Choosing Humana
Vision is good for your
health

Besides checking for
changes in your vision,
your eye doctor can check
for common eye
conditions like glaucoma.

An eye exam can also
uncover other health
issues, such as high blood
pressure and diabetes.

Humana Vision Plan
makes good eye health
easy and budget friendly

- Get an annual eye exam for \$0
- Choose from more than 108,000 access points including independent optometrists, ophthalmologists and national retail eye exam locations including Lens Crafters, Pearl Vision and Target Optical.
