

Memorandum

Date: March 14, 2011

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

From: George M. Burgess
County Manager

Subject: Additional Information Related to General Fund Contract Award Recommendations
for Request Proposal (RFP) No. 0411, "Human and Social Services Community-
Based Organization Funding"

In response to several questions related to contract award recommendations and requests for information by Commission District, please find attached a spreadsheet in alphabetical order (by organization) sorted by district.

As an update, the deadline for appealing the funding recommendations was Friday, February 25, 2011. The Clerk of the Board and the Office of Grants Coordination (OGC) received forty-three appeals; two of which were formal and forty-one that were informal appeals. Of the 308 organizations that applied for General Funds, 43 or 13.9 percent submitted an appeal. OGC is working with the County Attorney's Office to conduct a fair and impartial process by which to review and judge the merits of the appeal submissions. At the conclusion of the appeals process, I will submit an item to the full Board with findings and recommendations.

If you have any questions regarding the attached spreadsheet or appeals process, please contact Daniel T. Wall, Director, OGC and Contracting Officer for the above-referenced RFP.
