Memorandum

Date: December 4, 2018

To: Honorable Chairman Esteban L. Bovo, Jr. and Members, Board of County Commissioners

From: Carlos A. Gimenez Mayor

Subject: Resolution Retroactively Authorizing the Application for and Acceptance of Grant Funds in the Amount of $1,000,999.00 from the United States Department of Justice to Miami-Dade County's Office of Management and Budget, Grants Coordination Division for the Opioid Affected Youth Initiative Project

Resolution No. R-1235-18

Agenda Item No. 8(G)(3)

RECOMMENDATION
Miami-Dade County applied for and received a three-year, United States Department of Justice (DOJ) Opioid Affected Youth Initiative grant award on September 25, 2018. It is recommended that the Board of County Commissioners (Board) approve this item to:

- Retroactively authorize the County Mayor or the County Mayor's designee's action in applying for grant funds from the DOJ, Office of Juvenile Justice and Delinquency Prevention Opioid Affected Youth Initiative Program in the amount of $1,000,999.00.

- Retroactively authorize the County Mayor or the County Mayor's designee's action in accepting the grant award and executing a grant award agreement with the DOJ.

- Authorize the County Mayor or the County Mayor's designee to expend the grant award; execute any amendments to the grant award agreement for and on behalf of the County; to execute such contracts, agreements, memoranda of agreements, and amendments as may be required by program guidelines, after review by the County Attorney's Office for form and legal sufficiency; and to exercise termination and modification clauses of any such contracts and agreements, after review by the County Attorney's Office for form and legal sufficiency. Also, to the extent such contracts, agreements, and memoranda of agreements are required by program guidelines, waives the provisions of Resolution No. R-130-06, which prohibits placement of an item seeking approval of a contract and authority to execute same on a County Commission or committee agenda until the underlying contract is negotiated, in final form, and executed by all non-County parties.

- Authorize the County Mayor or the County Mayor's designee to apply for and receive additional future funds that may become available under this program; to execute such contracts, agreements, memoranda of agreements, and amendments as may be required by the County with respect to such future available funds, after review by the County Attorney's Office for form and legal sufficiency; and to exercise termination and modification clauses of any such contracts and agreements, after review by the County Attorney's Office for form and legal sufficiency. Also, to the extent such contracts, agreements, and memoranda of agreements are required by program guidelines, waives the provisions of Resolution No. R-130-06.

SCOPE
The County, through the Office of Management and Budget, Grants Coordination Division (OMB-GC), applied for and received a grant award from the Department of Justice, Office of Juvenile Justice and Delinquency Prevention, for the Opioid Affected Youth Initiative Program in the amount of $1,000,999.00. Task Force (Task Force), Florida International University, the Miami-Dade County Public School System (MDCPS), and South Florida Behavioral Health Network, Inc., will implement the “Opioid Affected Youth Initiative Project.” The project services, activities, and drug education training will be targeted to children and youth in middle and senior high schools and communities countywide.

FISCAL IMPACT/FUNDING SOURCE
The grant award is for $1,000,999.00. OMB-GC will provide a total in-kind General Fund salary match of up to $207,184.00 over the three-year project period.

TRACK RECORD/MONITOR
The OMB-GC has an extensive history of managing grant projects and will coordinate project implementation and management. OMB-GC will monitor and process the disbursement and expenditure of grant funds and manage programmatic and fiscal reporting in accordance with project reporting and auditing procedures stipulated by the DOJ.

BACKGROUND
Miami-Dade County, in partnership with the Task Force, Florida International University (Research Partner), MDCPS, and South Florida Behavioral Health Network, Inc., is proposing to implement the Miami-Dade County “Opioid Affected Youth Initiative Project,” a DOJ Category 1: “Implementing Data-Driven Strategies and Programs Through Strategic Partnerships” initiative.

The target population will include children and youth in middle and senior high schools who are at risk for using opioids and/or becoming the victims of crimes (criminal neglect, theft, exploitation, sexual abuse/assault, human trafficking, or child abuse) as a result of the opioid epidemic. The project will address the education, awareness, and service gaps identified by the Task Force as it pertains to child and youth victims.

Project partners will develop and implement a DOJ-approved, data-driven Strategic Plan that will include strategies, activities, and initiatives to improve service coordination for children, youth, and families directly impacted by the opioid epidemic. The project will include a planning period and an implementation period. Planning phase goals include developing strategic partnerships using a collaborative approach to respond to the opioid epidemic, and collecting and using data to develop data-driven responses that address the abuse of opioids. Implementation phase goals include developing strategies to improve service coordination that will address public safety concerns, training, intervention, prevention, and diversion programs for children, youth, and families directly impacted by opioid abuse, as well as implementing coordinated delivery services and programs.

In addition to data-driven recommendations, in concert with MDCPS, the project will develop and implement a comprehensive opioid and prescription drug education program in middle and senior high schools. Social media and multimedia will be used for targeted messaging through the creation of Facebook, Instagram, Snapchat, Twitter, Google+, WhatsApp, and similar channels to target youth. Multimedia presentations will be developed for both middle and senior high school youth, featuring classroom and YouTube videos. Several appropriate evidence-based strategies and interventions will be used, as applicable for the target population and as identified in the “SAMHSA Preventing Prescription Drug Misuse: Programs and Strategies, Using Prevention Research to Guide Prevention Practice” Report. The project will create, plan and execute community engagement events within selected neighborhoods. The National Drug and Alcohol Facts Week and other national events will be targeted in South Florida. Events may include health fairs, drug prevention events, and resource fairs.
The short turnaround time imposed by the DOJ application deadline did not allow sufficient time for the processing of the resolution and its submission to the Board prior to submission of the grant application and the receipt of the grant award.

FORM 40002 (REV. 5-87) PREVIOUS VERSIONS ARE OBSOLETE.

FORM 40002 (REV. 4-84)
SPECIAL CONDITIONS

1. Requirements of the award; remedies for non-compliance or for materially false statements

The conditions of this award are material requirements of the award. Compliance with any certifications or assurances submitted by or on behalf of the recipient that relate to conduct during the period of performance also is a material requirement of this award.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or a certification or warranty related to conduct during the award period -- may result in the Office of Justice Programs ("OJP") taking appropriate action with respect to the recipient and the award. Among other things, the OJP may withhold award funds, disallow costs, or suspend or terminate the award. The Department of Justice ("DOJ"), including OJP, also may take other legal actions as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and 1621), and/or civil and administrative remedies for civil penalties and administrative remedies for civil claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is entirely invalid or unenforceable, such provision shall be deemed severable from this award.

2. Applicability of Part 200 Uniform Requirements

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by DOJ in 2 C.F.R. Part 2000 (together, the "Part 200 Uniform Requirements") apply to this FY 2018 award from OJP.

The Part 200 Uniform Requirements were first adopted by DOJ on December 20, 2014. If this FY 2018 award supersedes funds previously awarded by OJP under the same award number (e.g., funds awarded during or before December 2014), the Part 200 Uniform Requirements apply with respect to all funds under that award number (regardless of the award date, and regardless of whether derived from the initial award or a supplemental award) that are obligated on or after the acceptance date of this FY 2018 award.

For more information and resources on the Part 200 Uniform Requirements as they relate to OJP awards and subawards ("subagreements"), see the OJP website at https://oajp.gov/funding/Part200UniformRequirements.htm.

Record retention and access: Records pertinent to the award that the recipient (and any subrecipient ("subgrantee") at any tier) must retain -- typcally for a period of 3 years from the date of submission of the final expenditure report (OJP 425), unless a different retention period applies -- and to which the recipient (and any subrecipient ("subgrantee") at any tier) must provide access, include performance measurement information, in addition to the financial records, supporting documents, statistical records, and other pertinent records indicated at 2 C.F.R. 200.333.

In the event that an award-related question arises from documents or other materials prepared or distributed by OJP that may oppose to any file, or differ in some way from, the provisions of the Part 200 Uniform Requirements, the recipient is to contact OJP promptly for clarification.
3. Compliance with DOJ Grants Financial Guide

References to the DOJ Grants Financial Guide are to the DOJ Grants Financial Guide as posted on the OJP website (currently, the "DOJ Grants Financial Guide" available at https://ojp.gov/financialguides/grants/index.html), including any updated version that may be posted during the period of performance. The recipient agrees to comply with the DOJ Grants Financial Guide.

4. Reclasification of various statutory provisions to a new Title 34 of the United States Code

On September 1, 2017, various statutory provisions previously codified elsewhere in the U.S. Code were editorially reclassified to a new Title 34, entitled "Crime Control and Law Enforcement." The reclassification encompassed a number of statutory provisions pertinent to OJP awards (that is, OJP grants and cooperative agreements), including many provisions previously codified in Title 42 of the U.S. Code.

Effective as of September 1, 2017, any reference in this award document to a statutory provision that has been reclassified to the new Title 34 of the U.S. Code is to be read as a reference to that statutory provision as reclassified to Title 34. This rule of construction specifically includes references set out in award conditions, references set out in material incorporated by reference through award conditions, and references set out in other award requirements.

5. Required training: GJS-Point of Contact and all Financial Points of Contact

Both the Point of Contact (POC) and all Financial Points of Contact (FPOCs) for this award must have successfully completed at OJP" financial management and grant administration training" by 120 days after the date of the recipient's acceptance of the award. Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

In the event that either the POC or an FPOC for this award changes during the period of performance, the new POC or FPOC must have successfully completed at OJP financial management and grant administration training" by 120 calendar days after—(1) the date of OJP's approval of the "Change in Financial Point of Contact" (GJS Change in FPPOC) (in the case of a new POC), or (2) the date the POC enters information on the new FPPOC in GAMS (in the case of a new FPPOC). Successful completion of such a training on or after January 1, 2016, will satisfy this condition.

A list of OJP trainings that OJP will consider "Administration and Grant Management Training" for purposes of this condition is available at https://ojp.gov/training/invitations.htm. All trainings that satisfy this condition include a session on grant fraud prevention and detection.

The recipient should anticipate that OJP will immediately withhold ("freeze") award funds if the recipient fails to comply with this condition. The recipient's failure to comply also may lead OJP to impose additional appropriate conditions on this award.

6. Requirements related to "de minimis" indirect cost rate

A recipient that is eligible under the Part 206 Uniform Requirements and other applicable law to use the "de minimis" indirect cost rate described in 3 C.F.R. 206.4(f), and that elects to use the "de minimis" indirect cost rate, must advise OJP in writing of both its eligibility and its election, and must comply with all applicable requirements in the Part 206 Uniform Requirements. The "de minimis" rate may be applied only to modified total direct costs (MTDC) as defined by the Part 206 Uniform Requirements.
7. Requirement to report potentially duplicative funding.

If the recipient currently has other active awards of federal funds, or if the recipient receives any other award of federal funds during the period of performance for this award, the recipient promptly must determine whether funds from any of these other federal awards have been, are being, or are to be used (in whole or in part) for one or more of the identical cost items for which funds are provided under this award. If so, the recipient must promptly notify the DOJ awarding agency (OJP or CVV, as appropriate) in writing of the potential duplication, and, if so requested by the DOJ awarding agency, must seek a budget modification or change-of-project-scope grant adjustment notice (GAN) to eliminate any inappropriate duplication of funding.

8. Requirements related to System for Award Management and Universal Identifier Requirements

The recipient must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at https://www.sam.gov/. This includes applicable requirements regarding registration with SAM, as well as maintaining the currency of information in SAM.

The recipient also must comply with applicable restrictions on subawards ("subgrantees") to first-tier subrecipients (first-tier "subgrantees"), including restrictions on subawards to entities that do not acquire and provide (to the recipient) the unique entity identifier required for the SAM registration.

The details of the recipient's obligations related to SAM and to unique entity identifiers are posted on the OJP website: https://ojp.gov/funding/ReplaceSAM.htm (Award condition: System for Award Management (SAM) and Universal Identifier Requirements), and are incorporated by reference here.

This condition does not apply to an award to an individual who received the award as a natural person (i.e., unrelated to any business or non-profit organization that he or she may own or operate in his or her name).

9. Requirement to report actual or imminent breach of personally identifiable information (PII)

The recipient (and any "subawardee" at any tier) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if it (or a subawardee) -- 1) creates, collects, uses, processes, stores, maintains, disseminates, discloses, or disposes of "personally identifiable information (PII)" (2 CFR 200.79) within the scope of an OJP grant-funded program or activity, or 2) uses or operates a "Federal information system" (OMB Circular A-130). The recipient's breach procedures must include a requirement to report actual or imminent breach of PII to an OJP Program Manager no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

10. All subawards ("subgrantees") must have specific federal authorization

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements for authorization of any subaward. This condition applies to agreements that -- for purposes of federal grants administrative requirements -- OJP considers a "subaward" (and therefore does not consider a procurement "contract").

The details of the requirement for authorization of any subaward are posted on the OJP website at https://ojp.gov/funding/Replace/SubawardAuthorization.htm (Award condition: All subawards ("subgrantees") must have specific federal authorization), and are incorporated by reference here.
SPECIAL CONDITIONS

11. Specific post-award approval required to use a noncompetitive approach in any procurement contract that would exceed $150,000.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements to obtain specific advance approval to use a noncompetitive approach in any procurement contract that would exceed the Simplified Acquisition Threshold (currently, $150,000). This condition applies to all agreements that -- for purposes of federal grants administrative requirements -- QIP considers a procurement "contract" (and therefore does not consider a subaward).

The details of the requirement for advance approval to use a noncompetitive approach in a procurement contract under an OJP award are posted on the OJP web site at https://ojjp.govfunding/Explore/NoncompetitiveProcurement.htm (Award condition: Specific post-award approval required to use a noncompetitive approach in a procurement contract (if contract would exceed $150,000)), and are incorporated by reference here.

12. Requirements pertaining to prohibited conduct related to trafficking in persons (including reporting requirements and OJP authority to terminate award).

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking in persons, whether on the part of the recipient, subrecipient ("subgrantee"), or individuals defined for purposes of this condition as "employees" of the recipient or of any subrecipient.

The details of the recipient's obligations related to prohibited conduct related to trafficking in persons are posted on the OJP web site at https://ojjp.govfunding/Explore/ProhibitedConduct-Trafficking.htm (Award condition: Prohibited conduct by recipients and subrecipients related to trafficking in persons (including reporting requirements and OJP authority to terminate awards)), and are incorporated by reference here.

13. Compliance with applicable rules regarding approval, planning, and reporting of conferences, meetings, trainings, and other events.

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable laws, regulations, policies, and OJP guidance (including specific cash limits, prior approval, and reporting requirements, including the proportion of food and beverages at such conferences, and costs of attendance at such conferences).

Information on the pertinent DOJ definition of conferences and the rules applicable to this award appears in the DOJ Grants Financial Guide (currently, as section 2.10 of "Postaward Requirements" in the "DOJ Grants Financial Guide").

14. Requirement for data on performance and effectiveness under this award.

The recipient must collect and maintain data that measure the performance and effectiveness of work under this award. The data must be provided to OJP in the manner (including within the timeframes) specified by OJP in the program solicitation or other applicable written guidance. Data collection supports compliance with the Government Performance and Results Act (GPRA) and the GPRA Modernization Act of 2010, and other applicable laws.

15. QIP Training Guidelines Principles.

Any training or training materials that the recipient, or any subrecipient ("subgrantee") at any tier -- develops or delivers with QIP award funds must adhere to the QIP Training Guidelines Principles for Grantees and Subgrantees, available at https://ojjp.govfunding/Implement/TrainingGuidelinesForGrantees-Subgrantees.htm.
16. Effect of failure to address audit issues

The recipient understands and agrees that the DOJ awarding agency (OJP or OVW, as appropriate) may withhold award funds, or may impose other related requirements, if (as determined by the DOJ awarding agency) the recipient does not substantially and promptly address outstanding issues from audits required by the Part 200 Uniform Requirements (or by the terms of this award), or other outstanding issues that arise in connection with audits, investigations, or reviews of DOJ awards.

17. Potential imposition of additional requirements

The recipient agrees to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this award, if the recipient is designated as "high-risk" for purposes of the DOJ high-risk grantee list.

18. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 42

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

19. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 54

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 54, which relate to nondiscrimination on the basis of sex in certain "education programs."

20. Compliance with DOJ regulations pertaining to civil rights and nondiscrimination - 28 C.F.R. Part 38

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable requirements of 28 C.F.R. Part 38, specifically including any applicable requirements regarding written notices to program beneficiaries and prospective program beneficiaries.

Among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, or refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38 also sets out rules and requirements that pertain to recipient and subrecipient ("subgrantee") organizations that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to recipients and subrecipients that are faith-based or religious organizations.

The text of the regulation, now entitled "Partnerships with Faith-Based and Other Neighborhood Organizations," is available via the Electronic Code of Federal Regulations (currently accessible at https://www.ecfr.gov/cgi-bin/ecfr?node=t02-00-j0-p0 and browse to Title 28-Judicial Administration, Chapter 1, Part 38, under 4C.F.R. "Current" date.

GJP FORM 4066-2 (REV. 4-08)
SPECIAL CONDITIONS

21. Restrictions on "lobbying"

In general, as a matter of federal law, federal funds awarded by OJP may not be used by the recipient, or any subrecipient ("subgrantee") at any tier, either directly or indirectly, to support or oppose the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government. See 18 U.S.C. 1913. (There may be exceptions if an applicable federal statute specifically authorizes certain activities that otherwise would be barred by law.)

Another federal law generally prohibits federal funds awarded by OJP from being used by the recipient, or any subrecipient at any tier, to pay any person to influence (or attempt to influence) a Federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of these prohibitions, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

22. Compliance with general appropriations-law restrictions on the use of federal funds (FY 2018)

The recipient, and any subrecipient ("subgrantee") at any tier, must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, including from various "general provisions" in the Consolidated Appropriations Act, 2018, are set out at https://ojp.gov/finding/Explore/FY18/AppropriationsRestrictions.htm, and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by a recipient (or subrecipient) would or might fall within the scope of an appropriations-law restriction, the recipient is to contact OJP for guidance, and may not proceed without the express prior written approval of OJP.

23. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Under certain circumstances, recipients of OJP awards are required to report information about such proceedings, through the Federal System for Award Management (known as "SAM"), to the designated federal integrity and performance system (currently, *FAPIS*).

The details of recipient obligations regarding the reporting of information on certain civil, criminal, and administrative proceedings to the federal designated integrity and performance system (currently, *FAPIS*) within SAM are posted on the OJP web site at https://ojp.gov/public/PPPAPIS.htm (Award condition: Recipient Integrity and Performance Matters, including Recipient Reporting to FAPIS), and are incorporated by reference here.
