

## **SOCIAL SECURITY**

---

### **SUMMARY**

Employees of Miami-Dade County are covered under Social Security, and both the County and the employee make required contributions.

### **PROCEDURE**

1. The Social Security Administration recommends that you obtain a copy of your Social Security earnings at least once every three years. Do this to verify that Social Security's records of your earnings are correct.
2. Request a Statement of Earnings Report by calling the Social Security Office (1-800-772-1213) or on line at [socialsecurity.gov](http://socialsecurity.gov).
3. When you plan to retire, contact the local Social Security Office for information on the amount of benefits and the time of your eligibility.
