## A Message from the Major of the Miami-Dade Public Safety Training Institute

Dear Colleague:

Thank you for considering the Miami-Dade Police Department for your training needs. As part of the largest law enforcement agency in the South Eastern United States, the Specialized Training Unit has been providing outstanding practical and innovative training programs for law enforcement since 1986. Our cutting-edge courses not only provide outstanding classroom instruction, but also the latest in hands-on exercises to ensure that all aspects have a real-life scenario-based approach.

The course fees include lunch and costs of all student notebooks and/or manuals, as well as selected promotional items.

Each course addresses a topic of critical concern and is presented with the highest caliber of professional instruction. Students from all over the United States and from over 46 foreign countries have traveled to Miami to participate in our courses. Instructors for the courses are drawn from throughout the world to provide you with the latest, state-of-the-art information. Each instructor is also rated for presentation skills and only those with the highest rating are selected for courses conducted by our Department. We recognize that most of these training programs are intensive; therefore, we are committed to providing an atmosphere conducive to learning and relaxation. Our training staff is always on site to assist you in ensuring that your learning experience is second to none.

We appreciate your patronage and hope to have the pleasure of serving you in the future as we continue to do our very best to meet all of your training needs.

**ACCOMMODATIONS Courtyard by Marriott Miami West**

**COST \$116 Single/Double**

This 5-day hands-on course contains new and innovative cyber-crime investigation methodology and techniques. This course is designed specifically for law enforcement personnel and those in direct support of law enforcement. Due to the sensitivity of this training, it is not taught to the general public. Although this is an advanced level course, it will be presented from a law enforcement point-of-view. This will benefit those experienced (but non-technical) investigators wishing to attend. Investigators engaged in any aspect of cyber-crime will benefit greatly from this course. Computers and Wi-Fi will be available for each student during the training.

# FINGERPRINTING TECHNIQUES, EVALUATION AND ANALYSIS OF FINGERPRINT EVIDENCE

**DATE AUGUST 6 – 10 FEE \$675**

**LOCATION Miami-Dade Public Safety Training Institute**

**ACCOMMODATIONS Courtyard by Marriott Miami West**

**COST \$116 Single/Double**

This 40-hour workshop is designed to introduce crime scene and law enforcement personnel on how to properly fingerprint crime scenes and effectively collect evidence. The first portion of this workshop (first 3 days/24 hours) will introduce attendees to analyze and evaluate fingerprint lifts. The second portion of this workshop (last 2 days/16 hours) will introduce attendees to the history, physiology, analysis and the evaluation process of those lifted fingerprints.

Other course objectives include instructing students on how to lift fingerprints from different surface types, while utilizing the most effective techniques. Several fingerprinting techniques will be discussed, examined and utilized. The attendees will then be introduced to how fingerprints are evaluated and analyzed, and how that relates to the outcome of a criminal investigation. Attendees will analyze and evaluate their own fingerprint lifts in the second portion of this course.

This workshop will be taught by crime scene personnel and latent examiners, in order to provide a well-rounded course outcome.

# CRIME SCENE INVESTIGATIONS
