Agenda Item No. 3(B)(3)

From: Daniella Levine Cava *Daniella Levine Cava*
Mayor

Resolution No. R-589-26

Subject: Ratification of Two Local Agency Program Agreements with the Florida
Department of Transportation

Executive Summary

This item requests that the Board of County Commissioners (Board) ratify two Local Agency Program (LAP) Agreements, cumulatively valued at \$268,753, with the Florida Department of Transportation (FDOT). The two agreements are Safe Routes to School projects. A LAP Agreement is designed to streamline local project implementation while ensuring that federal and state funds are used in compliance with all relevant regulations. Projects funded under LAP agreements are intended to enhance transportation safety, mobility and connectivity.

Recommendation

It is recommended that the Board approve the attached resolution ratifying the following two LAP agreements with FDOT:

FM No.	Name	Value	Execution Date
447597-1-38-01	North Miami Beach Senior High School	\$96,229	10/10/2025
447600-1-38-01	Homestead Middle School	\$172,524	10/10/2025

Scope

The LAP Agreements provide design services for the Safe Routes to School projects located within these Commission Districts:

- North Miami Beach Senior High School: Commission District 4, represented by Commissioner Micky Steinberg.
- Homestead Middle School: Commission District 8, represented by Commissioner Danielle Cohen Higgins.

Delegation of Authority

This item ratifies the action of the County Mayor's designee in executing the LAP Agreements and authorizes the County Mayor or County Mayor's designee to exercise all rights conferred therein.

Fiscal Impact/Funding Source

The total value for the design of improvements under the two LAP Agreements is \$268,753. Upfront funding to support the projects is provided through the Department of Transportation

and Public Works (DTPW) General Fund allocation, which will be reimbursed by FDOT in accordance with the LAP Agreements.

Track Record/Monitor

Dalila Fernandez, P.E., School Section Head, DTPW will monitor the design phase of the Safe Routes to School projects.

Background

These agreements provide the County with Safe Routes to School Program funds from FDOT to design safety-related infrastructure improvements.

Safe Routes to School (SRTS) Projects: The program was authorized in August 2005 by Section 1404 of the Federal Transportation Act. The program provides Federal-aid highway funds to State Departments of Transportation to make it safer and easier for school children to walk or bicycle to and from school.

The Miami-Dade County Public Schools (MDCPS) submitted applications for schools located in the County to FDOT for consideration within the SRTS Program. Factors used to select the schools include proximity to traffic accidents involving juvenile pedestrians, the potential for attracting new walk trips, and geographic distribution. Since MDCPS is not a LAP-certified agency, it partnered with DTPW in order to obtain and take advantage of available federal funds. DTPW shall oversee the design of the projects and upon completion submit invoices to FDOT's District Six LAP Administrator for approval and reimbursement.
