

CORONAVIRUS (COVID-19) PREVENTION

Practice social distancing

- Avoid large crowds or gatherings (10+ people)
- Keep 6 feet distance if you need to go out

Take personal responsibility

Individuals in Miami-Dade County who believe they may have been exposed to COVID-19, should call the Florida Department of Health at **305-324-2400**. If you have a medical provider, call them. If traveling to a medical office or facility, call ahead.

For questions about COVID-19 in Florida, please call the Florida Department of Health at **1-866-779-6121**.
