Our mission is to employ a highly qualified and diverse workforce by promoting and ensuring equal employment opportunities as well as open competitive recruitment practices, providing competitive salary and benefit models, and developing the full potential of our workforce by providing training and development for career enhancement.

The Miami-Dade County, Human Resources Department (HR) is dedicated to ensuring that County employees are properly classified in their current job classification and compensated equitably and fairly in accordance with Federal, State and local policies. I. GROSS COMPENSATION

All rates in the salary schedule represent base compensation. Rates for hourly employees are displayed in the biweekly schedule; however, specific hourly rates used for computation are enumerated in the Rate Table in the back of the Pay Plan. Rates do not include the cost of the value of meals, uniforms, housing, other fringe benefits, supplements, exceptions or bonuses. Official payroll computations are based on the hourly rates appearing in the Pay Plan. Payroll disbursements are made biweekly and correspond with the biweekly schedules.

II. WORKWEEK HOURS

All pay rates are established on the basis of a forty (40) hour workweek, unless otherwise noted. Most full-time County employees are scheduled to work forty (40) hours weekly. Exact days and hours of work may vary. Hourly paid employees entitled to overtime shall receive it in accordance with applicable laws and collective bargaining agreements. Classification titles designated with a plus (+) are assigned to a "job basis" work schedule. Employees serving in these positions are required to work varying schedules as necessary to accomplish the required work. The majority of these positions will normally require a forty (40) hour workweek, but if more than forty (40) hours of work are required, overtime compensation provisions shall not apply. Non-full-time, job basis employees will be treated as hourly employees and are eligible for overtime if they work 40 hours in the workweek.

The workweek for all County personnel shall be from 12:01 a.m. Monday to 12:00 midnight the following Sunday except for some employees in the Transport Workers Union bargaining unit whose workweek shall be from 12:01 a.m. Sunday to 12:00 midnight the following Saturday. The workweek as herein defined shall be the basis for determining overtime compensation except for employees engaged in fire protection or law enforcement activities.

III. FURLOUGH LEAVE

Furlough leave is defined as hours observed without pay.

IV. OVERTIME COMPENSATION

Non-bargaining unit employees serving in eligible (non-job basis) classifications shall receive overtime compensation at the rate of one and one-half times their assigned hourly rate of pay.

All work authorized to be performed by full-time, non-job basis, non-bargaining unit employees in excess of eight hours work performed per day, as determined by the Department shall be considered overtime work. Except as otherwise provided in collective bargaining agreements, for the purpose of defining and computing overtime. Absences from duty in pay status shall not be considered as time worked, except that:

(a) Time off with pay for education leave shall be considered as time worked.
(b) Time off on a County recognized holiday falling on the employee's regularly scheduled workday shall be considered as time worked. This includes a scheduled Floating Holiday or Birthday Holiday and Holiday Leave.
(c) Administrative leave shall be considered as time worked.

The computation of overtime pay and charging of leave time will be rounded to the nearest quarter of an hour, except for those employees represented by the Transport Workers Union whose computation will be governed by the prevailing collective bargaining agreement.

Compensatory time may not be granted in lieu of overtime payment, except where provided for in collective bargaining agreements and subject to maximum accruals set by law. If compensatory time credits are permitted in lieu of cash payment, leave will accrue at the rate of one and one-half times the time worked, rounded to the nearest quarter of an hour and in accordance with applicable overtime rules.

Although certain classifications have been designated as job basis, it must be emphasized that Fair Labor Standards Act (FLSA) regulations on exemptions from overtime payment address the actual job duties of the employee and are not concerned with job titles, civil service classifications or other group identifications. This makes it difficult to generalize whether any particular class of employees is exempt from overtime without looking at individual work duties. Therefore, it is important to understand that job basis designations for County job classifications reflected within this Pay Plan do not necessarily ensure compliance with the overtime eligibility provisions of the Fair Labor Standards Act for specific positions. Departments should consult the Human Resources Department on FLSA issues of overtime eligibility for specific positions.

Unless otherwise provided in a collective bargaining agreement, an employee required to work at least two hours immediately subsequent to his normal work shift, as a continuous extension of same, shall be provided with a one-half hour rest break with pay.

V. SPECIAL PAY PROVISION

(A) Leadworker

When recommended by the concerned departmental appointing authority and approved by the Human Resources Department, an employee may be designated as a leadworker if the following conditions exist:

A leadworker is assigned responsibility by the appointing authority to functionally supervise one or more employees who are ordinarily classified the same as the leadworker. Leadworkers perform their tasks under the direction of a supervisor of a higher level. Supervisors usually cannot be present to give constant supervision to the work because of duties and assignments which take them to other areas. Leadworkers cannot rate the performance of an employee and cannot sign off on performance evaluations.

Leadworker designations may also be authorized by the Human Resources Department for certain positions where extraordinary duties and responsibilities are required. An employee designated as a leadworker shall receive the equivalent of one (1) pay step. A leadworker pay provision does not affect the employee's pay anniversary date. Leadworker pay provisions may be assigned and removed at the sole discretion of the County. (LEAD)

It is the responsibility of each department to carefully monitor leadworker assignments and to remove the (LEAD) pay supplement once the leadworker assignment ends.

(B) Trainee

An employee officially designated as a trainee by the Human Resources Department may be compensated at a salary step below the minimum rate established for the classification. The trainee rate is calculated by reducing the entry salary step by an amount equivalent to the percentage difference between pay steps of the subject classification. The specific pay rate, length of training period, and pay advancement must be approved by the Human Resources Department for each training program.

VI. SHIFT DIFFERENTIAL

(A) Night Shift (Non-Bargaining)

Non-bargaining unit employees, who are assigned to a work shift having the major portion of the hours scheduled after 6:00 p.m. shall receive the equivalent of two (2) pay steps. (NGT2)

A work schedule which is divided equally before and after 6:00 p.m. shall entitle an assigned employee to the equivalent of one (1) pay step. (NGT1S)

Employees assigned to work schedules which encompass 24-hour shifts are ineligible for this pay differential except where provided for in the collective bargaining agreement. Employees in the classification of Guard and Guard Supervisor are not eligible for this pay differential.

Night shift pay differential shall not be included in the payment of accrued annual, sick, holiday or compensatory leave upon separation from the County service, nor shall it be considered as part of base pay for the purpose of calculating promotions.

Employees may be assigned to an irregular night shift for one or more days in a standard workweek. Night shift pay differential will be authorized for each complete night shift worked in the workweek.

(B) Night Shift (Bargaining Unit)

Refer to each respective collective bargaining agreement for eligibility and rate of payment**.**

The determination of whether such premiums shall be paid to employees who work in departments or offices that are not under the Mayor's purview shall be within the discretion of the appropriate appointing authority. Bargaining unit employees shall be paid in accordance with the terms and conditions of their collective bargaining agreement.

(A) Service In-Grade Pay (Longevity Steps)

Employees may receive additional pay step increments for continuous service in the same classification. Eligibility calculations for service in-grade requirements are based on County service after October 1, 1957. Eligibility criteria is defined in Administrative Order 7-19; except as otherwise provided in collective bargaining agreements.

1. Advancement by one-half pay step (pay supplement) may be made on the employee's pay anniversary date after completion of two (2) consecutive years of service at the maximum rate of the salary range. Such advancement will be one-half pay step beyond the normal maximum rate. (HRSTP)

2. Advancement to longevity step 1 (L1) may be made after completion of five (5) consecutive years of service at the maximum rate of the salary range. Such advancement shall be one (1) pay step beyond the normal maximum rate.

6. Advancement to longevity step 3 (L3) may be made after completion of five (5) consecutive years of service at longevity step 2 of the salary range. Such advancement shall be one (1) pay step beyond longevity step 2.

The Mayor, at his/her discretion, may change or eliminate the longevity bonus award (LBA) benefits for non-bargaining unit classified and exempt employees under his/her purview. The determination of whether such premiums shall be paid to employees who work in departments or offices that are not under the Mayor's purview shall be within the discretion of the appropriate appointing authority.

Bargaining unit employees shall be paid in accordance with the terms and conditions of their collective bargaining agreement.

Employees with fifteen (15) or more years of full-time continuous (uninterrupted) County service may be eligible for an annual lump sum longevity bonus in accordance with the following schedule:

- Employees in the Deferred Retirement Option Program and resign in accordance with program guidelines on the last day the employee is permitted to work.
- Employees who have died while employed in the County service.
- Employees whose medical problems force them to take disability retirement.
- Employees who separate as a result of layoff.

(B) Employee Service Award Program

The Service Awards Program was established to recognize Miami-Dade County employees for continued years of loyal and dedicated service. Employees are presented with a service pin beginning on their 5th anniversary with the County and every five years thereafter. Employees with 30 years of service are also given an acrylic trophy before the Board of County Commissioners, and every 5 years thereafter. In addition, to the pin and trophy, employees in service years 30, 35, 40 and 45 receive a cash award. Eligible employees will receive the cash award, as detailed below:

Years of Continuous Dedicated Service	Milestone Award
30 Years of Service	$125
35 Years of Service	$250
40 Years of Service	$375
45+ Years of Service	$500

IX. SALARY ADMINISTRATION

The Mayor, at his/her discretion, may change or eliminate the employees' insurance contribution; restore or suspend flex dollars, premium pay, merit increases, longevity bonus award benefits; and revise the employees' merit increases for non-bargaining unit classified and exempt employees under his/her purview.

The determination of whether merit increases shall be paid to employees who work in departments or offices that are not under the Mayor's purview shall be within the discretion of the appropriate appointing authority.

Bargaining unit employees shall be paid in accordance with the terms and conditions of their collective bargaining agreement.

Salary increases within appropriate ranges shall be recommended on the basis of merit rather than solely on the basis of the passage of time.

For employees hired prior to November 1, 1991 with no subsequent break in County service on or after that date, Step 5 will be the entrance step and advancement to the second pay step (pay step 6) may be recommended after one (1) year of continuous, meritorious service, unless otherwise specified by a collective bargaining agreement (CBA). Further advancement in a pay range may be recommended after pay step six (6) is granted at one (1) year intervals up to the maximum step in a pay range.

For employees hired on or after November 1, 1991, pay step 1 will be the entrance pay step and advancement to the second pay step (pay step 2) may be recommended after one (1)year of continuous, meritorious service, unless otherwise specified by a CBA. Further advancement in a pay range may be recommended after pay step two (2) is granted at one (1) year intervals up to the maximum step in a pay range.

Upon approval by the Human Resources Department, non-bargaining unit employees who are exempt and occupy professional, administrative and secretarial classifications may be placed on pay step 99 in the Pay Plan. The range for these employees will be defined as minimum, pay step 1, and maximum, pay step 12.

Certain classifications in the classified service are comprised of pay grades in lieu of pay steps. Employees appointed to the entrance minimum of such a pay grades will be eligible for a merit increase

after completion of 26 pay periods of continuous, satisfactory job performance. Such merit increases shall not exceed five (5%) percent, unless otherwise approved by the Mayor.

Exempt employees in secretarial classifications who are appointed to the entrance minimum of the clerical pay grades will be eligible for a merit increase after the completion of thirteen (13) pay periods of continuous, satisfactory job performance, unless otherwise specified by a CBA.

The rules and regulations and collective bargaining agreement with the Transport Workers Union Local 291 prescribe additional salary and work schedule administrative practices for employees covered by the TWU agreement. For employees hired prior to November 1, 1991, the entry level is pay step 5. Refer to the Pay Plan Guide for entry steps for employees in TWU classifications on pages 112-113.

Red Circle

The Red Circle policy provides temporary salary preservation to employees who have been negatively impacted due to a job classification review, organizational review or layoff related action. This policy does not apply to disciplinary demotions. Voluntary demotions will be evaluated on a case-by-case basis. All red circle requests must be approved by the Mayor or appropriate appointing authority for employees not within the Mayor's purview

- The Red Circle policy provides for the employee's salary to be frozen, red circled, for a time period equal to one pay period for each year of continuous full-time service.
- The employee's salary will remain red circled until the conclusion of the time period or until such time that an across-the-board wage adjustment to the new classification eliminates the necessity of the red circle, whichever occurs first.
- At the conclusion of this time period, the employee's salary will be reduced to no more than the maximum pay step of the new pay range for the new position.
- The time period for the red circle calculation will commence at the time the employee exits his/her position to which the red circle applies.
- During the red circle period, the employee is not eligible for an across-the-board wage adjustment/cost of living increase.

X. INTERMEDIATE RATE HIRING POLICY

Department Directors may have the authority to offer external candidates an intermediate hiring rate depending on the employee's bargaining unit. The intermediate rate offer should be based upon extraordinary circumstances such as extensive relevant experience, difficult to hire skills set, advanced credentials or certifications, or a demonstrated difficulty hiring or retaining employees in a particular field. It is the responsibility of county departments to monitor the usage of the intermediate rate hiring policy in order to ensure that internal pay inequities do not occur. The intermediate rate hiring policy does not apply to rehired retirees as per IO 7-44 or classifications in the following bargaining units: AFSCME Local 121 – Water & Sewer; AFSCME Local 199 – General; AFSCME Local 1542 – Aviation; and AFSCME Local 3292 – Solid Waste.

XI. REHIRING OF COUNTY RETIREES IMPLEMENTING – ORDER 7-44

As per Implementing Order No. 7-44, applicants that have retired from County service or have separated with the County and have drawn from their FRS investment account and seek re-employment with Miami-Dade County shall be subject to the County's regular hiring process, including job applications, testing and interviews where applicable, and if hired shall start at the entry level of the salary rate. These employees may only be hired above the entry level salary level if approved by a 2/3 vote of the Board of County Commissioners.

XII. PROMOTIONS

A promotion is the assignment of an employee to a classification having a higher maximum salary than his/her current classification. The maximum pay rate is the maximum of the pay range for classifications assigned to a pay grade range or the third longevity step (L3) for classifications assigned to a pay step range. The employee's date of hire must be considered when calculating a promotional increase. For an employee hired prior to November 1, 1991, the entry level is step 5 and for an employee hired after November 1, 1991, the entry level is step 1, unless otherwise specified by a collective bargaining agreement, such as in the case of the TWU.

A promotional increase for an employee being promoted in the exempt service is at the discretion of the corresponding department director; however, the typical promotional increase is 5% above the employee's current pay rate, or the minimum of the pay grade, whichever is greater. Salary increases greater than 5% must be approved by the Mayor or appropriate appointing authority for employees not within the Mayor's purview

An employee being promoted in the classified service is granted at least a one (1) pay step increase above the pay step within the employee's current classification, provided such increase does not surpass the maximum of the new pay range.

When an employee in a pay grade is promoted to a classification with pay steps, then the salary is determined by adding 5% to the current biweekly rate. The new pay rate must be equal to or exceed the minimum rate of the new pay step range.

An employee being promoted in the classified service, who is within three pay periods of receiving a scheduled merit increase, shall receive the merit increase prior to calculating the promotional rate of pay provided the employee's performance is satisfactory. The performance evaluation must be submitted in order for the merit increase to be considered.

The application of promotional calculation provisions which reference pending merit increases will be determined by the Mayor for non-bargaining unit exempt and classified employees, who work in departments under the Mayor's purview. The determination of the application of promotional calculation provisions to employees, who work in departments or offices that are not under the Mayor's purview, shall be within the discretion of the appropriate appointing authority. Bargaining unit employees shall be paid in accordance with the terms and conditions of their collective bargaining agreement.

XIII. LATERALS

A lateral transfer is the movement of an employee from one division or department to another with the employee remaining in the same classification or a lateral position. Employees transferring to a new department must serve a new probationary period unless the transfer is due to layoff actions. Department Directors may have the ability to grant a one pay step increase or 5% increase for non-bargaining unit lateral actions. A Transfer Personnel Change Request (PCR) for non-bargaining employees requesting pay increases greater than 5% within a year must be approved by the Mayor.

XIV. DEMOTIONS

A demotion is the assignment of an employee to a classification having a lower maximum salary than his/her current classification. The maximum rate for a classification is defined as the maximum of the pay grade range or is the third longevity step (L3) for classifications assigned to a pay step range.

A demotion of an employee in the classified service will be determined by comparing the maximum salary (as referenced above) of both the old and new classifications. If the new maximum is a decrease in salary of one step or more, the personnel action will be considered a demotion. If the decrease is

less than one step, the personnel action will be considered a lateral pay action, and the employee preserves his/her classified rights to the former classification.

When an employee in the classified service is demoted as the result of a disciplinary action, the employee will be credited with time served in all the classifications that are higher than the classification to which the employee is being demoted. There will be no change in anniversary date.

When an employee is demoted to a classification with a salary range and the employee's current salary falls within the range of the new classification, the employee will be placed in the range with no change in salary. There will be no change in anniversary date.

When an employee is demoted to a classification with a salary range and the employee's current salary exceeds the maximum of the salary range of the new classification, the employee will be placed at the maximum of the salary range. There will be no change in anniversary date.

When an employee is demoted due to failure of probation, the employee will be returned to the pay step in the prior classification from which he/she was promoted. Time served in the higher class will be credited toward his/her merit increase in the lower class. There will be no change in anniversary date.

When an employee is demoted as the result of layoff/pipeline assistance, ADA placement, voluntary or administrative actions and the employee's rate of pay falls between pay steps in the lower classification, the employee will be placed on the next highest step, not to exceed longevity step 3 (L3). The anniversary date will not be changed.

XV. DELEGATION OF AUTHORITY FOR PERSONNEL/COMPENSATION ITEMS

Delegated to Chiefs and/or their designees for their respective portfolios:

- Recruitments of Department Directors
- Review of promotion and new hires of Division Directors from the Chief's respective portfolio
- Employee Performance Reviews for direct reports
- Merit increase request (up to five percent) for Assistant Directors and above from the Chief's respective portfolio
- Performance Based Bonuses other than executive level staff
- Special Pay Adjustments for employees other than executive level staff
- Requests for Classification Action for Assistant Directors and above
- Exemptions from the Classified Service
- Pipeline assistance requests
- Leave requests (Department Directors and Chief's immediate staff)

Delegated to the Director of the Office of Management and Budget:

- Temporary Position Overages

XVI. TEMPORARY JOB CLASSIFICATIONS AND SALARY RANGES

The Mayor or the County Attorney may establish, assign and maintain appropriate job classifications, salary ranges, and pay supplements for classified service as well as exempt service positions as deemed operationally necessary on a temporary basis until such time as the appropriate Pay Plan Amendment is submitted to the Board of County Commissioners for adoption. These salary ranges shall be established to meet budgetary needs as determined by the Mayor or County Attorney, but in no event shall they exceed the ranges of similar existing classifications or pay grades contained in this Pay Plan.

XVII. RECLASSIFICATIONS OR CLASSIFICATION REVIEWS

A classification review is appropriate when a job classification:

- has gained significant new and/or additional duties and responsibilities;
- when recruitment for the position has not yielded suitable or qualified candidates;
- when the compensation level is not competitive with the market.

The Human Resources Office of Compensation and Job Analysis reviews all reclassification requests and makes a final determination after careful review, market studies, organization structure comparisons, and field audits as needed.

Actions resulting from Reclassifications:

- Reclassification Granted

Reclassifications are granted if the above criteria regarding additional duties is met. The employee is placed in a different classification with the new salary structure and is placed on probation status (if applicable) with a change in anniversary date.

- Selective Adjustments

When the classification is deemed to be non-competitive with the market or the internal organizational structure (internal equity), then the values of the steps are adjusted, and the incumbent's (step and salary) are adjusted accordingly; their status and anniversary dates remain unchanged.

- Reclassification vs. Recruitment

When a new classification is established, an open competitive recruitment must be initiated.

- Classification Regrade

When a classification is regraded (minimum and maximum of the salary range adjusted), the classification is adjusted, not the incumbent. The incumbent's salary is not automatically adjusted. All requests for salary adjustments as a result of a regrade must be accompanied by a justification memo and approved by the Mayor or the Mayor's designee, or the appropriate appointing authority for employees not within the Mayor's purview

Appeals:

If the reclassification request is denied, and the classification is in the classified service and in a bargaining unit, the employee or department may appeal the denial to the HR Director within 14 days of having received notice. Employees in classifications exempt from the classified service, that reside within a bargaining unit may appeal the denial to the HR Director within 14 days of having received notice. Non-bargaining unit employees in classifications exempt from the classified service are not

entitled to appeal when a reclassification request is denied. Classification reviews are not conducted to upgrade or reward exemplary performance by any employee.

XVIII. EXECUTIVE AND EXEMPT PROFESSIONAL/MANAGERIAL PAY RANGES

This establishes a Living Wage requirement for personnel hired pursuant to County service contracts and for County employees. The Living Wage to be paid by the County to its employees is not subject to the annual indexing and instead is subject to negotiation within the collective bargaining structure. For the purpose of administering the Living Wage, certain classifications will not be considered eligible. These classifications include those that only receive stipends; those whose funding is prescribed by grants; and those that solely provide on-the-job work experience (interns).

Special allowances are provided for employees as described in Section A (Page 21) after approval by the Department Director and the Human Resources Department or as otherwise designated. Unless otherwise specified by the terms of a collective bargaining agreement, employees will become eligible for salary supplements effective the beginning of the next pay period following the receipt of all required documentation by the Human Resources Department.

Eligible employees in a classification assigned to a pay grade or non-step salary range may receive a pay supplement. Pay Supplements are additional components of pay which are added to an employee's base pay.
