

MDC Jackson First HMO_{administered by AvMed}

Concierge Appointment Hotline

The MDC Jackson First concierge hotline offers MDC employees under the MDC Jackson First HMO plan an opportunity to make appointments and have their questions answered in a quicker and more convenient way. Some of the benefits include:

- Hospitality and concierge services available 24 hours a day, seven days a week.
- A direct appointment line and email address for all medical appointment needs.
- Appointment line business hours: Monday-Friday, 7 a.m. to 6 p.m. (holidays excluded)
- Hospitality and concierge services available at three campus locations for your convenience:
 - Jackson Memorial Hospital
 - Jackson North Medical Center
 - Jackson South Community Hospital

Pre-Appointment

A dedicated outpatient coordinator will confidentially assist and facilitate all arrangements needed to link MDC employees with the outstanding medical attention they require and deserve. The outpatient coordinator will support the employee through each step and confirm their requested appointment(s). In order to begin the appointment process, you will need to provide:

- Registration forms
- Medical history and respective reports
- Information indicating special needs (dietary, religious, special access)

Once the information is received, our team obtains the earliest available appointment with the requested medical specialist. When the appointment has been confirmed, the patient is notified, receives financial clearance, and is pre-registered in our system.
