

MEMORANDUM

Agenda Item No. 8(O)(1)

TO: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

DATE: December 16, 2025

FROM: Geri Bonzon-Keenan
County Attorney

SUBJECT: Resolution ratifying action taken by the County Mayor related to the Miami-Dade Water and Sewer Department's Consent Decree And Capital Improvement Programs acceleration ordinance pursuant to section 2-8.2.12 of the Code, specifically approval of the award of the Non-Exclusive Professional Services Agreement for Project No. E24WS05 for Engineering Services for Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects – Including Injection, Production, Monitoring Wells, and Aquifer Storage and Recovery Wells to Black & Veatch Corporation, Agreement No. 24BLVE010, in an amount not to exceed \$16,500,000.00; and authorizing the County Mayor to exercise the provisions contained therein

Resolution No. R-1218-25

The accompanying resolution was prepared by the Water and Sewer Department and placed on the agenda at the request of Prime Sponsor Commissioner Oliver G. Gilbert, III.

Geri Bonzon-Keenan
County Attorney

MDC001

Memorandum

Date: December 16, 2025

To: Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Resolution Ratifying the Award of a Non-Exclusive Professional Services Agreement for Project No. E24WS05 to Black & Veatch Corporation for Engineering Services for Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects, Including Injection, Production, Monitoring Wells, and Aquifer Storage and Recovery Wells— Agreement No. 24BLVE010

Executive Summary

This item seeks ratification from the Board of County Commissioners (the Board) of the action taken by the County Mayor or County Mayor's designee approving a Non-Exclusive Professional Services Agreement No. 24BLVE010 (the Agreement), between Miami-Dade County (the County) and Black & Veatch Corporation (the Contractor). The Agreement was competitively solicited under Project No. E24WS05 for Engineering Services for Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects Including Injection, Production, Monitoring Wells, and Aquifer Storage and Recovery Wells. The total amount for the Agreement shall not to exceed \$16,500,000.00, inclusive of a 10% contingency allowance, for a contract term of six (6) years, with one (1) two (2) year option-to-renew.

As part of Miami-Dade Water and Sewer Department (WASD) \$8.6 billion Capital Improvement Program (CIP), this Agreement will deliver specialized hydrogeologic, hydrologic, and engineering services to support the design and development of injection wells, production wells, monitoring wells, and aquifer storage and recovery wells. These projects are essential to maintaining regulatory compliance, expanding alternative water supply and strengthening the County's resilience against climate impacts and future growth demands.

This Agreement will also support the completion of the Multi-Agency Science Plan (MASP) that is a part of the Settlement Agreement between the County and the State of Florida Department of Environmental Protection (FDEP) for OGC Case No. 20-1298 related to an exemption the County sought from a requirement by FDEP to provide high level disinfection (HLD) at WASD's CDWWTP. The Settlement Agreement was approved by the Board on September 3, 2025, through Resolution No. R-889-25, and the County has up to six (6) years to complete the MASP for FDEP submittal to support the HLD exemption at CDWWTP. If the County establishes that there is, in fact, sufficient pathogen micro-organism inactivation, it can seek removal of any HLD requirement in the permits for the CDWWTP. The elimination of this additional treatment will save the County approximately \$250,000,000 in construction, operation, and maintenance costs that would otherwise be required to implement HLD at the CDWWTP.

Recommendation

It is recommended that the Board ratify the action of the County Mayor or County Mayor's designee, as authorized under Section 2-8.2.12 of the Miami-Dade County Code related to WASD's Consent Decree and Capital Improvement Programs Acceleration Ordinance (WASD's Acceleration Ordinance), for the funded project identified below and on Exhibit A, as attached.

Scope

The Agreement will provide services throughout the County; therefore, the impact of this item is countywide in nature.

Delegation Of Authority

The Agreement was awarded pursuant Section 2-8.2.12 of the Miami-Dade County Code related to WASD's Acceleration Ordinance, which delegates authority to the County Mayor or County Mayor's designee to award certain projects, and, among other things, negotiate and settle claims, and execute change orders that do not exceed ten percent (10%) of the base contract amount, all subject to ratification by the Board.

Fiscal Impact/Funding Source

The fiscal impact to the County for this Agreement will be \$16,500,000.00 and will be funded out of WASD's Future Subordinate Debt, Future WASD Revenue Bonds, State Revolving Loan Wastewater Program, WASD Revenue Bonds Sold, WASD Subordinate Debt Sold, WIFIA Loan, Wastewater Connection Charges, Wastewater Infrastructure Fund – Special, Wastewater Renewal and Replacement Fund, and Wastewater Special Construction Fund. This Project is in WASD's Fiscal Year 2025-2026 Adopted Budget and Multi-Year Capital Plan, Program #962670 – Ocean Outfall Legislation, Volume #3, Page #106.

Track Record/Monitoring

WASD's Deputy Director of Planning, Regulatory Compliance and Capital Infrastructure, Marisela Aranguiz-Cueto, P.E., will oversee the implementation of this Agreement.

Due Diligence/Safety Information

Due diligence was conducted by WASD and the Strategic Procurement Department (SPD) in accordance with SPD's Procurement Guidelines to determine responsibility, including verifying corporate status; performance; compliance data. The lists that were reviewed include: convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federally excluded parties. There were no adverse findings related to the Consultants' responsibility. There were no adverse findings related to the Consultants' responsibility. This information is being provided pursuant to Resolution No. R-187-12.

Background

On September 3, 2014, the Board approved Ordinance No. 14-77 authorizing the County Mayor or County Mayor's designee to award contracts for funded capital projects and related goods and services, and to accelerate the approval of WASD's: (1) Consent Decree projects, and (2) projects identified in WASD Multi-Year Capital Plan's Capital Improvements Program without the need for prior Board approval but subject to ratification by the Board.

The Agreement is for engineering services related to comprehensive water resources projects. These projects, which include the design and development of injection, production, monitoring, and aquifer storage and recovery wells, are part of the WASD's \$8.6 billion CIP. They are essential for maintaining regulatory compliance, expanding alternative water supply, and strengthening the County's resilience against climate impacts and future growth demands. This Agreement will also support the completion of MASP that is a part of the Settlement Agreement between the County and FDEP for OGC Case No. 20-1298 related to an exemption the County sought from a requirement by FDEP to provide HLD at WASD's CDWWTP. The Settlement Agreement was approved by the Board on September 3, 2025, through Resolution No. R-889-25, and the County has up to six (6) years to complete the MASP for FDEP submittal to support the HLD exemption at CDWWTP.

The solicitation was issued on January 31, 2025, as a Notice to Professional Consultant under full and open competition. One (1) proposal was received by the submittal deadline of March 3, 2025. The award was made to Black & Veatch Corporation (Agreement No. 24BLVE010).

The single proposal received was found to be in compliance with the Small Business Development contract measures on April 2, 2025. Due diligence was conducted by WASD and the Strategic Procurement Department, which included reviewing lists for convicted, debarred, and suspended vendors, and no adverse findings were reported related to Black & Veatch Corporation responsibility

Exhibit A includes the details of the competitively bid award for which ratification is being requested and contains the information bulleted below for the Agreement award:

To: Jay J. Fink, P.E., Director
Water and Sewer Department

From: Frances G. Morris
Chief Financial Officer
Water and Sewer Department

Subject: Contract Award Recommendation for a Non-Exclusive Professional Services Agreement for Engineering Services for Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects Including Injection, Production, Monitoring Wells, and Aquifer Storage and Recovery Wells to Black & Veatch Corporation, Agreement No. 24BLVE010 – Project No. E24WS05

SUMMARY

The Miami-Dade Water and Sewer Department (WASD) is responsible for providing safe, reliable, and high-quality water and wastewater services to more than 2.8 million residents, visitors, and businesses in Miami-Dade County. As one of the largest water and wastewater utilities in the United States, WASD must continually maintain, renew, and expand its systems to ensure compliance with regulatory requirements and to support the County's continued growth and redevelopment.

To achieve this, WASD developed a Multi-Year Capital Improvement Program (CIP), which serves as a long-term plan for addressing gaining infrastructure, enhancing system resiliency, and ensuring that water and wastewater services remain efficient and dependable. The CIP encompasses a wide range of projects, including the rehabilitation and replacement of water and sewer pipelines, pump stations, treatment plants, and specialized water resource facilities.

As part of the effort, WASD requires hydrogeologic, hydrologic and engineering services to advance comprehensive water resources projects. These services are essential to the planning, design, permitting, construction, and operation of specialized facilities such as injection wells, production wells, monitoring wells, and aquifer storage and recovery wells. Such facilities are critical to meeting regulatory mandates, protecting the region's water supply, and implementing advanced water management strategies.

To support these needs, the County issued a competitive solicitation for Project No. E24WS05. Following the evaluation process, Black & Veatch Corporation is recommended to provide the required professional services under Non-Exclusive Professional Services Agreement No. 24BLVE010 (the Agreement).

RECOMMENDATION

It is recommended that the County Mayor or County Mayor's designee approve the Agreement with Black & Veatch Corporation to provide hydrogeologic, hydrologic and engineering services. The total compensation amount under the Agreement will not exceed \$16,500,000, which amount includes a ten percent (10%) contingency allowance, and the Agreement has a six (6) year term, with one (1) two (2) year option-to-renew.

DELEGATED AUTHORITY

Pursuant to the provisions of Section 2-8.2.12 of the County Code, the County Mayor or County Mayor's designee has the authority to execute, amend and terminate the Agreement, and to resolve disputes. Additionally, pursuant to the provisions of Sections 2-8.2.12 (4)(d) and (e) of the Code, the County Mayor or County Mayor's designee has the authority to amend and/or extend the Agreement to complete any unfinished work, waive liquidated damages, negotiate and settle claims, and execute change orders that do

not exceed ten percent (10%) of the base/alternate Agreement amount. Pursuant to Section 2-8.2.12 (7), all actions taken pursuant to Section 2-8.2.12 are subject to ratification by the Board of County Commissioners.

SCOPE

The Scope of Work represents a general outline of the anticipated services and may change or include other specific services as required, but is not limited to the following:

1. **Hydrogeologic/Hydrologic Consultant Services** - Perform hydrogeologic/geologic and hydrologic services, staffing support and consultation related to the WASD comprehensive water resources, including production wells and wellfield management, injection wells and aquifer storage and recovery wells which can include geochemical studies, reservoir studies, groundwater modeling, hydrologic modeling, modeling peer review, monitoring, testing, permitting, design, specialized hydrogeologic oversight during construction and other services as needed. Injection wells refer to Underground Injection Control (UIC) Class I or Class V Exploratory wells that are drilled into the Lower Floridan Aquifer including the Boulder Zone and Cretaceous formations beneath the Lower Floridan Aquifer. Assist WASD in preparing and responding to regulatory agencies including as needed supporting documentation.
2. **UIC Class V ASR and UIC Class I Injection Wells** - Based on future projected wastewater disposal and comprehensive water needs, the Consultant will provide hydrogeologic services to WASD by planning and optimizing use of current and future UIC Class I and Class V injection and ASR well systems in the County. Support includes meeting regulatory requirements for all UIC wells, including permit renewals, 5-year mechanical integrity testing, operation and maintenance updates, and rehabilitations, as necessary. Injection wells refer to UIC Class I or Class V Exploratory wells that are drilled into the Lower Floridan Aquifer including the Boulder Zone and Cretaceous formations beneath the Lower Floridan Aquifer.
3. **Production Wells** - Perform hydrogeological and engineering services for WASD for their existing wells and new production well locations in the Biscayne and Floridan aquifers based on future projected raw water supply needs including potable and stakeholder demands. Perform geochemical, contaminant and groundwater modeling services regarding wellfield issues including contaminant transport, groundwater flow, wellfield protection, and wellfield and aquifer optimizations. Perform asset management services as needed.
4. **Monitoring Wells** - Perform hydrogeological and engineering services for WASD with their existing wells and new monitoring well locations for various water quality and UIC monitoring programs, including asset management services. Monitoring wells refer to wells drilled into Biscayne and Floridan aquifers, or other aquifers for monitoring purposes.

PRIMARY COMMISSION DISTRICT/PROJECT LOCATION

Black & Veatch Corporation will be utilized throughout Miami-Dade County.

TRACK RECORD/MONITOR

The designated staff contact to track and monitor this Agreement is Contract Manager: Patty Palomo / 786-552-8040 / Patty.Palomo@miamidade.gov and Project Manager Virginia Walsh / 786-552-8266 / Virginia.Walsh@miamidade.gov.

All firms were evaluated in accordance with Section 2-10.4 of the County Code, Implementing Order 3-34 and Implementing Order 3-39.

PROCUREMENT HISTORY

On January 31, 2025, a Notice to Professional Consultant (NTPC) was issued under full and open competition. One (1) proposal was received by the submittal deadline of March 3, 2025. Because fewer than three (3) proposers were received in response to the solicitation, and in accordance with the requirements of the NTPC, Strategic Procurement Department (SPD) conducted market research. SPD recommended to proceed with the evaluation of the sole proposer. (See Attachment D: List of Respondents)

SBD completed its review of the SBE contract measures on April 2, 2025, and confirmed that the only proposal received was in compliance with the submittal requirements.
(See Attachment E: SBD Compliance Review)

Pursuant to County Resolution No. R-62-22, which amended Implementing Order 3-34, and became effective on July 11, 2022, the Competitive Selection Committee (CSC) was provided with all reports and findings of the Office of the Inspector General on April 23, 2025, regarding any Proposer and their proposed subconsultants for consideration while scoring in accordance with the applicable criteria identified in the solicitation. No reports were located by the Commission on Ethics and Public Trust.

At the First Tier "Evaluation of Qualifications" meeting held on May 8, 2025, the CSC reviewed and ranked the only proposal received in accordance with evaluation criteria outlined in the solicitation.
(See Attachment F: First Tier Tabulation Report)

Firm Name	Total & Adjusted Qualitative Scores	Total Adjusted Ordinal Scores	Ordinal Ranking	Final Ranking
Black & Veatch Corporation	475 385	4	1	1

The CSC recommended Black & Veatch Corporation to the County Mayor or the County Mayor's designee for approval to negotiate an agreement.

The Negotiation Team was approved by the County Mayor's designee on June 25, 2025. (See Attachment G: Report of Competitive Selection Committee). On July 15, 2025, the Negotiation Team held the first negotiation meeting with Black & Veatch Corporation and concluded negotiations on the same day.

VENDOR(S) RECOMMENDED FOR AWARD

The table below depicts a summary of the recommended prime consultant(s).

Vendor Name	Principal Address	Local Address	Number of Employee Residents*	Principal
			1) County 2) Percentage (%)	
Black &	2121 Ponce De Leon Blvd., Suite	2121 Ponce De Leon Blvd.,	10,720	Rafael E. Frias III
			1) 142	

Veatch Corporation	305, Coral Gables, FL 33134	Suite 305, Coral Gables, FL 33134	2) 13%	
--------------------	-----------------------------	-----------------------------------	--------	--

*Pursuant to R-1011-15, the percentage of employee residents is the percentage of the vendor's employees who reside in the County as compared to the vendor's total workforce.

DUE DILIGENCE

Pursuant to R-187-12, the SPD conducted due diligence in accordance with SPD's Procurement Guidelines to determine vendor responsibility including verifying corporate status and that no performance or compliance issues exist. The lists referenced included: Capital Improvements Information System (CIIS), Sunbiz, Tax Collector's Office, convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties list. Also examined as part of this due diligence: Florida Division of Business and Professional Regulation. There were no adverse findings relating to vendor responsibility.

A review of the County's CIIS showed that Black & Veatch Corporation has 51 evaluations with an average evaluation score of 3.9 out of a possible maximum score of 4.0. (See Attachment H: Contractor Evaluation Report)

A review of CIIS, managed by SPD), showed that Black & Veatch Corporation has been awarded two (2) contracts with the County within the last three (3) years from the proposal submittal date, with a total contract value of \$30,000,000. (See Attachment I: Firm Work History Report)

Memorandum

DATE: April 2, 2025

TO: Namita Uppal, Director,
Strategic Procurement Department

FROM: Laurie Johnson, Acting Director
The Office of Small Business Development 

SUBJECT: Compliance Review
Project No. E24WS05
Professional Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects Including Injection, Production, Monitoring Wells and Aquifer Storage and Recovery Wells

The Office of Small Business Development (SBD), has completed its review of the subject project for compliance with the Small Business Enterprise (SBE-A&E) program for Architectural and Engineering Services. The contract measure established for this project is a 12% SBE-A&E sub-consultant goal.

The Strategic Procurement Department submitted proposals that included the Certificate of Assurance for the firm(s) listed below acknowledging the 12% SBE-A&E sub-consultant goal. The referenced firm was required to submit the Utilization Plan (UP) identifying the SBE sub-consultants to fulfill the 12% SBE-A&E sub-consultant goal via the Business Management Workforce System (BMWS). Please find the results of SBD's compliance review below:

STATUS:

Black & Veatch Corporation

Compliant

SUMMARY:

Black & Veatch Corporation (#1), a non-certified SBE-A&E firm, submitted their Utilization Plan (UP) via the BMWS committing to utilize the following certified, SBE-A&E firms: Delta Consultants LLC to perform TC's 6.01 (Water Distribution and Sanitary Sewage Collection and Transmission) and 16.00 (General Civil Engineering) at 1.00%; HBC Engineering Company to perform TC's 6.01 (Water Distribution and Sanitary Sewage Collection and Transmission), 6.03 (Water and Sanitary Sewage Treatment Plants) and 16.00 (General Civil Engineering) at 9.50%; Longitude Surveyors, LLC to perform TC 15.01 (Surveying and Mapping – Land Surveying) at 1.00% and The Engineering Company, LLC to perform TC's 6.01 (Water Distribution and Sanitary Sewage Collection and Transmission), 6.03 (Water and Sanitary Sewage Treatment Plants) and 16.00 (General Civil Engineering) at 1.00% in satisfaction of the 12% SBE-A&E sub-consultant goal.

SBD verified that none of the referenced firms has an open violation on the Compliance Report of Open and Closed Small Business, Wage and/or Workforce Violations.

Please be reminded that SBD's review is specific to the SBE-A&E program. The Strategic Procurement Department is responsible for any other issues that may exist during the selection process.

Should you have any questions or need any additional information, please do not hesitate to contact Mr. Caesar Suarez, Capital Improvement Project Analyst at caesars@miamidade.gov or (305) 375-3141.

Memorandum

Date: June 17, 2025

To: Jay Fink, Director
Water and Sewer Department

Through: Namita Uppal, C.P.M.
Director and Chief procurement Officer
Strategic Procurement Department

From: Jorge Vital *Jorge Vital*
Competitive Selection Committee Coordinator

Subject: Report Of Competitive Selection Committee (CSC)
Water and Sewer Department (WASD)
Project Title: Hydrogeologic, Hydrologic and Engineering Services for
Comprehensive Water Resource Projects Including Injection, Production,
Monitoring Wells and Aquifer Storage and Recovery Wells
SPD Project No. E24WS05

The CSC has completed the evaluation of the proposal submitted in response to the referenced Strategic Procurement Department (SPD) solicitation and consistent with the guidelines published in the Notice to Professional Consultants (NTPC).

Scope of Services Summary: The scope of work includes professional hydrogeologic, hydrologic and engineering services to support WASD's existing and future growth of comprehensive water resource projects including wastewater injection, water supply production, alternative water supply, monitoring wells and aquifer storage and recovery (ASR) wells and water and carbon management in the context of sustainability and water resource management related to WASD's capital improvement needs identified on the Multi-Year Capital Improvement Plan.

Preferred Experience and Qualifications: Please refer to the attached Experience and Qualifications. See Exhibit A.

Contract Terms: The County intends to retain one (1) qualified consultant/team for one (1) non-exclusive Professional Services Agreement (PSA) for an effective term of six (6) years, with one (1) two (2) year option to extend.

Small Business Enterprise Goal: On November 27, 2024, Small Business Development (SBD) established a 12.00% Small Business Enterprise – Architectural and Engineering Goal for this project.

Advertisement Date: January 31, 2025

Number of Proposal(s) Received: One (1) proposal was received by the submittal deadline of March 3, 2025.

Analysis of Market Availability: Because fewer than three (3) firms submitted proposals in response to the solicitation, and in accordance with the requirements of the NTPC, market research was performed. On March 5, 2025, the final recommendation of the market research was to proceed with the evaluation of the sole Proposer. Please refer to the attached Analysis of Market Availability, as Exhibit B.

MDC022

Report of Competitive Selection Committee

Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resource Projects Including Injection, Production, Monitoring Wells and Aquifer Storage and Recovery Wells
SPD Project No. E24WS05

Page 2

Name of Proposer: Please refer to the attached List of Respondents. See Exhibit C.

Small Business Enterprise Compliance Review: The proposal was submitted to SBD for review on March 11, 2025, and was deemed in compliance. Please refer to the attached Compliance Review Memorandum dated April 2, 2025, as Exhibit D.

Office of the Commission Auditor (OCA) Background Checks: SPD submitted Committee members' completed Neutrality Affidavits and resumes to OCA on March 26, 2025. A response was received on April 2, 2025. OCA submitted the results of the background checks to the Commission on Ethics and Public Trust (COE) for further review of findings. A response was received from COE regarding findings on April 21, 2025.

Office of the Inspector General (OIG) / Office of the Commission on Ethics and Public Trust (COE) Reports, Findings and/or Enforcement Documentation for Proposer and Subcontractor(s):

SPD submitted a request to OIG on March 11, 2025. A response was received on March 12, 2025. The information was disseminated to the Competitive Selection Committee on April 23, 2025.

SPD submitted a request to COE on March 11, 2025. A response was received on March 12, 2025 advising that no reports were located.

Selection Process: The Architectural and Engineering professional services solicitation process is a two-tiered selection process; First Tier is the evaluation of team members assigned to the project, firms' past experience of similar projects, firms' project staffing availability, and firms performance data. The Second Tier is the evaluation of the shortlisted firms' qualifications of professional personnel and team members assigned to the project, knowledge of project scope and project approach, and proposer's project management methodology, as demonstrated through requested additional information and/or an oral presentation from firms.

Note: The Competitive Selection Committee may waive the Second Tier selection process by a majority vote and base their selection on the results of the First Tier ranking only.

First Tier Results: The First Tier meeting was held on May 8, 2025. The Competitive Selection Committee was tasked with evaluating the experience and qualifications of the Proposer, and scoring and ranking the proposal in accordance with the evaluation criteria outlined in the solicitation. The Competitive Selection Committee scored the sole responsive proposal. Please refer to the attached First Tier Tabulation Sheet, as Exhibit E.

Second Tier Results: Based on the Competitive Selection Committee's professional judgment, the information provided in the proposal was deemed sufficient to determine the experience and qualifications of the Proposer. As a result, and by a majority vote, the Competitive Selection Committee decided to forego Second Tier proceedings.

Special Circumstances: This project experienced a 50-day delay as follows: The SBD CSC Appointment Memo was received on March 17, 2025, which resulted in a delay of 33 days; SBD Compliance Review resulted in a delay of 12 days; and COE memo resulted in a delay of 5 days.

Administrative Leave Eligibility: The following County employees served as scoring members of the Committee and timely completed all committee-related duties, including submittal of the Neutrality Affidavit within three business days from Selection Committee Coordinator's notification

Report of Competitive Selection Committee

Page 3

dated March 18, 2025; initial scoring within 30 days of Selection Committee Coordinator's completion of required reviews; and are hereby entitled to one (1) day of paid administrative leave pursuant to Implementing Order (I.O.) No. 3-34:

Employee's Name	Employee's Department
Juan A. Curiel	WASD
Christina M. Garcia-Alario	WASD
Irina Sosnikhina	WASD
Becky Varley	Regulatory and Economic Resources
Jeffrey Gourgue	Library

Request for Selection of Negotiation Team: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County and I.O. 3-39, the Strategic Procurement Department hereby requests the County Mayor or County Mayors' designee approve the following Negotiation Team:

Jorge Vital, A&E Consultant Selection Coordinator, will be the Negotiation Team Coordinator.

Negotiation Team:

James Ferguson, Assistant Director of Planning & Regulatory Compliance, WASD
Virginia Walsh, Senior Program Manager, WASD

Technical and operational assistance and feedback will be requested from appropriate staff as needed during the negotiation process.

Request for Authorization to Enter Negotiations: Pursuant to Section 2-10.4 (6) of the Code of Miami-Dade County, it is hereby requested that the County Mayor or County Mayor's designee approve the selection of the following firm for the purpose of negotiating one (1) non-exclusive Professional Services Agreement for this solicitation, in accordance with the Competitive Selection Committee's recommendation:

RANKING OF FIRM

BLACK & VEATCH CORPORATION

Final Ranking – 1

Total Adjusted Ordinal Score – 4

Total Adjusted Qualitative Points – 385

Pursuant to the Cone of Silence legislation included in the Conflict of Interest and Code of Ethics Ordinance, and Section 2-11.1 of the County Code, the County Mayor or County Mayor's designee will report to the Board of County Commissioners any of the following instances:

- When negotiations do not commence, or other affirmative action is not taken, within 30 days of the Competitive Selection Committee's recommendation.
- When the County Mayor's or County Mayor's designee's recommendation to award or reject is not made within 90 days from the date of the Competitive Selection Committee's recommendation.

If approved, the Negotiation Team will proceed with contract negotiations in accordance with Section 2-10.4(6) of the Code of Miami-Dade County, and submit the signed contract to be

Report of Competitive Selection Committee
Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resource Projects
Including Injection, Production, Monitoring Wells and Aquifer Storage and Recovery Wells
SPD Project No. E24WS05
Page 4

presented to the Board of County Commissioners for final approval, no later than 60 days from the date of this memorandum.

If a satisfactory agreement cannot be reached within the 60-day period, a report is required to be prepared explaining all issues resulting from the negotiations. If negotiations are proceeding within a reasonable timeframe, then negotiations will continue and the report will be submitted upon completion. The final contract and report should be sent to SPD, Architectural and Engineering Unit.

Approved:

Jay J. Fink, P.E., WASD Director

Agenda Item No. 8(O)(1)
12-16-25

RESOLUTION NO. R-1218-25

RESOLUTION RATIFYING ACTION TAKEN BY THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE RELATED TO THE MIAMI-DADE WATER AND SEWER DEPARTMENT'S CONSENT DECREE AND CAPITAL IMPROVEMENT PROGRAMS ACCELERATION ORDINANCE PURSUANT TO SECTION 2-8.2.12 OF THE CODE OF MIAMI-DADE COUNTY, FLORIDA, SPECIFICALLY APPROVAL OF THE AWARD OF THE NON-EXCLUSIVE PROFESSIONAL SERVICES AGREEMENT FOR PROJECT NO. E24WS05 FOR ENGINEERING SERVICES FOR HYDROGEOLOGIC, HYDROLOGIC AND ENGINEERING SERVICES FOR COMPREHENSIVE WATER RESOURCES PROJECTS – INCLUDING INJECTION, PRODUCTION, MONITORING WELLS, AND AQUIFER STORAGE AND RECOVERY WELLS TO BLACK & VEATCH CORPORATION, AGREEMENT NO. 24BLVE010, IN AN AMOUNT NOT TO EXCEED \$16,500,000.00; AND AUTHORIZING THE COUNTY MAYOR OR COUNTY MAYOR'S DESIGNEE TO EXERCISE THE PROVISIONS CONTAINED THEREIN

WHEREAS, this Board desires to accomplish the purposes outlined in the accompanying memorandum, a copy of which is incorporated herein by reference,

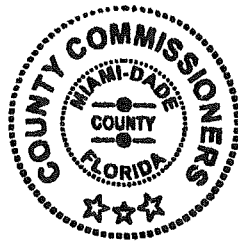

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that this Board (1) ratifies the actions of the County Mayor or County Mayor's designee, as authorized by section 2-8.2.12 of the Code of Miami-Dade County, Florida, specifically approval of the award of the Non-Exclusive Professional Services Agreement, in an amount not to exceed \$16,500,000.00 to Black & Veatch Corporation, Agreement No. 24BLVE010, for Project No. E24WS02 for Engineering Services for Hydrogeologic, Hydrologic and Engineering Services for Comprehensive Water Resources Projects – Including Injection, Production, Monitoring Wells, and Aquifer Storage and Recovery

Wells; and (2) authorizes the County Mayor or County Mayor's designee to exercise the provisions in the agreement as set forth in the accompanying memorandum. The solicitation documents and resulting agreement are kept on file and are available upon request from the Intergovernmental Affairs Division of the Miami-Dade Water and Sewer Department.

The foregoing resolution was offered by Commissioner **Vicki L. Lopez**, who moved its adoption. The motion was seconded by Commissioner **Danielle Cohen Higgins** and upon being put to a vote, the vote was as follows:

Anthony Rodriguez, Chairman	aye		
Kionne L. McGhee, Vice Chairman	aye		
Marleine Bastien	aye	Juan Carlos Bermudez	aye
Sen. René García	aye	Oliver G. Gilbert, III	aye
Roberto J. Gonzalez	aye	Keon Hardemon	aye
Danielle Cohen Higgins	aye	Vicki L. Lopez	aye
Natalie Milian Orbis	aye	Raquel A. Regalado	aye
Micky Steinberg	aye		

The Chairperson thereupon declared this resolution duly passed and adopted this 16th day of December, 2025. This resolution shall become effective upon the earlier of (1) 10 days after the date of its adoption unless vetoed by the County Mayor, and if vetoed, shall become effective only upon an override by this Board, or (2) approval by the County Mayor of this resolution and the filing of this approval with the Clerk of the Board.

MIAMI-DADE COUNTY, FLORIDA
BY ITS BOARD OF
COUNTY COMMISSIONERS

JUAN FERNANDEZ-BARQUIN, CLERK

By: Basia Pruna
Deputy Clerk

Approved by County Attorney as
to form and legal sufficiency.

A handwritten signature in dark ink, appearing to be "JO", is written over a horizontal line.
