Dear Ryan White Part A and/or MAI-funded Subrecipient:

**RE: Ryan White Part A Program Minimum Primary Medical Care Standards - Revised**

Effective October 30, 2020, the Miami-Dade HIV/AIDS Partnership's Executive Committee approved changes to the Minimum Primary Medical Care Standards, which is attached for your information and immediate distribution. This document underwent significant edits and should be reviewed in its entirety.

This document is reviewed and revised periodically by the Miami-Dade HIV/AIDS Partnership and its Medical Care Subcommittee. It is imperative that this revised version be carefully reviewed and understood by direct service staff and conveyed appropriately to Ryan White Part A and MAI Program clients as appropriate. These standards will be added to the local Ryan White Program website by Monday, December 7, 2020.

As a reminder, the Ryan White Program is payer of last resort. If a client qualifies for and can access a Ryan White Part A/MAI Program-allowable service from any other payer source(s), the client must obtain such service from the other source(s), not Part A or MAI.

If further clarification is needed regarding the information in this letter or the recent changes, please contact Ana M. Nieto, Contracts Officer, at [Ana.Nieto@miamidade.gov](mailto:Ana.Nieto@miamidade.gov). Thank you for your continued cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Daniel T. Wall".
