ARTICLE 1 **AGREEMENT**

This Agreement is made and entered into on the first day of October, 2017, by and between Miami-Dade County (hereinafter referred to as the County) and the American Federation of State, County and Municipal Employees, A.F.L.-C.I.O., General Employees, Local 199 (hereinafter referred to as the Union). Said Agreement to be effective on the above date provided that it has been ratified by the Union and the Board of County Commissioners of Miami-Dade County, Florida, and the provisions will only be applicable to current and/or perspective employees within the bargaining unit on or after the effective date of ratification.

All new or amended provisions contained in this Agreement shall be effective upon ratification unless a different effective date is specifically provided for in the affected article.

ARTICLE 2 **PURPOSE AND INTENT**

It is the intention of the Agreement to provide for salaries, fringe benefits and other terms and conditions of employment except as otherwise provided by Constitution, Statute, Charter, Ordinance, Administrative Order, Implementing Order, Personnel Rules, County Leave Manual or County Pay Plan. It is further the intention of this Agreement to prevent interruption of work and interference with the efficient operation of the County and to provide an orderly, prompt, peaceful and equitable procedure for the resolution of grievances and the promotion of harmonious relations between the County and the Union.

Upon ratification, the provisions of this Agreement will supersede Personnel Rules, Administrative Orders, Implementing Order, and/or other rules and regulations in conflict herewith. However, if no conflict exists, employees shall be governed in all respects by those Personnel Rules, Administrative Orders, Implementing Orders and all other County rules and regulations. The County retains the right to establish through Administrative Order, Implementing Order or Personnel Rules practices or procedures which do not violate the provisions of this Agreement.

ARTICLE 3 **MANAGEMENT RIGHTS AND SCOPE OF THIS AGREEMENT**

1. The Union recognizes that management possesses the sole right, duty, and responsibility to operate and manage the County and direct the work force, and the rights, authority, and discretion which the County deems necessary to carry out its responsibilities and the missions shall be exercised consistently with these terms. Any term and condition of employment, other than wages and benefits, not specifically established or modified by this Agreement shall remain solely within the discretion of the County to modify, establish or eliminate. The rights contained in this Article shall be exercised consistently with Article 65 - Prevailing Benefits.
2. The County reserves the right and authority to establish, implement, revise or modify policies, procedures, and all other rules and regulations including but not limited to, Administrative Orders, Personnel Rules, Pay Plan, and Department or County Agency (Agency) Rules or Regulations, not in conflict with the express written provisions of this Agreement. This right and authority shall include but is not limited to the County's right to revise promotional criteria and the duration of promotional eligibility lists.
3. The County's rights and powers include, but are not limited to the authority to:
 - a. Determine the missions and objectives of the County;
 - b. Determine the methods, means and number of personnel needed to carry out Departmental or Agency responsibilities;

- c. Take such actions as may be necessary to carry out services during emergencies declared by the County Mayor;
 - d. Direct the work of the employees, determine the amount and type of work needed, and in accordance with such determination relieve employees from duty because of lack of funds or lack of work;
 - e. Discipline or discharge employees for just cause;
 - f. The right to make reasonable rules and regulations. The County will inform the Union of any changes in the existing rules and regulations and the establishment of new rules and regulations before such changes are made effective;
 - g. Schedule operations and shifts;
 - h. Introduce new or improved methods, operations and facilities;
 - i. Hire, examine, classify, promote, train, transfer and assign employees;
 - j. Schedule and assign overtime work as required;
 - k. Contract out for goods or services; provided that the County gives the Union at least 60 days written notice in contracting out for services currently being performed by bargaining unit employees. The County will provide to the Union copies of Requests for Proposals (RFP) that specifically pertain to the contracting out for services that are currently being performed by bargaining unit employees. The County agrees that, when a department submits a written recommendation to contract out for services currently being performed by bargaining unit employees, a copy of such recommendation shall be sent forthwith to the Union. This clause shall not be construed as a waiver of any other right either party may have under this Agreement or applicable law. Except in emergencies or other situations of immediate need, whenever the department is considering contracting out work that is currently being performed by the bargaining unit, it shall first discuss, when feasible prior to the issuance of the RFP, the intended contract with the Union in a regular or special Labor Management Committee meeting in which the department shall discuss its reasons for the intended contracting. The Union may, within twenty (20) days or less, propose an alternative plan by which the work may be done economically, efficiently and in accordance with required laws and regulations by appropriate members of the Bargaining Unit. The parties agree that any alternative proposal submitted by the Union shall be given full and fair consideration in any decision regarding such contract. The parties agree that consultation with the bargaining unit shall not delay the issuance of the Request for Proposal.
 - l. Determine the utilization of technology;
 - m. Such other rights, normally consistent with management's duty and responsibility for operation of County services; provided, however, that the exercise of such rights does not preclude the Union from conferring about the practical consequences that the decisions may have on terms and conditions of employment.
4. The County, in exercising its rights, will not preclude the Union from raising a grievance for an act which is alleged to violate this Agreement.

ARTICLE 4 **RECOGNITION OF UNION**

The County recognizes the Union as the sole and exclusive representative of the employees within the Bargaining Unit covered by this Agreement for the purpose of collective bargaining with respect to wages, hours of employment, and all other terms and conditions of employment.

ARTICLE 5 **BARGAINING UNIT**

1. The Bargaining Unit covered by this Agreement, as stated in PERC Certificate Number 1362 is as follows:

Included: All full-time and regular part-time non-professional, non-supervisory personnel employed solely by Miami-Dade County in job classifications specifically defined in Exhibit I. (Attached hereto and made a part hereof by reference).

Excluded: All professional, supervisory, managerial and confidential personnel employed by Miami-Dade County, all employees of the Public Health Trust, and all temporary, seasonal, substitute and emergency personnel employed by Miami-Dade County or the Public Health Trust (as defined in Miami-Dade County Personnel Rules, Chapter III, Section 8 - A, B, C and D) and all other employees.

Definition: Regular part-time means those individuals who work twenty (20) hours or more per week for at least six (6) months per year.

2. Probationary, exempt, and regular part-time employees shall continue to be governed in all respects by the Code of Miami-Dade County, Florida, Personnel Rules, Pay Plan, County Leave Manual and other regulations in effect prior to the execution of this Agreement and there shall be no applicability of this Agreement or change in any of the wages, benefits, hours, or terms and conditions of employment of such employees as a result of this Agreement unless such applicability or changes are specifically stated in this Agreement with reference to such employees.

3. It is agreed that if and when new position classifications are created by action of the Board of County Commissioners, the questions of inclusion or exclusion within the Bargaining Unit shall be settled in accordance with state law.

ARTICLE 6 **NON-DISCRIMINATION**

It is agreed that there shall be no discrimination against an employee covered under this Agreement by the Union or the County because of race, color, sex, creed, national origin, marital status, age, disability, political affiliation, religion, sexual orientation, membership in the Union, or for engaging in any lawful Union activities.

This Article is intended solely to comply with the criteria enumerated above and applicable Federal and State statutes.

ARTICLE 7 **CHECK OFF**

Upon receipt of written authorization from an employee, the County agrees to deduct the regular Union dues and uniform assessments of such employee from his biweekly pay and remit such deduction to the Treasurer of the Union within ten (10) days of the date of deduction. The Union will notify the County, in writing, at least 30 days prior to any change in the amount of regular dues deduction. The Union will notify the County, in writing, at least 90 days prior to the date any uniform assessment will be deducted. Uniform assessments shall be limited to one (1) request per calendar year. The County, with at least 90 days prior written notice, will provide a payroll deduction for the Union's political action committee.

An employee may upon 30 days written notice to the County and the Union revoke his dues deduction. Notice to the County alone shall not be sufficient. Should Chapter 447.303 Florida Statutes be amended, the amendment will supersede the applicable sections of this Article.

It is agreed and understood that the County, through its Mayor, Elected/Appointed Agency Official (i.e., Clerk of Courts, and Property Appraiser) and Department Directors, Division Directors, supervisory employees, and those employees not included in this Bargaining Unit, will take no action to either encourage or discourage membership in the Union. Assistance to any employee in the preparation of either Union membership or withdrawal forms shall constitute a violation of this provision.

Upon ratification of this Agreement, the County shall provide a second payroll deduction for the Union's political action committee (PEOPLE). The first deduction will be considered a low deduction and the second will be considered a high deduction.

Upon full implementation of the Enterprise Resource Planning (ERP) system, the County shall notify and meet with the Union to discuss the adding of additional payroll deduction slot(s).

The Union agrees to indemnify and hold the County harmless against any and all claims, suits, orders, or judgments brought or issued against the County as a result of any action taken or not taken by the County under the provisions of this Article.

ARTICLE 8 **GRIEVANCE PROCEDURE**

1. In a mutual effort to provide harmonious working relationships between the parties to this Agreement, it is agreed to and understood by both parties that the following shall be the sole procedure for the resolution of grievances arising between the parties as to the interpretation of and application of the provisions of this Agreement.
2. A "grievance" shall be defined as any dispute arising from the interpretation or application of this Agreement with respect to terms and conditions of employment, except as otherwise provided in this contract. A class grievance (general grievance) shall be defined as any dispute which concerns two or more employees within the bargaining unit. Class grievances should attempt to name all employees or classifications covered in a grievance. Class grievances, at the option of the Union, may be submitted at Step 2, 3, or 4. When a grievance is filed, the Union and/or grievant will state the alleged violation of the Agreement claimed, the date, if known, or the approximate date, upon which the violation occurred, the facts of such violation, the Article of the Agreement violated and the remedy sought by the Union and/or grievant.
3. Reprimands, position classifications, classification appeal, job descriptions, performance evaluation appeals, disability determinations, and similar matters for which other appellate procedures are provided in the Code or Administrative Orders of Miami-Dade County or other provisions of this Agreement and formal counseling are not subject to review as grievances. However, refusal to (1) process an application or appeal, (2) follow time limits, (3) permit an employee a right of representation or (4) denial of a right to receive a reply, are expressly grievable.
4. Grievances shall be processed in accordance with the following procedure:
 - Step 1. The aggrieved employee, with the Union Steward if the employee so desires, shall discuss the grievance with the immediate supervisor within ten (10) calendar days of the occurrence or knowledge giving rise to the grievance.
 - Step 2. If after discussion with the immediate supervisor the grievance has not been resolved, the grievance shall be offered in writing and shall be forwarded within ten (10) calendar days by the aggrieved employee and/or Union to the intermediate supervisor. The

intermediate supervisor's response shall be submitted in writing to the employee, with a copy to the Union, within ten (10) calendar days.

Step 3. If the grievance has not been satisfactorily resolved in Step 2, the aggrieved employee and/or the Union may appeal the grievance to the Director of the Division concerned within ten (10) calendar days after intermediate supervisor's response is due. The Division Director shall respond in writing to the employee with a copy to the Union within ten (10) calendar days.

Step 4. If the grievance has not been satisfactorily resolved in Step 3 hereof, the aggrieved employee and/or the Union may present the written appeal to the Elected/Appointed Agency Official or Department Director within fifteen (15) calendar days. The Elected/Appointed Agency Official or Department Director shall respond to the employee with a copy to the Union within fifteen (15) calendar days.

5. Failure by the employee or the Union to observe the time limits for submission of a grievance at any step will automatically result in the grievance being considered abandoned. Failure by the County to respond to a grievance within the prescribed time limits will automatically move the grievance to the next step.
6. Each party shall be allowed one (1) extension of time, not to exceed seven (7) calendar days. This extension can be used only once during the grievance. The other party must be notified of the requested extension.
7. The parties acknowledge that as a principle of interpretation, employees are obligated to work as directed while grievances are pending.
8. All responses required in steps 2, 3, and 4 above shall be directed to the aggrieved employee with a copy furnished to the Union. In class grievances, copies will be directed to the Union only. A rejection of a grievance on any step of the procedure must contain the reasons for the rejection.
9. Prior to petitioning for arbitration for an unresolved grievance, either party may request a special labor management committee meeting to include a representative(s) of the Labor Relations Division and/or the Director of Labor Relations to discuss the pending issues which have not been resolved through Step 4. Upon such request the time limit for seeking arbitration as Set forth in Article 8 shall be tolled until the conclusion of such meeting which shall occur within 30 calendar days of the request.

ARTICLE 9 **ARBITRATION**

1. If the decision of the Elected/Appointed Agency Official or Department Director has not satisfactorily resolved the grievance, the Union may request Arbitration, in writing, to the Director of Labor Relations and Compensation no later than (15) fifteen working days after the rendering of the decision, or the expiration of the time limit for rendering of the decision by the Elected/Appointed Agency Official or Department Director. Upon receipt of request for Arbitration and in no event later than fifteen (15) working days, the Director of Labor Relations and Compensation shall set in motion the necessary machinery to expedite an early hearing by the Arbitrator. Subsequent to the request for arbitration, either party may request a labor management committee meeting to discuss resolution of a pending grievance.
2. The Union shall have the right to any facts or public documents regarding matters upon which arbitration has been requested. The Union shall be able to conduct a full investigation of matters upon which arbitration has been requested. All requests of the Union pursuant to this provision shall be fulfilled within a reasonable period of time after the request is made. As a principle of

interpretation, "a reasonable period of time" within the meaning of this provision shall mean within a sufficient time prior to an arbitration hearing to permit the Union to properly prepare its case. When the Union states that they have not had sufficient time to prepare, a postponement shall be requested by the Union.

3. At the arbitration hearing, the aggrieved employee shall be accompanied by his Union Representative and such additional non-employee Union Representatives as shall be approved by the Arbitrator.
4. At the request of either party there shall be a certified court reporter at the hearing.
5. The parties shall bear equally the expenses and fees of the court reporter, the arbitrator and all other expenses connected with a hearing. Each party shall bear the expense of its own witnesses, representatives, attorneys and all other individual expenses. Employees required to testify will be made available without loss of pay; however, whenever possible, they shall be placed on call to minimize time lost from work. Employees who have completed their testimony shall return to work unless they are directly required to assist the principal Union Representative in the conduction of the case. The intent of the parties is to minimize time lost from work.
6. The Arbitrator shall render his decision no later than 30 days after the conclusion of the final hearing. Such decision shall be final and binding when in accordance with the jurisdictional authority under this Agreement. Copies of the award shall be furnished to both parties.

SELECTION: The arbitrator shall be selected and shall conduct the Arbitration proceedings in accordance with this Agreement and the labor rules established by the American Arbitration Association.

POWERS: The Arbitration Award shall be in writing and shall set forth the Arbitrator's opinion and conclusion on the issue submitted. The Arbitrator shall limit his decision to the application and interpretation of this Agreement and the Arbitrator shall have no right to amend, modify, nullify, ignore or add, change, or subtract from the provisions of this Agreement.

7. Matters excluded from the GRIEVANCE PROCEDURE under Article 8, Section 3, and determinations covered under Article 10, CLASSIFICATION APPEAL, and Article 11, JOB DESCRIPTION AND APPEAL, and Article 15, PERFORMANCE EVALUATION AND APPEALS, shall be excluded from arbitration.

ARTICLE 10 CLASSIFICATION APPEAL

1. If an employee has reason to believe he or she is misclassified, based upon a significant change in his or her job duties and responsibilities, the employee may apply for a review of the employee's classification, in writing, to the employee's immediate supervisor. Such reclassification request shall be limited to one (1) request for each bargaining unit classification held by the employee during the term of this Agreement. Such request, including a job description prepared by the employee and commented upon by the Department or Agency, shall be forwarded to the Labor Relations and Compensation Division by the employee's Department or Agency within 30 calendar days of receipt of request. Within 60 calendar days of receipt of the request for reclassification, the Labor Relations and Compensation Division shall render a decision in writing.
2. If the decision of the Labor Relations and Compensation Division is deemed a "no change," the employee may, within fourteen (14) calendar days request in writing, a hearing by the Human Resources Director. At the hearing, the employee may be accompanied by a representative of his or her choosing and may produce any documents and evidence to support the claim for

reclassification. The Human Resources Director, will explain the basis for the decision in writing in the event the request is denied. The Human Resources Director shall hold such hearing within ninety (90) calendar days of the request.

3. Whenever the Human Resources Director, determines that an employee is misclassified, the employee shall be placed in a current, appropriate classification, unless the Human Resources Director, determines that there is no existing appropriate classification. In such cases the Human Resources Director, shall establish the classification, job description and pay range, which shall be maintained during the term of this Agreement. In the event the request for reclassification is granted on appeal, the employee shall receive compensation beginning with the pay period that the original request was initiated.
4. The Human Resources Director's, decision shall be final and binding and not subject to further appeal.
5. The County will notify and confer with the Union of the following classification actions that affect the Bargaining Unit's classifications prior to finalizing the classification action:
 - a) Reclassification of a filled position (s) to a new classification outside of the Bargaining Unit.
 - b) Reclassification of a Bargaining Unit classification to a new classification outside of the Bargaining Unit.
6. In the event that the reclassification of a position is only a title change, the time served in the previously titled position shall be credited to the new classification.

ARTICLE 11 **JOB DESCRIPTION AND APPEAL**

1. No employees covered by this Agreement shall be required to do work outside their job classifications, except Elections or under emergency conditions as declared by the County Mayor or his authorized representatives.
2. Whenever there is a proposed change in the job description or title of a class within this Bargaining Unit, the County shall discuss with the Union the proposed change in job descriptions. The Union shall receive a copy of the current job description and the proposed job description. Proposed changes shall be publicized among employees.
3. If the Union is not satisfied with the proposed change, it may, in writing, within five (5) days of the conclusion of the discussion, stated in paragraph 1 above, request a hearing before the Director of Labor Relations and Compensation Division. This hearing shall be held at a mutually agreeable time, within 30 days.
4. It is understood by the parties, that the duties enumerated in job descriptions are not always specifically described and are to be construed liberally. Within present job descriptions, the County may assign tasks and duties which involve minor and occasional variation from the job descriptions to employees as long as the tasks and duties assigned fall within skills and other factors common to the classification.
5. It is understood by the Parties, the duties to be added in the proposed change in the job description shall bear a reasonable relationship to the duties and responsibilities currently contained therein. Changes proposed by the County, other than the addition of new duties, shall be reasonable under the circumstances.
6. Compliance with the requirements of this provision shall be the issue in the hearing. Testimony shall be taken from employees affected, who desire to give such testimony, provided that Union

and County will agree on a representative number of employee witnesses to insure a full hearing on the merit of the issues. Appropriate County Management shall appear in support of the proposed changes. The decision of the Human Resource Director shall be final.

ARTICLE 12 **LABOR MANAGEMENT COMMITTEE**

Committee Formation

There shall be a Labor Management Committee formed within each Department or Agency affected by this Agreement. Said Committee shall consist of members designated by the Union and of members designated by the Elected/Appointed Agency Official or Department Director of each affected Department or Agency. The Union membership of such Committee shall consist of persons from within the position classifications covered by this Agreement and the Management shall consist of persons within the affected Department or Agency, but outside of the Bargaining Unit, as herein defined. Time off with pay, as required, shall be granted to employees designated as Committee members for attendance at Labor Management Committee Meetings.

Each Department or Agency Labor Management Committee shall meet on a monthly basis or at other times by mutual consent. The purpose of these meetings will be to discuss with the employees, problems and objectives of mutual concern not involving grievances or matters which have been the subject of collective bargaining between the parties.

The composition of each Department or Agency Labor Management Committee shall consist of not more than ten (10) members designated by the Union and not more than ten (10) members designated by the Elected/Appointed Agency Official or Department Director.

Efficient Delivery of Quality Services

Miami-Dade County and employees shall fully cooperate in the efficient and effective delivery of quality services.

Employees are encouraged to report suggestions of cost savings or methods of increasing efficiency and purchasing new equipment to the Department or Agency Labor Management Committee.

In order to eliminate fear of employees cooperating in improved efficiency, it is understood and agreed the County will endeavor to offer comparable employment to any qualified employee displaced as a result of this program.

Labor Management Cooperation and Quality Service

The County and the Union pledge to work together cooperatively in a mutual determination to build and maintain a career public service that is dedicated to the principle of quality performance on behalf of all the people of Miami-Dade County.

To achieve this goal, the parties agree to establish County Labor-Management Committees composed equally of labor and management members named by Union and Management respectively. These Committees and subcommittees similarly constituted in the various departments or agencies will operate by consensus and will concern themselves with issues cited below and such other issues as by mutual agreement they choose to consider.

Resolution of specific matters clearly covered by the Agreement will be in accordance with the procedures elsewhere described in the Agreement. Matters relating to the quality and effectiveness of the career public service will be considered to be within the jurisdiction of the Labor Management Committee structure. The Committee may discuss any topics of mutual concern but shall not be used as a collective bargaining forum to amend or abridge the specific terms of the Agreement.

Career employment opportunities for regular part-time employees, training, and cross-training programs, discussion of proposed job classifications, joint discussions of job certifications, and employees required to be on-call are examples of potential subjects for this committee's review.

The Committee may also be involved in matters that affect the efficiency and availability of services provided to the community. Experienced employees, labor and management, may serve on special committees that are responsible for the purchase of sensitive new technology, equipment and supplies; that are considering the reorganizing of space and methods of providing service; that may review the hours of operations, and other vital factors that may contribute to the efficiency and cost-effectiveness of the service.

Recommendations emanating from the committee must be approved by Director of Labor Relations and Compensation and the County Mayor before being implemented. The County Mayor's decision shall be final on all recommendations. The County Mayor's decision shall not be grievable or arbitrable, or be reviewable through impasse procedures provided for in Chapter 447, F.S.

The County Labor Management Committees will meet at mutually agreeable times.

Performance Based Compensation Projects

The Union and the County agree to work cooperatively to develop and implement performance based compensation projects involving bargaining unit classifications. These performance based compensation projects shall be joint ventures, representing a collaborative effort between the County and the Union, to effect meaningful performance based productivity gains that are designed to enhance the effectiveness and efficiency of the Departments.

Either party shall have the right, at any time during the term of this Agreement, to reopen this Agreement only with respect to Performance Based Compensation Projects. The parties agree that they cannot unilaterally implement changes which would conflict with the terms of this Collective Bargaining Agreement.

ARTICLE 13 **UNION STEWARDS AND NON-EMPLOYEE UNION BUSINESS REPRESENTATIVES**

The Union has the right to select employees from within the Bargaining Unit, as herein defined to act as Union Stewards. The names of employees selected shall be certified, in writing, to the Director of Labor Relations of Miami-Dade County by the Union.

It is agreed to and understood by the parties to this Agreement that Union Stewards may, without loss of pay, with prior approval of their supervisor, process grievances. The Supervisor's approval shall not be unreasonably withheld. It is agreed to and understood by the parties to this Agreement that there shall not be more than 300 stewards within the Bargaining Unit, as herein defined. It is agreed to and understood by the Union that Union Stewards shall process grievances and conduct their other duties in such a manner as to not disrupt normal County activities, work production and services. Distribution of Union Literature shall not be done in work areas during work times.

Every effort will be made, by both the County and the Union, to allow Union Stewards to investigate grievances as rapidly as possible, preferably on the same date as the grievance becomes known and at least within 24 hours. The investigation of a pending grievance or personal conduct of employees during work times by Employee Representatives, Union Stewards or Non-employee Union Business Representatives shall not be done without first receiving prior approval from an employee's supervisor. Approval shall not be unreasonably withheld.

In no event shall the Department or Agency layoff, discharge or discriminate against a Steward for action taken in the proper performance of his duty as a Steward.

The total amount of time granted to the Union Representatives cumulatively to process grievances and to attend union functions shall not exceed the 6,500 hours in total for each contract year of this Agreement in accordance with Article 32. Time taken off under this provision shall be charged to the Union Activity Leave.

Union Representatives, i.e., Non-employee Union Business Representatives, shall be certified, in writing, to the Director of Labor Relations for Miami-Dade County by the Union. The Union agrees that activities by the Union Representatives shall be carried out in such manner as not to disrupt normal Departmental or Agency activities, work production and services.

ARTICLE 14 DISCIPLINARY ACTION

1. An employee may be disciplined only for just cause.
2. Whenever it is alleged that an employee has violated any rule, regulation, or policy, that employee and the Union shall be notified as soon as possible regarding the specific rule, regulation, or policy allegedly violated. The County agrees that notification of a proposed disciplinary action shall occur within a reasonable period of time following the conclusion of the investigation leading to the disciplinary action. The employee shall have the right to representation in discussions concerning actual or pending Disciplinary Action and shall receive a minimum of two (2) working days notification prior to the scheduled session for Disciplinary Action presentation. Notice of Disciplinary Action shall be presented to the employee as soon as practicable after completion of any investigation. The employee must be allowed the opportunity, if desired, to respond orally or in writing no more than 10 days after receipt. The employee's response must become a part of the Disciplinary Action Report and taken into consideration prior to a final determination being made.
3. The County agrees to promptly furnish the Union a copy of any disciplinary action notification against an employee in this Bargaining Unit at the same time the employee receives notification. The notice of disciplinary action shall contain allegations of specific personnel rules violated by the employee.
4. Any Performance Evaluation, Record of Counseling, Reprimand, or document to which an employee is entitled shall not be part of the employee's official record until the employee has been offered or given a copy. The copy offered or given to the employee shall be in paper form.
5. Discipline and/or counseling will normally be carried out in a manner which does not embarrass the employee. Neither formal nor informal counseling is considered to be disciplinary action. An employee being presented a formal counseling may request a representative. Both should be viewed as efforts to improve performance. An employee who receives a formal record of counseling or a disciplinary action report will be permitted to attach a written rebuttal to the counseling form or respond to the disciplinary charges, by submitting it within ten (10) days from the receipt of the counseling or disciplinary action report. The formal record of counseling or disciplinary action report and rebuttal, if any, will be reviewed by the supervisor of the employee who prepared the counseling, prior to it being placed in the affected employee's personnel file. An employee may through their respective department request a Record of Counseling form be marked "Document No Longer in Effect" after two (2) years of good performance during which the employee has not been the subject of disciplinary action or further formal counseling. A Record of Counseling marked "no longer in effect" shall not be used by the County in any manner, including but not limited to progressive discipline promotion, transfer, or as evidence in a subsequent disciplinary hearing with the exception that a Record of Counseling that is marked "no longer in effect" may be used to demonstrate that an employee had notice of

the rule that is set forth in that Record of Counseling if such a rule is the subject of a future disciplinary action. The two (2) years considered herein shall run from the date of issuance of the Record of Counseling. A non-adversarial question and answer discussion may occur, at the discretion of either party, during the ROC presentation.

Written Reprimands shall be marked "no longer in effect" in the employee's departmental personnel file and not considered for progressive disciplinary action after two (2) years of good performance from the date of the final action of the Written Reprimand, during which an employee has not been the subject of progressive disciplinary action, further formal counseling or does not result from a final disciplinary action that was reduced from a suspension, demotion or termination via an appeal hearing.

6. An employee who is absent without authorized leave for three (3) consecutive work days and is considered to have abandoned the position shall have a right to petition the Human Resources Director for a review of the facts in the case. The Human Resources Director shall rule as to whether the circumstances constitute abandonment of position. Only facts concerning the alleged abandonment shall be considered by the Human Resources Director. The Human Resources Director's findings and rulings shall be in writing. The Human Resources Director's decision shall be final and binding.
7. The County shall cooperate in a reasonable manner to facilitate the Union's investigation by providing access to public records and documents related to disciplinary action in a timely fashion. Documents directly related to the Disciplinary Action Report (DAR) will be provided once at no cost to either the employee or the Union after the final action.
8. All disciplinary actions will be appealable by the employee, as provided in Section 2-47 of the Miami-Dade County Code, to a Hearing Examiner. The County agrees to attempt to add to the Hearing Examiner's list, qualified attorneys with experience in labor relations matters. The Union may request in writing to the Human Resources Department Director that a specific Hearing Examiner be removed for cause from the roster of available Examiners.
9. The Union will have the option on behalf of a permanent status bargaining unit employee, to appeal the disciplinary action of dismissal, demotion, reduction in grade and suspensions through the grievance procedure contained in Article 8 of this Agreement. The Union shall notify the Director of Human Resources for Miami-Dade County in writing no later than fourteen (14) calendar days from the employee's receipt of the disciplinary action of its decision on whether to exercise the option of appealing through the grievance procedure or request an appeal in accordance with Section 2-47 of the Code of Miami-Dade County. The Union's choice between the grievance procedure or the Code provision under Section 2-47, once made, shall not be subject to change.

In the case where the Union does not timely notify the County or chooses not to select the grievance procedure, then the disciplinary appeal provisions under 2-47 of the Code of Miami-Dade County shall prevail and be utilized if a timely appeal is requested. In the event the Union selects the option to appeal a disciplinary action under the grievance procedure then the provisions of 2-47 of the Code will not be applicable.

A suspension appealed through the grievance procedure may be filed by the Union directly at Step 3 or 4 of the Grievance Procedure contained in this Agreement.

The concerned Department or Agency in its sole discretion, may offer to an employee the option of forfeiting accrued annual or holiday leave in lieu of serving a disciplinary suspension. Employees selecting this option, that is authorized and approved by the Department or Agency, shall select this option in lieu of appeal. The documentation of the suspension will be a part of the employee's work record and remain in their personnel file.

10. The County agrees to work with the Union to develop and implement uniform disciplinary action guidelines and mediation procedures to be utilized prior to going to the Miami-Dade County Code, Section 2-47, disciplinary appeal process or arbitration. The developed guidelines shall be a joint venture, representing a collaborative effort between the County and the Union to enhance the effectiveness and efficiency of all County departments or agencies.

ARTICLE 15 **PERFORMANCE EVALUATION AND APPEALS**

The County shall retain the right to establish and administer a Performance Evaluation system to conduct annual performance evaluations of employees to appraise their productivity, effectiveness and compliance with rules and regulations. The purposes of evaluations are to improve performance generally, to identify and recognize superior performance, to facilitate communication between supervisors and employees, and to provide timely and accurate information which may be used in making of personnel decisions related to employee performance.

A permanent status employee who has received an overall evaluation of unsatisfactory or needs improvement may appeal by first requesting a review of the Performance Evaluation by his or her Elected/Appointed Agency Official or Department Director or designee(s), within ten (10) calendar days of receipt of the evaluation. The Elected/Appointed Agency Official or Department Director or designee(s) may recommend changes, alterations, or return the evaluation unchanged to the employee. If the decision of the Director or designee(s) is not acceptable to the employee, the employee may continue the appeal by making a request in writing to the Human Resources Director or equivalent position as determined by the County, within ten (10) calendar days after receipt of the Department Director's or designee(s) decision. The affected department has the right to have a representative present throughout the entire appeal hearing.

The Human Resources Director or equivalent position as determined by the County, will appoint a three person supervisory level panel, none of whom shall be from the appealing party's department, to act as an informal fact finding committee. Only the employee, the rater, and the reviewer will be heard, separately, by the panel. A representative of the employee's choosing may accompany the employee. The hearing shall be informal, a transcript is not to be kept and there will be no cross examination. The employee representative may ask questions of County witnesses through the panel chairperson. Questions shall also be addressed to employee witnesses by panel members through the chairperson. The purpose of the panel's review is to (1) determine compliance with evaluation procedures, and (2) recommend whether the evaluation should be upheld and the reasons for this recommendation.

Within 30 calendar days following the hearing, the panel will submit a written report of their findings and decision to the Human Resources Director or equivalent position as determined by the County. A majority of the panel may sustain or revise the evaluation, either because of failure to follow procedure or on the merits of the evaluation itself. The Human Resources Director or equivalent position as determined by the County will forward the panel's findings and decision to the appropriate department director for implementation.

There shall be no performance evaluation placed in an employee's personnel folder unless he has been first given or offered a copy. An employee's rebuttal to a performance evaluation will be made part of the evaluation record.

When an employee receives an overall Performance Evaluation of satisfactory or better the employee shall receive the merit increase for which they are eligible.

ARTICLE 16 **PROBATIONARY PERIOD**

An employee who has attained permanent status in a prior classification and is promoted or transferred shall serve a new twelve (12) month (26 pay periods) probationary period.

Termination of the probationary period by a Department or Agency is final and may not be appealed or grieved. However, it is agreed to and understood between the parties that an employee who previously attained permanent status in another Miami-Dade County job classification will have demotion and retention rights in accordance with the provisions of Miami-Dade County's Personnel Rules and Layoff Procedures Manual.

On or before the probationary period end date, an annual performance evaluation must be completed and presented to an employee. Failure to do so will result in the employee attaining permanent status.

A bargaining unit employee whose position is re-titled, with no increase in pay or significant change in duties, will not be required to serve a new probationary period.

Voluntary Demotion

Below is the process for requests to return to a previous classification which will only be applicable to departments directly under the Mayor's purview:

Requests to return to a previous classification applies only to classifications within the bargaining unit where the probationary employee has earned classified service rights in their previous classification.

The request to return to a previous classification shall be made in writing, either electronically or by a hard copy to the Departmental Personnel Representative (DPR) no later than 60 days prior to the attainment of their permanent status date. The department must submit a Personnel Change Document (PCD) to Payroll and Information Management (PIM) within seven (7) days of the employee's request.

Upon the employee returning to the previous classification, they are not guaranteed their same department, shift, work location, schedule, vehicle, etc. These matters will be determined solely by Management based on operational necessity. Employees returning to previous job classifications shall receive seniority credit for their continuous service prior to the promotion, but not for the period in the higher classification.

A request to return to a previous classification may not be initiated in lieu of or prior to a failure of probation by Management.

If discipline is pending prior to the request of a voluntary demotion being granted, discipline will still be effectuated.

A request to return to a previous classification will result in a salary reduction to the salary the employee was earning prior to the promotion, and the employee will receive a new pay anniversary date.

An employee who voluntarily returns to a previous classification will not be eligible for promotion to the same classification within the department from which they were demoted for a period of one (1) year from the date of the demotion.

All of the terms stipulated above will be outlined on future promotional offer letters and employees shall sign acknowledgement of the terms and conditions of the promotion.

Within a specific Department or Agency, and within a specific classification, and upon successful completion of the pre-employment interview and requirements during the competitive recruitment process, full-time employment preference shall be granted to regular part-time employees who qualify for career employment, provided the part-time employee:

The decision of the Director of the Human Resources Department to extend the acting appointment is final and binding and not subject to the grievance procedure.

ARTICLE 22 **TRANSFERS BETWEEN DEPARTMENTS OR AGENCIES**

Employees with permanent status may request a transfer to another County Department or Agency. Such request shall be made in writing to the Human Resources Director with a copy to the employee's Department or Agency.

Pay rate of the employee will not be a determining factor in acceptance or rejection of the transfer by the Department or Agency.

A transfer must be approved by both the Elected/Appointed Agency Official or Department Director affected and the employee concerned. Transferred employees will serve a normal probationary period in the new position and, if their performance is not satisfactory and they hold permanent status in a position in another County Department or Agency, they will be returned to their original Department or Agency.

Employees selected for transfer by the receiving Department or Agency shall be transferred within one (1) pay period of their acceptance whenever possible.

ARTICLE 23 **TRANSFERS WITHIN A DEPARTMENT OR AGENCY**

The parties agree that County Departments have the authority to transfer and assign employees to work schedules and work locations. Transfers shall not be utilized in lieu of disciplinary actions; however, transfers may be used in conjunction with a disciplinary action. It shall be the right of the Department or Agency to transfer employees for reasons that will improve the effectiveness or efficiency of the Department or Agency, in accordance with the provisions of this Agreement. The department will make all reasonable attempts to place employees in a location close to their home.

Where portions of departments are transferred from one geographical location to another, senior employees shall be given preference, whenever feasible, in the selection of work location. Nothing provided herein shall prevent temporary assignments to facilitate transfers to or opening of new work locations.

Except in cases of emergency or unforeseen circumstances, the Department or Agency will give fourteen (14) calendar days' notice to employees being transferred, reassigned, or having their shifts changed.

It is understood that employees bumping into a Department or Agency as a result of a lay-off related action will receive appropriate orientation and training as determined necessary by the concerned Department or Agency. The County and Union recognize that employee substance and alcohol abuse can have an adverse impact on Miami-Dade County government, a Department's or Agency's operations, the image of County employees and the general health, welfare and safety of the employees, and the general public.

The Departments or Agencies shall have the right to require Toxicology and Alcohol Testing as part of any provided physical examination.

The Department(s) or Agency(ies) shall also have the right and authority to require employees to submit to toxicology and alcohol testing designed to detect the presence of any controlled substance, narcotic drug, or alcohol. The department(s) or agencies agree that requiring employees to submit to testing of this nature shall be limited to circumstances that indicate reasonable suspicion to believe that the employee is under the influence of such substances, suffers from substance or alcohol abuse, or is in violation of the Miami-Dade County Personnel Rules, or Departmental or Agency Rules and Regulations regarding the use of such substances.

It is further understood by the parties that the aforementioned authority to require that employees submit to such testing be approved by the concerned Division Director, or higher authority within the Department or Agency to ensure proper compliance with the terms of this Article.

Employees reasonably believed to suffer from substance and/or alcohol abuse may be referred at the department's or agency's discretion, to the Employee Support Services. However, voluntary participation in a substance or alcohol abuse program shall not preclude the Department or Agency from taking disciplinary action against the employee for violation of the Miami-Dade County Personnel Rules or Departmental or Agency Rules and Regulations.

ARTICLE 64

COMPLETE AGREEMENT AND WAIVER OF BARGAINING

It is agreed and understood that this Agreement constitutes the complete understanding between the parties, terminating all prior agreements and concluding all collective bargaining during its term, except as otherwise specifically provided in the Article entitled Term of Agreement and Reopening. The Parties specifically waive the right to bargain during the term of this Agreement with respect to any subject or matter referred to or covered in this Agreement, or to any subject or matter not specifically referred to or covered even though it may not have been in the knowledge or contemplation of the parties at the time this Agreement was negotiated.

This Agreement, including its supplements and exhibits attached hereto, concludes all collective bargaining between the parties during the term hereof, and constitutes the sole, entire and existing Agreement between the parties hereto.

ARTICLE 65

PREVAILING BENEFITS

Unless specifically provided for or abridged herein, all wage and economic fringe benefits, break times and other benefits of a similar nature currently in effect shall remain in effect under conditions upon which they have previously been granted.

Nothing in this article shall prevent the County from making changes in work rules or methods, provided that such changes do not reduce the benefits referred to above.

The County will provide the Union with a copy of written work rules affecting employees covered by this Agreement that are instituted or modified during the term of this Agreement.

Nothing in this Article shall be construed to modify or eliminate the concept of past practice.

ARTICLE 66 **APPLICABILITY OF AGREEMENT**

The general provisions herein contained are mutually agreed to by the County and the Union. The specific provisions of this Agreement are mutually agreed to by the County and the Union and shall be binding on the County, the Union, or each, as the context may require. Provisions binding upon the County shall be interpreted as binding upon all administrative and other County officials to abide by and perform as specified.

Nothing contained herein shall be interpreted to prevent or restrict the County from entering into agreement with other organizations of County employees for benefits the same, in addition to, greater than, or different from those contained herein.

ARTICLE 67 **SEVERABILITY CLAUSE**

Should any part of this Agreement or any portion therein contained be rendered or declared illegal, legally invalid or unenforceable by a Court of competent jurisdiction, or by the decision of any authorized governmental agency, such invalidation of such part or portion of this

Agreement shall not invalidate the remaining portions thereof, in the event of such occurrence, the parties agree to meet immediately, and, if possible, to negotiate substitute provisions for such parts or portions rendered or declared illegal or invalid. The remaining parts and provisions of this Agreement shall remain in full force and effect.

ARTICLE 68 **STRIKES AND LOCKOUTS**

There will be no strikes, work stoppages, sick-outs, picketing while working, slowdowns or other concerted failure or refusal to perform assigned work by the employees or the Union, and there will be no lockouts by the County for the duration of this Agreement. The Union guarantees to support the County fully in maintaining operations in every way.

Any employee who participates in or promotes a strike, work stoppage, picket line while working, slowdown, sick-out or concerted failure or refusal to perform assigned work may be discharged or otherwise disciplined by the County.

It is recognized by the parties that the County is responsible for and engaged in activities which are the basis of the health and welfare of our citizens and that any violation of this Article would give rise to irreparable damage to the County and to the public at large. Accordingly, it is understood and agreed that in the event of any violation of this Article, the County shall be entitled to seek and obtain immediate injunctive relief and all other relief as provided by law. Provided, however, in any action brought by the County, it is agreed that the Union shall not be responsible for any act alleged to constitute a breach of this Article if the Union did not instigate or support such action. In the event of a strike, work stoppage or interference with the operation and accomplishment of the mission of the County, the Union shall promptly and publicly order the employees to return to work and attempt to bring about a prompt resumption of normal operations.

ARTICLE 69 **TIME LIMITS**

For purposes of interpretation, all time limits contained in this Agreement shall be considered met so long as the postmarked date on a certified letter is in compliance with the specified time limit, when the postal service is utilized.

ARTICLE 70 **GENDER REFERENCE**

ARTICLE 71 **SENIORITY**

To the extent feasible in fulfilling its mission and responsibilities and where job performance and job skill factors are equal among affected employees, the departments will give full and fair consideration to employees seniority by classification when determining vacation scheduling, shift assignments, overtime work assignments on a holiday, vehicle assignment, and training programs.

If requested by the Union, decisions and determinations made under this Article will be a proper subject for a consultation meeting between representatives of the Union, the affected department, and Miami-Dade County Labor Relations.

1. Seniority, for other than layoff and retention score computation, shall consist of full time, continuous paid County service by classification. Seniority shall be computed from the date of appointment. Employees possessing equal time within a job classification shall have seniority ties broken by utilizing the following criteria in order:
 - a. Total aggregate time within the Department or Agency.
 - b. Total aggregate time within the division.
 - c. Drawing lots.

Seniority shall accumulate for promotions within the same Department or Agency and during paid absences because of illness, injury, vacation, military leave (paid or unpaid) or other authorized leave. Employees will not lose any previously accrued seniority in the event of a demotion within the same series in the Department or Agency, for example, if a Clerk 3 gets demoted to Clerk 2, his or her seniority will be a total of the time within the classifications of Clerk 2 and Clerk 3 combined.

2. Vacations for each calendar year shall be drawn by employees on the basis of seniority preference. Within operational needs of the Department or Agency scheduled vacations will be honored despite the transfer of the employee.
3. Permanent employees may request assignment to vacant shift positions. Whenever possible within the needs of the Department or Agency, as determined by the Division Director, seniority will be considered in shift selection among employees. This Section will not alter the present rotation system.
4. Probationary employees in entry level positions are not entitled to provisions of this Article.

ARTICLE 72 **SPECIAL WAGE PROVISIONS**

Full-time bargaining unit employees will be eligible to receive a \$70.00 biweekly pay supplement. Full-time Fire Safety Specialist 1 classifications will be eligible to participate in FIREWATCH.

ARTICLE 74 **COMMUNITY MENTORING INITIATIVE**

Community Mentoring Initiative shall be authorized in accordance with Administrative Order 7-40 and upon approval by the Department Director, employees will be granted one (1) hour of administrative leave per week, up to a maximum of five (5) hours per month, to volunteer at one or more of the following activities assuming that such volunteer work is performed during normal scheduled work hours:

- Community volunteer activities such as mentoring, tutoring, guest speaking or providing any related services at the direction of the program or volunteer coordinator;
- Community service programs that meet child, elder or other human needs, including but not limited to, Guardian Ad Litem, Big Brother/Big Sister, Senior Corps and Adult Literacy.

ARTICLE 75 **TERM OF AGREEMENT AND REOPENING**

The Collective Bargaining Agreement between Miami-Dade County and the American Federation of State, County and Municipal Employees, A.F.L.-C.I.O., Local 199 - General Employees, shall be effective upon ratification by the Union and approval by the Board of County Commissioners of Miami-Dade County, Florida, unless otherwise provided in any specific Article, and continue to September 30, 2020. The economic benefits of this Agreement shall be applicable only to bargaining unit employees employed on or after the date of ratification.

Either party shall have the right during the term of this Agreement to reopen this Agreement only with respect to, classification consolidation studies, or the County Pay Plan redesign, or the Enterprise Resource Planning (ERP) System.

The County and the Union may mutually agree to reopen Article 56 (Group Health Insurance) of this Agreement to negotiate only cost containment measures for the redesign of the County's health plan for the plan year 2021 no sooner than April 1, 2020.

In the event that during the term of this Agreement (October 1, 2017 to September 30, 2020) another Miami Dade County certified collective bargaining unit directly under the purview of the County Mayor successfully negotiates an across the board Cost of Living Adjustment increase which is effective during the term of this Agreement and is greater than the Cost of Living Adjustment increase provided for under Article 43 Wages, the Union shall automatically receive the across the board increase as the other Union.

Either party may require by written notice to the other between April 1, 2020, and not later than April 30, 2020, negotiations concerning modifications, amendments, and renewal of this Agreement to be effective October 1, 2020. If neither party shall submit such written notice during the indicated period, this Agreement shall be automatically renewed for the period of October 1, 2020 through September 30, 2023.

Addendum 1

Group Health Cost Containment Initiatives

This sets forth a list of cost savings initiatives identified during the course of cost containment meetings that, if aggressively and effectively implemented, should achieve the projected cost savings commitments of \$21 million for plan year 2020. Moreover, the Union and the County have agreed that the County and the Union shall jointly continue to seek additional ways to reduce the cost of providing benefits while maintaining the integrity of the benefits received by the Union members.

The Healthcare Cost Containment Workgroup ("Workgroup") shall continue and shall meet regularly to review progress. In addition, if following a January or July meeting the Employer Designees reasonably believe that the Healthcare Fund has not implemented modifications and initiatives sufficient to produce the foregoing approximate savings, or there is a disagreement over adoption of a modification or initiative, the dispute shall be resolved according to an internal appeal process, but shall not be subject to arbitration.

In consideration of flat insurance premiums for the plan year 2020-2021 and the 2020 cost containment initiatives, the County agrees to continue the County's Medical Plan, which is currently administered by AvMed, with no plan design changes other than those indicated in this agreement and those required by State or Federal Law. All other health benefit plans offered by the County will remain the same pursuant to current collective bargaining agreement.

Effective January 1, 2020, or if after January 2020, upon ratification of the 2017- 2020 collective bargaining agreement the Miami-Dade County Group Health Plan shall be amended as follows:

Participation and acceptance of the 2020 cost containment plan redesign initiatives that are expected to reduce the plans expenditures will allow premiums to remain flat for the duration of this Collective Bargaining Agreement ("CBA") 2017-2020. The contributions for insurance premiums are listed in Addendum 2.

As it is the intention of the parties to maintain and improve the County's programs, these and other adjustments are needed to preserve the resources of the Healthcare Fund to provide its comprehensive health coverage in the face of rising health care costs. Thus, without limiting the potential cost savings approaches the Mayor and his designees should pursue, they are directed to implement appropriate savings which may include the following programs, policies and plan changes:

1. Pharmacy

- i. **Generic first across all plans:** The member/dependent(s) will be required to use generic medication first. The member/dependent(s) will be offered to use brand-name drugs only after first trying similar generic medications and the generic medication has not been effective in treating member's/dependent(s) condition. If brand-name medication is required, the member/dependent(s) will be responsible for the difference in cost of the generic medication versus the brand medication.
- ii. **Mail-Order/90-Day Limited Network Retail Pharmacy Solution for maintenance/preventive drugs:** The member/dependent(s) will be required to use mail order or pick up prescriptions at an in-network retail pharmacy for all maintenance/preventive drugs needed for a long-term health condition. First time prescription will only be filled at retail pharmacy three (3) times and subsequent refills would be filled using mail order pharmacy or an in-network 90 day retail pharmacy. The member/dependent(s) will pay only two (2) copays for a 90 day refill of mail order or a limited network 90-day retail pharmacy for prescriptions.
- iii. **AvMed Standard Formulary:** The current formularies in both HMO and POS plans will be removed and all member's/dependent'(s) plans will use AvMed's Standard Formulary. The member/dependent(s) whose medication is not on the AvMed Standard Formulary, with physician's recommendation, will be transitioned to a similar medication that is on the AvMed Standard Formulary. For those

members/dependents whose medication does not have a similar medication available, will be allowed to continue with current medication, "grandfathered," until such time the course of treatment is completed and/or no longer needed.

2. Medical

Eliminate Private Healthcare Network ("PHCS") from High HMO and POS Elite Network: AvMed will continue to assume administration over the County's Medical Plans, and lease the Elite (PHCS) wrap network for medical services to achieve Provider discounted rates for out-of-area services. All members/dependents in the AvMed service area currently using PHCS providers would be redirected and transitioned to AvMed Network Providers, except those in POS who choose to use their out-of-network benefit, subject to applicable copays. The members/dependent(s) in the HMO plans do not have out-of-network benefits. Therefore, PHCS will no longer be available. The out-of-area plan retirees enrolled in the High Option HMO plan will not be affected by this change.

3. New Hires

Enrollment in First Choice Advantage HMO/Select Advantage HMO: The First Choice Advantage HMO and the Select Advantage HMO Medical Plans will be the only group health plan choices available for benefit eligible newly hired employees and their dependents hired after ratification for plan year effective January 1, 2020 and thereafter. This will not affect existing employees and their dependents currently enrolled in a County group health insurance program.

4. Freestanding Imaging

Freestanding imaging only: The member/dependent(s) will be required to have all (non-emergency) Imaging/Radiology services done at an in-network freestanding facility of their choice. All occurrences of emergency room visits and hospital admits are excluded from this requirement.

5. Utilization Driven Co-pays

Change co-pays: The utilization driven changes to co-pays are indicated in Addendum 2 and will become effective January 1, 2020 and thereafter.

The County and the Union are committed to working together to maintain and improve the ability of the Employers to provide quality health care through joint labor-management efforts; to ensure appropriate funding and resources for health care through joint legislative work; and to ensure that there is affordable health care and access to health care for the employees of Miami-Dade County through continuing to fund initiatives, and other joint ventures; and

The County and the Union agree that Article 56 (Group Health/Life Insurance) of the collective bargaining agreement between them shall be modified as set forth in the attachment hereto.
