Some executives are eligible to participate in the Executive Benefits Program at the discretion of the agency's appointing authority. This booklet provides information on the comprehensive benefits offered.

Frequently Asked Questions

1. How do I change my deferred compensation contribution biweekly deduction?

You must submit the change request online to increase or decrease your deduction amount. Links to the providers' websites may be accessed at <https://www.miamidade.gov/global/humanresources/benefits/deferred-compensation.page>. Increases become effective no earlier than the first of the following month. Decreases may be processed for the next available pay period.

2. How can I participate in the catch-up provision of deferred compensation?

The County's deferred compensation program allows you to postpone receipt of a portion of your salary until you retire or separate service. In order to make up for years in which you did not contribute, or contributed less than the maximum allowed, you may apply to participate in the "catch-up" provision. If you are approved under this provision, for three years before the year in which you are eligible to retire without

reduction in FRS benefits, you may contribute up to twice the regular annual maximum. The maximum contribution for employees approved for participation in catch-up is \$39,000 as of the printing of this booklet. A full description is included on page 3 in the Deferred Compensation Section, as is a copy of the application form on page 13.

3. How do I schedule an Executive Physical?

You may schedule an Executive Physical by contacting your Department Personnel Representative.

4. What is the car allowance intended to cover?

The car allowance is intended to offset the cost of maintenance, insurance, gasoline, tolls and other operating expenses, including parking fees incurred when attending business meetings and functions. Executives receiving a car allowance, regardless of the amount, are not permitted the use of a County pool car. It is expected that they use their personal vehicle for County business.

Deferred Compensation

Participating in the County's deferred compensation program allows you to defer, or postpone receipt of, part of your salary to save for the time when you retire or leave County service. You pay only Social Security tax on the money that is invested, and you are not taxed on the earnings, until you take a distribution.

You may choose to invest your contributions with one or both of the current providers, MissionSquare Retirement (formerly ICMA-RC) or National Association of Counties (NACo), administered by Nationwide Retirement Solutions. Both providers offer a wide range of investment opportunities, from conservative to aggressive portfolios, and a full scope of mutual funds. Provider representatives are situated locally and available to speak and/or meet with you at your convenience.

To enroll in deferred compensation, you must submit a completed enrollment form for one, or both, of the providers to establish your account and begin a biweekly payroll deduction. The maximum contribution allowed currently is \$20,500 for regular enrollment. If you are 50 years of age or over you may contribute an additional \$6,500 for a total of \$27,000.

Catch-Up Provision

Under the catch-up provision you may make up for years in which you did not participate in deferred compensation, or you did not contribute the maximum allowed. You must first submit an application for approval to contribute more than the normal maximum allowed in the calendar year. In order to determine the years in which you may participate in Catch-up, you must designate a Normal Retirement Age. This is defined as the age in which you are eligible to receive unreduced retirement benefits from your employer's pension plan or a later date that you choose, however, you may not participate in the Catch-up provision beyond the age of 70 ½. When you are approved for participation in Catch-up, you may contribute up to a pre-determined amount for one, two or three years prior to the year you have declared as your Normal Retirement Age (NRA). Whether or not you contribute to deferred compensation and participate in Catch-up in the years that you establish, you will be deemed a participant. You do not have to retire on the date that you designate.

The maximum contribution for Catch-up participants is \$41,000, twice the normal maximum.

457 Roth Funding Option

The Roth Funding Option allows employees to contribute to the deferred compensation program on a post-tax basis. One of the major benefits of the Roth Funding Option is that if certain conditions are met, the earnings and contributions when paid to you will be tax-free. Contact your local deferred compensation representative to determine if this feature can benefit you. For more information on the Deferred Compensation plan, please visit <https://www.miamidade.gov/global/humanresources/benefits/deferred-compensation.page>.

Executive Early Retirement Incentive Program

The Early Retirement Incentive Program, first offered in 1989, allows eligible executives to leave County service but remain in the group medical and dental plans for 10 years or until age 65, whichever is earlier. The County will continue to pay its portion of the medical and dental coverage.

You become eligible for the benefits when your age plus years of continuous County service equal 70. A letter of notification is generated upon your becoming eligible and it is sent to your home via certified mail. Executives have seven months from their eligibility date to respond to the notification, and two additional months to separate from County payroll in order to activate the benefit. If you return the response form indicating that you wish to participate, you will be sent the appropriate enrollment forms to continue your insurance.

In addition to continuation of the insurance, the program offers:

- An increase of 500 hours in the maximum number of hours of sick leave that may be paid out. This raises the limit from a maximum of 1,000 to 1,500 hours
- Payout of 100% of your sick leave balance, up to the 1,500 hours. There is no reduction in the percentage of hours paid, regardless of the number of years of County service.

This is a one-time offer made only at the time that you become eligible.

If you choose not to participate in the Early Retirement Incentive Program, you will have no further opportunity to do so.

Purchase of FRS Time with Deferred Compensation

If you have already obtained an estimate from the Florida Retirement System for the cost of purchasing eligible time, such as military or out of state service or an approved leave of absence, you may purchase the service with your deferred compensation funds. You will need to complete sections 1 and 2 of the FRS form PRO-1, available online at www.myfrs.com in

the Resources/Forms section. The form should be mailed directly to your deferred compensation provider, i.e., MissionSquare Retirement (formerly ICMA-RC) or NACo. It is their responsibility to send a check to the FRS as payment for the time you are purchasing.

Retiree Health Insurance

If you are terminating from service with Miami-Dade County, you may be eligible to participate in the Retiree Health Insurance program for executives in groups 1, 2 and 3.

The Retiree Health Insurance program provides for continuation of the County portion of group medical and dental insurance for eligible executives for 10 years, or until age 65, whichever is earlier.

To qualify the employee must be:

- At least age 60 with 10 years continuous Miami-Dade County service or
- Any age with 25+ years of continuous Miami-Dade County Special Risk service

or

- Any age with 30+ years of continuous Miami-Dade County service

AND

- Currently a Group 1, 2 or 3, OR be a former executive in one of these groups for a minimum of six years, and separate from County service.

When you are within 3 months of your date of termination with the County, contact the Benefits Administration Unit, of the Human Resources Department, Suite 2324, in the Stephen P. Clark Center.

YOU MUST MAKE WRITTEN NOTIFICATION OF YOUR INTENT TO PARTICIPATE IN THIS BENEFIT.

(Form on page 11)

You will receive the appropriate retiree insurance enrollment forms when you meet with a Senior Employee Benefits Specialist in the Benefits Administration Unit, Human Resources Department to complete your retirement or DROP termination paperwork.

County Code Regarding Payment of Leave and Eligibility for Retiree Health Insurance

The Miami-Dade County Code contains sections which describe circumstances under which accumulated sick and annual leave will not be paid to a County officer or employee who separates from service while under investigation for, or having been found to have committed an offense involving breach of the public trust. Please note that eligibility for the Retiree Health Insurance offered to executives is governed by the same sections of the code. See Sections 2-56.30 – 33 of the Code for complete description.

Beneficiary Updates

It is advisable to periodically review your beneficiary designation and determine whether any changes are appropriate. This is especially true if you have a qualifying life event such as marriage, birth of a child, divorce, or death. If you wish to review or update your Group Basic Life Insurance and Optional Life insurance beneficiary designations, please visit Minnesota <https://web1.lifebenefits.com/content/lifebenefits/home/en.html>.

Retirement Notes

Longevity

Only full-time County service counts toward longevity. Your years of County longevity may not match your years of service with FRS. Many employees worked for agencies covered by the FRS and accrued time with the State before becoming County employees. You may be eligible to DROP and retire from FRS, but not be eligible for programs offered to executives by the County if your longevity is not sufficient.

Definition of AFC for FRS

Average Final Compensation (AFC) is the average of the 5 highest fiscal years of compensation you earned during your covered employment.

For employees first enrolled under the FRS on or after July 1, 2011, the AFC is based on the average of the highest 8 FRS fiscal years of compensation earned.

Eligibility for Executive Retiree Health Insurance

In order to continue to participate in this program following retirement, executives

in Groups 1, 2 and 3 must meet specific service criteria. You must be:

- At least age 60 with 10 years continuous Miami-Dade County service or
- Any age with 25+ years of continuous Miami-Dade County Special Risk service or
- Any age with 30+ years of continuous Miami-Dade County service AND
- Currently a Group 1, 2 or 3, OR be a former executive in one of these groups for a minimum of six years, and separate from County service.

Application for the Executive Retiree Health Insurance

Within 3 months of your planned retirement, you should submit an Executive Retiree Health Insurance Application to the Benefits Administration Unit. The form is shown on page 11 of this booklet. You must also complete the appropriate insurance application from the Benefits Administration Unit to ensure continuation of your medical and dental coverage.

Leave Payouts

Annual Leave – The maximum number of hours that will be paid to executives at termination is 750. If you are a DROP participant and chose to be paid your annual leave balance at the start of your DROP, only the difference between the number of hours paid then and the maximum of 750 will be paid at the time that you terminate.

Sick Leave – If you are a Group 1, 2 or 3 Executive and leave County service with 25 or more years of continuous service with the County, all of your accumulated sick leave will be paid to you.

If you are not in the active executive groups at the time of retirement, you must have 30 years of County service (need not be continuous) to be eligible to receive payment for the full balance of your sick leave. For employees with less than 30 years of service or 25 years Special Risk, and executives with fewer than 25 years of continuous service, sick leave will be paid in accordance with the County's Leave Manual.

Executive Retiree Health Insurance Application

As of _____ I will terminate service with Miami-Dade
County. As of this date I will be:

- At least age 60 with 10 years continuous Miami-Dade
County service or
 - Any age with 25+ years of continuous Miami-Dade
County Special Risk service or
 - Any age with 30+ years of continuous Miami-Dade
County service
- AND
- Currently a Group 1, 2 or 3, OR be a former executive
in one of these groups for a minimum of six years, and
separate from County service

I understand that through the Executive Retiree Health Insurance program, I may maintain coverage in a County medical and/or dental plan for 10 years or until I reach the age of 65, whichever is earlier. I will be billed for my portion of the cost, if any.

457 (b) Deferred Compensation Plan Declaration
of Normal Retirement Age for Catch-up

_____ (Name) _____ wish to exercise my option

to utilize the Catch-up provision of the 457(b) Deferred Compensation Plan. As a condition of the Catch-up provision, I must designate a **normal retirement age (NRA)**.

I understand that the NRA I choose must meet the following requirements:

1. **The NRA cannot be my current age. It must be an age that I will attain in a future calendar year.**
2. The minimum NRA is the earlier of age 65 or the age that I am eligible to receive unreduced pension benefits under the Florida Retirement System. However, the date that I select as my NRA does **not** have to be the age at which I am first eligible to receive an unreduced benefit under the Florida Retirement System. I can choose a later NRA.
3. The maximum NRA is the year in which I attain age 70 ½.
4. I will only be able to participate in Catch-up during the three consecutive years immediately prior to the year that I have designated as my NRA.

In selecting my NRA, I understand that my election to participate in Catch-up is a one-time irrevocable election and that my eligibility to participate must be verified by the Benefits Division. I am not required to retire in the year in which my NRA occurs. I will be deemed a participant in the Catch-up provision whether or not I fully utilize the available deferral amount.

I hereby designate _____, which I will attain in _____, as my NRA.
