An insured employee.

General Information

What is your agreement with us?

This certificate summarizes the principal provisions of your accidental death and dismemberment insurance provided by the group policy. The provisions summarized in this certificate are subject in every respect to the group policy. Your signed application is deemed a part of this certificate.

Any statements made in your application will, in the absence of fraud, be considered representations and not warranties. Also, any statement made will not be used to void your insurance nor defend against a claim unless the statement is contained in your signed application, and a copy containing the statement is furnished to you, the beneficiary, or your or the beneficiary's personal representative.

This certificate is issued in consideration of your application and the payment of the required premium.

In making any benefits determination under this certificate and the group policy, we shall have the discretionary authority both to determine an individual's eligibility for benefits and to construe the terms of this certificate and the group policy.

Can this certificate be amended?

Yes. Your consent is not required to amend this certificate. Any amendment will be without prejudice to any claim for benefits incurred prior to the effective date of the amendment.

Who is eligible for insurance?

An employee is eligible if he or she:

(1) is a member of the eligible group and of an eligible class as shown on the specifications page attached to this certificate; and
(2) works for the employer for at least the number of hours per week shown as the minimum hours per week requirement on the specifications page attached to this certificate; and
(3) has satisfied the waiting period as shown on the specifications page attached to this certificate; and
(4) meets the actively at work requirement described in the "What is the actively at work requirement?" provision of this section.

All new employees or members in the groups or classes eligible for such insurance will be added to such groups or classes for which they are respectively eligible.

**What is the actively at work requirement?**

To be eligible to become insured or to receive an increase in the amount of insurance, an employee must be actively at work fully performing his or her customary duties for his or her regularly scheduled hours at the employer’s normal place of business, or at other places the employer’s business requires him or her to travel.

Employees not working due to illness or injury do not meet the actively at work requirement nor do employees receiving sick pay, short-term disability benefits or long-term disability benefits.

If the employee is not actively at work on the date coverage would otherwise begin, or on the date an increase in his or her amount of insurance would otherwise be effective, he or she will not be eligible for the coverage or increase until he or she returns to active work. However, if the absence is on a non-work day, coverage will not be delayed provided the employee was actively at work on the work day immediately preceding the non-work day.

Except as otherwise provided for in this certificate, an employee is eligible to continue to be insured only while he or she remains actively at work.

**When does a certificate holder’s insurance become effective?**

Your insurance becomes effective on the date that all of the following conditions have been met:

(1) You meet all eligibility requirements; and
(2) if required, you apply for insurance on forms which are approved by us; and
(3) we receive the required premium.

**Can an insured's coverage be continued during the employee's sickness, injury, leave of absence or temporary layoff?**

Yes. The employer may continue your noncontributory insurance or allow you to continue your contributory insurance when you are absent from work due to sickness, injury, leave of absence, or temporary layoff.

Continuation of your insurance is subject to certain time limits and conditions as stated in the certificate. If you stop active work for any reason, you should discuss with the employer what arrangements may be made to continue your insurance.

**Premiums**

**When and how often are premiums due?**

Unless the policyholder and we have agreed to some other premium payment procedure, any premium contributions you are required to make for contributory insurance are to be paid by you to the policyholder on a monthly basis. We apply premiums consecutively to keep the insurance in force.

**How is the premium determined?**

The premium will be the premium rate multiplied by the number of $1,000 units of insurance in force on the date premiums are due. The premium may also be computed by any other method on which you and we agree.

We will provide the policyholder with advance notice of at least 45 days for any change in rates. If we fail to provide the policyholder with the 45 day advance notice, the coverage will remain in force with the existing rates until after the 45 day notice is given or replacement coverage has been obtained, whichever occurs first.

**Accidental Death and Dismemberment Benefit**

**What does accidental death or dismemberment by accidental injury mean?**

Accidental death or dismemberment by accidental injury means that an insured’s death or dismemberment results, directly and independently of all other causes, from an accidental injury which is unintended, unexpected, and unforeseen.

The injury must occur while the insured’s coverage is in force. The insured’s death or dismemberment must occur within 365 days after the date of the injury and while his or her coverage is in force.

**What is the amount of the accidental death and dismemberment benefit?**

The amount of the benefit shall be a percentage of the amount of insurance shown on the specifications page attached to this certificate. The percentage is determined by the type of loss as shown in the following table:

<table>
<thead>
<tr>
<th>TYPE OF LOSS</th>
<th>PERCENT OF AMOUNT OF INSURANCE</th>

</tr>
<tr>

<tr>
<td>Thumb and Index finger of One Hand</td>

</tbody>
</table>
Loss of hands or feet means complete severance at or above the wrist or ankle joints. Loss of sight, speech, or hearing means the entire and irrecoverable loss of sight, speech, or hearing which cannot be corrected by medical or surgical treatment or by artificial means. Loss of thumb or finger means complete severance at or above the metacarpophalangeal joints (the joints closest to the palm of the hand).

A benefit is not payable for both loss of one hand and the loss of thumb and index finger of one hand for injury to the same hand as a result of any one accident. Under no circumstance will more than one payment be made for the loss or paralysis of the same limb, eye, finger, thumb, hand, foot, sight, speech, or hearing if one payment has already been made for that loss.

Benefits may be paid for more than one accidental injury, but the total amount of insurance payable under this certificate for any one accident not including any amount paid according to the terms of the Additional Benefits section of this certificate will never exceed the insured’s full amount of insurance shown on the specifications page attached to this certificate.

What are the notice of claim and proof of loss requirements?

Written notice of injury on which a claim may be based must be given to us within 20 days after the accident. Written proof of loss must be furnished to us within 90 days after the date of loss. However, failure to give such notice and proof within the time provided will not invalidate the claim if it is shown that notice and proof were given as soon as reasonably possible and in no event, except in the absence of legal capacity, later than one (1) year from the time proof is otherwise required.

When we receive written notice of claim, we will send the claimant our claim forms if he or she needs them. If the claimant does not receive the forms within 15 days, we will accept his or her written description as proof of loss.

When will the accidental death or dismemberment benefit be payable?

We will pay the accidental death or dismemberment benefit upon receipt at our home office of written proof satisfactory to us that an insured died or suffered a covered dismemberment as a result of a covered accidental injury. The benefit will be paid in a single sum or in any other method agreeable to the beneficiary and us.

To whom will we pay the accidental death or dismemberment benefit?

In the case of your accidental death, we will pay the accidental death benefit to the beneficiary or beneficiaries. The benefit for all other losses sustained by you will be paid to you, if living, otherwise to your estate.

A beneficiary is named by you to receive the accidental death benefit to be paid at your accidental death. You may name one or more beneficiaries.

You may also choose to name a beneficiary that you change without the beneficiary’s consent. This is called an irrevocable beneficiary.

If there is more than one beneficiary, each will receive an equal share, unless you have requested another method in writing. To receive the accidental death benefit, a beneficiary must be living at the time of your accidental death. In the event a beneficiary is not living at the time of your accidental death, that beneficiary’s portion of the accidental death benefit shall be equally distributed to the remaining surviving beneficiaries.

In the event of the simultaneous deaths of you and a beneficiary, the accidental death benefit will be paid as if you survived the beneficiary.

If there is no eligible beneficiary, or if you do not name one, we will pay the accidental death benefit to:

1. your lawful spouse, if living, otherwise;
2. your natural or legally adopted child (children) in equal shares, if living, otherwise;
3. your parents in equal shares, if living, otherwise;
4. your natural or legally adopted siblings, in equal shares, if living, otherwise;
5. the personal representative of your estate.

Can you add or change beneficiaries?

Yes. You can add or change beneficiaries if all of the following are true:

1. your coverage is in force; and
2. we have written consent of all irrevocable beneficiaries; and
3. you have not assigned the ownership of your insurance.

A request to add or change a beneficiary must be made in writing or by any other method made available under the plan. A change will take effect as of the date it is signed but will not affect any payment we make or action we take before receiving your request.

Exclusions

What are the exclusions under this certificate?

In no event will we pay the accidental death or dismemberment benefit where the insured’s death or dismemberment results from or is caused directly or indirectly by any of the following:

1. intentionally self-inflicted injury or self-destruction, whether sane or insane; or
2. suicide or attempted suicide, whether sane or insane; or
(3) war or any act of war, whether declared or undeclared; or
(4) service in the military of any nation.

**Additional Benefits**

Unless stated otherwise, additional benefits are payable to the same person or persons who receive the accidental death and dismemberment benefits. Additional benefits are paid in addition to any accidental death and dismemberment benefits described in the Accidental Death and Dismemberment section, unless otherwise stated. All provisions of the certificate, including but not limited to the exclusions listed under the “What does accidental death or dismemberment by accidental injury mean?” section, shall apply to these additional benefits.

**Disappearance Benefit**

**What is the disappearance benefit?**

If an insured’s body has not been found after one year from the date the conveyance in which he or she was traveling disappeared, exploded, sank, became stranded, made a forced landing or was wrecked, it shall be presumed, subject to all other terms of the certificate and proof satisfactory to us that the accident occurred and the insured was a passenger on the conveyance, that the insured has died as a result of an accidental injury which was unintended, unexpected and unforeseen. Such death shall be considered a covered loss under this certificate.

**Exposure Benefit**

**What is the exposure benefit?**

A loss due to exposure to the elements will be covered as if it were due to injury, provided such loss results from unavoidable exposure to the elements by reason of a covered accident.

**Total and Permanent Accidental Disability Weekly Benefit. (Applies to Classes 1a, 1b & 2b only)**

**What is the total and permanent accidental disability weekly benefit?**

If an insured employee becomes totally and permanently disabled as a result of a covered accident for which a benefit is not already payable under the schedule of losses, subject to all exclusions and limitations, we will pay a weekly benefit of $100, subject to a weekly maximum benefit of 80% of the insured’s salary. Such payments will continue until the earliest of:

1. The date 52 weekly payments have been made; or
2. the date the insured employee recovers so that he or she is no longer totally and permanently disabled; or
3. the date the insured employee fails to furnish proof of continued disability when requested or refuses to submit to a required medical examination; or
4. the date of the insured employee’s death. If an accidental death payment is due under this rider, the amount of such payment will be reduced by the amount of business travel accident insurance paid under this total and permanent monthly accidental disability benefit.

A total and permanent accidental disability is an accidental disability which has continued for at least 12 consecutive months and prevents the insured from performing his or her occupation, and thereafter continuously prevents the insured employee from engaging in occupation for which he/she is suited by education, training and experience.

**Termination**

**When does your insurance end?**

Your insurance ends on the earliest of the following:

1. the date the group policy ends; or
2. the date you no longer meet the eligibility requirements, if any; or
3. 31 days (the grace period) after the due date of any unpaid premium if the premium remains unpaid at that time.

If your insurance under this certificate terminates due to non-payment of premiums, your coverage may be reinstated if all premiums due are paid and received by us within 31 days of the date of termination and during your lifetime.

**Can your coverage be reinstated after termination?**

Yes. When your coverage terminates because you are no longer eligible, and you subsequently become eligible again, the employer may reinstate such coverage under this certificate, according to its own rules and time frames, without the need to satisfy any waiting period.

**When does the group policy terminate?**

The policyholder may terminate the group policy by giving us 31 days prior written notice. We reserve the right to terminate the group policy on the earliest of the following to occur:

1. 31 days (the grace period) after the due date of any premiums which are not paid; or
2. 45 days after we provide you with notice of our intent to terminate this policy.

**Additional Information**

Do we have the right to obtain independent medical verification?
Yes. We retain the right to have an insured medically examined at our expense whenever a claim is pending and, where not forbidden by law, we reserve the right to have an autopsy performed in the case of death.

**What if an insured’s age has been misstated?**

If an insured’s age has been misstated, the accidental death or dismemberment benefit payable will be that amount to which the insured is entitled based on his or her correct age. A premium adjustment will be made so that the actual premium required at your correct age is paid.

**When does an insured’s insurance become incontestable?**

Except for fraud or the non-payment of premiums, after the insured’s insurance has been in force during his or her lifetime for two years from the effective date of his or her coverage, we cannot contest the insured's coverage. However, if there has been an increase in the amount of insurance for which the insured was required to apply, then, to the extent of the increase, any loss which occurs within two years of the effective date of the increase will be contestable.

Any statements the insured makes in his or her application will, in the absence of fraud, be considered representations and not warranties. Also, any statement an insured make will not be used to void his or her insurance, or defend against a claim, unless the statement is contained in the application attached to the insured’s certificate.

**Who is the owner of this coverage?**

Unless assigned otherwise, the insured employee is the owner of all coverage provided under this certificate. Only the owner has the right to exercise ownership rights under the certificate, including but not limited to naming or changing a beneficiary, changing the amount of insurance, assigning any or all ownership rights, converting coverage to an individual policy and terminating the coverage.

**Can your insurance be assigned?**

Yes. However, we will not be bound by an assignment of the certificate or of any interest in it unless it is made as a written instrument, the certificate holder files the original instrument or a certified copy with us at our home office, and we send the certificate holder an acknowledged copy.

We are not responsible for the validity of any assignment. A certificate holder is responsible for ensuring that the assignment is legal in his or her state and that it accomplishes his or her intended goals.

If a claim is based on an assignment, we may require proof of interest of the claimant. A valid assignment will take precedence over any claim of a beneficiary.

**Can a change in ownership for a certificate be requested?**

Yes. A change in ownership is a type of assignment. All provisions for assignments apply to ownership changes.

**Will the provisions of this certificate conform with state law?**

Yes. If any provision in this certificate or in the group policy is in conflict with the laws of the state governing the group policy or the certificates, the provision will be deemed to be amended to conform to such laws.

The insured’s death or dismemberment must occur within 365 days after the date of the injury and while his or her coverage under this supplement is in force.

What is the amount of accidental death and dismemberment benefit?
The amount of the benefit payable for all other losses shall be a percentage of the insured’s principal sum.

The percentage is determined by the type of loss as shown in the certificate to which this policy rider is attached.

When will the business travel accident benefit be payable?

We will pay the business travel accident benefit upon receipt at our home office of written proof satisfactory to us that the insured died or suffered dismemberment as a result of a covered accidental injury meeting the requirements of the applicable Description(s) of Hazards. All payments by us are payable from our home office.

The benefit will be paid in a single sum or in any other method agreeable to us and the beneficiary. We will pay interest on the benefit from the date of the insured’s death or dismemberment until the date of payment. Interest will be at an annual rate determined by us, but never less than 0.1% per year compounded annually or the minimum required by state law, whichever is greater.

To whom do we pay the benefit?

In the case of an insured’s accidental death, the benefit will be paid to the beneficiary or beneficiaries in accordance with the Death Benefit section of the group policy, including the policy provisions for payment when there is no eligible beneficiary. The benefit for other losses sustained by an insured will be paid to the insured, if living, otherwise to his or her estate.
