

PASSENGER MOTOR CARRIER APPLICATION

INFORMATION SHEET

This document contains the procedure to be followed by the operators who desire to apply for a for-hire Passenger Motor Carrier (PMC) certificate of transportation to provide circulator, contract, fixed route, general tours & transport service or jitney route. Listed below are the classes of services and their definitions:

Circulator:	Means the provisions of fixed route or semi-fixed route transportation service where at least 70 percent of the route is within 1 municipality. Motor vehicles owned, operated by or operated under contract with a municipality in a local public transportation system may provide circulator service <u>when authorized by an interlocal agreement with Miami-Dade County which has been approved by the Board of County Commissioners.</u>
Contract:	Means pre-arranged transportation provided by a passenger motor carrier vehicle for compensation pursuant to a written contract with one or more persons and which excludes street hail services.
Fixed Route or Route Service:	Means the transportation of persons by a passenger motor carrier vehicle on an authorized fixed route between fixed terminals on a fixed schedule with designated pick-up/drop off locations where service is not prearranged and the passenger hails the vehicle and pays a fare.
General Tours & Transport Service:	Means the prearranged transportation of persons in a motor vehicle to a common destination or series of common destinations where the person may be charged as an individual or as part of a group. Including, but not limited to, sightseeing service, not between fixed terminals or on a regular route. For the purpose of this article "sightseeing service" is defined as the transportation of a person or a group of persons traveling under individual contracts at a fixed charge involving the use of a passenger motor carrier vehicle to sightsee or tour a county or municipal point of interest including, but not limited to, historic buildings, parks or sites for the purpose explaining, describing, or generally relating to the history of South Florida under a pre-arranged itinerary, excluding street hail service.
Jitney Route:	Means the transportation of persons by a passenger motor carrier on an authorized fixed route between fixed terminals on a semi-fixed schedule where service is not prearranged and individual passengers hail the vehicle and pay a fare.

A separate for-hire PMC certificate is required for each class of service that the applicant desires to furnish. For example, if an operator desires to provide Circulator, Contract and Jitney route service, three (3) applications, one per class of service must be submitted. The operator may operate more than one vehicle of the same class per certificate by obtaining a valid and current operating permit for each vehicle.
