sun and the MDL PEC and (2) approval by the MDL Court.

D. *Jurisdiction and Enforcement*. The MDL Court shall have exclusive and ongoing jurisdiction over the enforcement and implementation of this Fee Agreement as set forth herein. The MDL PEC shall be the Authorized Party to enforce this Fee Agreement, as to the payment obligations of Sun as set forth in this subsection and as to Attorneys making application to the Funds under this Fee Agreement. Solely for purposes of assessing or allocating common benefit fees, the MDL Court will continue to have jurisdiction over the work product developed in the MDL Court by and under the direction of the MDL PEC with respect to claims against Sun , including data and documents, depositions, expert reports, briefs and pleadings; and the MDL Court's protective orders, management orders, and other decisions regarding such discovery and other work product, including but not limited to, conditions on its use, will continue in full force and effect. Nothing in this subsection authorizes the MDL Court to act contrary to this Agreement or provides the MDL Court with jurisdiction over the Sun Agreement.

Upon satisfaction of the conditions set forth in Sections II and VIII, this Agreement will be binding on the Settling States, Zydus, and the Participating Subdivisions. Released Claims also include all Claims against Released Entities asserted in any proceeding to be dismissed pursuant to the Agreement, whether or not such claims relate to Covered Conduct and/or Alleged Harms. The Parties intend that this term, "Released Claims," be interpreted broadly. This Agreement does not release Claims by private individuals. The inclusion of a specific reference to a type of entity in this definition shall not be construed as meaning that the entity is not a Subdivision. Each Settling State's Attorney General represents that he or she has obtained (or will obtain no later than the Initial Participation Date) the authority set forth in Section XI.G. In addition to being a Releasor as provided herein, a Participating Subdivision shall also provide the Subdivision Settlement Participation Form referenced in Section VIII providing for a release to the fullest extent of the Participating Subdivision's authority.

II. Participation by Eligible States and Condition to Preliminary Agreement

A. *Notice to Eligible States.* On May 26, 2025, this Agreement shall be distributed to all Eligible States. The Attorneys General of the Eligible States shall then have until June 25, 2025, to decide whether to become Settling States and notify the Enforcement Committee and Zydus of that decision. Eligible States that determine to become Settling States shall so notify Zydus and shall further commit to obtaining any necessary additional state releases prior to the Reference Date. This notice period may be extended by written agreement of Zydus and the Enforcement Committee.

B. *Condition to Preliminary Agreement*. Following the notice period set forth in Section II.A, Zydus shall have fourteen (14) calendar days to determine whether, in its sole discretion (based on any criteria or factors deemed relevant to Zydus), enough Eligible States have agreed to become Settling States to proceed with notice to Subdivisions as set forth in Section VIII. This period may be extended by written agreement of Zydus and the Enforcement Committee. If Zydus determines that this condition has been satisfied, and that notice to the Subdivisions should proceed, it will so notify the Settling States by providing notice to the Enforcement Committee. The date of such notice shall be the Preliminary Agreement Date. If Zydus determines that this condition has not been satisfied, this Agreement will have no further effect and all releases and other commitments or obligations contained herein will be void.

C. *Later Joinder by Eligible States*. After the Preliminary Agreement Date, an Eligible State may only become a Settling State with the consent of Zydus and the Enforcement Committee, provided that the Enforcement Committee may not withhold consent to an Eligible State's later joinder if the Eligible State agrees to join pursuant to the terms of this Agreement and the allocation set forth on Exhibit F. If an Eligible State becomes a Settling State more than thirty (30) calendar days after the Preliminary Agreement Date, but on or before the Reference Date, the Subdivisions in that Eligible State that become Participating Subdivisions within ninety (90) calendar days of the Eligible State becoming a Settling State shall be considered Initial Participating Subdivisions. An Eligible State may not become a Settling State after the Reference Date.

D. *Litigation Activity.* Following the Preliminary Agreement Date, Eligible States that determine to become Settling States shall make reasonable efforts to cease litigation activity against Zydus, including by jointly seeking stays or, where appropriate, severance of claim against Zydus, where feasible, and otherwise to minimize such activity by means of agreed deadline extensions and agreed postponement of depositions, document productions, and motion practice if a motion to stay or sever is not feasible or is denied.

III. Injunctive Relief

A. *Injunctive Relief.* As part of the Consent Judgment, the Parties agree to the injunctive relief terms attached in Exhibit P.

IV. Procedure for Segregated Account Deposits and Payments

A. On April 3, 2025, Zydus deposited into the Zydus Settlement Fund the amount of $16,998,947.12, which is the total amount of funds subject to this Agreement.

1. The interest earned from the deposit account holding the Remediation Amount shall be used, first, to pay for the Implementation Administrator, then to pay for the Implementation Administrator in the Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, and Sun Settlement Agreements, and finally to be transferred to the Settlement Fund to be used to pay for the Settlement Fund Administrator pursuant to Section VI.C.4.

B. By the Deposit Date, the Settlement Referee shall transfer from the Zydus Settlement Fund into two (2) separate segregated interest-bearing bank accounts it establishes: (a) the Private Attorney Fees amount; and (b) the Additional Remediation Amount. Zydus shall separately account for the interest earned on each of the three (3) accounts.

C. The Settlement Fund Referee shall provide proof to the Enforcement Committee of the deposits required by Section IV.E.1 by the Deposit Date. Zydus shall not remove any money from the segregated bank accounts, except as provided by Section IV.G and Section IV.I.

D. If an Eligible State joins the agreement pursuant to Section II.C and that joinder is after the Deposit Date, the Settlement Fund Referee shall deposit that Settling State's maximum Statewide Payment Amount, which is the Maximum Remediation Payment multiplied by the Settling State's State Allocation Percentage. Such deposit shall be within fifteen (15) days of the Settling State's joinder.

E. If the condition set forth in Section IX.B is met, the Settlement Referee shall:

1. Transfer into the Settlement Fund on the Payment Date (unless the Enforcement Committee specifies a later date) the Remediation Payment amount calculated by the Settlement Fund Administrator pursuant to Section V.C.2 from the segregated account. For the avoidance of doubt, this transfer includes any amounts that the Settlement Fund Administrator will place into the Settlement Fund Escrow pursuant to Section V.C.4.e.

a. The interest earned from the deposit account holding the Remediation Amount shall be used, first, to pay for the Implementation Administrator, then to pay for the Implementation Administrator in the

Alvogen, Amneal, Apotex, Hikma, Indivior, Mylan, and Sun Settlement Agreements, and finally to be transferred to the Settlement Fund to be used to pay for the Settlement Fund Administrator pursuant to Section VI.C.4.

2. Transfer into the relevant funds as directed by the Enforcement Committee, no later than the Payment Date (unless the Enforcement Committee specifies a later date) the amount in the segregated account holding the Private Attorney Fees (including all interest accrued on that account), minus any amounts not payable pursuant to the terms of Exhibit R, and the amount in the segregated account holding the Additional Remediation Amount (including all interest accrued on that account), minus the Additional Remediation Amount that would have been owed to Non-Settling States as calculated by multiplying the Additional Remediation Amount by the sum of allocations on Exhibit N for Non-Settling States.

F. The Remediation Payment transferred by the Settlement Referee into the Settlement Fund pursuant to Section IV.D.1 shall be disbursed by the Settlement Fund Administrator to each Settling State and to its Participating Subdivisions listed on Exhibit G pursuant to Section V.C.5 through Section V.C.8; provided, however, that for any Settling State where the Consent Judgment has not been entered as of the Effective Date, the funds allocable to that Settling State and its Participating Subdivisions listed on Exhibit G shall not be disbursed until ten (10) calendar days after the entry of the Consent Judgment in that Settling State.

G. Any amounts in the segregated accounts not subject to transfer pursuant to Section IV.D shall immediately revert to Zydus after the Settlement Referee makes the transfers required by Section IV.D.

H. Except for the interest earned on the payment amounts, any unearned Incentive Payment A amount in the Settlement Fund shall immediately revert to Zydus after the Incentive Payment A Catch-Up Date. This excess reflects Settling States who sought, but did not achieve, a Bar by the Incentive Payment A Catch-Up Date. Any amount in the Settlement Fund exceeding the payments described in Section V.C.3 shall immediately revert to Zydus after the Payment Date. This excess is Settling States' unearned Maximum Incentive Payment amounts.

I. In the event that, in accordance with the terms of Section IX.B, Zydus determines not to proceed with the Settlement, or the Settlement does not become effective for any other reason, the funds held in the segregated bank accounts shall immediately revert to Zydus.

V. Settlement Payment Calculation Process

A. *Settlement Fund.* All payments under this Section V shall be made into the Settlement Fund, except that, where specified, they shall be made into the Settlement Fund Escrow. The Settlement Fund shall be allocated and used only as specified in Section VI.

B. *Remediation Payment*

1. Zydus shall make one Remediation Payment comprised of both Base Payments and Incentive Payments as provided in Section IV.D.1.

2. In no instance shall Zydus's Remediation Payment obligations exceed the Adjusted Maximum Remediation Amount.

C. *Settlement Fund Payment Process*

1. To determine the Remediation Payment, the Settlement Fund Administrator shall use the data as of the Payment Calculation Date. Prior to the Effective Date, the Parties will include Exhibit L, which sets forth in detail the process for the Settlement Fund Administrator to obtain relevant data and for distributing funds to the Settling States and their Participating Subdivisions listed on Exhibit G consistent with the terms of this Agreement as quickly as practical.

2. On the Payment Calculation Date, the Settlement Fund Administrator shall determine the Remediation Payment, consistent with the provisions in Exhibit L, by determining the sum, for all Settling States, of the Base Payment amount, Incentive Payments A or BC amount to which each Settling State is entitled (or could in the future be entitled for states who notify Defendants of an intent to obtain a Bar by the Incentive Payment A Catch-Up Date)by applying the criteria under Section V.D and Section V.E;

3. On the Payment Calculation Date and Incentive Payment A Catch-Up Date, the Settlement Fund Administrator shall determine the Statewide Payment Amount for each Settling State, consistent with the provisions in Exhibit L, by determining, for each Settling State, the Base Payment amount (only on the Payment Calculation Date) and Incentive Payment amount to which the Settling State is entitled on that date by applying the criteria under Section V.D and Section V.E, after subtracting the portion of any Settlement Fund Administrator costs and fees owed out of funds from the Settlement Fund pursuant to Section VI.C.4.

4. No later than fifty (50) days prior to the Payment Date, the Settlement Fund Administrator shall give notice to Zydus, the Settling States, and the Enforcement Committee of the amount of the Remediation Payment, and/or the Statewide Payment Amount for each Settling State, following the determination described in Section V.C.2 and V.C.3, and the following timeline shall apply:

a. Within twenty-one (21) calendar days of the notice provided by the Settlement Fund Administrator, Zydus, any Settling State or the Enforcement Committee may dispute, in writing, the calculation of the Remediation Payment and/or the Statewide Payment Amount for a Settling State. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Zydus identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

b. Within twenty-one (21) calendar days of the sending of a written notice of dispute, any affected party may submit a response, in writing, to the Settlement Fund Administrator, the Enforcement Committee, any affected Settling State, and Zydus identifying the basis for disagreement with the notice of dispute.

c. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute. In the case of the Remediation Payment, Zydus shall pay the adjusted amount, collectively totaling the Remediation Payment, on the Payment Date.

d. If a written response to the written notice of dispute is timely sent to the Settlement Fund Administrator, the Settlement Fund Administrator shall notify Zydus, the Enforcement Committee, and any affected Settling State of the preliminary amount, which shall be the greater of the amount originally calculated by the Settlement Fund Administrator or the amount that would be consistent with the notice of dispute. In the case of the Remediation Payment, Zydus shall pay this preliminary amount, *provided, however,* that in no circumstances shall the preliminary amount to be paid be higher than the Maximum Remediation Payment.

e. The Settlement Fund Administrator shall place any disputed amount of the preliminary amount paid by Zydus into the Settlement Fund Escrow and shall disburse any undisputed amount to each Settling State and its Participating Subdivisions listed on Exhibit G pursuant to Section V.C.5.

5. If a Settling State informs the Settlement Fund Administrator that it and its Participating Subdivisions listed on Exhibit G have agreed on the amount of its Statewide Payment Amount, determined pursuant to Section V.C.3, to be distributed to the Settling State, among its separate types of funds (if applicable), and among its Participating Subdivisions listed on Exhibit G, the Settlement Fund Administrator shall disburse the Statewide Payment Amount pursuant to the consensus distribution amounts provided by the Settling State as quickly as practical. For a Settling State that does not so notify the Settlement Fund Administrator, the Settlement Fund Administrator shall allocate the Settling State's Statewide Payment Amount, pursuant to Section VI, among the separate types of funds for the Settling State (if applicable), and among its Participating Subdivisions listed on Exhibit G using the following procedures:

a. As soon as possible for each payment and following the determination described in Section V.C.3, the Settlement Fund Administrator shall give notice to the relevant Settling States and their Participating Subdivisions listed on Exhibit G of the amount to be received by each Settling State, the amount to be received by the separate types of funds for each Settling State (if applicable), and the amount to be received by each Participating Subdivision listed on Exhibit G for each Settling State.

b. Within twenty-one (21) days of the notice provided by the Settlement Fund Administrator, any Settling State or Participating Subdivision listed on Exhibit G may dispute, in writing, the calculation of the amount to be received by the relevant Settling State and/or its Participating Subdivision listed on Exhibit G. A dispute will be deemed invalid and disregarded if it challenges the allocations adopted by a State-Subdivision Agreement approved pursuant to the provisions of Exhibit O or by statute. Such disputing party must provide a written notice of dispute to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the nature of the dispute, the amount of money that is disputed, and the Settling State(s) affected.

c. Within twenty-one (21) days of the sending of a written notice of dispute, any affected Settling State or any affected Participating Subdivision may submit a response, in writing, to the Settlement Fund Administrator, any affected Settling State, and any affected Participating Subdivision identifying the basis for disagreement with the notice of dispute.

d. If no response is filed, the Settlement Fund Administrator shall adjust the amount calculated consistent with the written notice of dispute.

e. The Settlement Fund Administrator shall place any disputed amount into the Settlement Fund Escrow and shall disburse any undisputed amount to the Settling State and its Participating Subdivisions eligible for payment.

6. Disputes described in this subsection (other than those for which no response is filed under Sections V.C.4.c or V.C.5.d) shall be resolved in accordance with the terms of Section VII.F.

7. The Settlement Fund Administrator may combine the disbursements of the Remediation Payment with the disbursement of funds under other comparable opioid settlements. In determining when disbursements of the Remediation Payment will be made, the Settlement Fund Administrator may take into account the timeline for the availability of disbursements under other comparable opioid settlements.

8. For the avoidance of doubt, Subdivisions not listed on Exhibit G shall not receive an allocation from the Subdivision Fund and no provision of this Agreement shall be interpreted to create such an entitlement.

D. *Base Payments.*

1. Zydus shall make Base Payments into the Settlement Fund in an amount equal to forty percent (40%) of the Adjusted Maximum Remediation Payment. The maximum total for Base Payments is $5,943,687.80.

2. The Base Payment for any Settling State shall be the maximum total for Base Payments, $5,943,687.80, times the Settling State's State Allocation Percentage specified in Exhibit F.

E. *Incentive Payments.*

1. Settling States may earn Incentive Payments totaling up to a maximum of sixty percent (60%) of the Adjusted Maximum Remediation Payment, with the Incentive Payment amount depending on whether and the extent to which the criteria set forth below are met in each Settling State. The maximum total for Incentive Payments is $8,915,531.71.

2. A Settling State qualifies to receive an Incentive Payment in addition to its Base Payment if it meets the incentive eligibility requirements specified below. The maximum total Incentive Payment for any Settling State shall be no more than the maximum total for Incentive Payments, $8,915.531.71, times the Settling State's State Allocation Percentage specified in Exhibit F. Incentive Payments are state-specific, with the actual amount depending on whether and the extent to which the criteria set forth below are met in such Settling State.

3. The Incentive Payments shall be divided among two (2) categories, referred to as Incentive Payments A and BC. Incentive Payments A and BC will be due to Settling States on the Payment Date. The total amount of Incentive Payments due to Settling States shall be the sum of the Incentive Payments for which the individual Settling States are eligible under the criteria set forth below. The Incentive Payments shall be made with respect to a specific Settling State based on its eligibility under the criteria set forth below. For the avoidance of doubt, eligibility for Incentive Payments A and BC shall be determined on a Settling State-by-Settling State basis.

4. Incentive Payment A.

a. Incentive Payment A is mutually exclusive with Incentive Payment BC; if a Settling State receives Incentive Payment A in the Remediation Payment, such Settling State is not eligible for Incentive Payment BC.

b. Incentive Payment A shall be equal to sixty percent (60%) of the Adjusted Maximum Remediation Payment, provided all Settling States satisfy the requirements of Incentive Payment A. Incentive Payment A will be due to a Settling State as part of the Remediation Payment, and shall equal a total potential maximum of $8,915,531.71 if all Eligible States qualify for Incentive Payment A. Each Settling State's share of Incentive Payment A, *provided* that Settling State qualifies, shall equal the total maximum amount available for Incentive Payment A, $8,915,531.71, times the Settling State's State Allocation Percentage.

c. Qualification for Incentive Payment A is as follows: A Settling State qualifies for Incentive Payment A if, as of the Payment Calculation Date: (i) there is a Bar in that Settling State in full force and effect, (ii) the Released Claims of all of the following entities are released through the execution of Subdivision Settlement Participation Forms, or there is a Case-Specific Resolution against such entities: all Primary Subdivisions, Litigating Subdivisions, School Districts with a K-12 student enrollment of at least 25,000 or .10% of a Settling State's population, whichever is greater, Hospital Districts that have at least one hundred twenty-five (125) hospital beds in one or more hospitals rendering services in that district, and Primary Fire Districts; or (iii) a combination of the actions in clauses (i) and (ii) has achieved the same level of resolution of Subdivision Claims (*e.g.,* a Bar against future litigation combined with full joinder by Litigating Subdivisions). For the avoidance of doubt, subsection (iii) cannot be satisfied unless all Litigating Subdivisions are Participating Subdivisions or there is a Case-Specific Resolution against any such Subdivisions that are not Participating Subdivisions. Zydus and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Initial Participation Date.

d. If a Settling State intends to achieve Incentive A by a Bar in effect after the Payment Calculation date but before the Incentive A Catch-Up Date, the Settling State shall notify Zydus no later than 30 days before the Initial Participation Date. A Settling State who so notifies Zydus and does not qualify for Incentive Payment A as of the Payment Date but becomes eligible for Incentive Payment A as of the Incentive Payment A Catch-Up Date shall receive the payment that it would have received for Incentive Payment A (the "Incentive Payment A Catch-up Payment") on the Incentive Payment A Catch-Up Date. The Incentive Payment A Catch-up Payment shall be reduced by any amounts paid to the Settling State under Incentive Payment BC prior to the Settling State's eligibility for Incentive Payment A. A Settling State that does not qualify for Incentive Payment A as of the Incentive Payment A Catch-Up Date shall not be eligible for Incentive Payment A.

e. To the extent a Settling State asserts that existing legislation qualifies as a Bar, the Settling State shall provide notice to Zydus no later than 30 days before the Initial Participation Date. Zydus shall indicate before the Initial Participation Date whether existing legislation in a Settling State is sufficient to qualify as a Bar.

5. Incentive Payment BC.

a. Incentive Payment BC shall be available to Settling States that do not qualify for Incentive Payment A.

b. Incentive Payment BC shall be up to a maximum of sixty percent (60%) of the Settling State's share of the Remediation Payment. Incentive Payment BC will be due to a Settling State as part of the Remediation Payment. Incentive Payment BC shall equal a total potential maximum of $8,915,531.71 if all Eligible States qualify for Incentive Payment BC (and do not qualify for Incentive Payment A).

c. The maximum Incentive Payment BC for any Settling State shall be the maximum potential Incentive Payment BC, $8,915,531.71, times the Settling State's State Allocation Percentage specified in Exhibit F, provided such Settling State becomes eligible for Incentive Payment BC by the Payment Calculation Date.

d. The amount of Incentive Payment BC for which a Settling State is eligible shall be determined based on the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of all the Settling State's Incentive BC Subdivisions. The Settling State's Incentive BC Subdivisions are (i) all Litigating Subdivisions (including School Districts and Special Districts) and (ii) all Primary Subdivisions that have not sued Zydus as of the Initial Participation Date (collectively "*Incentive BC Subdivisions*").

e. The percentage of the Settling State's maximum Incentive Payment BC provided by Section V.E.5.c to which the Settling State is entitled shall be determined according to the table of Incentive BC payment levels below:

Participation Percentage of Incentive BC Eligible Subdivision Population[5]	**Incentive Payment BC Percentage**
Less than 85%	0%
85% or more but less than 86%	3.57%
86% or more but less than 87%	8.93%

[5] The "Participation Percentage of Incentive BC Eligible Subdivision Population" shall be determined by the aggregate population of the Settling State's Incentive BC Subdivisions that are Participating Subdivisions or have had their claims resolved through a Case-Specific Resolution, divided by the aggregate population of the Settling State's Incentive BC Subdivisions. In calculating the Settling State's population that resides in Incentive BC Subdivisions, the population of the Settling State's Incentive BC Subdivisions shall be the sum of the population of all Incentive BC Subdivisions in the Settling State, notwithstanding that persons may be included within the population of more than one Incentive BC Subdivision. An individual Subdivision shall not be included more than once in the numerator, and shall not be included more than once in the denominator, of the calculation regardless if it (or any of its officials) is named as multiple plaintiffs in the same lawsuit; provided, however, that for the avoidance of doubt, no Subdivision will be excluded from the numerator or denominator under this sentence unless a Subdivision otherwise counted in the denominator has the authority to release the Claims (consistent with Section X) of the Subdivision to be excluded.

87% or more but less than 88%	14.29%
88% or more but less than 89%	19.64%
89% or more but less than 90%	25%
90% or more but less than 91%	30.36%
91% or more but less than 92%	35.71%
92% or more but less than 93%	41.07%
93% or more but less than 94%	46.43%
94% or more but less than 95%	51.79%
95% or more but less than 96%	60.71%
96% or more but less than 97%	68.75%
97% or more but less than 98%	76.79%
98% or more but less than 99%	84.82%
99% or more but less than 100%	92.86%
100%	100%

f. The percentage of the available Incentive Payment BC amount for which a Settling State is eligible will be based on the Participation Percentage of Incentive BC Eligible Subdivision Population as of the Payment Calculation Date. If Incentive BC Eligible Subdivisions that have become Participating Subdivisions, or achieved Case-Specific Resolution status, collectively represent less than eighty-five percent (85%) of a Settling State's Incentive BC Eligible Subdivision population by the Payment Calculation Date, the Settling State shall not receive any Incentive Payment BC.

g. If there are no Incentive BC Eligible Subdivisions in a Settling State, and that Settling State is otherwise eligible for Incentive Payment BC, that Settling State will receive its maximum Incentive Payment BC provided by Section V.E.5.c.

In no event shall any Settling State receive a Base Payment and Incentive Payment totaling more than one hundred percent (100%) of its respective State Allocation Percentage specified in Exhibit F times the Maximum Remediation Payment.

VI. Allocation and Use of Settlement Payments

A. *Components of Settlement Fund.* The Settlement Fund shall be funded by the Remediation Payment and comprised of a Remediation Accounts Fund, a State Fund, and a Subdivision Fund for each Settling State. The payments made under Section IV into the Settlement Fund shall be initially allocated among those three (3) sub-funds and distributed and used as provided below. Unless otherwise specified herein, payments placed into the Settlement Fund do not revert back to Zydus.

B. *Use of Settlement Payments.*

1. It is the intent of the Parties that the payments disbursed from the Settlement Fund to Settling States and Participating Subdivisions be for Opioid Remediation, subject to exceptions that must be documented in accordance with Section VI.B.2. In no event may less than ninety-five percent (95%) of Zydus's maximum amount of payments pursuant to Section V be spent on Opioid Remediation.

2. While disfavored by the Parties, a Settling State or a Participating Subdivision set forth on Exhibit G may use monies from the Settlement Fund (that have not been restricted by this Agreement solely to future Opioid Remediation) for purposes that do not qualify as Opioid Remediation. If, at any time, a Settling State or a Participating Subdivision set forth on Exhibit G uses any monies from the Settlement Fund for a purpose that does not qualify as Opioid Remediation, such Settling State or Participating Subdivision set forth on Exhibit G shall identify such amounts and report to the Settlement Fund Administrator and Zydus how such funds were used, including if used to pay attorneys' fees, investigation costs, litigation costs, or costs related to the operation and enforcement of this Agreement, respectively. It is the intent of the Parties that the reporting under this Section VI.B.2 shall be available to the public. For the avoidance of doubt, (a) any amounts not identified under this Section VI.B.2 as used to pay attorneys' fees, investigation costs, or litigation costs shall be included in the Compensatory Restitution Amount for purposes of Section VI.F and (b) Participating Subdivisions not listed on Exhibit G may only use monies from the Settlement Fund for purposes that qualify as Opioid Remediation.

C. *Allocation of Settlement Fund.* The allocation of the Settlement Fund allows for different approaches to be taken in different states, such as through a State-Subdivision Agreement. Given the uniqueness of Settling States and their Subdivisions, Settling States and their Subdivisions are encouraged to enter into State-Subdivision Agreements in order to direct the allocation of their portion of the Settlement Fund. As set out below, the Settlement Fund Administrator will make an initial allocation to three (3) state-level sub-funds. The Settlement Fund Administrator will then, for each Settling State and its Participating Subdivisions, apply the terms of this Agreement and any relevant

State-Subdivision Agreement, Statutory Trust, Allocation Statute, or voluntary redistribution of funds as set out below before disbursing the funds.

1. Base Payments. The Settlement Fund Administrator will allocate Base Payments under Section V.D among the Settling States pursuant to Section V.D.2. Base payments for each Settling State will then be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section VI.D.

2. Incentive Payments. The Settlement Fund Administrator will treat Incentive Payments under Section V.E on a state-specific basis. Incentive Payments for which a Settling State is eligible will be allocated fifteen percent (15%) to its State Fund, seventy percent (70%) to its Remediation Accounts Fund, and fifteen percent (15%) to its Subdivision Fund. Amounts may be reallocated and will be distributed as provided in Section VI.D.

3. Settlement Fund Administrator. Prior to the Effective Date, Zydus and the Enforcement Committee will agree to a detailed mechanism consistent with the foregoing for the Settlement Fund Administrator to follow in allocating, apportioning, and distributing payments, which shall then be appended hereto as Exhibit L.

4. Settlement Fund Administrator Costs. Any costs and fees associated with or arising out of the duties of the Settlement Fund Administrator as described in Exhibit L shall be paid from the interest accrued in the Settlement Fund Escrow and the Settlement Fund; provided, however, that if such accrued interest is insufficient to pay the entirety of any such costs and fees, the additional amount shall be paid out of the Settlement Fund. For the avoidance of doubt, nothing in this provision shall require Zydus to pay any costs, fees or other amounts in excess of the Global Settlement Amount.

D. *Settlement Fund Reallocation and Distribution*. As set forth below, within a particular Settling State's account, amounts contained in the Settlement Fund sub-funds may be reallocated and distributed per a State-Subdivision Agreement or other means. If the apportionment of amounts is not addressed and controlled under Section VI.D.1 and Section VI.D.2, then the default provisions of Section VI.D.4 apply. It is not necessary that a State-Subdivision Agreement or other means of allocating funds pursuant to Section VI.D.1 and Section VI.D.2 address all of the Settlement Fund sub-funds. For example, a Statutory Trust might only address disbursements from a Settling State's Remediation Accounts Fund.

1. Distribution by State-Subdivision Agreement. If a Settling State has a State-Subdivision Agreement, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be reallocated and distributed as provided by that agreement. Any State-Subdivision Agreement entered into after the Preliminary Agreement Date shall be applied only

if it requires: (a) that all amounts be used for Opioid Remediation, except as allowed by Section VI.B.2, and (b) that at least seventy percent (70%) of amounts be used solely for future Opioid Remediation.[6] For a State-Subdivision Agreement to be applied to the relevant portion of the Remediation Payment, notice must be provided to Zydus and the Settlement Fund Administrator by the Payment Calculation Date.

2. Distribution by Allocation Statute. If a Settling State has an Allocation Statute and/or a Statutory Trust that addresses allocation or distribution of amounts apportioned to such Settling State's State Fund, Remediation Accounts Fund, and/or Subdivision Fund and that, to the extent any or all such sub-funds are addressed, requires (1) all amounts to be used for Opioid Remediation, except as allowed by Section VI.B.2, and (2) at least seventy percent (70%) of all amounts to be used solely for future Opioid Remediation then, to the extent allocation or distribution is addressed, the amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be allocated and distributed as addressed and provided by the applicable Allocation Statute or Statutory Trust. For the avoidance of doubt, an Allocation Statute or Statutory Trust need not address all three (3) sub-funds that comprise the Settlement Fund, and if the applicable Allocation Statute or Statutory Trust does not address distribution of all or some of these three (3) sub-funds, the applicable Allocation Statute or Statutory Trust does not replace the default provisions described in Section VI of any such unaddressed fund. For example, if an Allocation Statute or Statutory Trust that meets the requirements of this Section VI.D.2 only addresses funds restricted to remediation, then the default provisions of this Agreement concerning allocation among the three (3) sub-funds comprising the Settlement Fund and the distribution of the State Fund and Subdivision Fund for that Settling State would still apply, while the distribution of the applicable State's Remediation Accounts Fund would be governed by the qualifying Allocation Statute or Statutory Trust.

3. Voluntary Redistribution. A Settling State may choose to reallocate all or a portion of its State Fund to its Remediation Accounts Fund. A Participating Subdivision included on Exhibit G may choose to reallocate all or a portion of its allocation from the Subdivision Fund to the Settling State's Remediation Accounts Fund or to another Participating Subdivision. The Settlement Fund Administrator is not required to honor a voluntary redistribution for which notice is provided to it after the Payment Calculation Date.

4. Distribution in the Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. If Section VI.D.1, Section VI.D.2, and Section VI.D.3 do not apply, amounts apportioned to that Settling State's State Fund, Remediation Accounts Fund, and Subdivision Fund under Section VI.C shall be distributed as follows:

[6] Future Opioid Remediation includes amounts paid to satisfy any future demand by another governmental entity to make a required reimbursement in connection with the past care and treatment of a person related to the Alleged Harms

a. Amounts apportioned to that Settling State's State Fund shall be distributed to that Settling State.

b. Amounts apportioned to that Settling State's Remediation Accounts Fund shall be distributed consistent with Section VI.E. Each Settling State shall submit to the Settlement Fund Administrator a designation of a lead state agency or other entity to serve as the single point of contact for that Settling State's funding requests from the Remediation Accounts Fund and other communications with the Settlement Fund Administrator. The designation of an individual entity is for administrative purposes only and such designation shall not limit funding to such entity or even require that such entity receive funds from this Agreement. The designated entity shall be the only entity authorized to request funds from the Settlement Fund Administrator to be disbursed from that Settling State's Remediation Accounts Fund. If a Settling State has established a Statutory Trust then that Settling State's single point of contact may direct the Settlement Fund Administrator to release the Settling State's Remediation Accounts Fund to the Statutory Trust.

c. Amounts apportioned to that Settling State's Subdivision Fund shall be distributed to Participating Subdivisions in that Settling State included on Exhibit G per the Subdivision Allocation Percentage listed in Exhibit G. Section VIII.H shall govern amounts that would otherwise be distributed to Non-Participating Subdivisions listed in Exhibit G. For the avoidance of doubt and notwithstanding any other provision in this Agreement, no Non-Participating Subdivision will directly receive any amount from the Settlement Fund, regardless of whether such Subdivision is included on Exhibit G.

d. Special Districts shall not be allocated funds from the Subdivision Fund, except through a voluntary redistribution allowed by Section VI.D.3 to Special Districts that are Participating Subdivisions. A Settling State may allocate funds from its State Fund or Remediation Accounts Fund for Special Districts that are Participating Subdivisions.

5. Restrictions on Distribution. No amounts may be distributed from the Subdivision Fund contrary to Section VIII, i.e., no amounts may be distributed directly to Non-Participating Subdivisions or to Later Participating Subdivisions to the extent such a distribution would violate Section VIII.E through Section VIII.G. Amounts allocated to the Subdivision Fund that cannot be distributed by virtue of the preceding sentence shall be distributed into the sub-account in the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement described in Section VI.D.1 or by an Allocation Statute or a Statutory Trust described in Section VI.D.2.

E. *Provisions Regarding the Remediation Accounts Fund.*

1. State-Subdivision Agreement, Allocation Statute, and Statutory Trust Fund Provisions. A State-Subdivision Agreement, Allocation Statute, or Statutory Trust may govern the operation and use of amounts in that Settling State's Remediation Accounts Fund so long as it complies with the requirements of Section VI.D.1 or Section VI.D.2, as applicable, and all direct payments to Subdivisions comply with Section VIII.E through Section VIII.G.

2. Absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust. In the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust that addresses distribution, the Remediation Accounts Fund will be used solely for future Opioid Remediation and the following shall apply with respect to a Settling State:

a. Regional Remediation.

(i) At least fifty percent (50%) of distributions for remediation from a Settling State's Remediation Accounts Fund shall be annually allocated and tracked to the regional level. A Settling State may allow the Advisory Committee established pursuant to Section VI.E.2.d to define its regions and assign regional allocations percentages. Otherwise, the Settling State shall (A) define its initial regions, which shall consist of one (1) or more General Purpose Subdivisions and which shall be designated by the state agency with primary responsibility for substance abuse disorder services employing, to the maximum extent practical, existing regions established in that Settling State for opioid abuse treatment or other public health purposes; (B) assign initial regional allocation percentages to the regions based on the Subdivision Allocation Percentages in Exhibit G and an assumption that all Subdivisions included on Exhibit G will become Participating Subdivisions.

(ii) This minimum regional expenditure percentage is calculated on the Settling State's initial Remediation Accounts Fund allocation and does not include any additional amounts a Settling State has directed to its Remediation Accounts Fund from its State Fund, or any other amounts directed to the fund. A Settling State may dedicate more than fifty percent (50%) of its Remediation Accounts Fund to the regional expenditure and may annually adjust the percentage of its Remediation Accounts Fund dedicated to regional expenditures as long as the percentage remains above the minimum amount.

(iii) The Settling State (A) has the authority to adjust the definition of the regions, and (B) may annually revise the percentages allocated to each region to reflect the number of General

Purpose Subdivisions in each region that are Non-Participating Subdivisions.

b. *Subdivision Block Grants.* Certain Subdivisions shall be eligible to receive regional allocation funds in the form of a block grant for future Opioid Remediation. A Participating Subdivision eligible for block grants is a county or parish (or in the case of Settling States that do not have counties or parishes that function as political subdivisions, a city) that (1) does not contain a Litigating Subdivision or a Later Litigating Subdivision for which it has the authority to end the litigation through a release, bar or other action; (2) either (i) has a population of 400,000 or more or (ii) in the case of California has a population of 750,000 or more; and (3) has funded or otherwise managed an established health care or treatment infrastructure (*e.g.,* health department or similar agency). Each Subdivision eligible to receive block grants shall be assigned its own region.

c. *Small Settling States.* Notwithstanding the provisions of Section VI.E.2.a, Settling States with populations under four (4) million that do not have existing regions described in Section VI.E.2.a shall not be required to establish regions. However, such a Settling State that contains one (1) or more Subdivisions eligible for block grants under Section VI.E.2.b shall be divided regionally so that each block-grant eligible Subdivision is a region, and the remainder of the state is a region.

d. *Advisory Committee.* The Settling State shall designate an Opioid Settlement Remediation Advisory Committee (the *"Advisory Committee"*) to provide input and recommendations regarding remediation spending from that Settling State's Remediation Accounts Fund. A Settling State may elect to use an existing advisory committee or similar entity (created outside of a State-Subdivision Agreement or Allocation Statute); *provided, however,* the Advisory Committee or similar entity shall meet the following requirements:

(i) Written guidelines that establish the formation and composition of the Advisory Committee, terms of service for members, contingency for removal or resignation of members, a schedule of meetings, and any other administrative details;

(ii) Composition that includes at least an equal number of local representatives as state representatives;

(iii) A process for receiving input from Subdivisions and other communities regarding how the opioid crisis is affecting their communities, their remediation needs, and proposals for remediation strategies and responses; and

(iv) A process by which Advisory Committee recommendations for expenditures for Opioid Remediation will be made to and considered by the appropriate state agencies.

3. Remediation Accounts Fund Reporting. The Settlement Fund Administrator shall track and assist in the report of remediation disbursements as agreed to between Zydus and the Enforcement Committee

F. *Nature of Payment*. Zydus, the Settling States, and the Participating Subdivisions each acknowledge and agree that notwithstanding anything to the contrary in this Agreement, including, but not limited to, the scope of the Released Claims:

1. They have entered into this Agreement to avoid the delay, expense, inconvenience, and uncertainty of further litigation;

2. (a) The Settling States and Participating Subdivisions sought compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i)) as damages for the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; (b) the Compensatory Restitution Amount is less than or equal to the amount, in the aggregate, of the Alleged Harms allegedly suffered by the Settling States and Participating Subdivisions; and (c) the portion of the Compensatory Restitution Amount received by each Settling State or Participating Subdivision is less than or equal to the amount of the Alleged Harms allegedly suffered by such Settling State or Participating Subdivision;

3. The payment of the Compensatory Restitution Amount by Zydus constitutes, and is paid for, compensatory restitution and remediation (within the meaning of 26 U.S.C. § 162(f)(2)(A) and 26 C.F.R. § 1.162-21(e)(4)(i), (ii)) for alleged damage or harm (as compensation for alleged damage or harm arising out of alleged bodily injury) allegedly caused by Zydus in order to restore, in whole or in part, the Settling States, Participating Subdivisions, and persons to the same position or condition that they would be in had the Settling States, Participating Subdivisions, and persons not suffered the Alleged Harms, and constitutes compensatory restitution and remediation for alleged damage or harm allegedly caused by the potential violation of a law; and

4. For the avoidance of doubt: (a) the entire Compensatory Restitution Amount is properly characterized as described in Section VI.F, (b) no portion of the Compensatory Restitution Amount represents reimbursement to any Settling State or Participating Subdivision or other person or entity for the fees or costs of any investigation or litigation, including without limitation attorneys' fees, (c) no portion of the Global Settlement Amount constitutes the disgorgement of any allegedly ill-gotten gains, and (d) no portion of the Global Settlement Amount is paid for, is in place of, or is properly characterized as the payment of any fine, penalty, punitive damages, or other punitive assessments.

VII. Enforcement

A. *Enforceability.* This Agreement is enforceable only by the Settling States and Zydus; *provided, however,* that Released Entities may enforce Section XI and Participating Subdivisions listed on Exhibit G have the enforcement rights described later in this paragraph and in Section VII.D. Except to the extent allowed by the Injunctive Relief Terms, Settling States and Participating Subdivisions shall not have enforcement rights against Zydus with respect to either the terms of this Agreement that apply only to or in other Settling States or any Consent Judgment entered into by another Settling State. Participating Subdivisions shall not have enforcement rights against Zydus with respect to this Agreement or any Consent Judgment except that Participating Subdivisions listed on Exhibit G shall have enforcement rights as set forth herein as to payments that would be allocated to the Participating Subdivisions or the Remediation Accounts Fund in such Settling State pursuant to Section V; *provided, however,* that each Settling State shall allow Participating Subdivisions in such Settling State to notify it of any perceived violations of this Agreement or the applicable Consent Judgment.

B. *Jurisdiction.* Zydus consents to the jurisdiction of the court in which each Settling State files its Consent Judgment, limited to resolution of disputes identified in Section VII.F.2 for resolution in that court.

C. *Specific Terms Dispute Resolution.*

1. Any dispute that is addressed by the provisions set forth in the Injunctive Relief Terms shall be resolved as provided therein.

D. *State-Subdivision Enforcement.*

1. A Subdivision shall not have enforcement rights against a Settling State in which it is located with respect to this Agreement or any Consent Judgment except that a Participating Subdivision listed on Exhibit G shall have enforcement rights (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust with respect to intrastate allocation or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that (i) the Settling State's use of Remediation Accounts Fund monies were not used for uses similar to or in the nature of those uses contained in Exhibit E; or (ii) a Settling State failed to pay funds directly from the Remediation Accounts Fund to a Participating Subdivision eligible to receive a block grant pursuant to Section VI.E.2.b.

2. A Settling State shall have enforcement rights against a Participating Subdivision located in its territory (a) as provided for in a State-Subdivision Agreement, Allocation Statute, or Statutory Trust; or (b) in the absence of a State-Subdivision Agreement, Allocation Statute, or Statutory Trust, to allegations that the Participating Subdivisions' uses of Remediation Accounts Fund monies were

not used for purposes similar to or in the nature of those uses contained in Exhibit E.

3. As between the Settling States and Participating Subdivisions, the above rights are contractual in nature and nothing herein is intended to limit, restrict, change or alter any other existing rights under law.

E. *Subdivision Zydus Payment Enforcement.* A Participating Subdivision listed on Exhibit G shall have the same right as a Settling State to seek resolution regarding the failure by Zydus to make its Remediation Payment.

F. *Other Terms Regarding Dispute Resolution.*

1. The parties to a dispute shall promptly meet and confer in good faith to resolve any dispute. If the parties cannot resolve the dispute informally, and unless otherwise agreed in writing, they shall follow the remaining provisions of this subsection to resolve the dispute.

2. Except to the extent provided by Section VII.C or Section VII.F.3, disputes not resolved informally shall be resolved in either the court that entered the relevant Consent Judgment or, if no such Consent Judgment was entered, a state or territorial court with jurisdiction located wherever the seat of the relevant state government is located.

a. State court proceedings shall be governed by the rules and procedures of the relevant forum.

b. For the avoidance of doubt, disputes to be resolved in state court include, but are not limited to, the following:

(i) disputes concerning whether expenditures qualify as Opioid Remediation;

(ii) disputes between a Settling State and its Participating Subdivisions as provided by Section VII.D, except to the extent the State-Subdivision Agreement provides for other dispute resolution mechanisms. For the avoidance of doubt, disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes;

(iii) whether this Agreement and relevant Consent Judgment are binding under state law;

(iv) the extent of the Attorney General's or other participating entity's authority under state law, including the extent of the authority to release claims;

(v) whether the definition of a Bar, a Case-Specific Resolution, Final Order, lead state agency as described in Section VI.D.4.b, Later Litigating Subdivision, Litigating Subdivision, or Threshold Motion have been met; and

(vi) all other disputes not specifically identified in Section VII.C or Section VII.F.3.

c. Any Party may request that the National Arbitration Panel provide an interpretation of any provision of the settlement that is relevant to the state court determination, and the National Arbitration Panel shall make reasonable best efforts to supply such interpretation within the earlier of thirty (30) calendar days or the time period required by the state court proceedings. Any Party may submit that interpretation to the state court to the extent permitted by, and for such weight provided by, the state court's rules and procedures. If requested by a Party, the National Arbitration Panel shall request that its interpretation be accepted in the form of an *amicus curiae* brief, and any attorneys' fees and costs for preparing any such filing shall be paid for by the requesting Party.

3. National Disputes involving a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, and/or Zydus shall be resolved by the National Arbitration Panel.

a. National Disputes are disputes that are not addressed by Section VII.C, and which are exceptions to Section VII.F.2's presumption of resolution in state courts because they involve issues of interpretation of terms contained in this Agreement applicable to all Settling States without reference to a particular state's law. Disputes between a Settling State and any Participating Subdivision shall not be considered National Disputes. National Disputes are limited to the following:

(i) the amount of offset and/or credit attributable to Non-Settling States;

(ii) issues involving the scope and definition of Product;

(iii) interpretation and application of the terms "Covered Conduct," "Released Entities," and "Released Claims;"

(iv) the failure by Zydus to pay the Remediation Payment or the Additional Remediation Amount, but for the avoidance of doubt, disputes between Zydus and a Settling State over the amounts owed only to that state that do not affect any other Settling State shall not be considered National Disputes;

(v) questions regarding the performance and/or removal of the Settlement Fund Administrator;

(vi) disputes involving liability of successor entities;

(vii) disputes that require a determination of the sufficiency of participation in order to qualify for Incentive Payments A or BC;

(viii) disputes involving a Releasor's compliance with, and the appropriate remedy under, Section XI.B.5.c;

(ix) disputes requiring the interpretation of Agreement terms that are national in scope or impact, which shall mean disputes requiring the interpretation of Agreement terms that (i) concretely affect four (4) or more Settling States; and (ii) do not turn on unique definitions and interpretations under state law; and

(x) any dispute subject to resolution under Section VII.F.2 but for which all parties to the dispute agree to arbitration before the National Arbitration Panel under the provisions of this Section VII.F.3.

b. The National Arbitration Panel shall be comprised of three (3) neutral arbitrators. One (1) arbitrator shall be chosen by Zydus, one (1) arbitrator shall be chosen by the Enforcement Committee with due input from Participating Subdivisions listed on Exhibit G, and the third arbitrator shall be agreed upon by the first two (2) arbitrators. The membership of the National Arbitration Panel is intended to remain constant throughout the term of this Agreement, but in the event that replacements are required, the retiring arbitrator shall be replaced by the party that selected him/her.

c. The National Arbitration Panel shall make reasonable best efforts to decide all matters within one hundred eighty (180) calendar days of filing, and in no event shall it take longer than one (1) year.

d. The National Arbitration Panel shall conduct all proceedings in a reasonably streamlined process consistent with an opportunity for the parties to be heard. Issues shall be resolved without the need for live witnesses where feasible and with a presumption in favor of remote participation to minimize the burdens on the parties.

e. To the extent allowed under state law, a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, and (at any party's request) the National Arbitration Panel may certify to an appropriate state court any question of state law. The National Arbitration Panel shall be bound by a final state court determination of such

a certified question. The time period for the arbitration shall be tolled during the course of the certification process.

f. The arbitrators will give due deference to any authoritative interpretation of state law, including any declaratory judgment or similar relief obtained by a Settling State, a Participating Subdivision that has enforcement rights pursuant to Section VII.A, or Zydus on a state law issue.

g. The decisions of the National Arbitration Panel shall be binding on Settling States, Participating Subdivisions, Zydus, and the Settlement Fund Administrator. In any proceeding before the National Arbitration Panel involving a dispute between a Settling State and Zydus whose resolution could prejudice the rights of a Participating Subdivision(s) in that Settling State, such Participating Subdivision(s) shall be allowed to file a statement of view in the proceeding.

h. Nothing herein shall be construed so as to limit or otherwise restrict a Settling State from seeking injunctive or other equitable relief in state court to protect the health, safety, or welfare of its citizens.

i. Each party shall bear its own costs in any arbitration or court proceeding arising under this Section VII. The costs for the arbitrators on the National Arbitration Panel shall be divided and paid equally by the disputing sides for each individual dispute, e.g., a dispute between Zydus and Settling States/Participating Subdivisions shall be split fifty percent (50%) by Zydus and fifty percent (50%) by the Settling States/Participating Subdivisions that are parties to the dispute; a dispute between a Settling State and a Participating Subdivision shall be split fifty percent (50%) by the Settling State that is party to the dispute and fifty percent (50%) by any Participating Subdivisions that are parties to the dispute. For the avoidance of doubt, Zydus shall not be responsible for the National Arbitration Panel costs in disputes that do not concern Zydus.

4. Prior to initiating an action to enforce pursuant to this Section VII.F, the complaining party must:

a. Provide written notice to the Enforcement Committee and Zydus of its complaint, including the provision of the Consent Judgment and/or Agreement that the practice appears to violate, as well as the basis for its interpretation of the disputed provision. The Enforcement Committee shall establish a reasonable process and timeline for obtaining additional information from the involved parties; *provided, however,* that the date the Enforcement Committee establishes for obtaining additional information from the parties shall not be more than forty-five (45) calendar days following the notice. The Enforcement Committee may advise the involved parties of its views on the complaint and/or seek to resolve the complaint informally.

b. Wait to commence any enforcement action until thirty (30) calendar days after the date that the Enforcement Committee establishes for obtaining additional information from the involved parties.

5. If the parties to a dispute cannot agree on the proper forum for resolution of the dispute under the provisions of Section VII.F.2 or Section VII.F.3, a committee comprising the Enforcement Committee and sufficient representatives of Zydus such that the members of the Enforcement Committee have a majority of one (1) member will determine the forum where the dispute will be initiated within twenty-eight (28) calendar days of receiving notification of the dispute relating to the proper forum. The forum identified by such committee shall be the sole forum for litigating the issue of which forum will hear the substantive dispute, and the committee's identification of such forum in the first instance shall not be entitled to deference by the forum selected.

G. *Lien or Encumbrance*. To the extent allowed by applicable law, this Settlement Agreement shall not be deemed to create a lien or encumbrance against any real property owned by Zydus or its affiliates, unless in the event of a default or breach of the payment provisions by Zydus. Nothing in this Section shall be construed to limit any remedy of any Settling State or Participating Subdivision in the event of a default or breach of this Agreement by Zydus.

H. *No Effect.* Nothing in this Agreement shall be interpreted to limit the Settling States' Civil Investigative Demand ("*CID*") or investigative subpoena authority, to the extent such authority exists under applicable state law and the CID or investigative subpoena is issued pursuant to such authority, and Zydus reserves all of its rights in connection with a CID or investigative subpoena issued pursuant to such authority.

VIII. Participation by Subdivisions

A. *Notice.* No later than fifteen (15) calendar days after the Preliminary Agreement Date, the Implementation Administrator shall send individual written notice (which may be delivered via e-mail or other electronic means and may be combined with distribution of the Subdivision Settlement Participation Form) of the opportunity to participate in this Agreement and the requirements of participation to all Subdivisions in the Settling States that are (1) Litigating Subdivisions or (2) Non-Litigating Subdivisions listed on Exhibit G. To the extent a Special District is entitled to an allocation for a direct payment through its inclusion in Exhibit G pursuant to a State-Subdivision Agreement, Allocation Statute, Statutory Trust, or voluntary redistribution, the Implementation Administrator, with the cooperation of the Settling States shall also send individual written notice (which may be delivered via e-mail or other electronic means) of the opportunity to participate in this Agreement and the requirements of participation to such Special Districts. Unless otherwise agreed by the Parties, the version of Exhibit G used for notice shall be the one in place as of the Preliminary Agreement Date. Notice (which may be delivered via e-mail or other electronic means) shall also be provided simultaneously to counsel of record for Litigating Subdivisions and known counsel for Non-Litigating Subdivisions and Special Districts listed on Exhibit G. The costs of the Implementation

Administrator shall be paid for by the interest earned from the deposit accounts holding the Adjusted Maximum Remediation Payment for Zydus, and nothing in this provision shall require Zydus to pay any costs, fees or other amounts in excess of the Global Settlement Amount. The Settling States, with the cooperation of Zydus, may also provide general notice reasonably calculated to alert Non-Litigating Subdivisions in the Settling States to this Agreement, the opportunity to participate in it, and the requirements for participation. Such notice may include publication and other standard forms of notification, as well as notice to state and county organizations such as the National Association of Counties and the National League of Cities. The notice will include that the deadline for becoming an Initial Participating Subdivision is the Initial Participation Date. Nothing contained herein shall preclude a Settling State from providing further notice to or otherwise contacting any of its Subdivisions about becoming a Participating Subdivision, including beginning any of the activities described in this paragraph prior to the Preliminary Agreement Date.

B. *Requirements for Becoming a Participating Subdivision—Non-Litigating Subdivisions.* A Non-Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) specifying (1) that the Subdivision agrees to the terms of this Agreement pertaining to Subdivisions, (2) that the Subdivision releases all Released Claims against all Released Entities, (3) that the Subdivision agrees to use monies it receives, if any, from the Settlement Fund pursuant to the applicable requirements of Section VI; *provided, however,* that Non-Litigating Subdivisions may only use monies originating from the Settlement Fund for purposes that qualify as Opioid Remediation, and (4) that the Subdivision submits to the jurisdiction of the court where the applicable Consent Judgment is filed for purposes limited to that court's role under this Agreement. The required Subdivision Settlement Participation Form is attached as Exhibit K.

C. *Requirements for Becoming a Participating Subdivision—Litigating Subdivisions.* A Litigating Subdivision in a Settling State may become a Participating Subdivision by returning an executed Subdivision Settlement Participation Form to the Implementation Administrator or Settlement Fund Administrator (which may be executed and returned by electronic means established by the Implementation Administrator or Settlement Fund Administrator) and upon prompt dismissal with prejudice of its lawsuit following the Reference Date or the date on which the conditions for effectiveness in Section IX.B have been met, whichever is later. A Settling State may require each Litigating Subdivision in that Settling State to specify on the Subdivision Settlement Participation Form whether its counsel has waived any contingency fee contract with that Participating Subdivision and whether, if eligible, it intends to seek fees pursuant to Exhibit R. The Settlement Fund Administrator shall provide reports of this information to the parties upon request. A Litigating Subdivision may not become a Participating Subdivision after the completion of opening statements in a trial of a lawsuit it brought that includes a Released Claim against a Released Entity.

D. *Initial Participating Subdivisions.* A Subdivision qualifies as an Initial Participating Subdivision if it meets the applicable requirements for becoming a Participating Subdivision set forth in Section VIII.B or Section VIII.C by the Initial Participation Date. All Subdivision Settlement Participation Forms shall be held in escrow by the Implementation Administrator until the Reference Date. If, for any reason, the Agreement does not become effective, all obligations created by such forms and releases in them shall be void *ab initio* and all Subdivision Settlement Participation Forms shall be returned to Counsel for Litigating Subdivisions or to the Subdivisions not represented by counsel or destroyed to the extent that such destruction is not prohibited by then existing document preservation obligations.

E. *Later Participating Subdivisions.* A Subdivision that is not an Initial Participating Subdivision may become a Later Participating Subdivision by meeting the applicable requirements for becoming a Participating Subdivision set forth in Section VIII.B or Section VIII.C after the Initial Participation Date but before the Payment Calculation Date and by agreeing to be subject to the terms of a State-Subdivision Agreement (if any) or any other structure adopted or applicable pursuant to Section VI.D or Section VI.E. Unless waived by Zydus, the following provisions govern what a Later Participating Subdivision can receive (but do not apply to Initial Participating Subdivisions):

1. A Later Participating Subdivision shall receive seventy-five percent (75%) of the share of the Base Payment or Incentive Payment that it would have received had it become an Initial Participating Subdivision.

2. A Later Participating Subdivision that had maintained a lawsuit for a Released Claim against a Released Entity and had judgment entered against it on any such Claim before it became a Participating Subdivision (other than consensual dismissal with prejudice) shall receive 50% of the share of future Base Payments and Incentive Payments that it would have received had it become a Participating Subdivision prior to such judgment; provided, however that if the Subdivision appeals the judgment and the judgment is affirmed with finality, the Subdivision shall not receive any share of any Base Payments or Incentive Payments, and shall return to Zydus any share of any Base Payments or Incentive Payments such Subdivision had already received.

3. A Later Participating Subdivision that becomes a Participating Subdivision while a Bar or Case-Specific Resolution involving a different Subdivision exists in its state shall receive twenty-five percent (25%) of the share of the Base Payment and Incentive Payment that it would have received if it had become an Initial Participating Subdivision.

F. *No Increase in Payments.* Amounts to be received by Later Participating Subdivisions shall not increase the payments due from Zydus.

G. *Non-Participating Subdivisions.* Non-Participating Subdivisions shall not directly receive any portion of the Remediation Payment, including from the State Fund

and direct distributions from the Remediation Accounts Fund; however, a Settling State may choose to fund future Opioid Remediation that indirectly benefits Non-Participating Subdivisions.

H. *Unpaid Allocations to Later Participating Subdivisions and Non-Participating Subdivisions.* Any Base Payment and Incentive Payment allocated pursuant to Section VI.D to a Later Participating Subdivision or Non-Participating Subdivision that cannot be paid pursuant to this Section VIII, including the amounts that remain unpaid after the reductions required by Section VIII.E., will be allocated to the Remediation Accounts Fund for the Settling State in which the Subdivision is located, unless those payments are redirected elsewhere by a State-Subdivision Agreement or by a Statutory Trust.

IX. Condition to Effectiveness of Agreement and Filing of Consent Judgment

A. *Determination to Proceed with Settlement. —Settling States*. Following the Initial Subdivision Participation Date, the Enforcement Committee shall determine whether to proceed with the Agreement on behalf of the Settling States, and the Settling States shall be bound by the determination of the Enforcement Committee. No later than fifteen (15) calendar days prior to the Reference Date, the Enforcement Committee shall provide notice to Zydus of its decision. If the Enforcement Committee elects not to proceed, this Agreement will have no further effect, and all releases (including those contained in Subdivision Settlement Participation Forms and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms) will be void. Within seven (7) calendar days of informing Zydus that there is sufficient participation to proceed, the Enforcement Committee will deliver all signatures and releases required by the Agreement to be provided by the Settling States to Zydus.

B. *Determination to Proceed with Settlement—Zydus*. If the Settling States elect to proceed, Zydus will then determine on or before the Reference Date whether there is sufficient Eligible State participation, sufficient Subdivision participation, and sufficient resolution of the Claims of the Litigating Subdivisions in the Settling States (through participation under Section VIII, Case-Specific Resolution(s) and Bar(s)) to proceed with this Agreement. The determination shall be in the sole discretion of Zydus and may be based on any criteria or factors deemed relevant by Zydus.

C. *Notice by Zydus.* On or before the Reference Date, Zydus shall inform the Settling States of its determination pursuant to Section IX.B. If Zydus determines to proceed, the Parties will proceed to file the Consent Judgments and the obligations in the Subdivision Settlement Participation Forms will be effective and binding as of the Reference Date. If Zydus determines not to proceed, this Agreement will have no further effect, any amounts deposited, including funds referenced in Section IV.D. and Exhibit M, shall revert to Zydus, and all releases (including those contained in Subdivision Settlement Participation Forms) and other commitments or obligations contained herein or in Subdivision Settlement Participation Forms will be void.

X. Settling State and Participating Subdivision Attorneys' Fees and Costs and Additional Remediation Amount

A. The Agreement on Subdivision Attorneys' Fees, Expenses and Costs is set forth in Exhibit R and incorporated herein by reference.

B. *Additional Remediation Amount*.

1. Subject to the reduction specified in Section X.B.2, Zydus shall pay an Additional Remediation Amount to the Settling States listed in Exhibit N. Such funds shall be paid as allocated by the Settlement Fund Administrator pursuant to Exhibit N.

2. *Reduction of Additional Remediation Amount*. The amounts owed by Zydus pursuant to this Section X.B shall be reduced by the allocations set forth on Exhibit N for Non-Settling States.

3. For the avoidance of doubt, (1) a Settling State that retained outside counsel in connection with the investigation of Zydus that receives an Additional Remediation Amount may choose to have the Additional Remediation Amount designated to pay the Settling State's outside counsel, and may instruct the Settlement Fund Administrator to pay those funds directly to the Settling State's outside counsel, and (2) Additional Remediation Amount funds, including funds designated by a Settling State to pay its outside counsel under this paragraph, shall not be subject to allocation as provided in Section VI.C through Section VI.E.

C. All payments addressed by this Section X will be made no later than the Payment Date pursuant to Section V.

XI. Release

A. *Scope.* As of the Effective Date, the Released Entities are hereby released and forever discharged from all of the Releasors' Released Claims. Each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby absolutely, unconditionally, and irrevocably covenants not to bring, file, or claim, or to cause, assist in bringing, or permit to be brought, filed, or claimed, or to otherwise seek to establish liability for any Released Claims against any Released Entity in any forum whatsoever. The releases provided for in this Agreement are intended by the Parties to be broad and shall be interpreted so as to give the Released Entities the broadest possible bar against any liability relating in any way to Released Claims and extend to the full extent of the power of each Settling State and its Attorney General to release claims. This Agreement shall be a complete bar to any Released Claim.

B. *Claim-Over and Non-Party Settlement*.

1. It is the intent of the Parties that:

a. Released Entities should not seek contribution or indemnification (other than pursuant to an insurance contract), from other parties for their payment obligations under this Agreement;

b. the payments made under this Agreement shall be the sole payments made by the Released Entities to the Releasors involving, arising out of, or related to Covered Conduct (or conduct that would be Covered Conduct if engaged in by a Released Entity);

c. Claims by Releasors against non-Parties should not result in additional payments by Released Entities, whether through contribution, indemnification or any other means; and

d. the Agreement meets the requirements of the Uniform Contribution Among Joint Tortfeasors Act and any similar state law or doctrine that reduces or discharges a released party's liability to any other parties.

2. The provisions of Section XI.B are intended to be implemented consistent with these principles. This Agreement and the releases and dismissals provided for herein are made in good faith.

3. No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory from a manufacturer, pharmacy, hospital, pharmacy benefit manager, health insurer, third-party vendor, trade association, distributor, or health care practitioner; provided that a Released Entity shall be relieved of this prohibition with respect to any entity that asserts a Claim-Over against it. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

4. To the extent that, on or after the Reference Date, any Releasor enters into a Non-Party Settlement, including in any bankruptcy case or through any plan of reorganization, the Releasor will include (or in the case of a Non-Party Settlement made in connection with a bankruptcy case, will cause the debtor to include), unless prohibited from doing so under applicable law, in the Non-Party Settlement a prohibition on contribution or indemnity of any kind substantially equivalent to that required from Zydus in Section XI.B.3, or a release from such Non-Released Entity in favor of the Released Entities (in a form equivalent to the releases contained in this Agreement) of any Claim-Over. The obligation to obtain the prohibition and/or release required by this subsection is a material term of this Agreement.

5. In the event that any Releasor obtains a judgment with respect to Non-Party Covered Conduct against a Non-Released Entity that does not contain a prohibition like that described in Section XI.B.3 or any Releasor files a Non-Party Covered Conduct Claim against a Non-Released Entity in bankruptcy or a Releasor is prevented for any reason from obtaining a prohibition/release in a Non-Party Settlement as provided in Section XI.B.3, and such Non-Released Entity asserts a Claim-Over against a Released Entity, the Released Entity shall be relieved of the prohibition in Section XI.B.3 with respect to that Non-Released Entity and that Releasor and Zydus shall take the following actions to ensure that the Released Entities do not pay more with respect to Covered Conduct to the Releasor or to Non-Released Entities than the amount owed under this Settlement Agreement by Zydus:

a. Zydus shall notify that Releasor of the Claim-Over within sixty (60) calendar days of the assertion of the Claim-Over or sixty (60) calendar days of the Effective Date of this Settlement Agreement, whichever is later;

b. Zydus and that Releasor shall meet and confer concerning the means to hold Released Entities harmless and ensure that Zydus is not required to pay more with respect to Covered Conduct than the amounts owed by Zydus to the Releasor under this Agreement;

c. The Releasor and Zydus shall take steps sufficient and permissible under the law of the state of the Releasor to hold Released Entities harmless from the Claim-Over and ensure Released Entities are not required to pay more with respect to Covered Conduct than the amounts owed by Zydus under this Agreement. Such steps may include, where permissible:

(i) Filing of motions to dismiss or such other appropriate motion by Zydus or Released Entities, and supported by Releasor, in response to any claim filed in litigation or arbitration;

(ii) Reduction of the Releasor's Claim and any judgment it has obtained or may obtain against such Non-Released Entity by whatever amount or percentage is necessary to extinguish such Claim-Over under applicable law, up to the amount the Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(iii) Placement into escrow of funds paid by the Non-Released Entities such that those funds are available to satisfy the Claim-Over;

(iv) Return of monies paid by Zydus to the Releasor under this Settlement Agreement to permit satisfaction of a

judgment against or settlement with the Non-Released Entity to satisfy the Claim-Over;

(v) Payment of monies to Zydus by the Releasor to ensure it is held harmless from such Claim-Over, up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity;

(vi) Credit to Zydus under this Agreement to reduce the overall amounts to be paid under the Agreement such that it is held harmless from the Claim-Over; and

(vii) Such other actions as the Releasor and Zydus may devise to hold Zydus harmless from the Claim-Over.

d. The actions of the Releasor and Zydus taken pursuant to paragraph (c) must, in combination, ensure Zydus is not required to pay more with respect to Covered Conduct than the amounts owed to the Releasor by Zydus under this Agreement.

e. In the event of any dispute over the sufficiency of the actions taken pursuant to paragraph (c), the Releasor and Zydus may seek review by the National Arbitration Panel, provided that, if the parties agree, such dispute may be heard by the state court where the relevant Consent Judgment was filed. The National Arbitration Panel shall have authority to require Releasor to implement a remedy that includes one or more of the actions specified in paragraph (c) sufficient to hold Released Entities fully harmless. In the event that the Panel's actions do not result in Released Entities being held fully harmless, Zydus shall have a claim for breach of this Agreement by Releasor, with the remedy being payment of sufficient funds to hold Zydus harmless from the Claim-Over up to the amount that Releasor has obtained, may obtain, or has authority to control from such Non-Released Entity. For the avoidance of doubt, the prior sentence does not limit or eliminate any other remedy that Zydus may have.

6. To the extent that the Claim-Over is based on a contractual indemnity, the obligations under Section XI.B.4 shall extend solely to a Non-Party Covered Conduct Claim against a pharmacy, clinic, hospital or other purchaser, distributor or dispenser of Products, a manufacturer that sold Products, a consultant, and/or a pharmacy benefit manager or other third-party payor. Zydus shall notify the Settling States, to the extent permitted by applicable law, in the event that any of these types of Non-Released Entities asserts a Claim-Over arising out of contractual indemnity against it.

C. *Indemnification and Contribution Prohibited.* No Released Entity shall seek to recover for amounts paid under this Agreement based on indemnification, contribution, or any other theory, from a manufacturer, pharmacy, hospital, pharmacy benefit manager,

health insurer, third-party vendor, trade association, distributor, or health care practitioner. For the avoidance of doubt, nothing herein shall prohibit a Released Entity from recovering amounts owed pursuant to insurance contracts.

D. *General Release.* In connection with the releases provided for in this Agreement, each Settling State (for itself and its Releasors) and Participating Subdivision expressly waives, releases, and forever discharges any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States or other jurisdiction, or principle of common law, which is similar, comparable, or equivalent to § 1542 of the California Civil Code, which reads:

> **General Release; extent.** A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that if known by him or her, would have materially affected his or her settlement with the debtor or released party.

A Releasor may hereafter discover facts other than or different from those which it knows, believes, or assumes to be true with respect to the Released Claims, but each Settling State (for itself and its Releasors) and Participating Subdivision (for itself and its Releasors) hereby expressly waives and fully, finally, and forever settles, releases and discharges, upon the Effective Date, any and all Released Claims that may exist as of such date but which Releasors do not know or suspect to exist, whether through ignorance, oversight, error, negligence or through no fault whatsoever, and which, if known, would materially affect the Settling States' decision to enter into this Agreement or the Participating Subdivisions' decision to participate in this Agreement.

E. *Assigned Interest Waiver.* To the extent that any Settling State has any direct or indirect interest in any rights of a third-party that is a debtor under the Bankruptcy Code as a result of a claim arising out of Covered Conduct by way of assignment or otherwise, including as a result of being the beneficiary of a trust or other distribution entity, to assert claims against Zydus (whether derivatively or otherwise), under any legal or equitable theory, including for indemnification, contribution, or subrogation, the Settling State waives the right to assert any such claim, or to receive a distribution or any benefit on account of such claim and such claim, distribution, or benefit shall be deemed assigned to Zydus.

F. *Res Judicata.* Nothing in this Agreement shall be deemed to reduce the scope of the res judicata or claim preclusive effect that the settlement memorialized in this Agreement, and/or any Consent Judgment or other judgment entered on this Agreement, gives rise to under applicable law.

G. *Representation and Warranty*. The signatories hereto on behalf of their respective Settling States and its Participating Subdivisions expressly represent and warrant that they will obtain on or before the Effective Date (or have obtained) the authority to settle and release, to the maximum extent of the State's power, all Released Claims of (1) their respective Settling States; (2) any of the respective Settling State's past and present

executive departments, state agencies, divisions, boards, commissions and instrumentalities with the regulatory authority to enforce state and federal controlled substances acts; (3) any of their respective Settling State's past and present executive departments, agencies, divisions, boards, commissions and instrumentalities that have the authority to bring Claims related to Covered Conduct seeking money (including abatement and/or remediation) or revocation of a pharmaceutical distribution license; and (4) any Participating Subdivisions. For the purposes of clause (3) above, executive departments, agencies, divisions, boards, commission, and instrumentalities are those that are under the executive authority or direct control of the State's Governor. Also, for the purposes of clause (3), a release from a State's Governor as set forth in Exhibit X is sufficient to demonstrate that the appropriate releases have been obtained.

H. *Effectiveness.* The releases set forth in this Agreement shall not be impacted in any way by any dispute that exists, has existed, or may later exist between or among the Releasors. Nor shall such releases be impacted in any way by any current or future law, regulation, ordinance, or court or agency order limiting, seizing, or controlling the distribution or use of the Settlement Fund or any portion thereof, or by the enactment of future laws, or by any seizure of the Settlement Fund or any portion thereof.

I. *Cooperation.* Releasors (1) will not encourage any person or entity to bring or maintain any Released Claim against any Released Entity and (2) will reasonably cooperate with and not oppose any effort by a Released Entity to secure the prompt dismissal of any and all Released Claims, including suits brought by non-Releasors based on Released Claims. Releasors will meet and confer and make reasonable efforts to resolve any action that is filed by a Subdivision against Zydus on or after the date the Preliminary Agreement Date. This provision shall not require a Settling State to make any monetary payment or adjustment to allocation or incur other obligation.

J. *Non-Released Claims.* Notwithstanding the foregoing or anything in the definition of Released Claims, the Agreement does not waive, release or limit any criminal liability, Claims for any outstanding liability under any tax or securities law, Claims against parties who are not Released Entities, Claims by private individuals, Claims for Medicaid rebates, Claims asserted, or that could be asserted, by any State or Subdivision, related to the causes of action in *In re: Generic Pharmaceuticals Pricing Antitrust Litigation*, in the United States District court for the District of Pennsylvania, MDL No. 2724; *Connecticut et al v. Aurobindo Pharma USA, Inc. et al.*, in the United States District Court for the District of Connecticut, Case No. 3:16-cv-2056-NPS; *Connecticut et al. v. Teva Pharmaceuticals USA, Inc.*, in the United States District Court for the District of Connecticut, Case No. 3:19-cv-710-NPS; *Connecticut et al v. Sandoz, Inc. et al.*, in the United States District Court for the District of Connecticut, Case No. 3:20-cv-802-NPS; and any related action (such excluded claims include, but are not limited to, all antitrust claims and any claims related to any non-opioid generic drugs), State false claim violations; Medicaid fraud or abuse claims (whether common law, statutory or otherwise) and/or kickback violations; and any claims arising under the Agreement for enforcement of the Agreement.

XII. Later Litigating Subdivisions

A. *Released Claims against Released Entities*. If a Later Litigating Subdivision in a Settling State maintains a lawsuit for a Released Claim against a Released Entity after the Reference Date, the following shall apply subject to Section XII.B:

1. The Released Entity shall take ordinary and reasonable measures to defend the action, including filing a Threshold Motion with respect to the Released Claim. The Released Entity shall further notify the Settling State and Settlement Fund Administrator immediately upon notice of a Later Litigating Subdivision bringing a lawsuit for a Released Claim and shall not oppose a Settling State's submission in support of the Threshold Motion. Zydus shall give the relevant Settling State a reasonable opportunity to extinguish the Released Claims without any payment or any other obligations being imposed upon any Released Entities (apart from the Global Settlement Amount payable by Zydus under the Agreement or the Injunctive Relief Terms incurred by it). The relevant Settling State and Zydus shall confer and use reasonable efforts to promptly resolve the lawsuit so that it is dismissed with prejudice. Nothing in this subsection creates an obligation for a Settling State to make a monetary payment or incur any other obligation to an entity filing a lawsuit.

2. "*Terms requiring payment*" shall mean (i) a final monetary judgment or (ii) a settlement; provided that the Released Entity sought the applicable State Attorney General's consent to the settlement and such consent was either obtained or unreasonably withheld. Should the judgment or settlement resolve claims that are not Released Claims, the offset shall be for the Released Claims portion only, which shall be distinguishable in the judgment or settlement.

B. *Exceptions*

1. Section XII.A shall not apply where the Settling State at issue meets the eligibility criteria for and is entitled to Incentive Payment A, except as expressly provided therein.

2. Section XII.A shall not apply where the Later Litigating Subdivision seeks less than $10 million, or so long as its total claim is reduced to less than $10 million, in the lawsuit for a Released Claim at issue.

C. *No Effect on Other Provisions.* An offset under Section XII.A shall not affect the Injunctive Relief Terms or the Consent Judgment.

D. *No Effect on Other States*. An offset under Section XII.A applicable to one State shall not affect the allocation or payment of the Remediation Payment to other Settling States.

E. *Litigating Subdivisions in Non-Eligible States.* The Settling States will not encourage, facilitate, or assist in any manner whatsoever claims for Covered Conduct against Zydus in any Settling, Non-Settling, or Non-Eligible State, regardless of whether those claims were filed against Zydus prior to, on, or after the Effective Date.

XIII. Miscellaneous

A. *Population of General Purpose Governments.* The population figures for General Purpose Governments shall be the published U.S. Census Bureau's population estimates for July 1, 2019, released May 2020. These population figures shall remain unchanged during the term of this Agreement.

B. *Population of Special Districts.* For any purpose in this Agreement in which the population of a Special District is used other than Section V.E.4.b: (a) School Districts' population will be measured by the number of students enrolled who are eligible under the Individuals with Disabilities Education Act *("IDEA")* or Section 504 of the Rehabilitation Act of 1973; (b) Health Districts' and Hospital Districts' population will be measured at twenty-five percent (25%) of discharges; and (c) all other Special Districts' (including Fire Districts' and Library Districts') population will be measured at ten percent (10%) of the population served.[7] For the avoidance of doubt, this means that California healthcare districts will be measured at ten percent (10%) of their membership. Zydus and the Enforcement Committee shall meet and confer in order to agree on data sources for purposes of this Section prior to the Preliminary Agreement Date.

C. *Population Associated with Sheriffs*. For any purpose in this Agreement in which the population associated with a lawsuit by a sheriff is used, the population will be measured at twenty percent (20%) of the capacity of the jail(s) operated by the sheriff.

D. *No Admission.* Zydus does not admit liability or wrongdoing. Neither this Agreement nor the Consent Judgments shall be considered, construed or represented to be (1) an admission, concession or evidence of liability or wrongdoing or (2) a waiver or any limitation of any defense otherwise available to Zydus.

E. *Tax Cooperation and Reporting.*

1. Upon request by Zydus, the Settling States and Participating Subdivisions agree to perform such further acts and to execute and deliver such further documents as may be reasonably necessary for Zydus to establish the statements set forth in Section VI.F to the satisfaction of their tax advisors, their independent financial auditors, the Internal Revenue Service, or any other governmental authority, including as contemplated by 26 C.F.R § 1.162-21(b)(3)(ii) and any subsequently proposed or finalized relevant regulations or administrative guidance.

[7] The estimates for counties and parishes were accessed at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-counties-total.html. The estimates for cities and towns can currently be found at https://www.census.gov/data/datasets/time-series/demo/popest/2010s-total-cities-and-towns.html.

2. Without limiting the generality of Section XIII.E.1, each Settling State and Participating Subdivision shall cooperate in good faith with Zydus with respect to any tax claim, dispute, investigation, audit, examination, contest, litigation, or other proceeding relating to this Agreement.

3. Pursuant to 26 C.F.R. § 1.6050X-1(a) and (b), the Designated State, on behalf of all Settling States and Participating Subdivisions, shall designate one of its officers or employees to act as the "appropriate official" within the meaning of 26 C.F.R. § 1.6050X-1(f)(1)(ii)(B) (the "Appropriate Official"). The Designated State shall direct and ensure that the Appropriate Official timely (a) files (i) at the time this Agreement becomes binding on the Parties, an IRS Form 1098-F in the form attached as Exhibit U with respect to Zydus and (ii) any legally required forms, returns or amended returns with any applicable governmental authority, or any returns requested by Zydus, and (b) provides to Zydus a copy of (i) the IRS Form 1098-F filed with respect to Zydus and (ii) any legally required written statement pursuant to any applicable law and any other document referred to in clause (a)(ii) above. Any such forms, returns, or statements shall be prepared and filed in a manner fully consistent with Section VI.F. and as set forth in Section XIII.E.4.

4. Any form, return, amended return, or written statement filed or provided pursuant to Section XIII.E.3, and any similar document, shall be prepared and filed in a manner consistent with reporting the Global Settlement Amount as the "Total amount to be paid" pursuant to this Agreement in Box 1 of IRS Form 1098-F and the Compensatory Restitution Amount as "Restitution/remediation amount" in Box 3 of IRS Form 1098-F, as reflected in the attached Exhibit U. If the Designated State or Appropriate Official shall be required to file any form, return, amended return, or written statement contemplated by this Section XIII.E other than an IRS Form 1098-F in the form attached as Exhibit U, the Designated State shall direct and ensure that the Appropriate Official provides to Zydus a draft of such form, return, amended return, or written statement no later than sixty (60) calendar days prior to the due date thereof, and shall accept any reasonable revisions from Zydus on the return, amended return, or written statement.

5. For the avoidance of doubt, neither Zydus nor the Settling States and Participating Subdivisions make any warranty or representation to any Settling State, Participating Subdivision, or Releasor as to the tax consequences of the payment of the Compensatory Restitution Amount (or any portion thereof).

F. *No Third-Party Beneficiaries.* Except as expressly provided in this Agreement, no portion of this Agreement shall provide any rights to, or be enforceable by, any person or entity that is not the Settling State or Released Entity. Settling States may not assign or otherwise convey any right to enforce any provision of this Agreement.

G. *Calculation.* Any figure or percentage referred to in this Agreement shall be carried to seven decimal places.

H. *Construction.* None of the Parties and no Participating Subdivision shall be considered to be the drafter of this Agreement or of any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement. The headings of the provisions of this Agreement are not binding and are for reference only and do not limit, expand, or otherwise affect the contents or meaning of this Agreement.

I. *Cooperation.* Each Party and each Participating Subdivision agrees to use its best efforts and to cooperate with the other Parties and Participating Subdivisions to cause this Agreement and the Consent Judgments to become effective, to obtain all necessary approvals, consents and authorizations, if any, and to execute all documents and to take such other action as may be appropriate in connection herewith. Consistent with the foregoing, each Party and each Participating Subdivision agrees that it will not directly or indirectly assist or encourage any challenge to this Agreement or any Consent Judgment by any other person, and will support the integrity and enforcement of the terms of this Agreement and the Consent Judgments.

J. *Entire Agreement.* This Agreement, including its exhibits and any other attachments, embodies the entire agreement and understanding between and among the Parties and Participating Subdivisions relating to the subject matter hereof and supersedes (1) all prior agreements and understandings relating to such subject matter, whether written or oral and (2) all purportedly contemporaneous oral agreements and understandings relating to such subject matter.

K. *Execution.* This Agreement may be executed in counterparts and by different signatories on separate counterparts, each of which shall be deemed an original, but all of which shall together be one and the same Agreement. One or more counterparts of this Agreement may be delivered by facsimile or electronic transmission with the intent that it or they shall constitute an original counterpart hereof. One or more counterparts of this Agreement may be signed by electronic signature.

L. *Good Faith and Voluntary Entry.* Each Party warrants and represents that it negotiated the terms of this Agreement in good faith. Each of the Parties and Participating Subdivisions warrants and represents that it freely and voluntarily entered into this Agreement without any degree of duress or compulsion. The Parties and Participating Subdivisions state that no promise of any kind or nature whatsoever (other than the written terms of this Agreement) was made to them to induce them to enter into this Agreement.

M. *Legal Obligations.* Nothing in this Agreement shall be construed as relieving Zydus of the obligation to comply with all state and federal laws, regulations or rules, nor shall any of the provisions herein be deemed to be permission to engage in any acts or practices prohibited by such laws, regulations, or rules.

N. *No Prevailing Party.* The Parties and Participating Subdivisions each agree that they are not the prevailing party in this action, for purposes of any claim for fees, costs, or expenses as prevailing parties arising under common law or under the terms of any

statute, because the Parties and Participating Subdivisions have reached a good faith settlement.

O. *Waive Challenge.* The Parties and Participating Subdivisions each further waive any right to challenge or contest the validity of this Agreement on any ground, including, without limitation, that any term is unconstitutional or is preempted by, or in conflict with, any current or future law. Nothing in the previous sentence shall modify, or be construed to conflict with, Section XIII.M.

P. *Non-Admissibility.* The settlement negotiations resulting in this Agreement have been undertaken by the Parties and by certain representatives of the Participating Subdivisions in good faith and for settlement purposes only, and no evidence of negotiations or discussions underlying this Agreement shall be offered or received in evidence in any action or proceeding for any purpose. This Agreement shall not be offered or received in evidence in any action or proceeding for any purpose other than in an action or proceeding arising under or relating to this Agreement or in any litigation or arbitration concerning Zydus's right to coverage under an insurance contract.

Any Party or the Plaintiffs' Executive Committee may change or add the contact information of the persons designated to receive notice on its behalf by notice given (effective upon the giving of such notice) as provided in this Section XIII.Q.

R. *No Waiver.* The waiver of any rights conferred hereunder shall be effective only if made by written instrument executed by the waiving Party or Parties. The waiver by any Party of any breach of this Agreement shall not be deemed to be or construed as a waiver of any other breach, whether prior, subsequent, or contemporaneous, nor shall such waiver be deemed to be or construed as a waiver by any other Party.

S. *Preservation of Privilege.* Nothing contained in this Agreement or any Consent Judgment, and no act required to be performed pursuant to this Agreement or any Consent Judgment, is intended to constitute, cause, or effect any waiver (in whole or in part) of any attorney-client privilege, work product protection, or common interest/joint defense privilege, and each Party and Participating Subdivision agrees that it shall not make or cause to be made in any forum any assertion to the contrary.

T. *Successors.*

1. This Agreement shall be binding upon, and inure to the benefit of, Zydus and its respective successors and assigns.

2. Zydus shall not, in one (1) transaction or a series of related transactions, sell or transfer U.S. assets having a fair market value equal to twenty-five percent (25%) or more of the consolidated assets of Zydus (other than sales or transfers of inventories, or sales or transfers to an entity owned directly or indirectly by Zydus) where the sale or transfer is announced after the Reference Date, is not for fair consideration, and would foreseeably and unreasonably jeopardize Zydus's ability to make the payments under this Agreement following the close of a sale or transfer transaction, unless Zydus obtains the acquiror's agreement that it will be either a guarantor of or successor to the percentage of Zydus's remaining Payment Obligations under this Agreement equal to the percentage of Zydus's consolidated assets being sold or transferred in such transaction. Percentages under this section shall be determined in accordance with United States generally accepted accounting principles and as of the date of Zydus's most recent publicly filed consolidated balance sheet prior to the date of entry into the sale or transfer agreement at issue. This Section XIII.T shall be enforceable solely by the Settling States, and any objection under this Section XIII.T not raised within sixty (60) calendar days of the announcement of the relevant transaction is waived.

U. *Modification, Amendment, Alteration.* In the event the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, or Zydus concludes prior to the Reference Date that technical corrections are required to this Agreement, the Plaintiffs' Executive Committee, the Executive Committee of the State Attorneys General, and Zydus shall meet and confer and make such amendments as they agree are appropriate. After the Reference Date, any modification, amendment, or alteration of this Agreement by the Parties shall be binding only if evidenced in writing signed by Zydus, along with

the signature of at least two-thirds of those then serving as Attorneys General of the Settling States along with a representation from each Attorney General that either: (1) the advisory committee or similar entity established or recognized by that Settling State (either pursuant to Section VI.E.2.d, by a State-Subdivision Agreement, or by statute) voted in favor of the modification, amendment or alteration of this Agreement including at least one member appointed by the Participating Subdivisions listed on Exhibit G; or (2) in Settling States without any advisory committee, that 50.1% (by population) of the Participating Subdivisions listed on Exhibit G expressed approval of the modification, amendment, or alteration of this Agreement in a writing.

V. *Termination.*

1. Unless otherwise agreed to by each of Zydus and the Settling States, this Agreement and all of its terms (except Section XIII.P and any other non-admissibility provisions, which shall continue in full force and effect) shall be canceled and terminated with respect to the Settling State, and the Agreement and all orders issued by the courts in the Settling State pursuant to the Agreement shall become null and void and of no effect if one or more of the following conditions applies:

a. a Consent Judgment approving this Agreement without modification of any of the Agreement's terms has not been entered as to a Settling State by a court of competent jurisdiction on or before one hundred eighty (180) calendar days after the Effective Date;

b. this Agreement or the Consent Judgment as to that Settling State has been disapproved by a court of competent jurisdiction to which it was presented for approval and/or entry (or, in the event of an appeal from or review of a decision of such a court to approve this Agreement and the Consent Judgment, by the court hearing such appeal or conducting such review), and the time to appeal from such disapproval has expired, or, in the event of an appeal from such disapproval, the appeal has been dismissed or the disapproval has been affirmed by the court of last resort to which such appeal has been taken and such dismissal or disapproval has become no longer subject to further appeal (including, without limitation, review by the United States Supreme Court); or

2. If this Agreement is terminated with respect to a Settling State and its Subdivisions for whatever reason pursuant to Section XIII.V.1, then:

a. an applicable statute of limitation or any similar time requirement (excluding any statute of repose) shall be tolled from the date the Settling State signed this Agreement until the later of the time permitted by applicable law or for one year from the date of such termination, with the effect that Zydus and the Settling State shall be in the same position with respect to the statute of limitation as they were at the time the Settling State filed its action; and

b. Zydus and the Settling State and its Participating Subdivisions shall jointly move the relevant court of competent jurisdiction for an order reinstating the actions and claims dismissed pursuant to the terms of this Agreement governing dismissal, with the effect that Zydus and the Settling State and its Participating Subdivisions shall be in the same position with respect to those actions and claims as they were at the time the action or claim was stayed or dismissed.

3. Unless Zydus and the Enforcement Committee agree otherwise, this Agreement, with the exception of the Injunctive Relief Terms that have their own provisions on duration, shall terminate as of May 15, 2027, provided that Zydus has performed its payment obligations under the Agreement as of that date. Notwithstanding any other provision in this Section XIII.V.3 or in this Agreement, all releases under this Agreement will remain effective despite any termination under this Section XIII.V.3.

W. *Governing Law.* Except as (1) otherwise provided in this Agreement or (2) as necessary, in the sole judgment of the National Arbitration Panel, to promote uniformity of interpretation for matters within the scope of the National Arbitration Panel's authority, this Agreement shall be governed by and interpreted in accordance with the respective laws of the Settling State, without regard to the conflict of law rules of such Settling State, that is seeking to enforce the Agreement against Zydus or against which Zydus is seeking enforcement. Notwithstanding any other provision in this subsection on governing law, any disputes relating to the Settlement Fund Escrow shall be governed by and interpreted in accordance with the law of the state where the escrow agent has its primary place of business.

X. *Bankruptcy.* The following provisions shall apply if Zydus enters bankruptcy and (i) the Zydus bankruptcy estate recovers, pursuant to 11 U.S.C. § 550, any payments made under this Agreement, or (ii) this Agreement is deemed executory and is rejected by Zydus pursuant to 11 U.S.C. § 365:

1. In the event that the both a number of Settling States equal to at least seventy-five percent (75%) of the total number of Settling States and Settling States having aggregate State Allocation Percentages as set forth on Exhibit F equal to at least seventy-five percent (75%) of the total aggregate State Allocation Percentages assigned to all Settling States deem (by written notice to Zydus) that the financial obligations of this Agreement have been terminated and rendered null and void (except as provided in Section XIII.X.1.a) due to a material breach by Zydus, whereupon:

a. all agreements, all concessions, all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall immediately and automatically be deemed null and void as to Zydus; the Settling States shall be deemed immediately and automatically restored to the same position they were in immediately prior to their entry into this Settlement Agreement in respect to Zydus and the Settling States

shall have the right to assert any and all claims against Zydus in the bankruptcy or otherwise without regard to any limits or agreements as to the amount of the settlement otherwise provided in this Agreement; *provided, however,* that notwithstanding the foregoing sentence, (i) all reductions of Releasing Parties' Claims, and all releases and covenants not to sue, contained in this Agreement shall remain in full force and effect as to all persons or entities other than Zydus itself; and (ii) in the event the Settling State asserts any Released Claim against Zydus after the rejection and/or termination of this Agreement as described in this Section XIII.X.1.a and receives a judgment, settlement or distribution arising from such Released Claim, then the amount of any payments the Settling State has previously received from Zydus under this Agreement shall be applied to reduce the amount of any such judgment, settlement or distribution (provided that no credit shall be given against any such judgment, settlement or distribution for any payment that the Settling State is required to disgorge or repay to Zydus's bankruptcy estate); and

b. the Settling States may exercise all rights provided under the federal Bankruptcy Code (or other applicable bankruptcy or non-bankruptcy law) with respect to their Claims against Zydus subject to all defenses and rights of the Zydus.

Y. *Waiver*. Zydus, for good and valuable consideration the receipt of which is acknowledged, hereby (a) waives, foregoes and relinquishes all rights to utilize and/or seek relief under any of the following laws of the State of Texas for the restructuring of its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement: Tex. Bus. Orgs. Code § 10.003 (Contents of Plan of Merger: More Than One Successor) or any other statute of Subchapter A of Chapter 10 of Tex. Bus. Orgs. Code to the extent such statute relates to multi-successor mergers (and/or any other similar laws or statutes in any other state or territory); Tex. Bus. Orgs. Code §§ 11.01–11.414 (Winding Up and Termination of Domestic Entity); or Tex. Bus. & Com. Code §§ 23.01–23.33 (Assignments for the Benefit of Creditors) (collectively, the "Texas Statutes"), and (b) agrees, warrants and represents that it will not file, request or petition for relief under the Texas Statutes related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement, in each case until such time as all of Zydus's payment obligations incurred hereunder are satisfied in full. The foregoing waiver and relinquishment includes, without limitation, until such time as all of Zydus's payment obligations incurred hereunder are satisfied in full, Zydus's rights to execute a divisional merger or equivalent transaction or restructuring related to its debts or liabilities related to Released Claims, Claims that would have been Released Claims if they had been brought by a Releasor against a Released Entity before the Effective Date, or this Agreement that in each case has the intent or foreseeable effect of (i) separating material assets from material liabilities and (ii) assigning or allocating all or a substantial portion of those liabilities to any subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code, or pursuant to which such subsidiary or affiliate that files for relief under chapter 11 of the Bankruptcy Code would be assuming or retaining all or a substantial portion of those liabilities.
