From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Ordinance No. 26-33

Subject: Ordinance Authorizing a Revolving Line of Credit Not to Exceed \$300 Million Outstanding at any one time from TD Public Finance LLC For the Purpose of Providing Funds to the Public Health Trust

Executive Summary

The accompanying ordinance (Ordinance) authorizes the County Mayor or the County Mayor's Designee to enter into an agreement with TD Public Finance LLC (TD) to provide capital through a revolving line of credit in an amount not to exceed \$300 million (Credit Facility) pursuant to the terms set forth in the commitment letter attached as Exhibit A to the Ordinance. The proposed Credit Facility was presented to the County by TD at the request of and on behalf of the Public Health Trust (Trust). If approved by the Board of County Commissioners (Board), the Trust will use the capital to mitigate cash flow impacts resulting from extensive delays in State of Florida intergovernmental transfers. The approval of the \$300 million Credit Facility is necessary to ensure that the Trust has adequate financial resources to continue delivering high standard healthcare services to the residents and visitors of Miami Dade County. The County previously entered into a similar credit facility in 2024 to provide working capital for the benefit of the Trust, as previously approved via Ordinance No. 24-64 at the July 2, 2024 Board of County Commissioners meeting.

Recommendation

It is recommended that the Board approve the Ordinance, which authorizes the following:

- Selection of TD to provide a Credit Facility with a three-year term in an amount not to exceed \$300 million for the purpose of providing working capital to the Trust and payment of related financing costs;
- Approval of the TD commitment letter;
- Approval of the terms of the Memorandum of Understanding (MOU) between the County and the Trust; and
- Waiver of Resolution No. R-130-06, which requires that any contracts of the County with third parties be executed and finalized prior to their placement on an agenda for Board consideration.

Delegation of Authority

The Ordinance authorizes the County Mayor or County Mayor's designee to: (i) execute future extensions of the term of the Credit Facility if they determine, in consultation with the County's General Segment Financial Advisor (FA), that the terms of the extension are favorable to the County; (ii) select and appoint a paying agent if they determine, in consultation with the FA, that the selection and appointment is both necessary and favorable to the County; and (iii) take all actions necessary to consummate the Credit Facility including entering into related agreements consistent with the terms of the TD commitment letter.

Scope

The scope of the transaction is countywide.

Fiscal Impact/Funding Source

The principal and interest of the proposed Credit Facility are payable on a subordinate basis from Pledged Revenues of the Trust as defined in Ordinance No. 05-49, enacted by this Board on March 1, 2005, and as amended by Ordinance No. 17-1, enacted by this Board on January 24, 2017.

Pursuant to the terms of the MOU, the County will have the right to deduct any payment made on the Credit Facility by the County from the Trust's one-half cent healthcare sales surtax prior to remitting the surtax to the Trust.

Track Record/Monitoring

Arlesa Wood, Director of Bond Acquisition Administration in the Office of Management and Budget will manage this transaction in conjunction with Mark Knight, Chief Financial Officer of Jackson Health System.

Social Equity Statement

The proposed Ordinance will provide working capital to the Trust in response to cashflow impacts. The citizens of the County will greatly benefit from the Trust having the essential resources to adequately deliver healthcare and services to the residents and visitors of Miami Dade County.

Background

The proposed Credit Facility was presented to the County by TD at the request of and on behalf of the Trust. The purpose of the proposed Credit Facility is to provide the Trust, through the County, with sufficient working capital to manage cash flow impacts arising from delays in State of Florida intergovernmental transfers. The commitment negotiated with TD is attached as Exhibit A to the Ordinance. Pursuant to the commitment, the Credit Facility will have a three-year term from its effective date. It is necessary for the County and the Trust to enter into an MOU, attached as Exhibit B to the Ordinance, in order to memorialize the Trust's obligation to serve as the primary payor of the amounts due under the Credit Facility.

Resolution No. R-130-06 provides that any County contract with a third party be finalized and executed prior to its placement on an agenda of the Board. The Credit Facility and the MOU will not have been executed until after the effective date of the ordinance and as such a waiver of Resolution No. R-130-06 is required.

BETWEEN

MIAMI-DADE COUNTY, FLORIDA

AND

PUBLIC HEALTH TRUST OF MIAMI-DADE COUNTY, FLORIDA

THIS MEMORANDUM OF UNDERSTANDING ("MOU") is made this ____ day of ____, 2026 by and between Miami-Dade County, Florida (the "County") and the Public Health Trust of the County (the "Trust") for the purpose of setting forth certain terms and conditions regarding the use of that certain \$300,000,000.00 line of credit between the County and TD Public Finance LLC. (or an affiliate thereof) and its permitted successor and assigns (the "Bank").

The County enacted Ordinance No. 26-__ (the "LOC Ordinance") authorizing a \$300,000,000.00 line of credit (the "Line of Credit") to be made available to the County by the Bank. The County has agreed to allow the Trust to draw on the Line of Credit to: (a) provide sufficient working capital to mitigate cash flow impacts and fund certain operations of the Jackson Health System, and (b) pay any cost of issuance, finance charges, late charges, collection costs, or other amounts due under the Line of Credit ("Costs").

The Line of Credit is secured by a subordinated pledge of and lien on the Pledged Revenues of the Trust as defined in Ordinance No. 05-49, enacted by the Board of County Commissioners of Miami-Dade County, Florida (the "Board") on March 1, 2005, and as amended by Ordinance No. 17-1, enacted by the Board on January 24, 2017. In exchange for the County entering into the Line of Credit on the Trust's behalf, the County and the Trust agree as follows:

1. The Trust is allowed to borrow and pay the principal under the terms of the Line of Credit set forth in Exhibit "A" to this MOU and any related loan documents, provided the Trust is current in the payment of P&I and Costs and no event of default has occurred under this MOU and the loan documents related to the Line of Credit.
2. All draw requests by the Trust shall be presented first to the County and approved by the Director of the Office of Management and Budget or such other individual as may be designated by the Mayor before the Trust shall present such draw requests to the Bank. 3. The County shall deduct from the one-half percent (.05%) discretionary sales surtax imposed pursuant to Chapter 212, Florida Statutes (the "Healthcare Surtax"), before it is remitted to the Trust, an amount equal to the monthly P&I requirement on the Line of Credit as determined in accordance with the LOC Ordinance. The County shall deposit the retained Healthcare Surtax

in the debt service fund held by the County to be used solely to pay P&I on the line of credit when due.

4. The term of this MOU shall commence upon the effective date of its approval by the Board and the Trust's Board and shall continue until all obligations of the Trust have been fulfilled. The County may terminate the Line of Credit at any time. If the County terminates the Line of Credit, P&I and Costs shall be immediate due and payable.
5. This MOU shall be governed by and construed in accordance with the laws of the State of Florida.
