WHEREAS, the real properties as more fully described in Exhibit "A" (the "Properties") were conveyed to the Developer through that certain County Deed recorded in Official Record Book 30575 Pages 1444-1451 of the Public Records of Miami-Dade County on June 15, 2017, and Official Record Book 29260 Pages 4819-4823 of the Public Records of Miami-Dade County on August 6, 2014; and

WHEREAS, the Developer wishes to develop the Properties and sell the single-family homes constructed on the Properties in accordance with the Infill Housing Program, as amended by Ordinance No. 21-80,

WITNESSETH:

The above recitals are incorporated herein by reference and are adopted and approved as if fully set forth herein.

That the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by the Developer, receipt whereof is hereby acknowledged, has granted, bargained, and sold to the said Developer, their heirs and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Properties"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Properties; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions:

1. That the Properties shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Program, including but not limited to, the requirement that no more than four single-family homes be constructed on each of the Properties in accordance with the Infill Housing Program. The Developer shall sell such affordable housing to qualified homebuyers whose income range is established up to 120% of the most recent median family income for the County reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.

That the Properties shall be developed and construction completed by _____ (which is two (2) years from the date of the adoption of the Resolution approving this Amended Deed), as evidenced by the issuance of a final Certificate of Occupancy. Any additional extension of time for the development and completion of construction of the Properties shall be at the sole and absolute direction of the Board and in accordance with the Infill Housing Program.

2. Reserved.
3. That the affordable housing developed on the Properties shall be sold to a qualified household, as defined in Sections 17-122(n) of the County Code, but under no circumstances shall the sales price of the home exceed the relevant County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale. In the event the Developer fails to timely sell the home to a qualified household or sells the home above County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale, and the Developer, upon written notification from the County, fails to cure such default within 30 days, then title to the subject

Properties shall revert to the County, at the option of the County, as set forth in paragraph 12, and the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

4. That for any of the Properties located within the HOPE VI Target Area (hereinafter “Target Area”), the Developer shall comply with the requirements set forth in Resolution No. R-1416-08, including but not limited to providing former Scott/Carver residents the right of first refusal on all units to be sold within the Target Area. The County will provide a list of former Scott/Carver residents in order for the Developer to notify these residents of the availability of homeownership opportunities.
5. That Developer shall not assign or transfer its interest in the Properties or in this Amended Deed absent consent of the Board, in its sole and absolute discretion, except for any conveyance to qualified homebuyers.
6. The Developer shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the Developer to the qualified household the County’s approved “Affordable Housing Restrictive Covenant,” , which is customarily used as part of the Infill Housing Program, and include the following language in the deed of conveyance:

“This Property is subject to an “Affordable Housing Restrictive Covenant” recorded simultaneously herewith, which states that the Property shall remain affordable during the “Control Period.” The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant.”

7. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic’s lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 8 and 9 herein:
 - a) Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an

amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 8 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term “Institutional lender” shall be deemed to include Miami-Dade County and its respective successors and assigns.

8. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 7 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Properties prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Properties. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Amended Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Amended Deed at the time of recordation of such mortgage.
9. That prior to placing any mortgage on the Properties, the Developer shall provide the County Mayor or County Mayor’s designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
10. That in the event that any mortgage(s) on the Properties in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Amended Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Amended Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 14 below.
11. In the event that Developer mortgages the Properties without compliance with sections 7 through 10 herein, then such mortgage shall of no force and effect, and shall be subordinate to all rights of the County, including the County’s

right of reverter.

12. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Amended Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Properties shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter,, regardless of whether the Developer provides a deed back to the County for such Properties.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

13. Upon receiving proof of compliance with all of the Amended Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Amended Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

1. That the Properties shall be developed with affordable housing, as defined by and in accordance with the requirements of the Infill Housing Program, including but not limited to, the requirement that no more than four single-family homes be constructed on each of the Properties in accordance with the Infill Housing Program. The Developer shall sell such affordable housing to qualified homebuyers whose income range is established up to 120% of the most recent median family income for the County reported by the United States Department of Housing and Urban Development. Prior to such conveyance, a restrictive covenant, in a form approved by the County in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.

That the Properties shall be developed and construction completed by _____ (which is two (2) years from the date of the adoption of the Resolution approving this Amended Deed), as evidenced by the issuance of a final Certificate of Occupancy. Any additional extension of time for the development and completion of construction of the Properties shall be at the sole and absolute direction of the Board and in accordance with the Infill Housing Program.

2. Reserved.
3. That the affordable housing developed on the Properties shall be sold to a qualified household, as defined in Sections 17-122(n) of the County Code, but under no circumstances shall the sales price of the home exceed the relevant County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale. In the event the Developer fails to timely sell the home to a qualified household or sells the home above County Maximum Sales Price as set forth in the Miami-Dade County Code and existing at the time of sale, and the Developer, upon written notification from the County, fails to cure such default within 30 days, then title to the subject Properties shall revert to the County, at the option of the County, as set forth

in paragraph 12, and the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

4. That for any of the Properties located within the HOPE VI Target Area (hereinafter “Target Area”), the Developer shall comply with the requirements set forth in Resolution No. R-1416-08, including but not limited to providing former Scott/Carver residents the right of first refusal on all units to be sold within the Target Area. The County will provide a list of former Scott/Carver residents in order for the Developer to notify these residents of the availability of homeownership opportunities.
5. That Developer shall not assign or transfer its interest in the Properties or in this Amended Deed absent consent of the Board, in its sole and absolute discretion, except for any conveyance to qualified homebuyers.
6. The Developer shall require that the qualified household purchasing the eligible home execute and record simultaneously with the deed of conveyance from the Developer to the qualified household the County’s approved “Affordable Housing Restrictive Covenant,” , which is customarily used as part of the Infill Housing Program, and include the following language in the deed of conveyance:

“This Property is subject to an “Affordable Housing Restrictive Covenant” recorded simultaneously herewith, which states that the Property shall remain affordable during the “Control Period.” The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant.”

7. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic’s lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and paragraphs 8 and 9 herein:
 - a) Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of

construction of the single-family home(s), which estimate shall be verified as set forth in section 8 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term “Institutional lender” shall be deemed to include Miami-Dade County and its respective successors and assigns.

8. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 7 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Properties prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Properties. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Amended Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Amended Deed at the time of recordation of such mortgage.
9. That prior to placing any mortgage on the Properties, the Developer shall provide the County Mayor or County Mayor’s designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
10. That in the event that any mortgage(s) on the Properties in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Amended Deed, save and except for the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Amended Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 14 below.
11. In the event that Developer mortgages the Properties without compliance with sections 7 through 10 herein, then such mortgage shall of no force and effect, and shall be subordinate to all rights of the County, including the County’s right of reverter.

12. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Amended Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Properties shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter,, regardless of whether the Developer provides a deed back to the County for such Properties.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

13. Upon receiving proof of compliance with all of the Amended Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Amended Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.

IN WITNESS WHEREOF Miami-Dade County has caused these presents to be executed in its name by its Board of County Commissioners acting by the Chairperson of the Board, the day and year aforesaid.

This Amended and Restated County Deed shall supersede and replace the County Deed recorded in Official Record Book 33840 Pages 4973-4981 of the Public Records of Miami-Dade County on August 17, 2023, as it relates to Folio Nos. 07-2217-018-1210, 07-2217-018-1220, 07-2217-018-1940, and 07-2217-018-1950.

AMENDED AND RESTATED COUNTY DEED

THIS AMENDED AND RESTATED DEED ("Amended Deed"), made this ___ day of _____, 2026 by **MIAMI-DADE COUNTY**, a political subdivision of the State of Florida, (hereinafter "County"), whose address is: Stephen P. Clark Center, 111 N.W. 1 Street, Miami, Florida 33128-1963, and **Integral Florida, LLC**, a Florida limited liability company (the "Developer"), whose address is 11 Island Ave, #1008, Miami Beach, Florida 33139, its successors and assigns.

WITNESSETH, that the County, for and in consideration of the sum of Ten Dollars and No/100 (\$10.00) to it in hand paid by THE DEVELOPER, receipt whereof is hereby acknowledged, has granted, bargained, and sold to THE DEVELOPER, their successors and assigns forever, the following described land lying and being in Miami-Dade County, Florida (hereinafter the "Properties"):

As legally described in Exhibit "A" attached hereto and made a part hereof

THIS CONVEYANCE IS SUBJECT TO all zoning, rules, regulations and ordinances and other prohibitions imposed by any governmental authority with jurisdiction over the Properties; existing public purpose utility and government easements and rights of way and other matters of record; taxes for the year of closing and subsequent years and the following restrictions (collectively the "deed restrictions"):

1. That if the Properties are developed with single-family or multi-family affordable homes for sale, THE DEVELOPER shall be required to comply with the requirements of the Infill Housing Initiative Program established in section 125.379, Florida Statutes, sections 17-121 through 17-128 of the Code of Miami-Dade County, Implementing Order No. 3-44, and the Miami-Dade County's Infill Housing Initiative Guidelines. Further, THE DEVELOPER shall sell such homes to very-low, low, or moderate income (as these terms are defined in section 420.0004, Florida Statutes) qualified homebuyers whose income range is established up to 120% of the most recent median family income for the County as reported by the United States Department of Housing

and Urban Development or the Florida Housing Finance Corporation. Prior to such conveyance, a restrictive covenant, in a form approved by the County, in its sole discretion, shall be executed by each qualified homebuyer, and such restrictive covenant shall be recorded in the public records of Miami-Dade County.

2. That if the Properties are developed as affordable and workforce rental housing as set forth in section 125.379, Florida Statutes, such housing shall be rented to very-low, low and moderate income households (as these terms are defined in section 420.0004, Florida Statutes), each of whose incomes do not exceed 120% of area median income.
3. That at financial closing if THE DEVELOPER shall cause the Properties to be developed with affordable or workforce rental housing, then THE DEVELOPER shall execute and record in the Public Records of Miami-Dade County a rental regulatory agreement, in a form approved by the County in its sole discretion, governing the rental of such housing which shall be a restrictive covenant as to the Properties.
4. That the Properties shall be developed and construction completed by _____ (which is two (2) years from the date of the adoption of the Resolution approving this Amended Deed), as evidenced by the issuance of a final Certificate of Occupancy. Notwithstanding the foregoing restriction contained in this Paragraph 4, the County may, in its sole discretion, waive this requirement upon the Miami-Dade County Board of County Commissioners finding it necessary to extend the timeframe in which THE DEVELOPER must complete the housing required herein. In order for such waiver by the County to be effective, it shall:
 - a. Be given by the County Mayor or the County Mayor's designee prior to the event of the reverter; and
 - b. Be evidenced by the preparation and recordation in the public records of Miami-Dade County, of a letter executed by the County Mayor or the County Mayor's designee granting such waiver and specifying the new time frame in which THE DEVELOPER must complete the housing. The letter by the County shall be conclusive evidence upon which any party may rely that the condition of the reverter has been extended to such date as specified in said waiver. If no waiver is recorded and a certificate of occupancy is not issued within sixty (60) months from the date of this Deed, any party may rely upon the fact that the reverter has occurred and that title has reverted to the County.
5. That if the Properties are developed with single-family or multi-family homes for sale as set forth in paragraph 1 of this Deed, the homes developed on the Properties shall be sold to qualified homebuyers, as defined in Sections 17-122(n) of the Code of Miami-Dade County, but under no circumstances shall the sales price of the homes exceed the relevant County Maximum Sales Price as set by Miami-Dade County and existing at the time of sale. In the event

THE DEVELOPER fails to sell the homes to qualified homebuyers or sells the homes above County Maximum Sales Price and THE DEVELOPER, upon written notification from the County, fails to cure such default, then title to the Properties shall revert to the County, at the option of the County, as set forth in paragraph 12, and by such reverter to the County, the Developer shall forfeit all monetary investments and improvements without any compensation or right to compensation whatsoever.

6. That for any of the Properties located within the HOPE VI Target Area (hereinafter "Target Area"), THE DEVELOPER shall comply with the requirements set forth in Resolution No. R-1416-08, including, but not limited to, providing former Scott/Carver residents the right of first refusal on all units to be sold or rented within the Target Area. The County will provide a list of former Scott/Carver residents in order for THE DEVELOPER to notify these residents of the availability of homeownership opportunities.
7. That THE DEVELOPER shall not assign or transfer its interest in the Properties or in this Deed absent consent of the Miami-Dade County Board of County Commissioners, with the exception of any conveyance to the qualified homebuyers.
8. That THE DEVELOPER shall require that the qualified homebuyers purchasing the homes to be sold in accordance with paragraph 1 of this Deed to execute and record simultaneously with the deed of conveyance from THE DEVELOPER to the qualified homebuyer the County's "Affordable Housing Restrictive Covenant," and include the following language in the deed of conveyance:

"This Property is subject to an "Affordable Housing Restrictive Covenant" recorded simultaneously herewith, which states that the Property shall remain affordable during the "Control Period." The Control Period commences on the initial sale date of the eligible home, which is the date the deed is recorded transferring title from the Developer to the first qualified household, and resets automatically every twenty (20) years for a maximum of sixty (60) years. In the event Grantee wishes to sell or refinance the home during the Control Period, Grantee shall obtain prior written approval from the County. Any such sale, transfer or conveyance, shall only be to a qualified household as defined in Section 17-122(n) of the Miami-Dade County Code at or below the maximum sales price as calculated in the restrictive covenant. Should Grantee own this home for twenty consecutive years, Grantee shall automatically be released from the Affordable Housing Restrictive Covenant."

9. That Developer shall pay real estate taxes and assessments on the Properties or any part thereof when due. Developer shall not suffer any levy or attachment to be made, or any material or mechanic's lien, or any unauthorized encumbrance or lien to attach, provided, however, that Developer may encumber the Properties with the following, subject to the requirements set forth in Section 17-124(d) of the County Code, and

paragraphs 10 and 11 herein:

- a) Any mortgage(s) in favor of any institutional lender solely for the purpose of financing or refinancing any hard costs or soft costs relating to the construction of the single-family home(s) in an amount(s) not to exceed the lesser of: (i) the value of the cost of construction of the single-family home(s), which estimate shall be verified as set forth in section 10 below; and (ii) the Maximum Sales Price in effect at the time the mortgage is recorded.

For purposes of this paragraph an “institutional lender” shall mean any bank, savings and loan association, insurance company, foundation or other charitable entity, real estate or mortgage investment trust, pension funds, the Federal National Mortgage Association, agency of the United States Government or other governmental agency. In any event, the term “Institutional lender” shall be deemed to include Miami-Dade County and its respective successors and assigns.

10. That the Developer shall provide the County, at least ten (10) business days prior to the execution and recordation of any mortgage purporting to meet the requirements of section 9 above, with a detailed statement of value of such actual or projected hard and soft costs for the development and construction of the single-family home(s) on the Properties prepared and signed by a state certified appraiser, contractor or other similar expert, which verifies and certifies that: (a) the information or estimates set forth therein are correct and accurate; and (b) that neither the Maximum Sales Price nor the mortgage (and if more than one mortgages, all of the mortgages in the aggregate), exceed the detailed statement of value of the actual or projected hard and soft costs for each of the single-family homes constructed or to be constructed on the Properties. Such statement of value shall constitute conclusive evidence that such mortgage meets such requirements, and that the right of any reverter hereunder shall be subordinate to the lien of such mortgage; provided, however, that for the reverter in this Deed to be subordinate to any mortgage, the Developer must be in compliance with all provisions of this Deed at the time of recordation of such mortgage.
11. That prior to placing any mortgage on the Properties, the Developer shall provide the County Mayor or County Mayor’s designee with written notice of the intent to mortgage same, along with a copy of the proposed mortgage and the statement of value required by section 8 above, to evidence that such mortgage does not exceed the cost of construction.
12. That in the event that any mortgage(s) on the Properties in favor of any institutional lender goes into default, foreclosure, deed in lieu of foreclosure, certificate of title or tax deed issued by the government or through court order, all deed restrictions and provisions set forth in this Deed, save and except for

the right of reverter, shall not be extinguished, and shall remain enforceable by the County and in full force and effect. The restrictions set forth in this Deed shall run with the land and shall be binding on any successors or assigns of Developer, notwithstanding the mortgage or change in ownership until such deed restrictions are satisfied or released as set forth paragraph 15 below.

13. In the event that Developer mortgages the Properties without compliance with sections 9 through 12 herein, then such mortgage shall have no force and effect, and shall be subordinate to all rights of the County, including the County's right of reverter.
14. The County retains a reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. If in the sole discretion of the County, one or more of the Properties ceases to be used solely for the purpose set forth in paragraph 1 herein by the Developer, or if the Developer fails to construct the homes described herein in the manner and within the timeframe set forth in paragraph 2 herein, or if the Developer ceases to exist prior to conveyance to the qualified homebuyers, or if any other term of this Deed is not complied with, the Developer shall correct or cure the default/violation within thirty (30) days of notification of the default by the County. If the Developer fails to remedy the default within thirty (30) days, as determined in the sole discretion of the County, title to the subject Properties shall revert to the County, at the option of the County, which shall be effected upon written notice to Developer of such failure to remedy the default, and the filing of a Notice of Reverter in the public records evidencing same (which may be filed simultaneously with or subsequent to such written notice of reverter). The reverter will become effective upon the filing of such Notice of Reverter. In the event of such reverter, the Developer shall immediately deed such Properties back to the County, and the County shall have the right to immediate possession of such Properties, with any and all improvements thereon, at no cost to the County. The effectiveness of the reverter shall take place immediately upon the filing of the Notice of Reverter, regardless of whether the Developer provides a deed back to the County for such Properties.

All conditions and restrictions set forth herein shall run with the land, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.

15. Upon receiving proof of compliance with all of the Deed restrictions set forth herein, to be determined in the County's sole discretion, the County shall furnish the Developer with an appropriate instrument acknowledging satisfaction with all Deed restrictions. Such satisfaction of Deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.
16. If in the sole discretion of the County, (a) THE DEVELOPER ceases to exist prior to sale or rental of the housing contemplated herein; (b) THE DEVELOPER fails to rent or sell the homes within the sale or rental limits

described herein; (c) THE DEVELOPER fails to construct the housing project contemplated herein by _____ (which is two (2) years from the date of the adoption of the Resolution approving this Amended Deed); or (d) any other term of this Deed or deed restriction is not complied with, THE DEVELOPER shall correct or cure the default/violation within sixty (60) days of notification of the default by the County as determined in the sole discretion of the County. If THE DEVELOPER fails to remedy such default within sixty (60) days, title to the subject Properties shall revert to the County, at the option of the County upon written notice of such failure to remedy the default. In the event of such reverter, THE DEVELOPER shall immediately deed the Properties back to the County, and the County shall have the right to immediate possession of such properties, with any and all improvements thereon, at no cost to the County. The effectiveness of such reverter shall take place immediately upon notice being provided by the County, regardless of the deed back to the County by THE DEVELOPER. The County retains such reversionary interest in the Properties, which right may be exercised by the County, at the option of the County, in accordance with this Deed. Upon such reversion, the County may file a Notice of Reversion evidencing same in the public records of Miami Dade County. Should the Properties revert back to the County in accordance with this paragraph all leasehold interests, mortgages, and other encumbrances shall remain.

17. All conditions and deed restrictions set forth herein shall run with the land for a period of thirty years from the date of recordation of this Deed, and shall be binding on any subsequent successors, assigns, transferees, and lessees, of any interest, in whole or in part, in the Properties.
18. Upon receiving proof of compliance with all of the Deed restrictions listed above, to be determined in the County's sole discretion, the County shall furnish THE DEVELOPER with an appropriate instrument acknowledging satisfaction with all deed restrictions listed above. Such satisfaction of deed restrictions shall be in a form recordable in the Office of the Clerk of the Circuit Court of Miami-Dade County, Florida.

This grant conveys only the interest of the Miami-Dade County and its Board of County Commissioners in the Properties herein described and shall not be deemed to warrant the title or to represent any state of facts concerning the same.
