## NONMAJOR SPECIAL REVENUE FUNDS

Special revenue funds are used to account for revenues, from specific sources, which are restricted by law or policy to finance specific activities. The County's special revenue funds are numerous. Accordingly, for financial reporting purposes, special revenue funds of a similar nature have been combined within the following classifications:

**Fire & Rescue Fund:** To account for revenues received from the special taxing district established to provide uniform fire suppression services throughout the County for participating municipalities and the unincorporated area.

**Health Development Fund:** To account for revenues received from Federal and State grants, half-cent sales tax used to support the operations of the Public Health Trust, and user charges for the operation of the Office of Rehabilitative Services.

**People's Transportation Fund:** To account for revenues received from the half-cent transportation sales tax used to support transportation operations, transportation related capital projects and acquisition of capital transportation assets.

**Public Library Fund:** To account for revenues received from the unincorporated area and participating municipalities for the operation of a uniform public library system.

**Community and Social Development Funds:** These funds account for revenues received from Federal and State grants for the operation of the Community Development Block Grants and low-income housing assistance and acquisition programs.

**State Housing Initiatives Program (SHIP):** To account for documentary stamp tax revenues received from the Local Government Housing Trust Fund. The purpose of SHIP is to provide housing assistance, including mortgages, to very low, low and moderate income households.

**Documentary Stamp Surtax Program:** To account for revenues received from locally generated documentary stamp surtax for special housing programs.

**Other Housing Programs:** To account for Housing programs, including the Housing General Fund and Section 8, Homeless Programs and Low-Income Public Housing funded by revenues received from US HUD.

**Clerk of Courts Operations Fund:** To account for revenues and expenditures applicable to the general ex-officio operations of the Clerk of the Courts and of the Circuit and County court functions.

**Hurricane Restoration Fund:** To account for revenues received from the Federal Emergency Management Agency grants, insurance, and other reimbursements from Federal and State agencies for countywide disaster assistance.

**Other Special Revenue Funds:** To account for revenues received from miscellaneous sources for a wide range of programs, including tourist development, criminal justice, and recreational development.

Note:

1. The increase in FY 2009 reflects the transfer of the Neighborhood Centers to CAA from DHS; in FY 2010, the clients will be referred to Community Enrichment Centers.
2. The reduction in FY 2007 is due to the elimination of CDBG funding for public service activities.
3. Decrease in FY 2008 reflects reduced Documentary Stamp Surtax revenues.
4. Deering Estate Admissions reflects Estate's capacity rather than paid admissions. Data were restated beginning FY 2003.

### **Directions for filling out the Behavior Management Plan form**

This form is to be used in conjunction with “*Effective Behavior Management Strategies*” handout provided during training. The page numbers quoted in the following directions are found in this handout.

Person(s) responsible: Park Manager or Facility Supervisor

When to use the form: 1. When a child engages in ongoing inappropriate, negative behavior that is disruptive to the program, AND, 2. AFTER staff have clearly communicated behavioral expectations to the child, provided appropriate verbal interventions, with no positive effect on child’s negative behavior.

This form is NOT for behavior for which a child should be immediately terminated from the program. Examples of this include violent/aggressive behavior, or illegal activities such as carrying weapons or illegal drugs.

How to use the form:

1. **Section A:** Park/Facility Manager fills out top section of form.
2. **Section B & C:** Park/Facility Manager calls Parent/Guardian to communicate concern for the child’s behavior and objectively describe and discuss behavioral issues. Park/Facility Manager asks what child’s best learning method is. This is noted on the form, section B. Park/Facility Manager asks if behavior is an issue at home/school, and how these issues are handled there. This is noted on section C of the form. Park/Facility Manager schedules a meeting for Parents/Guardian and Field Staff, at which the Behavior Management Plan will be discussed.
3. **Section D:** Before the meeting staff completes the form as a draft, to be finalized after discussion with the child and Parent/Guardian. Staff refers to the document: “*Effective Behavior Management Strategies*” as a resource for examples of appropriate interventions, rewards and consequences, while filling out section D of the form. Park/Facility manager reviews *Communication With Parents*, (Page 28) with staff that will attend meeting.
4. During the meeting, Park/Facility Manager expresses concern for the child and discusses the challenging behaviors, using objective language. Staff do not judge or categorize the behaviors, but simply state what occurs, the situations in which these behaviors occur, what staff have done to remedy the behaviors, and how the child has responded up to this point. Parents are asked to review the Behavior Plan, section D, and to provide input and suggest interventions; rewards or consequences they feel may be more effective. Discussion may include how these behaviors are handled at home/school.

5. The form is finalized at this meeting. Park/Facility Manager staples Behavior Management form to Registration form.

6. **Section E:** Park/Facility Manager obtains signatures in section I of form. Park/Facility Manager and staff fill plan out completely, and follow steps 6 through 13 below.

If Parent/Guardian do not agree to attend the meeting, staff document the date the parent/guardian was invited to the meeting on the Parent/Guardian signature line in section I of the form.

7. Park/Facility Manager documents the meeting.

8. **Section F:** Park/Facility Manager trains Field Staff working with child, to implement the Behavior Management Plan. Park/Facility Manger documents that training date on section E of the form.

9. **Section G:** Park/Facility Manager determines how often plan should be reviewed in section F of the form. This is based on the severity of the behavior(s). For more severe behaviors, the plan should be reviewed more frequently. The plan should be reviewed no less than one week from the day the plan is implemented.

10. **Section H:** Park/Facility Manager assigns one staff member who works with the child to review the plan at documented dates in section H of the form.

11. **Section I:** If plan is working, assigned Field Staff signs and dates section I at agreed upon intervals. If plan is not working (child continues with negative behaviors), Field Staff does not sign, but notifies Park/Facility Manager. From this point on, Park/Facility Manager and Field Staff work together with Parents/Guardian to adjust plan, implement changes, and continue with review. **KEEP PARENT/GUARDIAN ABREAST OF WHETHER PLAN IS WORKING OR NOT.**

11. If behaviors are severe, and after appropriate follow up and supervision of Behavior Management Plan is documented, with no positive results, child may need to be terminated from the program. Park/Facility Manager must stay updated on the effectiveness of the plan.

12. Prior to terminating child from the program Park/Facility Manager contacts Parent/Guardian to discuss behaviors again, provides an objective update of the situation and reports a change in the behavior plan, or that the child will be terminated if no positive results can be achieved.

13. Park/Facility Manager documents all above activities appropriately.

**RE: NOT SUBJECT TO LICENSURE**

Dear Sir/Madam:

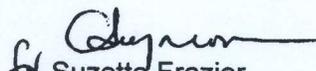

The **Greynolds Park Out-of-School Program** as described in your correspondence and licensure survey does not require licensure as a child care facility. Based on the description it appears that this program is strictly instruction/tutorial in nature. It does not require a license based on Florida Administrative Code 65C-22.008 (2) (c) (2), May 1, 2008.

Should your program change from the written description provided to the Child Care Licensing Department, it will need to be re-evaluated to determine if licensure is required.

Please be advised that this exemption letter does not absolve you from adhering to the rules and regulations of the **Health Department and Fire Department** and Municipalities.

If you have any questions, please feel free to contact me at (305) 377-5509.

Sincerely,

**RE: NOT SUBJECT TO LICENSURE**

Dear Sir/Madam:

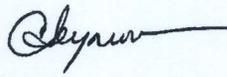

The **Tamiami Park Out-of-School** Program as described in your correspondence and licensure survey does not require licensure as a child care facility. Based on the description it appears that this program is strictly instruction/tutorial in nature. It does not require a license based on Florida Administrative Code 65C-22.008 (2) (c) (2), May 1, 2008.

Should your program change from the written description provided to the Child Care Licensing Department, it will need to be re-evaluated to determine if licensure is required.

Please be advised that this exemption letter does not absolve you from adhering to the rules and regulations of the Health Department and Fire Department and Municipalities.

If you have any questions, please feel free to contact me at (305) 377-5509.

Sincerely,

*for*
