GET YOUR 3D MAMMOGRAM!

Thursday, January 16th

Transit Lehman Center

8:00am – 3:00pm

We are unable to accommodate women in wheelchairs on our mobile breast centers. We are happy to recommend local imaging centers in the area that offer ADA accessibility.

- ❖ Mammograms are covered 100% once per calendar year by insurance
- ❖ Women **MUST** have an active primary care physician or OBGYN
- ❖ Women 40+ and 35-39, if 1st baseline mammogram, don't need a script; Women 30-34 will need a script
- ❖ Results are read by a Breast Fellowship Board Certified Radiologist
