I understand that my Chauffeur's Registration (Hack License) may be subject to suspension or revocation by the Department of Transportation and Public Works (DTPW) under, but not limited to the following conditions:

1. If I fail to comply with or willfully violate any of the applicable provisions of the Miami-Dade County Code and/or the applicable laws.
2. If any material fact was omitted or falsely stated on my application.

I understand that my Chauffeur’s Registration shall be automatically revoked by (DTPW) if I plead nolo contendere, plead guilty or if I am convicted of a felony or of any criminal offense involving moral turpitude or a crime involving the use of deadly weapons or trafficking in narcotics; or if my State of Florida Driver’s License is suspended or revoked; or if it is determined, after drug or alcohol testing, that my use of alcohol or a controlled substance has impaired or is impairing my ability to drive a for-hire vehicle.

I understand that I shall not refuse or neglect to transport to any place in the county any orderly person, including a service animal, who is willing and able to pay the prescribed fare and I shall not accept any additional passengers without the consent of the passengers already within the vehicle unless the passenger is being transported under a shared ride or other special service rate. As used in Chapter 31 of the Miami-Dade County Code, the term “service animal” shall mean any guide dog, signal dog, or other animal, as defined in 28 C.F.R. § 36.104, individually trained to do work or perform tasks for the benefit of an individual with a disability, including, but not limited to, guiding individuals with impaired vision, alerting individuals with impaired hearing to intruders or sounds, providing minimal protection or rescue work, pulling a wheelchair, or fetching dropped items. Furthermore, if I am caught cheating during any of the trainings, or the examination itself, my application will be denied and I shall not be eligible to re-apply for a Chauffeur’s Registration for one year.

I also understand that for the industries where a for-hire training is required, such training will be conducted in English (with the exception of the school bus training which is also conducted in Spanish).
