

Local Action Team for Safer People, Safer Streets
An initiative of the USDOT Mayor's Challenge
Stephen P. Clark Building, 18th Floor (#18-04)
October 27, 2015
3-5 pm

Vision: A more livable Miami-Dade through the realization of healthier, safer streets accommodating all modes.

Goal: To create an action plan that reduces pedestrian and bicycle crashes and encourages more biking, walking and transit use by achieving Safer People and Safer Streets in Miami-Dade.
