FY 2022 SURTAX/SHIP/HOME RFA  
Issuance Date: July 26, 2022

**AMENDMENT 1**

---

The following changes are related to the FY 2022 Surtax/SHIP/HOME RFA published on July 26, 2022. PHCD's responses below become a part of the guidance for the above listed Request for Application.

1. Scoresheet for Workforce developments – question 7a on page 70 will be omitted.
2. Scoresheet for Elderly developments – question 5a on page 75 will be omitted.
3. To be considered for funding, applicants must meet the minimum threshold criteria to attain green certification. Applicants must therefore comply with the U.S. Green Building Council's LEED rating system or other certification where approved by Miami-Dade County's Office of Resilience. This supersedes all language allowing an applicant to choose which green certification can be sought to satisfy threshold requirements. Specifically, this applies to language on pages 10,18, 23, 37, and 99.
