

October 16, 2014

Mr. Chuck M. Martinez, General Manager
Andretti Sports Marketing
201 South Biscayne Boulevard
Suite 2865
Miami, Florida 33131

Dear Mr. Martinez:

This letter is to confirm my support for bringing the FIA Miami ePrix to Downtown Miami in March 2015. I have met with the organizers representing Formula E Holdings and Andretti Sports Marketing to discuss this event and how it positively benefits our community.

Miami-Dade County is the home to premiere sporting events and we are excited that the Formula E race will bring the future of racing to the streets of downtown Miami. The teams from throughout the world who will race their electric vehicles at over 140 MPH not only represent the technological leading edge of motorsports, but also highlight the drive toward environmental sustainability.

Additionally, the economic benefit of this event will be significant. The visitor spending alone will be well in excess of \$10 million dollars, with promotions, production and a live television broadcast bringing even greater value.

It is precisely this type of international event that will showcase Miami-Dade as the world-class destination of the future that it is. I will continue to work with the organizers and look forward to join race fans in hearing “start your engines” for the FIA Formula E Miami ePrix in 2015.

Sincerely,
