SENT VIA ELECTRONIC MAIL

Dear Ryan White Part A and/or MAI-funded Subrecipient:

RE: Ryan White Part A Program Minimum Primary Medical Care Standards - Revised

Effective July 15, 2019, the Miami-Dade HIV/AIDS Partnership approved significant changes to the Minimum Primary Medical Care Standards, which is attached for your information and immediate distribution. In addition to a change in the title, this document underwent significant edits and should be reviewed in its entirety.

This document is reviewed and revised periodically by the Miami-Dade HIV/AIDS Partnership and its Medical Care Subcommittee. It is imperative that all revisions to be carefully reviewed and understood by direct service staff and conveyed appropriately to Ryan White Part A and MAI Program clients as appropriate. These standards will be added to the local Ryan White Program website by Friday, July 19, 2019.

As a reminder, the Ryan White Program is payer of last resort. If a client qualifies for and can access a Ryan White Part A/MAI Program-allowable service from any other payer source(s), the client must obtain such service from the other source(s), not Part A or MAI.

If further clarification is needed regarding the information in this letter or the recent changes, please contact Ana M. Nieto, Contracts Officer, or Carla Valle-Schwenk, Program Administrator, at (305) 375-4742. Thank you for your continued cooperation.

Sincerely,
