Subject: Resolution Authorizing an Agreement to Exchange Property between Miami-Dade County and the South Florida Water Management District (SFWMD), the Acceptance of Lands from SFWMD Needed for the County's Roadway Improvement Project, and the Conveyance of County Lands of Equivalent Value to SFWMD

Executive Summary

This item requests that the Board of County Commissioners (Board) grant approval for the transfer and exchange of County-owned property for State-owned property, currently held by SFWMD, needed by the County for roadway purposes as set forth in Board approved Resolution Nos. R-955-20, R-978-20, R-980-20, R-981-20, and R-984-20 (approved October 6, 2020). Specifically, in exchange for title to the SFWMD property needed by the County, SFWMD has agreed to accept title to County-owned property of equivalent value. This item provides for the County's approval and acceptance of these exchanges.

Recommendation

It is recommended that the Board approve the attached resolution authorizing the County, pursuant to Section 125.37, Florida Statutes and portions of County Implementing Order 8-4, to enter into the Agreement with the SFWMD to exchange County property (Folio Nos. 30-4918-001-0050 and 30-4918-001-0052) identified as Exhibits B1 and B2 to the Agreement, for portions of SFWMD-owned land identified as Exhibit A. A copy of the Agreement is attached hereto as Exhibit 1.

Specifically, the resolution also authorizes the County Mayor or County Mayor's designee to execute the Agreement; to exercise any and all rights conferred therein; to take all actions necessary to effectuate same and to provide a report to the Board; to execute County Deeds for County property to SFWMD and accept conveyances of the SFWMD property; and to record said deeds in the public records of Miami-Dade County.

Scope

The impact of this project is countywide; however, it is located within District 11, represented by Commissioner Roberto J. Gonzalez.

Delegation of Authority

The resolution authorizes the County Mayor or the County Mayor's designee to take any and all appropriate actions to effectuate and execute the Agreement, to exercise all rights conferred therein, to exchange properties with SFWMD, and to record the instruments of conveyances in the Public Records of Miami-Dade County.

Fiscal Impact/Funding Source

Funding for the design, construction, and right-of-way acquisition of all parcels is estimated at \$26,593,000. For design and construction, currently, \$11,593,000 is allocated in Multimodal Mobility Impact Fees (MIF Zone D), programmed within the FY25-26 Adopted Budget & Multi-Year Capital Plan, \$5,000,000 funded by General Fund Operations, and \$10,000,000 funded by a Florida Department of Environmental Protection grant awarded to the County. Once the project is complete, the annual maintenance and operational cost of approximately \$26,592.62 is anticipated and will be funded through the Department of Transportation and Public Works' General Fund allocation. The value of the parcels being acquired by the County and being conveyed by the County are equivalent and are described herein.

Background

On October 6, 2020, the Board approved Resolution Nos. R-955-20, R-978-20, R-980-20, R-981-20, and R-984-20, authorizing the County to purchase, or alternatively to condemn by eminent domain the SFWMD property (identified as parcels 2, 5, 7, 8, and 11). The acquisition of the SFWMD property is necessary for the County's roadway project involving road widening, beautification, and right-of-way improvements to SW 157 Avenue. Specifically, the project consists of the widening of SW 157 Avenue from SW 42 Street to SW 26 Street to a four-lane roadway with new raised landscape medians, irrigation, sidewalks, curb and gutters, storm drainage system, pavement markings and signage, intersection and signalization improvements, and roadway lighting.

The SFWMD property is located adjacent to the west side of SW 157 Avenue within Miami-Dade County and consists of 1.318 acres. On June 8, 2022, DTPW offered to purchase the SFWMD property for the appraised value of \$175,000.00. On June 17, 2022, SFWMD counteroffered a land exchange of equivalent value in lieu of a purchase, due to a Declaration of Interest encumbrance, and identified a 10-acre tract of County-owned property within the same Bird Drive Basin as the SFWMD land that met their exchange requirements. The County property was appraised at \$45,000.00 per acre. The SFWMD land valued at \$175,000.00 was then divided by \$45,000.00 (the appraised value of the County land) to determine how many acres of County land would be necessary to match the value of the SFWMD land. This resulted in 3.889 acres of County land being needed for a dollar-for-dollar exchange. The Agreement contemplates the acquisition by the County of the SFWMD property (1.318 acres of land) valued at \$175,000.00 in exchange for County property (3.889 acres of land) valued at \$175,000.00.

Honorable Chairman Anthony Rodriguez
and Members, Board of County Commissioners
Page No. 3

The County Property consists of two tracts identified as Exhibits B1 and B2 to the Agreement. County Deeds will convey the County property to SFWMD and Quit Claim Deeds will convey the SFWMD property to the County.

The County property will be conveyed to SFWMD pursuant to Section 125.37, Florida Statutes, which states that whenever, in the opinion of the Board, the County holds and possesses any real property not needed for County purposes, such property may be in the County's best interest exchanged for other real property, which the County may desire to acquire for County purposes. The Board is authorized and empowered to make such an exchange. As required by Section 125.37, Florida Statutes, a notice of the exchange of these properties has been published. In compliance with Section 270.11 (1), Florida Statutes, both parties have chosen not to reserve their phosphate, mineral, metal, or petroleum rights in the properties being exchanged.
