

Miami-Dade County

INTERNSHIPS

As Miami-Dade County strives to attract and retain the best and brightest in the community, our goal is to engage high school, college and graduate students as they navigate various career pathways and consider prospective employers.

INTERNSHIP OPPORTUNITIES

High School Students

Volunteering Opportunities

Provides high school students with hands-on experience and insight into various career paths within Miami-Dade County departments, guided by County professionals. This option is ideal for fulfilling community service hours requirements for graduation.

Summer Youth Internship (SYIP) Program

Develops employability, promotes financial literacy and provides opportunities for Miami Dade County Public Schools students to earn academic credit for (5) weeks during the Summer (July-August).

Undergraduate and Graduate Students

Volunteering Opportunities

Provides undergraduate and graduate students with valuable practical experience and exposure to career pathways within Miami-Dade County departments, supported by professional mentorship and structured learning opportunities. This option is ideal for fulfilling course Field Service/Experience hours requirements.

Miam-Dade County Internship Program - We Connect, We Thrive

Offers college undergraduate and graduate students with meaningful opportunities to explore future careers in public service and learn about the County as a leading organization through project-based learning experiences and assignments with teams of professionals within Miami-Dade County departments.

Fellowship Opportunities

Designed to provide emerging professionals with real-world experience in public service. Fellows gain valuable insight into local government operations, working alongside industry leaders on impactful projects within County departments. These opportunities foster professional growth, leadership development, and a pathway to a rewarding career in public service.

Mayor's Office Internship Opportunities

A great opportunity for undergraduate and graduate students studying government, law, political science, and/or public administration to observe, learn, and work directly with Mayor's Office personnel representing the different teams of the administration's portfolio.

All opportunities are hosted in-person.
