**Subject:** Recommendation for Approval of the Execution of the Master Development Agreement and Ground Lease to RUDG, LLC, and its Affiliates; Pursuant to Work Order Proposal Request (WOPR) No. 01295-02, Redevelopment of County Properties Under the Rental Assistance Demonstration (RAD) Program

---

## **Executive Summary**

On February 1, 2021, the County solicited proposals under Work Order Proposal Request No. 01295-02, Redevelopment of County Properties Under the Rental Assistance Demonstration (RAD) Program for the Public Housing and Community Development Department (Department) from the prequalified developer pool for the redevelopment of certain County properties, more specifically, Palmetto Gardens, Venetian Gardens and Opa-Locka Elderly (Group1); and Falk Turnkey, Little Havana Homes and Jose Marti Plaza (Group 2) (WOPR). On January 19, 2022, the Board of County Commissioners ("Board") adopted Resolution No. R-24-22, which awarded RUDG, LLC and its affiliates development rights of Falk Turnkey, Little Havana Homes and Jose Marti Plaza ("Group 2" or "project sites"). This item recommends that the Board retroactively authorize the County Mayor or County Mayor's designee's action in executing the option to enter into a ground lease with RUDG, LLC or its assignee, Jose Marti Villas, LLC (collectively "RUDG"), that evidences and preserves site control as required by the United States Department of Housing and Urban Development (HUD) and the Florida Housing Finance Corporation (FHFC). This item also seeks the Board's approval to authorize the County Mayor or County Mayor's designee to execute the master development agreement (MDA) with RUDG, and approve and authorize the execution of the 75-Year Ground Lease ("lease") with RUDG, and any agreements or documents as may be required by the FHFC, and other related agreements with RUDG, subject to approval of the HUD, for the redevelopment of the project sites pursuant to the WOPR.

## **Recommendation**

It is recommended that the Board of County Commissioners ("Board"):

1. Retroactively authorize the County Mayor or County Mayor's designee's action in executing the option to enter into a ground lease with RUDG that evidences and preserves site control as required by HUD and FHFC;
2. Authorize the County Mayor or County Mayor's designee to take any additional steps required by FHFC or other funding source to preserve RUDG's site control of the project sites until such time as HUD has approved the lease;
3. In accordance with section 125.35, Florida Statutes, and subject to HUD's approval, approve and authorize the County Mayor or County Mayor's designee to: (a) execute a lease with RUDG in the total estimated amount of \$45,993,947.13, inclusive of a lump sum ground lease payment of \$535,500.00; a 20 percent annual net cash flow from the project starting the first year of positive cash flow after payment of any deferred developer fees until the end of the lease term, estimated at \$40,850,443.00; and as established under the master development

agreement (MDA), a payment of 31 percent of the developer fees estimated at \$2,563,273.13; a one-time asset management fee of \$2,044,731.00; monthly Davis Bacon monitoring fees in the amount of \$2,500.00, estimated at \$60,000.00; and 30 percent of the net proceeds of the sale or refinance of the subject property; and (b) exercise all provisions contained therein, including, but not limited to, termination and technical and non-substantive amendment provisions;

4. Authorize the County Mayor or County Mayor's designee to execute the MDA, and exercise all provisions contained in the MDA, including, but not limited to: (a) termination provisions, (b) technical and non-substantive amendment provisions; (c) reviewing and approving documents, plans, any and all other requests required of, or allowed by, RUDG, its sublessees or assignees to be submitted to County; (d) consenting to actions, events, and undertakings by RUDG or extensions of time periods for which consent is required by County, including, but not limited to, extensions of time for the performance of any obligation by County; (e) executing any and all documents on behalf of County necessary or convenient to the foregoing approvals, consents, and appointments; (f) assisting RUDG with and executing on behalf of the County any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, permits or other approvals to accomplish the construction of any and all improvements in and redevelopment of the project sites; (g) executing joinders and consents to easement and access agreements, for the purposes of granting any needed non-exclusive vehicular and/or pedestrian ingress and egress access routes and for any parking within and throughout the project sites; and (h) amending the MDA to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of the MDA;
5. Subject to HUD's approval, authorize the County Mayor or County Mayor's designee to execute any and all necessary RAD and/or mixed-finance and related agreements and any and all other documents related to necessary for the development, management, and operation of the project sites;

8. Waive Resolution No. R-130-06 and Implementing Order 8-4 that requires the lease to be fully negotiated and executed prior to placement on the Board's agenda because the lease must be approved by HUD prior to its execution.

**Scope**

The scope of this item is countywide in nature; however, the project sites are located in District 5, which is represented by Commissioner Eileen Higgins.

**Fiscal Impact/Funding Source**

There is no fiscal impact to the County related to the execution of the option to enter into a ground lease or similar instrument and the MDA. However, there will be a positive fiscal impact to the County for approving and executing the lease, which will result in revenue sharing and capital improvements to the project as further described below. It is estimated that through the leasing of the project sites the County will receive a total estimated amount of \$45,993,947.13, inclusive of a lump sum ground lease payment of \$535,500.00; and a 20 percent annual net cash flow from the project starting the first year of positive cash flow after payment of any deferred developer fees until the end of the lease term, estimated at \$40,850,443.00. Further, as established under the MDA, the County will receive 31 percent of developer fees estimated at \$2,563,273.13; a one-time asset management fee of \$2,044,731.00; monthly Davis Bacon monitoring fees in the amount of \$2,500.00, estimated at \$60,000.00; and 30 percent of the net proceeds of the sale or refinance of the subject property.

**Track Record/Monitor**

Alex Ballina, Director of Public Housing and Community Development Department (Department) is the project manager and Indira Rajkumar-Futch is the Procurement Contracting Manager. They along with the Department staff will monitor compliance with the agreements described herein.

**Delegated Authority**

Upon the approval of this item, the County Mayor or County Mayor's designee will be authorized to: (1) execute such agreements or documents as may be required by HUD and FHFC, including, but not limited to, an option to enter into a ground lease or similar instrument with RUDG to evidence and preserve site control, and to take any additional steps required by FHFC to preserve RUDG's site control of the project sites until such time as HUD has approved the lease; and (2) execute the lease, subject to HUD's approval, and MDA, and to exercise all provisions contained therein including, but not limited to, termination and technical and non-substantive amendment provisions. Further, the County Mayor or County Mayor's designee will further have the authority to (a) review and approve documents, plans, any and all other requests required of, or allowed by, RUDG, its sublessees or assignees, to be submitted to County; (b) consent to actions, events, and undertakings by RUDG or extensions of time periods for which consent is required by County, including, but not limited to, extensions of time for the performance of any obligation by County; (c) execute any and all documents on behalf of County necessary or convenient to the foregoing approvals, consents, and appointments; (d) assist RUDG with and execute on behalf of the County any applications or other documents, needed to comply with applicable regulatory procedures and to secure financing, permits or other approvals to accomplish the construction of any and all improvements in and redevelopment of the project sites; (e) execute joinders and consents to easement and access agreements, for the purposes of granting any needed non-exclusive vehicular and/or pedestrian ingress and egress access routes and for any parking within and throughout the project; and (f) amend the MDA to correct any typographical or non-material errors, to address revisions or supplements hereto of a non-material nature or to carry out the purposes of the MDA. The County Mayor or County Mayor's designee will also have the authority to: (a) subject to HUD's approval, execute any and all necessary RAD and/or mixed-finance and related agreements and any and all other documents related to necessary for the development, management, and operation of the project sites; (b) submit a demolition and/or disposition application to HUD, if required, for the project for the purpose of demolishing and disposing of the existing building located on the project sites; (c) execute amendments to the ACCs, if required; (d) execute

any agreement, release from declarations of trust, and any other documents on behalf of the County, subject HUD's approval; (e) and exercise amendments, modification, cancellations and termination clauses.

### **Background**

The redevelopment of the project sites is part of the County's effort to re-develop, modernize, and financially stabilize most of the County's public housing units through the RAD program, which is a federal program that allows public housing authorities to convert public housing, which have been facing significant federal funding decreases, to a more financially stable Section 8 project-based funding model. Through the RAD conversion process, public housing can be modernized through redevelopment projects that are able to leverage additional financing from public and private sources, public housing units are replaced on a one-for-one basis. Further, current residents are afforded certain resident protection rights, including, but not limited to, the right to return to the new developments.

In March 2019, the County obtained a portfolio award from HUD which allowed the County to redevelop 6,426 of its existing public housing units, including the project sites, through the RAD conversion process. Subsequently, the County's portfolio award was amended to increase the total number of units converted through RAD to 7,718.

On April 7, 2020, the Board adopted Resolution No. R-298-20, which approved a pool of prequalified developers in accordance with RFQ-01295, Redevelopment of County Properties Under the RAD Program Pool. The County advertised a WOPR to obtain proposals from the pool members for the redevelopment of public housing properties, which consist of the following groups: Group 1 - Palmetto Gardens, Venetian Gardens and Opa-Locka Elderly; and Group 2, which included the project sites. On January 19, 2022, the Board adopted Resolution No. R-24-22, which awarded development rights to RUDG and authorized the execution of an 11-month ground lease with RUDG. However, in September 2022, HUD issued a notice to all public housing agencies, including the County, and housing finance authorities, instructing them to avoid executing ground leases when a developer is seeking low-income tax credits or other funding because the execution of such leases would trigger a violation of the ACC with HUD and raise environmental concerns. Notwithstanding this directive, the notice authorizes public housing agencies to execute options to enter into ground leases. Therefore, this item seeks approval of the lease option agreement, which is attached to the resolution.

Additionally, this item seeks authorization to execute the MDA, and the lease subject to HUD's approval. Pursuant to the MDA and the lease, RUDG has agreed to construct a development that will consist of approximately 279 mixed-income units, which will include 131 RAD units to replace the existing 121 public housing units. RUDG has also agreed to the following financial terms associated with Phase 1 of the project. RUDG will pay the County (a) a ground lease payment of \$45,993,947.13, inclusive of a lump sum ground lease payment of \$535,500.00; and (b) a 20 percent annual net cash flow from the project starting the first year of positive cash flow after payment of any deferred developer fees until the end of the lease term, estimated at \$40,850,443.00. Additionally, as established under the MDA, RUDG will pay the County (a) a 31 percent of developer fees estimated at \$2,563,273.13; (ii) a one-time asset management fee of \$2,044,731.00; (b) monthly Davis Bacon monitoring fees in the amount of \$2,500.00, estimated at \$60,000.00; and (c) 30 percent of the net proceeds of the sale or refinance of the subject property.

RUDG has also agreed to set aside a unit for security guards to provide 24/7 onsite security vigilance services. RUDG has further agreed to provide certain community benefits, which include a commitment

by RUDG to provide a minimum of 50 percent of the value of the construction subcontracts to Section 3 certified or certified small business, disadvantage enterprises, small minority and women business enterprises and labor surplus area firms. In addition, RUDG has agreed to ensure that a minimum of 35 percent of the permanent and construction jobs are provided to Section 3 eligible residents and Section 3 targeted zip code residents. In the event, RUDG fails to comply with the community benefits, then RUDG will be required to pay liquidated damages to the County.

Expediting the approval process is consistent with the Department's need to provide assurances to HUD that the County is making significant progress on the RAD program. As required by the RAD program, the Department continues to explain the RAD program to residents to hear their concerns and to answer any questions. The Department is also required by HUD to have a series of at least four meetings with the community throughout the execution of the project. This requirement also complies with the Board's Rules of Procedure. The Department has had a total of seven meetings with the community. The first and second meetings for Jose Marti Villas residents took place on May 11, 2020, and May 13, 2020, respectively. The first and second meetings for Little Havana Homes residents took place on May 12, 2020, and May 14, 2020, respectively. The first and second meetings for Falk Turnkey residents took place on October 9, 2020, and October 15, 2020, respectively. The six meetings were held virtually in ZOOM due to the Covid-19 Pandemic. Additionally, on May 12, 2022, there was a seventh meeting that was held in person with the residents and the community of all three sites. The Department is planning to have at least four additional meetings with residents. In addition, the Department requires that RUDG to establish a grievance and care procedure to address any of the resident's and community's concerns through the process of redeveloping the project sites.

## ARTICLE II

### PREMISES AND TERM

Landlord leases and demises to Tenant and its successors and assigns, subject to and with the benefit of the terms, covenants, conditions and provisions of this Lease, the Land for the Term unless sooner terminated in accordance with the provisions contained in this Lease.

## ARTICLE III

### ANNUAL RENT AND CAPITALIZED PAYMENT

3.1. Annual Rent. Tenant covenants and agrees to pay to Landlord as rent under this Lease:

- (i) an annual rental amount equal to twenty percent (20%) of the available (net) cash flow that is distributable by Tenant to its manager, beginning the

first year of positive cash flow after full payment of any deferred developer fees ("**Annual Rent**"), and

**Annual Rent:** Annual Rent shall be payable within ninety (90) days following the end of the Project's fiscal year. Any portion of the Annual Rent not paid with respect to any given year shall be accrued to the following year. Payment shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development Department, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein.

3.2. Capitalized Payment. Tenant covenants and agrees to pay to Landlord as rent under this Lease:

- (i) a one-time capitalized lease payment, to be paid upon the Commencement Date in the amount of \$535,500.00 (the "**Capitalized Payment**"), which amount is calculated by multiplying the number of units (i.e., 153) times \$3,500.00, payable on the Commencement Date.

**Capitalized Payment:** If greater or fewer than 153 units are constructed at the Premises, the Capitalized Payment shall be adjusted on a unit-for-unit basis. Payment shall be made payable to the Board of County Commissioners, c/o Public Housing and Community Development Department, 701 N.W. 1st Court, 16th Floor, Miami, Florida 33136, or at such other place and to such other person as Landlord may from time to time designate in writing, as set forth herein.

3.3. Surrender. Upon the expiration of this Lease by the passage of time or otherwise, Tenant will quietly yield, surrender and deliver up possession of the Premises to Landlord. In the event Tenant fails to vacate the Premises and remove such personal property as Tenant is allowed to remove from the Premises at the end of the Term, or at the earlier termination of this Lease, Landlord shall be deemed Tenant's agent to remove such items from the Premises at Tenant's sole cost and expense. Furthermore, should Tenant fail to vacate the Premises in accordance with the terms of this Lease at the end of the Term, or at the earlier termination of this Lease, the Tenant shall pay to Landlord a charge for each day of occupancy after expiration or termination of the Lease in an amount equal to 150% of Tenant's Rent prorated on a daily basis. Such charge shall be in addition to any actual damages suffered by Landlord by Tenant's failure to vacate the Premises, for which Tenant shall be fully liable, it being understood and agreed, however, that Tenant shall under no circumstances be liable to Landlord for any incidental, indirect, punitive or consequential damages (including, but not limited to, loss of revenue or anticipated profits).

3.4. Utilities. Tenant shall pay or cause to be paid all charges for water, gas, sewer, electricity, light, heat, other energy sources or power, telephone or other service used, rendered or supplied to Tenant in connection with the Premises.

3.5. Other. Tenant covenants to pay and discharge, when the same shall become due all other amounts, liabilities, and obligations which Tenant assumes or agrees to pay or discharge pursuant to this Lease, together with every fine, penalty, interest and cost which may be added for nonpayment or late payment thereof (provided that Tenant shall not be liable for any payment or portion thereof which Landlord is obligated to pay and which payment Landlord has failed to make when due); and, in the event of any failure by Tenant to pay or discharge the foregoing, Landlord shall have all the rights, powers and remedies provided herein, by law or otherwise in the case of nonpayment of Rent.

3.6. Taxes. Tenant understands and agrees that as a result of the Landlord's fee ownership of the Premises, for State law purposes, the Premises may become exempt from any ad valorem taxes. Landlord represents to Tenant that any such exemption should remain in effect notwithstanding that Landlord is entering into this Lease. However, during the Term of this Lease, should, for any reason whatsoever, the Premises become exempt and then again become subject to ad valorem taxes or any other real estate taxes, fees, impositions and/or charges imposed during the Term and any Extensions upon the Premises and the building and/or other improvements constructed on the Premises by Tenant ("Real Estate Taxes"), Tenant shall be required to pay all Real Estate Taxes, prior to delinquency without notice or demand and without set-off, abatement, suspension or deduction. In the event that the folio identification number applicable to the Premises shall also contain other property not specifically included in, or a part of, the Premises, then Tenant shall only be required to pay the portion of such taxes exclusively attributable to the Premises. In addition, Tenant shall be required to pay for any water, electric, sewer, telephone or other utility charges incurred by Tenant during the Term or any Extensions which are limited solely to the Premises and/or any structures and/or improvements thereon.

## **ARTICLE IV**

### **INDEMNITY, LIENS AND INSURANCE**

4.1. Indemnity for Tenant's Acts. Landlord shall continue to operate the Premises until the Commencement Date as provided in Section 5.1(b), below. From and after the Commencement Date, Tenant shall indemnify and hold harmless the Landlord and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the Landlord or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Lease by the Tenant or its employees, agents, servants, members, principals or subcontractors. Tenant shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the Landlord, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorneys' fees which may issue thereon, provided, however, nothing herein contained shall obligate or hold Tenant responsible prior to the Commencement Date for any costs, expenses, claims or demands made by any party associated with the Premises or for any claims stemming from Landlord's and/or its officers', employees' or agents' misconduct or negligence, unless such costs, expenses, claims or demands arise from the acts or omissions of the Tenant, its agents, contractors, employees, members, or invitees. Tenant expressly understands and agrees that any insurance protection required by this Lease or otherwise provided by Tenant shall in no way limit the responsibility to indemnify, keep and save harmless and defend the Landlord or its officers, employees, agents and instrumentalities as herein provided.

4.2. Landlord's Environmental Responsibility and Representations.

(a) Except to the extent that an environmental condition is aggravated or exacerbated by the negligent or willful acts or omissions of Tenant, its agents or contractors, Tenant shall not be responsible under this Lease for any claims, losses, damages, liabilities, fines, penalties, charges, administrative and judicial proceedings and orders, judgments, remedial action requirements, enforcement action of any kind, and all costs and expenses incurred in connection therewith arising out of: (i) the presence of any Hazardous Substances in, on, over, or upon the Premises first affecting the Premises as of or prior to the Commencement Date, whether now known or unknown; or (ii) the failure of Landlord or its agents or contractors prior to the Commencement Date to comply with any Environmental Laws relating to the

handling, treatment, presence, removal, storage, decontamination, cleanup, transportation or disposal of Hazardous Substances into, on, under or from the Premises at any time, whether or not such failure to comply was known or knowable, discovered or discoverable prior to the Commencement Date.

(b) Landlord represents and warrants to Tenant that, as of the date hereof:

1. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, neither the Land nor any part thereof has been used for the disposal of refuse or waste, or for the generation, processing, storage, handling, treatment, transportation or disposal of any Hazardous Substances;
2. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no Hazardous Substances have been installed, used, stored, handled or located on or beneath the Land, which Hazardous Substances, if found on or beneath the Land, or improperly disposed of off of the Land, would subject the owner or occupant of the Premises to damages, penalties, liabilities or an obligation to perform any work, cleanup, removal, repair, construction, alteration, demolition, renovation or installation in or in connection with the Premises (***Environmental Cleanup Work***) in order to comply with any Environmental Laws;
3. except as may be referenced in the Environmental Assessments, and to the best of Landlord's actual knowledge, no notice from any governmental authority or any person has ever been served upon Landlord, its agents or employees, claiming any violation of any Environmental Law or any liability thereunder, or requiring or calling any attention to the need for any Environmental Cleanup Work on or in connection with the Premises, and neither Landlord, its agents or employees has ever been informed of any threatened or proposed serving of any such notice of violation or corrective work order; and
4. except as may be referenced in the Environmental Assessments, and to the best of Landlord's knowledge, no part of the Land is affected by any Hazardous Substances contamination, which for purposes hereof, shall mean: (i) the contamination of any improvements, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on or of the Land by Hazardous Substances, or (ii) the contamination of the buildings, facilities, soil, subsurface strata, ground water, ambient air, biota or other elements on, or of, any other property as a result of Hazardous Substances emanating from the Land.

#### 4.3. Liens.

(a) Tenant agrees that it will not permit any mechanic's, materialmen's or other liens to stand against the Premises for work or materials furnished to Tenant it being provided, however, that Tenant shall have the right to contest the validity thereof. Tenant shall not have any right, authority or power to bind Landlord, the Premises or any other interest of the Landlord in the Premises and will pay or cause to be paid all costs and charges for work done by it or caused to be done by it, in or to the Premises, for any claim for labor or material or for any other charge or expense, lien or security interest incurred in connection with the development, construction or operation of the Improvements or any change, alteration or addition thereto. IN THE EVENT THAT ANY MECHANIC'S LIEN SHALL BE FILED, TENANT SHALL EITHER (A) PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW

OR (B) TRANSFER SUCH LIEN TO BOND WITHIN NINETY (90) DAYS FOLLOWING THE FILING THEREOF. NOTICE IS HEREBY GIVEN THAT LANDLORD SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE TENANT OR TO ANYONE HOLDING ANY OF THE PREMISES THROUGH OR UNDER THE TENANT, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE LANDLORD IN AND TO ANY OF THE PREMISES. THE LANDLORD SHALL BE PERMITTED TO POST ANY NOTICES ON THE PREMISES REGARDING SUCH NON-LIABILITY OF THE LANDLORD.

(b) Tenant shall make, or cause to be made, prompt payment of all monies due and legally owing to all persons, firms, and corporations doing any work, furnishing any materials or supplies or renting any equipment to Tenant or any of its contractors or subcontractors in connection with the construction, reconstruction, furnishing, repair, maintenance or operation of the Premises, and in all events will bond or cause to be bonded, with surety companies reasonably satisfactory to Landlord, or pay or cause to be paid in full forthwith, any mechanic's, materialmen's or other lien or encumbrance that arises, whether due to the actions of Tenant or any person other than Landlord, against the Premises.

(c) Tenant shall have the right to contest any such lien or encumbrance by appropriate proceedings which shall prevent the collection of or other realization upon such lien or encumbrance so contested, and the sale, forfeiture or loss of the Premises to satisfy the same; provided that such contest shall not subject Landlord to the risk of any criminal liability or civil penalty, and provided further that Tenant shall give reasonable security to insure payment of such lien or encumbrance and to prevent any sale or forfeiture of the Premises by reason of such nonpayment, and Tenant hereby indemnifies Landlord for any such liability or penalty. Upon the termination after final appeal of any proceeding relating to any amount contested by Tenant pursuant to this Section 4.3, Tenant shall immediately pay any amount determined in such proceeding to be due, and in the event Tenant fails to make such payment, Landlord shall have the right after five (5) business days' notice to Tenant to make any such payment on behalf of Tenant and charge Tenant therefor.

(d) Nothing contained in this Lease shall be construed as constituting the consent or request of Landlord, expressed or implied, to or for the performance of any labor or services or the furnishing of any materials for construction, alteration, addition, repair or demolition of or to the Premises or of any part thereof.

#### 4.4. Insurance Requirements.

Beginning on the Commencement Date and continuing until the expiration or earlier termination of the Term, Tenant shall at all times obtain and maintain, or cause to be maintained, insurance for Tenant and the Premises as described in Exhibit B.

### ARTICLE V

#### **USE OF PREMISES; COVENANTS RUNNING WITH THE LAND**

##### 5.1. Use; Covenants.

(a) Tenant and Landlord agree that Tenant shall construct or rehabilitate multifamily residential housing for low-income, family, elderly, disabled, special needs or other population and uses acceptable to the County on the Land after HUD's approval of Landlord's disposition application and/or all applicable RAD or mixed-finance agreements and documents.

(b) Tenant covenants, promises and agrees that during the Term of this Lease it shall not devote the Premises or any part thereof to uses other than those consistent with this Lease and the requirements of all applicable documents to be executed between Landlord and Tenant (collectively, the "Landlord/Tenant Documents"). Without limiting the generality of the foregoing sentence, or the duration of the use restrictions applicable during the Term, Tenant covenants, promises and agrees that:

(i) 12% of the units in the Premises will be set aside for occupancy by residents earning at or below 60% AMI.

(ii) 16% of the units in the Premises will be set aside for occupancy by residents earning between 60% to 80% AMI.

(iii) 72% of the units in the Premises will be set aside for occupancy by RAD/PBV units.

(iv) It will (a) enter into the RAD HAP Contract when the same is presented by Landlord; (b) apply to Landlord for renewal of the RAD HAP Contract not later than ninety (90) days prior to the expiration of the RAD HAP Contract or any extension thereof, and (c) accept renewal of the RAD HAP Contract; and failure to do so will be considered a default under this Lease;

(v) During the Term, Tenant will operate and maintain the RAD Units in accordance with the requirements of the RAD Program for so long as the RAD Use Agreement and RAD HAP Contract so require, except to the extent that any requirement may be specifically waived in writing by Landlord and/or HUD, as appropriate; and

(vi) Neither the Improvements, nor any part thereof, may be demolished other than (1) in accordance with the RAD Requirements and with prior written approval of Landlord or (2) as part of a restoration from a casualty. Tenant is required to maintain insurance sufficient to cover full replacement of the Improvements and any shortfall shall be the sole obligation of the Tenant to fund.

Notwithstanding the foregoing, prior to the Commencement Date, the Tenant agrees that Landlord shall have a continued right of entry onto the Premises for the purposes of the Landlord's continued operation of the Improvements and maintenance of the Premises during the period prior to the Commencement Date. Landlord shall, during this period, continue to operate the Improvements in the manner in which Landlord has operated them prior to the Lease Date and shall be responsible for all aspects of maintaining, leasing, operating, insuring and administering the Premises. If, prior to the Commencement Date, the Premises is destroyed or damaged, or becomes subject to a taking by virtue of eminent domain, to any extent whatsoever, Tenant may, in its sole discretion, terminate this Lease by written notice to the Landlord, whereupon neither party hereto shall have any further rights or obligations hereunder.

(c) The provisions of the Applicable Public Housing and/or RAD Requirements and this Section 5.1 are intended to create a covenant running with the land and, subject to the terms and benefits of the Applicable Public Housing and/or RAD Requirements, to encumber and benefit the Premises and to bind for the Term Landlord and Tenant and each of their successors and assigns and all subsequent owners of the Premises, including, without limitation, any entity which succeeds to Tenant's interest in the Premises by foreclosure of any Permitted Leasehold Mortgage or instrument in lieu of foreclosure.

(d) In the event of a conflict between the RAD Requirements and this Lease, the RAD Requirements shall govern.

## 5.2. Residential Improvements.

(a) Tenant shall construct the Improvements on the Land in conformance with the Plans and Specifications. Tenant shall cause the Improvements to be substantially completed and placed in service in accordance with the Landlord/Tenant Documents. Tenant shall construct the Improvements and make such other repairs, renovations and betterments to the Improvements as it may desire (provided that such renovations and betterments do not reduce the number of units or bedroom count at the Premises) all at its sole cost and expense, in accordance with (i) the Landlord/Tenant Documents and (ii) any mortgage encumbering the Tenant's leasehold estate, in a good and workmanlike manner, with new materials and equipment whose quality is at least equal to that of the initial Improvements, and in conformity with all applicable federal, state, and local laws, ordinances and regulations. Tenant shall apply for, prosecute, with reasonable diligence, procure or cause to be procured, all necessary approvals, permits, licenses or other authorizations required by applicable governmental authorities having jurisdiction over the Improvements for the construction and/or rehabilitation, development, zoning, use and occupation of the Improvements, including, without limitation, the laying out, installation, maintenance and replacing of the heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems, fixtures, wires, pipes, conduits, equipment and appliances and water, gas, electric, telephone, drain and other utilities that are customary in developments of this type for use in supplying any such service to and upon the Premises. Landlord shall, without expense to Landlord absent consent therefor, cooperate with Tenant and assist Tenant in obtaining all required licenses, permits, authorizations and the like, and shall sign all papers and documents at any time needed in connection therewith, including without limitation, such instruments as may be required for the laying out, maintaining, repairing, replacing and using of such services or utilities. Any and all buildings, fixtures, improvements, trade fixtures and equipment placed in, on, or upon the Premises shall remain the sole and exclusive property of Tenant and its subtenants, notwithstanding their affixation to, annexation to, or incorporation into the Premises, until the termination of this Lease, at which time title to any such buildings, fixtures, Improvements trade fixtures and equipment that belong to Tenant shall vest in Landlord.

(b) Tenant shall take no action to effectuate any material amendments, modifications or any other alterations to the Development Proposals and applications, Plans and Specifications, or to increase the total number of RAD Units and/or other units, and/or other uses on the Land, unless authorized in accordance with the Landlord/Tenant Documents or otherwise approved by Landlord in writing and in advance.

## 5.3. Tenant's Obligations.

(a) Tenant shall, at its sole cost and expense, maintain the Premises, reasonable wear and tear excepted, and make repairs, restorations, and replacements to the Improvements, including without limitation the landscaping, irrigation, heating, ventilating, air conditioning, mechanical, electrical, elevator, and plumbing systems; structural roof, walls, floors and foundations; and the fixtures and appurtenances as and when needed to preserve them in good working order and condition, and regardless of whether the repairs, restorations, and replacements are ordinary or extraordinary, foreseeable or unforeseeable, capital or non-capital, or the fault or not the fault of Tenant, its agents, employees, invitees, visitors, and contractors. All such repairs, restorations, and replacements will be in quality and class, as elected by Tenant, either equal to or better than the original work or installations and shall be in accordance with all applicable building codes.

(b) Tenant may make any alterations, improvements, or additions to the Premises as Tenant may desire, if the alteration, improvement, or addition will not change the use of the Property as multifamily housing and there is no resulting reduction in housing units required at the Property, or

permanent reduction of Project amenities and such alterations, improvements or additions to the Premises comply with applicable law and do not impair the value of the Project. Tenant shall, prior to commencing any such actions, give notice to Landlord and provide Landlord with complete plans and specifications therefor.

(c) Tenant shall complete the Development in the Premises within the timeframes/milestones as described in Exhibit C as such timeframes/milestones may be extended by the Landlord. Exhibit C shall be updated on or before the Commencement Date.

#### 5.4. Compliance with Law.

(a) Tenant shall, at its expense, perform all its activities on the Premises in compliance, and shall cause all occupants of any portion thereof to comply, with all applicable laws (including but not limited to section 255.05, Florida Statutes), ordinances, codes and regulations affecting the Premises or its uses, as the same may be administered by authorized governmental officials.

(b) Without limitation of the foregoing, but expressly subject to the provisions of Section 5.4, Tenant agrees to fulfill the responsibilities set forth below with respect to environmental matters:

1. Tenant shall operate the Premises in compliance with all Environmental Laws applicable to Tenant relative to the Premises and shall identify, secure and maintain all required governmental permits and licenses as may be necessary for the Premises. All required governmental permits and licenses issued to Tenant and associated with the Premises shall remain in effect or shall be renewed in a timely manner, and Tenant shall comply therewith and cause all third parties to comply therewith. All Hazardous Substances present, handled, generated or used on the Premises will be managed, transported and disposed of in a lawful manner. Tenant shall not knowingly permit the Premises or any portion thereof to be a site for the use, generation, treatment, manufacture, storage, disposal or transportation of Hazardous Substances, except in such amounts as are ordinarily used, stored or generated in similar projects, or otherwise knowingly permit the presence of Hazardous Substances in, on or under the Premises in violation of any applicable law.
2. Tenant shall promptly provide Landlord with copies of all forms, notices and other information concerning any releases, spills or other incidents relating to Hazardous Substances or any violations of Environmental Laws at or relating to the Premises upon discovery of such releases, spills or incidents, when received by Tenant from any government agency or other third party, or when and as supplied to any government agency or other third party.

#### 5.5. Ownership of Improvements/Surrender of Premises.

At all times during the Term, Tenant shall be deemed to exclusively own the Improvements and the Personal Property for federal tax purposes, and Tenant alone shall be entitled to all of the tax attributes of ownership thereof, including, without limitation, the right to claim depreciation or cost recovery deductions and the right to claim the low-income housing tax credit described in Section 42 of the Code, with respect to the Improvements and the Personal Property, and Tenant shall have the right to amortize capital costs and to claim any other federal tax benefits attributable to the Improvements and the Personal Property. At the expiration or earlier termination of the Term of this Lease or any portion thereof, Tenant shall peaceably leave, quit and surrender the

Premises, and the Improvements thereon (or the portion thereof so terminated), subject to the rights of tenants in possession of residential units under leases with Tenant, provided that such tenants are not in default thereunder and attorn to Landlord as their lessor. Upon such expiration or termination, the Premises (or portion thereof so terminated) shall become the sole property of Landlord at no cost to Landlord and shall be free of all liens and encumbrances and in the condition set forth in Section 5.3 (consistent with prudent and appropriate property management and maintenance during the Term) and, in the event of a casualty, to the provisions of Article VI. Tenant acknowledges and agrees that upon the expiration or sooner termination of this Lease any and all rights and interests it may have either at law or in equity to the Premises shall immediately cease. Tenant and Landlord will establish Right of First Refusal, Right of First Offer, and Purchase Options for Landlord to be able to purchase the improvements or acquire the improvements.

#### 5.6. Easements.

Landlord agrees that Landlord shall not unreasonably withhold or delay its consent, and shall join with Tenant from time to time during the Term in the granting of easements affecting the Premises which are for the purpose of providing utility services for the Premises. If any monetary consideration is received by Tenant as a result of the granting of any such easement, such consideration shall be paid to Landlord. As a condition precedent to the exercise by Tenant of any of the powers granted to Tenant in this Section, Tenant shall give notice to Landlord of the action to be taken, shall certify to Landlord, that in Tenant's opinion such action will not adversely affect either the market value of the Premises or the use of the Premises for the Development.

#### 5.7. Transfer; Conveyance; Assignment.

(a) Except as otherwise permitted hereunder, Tenant agrees for itself and its successors and assigns in interest hereunder that it will not (1) assign this Lease or any of its rights under this Lease as to all or any portion of the Premises generally, or (2) make or permit any voluntary or involuntary total or partial sale, lease, assignment, conveyance, mortgage, pledge, encumbrance or other transfer of any or all of the Premises, or the Improvements, or the occupancy and use thereof, other than in accordance with the Applicable Public Housing and/or RAD Requirements and this Lease (including, but not limited to (i) any sale at foreclosure or by the execution of any judgment of any or all of Tenant's rights hereunder, or (ii) any transfer by operation of law), without first obtaining Landlord's express written consent thereto, which shall not be unreasonably withheld.

(b) If applicable, Tenant shall have the right to enter a sublease of any part of the premises (a "Sublease") to an entity that is affiliated with Tenant, subject to the approval and consent of Landlord, which will not be unreasonably withheld. Additionally, no Sublease shall relieve Tenant of any obligations under the terms of this Lease unless a release is granted by Landlord. Additionally, each Sublease must be for a use compatible with the standards and requirements set forth in this Section 5 or for low-income or special needs affordable housing. Tenant must give written notice to Landlord specifying the name and address of any Sublessee to which all notices required by this Lease shall be sent, and a copy of the Sublease. Tenant shall provide Landlord with copies of all Subleases entered into. Landlord agrees to grant Non-Disturbance Agreements for any Sublessee which will provide that in the event of a termination of this Lease which applies to the portion of the Premises covered by such Sublease, due to an Event of Default committed by the Tenant, such Sublessee will not be disturbed and will be allowed to continue peacefully in possession directly under this Lease as the successor tenant, provided that the Sublessee shall be in compliance with the terms and conditions of its Sublease; and the Sublessee shall agree to attorn to Landlord. Landlord further agrees that it will grant such assurances to such Sublessee so long

as it remains in compliance with the terms of its Sublease, and provided further that any such Sublease does not extend beyond the expiration of the Term of this Lease.

(c) In the event Tenant's Sublessee is successful in obtaining LIHTC for that portion of the Premises which is subject to the Sublease, but Tenant is not successful in obtaining LIHTC for the portion of the property not subleased and remaining subject to this Lease, Landlord and Tenant agree to modify this Lease so as to make it a direct lease between Landlord and the Sublessee, for the subleased Premises.

#### 5.8. Creating Sustainable Buildings.

- (1) (a) The proposed improvements are subject to the County's Sustainable Buildings Program provisions in Chapter 9 of the Code of Miami-Dade County, Sections 9-71 through 9-75 together with Miami-Dade County Implementing Order IO 8-8, as managed by Miami-Dade County Office of Resilience within the Regulatory and Economic Resources Department. The Developer shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council's Leadership in Energy and Environmental Design ("LEED") as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County's Office of Resilience Sustainability Manager.

The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. The Developer agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the NGBS.

Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the "normal" or "regular" energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Developer will utilize "green building standards" in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Developer's decision whether to incorporate or adopt any such additional steps or means shall be made in Developer's sole and absolute discretion. Other specific requirements include:

Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10; and

Electric Vehicle (EV) charging stations are required per Miami-Dade County Resolution No. R-1101-15.

5.9. Sea Level Rise and Heat Resilience.

In accordance with Miami Dade Board of County Commissioners (BCC) Resolution R-451-14, the Developer shall be required to consider sea level rise projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMP Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade PHCD Department.

5.10. E-Verify Requirements.

The Developer shall comply with the requirements of E-Verify as more fully described in Exhibit D attached hereto and incorporated herein by reference.

5.11. Safety Standards and Regulations.

The Tenant shall be required to comply with the Occupational Safety and Health Administration (OSHA) requirements. Precautions shall always be exercised for the protection of persons and property. The equipment being offered by the Tenant shall be the most recent model available. Any optional components which are required in accordance with the specifications of the project shall be considered standard equipment for the purposes of this lease. Demonstrator models will not be accepted. Omission of any essential detail from the specifications of the project does not relieve the Tenant from furnishing a complete unit. The equipment shall conform to all applicable Federal (including OSHA), State, and local safety requirements. All components (whether primary or ancillary) of the delivered equipment shall be in accordance with current Society of Automotive Engineering (SAE) standards and recommended practices, as applicable. The engineering, materials, and workmanship associated with the Tenant's performance hereunder shall exhibit a high-level of quality and appearance consistent with or exceeding industry standards.

The Tenant, Contractor and Sub-Contractors performing services under this lease shall conform to all relevant OSHA requirements, Federal, State and County regulations, and County department's safety procedures during the course of such effort. Any fines levied

by the abovementioned authorities for failure to comply with these requirements shall be borne solely by the responsible Tenant. Furthermore, the Federal "Right to Know" Regulation implemented by OSHA requires employers to inform their employees of any toxic substances which they may be exposed to in the workplace, and to provide training in safe handling practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace. Accordingly, the Tenant performing under this lease shall provide two complete sets of Material Safety Data Sheets to each County Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis. For additional information on the Federal Right to Know Regulation, contact OSHA at <https://www.osha.gov/>.

## **ARTICLE VI**

### **CASUALTY AND TAKING**

#### **6.1. Casualty.**

Casualty Damage. In the event the Premises should be destroyed or damaged by fire, windstorm, or other casualty to the extent that the Premises is rendered unfit for the intended purpose of Tenant, Tenant may cancel this Lease after thirty (30) days notice to Landlord, but only after removing any trash and/or debris therefrom, subject to the terms and provisions of any Permitted Leasehold Mortgage. If the Premises is partially damaged due to any other reason than the causes described immediately above, but the Premises is not rendered unusable for Tenant's purposes subject to the terms and provisions of any Permitted Leasehold Mortgage, the same shall be repaired by Tenant to the extent Tenant receives sufficient proceeds to complete such repairs from its insurance carrier under its insurance policy. Any such repairs will be completed within a reasonable time after receipt of such proceeds. If the damage to the Premises shall be so extensive as to render it unusable for Tenant's purposes but shall nonetheless be capable of being repaired within One Hundred Twenty (120) days, subject to the terms and provisions of any Permitted Leasehold Mortgage the damage shall be repaired with due diligence by Tenant to the extent Tenant receives sufficient proceeds under its insurance policy to complete such repairs. In the event that a nearby structure(s) or improvement(s) is damaged or destroyed due to Tenant's negligence, Tenant shall be solely liable and responsible to repair and/or compensate the owner for such damage or loss.

Notwithstanding anything contained in this Section 6.1, or otherwise in this Lease to the contrary, as long as the Tenant's leasehold interest is encumbered by any Permitted Leasehold Mortgage, this Lease shall not be terminated by Landlord or Tenant in the event that the Premises is partially or totally destroyed, and, in the event of such partial or total destruction, all insurance proceeds from casualty insurance as provided herein shall be paid to and held by the Permitted Leasehold Mortgagee, or an insurance trustee selected by the Permitted Leasehold Mortgagee to be used for the purpose of restoration or repair of the Premises. Permitted Leasehold Mortgagee shall have the right to participate in adjustment of losses as to casualty insurance proceeds and any settlement discussion relating to casualty or condemnation.

#### **6.2. Taking.**

(a) Notice of Taking. Upon receipt by either Landlord or Tenant of any notice of Taking, or the institution of any proceedings for Taking the Premises, or any portion thereof, the party receiving such notice shall promptly give notice thereof to the other, and such other party may also appear in such proceeding and may be represented by an attorney.

(b) Award. Subject to the terms of the Permitted Leasehold Mortgages (as defined in Section 8.9), the Landlord and the Tenant agree that, in the event of a Taking that does not result in the termination of this Lease pursuant to Section 6.2(c) or 6.2(d), this Lease shall continue in effect as to the remainder of the Premises, and the net amounts owed or paid to the Landlord or pursuant to any agreement with any condemning authority which has been made in settlement of any proceeding relating to a Taking, less any costs and expenses incurred by the Landlord in collecting such award or payment (the "Award") will be disbursed in accordance with Section 6.2(c) or 6.2(d) (as the case may be) to the Landlord and/or Tenant. The Tenant and, to the extent permitted by law, any Permitted Leasehold Mortgagee, shall have the right to participate in negotiations of and to approve any such settlement with a condemning authority (which approval shall not be unreasonably withheld).

(c) Total Taking. In the event of a permanent Taking of the fee simple interest or title of the Premises, or control of the entire leasehold estate hereunder (a "Total Taking"), this Lease shall thereupon terminate as of the effective date of such Total Taking, without liability or further recourse to the parties, provided that each party shall remain liable for any obligations required to be performed prior to the effective date of such termination and for any other obligations under this Lease which are expressly intended to survive termination. The Taking of any portion of the Improvements, fifteen percent (15%) or more of the then existing parking area, the loss of the rights of ingress and egress as then established or the loss of rights to use the Easement, shall be, at Tenant's election, but not exclusively considered, such a substantial taking as would render the use of the Premises not suitable for Tenant's use. Notwithstanding any provision of the Lease or by operation of law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant, the loss of Tenant's leasehold estate and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(d) Partial Taking. In the event of a permanent Taking of less than all of the Premises (a "Partial Taking"), if Tenant reasonably determines that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot reasonably be made to be economically viable, structurally sound, then Tenant may terminate this Lease, and the Tenant's portion of the Award shall be paid to Tenant, provided that any and all obligations of Tenant have been fully and completely complied with by Tenant as of the date of said Partial Taking. If Tenant shall not elect to terminate this Lease, Tenant shall be entitled to a reduction of rent of such amount as shall be just and equitable. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking and the Tenant does not terminate this Lease, the Tenant shall be entitled to receive and retain an equitable portion of the Award and shall apply such portion of the Award necessary to repair or restore the Premises or the Improvements as nearly as possible to the condition the Premises or the Improvements were in immediately prior to such Partial Taking. Subject to the terms of the Permitted Leasehold Mortgages, if there is a Partial Taking which affects the use of the Premises after the term hereof, the Award shall be apportioned between the Tenant and the Landlord based on the ratio of the remaining term hereof and the remaining expected useful life of the Premises following the term hereof. Subject to the terms of the Permitted Leasehold Mortgages, notwithstanding any provision herein to the contrary, the Landlord shall be entitled to receive and retain any portion of the Award apportioned to the land upon which the Improvements are located. Should such award be insufficient to accomplish the restoration, such additional costs shall be paid by Tenant. Notwithstanding any provision of the Lease or by operation of

law that leasehold improvements may be or shall become the property of Landlord at the termination of the Lease, the loss of the building and other improvements paid for by Tenant and such additional relief as may be provided by law shall be the basis of Tenant's damages against the condemning authority if a separate claim therefore is allowable under applicable law, or the basis of Tenant's damages to a portion of the total award if only one award is made.

(e) Resolution of Disagreements. Should Landlord and Tenant be unable to agree as to the division of any singular award or the amount of any reduction of rents and other charges payable by Tenant under the Lease, such dispute shall be submitted for resolution to the court exercising jurisdiction of the condemnation proceedings, each party bearing its respective costs for such determination. Landlord shall not agree to any settlement in lieu of condemnation with the condemning authority without Tenant's consent.

(f) No Existing Condemnation. Landlord represents and warrants that as of the Commencement Date it has no actual or constructive knowledge of any proposed condemnation of any part of the Premises. In the event that subsequent to the Lease Date, but prior to the Commencement Date, a total or partial condemnation either permanent or temporary, is proposed by any competent authority, Tenant shall be under no obligation to commence or continue construction of the building and other improvements and rent and other charges, if any, payable by Tenant under the Lease shall abate until such time as it can be reasonably ascertained that the Premises shall not be so affected. In the event the Premises is so affected, Tenant shall be entitled to all rights, damages and awards pursuant to the appropriate provisions of this Lease.

### 6.3. Termination upon Non-Restoration.

Following a Partial Taking, if a decision is made pursuant to this Article VI that the remaining portion of the Premises is not to be restored, and Tenant shall have determined that the continued development, use or occupancy of the remainder of the Premises by Tenant cannot be made economically viable or structurally sound, Tenant shall surrender the entire remaining portion of the Premises to Landlord and this Lease shall thereupon be terminated without liability or further recourse to the parties hereto, provided that any Rent, impositions and other amounts payable or obligations hereunder owed by Tenant to Landlord as of the date of the Partial Taking shall be paid in full.

## ARTICLE VII

### CONDITION OF PREMISES

7.1. Condition; Title. The Premises are demised and let in an "as is" condition as of the Commencement Date. The Premises are demised and let to Tenant subject to: As-Is. Notwithstanding anything to the contrary contained herein, upon Tenant taking possession of the Premises, Tenant shall be deemed to have accepted the Premises in its "as-is" and "where-is" condition, with any and all faults, and with the understanding that the Landlord has not offered any implied or expressed warranty as to the condition of the Premises and/or as to it being fit for any particular purpose, provided, however, that the foregoing shall not in any way limit, affect, modify or otherwise impact any of Landlord's representations, warranties and/or obligations contained in this Lease.

Tenant shall, within thirty (30) days following the Lease Date, obtain a title commitment to insure Tenant's leasehold interest in the Premises. Tenant shall advise Landlord as to any title

matters that Tenant deems objectionable and Landlord shall address same in accordance with Section 7.3, below.

7.2. No Encumbrances. Landlord covenants that Landlord has full right and lawful authority to enter into this Lease in accordance with the terms hereof and to grant the estate demised hereby. Landlord represents and warrants that there are no existing mortgages, deeds of trust, easements, liens, security interests, encumbrances and/or restrictions encumbering Landlord's fee interest in the Land other than the Permitted Encumbrances. Landlord's fee interest shall not hereafter be subordinated to, or made subject to, any mortgage, deed of trust, easement, lien, security interest, encumbrance and/or restriction except for an encumbrance that expressly provides that it is and shall remain subject and subordinate at all times in lien, operation and otherwise to this Lease and to all renewals, modifications, amendments, consolidations and replacements hereof (including new leases entered into pursuant to the terms hereof and extensions). Landlord covenants that it will not encumber or lien the title of the Premises or cause or permit said title to be encumbered or lien in any manner whatsoever, and Tenant may reduce or discharge any such encumbrance or lien by payment or otherwise at any time after giving thirty (30) days' written notice thereof to Landlord. Tenant may recover or recoup all costs and expenses thereof from Landlord if the Landlord fails to discharge any such encumbrance within the said thirty (30) day period. Such recovery or recoupment may, in addition to all other remedies, be made by setting off against the amount of Rent payable by Tenant hereunder. Landlord and Tenant agree to work cooperatively together to create such easements and rights of way as may be necessary or appropriate for the Premises.

7.3. Landlord's Title and Quiet Enjoyment. Landlord represents and warrants that Landlord is seized in fee simple title to the Premises, free and clear and unencumbered, other than as affected by the Permitted Encumbrances. Landlord covenants that, so long as Tenant pays rent and performs the covenants herein contained on its part to be paid and performed, Tenant will have lawful, quiet and peaceful possession and occupancy of the Premises and all other rights and benefits accruing to Tenant under the Lease throughout the Term, without hindrance or molestation by or on the part of Landlord or anyone claiming through Landlord. Landlord further represents and warrants that it has good right, full power and lawful authority to enter into this Lease. Tenant shall have the right to order a title insurance commitment on the Premises. In the event the title insurance commitment shall reflect encumbrances or other conditions not acceptable to Tenant ("Defects"), then, Landlord, upon notification of the Defects, shall immediately and diligently proceed to cure same and shall have a reasonable time within which to cure the Defects. If, after the exercise of all reasonable diligence, Landlord is unable to clear the Defects, then Tenant may accept the Defects or Tenant may terminate the Lease and the parties shall be released from further liability, so long as Tenant is not in default hereunder beyond any grace period applicable thereto, Tenant's possession of the Premises will not be disturbed by Landlord, its successors and assigns.

Notwithstanding Section 7.3 above, Landlord and its agents, upon reasonable prior notice to Tenant, shall have the right to enter the Premises for purposes of reasonable inspections performed during reasonable business hours in order to assure compliance by Tenant with its obligations under this Lease.

## **ARTICLE VIII**

### **DEFAULTS AND TERMINATION**

8.1. Default.

The occurrence of any of the following events shall constitute an event of default (**Event of Default**) hereunder:

(a) if Tenant fails to pay when due any Rent or other impositions due hereunder pursuant to Article III (except where such failure is addressed by another event described in this Section 8.1 as to which lesser notice and grace periods are provided), and any such default shall continue for thirty (30) days after the receipt of written notice thereof by Tenant from Landlord; or

(b) if Tenant fails in any material respect to observe or perform any covenant, condition, agreement or obligation hereunder not addressed by any other event described in this Section 8.1, and shall fail to cure, correct or remedy such failure within thirty (30) days after the receipt of written notice thereof, unless such failure cannot be cured by the payment of money and cannot with due diligence be cured within a period of thirty (30) days, in which case such failure shall not be deemed to continue if Tenant proceeds promptly and with due diligence to cure the failure and diligently completes the curing thereof within a reasonable period of time; provided, however, that for such time as Landlord or its affiliate is the management agent retained by Tenant, Tenant shall not be in default hereunder due to actions or inactions taken by Landlord or its affiliate in its capacity as the management agent; or

(c) If any representation or warranty of Tenant set forth in this Lease, in any certificate delivered pursuant hereto, or in any notice, certificate, demand, submittal or request delivered to Landlord by Tenant pursuant to this Lease shall prove to be incorrect in any material and adverse respect as of the time when the same shall have been made and the same shall not have been remedied to the reasonable satisfaction of Landlord within thirty (30) days after notice from Landlord; or

(d) if Tenant shall be adjudicated bankrupt or be declared insolvent under the Federal Bankruptcy Code or any other federal or state law (as now or hereafter in effect) relating to bankruptcy, insolvency, reorganization, winding-up or adjustment of debts (collectively called **Bankruptcy Laws**), or if Tenant shall (a) apply for or consent to the appointment of, or the taking of possession by, any receiver, custodian, trustee, United States Trustee or Tenant or liquidator (or other similar official) of Tenant or of any substantial portion of Tenant's property; (b) admit in writing its inability to pay its debts generally as they become due; (c) make a general assignment for the benefit of its creditors; (d) file a petition commencing a voluntary case under or seeking to take advantage of a Bankruptcy Law; or (e) fail to controvert in a timely and appropriate manner, or in writing acquiesce to, any petition commencing an involuntary case against Tenant pursuant to any bankruptcy law; or

(e) if an order for relief against Tenant shall be entered in any involuntary case under the Federal Bankruptcy Code or any similar order against Tenant shall be entered pursuant to any other Bankruptcy Law, or if a petition commencing an involuntary case against Tenant or proposing the reorganization of Tenant under the Federal Bankruptcy Code shall be filed in and approved by any court of competent jurisdiction and not be discharged or denied within ninety (90) days after such filing, or if a proceeding or case shall be commenced in any court of competent jurisdiction seeking (a) the liquidation, reorganization, dissolution, winding-up or adjustment of debts of Tenant, (b) the appointment of a receiver, custodian, trustee, United States Trustee or liquidator (or other similar official of Tenant) of any substantial portion of Tenant's property, or (c) any similar relief as to Tenant pursuant to Bankruptcy Law, and any such proceeding or case shall continue undismissed, or any order, judgment or decree approving or ordering any of the foregoing shall be entered and continued unstayed and in effect for ninety (90) days; or

(f) Tenant vacates or abandons the Premises or any substantial part thereof for a period of more than thirty (30) consecutive days (or, if applicable, such longer period as may be permitted in accordance with Section 6.1 or 6.2); or

(g) This Lease, the Premises or any part thereof are taken upon execution or by other process of law directed against Tenant, or are taken upon or subjected to any attachment by any creditor of Tenant or claimant against Tenant, and such attachment is not stayed or discharged within ninety (90) days after its levy; or

(h) Tenant makes any sale, conveyance, assignment or transfer in violation of this Lease.

#### 8.2. Remedies for Tenant's Default.

Upon or after the occurrence of any Event of Default which is not cured within any applicable cure period, and so long as same remains uncured, Landlord may terminate this Lease by providing not less than thirty (30) days' written notice (which notice may be contemporaneous with any notice provided under Section 8.1) to Tenant, setting forth Tenant's uncured, continuing default and Landlord's intent to exercise its rights to terminate, whereupon this Lease shall terminate on the termination date therein set forth unless Tenant's default has been cured before such termination date. Upon such termination, Tenant's interest in the Premises shall automatically revert to Landlord, Tenant shall promptly quit and surrender the Premises to Landlord, without cost to Landlord, and Landlord may, without demand and further notice, reenter and take possession of the Premises, or any part thereof, and repossess the same as Landlord's former estate by summary proceedings, ejectment or otherwise without being deemed guilty of any manner of trespass and without prejudice to any remedies which Landlord might otherwise have for arrearages of Rent or other impositions hereunder or for a prior breach of the provisions of this Lease. The obligations of Tenant under this Lease which arose prior to termination shall survive such termination.

8.3. Termination. Termination by Landlord: The occurrence of any of the following shall give Landlord the right to terminate this Lease upon the terms and conditions set forth below:

(a) Tenant fails to (i) obtain HUD approval of all applicable evidentiary documents and a disposition by HUD to occur, (ii) cause the Commencement Date to occur, within eleven (11) months following the Lease Date, and (iii) meet the timeframes/milestones as described in Exhibit C as such timeframes/milestones may be extended by the Landlord.

(b) Institution of proceedings in voluntary bankruptcy by the Tenant.

(c) Institution of proceedings in involuntary bankruptcy against the Tenant if such proceedings continue for a period of Ninety (90) days or more.

(d) Assignment of Lease by Tenant for the benefit of creditors.

(e) A final determination of termination of this Lease in a court of law in favor of the Landlord in litigation instituted by the Tenant against the Landlord, or brought by the Landlord against Tenant.

(f) Tenant's failure to cure, within thirty (30) days following Tenant's receipt of written notice from Landlord with respect to Tenant's failure to cure a condition posing a threat to health or safety of the public or patrons (or such longer period if the default is not capable of being cured in such 30 day period).

8.4. Remedies Following Termination. Upon termination of this Lease, Landlord may:

1. retain, at the time of such termination, any Rent or other impositions paid hereunder, without any deduction, offset or recoupment whatsoever; and

2. enforce its rights under any bond outstanding at the time of such termination; and
3. require Tenant to deliver to Landlord, or otherwise effectively transfer to Landlord any and all governmental approvals and permits, and any and all rights of possession, ownership or control Tenant may have in and to, any and all financing arrangements, plans, specifications, and other technical documents or materials related to the Premises.

#### 8.5. Regulatory Default.

Notwithstanding anything herein to the contrary, the following shall apply to any default declared as a result of any failure by Tenant to comply with the provisions of Section 8.1:

Upon a determination by Landlord that Tenant has materially breached or defaulted on any of the obligations under Section 8.1 (a **Regulatory Default**), Landlord shall notify Tenant of (i) the nature of the Regulatory Default, (ii) the actions required to be taken by Tenant in order to cure the Regulatory Default, and (iii) the time, (a minimum of sixty (60) days or such additional time period as may be reasonable under the circumstances), within which Tenant shall respond with reasonable evidence to Landlord that all such required actions have been taken.

(a) If Tenant shall have failed to respond or take the appropriate corrective action with respect to a Regulatory Default to the reasonable satisfaction of Landlord within the applicable time period, then Landlord shall have the right to terminate the Lease or seek other legal or equitable remedies as Landlord determines in its sole discretion; provided, however, that if prior to the end of the applicable time period, Tenant seeks a declaratory judgment or other order from a court having jurisdiction that Tenant shall not have incurred a Regulatory Default, Landlord shall not terminate this Lease during the pendency of such action.

(b) In addition to and not in limitation of the foregoing, if Landlord shall determine that a Regulatory Default shall have occurred by reason of a default by Tenant's management agent, and that Tenant shall have failed to respond or take corrective action to the reasonable satisfaction of Landlord within the applicable cure period, then Landlord may require Tenant to take such actions as are necessary in order to terminate the appointment of the management agent pursuant to the terms of its management agreement and to appoint a successor management agent of the Premises.

#### 8.6. Performance by Landlord.

If Tenant shall fail to make any payment or perform any act required under this Lease, Landlord may (but need not) after giving not less than thirty (30) (except in case of emergencies and except where a shorter time period is specified elsewhere in this Lease) days' notice to Tenant and without waiving any default or releasing Tenant from any obligations, cure such default for the account of Tenant. Tenant shall promptly pay Landlord the amount of such charges, costs and expenses as Landlord shall have incurred in curing such default.

#### 8.7. Costs and Damages.

Tenant shall be liable to, and shall reimburse, Landlord for any and all actual reasonable expenditures incurred and for any and all actual damages suffered by Landlord in connection with any Event of Default, collection of Rent or other impositions owed under this Lease, the remedying of any default under this Lease or any termination of this Lease, unless such termination is caused by the default of Landlord, including all costs, claims, losses, liabilities, damages and expenses

(including without limitation, reasonable attorneys' fees and costs) incurred by Landlord as a result thereof.

#### 8.8. Remedies Cumulative.

The absence in this Lease of any enumeration of events of default by Landlord or remedies of either party with respect to money damages or specific performance shall not constitute a waiver by either party of its right to assert any claim or remedy available to it under law or in equity.

#### 8.9 Permitted Leasehold Mortgages.

Neither the Tenant nor any permitted successor in interest to the Premises or any part thereof shall, without the prior written consent of the Landlord in each instance, engage in any financing or any other transaction creating any mortgage or other encumbrance or lien upon the Premises, whether by express agreement or operation of law, or suffer any encumbrance or lien to be made on or attach to the Premises, except for the Permitted Encumbrances and the leasehold mortgages securing the loans which will be obtained by Tenant for renovation of the Improvements and closed on or about the Commencement Date (the "**Permitted Leasehold Mortgages**"). With respect to the Permitted Leasehold Mortgages, the following provisions shall apply:

(a) When giving notice to the Tenant with respect to any default under the provisions of this Lease, the Landlord will also send a copy of such notice to the holder of each Permitted Leasehold Mortgage (each a "**Permitted Leasehold Mortgagee**"), provided that each such Permitted Leasehold Mortgagee shall have delivered to the Landlord in writing a notice naming itself as the holder of a Permitted Leasehold Mortgage and registering the name and post office address to which all notices and other communications to it may be addressed.

(b) Each Permitted Leasehold Mortgagee shall be permitted, but not obligated, to cure any default by the Tenant under this Lease within the same period of time specified for the Tenant to cure such default. The Tenant authorizes each Permitted Leasehold Mortgagee to take any such action at such Permitted Leasehold Mortgagee's option and does hereby authorize entry upon the Premises for such purpose.

(c) The Landlord agrees to accept payment or performance by any Permitted Leasehold Mortgagee as though the same had been done by the Tenant.

(d) In the case of a default by the Tenant other than in the payment of money, and provided that a Permitted Leasehold Mortgagee has commenced to cure the default and is proceeding with due diligence to cure the default, the Landlord will refrain from terminating this Lease for a reasonable period of time (not to exceed 120 days from the date of the notice of default, unless (i) such cure cannot reasonably be completed within 120 days from the date of the notice of default, and (ii) a Permitted Leasehold Mortgagee continues to diligently pursue such cure to the reasonable satisfaction of the Landlord) within which time the Permitted Leasehold Mortgagee may either (i) obtain possession of the Premises (including possession by receiver); (ii) institute foreclosure proceedings and complete such foreclosure; or (iii) otherwise acquire the Tenant's interest under this Lease. The Permitted Leasehold Mortgagee shall not be required to continue such possession or continue such foreclosure proceedings if the default which was the subject of the notice shall have been cured. Notwithstanding the foregoing, the Landlord will

refrain from terminating this Lease in the event such Permitted Leasehold Mortgagee is enjoined or stayed in such possession or such foreclosure proceedings, and provided that the Permitted Leasehold Mortgagee has delivered to Landlord copies of any and all orders enjoining or staying such action, Landlord will grant such Permitted Leasehold Mortgagee such additional time as is required for such Permitted Leasehold Mortgagee to complete steps to acquire or sell Tenant's leasehold estate and interest in this Lease by foreclosure of its Permitted Leasehold Mortgage or by other appropriate means with due diligence; however, nothing in this Section shall be construed to extend this Lease beyond the Term.

(e) Any Permitted Leasehold Mortgagee or other acquirer of Tenant's leasehold estate and interest in this Lease pursuant to foreclosure, an assignment in lieu of foreclosure or other proceedings, any of which are permitted without the Landlord's consent, may, upon acquiring the Tenant's leasehold estate and interest in this Lease, without further consent of the Landlord and without HUD's consent, sell and assign the leasehold estate and interest in this Lease on such terms and to such persons and organizations as are acceptable to such Permitted Leasehold Mortgagee or acquirer and thereafter be relieved of all obligations under this Lease, provided such assignee has delivered to the Landlord its written agreement to be bound by all of the provisions of this Lease. Permitted Leasehold Mortgagee, or its nominee or designee, shall also have the right to further assign, sublease or sublet all or any part of the leasehold interest hereunder to a third party without the consent or approval of Landlord.

(f) In the event of a termination of this Lease prior to its stated expiration date, the Landlord will enter into a new lease for the Premises with the Permitted Leasehold Mortgagee (or its nominee), for the remainder of the term, effective as of the date of such termination, at the same Rent payment and subject to the same covenants and agreements, terms, provisions, and limitations herein contained, provided that:

(1) The Landlord receives the Permitted Leasehold Mortgagee's written request for such new lease within 30 days from the date of such termination and notice thereof by the Landlord to the Permitted Leasehold Mortgagee (including an itemization of amounts then due and owing to the Landlord under this Lease), and such written request is accompanied by payment to the Landlord of all amounts then due and owing to Landlord under this Lease and, within 10 days after the delivery of an accounting therefor by the Landlord, pays any and all costs and expenses incurred by the Landlord in connection with the execution and delivery of the new lease, less the net income collected by the Landlord from the Premises subsequent to the date of termination of this Lease and prior to the execution and delivery of the new lease, any excess of such net income over the aforesaid sums and expenses to be applied in payment of the Rent payment thereafter becoming due under the new lease, provided, however, that the Permitted Leasehold Mortgagee shall receive full credit for all capitalized lease and Rent payments previously delivered by the Tenant to the Landlord; and

(2) Upon the execution and delivery of the new lease at the time payment is made in (1) above, all subleases which thereafter may have been assigned and transferred to the Landlord shall thereupon be assigned and transferred without recourse by the Landlord to the Permitted Leasehold Mortgagee (or its nominee), as the new Tenant.

(3) If a Permitted Leasehold Mortgagee acquires the leasehold estate created hereunder or otherwise acquires possession of the Premises pursuant to available

legal remedies, Landlord will look to such holder to perform the obligations of Tenant hereunder only from and after the date of foreclosure or possession and will not hold such holder responsible for the past actions or inactions of the prior Tenant. Permitted Leasehold Mortgagee's liability shall be limited to the value of such Permitted Leasehold Mortgagee's interest in this Lease and in the leasehold estate created thereby.

Notwithstanding the foregoing and to the extent permitted by Section 42 of the Code, the deadline to complete construction of the Improvements set forth in Article V shall be extended for such period of time as may be reasonably required by the Permitted Leasehold Mortgagee or its nominee to complete construction.

## **ARTICLE IX**

### **SOVEREIGNTY AND POLICE POWERS**

#### **9.1. County as Sovereign**

It is expressly understood that notwithstanding any provision of this Lease and the Landlord's status thereunder:

1. The Landlord retains all of its sovereign prerogatives and rights as a county under Florida laws and shall in no way be estopped from withholding or refusing to issue any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and regulations of whatever nature applicable to the planning, design, construction and development of the Premises or the operation thereof, or be liable for the same; and
2. The Landlord shall not by virtue of this Lease be obligated to grant the Tenant any approvals of applications for tax exemption, building, zoning, planning or development under present or future laws and ordinances of whatever nature applicable to the planning, design, construction, development and/or operation of the Premises.

#### **9.2. No Liability for Exercise of Police Power.**

Notwithstanding and prevailing over any contrary provision in this Lease, or any Landlord covenant or obligation that may be contained in this Lease, or any implied or perceived duty or obligation including but not limited to the following:

- (i) To cooperate with, or provide good faith, diligent, reasonable or other similar efforts to assist the Tenant, regardless of the purpose required for such cooperation;
- (ii) To execute documents or give approvals, regardless of the purpose required for such execution or approvals;
- (iii) To apply for or assist the Tenant in applying for any county, city or third party permit or needed approval; or

- (iv) To contest, defend against, or assist the Tenant in contesting or defending against any challenge of any nature;

shall not bind the Board of County Commissioners, the Planning and Zoning Department, DERM, the Property Appraiser or any other county, city, federal or state department or authority, committee or agency to grant or leave in effect any tax exemptions, zoning changes, variances, permits, waivers, contract amendments, or any other approvals that may be granted, withheld or revoked in the discretion of the Landlord or any other applicable governmental agencies in the exercise of its police power; and the Landlord shall be released and held harmless, by the Tenant from and against any liability, responsibility, claims, consequential or other damages, or losses to the Tenant or to any third parties resulting from denial, withholding or revocation (in whole or in part) of any zoning or other changes, variances, permits, waivers, amendments, or approvals of any kind or nature whatsoever. Without limiting the foregoing, the parties recognize that the approval of any building permit and/or certificate of occupancy or tax exemption will require the Landlord to exercise its quasi-judicial or police powers. Notwithstanding any other provision of this Lease, the Landlord shall have no obligation to approve, in whole or in part, any application for any type of tax exemption, permit, license, zoning or any other type of matter requiring government approval or waiver. The Landlord's obligation to use reasonable good faith efforts in the permitting of the use of County-owned property shall not extend to any exercise of quasi-judicial or police powers, and shall be limited solely to ministerial actions, including the timely acceptance and processing of any requests or inquiries by Tenant as authorized by this Lease. Moreover, in no event shall a failure of the Landlord to adopt any of the Tenant's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Lease.

## **ARTICLE X**

### **PUBLIC RECORDS ACT**

10.1 As it relates to this Lease and any subsequent agreements and other documents related to the Development, Tenant and any of its subsidiaries, pursuant to Section 119.0701, Florida Statutes, shall:

- (a) Keep and maintain public records that ordinarily and necessarily would be required by Landlord in order to perform the service;
- (b) Upon request of from Landlord's custodian of public records identified herein, provide the public with access to public records on the same terms and conditions that Landlord would provide the records and at a cost that does not exceed the cost provided in the Florida Public Records Act, Miami-Dade County Administrative Order No. 4-48, or as otherwise provided by law;
- (c) Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law for the duration of this Lease's term and following completion of the work under this Lease if Tenant does not transfer the records to Landlord; and
- (d) Meet all requirements for retaining public records and transfer to Landlord, at no cost to Landlord, all public records created, received, maintained and/or directly related to the performance of this Lease that are in possession of Tenant upon

termination of this Lease. Upon termination of this Lease, Tenant shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to Landlord in a format that is compatible with the information technology systems of Landlord.

For purposes of this Article X, the term "public records" shall mean all documents, papers, letters, maps, books, tapes, photographs, films, sound recordings, data processing software, or other material, regardless of the physical form, characteristics, or means of transmission, made or received pursuant to law or ordinance or in connection with the transaction of official business of Landlord.

In the event Tenant does not comply with the public records disclosure requirements set forth in Section 119.0701, Florida Statutes, and this Article VIII, Landlord shall avail itself of the remedies set forth in Article 19 of this Lease.

## **ARTICLE XI**

### **RIGHT OF FIRST OFFER; RIGHT OF FIRST REFUSAL**

#### **11.1. Landlord's Intent to Market Premises.**

If Landlord, in its sole discretion (but subject to any applicable HUD requirements relating to disposition and State laws relating to the sale or conveyance of County-owned property), decides to sell its interest in the Premises, then, prior to marketing the Premises, Landlord shall give written notice of such intent to Tenant setting forth the terms and conditions on which Landlord desires to sell the Premises (**Sales Notice**). Tenant shall have sixty (60) days thereafter within which to notify Landlord of its intent to purchase the Premises offered for sale upon such terms and conditions as are set forth in the Sales Notice. If such Sales Notice is timely given, the Closing shall be ninety (90) days after the date of the Sales Notice. The status of title to be delivered and the instruments to be executed pursuant thereto shall be as stated in the Sales Notice and the amount of earnest money that Tenant shall be required to deposit with the notification of intent to purchase by matching the offer shall be as stated in the Sales Notice. Failure of Tenant to so notify Landlord in a timely manner shall be deemed an election not to purchase. In the event Tenant does not so timely notify Landlord of its intent to purchase the offered property upon the terms and conditions stated in the Sales Notice, Landlord shall be free to market such property on its own or through a broker and thereafter may sell the property,

subject to all of the terms and conditions of the Lease and any applicable requirements of HUD or any other legal requirements; provided that Landlord may not sell the Premises on terms and conditions that are materially different from those contained in any Sales Notice received by Tenant without first offering Tenant the opportunity once again to purchase the Premises in accordance with this Section 11.1 upon such materially different terms and conditions upon which Landlord bases its offer of sale.

11.2. Right of First Refusal.

If Landlord is not marketing the Premises as provided in Section 11.1 above, but receives a written offer in acceptable form from an unrelated third party that Landlord is willing to accept for the purchase of the Premises (a **Sales Offer**), Landlord shall notify Tenant of the terms and conditions of such Sales Offer. Tenant shall then have sixty (60) days within which to notify Landlord of its intent to purchase the Premises by matching said Sales Offer and, in the event of such timely response, the closing of the purchase and sale of the Premises shall be in accordance with the terms of such Sales Offer. In the event that timely notice is not given by Tenant to Landlord, Tenant shall be deemed to have elected not to match said Sales Offer, and Landlord shall be free to sell the Premises to such third party on the terms and conditions set forth in the Sales Offer, subject, however, to all terms and conditions of this Lease and any applicable requirements of HUD or any other legal requirements. If Landlord fails to sell the Premises to such third party for an aggregate sales price not less than ninety-five percent (95%) of the sales price set forth in the Sales Offer and otherwise in accordance with the terms of the Sales Offer within one hundred and eighty (180) days after Landlord is entitled to sell the Premises to such third party, the right of first refusal created in this Section 11.2 shall be revived and again shall be enforceable.

11.3 Mortgagee Notice. Tenant shall provide notice to every applicable Permitted Leasehold Mortgagee as to its election to acquire the Premises pursuant to Sections 11.1 or 11.2, above. Such notice shall be delivered within five (5) days following Tenant's notice to Landlord evidencing its intent to purchase the Premises.

11.4 Mortgagee Rights. Tenant's rights with respect to any option to purchase the Premises as set forth in this Section 11 shall be assignable to and may be exercised by any Permitted Leasehold Mortgagee which succeeds in interest to the Tenant, without requiring any consent or approval by Landlord.

## **ARTICLE XII**

### **INDEPENDENT PRIVATE INSPECTOR GENERAL AND MIAMI-DADE COUNTY INSPECTOR GENERAL REVIEWS**

#### **12.1. Inspector General.**

##### **(a) Independent Private Inspector General Reviews**

Pursuant to Miami-Dade County Administrative Order 3-20, the Landlord has the right to retain the services of an Independent Private Sector Inspector General (hereinafter "IPSIG"), whenever the Landlord deems it appropriate to do so. Upon written notice from the Landlord, the Tenant shall make available to the IPSIG retained by the Landlord, all requested records and documentation pertaining to this Lease for inspection and reproduction. The Landlord shall be responsible for the payment of these IPSIG services, and under no circumstance shall the Tenant incur any charges relating to these IPSIG services. The terms of this provision herein, apply to the Tenant, its officers, agents, employees, subcontractors and assignees. Nothing contained in this provision shall impair any independent right of the Landlord to conduct an audit or investigate the operations, activities and performance of the Tenant in connection with this Lease. The terms of this Section shall not impose any liability on the Landlord by the Tenant or any third party.

##### **(b) Miami-Dade County Inspector General Review**

According to Section 2-1076 of the Code of Miami-Dade County, as amended by Ordinance No. 99-63, Miami-Dade County has established the Office of the Inspector General which may, on a random basis, perform audits on all Miami-Dade County agreements, throughout the duration of said agreements, except as otherwise provided below.

Nothing contained above shall in any way limit the powers of the Inspector General to perform audits on all Miami-Dade County agreements including, but not limited to, those agreements specifically exempted above. The Miami-Dade County Inspector General is authorized and empowered to review past, present and proposed Landlord and Tenant contracts, transactions, accounts, records, agreements and programs. In addition, the Inspector General has the power to subpoena witnesses, administer oaths, require the production of records and monitor existing projects and programs. Monitoring of an existing project or program may include a report concerning whether the project is on time, within budget and in conformance with plans, specifications and applicable law. The Inspector General is empowered to analyze the necessity of and reasonableness of proposed change orders to a contract. The Inspector General is empowered to retain the services of independent private sector inspectors general (IPSIG) to audit, investigate, monitor, oversee, inspect and review operations, activities, performance and procurement process, including but not limited to project design, specifications, proposal submittals, activities of the Tenant, its officers, agents and employees, lobbyists, Landlord staff and elected officials to ensure compliance with contract specifications and to detect fraud and corruption.

Upon written notice to the Tenant from the Inspector General or IPSIG retained by the Inspector General, the Tenant shall make all requested records and documents available to the

Inspector General or IPSIG for inspection and copying. The Inspector General and IPSIG shall have the right to inspect and copy all documents and records in the Tenant's possession, custody or control which, in the Inspector General's or IPSIG's sole judgment, pertain to performance of the contract, including, but not limited to original estimate files, change order estimate files, worksheets, proposals and agreements form and which successful and unsuccessful subcontractors and suppliers, all project-related correspondence, memoranda, instructions, financial documents, construction documents, proposal and contract documents, back-charge documents, all documents and records which involve cash, trade or volume discounts, insurance proceeds, rebates, or dividends received, payroll and personnel records, and supporting documentation for the aforesaid documents and records.

## **ARTICLE XIII**

### **ADDITIONAL PROVISIONS PERTAINING TO REMEDIES**

13.1 **Reinstatement.** Notwithstanding anything to the contrary contained in the Lease, in the event Landlord exercises its remedies pursuant to Article VIII and terminates this Lease, Tenant may, within 90 days following such termination reinstate this Lease for the balance of the Term by paying to Landlord an amount equal to the actual damages incurred by Landlord as a result of the breach that resulted in such termination and any actual costs or expenses incurred by Landlord as a result of such reinstatement of this Lease.

13.2 **Notice.** Notwithstanding anything to the contrary contained in the Lease, Landlord shall not exercise any of its remedies hereunder without having given notice of the Event of Default or other breach or default to the Investor (following the admission of the Investor) simultaneously with the giving of notice to Tenant as required under the provisions of Article VIII of the Lease. The Investor shall have the same cure period after the giving of a notice as provided to Tenant, plus an additional period of 60 days. If the Investor elects to cure the Event of Default or other breach or default, Landlord agrees to accept such performance as though the same had been done or performed by Tenant.

13.3 **Investor.** Notwithstanding anything to the contrary contained in the Lease, following the admission of the Investor, the Investor shall be deemed a third-party beneficiary of the provisions of this Section for the sole and exclusive purpose of entitling the Investor to exercise its rights to notice and cure, as expressly stated herein. The foregoing right of the Investor to be a third-party beneficiary under the Lease shall be the only right of Investor (express or implied) to be a third-party beneficiary hereunder.

Failure of either party to complain of any act or omission on the part of the other party, no matter how long the same may continue, shall not be deemed to be a waiver by said party of any of its rights hereunder. No waiver by either party at any time, express or implied, of any breach of any other provision of this Lease shall be deemed a waiver of a breach of any other provision of this Lease or a consent to any subsequent breach of the same or any other provision. If any action by either party shall require the consent or approval of the other party, the other party's consent to or approval of such action on any one occasion shall not be deemed a consent to or approval of said action on any subsequent occasion. Any and all rights and remedies which either party may have under this Lease or by operation of law, either at law or in equity, upon any breach, shall be distinct, separate and cumulative and shall not be deemed inconsistent with each other; and no one of them whether exercised by said party or not, shall be deemed to be in exclusion of any other; and two or more or all of such rights and remedies may be exercised at the same time.

Execution of this Lease is contingent upon the receipt of the insurance documents, as required, within fifteen (15) calendar days after Landlord's notification to Tenant to comply before the award is made. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Lease, the Tenant shall be verbally notified of such deficiency and shall have an additional five (5) calendar days to submit a corrected certificate to the County. ## 2. Nature of Agreement.

This Agreement sets forth the principal terms that have been agreed to by the parties concerning the Development. It is anticipated that this Agreement will constitute the “Master Development Agreement” for the development and construction of the Development. The parties are executing this Agreement to establish the principal terms of the transaction in order to enable both parties to proceed with an understanding of their obligations and agreements with regard to the Development.

This Agreement is intended to provide an overall framework for a cooperative, public-private, highly coordinated approach to the implementation of the redevelopment plan of the Development. The County

and the Developer agree to work with each other in good faith to execute any subsequent agreements that may be needed to complete the Development.

### 3. Development Feasibility and Structure.

- (a) Request for Proposals and Developer's Response. The County sought proposals under WOPR No. 01295-02 (the "**WOPR**") for the Development from qualified housing developers. RUDG LLC submitted a response to the WOPR on March 22, 2021. On January 19, 2022, the Miami-Dade Board of County Commissioners (the "**Board**") adopted Resolution No. R-24-22, awarding development rights and the site control of the Property through a Short-Term Ground Lease to the Developer and its affiliates, and authorizing further negotiations with the Developer with respect to this Agreement. The County hereby approves the designation of the Developer as the developer for the Development, subject to and in accordance with the terms and conditions provided herein. Upon entering into a Sublease with an Owner Affiliated Entity, such Owner Affiliated Entity shall receive an assignment of the development rights with respect to such portion of the Property. For avoidance of doubt, any Sublease with an Owner Affiliated Entity shall be permitted only pursuant to the approval process set forth in the Ground Lease. Upon the Developer's assignment of its development rights to Owner Entities, the Developer's responsibilities hereunder with respect to such portion of the Property will cease and be of no further effect, and such responsibilities will transfer to such other Owner Entities, as applicable.
- (b) Development Overview. The parties acknowledge and agree to comply with all RAD Requirements in existence at the time of execution of this Agreement, and as may be amended from time to time. The Development shall be a mixed-income development, consisting of the construction of a minimum of 279 new mixed-income multifamily rental units (or the maximum permitted by applicable zoning requirements and phasing). This development includes approximately 131 RAD receiving project-based voucher assistance under the RAD program, Affordable Housing, workforce housing units as defined by Section 33.193.6 of the Code of Miami-Dade County, as may be amended from time to time, and market rate housing (as applicable). The Development may be carried out in multiple phases (each referred to as a "**Phase**"). In addition, the development will include state-of-the-art apartments and amenities, and significant community benefits as described on Exhibit A-1 and A-2. All RAD Units and affordable housing units in each Phase will be operated and maintained as qualified Low Income Housing Tax Credit ("**LIHTC**") units under Section 42 of the Internal Revenue Code of 1986 ("**Section 42**"), as amended, for a period of not less than the Tax Credit Compliance Period (as such term is defined in Section 42 and required by the Florida Housing Finance Corporation ("**FHFC**") and any applicable extended use period.

The preliminary schematic plans for Falk Turnkey, Little Havana Homes and Jose Marti Plaza are attached hereto at Exhibit C (hereinafter referred to as the "**Scope of Work**"). These preliminary Schematic Plans are subject to change as set forth in this Section 3(b). An initial development budget for the Phases of the Development will be attached (as set forth below) hereto as Exhibit D (hereinafter referred to as the "**Development Budget**"), and will include a pre-development budget for each phase. An initial development schedule will be attached (as set forth below) hereto as Exhibit E (hereinafter referred to as the "**Development Schedule**"). A description of the unit types, sizes and targeted income levels (the "**Unit Mix**") for the Development is attached as Exhibit F. A list of key Development team members is attached as Exhibit G. The Scope of Work, Development Budget, Development Schedule, and the Unit Mix shall be referred to as the "**Redevelopment Plan**."

The Developer will submit the Development Budget and Development Schedule, and if applicable, any proposed revisions to the Scope of Work to the County within sixty (60) days after the Effective Date for the County's review, comment and approval. Upon approval of the Development Budget and Development Schedule by the County, each will be incorporated hereto, respectively, as Exhibit D and Exhibit E. If the County has not provided the Developer with written notice of its approval of the Development Budget and Development Schedule or with any written comments with respect thereto within the later of (i) thirty (30) days of submission, or (ii) ninety (90) days following the execution of this Agreement, the County shall be deemed to have consented to the Development Budget and Development Schedule.

Following the County's approval (or deemed approval) of the Development Budget and Development Schedule, Developer shall be required to obtain the County's approval, such approval not to be unreasonably withheld, only with respect to Material Changes to the Redevelopment Plan and as Material Changes become necessary. At a minimum, notice of any Development updates shall be provided in monthly intervals. After the County provides County's approval (or deemed approval) of the Redevelopment Plan, any other changes, other than Material Changes, shall be deemed effective upon the Developer providing to the County notice of said change(s). Subject to the preceding sentence, the following shall be considered "**Material Changes**":

- i. Changes to the Unit Mix;
- ii. Prior to Financial Closing of any Phase, an increase in the Development Budget by more than 10%, net of inflation as determined by the R. S. Means City Cost Index for Miami; or
- iii. Prior to Financial Closing of any Phase, changes to the Development Schedule that delay Construction Completion or lease-up by more than one hundred twenty (120) calendar days.

If the County has not provided the Developer with written notice of its approval of any submitted Material Change(s) to the Redevelopment Plan or with any written comments to any such submitted Material Change(s) within thirty (30) days of submission, the County shall be deemed to have consented to any such Material Change(s) to the Redevelopment Plan.

Furthermore, a 75- Year Ground Lease, subject to HUD's approval, or Option to Enter Into a Ground Lease will be executed by and between the County and the Developer to reflect the site control granted to the Developer with respect to the project (the "**Ground Lease**," as such may be amended and/or restated from time-to-time). As provided above, the comprehensive Development contemplated herein will occur in Phases and the County will permit various sub-ground leases under the Ground Lease with various Owner Entities with respect to each of the various Phases that collectively comprise the Development. All proposed sub-ground leases will be first submitted to the County for review and approval prior to execution of said sub-ground leases. The County will provide approval, which will not be unreasonably withheld, within thirty (30) calendar days. If the County does not respond to the Developer's submission of a proposed sub-ground lease then said sub-ground lease will be deemed as approved by the County.

The parties understand that the RAD Requirements require that any Existing Resident who is on a public housing lease, has submitted an application to be added to an existing lease, or is

otherwise in lawful occupancy at the time of issuance of a RAD CHAP (i.e., Commitment to Enter into a Housing Assistance Payments Contract) has a right to return to the Development, but actual RAD Requirements will govern. The parties further acknowledge and agree that the number of RAD Units contemplated as part of the Development is intended to provide each Existing Resident a right to return to the Development upon Construction Completion, through a one-for-one replacement of all existing public housing units and by ensuring that each Existing Resident household has access to a right-sized unit for its household size. To assure the Existing Residents of options and choices in the development process, if an Existing Resident desires to move from the Development (instead of remaining in the Development and becoming a resident in a new RAD unit upon Construction Completion), the County will seek to provide the resident with alternative relocation resources, following the guidelines set forth in Miami-Dade Public Housing and Community Development's Admissions and Continued Occupancy Policy (ACOP) and any related County Resolutions.

- (c) Ownership Entities for Rental Phase and Selection of Investor. The Developer shall form different owners to own each Phase of the Development (each, an “**Owner Affiliated Entity**”), as further evidenced by each Sublease. Each Owner Affiliated Entity will have a managing member that will be a limited liability company controlled by the Developer. The principal equity interest in the Owner Affiliated Entity with respect to any Phase containing LIHTC Units will be owned by a LIHTC investor that is selected by the Developer and subject to approval by the County, not to be unreasonably withheld.

In cases where the Unit Mix includes RAD Units, as well as affordable and/or market rate units, the RAD Units shall be considered “fixed” or “floating,” and identified as such in the HUD PIH Information Center (“**HUD PIC**”) website, or any successor information system.

Notwithstanding the foregoing set forth in Sections 3(a) through 3(c), this Agreement and the parties' obligations hereunder are contingent upon the final approval of this Agreement by the Board, which shall be within the Board's sole discretion. If the Board, in its sole discretion, does not approve this Agreement, this Agreement shall be null and void.

#### 4. **Development Responsibilities.**

- (a) **Developer Responsibilities.** As more specifically set forth herein, the Developer (which, for purposes of this Section 4, will be deemed, if applicable, to be the Owner Affiliated Entity to which Developer has entered into a Sublease with the intent for such entity to develop all or a portion of the Property) shall be responsible for development services in connection with the new construction work in each Phase of the Development. The Developer shall be responsible to manage and maintain the continued occupancy of any Phase of the Development upon Construction Completion of the Development, as well as carrying out all other work for which Developer is responsible, as such responsibilities are detailed in this Agreement. Notwithstanding the foregoing, the parties acknowledge and agree that the Developer shall have no responsibility, liability or obligation (other than those obligations set forth in this Agreement) with respect to the existing units or the Existing Residents until they have been moved into a Phase of the Development. The actual services to be delivered by the Developer shall include all development services reasonably required to complete the construction of the Development and, except as otherwise provided herein and to the extent applicable, to cause each Owner Affiliated Entity to facilitate the construction of each Phase of the Development, including, but not limited to:

The Developer is committed to have a minimum of 35% of new hires from Section 3 eligible residents as local construction and permanent hiring. In addition, the developer has committed to award a minimum of 50% of the construction subcontracts to certified Section 3, CBE, DBE, S/M/WBE, and Labor Surplus Area firms; the Developer shall not employ or contract with any third-party contractor which has been debarred by HUD or the County and shall promptly terminate any contracts with any third-party contractor that is subsequently debarred;

On-going information concerning UFAS units and its occupants shall also be required by the County, which requirement shall survive this Agreement. The Developer shall provide required UFAS-related information as reasonably required by the County. In addition, developers are highly encouraged to provide units that are easily "adaptable" to UFAS units. The Developer shall meet all applicable Davis-Bacon wage requirements and shall monitor and ensure Davis-Bacon wage compliance by general contractor(s), sub-contractors, sub-sub contractors, etc., and shall ensure that all contracts and sub-contracts issued to any contractor on the project include Davis-Bacon requirements. The Developer shall carefully review Davis-Bacon requirements with all contractors and sub-contractors on site on an on-going basis, shall appoint an experienced and qualified Davis-Bacon compliance officer to ensure compliance during the entire construction duration, and shall provide Davis-Bacon compliance reporting to County as it may require. Any costs incurred by the County due to Davis-Bacon noncompliance by the Developer and/or any of its contractors, shall be reimbursable to the County by the Developer.
- vi. The Developer shall pay a \$2,500.00 per month fee to PHCD during the entire construction duration of the project for Davis-Bacon compliance review. The first payment shall be due 30 days after the construction of the project has begun. Failure to comply with Davis-Bacon wage rate or other federal required classification requirements will affect payments to the Developer (refer to Section 6, Payment Provisions). In addition, the County will assess the Developer up to a \$500.00 daily penalty fee to cover reasonable administrative costs it incurs for managing issues associated with the Developer's, and/or its consultants, contractors or vendors, non-compliance with the applicable regulations. This includes, but is not limited to, compliance with Davis-Bacon wages and HUD Section 3 requirements. This fee will be assessed for all days starting on the date that the County notifies the Developer of non-compliance and will be assessed until the date that the issue is acknowledged in writing as being resolved either by the County or Developer.
- vii. The Developer shall ensure that its contractors and their subcontractors are classifying workers properly for Davis-Bacon purposes and that they maintain proper documentation to support worker classification. In reviewing certified payrolls, the County will be alert to anomalies, and in such cases will consult with federal agencies, such as the Internal Revenue Service, Department of Labor, and HUD. Review of payroll records and/or similar documents by the County shall not relieve developers, contractors and subcontractors from ensuring Davis-Bacon Compliance and appropriate worker classification in accordance with all applicable requirements.

- viii. Failure to comply with Davis-Bacon wage rate or other federal required classification requirements will affect payments to the Developer (refer to Section 6 payment provisions).
- ix. Notwithstanding the foregoing subsection (6) above, the Developer shall require all contractors and subcontractors to pay Davis-Bacon Wages.
- x. The Developer shall provide a construction schedule using a Gantt chart format (or another format reasonably acceptable to the County) indicating all activities (e.g. event, task, and trade).
- xi. The Developer shall ensure unit design layout allocates proper circulation space and sustains suitable linear wall allocation for proper functioning and furniture layout.
- xii. In addition, to all community benefits and public housing unit amenities enclosed in its proposal and preliminary described and summarized in Exhibit A-1 and A-2.
- xiii. Appliances (only applies to buildings undergoing rehabilitation):

Deliveries of the equipment/furnishings by the Developer to the County Store (located at 980 West 84 Street, Hialeah, Florida) shall be scheduled between 7:30 and 10 am only, since they have to attend to walk-in customers the rest of the

day. The County Store does not accept drop-offs on Fridays, weekends or legal holidays.

- b) Developer shall complete all the information required on the attached Property Action Form. Please include the “Asset Tab # or Serial # of each equipment/furnishing, if available. If none can be found, indicate “N/A” in that column, and provide a detailed description of the equipment.
  - c) The County Store will not accept delivery of any chemicals; therefore, if any item has a gas tank or other type of chemical container attached, the chemical container needs to be removed by the Developer prior to delivery.
- xv. The Developer shall closely coordinate with the County and attend meetings with the Existing Residents as reasonably required to inform and receive input from such residents on all aspects of the Development plans, and as required by RAD Requirements. The Developer shall give good faith consideration to incorporate input received from the Existing Residents, in coordination with the County, as feasible and consistent with applicable codes, zoning, federal requirements, etc. The County will coordinate and schedule meetings with the Existing Residents.
- xvi. The Developer shall submit in writing a detailed relocation plan (“**Relocation Plan**”), in compliance with the County’s Tenant Relocation Agreement standards set in Resolution No. R-1181-19 (Exhibit J), for any Existing Residents intending to relocate to the Development upon Construction Completion for review and approval by the County, which approval shall not be unreasonably withheld. The Relocation Plan shall include appropriate notification and minimum disruption/inconvenience for the Existing Residents and safety as major considerations. The Developer shall provide a “third party relocation coordinator” to plan, organize, implement and monitor all aspects of the Relocation Plan, closely coordinate all aspects required for relocation, including phasing and duration, temporary unit locations and rental costs, moving and storage of furnishings, transportation, meals, pets, mail, etc. The County shall cooperate to issue notices and convene meetings in accordance with the Relocation Plan. Relocation costs will be part of the project budgets by phase. The Developer is responsible for all costs related to all temporary and permanent relocation of residents.
- xvii. The Developer shall provide to the County supporting documentation, such as Notice to Proceed (NTP) to contractors/sub-contractor and Certificates of Occupancy or Completion, as applicable.
- xviii. The Developer and its consultants shall carefully review all change orders, contingency adjustments and/or any other additional costs (herein change orders) to confirm that these are appropriate and to minimize said costs whenever possible. Such review shall include, but not be limited to, compliance with contract documents, the party requesting the change order, and the reason for such request (justification), hidden or unforeseen conditions, architect/engineer (“A/E”) error and/or omissions, critical path analysis for time extensions and other contract requirements.

When change orders involve time extensions, the Developer and its consultants shall also carefully review and confirm that these are appropriate and shall

minimize wherever possible time extensions. Time extension reviews shall include an evaluation of the critical path analysis to confirm whether the time extension has impacted the critical path.

- xix. The Developer shall carefully review and coordinate the work of its consultants to minimize A/E errors and omissions, and minimize any change orders, including additional costs and time extensions on the project. The County shall not approve additional costs/fees for A/E errors and omissions or any other costs/fees related to conditions which could have reasonably been discovered or should have been discovered with appropriate due diligence by the Developer and/or its consultants, contractors or other vendors.
- xx. The County may back-charge the Developer up to \$500 Daily for reasonable administrative costs it incurs for non-compliance with the applicable regulations by the Developer and/or its consultants, contractors or vendors. This includes, but is not limited to, compliance with Davis-Bacon wages and HUD and Miami-Dade County Section 3 requirements.
- xxi. Award Letters. Upon receipt of any funding award, the Developer shall provide to the County all award letters, including from FHFC and commitment letters from financial institutions.
- xxii. HUD RAD Requirements. The RAD evidentiary documents are subject to the review and approval by HUD and must contain the following provisions:
  - RAD Units will continue to be operated as such (“**Use Restrictions**”) for a period of twenty (20) years with required renewals in accordance with the RAD Use Agreement as required by RAD Requirements (“**Use Period**”) from the date the use first commences;
  - Use Restrictions shall be in a first priority position against the property (e.g. prior to any financing documents or other encumbrances) during the Use Period; and
  - The approved Owner Affiliated Entity shall maintain ownership and operation of the property during the Use Period. The Owner Affiliated Entity shall not convey, sublease or transfer the Property without prior approval from the County at any point during the Use Period other than pursuant to customary transfer provisions.
- xxiii. The County is responsible for monitoring and enforcing the Use Restrictions during the Use Period.
- xxiv. The Developer will provide a community benefits program at the Development, referred to herein as the Community Benefits Program. A preliminary description of the Community Benefits Program is set forth at Exhibit A-2.
- xxv. The various Phases of the Development will generate a number of financial benefits (“**Financial Benefits**”). Such Financial Benefits are further described in Exhibit B.

xxvi. The proposed improvements are subject to the County’s Sustainable Buildings Program provisions in Chapter 9 of the Code of Miami-Dade County, Sections 9-71 through 9-75 together with Miami-Dade County Implementing Order IO 8-8, as managed by Miami-Dade County Office of Resilience within the Regulatory and Economic Resources Department. The Developer shall design the Development to be consistent with a Silver certification rating from the U.S. Green Building Council’s Leadership in Energy and Environmental Design (“**LEED**”) as required by County Implementing Order 8-8. Pursuant to Implementing Order 8-8, the requirement for applying the appropriate LEED Silver standard may be modified due to special circumstances of the Development. Such modification shall be for the express purpose of ensuring the use of the most appropriate or relevant rating standard, and shall not, in any way, exempt the requirement to apply green building practices to the maximum extent possible. This substitution process shall be administered by and through the County’s Office of Resilience Sustainability Manager.

The LEED Silver certification or designation relative to the Development is outlined by the U.S. Green Building Council. The Developer agrees to regularly provide Landlord with copies of any and all records and/or reports (including but not limited to any approvals, rejections and/or comments) from the neutral and independent third-party reviewing the Development relative to the LEED Silver designation from the U.S. Green Building Council or certification from the National Green Building Standard (“**NGBS**”).

Further, the LEED Silver certification or designation or NGBS certification is a description or label designed to establish the level of energy efficiency and sustainability for Buildings and Improvements of the overall Development; and should substantially improve the “normal” or “regular” energy efficiency and indoor air quality for the overall Development. Beyond these environmentally responsible steps, Developer specifically agrees to consider additional steps or means to improve and/or protect the environment with regard to the Development, and to inform Landlord of any and all such additional methods or ways that Developer will utilize “green building standards” in the design and construction of the overall Development in an effort to achieve the important goals of creating a healthy place to work as well as an environmentally responsible development in the community. Developer’s decision whether to incorporate or adopt any such additional steps or means shall be made in Developer’s sole and absolute discretion. Other specific requirements include:

Energy-efficient reflective roofs or green roofs are also specifically required per Miami-Dade County Resolution No. R-1103-10; and

Electric Vehicle (EV) charging stations required per Miami-Dade County Resolution No. R-1101-15.

xxvii. Sea Level Rise and Heat Resilience:

In accordance with Miami Dade Board of County Commissioners (BCC) Resolution R-451-14, the Developer shall be required to consider sea level rise

projections and potential impacts as best estimated at the time of the Projects, using regionally consistent unified sea level rise projections and sea level rise data mapping websites, during all project phases including but not limited to planning, design, and construction, to ensure that the Projects will function properly for fifty (50) years or the design life of the projects, whichever is greater.

The Developer shall provide a comprehensive landscape plan for all open spaces that meets or exceeds the minimum standards described in the Miami-Dade County Landscaping Ordinance Chapters 18A and 18B and aligns with the Landscape Manual, while also complying with any municipal landscape code requirements, in a way that reduces building energy use intensity, aids onsite stormwater management, and expands existing tree canopy to increase community resilience to extreme heat while also enhancing overall appearance. In accordance with CDMF Policy LU-8I, the Developer is encouraged to incorporate additional heat mitigation elements into the project including porous pavements, cool roofs, and high albedo surfaces. The Developer will be required to consult with all appropriate County departments and plans will need to be in accordance with Miami-Dade County Implementing Order IO 8-8 and approved by Miami Dade PHCD Department.

xxviii. The Developer shall comply with the requirements of E-Verify as more fully described in Exhibit L attached hereto and incorporated herein by reference.

xxix. Safety Standards and Regulations.

The Developer and/or Owner Affiliated Entity shall be required to comply with the Occupational Safety and Health Administration (OSHA) requirements. Precautions shall always be exercised for the protection of persons and property. The equipment being offered by the Developer and/or Owner Affiliated Entity shall be the most recent model available. Any optional components which are required in accordance with the specifications of the project shall be considered standard equipment for the purposes of this Agreement. Demonstrator models will not be accepted. Omission of any essential detail from the specifications of the project does not relieve the Developer and/or Owner Affiliated Entity from furnishing a complete unit. The equipment shall conform to all applicable Federal (including OSHA), State, and local safety requirements. All components (whether primary or ancillary) of the delivered equipment shall be in accordance with current Society of Automotive Engineering (SAE) standards and recommended practices, as applicable. The engineering, materials, and workmanship associated with the Developer and/or Owner Affiliated Entity's performance hereunder shall exhibit a high-level of quality and appearance consistent with or exceeding industry standards.

The Developer, Owner Affiliated Entity, Contractor and Sub-Contractors performing services under this Agreement shall conform to all relevant OSHA requirements, Federal, State and County regulations, and County department's safety procedures during the course of such effort. Any fines levied by the abovementioned authorities for failure to comply with these requirements shall be borne solely by the responsible Developer and/or Owner Affiliated Entity. Furthermore, the Federal "Right to Know" Regulation implemented by OSHA requires employers to inform their employees of any toxic substances which they may be exposed to in the workplace, and to provide training in safe handling

practices and emergency procedures. It also requires notification to local fire departments of the location and characteristics of all toxic substances regularly present in the workplace. Accordingly, the Developer and/or Owner Affiliated Entity performing under this Agreement shall provide two complete sets of Material Safety Data Sheets to each County Department utilizing the awarded products. This information should be provided at the time when the initial delivery is made, on a department-by-department basis. For additional information on the Federal Right to Know Regulation, contact OSHA at <https://www.osha.gov/>.

The Developer's obligations under this Section 4(b) of this Agreement shall survive the termination of this Agreement.

- (c) County's Responsibilities. As more specifically described herein, the County is responsible for the following activities related to the Development (such list is not intended to be exhaustive):
- i. Developing and submitting all necessary applications to HUD (provided that the Developer shall have an opportunity to review and comment on the same prior to submission);
  - ii. Approving Owner Affiliated Entity admissions and occupancy criteria and related property management documents such as the RAD-Section 8 lease and house rules, which approvals shall not be unreasonably withheld, delayed or conditioned;

Notwithstanding the foregoing, the County will provide copies of all items to Developer prior to submission to HUD in order to permit the Developer to provide input and comment with respect to the same;
  - ix. Cooperating with the Developer to assure the timely relocation of Existing Residents to the Development; and

- x. The County will reasonably cooperate if the Developer determines to offer any Existing Resident an “Alternative Housing Option” in accordance with the RAD Fair Housing Notice.
- (d) Unit Management Software.
  - i. The Developer must use the County’s current system of record, Emphasys Elite (or successor system), for the purposes of entering re-certification data, HUD PIC submissions, and reporting. The Developer will be responsible for any associated software license, support, and training costs. The County will make the application available to the Developer and will be responsible for the user account management and security. The County will not provide any e-mail or telecommunications services and will not provide any technical support related to the Developer’s information technology infrastructure, including, but not limited to, desktops, servers, routers, or related network connectivity. The Developer will also be responsible for any maintenance and development costs associated with any application or database interfaces to the County’s current system of record.

## 5. Fees.

- (a) Developer Fee. The parties agree to seek approval from HUD, if required by RAD Requirements, of the maximum allowable developer fee (whether or not deferred) permitted by the Florida Housing Finance Corporation for the Development of eighteen percent (18%), with respect to four (4%) Low-Income Housing Tax Credit transactions, and sixteen percent (16%), with respect to nine percent (9%) Low-Income Housing Tax Credit transactions (the “**Developer Fee**”). The Developer agrees that the County shall earn a fee, to be structured in a manner reasonably acceptable to the parties, equal to 31% of the total Developer Fee described herein and actually received by the Developer or its affiliate for all Phases. The County’s share of the Developer Fee will be pari-passu to the Developer’s share, and will be paid to the County on a pro rata basis as it is distributed to the Developer.
- (b) Capitalized Lease Payment. With respect to the Ground Lease to be entered into the Development or each Phase, the Developer or its subsidiary or designee agrees to pay a capitalized lease payment (the “**Capitalized Payment**”). The Capitalized Payment applies for the entire Development referred to as Falk Turnkey, Little Havana Homes and Jose Marti Plaza. This Capitalized Payment is set to be paid upon Financial Closing of each Phase and its amount shall be reflected on each Ground Lease made per phase. These terms are further outlined under Exhibit B.
- (c) County Net Cash Flow Participation. Beginning the first year of positive cash flow after full payment of the deferred developer fee, if any, on all Phases, the County will receive annually 20% of all net distributable operating receipts characterized as net cash flow. (the “**Net Cash Flow Participation**”). The County may request, no more than once annually, and to be delivered to the County, a property and partnership audit, such audit shall be performed by a licensed certified public accountant CPA and shall be paid for by the property and/or partnership.
- (d) Asset Management Fee. Beginning the earlier of Year 10 or the first year of positive cash flow after full payment of the deferred developer fee, if any, Developer shall pay to the County a one-time asset management fee in the amount of \$3,200,000.00 for the Development referred to as Falk Turnkey, Little Havana Homes and Jose Marti Plaza (the “**Asset Management Fee**”).

Developer shall pay to the County a one-time stabilization fee in the amount of \$100,000 (the “**Stabilization Fee**”) for Phase 2 of the Development referred to as Gallery of Little Havana Homes (without the scattered single-family and duplex units). The Stabilization Fee shall be payable to the County thirty (30) days after receipt by Developer of the stabilization developer fee payable to Developer for the applicable Phase.
- (f) County Residual Participation. On all Phases, upon any sale, refinance, cash-out transaction, or resyndication of the Low Income Housing Tax Credits, involving the Developer’s leasehold interests or properties, other than those in which the County is the purchasing entity, the County will receive 30% of the Developer managing member’s net proceeds from such transactions after debt, expenses, fees and agreed upon and customary offsets for repairs, approved operating loans to the project and other related costs (the “**Net Proceeds**”).
- (g) Should the Developer develop any additional housing structure or phased development in addition to the contemplated development specified in this agreement, the developer agrees to apply the same financial terms for the County as written in this Section 5.

For avoidance of doubt, the Developer shall not owe any amounts to the County in connection with the Ground Lease or applicable Sublease until the Financial Closing for such Phase.

## 6. **Payment Provisions for County Funds (if applicable).**

- (a) The Developer shall submit to the County, not more often than monthly, a payment (Draw) request for County funds in a form and format acceptable to the County, for expenditures for the work completed and incurred.
- (b) Each payment request shall be carefully reviewed and evaluated for accuracy, completeness and compliance with this agreement by the Developer prior to its submission to the County. Each payment request shall identify, by line item and by reference to the corresponding element of the Budget, (a) the total costs to date incurred, (b) the corresponding portion of the compensation due to developer, if applicable, (c) the amounts, if any, of previous payments, and (d) the portion, if any, of such costs and/or fee for which a payment is requested under the payment request and any other provisions reasonably required (with reasonable advance notice) by the County. Each payment request shall be accompanied by separate billing statements or invoices from each consultant, sub-consultant, contractor or sub-contractor (herein vendors) to which payment has been made or will be made. The County shall not be required to make advance payments or deposits.
- (c) Payment requests shall not be processed until a proper payment request (herein a “**Proper Invoice**”) has been received by the County from the Developer. A Proper Invoice means an invoice which conforms to the payment requirements of the County. A Proper Invoice shall include a statement by the Developer waiving claims for extra direct and indirect costs or time associated with work preceding the date of the invoice, or a statement in sufficient detail containing all rights reserved for work already performed. All present requirements or future rules pertaining to the execution of a Proper Invoice will be made available to the Developer in a timely manner. The Developer shall make payments to all vendors included in each respective payment request within five (5) business days of receipt of funds from the County. The Developer shall include the provisions of this section in all sub-contracts, and require all vendors to include this provision in their contracts with other vendors.

- (d) The time at which payment for service is due from the County shall be calculated from the date on which a Proper Invoice is received by the County. The time at which payment shall be due from the County to the Developer shall be forty-five (45) days from receipt by the County of a Proper Invoice from the Developer. In any case in which an improper invoice is submitted by the Developer, the County shall, within ten (10) days after the improper invoice is received, notify the Developer that the invoice is improper and indicate what corrective action on the part of the Developer is needed to make the invoice proper. Notwithstanding this, the County reserves its right to review an improper invoice at any point in time and notify the Developer of corrective actions that are needed and must be taken.
- (e) Final payment shall not be made to the Developer until the Developer has resolved all pending Davis-Bacon wage rate compliance issues and restitution is made (or placed in escrow for unfound workers) to all workers determined by the County to be underpaid. At a minimum, an amount equal to the cost of all pending Davis-Bacon non-compliance issues shall be retained until such issues are resolved to the County's satisfaction. The Developer shall be assessed up to \$500 daily for all administrative costs it incurs in managing Davis-Bacon non-compliance issues.
- (f) For non-County funds, the Developer shall provide a report, in a form and format acceptable to County, indicating payment requests and approved amounts received by the Developer for all funding sources and percentage of Construction Completion. In addition, the Developer shall provide, on a monthly basis, a construction schedule and construction budget, with anticipated changes to the budget and schedule, along with a change order log, and the Developer will meet with the County at the County's request, at thirty day intervals, to review and discuss the monthly report. Any proposed changes will be subject to the approval provisions set forth in this Agreement.

## **7. Property Management Responsibilities.**

The Property Manager may or may not be an affiliate of the Developer. (the "**Management Agent**"), and the County, pursuant to the Management Agreement, to be attached hereto as Exhibit H. The Management Agent shall be responsible for the day-to-day operation of each Phase of the Development, including, but not limited to, compliance, collections, leasing, payment of invoices and maintenance. Specific duties shall be further detailed in the initial agreement between the Management Agent and the Owner Affiliated Entity, and such agreements are subject to the County's reasonable approval. Notwithstanding the foregoing, the parties acknowledge and agree that the Developer shall have no responsibility, liability or obligation (other than those obligations set forth in this Agreement) with respect to the existing units or the Existing Residents, and that the Management Agent's responsibilities, as noted herein, shall commence upon the Construction Completion of each Phase of the Development.
- (b) Admissions Policies. The parties agree that the occupancy will be carried out with respect to the Development as follows:
  - i. The Existing Resident households shall have the right to return to occupy RAD Units in each Phase of the Development once the RAD Units are available for occupancy, and have a right to have access to a unit that is the right size for the Existing Resident's legally lease-

compliant household size, based on unit availability within the project and coordination with the County to determine if a right-sized unit can be included in the project's design.

- ii. Any vacancies to RAD Units not filled by Existing Residents (either at initial occupancy or thereafter) will be filled by applicants who are referred from the County's waiting list, subject to screening by the Management Agent for income and other LIHTC compliance matters. The parties agree that a site-based waiting list will be used, in accordance with the County's Section 8 Program Administrative Plan. The parties acknowledge and agree that the County's Section 8 Administrative Plan will be revised, as necessary, to reflect the foregoing and that a referral process will be formulated by the parties to ensure that lease-up occurs in a timely and equitable manner.
  - iii. The parties agree that the occupancy will be carried out with respect to the Development following the Management Agent's tenant screening processes.
  - iv. Developer shall assist the County with all reporting and coordination requirements, including, but not limited to, HUD-PIC coordination and submissions required for the project.
  - v. The property management agreement for each phase shall include provisions for Resident Grievance procedure, approved by the County that includes detailed steps for the aggrieved resident to follow in the event of a violation of management rules, property operating policies, and any Federal and regulatory program guidance from HUD.
  - vi. The property management agreement for each phase shall include and must stipulate a life of project guarantee from the project development and management entity that at least one of the Full-Time property management site employees is from the community.
- (c) Property Management Fee. The Management Agent shall receive a management fee pursuant to the Management Agreement.

## **8. Termination.**

- (a) Termination for Convenience. The County reserves the right to terminate this Agreement, in whole or in part, with respect to any Phase that has not yet reached a Financial Closing, at any time for the convenience of the County, if the County shall determine in good faith that it is in the County's best interest, or contrary to that interest to proceed with the Development. In the event of a termination for convenience under this Agreement, the County shall deliver to the Developer a Notice of Termination within thirty (30) days specifying the extent to which the performance of the work under this Agreement is terminated, and the date upon which such termination becomes effective. If the performance of the work under this Agreement is terminated in whole or in part, the County shall be liable to the Developer for all costs resulting from such termination, including, but not limited to, repayment of all fees paid upon execution of the respective ground leases in accordance with Section 5(b) hereof, to the extent applicable. In addition, any predevelopment loans advanced to the Developer will be deemed satisfied in connection with the assignment of work product in accordance with subsection (f) below. Within thirty (30) days after receipt of the Notice of Termination, the Developer shall present a proper claim setting out in detail: (i) the total cost of all third-party costs incurred to date of termination, for work products that are included in the approved pre-development

budget, including, but not limited to, architectural, engineering, and similar types of costs, and also including any County approved loans from third parties; (ii) the cost (including reasonable profit) of settling and paying claims under subcontracts and material orders for work performed and materials and supplies delivered to the site, or for settling other liabilities of Developer incurred in performance of its obligations hereunder; (iii) the cost of preserving and protecting the work already performed until the County or its assignee takes possession thereof or assumes responsibility; and (iv) FHFC withdrawal penalty, if applicable. Within ninety (90) days after receipt of the claim from the Developer, the County shall either respond to the Developer's claim or make a final payment to the Developer in the event there is no dispute relative to claim.

- (b) Termination for Infeasibility. The County or the Developer may terminate this Agreement for infeasibility, but only to the extent that the County and the Developer first made good faith efforts to pursue an alternative course of action that meets the program objectives for the redevelopment contemplated for this overall project(s). In the event that, prior to a Financial Closing, adverse contingencies occur, including but not limited to, the inability to obtain sources of funds in an amount sufficient to complete an applicable Phase, and the parties cannot, within one hundred twenty (120) days after either party providing written notice that an adverse contingency has occurred with respect to a Phase, agree to amend the Development Plan for the Phase, then this shall be deemed an “**Event of Infeasibility**.” Upon the occurrence of an Event of Infeasibility, this Agreement may be terminated, in whole or in part, for a Phase that has not yet reached Financial Closing, if one party so agrees following receipt from the other party of written notice of the party's desire to terminate this Agreement for that Phase. In such event, the Developer shall be limited to reimbursement for those costs as set forth in (i), (ii), (iii), and (iv) of Section 8(a).
- (c) With respect to the rights of termination upon an Event of Infeasibility, either party's exercise of such rights of termination for infeasibility shall be specific to the Phase or Phases terminated pursuant thereto and shall not be deemed to terminate the Ground Lease, any unaffected Sublease, or this Agreement. Termination for Cause. Either party may terminate this Agreement for cause, at any time, on the giving of notice to the other party of the grounds asserted for such termination and failure of the other Party to cure such grounds within thirty (30) days from receipt of such notice (“**Termination for Cause**”). Notwithstanding anything to the contrary contained herein, suspension from participation in any government programs, which suspensions, for the purposes hereof, are defined to include, but not be limited to, any sanctions imposed by HUD pursuant to 24 C.F.R. Part 24, shall be grounds for termination of this Agreement for cause without opportunity for cure. By execution of this Agreement, Developer hereby certifies to the County that it is not suspended, debarred or otherwise prohibited from participation in any government programs.

In the event of a termination of this Agreement by the County or the Developer which is determined to constitute a breach hereof by the County or the Developer, the party in breach shall be liable to the non-breaching party in accordance with applicable law for all actual damages caused thereby.
- (d) Fraud, Misrepresentation or Material Misstatement. The County may terminate this Agreement if Developer attempts to meet its contractual obligations hereunder with the County through fraud, misrepresentation or material misstatement.
- (e) Debarment. The foregoing notwithstanding, any individual, corporation or other entity that

attempts to meet its contractual obligations with the County through fraud, misrepresentation or material misstatement may be debarred from County contracting for up to five (5) years in accordance with the County debarment procedures. The Developer may be subject to debarment for those reasons set forth in Section 10-38 of the County Code.

(f) Remedies. In the event that the County exercises its right to terminate this Agreement following an Event of Default, the Developer shall, upon receipt of such notice, unless otherwise directed by the County:

- i. Stop work on the date specified in the notice (the “**Effective Termination Date**”);
- ii. Take such actions as may be necessary for the protection and preservation of the County’s materials and property;
- iii. Cancel orders;
- iv. Upon payment by the County for such work product and payment of other amounts due in accordance with this Section 8, assign to the County and deliver to any location designated by the County any non-cancelable orders for deliverables that are not capable of use except in the performance of this Agreement and has been specifically developed for the sole purpose of this Agreement and not incorporated in the Services; and
- v. Take no voluntary action (unless otherwise required by legal obligations) which will increase the amounts payable by the County under this Agreement.

(g) Developer Shall Deliver Work Product in Event of Termination. In the event that this Agreement is terminated under this Section 8, Developer agrees that it shall promptly deliver to County, or cause to be delivered to County, any concrete, transferable, and useable third party work product generated in connection with the Development, and will assign to County all of its right, title, and interest to such work product, without reservation in exchange for County’s payment of funds paid by Developer (including funds borrowed from third parties) for such work product, along with amounts due to the Developer hereunder. Developer shall be under no obligation to deliver any work product in its possession unless the County shall have reimbursed it for the cost thereof (and paid to the Developer any other amounts due hereunder) or shall have agreed to offset the cost thereof against any indebtedness owing from the Developer to the County. No payment shall be due, however, if the Developer has committed fraud, misrepresentation, material misstatement, or in the event of termination for an Event of Default pursuant to Section 9, provided, however, that the County has a predevelopment loan in effect with respect to such work product.

(h) Partial Termination.

- i. The County may, in its discretion, terminate this Agreement (unless caused by the County’s failure to timely perform the County’s obligations hereunder) with respect to the respective individual Phases set forth below, at no cost to the County, if:
  1. As to the first Phase of the Development, the Developer is unable to commence construction for such Phase within twelve (12) months from firm commitment of the remaining gap financing required for such Phase, unless the Developer’s inability to secure funding and financing is caused solely by the County’s failure to timely perform

the County's obligations hereunder; or

2. As to the remaining Phases of the Development, the Developer is unable to secure financing from FHFC for a subsequent Phase within twelve (12) months after the completion of the prior Phase, unless the Developer's inability to secure funding and financing is caused solely by the County's failure to timely perform the County's obligations hereunder, provided, however, that the County may at its sole option grant reasonable extensions thereof upon a showing by the Developer that it has diligently pursued such Phase in good faith or provided other reasonable justification for such delay.

- ii. Upon partial termination of this Agreement for an applicable Phase, the Developer shall have no further development or possessory rights to the undeveloped portion(s) of such Phase under this Agreement. The Developer and the County shall coordinate and execute appropriate agreements, contracts or other applicable documents to return the undeveloped portions of such Phase to the County, including, but not limited to, an amendment to the Ground Lease and Sublease to remove that portion of the demised premises that were to be used by Developer for the applicable terminated Phase.
- iii. With respect to the rights of partial termination set forth in subsection (h) above, the County's exercise of such rights of partial termination shall be specific to the Phase or Phases terminated pursuant thereto and shall not be deemed to terminate the Ground Lease, any unaffected Sublease, or this Agreement.

## **9. Event of Default.**

- (a) An Event of Default shall mean a breach of this Agreement by the Developer after expiration of any applicable notice and cure period without such cure. Without limiting the generality of the foregoing, and in addition to those instances referred to herein as a breach, an Event of Default shall include, but not limited to, the following:
  - i. the Developer has made a Material Change to the Development Schedule without the County's approval;

  - iii. the Developer has failed to make prompt payment to subcontractors or suppliers for any Services in violation of applicable law;
  - iv. the Developer has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Developer's creditors, or the Developer has taken advantage of any insolvency statute or debtor/creditor law or if the Developer's affairs have been put in the hands of a receiver;
  - v. the Developer has commenced construction of a Phase without obtaining the approval of the County with respect to the approvals required under Sections 3 and 4 of this Agreement;
  - vi. the Developer has failed in any material respect with respect to any representation or warranty stated under Section 17 of this Agreement;

- vii. the Developer has failed to comply with the public records disclosure requirements set forth in Section 119.0701 of the Florida Statutes and Section 26 of this Agreement;
  - viii. the Developer has failed to comply with any and all UFAS requirements and obligations; and
  - ix. the Developer has made a Material Change to the Development Budget without the County's approval; and
  - xi. the Developer fails to pay any Liquidated Damages due and payable under this Section 9.
- (b) If the County shall terminate this Agreement for default, subject to applicable cure periods set forth herein, the County or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, and reports after payment, if applicable.
  - (c) Notwithstanding the foregoing, this Agreement shall not be terminated for default if the delay in fulfilling or inability to fulfill Developer's obligations hereunder arises from (i) unforeseeable causes beyond the reasonable control of the Developer; (ii) an Economic Unavoidable Delay; or (iii) failure of any governmental entity, including, but not limited to, HUD, to provide approvals (e.g., zoning, interlocal agreements, RAD applications, leases, operating agreements, etc.) necessary to complete the work so long as the failure is not a result of Developer errors or omissions in an application seeking approval (any such failure or other cause or event being referred to herein as a "**Force Majeure Event**"). Examples of such causes include (a) acts of God or the public enemy, (b) material acts or failure to act, or delays in action, of the County, HUD, or other governmental entity in either their sovereign or contractual capacity, if the Developer can demonstrate that it has taken reasonable steps to provide for circumstances that facilitate a timely approval in accordance with conventional timeframes typical of such government agency, (c) material acts or failure to act of another contractor (other than a contractor or subcontractor to the Developer or the Owner Affiliated Entity) in the performance of a contract with the County, (d) fires, (e) floods, (f) strikes or labor disputes, (g) freight embargoes, (h) unavailability of materials, (i) unusually severe weather, (j) delays of subcontractors or suppliers at any tier arising from unforeseeable causes beyond the control and without fault or negligence of both the Developer and the subcontractors or suppliers, (k) delay caused by litigation that is not between the County and the Developer, and (l) infectious disease occurring over a wide area and affecting a large number of people that materially and negatively impacts the Redevelopment Plan.
  - (d) The Developer agrees to comply fully with its obligations to provide the Community Benefits Program. The parties understand and agree that the damages to the County, the community, and the public resulting from the Developer's failure to provide the Community Benefits Program may not be subject to exact calculation. For this reason, the parties have agreed to require the Developer to pay the County Liquidated Damages, which shall be due and payable at project completion or at the completion of a phase of the project if the completion of a component of the Community Benefits Program can be measured at a per-Phase completion level, for any such failure which is impossible to quantify with accuracy. In the event the Developer fails to provide any material portion of any item of the Community Benefits Programs, the Developer shall be liable to the County for Liquidated Damages. The amount of Liquidated Damages for each of the Community Benefits Program shall be as set forth in Section 9(e) of this Agreement.
  - (e) If the Developer fails to provide the Community Benefits Program related to Small Business Hiring and Job Training and Job Placement, as more particularly set forth in Exhibit A-2, the

Developer shall be liable to the County for Liquidated Damages, which Liquidated Damages shall be evaluated and assessed at the end of each Phase and shall be due and payable at the completion of each Phase and shall constitute the sole remedy of the County related thereto. The Liquidated Damages relating to those benefits shall be calculated as follows:

- With respect to Developer's commitment to provide a minimum of 50% of the construction subcontracts to certified Section 3, CBE, DBE, S/M/WBE, and Labor Surplus Area firms of new hires from Section 3 eligible residents as local construction and permanent hiring, Developer shall pay Liquidated Damages in the amount of \$5,000 for each percentage point by which Developer fails to meet the 50% commitment.
- With respect to Developer's commitment to provide a minimum 35% of the new jobs created for Section 3 or targeted zip code residents. Developer shall pay Liquidated Damages in the amount of \$2,500 monthly for each job by which Developer fails to meet its commitments for the Development.

The Developer agrees to comply fully with its obligations to comply with the local hiring requirements outlined in this Agreement. The parties understand and agree that the damages to the County, the community, and the public resulting from the Developer's failure to comply with the local hiring requirements may not be subject to exact calculation. For this reason, the parties have agreed to require the Developer to pay the County Liquidated Damages, which shall be due and payable at project completion, for any such failure which is impossible to quantify with accuracy.

- (f) Within ten (10) days after the end of each quarter, Developer shall provide a detailed report to the County, in a format that the County has reviewed and agreed to, setting forth the Developer's progress toward satisfying their obligations to provide the Community Benefits Program, which report shall request the County's acknowledgement that such items have been satisfied. If the Developer is not meeting the commitments set forth above upon the completion of any Phase, such report shall set forth the Developer's plans for meeting such commitments in subsequent Phases. Within fourteen (14) days after the County's receipt of such report, the County shall (i) execute an acknowledgement of the satisfied items, or (ii) provide a detailed written explanation to Developer setting forth the County's reasons for not executing such acknowledgement. If the County fails to so respond within thirty (30) days, the County shall be deemed to have acknowledged that such items have been satisfied.

The Default Notice thereof shall specify the nature of the claimed Event of Default, the Phase(s) to which such Event of Default relates, and, if such Event of Default shall be reasonably subject to adequate cure, the Default Notice shall state (i) the actions required to be taken by the Developer to cure the Event of Default, and (ii) the reasonable time (up to sixty (60) days but no less than thirty (30) days (the “**Cure Period**”)) within which Developer shall respond with a showing that all required actions have been taken, provided that the Developer shall have such additional time as is reasonably necessary to cure such Event of Default so long as the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default. The Cure Period can be extended at the County's sole discretion. During any cure period so provided, the Developer shall proceed diligently with

performance of any work required by this Agreement for any Phase(s) which is not the subject of the claimed Event of Default. Following expiration of the stated cure period (unless the Developer has diligently commenced and is proceeding in a reasonable diligent manner toward curing such Event of Default, as provided hereinabove), the County shall deliver a second notice stating either that the Event of Default has been adequately cured or that the Agreement is terminated with respect to the Phase(s) to which such Event of Default relates.

#### **11. Remedies in the Event of Default.**

If an Event of Default occurs and remains uncured pursuant to Section 9 herein, the County may, as its sole remedy, terminate this Agreement with respect to the Phase(s) to which such Event of Default relates in accordance with Section 10 hereof. In addition, the Developer shall be liable for all direct (but not consequential) damages to the County resulting from such Event of Default. In no event shall the County be entitled to bring any suit or proceeding for specific performance.

IF ANY MECHANIC'S LIEN SHALL BE FILED, DEVELOPER SHALL BOND OVER, PROCURE THE RELEASE OR DISCHARGE THEREOF WITHIN NINETY (90) DAYS EITHER BY PAYMENT OR IN SUCH OTHER MANNER AS MAY BE PRESCRIBED BY LAW. NOTICE IS HEREBY GIVEN THAT THE COUNTY SHALL NOT BE LIABLE FOR ANY LABOR, SERVICES OR MATERIALS FURNISHED OR TO BE FURNISHED TO THE DEVELOPER OR TO ANYONE HOLDING ANY OF THE PROPERTY THROUGH OR UNDER THE DEVELOPER, AND THAT NO MECHANICS' OR OTHER LIENS FOR ANY SUCH LABOR, SERVICES OR MATERIALS SHALL ATTACH TO OR AFFECT THE INTEREST OF THE COUNTY IN AND TO ANY OF THE PROPERTY. THE COUNTY SHALL BE PERMITTED TO POST ANY NOTICES ON THE PROPERTY REGARDING SUCH NON-LIABILITY OF THE COUNTY.

Developer shall promptly pay all persons or entities furnishing labor and material with respect to any work performed by Developer or its contractor on or about the property in connection with the Development, and shall obtain and deliver to Landlord "releases" or waivers of liens from all parties doing work on or about the property, along with an affidavit from Developer stating that all bills have been paid with regard to such work and that there are no outstanding obligations, except in the ordinary course of business, owed with respect to any such work performed on the property in connection with the Development.

Moreover, in no event shall a

failure of the County to adopt any of the Developer or Owner Affiliated Entity's request or application for any type of permit, license, zoning or any other type of matter requiring government approval or waiver be construed a breach or default of this Agreement, unless such failure was unreasonable or untimely or in direct contravention to another provision of this Agreement.

RESOLUTION NO. R-1181-19

RESOLUTION APPROVING FORM OF A TENANT RELOCATION AGREEMENT; DIRECTING THE COUNTY MAYOR OR THE COUNTY MAYOR'S DESIGNEE TO EXECUTE SUCH TENANT RELOCATION AGREEMENTS WITH PUBLIC RESIDENTS IMPACTED BY THE PROPOSED CLOSURE OF HARRY CAIN AND ANNIE COLEMAN 14 PUBLIC HOUSING DEVELOPMENTS, THE FUTURE CLOSURE OF ANY ADDITIONAL PUBLIC HOUSING DEVELOPMENTS, OR THE REDEVELOPMENT OF A PUBLIC HOUSING DEVELOPMENT CONVERTED TO SECTION 8 PROJECT-BASED HOUSING THROUGH RENTAL ASSISTANCE DEMONSTRATION PROGRAM; DIRECTING THE COUNTY MAYOR OR THE COUNTY MAYOR'S DESIGNEE TO DEVELOP A TENANT RELOCATION OFFICER PROGRAM TO ASSIST TENANTS WITH THE RELOCATION PROCESS; AND WAIVING RESOLUTION NO. R-130-06

**WHEREAS**, the County is a "public housing agency," as defined in the United States Housing Act of 1937 (42 U.S.C. § 1437 *et seq.*, as amended), and is the owner and operator of 12 public housing asset management developments, which include over 9,000 units; and

**WHEREAS**, the public housing program is funded by the United States Department of Housing and Urban Development ("HUD"); and

**WHEREAS**, the County, as a steward of the public housing program and as owner of certain public housing developments, has an obligation to provide decent, safe and sanitary housing for all residents of such housing in accordance with federal and state laws and regulations; and

**WHEREAS**, much of the County's public housing portfolio is outdated and in need of rehabilitation or redevelopment; and

**WHEREAS**, for many years the County relied on HUD's Capital Funding Program to maintain its public housing stock; and

**WHEREAS**, HUD's Capital Funding Program only provides approximately \$14 million per year to the County; and

**WHEREAS**, the County, however, has partnered with private developers to redevelop its public housing stock through a HUD-approved mixed-finance approach, which, to date, has resulted in approximately 2,400 units that have been redeveloped or are in the process of being redeveloped; and

**WHEREAS**, although the mixed-finance approach has been successful, the County has sought other means to ensure that the remaining public housing stock is redeveloped; and

**WHEREAS**, on August 30, 2018, the County transmitted to HUD Secretary Benjamin S. Carson, Sr., M.D. a letter of interest proposing the conversion of 6,426 public housing units to the Section 8 project-based housing program through HUD's Rental Assistance Demonstration program ("RAD Program") (collectively referred to as the "County's Portfolio Award Application"); and

**WHEREAS**, the RAD Program is the voluntary, permanent conversion of public housing to the Section 8 project-based housing program, which was authorized in the Fiscal Year 2012 Congressional Appropriations Bill; and

**WHEREAS**, unlike the public housing program, the Section 8 project-based housing program allows for more funding flexibility, including the use of other funding sources, such as tax credits, private debt and equity, and other public funds to maintain and improve existing public housing buildings; and

**WHEREAS**, the RAD Program also guarantees strong tenant protections that tenants currently have under the public housing program; and

**WHEREAS**, on October 3, 2019, this Board adopted Resolution No. R-1059-19, which, in part, authorizes the County Mayor or the County Mayor's designee to amend the County's Portfolio Award Application to include certain public housing developments that are being redeveloped by Related Urban, thus bringing the total number of public housing units to be converted through the RAD Program from 6,426 to 7,718; and

**WHEREAS**, the public housing units located in Harry Cain and Annie Coleman 14 public housing sites are currently included amongst the 7,718 units to be converted through the RAD Program; and

**WHEREAS**, however, due to health and safety issues in Harry Cain and Annie Coleman 14, the County has proposed to close both of these public housing developments and relocate the residents by using vouchers through the Section 8 Housing Choice Voucher Program; and

**WHEREAS**, the County's redevelopment efforts and the proposed closure of Harry Cain and Annie Coleman 14 could potentially cause thousands of tenants to be relocated; and

**WHEREAS**, relocating from one's home, regardless of the circumstances, can be costly, time consuming and difficult, and those challenges are even greater for residents of limited incomes relocating from public housing; and

**WHEREAS**, this Board desires to provide assurances to the residents impacted by the proposed closures or the public housing developments to be converted through the RAD Program of their rights to assistance while relocating and their rights to return to their developments after they have been redeveloped; and

**WHEREAS**, to provide the residents with this assurance, this Board desires that the County enter into tenant relocation agreements with public housing residents impacted by the proposed closure of Harry Cain and Annie Coleman 14 public housing developments, the future closure of any additional public housing developments, or the redevelopment of public housing developments proposed to be converted to Section 8 project-based housing through RAD Program; and

**WHEREAS**, during the October 18, 2019 Chairwoman's Policy Council meeting, comments were received from the residents, Legal Services of Greater Miami, Inc., and the public concerning the proposed tenant relocation agreement; and

**WHEREAS**, during the meeting the County Attorney's Office and the County administration were directed to meet with Legal Services of Greater Miami, Inc., to address the concerns that were raised and to return with an agreement that is acceptable to the County, residents, resident councils and their legal counsel; and

**WHEREAS**, the proposed tenant relocation agreement, which is attached hereto as Exhibit A, is acceptable to all interested parties; and

**WHEREAS**, this Board wishes to ensure that the tenant relocation agreements set forth certain rights on the part of relocating tenants and certain duties and responsibilities on the part of the County; and

**WHEREAS**, this Board further wishes to establish a tenant relocation officer program, which will provide assistance to the aforementioned public housing residents; and

**WHEREAS**, this Board wishes to waive Resolution No. R-130-06, which provides that an item seeking approval of a contract shall not be placed on a County Commission or committee agenda until the underlying contract is completely negotiated, in final form and executed by all

non-County parties, to give the County Mayor or the County Mayor's designee time to have the tenant relocation agreements executed by the public housing residents impacted by the proposed closures,

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF COUNTY COMMISSIONERS OF MIAMI-DADE COUNTY, FLORIDA, that:**

**Section 1.** The foregoing recitals are incorporated in this resolution and are approved.

**Section 2.** This Board approves the Tenant Relocation Agreement, in substantially the form attached hereto as Exhibit "A" and incorporated herein by reference.

**Section 3.** >>This Board directs the County Mayor or the County Mayor's designee to establish and implement, utilizing existing budgeted funds, a process to compensate public residents impacted by the proposed closure of Harry Cain and Annie Coleman 14 public housing developments, the future closure of any additional public housing developments, or the redevelopment of public housing developments proposed to be converted to Section 8 project-based housing through Rental Assistance Demonstration Program ("RAD Program") for fees related to obtaining or replacing driver's licenses or state identification cards necessary due to relocation efforts.<sup>1</sup>

**Section 4.**<< This Board directs the County Mayor or the County Mayor's designee to execute the Tenant Relocation Agreement with public residents impacted by the proposed closure of Harry Cain and Annie Coleman 14 public housing developments, the future closure of any additional public housing developments, or the redevelopment of public housing developments proposed to be converted to Section 8 project-based housing through ~~[[Rental Assistance~~

<sup>1</sup> Committee amendments are indicated as follows: Words stricken through and/or ~~[[double bracketed]]~~ are deleted, words underscored and/or >>double arrowed<< are added.

~~[[Section 4]]>>Section 5<<.~~ This Board directs the County Mayor or the County Mayor's designee to develop a tenant relocation officer program wherein each public housing resident being relocated as a result of the closure of a public housing development or the redevelopment of a public housing project through the RAD Program shall be assigned a particular tenant relocation officer to assist them through the relocation process. To assist relocating tenants in identifying suitable housing, the tenant relocation officer shall have frequent contact with local realtors and multi-family developments, keep an updated list of available units, provide that list regularly to the relocating tenants, and perform the duties ascribed to the tenant relocation officer as set forth in the Tenant Relocation Agreement approved herein.

#### RECITALS

**WHEREAS**, the County desires to relocate Tenant, which includes the following members of the household:

1. [Insert Name of Household Member]
2. [Insert Name of Household Member]
3. [Insert Name of Household Member]; and

**WHEREAS**, in accordance with Miami-Dade Board of County Commissioner's Resolution No. R-\_\_\_\_-19, this Agreement is being entered into to set forth the rights and obligations of the County and Tenant,

**NOW, THEREFORE**, in consideration of the mutual covenants recorded herein, the Parties hereto agree as follows:

#### **SECTION ONE. GENERAL TERMS.**

**A. TENANT hereby agrees to the following:**

1. In the event the County complies with its obligations under this Agreement as set forth in Section One (B) below, Tenant shall have no right to seek enforcement of this Agreement.
2. Tenant shall cooperate with the efforts of the County to assist Tenant in relocating to alternative and comparable housing as more fully described in Section B of this Agreement.
3. Tenant shall continue to meet their obligations under the public housing program and the lease between the County and Tenant until Tenant is relocated to new housing in accordance with this Agreement. In the event Tenant chooses to be relocated to another comparable public housing unit, Tenant shall comply with the terms of their new Lease and the public housing program.
4. Tenant shall vacate the Premises once Tenant has located new housing as described herein and has received authorization to move into the new housing.

- B. The COUNTY hereby agrees to the following:
1. The County shall assist Tenant in relocating to other suitable housing.
  2. The County shall provide Tenant a Section 8 Housing Choice Voucher to pay for private housing.
  3. The County shall assist Tenant in finding suitable housing using a Section 8 Housing Choice Voucher.
  4. If Tenant requires an extension to locate private housing using the Section 8 Housing Choice Voucher and Tenant requests such extension from the County, the County shall grant such extension beyond the timeframes set forth in the Section 8 Administrative Plan so long as Tenant continues to search for housing. In the event Tenant stops searching for housing, the County shall have no obligation to grant Tenant's request for an extension. Notwithstanding the provisions set forth in 24 C.F.R. § 982.555 related to informal hearings and the County's Section 8 Administrative Plan, the County agrees to provide Tenant with notice and an informal hearing if their Section 8 Housing Choice Voucher expires and the County makes a determination not to grant an extension to such voucher's term. The County will allow for family separations for large families if they cannot locate private housing using a Section 8 Housing Choice Voucher.
  5. If Tenant prefers to transfer to public housing and requests that the County permit such transfer, the County shall provide Tenant another comparable public housing unit to the extent that such public housing unit is available. The County will provide Tenant with a list of all comparable units that are available. If a public housing unit is not available or no longer desirable by Tenant, the County will provide Tenant a Section 8 Housing Choice Voucher. If Tenant accepts a public housing transfer and signs a lease, Tenant shall forfeit the Section 8 Housing Choice Voucher.
  6. The County will continue to recognize any resident council formed under 24 CFR part 964 and, if the public housing development does not have a resident council, the Tenants shall have the right to organize and form a resident council. The resident council will remain the representative organization for the residents during relocation and after the residents relocate to the redeveloped or reopened project connected with their former public housing development. The County will provide support and resources to the resident council while the property is being redeveloped or closed.
  7. The County shall pay all reasonable moving fees and costs, including paying movers to transport Tenant's furniture and belongings, rental or other application fees, utility hook-up costs, deposits and fees, first and last month's rent, and security deposits. For each move, the County will pay application or rental fees for up to five properties. The County will pay additional application or rental fees if Tenant's applications are denied or is

unable to move into the units. Tenant will not be required to pay the costs out-of-pocket and seek reimbursement. For moving costs outside of Miami-Dade County, the County will pay moving costs in accordance with the Department of Transportation Fixed Residential Moving Cost Schedule, Federal Register Volume 80, No. 142, p. 44183-4.

8. The County shall ensure that Tenant shall have the rights described in this Agreement even if Tenant finds their own housing without using a Section 8 Housing Choice Voucher or remains in public housing
9. If Tenant's lease that is entered into with a private landlord under the Section 8 Housing Choice Voucher program following relocation is not renewed or is terminated for any reason, the County shall assist Tenant in finding another comparable housing unit until this Agreement is terminated pursuant to Section Four of this Agreement. In the event Tenant must relocate to another comparable housing unit, the County shall pay all moving costs and fees set forth in subsection (7) above; provided, however, the County shall have no obligation to pay such moving costs and fees if Tenant relocates to another county or another state, with the exception of Broward County.
10. A Section 8 Voucher issued pursuant to this Agreement is exempt from termination based upon insufficient funding under Section 14.3 of the Administrative Plan.
11. Tenant shall have the right to return to the redeveloped or reopened project connected with their former public housing development in a unit with an income-based rent unless Tenant is terminated from the Section 8 voucher program or is evicted from a public housing unit. However, even if evicted or terminated, a Tenant may present mitigating circumstances as to why the Tenant should be entitled to return.
12. Tenant and members of Tenant's household who are relocated shall not be rescreened, including for criminal history and credit history, if Tenant chooses to return to the redeveloped or reopened project connected with their former public housing site. Tenant shall not be screened to determine if they meet Low-Income Housing Tax Credit (LIHTC) eligibility requirements, if applicable, upon move-in or upon future recertifications.
13. The County shall pay tenants' relocation costs, including moving costs, to relocate back to the public housing project should they choose to return upon completion of its redevelopment. Tenant will not be required to pay the costs out-of-pocket and seek reimbursement.
14. Tenant shall be assigned a Tenant Relocation Officer, who shall:
  - a) regularly meet individually with Tenant, including after hours or on the weekend if that is helpful to the Tenant;

- b) help Tenant identify suitable housing opportunities, including providing a list of available units and providing transportation for Tenant to view those units;
  - c) provide intensive counseling to assist Tenant through the moving process, including education on how to set up utilities, insurance, and other services and how to pay for them regularly;
  - d) arrange for transportation for Tenant to visit potential homes, attend required interviews, or deliver paperwork;
  - e) assist Tenant in completing rental and other applications;
  - f) interact with landlords in instances where criminal backgrounds could potentially hinder the Tenants' ability to secure the new home;
  - g) arrange for the transportation of Tenant and the moving of their belongings to their new homes; and
  - h) relocation services, Section 8 appointments, orientations, and briefings will also regularly be provided at the public housing site where Tenant currently resides; provided, however, that after Tenant relocates the before-mentioned services shall be provided by the County at a location to be determined in the County's sole discretion.
15. The County shall provide Tenant with a list of agencies that can offer assistance to Tenant, including, but not limited to, Legal Services of Greater Miami, Inc.
16. In the event Tenant has already relocated from the public housing site in which they resided, the County shall afford the Tenant the same rights and protections listed above.
17. The County shall maintain a list of all tenants who have or will be relocated and the County shall, upon receiving a release and authorization or similar instrument executed by Tenant, release the name of Tenant, their current address, and phone number. The release of information is to allow the resident council to communicate with and represent its membership.
18. The County shall pay the replacement costs of state identification cards and driver's licenses.

## **SECTION TWO. DISPUTE RESOLUTION**

If any dispute or disagreement arises between Tenant or the County concerning either party materially failing to perform its duties and responsibilities under this Agreement, the Parties agree to proceed as follows:

- a) The Party alleging the default shall notify the other Party in writing once a dispute or disagreement has arisen.
- b) Within 15 days after the date of the written notice, the Parties shall meet and confer regarding the dispute or disagreement and attempt to resolve the dispute or disagreement.
- c) If the dispute or disagreement cannot be resolved during the meeting, either Party may seek an appropriate relief in Court.

### **SECTION THREE. DEFAULT.**

If either party to this Agreement materially fails to perform its duties and responsibilities as set forth above, and that party fails to cure such defect upon reasonable written notice by the other party, the aggrieved party may apply to any County, State or Federal court located within Miami-Dade County for relief that a court of law deems appropriate. The Parties agree to participate in the dispute resolution process described above prior to filing for relief to any court.

### **SECTION FOUR. TERMINATION**

This Agreement shall terminate upon the earliest of the following: (1) Tenant is relocated to the redeveloped or reopened project; (2) Tenant decides not to return to the redeveloped or reopened project; or (3) Tenant is terminated from the Section 8 Housing Choice Voucher, or, if relocated to another comparable public housing unit under the public housing program, and Tenant is evicted from the public housing unit. A Tenant who no longer participates in the Section 8 Housing Choice Voucher Program because the voucher expired or because the County made no housing assistance payment for 6 months shall not be grounds to terminate this Agreement. In the event this Agreement is terminated for any of the preceding reasons, the County shall have no further obligations to Tenant under this Agreement. However, if the Agreement is terminated for the reasons listed in (3), Tenant shall continue to have the right to present mitigating circumstances regarding the right to return as described in Paragraph B 10.

### **SECTION FIVE. NOTICE.**

Unless another address is specified in writing to the Tenant, any notice to the County shall be delivered to:

### E-Verify Requirements

By entering into this Contract, the Developer and Owner Affiliated Entity and its Subcontractors are jointly and severally obligated to comply with the provisions of Section 448.095, Florida Statutes, as amended, titled "Employment Eligibility." The Developer and Owner Affiliated Entity affirms that (a) it has registered and uses the U.S. Department of Homeland Security's E-Verify system to verify the work authorization status of all new employees of the Developer and Owner Affiliated Entity; (b) it has required all Subcontractors to this Contract to register and use the E-Verify system to verify the work authorization status of all new employees of the Subcontractor; (c) it has an affidavit from all Subcontractors to this Contract attesting that the Subcontractor does not employ, contract with, or subcontract with, unauthorized aliens; and (d) it shall maintain copies of any such affidavits for duration of the Contract.

If County has a good faith belief that Developer and Owner Affiliated Entity has knowingly violated Section 448.09(1), Florida Statutes, then County shall terminate this contract in accordance with Section 448.095(5)(c), Florida Statutes. In the event of such termination the Developer and Owner Affiliated Entity agrees and acknowledges that it may not be awarded a public contract for at least one (1) year from the date of such termination and that Developer and Owner Affiliated Entity shall be liable for any additional costs incurred by the County because of such termination.

In addition, if County has a good faith belief that a Subcontractor has knowingly violated any provisions of Sections 448.09(1) or 448.095, Florida Statutes, but Developer and Owner Affiliated Entity has otherwise complied with its requirements under those statutes, then Developer and Owner Affiliated Entity agrees that it shall terminate its contract with the Subcontractor upon receipt of notice from the County of such violation by Subcontractor in accordance with Section 448.095(5)(c), Florida Statutes.

Any challenge to termination under this provision must be filed in the Circuit or County Court by the County, Developer, Owner Affiliated Entity or Subcontractor no later than twenty (20) calendar days after the date of contract termination. Public and private employers must enroll in the E-Verify System (<http://www.uscis.gov/e-verify>) and retain the I-9 Forms for inspection.
