ARTICLE 1 AGREEMENT

This Agreement is made and entered into on the first day of June 2023 by and between Miami-Dade County, the Miami-Dade Water and Sewer Department (hereinafter referred to as the County) and the American Federation of State, County, and Municipal Employees, AFL-CIO, Miami-Dade Water and Sewer Department Employees Local 121 (hereinafter referred to as the Union). Said Agreement is to be effective on the above date provided that it has been ratified by the Union and by the Miami-Dade Water and Sewer Department and the Board of County Commissioners of Miami-Dade County, Florida. All new or amended provisions contained in this Agreement shall be effective upon ratification unless a different effective date is specifically provided for in the affected Article.

It is the intention of this Agreement to provide for salaries, fringe benefits, and other terms and conditions of employment where not otherwise provided for by Statute, Ordinance, Resolution, Administrative Order, Implementing Order, County Leave Manual, or Personnel Rules. It is further the intention of this Agreement to promote harmonious relations between the County, the Department, and the Union, and to provide for an orderly and just manner of handling grievances.

The provisions of this Agreement will supersede Personnel Rules, Implementing Orders, or Administrative Orders and other Rules and Regulations in conflict herewith.

ARTICLE 2 BARGAINING UNIT

1. The County recognizes the Union as the exclusive collective bargaining representative of the following defined employees as stated in P.E.R.C. Case No. 8H-RA-762-0071, Certification No. 373.

Included: All full time and regular part-time personnel employed by Miami-Dade County and the Miami-Dade Water and Sewer Department in job classifications specifically defined in Exhibit 1. (Attached hereto and made a part hereof by reference).

Excluded: All professional, supervisory, managerial and confidential personnel employed by Miami-Dade County and the Miami-Dade Water and Sewer Department and all temporary, seasonal, substitute and emergency personnel employed by Miami-Dade County and the Miami-Dade Water and Sewer Department and all other employees.

Definitions: Regular part-time means those individuals who work 20 hours or more per week for at least six (6) months per year.

Temporary and substitute personnel means those individuals who work less than four (4) consecutive months in any twelve (12) month period.

Seasonal and emergency personnel as defined in Miami-Dade County Personnel Rules, Chapter III, Section 8 (B) and (C).

2. Probationary, non-permanent, exempt, and regular part-time employees covered by this Agreement shall continue to be governed in all respects, by the Code of Miami-Dade County, Florida, Personnel Rules, Pay Plan, Implementing Orders, County Leave Manual, Administrative Orders, and other regulations in effect prior to the execution of this Agreement

and there shall be no change in any of the wages, benefits, hours, or terms and conditions of employment of such employees as a result of this Agreement unless such changes are specifically stated in this Agreement with reference to such employees.

3. It is agreed that if and when new position classifications are created by action of the Board of County Commissioners and the Miami-Dade Water and Sewer Department, the question of inclusion or exclusion within the Bargaining Unit shall be determined by reference to and comparability with the above Certificate of Recognition. If a dispute arises, it will be settled in accordance with the state law.

ARTICLE 3 NON-DISCRIMINATION

It is agreed that there shall be no discrimination against any employee, covered under this Agreement, by the Union, the Department, or the County because of race, color, sex, creed, national origin, age, political affiliation, religion, marital status, sexual orientation, membership in the Union, or for engaging in any lawful Union activities.

This Article is intended solely to comply with Federal, State and local regulations concerning the criteria enumerated above and shall have no reference to any pending dispute between the Department, the County and the Union or employees previously employed by any municipality or privately owned utility.

ARTICLE 4 CHECK OFF

Upon receipt of written authorization from an employee, the County agrees to deduct the regular Union dues of such employees from his/hers bi-weekly pay and remit such deduction to the Union within ten (10) days of the date of deduction. The Union will notify the County, in writing, at least thirty (30) days prior to any change in the amount of the regular dues deduction. An employee may, upon thirty (30) days written notice to the County and the Union, revoke his/hers dues deduction authorization, and the County thereupon shall cease to make such deduction.

The County, with at least ninety (90) days prior written notice, will provide one payroll deduction for the Union's political action committee (PAC) and one payroll deduction for the Union's scholarship fund.

The Union agrees to indemnify and hold the County harmless against any and all claims, suits, orders, or judgments brought or issued against the County as a result of any action taken or not taken by the County under the provisions of this Article.

It is agreed and understood that the County, through its Mayor or designee, Deputy Mayor, Department Director, Division Directors, supervisory employees, and those employees not included in this bargaining unit will take no action to either encourage or discourage membership in the Union.

ARTICLE 5 GRIEVANCE PROCEDURES

1. In a mutual effort to provide harmonious working relations between the parties of this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties.

2. A "Grievance" shall be defined as any dispute that an employee or the Union may have arising out of the interpretation or application of the terms of this Agreement. A class grievance shall be defined as any dispute which concerns two or more employees within the bargaining unit. Class grievances must name all employees or classifications covered in a grievance or otherwise describe readily identifiable members of the class (e.g. employees who work night shift at the Alexander Orr Water Treatment Plant). Class grievances, at the option of the Union, may be submitted at Step 2 or 3 and no more than three (3) employees plus a Union staff representative may meet with the intermediate supervisor, or division head. Each grievance when filed shall state with particularity the alleged violation of the contract claimed, the date upon which the violation occurred, the facts of such violation, the Article of the contract violated and the remedy sought by the Union.
3. Reductions in pay, reprimands, position classifications, classification appeal, performance evaluation appeals, disability determinations, job descriptions, formal counseling and similar matters, for which other appellate procedures are provided in the Code of Miami-Dade County, Florida, and/or County Personnel Rules or other provisions of this Agreement are not subject to review as grievances.
4. Grievances shall be processed in accordance with the following procedures:
 - Step 1: The aggrieved employee, with the Union Steward, if the employee so desires, shall discuss the grievance with the immediate supervisor within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance.
 - Step 2: If after discussion with the immediate supervisor the grievance has not been resolved, the grievance shall be offered, in writing, and shall be forwarded, immediately, to the intermediate supervisor. The intermediate supervisor's response shall be submitted, in writing, to the Union within fourteen (14) calendar days.
 - Step 3: If the grievance has not been satisfactorily resolved in Step 2, the Union Steward and/or the aggrieved employee and the Union Representative may appeal the grievance to the Head of the Division concerned, within ten (10) calendar days after the intermediate supervisor's response is due. The Head of the Division shall respond, in writing, within ten (10) calendar days.
 - Step 4: If the grievance has not been satisfactorily resolved in Step 3 hereof, the Union Steward and/or the aggrieved employee may present the written appeal to the Director of the Department within ten (10) calendar days. The Director of the Department shall respond in writing, within ten (10) calendar days.

Nothing shall prevent the parties from agreeing to submit initial grievances to any step deemed appropriate up to Step 4 in order to expedite a determination, provided that at least one grievance step shall always precede arbitration. Such request shall be made to the Division Director of Labor Relations and Employee Records Division, Human Resources Department. In the event the request to start at Step 4 is denied, the grievance shall go back to the appropriate Step and the aggrieved employee and/or Union Steward shall have ten (10) calendar days from the date of denial to proceed. The time limits set forth above may be waived only by mutual agreement in writing between the parties.

5. If a grievance is not processed by the Union and/or the aggrieved employee within the time limits provided for in Steps 3 and 4 the grievance shall be considered dropped with prejudice. This shall not bar the re-filing of a grievance should the grieved incident reoccur. If the County fails to process a grievance within the time limits provided, the grievance shall automatically proceed to the next step. Either party shall be permitted one (1) extension of time at any step as a matter of right, not to exceed the time provided above for each step; provided that the other party is notified of the requested extension prior to the expiration of the original time period.
6. The parties acknowledge that, as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
7. All responses required in Steps 2, 3, 4, above, shall be directed to the Union, with a copy furnished to the aggrieved employee. In class grievances, copies will be directed only at the Union.
8. This grievance procedure shall suffice as the requirement for establishment of a plan for resolving employee grievances and complaints, as required in Section 2-42 (18) of the Code of Miami-Dade County, Florida and as required by Florida Statutes 447.401.

ARTICLE 6 ARBITRATION

1. If the grievance has not been satisfactorily resolved within the grievance procedure, the Union may request a review by an impartial arbitrator provided such request is filed in writing with the Director of Labor Relations and Employee Records Division no later than fifteen (15) calendar days after the Department Director's response is due in Step 4 of the grievance procedure.
2. The Parties to this Agreement will attempt to mutually agree upon an independent arbitrator within ten (10) calendar days of receipt of Union request for arbitration. If this cannot be done, a panel or panels will be immediately requested from the American Arbitration Association and selection of an arbitrator will be made within fifteen (15) calendar days of receipt thereof.
3. The arbitration shall be conducted under the rules set forth in this Agreement and, where not in conflict with this Agreement, under the rules of the American Arbitration Association. Subject to the following, the arbitrator shall have jurisdiction and authority to decide a grievance as defined and submitted in this Agreement. The arbitrator shall have no authority to change, amend, add to, subtract from, ignore, modify, nullify or otherwise alter or supplement this Agreement or any part thereof of any amendment thereto. The arbitrator shall have no authority to consider or rule upon any matter which is stated in this Agreement not to be subject to arbitration or which is not a grievance as defined in this Agreement, or which is not covered by this Agreement, nor shall this Collective Bargaining Agreement be construed by an arbitrator to supersede any applicable laws.
4. The arbitrator may not issue declaratory or advisory opinions and shall confine himself exclusively to the question which is presented to him, which question must be actual and existing.
5. The County and the Union shall attempt to mutually agree in writing as to the statement of the matter to be arbitrated thirty (30) days after the request for arbitration is submitted. If in the event the parties cannot agree to the statement of issues to be submitted, then a written

statement of the issues to be decided shall be presented to the arbitrator by each party and exchanged between the parties fourteen (14) days prior to the Arbitration Hearing.

6. At the request of either party there shall be a certified court reporter at the hearing. The parties shall bear equally the expenses and fees of the court reporter, the arbitrator and all other expenses connected with a hearing. Each party shall bear the expenses of its own witnesses, representatives, attorneys and all other individual expenses. Employees required to testify will be made available, however, whenever possible, they shall be summoned to testify in such a manner as to minimize time lost from work.

Employees who have completed their testimony shall return to work unless they are the grievant or are directly required to assist the principal Union Representative in the conduct of the case. In class grievances, the class shall be represented by the Union President or his/her designee. The intent of the parties is to minimize time lost from work.

7. The award of the arbitrator shall be final and binding when made in accordance with the jurisdiction and authority of this Agreement. The arbitrator shall make his/her award within thirty (30) days of the close of the hearing and shall promptly furnish copies to both parties.
8. Matters, excluded from the Grievance Procedure under Article 5, Section 3, and matters covered under Article 7, Classification Appeal, and Article 8, Job Descriptions, shall be excluded from Arbitration.

ARTICLE 7 CLASSIFICATION REVIEW AND APPEAL

1. If an employee has reason to believe that he/she is misclassified, based upon a significant change in his/her job duties and responsibilities, he/she may apply for a review of their classification, in writing, to their immediate supervisor.
2. Such reclassification request shall be limited to one (1) request during the term of this agreement. Such request, including a job description prepared by the employee and commented upon by the Department, shall be forwarded to the Labor Relations and Employee Records Division of the Human Resources Department, or equivalent entity, by the employee's department within thirty (30) calendar days of receipt of request.
3. Within sixty (60) calendar days of such receipt for request of reclassification, the Labor Relations and Employee Records Division shall render a decision.
4. Whenever the Human Resources Director determines that an employee is misclassified, the employee shall always be placed in a current, appropriate classification, unless the Human Resources Director determines that there is no existing appropriate classification. In such cases, the Human Resources Director shall establish the classification, job description and pay range, which shall be maintained during the term of this Agreement.
5. If the decision of the Labor Relations and Employee Records Division is deemed a "no change," the employee may, within fourteen (14) calendar days request in writing, a hearing by the Human Resources Director. At the hearing, the employee may be accompanied by a representative of his/her choosing and may produce any documents and evidence to support his/her claim for reclassification. The Human Resources Director will explain the basis for the decision in writing in the event the request is denied. The Human Resources Director shall

hold such hearing within ninety (90) calendar days of the request. The Human Resources Director's decision shall be final and binding, and not subject to further appeal.

In the event the request for reclassification is upheld, the employee shall receive compensation beginning with the pay period that the original request was denied.

ARTICLE 8 JOB DESCRIPTIONS

1. Employees covered by this Agreement shall not generally be required to work out of classification when personnel are available except under emergency conditions as declared by the County Mayor or his/her authorized representative.
2. It is understood by the parties that the duties enumerated in job descriptions are not always specifically described and are to be construed liberally. In addition, employees shall perform related work as required.
3. Whenever there is a proposed change in job description or title of class within this Bargaining Unit, the County shall discuss with the Union the proposed change in job description. The Union shall receive a copy of the current job description and the proposed job description.
4. If the Union is not satisfied with the proposed change, it may, in writing, within five (5) calendar days of the conclusion of the discussion stated in paragraph 3 above, request a hearing before the Human Resources Director. This hearing shall be held at a mutually agreeable time, within thirty (30) calendar days.

The Human Resources Director's decision shall be final and binding and not subject to further appeal.

ARTICLE 9 LABOR-MANAGEMENT CONFERENCES

Department Management and the Union agree to meet and confer on matters of interest on a monthly basis or upon the written request of either party. The written request shall state the nature of the matters to be discussed and the reason(s) for requesting the meeting. Discussion shall be limited to matters set forth in the request, but it is understood that these special meetings shall not be used to renegotiate this Agreement. Such special conferences shall be held within fifteen (15) calendar days after receipt of written request and at a time and place mutually agreeable to both parties. The Union or the Department shall have the right, at these special meetings, to bring up other matters for discussion by mutual consent of both parties.

The Union shall be represented by the President and one (1) employee representatives from each major division of the Department not to exceed ten (10) employees. Names of representatives shall be certified to the Miami-Dade Water and Sewer Director and the Director of Labor Relations and Employee Records Division of the Human Resources Department.

Performance Based Compensation Projects - The Union and the County agree to work cooperatively to develop and implement performance based compensation projects involving bargaining unit classifications. These performance based compensation projects shall be joint ventures, representing a collaborative effort between the County and the Union, to effect meaningful performance based productivity gains that are designed to enhance the effectiveness and efficiency of the Department.

Either party shall have the right, at any time during the term of this agreement, to reopen the agreement with respect to Performance Based Compensation Projects, classification consolidation studies, or the County Pay Plan redesign. The parties agree that they cannot unilaterally implement changes which would conflict with the terms of this collective bargaining agreement.

EFFICIENT DELIVERY OF QUALITY SERVICES

Miami-Dade County and employees shall fully cooperate in the efficient and effective delivery of quality services.

Employees are encouraged to report suggestions of cost savings or methods of increasing efficiency and purchasing new equipment to the Department Labor-Management Committee.

In order to eliminate fear of employees cooperating in improved efficiency, it is understood and agreed that the County will endeavor to offer comparable employment to any qualified employee displaced as a result of this program. Employees in the Department who will be affected by new processes and equipment will be given the opportunity to be trained on such processes and equipment.

A special labor management committee will be established between the Union, the Department and Human Resources Department, or equivalent entity, for the purpose of identifying those bargaining unit classifications that have experienced a recruitment/retention problem, or where internal compensation inequities exist as a result of previously granted selective salary adjustments.

ARTICLE 10 UNION STEWARDS AND REPRESENTATIVES

1. The Union shall have the right to select employees from within the unit to act as Union Stewards. The names of the employees selected as stewards shall be certified by the Union, in writing, to the Water and Sewer Department Director and the Director of Labor Relations and Employee Records Division.

Either party shall have the right, in accordance with the provisions of Article 11 Labor Management Committee, during the term of this Agreement, to reopen this Agreement only with respect to classification consolidation studies, or the County Pay Plan redesign.

The County shall have the right to reopen Article 30 (Group Health Insurance) of this Agreement for health care redesign. The County may invoke this reopener clause by written notice to the Union no sooner than January 1, 2024.

The parties agree to reopen Article 28 - Wages for the purpose of negotiating cost of living adjustments for the fiscal years 2023-2024, 2024-2025 and 2025-2026, no sooner than August 1, 2023.

In the event that during the term of this Agreement (June 1, 2023 to May 31, 2026) another Miami-Dade County certified collective bargaining unit, directly under the purview of the County Mayor,

successfully negotiates an across the board Cost of Living Adjustment increase which is effective during the term of this Agreement and is greater than the Cost of Living Adjustment increase provided for under Article 28 Wages, the Union shall automatically receive the across the board increase (Cost of Living Adjustment) as the other Union.

Either party may require, by written notice to the other between April 1, 2026, and no later than April 30, 2026, negotiations concerning modifications, amendments, and renewal of this Agreement to be effective June 01, 2026. If neither party shall submit such written notice during the indicated period, this Agreement shall be automatically renewed for the period of June 1, 2026 through May 31, 2029.

Group Health Cost Containment Initiatives

This sets forth a list of cost savings initiatives identified during the course of cost containment meetings that, if aggressively and effectively implemented, should achieve the projected cost savings commitments of \$21 million for plan year 2020. Moreover, the Union and the County have agreed that the County and the Union shall jointly continue to seek additional ways to reduce the cost of providing benefits while maintaining the integrity of the benefits received by the Union members.

The Healthcare Cost Containment Workgroup ("Workgroup") shall continue and shall meet regularly to review progress. In addition, if following a January or July meeting the Employer Designees reasonably believe that the Healthcare Fund has not implemented modifications and initiatives sufficient to produce the foregoing approximate savings, or there is a disagreement over adoption of a modification or initiative, the dispute shall be resolved according to an internal appeal process, but shall not be subject to arbitration.

In consideration of flat insurance premiums for the plan year 2021 and the 2020 cost containment initiatives, the County agrees to continue the County's Medical Plan, which is currently administered by AvMed, with no plan design changes other than those indicated in this agreement and those required by State or Federal Law. All other health benefit plans offered by the County will remain the same pursuant to current collective bargaining agreement.

Effective January 1, 2021, or if after January 2021, upon ratification of the 2017-2020 collective bargaining agreement the Miami-Dade County Group Health Plan shall be amended as follows:

Participation and acceptance of the 2020 cost containment plan redesign initiatives that are expected to reduce the plans expenditures will allow premiums to remain flat for the duration of this Collective Bargaining Agreement ("CBA") 2023-2026 The contributions for insurance premiums are listed in Exhibit 3.

As it is the intention of the parties to maintain and improve the County's programs, these and other adjustments are needed to preserve the resources of the Healthcare Fund to provide its comprehensive health coverage in the face of rising health care costs. Thus, without limiting the potential cost savings approaches the Mayor and his/her designees should pursue, they are directed to implement appropriate savings which may include the following programs, policies and plan changes:

1. Pharmacy

- i. **Generic first across all plans:** The employee/member will be required to use generic medication first. The member/dependent(s) will be allowed to use brand-name drugs only after first trying similar generic medications and the generic medication has not been effective in treating the member's/dependent's condition. If brand-name medication is required, the member/dependent(s) will be responsible for the difference in cost of the generic medication versus the brand medication.
- ii. **Mail-Order/90-Day Limited Network Retail Pharmacy Solution for maintenance/preventive drugs:** The member/dependent(s) will be required to use mail order or pick up prescriptions at an in-network retail pharmacy for all maintenance/preventive drugs needed for a long-term health condition. First time prescription will only be filled at retail pharmacy three (3) times and subsequent refills would be filled using mail order pharmacy or an in-network 90-day retail pharmacy. The member/dependent(s) will pay only two (2) copays for a 90-day refill of mail order or a limited network 90-day retail pharmacy for prescriptions.
- iii. **AvMed Standard Formulary:** The current formularies in both HMO and POS plans will be removed and all member's/dependent's plans will use AvMed's Standard Formulary. The member/dependent(s) whose medication is not on the AvMed Standard Formulary, with physician's

recommendation, will be transitioned to a similar medication that is on the AvMed Standard Formulary. For those members/dependent(s) whose medication does not have a similar medication available, will be allowed to continue with current medication, “grandfathered”, until such time the course of treatment is completed and/or no longer needed.

2. Medical

Eliminate Private Healthcare Network (“PHCS”) from High HMO and POS Elite Network:

AvMed will continue to assume administration over the County’s Medical Plans, and lease the Elite (PHCS) wrap network for medical services to achieve Provider discounted rates for out-of-area services. All members/dependent(s) in the AvMed service area currently using PHCS providers would be redirected and transitioned to AvMed Network Providers, except those in POS who choose to use their out-of-network benefit, subject to applicable copays. The members/dependent(s) in the HMO plans do not have out-of-network benefits. Therefore, PHCS will no longer be available. The out-of-area plan retirees enrolled in the High Option HMO plan will not be affected by this change.

3. New Hires

Enrollment in First Choice Advantage HMO/Select Advantage HMO: The First Choice Advantage HMO and the Select Advantage HMO Medical Plans will be the only group health plan choices available for benefit eligible newly hired employees and their dependents hired after ratification for plan year effective January 1, 2021 or if later, upon ratification and thereafter. This will not affect existing employees and their dependents currently enrolled in a County group health benefit program.

4. Freestanding Imaging

Freestanding imaging only: The member/dependent(s) will be required to have all (non-emergency) Imaging/Radiology services done at an in-network freestanding facility of their choice. All occurrences of emergency room visits and hospital admits are excluded from this requirement.

5. Utilization Driven Co-pays

Change co-pays: The utilization driven changes to co-pays are indicated in Exhibit 3 and became effective January 1, 2021 or if later, upon ratification and thereafter.

The County and the Union are committed to working together to maintain and improve the ability of the Employers to provide quality health care through joint labor-management efforts; to insure appropriate funding and resources for health care through joint legislative work; and to ensure that there is affordable health care and access to health care for the employees of Miami-Dade County through continuing to fund initiatives, and other joint ventures; and

The County and the Union agree that Article 30 (Group Health Insurance) of the collective bargaining agreement between them shall be modified as set forth in the attachment hereto.
