\$560,720

NOTES:

1. Center for Family and Child Enrichment, Inc. - funding recommendation amount was based on the agency reducing expenses for program supplies, office supplies, equipment and travel.
2. Family & Children Faith Coalition was recommended for funding because the agency is using a new evidence-based model and serving West Little River.

Notes:

[^] By consensus, the Committee recommended funding at these percentages of the request

* The Public Health Trust of Miami-Dade was given 100% of its requested amount after a review of their budget revealed that funds requested would be used to fund a 0.5 FTE Social Worker to assist 45 critically ill and disabled children. It did not appear to the evaluation committee that the work could be done by further reducing the agency's award.
