From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Subject: Recommendation to Approve a Waiver of Competitive Bidding for the Homestead Bayfront Park Marina - Fire line Replacement Construction Contract between Miami-Dade County and MAC195 Engineering Corporation; Contract: 7016119005; Project No: 701601-19-005

Agenda Item No. 8(H)(2)

Resolution No. R-371-26

Executive Summary

The purpose of this item is to request that the Board of County Commissioners waive formal competitive bidding procedures, pursuant to and consistent with Florida Statutes §255.20(1)(c)(2), Section 5.03(D) of the Miami-Dade County Home Rule Charter, and Section 2-8.1(B) of the Code of Miami-Dade County to authorize the execution of a construction contract with MAC195 Engineering Corporation in the amount of \$5,932,439.72 for the Homestead Bayfront Park Marina Fire Line Replacement project.

The Miami-Dade County Parks, Recreation and Open Spaces Department (PROS) operates Homestead Bayfront Park and Marina. This waiver is requested following the cancellation of a previously publicly advertised competitive solicitation for this project, which resulted in no responsive bids being received. Given the urgent need to replace the existing fire line system which is critical to the safe operation and code compliance of the marina, PROS has determined that proceeding through a traditional re-bid process presents a substantial risk of further delay without guaranteeing participation. The negotiated total amount is 10 percent higher than PROS' initial budget estimate; however, the overall cost remains within industry standards for similar projects. Engaging MAC195 Engineering Corporation, a qualified and experienced firm, will allow the County to advance this time-sensitive work without compromising safety, schedule, or operational continuity.

Recommendation

It is recommended that the Board, by a two-thirds vote of all members, approve a bid waiver award pursuant to section 2-8.1 of the Miami-Dade County Code and section 5.03(D) of the Home Rule Charter, to authorize 365 calendar-days Construction Contract No: 7016119005 between MAC195 Engineering Corporation for a not-to-exceed amount of \$5,932,439.72 (Attachment 1).

Scope

The Homestead Bayfront Park Marina is located at 9698 SW 328th St, Homestead, FL 33033, within Commission District 9, which is represented by Vice Chairman Kionne L. McGhee.

Delegation of Authority

The authority of the County Mayor or County Mayor's designee to execute and implement this contract is consistent with those authorities granted under the Code of Miami-Dade County.

Fiscal Impact/Funding Source

This contract is valued at \$5,932,439.72 for a term of 365 calendar days. See table below for a breakdown and further details.

Base Contract Amount	Contingency Amount (Code Sec. 2-8.1)	Dedicated Allowance Amount	Escalation Dedicated Allowance
\$5,133,852.00	\$513,385.20	\$233,864.00	\$51,338.52

Funding Sources: Homestead Bayfront Park Program Number 937020

- **Construction Cost:** \$5,932,439.72 (FY 2025-26 Adopted Budget, Volume 2, Page 256)

Track Record/Monitor

The contract will be managed by the Parks, Recreation and Open Spaces Department and Jose Garcia, PROS Project Manager, will be responsible for monitoring and controlling contract performance and compliance.

Vendor Recommended for Award

The table below depicts a summary of the recommended prime consultant.

Vendor Name	Principal Address	Local Address	Principal
MAC195 Engineering Corporation	3245 NE 184th ST Aventura, FL 33160	3245 NE 184th ST Aventura, FL 33160	Varela, Carlos E, President

Due Diligence

Pursuant to R-187-12, the Parks, Recreation and Open Spaces Department (PROS) conducted due diligence in accordance with SPD’s Procurement Guidelines to determine vendor responsibility including verifying corporate status and that no performance or compliance issues exist. The lists referenced included: Capital Improvements Information System, Small Business Development Division database, Sunbiz, Tax Collector’s Office, convicted vendors, debarred vendors, delinquent contractors, suspended vendors, and federal excluded parties list. Also examined as part of this due diligence: Florida Division of Business and Professional Regulation. There were no adverse findings relating to vendor responsibility.

Background

Miami-Dade County’s Homestead Bayfront Park and Marina is located next to the Biscayne National Park Headquarters. The fire line replacement scope includes, but it is not limited to the demolition of existing fire protection system and installing a new fire protection system as per the permitted plans and the project manual. MAC195 Engineering Corporation will submit shop drawing submittals addressing the permit #C2024083415 items to the owner for approval prior to construction start. Reviews could take up to six weeks.

The project was publicly advertised and competitively solicited; however, no bids were received. In light of the lack of response, the project was subsequently cancelled. To avoid further delays and advance the critical improvements associated with this project, PROS has evaluated the available procurement options and recommends that it is in the best interest of the County to waive the formal competitive bidding procedures. This approach will allow for direct negotiations with a qualified firm to begin work promptly, mitigating the risk of extended project delays that could result from re-advertising and receiving no responses again.

This project has a no measure SBE-G&S subcontractor goal; therefore, the Department of Small Business Development is not required to complete a compliance review. PROS performed the pre-award verifications, and the current low bidder complied with all applicable County Ordinances, and regulations. The impact of sea level rise has been considered in this project.

CONSTRUCTION CONTRACT

STATE OF FLORIDA) ss.:

COUNTY OF MIAMI-DADE

THIS AGREEMENT made and entered into as of the 20th day of February, 2026, by and between Miami-Dade County and MAC 195 Engineering Corporation hereinafter called the Contractor:

WITNESSETH, that the said Contractor for and in consideration of the payments hereinafter specified and agreed to be made by Miami-Dade County, hereby covenants and agrees to furnish and deliver all the materials required, to do and perform all the work and labor required to complete **Contract No. 701601-19-005**, entitled Homestead Bayfront Park Marina - Fire Line Replacement, within the time specified, in strict and entire conformity with the Contract Documents hereinafter listed, which are hereby incorporated into this Contract by reference:

Contract Documents: 1. Conformed Project Manual (Volumes 1 and 2) Drawings; Specifications; Reports; and Qualification and Assumptions.

The Contractor agrees to make payment of all proper charges for labor and materials required in the aforementioned work, and to defend, indemnify and save harmless Miami-Dade County and all its officers and agents against and from all suits and costs of every kind and description, and from all damages to which the said Miami-Dade County or any of its officers and agents may be put, by reason of injury or death to persons or injury to property of others resulting from the performance of said work, or through the negligence of the Contractor, or through any improper or defective machinery, implements or appliances used by the Contractor in the aforesaid work, or through any act or omission on the part of the Contractor, or his agent or agents, employees or servants.

The contractor also agrees to abide by the provisions of the Contract Specifications regarding Section 2-11.16 of the Code of Miami-Dade County.

In consideration of the premises, Miami-Dade County hereby agrees to pay to the Contractor for said work, when fully completed, the total sum not to exceed Five Million Nine Hundred Thirty Two Thousand Four Hundred Thirty Nine dollars and Seventy Two cents (\$5,932,439.72), being the amount obtained from either the aggregate lump sum prices, the application of unit prices to the quantities shown in the Bid Form or the combination of both.

The total sum is subject to such additions and deductions as may be provided for in the Contract Documents.

Payments on account will be made as provided for in the Contract Documents.

In Witness whereof, the parties hereto have caused this Contract to be executed by their appropriate officials, as of the date first above written.

Project/Contract Title: Homestead Bayfront Park - Marina Fire Line Replacement Project
Received Date: 10/1/2024
Resubmittal Date: 3/28/2025
Funding Source: CIIP
Project/Contract No.: RPQ No. C70160119005
Department: Parks, Recreation and Open Spaces
Estimated Cost of Project/Bid: \$5,145,800.00

Description of Project/Bid: Homestead Bayfront Park is a charming destination created on land donated in 1938, by James Sottile, owner of South Dade Farms. The public can access 90 of the park's 1,200 acres. Neighboring Biscayne National Park, Homestead Bayfront Park has many inaccessible areas that are home to protected natural zones and coastal wetlands. During WWII the site was leased to the Air Force and afterward, with the addition of an atoll pool, marina, and other facilities, the park opened to the public in 1955. This project includes the demolition of the existing fire protection system, and installation of a new fire protection system as per the permitted plans and the project manual

BACKGROUND:

Miami-Dade County Parks, Recreation and Open Spaces Department (PROS) operates over 278 parks and manages over 13,800 acres of land. Amelia Earhart Park in Hialeah, Florida, is a 615-acre beautiful park in Miami-Dade County. It is an excellent place for nature lovers and offers plenty of activities like an 8-mile bike trail, Bill Graham Farm Village, a dog park, an 18-hole disc golf course, and other amenities which include paved walkways, playgrounds, benches, shade trees. PROS seeks a construction contractor committed to building a healthier, more vibrant and livable community through the implementation of the Parks and Open Space Master Plan.
