The FY 2025 RFA is supported by the FY 2025-2029 Consolidated Plan approved by the Board of County Commissioners (BCC). Affordable housing continues to be a priority need within Miami-Dade County, to respond to a housing affordability crisis. A map showing Eligible Block Groups ranked by vulnerability is included on the next page.

SUMMARY OF HOME PROGRAM REGULATIONS (24 CFR Part 92)

The HOME Program is designed to:

Site(s) must be serviced or proposed to be serviced by all utilities including sanitary sewer, where available.

Credit underwriting will assist HCD to determine the terms of financing, whether the project is financially feasible as represented in the application, and whether the costs and risks associated with the project are reasonable. Developer will be responsible for the cost of this analysis; however, this is a reimbursable expense.

Project development costs (including fees and soft costs) should reflect a pro-rata share of the total funding awarded by the County and all other funding sources. If the project receives funding from the County from multiple funding years (i.e., 2019 and 2020 funding), the Developer's Fees shall be prorated in accordance with the terms of those respective funding years and the Requests for Applications and the respective applications for funding submitted to the County. Developer's Fees must be prorated among funding sources. The County's funds may not be used to pay a greater portion of the Developer's Fee than the proportion of the County's loan to the overall development costs absent the consent of the County. Developer fees must be reflective of actual construction completed. No part of the developer's fee can be disbursed until all loan closing conditions have been met. Under no condition will Miami-Dade County reimburse developers for costs incurred on the development prior to an executed written agreement and loan closing with recorded documents in effect.

This definition of Developer's Fee for Non-LIHTC does not apply to any developer who has agreed previously to limit its developer's fees to a percentage less than what has been described.

The commitment letter should be signed by a person authorized to make the commitment, and be valid between the publication date of this RFA and the application deadline for this RFA.

Financial Beneficiary: One who is to receive a financial benefit of the total development cost (including deferred fees). This definition includes any party, which meets the above criteria, such as the developer, its principals, and principals of the applicant entity. This definition does not include third party lenders, housing credit (HC) syndicators, or credit enhancers who are regulated by a state or federal agency.

Foreclosure: Legal action of taking possession of a mortgaged property when the mortgagor fails to keep up their mortgage payments.

Development Cost of the Project means the total cost of completing the entire project from acquisition to the issuance of Certificate of Occupancy including but not limited to the costs for acquisition, design and planning, zoning and variances, financing costs, legal costs, construction, permitting, hard costs, and development soft costs. Gap funding may not represent more than 25% of the total project cost. The gap shall be determined by HCD, taking into consideration the credit underwriting analysis. This limitation shall not apply to HOME CHDO applications. If construction projects have been underwritten by an entity qualified to perform underwriting and subsidy layering analysis has received a favorable funding recommendation based on a prior allocation of HCD funding to the project and has had a loan closing for all committed funding sources, then the project is not eligible to receive gap funding.

Uniform Relocation Assistance and Real Property Acquisition Policies Act (URA): The URA is a federal law that establishes minimum standards for federally funded programs and projects that require the acquisition of real property (real estate) or displace persons from their homes, businesses, or farms. The URA's protections and assistance apply to the acquisition, rehabilitation, or demolition of real property for federal or federally funded projects. For projects covered under the URA, applicants to this RFA must submit a relocation plan. Applicants may consult 49 CFR 24.205 and Chapter 2 of HUD Handbook 1378 for more guidance.

Violence Against Women Act (VAWA): Federal Act which protects applicants, tenants, and program participants in federally funded programs (including HOME and Emergency Solutions Grant (ESG)) from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them. VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

HOME TBRA/HOME HOMELESS TBRA GUIDELINES

The purpose of HOME TBRA is to provide individual households with rental assistance. The County has emphasized the needs of renters with special needs to assist them with housing costs. These special needs renters may be the chronic homeless, elderly, disabled residents, and/or children aging out of foster care in need of housing. In addition, tenant-based rental housing assistance may be provided to individuals and families who are homeless, at risk of becoming homeless, or threatened with economic displacement.

Eligible Participants

The participants for TBRA must be low-income. Therefore, their annual gross income cannot exceed 80% of the area median income. At least 90% of the participants assisted must be at 60% of Area Median Income. Income must be verified annually. Preference will be given to participant(s) who are disabled, elderly and/or the chronic homeless as defined by HUD, and also includes children aging out of foster care.

The renter is issued approval to search for a unit. The amount and level of assistance shall be based on a sliding scale determined by household income. The renter is required to contribute 30% of their monthly-adjusted income towards the approved rent. HCD has established a minimum household payment of \$50 per month.

The rent subsidy provides assistance to individual households. The tenant is allowed to take the TBRA assistance to another residential site if they choose to move within the Miami-Dade County area.

Funding awarded for HOME TBRA services must be utilized by eligible program participants residing in Miami-Dade County.

Eligible Uses of Assistance

The HOME assistance in this RFA is for rental assistance, utility deposits, and security deposits. These are the only allowable expenses for the funds associated with this solicitation. Rents must be reasonable as set forth by HUD and should be documented as such. Utility deposits are limited to water, sewer, trash, electric and/or gas services. Utility deposits are for first time utility services and not for subsequent moves. The deposits should be reasonable and based on market practices. Security deposits may be the equivalent of no more than two months' rent or less. Both utility and security deposits will only be paid once. Security deposits may be paid as a stand-alone; however, utility deposits must be paid in conjunction with the security deposits.

HCD will enforce compliance with the Housing Choice Voucher (Section 8) Housing Quality Standards (HQS)/National Standards for the Physical Inspection of Real Estate (NSPIRE) and the Utility Allowance (UA) process, as per 26 CFR Part 1.42-10(b)(4)(B). HCD will approve UAs based upon estimates obtained from a local utility company for each of the utilities used in the project. IRS regulations state that the estimate must be obtained in writing and must be based on the estimated cost of that utility for a unit of similar size and construction for the geographic area in which the building containing the unit is located.

Eligible Units

Public or privately owned units can be used in the program. The units must meet Housing Quality Standards (HQS)/National Standards for the Physical Inspection of Real Estate (NSPIRE) prior to the commencement of any assistance. The participant must ensure that units are in compliance with lead-based paint regulations (24 CFR 35 Subpart M). The rents must be reasonable.

Ineligible Program Activities

HOME TBRA is not allowable for overnight or temporary shelters.

HOME TBRA cannot duplicate existing rental assistance programs that already reduce the tenant's rent payment to 30% of their income, (i.e., Section 8, etc.).

HOME TBRA is not allowable for subsidizing particular rental projects.

Lease Requirements

The lease agreement between a tenant and an owner of rental housing assisted with HOME TBRA funds must be for not less than one (1) year, unless both the tenant and the owner agree otherwise. The lease must be free of prohibited provisions (24 CFR 92.253) and must incorporate the Violence Against Women (VAWA) lease addendum required under 24 CFR 92.359(e).

- **VAWA:** Applicant shall comply with the federal Violence Against Women Act, codified at 42 U.S.C. 13701-14040 ("VAWA"), which protects applicants, tenants, and program participants in federally funded programs from being evicted, denied housing assistance, or terminated from housing assistance based on acts of domestic violence, dating violence, sexual assault, or stalking against them, including the Final Rule adopted November 16, 2016, printed in Federal Register Vol. 81, No. 221, 80724-80824 (the "VAWA Final Rule"). VAWA protection is available to victims of domestic violence, dating violence, sexual assault, and stalking, regardless of sex, gender identity, or sexual orientation.

Tenant Selection

The selected applicant must have written Tenant Selection Policies and Procedures on how they select participants. These policies must be available for inspection by HUD, the County, or the public. The policies should describe the application process. It should spell out when applications are accepted and where they will be accepted. It should also speak to how the program will be marketed and the method of the application process (in person, by phone, or other). If the TBRA is to be used to assist homeless clients through a Rapid Re-Housing model then the selected applicants should describe how they will work with and link through the coordinated intake and assessment process, and referral mechanisms of the Continuum of Care.

Occupancy standards should be included in the policy along with a plan for landlord and participant outreach. The policy should speak to fair housing requirements as well as Americans with Disabilities Act and Section 504 compliance. The policy should also speak to participant compliance issues and the consequences of non-compliance, such as eviction or termination of assistance, along with any grievance requirements. The policy must also include a lease and rental subsidy portability statement.

Subsidy Limitations

The subsidy is limited to the difference between the payment standard that applies (in this case: 100% of the published Fair Market Rent (FMR)) and 30% of the participant's monthly adjusted income. Tenant paid utilities must be subtracted from the gross rents provided to determine net rents, which are the maximum initial allowable rents.

HOME TBRA rental assistance with individual households may not exceed two (2) years. Contracts can be renewed, subject to availability of HOME funds.

Program Administration

The selected applicant is responsible for collecting, reviewing, and approving the dwelling lease assuring its compliance with state law and program regulations. An agreement must be executed with the owner agreeing to lease the property under HOME TBRA and abide by the program rules. The owner contract should run concurrent with the dwelling lease. Ongoing activities include lease renewals, review rent increases, recertify income, re-inspect the dwelling unit, and assure compliance with all program regulations. The selected applicant should also maintain a waiting list for program participants. This list should be available for inspection.

Program Design and Regulatory Citations

The HOME TBRA is designed to mimic the Section 8 Housing Choice Voucher Program (S8 HCV). General program information can be found in 24 CFR Part 5, (i.e., income and other eligibility issues). Program specific information can be found in 24 CFR Part 982 to include HQS/NSPIRE and rent reasonableness. The HOME TBRA regulations can be found in 24 CFR Part 92. These regulations are intended to assist the applicant in providing a responsive application for consideration. The program can also be a stand-alone deposit assistance program that provides security and utility deposits to eligible families that are relocating.

Program Budget

The HOME TBRA budget should be based on actual costs within program guidelines. The housing costs are based on the payment standard using 100% of the current FMR. The applicant must allow for deposit expenses as well when preparing the budget. The family composition will determine the bedroom size and affect the budget. The deposits are offered as grants, but still must be accounted for when submitting a budget. Administrative expenses are not allowed, however, project delivery costs such as unit inspection cost and income eligibility determinations are allowed. Staff timecards or records are required for review for staff expenses and should be specific to HOME allowable expenses. Applicant is required to provide administrative support as an in-kind contribution.

Homeless CoC Certification

Applicants requesting HOME HOMELESS TBRA funds under this RFA must commit to the following requirements by completing and including the Homeless Funding Application Certification Form as part of this application for funding:

- Project has a plan in place to provide the supportive services for the targeted population(s) to be served either directly by the applicant, or documented through an MOA or other agreement provided at the time of contract execution.
- Projects admission and/or assistance criteria, as applicable is appropriate as well as consistent with screen-in policies and best practices for the target population to be served by the project.
- The project will participate in the CoC's coordinated intake and assessment process including acceptance of all referrals to the homeless units/beds.
- The project will participate in the Homeless Management Information System (HMIS), as well as ensure meeting the minimum data quality standards.
- The project will provide housing and services consistent with the CoC's established Standards of Care, as may be amended from time to time.
- The project will be required to meet minimum performance measures including those HUD required performance measures.

COMMUNITY HOUSING DEVELOPMENT ORGANIZATION (HOME CHDO) SET-ASIDE

HOME CHDO SET-ASIDE AND HOME CHDO OPERATING SUPPORT FUNDS ARE LIMITED TO PROJECTS LOCATED IN UNINCORPORATED MIAMI-DADE COUNTY ONLY.
--

I. INTRODUCTION AND BACKGROUND

The Community Housing Development Organization (CHDO) guidelines provide the policies and standards for the management and funding of CHDO operating funds by Miami-Dade Housing and Community Development (HCD). These policies and procedures are based on HOME Program regulations (24 CFR 92.208). It is the responsibility of the CHDO to understand and ensure compliance with these policies and procedures. It is the intent of these guidelines to create a consistent and equitable system by which CHDOs are identified and selected, and to build long-term relationships with the CHDOs.

The HOME Program is administered through the U. S. Department of Housing and Urban Development (HUD). Miami-Dade County, as a participating jurisdiction (PJ), receives funds under the HOME Program. HOME regulations require PJs to set-aside 15% of their HOME allocation for CHDOs, and awards up to 5% of the HOME Program allocation for CHDO Operating Support to build capacity that will result in additional affordable housing units. Each year, all organizations requesting CDBG or HOME funds from the County must submit an application which provides information concerning the organization, its corporate and financial structure, and a specific proposal for a program or project. Staff issues a Request for Applications (RFA) and accepts applications only once each calendar year. This is to allow staff sufficient time to review each proposal and make recommendations to the Board of County Commissioners, which allocates the available funds accordingly. CHDO applications are submitted each year with the applicant's RFA even if the entity is already certified since re-certification is required on a yearly-basis.

II. CHDO DEFINITION, CERTIFICATION, AND RE-CERTIFICATION

Definition:

CHDO is a private non-profit organization that has among its purposes the provision of decent housing that is affordable to low- and moderate-income persons as evidenced in its charter, articles of incorporation, resolutions, or by-laws. A CHDO may apply for funding in the capacity of a Developer, Owner, or Sponsor, but only CHDOs may apply for a HUD-mandated set-aside percentage of local HOME funds.

For further information, refer to 24 CFR Part 92.

Certification:

In order to receive CHDO funds from the County, a local housing organization must be formally certified by the HCD at the time of application for operating funds and CHDO eligible housing projects. In order to be certified as a CHDO, a local housing organization must:

- Meet all of the CHDO certification requirements per 24 CFR Part 92.208;
- Enter into a Memorandum of Understanding (MOU) that states that the CHDO intends to use HOME CHDO set-aside funds to develop units of affordable housing within 24 months of the date of the agreement that specifies the expected uses for the funds; and

- HCD will provide a certification/re-certification letter to each CHDO to confirm the organization's CHDO status upon review and approval of the documents listed below.

If the organization is not recertified, it is not eligible to receive any funds and/or services reserved for CHDOs until the organization is able to prove that it still meets all of the criteria necessary to obtain CHDO certification.

III - APPLICATION PROCESS AND FUNDING PRIORITIES:

1. Application Process

HCD will accept applications for CHDO Operating Support once a year with the Request for Application and will award CHDO Operating funds on an as-needed basis taking into consideration five (5) priorities:

1. Representation in underserved areas;
2. Response to community housing needs as identified by the Housing Needs Assessments in the FY 2025-2029 Consolidated Plan;
3. Local Match provided;
4. Established CHDOs that are continuing to add units to their portfolio; and
5. Demonstrated capacity to complete the project(s).

Upon finalizing the RFA recommendations, the CHDO certification process is initiated for those agencies that are recommended for CHDO funding. Applicants are provided with a CHDO Qualifications checklist that outlines the CHDO criteria and references to the HUD regulations governing the process.

Staff reviews the documentation submitted to verify that all CHDO certification criteria are met then issues a favorable or not favorable recommendation to senior management.

Subsequently, staff recommendations are presented to senior management for review and signature of the certification/re-certification cover letter and certification/re-certification document.

Once signed, the certification/re-certification documents are mailed to the agencies and hard copies are kept in our central file with electronic copies saved on HCD's internal server.

Initiating the certification/re-certification process with the RFA ensures that re-certifications are completed every year and decreases the amount of paperwork submitted as some supportive documents such as the articles of incorporation and by-laws are required for compliance with the RFA guidelines. Prior to the release of HOME funds from the County, a written agreement must be executed with the applicant or CHDO. The agreement remains in effect during any period that the applicant or CHDO is operating a program or implementing a project in which HOME funds are being invested.

2. Available Funding

- Up to 5% of the HOME Program allocation may be awarded for CHDO Operating Support to build capacity that will result in additional affordable housing units.

- HOME Program assistance for CHDO's operating expenses in each fiscal year may not exceed \$50,000 or 50% of the CHDO's total annual operating expenses for that year, whichever is greater.

HCD reserves the right to determine whether or not to fund HOME CHDO Operating support.

3. Eligible uses of CHDO Operating Support Funds

Up to 5% of HCD's HOME allocation may be used to provide funds for CHDO operating assistance. To be eligible for CHDO operating assistance, the CHDO must submit a funding application for a CHDO-eligible project. The following uses of CHDO Operating Support funds are permitted (24 CFR Part 92.208):

- Salaries, wages, benefits, and other employee compensation;
- Training and travel, resulting in increased capacity;
- Administrative expenses;
- Operating expenses, including rent and utilities;
- Equipment, materials and supplies, including communication costs;
- Taxes and insurance; and
- Homebuyer education.

The purpose of CHDO operating assistance is to nurture successful CHDOs, HCD will periodically evaluate the performance of any CHDO wishing to receive CHDO operating funds. No match is required for CHDO Operating funds. HCD reserves the right to determine whether or not to fund HOME CHDO Operating support.

4. Eligible and Ineligible Uses of CHDO Set-Aside Funds

The HOME requirements in 24 CFR Part 92.300 require HCD to set aside at least 15% of its annual HOME allocation for projects owned, developed, or sponsored by CHDOs.

A certified CHDO must be an owner, developer, or sponsor of a HOME-eligible project to use CHDO set-aside funds. A CHDO may serve in one of these roles or in a combination of roles, such as being owner and developer.

- **CHDO as Owner:** As owner, the CHDO holds valid legal title or has a long-term leasehold investment to the property (99 year minimum). The CHDO may be an owner with one or more individuals, corporations, partnerships or other legal entities. However, the CHDO must be the managing general partner with effective control (decision-making authority) of the property.

Example: A CHDO may solely be the owner with another entity (for profit or not-for-profit) to act as a developer and construct new or rehabilitate existing building(s). After the completion of the development, the CHDO will maintain ownership of the property.

- **CHDO as Developer:** A CHDO is a developer when the CHDO owns the property and develops the project or has contractual obligations to the property owner to develop the project. The CHDO may be both owner and developer of its own project.

- **CHDO as Sponsor:**

- a. Sponsoring Rental Housing

For HOME assisted rental housing, the CHDO may develop a project that it solely or partially owns and agrees to convey ownership to a second not-for-profit organization at a predetermined time prior to or during development or upon completion of the development of the project. The HOME funds are invested in the project owned by the CHDO.

The CHDO sponsor identifies the particular not-for-profit organization that will obtain ownership of the property prior to commitment of HOME funds.

The second not-for-profit will assume all HOME obligations (including repayment of loans and tenant and rent requirements) for the project from the CHDO at a specified time. If the property is not transferred to the not-for-profit organization, the CHDO sponsor will remain liable for the HOME obligations. The not-for-profit organization must be financially and legally separate from the CHDO sponsor. (The second not-for-profit may have been created by the CHDO, but nevertheless it is a separate entity from the CHDO.)

The CHDO must provide sufficient resources to the not-for-profit organization to ensure the development and long-term operation of project.

Example: A CHDO enters into a legally binding agreement with Eldercare, an existing not-for-profit organization experienced in providing enhanced housing services for the elderly. The CHDO agrees to purchase and rehabilitate a vacant 50-unit property and convey the property to Eldercare upon completion of the construction phase. Eldercare will assume responsibility for the long-term management of the project and for the fulfillment of all obligations and requirements associated with the use of HOME funds.

- b. Sponsoring Homebuyers:

For a HOME-assisted first-time homebuyer program, the CHDO owns and develops a property and transfers the title and the HOME loan obligations and resale requirements to a HOME-qualified first time homebuyer within a specified timeframe.

The HOME funds are invested in the property owned by the CHDO. The CHDO sponsor acquired and completes the rehabilitation or construction of the property. At completion of the rehabilitation or construction, the CHDO is required to sell (transfer) the property along with the HOME loan obligations to a first-time homebuyer. CHDO operating support will only be funded in connection with an application for a specific housing project.

- **Eligible Activities:** A CHDO acting as owner, sponsor or developer may use the CHDO set-aside for the following activities:

- Acquisition and/or rehabilitation of rental or homebuyer property;
 - New construction of rental or homebuyer property; and
 - Direct financial assistance to homebuyers of HOME-assisted property developed or sponsored by the CHDO.

CHDO set-aside HOME funds must be used during the construction or rehabilitation of the property.

- **Ineligible CHDO Activities** - Ineligible uses of the HOME CHDO set-aside are:
 - Homeowner rehabilitation;
 - Tenant-based rental assistance (TBRA); and
 - Down payment and/or closing cost assistance to purchasers of housing not developed with HOME CHDO funds.

5 - CHDO Proceeds

HCD allows CHDOs to retain proceeds under a few conditions. To be eligible for CHDO proceeds retention, the CHDO must provide a written plan for the specific use of such funds with the initial CHDO application. HCD will verify that such uses are strictly for HOME-eligible activities or other low- and moderate-income housing activities to include CHDO operations. HCD will respond in writing to the written plan. Proceeds are funds resulting from:

- Permanent financing of a CHDO project used to pay off a CHDO financed construction loan;
- The sale of CHDO developed homeownership housing to a homeowner or a second non-profit; and
- Interest and principal payments from a loan to buyer of CHDO developed homeownership housing.

6 - CHDO Certification

Applicants are provided with the CHDO Qualifications Checklist that outlines the CHDO criteria utilized. Applicants must complete the CHDO application and submit requested documentation.

Certifications will only be evaluated during the FY 2025 RFA process.

ELIGIBILITY FOR CHDO HOUSING DEVELOPMENT APPLICATIONS

Only HOME Community Housing Development Organizations (CHDO) are eligible to receive funding for housing development activities through this RFA. All housing development activities must meet the requirements listed below. It is strongly recommended that applicants consider these requirements before preparing an application, as these are the same factors that will be used to rate and evaluate applications.

1. **FINANCING TERMS FOR HOUSING DEVELOPMENTS:** Final determination of the rate and terms will be made based on the Credit Underwriting/Subsidy Layering Review Analysis. All permanent loans are for a period of thirty (30) years. Loan terms shall be as set forth in the Loan Terms and Conditions table. However, loan terms are subject to change and modification is at the sole and absolute discretion of HCD.
2. Sustainable Building (Green) Certification is a contractual requirement for receiving HOME, SURTAX and SHIP funding. Applicants must designate which certification will be obtained at the time of the application. **This is a minimum threshold requirement. See MDC 9-71 through 9-75 and IO 8-8.**
3. Applicants must meet the Total Development Cost Limitations: Maximum Development Costs per unit to construct rehabilitate or acquire Affordable Housing with County funds must be met per Resolution No. R-346-15. **This is a minimum threshold requirement.** Note: The limitations set forth in Resolution No. R-346-15 or subsequent applicable resolution shall not apply to public housing projects owned or operated by Miami-Dade County.
4. Low-Moderate-Income Benefit – The proposed activity, if requesting HOME federal funding, must meet the Department of Housing and Urban Development (HUD) criteria of benefitting low- and moderate-income families. Every application that will benefit low- and moderate-income persons must provide evidence that the beneficiaries of the program will be low-to-moderate-income (LMI) persons. Applicants must provide the income eligibility requirements for the proposed activity or demonstrate that the activity is located in an Eligible Block Group (EBG). To identify eligible block groups go Miami-Dade County GISweb Community Services webpage at: <https://gisweb.miamidade.gov/communityservices/> . Type in the activity address then open the “Demographics” tab.
5. All HOME funds must be used to benefit low-income families whose incomes are at or below 80% of Area Median Income (AMI). For development projects with five (5) units or more, a minimum of 20% of the units must be rented to families with incomes that do not exceed 50% of AMI at the lower HOME rents listed in the chart below.

For 2024, Miami-Dade County’s area median income is \$79,400 with adjustments made for 80% AMI and 50% AMI, by family size, as follows:

80% AMI Family of 1 - \$63,550	50% AMI Family of 1 - \$39,750
80% AMI Family of 2 - \$72,650	50% AMI Family of 2 - \$45,400
80% AMI Family of 3 - \$81,700	50% AMI Family of 3 - \$51,050
80% AMI Family of 4 - \$90,800	50% AMI Family of 4 - \$56,750

AMIs are subject to change for 2025 and will be updated as applicable by the program. Applicant is responsible for utilizing the most recent income and rent limits available. Refer to Attachments.

6. **Rent Limits** – The High HOME Rent Limit for an area is the lesser of the Section 8 Fair Market Rent (FMR) for the area or a rent equal to 30% of the annual income of a family whose income equals 65% of the AMI, as determined by HUD. The Low HOME Rent Limit for an area is 30% of the annual income of a family whose income equals 50% of the AMI, as determined by HUD, capped by the High HOME Rent Limit. HUD’s Office of Policy Development and Research Division calculates the HOME rents each year using the FMRs and the Section 8 Income Limits.

For 2024, the Miami-Dade HOME Rents Limits are as follows:

	0 BDR	1 BDR	2 BDR	3 BDR	4 BDR	5 BDR
Low HOME Rent Limit	\$993	\$1064	\$1,276	\$1,475	\$1,646	\$1,816
HIGH HOME Rent Limit	\$1,273	\$1,364	\$1,639	\$1,885	\$2,084	\$2,281

*Rents are subject to change for 2025 and will be updated as applicable by program. The Applicant is responsible for using the most recent rent limits available. Refer to Attachments.

7. HOME Maximum Subsidy Per Unit – Applicants must utilize the annually amended HOME subsidy-per-unit maximums provided by HCD:

Bedrooms	Home Maximum Per-Unit Subsidy*

8. Market Analysis and Feasibility Analysis - A complete market study demonstrating the need for the housing. The market study for any housing activity should be included in the online application submission. The study must demonstrate a demand or need for the project. A credit underwriting analysis will be required for all projects to be considered for funding. Any applicant that fails to meet this threshold item will not be funded.
9. Priority Needs – Activities must address a high priority need identified in the County's FY 2025-2029 Consolidated Plan. Applications must describe how the priority need will be addressed and provide supporting data. Projects proposing to assist people experiencing homelessness must address the Miami-Dade County Continuum of Care priorities, policies, and standards of care.
10. Organizational and Financial Capacity – Applicants must demonstrate that they are fiscally sound and have the skills, ability, and experience required to achieve HUD's National Objective(s), and are able to meet other program requirements. Applicants will be evaluated on experience, organizational and administrative capacity, financial capacity, and management. This will include a review of resumes, financial statements, monitoring reports, audit findings, and complete inspections of new proposed activity locations.
11. Leveraging – Applicants must show that they have other sources of funding available for the proposed activity. Since the County uses its federal and local funds to address funding gaps, other funding must exist to ensure timely project completion. Documentation must be provided with the application to verify the availability and commitments of leveraged resources. Applicants must have complete funding in place, except for the requested gap funding, and applicants must provide a sources and uses statement. Applicants must demonstrate maximum leveraging with non-County funds.
12. Timely Completion - Applicants must demonstrate that they have a history of completing projects in a timely manner. Timely completion is defined as two (2) years for construction.
13. Track Record – Previously funded Community Development Block Grant (CDBG), HOME, Neighborhood Stabilization Program (NSP), and Section 108 projects must be in good standing with respect to audit findings and have a favorable track record of completing projects on-time, submitting accurate and complete quarterly progress reports, and addressing all monitoring findings. Applicants with an existing HCD contract that have any of the following contractual violations shall be ineligible, and will not be recommended for funding in this FY 2025 RFA: 1) failed to demonstrate achievement of the National Objective; 2) failed to meet appropriate performance and timeliness measures under their existing CDBG, HOME, NSP, SHIP, SURTAX, Section 108 loan agreements, and other Miami-Dade County contractual agreements; or 3) are currently in a delinquent payment status with their existing County contracts.
14. Site Control – Applicants must demonstrate site control (i.e., title, lease agreement, firm purchase contract, Option to Purchase, Option to Lease Long-Term agreement, or Local Government Resolution) of the proposed site for which funding is being applied for.
15. Payment and Performance Bond, applicable for contracts and subcontracts exceeding \$150,000 – for projects that involve construction or rehabilitation work, the County requires the applicant provide the County with a Payment and Performance Bond in the full amount of the construction contract, naming the County as a dual obligee. For projects which involve construction or rehabilitation work on County-owned property, the County

shall require, prior to the commencement of any work on the property, a payment and performance bond that meets the requirements set forth in Florida Statutes, Section 255.05, which bond shall be in the full amount of the construction contract covering all contractors, subcontractors, or materials providers downstream from the developer, including but not limited to the General Contractor, and naming the County as a dual obligee. In lieu of an applicant providing a Payment and Performance Bond, the County may, at its sole and absolute discretion, accept a Letter of Credit in an amount to be determined by the County. However, the County shall in no event be required to accept an alternative to the Payment and Performance Bond.

16. Change of Scope of Work/Project – Material changes to the application after approval of the award of funds may result in the cancellation of award and recapture of awarded funds. Cancellation shall be at the sole discretion of HCD if the appropriate requirement is not met, HCD may determine that the application shall be considered non-responsive and shall be deemed ineligible. Review by the County Attorney's Office (CAO) will be requested.
17. Miami-Dade County will not fund an entity or an affiliate with defaulted loans, debarment actions, or any other legal encumbrances regardless of the merits of the submitted application. Miami-Dade County will not fund entities listed in the Federal Excluded Parties List System, as those entities are prohibited from receiving federal contracts or federally-approved subcontracts, and from certain types of federal financial and non-financial assistance and benefits. Miami-Dade County will not fund entities on the County's delinquent registry.
18. Miami-Dade County reserves the right to require and participate in the creation of partnerships to ensure project viability and/or enhance the effectiveness of program delivery, should the County determine such action is in the best interest of the County and the community being served.
19. All projects or activities awarded HOME funds that fail to complete the activity within four (4) years shall be subject to the recapture of funds. Federal requirements per HOME are that activities must be completed within four years of award.
20. All awards will be evidenced by a Conditional Loan Commitment, Memorandum of Understanding (MOU), or interlocal/interdepartmental agreement, as well as appropriate security instruments and loan documents.
21. All housing developments shall adhere to housing construction standards as outlined by HUD, Miami-Dade County, and local/municipal codes.
22. Construction applications require intended use of property with supporting documentation to include, but not be limited to:
 - Current color photos of the property including roof and interior;
 - Completed 40-year certification (most recent signed and sealed);
 - Completed architectural/engineering plans;
 - Approved building and construction permit(s) from the respective municipality and/or county for the proposed project; and
 - Property must be free of any Building Code violations (if existing violations exist, applicant must provide a copy of the violations from the municipality and plans must address the needed corrections).
23. Grantee may use HOME funds to construct/rehabilitate housing under the latest provisions of the Uniform Relocation Act (24 CFR Part 42, Subpart I). This is housing that the grantee has determined must be constructed/rehabbed in order to provide suitable replacement housing for persons displaced by a contemplated HOME project, subject to the Uniform Relocation Act (URA), and where the project is prevented from proceeding because the required replacement housing is not available otherwise.
24. If construction/rehabilitation involves occupied units, contact information must be included for occupied units (tenant's name and phone number(s)). Requesting entity must provide a written correspondence to tenants

explaining the potential scope of work to be performed within occupied units and provide a hard copy to HCD pursuant to URA guidelines.

25. Field visits will be conducted on behalf of HCD to evaluate the viability and/or feasibility of the project site with the proposed scope of work and requested funds.
26. HCD Compliance Requirement: HCD will adhere to compliance guidelines pursuant to Resolution No. R-630-13 approved by the Miami-Dade County Board of County Commissioners on July 16, 2013. Copies of the resolution, Due Diligence Checklist, and Affidavits are located at www.miamidade.gov/housing/. Agencies not clearing the Due Diligence Report review will not be recommended to the Board for funding. (Refer to Attachment).
27. Accessibility, Universal Design and Visibility Features:
 - All units of the proposed Development must meet all federal requirements and state building code requirements, including the following:
 - Florida Accessibility Code for Building Construction as adopted pursuant to Section 553.503, Florida Statutes;
 - The Fair Housing Act as implemented by 24 CFR Part 100;
 - Section 504 of the Rehabilitation Act of 1973; and
 - Titles II and III of the Americans with Disabilities Act of 1990 as implemented by 28 CFR Part 35, incorporating the most recent amendments, regulations and rules.
28. If during the application process or during the loan closing process, an entity associated with the project has been convicted of a criminal act (in connection with any County program), HCD has the discretion to rule the project ineligible and any funds awarded and/or expended shall be recaptured.
29. Developers are encouraged to include loan-closing costs in the requested award amount. It is anticipated that these costs will be absorbed into the project costs.
30. Miami-Dade County Affordable Housing Set Aside Incentive for Disabled Households. Ordinance No. 14-56. Developers interested in building units that are more accessible may be awarded extra points on applications. In order to receive bonus points, the Ordinance requirement must be exceeded. The total funding awarded will not be affected.
31. Miami-Dade County Notice of Availability of Affordable Rental and Homeownership Opportunities. Resolution No. R-34-15. Developers are required to provide written notice to Miami-Dade County of the availability of affordable rental or homeownership opportunities. Developers are required to advertise the availability of affordable rental or homeownership opportunities in general circulation newspapers.
32. Conflict of Interest - The general rule is that no persons (defined as any person who is an employee, agent, consultant, officer, or elected official or appointed official of the recipient, or of any designated public agencies, or of sub-recipients that are receiving funds under this part) who exercise or have exercised any functions or responsibilities with respect to HOME activities assisted under this part, or who are in a position to participate in a decision making process or gain inside information with regard to such activities, may obtain a financial interest or benefit from a HOME-assisted activity, or have a financial interest in any contract, subcontract, or agreement with respect to a HOME-assisted activity, or with respect to the proceeds of the HOME-assisted activity, either for themselves or those with whom they have business or immediate family ties, during their tenure or for one year thereafter. The complete Code of Federal Regulations (CFR) can be viewed at <http://www.ecfr.gov>, 24.CFR.570.611.
33. Environmental Review: All successful applicants will be required to complete environmental review forms.

34. Applicants awarded federal funds are subject to provisions of the Davis-Bacon Act and HUD Section 3 requirements.
35. The Davis-Bacon Act is triggered with the allocation of HOME funds for 12 or more HOME-assisted units. It requires that workers receive no less than the prevailing wages being paid for similar work in the same area. Davis-Bacon wage rates can fluctuate based on economic conditions, and the applicable rate may not be known until time of bidding. Proposers are encouraged to build in contingencies and general market conditions to their contracts to account for this possibility.
36. The Developer shall ensure that its contractors and their subcontractors are classifying workers properly for Davis-Bacon and Internal Revenue Code purposes and that they maintain proper documentation to support worker classification. In reviewing certified payrolls, the County will be alert to anomalies and consult with federal agencies such as the Internal Revenue Service, Department of Labor, and Department of Housing and Urban Development.
37. The Developer shall ensure compliance with Ordinance 14-26, the Ordinance amends the Residents First Training and Employment Program to require contractors on construction projects over \$1 million to submit a Responsible Contractor Affidavit; to provide the OSHA 10 Hour Safety Program training to all persons employed by the contractor; and achieve an aspirational goal of 51% of the local workforce. Ordinance 14-26 provisions apply only to construction projects over \$1 million for public buildings, public works, or projects on county owned lands.
38. Pursuant to the terms of Section 17-02 of the Code of Miami-Dade County, any entity that has received loans for affordable housing and repays those loans in full before the maturity date, may upon the approval of the Board of County Commissioners, have those funds re-loaned to it for its other eligible affordable housing projects without the need to compete again for those funds.

RENTS AND OPERATING PRO-FORMA

Page 1 of 5

Development Name: _____

Development Address: _____

Rents

Rent Levels:

Rents are controlled for the length of the applicable affordability period. Maximum rents are determined on an annual basis by the United States Department of Housing and Urban Development (HUD). Tenant paid utilities must be subtracted from the gross rents provided to determine net rents, which are the maximum initial allowable rents. These rents may increase or decrease from year to year. Also, these rents are not necessarily representative of market conditions.

Each owner should be aware of the market conditions of the area in which the development is located. Federal Fair Market rents are **maximum** rents, which can be charged. Each development should show market feasibility **not** based upon these HOME rents but upon area housing markets and the occupancy requirements, which require occupancy by low-income persons. Actual rents charged should **not** exceed the published rents, adjusted for utility allowances and bedroom size.

Utility Allowances (UA):

Effective immediately, Miami-Dade County will no longer permit the use of the utility allowance established by the local Public Housing Authority (PHA) for HOME-assisted rental projects for which HOME funds were committed on or after August 23, 2013. Projects to which HOME funds were committed before the effective date of the 2013 HOME Rule may continue to use the PHA utility schedule. PHA utility schedules are based on average consumption rates across a PHA's portfolio. Pursuant to U.S. HUD regulations, all PJs must establish a local policy for determining the UA for HOME projects based on the specific type of utilities used at the project.

HCD has adopted the Utility Company Estimate project-specific methodology, as per 26 CFR Part 1.42-10(b)(4)(B). HCD will approve UAs based upon estimates obtained from a local utility company for each of the utilities used in the project. IRS regulations state that the estimate must be obtained in writing and must be based on the estimated cost of that utility for a unit of similar size and construction for the geographic area in which the building containing the unit is located.

For the purposes of the RFA submittal, HCD will allow the use of the PHA utility allowance. However, if project is recommended for funding, the utility company estimate allowance must be used in the underwriting process.

RENTS AND OPERATING PRO-FORMA

Page 2 of 5

Utility Allowances (UA) - Continued:

For the purposes of the RFA submittal, HCD will allow the use of the PHA utility allowance. However, if the project is recommended funded, HCD will only accept written correspondences from local utility companies categorized by the bedroom size, square footage per unit, number of units per size, and the estimated utility rate. The utility company estimate allowance must be used in the underwriting process. Review the following table as a sample.

Bedroom Size*	Square Footage per Unit	Number of Units	Utility Rate
1 Bedroom	600 Square Feet	25	\$
1 Bedroom	750 Square Feet	45	\$
2 Bedroom	900 Square Feet	60	\$
2 Bedroom	1050 Square Feet	75	\$
3 Bedroom	1300 Square Feet	40	\$
Total Units		245	

*Per Bedroom Size. If the property consists of multiple non-identical buildings, (the buildings are not substantially similar) then the sampling must be performed for each bedroom size for each building on the site.

HCD will require all owners of the buildings to make available copies of the utility company estimate to the tenants in the building.

HCD will not accept correspondences from utility companies without an estimated utility rate breakdown by bedroom size, square footage per unit, and the number of units per size for the entire project.

HCD reserves the right to deny approval of any correspondences that do not meet HCD and U.S. HUD federal regulations.
