Open Enrollment Is Here

The annual Open Enrollment period for County employees will run from Monday, October 24, 2022 through Tuesday, November 8, 2022. During this period, benefits-eligible employees may elect or make changes to benefit plans and/or levels of coverage, and add or remove dependents. All changes made become effective on January 1, 2023.

The plan benefits for the 2023 plan year will remain virtually unchanged from 2022. Our Dental and Flexible Spending plans are currently in the re-negotiation process for 2023. As such, the 2023 rates and administrative fees were not available at the time of printing but will be posted on the Benefits website in the near future. The County will continue to offer three self-insured HMO plans and one POS plan managed by AvMed. Please refer to the Medical Plans section on Page 4 to determine what plans you may be eligible to elect. **As a reminder, medical plan eligibility is based on several factors including, but not limited to, your date of hire and your current bargaining unit.**

The information provided in this guide is designed to help you make the best selection of Healthcare Plans for you and your family. Please take time to fully read the information provided, watch the online benefit videos and attend the virtual benefit information sessions. Contact the vendors or the benefits staff with any questions or clarifications you need to make the right choice to meet your needs and budget. You can also visit www.miamidade.gov/openenrollment.

Assess your needs:

- Are you single with no dependents or do you need coverage for yourself and your family?
- Are you relatively healthy, maintain a healthy lifestyle?
- Do you have a chronic medical condition that you are able to manage with annual exams and medication?
- Are your physicians and facilities all in-network or do you access a number of out-of-network providers?
- What medical services have you accessed in the past 12 months?
- Review your claims history by logging into your account on www.AvMed.org/mdc.

Lastly, look at the cost of the plans. When reviewing cost, you need to consider:

- The biweekly premium that will be deducted.
- The co-pays and associated co-insurance (out-of-pocket) costs.

All plans offered include annual out-of-pocket maximums to protect your financial security in the event of unexpected medical expenses. If you utilize out-of-network providers under the POS plan, you are responsible for the difference between the charges and plan-allowed amount, which is not considered in the out-of-pocket maximum.

After you have determined your needs, you should review the plans to look for the coverage and benefits that will best meet your needs. For more detailed information visit www.AvMed.org/mdc.

Are You Adding a New Dependent?

If you are adding a dependent for the 2023 plan year, you must provide supporting documentation that the dependent meets the eligibility requirement for coverage under the Miami-Dade County insurance plans by the end of Open Enrollment. This is a mandatory requirement that applies to any dependent added now and in the future. Please be aware that failure to provide acceptable documentation will result in no coverage for the newly added dependent for plan year 2023.

Acceptable Documents

Children

- Adoption Certificate
- Birth Certificate
- Official court documentation of legal and permanent custody
- Social Security Income Statement (disabled child)

Spouse

- Marriage Certificate (issued by government entity)
- Domestic Partnership Certificate

Over-Age Dependent Children – New and Currently Enrolled

Once your dependent child reaches age 26, you are required to submit an Affidavit of Eligibility every year, no exceptions, to continue medical coverage. To download the form, go to <https://www.miamidade.gov/global/humanresources/benefits/benefits-forms.page>. Failure to provide the documentation will result in cancellation of coverage and unpaid claims effectively as of January 1, 2023. To enroll a new over-age dependent in your 2023 medical coverage, you must also provide proof the adult child was continuously covered by other creditable insurance, without a gap in coverage of more than 63 days.

Please note: It is your responsibility to remove ineligible or over-age dependents from your coverage for the upcoming benefit year. Failure to do so will result in you paying the premium for the existing level of coverage through the end of the plan year, unless you have a qualifying event.

Gather and submit the required documentation listed above by the end of Open Enrollment. Enter your name and employee ID on your dependent's document for easier identification. Please make sure all documentation is legible, and retain proof of submission for your records.

Online Enrollment Overview

Open Enrollment participation is very important. Please take this opportunity to review your current plan elections and decide if they still meet your needs. You may change your existing elections, add coverage or simply confirm that you wish to remain with the same plan. To use the online web enrollment, go to www.miamidade.gov/openrollment. Contact your Department Personnel Representative (DPR) for assistance, if you do not have access to a computer.

Enrolling online is easy! No forms to fill out. No need to worry about paperwork getting misplaced. All you need is 10-15 minutes of uninterrupted time to make your elections. Then print your confirmation page for your records and you are finished! If you need to go back online and change your elections, no problem, the website is secure and available 24/7 during the Open Enrollment period.

Ensure that your dependents still qualify for coverage. Use this guide and look on the Open Enrollment website. Once you have the answers you need, begin the enrollment process. The deadline to change your plan elections is November 8, 2022. Once the deadline expires, you are locked into the plan elections you make until the next open enrollment period, unless you have a qualifying event.

Don't wait until the last minute! If you have questions regarding plan benefits, attend an Open Enrollment virtual benefit meeting, watch the online benefit videos, review the online benefits information or contact the plan directly during business hours for specific plan benefits and limitations. The Help Desk (305-596-Help) will assist only with technical issues (web access, password reset, etc.) and is available Monday - Friday, 8 a.m. to 5 p.m.

Checklist For Online Enrollment

- Statement of Health required if enrolling in or increasing STD or LTD coverage
- Evidence of Insurability required if enrolling in or increasing Optional Life coverage

ENROLLMENT AIDS HOW-TO GUIDES

Scan above to view a full library of
step-by-step guides on how to enroll.

After Open Enrollment

If you do not submit your enrollment/changes online by the deadline of November 8, 2022, you will have to wait until the next Open Enrollment period. Employees are not permitted to switch plans during the year once Open Enrollment closes. If you do not make changes, your selection for 2023 will be defaulted to your current selection, except for your Flexible Spending Account (FSA). If you do not make a FSA election, you will not have this coverage in 2023.

Declining Medical Coverage

You may opt-out of County-provided medical coverage during Open Enrollment. If you decline coverage, you cannot reapply until the next Open Enrollment, unless you experience a family status or HIPAA qualifying event. Should you decide to decline coverage during Open Enrollment, make sure you do so through the Open Enrollment website; otherwise, you will be required to complete and submit a paper Coverage Waiver Form.

The decision to waive coverage has consequences. Declining County medical coverage without enrolling in another group/marketplace health plan may result in a tax penalty. Go to www.Healthcare.gov for additional information regarding the Affordable Care Act's individual mandate.

Cancelling Plan Participation After Open Enrollment

After Open Enrollment, you may cancel any post tax benefit plan (Group Legal, Short-Term, or Long-Term Disability Plans) without a penalty. If you cancel a pre-tax benefit plan subject to the Internal Revenue Code Section 125 salary reduction provisions, such as medical, dental and vision, you will still be required to pay the employee premium (if any) for the remainder of the year.

All plan cancellation requests must be submitted to your Department Personnel Representative (DPR) in writing and will be processed prospectively (next pay period from date request is received).

Important Enrollment Reminders

1. Print and retain the online benefits confirmation notice after you make your elections for the 2023 plan year. The online benefits confirmation notice will be the required proof of your 2023 benefit elections, in the event there are any discrepancies. Once the Open Enrollment deadline passes, the only plan election changes permitted will be those resulting from a processing error. A processing error is defined as the unlikely event of a computer system malfunction that failed to process the employee's elections, as recorded on the final confirmation notice submission.
2. Review your benefit plan options carefully, because once you submit your final selections online you are locked into these plan choices until December 31, 2023. Employees are not permitted to switch plans during the year.
3. All Open Enrollment 2023 plan year benefit elections are in effect January 1, 2023 through December 31, 2023.
4. If you are a new hire as of October 10, 2022 you must complete your new hire benefit elections using a paper election form, these elections will automatically roll over into 2023. If you are enrolling in a spending account, you will be required to select two (2) annual contribution amounts; one for the balance of 2022 utilizing a paper election form and a separate amount for the 2023 plan year via online utilizing the INFORMS Open Enrollment Portal.
5. Remove any ineligible or overage dependents from your coverage for the upcoming benefit year through the Open Enrollment website by the November 8, 2022 deadline. Failure to remove ineligible dependents will result in your paying the premium for the existing level of coverage through the end of the plan year, unless you have a qualifying event. Failure to provide the appropriate documentation to verify your overage dependent as eligible will result in your overage dependent being removed from coverage effective January 1, 2023.
