Dear Ryan White Part A and/or MAI-funded Subrecipient:

**RE: Ryan White Part A Program Allowable Medical Conditions List and Minimum Primary Medical Care Standards for Chart Review - Revised**

Effective March 19, 2018, the Miami-Dade HIV/AIDS Partnership approved changes to the following documents, which are attached for your information and immediate distribution:

- **Miami-Dade County Ryan White Program Allowable Medical Conditions List**
  - Added clarification of allowable Mental Health Services and Psychiatry Services.
  - Added clarification of avascular necrosis of the knee under the Orthopedic/Rheumatology section.
- **Minimum Primary Medical Care Standards for Chart Review**
  - Added items 2.f. and 4.g. under Assessments and Referrals, Initial and Annual, respectively, as follows: "Wellness exam for females".
  - Under General Health including Labs:
    - Added clarification to item 27, Gynecological Exams.
    - Added item 30, Annual Wellness Visit (females).

These documents are reviewed and revised periodically by the Miami-Dade HIV/AIDS Partnership and its Medical Care Subcommittee. It is imperative that all revisions to these documents, when applicable, be carefully reviewed and understood by direct service staff and conveyed appropriately to Ryan White Part A and MAI Program clients when needed. These documents will be added to the local Ryan White Program website by Monday, April 2, 2018.

As a reminder, the Ryan White Program is payer of last resort. If a client qualifies for and can access a Ryan White Part A/MAI Program-allowable service from any other payer source(s), the client must obtain such service from the other source(s), not Part A or MAI.

If further clarification is needed regarding the information in this letter or the recent changes, please contact Ana M. Nieto, Contracts Officer, or Carla Valle-Schwenk, Program Administrator, at (305) 375-4742. Thank you for your continued cooperation.

Sincerely,

Daniel T. Wall  
Assistant Director
